TREES GROW ON BOULEVARD

Good Attention Given And Large Percentage Are Looking Fine

BOULEVARD MAY BE EXTENDED

Connecting Road To Abo Highway And Northwest Part of County

The trees on the Bethel boulevard which were furnished by the Portales Utilities Company and planted by the people of Portales and the valley, are looking good and growing nicely. For several weeks H. M. Livingston, one of the best irrigators in the valley, has had watering and the care of the trees and his excellent work speaks for itself.

There are about nine miles of trees on both sides of about 8200 in all planted. Of these, more than 90 per cent are living, for an actual count showed less than 300 dead. This is good when the circumstances are considered. It was several days before some of the trees could be planted and then on the western end they have been injured somewhat by cattle.

With the present treatment it will not be a great while until these trees will make a showing and can be seen for miles. We take it that the Utilities company is going to show how far a little expense and work will go toward improving the looks of the valley with a view perhaps that other people will take notice and do likewise on the roads in front of their farms.

It is also quite possible that not a great while in the future the Bethel boulevard will be extended, pass through Floyd and reach the towns on the cutoff and connect with the proposed Abo highway. We believe the towns on the cutoff should have better road connections with the county seat.

The taxpayers in those parts have not had much in the way of road building and we believe they would welcome a good highway to the county seat.

Make Some Deals.

The hustling real estate firm of Trout & Smith have recently made several deals and have several more which they expect to negotiate. One of the most important they have made recently was when they sold the Bob Dunlap ranch, west of town to Dan H. Smith, of Valentine, Texas, son of A. J. Smith's. Bob Dunlap has moved his sheep and other stock across the river where he will have more room.

Mr. Smith has brought his family and taken possession of his ranch and promises to be one of our most substantial ranchers. He has already 65 head of horses and has gone to his old home for a herd of cattle.

Another deal negotiated by Trout & Smith was the selling of the I. N. Howard place in the Doas community to John H. Hardenberger of Haskell county, Texas. Mr. Hardenberger will take possession of his newly acquired property in September.

E. E. Hoagland, manager of the Joyce-Fruit store, was in Hagerman the first of the week on business.

To the Citizens of Roosevelt County

The writer wishes to say a few words to the citizens of this county with regard to the proposed creamery. In the first place, let us all remember that we are going to build a creamery. We are not entering into any controversy between any factions of any section of the county or any business houses or any farmers. The object in view is to build a creamery for Roosevelt county and THIS CREAMERY WILL BE BUILT. The writer noticed an article by a committee in regard to an ice plant. It is true that if we can do so we want to put in an ice plant in conjunction with this creamery. We can run this creamery without an ice plant by having a refrigerating plant only. A creamery built with a refrigerating plant will perform all the functions of converting cream into butter, and if it is deemed advisable by the building committee and they so see fit to do, they can build this creamery with the refrigerating plant and without the ice plant. The writer does not believe that it will be necessary to do this because he has absolute faith in the patriotism and boosting spirit prevalent in every citizen of this county whether he live in the town or the country. Therefore instead of arguing over the question as to what shall be done, let every man ante up on his subscription, get in behind the building committee and force them to go ahead and get some action. The best evidence to force them into action is the knowledge that the deposits of subscribers have been made and are in the banks. With this money in the banks they have got to act and they must act quickly.

Just stop and consider that this county is losing on the basis of 1000 pounds of butter a day, something like \$100 a day in not having this creamery in operation. It means that every one of you producers of cream is losing his pro rata proportion of this \$100. This community realizes what it means to lose this money. The community has already expressed itself in regard to the question of building a creamery. Now let's act and get it done. Don't let any other issues muddy the water. Remember that this creamery is to be built and operated irrespective of whether a contract is made with some one to operate it under contract or whether the farmers operate it themselves. The thing you must do first is to build the creamery. The matter of its operation is the second step. Steps have already been taken looking toward finding a market for the butter, but no definite arrangements can be made until construction work is started and the creamery is started. Now, Mr. Citizen, what is holding you back?

Finally, remember that the directors of the Roosevelt County Creamery must provide for 12 per cent dividends on stock whether the creamery is run by you farmers or contracted out to other parties. Also that the farmers will receive for their butter fat the same price at each and every place where cream is purchased. A. A. Rogers.

County Clerk J. W. Ballow was in Elida Monday on business and calling on old friends.

ROOSEVELT COUNTY FAIR NOW ASSURED

Committee Will Get Busy And The Prospects Are Good For The Best Fair Ever Held In The History of Our County

EXPECT TO VISIT EACH COMMUNITY IN ROOSEVELT COUNTY

Plenty of High Grade Stock, Good Farm Products; Each Community Should Get Busy And Be Represented In The Coming Fair

The Fair Committee consisting of Ooe Howard, Carl Turner and A. A. Rogers held a preliminary meeting last Tuesday and as a result of this meeting are ready to announce that Roosevelt county will hold a County Fair. The Roosevelt County Fair will be held out of funds remaining from last year's Fair and subscriptions and prizes offered by various merchants, business men and farmers of the county. It is the purpose of the committee to hold this fair in Portales in order that all the best stock, and farm produce of all kinds may be gathered together in competition so that a selection of the prize winning material may be gathered and sent to the State Fair at Albuquerque on an appropriation made for that purpose by the County Commissioners. There are a great many people who do not realize how much high grade stock and prize winning material is already in the ownership of the farmers of this county.

List of cash prizes and other prizes will be worked out and announced in the near future.

The Committee expects to visit every portion of the county between now and the time of the opening of this Fair, but in the event they cannot reach every one, they want to bespeak the cooperation of all the farmers, business men and citizens of the county. It is the purpose of the organization Committee to appoint committees for each postoffice on the selection, organization and arrangement of exhibits from each district. These committees will be announced at a later date.

Now that you have knowledge of the fact that this county fair is going to be held, it should be your pleasure to start selecting your exhibits. Get the finest stock and the finest produce you have on the farm into shape ready for this fair.

This local fair will be held October 6, 7 and 8. The annual convention of the State Federation of Women's Clubs of New Mexico will be held at Portales on October 5, 6 and 7. This convention will visit Clovis and attend the Curry County Fair in a body on Wednesday, October 6. The Roosevelt County Fair will be thrown open to the visiting delegates of this convention and a reception will be held from 4 to 5 o'clock on the afternoon of October 7. It is desirable that all exhibits be ready and finished by this time. This will be an opportunity to display the produce of Roosevelt county, to delegates from every county and town in the state of New Mexico. There will be several hundred delegates here for this convention and it will afford the women of Roosevelt county an opportunity to meet the representative women of the entire state of New Mexico. Every woman of Roosevelt county is cordially invited and requested to be present at least on Thursday from 4 to 5 o'clock in order to extend a welcoming hand to these delegates from all parts of this state.

For the Committee.

Realty Changes Hands.

Joe Howard, the land man, made several deals recently the most prominent of which perhaps was a transaction whereby W. F. Brown becomes owner of the Williams place east of town. In the deal the place was valued at \$8,000. The farm consists of 160 acres, with about eleven acres in alfalfa and a gasoline pumping plant.

Mr. Howard also sold to Mr. Brown a place at Benson. The consideration is said to have been \$1600. One of Mr. Brown's sons will move on this place. During the past week Mr. Howard has sold considerable town property to outside parties.

Making Good.

Among our valley farmers who are making good is Ralph Converse. This is the second crop he is making on his place east of town and he is more than pleased with results. His crop has all done well and some samples of Sudan grass and maize he has raised are about the best we have seen.

Money For Fire Company.

Town Clerk W. H. Braley a few days ago received a check for \$300 from state treasurer O. N. Marron for the Portales fire department. The last legislature passed a bill allowing money for the companies in several of the towns of the state and through the efforts of Senator A. J. Evans and Representative R. G. Bryant Portales was included and received the above amount. It is not known just how the local company will spend the money, but there is no doubt that they can spend it to good advantage.

Swine Breeders Meeting

The hog raisers of the Pecos Valley met at Artesia Saturday and organized the Eastern New Mexico Swine Breeders Association. The meeting is reported as being a very enthusiastic one with more than one hundred present. The association will include all of eastern New Mexico from here as far south as Malaga. Dr. R. H. Bailey represented this section.

9,000 Pounds Milk In Ten Month's Time

Roswell News: Lady Rosette, one of Meldrum Gray's registered Jersey's, is just completing an eviable record. At the end of her tenth month she will have given approximately 9,000 pounds of milk, and the quantity of butterfat she is still giving is evidence that the yearly tests are the ones which best show the real worth of a cow. On her official 284 days after she began milking she made 1.6 pounds of butter. Her total for the entire ten months is practically 523 pounds of butter. In the tenth month of her milking period the butterfat amounted to 39 pounds which would be equal to 48 pounds of butter or an average for the tenth month of better than 1 1/2 pounds per day.

The official testing of cows is coming to be more common in the Roswell country, and as the benefits derived are becoming more and more accurate, the farmers are looking more to the quality of the cows they are keeping. And it is pointed out by the dairyman that it is this class of cows that will put Roswell on the map as a dairy center.

Peaches Plenty.

Roosevelt county is proving herself this year as a peach growing country. From all over the county come reports of a bountiful yield and they are of exceptionally fine flavor. Never before have peaches been so plentiful at Portales and at prices so reasonable. In fact practically every orchard in the county is loaded and the yield is by far the greatest in the history of the county. This enormous yield is going to encourage the planting of more orchards.

Another Rain.

A fine rain fell Sunday evening and extended from west of town toward the southeast. Carl Turner reports that it extended as far as Redland and two showers fell, one Sunday afternoon and another Sunday night. The fall at Portales amounted to almost one and one half inches.

Mr. Turner says that there is no question now of there being a bumper crop raised in his community.

Fine Grapes.

Ben Wood was in town this week with some extra fine specimens of grapes raised by him and his father, Geo. Wood, on their place in south Portales. These gentlemen have one of the best little garden spots in town and they always make a good showing.

They have a big crop of grapes this year and one single vine produced by actual weight eight pounds.

Goes To Market.

S. F. Moore, Manager of the dry goods department of the Arkansas store, left Saturday for Kansas City, Chicago and other eastern cities to buy fall goods. Mr. Moore is one of the best dry goods men of this section and Portales buyers may expect him to return with the latest and best that the market affords.

ANOTHER GOOD VALLEY FARM

Excellent Showing Made On Dwight Reynolds Place East of Town

FINE APPLE AND CHERRY ORCHARD

Sweet Potatoes Will Make Three Hundred Bushels Per Acre

Among the prettiest and best developed small tracts in the Valley is that of Dwight Reynolds east of town. There is perhaps no other place where the work of irrigation shows itself so well. In a short time the virgin prairie has been turned into a garden spot with trees of enormous size. The owner, who is foreman at the plant of the Portales Power and Irrigation company, has not had time to do much of the actual work, but he has done the planning and he has planned well.

On this place there is an orchard of apples and cherry trees consisting of 15 acres which is three years old and could not look better. One of the most conspicuous things to the observer is the row of cottonwoods which line the west side of the place. It does not seem possible that trees could make such a growth in such a short time.

The farm work this year is in charge of J. M. Bradley, the sweet potato man, and among other things he has six acres of sweet potatoes which are among the best in the Valley. It is Mr. Bradley who has said that it is not difficult to raise 300 bushels of sweet potatoes per acre in the Portales Valley. From the appearance of this patch a yield that good or better may be expected.

There is a great variety of other vegetables including eight acres of peanuts, cowpeas, bean, tomatoes, etc. Mr. Reynolds and his estimable wife do not overlook the poultry proposition for they have about 30 turkeys and about 100 chickens.

A visitor at this farm cannot fail to be impressed with the future prosperity of the owner and his prospects in the near future of being able to take things easy, his farm making him an independent living.

Meeting Closes.

The meeting in the tent conducted by the Adventists came to a very successful close Sunday night. These people spend about a month in Portales and their meetings were well attended. They left Monday for Clovis where they will hold services.

School Will Start.

The Portales public schools will open as usual on the first Monday in September in the old building. There seems to be a doubt now as to whether the bond issue was legal. Whether it is or not, school will start at the regular time.

Meet At Amarillo.

There will be a meeting of the Pan Handle Confederate Veterans Association at Amarillo, Texas, August 25, 26 and 27, and all veterans are cordially invited to attend.

DESTROY PRAIRIE DOGS

RODENT PRESENTS GRAVE PROBLEM TO STOCKMEN.

Biological Survey Takes Up Matter of Exterminating Them in Co-Operation With Forest Service.

Albuquerque, N. M.—Five prairie dogs destroy enough grass to support a sheep; twenty-five prairie dogs enough to support a cow. Think of twenty-five million prairie dogs, and figure out for yourself why these prolific little rodents are no joke to the stockmen of Arizona and New Mexico and why the United States government is hard after the little brown scamps.

Scientific prairie dog scalp-hunting is the chosen calling of J. G. Crick of the United States Biological Survey, who has recently been in Albuquerque recruiting a crew of able bodied young men to begin war on the multitudes of prairie dogs which are injuring about 25,000 acres of range on the Fort Wingate division of the Manzano National Forest. Mr. Crick is working in co-operation with Supervisor J. F. Mullen of the Forest Service, and before snow flies he hopes to make room for more cattle and less prairie dogs in this particular part of the Fort Wingate country. Similar crews are already at work on the Guadalupe division of the Alamo National Forest, in southern New Mexico, and on the Sitgreaves National Forest in eastern Arizona.

Rio Grande to Broad Gauge Line.

Santa Fe—Between \$4,000,000 and \$5,000,000 will be spent within the next twelve months by the Denver & Rio Grande railroad on the construction of a standard gauge line connecting Durango with the present main lines of the system, obviating the necessity of entering New Mexico to reach Durango from Denver. An announcement to that effect has been made by J. G. Cwyn, chief engineer of the Denver & Rio Grande railroad, who said that an engineering party of seventeen men is in the field to make the location survey for the new line.

Roberts Chosen to Succeed Himself.

Las Vegas—The board of regents of the New Mexico Normal University adopted the report of Dr. Frank H. H. Roberts, president of the institution, re-electing him to office for a period of three years at a salary of \$4,000 a year. Dr. Roberts was commended for the growth shown in the school under his administration. The increase of \$500 was voted unanimously.

Fleming Not Guilty.

Santa Fe—Roy A. Fleming, formerly of the railway mail service and recently transferred from the Santa Fe office to the Albuquerque postoffice and back again to Santa Fe, was discharged by United States Commissioner Melvin T. Dunlavy from the charges of opening a letter that passed through his hands at the general delivery.

First Land Sale of Series.

Railroad Man Killed.

Silver City—William E. Bell, a fireman, was caught beneath an engine at Santa Rita and so badly crushed that death came within a few hours.

Denta Onions Doing Unusually Well.

Roswell—This is one of the best years for Denta onions that has been experienced since this crop began to be planted in the Pecos valley, according to statements from many growers. The crop is maturing splendidly.

Big Cabbage Crop.

Santa Fe—Two carloads of cabbage have been shipped from an eight acre plant by E. P. Link of Las Cruces.

NOTICE OF FORECLOSURE SALE

In the District Court of Roosevelt county, N. M.
Jerome P. Smith, plaintiff,
vs. No. 1075.
C. P. Lyon & R. E. Brown, defendants.

Whereas, on the 3rd day of April, 1915 in the District court of Roosevelt county, N. M. in case No. 1075, pending therein, wherein Jerome P. Smith is plaintiff and C. P. Lyon and R. E. Brown are defendants, the defendant, R. E. Brown, recovered a judgment upon a promissory note and mortgage executed by defendant, C. P. Lyon to plaintiff, Jerome P. Smith, and sold, assigned and transferred to defendant, R. E. Brown, said note dated October 11th, 1913, and mortgage of even date, and judgment being rendered in favor of said defendant, R. E. Brown, against said Jerome P. Smith and C. P. Lyon, in the sum of \$720.96 with 12 per cent per annum interest thereon from date of judgment until paid, with the additional sum of \$72.09 as attorneys fees with six per cent per annum interest thereon from date of judgment until paid; and that also plaintiff, Jerome P. Smith, in the same action recovered a judgment against defendant, C. P. Lyon for the sum of \$720.96 with 12 per cent per annum interest thereon from date of judgment until paid, and the additional sum of \$72.09 as attorneys fees with six per cent per annum interest thereon from date of judgment until paid; together with all costs of suit in each judgment; and in the same action a decree of foreclosure was rendered foreclosing the mortgage executed by said C. P. Lyon to secure the said two notes upon which judgment was rendered, respectively, and decreeing the judgment in favor of said R. E. Brown to be a first and paramount lien upon said premises and the judgment in favor of said Jerome P. Smith to be a second and inferior lien on the premises described in said mortgage, and subject to the payment of the judgment and lien in favor of said R. E. Brown, on said premises described in said mortgage being the S1-2 of the NE1-4, the S1-2 of the NW1-4, the N1-2 of the SE1-4 and the N1-2 of the SW1-4, of Section 26 in Township one (1) South, Range thirty-six (36) East N.M.P.M. in Roosevelt county N. M., and

Whereas, Ben Smith, was appointed Special Master, and directed by the court to advertise and sell said premises according to law, and apply the proceeds to the satisfaction, first, of the judgment in favor of said R. E. Brown, together with all costs of said action, and the remainder, if any, to the satisfaction of the judgment in favor of plaintiff and costs.

Therefore by virtue of said judgment and decree said undersigned will at the hour of two o'clock p. m. on August 24, 1915, sell at the Northeast front door of the courthouse in the town of Portales, N. M. at public auction, to the highest bidder for cash, said property, for the purposes aforesaid, and accruing costs.

Witness my hand this July, 28th, 1915.

METZ

The remarkable combination of efficiency, superb equipment, beauty of design and attractive price which we have achieved in the production of this new model, is a development that is certain to be as welcome to the public as it is gratifying to us.

The new METZ Touring Model is a car of distinctive features, a car that in passing attracts the second glance because of its striking and pleasing appearance. There is about it an impressive individuality, a something that stamps QUALITY all over it. In short, it is a car that any owner cannot help but feel proud of.

And for good reasons. It has the POWER to send it along at a fifty-mile clip; in reliable road performance it has no superior; it has the STYLE and all the fine points that command admiration, and in both COMPLETENESS and QUALITY its equipment equals that of other cars which are priced much higher.

The new METZ Touring Model puts the delights and benefits of luxurious motoring on a basis of economy. As a live and convincing example of the application of sane ideas in the building and pricing of automobiles, it is in a class by itself.

You can readily appreciate the SATISFACTION of owning and driving a METZ, in the purchase and operation of which all suggestion of extravagance is eliminated.

This car is particularly well adapted for use in this part of the country. It has many exclusive special features. If you are looking for a medium priced car that is worth the money, let me show you the METZ before you buy.

PROCESS FOR PUBLICATION

The state of New Mexico,
To the unknown heirs at law of James M. Adamson, deceased, and all other persons having or claiming any interest in the premises:

You are further notified that a suit has been filed against you in the District Court of the fifth Judicial District of the state of New Mexico, in and for Roosevelt county, wherein W. C. Naugle, administrator, is plaintiff, and the unknown heirs at law of James M. Adamson, and all other persons having or claiming any interest in the premises are defendants, said cause being numbered 1120 upon the Civil Docket of said court.

The general objects of said action are as follows: The plaintiff, who is the administrator of the estate of James M. Adamson, deceased, and who was duly appointed such administrator of the estate of said deceased by the County Court of Tarrant county, Texas, and who has filed in the Probate Court of Roosevelt county, New Mexico, a certified copy of the proceedings of his appointment, and qualification, by virtue of said appointment by said County Court of Tarrant county, Texas, seeks to sell the following described real estate belonging to said estate of said James M. Adamson, deceased, to-wit:

Lots three and four and the east half of the southwest quarter of section eighteen in township four south of range thirty-one east of the New Mexico meridian, and the additional sum of \$211.58 as attorneys fees with six per cent per annum interest thereon from date of judgment until paid, and the further sum of \$75.00 taxes, paid, with six per cent interest from date of judgment until paid, together with all costs of said suit, and same being a decree of foreclosure foreclosing said mortgage, given for the security of said sums and amounts, and decreeing same to be a first and paramount lien on the premises described in said decree as against all of said defendants in favor of plaintiff for all said sums and amounts for which judgment was rendered, together with all costs of said suit, said premises so described in said mortgage and said decree, as follows to-wit:

The south half (S1-2) of section three (3) in Township three (3) south range thirty-six (36) east N. M. P. M. in Roosevelt county N. M. that said judgment to date of sale will amount to the sum of \$249.26, and all costs of suit and costs of sale; and whereas in said decree said undersigned, Ben Smith, was appointed special master and directed by the court to sell said property after advertising same as prescribed by law, and to apply the proceeds in satisfaction of said judgment and costs: Therefore by virtue of the authority of said judgment and decree and the power vested in me as such special master, I will at the hour of two o'clock p. m. on September 11th, 1915, at the northeast front door of the courthouse in the town of Portales, New Mexico, sell said described property at public auction to the highest bidder for cash, for the purpose of satisfying said judgment, interest, and accruing costs.

TESTING MATERIALS FOR USE OF THE CITY.

Practical Services Rendered by the Cincinnati Bureau of City Tests.

The bureau of city tests (Cincinnati) aids the city in two ways. It helps the government to purchase the best materials by examining the dealers' samples and by making further tests from time to time enables it to receive supplies of good quality throughout the year. Cincinnati is one of the first large cities to purchase coal under competitive bidding in accordance with well drawn specifications. All its purchases are made on the British thermal unit basis. In submitting bids dealers guarantee a certain number of heat units a pound and a certain percentage of ash. The cost a heat unit in the various bids is then calculated and the contracts awarded. All moisture in excess of the amount normally present is deducted from the tonnage delivered. The result of this new system has been the receiving of a good uniform grade of coal.

The bureau tested the 450 or more carloads of cement used during the year for various city improvements. In spite of the fact that only standard brands which have proved dependable are used, eleven carloads of cement of poor quality were rejected.

By testing fire hose the city saved \$11,000 on the contract of 1912 and about the same amount on that of 1914. The bureau analyzes samples without any knowledge of the bidders' prices, and contracts are let on a quality basis to the lowest bidder whose product conforms to the standard underwriters' specifications. The satisfactory performance of the hose under heavy duty has shown the value of these examinations.

In the case of lubricating oils, also, the contracts are let to the lowest bidder whose oil conforms to the specifications of the bureau. At one time twenty-six samples of oil were rejected, and it was necessary to advertise for new bids. The second set of samples were practically all up to the requirements.

The 1,104 samples examined during the past year cannot all be mentioned but here are a few that were rejected as inferior: Paint, with over 20 per cent gasoline; sand, dirty, not well graded and unsuitable; anti-freezing compound, guaranteed free from calcium chloride, yet found on analysis to be composed entirely of calcium chloride and water; marble cleaner, high in price and consisting entirely of washing soda; woolen blankets, supposed to contain not more than 15 per cent of cotton, yet shown on analysis to have 30 per cent; sulphuric acid, containing such a high percentage of iron that it would have ruined the expensive storage batteries of the fire alarm telegraph system.—Science.

A Community Trust.
 Following the general lines of the Cleveland foundation, which has been in existence a year, St. Louis is to have a community trust. The St. Louis Union Trust company, the oldest and largest trust company in Missouri, will administer the trust for the benefit of the present and future community.

The income derived from the trust fund will be expended for the social welfare of St. Louis, under the direction of a committee of five members, one to be appointed by the mayor, one by the judge of the probate court, one by the judge of the United States district court and two by the trust company. St. Louis hopes that it will equal if not exceed the remarkable success of the Cleveland foundation, to which, it is stated by the officers of the Cleveland Trust company, nearly \$30,000,000 have been bequeathed during the first year of its existence.

Cleanup in Spokane.
 Thousands of prizes, ranging from money to tickets to the "movies," are authorized by the "cleanup-paintup" committee of the city beautiful committee of the Ad. club of Spokane, Wash., which is in charge of the Spokane spring cleaning campaign. Prizes will be given for the best essays of a limited length on "How Best to Make Spokane Spick and Span," and the contest will be open to every school child in the city. Every child entering the contest will be obliged to sign the following pledge: "I promise on my honor to all the people of Spokane to do all in my power to further the work of the 'cleanup week' committee to the end that as a city Spokane may be truly spick and span. I promise to help clean up my own premises and not to throw bottles, cans or refuse of any sort on the streets, alleys or my neighbor's premises."

Tree Shade New Road.
 The United States post highway which is being constructed between Austin and San Antonio, Tex., eighty-four miles, is to be beautified by the planting of shade trees along both sides the entire route. Local organizations have been formed in each county through which the road passes for the purpose of carrying on the work of beautification. It is also planned to build rest houses on the new highway and to add to the comfort of travelers in every possible way. The cost of constructing the road is being borne in part by the federal government and in part by the counties through which it passes.

NOTICE OF FORECLOSURE SALE

Whereas, on the 15 day of April, 1915, in cause number 1078, pending in the District Court of Roosevelt county, N. M., wherein Alexander F. Koppin plaintiff and Nellie C. Welch and A. A. Welch are defendants, the plaintiff recovered a judgment upon a promissory note and mortgage executed and delivered by the defendants to the plaintiff on the 8th day of Nov., 1910, in the sum of six hundred fifteen dollars and seventy-three cents, together with cost of suit, and a decree foreclosing said mortgage given for the security of said sums and amounts against the defendants upon the following described real estate, to-wit: the south half of the south half of the southeast quarter and the south half of the southwest quarter of section thirty-three in township one south of range thirty-three east of the New Mexico Meridian in New Mexico, that said judgment at the date of sale hereinafter mentioned will amount to the sum of six hundred forty and 64-100 dollars and in addition thereto the cost of this suit; and

Whereas, in said decree the undersigned, P. E. Jordan, was appointed special commissioner and directed by the court to advertise and sell said property according to law and to apply the proceeds to the satisfaction of said judgment and costs;

Therefore, by virtue of said judgment and decree and the power vested in me as such special commissioner, I will, on the 28th day of August, 1915, at the hour of 2 o'clock p. m., at the northeast front door of the court house in the town of Portales, New Mexico, sell said described property at public vendue to the highest bidder for cash, for the purpose of satisfying said judgment, interest, costs of suit, and accruing costs.

Witness my hand this 22nd day of July, 1915. P. E. Jordan, Special Commissioner.

NOTICE OF FORECLOSURE SALE.

Whereas on the 8th day of May, 1915 in cause No. 1078, pending in the District Court of Roosevelt county, New Mexico, wherein Alexander F. Koppin is plaintiff and Ada Shea is defendant, the plaintiff recovered a judgment upon a promissory note and a mortgage executed and delivered by Richard O. McNeely to the plaintiff on the 2nd day of July, 1909, in the sum of seven hundred twenty-nine dollars and five cents, together with cost of suit, and decree foreclosing said mortgage given for the security of said sums and amounts against the defendant upon the following described real estate to-wit: The southwest quarter of section eight in township two south of range thirty-three east of the New Mexico Meridian, in Roosevelt county N. M.; that said judgment at the date of sale hereinafter mentioned will amount to the sum of \$754.57, and in addition thereto the costs of this suit; and

Whereas, in said decree the undersigned P. E. Jordan was appointed special commissioner and directed by the court to advertise and sell said property according to law and to apply the proceeds to the satisfaction of said judgment and costs;

Therefore by virtue of said judgment and decree, and the power vested in me as such special commissioner, I will on the 28th day of August, 1915, at the hour of two o'clock, p. m. at the northeast front door of the court house, in the Town of Portales, New Mexico, sell said described property, at public vendue, to the highest bidder for cash, for the purpose of satisfying said judgment interest, costs of suit, and accruing costs.

The Comradeship of "Bull" Durham

There is something about ripe, mellow "Bull" Durham Tobacco that appeals to clean-cut manhood the world over.

Wherever in the world two "Bull" Durham smokers meet—in a hotel lobby or club in Europe or America; at cross-trails in the Klondike; in some far-off seaport on the Pacific—each recognizes in the other a man to his own liking, a comrade in the world-wide brotherhood of "the Makings." A sack of "Bull" Durham is a letter of introduction that will win friends in every part of the globe.

GENUINE "BULL" DURHAM SMOKING TOBACCO

Millions of experienced smokers find the cigarettes they roll for themselves from pure, ripe "Bull" Durham tobacco better suited to their taste and more satisfactory than any they buy ready-made. The rich, fresh fragrance and smooth, mellow flavor of "Bull" Durham handmade cigarettes afford healthful enjoyment and lasting satisfaction. Get "the Makings" today and "roll your own."

FREE An Illustrated Booklet, showing correct way to "Roll Your Own" Cigarettes, and a Package of cigarette papers, will both be mailed, free, to any address in United States on postal request. Address: "Bull" Durham, Durham, N. C.

SUMMONS BY PUBLICATION

THE STATE OF NEW MEXICO,
 To Alvin Carter, Defendant:
 You will take notice that a suit has been filed against you in the District Court of the Fifth Judicial District of the State of New Mexico, in and for Roosevelt county, wherein Dickey & Dickey and George L. Reese are plaintiffs and you, the said Alvin Carter, are defendant; said being numbered 1097 upon the civil docket of said court.

The general objects of said suit and the nature of said action are as follows: The plaintiffs sue to recover judgment against the defendant for the sum of seventy-five dollars, with interest thereon at the rate of six per cent per annum from the last day of December, 1913, alleged to be due the plaintiffs from the defendant on account of legal services performed by the plaintiffs for the defendant at defendant's special instance and request.

You are further notified that your property, to-wit: the northwest quarter of section twenty in township four south of range thirty-five east of New Mexico Meridian in New Mexico, has been attached and that unless you enter your appearance of said cause on or before the 5th day of September, 1915, judgment by default will be rendered against you, and your said property will be sold to satisfy said judgment and costs.

You are further notified that Dickey & Dickey and George L. Reese are attorneys for the plaintiffs in said cause, and that the postoffice address of Dickey & Dickey is Marshfield, Missouri, and that the postoffice address of George L. Reese is Portales, New Mexico.

Witness my hand and seal of office this 4th day of August, 1915.
 J. W. Ballow, Clerk.

COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third said last time, was my worst. I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework. I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off. I was certainly in a dreadful state of health, when I finally decided to try Cardui, the women's tonic, and I firmly believe I would have died if I hadn't taken it. After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely. I tanned up, and grew so much stronger in three months, I felt like another person altogether. Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution. Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy. Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today. Write for CHATTANOOGA MEDICINE CO. Ladies' Advisory Dept., Chattanooga, Tenn., for Special Instructions on your case and 64-page book, 'Strongest Remedy for Women,' and a plate wrapper."

DEMOCRATIC IN POLITICS

Published Thursday at Portales, New Mexico

BY THE HERALD PRINTING COMPANY

Entered at Postoffice at Portales, New Mexico as Second Class Mail Matter

SUBSCRIPTION \$1.00 THE YEAR

The time was never "riper" than at the present time for the business men of our town to get organized and concentrate their efforts toward the upbuilding of our town and country. Never before has the opportunity been better for efficient work to be done and done more easily.

For several months past the real estate business has been increasing and deals have been numerous. Both dry and irrigated land has been changing hands freely. The people of the east seem to have their eyes turned toward the "land of sunshine" and well they may, for she is fast coming to the front.

The fact that there has been several individuals here recently for the purpose of lending money on real estate shows that these people believe in the continued prosperity of our country. These people are as a rule shrewd business men and the fact that they come here from distant parts and through other sections where they could probably have done business, shows that they think we have it on most other sections of the country.

Although the state democratic committee does not seem to be very active, the individual democrats are alive and taking courage from the many favorable reports coming in. The action of the republicans of the senate in falsifying the senate journal, the bad tax law, the county salary law, and nearly every piece of new legislation forced upon the people by the changing of the senate journal, are working for the success of the democrats at the next state election.

The Herald Times received the sum of ten cents per line for publishing the 1915 delinquent list and in practically every instance an entry occupied only one line. The Albuquerque Journal showed a charge of ninety-two cents per entry. We get a large number of exchanges from over the state and in not one instance has the charge been anywhere near as low as the charge we made. Mr. Taxpayer do you think this shows that this paper is waxing fat off the county printing?

Some of the leading Democratic papers of the state including the Roswell Evening News are boosting for state wide primaries in the party that the candidates for state offices next year may be selected in this manner. We are in hearty accord with this idea and think the leaders owe it to the rank and file of the party to allow them to select them in this way. As a rule the individual voter will show more interest in a primary and most of them look at the convention as an antiquated method worn out by the republicans. It is the custom of the Democratic party in Roosevelt county to hold a primary and we see no reason why state candidates could not be selected as district and county officers.

Prospects of Fine School

The people of La Lande are very enthusiastic over the prospects of the school at that place the coming term. They have spent more than \$1000 on improvements and additional rooms and have employed teachers who have already made good at the profession. The La Lande Leader among other things says as follows:

"Our teachers have been selected with special reference to the work to be assigned them. For instance, our principal, Prof. A. D. Smith, has revolutionized the method of teaching Spanish in this state and about a year ago his suggestions along this line were real live news to the many daily papers of the state; needless to say he will have charge of the Spanish class.

Then Bowman W. Hewett fresh from the Oklahoma Agriculture and Mechanical college of Stillwater, has taken a special course in Manual Training. His recommendations are of the best and he has the ear marks of an enthusiastic and successful teacher.

Miss Hazelwood Moore of Portales who is equipped to the last notch in Domestic Science and Music, will have charge of these branches.

Miss Mattie Doss Hightower of Portales comes highly recommended as a teacher, having taught last year where her predecessor had made a failure and with complete success. She will probably have charge of the primary and up to the fifth grade.

Kaffir Market Expands.

In view of the campaign being made by the railroads for extension of the market of kaffir, farmers will be interested in the following statement, made by the Chicago Herald:

"Chicago is doing considerable business in kaffir corn and maize which sold yesterday at \$1.00 to \$1.20 per bushel. A sale of 25,000 bushels was made recently to go east by lake, the first bulk shipment of milo by lake in the history of this market."

It is encouraging to note that an effort toward enlarging the market for a grain that is of vast importance to this section of New Mexico is meeting with success. Kansas City has been quoting kaffir for several years, but Chicago has paid little attention to this grain until this year.

Neer--Parten

Edwin M. Neer, son of Mr. and Mrs. Ed J. Neer, and Miss Bessie Parten were married in Roswell Sunday. Both parties were among the most popular of the younger set in Portales.

The groom is one of our most promising young merchants and has lived in Portales since early boyhood. The bride is a sister to Mrs. Milton Brown Jr., and taught in the Portales schools last term. She is a beautiful young lady of many accomplishments and has made many friends in Portales.

The Herald-Times joins the many friends of this couple in wishing them a long, prosperous and happy wedded life.

Rogers Defeated.

Portales defeated Rogers in a well played seven inning game Wednesday on the local grounds, by the score of six to four. The Rogers team aided by Cares, the promising young Richland twirler put up a good game, but not good enough however to beat the local team. One of the features of the game was the sensational catch of a fly in the last inning by Shapcott, a Portales player. Fred Maxwell of Rogers was painfully injured when he was accidentally hit by a pitched ball.

The Rogers team is about the most gentlemanly aggregation of players that ever visits Portales and it is needless to say that the game was harmonious throughout. The batteries were, Jones, Langston and Henise for Portales and Cares and Lem Miller for Rogers.

Mrs. Stone Entertains.

Mrs. Lula Stone entertained a party of friends Tuesday night in honor of Miss Laura Smith of Des Moines, Iowa, who is visiting her father, Frank Smith and Mrs. John Mauk, sister of Mrs. G. W. Carr.

Vocal and instrumental music by Mrs. S. J. Nixon and Miss Smith; games and refreshments served by Misses Gladys Stone, Vera Merrill.

Others present were Mr. and Mrs. G. W. Carr, Mr. and Mrs. Jas. A. Hall, Mr. and Mrs. Ham, Frank Smith and J. F. Jones.

May's Entertain.

The home of Mr. and Mrs. J. L. May was the scene of a happy social gathering Tuesday evening when Mrs. May entertained a number of friends in honor of Miss Effie Anderson, her sister and Miss Delia Vawter, of Lovington, Miss Anderson's guest. The weather barred making it a lawn social, as was anticipated, but the pleasure of the occasion was not marred in the least, for the May home is so arranged that none is more attractive for entertaining and every moment of the evening was filled with enjoyment. Among the features of the entertainment were story writing contest; leaf guessing contest and music by the Landers Bridges orchestra. These combined with the general merriment and good time of the occasion, made the gathering a pleasant one.

Refreshments of pinega and cheese sandwiches, banana salad, pineapple sherbet and white cake were served.

Among those present were, Misses Stanley, Eva Foster, Nelle Carter, Edna Carter, Corie Smith, Eula May Terry, Delia Vawter, Messrs. Leon Jones, Ben Smith, Newt and Earl Landers, Silas Bridges and Powhatan Carter.

Surprise Party.

One of the most enjoyable events of the season was that of a surprise party given by the younger set, at the home of Mr. and Mrs. M. B. Jones in honor of Miss Mignon's sixteenth birthday, Wednesday evening.

At 8 o'clock the lawn was beautifully lighted with Japanese lanterns and electric lights. Guests began to arrive at 8:30 and were met at the door by Miss Eulalia Willard, while Howard Leach led the way to the dining room which was beautifully decorated with sweet peas and nasturtiums, where punch was served throughout the evening by Miss Fannie Tinsley.

Miss Mignon being out for a drive, arrived about nine o'clock with an expression on her face which only a surprise can give, received her guests in her usual pleasing manner. Various games were played until a late hour when ice cream and cake were served to about thirty guests. At 11:30 all departed for their homes wishing Miss Mignon many happy birthdays.

Is It A Fact? Yes.

Goodloe has not quit hanging paper. He will do your work personally if requested. House and sign painting too.

Carters Entertain.

Misses Amelia, Roberta, and Sue Wilson of Clovis came in last Friday and spent the week end with Misses Nell and Edna Carter. Several young people were invited in Friday evening to meet the Misses Wilson and a very pleasant evening was spent with music and conversation.

Guy Thomas of Clearlake, Iowa, a creamery man who was here prospecting, left for home Wednesday. He was well pleased with Portales and may return.

Big Crop at Longs

U. S. Frazee, one of the leading stockfarmers of the Longs community was in town this week with a load of corn and is very enthusiastic over conditions in that section. They raised an enormous crop last year in that section but Mr. Frazee says that estimates of the crop this year will be an increase of about 33 per cent. There are no longer any uncultivated fields for every available piece of broken land has been planted.

There is a strong sentiment in that section according to Mr. Frazee, to buy stock and hogs and consume the feed at home for the farmers have come to realize that this will pay better than hauling the crop to town. Many are looking for hogs, for it is estimated that fully 25 per cent of last year's crop is still on the farms.

Another thing that is very gratifying to the people of Longs is the fruit crop which has been grown this year. The orchards are limited but trees of all kinds have yielded abundantly this year.

THE KITCHEN CUPBOARD

WESTERN COAST RECIPES.

CHICKEN COCOON a la Coppa.—Take a fresh cocoon and cut off the top, removing nearly all the meat. Put together three tablespoons of chopped cocoon meat and two ears of fresh green corn cut from the cob. Slice two onions into four tablespoons of olive oil, together with a tablespoonful of dried bacon fried in olive oil. Add one chopped green pepper, half a dozen tomatoes stewed with salt and pepper, one clove of garlic and cook all together until it thickens. Strain this into the corn and cocoon and add one spring chicken cut in four pieces. Put the mixture into the shell of the cocoon, using the cut off top as a cover and close tightly with a covering of paste to keep in the flavors. Put the cocoon in a pan with water in it and set in an oven well heated for one hour, basting frequently to keep the cocoon from burning.

Fritto Misto.—Take a lamb chop, a piece of calf brain, one sweetbread, a slice of veal, a fresh mushroom, sliced Italian squash, a piece of asparagus or of cauliflower and dip these into a batter made of an egg well beaten with a little flour. Sprinkle these with a little lime juice and fry to a delicate brown in butter, adding salt and pepper to taste.

Soles With Wine.—Take filets of sole and pound lightly with blade of a knife, then soak them two hours in well beaten eggs seasoned with salt and pepper. When ready to cook roll them in breadcrumbs and fry in olive oil. Take a little of that oil and put in another pan with a tablespoonful of butter and season with salt and pepper and again cook fish in this, adding one-half glass of dry white wine. Let cool five minutes.

Spanish Chicken Pie.—Cut up a chicken and boil until tender. Cut up and fry in chicken fat two onions, two green peppers, stirring in one and one-half tablespoonsful of flour. Have ready five tomatoes, stewed, and put in two dozen ripe olives, with a small clove of garlic, mashed. Grate seven large ears of corn, season with salt and put a layer in a greased pan, then chicken, then the other ingredients, with a little of the gravy. Stir all together and bake until brown.

THE VITAL PROBLEM OF AGRICULTURE

There is no escaping the market problem and the highest development of agriculture will not be attained until it is solved, for a market is as necessary for the producer as land on which to grow his crop. Governmental and educational institutions have spent \$150,000,000 in the United States during the past ten years for improving soil production and improving seeds and plants, but very little attention and less money has been given to the marketing side of agriculture.

The problem is a monumental one and one which will never be solved until it gets within the grasp of a gigantic organization where master minds can concentrate the combined experience and wisdom of the age upon it. It is a problem which the farmers, merchants, bankers, editors and statesmen must unite in solving. The Farmers' Union stands for all there is in farming from the most scientific methods of seed selection to the most systematic and profitable plans of marketing, but does not believe in promoting one to the neglect of the other. We consider the work of farm demonstrators valuable and we ask that governmental and commercial agencies seeking to help us, continue to give us their assistance and advice, but we believe that their influence should be extended to the marketing side of our farm problems also.

We cannot hope to develop manufacturing by over-production of the factory; we cannot build up mercantile enterprises by the merchant loading their shelves with surplus goods and no more can we develop agriculture by glutting the market with a surplus of product.

Commissioners Proceedings.

Proceedings of the board of county commissioners of Roosevelt county, at a recessed session of the regular July, 1915, term thereof held at the court house in Portales, New Mexico, Thursday, August 5, 1915.

Present—C. V. Harris, chairman, S. E. Johnson and D. K. Smith, commissioners and J. W. Ballow, clerk.

It appearing to the board through the president and secretary of the New Mexico State Fair, that a state fair is to be held in Albuquerque, October 11th, 1915, and they request on behalf of Roosevelt county an appropriation through its board of county commissioners, the sum of five hundred dollars (\$500.00) to prepare the necessary exhibits for Roosevelt county to be displayed at said fair, and the board being fully advised in the premises and believing that the resources of Roosevelt county should be displayed and exhibited at said fair, and that such appropriation would be for the best interests of the county;

Now, Therefore, it is hereby ordered that the sum of five hundred dollars be and the same is hereby appropriated to the New Mexico State Fair, to defray the expenses of securing the necessary exhibit for Roosevelt county and a warrant is hereby ordered to be drawn on the general fund of said county, to said New Mexico State Fair.

It is further ordered that A. A. Rogers, Coe Howard and Carl Turner be and they are hereby appointed as a committee to assemble and prepare the Roosevelt county exhibit for display at said state fair.

No further business appearing at this time, it is now ordered that court take a recess until the next regular meeting unless sooner convened by order of the chairman.

Attest: C. V. Harris, chairman.
J. W. Ballow, clerk.

Time Extended.

The El Paso Chamber of Commerce has extended the time limit of the amateur photographers' contest from August 15 to September 15, in order that the school children of the territory open to the competition may be given an opportunity to enter the contest.

This action was taken after it was explained to the committee of the Chamber of Commerce having the contest in charge that scores of school children in Arizona, New Mexico and West Texas, the Territory embraced in the contest district, were now away on their vacations and would not be in their homes until the close approach of the beginning of the school term early in September. Many of them are ardent "snap shooters" and many, no doubt, will bring with them upon their return from their vacations, films or plate of scenes which would be of great value to the El Paso Chamber of Commerce in its scheme of advertising the southwest by means of photographs secured by the amateurs of the district to be advertised.

Notice.

The citizens of Roosevelt county should be very careful in regard to fraudulent loan companies who will make all kinds of promises for loans on the basis of getting a little cash in advance.

Somebody in Roosevelt county recently sent some of the Portales Utilities Company's literature to the Security Farm Loan Association, 80th North Dearborn Street, Chicago, Illinois.

The envelope containing this literature was marked "FRAUDULENT" and returned to the Portales Utilities Company by order of the postmaster general. Anyone having any dealings with this company should therefore take notice, as the company is stamped "Fraudulent" by order of the United States postmaster general.

U. D. C. Meeting.

The U. D. C. met at the beautiful home of Mrs. Carl Whitcomb last Thursday. Many visitors were present and the meeting was an unusually interesting one. There was a fine program which included a discussion of the present European war. Delightful refreshments were served.

FORD

The Universal Car

ANNOUNCEMENT

The following prices f. o. b. Detroit, effective August 2, 1915:

Ford Runabout	\$390.000
Ford Touring Car	440.000
Ford Town Car	640.000

No speedometer included in this year's equipment, otherwise cars fully equipped

There can be no assurance given against an advance in these prices at any time. We guarantee, however, that there will be no reduction in these prices prior to August 1, 1916.

Profit-Sharing With Retail Buyers

On August 1, 1914, we made the announcement that if we could make and sell at retail 300,000 Ford cars between August 1, 1914, and August 1, 1915, we would share profits with the retail purchasers, to the extent of from \$40 to \$60 on each car. We have sold over 300,000 Ford cars in the time specified, and profit-sharing checks of \$50 each will be distributed as rapidly as possible after August 15, 1915. Retail purchasers who have not yet mailed us their profit-sharing coupons, properly endorsed, should do so without delay. Our plan to profit-share with retail purchasers of Ford cars during 1914-15 has been most successful. We thoroughly believe in it, but, realizing the uncertainty of conditions generally makes it advisable to defer any announcement of future profit-sharing until a later date.
