

Democrats vs. Republicans and Constitutional Amendments

General Election on Tuesday

Castro County voters will wind up one of the voting years in history Tuesday in the General Election.

This election, a more or less cut and dried situation of a full slate of Democrats versus a smattering of Republican and Constitutional

Party nominees. The section of the ballot where some indecision exists is the proposed amendments to the state constitution. Most of these amendments are controversial to some extent. Since most voters know how they will vote in the Democrat vs. Republican side of the ballot, the News is passing up an explanation of the issues involved with the personalities and going to a thumbnail argument on each constitutional amendment proposal. This information is based on a release by the Texas Press Association and is taken to reflect major pro and con arguments from over the state.

A copy of the ballot can be found inside this issue of the News.

A summary and argument on each of the proposed amendments follows by their number on the ballot:

1. Would provide for annual sessions of the Legislature. Odd-year sessions would be devoted to all matters, as before, and even-year sessions would attend to budgeting and emergency matters. Legislators would receive an annual salary of \$7,500 (instead of \$25 a day for a 120-day session) and an unspecified amount for

"expenses of office."
PRO: Supporters say annual sessions will allow more time for consideration of important matters. State financial planning could be done for one year at a time. No more having to "guesstimate" financial needs for two years ahead. Better pay would be a step toward attracting the best qualified persons to lawmaking. Such influential and hard-working groups as the Texas Junior Chamber of Commerce are pushing this amendment.

CON: Equally outspoken are the opponents who say it would cause needless expenses when money is already short. More time in session means more chances to spend money. Proposed salary still is not enough to attract top-notch talent, but "expenses of office" could open the door to "fat-cutting" with public funds. Sen. Dorsey Hardeman of San Angelo is the recognized spokesman for the "antis" which include some other lawmakers and other groups.

2. Would allow counties to extend participation in their retirement, disability and death compensation plans to elective officials of the county and precinct. Present arrangement covers only appointive officials and employees of the county.

PRO: It is a premissive law. No county has to do it unless the voters say so. It would give elective officials the same privilege as appointees, be an attraction to office.

CON: It sets no requirement for length of service. An official might serve one term—or less—and receive benefits.

3. Would allow the County Commissioners Court to fill vacancies in the office of County Judge and Justices of the Peace only until the next general election. Presently such appointments are for the remainder of the unexpired term, up to four years.

PRO: It would give voters the right to choose their own replacement to office as soon as possible.

CON: Since campaigns are so costly, there would be less incentive to run for the office for only

a two-year term.
4. Would provide for automatic resignation of a district, county and precinct official who announces for any other public office more than one year before the end of his term in office.

PRO: It would keep officials on the job rather than out campaigning for some other office.

CON: It would discriminate against district, county and precinct officials since other officials—U.S. senators, state senators, railroad commissioners and others with more than two-year terms—can run for another office in mid-

term.
5. Would allow Home Rule cities to extend terms of their elective and appointive officials from two years to four years.

PRO: It is premissive; each city can make its own decision. Two-year terms hardly allow an official time to get a program started before he has to get out and run again.

CON: Elections every two years give voters more control, build up citizen interest in government.
6. Would provide pensions, not to exceed \$80 a month, for retired Texas Rangers and widows of Rangers who retired before the 1947 State Employees Retirement System was established. Money would come from the Confederate Pension Fund.

PRO: Since funds are available, it would put no extra burden on taxpayers. Protective dating clause would prevent marrying for pensions.

CON: It would allow ex-Rangers to receive pensions for as little as two years' service and with no payments on their part, a more generous arrangement than is provided for other state employees.

7. Would allow Legislature to appropriate money for advertising (See Election Page Nine)

WRITE-IN FOR NEW COUNTY TAX OFFICE

Kent Birdwell and Mrs. Neva Hastings have announced as aspirants to the newly created county office of Tax Assessor-Collector. Birdwell has been in charge of the office as deputy sheriff for some ten years. Mrs. Hastings will be leaving her present post of County and District Clerk the first of the year. Voters may cast their ballot for either of these candidates or anyone else by writing in the name of his choice under the Tax Assessor-Collector heading in the write-in column on the far right side of the ballot. Both Birdwell and Mrs. Hastings list their qualifications in advertisements in this week's issue of the News.

More Convention Delegates if Voting Is Heavy

Everyone in the county should make a special effort to vote in next Tuesday's election, Mr. Joe Cowen, a former member of the State Democratic Executive Committee said this week.

Cowen pointed out that county delegates to the important state Democratic conventions coming up in 1960 will be determined by the number of votes for governor this year.

One delegate may be sent for every 300 votes cast in the county for Democratic gubernatorial nominee Price Daniel.

This also affects the number of delegates to the presidential candidate selecting national convention from Texas.

Bobbies Start Season Monday Against Sudan

Coach Johnny Ethridge's Dimmitt High School girl's basketball team will get their regular season underway Monday night in the Dimmitt Grade School Gymnasium against the Sudan team.

The freshman girls play at 7 p.m., followed by the Bobbie-Sudan game at 8 o'clock.

This year there will be four seniors, four juniors, four sophomores and one freshman playing on the varsity team.

The players are Mickey Pelley, Sandra Thompson, Ed Dena Boozer, Lois Vanlandingham, Peggy Gilbreath, Aundrea Booth, Lorraine Tate, Ruthella DiCuffa, Zandra Barnes, Kay Carpenter, Amy McSpadden, Mary Helen Maples and Lawanda Youts.

Managers are Charlotte Hestand, Sharon Rothwell and Wynema Fulfer.

about dimmitt and castro county by bascom nelson

A fellow named George Dolan, writing in his column called "This Is West Texas" in the Fort Worth Star-Telegram, lamented Tuesday about his problem concerning the boundaries of West Texas. It seems he has found that some people don't think Fort Worth is in West Texas like Fort Worthians claim.

We've often wondered about that too. We would figure, all things being equal, that Fort Worth is in East Texas. But years of their Chamber of Commerce has made it appear that they are as western as prickly pear and horned toads. However, whether or not Fort Worth is really in West Texas seems to be Dolan's problem.

We maintain that Fort Worth folks, long so vain and proud and calling their city "Where the West (or West Texas) Begins," are in West Texas only on their say-so. We maintain this because it is fact that there are six sides to Texas—the east side, the west side, the north side, the south side, the underside and the top side. Each of these sides could logically be separated from their opposite by a line running right down the middle. By assuming that half of Texas is east and half is west, we could arrive at the conclusion that anything west of a line drawn down the center would be in West Texas and anything east of the line would be East Texas. Fort Worth is about 165 miles east of the line.

Now, by the same token, we would say that Castro County is either in West Texas or North Texas. Sometimes Dimmitt people, like those in Fort Worth, claim they're from somewhere they ain't. We often say we're in the Texas Panhandle, but the truth of the matter is the Panhandle extends down only to a point about two miles north of Dimmitt. A short bend to the north instead of to the south by the Red River keeps six counties from feeling the enjoyment that comes from being in the Panhandle. We're not editorializing about a bend in the Red River or the center of Texas—but Castro County, like Fort Worth, would probably like to have a little regional pride... if it could just find a good region to which it really belonged. Castro Countians don't care a lot because we're at least in good ole West Texas. But it's easy to understand Fort Worth's consternation since nobody could be proud of being from East Texas.

Getting back to our own case. We also have another locality that we can join. The Amarillo Chamber of Commerce naturally includes this county in what it calls the "Golden Spread" since without Castro County the spread wouldn't be so golden. Actually our area is about the only really "golden" part of the whole shebang, and then it lasts only a few weeks in early summer just before the wheat is harvested.

We also suspect that the Lubbock Chamber of Commerce, if called upon for a coffee cup opinion, would probably place this county in its trade territory as a member of the South Plains family. This is probably where we belong if the truth were known.

All this goes to show that while Castro Countians can be from three or four places all at once, it is difficult to see how the East Texas town of Fort Worth can be anywhere but in East Texas.

★

Speaking of columnist in larger towns we were interested in the sayings of Wes Izzard in the Amarillo Daily News Tuesday. Mr. Izzard, who puts forth a fairly decent and informed column when not writing about politics, was taking the Amarillo Police Department to task about the way they manhandle out-of-town visitors. It seems there have been innumerable people heading to Amarillo to save a few bucks at a sale or something, only to find the Amarillo Police Department waiting at the city limits with their ticket books and discourteous attitudes. Naturally we maintain that Mr. Izzard is becoming upset for nothing. People who will drive all the way to Amarillo, struggle through heavy traffic looking for non-existent parking places, get nervous indigestion and finally wind up not getting what they came for, won't mind a little ole ticket for \$10 or so. Mr. Izzard doesn't understand the psychology of the people who go from Tulia, Happy Hereford, Dimmitt, Friona and Wellington to Amarillo. After the other trials and tribulations of a shopping trip to Amarillo, the additional pains imposed by receiving an unjustified traffic ticket are hardly worth mentioning. Amarillo merchants needn't worry about their local constabulary force playing hob with out-of-town trade. It will take more than a few thousand tickets and monumental discourteousness to slow down the stream of traffic from the smaller Panhandle and South Plains towns.

POLE PAINTING—Southwestern Public Service employees began this week their regular paint-up of city street lights. Arthur Wockack (top) probably had the coldest job in town when this photo was taken on the Square Wednesday. Below him is another Southwestern Public Service employee from Plainview, Charlie Hayes. They were assisted by Floyd Keeling and Bob Burns in their uncomfortable, but appearance-improving work. — News photo

Mary Louise Taack, Mary Maples Are State 4-H Club Winners

Two Castro County 4-H Club members, Mary Louise Taack and Mary Helen Maples, have been named state winners for 1958. The state 4-H club office announcement listed Mary Louise as tops in Texas girls' home economics and Mary Helen as one of four winners in the junior poultry fact finding program.

The home economics winner will receive a \$150 college scholarship from Montgomery Ward of Chicago donor for the program. Her record will also be submitted for judging in the national finals where six girls will be awarded \$400 college scholarships. The poultry winner will receive an all-expense trip to the National Junior Poultry Fact Finding Conference to be held in Kansas City, Missouri, early next February. Donor for this award in Texas is Western Hatcheries Joe Fechtel, president, Dallas. On the national basis, the Institute of American Poultry Industries of Chicago, Illinois, is the donor.

Mary Louise is completing her fifth year of a very active 4-H career. She is the daughter of Mr. and Mrs. Roy Taack of Hart and

has conducted demonstrations in clothing, food preparation, home and yard improvement, frozen foods, gardening, poultry, crops and electric.

The 1956 Gold Star winner has enjoyed much success with each of her chosen projects. Her collection of ribbons, rosettes, banners, trophies and medals are proof of her ability for doing every job well. She is the holder of many county, district and state honors including participation in the State Dress Revue, State 4-H Roundup, fourth in the State in 1958 even-year-matched Conference 1-AA the competition has just been more than they can handle.

Game time for the Bobcat-Wolves game is 8 p.m. Friday evening at the local stadium.

The Dimmitt Bobcat Band stepped out Tuesday night and won for themselves another award. It was a First Division trophy marching band at the Texas Interscholastic League meeting in Amarillo.

The Bobcat Band, winner in recent years of about every prize offered high school bands of this area, now have a total of twenty-three first places or divisions out of twenty-nine trophies.

Band director Ralph Smith has probably seen his charges garner more major prizes than any other director in the state over a five-year period.

Individuals did well for themselves, also. Miss Ka Estes won a First Division in the twirling contests. Out of 260 twirlers, there were only 14 who gained first division ratings. All three of the remaining Dimmitt twirlers Tommie Allen, Patsy Woodell and Norma Battles, placed in the highly-respected second division.

Knowledge gained from participating in the program have taught the young poultrywoman how to grade eggs and live and dressed poultry and turkeys. Many of her high quality turkeys have been dressed and packaged for a large concern which used them for gifts. Quality is a must she points out for such trade.

Both winners are active leaders in 4-H, school and church affairs and have held many elective offices in their local and county 4-H organizations. They both recognize their parents, local adult leaders and county extension agents for making their 4-H programs successful.

Bobcats Meet Dalhart Here Friday at 8 p.m.

Dimmitt's hard-working Bobcat football team bump heads here Friday night with the Dalhart Wolves in the second conference 1AA game of the season.

Dalhart will come to Dimmitt with something like an even chance. They would be six-point favorites considering the 33-0 drubbing they handed Tulia last week. Dimmitt hasn't played Tulia yet, but they defeated by 22 points a team that matched Tulia touchdown for touchdown.

Dalhart is always one of the strongest teams in the conference but they have a hard time coming up with a championship. Dimmitt defeated Dalhart 26-13 in 1956 and 13-0 last year. This year the Wolves have lost to three of the best teams in the Panhandle—Perryton, Dumas and Canyon and have defeated Stinet, Guyman, Oklahoma, Clayton New Mexico and Tulia.

Dimmitt continued its winning ways Friday night by plowing under an enthusiastic but punchless Friona Chief team 22-0. This brought forward a total of 148 points scored by the Bobcats this year to only 18 for their opposition. Dimmitt fans this year are probably witnessing the strongest defensive team ever produced by the local High School. In 1943 under coach John Blaine, the Bobcats were not scored on in regular conference play, but the season total was not so impressive as this year's.

Friona appeared Friday night to be an underrated team. While they were never able to maintain a drive, there were flashes of brilliant football strategy and a good running attack. In another year, this team could easily be a conference champion, but in the 1958 evenly-matched Conference 1-AA the competition has just been more than they can handle.

Roy Whittenburg, Amarillo publisher, cattleman and rancher, is campaigning for election to the United States Senate in opposition to Democratic Party nominee, Ralph W. Yarborough, who is also the incumbent. Whittenburg, a Republican candidate, is an ardent advocate of states rights and self-government. Whittenburg, who is reputedly a millionaire, is also an advocate of election instead of appointing Supreme Court judges.

Hospital News

County physicians and the Board of Directors of Castro county Hospital heard Mr. Joe Lilli of the Texas State Health Department tell of the results of his investigation of the local hospital as regards its meeting of Hill-Burton Federal assistance in building.

Mr. Lilli indicated he would recommend the hospital be removed from its bottom "E" classification to one nearer the top in priority after visiting the local plant.

Mr. Lilli was here as a representative of D. F. Winn, head of the Health Department, who had told County Judge Robert Estes he would have the local hospital situation inspected. With a new classification, it might be possible for Castro County Hospital to receive federal Hill-Burton financial aid in the near future. This aid will pay up to 50 per cent the cost of a new hospital where there is a decided need. The remainder would be supplied by the county or other sources.

Cancer Detection Movie Set For November 11 Showing

Women in Castro County will have opportunity shortly to learn how to safeguard their health and lives. They will have a chance to see a motion picture that doctors say already has saved the lives of a great many women and can be the means of saving thousands more each year.

Showing of this film, entitled "Breast Self-Examination," will be made at 10 a.m. Saturday, November 11 in the Hart American Legion Hall and at 3 p.m. at Carlie Theatre in Dimmitt on the same day. It has been arranged by the Castro County Unit of the American Cancer Society, Dr. Carl Page, its medical advisor, announced this week. For five years this picture, teaching women to examine themselves for early signs of possible breast cancer, has been a vital factor in the ACS nationwide public education program. It was produced jointly by the Cancer Society and the National Institute of US Public Health Service.

"So far few women in our county have seen it," Dr. Page explained. "And there are many women twenty-one years old or older who certainly ought to see it, for their own good. In all, throughout the country more than 5,000,000 women have seen it, which means about one in ten.

"With good taste and dignity the film portrays a technique of self-examination, which enables the viewers to find possible lumps in their breasts that might spell cancer. It makes clear, however, that the majority of the lumps discovered will not be malignant. Emphasis is placed on the fact that when cancer of the breast is detected in its early stages and proper treatment is begun at once, 81 percent of all cases can be cured. The present cure rate for this type of cancer is only 46 per-

cent.
"The picture has a calm, positive approach. It is in natural colors. Members of a women's club are seen as they listen with rapt attention to a talk by a physician, who explains the great value of breast self-examination. One of the listeners goes to her own doctor, who then demonstrates that simple method so that viewers of the movie can readily learn how to make their own examinations.

"This year the number of American women who will die from breast cancer will be about 21,000. The number of lives thus

lost which could have been saved through earlier detection will run to about 11,300."

Admission is free always, and a physician will be present to answer questions after each showing. Special showings can be readily arranged on request to the ACS local unit from clubs, church societies, parent-teacher associations, farm women's groups, employee organizations and other groups.

The Texas Division of American Cancer Society at this time has the largest number of prints of the film in circulation. Actually, 1,848 prints are being circulated in the United States.

NEW SCOUTMASTER—Dr. James Wohlgenuth (right) recently accepted the job as scoutmaster of Dimmitt from Goldman Dyer (left). Dyer had held the position for the past two years. Wohlgenuth took over his new duties October 1 and is meeting with the scouts at the scout hut each Monday at 7 p.m. Twenty boys compose Troop No. 67 of Dimmitt and membership of the 11-12-13 year old boys will be limited to a maximum of forty. Youngsters in this age group who are interested in scouting may join at any of the meetings. Scout officials are expecting four patrols of ten boys each to make up the Troop.

Billye Cluck served refreshments. Roses and chrysanthemums were used throughout the entertaining rooms.

Gifts were shown by co-hostesses Mesdames George Bradford, Earl Brock, George Bagwell, Maurice Campbell, Ray Bearden, Jack Flynt Loy D. Stone, Elvis Burch, Fred Bruegel, Raymond Wilson, Harold Stephens, Miss Billye Cluck. Out of town guests was Mrs. Roland Moore of Vigo Park, who is a sister of Mrs. Sheffy.

Visitors from Lubbock

Mr. and Mrs. R. L. Oldham of Lubbock visited in the home of Mr. and Mrs. B. M. Nelson Sunday. Mr. and Mrs. Oldham are the parents of Mrs. Don Nelson.

Harold Lust Attends Religious Meet

Army Specialist Four Harold G. Lust, son of Mr. and Mrs. Clarence Vern Lust, Dimmitt, recently attended a four-day religious convention in Berchtesgaden, Germany.

Specialist Lust, a mortar gunner in Company A of the 52nd Infantry in Friedberg, entered the Army in November 1956 and arrived in Europe the following May. The 24-year-old soldier was graduated from Dimmitt High School in 1952 and from Texas Technological College in 1956.

Judy Ann Hendricks Becomes Recent Bride of Jackie Condren

Miss Judy Ann Hendricks, daughter of Mr. and Mrs. W. O. Hendricks of Dimmitt became the bride of Jackie Claude Condren, son of Mr. and Mrs. Claude Condren, of Chillicothe, October 18 at 8 p.m. in the Hart Camp Baptist Church. The Rev. R. L. Howell officiated at the double ring ceremony before an altar of greenery and candelabra bearing white tapers, with baskets of dahlias and chrysanthemums with large white satin bows. Frances Pressley organist played traditional wedding music and accompanied Kerwin Oliver, soloist as he sang "Always" and "I Love You Truly."

Wayne Swart, cousin of the groom, of Sudan served as best man. Maid of honor was Mary Condren, sister of the groom.

Bridesmaid was Lynda Kaye Hendrick of Dimmitt, sister of the bride. Flower girl was Sharon Hendrick, cousin of the bride, ring bearer was Mike Thompson. Lighting the candles was Kerwin Oliver of Hart Camp. Ushers were Jerry Collins and James Huckell of Littlefield.

Given in marriage by her father, the bride wore a white taffeta sheath dress with bateau front neckline. V shaped back neckline and kimono sleeves, a white satin ribbon. She wore a veil of white nylon net attached to a white velvet headband covered with flowers. She carried a white Bible topped with pink roses with pink and white streamers.

The attendants wore dresses of pink taffeta with headbands of pink roses, and carried nosegays of pink roses. Mother of the bride chose a blue silk dress with black accessories with a corsage of pink roses. The bridegroom's mother wore a blue silk suit with black accessories and her corsage was pink roses.

Following the wedding a reception was held in the church. The table was laid with a white linen cloth with an arrangement of pink roses flanked by candles forming the centerpiece. A crystal punch bowl and the wedding cake was presided over by Wilda Smithson and Zetha Ivey of Dimmitt.

For a short wedding trip to points in New Mexico the bride chose a black wool suit with pink accessories and a pink rose corsage. The couple will make their home in Littlefield where the bridegroom is employed by a compress.

Chism-Lenz Vows are Told

Miss Jacala Chism, daughter of Mr. and Mrs. Raymond Chism of Dimmitt and Frank Anthony Lenz, of Dodge City, Kansas, son of Mr. and Mrs. Don Lenz of Dodge City were united in marriage October 22 in the home of the bride's parents. The Rev. Daris Egger, pastor of Dimmitt Methodist Church performed the double ring ceremony before an altar decorated with baskets of white, pink and yellow mums.

Annabell Taylor played "Because" and "I Love You Truly." Best man was Paul Atkinson of Dodge City and serving as matron of honor was Mrs. Don Snyder of Littlefield. Mrs. Snyder wore a blue wool sheath with a corsage of red roses.

Given in marriage by her father, the bride wore a royal blue wool chemise suit with white hat and gloves. She wore pearl earrings, a gift from the bridegroom. She carried white mums atop a white Bible. For something old she wore a cameo pin belonging to her

grandmother, something blue was the traditional blue garter given her by her sister.

A reception was held following the ceremony in the home. The table was laid with a blue linen cloth. An arrangement of lilies of the valley with a miniature bride and groom formed the centerpiece. Mrs. Edd Bawcom and Mrs. R. C. Chism served refreshments and

Miss Janie Cowell registered the guests.

After a wedding trip to Dodge City, Kansas the couple will be at home in Fort Worth where the groom is employed by Chamblor and Barton Construction.

The bride attended Dimmitt High School. The groom attended Dodge City High School and Kansas State College.

Soil Conservation District News

For the past several months irrigated farms have been practically eliminated from consideration under the Great Plains Conservation Program. We have had some new developments lately that will allow certain irrigated farms to participate in the program. The following guide lines will be followed in determining whether or not a farm will be qualified. First, at least half the farm should be class three land that needs leveling or re-seeding. The SCS can make a soil survey of your farm to determine the land class. The maximum amount allowed on irrigation practices will be a total of \$2,500 per farm. Of course this amount can be supplemented by ACP funds. Another possibility to get irrigation under the Great Plains program is where a good portion of the crops will be feed to supplement rangeland. There is no limit to the cost share on range and dryland practices.

GRASS SEED

Mr. Ray Axtell states that he made between five and six hundred pounds per acre of Blackwell Switch grass. The quality of the seed looks very good. Those interested in Blackwell Switch grass seed should contact Axtell. George Gabel and Jim Golding have also harvested a good deal of Switch grass although most of it might be contracted.

Delta Xi Chapter Wins Travel Award At Regional Meet

The Delta Xi Chapter of Delta Kappa Gamma placed second at the regional meeting in Snyder, October 18th in the mileage award which is based on the number of members attending and the number of miles each traveled. Ten members of Delta Xi Chapter attended. The chapter is composed of members from Hereford, Dimmitt, Friona, and Bovina with Mrs. Louella Durham, Hereford, president.

The meeting opened with registration and a coffee at the Snyder High School. Mrs. Dorothy Parnell, Wichita Falls, presided. Theme of the meeting was "In vain we build a world unless the builder also grows". Miss Mildred Hulsey, Tulia, reported there were 7,417 new members and 161 new chapters in the international organization.

A state committee recommendation was made to increase the Mamie Sue Bastion scholarship to \$1,000. Chapters which contribute to scholarship funds through the White Elephant Sale were asked to send the check to the state office before April 1, 1959.

Work of the Hale-Aiken Committee and the state legislative committee was reported and current legislation was emphasized.

Guest Luncheon speaker was Miss Ethel Morgan, Alpha State Co-Chairman on Legislation. An inspiring talk was given using the theme, "Keep Our Hands to the Plow."

Those attending from Dimmitt were: Miss Hazel Merritt, Mrs. O. K. Howe, Mrs. Melton Richardson, and Mrs. Glen Richard.

Judith Cleavinger Makes Honorary Society
Judith Cleavinger, sophomore of Dimmitt, was among 29 new members listed for Mary E. Hudspeth, honor society for freshmen and sophomores at West Texas State College.

Miss Cleavinger, daughter of Mr. and Mrs. M. E. Cleavinger, is a sophomore secretarial science major. She is a member of Delta Zeta, national sorority for women.

NEWS FROM FRIO

By Mrs. Owen Andrews
The Frio Baptist Church was the scene, Saturday afternoon, of the wedding of a local young man, Robert Dobbins, and Miss Gwendolyn Gulley, of Hereford. Dobbins brother-in-law, Edgar Vinson, and Miss Gulleys sister, Mrs. Melvin Harper of Dumas were attendants for the couple. Only relatives and close friends attended the ceremony, which was conducted by the pastor, Rev. B. H. Baldwin.

Mrs. Dobbins is the daughter of Mrs. Eva Dement, of Hereford, and attended Hereford Schools. Dobbins is the son of Mr. and Mrs. Carlton Dobbins. He was graduated from Winters High School in 1947 and moved to this community in 1952 with his parents. He served in the Army in 1953 and 1954 most of the time being spent in Korea. He is farming with his father, eight miles south of Hereford. The couple plans to live at 708 East Fifth Street, in Hereford, until the first of the year when they will move to the farm home now occupied by the Edgar Vinsons.

Those from out of town here to attend the wedding were Mr. and Mrs. D. A. Dobbins of Winters, Mr. and Mrs. Melvin Harper and children of Dumas, H. E. Ritch, Plainview and Mrs. Arthur Clark of Pueblo, Colorado.

Mrs. Carlton Dobbins and Mrs. Joe Scott were shopping in Amarillo Thursday.

Mr. and Mrs. W. H. Andrews and Delores and LaVon Thompson of Hereford spent the week end at Abilene where they visited La Von's sister, Tawana, who is attending Hardin Simmons University. The girls attended the football game Saturday, which was a part of the college Homecoming festivities. Jackie and Ronnie Andrews visited the J. F. Cheathams while their parents were away.

Monte Gripp spent Friday night and Saturday visiting Philip Cain, of Hereford.

Mr. and Mrs. Weldon Stephan, Rhonda and Jill visited Mrs. Stephens sister, Mr. and Mrs. E. H. Little and family at Texline from Wednesday until Saturday, when the Littles came home with them. On Sunday, their parents Mr. and Mrs. H. D. Robbins, Mr. and Mrs. Frank Robbins and family, Mr. and Mrs. Gary Mason and Van and Cherie, the E. H. Littles and daughters, Peggy and Becky and Mr. and Mrs. Asa Martin, of Spade, Tennessee, all visited and took dinner in the Stephan home. Martin is Mrs. H. D. Robbins' brother. They have been visiting their relatives in this area for several days.

Mr. and Mrs. Robert Baldwin of Lubbock, were visiting their parents the B. H. Baldwins and the DeLoziers of the Summerfield Community, during the week end.

Earl Cole, of Hereford, was honored at a birthday dinner in the home of his son, Floyd, on Sunday. Others present for the occasion were Mr. and Mrs. Harold Shearhart and family and Earl Cole's brother, Virgil Cole, and Mrs. Cole from Ducas, Oklahoma. The Virgil Coles were spending several days visiting relatives in this vicinity.

Mrs. Earl Cole is visiting their son, Ralph and his family in Chicago. She has been there about two weeks and expected to come home this week.

Mr. and Mrs. D. C. Miller and Carl spent Saturday night in the home of her mother, Mrs. H. M. Mobley and brother, Austin. The Millers and Don Mobleys also took dinner there.

Mr. and Mrs. Floyd Cole and family, and Mr. and Mrs. Spicer Gripp and family were entertained with a "42" party in the D. N. Gamblin home on Saturday night.

Joe Andrews and Eddie May, of Hereford, spent Thursday night with Dick Fellers.

Mr. and Mrs. Frank Robbins, Mrs. Leon Martin and Stephanie

went to Albuquerque, New Mexico Thursday after Leon Martin. He is stationed there with the Navy, now and was getting a leave of absence to move his family. They came home on Friday and the Martins were looking for a place to live and trying to get moved, this week.

Mr. and Mrs. H. D. Robbins and Mr. and Mrs. Asa Martin were visiting the Frank Robbins on Monday. They expected to visit the home of the E. H. Littles, in Texline, and the Gary Masons this week while the Martins are in this vicinity.

Andrea Axe, daughter of Mr. and Mrs. Anderson Axe, was honored with a birthday party, Friday afternoon, at her home. The occasion marked her sixth birthday. Guests for the party were Sammie Ann Vinson, Cheryl Cole, Kathy Doughman, Kathy Gamblin, Genie Robbins, Judy, Dana and Kim Glenn, Betsy Simpson, Carolyn Simpson, Mark Simpson and Mickey Simpson. Others present also included Mesdames Bob Doughman, Steve Glenn, Frank Robbins, Bill Simpson, Fred Axe, Marvin Axe and little daughter and Miss Louise Axe.

Mr. and Mrs. H. F. Benson and Mr. and Mrs. Joe Benson and Susan, of Dimmitt, attended funeral services for Pat Templeton, at Wellington, on Sunday afternoon. Templeton, 14 year old son of Judge and Mrs. R. L. Templeton of Wellington was killed in a car accident on Saturday. The Templetons are relatives of the Henry H. F., Joe and D. O. Bensons and Mrs. J. E. Andrews, all of this area.

Mr. and Mrs. George Franklin and Kandy of Panhandle, were visiting Franklins sister, Mrs. Spicer Gripp and family, on Sunday.

Among those girls initiated into the FHA of the Hereford High School, at a formal ceremony on Monday night were Sharon Hill, Bonnie Sparkman and Terry Anderson. Norma Jean Warrick also participated in the ceremony.

Visited in Tulia Sunday

Mr. and Mrs. B. J. George and family visited her sister and family, Mr. and Mrs. Jim Kiker at Tulia Sunday.

Visited with Grandparents
Roger Dale Underwood spent Friday night with his grandparents. His parents, Mr. and Mrs. Roy Dale Underwood, attended the homecoming ball game at Springlake.

Moved to Dimmitt

Mr. and Mrs. W. H. Smith went to Lake Whitney this week to move their furniture to Dimmitt.

Visitors from Amarillo

Mr. and Mrs. Bill Gladman and children of Amarillo visited their parents in Dimmitt Sunday.

A TRIBUTE TO OUR MILKMAN!

Those cheery, white-clad men who deliver your milk every day. Do you ever consider the part that they play in your family life? Dependable as the rosy morning, at your door daily 365 times a year, eager to please you . . . does anyone give you more important service? The next time you see your Milkman, give him a friendly pat on the back. Tell him what a grand job he is doing. He'll beam with pleasure. He'll tell his boss what swell folks you are. He'll extend himself even more, in his keen desire to render you every service. Appreciation means so much . . . the cost is only the thought and the time. Incidentally, on Christmas morning, you could have a nice little gift for him. You say you always do? Wonderful!

Killingsworth Construction Co. We Salute Our Town!

TO THE PEOPLE OF CASTRO COUNTY:
The recent election separating the office Sheriff, Tax Assessor-Collector has made it necessary that the office of Tax Assessor-Collector be filled by the electorate.
I RESPECTFULLY SUBMIT MY CANDIDACY FOR THE NEWLY CREATED OFFICE OF Tax Assessor - Collector OF CASTRO COUNTY

If favored with election to the office of Tax Assessor-Collector, I assure you that I will devote full time to the office and that I will discharge my duties to the best of my ability.

As a result of my 12 years experience as Debuty Tax Assessor-Collector I feel that I am well qualified to serve in the office to which I aspire.

Due to limited time between now and election day it will be impossible for me to personally contact every person in the county, and due to that reason I trust that you will consider this as a personal solicitation of your support.

The Commissioners Court of Castro County has provided for the election of a Tax Assessor-Collector in the write-in column on the ballots to be used in the general election on November 4. Your consideration of writing my name in the designated space at the bottom of the write-in column will be greatly appreciated.

Plainview Exes to Hold Reunion

Plainview High School Ex-Students have all plans laid for the Homecoming to be held in connection with the Monterey-Plainview football game.

All that remains to be done is the big job of contacting as many of the Exes as possible.

Cards are in the mail to those who attended the first annual Homecoming last year, according to Dawson Malone, President. Attached are returnable cards for making reservation for the supper to be held at the High School Cafeteria from 5 to 7 p.m. Friday, November 7th.

Cost of the meal will be \$1.25 per plate, with a small extra charge probably to be levied for the operation of the Ex-Students Association during the year. Following the supper the exes will convene in the auditorium for a short program and election of officers for the coming year.

Reservations should be made for the supper, either by returning the cards, or writing or phoning Plainview High School.

After the game the exes will return to the Cafeteria for coffee and light refreshments, plus plenty of additional visiting.

The Ex-Students Association extends a warm invitation to all PHS Exes to make their reservations now and plan to bring the whole family out to the celebration.

Wood Takes Part In Army Exercise

Army PFC Richard L. Wood, son of Mr. and Mrs. Teddy L. Wood, Dimmitt, is participating with the 101st Airborne Division's 506th Infantry in a parachute assault of Fort Campbell, Ky., as a part of "Exercise White Cloud."

The exercise, which began at Fort Campbell October 23 and will be concluded at Fort Bragg, N.C., November 6, is designed to test the effectiveness of Strategic Army Corps (STRAC) troops in making swift and decisive assault movements.

Wood, a gunner in Company A of the infantry at Fort Campbell, entered the Army in June 1957 and received basic training at Fort Polk, La.

The 21-year-old soldier is a 1955 graduate of Dimmitt High School and attended Southwestern State College, Weatherford, Oklahoma. His wife, Karen, lives in Clarksville, Tennessee.

CANCER SOCIETY TO MEET

Castro County unit of the American Cancer Society will meet in the Commissioners Court Room on Wednesday, November 5, at 4 p.m. All officers, directors, chairmen and committees have been asked to attend.

Reservations should be made for the supper, either by returning the cards, or writing or phoning Plainview High School.

After the game the exes will return to the Cafeteria for coffee and light refreshments, plus plenty of additional visiting.

The Ex-Students Association extends a warm invitation to all PHs Exes to make their reservations now and plan to bring the whole family out to the celebration.

WHO IS A CHRISTIAN?

Last week we discussed this subject and we want to continue this week. A Christian is characterized by the following:

- Converted to Christ. Matt. 18:2,3.
- Humble: Christ was, Phil. 2:5-11.
- Reverent: Ps. 89:7; Heb. 12:28,29; Ps. 111:9.
- Innocent: Matt. 10:16; Phil. 2:14,15.
- Sanctified: (set apart for God) In Christ, 1 Cor. 1:1,2. By truth, Jno. 17:17.
- Thankful: Ingratitude—basest of all sins, Lk. 17:11-19.
- Influence: A Christian is salt and light, Matt. 5:13-16.
- Active: Faith without works is dead, Jas. 2:17.
- New Creature: In Christ, 2 Cor. 5:17, Rom. 6:4.

Annuals Now on Sale

To be sure of receiving a 1958-1959 Bobcat yearbook, your order should be turned in now. We cannot order you an annual unless the full sum, \$3.75, is paid in advance. An order must be sent off soon for a definite number of books.

The yearbook is on sale to grade school students too. Again this year we will have a full page for each room in the elementary schools.

When you purchase an annual, demand and keep the receipt, which should show the purchaser date and price. This receipt will be required when the annuals arrive. The Dimmitt schools have grown so large that this procedure is necessary.

BOBCAT BAND MAKES IT 23

The Dimmitt High School Band added another First Division to their pile of first place trophies Tuesday night at the District TIL marching contests. This brought the total to twenty-three first out of twenty-nine trophies won by the band.

A very happy band of youth came home from the Amarillo contest. This also coincided with the cheers and praises for band director Ralph Smith, who rightfully beamed over the contest.

In the twirling part of the contest Dimmitt brought home a First Division and three Seconds. Ka Estes won the top rating while Tommie Allen, Patsy Wooddell, and Norma Battles made the next highest but just as important Second Division. Out of 260 twirlers there were only 14 First Division ratings.

The Bobcat Band and Mr. Smith should be commended on the fine job they have done this year as well as in the past.

Honor Society Organizes

The National Honor Society met recently and elected officers. The officers are as follows: president, Myles Sadler; vice-president, Houston Frye; secretary, Sandra Leeth; and reporter, Linda Hance. Cason Smith is the sponsor.

S. T. Newman, high school counselor, informed the senior members of the scholarship tests which were to be taken at a later date.

This makes the second year for five of the seniors to be members. The seepole are Sandra Leeth, Mary Lynn Hendrix, Houston Frye, Myles Sadler and Linda Hance.

The new senior members are Gary Simms and Jerry Belknap.

The junior members, who have been approved by a committee, are Norma Battles, Gwen Dunn, Hal Ratcliff, Carole Cowsert, Ruthella DiCuffa, LaNelle Blanton and Earlyne Taylor.

The NHS welcomes these new members.

Keep Holiday Lighthearted

There probably won't be much of a demand for sheets or broomsticks or masks this Halloween at Dimmitt High—the days of trick-or-treat are gone for most of us. But the spirit of Halloween remains, and there will be parties and games and eats as always, for Halloween is an old tradition—one that will not readily be forgotten.

It all started with the Romans and their feast of Pomona. Old Pom was the goddess of fruits and nuts (which means she would be especially interested in some people I know) and every year about this time the Romans held a celebration in her honor.

About the same time every year, the ancient Druids held a festival of their own and went to great lengths to keep away the ghosts and spirits that were supposed to walk around during the feast.

When the Christian church made November 1 the day of "All Saints," the "Halloween Eve," the night before, did not entirely replace these pagan festivals. It merged with them.

More traditions kept rearing up all along the way. For instance it was once the custom to go around with lanterns made of turnips in a pastime known as "Guisling."

The tradition grew that you could tell your fortune by jumping over a candle on Halloween, the merry sport of apple bobbing began, and so on down the years.

It is amazing to think that we now keep only a few of the old customs, such as witches and ghosts and jack o'lanterns, and trick or treat.

Don't make this Halloween a bad one for yourself or for others. Have fun, but keep it the kind of fun that is inexpensive and harmless. Leave the really bad things to the kids in some other town!

That way Halloween will be the way it is intended—lighthearted with plenty of fun and gay laughter, but with no regrets.

BOBCATS TAKE FIRST CONFERENCE GAME OVER FRIONA 22-0

The Dimmitt Bobcats overpowered the Friona Chiefs by a score of 22 to 0 last Friday night at Friona.

The win put the Bobcats in a first place tie with the Canyon Eagles in District 1-AA. Tulia and Dalhart are tied for second with one-win and one-loss each. Friona is in last place with two losses and no victories.

The Bobcats first score against the Chiefs came in the first quarter when Carlos Barnes connected with halfback Jimmy Curtis for a 10-yard pass and run play for the touchdown. The next score came in the second quarter when Norman Nelson ran 68 yards before being brought down from behind on the one-yard line. On the next play Nelson ran it over for the touchdown. Barnes passed to Curtis for the two extra points.

The final touchdown was scored in the last period when fullback Jerry Hyatt plunged over from the one. This touchdown was set up when tackle Don Warren recovered a fumble on Friona's 30-yard line. The try for extra point failed. The last score of the game was made by a blocked punt by Hal Ratcliff. Friona had been forced to punt out of its own end zone. The blocked ball rolled out of the end zone for an automatic safety.

The Bobcat line turned in a good evening both defense and offense. The backfield rolled up over 300 yards with Curtis and Nelson making 165 and 130 yards in 16 and 14 tries for an average of 10.2 and 9.3 respectively. Fullback Hyatt came through for first downs when a little yardage was needed so much.

This week the Bobcats play at home against the Dalhart Wolves, who defeated Tulia 33 to 0 last week.

Future Teachers Meeting

The FTA members met in the auditorium today, October 16, to vote in some new members. The president, Jo Beecher, read the letters, which were submitted by the students wishing to join, and regular members voted. There were ten students who were made members of our club.

At an earlier meeting Zetha Ivey had addressed a speech to the prospective members on the "Opportunities of the Teaching Profession."

The new members are as follows:

Beth Beecher, Gayle Howell, Jerry Buchanan, Mary Behrends, Carole Norris, Wanda Hrabal, Lillianance, Keitha Davis, Laurel Ivey and Martha Catoe.

SENIOR BOY OF THE WEEK

September 14, 1940, was a red-letter day for Mr. and Mrs. A. O. Shelton of Post. A son, Donald, was born to them that day. The Sheltons moved to Dimmitt in 1951 and Donald entered the fifth grade.

When Donald was in his freshman year, he participated in football as quarter-back and basketball as a forward. He received his big dramatic chance in the Junior play for 1957. Donald plays a lead role in this year's Senior production "Death Takes A Holiday."

Some of Donald's favorites are color, orchid, actress, Natalie Wood, actor, James Stewart; food, Enchiladas; car, '59 Ford; pet peeve, teachers. Donald plans to become a millionaire when he completes his education.

SENIOR GIRL OF THE WEEK

On August 31, 1939, a baby girl named Nina came into the lives of Mr. and Mrs. Childress. Nina came to Dimmitt her junior year from Morton. Nina is taking civics, biology, American History, plane geometry.

Some of her favorites are food, chicken salad sandwich; actor, David Janses; actress, Diana Lynn; color, blue; pastime, listening to the radio and reading.

Science Teacher Attends Conference

Last Wednesday evening, Mrs. Robinson boarded a bus and started on a trip to Austin to attend the Fifth Annual Conference for the Advancement of Science and Mathematics Teaching. After registering Thursday morning, Mrs. Robinson went on a field trip in the Greenhollows Area near Austin. Her group, headed by Dr. B. C. Tharp of Austin, was interested mostly in Botany.

That evening, everyone went by boat up the Colorado River for a barbecue.

Early Friday morning Mrs. Robinson attended a breakfast for Swap Session chairman and reporters.

At 9:30 she attended a program entitled "Demonstrations in High School Physics." Afterward she attended the first swap session as a recorder. The purpose of these sessions is that the teachers from different schools can exchange ideas in teaching techniques.

At noon Mrs. Robinson attended a Science Luncheon. After the luncheon a business meeting of the Science Teachers Association of Texas was held.

That afternoon exhibits in the fields of science and mathematics were shown to those interested.

Saturday, Mrs. Robinson attended a program entitled "Chemistry and the Secondary School Teacher."

Later that afternoon she began her journey home and arrived back in Dimmitt Sunday morning, beaming with enthusiasm about her experience.

JUNIORS SPONSOR BAR-B-Q AND MUMS FOR HOMECOMING

The Junior class is planning to make Homecoming more traditional this year by selling mum corsages and having a barbecue prior to the ball game.

The barbecue will begin at 4:30 p.m. Friday, November 14, and will last until 8 p.m. Tickets may now be obtained from members of the Junior class. After attending the barbecue in the South Grade School Cafeteria you may go directly to the Homecoming football game.

The students, Exes, and other people wanting to obtain traditional mum corsages may place pre-orders with any member of the Junior class. They may be bought at the High School or barbecue Friday, November 14.

Place your orders now!

PAT'S PATTERN

Here's Something New in Science!
 Last Tuesday three students distilled water and got alcohol. The explanation for this scientific discovery is that the water was received in an alcohol bottle.

When you feel a brisk wind and see millions of yellow and gold leaves on the ground, you think of Fall. It's a wonderful season and everyone seems to be getting into the swing of Fall with all the talk of Thanksgiving holidays and basketball.

The Pep Rally of Dimmitt's first conference game was highlighted by the presentation of white mums to Mrs. R. S. Vestal, Mrs. Paul Hilburn, and Mrs. Ralph Smith. Mrs. James Bates was unable to attend the Pep Rally but her corsage was received by Mr. Bates.

Another outstanding feature of the Pep Rally was a twirling act by Vicki Sanders, Paralynd Render, and Genita Alldredge.

The students of Dimmitt High School are looking forward to the first holidays of the season. These include Thanksgiving holidays and our Christmas vacation.

TO THE PEOPLE OF CASTRO COUNTY:

The recent election separating the office Sheriff, Tax Assessor-Collector has made it necessary that the office of Tax Assessor-Collector be filled by the electorate.

I RESPECTFULLY SUBMIT MY CANDIDACY FOR THE NEWLY

CREATED OFFICE OF

Tax Assessor - Collector

OF CASTRO COUNTY

My office of County and District Clerk will expire December 31 and as I am looking for another job, I wish to ask each of you for my name as a write-in for the above office.

I have been your Clerk since January 1, 1953 and sincerely thank each of you. My home is here in Dimmitt, my two children are in school here and the law doesn't forbid a lady from being Tax Assessor-Collector.

There is not time to canvass the county before election on November 4th and all of your considerations will be deeply appreciated.

Since the Commissioners Court of Castro County has provided for the election of a Tax Assessor-Collector in the write-in column on November 4th General Election I sincerely hope you will write-in

About Your HEALTH

A weekly public service feature from the Texas State Department of Health.

HENRY A. WOLLE, M. D.
Commissioner of Health

While there is no indication at this time of widespread attacks of influenza this fall and winter, there undoubtedly will be some cases of the illness as colder weather approaches. Vaccination against it is a prudent measure for certain groups and individuals. Principal targets for vaccination should be groups wishing to guard against absenteeism in their professions and occupations, and those to whom the disease might be an added health risk.

There are now ample supplies of influenza vaccine of the type containing immunizing materials against the important strains of influenza including the Asian strain.

Last year at this time Texas was braced for an expected epidemic of Asian 'flu, so called be-

cause it had first been diagnosed in Hong Kong. The first cases were reported in April in that Oriental city, and a brief five months later Texas had been thoroughly "seeded" with the virus.

There is no expectation of a similar outbreak this fall. However, since vaccination is the only way cases of the illness might be avoided, both the State Health Department and the U.S. Public Health Service recommend the procedure for select groups for whom 'flu might be especially risky.

It is wise to keep in mind that even mild influenza can be disabling for four or five days, and followed by a period of lassitude and weakness. Influenza is always unpredictable. Cases are frequently complicated by bacterial infections. Even when uncomplicated, the illness may have a particularly dangerous impact on persons suffering from heart ailments and other chronic diseases.

Vulnerable groups for whom vaccinations should be considered include:

1. Hospital staffs whose services are necessary to the care of the sick.
 2. Persons living in close proximity where influenza could spread rapidly, such as institutions.
 3. Industrial or service groups, large or small, in occupations where the sudden absence of a sizeable part of the force would create disruption of the work.
 4. Individual patients or groups who have a special risk such as the aged, the chronically ill, and pregnant women. Practicing physicians should be the judges of whether or not to vaccinate vulnerable persons in this group.
- Any plan to vaccinate people in any of these select categories should be started now, in advance of cold weather. (A weekly public service feature from the Division of Health Education, State Department of Health.)

CONTROL JOHNSON GRASS (AND OTHER GRASSES) CHEMICALLY... WITH DOWPON

Unwanted grasses are usually the toughest problem where farming is best. They thrive on the very climate and soils that should produce top crops.

Now you can control grasses, without cutting, cultivating, or oiling. Dowpon, is the new chemical way to keep grasses from invading your fields, throttling irrigation and drainage ditches. Hoeing, chopping, cultivating, and oiling only get grass out of sight temporarily. Dowpon gets rid of it.

How DOWPON works

Dowpon is a systemic grass killer—meaning that it kills by working through the plant's system. You simply spray the foliage. Dowpon is absorbed through the leaves and works down through the plant, right into the roots, usually killing the entire plant.

Because it works inside the plant, a Dowpon spray is less likely to be affected by weather conditions. Rain can't wash it off after it has been absorbed.

You can use Dowpon with safety on your farm—foliage sprayed with Dowpon is non-hazardous to grazing livestock.

Jesse Burch Has Close Call In Jet Plane

When Ensign Jesse Burch left the El Centro, California Naval Air Station for a practice bombing mission in his jet aircraft, he didn't know a locknut had worked loose from his throttle control linkage. If he had known it is probable that the entire US Navy couldn't have crammed him into the cockpit of the plane.

As it turned out, young Burch, who is the son of Mr. and Mrs. Elvis Burch of Dimmitt, proved himself a capable aviator and a man with a cool head in a pinch.

It all started last September 15 when he took off at 11 a.m. in a FJ-4B jet for a "special weapons practice delivery flight." It was to be a "high dive" type of delivery where the jet pulls out at high altitude. After pulling out of his dive Burch heard a thump and noticed with a certain amount of alarm that his engine temperature reading had dropped to 350 degrees (which is bad for a jet) and that rpm was down to half what it should be. After doing everything possible and finding himself able to help matters only slightly, Burch did some thinking. Chances of actually completing a successful power-off landing are something like 4-to-1 whereas by ejecting and parachuting down the odds are 40-to-1. Jesse, who has a natural disinclination to use parachutes anyhow, decided he'd try to save the plane and began the very serious business of trying to bring a jet with a near-dead engine into an airport 21 miles away.

After gliding to the field Burch worked his plane around to a proper final approach in the pattern. In a flared-out landing at 180 miles an hour, he touched down about 500 feet from the end of the runway. Slowing the plane down as much as he could, he was brought to a halt by emergency arresting gear at the far end of the runway.

According to an official US Navy report: "Investigation showed that Lock Nut, P/N AN 363-428, Fig. 204, Index 57, of the 1 April revision to the FJ-4/4B, illustrated parts breakdown, NAVAEROP-60JKD-504, had 'backed off' from

the Power Lever Connecting Bolt, P/N 194-4203, allowing the bearing, P/N RE4F5, Index 64, in the aircraft power control linkage, to disengage from the bolt with a subsequent loss of fuel control management from the cockpit. Engin RPM decrease to IDLE was normal with the linkage disconnected."

Burch was commended on his handling of the situation. At the time of the incident last month, he had logged 2715 hours in jet-type aircraft with 29.6 in the FJ-4B.

ing the advantages of Texas in nationally-circulated publications. Use of the name or picture on any living state official would be prohibited, and public funds would have to be matched by private funds.

PRO: Texas is one of only three states without a state program to attract tourists and industry. Proponents say it would pay for itself many times by bringing new money into the state.

CON: This should be handled by the businesses who would benefit through their trade associations, chambers of commerce, etc.

8. Would allow the Legislature to appropriate money to pay for medical care for people who receive old age assistance, aid to the blind and aid to dependent children.

PRO: It would provide help for people whose small monthly checks cannot possibly cover medical emergencies. Since payments would be made only to the vendor (doctor, hospital or what not), the money could be used only for its intended purpose.

CON: It would cost the state an estimated \$9,000,000, with no limit on how much it could drain from the Treasury. It would mean double taxation for cities and counties already providing medical care for their needy.

9. Would allow the Legislature to authorize creation of hospital districts in Amarillo, Wichita County and Jefferson County.

PRO: It is premissive. People in the affected areas could decide what they want to do with it.

CON: Proposed amendment is long (1,000 words), detailed and so complicated that few voters can even understand it. If such provisions are needed, they should be made in statutes rather than by adding to our already-long constitution.

COURT STAGGERS STATES' RIGHTS!

In 1896 the Supreme Court made the "separate but equal" interpretation of the Constitution. In 1954 the Supreme Court reversed that decision and in effect amended our Constitution. When the Court reverses itself on a question of constitutionality, the Court in effect amends the Constitution and abrogates states' rights. When the Court reverses one of its interpretations of a legislative act, the Court in effect legislates, and usurps legislative powers from Congress. Our founding fathers, many of whom were lawyers, believed that judges could be relied upon to follow the Supreme Court's precedent decisions. The Supreme Court has shown a complete lack of patience to await the slow working amendment process specified in the Constitution. Our founding fathers never intended that the Court would amend by reversal and usurpation. The Court can do this at its slightest whim. Such may occur in a 5 to 4 decision. On the other hand, it is extremely difficult for citizens to secure amendments favored even by majorities of three-fourths or more.

ROY WHITTENBURG

To restore Congressional powers and abrogated states' rights; to make secure the blessings of liberty resulting from our constitutional self-government; the United States Constitution should be amended to require that future federal judges be elected by the people. Any other approach will prove inadequate. The Supreme Court answers to none for its misdeeds. The Supreme Court should not be above the final authority of the people and their constitutional law. Lifetime appointments too often go to men with little or no judicial experience and not of judicial temperament. Appointment of judges to our federal courts poses an intolerable threat to states' rights and self-government. Judges elected to federal courts would pose no such threat to self-government, the most important earthly ally to Christianity and freedom of religion.

If Congress were to submit such an amendment to the people for ratification, Congress would be doing its part in bringing the Supreme Court back into its proper place. Any other approach by Congress promises very limited relief. Very probably the Court would hold that any corrective or clarifying legislation, when finally tested, meant something entirely different from congressional intent or Webster's definitions. Or, the Court could rule such corrective legislation to be unconstitutional.

Chaotic decisions are the result of domination of the Supreme Court by appointees determined to promote social, economic, and political objectives contrary to the Constitution and in opposition to the desires of Congress and the great majority of United States citizens.

Most all agree that something must be done to stop this abuse. In spite of this, my opponent is against state anti-subversive laws. He voted against restoring states' rights to enforce anti-subversive laws. His one vote was the margin of defeat, but could and should have been a one vote margin of victory in the Senate for Texas and all of these United States. We must elect future federal judges for a limited term. Can there be another effective plan? Has anyone offered a proposal which, even though adopted, would protect states' rights and self-government?

This is your first opportunity to elect a Senator dedicated to secure this amendment. Vote November 4. Let us work diligently until such amendment is an accomplished fact.

The words honesty and integrity carry only their most strict, old-fashioned meanings to me. As Senator, I will be obligated to our state and our nation only. I will discharge my duties honestly with determination and vigor. I will strive to get your money's worth from your tax dollars. I do not believe that money has ever purchased friendship of nations or individuals. I believe it would be the height of folly to rely on Russia to disarm without full and complete inspection and control. There should be no federal interference or influence in our schools. States' rights and self-government cannot endure under our system of appointing federal judges for life.

COUPON
The securing of this amendment rests in your hands and in the hands of your neighbors and friends. Its attainment can be accomplished only by the efforts of industrious people - and these people must be willing to work to protect their rights, God given, but not guaranteed. I hereby appeal to those people who are willing to work to safe-guard our precious states' rights and self-government. If you are one of these people, please return this coupon.
