

PORTALES HERALD-TIMES

OFFICIAL ORGAN OF ROOSEVELT COUNTY, NEW MEXICO

Volume Thirteen

PORTALES, NEW MEXICO, THURSDAY SEPTEMBER 30, 1915.

Number 41

Boys'-Girls' State Fair Encampment

Roosevelt county will be well represented in the boys' and girls' state fair encampment. This promises to be one of the most profitable features of the fair so far as knowledge is concerned. The fair management and the officials are co-operating that something may be gotten up that will be good for the fair as well as instructive to the youth from all over the entire state. There seems to be no doubt now that this county will have a full representation of twenty. This number has not been secured yet, as will be seen from the following notice written by Mrs. S. F. Culberson.

The boys and girls who are fortunate enough to be selected to represent their respective counties at the encampment are promised a good and profitable time. Each boy and girl joining the encampment should bring from home, a sheet, a double blanket, a comforter, a pillow, two towels and a bar of soap. The toilet articles such as combs, brushes, drinking cups, etc. also. The county, the school districts and parents can help to make the encampment a success, by providing the money for the round trip tickets, as this is the only expense required, from these sources, the encampment force and A. M. Faculty, paying all other expenses. Those boys and girls not already enrolled with the County Superintendent of Roosevelt county, and are prepared to make the trip, please promptly write to—

Mrs. S. F. Culberson,
County Superintendent.

Big State Fair

Albuquerque, N.M. Sept.—The boys' and girls' club which is to be one of the big features of the next state fair, has assumed such proportions that it will be a problem to accommodate all the youngsters that will be in camp at Albuquerque at that time. However, the fair management has pledged its word that every boy and every girl who comes will be well looked after and that none will be turned down.

Practically every county in New Mexico will be represented at this boys' and girls' encampment. Agricultural subjects will have preference in the lectures to be given them. Prof. Ooolay, of the state college at Las Cruces, having direct charge of this work. Miss Manette Myers, the state superintendent of industrial education, will lecture to the girls and will look after their comfort. In addition a representative of the department of agriculture at Washington will be on hand to give special instruction in the matter of agricultural clubs for the youngsters.

The amusement features of the fair grow bigger and more important with each passing day, and it is certain that time will not be allowed to hang heavy on the hands of visitors. With eight bands in the city, with the finest racing program ever put on in New Mexico, and with night shows that will put to shame in spectacular features anything ever before attempted in connection with a state fair, there will be something doing every minute of the time from early Monday morning until late Saturday night.

ROOSEVELT COUNTY FAIR WILL BE HUMDINGER

Largest Premium List Ever Offered At A County Fair In The Sunshine State, Values Now About Twelve Hundred Dollars

LARGE ATTENDANCE ASSURED FROM ALL PARTS OF OUR COUNTY

Large Exhibits of Live Stock And Farm Products Both Dry And Irrigated. Plenty of Amusement Features For Three Gala Days

The Roosevelt county fair will be humdinger. Nothing short of a cyclone can prevent it, and we don't have cyclones in New Mexico. Never before was such a list of premiums offered at a county fair in the "Sunshine" state. Our fair will be the banner county fair of the state and will very much exceed anything that has ever been held in our county. The value of the premium list has increased to about \$1200. and more coming in every day. The farmers and others were greatly surprised at the big premium list and from what can be learned they are going to turn out en masse and bring what they have available for exhibits.

The Fair Committee are making all possible preparations necessary for the great fair. They are expecting a large variety of fine exhibits and are doing their utmost to have everything in readiness and to have adequate quarters for all exhibits. Six carpenters have been hard at work building show pens for the stock and other places for the exhibits. The Garley warehouse has been secured and in it will be located some forty or fifty booths for individual farm displays. The building adjoining will be used for the domestic Science and Art where there will be tables to take care of all individual exhibits. The old Boyd wagon yard has been secured for the stock exhibits.

The amusement part of the fair program is going to be one of the principal features of the occasion. It is the purpose of the committee to have something interesting all the time so that fair visitors will have three sure enough gala days. The aeroplane is scheduled to make at least one flight each of the three days of the fair. This will be the first aerial exhibition of this nature that has ever been given in our county and it will be the first opportunity that many of the people have ever had of seeing such a sight. This is the greatest item of expense among the amusements.

The goat roping contest, the cigar races, the cow boy relay races and other contests promise to be most interesting and will depict the sports of the old frontier days of the west. The base ball games for the championship of the county will be played.

Roosevelt county is becoming famous as a home of high grade and pure bred cattle and all other kinds of live stock. The exhibits this year in that line will be much bigger and better than ever before. Never before have such crops of farm products, both irrigated and dry, been available for exhibits. Some keen rivalry is expected among the exhibitors.

There is no other agency which offers a greater opportunity for the people of this county to gather together and become better acquainted than our county fair. Especially is this true when a fair is held on such an elaborate scale as our fair will be this year. Tell your neighbors that the greatest county fair that has ever been held in New Mexico is going to be held at Portales next Tuesday, Wednesday, and Thursday; and above all things, don't fail to attend yourself.

Portales vs Clovis

The foot ball and basket ball teams of the Clovis High School will come to Portales Saturday and play the local high school teams. The basket ball teams are composed of girls.

The basket ball game will be called at the school house grounds at two o'clock and the foot ball game on the base ball grounds at 3:30.

Two very interesting games are expected. Turn out, root for the home teams and give them your support.

Judge McClure Here

Judge John T. McClure of Roswell was here Saturday to draw the grand and petit juries for the coming term of court which will convene the second Monday in October. Judge G. A. Richardson will preside at the next session which promises to be longer than the one last spring as there are several important criminal suits.

An Explanation

This edition of the Herald-Times falls far short of what we hoped to make it. The business houses of Portales have been most liberal in their advertising. In fact this issue contains more local advertising than any paper ever published before in this county, and we had hoped to have a sufficient amount of suitable reading matter. A shortness of help however prevented this. We have done the best we could under the circumstances, with this our Fair edition.

Notice the firms whose ads appear in this issue. They are making a bid for your patronage and you will do well to call on them during the fair. You will also be cordially welcome at the Herald-Times office.

Return To Portales.

David Major returned to Portales Friday after an absence of several months during which time he lived at San Antonio and traveled extensively over the southern part of Texas. Mr. Major has always been a booster for the Portales Valley and Roosevelt county but this visit has made him more enthusiastic than ever over the future of this section.

Conditions in that section are far from being as good as they are here according to Mr. Major and he is a careful observer. In the extreme southern part of Texas the boll weevil has wrought havoc to the cotton crop but that they were hard at work trying to gather what had not been destroyed.

How different from Roosevelt county with abundant crops of all kinds where all that is necessary is to plant your crop and work it, in most cases once or twice, and get an abundant yield.

Red Feather Farm Birds Win

Dr. J. L. Reid's Red Feather farm birds made a fine showing at Amarillo last week. They took first prize on the Black Minorca cock, second on the hen and third on the Rhode Island Red cock. Red Feather Farm birds are the champions of New Mexico and there are none in the southwest who make a better showing where they are exhibited.

Tyson Buys Cows

John Tyson, now of Tlaban, was in town the first of the week having returned from Van Horn in southwest Texas, where he bought some 450 head of fine cows. Tyson now has his ranch stocked to overflowing. In fact he says he is going to dispose of part of his herd before winter comes.

The conditions are most excellent at Tlaban according to Mr. Tyson. Plenty of good grass for winter and the ranches are well stocked with cattle.

Realty Deals

Among the several realty deals that have been consummated recently are the following: S. C. Sedon of Oklahoma bought the Marchbanks place west of town owned by H. Fickensher and paid part cash and part in trade. The same gentleman also bought the Manse place by the same sort of deal. A. J. Goodwin has bought the H. C. Gudgel house, just north of the Seay residence. The above deals were negotiated by Joe Howard.

Roosevelt County Is Prosperous

From what we have said elsewhere about the people of Roosevelt county one would naturally conclude that society and social conditions throughout the county are par excellence correct.

From seven to nine months school is taught in the several districts of the county. The people of Roosevelt county, as a whole, pride themselves on having good schools, and, for the most part, good Sunday schools and church services. They know that the greatest asset of the county is its youth. Therefore, while developing the county materially, they are also developing its youth, morally and mentally.

INTERESTING FACTS

The taxable value of Roosevelt for the year 1915 is \$7,918, 798. The county covers an area of 2250 square miles. There are 68 miles of railroad. The 1910 census puts the population of the county at 12,004. In 1914-15 there were enrolled in our schools 2360 pupils. Males 1240. Females 1120. The enrollment for this year has not been completed but will be considerably larger than the above.

RESOURCES

The variety of the county's resources may be ascertained from the car load shipments. We regret that we do not have the amount of produce shipped from the other shipping points in this county, hence we can give the shipments from Portales only, compiled from the best information secured from the shippers.

These during the last twelve months show Indian corn 9 cars, 198 cars of other grain, 98 cars of alfalfa, 2 cars of sheep, 2 cars of goats, and 4 cars of sweet potatoes. To this should be added thousands of dollars worth of cream, poultry, eggs, fruit, beans and other vegetables.

TOWNS

Portales, the county seat, is on the Santa Fe railroad and is surrounded by a rich irrigation belt. Here is found many of the modern conveniences of a city, such as paved sidewalks, electric lights, sewer and water system. Here also is located the big central power plant of the Portales Power and Irrigation Co., the largest of its kind in the world. This plant was built at a cost of \$800,000. At this plant electric power is generated to irrigate thousands of acres of fertile land, up and down the valley. The citizens of Portales have recently voted \$30,000 bonds with which to erect a new school building. It is expected that this building will be erected as soon as the present term is over when the present building will be razed.

Elida, the Cream City, is located on the railroad 25 miles southwest of Portales and is the center of a fine stockfarming community. This town gets its trade for many miles around. It is often called the "Cream City" because of the immense amount of cream shipped from that point. It also is a great grain shipping point. This town has a bunch of live merchants and business men and conditions were never better than at present.

Tolar, Tlaban and LaLande are thriving towns on the Belen cutoff in the northwestern part of the county. Stock raising and farming has been carried on very successfully in that vicinity and they draw a large trade from the surrounding country.

STATE FEDERATION MEETING COURT HOUSE OCTOBER 5, 6, AND 7.

New Mexico Federation of Woman's Clubs.

Program for Tuesday the fifth of October, at the court house 2:50 p. m. Business Meeting.

Reports of Executive Board and Officers.

Reports of Clubs.

FAIR WEEK BARGAINS

BEAUTIFUL FABRICS AND ACCESSORIES FOR FALL AND WINTER SEWING

Filled shelves, laden counters and bulging stockroom all give unmistakable evidence of our ability to meet every possible wish as to seasonable materials. Not only in quantity are we prepared to serve you, but our connections with the La Porte Woolen Mills and other of the world's greatest mills are we able to give you the newest styles and best materials yet produced, and while it may be true that others can buy from large mills and manufacturers as ourselves, yet they do not sell as cheaply as we do. Our combination buying and increased number of sales take care of our profits. The foregoing is said to show our preparedness to meet all your sewing needs most satisfactorily and most economically. Our assortment includes so many new weaves and colorings that a visit should be made to inspect the fabrics. You are sure to be delighted with what you see, and the helpful suggestions you will receive will make your sewing problems much easier. Complete assortment of dressmakers notions and all dress accessories. Butterick Patterns are authentic as to style and they are the easiest pattern on the market to cut by.

Extensive showing of New Fall Suits, Coats and Dresses displayed for the Federation and Fair week. The greatest enthusiasm exists in our ready-to-wear department on the part of our own salespeople and our customers. If you have not visited this department it will be a great pleasure to you if you will call and study the many variations of the new Fall models. The greatest skill in the country has been combined to produce garments both stylish and durable. A personal visit would be more instructive and interesting than long general descriptions in this announcement. You are always welcome here, even if you do not care to purchase.

KIRSCHBAUM MADE CLOTHES FOR MEN

In that all important department of
Clothes-Making:
"DESIGNING"

The Kirschbaum Company of Philadelphia is particularly fortunate in the services of a designer of pre-eminent ability, whose creations have met with striking success. The "DIXIE," one of Kirschbaum's models for young men, expresses fully the laudable spirit of the Kirschbaum institution. Right clothing first, last and always. Its pleasing shapeliness and strength of line give it a lot of smartness, and its tested all woolen fabrics and superiority make its workmanship an aristocracy of worth. The "Dixie" is marked: \$15.00, \$16.50, \$18.50, \$20.00, \$22.00, \$25.00.

When Tired Out Make Yourself Comfortable in Our Rest Room Upstairs, in the Dry Goods Department

We assure a perfect fit in womens and childrens shoes. A perfect fit in shoes for women is a matter of vital importance. Nothing adds more to the comfort of women than well fitting--and nothing is more painful to women than ill fitting footwear. The wonderful display of sizes and styles shown here include just the shoe for your feet. We are Conscientious in our desire to fit you well.

TROUTT & SMITH

The Live Wire Land Men

We have sold more land in the last 60 days than we did for 12 months previous to that time. Every one of the settlers that we have located is well pleased and is making good. The men to which we have sold property are among the most substantial in the county. Every one of them is a permanent settler. Make our office your headquarters while at the Fair. If you have anything to sell or wish to buy, see

TROUTT & SMITH

The Live Wire Land Men

PORTALES, N. M.

FAIR VISITORS

We have a large line of furniture and second hand goods. Call and inspect them. Make our store your headquarters while attending the Fair.

J. B. PYEATT

Next Door to Crow's Tin Shop

FARMERS

YOU are about to gather the largest crop of grain that you have ever raised.

Now is the time to make your plans to take the proper care of it. While attending the Fair drop in and let us figure with you on this or any other improvements you are thinking of making. We carry everything in the building line. Make this yard your headquarters while at the FAIR

PORTALES LUMBER CO.

Prison Buys Ground.

Santa Fe.—The state penitentiary closed a deal for twenty-five acres to increase its farm on the Santa Fe river and irrigated and fertilized by the Santa Fe sewer system, to 100 acres.

Nutt Wants Trains.

Santa Fe.—The State Corporation Commission received a request for the establishment of a flag station about six miles west of Nutt, Sierra county. The commission has directed the people to present a formal petition.

Killing at Venus Before Grand Jury.

Santa Fe.—The case of the state against Merie Wimmer of Venus was investigated by the grand jury. Wimmer has confessed to having killed Henry Madole in a fight at an Epworth League meeting at Venus. Wimmer is now in jail here awaiting the action of the grand jury. It is expected he will be tried at the present term of court.

Grand Jury Returns Indictments.

Santa Fe.—The grand jury returned indictments for murder against Merie Wimmer, aged 19, charged with killing Henry Madole, aged 17, at an Epworth League meeting; against Plino Madrid, charged with killing his wife, at Lamy; and indicted Dr. D. Douglas on the charge of arson; Enrique Corasco on the charge of embezzling the funds of the Singer Sewing Machine Co., and Rias Garcia, charged with the larceny of a bull.

Reductions in Rates on Commodities.

Santa Fe.—The reduction in all of the commodity rates in New Mexico, as a result of the victory won by the New Mexico State Corporation Commission in its appeal before the Interstate Commerce Commission, will not go into effect until about Jan. 1. The class rates will take effect Nov. 1. Generally speaking the decision of the Interstate Commerce Commission increases all class rates to El Paso, allowing substantial reductions in class and commodity rates to points in New Mexico, on the Colorado-El Paso line and to branch-line points leading therefrom.

Held on Charge of P. O. Robbery.

Santa Fe.—Held for trial in the Federal Court at Santa Fe, J. C. Richards, aged 19, accused of theft of postal funds from the Mountain Park postoffice, was placed under a \$1,000 bond.

Mesquite Case Dropped.

Santa Fe.—The State Corporation Commission dismissed the famous Mesquite Crossing case from Dona Ana county.

Juryman Drops Dead in Santa Fe.

Santa Fe.—Edwin W. Edes, the third man to drop dead in Santa Fe in a week, was a native of Whitman

Mass., where his remains will be shipped. He was serving as a federal jurymen when death overtook him, and the Federal Court took a recess in his memory.

Wade Resigns as Governor's Adviser.

Santa Fe.—Edward C. Wade, Jr., has tendered Governor W. C. McDonald his resignation as legal adviser to the executive.

Plans for a \$12,000 M. S. Entice a Gallup are being prepared.

State officials will attend the state fair at Albuquerque.

The new Christian church at Roy was dedicated Sunday.

Mrs. C. C. Cloppert has been designated acting postmaster at Olive.

The windstorm at Espanola did considerable damage to orchards.

The New Mexico bankers will hold their convention at Roswell Oct. 4 and 5.

Charles W. Adams has been commissioned postmaster at Cuchillo, Sierra county.

T. A. Rouall of Las Cruces was thrown from a buggy and had his skull fractured.

Santa Fe horses entered in the State Fair races at Albuquerque have been shipped to that city.

Game and Fish Warden Trinidad C. de Baca has appointed Walter Settlement a license collector at Cliff.

It is announced that the Clovis Elks' lodge has completed plans for construction of a large auditorium 100 feet square.

Mrs. Cora Wilson Stewart, national authority on the subject of illiteracy, will address the State Teachers' Convention in Albuquerque Nov. 22.

It is understood that the State Tax Commission, which has adjourned, denied most of the appeals made to it for reduction of assessments on various classes of property all over the state.

Owing to other engagements, this fall, Vice President Marshall will not be able to fill any speaking dates in the southwest, and therefore cannot appear at the Eddy county fair, as advertised.

After thirteen years of persistent search the famous lost French mine has been located, on the flanks of the Truchas Peaks, the highest peaks in New Mexico, thirty miles north of Santa Fe.

The Democratic party of New Mexico sustained a loss in the sudden death at Tucumcari of Henry Swan, the "fighting member" of the Democratic minority in the last House of Representatives.

Two urau county hunters were fined \$50 each, with \$25 added for fees, at Silver City, for hunting without a license.

Farmers of Colfax county are buying tractors.

Work on a new hotel at Deming will be started soon.

The contract has been let for a new church at Espanola.

"The Lodge" at Cloudercroft has been closed for the season.

Albuquerque men have formed a \$250,000 electric company.

New Mexico now has a million dollars available for road work.

Governor McDonald has pardoned Benito Canches of Mora county.

The Bank of Deming has increased its capital from \$30,000 to \$50,000.

A new 100-barrel flour mill is now rapidly nearing completion at Mills.

The taxpayers of Luna county voted on a \$100,000 bond proposition for constructing roads.

New Mexico will get \$31,786.66 and \$12,714.58 as her share of the national forest receipts for 1915.

The Santa Cruz school building, completed at a cost of \$2,500, is a replica of the old palace.

Grant county goats are now being shipped to England "for mutton," according to a Silver City report.

Mrs. Elsie Smith has sued the city of Santa Fe for \$5,000 for alleged damages when she fell into a ditch.

J. C. Richards, 17, was bound over at Alamogordo on a charge of robbing the postoffice at Mountain Park.

The Continental Tire and Timber Company of Cimarron has resumed operations with its treating plant.

Gurley Brothers opened a large broom corn warehouse at Portales with an old-fashioned "barn dance."

An addition 50 by 33 feet is being built to the hospital of the Rocky Mountain Fuel Company at Gardner.

Ten thousand Indians and 5,000 watermelons are among the scheduled attractions at the San Juan county fair at Shiprock.

The Supreme Court has denied a writ of habeas corpus in the Colfax county murder case, and Towndrow must stay in prison.

Joseph Slagel, a farmer at Miess, was so severely injured by the explosion of an acetylene tank that he succumbed to his injuries.

Game and Fish Warden De Baca appointed John L. Lobb deputy game warden at Willard, and J. H. Harbin, license collector at Cuervo.

The Roosevelt County Creamery with Ben Smith as agent at Portales, filed incorporation papers in the office of the State Corporation Commission. It is capitalized at \$15,000, divided into 600 shares at \$25.

Rock Island, in Quay county, is about to have its name officially changed, by action of the Postoffice Department. It will be rechristened Glorio. The railroad station has borne the latter name for some time.

NEW MEXICO NEWS

Gathered From

All Parts of the State

T. R. H. Smith, former president of the First State bank of Las Cruces, has been indicted on twenty-seven counts by the grand jury, which has just adjourned. The charges grew out of the failure of the bank.

In order to permit necessary work on the scenic highway near Raton the county commissioners of Colfax county have loaned \$3,000 to the County Road Board, pending receipt of the state highway bond money available for that county.

The Tucumcari City Council has postponed the prohibition election from Tuesday, October 12, to the following day, Wednesday the 13th. This was necessitated on account of the 12th being Columbus day—a legal holiday.

Judge William H. Pope, in Federal Court at Santa Fe, handed down an order in the case of the Santa Fe Lumber & Transfer Company, some days ago thrown into bankruptcy, appointing C. G. Mardorf as the receiver of the company.

L. C. Mersfelder, county superintendent of schools of Curry county, has tendered his resignation to the county commissioners, stating that his health was such that it would be impossible for him to continue in charge of the office.

At least six counties in New Mexico are now spending their money to improve the highways. So State Engineer James A. French discovered on his return from a week's tour of Bernillo, Valencia, Socorro, Dona Ana, Grant and Luna counties.

Irvin Ogden, publisher of the Roy Spanish-American at Roy, Mora county, went to Santa Fe with a sentence of six to nine months in the state penitentiary hanging over him for criminal libel; he left for home with a full and complete pardon signed by Governor McDonald, who also remitted the fine of \$500 with costs.

The exhibit of the State Department of Education at the State Fair will be a large statistical map showing progress made in education in New Mexico during recent years.

A new elevator is under construction at Dodman, Union county, one of a dozen new plants established to take care of the great grain crop in north-eastern New Mexico this year.

The State Tax Commission has appointed a number of special agents to visit Union, Taos, Rio Arriba and other counties to locate property that didn't get on the assessment rolls.

The Roswell Gun Club has a large active membership.

DEMOCRATIC IN POLITICS

Published Thursday at Portales, New Mexico

BY THE HERALD PRINTING COMPANY

Entered at Postoffice at Portales, New Mexico as Second Class Mail Matter

SUBSCRIPTION \$1.00 THE YEAR

Editorials

Our estimate last week of \$800 as the amount of the premium list of the Roosevelt county fair proved to be much too small. The latest figures on the list show that it amounts to \$1150 and still growing. It is very probable that it will reach more than \$1200. Think of this \$1200 in cash and merchandise to go out to the people of this county. Is it any wonder that we have said that the Roosevelt county fair will be the greatest of any county fair in New Mexico. The premium list warrants it and the Committee is making every endeavor to have the rest of the fair in keeping with the premium list. Many complimentary things are being said about the Secretary, Dr. J. L. Reid, for the way he has covered the ground in getting up this list. No other man in the county could have done it and we doubt if he has a peer in eastern New Mexico. No one knows better the length of the premium list than the printers who set it up. It was so long and came in so late that it required a great deal of effort for this paper to get out on time last week. Read this list over carefully. See what there is that will interest you as an exhibitor, get it up in the best shape and bring it in whether it is first prize material or not. You country people should show your appreciation of the great effort that has been made by the Committee to have a big fair by getting up the proper exhibits and by attending at least one if not all three days of the fair. It is the purpose of the Committee not only to have a big fair here, but when Roosevelt county products are exhibited at the state fair at Albuquerque, they want to take first prize. Are you going to do your part to help them get it?

Why is it that so many people who chance to leave New Mexico come back? It appears that they are never satisfied until they get back. There is something fascinating about this country which makes one who has ever lived here long to return. Occasionally some one will get the idea that they can do better elsewhere and in nearly every case he is never satisfied until he gets back. The editor in a talk with David Major who has recently traveled extensively over southern Texas learned that much of Texas is far from being prosperous. Mr. Major thinks most of us do not realize what a great country we have and do not boost it enough. We should never pass up an opportunity to speak a good word for the country where there is a chance to do some good. Perhaps we take our many natural advantages as a matter of

course and when a prospector comes along we neglect to tell him of the many ways we have his country bested.

"Caught with the goods" is a common phrase. This phrase can very properly be applied to Toosevelt county. This goodish county will have to acknowledge the corn." This is true from every angle, every view point. Dig into Roosevelt county just anywhere you like she will deliver the goods." Waves of prosperity are rolling over the county tickling every nook and corner of it. Golden chances, like golden nuggets, are hanging around here there and everywhere. Acres of diamonds in the way of priceless opportunities are spread out over the entire county. Roosevelt county is a sparkling gem, the brightest jewel of all the counties that sparkle in the diadem of this great state.

There are in round numbers 13,000 people in this county. Perhaps there are not more than twelve "scrubs" in the bunch. All the animals belonging to the folks in Roosevelt county are "graded up" lots of thoroughbreds. Big brained, big hearted cultured, whole souled progressive, aggressive, enterprising, honest, industrious, honorable, law abiding,—these with most all the other good adjectives that our good friend Noah Webster has put into his International dictionary, pretty fully express the character of the folks who reside in Roosevelt county. But after all one has to know our citizenship to appreciate it. He may hear about our people, read about them, but that will give him only a vague idea of their real worth. When he comes to know them he will exclaim "The half has never been told"

In no place is their need for greater co-operation in handling the road question than in our county few farmers realize what good can be done on a dirt road in a few hours with a drag. Some of the best authorities recommend that roads be dragged every two weeks. This cannot be done of course unless weather conditions permit. If every farmer in Roosevelt county would drag the road in front of his farm it would do much toward a system of good roads. Secretary of Agriculture, David P. Houston, says "The great need is for roads which shall get products from the farm to the nearest railway station and enable the farmer to haul when he cannot be busy about his sowing and reaping, and to haul at a lower rate. The railway will continue for an indefinite time to be the national highway. The emphasis is needed on the community road. It is estimated that it costs twenty three cents per ton mile to haul under existing conditions, on the county road and that it could be reduced by half if the roads were improved."

The merchants and other business men of our town are to be commended for the pains they are taking in improving the looks of their places of business. A little paint properly applied will make a wonderful improvement. Then again the street work will be completed by the time the Fair and State Federation are on. From present indications our little city will make a very presentable appearance to the many visitors who are expected to come.

A recent visitor to Portales remarked that we had one of the greatest irrigation projects and counties that he had seen, but when one gets off at the depot none of the results of it can be seen. This is very true. Some steps should be taken to beautify the lots near the depot and show some evidences of our great irri-gable Valley.

Pistol and Revolver Cartridges That Are Dependable and Accurate

YOU selected your pistol or revolver because you expected it to give you results.

Now, results—whether in casual shooting—or in serious work at the target—depend more than you might think on the wise choice of ammunition. It is worth remembering that the biggest men in the Pistol and Revolver classes are shooting Remington-UMC Cartridges—made for every standard make of pistol and revolver used anywhere in the world.

For the right ammunition from the sportsmen's point of view, see the Remington-UMC Dealer. He displays the Red Ball Mark of Remington-UMC.

Sold by your home dealer and 324 other leading merchants in New Mexico

For the Farm Residence

Texaco Roofing is well adapted for use on farm residences. It is attractive in appearance, of unusual durability, and has the additional advantage of being as thoroughly fire-resisting as a roofing can be.

TEXACO ROOFING

owes its splendid reputation to one great fact. In its manufacture especial care has always been taken to produce a roofing that cannot be affected by sudden and sharp weather changes and that is equally efficient in extreme heat and extreme cold.

As a result, Texaco Roofing does not stiffen and crack in cold weather or soften and run in hot weather. It is always water tight and its upkeep cost amounts to practically nothing.

Warning Device for Auto.
A mechanism for indicating to the driver of a following automobile which way the car ahead is to turn has been placed on the English market recently. The device, is of course, attached to the rear of the car, and provides four illuminating spaces besides the regulation lamp. Located on the steering wheel are two switches, each of which operates an electric lamp on the appropriate side of the device, and the pressure of a thumb on one switch turns on the current in the corresponding space at the rear of the car. These spaces are of ground glass and have a white arrow on a red background, the illumination thus showing which way the driver intends to turn. The "slow" signal appears whenever the clutch is thrown out or the foot brake is set; the "stop" signal shows when the emergency brake is applied.—Philadelphia Record.

Saving All the Oil.
It has remained for the motor car industry to take a lesson from the cow and her rural owner. As nearly every person knows, the farmer has a separator to take the cream from the milk. Here is the way the automobile industry has taken a lesson from the farmer and his cream separator: In every big factory hundreds of gallons of oil are used while various parts of the motor car are being drilled. The oil streams over the tool as it bores through the metal, aiding in the work and keeping the metal cool. Consequently much oil sticks to the metal shavings and dust. At many motor car plants the shavings are scooped into the "cream separator." The oil is separated from the metal and used again, effecting a big saving during a year.

Tip: No Lightning Protector.
There is no reason to believe that any protection is afforded against lightning by the rubber tires on the ground. If a bolt of lightning is headed for the car the rubber tires will never stop it. As far as rubber tires being an electric conductor is concerned, if you will stand on the ground and touch the ungrounded magneto electrode the shock you will receive will readily convince you that the current from the magneto has no difficulty in passing from the frame of the car to the ground through tires and then through your body and back to the framework again.

A current magazine article tells what a dollar will do, but doesn't mention that it sometimes makes a liar out of a man who borrows it. The Herald \$1.00 a year and worth it.

Bonds to the amount of \$30,000 have been voted to replace this building with a more modern structure. It is proposed to build a new structure at the close of the present term.

A Famous Herd.

Many objects of interest are to be found in Roosevelt county. A herd of buffalo visited often by citizens and sojourners, is one of these. When located near the railroad it is viewed curiously by passengers on passing trains. A citizen of Des Moines, Iowa, who had seen the herd from the car, wrote a letter recently urging a visitor to Portales not to fail to see the buffalo before departing for the east. Not long since a chamber of commerce negotiated for their location, near a growing town in Texas, in the belief that the advertisement thus obtained would justify the outlay. Few communities can boast of even a pair of these typical American animals, much less a herd bred and maintained with a view to commercial gain. The herd was perhaps the greatest single attraction at the State Live Stock and Products Exposition at Roswell.

In the decades that are gone ten's of thousands of buffalo lived unafraid in the open country of the west, but as the empire

of the white man pushed its zigzag, but certain courses to the

Pacific these ancient and picturesque denizens of the plain and prairie were so reduced in numbers by unwonted slaughter and the lure of profit, that a few years ago they had reached a point of near extinction. Fortunately through the achievements of individuals, societies and governments the perpetuity of the bison seems at last assured. The capturing of fifty-eight calves on the plains of Texas, by Buffalo Jones, some thirty years ago, contributed notably to this end.

Of late much space has been devoted in the public press to the claims of the catalo as a producer of meat and robes. The catalo is a cross between the buffalo

and the domestic cow, and is believed by some to be as promising a hybrid as the mule. The art and science of breeding are today being levied upon in the hope of creating a type of animal endowed with the bulk and hardiness of the bison and that will produce meat superior in quality to either of its progenitors. Who will say this hope is vain, when scientific principles of breeding, skillfully employed yield results as marvelous as a wand in the hand of the ancient magician?

The mule is infertile as everyone knows, but recent experiments tend to show that the catalo is fertile, male and female. If this be so, the creation of a new species of animal becomes possible that will ultimately breed true to type and be capable of improvement by artificial selection.

The pure bred buffalo and much discussed catalo may be seen in the Buffalo Jones herd.

A buffalo exhibit is scheduled to be among the Roosevelt county fair exhibits but definite arrangements have not as yet been made.

"When Good Fellows Get Together"

You will find fresh-rolled cigarettes of deliciously mellow "Bull" Durham in evidence at banquets, club smokers and other social gatherings of men of wealth, prominence and experienced tastes. In the fragrant smoke of this mild, delightful tobacco formality gives way to congenial good-fellowship. If you would be fashionable, expert in the company of connoisseurs, you "roll your own"—and your tobacco is "Bull" Durham.

GENUINE "BULL" DURHAM SMOKING TOBACCO

To millions of experienced smokers there is no other tobacco fragrance comparable to the wonderful, unique, mellow-sweet flavor of "Bull" Durham—no other cigarettes so fresh, tasty and satisfying as those they roll for themselves with this golden-brown, bright Virginia-North Carolina tobacco.

Roll a "Bull" Durham cigarette today—you will experience a distinctive form of tobacco enjoyment.

FREE An Illustrated Booklet, showing correct way to "Roll Your Own" Cigarettes, and a package of cigarette papers, will both be mailed, free, to any address in U. S. on request. Address "Bull" Durham, Durham, N. C.

LANGUESI TIENNUM LIST EVER UTTERED BY A COUNTY IN N. M.

COWBOYS NAME NAYLOR

DILIA MAN PRESIDENT OF REUNION ASSOCIATION.

Members Talked Over Plans for the 1916 Meeting to Be Held at East Las Vegas.

East Las Vegas, N. M.—Members of the New Mexico Cowboys' Reunion Association, incorporated, met here and took over the affairs of the executive committee that had charge of the first annual reunion of the organization last July. A substantial balance was on hand.

The executive committee held a short session preceding the meeting of the new corporation. The new society named a board of directors, which in turn elected officers. The officials are as follows: W. A. Naylor of Dilla, president; L. O. Neafus of Cuervo, vice president; Donald Stewart of East Las Vegas, treasurer; William H. Springer of Las Vegas, secretary. The directors are, with few exceptions, cattlemen, the same being true of the officers, and are the following: W. A. Naylor, Dilla; J. O. Neafus, Cuervo; J. V. Austin, Chispermote; Secundino Romero, Las Vegas; Apolonio Sans, Park Springs; A. B. Bagley, Cuervo; J. A. Wilson, Fort Union; J. A. Whitmore, East Las Vegas; Walter Lyman, Watrous; G. M. Jones, East Las Vegas; M. G. Keenan, Springer.

The members talked over plans for the 1916 reunion, which will take place here.

New Mexico Raising More Grain.

Santa Fé.—The following is the New Mexico crop report for September: Corn, Sept. 1 forecast, 2,760,000 bushels; final, 1914, 2,576,000. Winter wheat, preliminary estimate, 1,185,000 bushels; final, 1914, 1,125,000. Spring wheat, Sept. 1 forecast, 850,000 bushels; final, 1914, 713,000. Oats, Sept. 1 forecast, 2,160,000 bushels; final, 1912, 1,976,000. Potatoes, Sept. 1 forecast, 885,000 bushels; final, 1914, 900,000. Hay, (all tame) preliminary estimate, 444,000 tons; final, 1914, 515,000 tons. Apples, Sept. 1 forecast, 833,000 bushels; final, 1914, 900,000 bushels. Alfalfa, production in 1915, 92 per cent of full crop; 9-year average, 91 per cent of full crop. Stock hogs, number Sept. 1, 120 per cent of year ago.

Report on Probable Revenue

Santa Fé.—An optimistic report on the probable revenue of the state for the fiscal year commencing Dec. 1, next, has been prepared by some of the members of the executive committee of the recently organized Taxpayers' Association of New Mexico. The

report is in no way official, but its preparation was in line with suggestions made during the recent organization session here.

Tribute to Mrs. Herring.

Santa Fé.—The following resolution has been adopted by the Santa Fé Woman's Club: "The Santa Fé Woman's Club wishes to express its deep sense of bereavement at the loss which has sustained in the death of Mrs. Harry T. Herring and its affectionate appreciation of her character and service."

Boy Goes to Annapolis.

Tucum.—Chas. Goldenberg, son of Mr. and Mrs. A. D. Goldenberg of Tucumcari, is received an appointment as a cadet to the United States Naval Academy at Annapolis.

Bloodhounds Used to Track Robbers

Santa Fé.—Bloodhounds from the state penitentiary were used by Sheriff Closson in tracking criminals who broke into a farm house in Rio Arriba county and stole \$48.

Carrizozo Fall Festival.

Carrizozo.—Carrizozo will again have a fall festival, and the dates set are Oct. 1 and 2. Sports, such as horse racing, baseball and basket ball games, will be put on. There will also be a big free barbecue on the second day of the festival.

Oil Well to Supply Fuel.

Artesia.—The Brown oil well, eight miles southeast of Artesia, has been leased by the National Plaster Company of Oriental and will at once be put in shape to supply fuel oil for the plaster factories between Lakewood and Carlsbad. The Brown well is the largest oil producer in New Mexico and is good for fifty barrels of oil per day, under a pump.

Whitefaces Bring \$105 per Head.

Talban.—The largest price paid for cattle in these parts was in the deal where John Tyson paid Charles Epps \$105 per head for 110 head of white-faced cows. They are full-blooded Herefords. Tyson offered \$60 a head for the yearling heifers in the Epps herd and was refused.

Woman Heads Medical Society.

East Las Vegas.—Dr. Evelyn Frisbee of Albuquerque was elected president of the New Mexico Medical Society and that city was chosen as the next place of meeting. This is the first time in the history of medical societies. It is stated, that a woman has been chosen president. Other officers are: Dr. C. S. Losey of Las Vegas, Dr. J. W. Kinsinger of Roswell and Dr. A. H. Deising of Gallup, vice presidents; Dr. R. E. McBride of Las Cruces, secretary; Dr. F. E. Tull of Albuquerque, treasurer.

OPPOSE EXTRA SESSION

TAXPAYERS OBJECT TO CONVENING LEGISLATURE.

Believe That Revenue for Coming Two Years Will Be Ample to Meet Appropriations.

Santa Fé, N. M.—The initial meeting of the New Mexico Taxpayers' Association adjourned after an all-day session devoted almost entirely to a discussion of the difficulties confronting the State Tax Commission, the extent of the dilemma presented by possible shortage of revenue to meet appropriations for the next two fiscal years and the necessity, wisdom, or unwisdom of a special session of the Legislature.

Sentiment of the association as expressed in informal statements by a considerable number of the members was against the calling of an extra session of the State Assembly as an unnecessary expense. The discussion was invited by Gov. McDonald.

Herbert J. Hagerman of Roswell, former governor of New Mexico, was elected president of the newly organized Taxpayers' Association of New Mexico just before adjournment. The other officers and the members of the executive committee also named, follow: Vice president, Harry W. Kelly of Las Vegas; secretary, Antonio LeCero of Santa Fé; treasurer, J. Van Houten of Raton; members of executive committee, Bronson M. Cutting of Santa Fé, John S. Clark of Las Vegas, George A. Kaseman of Albuquerque and Bias Sanchez of Wagon Mound.

Mr. Hagerman, as president of the association, is ex-officio chairman of the executive committee.

A general council, made up of one member from each of twenty-six counties of the state, was named by the executive committee as follows: Ben Nallio, J. B. Herndon; Chavez, W. M. Atkinson; Colfax, J. Van Houten; Curry, Charles A. Scheurich; Dona Ana, Dr. L. C. Hills; Eddy, Hugh M. Gage; Grant, John M. Sully; Guadalupe, O. B. Erickson; Lincoln, T. A. Spencer; Luna, J. A. Mahoney; McKinley, E. P. Manning; Mora, J. Demetrio Benigno; Otero, Ed. Mechem; Quay, D. H. Stoney; Rio Arriba, L. B. Prince; Roosevelt, R. G. Bryant; Santa Fé, Richard H. Hanna; San Juan, William Butler; Sandoval, M. C. De Baca; San Miguel, Fidel M. Ortiz; Sierra, Max Koehler; Socorro, Powell Stackhouse; Taos, B. V. Dieckman; Torrance, Mecario Torres; Union, C. G. Granville; Valencia, Ed. M. Otero.

The objects of the association are declared by the constitution to be as follows:

(1) To aid, encourage and promote the observance of economy in administration of public business in the state of New Mexico and in the counties, cities and other political subdivisions thereof.

(2) To educate the membership of the association, by proper means of instruction and publicity in tax matters, and upon questions of administration and the expenditure of public funds.

(3) To co-operate with and assist the work of all local, county and municipal taxpayers' associations; and to assist and co-operate with public officials of the state and of cities, counties and other political subdivisions of the state, in tax matters.

(4) To aid and assist in obtaining such legislation as may be deemed wise and necessary for obtaining a proper and equitable assessment of property and collection of taxes for the public revenue and for the furtherance of any other objects of this association.

(5) To do all things necessary and proper to carry these objects into effect.

Damage by Lightning at San Jon.

San Jon.—During a rain storm lightning struck a shed at the J. A. Atkins place, killing a calf and two chickens for him and setting fire to his buggy, burning the top and back off. It also killed a valuable mare belonging to Sam Walker, that was grazing with the saddle and bridle on, about fifty yards from the shed, cutting its tongue off where the bridle bit went through the mouth.

Ohio Girl Sues for Heart Balm.

Santa Fé.—Alleging that she was exposed to humiliation, mortification and shame, and has suffered great mental distress by reason of the fact that William W. McClellan, Jr., of Albuquerque, to whom she was engaged married Eulalia L. Duennisch, also of Albuquerque, Mary Elizabeth Kammeler of Ohio, filed suit in the Federal Court against McClellan for \$10,000.

Girl's Alleged Assailant Held.

Albuquerque.—Under bond for \$1,000, B. W. McClellan, accused of an assault Sara Dally at her home, has been held for the grand jury.

Injured in Fall From Wagon.

Metrose.—Heavyweight chickens are raised in this section of New Mexico. A crate of them, which A. C. Vandagriff was bringing to town on top of other supplies in a wagon, slipped and fell against Vandagriff, his wife and little daughter, who were on the wagon seat, and knocked them to the ground. Mrs. Vandagriff was seriously cut and bruised about the face and head, and is under medical treatment. Vandagriff and the little girl were only slightly injured.

F. G. Calloway & Co.

Old Hill stand near Justice building.

WILLIAMSON-OLDHAM CATTLE CO.

About two years ago we formed this company to place more cattle on the farms and ranches in Roosevelt county. During this time we have imported several thousand head. We believe that the future prosperity of the citizens of this county will depend in a large measure to the attention they give to live stock of all kinds, for this is primarily a stockfarming country. Our slogan is more and better live stock.

As money makers, cows and hogs are a pair mighty hard to equal. They are two forms of live stock that work hand in hand with all farming plans where all feed crops are raised, and they are the two forms of live stock that make you more and cost you less, in both original cost and future trouble, than any two we know of.

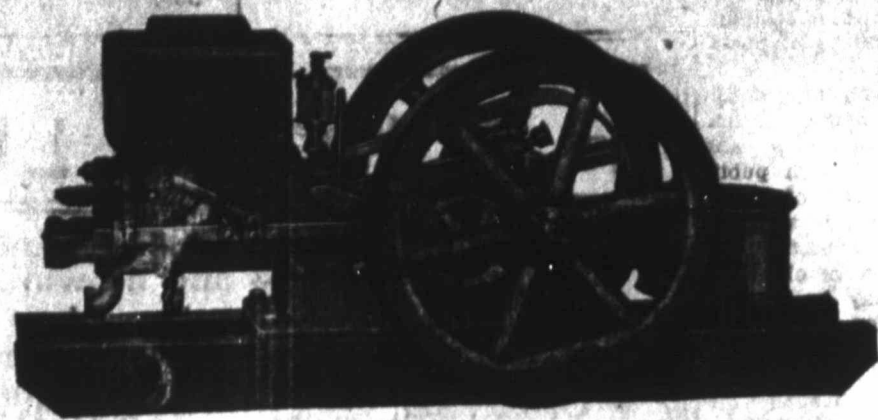

During the past to years the live stock in our county has been trebled and not only that, the standard has been greatly raised. It costs no more to raise and care for a good cow or hog than a poor one and our people are waking up to the fact that it pays to get something good.

It will be worth while for the owners of good stock to exhibit them at the Roosevelt County Fair for it will encourage everybody in this line.

WILLIAMSON-OLDHAM CATTLE CO.

PORTALES, NEW MEXICO

"WATERLOO BOY"

**FROST PROOF STANDARD ENGINE
BUILT IN THREE SIZES—4, 7 AND 10 H. P.**

We want to impress upon our customers that the Waterloo Gas Engine Company stand back of Waterloo Gasoline Engines.

All our Engines are well and substantially constructed of good material, and by skilled workmen, and with proper management will do well the work for which they are made and sold, and if properly operated will develop the actual horse power as rated.

We will guarantee each and every Gasoline Engine against defective material or poor workmanship for a period of five years, and will furnish free any new parts that may be required should a defect appear within five years from the date the Engine is sold.

We have just unloaded a car each of Weber wagons, row binders and binder twine. These goods are manufactured by the International Harvester Co. and they give a stronger guarantee than any other manufacturer. They are the best on the market for the money.

JOYCE-PRUIT COMPANY.

Satisfaction!

From the moment you first handle a roll of Texaco Roofing until the time, years afterward, when you note with pleasure that the roof is still as good as the day it was laid, you will get nothing but satisfaction from it.

TEXACO ROOFING

is made to give satisfaction. It is heat-proof, cold-proof, fume and acid-proof, and fire-resisting. Of course it is water-proof. These facts make it so.

They account also for its great durability, for its ability to give perfect service, year in, year out, under the most extreme weather conditions.

You cannot do better than put Texaco Roofing on your buildings.

NOTICE OF PENDENCY OF SUIT.

No. 1126.
The State of New Mexico to Augusta M. Lunsford, Charles A. Lunsford, and Mrs. Augusta Kiser, greeting.
You will take notice that a suit has been filed against you and each of you in the District Court of the fifth Judicial District of the State of New Mexico for the county of Roosevelt, wherein Kemp Lumber Company is plaintiff and the said Augusta M. Lunsford, Charles A. Lunsford, and Mrs. Augusta Kiser, otherwise named as Mrs. Augusta L. Kiser, are defendants, said cause being numbered on the civil docket of said court at No. 1126.
The general objects of said action is to collect a note executed by defendants jointly and severally to plaintiff for the sum of \$755.50, dated Dec. 24th, 1910, and due one year after date with ten per cent per annum interest thereon from date until paid, and ten per cent additional on the sum due thereon as attorneys fees, no part of which it is alleged has ever been paid, but that the whole thereof including all interest and attorneys fees is due and owing by said defendants to plaintiff, and said suit is further to foreclose a mortgage executed of even date with said note by said defendants to plaintiff, by which they conveyed to plaintiff the NW 1/4 of Sec. 25 Tp. 5 S. R. 31 East N. M. P. M., in Roosevelt Co. N. M., and also Lot No. two (2) in Block No. ninety-three (93) in the original townsite of Clovia, Curry Co. N. M., and to have said land and premises sold and the proceeds applied to the satisfaction of plaintiff's demands and all costs of suit.
You are further notified that unless you enter your appearance in said cause on or before the 13th day of Nov. 1915, judgement will be taken against you by default and the plaintiff will apply to the court for the relief demanded in the complaint.
T. E. Meers is attorney for plaintiff and his Post office and business address is Portales, New Mexico.
Witness my hand and the seal of said court, this Sept. 23rd 1915.

NOTICE OF FORECLOSURE SALE.

Notice is hereby given that whereas by virtue of certain chattel mortgages and the power and authority in me vested thereby, said mortgages executed to the undersigned, J. F. Jones, by C. J. Jones, to secure the following amounts and sums and upon the following described chattels and property, to wit:

One mortgage dated Oct. 29th 1914 by which said C. J. Jones conveyed to J. F. Jones, the following property to wit: Forty eight head of buffalo and catalo, consisting of buffalo bulls, cows, and calves and catalo cows, steers and calves, of which number there is now remaining forty-five head, to secure the due payment of his certain promissory note dated Oct., 29, 1914, for the sum \$2728.42 due thirty days after date, with twelve per cent per annum interest thereon from date until paid and ten per cent additional on the sum due thereon as attorneys fees if placed for collection of the hands of an attorney, said note principal and interest amounting to date of sale, including attorneys fees, to the sum of \$3364.35, no part of same having been paid.

Another mortgage dated Jan. 12th, 1915, by which the said C. J. Jones conveyed the following property to said J. F. Jones to wit: The said buffalo, catalo, buffalo bulls, cows, calves and catalo cows, steers and calves, as described in the above mentioned mortgage, and also the following property additional to wit: About five hundred Persian and Persian sheep, in the care and possession of R. E. Dunlap, of which there are now remaining about four hundred and fifty head more or less, to secure the due payment of two certain promissory notes each dated Jan. 6th, 1915, and due on or before March 17, 1915, with twelve per cent per annum interest thereon from date until paid, one note for the principal sum of \$500.00 and the other for \$500.00, on which notes there will be due at the of sale hereinafter mentioned, including the principal sum, with the interest and attorneys fees due thereon in the sum of \$3501.90, no part of which has been paid.

That the mortgages herein mentioned are subject to a first mortgage on all said above described animals, originally executed to the Portales Bank and Trust Co., and later assigned to one L. S. Lovitt, and on which there is now due the sum of \$1070.00 and which is a prior lien to the above mentioned liens.

That the mortgages herein mentioned authorized and empowered the said J. F. Jones upon condition broken, same being conditioned upon the due payment of said notes according to the tenor and effect, to take possession of and sell all said animals and property for the purpose of paying said indebtedness, as above set forth and the said J. F. Jones has placed said notes and mortgages in the hands of T. E. Mears, an attorney of Portales, N.M. for collection.

Now therefore by virtue of the authority and the premises aforesaid, the undersigned, J. F. Jones, will at the hour two o'clock p.m. on November 1st, 1915 at what is known as the Kerr place, now in the possession of W. O. Dunlap and on which the said buffalo are now located sell all said property or so much thereof as may be necessary for the purpose of paying all said indebtedness as aforesaid at public auction to the highest bidder for cash, said Kerr place being about two miles Southwest of Portales, N.M.

Witness my hand this September 28th 1915.
J. F. Jones, Mortgagee.
T. E. Mears attorney for mortgagee,
Portales, N. M. 41-4t.

NOTICE OF PENDENCY OF SUIT.

No. 1130
The State of New Mexico to R.C. Whitter and Hattie A. Whitter, Greeting:
You will take notice that a suit has been filed against you in the District Court of the State of New Mexico, in and for the County of Roosevelt, wherein the said R. C. Whitter and Hattie A. Whitter are defendants, said cause being numbered 1130 on the civil docket of said court.

The general objects of said action are as follows: The plaintiff sues to collect a note dated Oct. 1, 1912 for the sum of \$800.00 with seven per cent per annum interest thereon from date until paid, and due two years after date, and to foreclose a mortgage deed executed and delivered to plaintiff by defendants on Oct. 1, 1912, to secure the due payment of said note; the plaintiff claiming that there is due on said note and mortgage the sum of \$800.00 with seven per cent per annum interest thereon from Oct. 1, 1912 until paid, and for costs and general relief, said mortgage being upon and conveying to the plaintiff the following described property, to wit: The southeast quarter of section three (3) in township three (3) south of range thirty-six (36) east of the New Mexico Principal Meridian, in Roosevelt county New Mexico, and to have said property sold and the proceeds applied to the satisfaction of plaintiff's said demands and all costs of suit.

You are further notified that unless you enter your appearance in said cause on or before the 20th day of November 1915, judgment by default will be rendered against you and the plaintiff will apply to the court for the relief demanded in its complaint.

T. E. Mears is attorney for plaintiff and his business and post office address is Portales New Mexico.
Witness my hand and the seal of said court on this the 29th day of September 1915.
Seal) J. W. Ballow, Clerk. 41

A Star Legend.

Ursa Major, the Greater Bear, as the constellation has been known in widely separated parts of the world, has many interesting stories connected with it. One recently brought to light is the Indian legend of the bear and the hunters. As pictured by the red men, the bowl of the Dipper is the bear and the stars in the handle are some of the hunters in pursuit. In the spring the bear comes out of the den in the hills and the chase begins. All summer it continues until at last in the autumn the bear is wounded and falls so close to the earth that its body drags along the horizon, tinting the leaves with its blood soon after sunset. Throughout the early hours of the winter evening the dead bear is seen beneath the pole by the imaginative red men of the North.—Southern Woman's Magazine.

IN TURNING CORNERS

WHERE MOTORIST SHOULD EXERCISE MUCH CARE.

Statistics Show That Majority of Accidents Occur at Turns and Bends of the Road.

The motorist who has safely rounded the bend in the road with which he is very familiar a hundred times is apt to think the next experience will be as free from danger as the others have been and that there will be no obstruction. But, sooner or later, the unexpected happens when nothing save great skill and alertness will avert a bad accident. And while it is true that in every instance and at all times a motorist upon the road is dependent not only on his own actions but on the actions of others, this is especially true of corners.

The conservative driver never takes a right-hand corner at anything approaching a fast speed, and he always treats a curve of any kind as if there might be an obstruction of some kind at an awkward point just out of sight. He approaches the corner at a speed which will enable him to pull up before the center is reached.

The best method of taking a corner is more easily demonstrated on the road than in writing, but the rule of reducing the sharpness of the turns as much as possible by going wide on the outside of the approaching and the leaving should never be forgotten.

Another point which should be remembered about corners is that the most dangerous are not necessarily those which are most acute, and so those that are often called "very bad" corners—that is, bad from the acuteness of the corner—are not really the most dangerous because an abrupt right-hand turn compels traffic to slow down for reasons other than those connected with the chances of meeting oncoming vehicles.

Most accidents occur at corners which are neither very acute nor otherwise extreme, for a gradual turn allows unimpeded vision some distance ahead, whereas a very acute corner compels moderation in speed.

There is such a thing as being too sensitive, but when a Philadelphia woman says: "I don't want a man to play with my heart, for I would never play with his. I felt that my husband was playing with mine one day when I found a tintype portrait of me in the letter box with a hole through the head. I feel sure that hole was made by a bullet." It does seem there are occasions when a person can be peevish without being criticized.

If you don't you may have an expression like this

If you attend the Roosevelt County Fair you will have an expression something like the above

NOTICE OF PENDENCY OF SUIT.

No. 1131
The State Of New Mexico to Sadie E. Newsom and W. W. Newsom, Greeting:
You will take notice that a suit has been filed against you in the District Court of the 5th Judicial District of the State of New Mexico, in and for the county of Roosevelt, wherein Allie D. Slaughter, as executrix of the estate of Geo. M. Slaughter, deceased, is plaintiff and Sadie E. Newsom and W. W. Newsom are defendants.

The general objects of said action are as follows: The plaintiff sues to collect a note dated Sept. 8th 1911, for the principal sum of \$1250.00 due six months after date, with twelve per cent per annum interest thereon from date until paid, and ten per cent additional on the sum due thereon as attorneys fees, if placed for collection in the hands of an attorney, and on which it is alleged after allowing all credits, that there is due the sum of \$1347.66 with twelve per cent per annum interest thereon from Dec. 8th 1912, until paid and the additional sum of ten per cent on the sum due thereon as attorneys fees; and further to foreclose a mortgage executed by said defendants to secure the due payment of said note according to its tenor and effect, by which said defendants conveyed to said Geo. M. Slaughter, of even date with their said note which was executed to him also, the following described real estate and property, to-wit: The northwest fifty-five feet of lots one and two in block No. 15 and the north half of lot No. 3 in block No. 15, abutting the said property in said lots one and two in said block No. 15, all in the original townsite of Portales, New Mexico, according to the plat of same on file in the Recorder's office of Roosevelt county, N.M. and to have same sold and the proceeds applied to the satisfaction of plaintiff's demands and all costs of suit.

You are further notified that unless you enter your appearance in said cause on or before the 20th day of November, 1915, judgment will be rendered against you by default and the plaintiff will apply to the court for the relief demanded in her complaint.

T. E. Mears is attorney for plaintiff and his business and post office address is Portales, N.M.
Witness my hand and seal of said court this Sept. 29th 1915. J.W. Ballow, clerk. (Seal) 41

PORTALES,

NEW MEXICO

PORTALES UTILITIES CO.

Congratulates the farmers of Roosevelt county on a very successful year. Roosevelt county is now attracting the attention of the entire central west.

Many farmers of Iowa, Minnesota, Nebraska and other middle west states have purchased farms from us the last few months

Arrangements have been made whereby a limited number of farmers who have good places within the shallow water water belt can obtain money at reasonable rates for installing pumping equipment on this land, and connecting up to the lines of the Portales Power & Irrigation Co.

Conservative loans can also be made to responsible farmers having developed irrigated farms being served from the Power Company.

The creamery has been built, a market has been created for the butter fat

Never before has there been so much grain available for finishing cattle and hogs. We recommend the finishing of cattle and hogs, keep the profits of grain business at home, fertilize the farm, send only the finished meat away.

Every farmer in Roosevelt county should attend the county fair. It will be the best ever held.

Many Automobiles.

Among the many ways the people of Roosevelt county have shown their progressiveness is by the large number of automobiles in the county. While most of these are owned in the town many are owned by the stockmen and farmers. They have learned that the convenience and usefulness of the automobile is well worth its cost and upkeep.

It has not been long since an auto was a rare thing on the roads in Roosevelt county and was looked on as a expensive luxury. The owner was regarded with more or less animosity by many people, due mostly to the fact that his machine scared every team it chanced to pass. This condition no longer exists, the horses have become accustomed to automobiles and the country people are really glad to see them come into their neighborhood.

Like other parts of the country, the automobile has done more to boost the good roads movement in Roosevelt county than anything that has ever happened. Naturally every owner of a car is a good roads booster. There are men right in Portales who took no part in the good roads movement before they owned a car and now they are among the best road boosters we have. Fortunately road building is not so expensive in Roosevelt county as in many parts and it will not be long until our substantial system of highways will reach every section of the county.

It is a little surprising, but reliable figures show that there are owned in this county almost 100 automobiles, more than one half of which have been bought this year. The Ford is decidedly in the lead with 59. The Buick is second with 10. Next is the Overland with 6, the Case, 4, the Dodge 2 and the Rio, 2. There are eight other makes represented with one each.

Sells Calves.

McCall Bros. last week sold their calf crop to Hunter and Acker of Elida, at a price said to have been nearly \$30 per round. There were something like 40 in the bunch all last spring's calves. In the herd the McCall's bought a few weeks ago from Tom Regan of Clovis about ten calves have been born.

A Prize Winning Pear.

Egbert Wood, proprietor of the Portales Drug store is exhibiting one of the largest, if not the largest pear ever shown in Portales, the weight being one and seven eighths pounds. The pear will be preserved and exhibited at the Roosevelt county Fair.

Dragging Road.

The newly constructed south road was dragged last week. The splendid showers have made it possible to greatly improve its condition and the road board hope to have it in as good condition as the Bethel Boulevard before they finish working it.

MEETING OF STOCKMEN

DURING EXPOSITION AT ROSWELL ON OCT. 6.

Question of Obtaining More Grazing Land From the Government and Better State Leases Will Be Considered.

Roswell, N. M.—A meeting of cattle men has been called for Oct. 6, during the Livestock and Products Exposition. The object is to work out plans for closer cooperation among the stockmen. The questions of obtaining more grazing land from the federal government and better leases from the state will be considered. The committee in charge of the arrangements are C. L. Ballard, Charles Walker and C. C. Tannehill.

Possibly the most vital matter to be considered is the obtaining of a grant of land for the state. As the cattle industry has developed, it has become clear that the business can be carried on more profitably in pastures than on the open range. More cattle can be grown on a given area, where it is owned and properly cared for, than on the public domain or even leased state land.

In line with the stockmen come the men who want a 10,000,000-acre grant of land for road construction, drainage of the great valleys, and for education. They want land, which, after it has been carefully classified, shall be sold at not less than \$2 an acre. Such a plan would give the stockmen opportunity to buy the grazing land outright, and possibly on easy terms. The meeting at Roswell will be to a certain extent a preparatory session for the convention of the cattlemen at Albuquerque in the spring.

Two Killed in Clayton Accidents. Clayton.—Two fatal accidents and one nearly fatal occurred here. While racing against a Colorado & Southern train, Fred Lujan's automobile turned over. His jaw was broken and a woman and child, who were in the car, were severely injured. C. N. Carpenter, working at a well, was caught in a drill chain. His body was cut in two to the backbone. He died in a few minutes. Frank South, a farmer, was kicked to death by a horse.

NOTICE OF PENDENCY OF SUIT.

The State of New Mexico. To Lillie F. Ficklin, Greeting: You will take notice that a suit has been filed against you in the district court of the Fifth judicial district of the State of New Mexico, in and for Roosevelt county, wherein Joanna L. Nolan, executrix, is plaintiff and Lillie F. Ficklin are defendants, said cause being numbered 1129 on the Civil Docket of said court.

The general objects of said action are as follows: Plaintiff sues the defendant to foreclose a mortgage deed executed and delivered by them to J. B. Nolan on the 28th day of September, 1910, claiming that there is due thereon the sum of four hundred dollars, with interest at the rate of twelve per cent per annum from the 28th day of September, 1911, ten per cent additional upon said amount as attorney's fees, and the further sum of fifty three and 100/100 dollars paid by plaintiff for defendants for taxes assessed against the land conveyed by said mortgage, for cost of suit, and for general relief, said mortgage being upon and conveying to the said J. B. Nolan the following described real estate, to-wit: The northwest quarter of section fifteen in township two south of range thirty-three east of the New Mexico Meridian in New Mexico, containing 180 acres, with all improvements thereon; to have said mortgage declared a first and prior lien against said said property; to have said property sold and the proceeds of such sale applied to the satisfaction of plaintiff's said judgment and demands, and for cost; that since the execution of said mortgage, the said J. B. Nolan has died, the plaintiff being the duly appointed and authorized executrix of his will and testament and the owner of the note and mortgage.

You are further notified that unless you enter your appearance in said cause on or before the 27th day of Nov. 1915, judgment by default will be taken against you and the plaintiff will apply to the court for relief demanded in the complaint.

George L. Reese is attorney for the plaintiff and his post office address is Portales, New Mexico.

Witness my hand and the seal of said court this 27th day of Sept. 1915. J. W. Ballow, Clerk.

By Guy P. Mitchell, Deputy (Seal) 41

Forgetful. As long as most of us can remember, the basis of American prosperity has been good crops, at profitable prices.—Boston Advertiser

Tut, tut, brother, how you forget your lessons! How can you forget that for so long as most of us can remember the basis of American prosperity has been the protective tariff? To think that you, of all people, should forget that!—Life.

He is a benefactor of the age who learns to make one pound of flour do what two have been wasted on before.

Among the various items of war waste that have been cited, human beings seem accidentally to have been overlooked.

Pedigree Was Fine, But—

Though nepotism has been known to get good railroad jobs for young men, there is one passenger official in Kansas City with whom family connections do not go very far. A few days ago the official in question was in quest of an additional man for his office.

A friend, learning of his desire, took occasion to write a letter indorsing a young man of his acquaintance.

The letter contained some glowing testimonials of some of the things accomplished by the young man's ancestors and relatives. But it didn't get very far with the passenger official, when sent the following laconic reply to the young man's indorser:

"Judging from your letter, the young man you recommend must have a good pedigree. However, I merely desire a clerk now, but if I conclude to start a stock farm later, I will let you know and will be glad to give the young man a chance."—Kansas City Journal.

When an airship drops a bomb about the only thing it is sure of hitting is the front page.

Since the war began our American aviators have ceased to plan trips over the ocean to Europe.

Possibly an air fighter sometimes gets credit for dropping a bomb when he is only throwing a scare.

CONTEST NOTICE.

Department of the Interior, U. S. land office at Fort Sumner, N. M. Sept. 2nd 1915. To Richard Y. Bacher, of Scoville, California. Contest: You are hereby notified that Benjamin Rutherford, who lives in Logan, Mo., as his postoffice address, did on May 11th 1915, file in this office his duly corroborated application to contest and secure the cancellation of your Homestead Entry No. Serial No. 92312 made Nov. 11th 1899 for NW 1/4 Section 24, Township 25 S. Range 2 E. N. M. P. Marjalis and as grounds for his contest he alleges that the entries were made by and who've abandoned the land two years, that there has not been any improvements on the land within the above mentioned time.

USE FOUND FOR BEAR GRASS.

Fiber Obtained From It Converted Into Cords, Mattings, Etc. Tucuman, N. M.—Gathering the spear-like leaves of the wild bear grass that grows profusely over a large area of western Texas and being the fiber that is obtained therefrom is a new industry for this part of the country.

A large plant for preparing the fiber for market has been established here. The product is shipped to Chicago, where it is manufactured into rope, cordage, matting and other products. The available supply of the raw material is said to be practically inexhaustible.

Up to the time it was discovered that the leaves contain a valuable fiber or grass was considered worthless by ranchmen. It is now proving a source of considerable revenue for the owners and the men who are employed in marketing it.

Charged with giving liquor to an Indian while he was attending Federal Court as a witness, Pat F. Hogan, a saloon keeper of Carrillos, was bound over to the Federal Grand Jury under \$1,000 bond by United States Commissioner M. T. Dunlavy.

J. P. Adams, engineer in charge of the sewer construction in Santa Fe, dug up one of the prehistoric residents of Santa Fe, while excavating a trench on Johnson street. It was the skeleton of a young man of good proportions. The skull is well rounded and is now on exhibit in the museum.

Plans for holding the biggest automobile show ever undertaken in the Southwest in connection with the approaching State Fair in Albuquerque, Oct. 11-16, are now fairly under way. The show is to be given under the auspices of the Albuquerque Automobile Racing Association, and is to be one of the conspicuous features of the fair.

Upon the application of H. J. Vatcher, Jr., of Los Angeles, who filed a petition asking that a receiver be appointed for the Gallup Electric Light Company, and that an injunction be granted restraining the directors and officers of the corporation from interfering with the receiver, Judge William H. Pope, at Santa Fe, appointed Francis C. Wilson receiver and also granted the restraining order.

Mr. and Mrs. Howard's 4-year-old daughter, Jessie, fractured her hip in a fall from a wagon at Fort Sumner. Nine criminal and 160 civil cases were on the docket of the District Court at Santa Fe for the September term.

Wheat in the Cimarron section is yielding 30 to 40 bushels and the oats and corn crops are reported exceptionally fine.

The Herald \$1.00 a year and worth it.

FARM LOANS Money borrowed on farms and properly invested grows mighty fast. I am now in position to get money on good security at reasonable rates. It will pay you to investigate. JAMES A. HALL

THIS BANK IS MORE THAN JUST A BANK It is your friend. It is the medium of exchange between you and the rest of the world. Its drafts are honored everywhere. It protects your savings. It loans you money when you need it. It exerts a strong influence in upholding the moral and material interests of your community, of yourself. It is safe, it is sound, it is conservative, it is strong. It is a GOOD place for your savings. Your name to an honored check is a good endorsement. The Portales Bank and Trust Company

TESTED AND PROVEN. Dr. D. D. Swearingin, of the firm of Presley and Swearingin, eye ear and nose specialists of Roswell, New Mexico will be in Portales, at Neer's Drug Store 20-21 22 of each month.

\$100 Reward, \$100 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for copy of testimonials free. Address: F. J. CHERRY & CO., Toledo, O. Sold by all Druggists. This is THE GREAT KIDNEY PILLS for constipation.

I am now with the J. E. Sledge Hardware Co. and am prepared to do all kinds of windmill and plumbing work and would be glad to figure with you before you let your contract. GEO. E. JOHNSTON

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Castro, Ky.—In an interesting letter from this place, Mrs. Bettle Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have sworn pain in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

The New Fall Styles

Are ready here and awaiting your inspection. Come in and see them while the lines are complete. Goods at the other end of the line are advancing every day. Raw wool as well as raw cotton is today selling on the markets of the world at double what they brought last year. This fact in connection with the European war makes many lines of dry goods and furnishings very hard to get today. From the fact we anticipated these very conditions last spring and placed our orders for future accordingly, we are in a position to give our customers goods for Fall and Winter at same prices as last year. All departments are now complete. This FAIR of ROOSEVELT COUNTY lasts three days. During these three days we hope to see every man, woman and child of Roosevelt county in our store. Call and make our store your headquarters while in town. x x x x x

Miss Thelma Huffman left Friday for Oklahoma to attend school.

O. W. Strickland left Monday for Amarillo in response to a telegram.

Mrs. A. E. Seigner left Wednesday for Nebraska to visit relatives.

Cure your locoed horses with Eaton's loco remedy. Elida Drug Store. 35tf

C. J. Mackey and wife and P. F. West of Elida were visitors here last Friday.

Carl Moss and wife attended the fair at Amarillo last week. They returned Sunday.

J. C. Livingston of Olivet, Illinois, arrived a few days ago to visit his cousin H.M. Livingston.

M. J. Butts and J. L. Paxton of Elida were business callers in Portales Saturday.

C. A. Skelton the local manager of the Kemp Lumber yard was in Hereford the first of the week on business. L. V. Brown came up from Elida and took charge during his absence.

Dr. W. I. Johnson's wife and family arrived last week to join him and have located in the Seay residence.

Cecil Honea was down from Clovis Wednesday assisting Deacon Jones of the local telephone exchange.

Mrs. Seth Morrison and children were guests of Mrs. Morrison's brother, Joe Lang Jr., at his home east of town Saturday.

S. E. Moore, the photographer is again in his gallery after an absence of several weeks.

Mrs. W. O. Oldham left today to attend the Sunday school convention at Roswell.

W. W. Hensley, the Delphos fruit grower, presented this office with some fine grapes and peaches this week.

Mrs. Roberts and son Gynn left Sunday for Oklahoma where they will make their future home Mrs. Roberts had many friends here who regreted to see her leave. Miss Eula May Terry has taken her place in the Joyce-Fruit store.

E. T. Dunlap, son of Mr. and Mrs. W. O. Dunlap left Wednesday for Ramah, New Mexico where he will again teach school the coming term.

Mrs. Anna Liza Johnson of Kentucky returning from attending the fairs in California stopped off a few days ago to visit Mr. and Mrs. Ed J. Neer and other friends.

Mr. and Mrs. P. C. Ayres of Iowa, who have been visiting Mrs. Ayres parents, Mr. and Mrs. J. W. Moon, left the first of the week to visit Mrs. Ayres sister at Hagerman.

Mrs. M. L. Rogers-Lee arrived from Alexandria, La. to visit at the home of her daughter, Mrs. J. R. Darnell.

P. M. Fortner of Carter was in town first of the week getting lumber to enlarge his home.

To Fair Exhibitors
On the bread baking, one contestant can compete on one kind of flour only. Each individual farm display must be raised on the farm it represents.

All pig entries should be six months and under instead of four months and under as stated in premium list, premium being same.

Protests, if any, must be in not later than four p. m., Wednesday. All judging will be considered final at that time.

The For Motor Co. are making 1785 cars every day, 223 cars per hour, and 4 cars every minute, and are probably 80,000 Fords behind with deliveries.

Roosevelt County Sheep.
Uncle George Baker entered one of his Persian sheep at the Panhandle Fair at Amarillo last week and took first prize in a large competition. He has a small bunch of these which were originally a part of the Buffalo Jones herd. Roosevelt county products are hard to beat and usually make a fine showing where ever they are exhibited.

The Herald \$1.00 a year and worth it.
The Herald \$1.00 a year and worth it.

Those Inez Farmers
T. F. Hill of Inez was in town Saturday. Mr. Hill is another of the highly successful farmers in that community who has raised an enormous crop this year. Needless to say he is glad he has settled in that part for he is making good. He has made several crops but the one this year surpasses them.

Henry Ford has been asked by Secretary of Navy Daniels to inspect and suggest improvements for Uncle Sam's Sub marines.

Inez Items
Allen Banks is again able to be about. He came to church Sunday night.

Mr. and Mrs. Lem Sheffield of Westville, Oklahoma have been visiting at the home of B. B. Greathouse for the past week. They and Mr. Kirby who accompanied them, are delighted with the country.

Miss Esther Mars, who is attending school at Portales, was at church here Sunday.

Victor Marshall of Minco came here last week to attend school.

School is progressing very nicely under the supervision of Miss Ollie Greathouse. There have been about 85 pupils enrolled. All are taking much interest, and splendid work is being done.

Some relatives of Mr. Thomas are visiting at Inez.

Mr. Duncan and family of Texas came to New Mexico recently in their Ford. They have driven around considerably and looked at the different sections of the country. They are so well pleased that they have filed on land west of here.

Rev. Thurston preached his last sermon for this year at this place on Sunday night. The house was crowded to overflowing and all listened attentively to the earnest, helpful words of the speaker.

There was a large attendance at Sunday school Sunday. Come out and help everybody.

Rev. Wagon of Arch preached a good sermon on Sunday morning to a large congregation.
