

# 'Cats Defeat 'Horns For Bi-District Crown 60-51

The Dimmitt Bobcats picked up for themselves a clean bi-district title Tuesday night when they drubbed a hustling Lockney Longhorn team 60-51.

With much less trouble than they had getting out of District 1-AA, the Bobcats rolled on toward the regional tournament at Lubbock this weekend, aiming for a clash with Perryton at 11 a.m. Saturday in the Coliseum. The winner of that game will play the winner of the 12:30 Fort Stockton-Dublin game at

9 p.m. Saturday. The winner of that game will be Austin-bound with a regional championship in its hip pocket the following weekend.

Couch Kenneth Cleveland was pessimistic this week about his chances against Perryton. "They're a tremendous team and Fort Stockton is worse yet," he says. Fort Stockton is given the unofficial nod over Dublin in pre-game pickings. Perryton did a little better against White Deer than did the Bobcats. They

have a 25-4 season record against the Bobcat's 21-10. Lockney started off great guns Tuesday night, but their on-again, off-again scoring punch was no match for the Bobcats' methodical scoring. Paced by the tremendous 23-point scoring of Michael Calvert, the Bobcats made up what they lacked pegging rebounds in scoring ability. The Longhorns actually led until just before the half when Dimmitt pulled away,

leading at the half, 30-25. Kelton Cates scored 13 points for second place scoring honors for the victors. Ronnie Belt paced the losers with 16. The Bobcats hit on 22 of 41 field goal attempts for a better than fifty percent average while Lockney scored on only 23 of 59. Dimmitt led 48-40 at the end of the third quarter. Both teams were tied 14-14 at the end of the first quarter.

about dimmitt and castro county by bascom nelson

The orbital flight of Col. John Glenn was a tremendous thing, literally immeasurable in its import to the future. It is miraculous that such a technological conquest could be made, even in this day and time. The entire project has been a tribute to mankind's ability to work wonders with the tools at hand. Even with this success, however, it is just a pausing place in the unrelenting outer space competition with the Russians. Next is the race to the moon, perhaps even before manned orbits become commonplace.

It wasn't so long ago—35 years to be exact that Charles Lindbergh flew the Atlantic. Despite the tremendous accolade due Col. Glenn, we feel that for raw courage and blind faith, nothing in aviation ever has or ever will approach the tremendous feat of Lindbergh. In a primitive airplane, with an unproven engine, he was on his own through the storm and fury of the North Atlantic for over thirty hours never knowing what the next few minutes would bring and out of contact with the outside world. Advances in aviation, from Col. Glenn on back, have demanded tremendous men with courage and devotion who were willing to take a calculated risk to open a door for mankind. Strangely, almost without exception, none of aviation's heroes have been daredevils. Like Lindbergh and Glenn, they have been sane, sober workaday pilots, dedicated to the proposition that swift travel through the air would help provide better world communications.

There has been a long list of these people, beginning with Walter Wellman and his crew who attempted an Atlantic crossing in the dirigible "America." Primitive engines and poor design forced him to abandon it and board a ship after traveling 1,200 miles.

Then Navy pilots Reed, Alick and Brown attempted a hop, skip and jump crossing in massive early day hydroplanes but only one made it as far as the Azores. Then two more men, Englishmen by the names of Hawker and Grieve, took off from Newfoundland for Ireland in a 375-hp. Sopwith biplane, but they never made it, going down in the North Atlantic after suffering a badly overheated engine. They were picked up by a ship. Then two British pilots, Capt. John Alock and L. Arthur W. Brown, used a converted Vickers - Vimy Bomber with two 350-hp engines and a cruising speed of 90 miles an hour to cross the strip from Newfoundland to Ireland. They made it by the skin of their teeth. A dirigible, the R-34, under command of Major G. G. Scott, left Britain and arrived in the US after 108 hair-raising hours.

Charles Nungesser, a French air ace, well-educated and an aerial perfectionist, left Paris in his plane L'Oiseau Blanc, and disappeared over the Atlantic, never to be heard from again. Then Lindbergh made his successful crossing in "The Spirit of St. Louis." A score of other men, some in unpublished attempts, started out over the Atlantic and were lost. Later Richard Byrd, Amelia Earhart, Wiley Post and other attempted vast distances over the Atlantic and Pacific, often in machines quite unequal to the task. Today, airplanes similar to those at the Dimmitt airport have circled the world countless times. Piper Aircraft routinely flies one engine Comanches to customers in Europe, usually non-stop. Most companies producing low wing airplanes have seen their products girdle the globe, in a workaday fashion and without fanfare.

It is quite possible that Glenn did for space travel what the early pilots did for travel in the Earth's atmosphere.

Despite the ease of operation and tremendous safety record set by modern-day light planes, there's always somebody wanting to ham it up. Not long ago a pilot called up Love Field tower in Dallas on an emergency radio frequency. The tower informed him of their correct frequency and told him that he was on the channel reserved for emergencies. Came the reply: "Fellas, whenever I'm flying in this airplane, it is always an emergency!"

THIRTY FIFTH YEAR

DIMMITT, CASTRO COUNTY, TEXAS, THURSDAY, FEBRUARY 22, 1962

12 PAGES—NUMBER 18

### Muleshoe Man In Race for Legislative Post

W. T. "Bill" Millen announced to the News this week his candidacy for Representative of the 91st District of Texas on the Democratic ticket.

Millen was raised in the Muleshoe area, graduated from Clovis High school and has been a Bailey County farmer since 1934. He is active in many local farm organizations and has actively participated in such controversial issues as the defense of the bracero program by the Plains Cotton Growers. He now serves as legislative director of this association and has made several trips to Washington, California, Kansas City and across Texas in this capacity.

Millen's statement read as follows: To the people of the 91st District.

"I am soliciting your vote for State Representative of the district as I feel that it would be an honor and a privilege to represent the people of the area with the purpose in mind to work for honesty, integrity and economic government.

"For many years I have spent much time and money working with various farm groups for a better agricultural climate for our area and have cultivated a wide circle of friends over the great state of Texas; many of whom would a great deal of influence in area affairs.

"Having served in many capacities in these farm groups has, I feel, qualified me to represent you as a man of the people. Among the area organizations that I have had a part in promoting are: The High Plains Water Conservation District, the Hi-Plains Research Foundation at Halfway, the Plains Cotton Growers, the West Texas Agricultural Employer's Group and I now serve as director of the Plains Cotton Co-operative Association, the South Plains Soil Fertility Committee, and the Bailey County Farm Bureau. Along with others, I have spent much time and money promoting legislation at Austin for the Plains Irrigation Gas Users Association and I am a member of the founders committee of the Cotton Producer's Institute.

"My years of experience as a farm leader have seen into being such programs for the good of Bailey County as the Good Neighbor Cotton Seed Program in which irrigator farmers have cotton seed to dry land farmers who had been hit hard by drought.

"I have fought for the farmers on numerous occasions for a better FHA program with lower interest rates and have fought much bad legislation in Austin.

"In listing these activities, I hope I have not seemed boastful. It seemed to me in each case that a job needed to be done with few people to take the time to do it. I have accepted these duties, usually resulting in much loss of personal time and money.

"To represent you in Austin, would probably again mean financial losses to me, personally. But I feel a dedication to the proposition that we must have men in government that will vote for what is right and good for our country, with the interest of future generations at heart, instead of political expedience to further their own selfish ambitions and moral degeneration. A condition I see so often in our county, state, and national affairs.

"Some have asked me what platform I am running on. Standing on (Sss BILL MILLEN, Page 9)

### Hottel Plans Soil Fertility Day Program

Castro County Agent Charles Hottel this week announced the program for the annual Soil Fertility Day to be held Tuesday, February 27 beginning at 10 a.m. in the High School Auditorium.

This is a yearly program, designed to bring farmers up to date on soil conservation and yield increase data recently developed. It is the only such day of the year and it gets generally good response from area farmers. The noon meal is furnished by the Castro County Chamber of Commerce, is prepared by the 4-H Leaders Council and is served by the Dimmitt Lions Club.

Starting the program will be a welcoming address by Dr. James Wohlgemuth, president of the Castro County Chamber of Commerce. Following this will be an introduction of guests before the program gets underway with a talk on 'Livestock Feeding and Marketing,' by Dr. Byron Greiman, Livestock marketing specialist of the Extension Service.

At 10:45 will be a talk on machinery investments by James Murphy, farm management specialist with the Extension Service. At 11:45 will be a speech on the proposed watershed project on Running Water Draw, by Flip Calhoun, of the Hale County Soil Conservation District.

The noon program will be by Jack Tompkins, farm director of KFDD-TV, entitled "Public Relations in Agriculture."

At 1 o'clock will come a talk on Weed Control and Flame Cultivation based on a demonstration by Vardell Fuels, Inc., by Dr. Tom Longmeyer, High Plains Research Foundation.

Charles Hottel, Castro County Agent, will give "Results of County Fertilizer Trials," at 2 p.m. At 2:15, Dale Maxwell, Castro County farmer, will make a talk on "Cotton Production and Management."

Ending the day's activities will be a talk at 2:30 on Grass Management, by Pete Wright of the Soil Conservation Service in Dimmitt.

All farmers and other interested persons are invited to attend the program.

### Clothing Consumer Information Day Location Changed

The Castro County Clothing Consumer Information Day program Thursday March 1 has been changed from the Community Room of the Court House to the American Legion Building in South Dimmitt, Mrs. Sybil Stringer, County Home Demonstration Agent, said this week.

Other plans remain unchanged. Experts from the Extension Service will be on hand to make talks and answer questions. These include Miss Edith L. Wilson, moderator, district agent from Amarillo; Miss Fannie B. Eaton, clothing specialist, and Mrs. Argen Draper, Deaf Smith County Home Demonstration Agent. Miss Eaton will talk at 1 p.m. on "Today's Fabrics," and Mrs. Draper will talk at 1:50 on "Stretching the Clothing Dollar."

One representative of a commercial firm Miss Lily Johnson will be on hand to give laundering tips to those attending at 10 a.m. talk and the question and answer period moderated by Miss Wilson will take up the morning period. Miss Johnson, home economics consultant for the Southwestern Area of Phillips Corporation, has studied laundry equipment in the appliance industry since 1945. She has worked with other large firms in a similar capacity. She is a graduate of Kansas State University, Manhattan, Kansas.

A fashion show, featuring apparel for teen-agers, young mothers and mature women will be conducted at the end of the program, in cooperation with local retail clothing firms. Mrs. Allan Webb will be commentator for the fashion show, which is under the general direction of Jim Manning of Manning's Mrs. W. E. Beecher of Cobb's and Mrs. Edd McLeroy.

Mrs. Donald Wright is in charge of general arrangements and Mrs. Leo Witkowski will take charge of registrations.

Mrs. S. R. Hutto is chairman of the clothing sub-committee of the Extension Service program building committee which sponsors the program. Mrs. Estella Hottel is in charge of displays.

Local business concerns who are helping put on the day-long program are Southwestern Public Service Company, Henderson TV and Appliances, Cobb's Manning's Hardware, Henderson's Variety, Froehner's Variety, the Castro County News and the Castro County Chamber of Commerce.

### The Perryton Rangers vs. Dimmitt Bobcats Basketball Game

will be broadcast over KPAN—Hereford 11 a.m. Saturday Courtesy Castro County Chamber of Commerce

### New Wildcat Starts In Southeast Castro

Another exploration wildcat well has been announced for Castro County. It will be the No. 1 John L. Merritt to be dug to 9,700 feet or granite at 660 feet from south and east of Section 43, Block 10-T&NO survey. The location, in southeast Castro County, is four miles Northwest of Hart and is the last of a six-wildcat program in the Palo Duro Basin area by Ashmun & Hilliard Ltd., of Midland in conjunction with Pan American Petroleum Corp. of Lubbock. Four of the wildcats have already been plugged and abandoned and the fifth, No. 1 G. L. Willis, in northeast Castro County, is still active and drilling at 6,571 feet in dolomite.

### A Cappella Chorus to Sing at Church of Christ

Everyone is invited to hear a choral group Sunday evening at 6:30 at the Bedford Street Church of Christ in Dimmitt. The forty voice chorus of the Fort Worth Christian College and High School, under the direction of Dale Welsh, will present the program. Mr. Welsh is a former resident and teacher of Dimmitt.

### Farmers Union State President To Speak Here

Mr. Jay Naman, state president of Texas Farmers Union will be present as honored guest and speaker at an informal coffee to be held at the Steak House in Dimmitt at 10 a.m. Wednesday February 28.

All farmers who are interested in Farmers Union are urged to attend this meeting. Clinton Jackson, a Farmers Union representative from Hereford stated.

### McGuire Home Becomes Pylon For Auto Race

Mr. and Mrs. Luke McGuire were enjoying Saturday evening watching television at their farm five miles south of Dimmitt. Suddenly three cars came off the road in front of their home and started driving around and around and around their house at the highest possible rate of speed.

"It was terrible," Mrs. McGuire said. "We didn't know what was happening. They went around and around our house like they were playing hi-de-ho or something. They drove around and around the barns and all over the farm yard."

Probably the worst thing that happened was that during the fifteen-minute car-race around the house was the ruining of the new lawn Mrs. McGuire had planted. "It was torn completely up," she said. "We didn't shoot at them because we didn't want to hurt anyone," she said, "but a Latin employee who lives on our place was badly frightened and he had his shotgun out. I believe that with a little more agitation he might have used it."

Finally the cars drove off. Sheriff Jack Cartwright said he knew one of the boys and suspected another. He was checking on a dance at Nazareth when the incident occurred and could not get back to Dimmitt in time. One license number was taken. Mrs. McGuire said one car was a 1961 blue and white Chevrolet, and another was a Mercury. She said they did not get a good look at the other car. Cartwright indicated he would have the boys go out and repair the lawn and any damage as soon as they were located. Busy with a court session, he said he had not had a chance to pick them up.

Mrs. McGuire said their farm home is at the end of Cemetery Road where many drag races take place. One such race ended in a grim game of mechanical tag around an around their house.

### Cub Scouts to Have Blue and Gold Banquet

Cub Scout Pack No. 267 are having their blue and gold banquet Tuesday February 27 at 7:30 p.m. in the school cafeteria.

A program has been planned and all persons interested in cub scouting are invited to attend. E. B. Noble, cub master stated.

### Rodeo Association To Meet Monday

The Dimmitt Rodeo Association will meet Monday, February 26 in the Steak House at 8 o'clock. Only refreshments will be served, according to Herb Mayfield, president. Purpose of the meeting will be to elect officers and set the 1962 rodeo date. "It is very important that every member attends," Mayfield said.

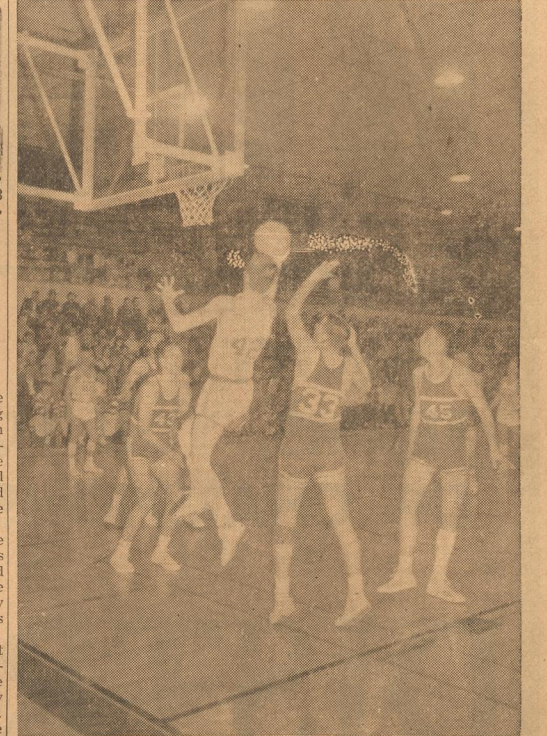

### Former Dimmitt Man Suffers Fire Loss

Harold Johnston, son of Mrs. W. C. Johnston of Dimmitt and former school student here, suffered slight burns Wednesday when a welding torch he was using in his machine shop in Cleburne exploded.

He dived through a window and into a creek at the rear of his building while the fire spread. He suffered an estimated \$40,000 loss to his building and equipment which was not insured. He had been in business there nine years, since his discharge from the army. Mrs. Johnston said this week she did not know for sure whether or not her son would rebuild.

### City Commission Election on April 3

Dr. Charles Vandiver, local dentist, has agreed to be a candidate for the city commission in an election April 3. Filing deadline is March 2 for the two year term. One other candidate at least must apply since both present commissioners are not seeking re-election. Now on the city commission are Joe Benson and Glenn Rateliff. Benson has served three terms and Rateliff one and a partial term.

Jim Ratcliff (42) plops one in in the second quarter of Tuesday night's game with the Lockney Longhorns at Canyon despite the blocking attempt of Robert Holland (33). Watching to see if he makes it are Longhorns Ronnie Kidd (45) and Lavon Baughman, (43). Dimmitt won 60-51 and became bi-district champs.

### City Bowling Tourney Set for March 17-18

Cotton Bowl Lanes will open a City Bowling Tournament on Saturday March 17 to continue through March 18. This is the second annual tournament conducted here.

Team bowling is scheduled for the first day of the tournament and singles and doubles are set for the second day of the tournament. Anyone who belongs to the city association or one who has a WIBC card is eligible to bowl in the tournament but entry must be made by March 5. Whatever ones average is on March 1 will be the average upon which he begins tournament play. Entry blanks are available from Cotton Bowl Lanes or Mrs. Buster Cooper. Entry fees are \$3.00 per event and \$1.00 for all events.

### High School Gives "Cheaper By the Dozen"

An adaptation of the famous Broadway production "Cheaper by the dozen" is being presented by the Drama Department of Dimmitt High School under the direction of James Bates on Thursday and Friday nights February 22 and 23. Curtain time is 8:15 p. m. in the high school auditorium.

"Cheaper by the Dozen" is about Mr. and Mrs. Gilbreth and their 12 children. Each of their 12 children are plagued with the whimsical ironies common to all youth in the sometimes painful process of growing up. For instance Ernestine is desperately trying to attract some eligible senior in order to have a date for the big school dance. She wins the school debate with an impassioned plea against drinking, but merely convinces everyone that her father drinks. As Ernestine appeals to her mother for help, the phone starts ringing bearing sympathetic messages from Mother's women friends who didn't know until now that her husband is an alcoholic. Despite Mother's indignation she is touched by Ernestine's fear that if she doesn't get to go to this one prom she is destined for spinsterhood.

Father complicates the many situations such as this one because he is trying to rush his family into an early bloom of self-reliance and efficiency owing to the fact that he has a serious heart condition and wants to have his family as close as possible to independence to lighten Mother's load. None of the family know of his illness. He is so engrossed with teaching what he considers to be the more important things of life that he forgets his children are normal youngsters and doesn't think at first that his daughters should date at all. This leads to further misunderstandings and humorous situations but in the end the family finally grope their way to a better understanding.

Cast in the play are Steve Weston as Mr. Gilbreth; Kathy Gollehon as Mrs. Gilbreth; Part of the twelve children are Donna Beyer as Ernestine; Larry Scoggins as Frank; George Froehner—Jackie; Robert McLean—Dan; Jerry Morris—Bill; Arnold Acker—Fred; Beth Beecher—Anne; Linda Robinson—Lillian; Deborah Buckmaster—Martha; Kathryn King—Mrs. Fitzgerald; Wayne Meacham—Doctor Durton; Mike Goodwin—Joe Seales; Gayle Buckmaster—Miss Brill; and George Wall—Larry.

Helping Mr. Bates in the capacity of assistant director is Dick Shackelford. Student director is Ernestine Waggoner. State managers are Jackie Nichols and Michael Patterson. Arlene Ewing does the sound effects, Speech II Class is responsible for stage setting, and Donnie Nelson is house manager.

These are three of the thirty-five tractors and operators on the Glenn Hatla farm south of Dimmitt Tuesday plowing while the owner was with his critically ill son in Lubbock.

### Friends Plow Hatla Cropland

Farmers from Sunnyside, Flagg and Bethel and Dimmitt proved how good neighbors can be Tuesday and sent some thirty-five tractors to break and disc the farm of Mr. and Mrs. Glenn Hatla who live some eight miles south of Dimmitt.

This massive farm operation that had tractors moving around over the Hatla fields like a small army of ants began early Tuesday morning and the farmers' wives fed the men in the Flagg community building.

This was not the first community work day on the Hatla farm. Mr. and Mrs. Hatla have been plagued with major illnesses in their family. First it was Mrs. Hatla who had to have heart surgery in Houston and their neighbors tended the farm while they were down there. Then their child, Danny Glenn, now 2½ years old, was stricken last October with encephalitis. Complications set in and he is not expected to live. The parents are

with the child in a Lubbock hospital and relatives here say there is no hope left for Danny Glenn. So it was to help this young family, burdened by tragic illnesses and tremendous medical expenses, that their neighbors Rex Wooten and Gus Holcomb have set up the operation to keep their farm going. Later they will list the Hatla land and apply fertilizer furnished by Chem-Tex Farm Supply and Kirkpatrick Sales Company.

Dimmitt Church Histories—III

Presbyterians Met First Time in New Building in 1904

The following is a continuation of the history of the Presbyterian Church in Dimmitt.

By D. C. LAWRENCE  
Minister, Falls Church of Christ

The officers of the Presbyterian Church convened for their first business meeting in the new building before the hour of worship, Sunday June 5, 1904. Those present were: Moderator, A. W. Crawford, A. I. Owen, ruling elder. The other ruling elder, B. T. Bell, was absent because of illness. They gave thanks to God for the new house of worship, and adopted four rules to govern its use:

1. That the house shall be used for no purpose other than the Worship of God and such other meeting of His people as may be connected immediately therewith;
2. That as there is no prospect

of our using the house except for two Sabbaths in the month at any time in the future the other denominations of God's people residing amongst us are cordially invited and expected to use the house for divine worship as freely as if the title inhaled in themselves:

3. That the pulpit shall be open to any minister whom the pastor or pastors or the body of the members any of these sister denominations may invite or be responsible for;

4. Any other minister or person purporting to be a minister deservating to use the building and not having the endorsement of the pastor or body of the membership of any of these Sister denominations must apply to the session of this Church for permission to so use it, and the house shall be opened to them only after action to that effect by the session. These rules are adopted, not to exclude any proper person but only to prevent improper persons from making uses of the house of God. It is further ordered that these rules be read from the pulpit at the morn-

ing service this day, and that a copy thereof be sent to the pastor or pastors of the denominations of God's people now in our midst as our formal invitation to them to share with us in the use of His house.

The regulations were observed scrupulously, and all religious groups had access to the building until such time as they erected their own buildings.

The opening of the New church building initiated a new era in Dimmitt. Announcement regarding the initial service was made in the Hereford Brand.

J. W. Hough this week completed the Presbyterian Church at Dimmitt and that enterprising little village can now boast of an elegant church in which to worship. We wish to congratulate the people of that community . . . and trust and believe that many more good things will come to them. We are requested to announce that the first service will be held in the new building on the first Sunday in June.

The sermon of dedication was preached by the Reverend A.W. Crawford, Presbyterian Minister from Hereford, Sunday June 5, 1904.

**Early Years**  
During these early years, the Presbyterians took the lead in securing regular support for preachers who served the community. A congregational meeting was called . . . for the purpose of taking such action as may be necessary in fixing and procuring this church proportion of the salary of the Evangelist in charge." One preacher had traveled by buckboard to Dimmitt from Silverton, some sixty miles away, to preach, bury the dead, and perform marriages. He was "paid" in vegetables, melons, and feed for his horse. Once he was given a new suit of clothes. But, all this was soon to be changed. Dimmitt was to have a salaried preacher.

Material gains did not always bring corresponding increases in spiritual zeal. One scribe gave vent to his feelings pertaining to the religious indifference of the county. " . . . We think people living in 8 (eight) or 10 (ten) miles of Dimmitt should say no more about living so far from church that they cannot attend." Others also were denounced: "Some living right in town and others near by find various excuses for not going to church."

The Presbyterians were not deterred in their ambitious endeavors during the next few years, even though money was scarce. In 1913 the elders decided to make an "everymember" canvass in order to raise more money for Home Missions, Foreign Missions, and Ministerial relief. Part of their success is revealed

by the "Statistical Report" of the Dimmitt Presbyterian Church submitted to Panhandle Presbytery for the year ending March 31, 1913. The preacher had been paid a total of \$200. for the year, \$15. had

been donated for Foreign Missions, \$60. for the Local Home Mission, \$1.00 for the Orphan's Home. Total expenditures for the year were \$530.00, indicating quite an increase over previous years.

HART NEWS

STOCKSHOW BUYERS

The second annual Castro County Fat Stock Show Buyers Banquet was a large success. The banquet was held in the new Hart School Cafeteria and was attended by approximately 200 people.

The invocation was given by R. C. Bailey, all buyers and parents were given special recognition. All of the exhibitors of Champion animals were also recognized. The speaker was Mr. Jack Thomphin, Channel 10 Farm Director, of Amarillo. Mr. Thomphin gave a very inspiring talk.

Gross of the sale was announced as \$26,000 with \$16,000 being paid in premium. This is a fine tribute to the buyers.

**MOTHER BURIED IN Wellington**  
Mrs. E. S. Copeland, 60, resident of Wellington area 37 years died at 9 p. m. Thursday in the Harmon County Memorial Hospital in Hollis, Oklahoma.

Funeral services were held at 2:30 P. M. Saturday at the First Baptist Church with Rev. Glenn Hickey, pastor, officiating, assisted by the Rev. Robert Cargill, pastor of the First Baptist Church to Hollis, Oklahoma.

Burial was in the North Wellington Cemetery under the direction of Kelso Funeral Home. Survivors include her husband and 1 son, Bob, of Wellington, who was Grade School Principal at Hart from 1958 to 1960 two daughters, Mrs. C. B. Carter and Mrs. Sam Crow both of Hollis, Oklahoma.

Mrs. John Lacy, Mrs. Curry, Wayne Curry and Mrs. W. C. Lacy was visiting John Lacy at Ft. Carson Colorado over the weekend. He will be home March 2 and will then be transferred to Huntsville, Alabama.

Mr. and Mrs. Lee Harris were in Wellington this weekend to visit with her mother Mrs. W. V. Huffman.

Mrs. W. H. Felder was called to Plainview to the bedside of her daughter Mrs. Jack Godfrey who underwent emergency surgery Thursday.

Mr. and Mrs. Judd Davis, Mr. and Mrs. Jimmy Davis were in Amarillo Saturday.

Lloyd Davis and Truman Swopes were in Hart on business recently. Mrs. Allene Lilly is in Venita visiting with her daughters Mrs. Lloyd Davis and Mrs. Truman Swopes.

**AUCTION COMPANY**  
L&P Auction Company, located on West Highway 60 intersection with the Dimmitt Highway in Hereford, will hold its first household goods sale Saturday, March 3. The new firm plans to take machinery consignments later. It is owned by Aubrey Lewis and W. P. Phipps of Hereford and sales will be held every Saturday at 7:30 p.m.

About Your HEALTH

A quality public service from the Texas State Department of Health.

HENRY A. WELLS, D. O. Commissioner of Health

There was a time in Texas when one of the ravaging diseases was typhoid fever. Whole communities were struck and many victims died.

With the advent of chlorination for public water supplies, increased education efforts on the construction of private wells and water supplies plus modern epidemiological techniques, typhoid fever has steadily declined.

However, 1961 saw a slight rise over the previous year according to the weekly Texas Morbidity distributed by the Texas State Department of Health.

The number of typhoid fever cases last year rose eight percent over 1960—from 78 reported cases to 84.

Deaths from typhoid fever run lower than any other disease except typhus and malaria which are no longer public health problems in Texas.

Morbidity figures are not yet complete for 1961, however, there were four deaths during each of the three previous years. (Totals of statistical figures on deaths usually take several months because of the thousands of records that must be scanned before accurate figures may be completed.)

Typhoid fever is still endemic to some rural areas of the United States, but in Texas cases are usually sporadic, with an occasional small cluster traceable to a single source or carrier.

Transmission can be by direct or indirect contact with a patient or carrier. Ingestion of contaminated food and water can spread the typhoid organism over a wide area.

The administration of typhoid vaccine to persons subject to unusual exposure through occupation or travel, those living in areas of high endemic incidence, and institutional populations in which maintenance of sanitation is difficult, is generally recommended.

The discovery and supervision of typhoid carriers is still an important part in the control of the disease. Certain occupations are restricted until laboratory tests demonstrate the carrier to be non-infectious.

**WAXHATCHIE VISIORS**  
Miss Billie Kitchens and Miss Donna Holland of Waxahatchie spent the week-end with Miss Kitchens' parents Mr. and Mrs. Bill Kitchens.

Irrigation Gas Users Association Makes Statement

Farmers representing twelve Panhandle and South Plains Counties heard a report Tuesday night at the Hilton Hotel in Plainview from David Burgess, President of the Plains Irrigation Gas Users Association regarding the effort made by the group to secure legislation at the recent Special Session of the Legislature. The legislation sought would have given to farmers the same right of appeal to the Railroad Commission as is presently enjoyed by incorporated cities, towns and villages, when the farmers are served by gas companies who also sell domestic consumers within the limits of incorporated cities, towns or villages.

The meeting was attended by over 100 farmers and businessmen, which was the largest delegation ever present at a Board of Directors meeting of the Plains Irrigation Gas Users Association. Burgess commended the group on the conduct of their effort to secure the legislation in Austin, and the group enthusiastically responded and without exception expressed determination that no effort would be spared until relief had been secured. The Board of Directors was commended for the effort made at the Special Session of the Legislature, and many farmers present expressed gratification that the legislation went as far as it did, passing both the House and the Senate, and then getting bogged down in the closing hours of the Special Session.

Mr. Burgess reported to the group that more than 400 busy irrigation farmers and businessmen had paid their own expenses to Austin and devoted their time in a well-coordinated effort to obtain corrective legislation. Reports from Lubbock, Lamb, Potter, Randall, Swisher, Castro, Floyd, Briscoe, Deaf Smith, Parmer, Bailey and Hale Counties indicated that the Plains Irrigation Group was rapidly growing in size and that farmers over the entire area had been convinced by the effort made at the Special Session that relief would be forthcoming and that by a strong united effort, irrigation farmers could be given the right to have their gas rates reviewed so that they could buy gas at a fair price.

Question and Answer Periods  
11:15 a.m. and 2:15 p.m.

MISS LILY JOHNSON  
"Laundering Tips" 10:00 a.m.

By SYBIL G. STRINGER  
County Home Demonstration Agent

The fashion look for dresses this season will feature femininity. Look for sleeves, normal waistlines, waist-length jackets, ruffles, bias cuts and soft skirts.

Many different shapes will be in vogue. These will include the princess style, flared skirts, raised waistlines, overblouses and the popular jacket dress.

Three-piece costumes also will be featured, with open cutaway jackets made with narrow revers. Tunics, overblouses or tuck-in blouses will be worn under coats and jackets of varying length. Stoles will be used for daytime as well as evening.

Also popular this season will be lightweight fabrics such as chiffon organza and crepes. Textured silks, silk-cotton and all-cotton tweeds, and smooth silk and worsted blends will be used in quantity.

Picturesque colors will be popular, along with brown as a neutral, black and white, and yellow-greens and blues.

Handbags will take a ladylike approach to spring. Although a variety of handbag shapes will be featured, they will be trimmed down in size.

Colored patents and reptiles will look new this spring. Smaller and more slender handbags, envelopes, sleek lines and semi-circular handles and rounded bases will be other new features.

In gloves, four-button models to meet longer sleeves will be used as well as eight-button lengths. Neutral-toned leather colored fabrics and stretch nylons will continue to make glove news.

Seamless stretch hose will be available in a wide variety of fashion shades this season. Demi-toe and sandalfoot hose will be popular.

For more information and a view of the 1962 spring fashions, attend the Clothing Consumer Information Day, March 1, at the American Legion Hall.

## SPS Plant X To Receive New Generator Unit

A. R. Watson, President of South Western Public Service Company, has announced that the Missouri Valley Constructors, Inc., of Amarillo, has been awarded the contract to build a 210,000 kilowatt turbine-generator unit at the company's Plant X, located 7 miles north of Amherst, Texas.

Construction will begin this week, with completion scheduled for June 1964.

The new unit, manufactured by the General Electric Company, is the largest single turbine-generator ever installed in the area served by Southwestern Public Service Company.

In making the announcement, Watson stated that the new addition represents an investment of \$15,000,000 and is dramatic evidence that this region continues to be one of the fastest growing sections of the country.

This will be the fourth generating unit at Plant X, and will bring the capability up to 487,500 kilowatt and the total for all 12 of Southwestern's plants, to more than 1,200,000 kilowatts.

The electrical construction will be handled by service Electric Company, Carlsbad, New Mexico.

## Bill Millen...

(Con't from page 1.)

the side lines looking on, here are just a few of the things that occur to me:

1. Correction of the irregularities in the new sales tax law.

2. I believe that the Advalorem Tax should be abolished or turned over to the towns or commissioners courts.

3. Work for a fair deal for the farmer Irrigation Natural Gas Users (In which they would have the same privilege as the towns and villages.)

4. A small loan regulation bill.

5. Prohibition of obscene movies, as well as obscene books in our school libraries.

6. Stronger lobbyist regulation.

7. Continued improvement in our public schools and colleges.

8. Adequate legislation and financing to attract industry and tourists to Texas.

9. Defend the recent tax placed on gas pipeline companies.

10. Modify the Auto Insurance Merit Rating Plan to make it more equitable.

I will also stand for more state rights and less centralization of government.

Sincerely,  
Bill Millen

VOLUME XXV OFFICIAL PUBLICATION OF DIMMITT HIGH SCHOOL STUDENTS NUMBER 24

## Mrs. K

"Let us sink atom bombs along with the other weapons in the deep-sea part of the ocean and live with our weapons, as good neighbors, going about our peaceful affairs." Those words were spoken by Mrs. Nikita Khrushchev, wife of the Soviet Premier, to women of the United States.

In recent weeks American women have written Mrs. K. concerning disarmament. She made her reply during four nine-minute broadcasts in English over Moscow radio.

Western observers in Moscow recognized the speech as propaganda designed to further Khrushchev's plans for disarmament, Soviet Style.

Her speech was closely associated with the Soviet plan for "general and complete disarmament." This proposal was originally made by her husband, but it failed when the Russians refused to permit inspection on Soviet soil.

She blamed the breakdown of the Geneva conference completely on the West, and she defended the resumption of Soviet nuclear tests as a move Russia regretted but one forced upon it by the Western allies.

"No one in our country profits by the arms race or could expect any advantages from war," Mrs. K. said. "Our government wishes to reach agreement with the Western powers to this effect," she added.

She said she was speaking because she had been receiving letters and cables from various parts of the U.S.A. from California, Ohio, Oregon, Maryland, Indiana, North Carolina, and other places.

They were from women who are greatly concerned about the main problem of the day, which is how to prevent war and build up world peace; how to prevent a nuclear age slaughter.

She closed with an appeal to sink atom bombs and live without weapons, as good neighbors, going about our peaceful affairs. Only then can every mother's heart be at rest about the health and life of our children.

The Russians talk a great deal about peace, yet at the same time factories run day and night to devise newer, bigger, and more powerful and destructive weapons.

They say they want disarmament but they refuse to let anyone inspect the internal parts of their country. It leaves room for wonder when the Soviet Union says they will tell us whether or not they are preparing war arms. Their word is as good as gold, they say, but what kind of gold? It could not be the precious metal used for many valuable things.

Therefore it could only be fool's gold, which is as worthless as a wooden nickel. Just think about their record of past dealings with peoples all over the world. They have made many big promises and signed stacks of treaties. Yet, somehow those promises of equality were never fulfilled. The people of the Soviet Union are still slaves to an egotistical, radical, dictatorial government. They managed to forget about the treaties and they were stacked away in some corner to be forgotten and to collect dust. They would be completely worthless except for the fact that they form a link in the chain of deceit and lies that Russia is manufacturing and which is becoming wrapped tightly around her, and which will someday cause her to become so involved in trying to keep her stories straight that she will find herself entangled in an unyielding mass of horror. She will find that it was her fault, and only hers, and it will no longer be possible to blame her Western Allies for her own stupidity.

Dictatorships cannot survive for long until the people realize what a poor excuse for a government it really is, and they will refuse to live under such conditions.

## CAMPUS CHAT-

Every week the campus chat is supposed to be new, different, and interesting. This is hard to do. All week I racked my poor tired brain trying to think of something that hasn't been used as of yet.

First I thought of being a shining star but after seeing a few kids Friday night, kids like Jim A. and Marikay, Lonnie and Sandra at the show, I felt this had no good points. Then I saw Cecelia, H.S. & Glenda and Glen. I thought I would be a road map but this led nowhere. Well, Steve H. and Greta N., David V. and Janis M. were getting a coke and this gave me a little spark of an idea but it soon burned out.

Saturday night about got me. I thought I would be a hobgobbling and scare people. First I tried to scare Paul E. and Pam D. They must have nerves, like wow! Steve H. and Greta N. were not frightened in the least. Ina and Jacky finally discouraged me of being a spook when they entered the show. I sat down and cried. I felt like I was a big flop. While crying I saw through misty eyes that a lot of kids were going to the show.

Donna and Wayne, Jim C. and Sandra S., Dwight and Suzanne, Donny and Wanda, Gary and Carlane, James C. and Sharon C. saw me and told me to go take an aspirin. You see my head was splitting from crying. I didn't know which kind to take so I pecked in the Buckmaster's window to see a T. V. add. I saw Darless, Gary and Georgene eating supper. How sweet!!

Well, I disguised myself as a god and trotted back to town. Again I saw Jim and Gayle at the show. I heard a car coming, and as I was in the middle of the road, I moved. It was Gerald and I don't know who else coming from Hereford. Earth had company. Texas I mean not the planet. Carol B. and Larry Phelan were watching the show there. Gayle B. seems to have something wrong with her left hand. Could this be a heavy senior ring I wonder? Larry B. is going steady with Kay B. she's from Tulia now. I don't know, Larry. Tulia? I also saw Freda A. and Loren Young.

Sunday found me again wondering what to do. Thought after rotten thought entered my head but the one that stuck was a snake charmer. Miss Williams and Mr. Brown came by and so did Miss McGreggor and Jim Willis. There seemed to be more going on at the Steak House. Rucy C. was having a surprise birthday party. Martha T., Wanda H., Doris Mc., Sharon C., Beth B., and JoAnne D. were there. They were riding around afterward except B.B. she had play practice. Sheri and Mike were at the show but didn't stay

## Bound for Canyon

The winners of the Typing I and and Shorthand contests have been chosen. The winners of the Typing Contest are:

1. Janice Nelson, with a score of 116.48

2. Kent Gabel, with a score of 108.51

3. Clint Summers, with 108.37

4. Linda Morrison, with 91.63

5. Dale Leinen with 90.48

These scores were judged on the basis of net words and accuracy. The Shorthand winners are:

1. Marvalynne Duham, with 97.75 per cent accuracy on an 80 wpm. take.

2. Linda Shepherd, with 96 per cent accuracy on and 80 wpm take.

3. Linda Harlan with 81.75 per cent accuracy on and 80 wpm. take.

These takes were based on the per cent of accuracy and the time of transcription.

These winners will all go to Levelland on March 3, for a practice contest. The four rating highest in typing and shorthand will then represent Dimmitt at Canyon for district contest, held on March 31. The typists participating in the district contest will be given several warm-up timings before they are given two five minute contest timings.

The contestants must select the better of the two and submit it to be judged. The shorthand contestants will be given two five-minute takes at 80 wpm. They are to transcribe and turn in the better of the two to be judged.

There will be three district winners to represent our district at regional contest, and two regional winners going on to state contest. The shorthand takes at regional will be given at 90 wpm, and at state will be given at 100 wpm. We are confident that some of our Dimmitt contestants are able to go to regional and on to state. Here's wishing each one luck on March 3 and March 31!

**Jane Cleavenger's "Ideal Boy"**

Most Handsome - Wayne Meacham  
Cutest - Tuffy Cowell  
Sweetest - Jim Axe

long. Donny, Wanda, Kelton, Janice, Jean K. and James H., Kaye W., Kathryn K., Deb. B., James C., Robert D., Georgene B., Kathy G., Steve W., Jerry M., and Dean were also at the show. This gave me a wonderful idea after I saw Gary Morrison I went home and went to bed.

## AUSTIN OR BUST

Four exciting travelers were to begin their journey to Austin immediately after school last Thursday. But due to a Very Important Ballgame, the trip was rescheduled for immediately after the ballgame. Ten o'clock found the four even more excited and very happy girls on their way at last to the F.T.A. State Convention. These girls were Jean King, Carole Norris, Marcia McGregor, and Carlyne Williams.

After many sleepless hours in a small Rambler, the droopy eyed foursome arrived at their destination at 8 Friday morning. After checking in at the Hotel Austin, the next thing on the agenda seemed to be Sleep.

A few short (very short) hours of sleep later, and it was time for the Convention to begin. The group attended the First General Session of the convention from two to four, which included a talk by Governor Price Daniel on the subject of "Texas Salutes Its Future", and a speech by Dr. John McFarland on the subject of "Teaching, What a Challenge". Next followed district meetings, in which amending the Constitution was discussed.

Then, Free Time. No one has to tell you how the four sleepy ones spent this free time. Then came the hustle and bustle of getting ready for the evening. After an hour of pressing, combing, and spraying, the four now wide-awake girls once again went to the Municipal Auditorium. There they viewed a stage show presented by University students entitled "High Hopes", from which they received a humorous first view of college and teaching life. Then followed a reception and a dance featuring the fabulous Bel Aires Combo. After a few Twist and Holly-Gully numbers, the three future teachers (???) returned to their hotel to prepare for another day before turning in.

Bright and early (sigh) Saturday morning found the rested group once again on their way to the Auditorium. They each attended informative workshops on helpful topics. Then followed the Final General Session in which the awards were presented. Mr. and Miss F. T. A. were presented and each gave his speech. Also awards were made to the chapters entering the best scrapbook, the best yearbook, the 10 top projects, and the TSTA-FTA Scholarships were presented. Then came the best part - Food. A Burgerfest was held in the basement of the auditorium. After an enjoyable meal, the convention adjourned for another year.

The Dimmitt group decided not to leave Austin immediately so they all went shopping. Carlyne and Marcia bought several skirts and sweaters, and Jean and Carole can be seen sporting around brightly striped T-shirts. After walking all over town, the "broke" girls returned to the hotel to prepare for a night on the town. After frillin' and fussin' for a while, the group ate out and went to a movie.

About 1:30 a.m. found the group at last in bed. The alarm sounded at 5 a.m. so that Carole would be sure to be ready by six. The sleep lacking girls once more put on their travel clothes and headed for home. They were a little better informed a little broker and a whole lot tired, but nonetheless glad they attended the F.T.A. State Convention.

## A Ship's A She

If some asks you why a ship is always referred to as "she" or "her", you might give this explanation.

"It costs a lot to keep her in paint and powder; she'll drift off if you don't keep her tied down; she makes her best showing in a high wind; and it takes a man to handle her."

## What if . . .

Carole Norris were Carole Neither-ris.

Garry Huntingford were Garry Hidingford.

Mrs. Shackelford were Mrs. Hutelchev.

Mr. Fuquay were Mr. Manyquay

Bonita Honea were Bonita Hoelbow

Louise Carson were Louise Truck-father.

La Dawn Kemp were La Dusk Kemp.

Lou Ann Hays were Lou Ann Sue Boothe were Sue Tableand-wheats.

chairs.

Ina Messenger were Outa Tidier

Earnestine Waggoner were Earnestine Wigglesprenter.

Motee were Lessfinger.

## -SPORTS-

Kelton Cates scored on a long set shot just past the mid-court line with three seconds left Thursday night to give the Dimmitt Bobcats a 52-51 win over Tulia and the right to represent District 1-AA in the bi-district playoffs.

Tulia led after the first quarter, 14-16, and pulled to 35-25 by the half. The Bobcats got on the ball and brought the score up to where they trailed 47-41 going into the final period. With four minutes left in the fourth quarter, the Bobcats steadily worked the ball and finally pulled to within one point 49-48. Cates' last second goal did the rest for Dimmitt. Cates finished with 14 points, and Ratcliff had 15. Dimmitt beat the Hornets Tuesday 43-40 at Tulia. It was their first win in the best-of-three series. The Bobcats will meet Lockney, Tuesday in the bi-district playoff at Canyon. The winner of this game goes to the regional playoff at Lubbock, February 24.

## Senior Girl of the Week

Marcellus and Lillie L. Nance welcomed a visit from the stork in Clovis, New Mexico, on June 29, 1944. The bird left a tiny, squirming bundle which was immediately named Lillie.

Seventeen-year-old Lillie has two very special hobbies. They are reading and making new friends. She enjoys cooking as a pastime, and her favorite book is Seventeenth Summer. Anyone who saw "The Big Fisherman" probably saw Lillie there since that is her favorite movie. Also in the movie field, Jerry Lewis and Jane Wyman are her favorite actor and actress. Lillie, who stands 5' 10" tall, particularly likes to hear the song "Unchain My Heart", but Chubby Checker is also popular with this Senior girl. A Ford never fails to attract Lillie's attention, and the color blue always meets her approval. German chocolate cake and pecan pie are the foods that Lillie finds most appetizing. People who get everything out of life they want without having to work a little for it are Lillie's pet peeve.

Lillie's activities include F.H.A., F.T.A., Choir and she is also a busy Sunday School teacher.

Her ambition is to become either a secretary or a teacher and then later to become a housewife and mother. Good Luck, Lillie.

## FOR BOYS ONLY!

Fellows, do you want to make a hit with the girls? Have you tried all sorts of devices to attract the attention of that "special" friend, from the many brands of toothpastes on the market, to three dabs of Brillcream, all without a great deal of success? Well you'll be glad to know here are some pointers just for you. These are little reminders of what a girl looks for in a boy.

1. Many girls may dream of a tall, dark, and handsome man, but you needn't worry if you're not "tall, dark, and handsome". Be neat and clean. Nobody likes a sloppy Joe.

2. Why not be a sincere person and lead a clean Christian life?

3. Always show the best side of your personality. Maybe you don't feel yours is so good, but no one is perfect all the time.

4. Remember your manners! As you've all heard I'm sure, "Little things mean a lot to girls", and its doors, helping with wraps, carrying books, and many other things which make a girl feel like a lady and a fellow like a gentleman.

5. A girl always likes to know what a fellow has planned for a date she has accepted so she can dress properly.

6. Girls like boys who ask for a date at least a little ahead of time and not just on the last minute date plan.

7. Girls like good school spirit and boys who are able to get along with others.

8. You don't have to be a Mr. Personality, but work on showing a girl a good time and making her feel at ease.

9. A fellow who is a "stick in the mud" is not enjoyable company for anyone. Be a good conversationalist.

10. Above all - Be Yourself! Now for all you girls who read this article, there will be a "For Girls Only" next week.

## Thorns and Roses

"Some people grumble that roses have thorns; I am happy that thorns have roses."

When a person first looks at a rose in full bloom during the Springtime, he probably admires the great beauty of that flower. But if the same person were to reach down, with hands ungloved, to pluck that rose, he would probably be angry because a thorn pierced his hands.

Many different people might place many different meanings on this wise saying, but this is what I believe.

To me, the rose represents life; the thorns represent the problems and strife of life. If we handle the rose of life with gloves of understanding and wisdom the thorns, will not be nearly so piercing.

"Some people grumble that life has its problems; I am happy for life."

## Word of the Week-

Clean

What would you do if your father told you to get out of bed and take a constitutional?

Donald Smithson - I have already had one.

Mickey Waggoner - I have just finished one.

John Nino - I would obey him.

Harley Wilke - I would do it.

Deborah Buckmaster - I would get out of bed and see what kind of medicine I could find.

Driscilla Dehtan - I don't know

Betty Lockhart - I would ask him if he had had his.

Carole Norris - It is too early in the morning for such foolishness.

Steve Wesson - I would tell him I do not drink.

Lowell Neumayer - I never touch the stuff.

A constitutional means to take a walk or to exercise.

## Pet Peeves

Every person in this world has something they consider to be their "pet peeve". This is the thing that they dislike most to see in a person. Maybe by being aware of some of the kids "pet peeves", everyone can try to improve and become better classmates and friends.

Shari Willis - People who are never satisfied

Carlanne Calvert - People who never seem to have the time to speak to anyone.

Pam Dollar - People who make fun of me.

Freda Anderson - People who skip church.

Sharon Conard - People who make fun of those who are less fortunate than they.

Jean King - Snotty people.

Olvis Spencer - People who think they are better than anyone else

Jim Axe - Stuck - up people

Sue Boothe - People who are un-sociable

Carolyn Godfrey - People who think they are better than I am.

Lou Ann Hays - People who want me to be something I am not.

Garry Huntingford - Poor sports

Sandra Norris - People who judge others before they know the facts.

Jackie Nichols - Copycats

Chuck Youts - A short haired, per-oxidized twirler.

## Limelight Lassie-

Our Limelight Lassie this week is a Senior! She is known for her bright smile and happy-go-lucky attitude. Yes, Reba Waller is her name.

Reba was born on June 28, 1944 in Crosbyton, Texas. Her favorite movie is "Rabbit Trap." Troy Donahue is the actor that she thinks is it. Debbie Reynolds rates top

as actress. Mexican food is good enough to travel for, as long as the car is a Ford. Sandra Dee sings Reba's tune.

Reba passes her time away writing letters. Her hobbies are baking, skating, and making lists (rating dates?).

Reba's pet peeve is people who won't smile.

Congratulations, Reba, on being our Limelight Lassie.

## ATTENTION PARENTS!

This is for the parents who read our Bobcat Tales.

Is your child on the failing list? Do you know if he is passing in all his classes? If you do not then why don't you take a look at the failing list in the showcase in the hall at high school.

Our list of failures for this semester has gone up and the students still joke about the failing list. Some students call it the "Honor Roll" but it won't be an honor when some of the seniors fail to graduate because they didn't watch the failing list closely enough.

The failing list is for the students and the parents, so the parents can see just what their child is doing during the six-weeks. A parent need not wait for six-weeks to know that his child is passing or failing. All that it takes is just a few minutes for the parent to stop at high school and see just where their child stands in his grades.

If your child is on the list, see his teacher and find out just why your child is failing that subject. Maybe he is failing for some reason that you can do something about.

The faculty at D.H. hopes that you will find out just where your child stands on the failing list.

## LEGAL NOTICES

**THE STATE OF TEXAS**  
TO: V. A. Cope, Mabel Lynch and her husband, Herbert Lynch, Doris Webb and her husband Riley Webb, and Lucille Looney and her husband, James Looney; and if any of such parties be deceased, to the heirs and legal representatives of such of them as may be deceased; Defendants in the hereinafter styled and numbered cause:  
You and each of you are hereby commanded to appear before the District Court of Castro County, Texas, to be held at the courthouse of said county in the city of Dimmitt, Castro County, Texas, at or before 10 o'clock A. M. of Monday, after the expiration of 42 days from the date of issuance hereof; that is to say, at or before 10 o'clock a. m. of Monday, the 19th day of March, 1962, and answer the petition of Isom Walter Adams and wife, Shirley Adams, Plaintiffs in Cause No. 2656, styled ISOM WALTER ADAMS, ET UX, VS. V. A. COPE, ET AL, in which Isom Walter Adams and Shirley Adams are plaintiffs and the parties to whom this writ is directed are defendants, and which petition was filed in said Court on the 30th day of January, 1962, and the nature of which said suit is as follows: 'Trespass to try title, for title and possession of all of Lot 6, Block 145, of the Original Town of Dimmitt, Castro County, Texas, according to map and plat thereof recorded in Vol. 3, page 240, of the Deed Records of Castro County, Texas. Plaintiffs also claim title by virtue of the five and ten year Statutes of Limitations, as is more fully shown by Plaintiffs' Petition on file in this suit.

If this citation is not served within 90 days after date of its issuance it shall be returned unserved.

WITNESS Zonell Maples Clerk of the District Court of Castro County, Texas.  
Given under my hand and the seal of said court at office in the City of Dimmitt, this 30th day of January, 1962.  
Zonell Maples  
Clerk of the District Court of Castro County, Texas 15-4tc

## ELECTION NOTICE

**PURSUANT TO AN ORDER** issued by the City Commission notice is hereby given that a city Election will be held on Tuesday the 3rd day of April A.D. 1962 at The City Hall in the City of Dimmitt, Texas for the following purposes, viz: Electing two city commissioners.  
M. E. Cleavinger Jr. Pres. Board Trustees  
J. G. Davis Jr., Sec'y Board Trustees 17-2tc

## LEGAL NOTICES

**NOTICE TO BIDDERS**  
The Board of Education of Dimmitt I.S.D. will receive bids, Tuesday March 6, 1962 at 4 P.M. in the cafeteria of South Grade School in Dimmitt, Texas for the construction of a new high school building.  
Sealed proposals addressed to Dimmitt I.S.D., Dimmitt, Texas for General Construction-which will include electrical work, plumbing, heating, ventilating and air conditioning-of a High School Building for Dimmitt I.S.D., Dimmitt, Texas. Proposals shall be in accordance with a plan, specifications and contract documents prepared by Architects, Atkinson and Cartwright Architects and Engineers, Lubbock, Texas. A cashier's check or bid bond payable to the Owner in the amount of not less than 5 per cent of the largest possible total for the bid submitted, including the consideration of additive alternates, must accompany each bid as a guarantee that, if awarded the contract, the bidder will promptly enter into a contract and execute such bond as may be required. The Owner reserves the right to reject any or all bids and to waive any or all formalities.  
Plans and specifications may be examined without charge in the office of the architects at 1009 Texas Avenue, Lubbock, Texas. They may be procured on a deposit basis only by General, Mechanical, and Electrical Contractors; others who desire plans for their exclusive use may obtain them by paying for the cost of printing.  
All plans remain the property of the architect. All bids may be held thirty days unless sooner returned by the owner.  
M. E. Cleavinger Jr., Pres. Board of Trustees Dimmitt I.S.D. Dimmitt, Texas

## NOTICE TO BIDDERS

Sealed proposals for constructing approximately six (6) blocks of city streets will be received by the City of Dimmitt Texas, at the office of the City Secretary, City Hall, Dimmitt, until 7:30 p.m., March 7, 1962, and then publicly opened and read.  
Bidders must submit a bond of five (5 per cent) of the total amount of the bid as a guarantee that the bidder will enter into the contract under the conditions set forth within ten (10) days after notice of award of contract. The attention of bidders is called to the special provisions concerning minimum wage rates and hours of employment included in House Bill No. 115 of the Forty-fourth Legislature of the State of Texas. Compliance with the above wage and hour bill is required.  
The Owner reserves the right to reject any or all bids, to waive informalities and to accept the bid deemed to be the most advantageous to the Owner. All bids received after the above closing hour will be returned unopened.  
Plans, specifications and contract documents may be inspected or obtained at the office of the City Secretary, City Hall, Dimmitt, or at the office of McMurrins and Associates, 6300 Canyon Drive, Amarillo, Texas, upon a deposit of ten (\$10.00) dollars. This deposit will be refunded to each actual bonafide bidder upon return of the documents.  
City of Dimmitt, Texas  
By: G.W. Bradford, Mayor

## LEGAL NOTICES

**NOTICE OF ELECTION**  
On this the 12th day of February 1962, the Board of Trustees of Dimmitt I.S.D. convened in regular session among other proceedings had by said Board of Trustees was the following:  
Therefore, be it ordered by the Board of Trustees of Dimmitt I.S.D. that an election be held in said School District on the 7th day of April of 1962 for the purpose of electing three (3) members to the Board of Trustees of said School District.  
That all request by candidates to have their names placed upon the ballot for the above mentioned election shall be in writing and filed with the Secretary of the Board at Dimmitt, Texas not later than March 7, 1962 at 5 p.m.  
That said election shall be held in the High School Building in Dimmitt, Texas in said School District.  
M. E. Cleavinger Jr. Pres. Board Trustees  
J. G. Davis Jr., Sec'y Board Trustees 17-2tc

**NOTICE TO BIDDERS**  
Sealed proposals for constructing approximately six (6) blocks of city streets will be received by the City of Dimmitt Texas, at the office of the City Secretary, City Hall, Dimmitt, until 7:30 p.m., March 7, 1962, and then publicly opened and read.  
Bidders must submit a bond of five (5 per cent) of the total amount of the bid as a guarantee that the bidder will enter into the contract under the conditions set forth within ten (10) days after notice of award of contract. The attention of bidders is called to the special provisions concerning minimum wage rates and hours of employment included in House Bill No. 115 of the Forty-fourth Legislature of the State of Texas. Compliance with the above wage and hour bill is required.  
The Owner reserves the right to reject any or all bids, to waive informalities and to accept the bid deemed to be the most advantageous to the Owner. All bids received after the above closing hour will be returned unopened.  
Plans, specifications and contract documents may be inspected or obtained at the office of the City Secretary, City Hall, Dimmitt, or at the office of McMurrins and Associates, 6300 Canyon Drive, Amarillo, Texas, upon a deposit of ten (\$10.00) dollars. This deposit will be refunded to each actual bonafide bidder upon return of the documents.

## LEGAL NOTICES

**NOTICE TO BIDDERS**  
The Board of Education of Dimmitt I.S.D. will receive bids, Tuesday March 6, 1962 at 4 P.M. in the cafeteria of South Grade School in Dimmitt, Texas for the construction of a new high school building.  
Sealed proposals addressed to Dimmitt I.S.D., Dimmitt, Texas for General Construction-which will include electrical work, plumbing, heating, ventilating and air conditioning-of a High School Building for Dimmitt I.S.D., Dimmitt, Texas. Proposals shall be in accordance with a plan, specifications and contract documents prepared by Architects, Atkinson and Cartwright Architects and Engineers, Lubbock, Texas. A cashier's check or bid bond payable to the Owner in the amount of not less than 5 per cent of the largest possible total for the bid submitted, including the consideration of additive alternates, must accompany each bid as a guarantee that, if awarded the contract, the bidder will promptly enter into a contract and execute such bond as may be required. The Owner reserves the right to reject any or all bids and to waive any or all formalities.  
Plans and specifications may be examined without charge in the office of the architects at 1009 Texas Avenue, Lubbock, Texas. They may be procured on a deposit basis only by General, Mechanical, and Electrical Contractors; others who desire plans for their exclusive use may obtain them by paying for the cost of printing.  
All plans remain the property of the architect. All bids may be held thirty days unless sooner returned by the owner.  
M. E. Cleavinger Jr., Pres. Board of Trustees Dimmitt I.S.D. Dimmitt, Texas
