Dereno, Bailey, Nobe and Springer had not filed result up to the time this report was prepared. Fergusson and the Democratic electors have a plurality in the county of about 450 and a net majority over all of about 200. The feature of the vote seems to be that in the strong socialist precincts the vote was heavy against the Highway Bond Issue, and in all precincts shows the personal strength of Harvey B. Fergusson. It is a high compliment to the worth of the man. Mr. Jaffa proved a weak candidate in all the precincts of the county.

Proposed Bond Issue For Construction and Maintenance of State Highways in New Mexico as Provided in Chapter 58 of Acts of 1912

CHAPTER 58
AN ACT PROVIDING FOR THE ISSUANCE OF BONDS BY THE STATE OF NEW MEXICO FOR THE PURPOSE OF CONSTRUCTING AND MAINTAINING A SYSTEM OF STATE HIGHWAYS.
Amend. S. B. No. 161. Approved June 10, 1912.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

Section 1. For the purpose of providing payment of the cost of the construction and maintenance of a system of state highways, the State of New Mexico is hereby authorized to incur an indebtedness in the manner provided by this Act, in the sum of five hundred thousand dollars.

Section 2. Immediately after the issue of the proclamation of the Governor as provided in Section 8 of this Act, the State Treasurer shall prepare five hundred suitable bonds of the State of New Mexico in the denomination of one thousand dollars each to be numbered from one to five hundred inclusively, and bear the date of July 1, 1913. The total issue of said bonds shall not exceed the sum of five hundred thousand dollars and they shall bear interest at the rate of four per cent per annum from the date of issuance thereof. Said bonds and the interest thereon shall be payable in gold coin of the United States of the present standard of value at the office of the State Treasurer, at the times and in the manner following, to-wit: the first twenty of said bonds shall be due and payable on the first day of January, 1919, and twenty of said bonds in consecutive numerical order shall be due and payable on the first day of July in each and every year thereafter until and including the first day of July, 1942. The interest accruing on all of said bonds that shall be sold shall be payable at the office of the Treasurer of the State or elsewhere on the first day of July and the first day of January of each and every year after sale of the same. The interest on all bonds issued and sold shall cease on the day of their maturity and the said bonds so issued and sold shall on the day of their maturity be paid as herein provided, and cancelled by the State Treasurer. All bonds remaining unsold shall at the date of maturity thereof be by the Treasurer of the

State cancelled and destroyed. All bonds issued pursuant to the provisions of this Act shall be signed by the Governor, countersigned by the Auditor and indorsed by the State Treasurer in office on the first day of July, 1913, and each of said bonds shall have the great seal of the State of New Mexico impressed thereon. The said bonds signed, countersigned, endorsed and sealed as herein provided, when sold shall be and constitute a valid and binding obligation upon the State of New Mexico, although the sale thereof be made at a date or dates after the persons so signing, countersigning and endorsing same shall have ceased to be the incumbents of their respective offices.

Section 3. Appended to each of said bonds there shall be interest coupons so attached that the same may be detached without injury to or mutilation of the bond to which same are attached. The said coupons shall be consecutively numbered and shall bear the lithographic signature of the State Treasurer. No interest shall be paid on any such bond for such time as may intervene between the date thereof and the date of sale of same, unless such accrued interest shall have been by the purchaser of said bond paid to the State at the time of such sale.

Expenses incurred by the Treasurer in the preparation of said bonds and in the advertising of the sale thereof, as in this Act provided, shall be paid by the State Highway Commission upon warrant to the State Treasurer on funds available in the State Road Fund.

Section 4. When the bonds authorized by this Act to be issued, shall have been signed, countersigned, endorsed and sealed as in this Act provided, the State Treasurer shall sell the same in such parcels and numbers as the Governor shall direct, to the highest bidder for cash. The Governor of the State shall issue such direction to the Treasurer immediately after being requested so to do through and by resolution duly adopted and passed by a majority vote of the State Highway Commission. Said resolution shall specify the amount of money which in the judgement of said Highway Commission shall be required at such time, and the Governor shall direct the Treasurer to sell such number of bonds as may be required to raise the amount of money so specified. Said bonds shall be sold in consecutive numerical order, commencing with the first twenty thereof. The

Treasurer shall not accept any bid which is less than the par value of the bond, plus the interest which has accrued thereon between the date of sale and the last preceding interest maturity date. The Treasurer, at the time and place fixed by him for said sale, may continue such sale as to the whole or any part of the bonds offered to such time and place as he may designate at the time of such continuance. Before offering any of such bonds for sale, the Treasurer shall detach therefrom all coupons which have matured or will mature before the date fixed for such sale. He shall publish notice of the time and place of sale in one of the newspapers published at Santa Fe, New Mexico, and in one newspaper published at Albuquerque, New Mexico, and in one newspaper published in each of the cities of New York, Chicago and Kansas City, once a week for four successive weeks next preceding the date fixed for such sale. In addition to the notice last above provided for, the Treasurer may give such further notice as he may deem advisable, but the expenses of such additional notice shall not exceed the sum of one hundred dollars for each sale so advertised. Immediately after such sale of bonds, the Treasurer shall pay into the state treasury and cause to be placed in the State Road Fund the total amount received for said bonds, except such amounts as may have been paid as accrued interest thereon. The moneys placed in the State Road Fund pursuant to the provisions of this section shall be used exclusively for the construction and maintenance of said system of state highways. Provided: that the expenditures of the proceeds derived from the sale of said bonds shall be annually apportioned among the several counties of the State upon the basis of the amount annually contributed by each county to the State Road Fund as proceeds of the 1-mill levy required by Chapter 42 of the Acts of the Thirty-eighth Legislative Assembly of New Mexico.

Section 5. There is hereby appropriated from the Road Fund in the state treasury such sum annually, as shall be necessary to pay the principal and the interest on the bonds issued and sold pursuant to the provisions of this Act, as said interest and principal become due and payable. The Treasurer shall, on the first day of January and on the first day of July of each year, transfer from the Road Fund to the interest fund such amount of the money by this Act appropriated as shall be required to pay accrued

interest on the bonds theretofore sold until the interest on all of such bonds so sold shall have been paid or shall have become due in accordance with the provisions of this Act. There is hereby created in the state treasury a fund to be known and designated as the State Highway Sinking Fund. The Treasurer of the State shall on the first day of January, 1919, and on the first day of January each and every year thereafter in which a parcel of the bonds sold pursuant to the provisions of this Act shall become due, transfer from the Road Fund of the state treasury to the said State Highway Sinking Fund such amount of the moneys appropriated by this Act as may be required to pay the principal of the bonds so becoming due and payable in such years. Provided, however, that at any time when there shall be an insufficient amount in said Road Fund to pay the principal and interest on the bonds as aforesaid, then and in that event a special levy shall be made to provide for the payment of the said principal and interest as same become due and payable. It is hereby made the duty of all officers charged by law with any duty in regard to the levy and collection of said revenue to do and perform each and every act which shall be necessary to collect such additional sum.

Section 6. As the same becomes due, the principal of all of such bonds shall be paid from the State Highway Sinking Fund, and as the same becomes due, the interest on all bonds sold shall be paid from the interest fund. Both principal and interest shall be so paid upon warrants duly drawn by the Auditor upon the Treasurer, and the faith of the State of New Mexico is hereby pledged for the payment of the principal of said bonds so sold and the interest accruing thereon.

Section 7. This Act shall be submitted to the people of the State of New Mexico for their ratification at the next general election to be held in the month of November, 1912, and all ballots at said election shall have printed thereon and at the end thereof the words, "For the State Highway Bond Issue," and in a separate line under the same, the words "Against the State Highway Bond Issue." Opposite said lines there shall be a square in which the voters may make or stamp a cross to indicate whether they vote for or against said bond issue, and those voting for said bond issue shall do so by placing a cross

in the square opposite the words "For the State Highway Bond Issue," and those voting against the said bond issue shall do so by placing a cross in the square opposite the words "Against the Highway Bond Issue." Section 8. The votes cast for and against said bond issue shall be counted, returned, canvassed and declared in the same manner and subject to the same rules as votes cast for state officers, and if it appears that this Act shall have received a majority of all the votes cast for and against it at such election aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrevocable until the principle and interest of liabilities for the creation of which provision is herein made, shall be paid and discharged, and the Governor shall accordingly make proclamation thereof. But if a majority of the votes cast as aforesaid shall be against said bond issue then this Act shall be and become void.

Section 9. It shall be the duty of the Secretary of state to have this Act published once a week in one newspaper in each county, if one be published therein, throughout this state, for four weeks next preceding the general election to be held in the month of November, 1912. The cost of publication shall be paid out of the Road Fund.

Section 10. This Act shall be known and cited as the State Highway Bond Act.

Section 11. All acts and parts of acts in conflict with the provisions of this Act are hereby repealed.

Fergusson and the Democratic electors have a plurality in the county of about 450 and a net majority over all of about 200. The feature of the vote seems to be that in the strong socialist precincts the vote was heavy against the Highway Bond Issue, and in all precincts shows the personal strength of Harvey B. Fergusson. It is a high compliment to the worth of the man. Mr. Jaffa proved a weak candidate in all the precincts of the county.

The Herald is Pleased.

To say that the above caption expresses the editorial sentiment regarding Tuesday's victory, is a mild statement. The acuteness of the political situation in this state, and the importance of getting the Democratic voters to the polls, is what brought the present editor to Portales. The splendid results of Democratic harmony seen in the election returns from Roosevelt county add to his general pleasure over the victory in state and nation. The proportionate vote which always goes to the polls, is what makes "banner" counties. Other counties may have given greater voting strength in the election just closed, but for Democratic proportional MAJORITY—Say, will you pass the banners, please? Portales and Elida, we doff our derby to YOU. Next.

This happened in Artesia

One night last week patrons of the picture show noticed a tall, dark man with long whiskers standing in front of the building with an old fashioned double barrel shot gun across his arm. Several spoke of him to their friends, but no one paid much attention to him, as all thought he was an advertisement for the show, the show that night dealing with the case and capture of a horse thief in the early times. Finally one visitor joked Mr. Simmons about his new ad, and the manager left the house and hurried out in front saying that he had never seen the man before.

When Mr. Simmons asked him what he was doing there the tall man told him that it was none of his business, but when Mr. Simmons threatened to send for a cop he unburdened himself of his trouble, which was that some fellow had taken his wife to the show, and was even then inside enjoying the sad end of the horse thieves career.

"An' when they come out," said the gentleman with whiskers "I am going to blow them to Kingdom come."

Naturally Mr. Simmons was much disturbed by the casual announcement of a murder that was to be committed, and thinking the man insane, he tried to lead him away from the show or persuade him to give up his gun, but the fellow only shook his head and stayed in his place by the door. Finally Simmons knowing that that the show was nearly over, rushed into the theatre and stopped the performance. He went to the stage and in a low tone informed the audience of the circumstance, and said, that he wished to avoid trouble he would darken the house and ask the man the stranger with the gun was looking for, to come down the aisle and go out of the back door into the alley. He had hardly finished speaking when eight men rushed frantically through the stage and out the backway.—Pecos Valley Times.

MRS. MCGILL
BROKE DOWN
 Gives the Real Facts in Regard to Her Case and Tells How She Suffered.

Jonesboro, Ark.—"I suffered a complete break down in health, some time ago," writes Mrs. A. McGill, from this place. "I was very weak and could not do any work. I tried different remedies, but they did me no good. One day, I got a bottle of Cardui. It did me so much good, I was surprised, and took some more. Before I took Cardui, I had headache and backache, and sometimes I would cry for hours. Now I am over all that, and can do all kinds of housework. I think it is the greatest medicine on earth." In the past fifty years, thousands of ladies have written, like Mrs. McGill, to tell of the benefit received from Cardui. Such testimony, from earnest women, surely indicates the great value of this tonic remedy, for diseases peculiar to women. Are you a sufferer? Yes? Cardui is the medicine you need. We urge you to try it. N. B.—Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent in plain wrapper, on request.

Melrose vs Portales

The Melrose basket ball girls, accompanied by Mr. Davis and Mrs. Steward of the Melrose school came over Saturday and engaged our local team in two games of basket ball, resulting as follows: first game, 13 to 5 in favor of Portales and the second game 15 to 5 in favor of Portales. Miss Foglesong, the coach of the local team, deserves much credit for the good showing made by the home girls.

The Melrose girls are good losers and hope to have the local team on their own ground in the future, where they think that they can more than redeem themselves.

Worlds Fair

"In the name of the Republic of China, I plant this flag to except this land upon which shall rise the Government Building which China will dedicate to the celebration of the successful construction of the Panama Canal by the United States," declared Dr. Chin-tao Chen, Commissioner General of China, when he dedicated China's site at the Panama-Pacific International Exposition.

As he uttered these words the heavy guns at the Presidio thundered a salute, the first fired in this country to the still unrecognized Republic. Fully 20,000 people were present, among them being a large percentage of the Chinese population of this city and vicinity.

A Case of Suspension

The Portales high school athletic association will present the above named play at the Cosy theatre, on Friday evening November, 15th. Admission 15 and 25 cents.

This is an average of \$437.39 per mile of line for the month, which is greater by \$43.83 than the average per mile of line for the month of August 1911. This net operating revenue for each mile of line for each day in August 1912 averaged \$14.11, and for August 1911 \$12.70.

As net operating revenue is the gross income from which must be paid taxes, rentals, interests on bonds, appropriations for betterments, and dividends, it follows that on the average the operation of each mile of line for each day during August produced only \$1.41 more for these purposes than during August of last year.

The railways were bitterly complaining a year ago that their expenditures for taxes, labor, and supplies were not leaving them enough margin with which to make needed betterments and attract the capital necessary for extensions in their track and the additions to their cars and locomotives to the handling of the growing traffic of the country. It would seem inasmuch as their

expenditures are still on the upgrade, that the record breaking traffic of the present simply puts little more cash in their pockets for immediate needs, and leaves their pressing problems still unsolved.—From report U. S. Bureau of Statistics.

Southern Pacific Bond Employees

Beginning with January 1 of next year, the Harriman Lines will assume all bond premiums of employees in their service, according to an announcement made at the offices of the Southern Pacific company here today. In the past, it has been the custom to require all men handling money to put up a security bond, and the premium on it has been paid by the employe, himself. After the first of the year this expense will be borne by the railroad company.

On the Pacific System of the Southern Pacific, alone, there

are about 45,000 employes, and the new arrangement, it is said, will involve a heavy expenditure annually.

Revival Services at the Methodist Church

Beginning Sunday Morning Revival services will be held at the Methodist church. Preaching every evening this week at 7:15. A cordial invitation is extended to all. Come and bring your friends with you.

Richland Items

Every body old and young great and small in Chaves county are out in the fields gathering in the vast crop that has been raised in this county the present year.

Sam McBeth is erecting a large barn on his farm to hold that big crop of his.

Ed Stratton expects to make several improvements on his farm at Richland before winter. The Farmers Union at this place is progressing nicely and every officer and member at their post of duty every night of meeting.

Not one-half the wagons are heading for the Texas cotton field there were this time last year in this vicinity, why? They have to stay at home and take care of the big crop they have raised this year.

We don't know of a case of sickness any where near here. We sure hope for continuance of good health.

J. B. Stratton is expecting a visit from a younger brother from San Diego Calif. He has not seen his brother since 1882. It will evidently be a very happy meeting. He is in Ohio visiting and will return to his home the southern route.

There was preaching at the Richland school house Sunday Oct. 20th.

Jack frost caught lots of garden truck and late crops around here but glad to say most of the crops were matured. Only a few fields that were planted late. Pasture is fine and unless there is a heavy snow fall the farmers wont need much roughness.
