

about dimmitt and castro county

by b. m. n.

It finally happened. One of the nondescript bearded Dimmittites was offered and accepted alms. Zeke Hyatt was observed by an itinerant peddler as he wandered about the Cash Way Grocery attending to routine business. The peddler, believing that Hyatt was trying to get a handout at the grocery, waited outside and when Zeke emerged from the store asked him if he could use a sack of spuds, Zeke immediately replied that he could and would, and did.

The final drive and hustle and bustle of completing plans for the Castro County Old Settlers Homecoming is under way. The celebration is scheduled for next week-end, Friday, Saturday and Sunday, August 11, 12, 13, with the parade and Old Settlers program planned for Saturday. The advertising campaign which has been in progress for the past month will be climaxed Friday and Monday when booster trips will be made to all surrounding towns of the area. A caravan of boosters will leave Friday morning at 8:00 o'clock from Main Street in Dimmitt for Hereford, Canyon, Amarillo, Happy, Tulia, Plainview, Hart and back to Dimmitt. On Monday the boosters will leave at the same hour but will go west to Friona, Bovina, Farwell, Clovis, Muleshoe, Sudan, Littlefield, Amherst, Earth and Olton.

All local citizens with whiskers are urged to take time off to make these trips and all others who can do so are urged to go along and assist in the advertising campaign.

Slim Hargrove's Loping Japoly will make both tours, and will be the main attraction as it lopes and bounces down Amarillo's Polk Street Friday about noon.

About \$600 worth of Shaving Permits have been sold to date.

If you want to contribute to the expense fund of the Old Settlers Homecoming nearly any one in town will accept cash or checks and see that it gets to the treasurer.

A treat is in store for those attending the Homecoming program when Miss Laura V. Hamner will relate early day history of the Panhandle-Plains area from her vast store house of knowledge and experience. An early day school teacher in this region, Miss Hamner has been doing newspaper and radio work in Amarillo for a number of years and through her regular newspaper column and radio program has become one of the best known and popular personalities in the region. Her address will be in keeping with the nature of the occasion, and will be a treat to both the old timers and newcomers alike.

Castro County, cradled in the heart of America, is at a crossroads. The desired path leads forward to continue prosperity, development, domestic tranquility and the establishment of still more happy homes, while the apparent path promises to veer into an era of conflict with an ideology that threatens the security and ideals of free men everywhere.

We predict that when the tide of battle turns in Korea the end of the incident will be in sight, or World War III will have been precipitated.

Enough of criticism and distrust of our loyal fellow citizens. It is time now for a welding together of our manpower, materials, and efforts. America's strength is in unity and combined endeavor. Pointing out past mistakes and pointless accusations is now out of order. Seems that everyone has had their say as to whom is to blame for the Korean situation, and what should have been done or should not have been done, when fact of the matter is that Red Russia is entirely to blame and it had not been Korea it would have been some other Red satellite. The American people might as well make up their mind that fault finding at home is pointless and that whatever is necessary must be done to meet the Com-

Plains Memorial Hospital Members to Have Regular Annual Meeting August 15

Funeral Services Are Held For Mr. R. L. English

Funeral services were held Saturday for R. L. English, retired farmer, who died last Thursday, July 27. Services were held in the Church of Christ here with Bob Ware, Minister of the Hereford Church of Christ officiating.

Mr. English, who died at Plains Memorial Hospital, was born March 28, 1886, in Kentucky. Later he moved with his family to Texas. On August 17, 1884, he was united in marriage to Florence Scott. Mr. English was a devout Christian since the age of 18.

Mr. English is survived by his wife and six daughters and four sons. He is also survived by 36 grand children, 28 great grand children, and 2 great great grand children.

Surviving immediate members of his family and his wife and children; O. E. English, Pauls Valley, Okla., J. T. English, Ryan, Okla., Mrs. J. O. Beavers, Dallas, Mrs. V. Rolinett, Ryan, Okla., Mrs. Ruth Thomas, Duncan, Okla., Mrs. L. F. Winton, Mrs. S. A. Oakes, Putnam, Okla., J. B. English, Dimmitt, Jewell English, Putnam, Okla., and Mrs. Roy Bell, Dimmitt.

Assembly of God Postpones Revival

According to officials of the Assembly of God Church their revival, planned for July 31 has been postponed indefinitely because of bad weather condition. As the new Assembly of God Church Building is not finished it was decided not to hold the revival immediately.

Methodist Pastor Receives Pounding By Congregation

Pastor E. Lee Stanford of the Dimmitt Methodist Church Wednesday night received a pounding from church members. Rev. Stanford and his family were sent to Dimmitt recently by the Methodist Conference. An estimated 150 people attended the pounding. Games and refreshment highlighted the entertainment program as Rev. Stanford received many useful gifts from his congregation.

Mr. and Mrs. Wayne Carthel and family of Eads, Colo., left Tuesday for their home after a visit with friends and relatives in Dimmitt and other Panhandle towns.

Mr. and Mrs. Ralph Clum and daughter of Harrisonville, Mo., were here Thursday for a visit in the home of Mr. and Mrs. Lewis Allen.

Apply Now For State-Supplied Fish To Stock Farm Lakes And Ponds

In an interview Wednesday with R. L. King it was found that farmers in Castro County must act quickly in order to secure fingerling fish for restocking.

Several farmers in this area have made applications this year and last for the fish for surface lake stocking. The application must be sent directly to the Texas Game, Fish and Oyster Commission, Walton Building, Austin. Information other than that contained herein may be secured from Mr. King.

The fish will be delivered without cost to accepted applicants in the latter part of this month, so it is necessary to make application soon. The proper procedure is to write to Marion Toole, Chief Aquatic Biologist, Game, Fish and Oyster Commission, Austin for standard application forms. After filling out the forms they should be returned to the office of the commission. As a rule, forms are not available at the offices of County Agents but it is permis-

Officials of the Plains Memorial Hospital announced recently that the regular annual meeting of the hospital stock holders will be held Tuesday, August 15, at 8:30 p. m. in the High School Auditorium.

In a letter to all members, Mr. Ester Noble, secretary of the hospital, announced that an election for six directors will be held. He also stated that due to important business that needed taking care of, it was necessary that all members attend.

The hospital was formed several years ago when the need was felt in the county for lower-cost hospitalization. It is made up of stock-holders in the hospital who are afforded top health service as part owners of the institution.

Dimmitt Wheat Grs. Ships 33 Cars Milo To Set Local Record

The biggest trainload of grain to be sent from this shipping point by an individual elevator was sent out Wednesday by Dimmitt Wheat Growers. 33 carloads of Milo was pulled out of Dimmitt by the Fort Worth and Denver Railway after one and one-half days of loading, according to W. M. Kunkel, manager of the elevator.

The grain will be in the hands of Commodity Credit Corporation at Houston soon, according to Kunkel. The elevator manager also stated that as soon as present shipping operations are complete, the Dimmitt Wheat Growers Elevator will be empty. All of the grain, government owned, will go to the CCC. Date that the government assumed ownership was March 31 for Sorghums and April 30 for wheat.

The elevator is in the process of loading an additional thirty cars of grain to be shipped Friday. Shipping orders have also been received for 100 carloads of wheat. The present shipment is grain from the 1949 grain crop which will be handled by CCC.

High School Band To Give Fourth Sat. Night Concert

The fourth concert of the summer season by the Bobcat Band will be given Saturday night, Aug. 5 on the Court House Square in Dimmitt. There will be only one more Saturday night concert in this summer series after this one, and that will be Saturday night, Aug. 19. Starting time is 8:30.

Large crowds have been in attendance at all of the performances during the summer, and everyone is invited to be on hand again this Saturday night.

There will be no band rehearsals next week — neither Senior Band, Junior Band, Beginner's Band or individual lessons will be held next week, Aug. 7-13.

County Council To Meet August 8

According to an announcement this week by Mrs. Robin Vann, County Home Demonstration Agent, the Castro County H. D. Council will meet Tuesday, August 8, at 2 p. m. in the District Court room. Every member of the council is urged to be present.

Local Group Attended 4-H Encampment

A group of Castro County 4-H club girls, with their adult leaders attended the annual District II 4-H Club encampment at Lubbock July 25 through July 27 at the South Plains Fair Grounds. Those attending the encampment from Castro County were Lois Book, who served as Art Editor of the Camp Newspaper published daily, and Gladys Annen of Nazareth; Peggy Davis, Olissa Bowden and Mrs. T. R. Davis, adult leader, of Hart; June DeWolfe and Evelyn LaPlant of Dimmitt and Mrs. Robin Vann, County Home Demonstration Agent.

The girls attended classes in news writing, club recreation, camp cookery and hand crafts.

Club Members Get Training In Leather Tooling

All Home Demonstration Clubs of Castro County were represented by two of their members at a one day course in a leather tooling training school Monday with Mrs. J. E. Laney of Hale Center as instructor. The training course was held in the District Court room with seventeen members of county H. D. Clubs in attendance. The class of instruction included handtooling leather purses, belts, and other leather goods. The ladies attending the training school will in turn teach classes in the craft to various clubs of the county.

Behrends Family Holds Reunion

The Behrends family held their annual family reunion Sunday at the home of Mr. and Mrs. A. L. Behrends in the Flagg community. The gala affair was climaxed with a barbecued chicken supper Sunday evening. The only members of the family not present were two sisters: Mrs. John Saathoff and Mrs. Hennen Rickleff, both of Gilmore City, Iowa. Those enjoying the occasion were: Mr. and Mrs. H. G. Behrends and family, Summerfield, Texas; Mr. and Mrs. Fred Sjogren and Bob, Kress, Texas; Mrs. R. J. Behrends and son, Plainview, Texas; Mr. George Behrends and daughter, Dimmitt, Texas; Mr. and Mrs. Frank Armstrong and son, Tulia, Texas; Mr. and Mrs. B. C. Mosley, Hobbs, N. Mex.; Mr. and Mrs. Kester Duran and daughter, Hereford, Texas; Mr. and Mrs. Arland Ewing and family, Dimmitt, Texas; Mrs. Charles Pennington and family, Summerfield, Texas; Mr. and Mrs. Stanford Sjogren and son, Kress, Texas; Mr. and Mrs. Dalton White, Hale Center, Texas; Mr. and Mrs. J. T. Billingsley and family, Hobbs, N. Mex.; and Mr. Dale Allen, Dawn, Texas.

Prizes Announced For Old Settlers Reunion Parade

The Castro County Old Settlers Parade Committee met August 1, to make final plans for the Home-Coming Parade. Earl Brock was appointed as committee Chairman to be assisted by Nolan Froehner, Gene Kenmore, Homer Herring, Floyd Smith, and Slim Hargrove.

The committee set up three float divisions, which are to be Commercial, Educational and Entertaining. Each division will be awarded as a first prize \$25.00, second prize \$15.00 and third prize \$10.00.

The committee is especially interested in seeing civic clubs of the county exhibit floats of welcome and to honor the old settlers.

Reunion Planned For High School Graduated Classes

A reunion of members of the graduating classes of the Dimmitt High School of 1943 and 1944 will be held in the high school building following the rodeo on Saturday, August 12. Every member of the two classes are invited and urged to attend the reunion.

Legume Increased Grain Yields On Bill Wood Farm

On August 15, 1948, Bill Woods of the Hart Community planted 24 acres of Austrian Winter Peas, at the rate of 22 pounds per acre. The peas were then plowed under in April of 1949. On this land Woods planted combine Kafir. This Kafir was harvested in the fall of '49 and made a yield of 4500 pounds per acre. As a check plot combined Kafir was planted on land not in peas with only a turn row between and the yield on this plot was 3700 pounds per acre.

In preparing his land, Wood told County Agent R. L. King, that he first pulled a tandem disk over the peas and chopped them up and he then listed them under. He watered his ground 30 days later and planted his Kafir. Woods also stated that the ground he had his peas on was more mellow than the other land and he saved two plowing on this land while the land not in peas was hard and broke up in clods.

The yield per acre on the land was 800 pounds more Kafir on the land that was in peas and a saving was made by two less plowings.

Believing that legumes pays, Woods put in more peas last fall and this spring he put in Hubam Clover which has just been turned under. He will put both of these plots back in wheat this fall.

Doris Cummings Of Hart Is Married To Ronald Johnson

Miss Doris Cummings, daughter of Mr. and Mrs. Virgil Cummings of Hart, Texas, and Mr. Ronald Johnson, son of Mr. and Mrs. T. E. Johnson of Tuttle, Oklahoma, were married Saturday, July 15 at 3:00 p. m. in the First Presbyterian Church of Tuttle, Oklahoma. They are making their home in Oklahoma City, where he is employed.

Mr. and Mrs. Ray Maddox and children have moved to Dimmitt from Borger. Mr. Maddox is employed as market manager at the Wilson Super Market. They are now residing at the Byrnes Apartments.

Mr. and Mrs. Raymond Wilson and Patricia will leave Sunday for a three weeks vacation trip to Canada.

Mr. and Mrs. W. A. Hawkins and daughter, Mary, returned to their home at Hart Wednesday from a vacation visit with their daughter and sister, Mrs. S. A. Harris, and family at San Diego, California.

Plans Are Complete For Farm Trip To Colorado To View Scientific Agriculture

Plans for the proposed trip to Colorado for interested farmers and business men of Castro County are complete. The purpose of the trip is to show some soil improvement and fertility work being done in Colorado as well as irrigated pastures and cattle feeding.

The proposed plan for the trip is for the group to meet at Rock Ford, Colorado, on Sunday night, August 20. Monday, August 21 will be spent on farms in the Arkansas Valley and the night of August 21 will be spent in Denver.

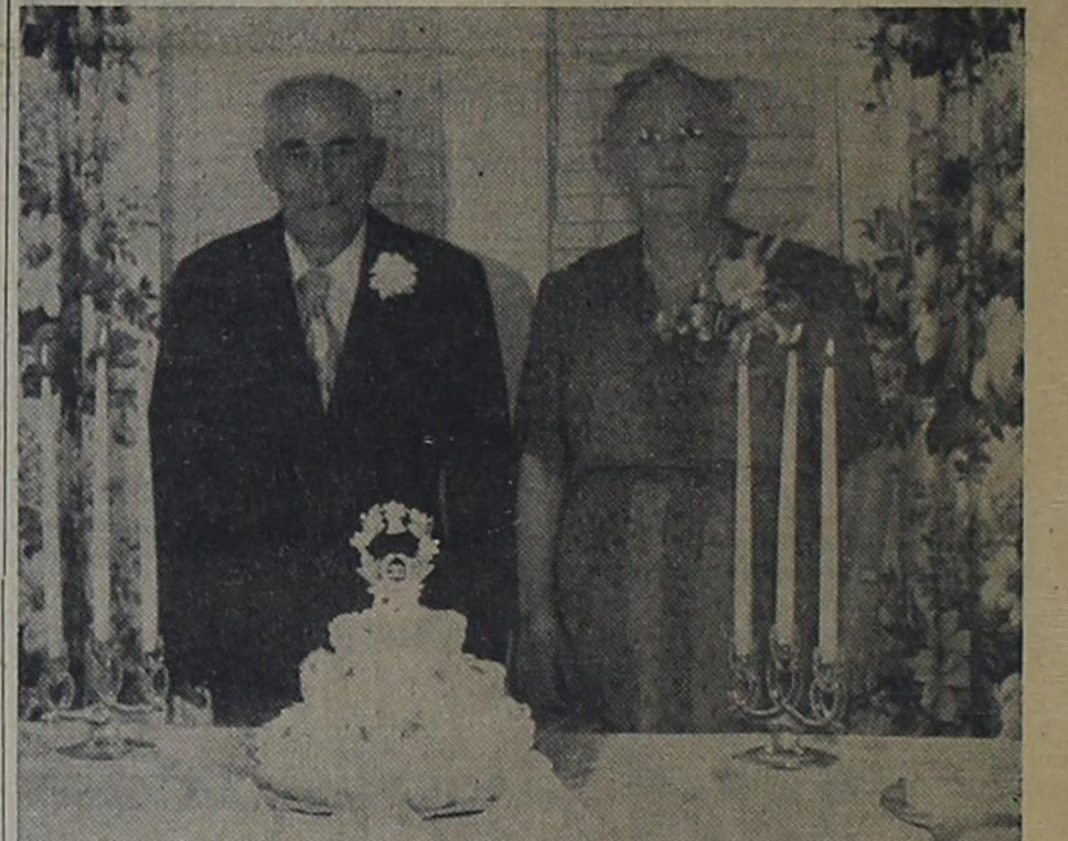

Tuesday, August 22 will be spent on farms around Denver going on to Greeley to spend the night. Wednesday will be spent on farms around Greeley and the Agriculture College at Ft. Collins.

In order to make final arrangements for the trip which will include making hotel reservations as well as arrangements for transportation. Those who plan to make the trip are asked to contact the County Agent's Office or the Chamber of Commerce Office by August 10th.

Mrs. Jimmy Rawlings, Carolyn Are in Naples, Italy; European Tour

Mrs. Jimmy Rawlings and Carolyn left New York July 20 for Europe. They will visit France, Germany, Switzerland and other European countries. According to Mr. Rawlings, they are now in Naples, Italy. They will finish their tour sometime in October.

Mrs. Jo Anna Mayo and Paul Michael are visiting in the home of Mr. and Mrs. Johnny Goodwin this week.

MR. and MRS. J. W. HAWKINS

Mr. and Mrs. J. W. Hawkins Celebrated Fiftieth Wedding Anniversary, July 23

A host of relatives and friends gathered at the home of Mr. and Mrs. Bud Birdwell on Sunday, July 23, 1950, to help Mr. and Mrs. J. W. Hawkins celebrate their Golden Wedding Anniversary. They were married at Farmer, Texas, July 22, 1900, and lived at Loving in Young County until 1939 when they moved to Flagg, Texas, and then to Dimmitt where they have lived the past 6 years. They have five children all of whom were present for the happy occasion. They are Mrs. Cordye Birdwell, Mrs. Bud Birdwell, Houston Hawkins and Miss Wilda Hawkins all of Dimmitt, and Mrs. Loyd Hamar, Melrose, New Mexico. They have eleven grand children and three great-grand children which were all present. Mr. Hawkins is the fourth one in his family of five brothers and sisters to celebrate their 50th wedding anniversary. A brother, J. G. Hawkins, Plainview who is 90 years of age; a sister, Mrs. Mollie Casey, Fort Worth, who is 80 and a brother Rev. L. D. Hawkins, Hobart, Okla., who is 74. Mr. Hawkins is 76 and Mrs. Hawkins 72.

A picnic style lunch was served at the noon hour in the back yard and open house was held in the afternoon from 3 to 6. The lovely three tiered wedding cake was decorated in yellow and white and topped with a miniature bell and the number 50. The table was laid with a drawn work table cloth from Monterrey, Old Mexico, and the dining room was decorated with yellow and white gladioli and white carnations. Miss Wilda Hawkins and Mrs. Norvelle Birdwell, grand-daughter, presided at the guest book. Mrs. Kent Birdwell and Mrs. Harlin Dodd, grand-daughters, poured the punch and Athelia and Sue Hawkins, grand-daughters, assisted with the serving.

The couple received an array of beautiful gifts and the following relatives and friends were present to congratulate and wish them many more happy years:

Mr. and Mrs. J. G. Hawkins, Plainview, Texas; Rev. and Mrs. L. D. Hawkins, Hobart, Okla.; Mrs. A. C. Casey, Fort Worth, Texas; Mr. and Mrs. Al Clements, Sandra and Walter, Fort Worth, Texas; Mr. and Mrs. Maurice Hall, Loving, Texas; (See HAWKINS ANNIVERSARY, back page)

Scale, 1/2 inch to the foot.

ONE OF THE beauty spots of the panhandle is the first falls in Ceta Glen Canyon near Wayside. The stream which falls approximately 25 feet runs the year round. It is one of the favorite picnic spots of local residents. Noted for its cool, natural setting, the falls has served as the locale for more than one outing. In the canyon is located several church camps where many of Dimmitt's young people's church groups have annual camps.

FARMERS' COTTON
SCHOOL TO BE HELD
AUGUST 14 THRU 25

The Extension Service, represented by local County Agents, with the cooperation of the Cotton Branch of the Production and Marketing Administration, announces the dates for the 2nd Annual Farmers' Cotton Classing School. The school will be held from August 14 through August 25 at the Government Classing Office, 1701 Avenue H, Lubbock, Texas, under the direction of Mr. L. O. Buchanan.

The school is being conducted for farmers who raise cotton to better acquaint themselves with the classification of cotton as well as the marketing of their product. Learn why there may be a variance in the classification of

cotton even though the cotton comes of the same trallor. There are many other questions relative to cotton classing and the marketing of cotton that will be answered for you.

Any cotton farmer may attend the school free of charge. All farmers are urged to attend. Classes will be held daily from 9:00 a. m. to 3:00 p. m. Mondays through Fridays. You may attend one, two, five, or the entire ten days. A certificate of attendance will be given to all farmers who attend five or more days.

If you plan to attend, notify your County Agent or the Cot-

ton Classing Office, 1701 Avenue H, Lubbock, Texas, as soon as possible.

She claimed he married her for her money . . . and he claimed he earned it.

You can bet a dollar to a dough-nut today without giving such big odds.

They say you are an old timer if you can remember when a bureau was a piece of furniture.

I help build
Sub Stations?

THAT'S RIGHT . . . many a housewife has a lot to say about building your Public Service Company.

How? Through her investments, of course. Whether it be a sub station or a service car, our company is truly "owned" by the stockholders—ministers, doctors, lawyers, teachers—yes, even you or your neighbor . . . and no one of them owns more than 2% of the total stock.

Perhaps you have a savings account—or a life insurance policy—it's pretty certain that some of those funds have been re-invested in your Public Service Company.

And so, you see, we really belong to the people. It's a working example of free enterprise . . . the system that has made America great and strong.

Safety Tips for Safe Living

IN OBSERVANCE OF NATIONAL FARM SAFETY WEEK, July 23-29, a half-million 4-H Club boys and girls point out timely do's and don't's for safe living. Safety is their No. 1 Crop. It is a 52-week-a-year farm and home safety program directed by the Cooperative Extension Service. General Motors honors the 4-H'ers annually with county, state and national awards valued at \$10,000.

CLEO NEWS

Farmers have really been taking advantage of the fair weather to cultivate and plow wheat land. Neighbors are saying, "What I can't use you may if you need it", or "I'll help you until you are through, then you help me." We (the Greathouses) have two borrowed cultivators in our field. However, it rained again this week, about 1/2 inch this time. Someone said Sunday that "when weeds won't grow, crops won't grow, either." They are both doing good new.

Guests in the Weldon Bradley home the first of the week were Mr. and Mrs. Jinks Dent of Sudan (Monday), Mr. and Mrs. Dave Bradley and Mr. and Mrs. Gene Brice of Altus, Oklahoma, on Wednesday. Charles Houtchens, Mr. and Mrs. Jack Gregory and Carol, Jackie Miller, and Orrin Howe

attended the wedding of Johnysue Hudson at Earth Friday morning.

Mr. and Mrs. W. S. Dixon of Dimmitt visited in the Elmer Dixon home one day last week.

Jesse Burch left Monday for Youth Camp at Ridgecrest, N. C.

Mr. and Mrs. Roy Smith went to Petersburg Tuesday to visit in the home of her parents, Mr. and Mrs. Shankle. Mrs. Shankle has five living sisters, the youngest is 76. Three of them were present.

Mr. and Mrs. George Hara called in the home of Mr. and Mrs. Elmer Dixon last Thursday. Guests in the home of her parents, Mr. and Mrs. W. T. Autrey, over the weekend were Mr. and Mrs. John Hogue of Lubbock.

Mr. and Mrs. Dick Greathouse were Sunday dinner guests of Mr. and Mrs. Dave Sheppard.

Mrs. H. H. Houtchens had her sister, Mrs. Omar Shipp and daughter, Linda from Los Angeles, California, as guests in her

home last week.

Guests of Mrs. J. G. Greathouse last Friday were Mr. and Mrs. William Gollehon of Dimmitt, and members of the O'Brian family stopped by for a short visit when returning home from the funeral of their mother, Mrs. O'Brian. The two families had been neighbors and friends in bygone days.

Mr. and Mrs. Lilburn Arnold, Carol and Lynda visited Mr. and Mrs. Calvin Petty and family Sunday afternoon.

Guests during the week of Mr. and Mrs. W. T. Autrey was a daughter and family of Lubbock, Mr. and Mrs. Judge Galdredge and son.

Mr. and Mrs. Cecil Hutton went to Turkey last Sunday for a visit and to take two of his nieces who had been visiting them to meet their folks on their return home.

Guests in the H. H. Houtchens home the past week were Mrs. Forest Stallings and Joy from Rio Grande Valley, Mrs. Omar Shipp and Linda of California, Mrs. Fannie Stallings of Canyon, Mr. and Mrs. Percy Merritt and children, Mr. and Mrs. Charles Hestand and family, Mr. and Mrs. Roy Stafford and family.

Elouise and Fayrene Greathouse, Pat Youts, Lanell Walthall and Dona Robertson were

dinner guests Sunday of Peggy Messenger.

Mr. and Mrs. Elmer Dixon made a business trip to Plainview Friday.

FLAGG NEWS

The Flagg H. D. Club met in the home of Mrs. Joe Stephens Wednesday. Mrs. Ginn and Mrs. Thompson were appointed to attend the leather tooling class at the County Court House Monday. A lovely Pink and Blue Shower was presented Mrs. Calvin Heiskell. Chicken sandwiches and Devil food cake were served to 15 members and two guests, Helen Brandon and Tommy Timmons of Dalhart. The club will meet with Mrs. Andy Thompson the fourth Thursday of this month.

The community Chicken Supper was held in the back yard of the Sid Sheffy home, followed by "42" and Canasta. The event was enjoyed by 55 adults and 25 children.

Mr. and Mrs. Carl Easterwood and sons were business visitors in Walters, Oklahoma last weekend.

CAUTION: You'd better look close, now, before telling the wife she has wrinkles in her hose. She may not have any on!

Insurance of all Kinds

The upkeep of a woman is the downfall of many a fan.

The guy who said that money talks wasn't referring to hush money.

You can't say that the man with the moustache is a bare-faced liar.

If necessity is the mother of invention, then luxury must be the father of it.

Mumble a few words in church and you're married. Mumble a few words in your sleep and you're divorced.

You can't treat the maid like a member of the family, nowadays, and get away with it.

Most people who married for money find they could have borrowed it cheaper.

Regardless of what an education costs, it will never be as expensive as the cost of ignorance.

Most people love to go to the movies. Then there are others who go to the movies to love.

There is one woman in this world who is always glad to see her husband down and out. She's the flier's wife.

They Read and Were Healed

While full provision is made in Christian Science for specific treatment for the sick, many people have been healed simply through reading literature available at Christian Science Reading Rooms.

The Bible, "Science and Health with Key to the Scriptures" by Mary Baker Eddy—containing the complete explanation of Christian Science—and other similarly helpful Christian Science literature may be read, borrowed, or purchased at

Boys Ranch Rodeo To Be Held September 3

September 3rd, the Sunday before Labor Day, has been selected as the date for the Sixth Annual Boys' Ranch Rodeo and Barbeque. This annual event will be held at the Ranch and the boys are inviting everyone to attend. With the exception of last year when Roy Rogers appeared for Boys' Ranch, the Rodeo has been held at the Ranch. Arrangements are already being made to accommodate an expected three thousand people.

The entire rodeo is put on by the boys and they have been practicing hard for several weeks. Every day there is some sort of practice going on and even some of the little fellows are going to try their hand at calf riding. Other acts planned are bronc and steer riding, trick riding and roping, ribbon roping and jumping. This is the one time in the year that the boys have a chance to show off and they're planning a rip-smarting show. Charlie Lowe of Amarillo will handle the barbeque and there will be plenty of chow for everyone.

Mrs. Ann Poling, 609 Delaware St., Indianapolis, Indiana, who was suffering from deficiencies of Vitamins B₁, B₂, Iron, and Niacin, smiles as she pours herself another cup of coffee. Mrs. Poling says life lately is like it used to be years ago... "that is, of course, since I've been taking HADACOL." She can't get over what a difference HADACOL has made in her outlook on life.

Mrs. Poling says: "Three months ago a good friend of mine told me about HADACOL—she knew how much stomach distress I have had. Any type of food that was tried or that had acid in it I just couldn't eat. It affected my sleep, too. In fact, I couldn't have been in a worse condition. When I ate what I wanted to I felt miserable and when I didn't eat these things—I didn't have a proper diet and still felt bad. Then, when I started taking HADACOL, I felt better immediately. I've got a bottle in the house now—and will continue to keep HADACOL from now on. I have told many folks about HADACOL—and they all thank me for telling them about HADACOL. They all have gotten wonderful results from HADACOL like I have. Now I eat anything I want and get a good night's sleep. I can't praise HADACOL enough."

HADACOL Can Help You, Too!... as it has helped thousands of others whose systems lacked Vitamins B₁, B₂, Iron and Niacin. Yes, even hundreds of doctors have recommended HADACOL to their patients. The HADACOL formula is so effective for stomachache, distress, nervousness, insomnia, constipation, aches and pains of neuritis, and a general run-down condition caused by such deficiencies.

Make Up Your Mind... to give HADACOL a chance to help you, as it has helped countless thousands of others. Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy a bottle of HADACOL, either the trial size, \$1.25, or the large family or hospital size, \$3.50, and if HADACOL does not help you your money will be refunded.

Why pick corn by hand?

DEARBORN-WOOD BROS. CORN HARVESTER

saves backs, time and money

Why cut or pick corn by hand when the Dearborn-Wood Bros. Corn Harvester picks corn faster and easier, and with less labor cost?

This Corn Harvester can be handled easily by the Ford Tractor, or any 2-pow tractor with standard A.S.A.E. power take-off.

Unique rotary snapping bar has exclusive design

Ford TRACTOR

that reduces shelling and helps clear trash. Entire harvester tilts forward or back for tall or short corn. Three gathering chains really keep the corn moving. Ample capacity elevator delivers corn to front or rear of wagon. Blower is standard equipment. For easier, more profitable corn picking, investigate the Dearborn-Wood Bros. Corn Harvester now!

Bailey County Water Conservation District Established Monday

MULESHOE, Aug. 2 (Special) Bailey County farmers, meeting Monday night in Muleshoe, added their support to proposals already made by six counties for creation of underground water conservation districts.

In a business session, the Bailey County Water Conservation Association elected Henry Schuster as president, and unanimously approved a petition requesting designation by the State Board of Water Engineers of an underground water reservoir. Eighteen persons signed the petition.

Bailey county is among 21 Panhandle-South Plains counties

given notice of a public hearing in Plainview August 29 at which the State Board will "designate any or all" of the counties as an underground water reservoir or subdivision thereof.

The Board recently returned filing fees for petitions submitted by Lamb, Hale and Hockley counties, announcing that it has jurisdiction on its own motion under provisions of the law to set a hearing. The Board felt that one hearing would expedite the designation required by law.

Counties named in the hearing notice were Armstrong, Bailey, Briscoe, Castro, Crosby, Deaf

Smith, Dickens, Floyd, Garza, Hale, Hockley, Lamb, Lubbock, Lynn, Oldham, Parmer, Potter, Randall, Swisher and Terry.

BIG SQUARE NEWS

Those enjoying a birthday supper honoring Mrs. Alford Scott Saturday night were Mr. and Mrs. Rufus Carter, Mr. and Mrs. Glenn Stiles, Mr. and Mrs. Jay Black, Mr. and Mrs. Leonard Elliott, Mr. and Mrs. Ralph Cox, Mr. and Mrs. B. F. Brown, Mr. and Mrs. Glenn Scott, Mr. and Mrs. Hubert Elliott and children, and Mr. Alford Scott and the honoree.

Mr. and Mrs. Irvin Ott, Irvalen and Rayburn and Mrs. Andy Behrends and Mary were Amarillo visitors Wednesday. Irvalen and Rayburn are spending the week with Carolyn Scarbrough and their cousins Bobby and Marvin.

Mr. and Mrs. Milford Howard were Clovis visitors Thursday.

Mr. and Mrs. Bill Kellar and children left Sunday for Hot Springs, N. M., for the benefit of the baths at that health resort.

Those present for a surprise housewarming at the Irvin Ott home Friday night were Mesdames Kay Roberts and niece, Vevian Gale, Andy Behrends, M. L. Howard, Bob Ott, Bill Ott, Milt Ott, Alton Loudder, Jay Black, Roy Haberer, Fred Kuntz,

Here's How the Experts See The Texas Crop Outlook . . .

The production of cash and feed crops in Texas cannot be accurately predicted at this time, however, prospects are not highly favorable. Dry weather in the very early spring handicapped farming operations and through late April, May and early June heavy rains retarded crop plantings in many sections, says C. H. Bates, extension farm management specialist of Texas A. & M. College.

Crop damage from hailstorms and insects have been heavy in many sections of the state and unusually heavy rains in some areas have caused delays and costly replanting of cotton and grain sorghums as well as other crops, Bates adds.

He points out that the acreage of the major crops are materially reduced by allotment on individual farms. The crops affected are wheat, rice, peanuts and cotton. For comparison, Bates gives the 1949 harvested acreage and the 1950 allotted acreages for the four crops. Wheat—7,093,000 acres and 6,096,000 acres (only 2,743,000 acres are expected to be harvested in 1950) rice—526,000 acres and 452,000 acres; peanuts—572,000 acres and 499,800 acres and cotton—10,296,000 acres and 8,057,000.

The reduced acreages coupled with poor yield prospects at this time and with the prices of most crops somewhat lower than a year ago, indicate, says Bates that Texas farmers can hardly expect the returns they enjoyed in 1949.

On the other hand, production costs are remaining high. This means, according to Bates, that farmers must trim expenditures wherever possible if present living standards are to be maintained.

Plans should be made now to utilize crops efficiently and this includes wise marketing. When possible, Bates says grain and feed crops should be marketed through livestock because the price outlook for livestock and livestock products is relatively favorable.

Generally, he says pastures and supplementary grazing crops look promising. Along with these,

somewhat larger acreages of grain sorghum and corn have been planted and this extra grain and forage might be used for feeding out more livestock. This extra income will take up some of the "slack" but he adds, adjustments will need to be made to keep feed crops and livestock in balance over the long pull.

People used to marry for better or worse. Today it's for more or less.

Before marriage they bill and coo. After marriage the cooing stops and the billing begins in earnest.

We can remember when the country's crime problems were solved in the highchair instead of the electric chair.

Feet Are Best Weather Forecaster

Says Pretty New York Model and Science Backs Her Up

NEW YORK — Pretty Cindy Cameron, prominent New York model and television actress, has had no training as a meteorologist, but when it comes to forecasting a change in the weather from fair to foul, she says her feet never fail to let her know about it by the way they start hurting. She claims that not once in years have her feet failed her in this respect.

Dr. Wm. M. Scholl, the noted authority on diseases and deformities of the feet, says that Miss Cameron's belief in the reliability of her feet as a weather forecaster is not merely imagination, but that it has a logical and interesting scientific basis. The hard, dead, cone-like mass of dead tissue cells composing well developed corns, for example, pick up moisture and humidity from the air. When the humidity increases before a storm, there is an increased amount of swelling and distention, due to the increased moisture content of the closely packed cells of a corn. This, in turn, says Dr. Scholl, produces an increased pressure on the nerves underlying the corn and a consequent sharpening of pain.

Dr. Scholl has the unique distinction of having had more patents granted to him on remedies and appliances for the feet than any other individual in the history of the patent office. He is the sponsor of Dr. Scholl's National Foot Comfort Feet, which will be celebrated for its thirty-fourth consecutive year, June 17th to 24th.

For CLEANER CORN and More of it!

DEARBORN-WOOD BROS. CORN PICKER

Canadian Dam—

According to the Amarillo newspapers, work on getting the \$85,000,000 Canadian River dam is coming along nicely. Some have criticized the State or Texas for not building the dam before now, especially when the legislature was putting dams in more watered parts of the state. The truth is, though the Canadian dam would be a worthwhile project, not enough water goes through the Canadian to supply power for a hydro-electric plant. When the state builds a dam, they expect it to pay for itself eventually, generally through the sale of electricity.

The only apparent revenue to come from the Canadian project would be the sale of water for irrigation purposes. Though a hydro-electric plant could conceivably be put there, it would be out of commission during the dry years when the lake reached a low level and it would be a bad policy to risk letting all the water out for generating purposes. In other parts of the state and country, dams are put on rivers, which run even in dry seasons. This assures water at all times for electricity. The downstate dams are also used for flood control. Such a purpose is not for the Canadian project. There are floods on the Canadian, true, but certainly not of the proportion of the Brazos, Colorado or the Trinity. Floods in South and East Texas are a dreadful thing to see. The land is not flat and every drop of rain that hits and does not soak up goes eventually into a river where it can do untold damage.

However, the Canadian project would be one of the best things to happen to North Texas and the Panhandle. If nothing else, it would be a mecca to Panhandle fishermen and sportsmen. Of the fishing side, Buffalo Lake is carrying the full load in this part of the country. Hundreds of people line the banks of the lake at all times with a terrific load on week ends. That factor cannot be overlooked. Fishing is an old American custom that will be with us for many years to come. It is some people's only means of recreation. The Canadian dam would take most of the load off the back of Buffalo besides furnishing water for extensive irrigation and a water supply for the city of Amarillo. Its purpose would be different than that of the downstate dams, but it is needed just as much.

Our representatives in Congress are to be congratulated. Especially Eugene Worley, for the work he did before he left his office.

Liquor Control Board—

Ever so often at the office we receive a little pamphlet called the Texas Liquor Control Board Review. The little book has the aim of assimilating the actions of the liquor control board in one volume in a given period.

We quote:
"The Texas Liquor Control Board inspectors reported the seizure of 15 illicit stills. With the stills, which had a cubic capacity of 825 gallons, inspectors captured 2,310 gallons of mash and made 9 arrests. Four gallons of moonshine liquor were destroyed."

The Texas Liquor Control Board is one of the most efficient agencies in Texas. Their work has kept down the illegal sale of liquor to almost nothing. Nothing, that is, compared to the legitimate sales of alcoholic beverages. Dry counties have been plagued with bootleggers since the first dry election and some cannot be stopped. The same applies to moonshiners in other parts of the state. Generally this liquor is for the makers' own consumption and is not sold. However, anyone buying this potent mixture is making himself liable to paralysis, poisoning, and death. This was brought out during the infamous prohibition era. More than one case of "jake leg" resulted from the drinking of illegal liquor.

Though, no direct connection with folks in the Panhandle, we would like to say "well done" to the Texas Liquor Control Board in their perpetual war on mountain dew.

Game Restocking—

Castro County is low in natural animal resources. In fact, around here there is no game to amount to anything. Ever since the last of the antelope, local nimrods have had to go elsewhere to supply the family larder.

Whether it would be practical or not, we don't know. But we have some sections of the county in which quail, deer and antelope could exist. There are few predators in this county and plenty of grass and water. We see no reason why a stocking program of the wild-life mentioned above would not be moderately successful. Along the draw bottoms would be a good place for both birds and animals, provided of course, the hawk menace to quail were removed, along with the coyotes.

We now have rabbits, hawks, coyotes, doves, foxes, badgers and innumerable small birds. None of these are desirable game for sporting enthusiasts. True, some skill is needed in bagging any of these animals, but they are no good once killed. Doves and rabbits can be eaten, though rabbit meat is not one of this country's mainstays.

It would be many years before the program could develop into something worthwhile, but it should be worth while. One bad thing about Castro County in respect to wild game is the fact that so much of the land is in cultivation, no natural cover is afforded. It would take the whole hearted cooperation of all the county's citizens to make such a program work.

And while on the subject of stocking, we would like to point out that many farmers with surface lakes which were filled during recent rains are missing out on a good meat supply. Some of the local lake-owners are stocking their lakes with channel catfish, generally catfish. The catfish take only about a pound the one-pound mark and some get much larger in more time. Many of the lakes will be good for at least a year and would supply a good sport for children and a commission will

furnish the fingerlings or they may be found elsewhere. If the lake is more or less permanent, large catfish, say four or five of known male and female species, would take care of the stocking problems in several years. The lakes in this region are built to order for such stockings, providing the fish with ample food to grow and produce, without the danger of pollution or predatory fish. Bass would also be a good stocking fish, that is, if the lake has the right natural conditions. These conditions would be plenty of plant growth within the lake and a generous stocking of the lake with minnows and other small fish for the bass to feed on. Many sportsmen-farmers in the eastern states have small ponds with bass that supply them with all the fishing fun they desire.

It's just an idea. Others have tried it and had good luck.

THE LAW AND YOU

by Rob't. (Bob) Kirk
County Attorney
Lamb County, Texas

DO YOU KNOW what your rights are in regard to self-defense?

You have the right to defend yourself from a real or apparent attack, and to use whatever force is necessary to defend yourself, even to the extent of taking the life of the one attacking you, if the same should be necessary to protect your life, or to protect yourself from serious bodily injury.

You may defend your property, and if necessary take life in the defense of it under the following circumstances:

1. You must have actual possession of the property at the time.
2. Your possession of the property must be legal.
3. If you lose possession of the property, it is not lawful to regain it by such means as result in homicide.
4. Every other effort in his power must have been made by the possessor to repel the aggression before he will be justified in killing.

FOR FURTHER INFORMATION ON THIS SUBJECT SEE YOUR LOCAL ATTORNEY.

Go to Austin Now For Outside Work At U. of Texas

If you are planning to enter the University of Texas this fall and want part-time work, you should come to Austin and seek your job now. Student Employment Director Joe Farrar announced.

"We usually are swamped with 1,200 to 2,000 application in September and it's impossible then to fill all of them immediately," he said. "Part-time work demand is greatest now for girls who can take shorthand and type and for boys who can do retail selling."

"Writing us for work won't help. An employer wants to meet the student he's going to hire. If a student has \$200 saved before he comes to the University, I think he can complete his school year by doing part-time work."

The University maintains the Student Employment Bureau in Old B Hall, just east of the Main Building. The Bureau is a central agency for employers and both undergraduates and gradu-

"I have a dog that growls, a parrot that swears, a fireplace that smokes, and a cat that stays out all night. Why should I want a husband?" the spinster says.

New First National Bank of Amarillo To Have Open House

AMARILLO, TEXAS—A gala open house, featuring flowers for women guests and favors for everyone, will mark the formal opening of the new First National Bank Building of Amarillo Monday evening August 7 from 6 to 10 p. m.

"Everybody throughout the Panhandle Plains region is cordially invited to attend the formal opening of our new banking quarters and to join us in the celebration of the 60th Anniversary of the Panhandle's oldest bank."

A handsome ten-story structure of limestone with continuous bands of beige colored brick running horizontally between windows, the new building features the latest in modern office design. Located at Eighth and Tyler Streets, it was designed and built by the Bank Building and Equipment Corporation of America.

Among the special facilities which make banking service more convenient are sit-down desks, ample teller windows to handle peak traffic during rush hours, elevator service to the safety deposit vault in the lower lobby, and a private area for the transaction of personal loans. A large parking lot located at the rear of the building will provide "Motor Banking" from a scientifically designed drive-in area.

Floors three through ten have been leased, and many of the firms occupying offices in the new building also will hold open house the evening of the 7th.

Speaking of his bank's new quarters, President Patterson recently commented, "We are filled with gratitude to the folks on the High Plains who, through their friendship and patronage, have enabled us to carry on such plans. Our many friends and patrons have made this project a reality. And our faith in the growth of this great Panhandle area is backed by our assets. Past figures prove our growth is assured."

If the paper shortage continues they are going to have to make our shoes out of leather again.

Anyone can be brave from a safe distance.

Often as we read the news of the day we feel as insecure as a skinny old maid in a strapless evening gown.

You can always depend on a streetcar having seats vacant when it's coming back from where you are going.

The trouble with most of us is that our necessities are too luxurious and our luxuries are too ne-

IF POLIO COMES

WATCH FOR THESE SYMPTOMS

IT MAY—OR MAY NOT—BE POLIO
CALL YOUR DOCTOR PROMPTLY

If it is Polio, get in touch with your local chapter of THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

HERE ARE SYMPTOMS OF POLIO listed by the National Foundation for Infantile Paralysis. They may—or may not—mean polio. Call your doctor and then, if help is needed, contact your local chapter of the National Foundation. When polio is around, these precautions are recommended: Keep children with their own friends and away from people they have not been with right along. Don't become exhausted through work or hard play. Don't stay in cold water too long or sit around in wet clothes. Avoid becoming chilled. Always wash hands before eating.

FIGHT INFANTILE PARALYSIS

Mrs. Van Earl Hughes Honored with Tea

Mrs. C. G. Maples, Sr., was hostess to a lovely tea in her home Monday, July 26, honoring Mrs. Van Earl Hughes of Costa Rica.

Mrs. R. B. Strother gave the devotion, and Mrs. Noel Gollehon sang "When God is Near" accompanied by Miss Pat Youts.

Mrs. Hughes gave a very interesting report of the work Southern Baptists are doing in Costa Rica.

Mrs. E. H. Youts presented Mrs. Hughes a lovely gift from members of the Woman's Missionary Society.

Forty guests were served from the beautiful tea table by Mrs. Jim Elder, Deroy Cates, and C. G. Maples, Jr.

"If We Can't Fix It; Throw It Away"

Your mechanical troubles are our business. We are prepared to keep your farm machinery running efficiently. See us for any kind of repair work.

BETHEL NEWS

Mr. and Mrs. R. M. Warren, Maxie and Belva Jean are spending this week in Monte Vista Colo. visiting Mr. and Mrs. Lloyd Warren and children, Odell Warren and Lewis Warren and family.

Lloyd Earl and Mr. and Mrs. Vern Lust were visiting Mr. and Mrs. Gleen Stiles at Big Square Sunday afternoon.

Mrs. Harry Rothwell was in Hereford Friday morning.

Mr. and Mrs. Moss Howell and children attended the annual get together of the Howell family at McKenzie Park at Lubbock Sunday.

Miss Vivian Gale Roberts of Quanah spent several days with her aunt and uncle, Mr. and Mrs. Kay Roberts returning home Sunday afternoon by bus.

Billy Joe Warren, Malene Rothwell, Herbert Howell and Mary Elizabeth Givan attended a F. F. A. meeting and banquet at Childress Friday night. Carl Bruegel also made the trip with Mrs.

Seale and three other boys from Dimmitt. Herbert and Carl received their Lone Star Farmer Mrs. L. C. Coe has returned Degrees at this meeting.

From an extended visit with her parents, Mr. and Mrs. Webb at Paris. Mr. and Mrs. Webb and son, Jack, accompanied Mrs. Coe home for a short visit.

Mr. and Mrs. Marvin Cryer of Lubbock and Mr. Owen Lloyd of Dimmitt were Sunday afternoon visitors and supper guests of the Harry Rothwells. Dale Cryer returned home with them after spending the last two months here.

Mr. and Mrs. Jim Givan and Mary made a business trip to Clovis Thursday.

Weldon Warren was a Sunday guest of Glenn Lust.

Mr. and Mrs. George Bagwell had as Sunday guests, Mr. and Mrs. Con Singleton of Houston.

Mr. and Mrs. Ivor Bagwell and Nelda Jean and (Grandmother) Mrs. J. A. Bagwell, Mr. and Mrs. Bryan Sinclair and Ivan Earl were calling in the afternoon.

Mrs. J. C. Williams was hostess to a Stanley party Tuesday afternoon. Mrs. Parker and Mrs. Winters of Hereford were sponsors of the party. Other who attended were: Mrs. Jess Birchfield, Cecil Ginn, Sid Sheffy and Tommy, Earl Lust, Moss Howell, Bryan Sinclair, Vernon Williams, Mrs. Glenn Williams of Hereford, Mrs. G. W. Schwen of Dimmitt.

Mr. and Mrs. Con Singleton of Houston spent the week end with Mr. and Mrs. J. A. Bagwell and other relatives.

Mr. and Mrs. Walter Cox were visiting in Amarillo Sunday.

W.S.C.S. To Meet For Business and Social Meeting Monday

It was announced this week that the Women's Society of Christian Service of the Methodist Church will meet Monday afternoon, August 7 at 4 o'clock for a business and social meeting. All members are urged to attend the meeting.

FAMILY REUNION

A family reunion was held in the home of Mr. and Mrs. L. H. Lane Sunday with the following people attending the enjoyable occasion: Mr. and Mrs. C. H. Lane and son of Borger, Mr. and Mrs. Fred Myers of Pampa, Mr. and Mrs. Love Howard and two sons of Tulia, Mr. and Mrs. Love Howard, Sr., of Tulia, Mr. and Mrs. Buck Blakney and Anna Gene of Turkey, Mr. and Mrs. Earl Lee of Muleshoe, Mr. and Mrs. Jim Lane of Muleshoe.

Mr. and Mrs. Lewis Allen and Tommie Lou visited her parents, Mr. and Mrs. T. L. Devin, at Tulia on Wednesday of last week.

Born Saturday at Plainview to Mr. and Mrs. Eldon Shives, a daughter, named Linda Ruth.

Ray Bearden returned home Monday from Oklahoma City and Seminole, Okla., where he attended to business and visited relatives. He was accompanied home by his mother, Mrs. Eva Bearden of Hollis and Mrs. A. J. Bolton of Seminole.

Nazareth News

On Sunday, July 30, Mrs. Frank Wilhelm was honored on the occasion of her eightieth birthday in the home of her son, Charles, at Hereford. All of her children were able to be present, as well as their families and a number of friends.

Mrs. Wilhelm is the mother of thirteen children. The eleven of her children who are still living includes son: Charles, Frank, and Ray of Hereford; Ed, Albert, Clarence, Henry, and Cel, of Nazareth; daughters, Mrs. John Maenner, of Eau Claire, Wis., and Mrs. Henry Schmucker, and Mrs. Joe Warren of Nazareth. Mrs. Wilhelm has 46 grandchildren and 23 great-grandchildren.

Final game of the girls' softball league was played in Nazareth on July 30, with Umbarger as the visiting team. Umbarger won the game by a score of 17-4, thus becoming the winner in the league. Annie Kock was the pitcher for the winning team, and Catherine Backus and Angela Wethington pitched for the losing team. After the game the players of both teams attended the Register-sponsored picnic at Buffalo Lake for the league players and their friends.

Arlene Leinen was the honoree at a ninth birthday party in her home. Guests included a number of schoolmates.

Miss Sophie Rosseler was called home last week because of the illness of her father. Her family home is in Vernon, Texas.

Rev. Peter Morsch, Mr. and Mrs. Art Kleman, and Mr. and Mrs. George Book, Sr. attended the fifty-first annual convention of the Catholic State League, at Lindsey, Texas. Dates of the convention were July 25-27. Mr. Book attended also the meeting of the insurance branch of the League, held July 24.

Mrs. Jake Acker and family, and Paul and Ray Pohlmeier, made a trip to Carlsbad Caverns last week.

Rev. Peter Werner, Marysville, Ohio, and Rev. A. Sobczak, Toledo, Ohio, stopped recently in Nazareth for a brief visit with Father Morsch, while enroute California to Ohio.

Miss Angela Wethington left recently for a trip of several weeks' duration, visiting relatives and friends in Kentucky and Indiana. She is travelling with her parents, Mr. and Mrs. C. F. Wethington, of Waterflow, N. M., and her brother, Robert. While gone, Mr. and Mrs. Wethington

and Angela will attend Robert's investiture into the Order of St. Francis, in their seminary in Cincinnati.

Gene August, son of Mr. and Mrs. Leo Dobmeier, was baptised by Father Morsch last week. Sponsors were Mr. and Mrs. August Herfken, of Nebraska.

Leon Woelfe, of Amarillo is spending his vacation with his grandmother, Mrs. Frank Woelfe. Leon is an employee of the Coca Cola Bottling Co. in Amarillo.

Tiny Hunter and Lonnie Rice Exchange Wedding Vows Friday

In a double-ring ceremony on Friday evening, July 28, in the First Methodist Church, Tiny Hunter, daughter of Mr. and Mrs. Finis Hunter, was united in marriage to Lonnie Rice, son of Mr. and Mrs. Olen Rice.

The Reverend Ural S. Sherrill, pastor of the Methodist Church of Sudan, read the service. Vows were exchanged before a flower-covered arch at the altar, which was lighted by tall white cathedral tapers and flanked by baskets of gladioli. White gladioli with satin streamers marked the pews along the bridal aisle.

Mrs. Pat Hyatt, organist, played "Always" and "At Dawning" as the guests assembled and accompanied Miss Wanda Gollehon, who sang "O Promise Me" and "With This Ring," to introduce the ceremony. The traditional wedding marches were used for the processional and recessional, and "I Love Thee" was played as Miss Anne Sheffy and Mrs. Don Annet lighted the candles.

Mrs. Frank Markham was her sister's matron of honor, and Miss Barbara Bosley of Gainesville and Mrs. Jack Ziegler were her other attendants. All three wore identically styled gowns of starched organdy. Mrs. Markham's was of white over blue, the bride's maids of white over yellow. Their coronets were daisies and white satin, and they carried nosegays of daisies.

Bennie Bonnington of Canyon, cousin of the groom, was best man, and Orval Pierce, brother of the bride, and Don Annet were groomsmen. Serving as ushers were Carl Jowell and Bill Birdwell.

The bride, given in marriage by her father, wore her sister's wedding gown of white slipper satin, styled with fitted bodice, long sleeves and sweetheart neckline. She carried a white Bible, topped with a bridal bouquet of white rosebuds and stephanotis, with satin streamers. Her finger-tip length veil was held in place by a coronet of lace and pearls.

For her daughter's wedding, Mrs. Hunter wore navy with pink accessories. Her corsage was of carnations.

Mrs. Rice, mother of the groom, wore navy nylonette with pink and a carnation corsage.

Following the wedding a reception was given in the country home of the bride's parents. Laid with a lace cloth, the serving table was appointed in crystal. Mrs. Bob Mooney served the wedding cake, Mrs. James Autry presided at the punch bowl and Miss Martha Hall of Dallas at the gift register. Assisting in the large party were Mrs. O. K. Cook and Mrs. Earl Norman of Arroyo, aunts of the bride.

Immediately following the reception, the young couple left on a wedding trip to Ruidoso, New Mexico. They will be at home in Canyon after the beginning of the fall term at West Texas State, where Mr. Rice is a student.

Both young people are 1949 graduates of Dimmitt High School. Mrs. Rice attended North Texas State College at Denton.

Baptist W. M. S. Entertains With Tea

The annual Margaret Tea of the Woman's Missionary Society of the First Baptist Church was held Monday, July 31, in the home of Mrs. W. E. Kirkpatrick. Mrs. Bob Mooney played variations of hymns while the members arrived. The program which presented the history, activities, and present functions of the Margaret Fund was given by: Mrs. W. E. Kirkpatrick, introduction; Mrs. Elmer Youts, devotional; Miss Pat Youts, special music; Mrs. Joe Bailes, a brief survey of the Margaret Fund; Mrs. Charlie Hays, special music; Mrs. Lester Dowell, closing prayer. Miss Pat Youts played semi-classical music while the forty-five guests were served on the sun porch.

The table was laid with wooden and crystal appointments with the punch bowl surrounded by Japanese sun flowers making the center piece. A color scheme of pink, green and yellow was carried out in the refreshments. Summer flowers decorated the entertaining rooms.

A love offering was made for the Burney Fund which is the over and above gifts in the Margaret Fund. The Margaret Fund provides scholarships of \$250.00 annually for all children of regularly appointed missionaries of both Home and Foreign Boards of the Southern Baptist Convention. The Burney Fund provides gifts to the children of missionaries in the colleges in the individual states.

The refreshment committee was composed of Mrs. Roy Jones, Mrs. Perry Graham, and Mrs. Sam Maynard. The flower committee was composed of Mrs. Will Wright and Mrs. Homer Bartlett.

CLEO NEWS

The Cleo annual chicken fry was held last Friday evening on the back lawn of Mr. and Mrs. Lilburn Arnold. The chicken was fried in a big pan over a butane burner in the well house. Besides all the chicken and gravy one could want there were served several kinds of salad pickles, cake, pie, iced tea and coffee.

Those attending were: Mr. and Mrs. W. T. Autrey, Mr. and Mrs. Roy Smith, Mrs. W. C. Copeland, Mr. and Mrs. George Hara, Mrs. J. G. Carrouth, Mr. and Mrs. H. H. Houtchens and Charles, Mr. and Mrs. Elvis Burch and Jesse, Dick Hara, David V. Davenport, Mrs. J. T. Greathouse, Mr. and Mrs. Elmer Dixon and Peggy, Mr. and Mrs. Weldon Bradley, Omata, Carl, Molly and Lee, Mr. and Mrs. G. B. Duncan, Mrs. Omar Shipp and Linda, Mr. and Mrs. Dick Greathouse, Elouise and Fayrene, and the host and hostess, Mr. and Mrs. Lilburn Arnold, Carol and Lynda.

The members of the choir of the First Baptist Church enjoyed a chicken fry at the home

of Mr. and Mrs. Elbert Delzier. The men fried the chicken in a big pot out under their large beautiful trees. Mrs. Burch made the gravy. There were red beans, salads, relishes, iced tea, coffee, ice cream and cookies.

A number of interesting games were enjoyed, led by Bill Stevenson.

Some 45 guests seemed to have a very good time in spite of the light shower that fell during the evening. Supper was served on tables under the large trees.

A farm lad who took a job in the big city returned home a few months later to report he was flat broke in spite of the big pay. He said, "Most of my money I spent on women and whiskey. The rest I just wasted."

The wife says that if it isn't the door bell or telephone that keeps her busy, it's the ring around the baby's neck or the bathtub.

RAMSEY THANKS TEXAS VOTERS

BEN RAMSEY, run-off candidate for Lieutenant Governor, thanked Texas voters this week for the vote they gave him in the July 22 primary election. Ramsey, shown here in his San Augustine law office, said his heart was "filled with humble gratitude," and asked his supporters to continue the fight and elect him Lieutenant Governor in the Aug. 26 second primary. Ramsey is the only experienced candidate in the race. (Paid Adv.)

Engineers at Ft. Hood Go All Out For Visual Aid Instruction

If you see a Colonel strolling around during vacation with a slightly rusted transmission or a badly bent differential under his arm, don't be too alarmed, he's not crazy, there's a method in his scrounging.

Lieutenant Colonel Arthur M. Cory, 4205 Ramsey, Austin, is currently conducting "Operation Cutaway", a program of creating orance visual aids for training Organized Reserve Corps personnel in the Fourth Army five state area. He uses unserviceable units and adds and ends from Jeeps and other Army vehicles

which are no longer of value to the Armed Forces.

From these he creates cutaway transmissions and other automotive functioning parts with pretty yellow, green and red gears to show what happens when a vehicle is operating. (With a gadget like this you might even be able to convince friend wife that rubber gears aren't really necessary when she tries to shift, smoke a cigarette, and dry her finger nail polish all at the same time.)

The project really started when Cory, who as a civilian, is an instructor of English at the University of Texas, was on 90 days Active Duty with Texas Military District in Austin last year. He presented his plan of using un-

serviceable materials for creating visual training aids for reservists to Colonel Paul B. Malone, Senior Army Instructor at TMD, who was enthusiastic over the possibilities of the project. The two colonels were successful in convincing Fourth Army Headquarters, in San Antonio, of the value of the project and Cory completed his plans.

This summer Col. Cory came back on active duty with the 90th Infantry Division, an Army Reserve unit from all corners of Texas, commanded by Brigadier General Arthur P. Watson, 11 Miles Road, Austin. Watson gave the green light for using the 790th Ordnance Maintenance Company, from San Antonio, as the project builders. Captain By-

ron E. Taggart, Machine Shop Instructor in Emerson High School, San Antonio, accompanied this unit.

Assisting Cory and Taggart this summer are Sergeant Hilton D. Burns, 218 Edmonds Avenue; Sergeant Truman W. Haase, 317 Gulf Street; Sergeant Clarence P. Rockowitz, 142 Elgin Avenue; Corporal Max A. Staudt, 1701 Lamanor Boulevard; Private First Class Lelorez Mendez, 107 Lois Avenue; and Master Sergeant Warren V. Herndon, 701 Gulf Street, Austin, also assists Cory.

In less than ten days these reservists constructed operating brake mechanisms, fuel pumps, universal joints, and starter displays that virtually explain themselves. Lieutenant General

George J. Fofster of the Fourth Army G-3 Section, to give emphasis to the project and have four additional sets made to be used by the Reserve unit instructors in key cities in Texas.

Colonel Cory feels this project will accomplish two important missions to the Army, (1) it provides excellent training for ORC personnel, and (2) it provides training aids to the Army at a minimum expenditure.

Any way, you'd better keep a sharp watch on that beat up, old jalopy—Colonel Cory might see it as a potential training aid.

No one objects to how much you say if you say it in a few words.

Record Breaking Jersey Will Show At Texas State Fair

Among royalty who this fall will visit the State Fair of Texas Mid-Century Exposition, Oct. 7-22, will be one queen who is a great cow—and proud of it.

Even her name suggests the dignity of royalty—Orland Signal Vol. Sable. This is not considered too much of a name for the world's highest producing Jersey who during one year yielded a record-breaking 19,497 pounds of milk.

Sable will be a feature attraction at the All-American Jersey Show, largest cattle breed show in the world, to be presented at the 1950 Fair. She will be on hand to receive the adulation of the populace all 16 days of the Fair.

At the Fair, Sensational Sable, as she is known to the Hangers-on of her court, will be treated like the queen she is. Her stall in the Fair's \$250,000 cattle barn will be richly decorated to the queen's taste. Lackeys-in-waiting will attend her at all times while she chews her royal cud.

However, Sable's success in life is due not merely to her own serious efforts. She is the result of a plan of careful breeding extending back far beyond the turn of the century. Her father is Observer Blonde's Signal, highest tested senior superior sire in the nation. Her mother, too, was a champion.

Her owners are a young Texas couple who are breeders in the best tradition of the cattle country. They are Mr. and Mrs. Chester Elliff of the Victory Jersey Farm near Tulla, high in the Panhandle.

To help the champ achieve her amazing record, completed in 1949, the Elliff's milked Sable by hand four times every 24 hours for 365 days. During this period they fed her 7,798 pounds of a tasty mixture of oats, wheat bran, alfalfa leaf pellets, cottonseed meal, soybean meal and salt.

As a result Sable's output was almost rich enough to whip. Her 19,497 pounds of milk produced 1,223 pounds of butterfat. She was the first Jersey to produce more than 1,200 pounds since 1934.

As a butterfat producer Sable has received the Medal of Merit, and the Gold and Silver Medal—distinguished service orders of her profession. But what are medals compared to quarts of good rich milk—and dairymen who know say that's where Sable is really able!

Remember when we used to get a premium with everything we bought—and another when we paid the bill? Nowadays the only premiums we hear about are the insurance kind.

Some men are known for their deeds. Others for their mortgages.

To monopolize a conversation it to monotonize it.

One thing that can be said for the automobile is that it virtually stopped horse stealing.

The modern mother is one who can hold safety pins in her mouth and puff on a cigarette at one and the same time.

The opportunist meets the wolf at the door and gets a hide for a new fur coat.

PARTY LINE COOPERATION Also SCORES with everyone!

If you want to make a hit with your telephone party line neighbors, just do this:

1. Use the line sparingly.
2. Space your calls reasonably.
3. Be sure to hang up the receiver carefully after calling.

This cooperation is team play that will help bring better telephone service to everyone.

DEARBORN LOADERS
 FOR THE FORD TRACTOR
 Save Your Back and Muscles—SAVE MONEY TOO!
 No matter which of 3 models you select you will be doing your back and arms a big favor... handles dozens of jobs, all materials! You get "a lot of loader" for a low price because all models have the same basic frame, lift arms and ram cylinders. Any model can be attached to the Ford Tractor in 30 minutes or less; detaches even faster. Material bucket, manure fork or crane attachment for all models. (Priced and sold separately.)

STANDARD LOADER (Illustrated)—Lifts 750 lbs. with Ford Tractor Hydraulic Touch Control. Dumped by convenient mechanical lever. Kits available convert this model to either of other two models.
HEAVY DUTY LOADER—Lifts 1000 lbs. by its own hydraulic pump; leaves tractor's hydraulic mechanism free for operating blade, scoop, etc. Kit converts it to model described at right.

HEAVY DUTY LOADER WITH HYDRAULIC BUCKET CONTROL. Bucket can be hydraulically held in any position, dumped or partially dumped when raised or lowered. Handy when digging into material for "right" angle of attack.

Farmers Have 10 Days Left for Classing

Farmers have only 10 more days to file their applications for free government classing and marketing news services, Leil O. Buchanan said today.

Mr. Buchanan is in charge of the Lubbock cotton classing office, U. S. Department of Agriculture's Production and Marketing Administration.

August 15 is the deadline for filing applications for these services due all farmers who belong to organized cotton improvement groups.

Last year, 98.6 per cent of the cotton ginnings in this area were classed by the Lubbock cotton office. This cotton was classed for farmers without cost under the Smith-Doxey Act, Mr. Buchanan reported.

Applications should be mailed to your local County Agent or to Mr. Buchanan, 1701 Avenue H, Lubbock, Texas.

Mrs. Blanche Gibbons of Amarillo, district supervisor for Beauty Counselors Cosmetics, has been visiting Mrs. Lorene Farris this week. Mrs. Farris has accepted the local dealership for Beauty Counselor Cosmetics, and has announced that she would give free skin analysis on next Wednesday and Thursday by appointment.

Wise County Old Settlers

The Wise County old settlers reunion slated for August 20th in McKinzie State park at Lubbock, Texas.

All former Wise County residents are invited to attend this all day meet, bringing well filled baskets. Lunch on the ground at noon with an interesting program to follow. A large crowd is expected for this annual affair.

Mr. and Mrs. Frank Latimer and children are at Ruidosa, N. M., this week for a vacation outing.

Mrs. M. A. Kelly and children returned home Wednesday from a visit with her relatives in Dallas.

Mr. J. C. Fulkerson received word Monday that his nephew, Hugh Bohem, of Flatonia, had been killed in action in Korea. Bohem was a member of a plane crew shot down in the Pacific war zone.

Card of Thanks

We wish to express our sincere thanks to the many friends who were so kind and thoughtful to us during the death of our little daughter and granddaughter, also for the beautiful floral offering. May God's richest blessing be with you.

Mr. and Mrs. Bob Killough
Mr. and Mrs. Henry Stalcup
and Shirley

Roulette gets hurt while the reckless driver is seldom the only one injured in a highway crash. The comparison is good, and ideas like this one by young men of our country have been responsible for many of the good things that we daily take for granted.

Texans should be ashamed of their hoarding practices. According to reports, hoarding has been more prevalent in Texas than any

of the other states. Some reason for this might be because the buying public in Texas has more funds to buy with than their less fortunate fellow citizens in other states. Then too, Texas might still have the idea if there is a war that Texans will have to win it and that they might as well get the lions share of the luxuries of life while they are available. Let's stop buying stuff we don't need it's not a good policy.

about dimmitt..

(Continued from page 1)
munist aggressive threat in all of its forms.

The August political campaign will be quiet and chances are that very few voters will find their way to the polls. Texas voters should, however if for no other reason, go to the polls and vote against J. E. McDonald for State Commissioner of Agriculture. The incumbent has been elected repeatedly to the office since the early thirties and all the while has been lambasting the party which was placing him in office. If he can be elected to the office as the candidate of any other party or as an independent, fine and dandy, but to return him to office year after year and let him use his prestige of office to condemn and criticize the Democratic party, both state and national, seems to this writer to be the height of folly. Personally we wish he wouldn't get a vote in Castro County. He is opposed by John C. White of Wichita Falls.

There is going to be a lot of work to do in making a success of the Castro County Old Settlers Home Coming. If you have any time at all to spare ask John McFarland or Joe Cowen what you can do to help. It is going to take all hands and several cooks to make the affair a success.

A three day drouth last week let local farmers get in some much needed plowing time. Many of the ones we have talked to say that they have everything under control and that with a few more days plowing all these pesky weeds will be nipped in the bud.

Tyson Eubanks, formerly of Dimmitt and now of Bovina, has suggested an idea to combat reckless driving that is catching on and which could possibly be credited with saving lives on the highways if fully developed. Eubanks has suggested the slogan, "I will not play Russian Roulette on the highways." Some practices of reckless driving is compared with the game of Russian Roulette in which a screwball twirls the cylinder of a six shooter, containing only one cartridge, and then places the weapon to the temple and pulls the trigger. Chances are five to one that no harm will be done. Hazardous driving practices offer about the same element of danger. The only differences is that only the principle in Russian
