

# Soil Tour is Declared Huge Success

Some 25 soil conservation conscious Castro county farmers attended the Jumbo Community Soil Conservation Tour conducted Wednesday afternoon.

The tour, which was acclaimed a huge success, was planned by the Jumbo Progress Club with the assistance of Bob West of the Running Water Soil Conservation District and Castro County Agent Charlie Hudson.

The 25-mile-long tour began on the M. L. Simpson place near Jumbo and continued on with stops at the Dilmond Neumayer, George Heard, Hugh Ritch, Fred Axe and Lynn Axe farms.

At the Simpson farm the touring farmers observed trench silo in the process of being filled. The ensilage consisted of corn and one-half miles northwest of Hart before abandoning the project.

Much interest and enthusiasm mounted in the county as officials announced that they would drill to a projected depth of 8,700 feet on a location 14 miles southeast of Dimmitt and two miles east of Hart on a high that was recently surveyed. The cost of the operation is expected to be between \$150,000 and \$200,000. Officials point out that it is im-

portant to this area that the land north of the subterranean granite uplift, known as the Matador uplift, be explored as there has been careful geophysical and other geological investigation of the location. Three major companies will join in the enterprise.

The test, to be known as Standard of Texas et al No. 1 W. L. Steadley, will be on a location 1980 feet from the west and 660 from the south line of section 25, block S-2, Castro county. The drill site is on a unitized block of 1976 acres, held by Standard of Texas, Sinclair Oil and Gas Company and Gulf Oil Corporation.

Col. H. W. Matthews, production superintendent of Standard of Texas in Midland, said that contract for the project has not been let yet. He added that his office would let drilling contract as soon as location has been reported and arrangements between the participating companies is worked out.

Charles Sengar, district superintendent of Snyder, will supervise operation. Test reportedly will not be drilled tight unless such orders are given for specific reason.

Two wells were drilled southwest of Dimmitt by Sun Oil Company in 1947 and 1948 at an estimated cost of \$235,000. The projects were abandoned, ever, at a depth of about 1,000 feet. The depth of the first well in the Hart area was 5,900 feet, according to officials.

Several major oil companies hold leases in the Hart area and some leases have been recently obtained in the edge of Swisher county by majors.

During his ministry his experiences have been varied. He has done mission work in New Mexico and Colorado and evangelistic work in New Mexico, Colorado, Oklahoma, Texas and Kentucky.

Upon assuming his duties here, Mr. Finley stated, "I appreciate the fine reception given me by the people of Dimmitt. My family and I look forward with anticipation to a very profitable work with the people of this community."

J. D. Jordan, Office Manager for the Texas Employment Commission said this week that Castro county has been designated as a Crop Wage Area.

Crop Wage Areas, he said, are designated as such only when Mexican Nationals are expected to be employed in the area to help farmers harvest their crops.

A survey will be undertaken in this county shortly to determine the range of wages being paid domestic workers. The survey is made necessary by a Law passed in Congress—Public Law 78-

which provides, in part, that before Mexican Nationals can be admitted to this county for farm employment, it must be first determined whether or not the wages and working conditions of domestic farm workers will be adversely affected. Mexican contract workers, according to the Migrant Labor Agreement of 1951 as amended, requires that the latter be paid at a rate not less than the prevailing wages which domestic workers are receiving at the same time for similar work in the same area of employment.

A special local Consultant Committee will be set up to assist the Texas Employment Commission in making the "range of wage" survey. Wage information received from individual farmers is strictly confidential, but if results of a survey indicate error, Committee members will review all information obtained.

Jordan said that in areas containing more than one county there will be at least three persons from each county on the committee. This provides an area committee and a sub-committee for each separate county.

The Wage Crop Committee will work closely with TEC in making the survey, inspect the finding and represent the community in the survey program, Jordan continued.

acres almost solid in Johnson grass in January of 1952. He plowed it 14 inches deep that winter and their sweep cultivated it nine times. Results were that he rid himself of a lot of grass roots and during sweeping operations reinfested his place by dragging grass seed back to the surface.

Heard hoed his cotton three times to kill Johnson grass seedlings. During the winter of 1952 and 1953 he plowed it six inches deep. He also hoed it three times this year, and there is no Johnson grass to be seen at the present time.

Cotton growing in the field on Heard's farm will probably yield four-fifths to one bale per acre. The land was pre-watered and watered once after the cotton was up. It took seven weeks for the second watering, indicating the large amount of organic substance in the soil, a residue of the Johnson grass.

The tour continued on to Hugh Ritch's place where rotation practices were seen. Again the tour was shown mechanical control of Johnson grass by summer tillage. Ritch showed the party a demonstration of cutting stalks after mid had been taken off and then plowing it under in order to return humus to the soil.

Following a system of crop rotation together with other soil conservation practices fertility has remained high on the Ritch farm as shown by a 2500 pound yield taken from a field of Martin maize which had recently received half thereby reducing yield by 30 percent.

From the Ritch farm the tour moved to the farm of Fre Axe, one of the members of the board of supervisors of the Running Water Soil Conservation District. Axe has long been known for his interests in soil conservation practices and the maintenance of high fertility on his land. On his farm Axe has continuously maintained a high level of soil fertility with the usage of commercial fertilizers. Observers were able to compare the effects of growing milo following vetch and Austrian Winter peas. Axe has received high yields as the result of this practice.

A concrete ditch on the Axe farm drew the interest of the crowd and caused lots of comment. Members of the tour felt that this was a soil and water conservation practice which could be put to widespread use especially where water must be taken a long distance before application to a crop and where it must be taken over steep lands.

An example of water conservation was shown on the Axe farm in that Axe has his fields so arranged that no water run will be over 1200 feet down the row.

A field of cotton on the Axe farm had received 300 pounds of Ammonium Sulphate at the time maize stubble was plowed under. Results of this application will not be complete until yield of cotton from the field can be checked.

Journeying on to the Lynn Axe farm the tour was completed with the study of Switch and Weeping Love grass plots from which Axe has been harvesting seed as a result of combining deferred grazing on these plots with the growing of seed in a cash crop. Axe also showed the group results of application of barnyard manure on a maize field. The results were still evident even though the field had been cropped four years since the application.

Another very interesting observation was made on the aforementioned grass plots where Axe had spread nitrogen fertilizer at varying rates from 200 to 1000 pounds per acre. The plots showed that where 1000 pounds of fertilizer had been spread cattle had eaten the grass off completely, indicating their preference for a feed high in nutritive value.

Additional soil conservation tours are planned in other parts of the county in the near future, according to County Agent Charlie Hudson. Officials of the soil conservation district and extension officials are very interested in holding a tour in the Hart area, Hudson indicated.

**BLUE RIBBON WINNERS**—Here are some of the fine products that won Castro county farmers a total of 20 blue ribbons at the Tri-State Fair in Amarillo last week. The Castro county booth, which captured more first place ribbons than any other booth at the fair, also took ten second, six third and four fourth place ribbons. Castro livestock also placed high at the fair.

## Springlake Ranks Second

### Cats Take Firm Grip on 1st Place in Class "A" by Winning 3rd Game

The Dimmitt Bobcats, serving notice on other football teams in District 2-A, chalked up their third consecutive victory over the week-end, and retained their top rating among class "A" teams in the Panhandle for the third straight week.

The Bobcats had little trouble in overpowering a highly regarded Hale Center eleven, 32-21. The win enabled them to stay perched atop the ladder. However, they are being pushed by the Spring-

## Castro Counties Are Named Crop Wage Consultants

Joe Cowen, P. P. Robb and Roy Cluck this week were notified by the Texas Employment Commission at Austin of their appointment as members of the Consultant Committee for Castro county to assist the Commission in its efforts to secure a prevailing wage survey for this crop wage area, J. D. Jordan, Local Office Manager of the TEC, has announced.

As the returns from the survey come into the Littlefield TEC office, Jordan said tabulations will be made and review each two weeks by this Committee in order that completeness, impartiality, and accuracy will be assured.

Farmers who contract Mexican Nationals have agreed to pay a wage which will not be disruptive of local wage rates and must not be lower than those paid for similar work in similar crop conditions with a crop wage area.

"If wages paid to domestic workers fluctuate in this area," Jordan said, "wages paid to Mexican Nationals under contract may also be expected to fluctuate. Therefore, the wage survey must be completely understood by all farmers in this area."

The appointed committee will undertake to assist the commission in keeping all farmers who contract or expect to contract Mexican Nationals apprised of the conditions. The committee will have access to the wage cards returned by area farmers to the TEC at all times, and will assist in settling differences if, and when, they occur. Wage information received from individual farmers is strictly confidential, but if results of a survey indicate error, committee members will review all information obtained.

## Castro Group To Attend Dairy Meet

New Dairy Assn. To Be Formed

Castro county will be among New Mexico and West Texas counties to be represented at an organizational meeting of the proposed Tri-State Dairy Association, set for Hereford on Tuesday, October 8.

Castro County Agent Charles Hudson, who will be among the group attending from the county, said, "Castro dairymen have long felt the need for an organization of dairymen which would cooperate to build a stronger dairy industry in the High Plains area. Consequently there is a great amount of interest in the organization. He added, "Dairymen feel that this will be a big step toward creating a more stable market for their products. And, too, it will promote the use of dairy products."

All communities in the county are expected to be represented at the important meeting.

## Mrs. Godfrey Wins New Washing Machine

Mrs. J. W. Godfrey, who lives five miles north of Dimmitt, was the proud winner of a washing machine given away Thursday by the local Cashway Grocery.

Mrs. Godfrey held the prize winning duet during a drawing held about 3:30 p. m. There were some 5000 chances given away over this machine. The winner was unavailable for comment, but the prize will be delivered to her home.

## Dimmitt FFA Is Given Calendars

Each member of the Dimmitt Future Farmers of America Chapter was presented an official FFA calendar for 1954, recently. The calendars were made available by the Kirkpatrick Sales Company here.

On each sheet of the calendar is a picture depicting some important FFA activity throughout the year. Some of the signs and purposes are set forth on the calendar. On the reverse side is a copy of the FFA creed; something greatly appreciated by 33 freshmen at the high school as each one must memorize the creed.

The chapter vice-president Bob Anthony accepted the calendars on behalf of the group. Chapter members expressed appreciation for the colorful FFA calendars.

## Castro Countians Are Named Crop Wage Consultants

Joe Cowen, P. P. Robb and Roy Cluck this week were notified by the Texas Employment Commission at Austin of their appointment as members of the Consultant Committee for Castro county to assist the Commission in its efforts to secure a prevailing wage survey for this crop wage area, J. D. Jordan, Local Office Manager of the TEC, has announced.

## Plan to Drill 8,700 Feet

### Three Companies Prepare for Deep Oil Test in Hart Area

Oil field crewmen began moving heavy equipment into the Hart area this week for the first deep oil test in Castro county since 1949 when Humble Oil drilled 10,000 feet on a location three and one-half miles northwest of Hart before abandoning the project.

Much interest and enthusiasm mounted in the county as officials announced that they would drill to a projected depth of 8,700 feet on a location 14 miles southeast of Dimmitt and two miles east of Hart on a high that was recently surveyed. The cost of the operation is expected to be between \$150,000 and \$200,000. Officials point out that it is im-

## Tickets Go On Sale for Lion Sponsored Show

The magician show publicity committee is functioning and everything is in readiness for the event which is scheduled for two performances here on the afternoon and night of October 5, it was revealed at the Tuesday meeting of the Dimmitt Lions Club.

B. M. Nelson, publicity committee chairman, told club members that a box, which Magician Arnold Furst is to escape from during one of his acts, has been built and will be placed in front of the local post for the public to view. Lion members, who are sponsoring the show for a worthy cause, believe the event will attract a large crowd. Tickets for the show went on sale this week at 50 cents for children and \$1 for adults.

A feature of Tuesday's meeting was a musical program in which Mrs. Tom Davis and young Bobby Bradford, son of Mr. and Mrs. James Bradford, participated. The five-year-old youngster sang several songs, accompanied by Mrs. Davis at the piano. Mrs. Davis also rendered several musical selections. Both were given a rousing applause by club members.

Lion Russel Moran pointed up the worries of high school coach Leo Fields at the conclusion of the meeting and presented the troubled coach with a "crying" handkerchief as a token of sympathy from the club. In response Fields said, "I wish I had had this Monday night. Starting tackle Dorr Hardy suffered a knee injury in Monday's scrimmage and will be out of the next game against Panhandle. Back Gail Saddler may not be ready to go by Friday night either." The coach added, "Assistant Coach Alvis Fuquay scouted Panhandle in their last game and reports that their line is not as strong as last year, but five good backs offset this. Fields remarked that the Bobcats played good against Hale Center, although their tackling was off. "Our offense is ahead of the defense. If we can improve on the defense I believe we will give Panhandle a good game," he concluded.

Visitors at the Tuesday meeting were L. A. Austin, Mrs. Tom Davis and Mrs. James Bradford.

## Hereford Garden Club Sponsors Tour of Homes

The Hereford "Tour of Homes," sponsored by the Garden Beautiful Club, will be held Friday, October 2, from 1 to 5 p. m.

Tickets will be on sale for \$1.00 at the residence of Mr. and Mrs. Sully Gleaton at 1209 E. Grand Street, the first home to be shown on the tour. Proceeds will be used to help beautify Hereford.

Mr. and Mrs. R. D. Northern of Amarillo visited her mother, Mrs. Etta Brashers, and relatives over the week-end.

Mrs. W. P. Seale returned from Farwell this week where she visited her son, Frank Seale.

## Mae Nell Curtis Is Employed Here

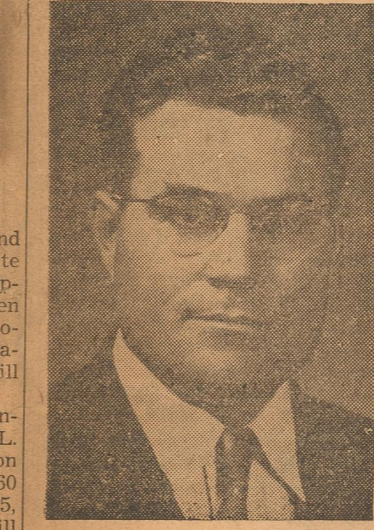

Mae Nell Curtis of Dimmitt has accepted the position of secretary with the Castro County Agent's office.

Miss Curtis is a graduate of Dimmitt High School and attended Draughor's Business College in Lubbock. She will handle combined stenographic and secretarial work as well as serve as office receptionist. The new secretary assumed her duties Thursday. She will assist the county agent and home demonstration agent.

## Chicken Houses on Miller Farm Burn

Dimmitt firemen made a run to the Jack Miller farm ten miles west of Dimmitt Wednesday at 4:45 p. m. Two small chicken houses were completely destroyed by fire before firemen arrived on the scene.

Firemen said a burning trash pile fanned by winds caused the fire. A yard fence was also destroyed by the blaze. No estimate of the total loss was given.

MINISTER J. T. FINLEY

## Church of Christ Has New Minister

Mr. J. T. Finley, minister of the Brownfield Church of Christ for the last two years, assumed his duties as minister of the local Church of Christ, Sunday.

A graduate of Abilene Christian College, Mr. Finley attended one year of college at Oklahoma A&M and also underwent a year of aviation cadet training while serving in the Air Force for three years. Mr. Finley received his high school diploma from Broken Arrow, Oklahoma, High School.

The 29-year-old minister is married and has a seven-year-old son and a four-year-old daughter. The new minister said he made the decision to preach the gospel when he saw the great need for Christianity among the men he served with during World War II.

During his ministry his experiences have been varied. He has done mission work in New Mexico and Colorado and evangelistic work in New Mexico, Colorado, Oklahoma, Texas and Kentucky.

Upon assuming his duties here, Mr. Finley stated, "I appreciate the fine reception given me by the people of Dimmitt. My family and I look forward with anticipation to a very profitable work with the people of this community."

## County Becomes Crop Wage Area

J. D. Jordan, Office Manager for the Texas Employment Commission said this week that Castro county has been designated as a Crop Wage Area.

Crop Wage Areas, he said, are designated as such only when Mexican Nationals are expected to be employed in the area to help farmers harvest their crops.

A survey will be undertaken in this county shortly to determine the range of wages being paid domestic workers. The survey is made necessary by a Law passed in Congress—Public Law 78-

which provides, in part, that before Mexican Nationals can be admitted to this county for farm employment, it must be first determined whether or not the wages and working conditions of domestic farm workers will be adversely affected. Mexican contract workers, according to the Migrant Labor Agreement of 1951 as amended, requires that the latter be paid at a rate not less than the prevailing wages which domestic workers are receiving at the same time for similar work in the same area of employment.

A special local Consultant Committee will be set up to assist the Texas Employment Commission in making the "range of wage" survey. Wage information received from individual farmers is strictly confidential, but if results of a survey indicate error, Committee members will review all information obtained.

Jordan said that in areas containing more than one county there will be at least three persons from each county on the committee. This provides an area committee and a sub-committee for each separate county.

The Wage Crop Committee will work closely with TEC in making the survey, inspect the finding and represent the community in the survey program, Jordan continued.

## Proposes Resale to Foreign Countries

### Rogers Favors U.S. Purchase Of Cattle in Speech at Nazareth

Rep. Walter Rogers, speaking to a county Farm Bureau meeting in Nazareth, Sept. 25, favored government purchase of cattle on the live market, with resale to foreign countries in their medium of exchange, thus alleviating the present strain on the market. In his speech and in the question and answer period which followed Rep. Rogers discussed surpluses, parities, acreage allotments, and foreign aid.

The 18th District Congressman appeared in Dimmitt earlier in the evening for a brief supper and get-together at the Rawlings Hotel and Coffee Shop. State Senator Andy Rogers was also present for the occasion.

Allan Webb, county president of the Farm Bureau, announced the appointment of William Hoch-

stair, Nazareth, and Fred Bruegel and H. E. Ritch, Dimmitt, as a resolutions committee for the organization. He introduced State Senator Andy Rogers, who told the Nazareth group of the probable appointment of a water conservation representative from this area.

William Hochstein, Nazareth director, presided at a short business meeting, at which Martin Brockmar was elected to represent the local bureau at the state convention in Mineral Wells, Nov. 9-11. Last year's delegates, Steve Brockmar and Frank Hoelting, told the group about that convention. Frank Hamm, Tulsa director, discussed the problem of subsidies and allotments.

Under the direction of Mrs. Ray Ammen, a program was presented, including "Old MacDonald," a piano number by Francis Backus; "Mexican Joe," a tap dance by Evelyn and Ethel Drerup; Arthur Albracht and his dancing puppet; and songs by a quartet composed of Francis Wilhelm, Victor Kern, Junior Hochstein, and Paul Venhaus, and several piano numbers by Francis Wilhelm.

Roll call of representatives at the meeting listed members from Dimmitt, Hart, Bethel, Jumbo, and Nazareth, in Castro county, and from Randall and Swisher counties.

Following the meeting, a lunch was served by the ladies of the Nazareth Farm Bureau.

## Construction Here During September Fixed At \$34,000

Dimmitt's building boom slowed down during the month of September as only six building permits for construction totaling an estimated \$34,000 was issued by City Secretary E. B. Noble. The month previous permits were issued for construction exceeding the \$200,000 mark, a new record for commercial building.

Although the number of permits issued during the past month has fallen off considerably, the number of projects recently started or that are nearing completion keeps building activity humming in the city. No definite opening dates have been set for any of the new projects, however, several are expected to be completed within the month of October.

Leading the construction list are two projects estimated to cost \$12,000 each. These two projects are the new office building slated to be built on the southside of the square by Harrison Insurance Agency and Scoggin Real Estate.

Completion date for the buildings is scheduled for November 1. Bernard Brown, owner of Dimmitt Frozen Food Locker, plans to add a new chill room to his business at a cost of \$2,000. Harold Gladman is contractor for the addition which will be built on lot 13 of block 82.

A small frame house, estimated to cost \$1,500, is being built by Cleo Forson, owner and contractor for the project. The dwelling will be located on lot 6 of block 147. Other permits have been issued for the construction of a small class room to the new Church of Christ building, started in late July, and an addition to the residence of Bob Seward. The former project will cost \$1,000 while the latter will run \$500.

Woodrow Killingsworth is serving as contractor for the new class room and Seward is contractor for the work on his home.

## David Cole to Show Gilt at Amarillo

David Cole, Castro County 4-H Club member, will show his Chester White gilt at the District Sears Show in Amarillo, Saturday, County Agent Charles Hudson revealed this week.

This high quality gilt was grand champion sow at the recent Castro County Fair.

## Sgt. Milton Magee Injured In Korea

Mr. and Mrs. Roy Baylett of Dimmitt were notified by the Air Force recently that their son, T/Sgt. Milton A. Magee was seriously injured in a jeep accident in Korea, September 12.

In a telegram from Major General John H. McCormick, director of Air Force military personnel headquarters, it was disclosed that young Magee was immediately hospitalized after being injured and later transferred to Tokyo for further treatment. He was reported in serious condition, however, officials said they believed the 26-year-old sergeant would recover.

Magee enlisted in the Army in May of 1946 and served overseas for a year and a half. He was discharged after serving out his enlistment but re-enlisted a year later in the Air Force for six years. He is a graduate of Scottsdale, Arizona High School.

## Father of Local Resident Dies

Funeral services for Louis Edgar Carpenter, 64-year-old Ft. Worth resident and father of E. L. Carpenter of Dimmitt, were held recently at Anson. The Rev. Justin Prince, pastor of Riverside Baptist Church in Ft. Worth, officiated. Interment was in the Anson cemetery. Mr. Carpenter died September 21 of a heart attack.

He leaves three sons and one daughter besides his son here.

## WALTER ROGERS' WASHINGTON NEWSLETTER

**THE CATTLE SITUATION:** The grass roots clamor for action by the Government to stabilize the cattle market is beginning to bear fruit. The Secretary of Agriculture has called his Livestock Advisory Committee together for a meeting this week. What will be done is anybody's guess. The chances are that some immediate action will result to at least partially rectify the situation that has developed into a critical stage. It was the opinion of many, including myself, that the Department should have moved into the livestock market several months ago. However, the Secretary did not concur with those of us who advised this procedure. It is now said that his refusal to so act at that time was based on the thinking, that he would have to move into the live cattle market later on. If that is the case, there is reason to believe that purchases of live animals will be undertaken at an early date.

Although the Secretary has the authority to place supports under cattle it is well known that he does not subscribe to such a policy. Therefore, if cattle are to be supported, Congress will have to develop the basic support program. Congress is not in session at the present time and will not reconvene until early January, unless the President calls a Special Session. It is almost certain that many cattle people will not be able to survive until Congress is back in session to pass any mandatory legislation on the subject. Therefore, if these people are to be saved, immediate action must be forthcoming from the Administrative Branch of our Government; to wit, the Secretary of Agriculture. Whatever action he takes must be bold and it must be firm. Wishy washy procedures entered into with reluctance will not solve this problem, they will only cost the American people a lot more money, and the desired results will not be realized.

**TUCUMCARI, NEW MEXICO MEETING:** A Sub-committee of the House of Representatives' Agricultural Committee held hearings in Tucumcari, New Mexico, on September 17 to hear testimony concerning the farm and

ranch problems. The Members of Congress of the Sub-committee were Chairman, Honorable William Hill of Colorado, Honorable Page Belcher of Oklahoma, Honorable Carl Albert of Oklahoma. Other Members of Congress in attendance for the meeting were Senator Clifton Anderson of New Mexico, Honorable Antonio Fernandez of New Mexico, and myself. This meeting was a fine example of a closer re-union between the people and their representatives in the National Congress. Much good came out of this meeting, and I hope that others like it will be held at intervals throughout this session.

**THE SUPREME COURT VACANCY:** It is my sincere wish that the President will not make a political appointment to the Supreme Court. I hope that he will appoint some able jurist with wide experience in the judicial system. The Supreme Court is supposed to be the balance wheel in our Government. It is supposed to be above and beyond politics, as that term is commonly used. I personally feel that President Eisenhower is fully aware of this, and that he will not permit political pressure of any type to influence him in making what might prove to be his most important appointment.

## News of Our Neighbors

**CANYON**—(from the Canyon News) The Drouth Emergency Relief Feed Program for Randall county is being closed up for the present time by the distribution of the last few cars of feed. Most of the farmers who filed applications for feed during July and August received a 30 day supply of one or more of the feeds. Randall county received 22 carloads of cottonseed meal and cottonseed cake, 12 carloads of oats, five carloads of corn and two cars of feed wheat. There were a total of 324 individual livestock owners served by the program. The Drouth committee approved just over 500 applications to purchase feed.

**CHILDRESS**—(from the Childress Reporter) The City Council recently approved a five cent decrease in the city tax rate and dropped the garbage disposal fee from \$1.00 to 75 cents, as they moved to approve the \$373,875 1954 budget. The new tax levy was set at \$1.65 per \$100 valuation in comparison to the previous rate of \$1.70 while valuations showed a \$123,586 increase from \$7,453,522 in 1952.

**MEMPHIS**—(from the Memphis Democrat) Formal opening of the new Memphis Municipal Swimming pool was held Sunday. Brief talks were given by Mayor Carl Harrison and Chamber of Commerce President Allert Dunbar. At the opening ten \$1 bills were awarded lucky swimmers. The pool will remain open as long as weather permits.

**WELLINGTON**—(from the Wellington Leader) Collingsworth county's cotton season has opened with yields somewhat better than growers and ginners expected two weeks ago. Early season estimates are now that the county will pass last year's total yield, a check with gin managers revealed. So far 841 bales have been ginned.

**PLAINVIEW**—(from the Plainview Herald) Preparations are underway here for what is expected to be one of the biggest and best fairs held in Hale county. The event will be held October 8-9-10. A flower show is planned for this year's event in

addition to livestock judging, education, and agricultural exhibits. A quarter horse show will also be a part of the fair which will feature a large midway.

**OLTON**—(from the Olton Enterprise) A Springlake family narrowly escaped death early Tuesday (Sept. 22) when they were overcome with dizziness, presumably caused by gas fumes in their apartment. The family was rescued when a man living in an adjoining apartment noticed the father, Luther Taylor, as he made his way outside for help. Taylor, his wife and four children were taken to an Olton hospital for treatment. They were later returned to their home.

**HALE CENTER**—(from the Hale Center American) Several buildings were blown, signboards overturned, small outbuildings demolished and trees badly torn in a freakish dust storm that lashed this area for 30 minutes Friday evening. The storm was followed by a heavy downpour of rain and a display of lightning. Lightning was blamed for a fire that destroyed a garage on a nearby farm and several pieces of farm equipment.

**PETERSBURG**—(from the Petersburg Journal) Joseph Kent, of Lubbock, announces the opening of Joseph Kent Studio in Petersburg this week. Kent was

## Franklin Swanner WMS Ends Year of Work

The Franklin Swanner Circle met Monday in the home of Mrs. Joe Butler for Bible study. The meeting was opened with prayer. A brief business session was held and reports were given. An interesting lesson was given by Mrs. Strother.

Cards were signed for sick members and the meeting was closed. The meeting ended a year's work by circle members. The group was dismissed in prayer by Mrs. George Ray.

Refreshments were served to Mesdames Howell, Newton, Boothe, Kirkpatrick, Hays, Strother, Ray, Hendrix, Butler and Greathouse.

photo supervisor in charge of the photo section at Reese Air Force Base before being discharged and is highly experienced in this type of work.

**CHILDRESS**—(from the Childress Reporter) Five Childress county cotton gins, Saturday, reported a total of 212 bales of cotton ginned for the current season. This is a considerable drop from the 645 bales reported ginned on September 23 of last year.

## Bobcat Cafe Under New Managership

Wardell Ashley of Plainview leased the Bobcat Cafe and assumed operation of the business, Saturday.

Ashley is experienced in the restaurant business having operated cafes in Brownfield and Lubbock for some 15 years. He leased the cafe building from the former operators and current owners, Mr. and Mrs. W. J. Cleavinger.

Upon assuming operation of the cafe, Ashley stated, "We will try to serve the people well and with a good variety of foods. We will also handle short orders, steaks and chops."

Visitors in the home of Mr. and Mrs. Sam Maynard last week-end were Mr. and Mrs. Bob Phillips and family of Carlsbad, N. M., Mr. and Mrs. Clinton Phillips and family of Littlefield, Texas.

Mr. and Mrs. Earl Brock went to Lockney Thursday afternoon for the funeral of Mrs. Brock's uncle, Mr. C. H. McCormick. Mrs. A. B. Cockerham returned with them for a short visit.

**Eighth Grade News**

The Eighth Grade pupils held a class meeting September 23, 1953, under the direction of their sponsors: Mrs. Stone and Mrs. Newman. They elected officers which are: President—Charlotte McElroy, Vice President—Carl Hodges, Secretary—Treasurer—Betty Hobrantschik, Reporter—Lee DeLozier. The Room Mothers are: Mrs. Mears, Mrs. Rogers, Mrs. Berryman, Mrs. Weldon Bradley, Mrs. Dent, Bradley, Mrs. McElroy, Mrs. Boothe, Mrs. Robb, Mrs. Tate, and Mrs. Hill. The Eighth Grade Football squad played Oilton last Thursday night and were defeated 13-0. They also played Hale Center Thursday September 24, and were again defeated 14-0.

**Mrs. Cowen's 3rd**

Mrs. Cowen's third grade seems to lead the list with their new pupils. They are: Kathie Sue Chesshir from Silvertown, whose father works at Cashway Grocery; Sonny Henry from Drumwright, Oklahoma, whose father works on Jim Eldredge's farm; Core Weinauz from Lawrence, Kansas, whose father is a professor in the University of Kansas; Wilma Jean Thomas from Childress, whose father is a mechanic at Ferguson's; Robert Gibson from Arney, whose father is a farmer; Pablo Perez from Ropesville, whose father works at the g.m.; Dians Bailey from Arney, whose father is a farmer for Ward Golden; Ann Rhines from Oilton, whose father works for Glenn Merritt; and Benito Barrera from Wolfert, whose father is a farmer.

**Mrs. Reisdorph's 3rd**

Mrs. Reisdorph has thirty-six third graders. The new pupils are Pablo Perez and Marie Cantee. Her pupils are having a spelling contest, and the pupils that make one hundred get a red star. The ones missing only one word get a blue dot and the ones missing three words get a yellow square.

Mrs. Reisdorph's class also has two fish bowls with four fish, Eieny, Miemy, Miney, and Mo. Mike Burkett brought a tadpole for two days, but had to take it home.

The pupils have learned to draw horses and owls out of circles.

**Senior Who's Who**

Jim Bradley has attended Dimmitt High School the past three years. He moved to Dimmitt from Hart.

Jim is 17 years of age. He was a member of the F. F. A. his Freshman through Junior years. Jim sings bass in choral this year. Last year he was a member of the choral club that won first place at the contest held in Canyon.

Jim's favorite actor and actress are Ma and Pa Kettle. Jim also likes to sit down to a fried chicken dinner. His pastime is a favorite among many—just fooling around. Unlike many people he doesn't have a pet peeve.

**Bobcats Add Third Win**

The Bobcats had a very successful season so far this season with 3 wins and no losses.

The Bobcats downed the Hale Center Owls 32-21 Friday night. The Bobcats played both a good defensive and offensive game.

Dennis, Woods, and Dobbs made the tallies for Dimmitt. A pass from Warrner to Dobbs made up the touchdown scored by Dobbs. Dennis scored on an end run and again on a play through the middle. Woods scored through the middle off guard and off tackle plays.

This week-end the Bobcats take the road for the first time this season to play Panhandle. They will have strong opposition from the Panhandle team who defeated the Bobcats by one touchdown last year. The games that Panhandle has thus far played are as follows: Canyon 20—Panhandle 19 and Panhandle 19—Turkey 14.

**NOTICE!**

All you pastry lovers, there will be a bake sale Saturday, October 3, at Wilson's Super Market given by the F. H. A. Girls of Dimmitt High School. There will be cakes, pies, rolls, and cookies. So be sure to come in and get your choice.

**DHS Ex Is Honor Graduate**

Wade Thompson, Jr., graduate of the Class of 1949, was one of four Texas Tech students who graduated with highest honors in the annual Summer Commencement. He received his B. S. degree with a major in agriculture education. Following graduation Thompson entered Naval Officers Training in California.

**Senior Who's Who**

The senior who's who for this week is none other than David Burkett, better known as "Lawyer" Burkett. David is a very active boy in Dimmitt High School. David's plans for the future is to make a million dollars and retire. David has played Baritone in the Band since the time the band was organized. David is a member of the football team. David is a very intelligent boy. He is graduating early because he made two grades in one year when he was in the lower grades. David is 6 feet tall and weighs 149 lbs.

David's favorite actor and actress are Jerry Lewis and Marilyn Monroe. His favorite subject is football, although people don't think he will make it his college major. David's favorite food is ice cream. David has a wonderful pastime—loafing. His pet peeve is home work and he has been putting up with the Dimmitt assignments for the past eleven years.

**Band Performs At WT - McMurry**

The Bobcat band was guest at the Amarillo Tri-State Fair Saturday, September 26. They played a concert in front of the Sports Arena.

That afternoon the band went to Canyon where they were invited to perform at the football game between West Texas State and McMurry. Before the game the West Texas State band and the Bobcat band marched out on the field together and played the National Anthem. The Dimmitt band performed at the halftime in the absence of the McMurry band.

The band has really had a busy week. The performance at Canyon was the favorite one of this week.

**Mrs. Forson's 4th**

In Mrs. Forson's fourth grade there are forty-two pupils. They are working on a project about Old Mexico. They have an interesting display in the hall. This display is about wild animals and the zoo. There are merry-go-rounds with horses made from paper plates. The pupils did drawings of the zoo and wild animals. They also have a very pretty ivy plant on display.

**Annual Photos Complete**

Every girl looked her best, but for most of the boys it was just another day at school. After Tuesday and Wednesday forenoon every Freshman, Sophomore, and Junior had had his photograph made for the annual, and no one was called from a single class.

Photographs were made by Ayer's Studio, and members of the annual staff and Study Hall students assisted in arrangements and records. Pictures were made in the annual room before a screen which was built by last year's staff. Senior pictures will be made later at the studio.

The Staff wishes to thank all the teachers and students for their assistance in getting the pictures made Tuesday and Wednesday.

**FHA Attends Tri State Fair**

Thirty eager F. H. A. members left Dimmitt Saturday morning at 8:00 a. m. to attend the Tri-State Fair in Amarillo. Interesting, unusual, and informative exhibits were seen and enjoyed by all.

The midway was one of the interest points of the fair; although everyone tried to win a teddy bear, only six were lucky. All F. H. A. members were admitted free to the spectacular Ice Show.

Thirty exhausted F. H. A. members returned to Dimmitt at 7:30 P. M. full of food, entertainment fun—but broke.

**Edwin Attends Game**

Edwin Cartwright saw his second game of the season Friday night when he watched the Bobcats in a thrilling defeat of the Hale Center Owls, 32-21. Watching the game from the sidelines is something new for Edwin. He played football during all his grade school and his first two years in high school. He was an "A" Team Guard last year.

**Pep Squad News**

The Pep Squad met on Thursday, September 25, in the auditorium. We discussed our fees and several yells. The cheerleaders and Mr. Bates have made a miniature goal-post for each game the Bobcats play. The higher the Bobcats winning score the higher number we get to put on the goal post.

The Pep Squad led the students in a fast succession of yells and pep songs Friday in a pre-game rally. The Band and cheerleaders were on their toes and set a rapid pace for the Hale Center contest. Raymond Wilson was introduced by Mr. Bates as an ardent Bobcat booster. Mr. Wilson, who has seen every A team game from the first official game to the present, reviewed the changes from the spectators point of view. He stressed the importance of every position on the team and showed how the spectator can enjoy the entire game.

The Pep Squad honored the player's mothers by presenting corsages to Mrs. B. E. Sinclair, Mrs. Morgan Dermis, and Mrs. E. R. Saddle.

**Mr. Morgan Recovering**

W. A. Morgan, teacher of mathematics in Dimmitt High School, was reported making satisfactory recovery following major surgery Monday morning at Veterans Administration Hospital in Oklahoma City. He is expecting to be back on the job at D. H. S. soon.

**Zella Vee Recovering**

Zella Vee Smith is slowly recovering from paralysis which occurred when she had polio this summer. She can now sit up in bed, and is allowed to sit in a wheel chair part of the time. Her parents do not know when she may come home, but they are thrilled that she is improving as rapidly as she is.

**Mrs. Ratcliff's 4th**

In Mrs. Ratcliff's fourth grade, there are forty-two pupils. Now they are studying county fairs. They study the languages of people visiting the fair. After studying the fairs, they draw pictures. This class has an interesting display in the hall. They also did hand work with paper plates.

The fourth grade has two new pupils. They are: Joyce Perkins from Corpus Christi and Guadalupe Adams from Brownfield.

The fourth grade commented that they were having a lot of fun and that much interest was being shown by everyone.

**Boost your car's power as much as 15% with New Conoco Super Gasoline with TCP\***

**The Greatest Gasoline Development in 31 Years**

Restores "new car" power!  
 increases spark-plug life up to 150%!  
 Gives you extra gas mileage, too!

Cross section of typical spark plug. Combustion deposits form here, causing mis-firing and loss of power. TCP neutralizes these deposits, giving top power and performance.

Today it is possible to put new power in your car—just by driving into a Conoco station and filling up with new Conoco Super Gasoline.

For Conoco Super with TCP is a new kind of motor fuel—truly the greatest advance in gasoline since the introduction of tetraethyl lead in 1922. New Conoco Super can actually increase the power of the average car as much as 15%. That's because TCP overcomes the greatest cause of power loss affecting most cars on the road today. Conoco Super with TCP is brought to you by special arrangement with Shell Oil Company. TCP is Shell's trademark for the remarkable additive originally developed for aviation fuel.

**Combustion deposits drastically reduce power**

When you drive your car, deposits constantly build up on spark plugs and in the combustion chambers. These deposits can "cheat" you of power in two ways. First, they short-circuit spark plugs—causing them to mis-fire. Second, deposits in the combustion chambers cause fuel to ignite before it should. This is called pre-ignition or "wild ping." The combined effect of mis-firing and pre-ignition is loss of power and wasted gas.

**How Conoco Super Gasoline with TCP works**

Now Conoco Super with TCP—a cresyl compound—dramatically overcomes loss of power and fuel caused by combustion deposits. TCP actually neutralizes harmful deposits on spark plugs and in combustion chambers. With new Conoco Super your plugs spark as they should. Your fuel ignites as it should. You get and keep "new car" performance.

**TCP helps your car—whether new or old**

Whether your car is old or new, you can enjoy the benefits of TCP. If you have a new car, with a high-compression engine, it will keep on delivering its built-in power as long as you use Conoco Super

Gasoline. If your car is an older one, Conoco Super will restore much of the power you have lost. Conoco Super with TCP is at your Conoco dealer's today. Don't wait another day to start using this new kind of gasoline—the greatest development in 31 years!

**See what Conoco Super with TCP can do for your car—Start the "TWO-TANK TEST" today!**

1. When your gasoline tank is one-quarter full or less, fill it with Conoco Super with TCP. Now, there will still be some ordinary gasoline mixed in with your Conoco Super, so...
2. Make sure your next tankful is Conoco Super, too. So rapidly does Conoco Super work that with this second tankful, chances are you'll feel as if your engine has had a tune-up. You'll feel a boost in power. Try it today. We're sure you'll stay with Conoco Super.

Now—at your Conoco dealer!

**Bobcats Batter Hale Center  
To Win Third Straight Game**

The Dimmitt Bobcats clawed their way to an easy victory over the Hale Center Owls Friday night before some 2500 football fans to rack up their third successive win since the season started, September 11. The final score was, 32-21.

Coach Leo Field's Bobcats ran up a 32-7 margin in the first three quarters and coasted to victory in the fourth period as Cat reserves were substituted freely in the final quarter. Edgar Dennis and Richard Wood divided scoring honors for the Dimmitt eleven; each scoring a pair of touchdowns. Dennis made 25 and 70 yard dashes to pay dirt while Wood went on 66 and 25 yard jaunts to score. A 14-yard pass from Maxie Warren to Clark Dobbs accounting for the fifth Cat touchdown.

Scoring for Hale Center were Tackle James Dalton and Quarterback Harold Hoffman. Dalton plunged through center for 42 yards and a score while Hoffman tallied twice on five and three yard runs.

Some of the best blocking seen here this season enabled the last Dimmitt backs to chalk up lots of yardage and get away on several long scoring sprees. The Hale Center forward wall proved hard to crack as the line put up a stiff defense.

The Bobcats won the toss and elected to receive as the game got underway promptly at 8 p. m. Hoffman booted the pigskin to the Cat 20 and Alton Whitworth returned the ball to his own 38. Wood and Dennis picked up the necessary yardage for a first down but on the next play Dimmitt fumbled and the Owls recovered on their own 32 yard stripe. The Owls getting off to a shaky start fumbled the pigskin on their first play from scrimmage and Chad Moore covered the ball for the locals on the Hale Center 31. Maxie Warren picked up a first down to the Owls 20 on a quarterback sneak and Bobby Brock moved the oval to the 18. Wood picked up three more hard earned yards and on a handoff Dennis went to the 12 as the Cats began to threaten. Failure to make the necessary yardage for a first down, however, gave the Owls the ball deep in their own territory.

An acute case of fumbleitis set

in and the Owls lost possession of the ball on the second play from scrimmage. Warren made five yards around end and then tried the first pass of the game which failed. The not-to-be-denied Bobcats began to click at this point as Dennis, on a double reverse play, scampered 25 yards to the complete bewilderment of Owl players to rack up the first Dimmitt touchdown. Dennis ran his own extra point to make the score, 7-0, after twenty minutes of playing time.

Brock kicked off and the Owls returned to their 45. Stirred up but still stumped from the initial score, the Hale Center eleven fumbled again on their first play from scrimmage. The Cats took over but were penalized on the first play for holding. Hale Center then received a 5 yard penalty. Warren made five yards but Brock was forced to kick. The Owls began to move with Durdward Hart, Tommy Craddock, Marvin Jones and Hoffman alternating with the pigskin. The Cats stopped this drive on the 24. On the very first play from scrimmage Seathack Richard Wood broke away around left end and traveled 66 yards along the sidelines for a marker. Dennis' kick for the extra point was good and Dimmitt led 14-0. At the beginning of the second quarter.

Still plagued with fumbleitis the Owls lost the ball again on the first play after Brock had kicked off. Wood promptly proceeded to skirt left end on a double reverse play for 25 yards and a score to completely fool Owls backs again. Dennis' try for extra point failed and the Bobcats went ahead 20-0.

The Owl machine shook its stage fright midway of the second quarter and began to click. Troy Stafford temporarily thwarted a Hale Center scoring drive by hauling Hoffman down for an eight yard loss but James Dollar smashed through center on the next play for 42 yards and the initial Owl touchdown. Craddock lugged the ball through center for the extra point and the scoreboard read 20-7.

Glen Dalton kicked to the Cat 20 and Dennis made a ten yard return. A 15 yard clipping penalty put the Dimmitt team deep in their own territory. However Dennis on a handoff moved the ball back to the 35 yard stripe.

Brock bulled his way through center for five and Dennis made a first and ten on the next play. Or a fake Wood carried the oval to the Owl 45 and officials put the ball on the Owl 30 after they were penalized 15 yards for unnecessary roughness. The Owl line held, though, and Dimmitt failed to score. The half ended with the Bobcats leading 20-7.

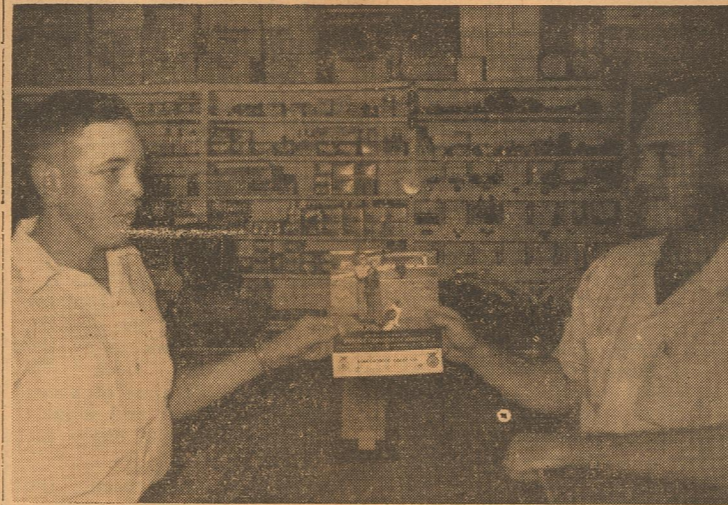

The Dimmitt band and pep squad leaders staged a colorful victory show at the halftime and received a big ovation from the stands. Hale Center's snappy 35-piece band also paraded during the half.

Still unable to shake their fumbling ways, Hale Center's Royce Trimble lost the ball on the opening kickoff of the second half. Dimmitt capitalized on this break and moved the ball to the Owl 14 with Wood, Brock and Warren carrying the mail. Warren caught the Owls by surprise on the next play by tossing a 14-yard pass to Clark Dobbs in the end zone. This was the first touchdown pass of the season for Dimmitt. The score at this point was 26-7 after Dennis failed to make the extra point.

The Owls received the kickoff and moved the ball to Dimmitt's 14 yard line on a series of running plays. They bogged down, however, and Dimmitt took over on downs. A short time later Dennis broke into the clear on the longest run of the evening to gallop 70 yards through center for six points. The extra point failed and the score was 32-7.

Leading by 26 points, Fields substituted freely and the Owls controlled the game during the last quarter. A penalty and 20 yard run by Dollar placed the football deep in Dimmitt territory midway of the final quarter. Dollar a short time later sneaked through center for five yards and a score. Dollar made the extra point by going through center and the score was 32-14.

The Cat reserves failed to go late in the final period and Hale Center soon took possession of the pigskin. Craddock set up the final score of the game and Hoffman carried the ball over from the three yard line. The extra point was good and the game ended a few minutes later with Dimmitt winning, 32-21.

**FFA CALENDARS**—Bill Kirkpatrick, Jr., (right) is seen presenting Bob Anthony, vice-president of the Dimmitt Future Farmers of America Chapter, a sample copy of the official FFA calendar. The calendars were made available by the Kirkpatrick firm here. Young Anthony, son of Mr. and Mrs. Wes Anthony of the Big Square Community, accepts the calendars on behalf of the Dimmitt Chapter. The presentation was made recently in the supply department of the firm.

**President Eisenhower Proclaims  
Oct. 4-10 Fire Prevention Week**

The week of October 4-10 has been proclaimed by President Eisenhower as Fire Prevention Week in the United States. In his official proclamation he urges all citizens to initiate a year-round campaign in their homes and communities against the needless waste of life and property caused by destructive fires.

E. C. Martin, state agricultural leader for the Texas Extension Service, points out that farm fires last year caused a loss of about \$133,000,000 worth of farm property and 3,000 farm people died as the result of fires. Moreover, he adds, approximately 95 percent of these fires were the result of carelessness and neglect. This, says Martin, is a staggering price to pay for something which could be prevented.

Eight primary hazards account for a vast majority of farm fires and Martin lists them as carelessness with matches and smoking; dirty and defective heating equipment; the improper storage and use of gasoline and kerosene; overloaded electrical circuits and operating or attempting to operate improperly installed and defective electrical equipment; sparks on flammable roofs; spontaneous combustion of hay; failure to keep trash and rubbish cleaned up and the lack of or improper installation of lighting.

Martin suggests making a careful check of the home and other buildings on the farm for accident and fire hazards and if any are found, he recommends prompt removal or correction. This is a case, he adds, where an ounce of prevention is worth much more than a pound of cure.

Because farms are usually far from organized fire protection, each family should make fire prevention a number one family project. But for safety sake, he says, fire extinguishers, ladders, hose and plenty of water, under pressure if possible, should always be available around farm buildings. And last but not least, he urges rural communities to organize for fire fighting.

**Garden Clubs Host  
District Meeting**

The Dimmitt and Hereford Garden Clubs served as co-hostesses to a district board meeting, held Tuesday at the Presbyterian Church in Hereford.

A breakfast at the Rex Tynes "Party house" honoring the state president, Mrs. A. Randolph Wilson of Waco, started the day. Dimmitt Garder Club President Mrs. George Bradford was a guest at the occasion.

A garden show, at which Castro and Deaf Smith county vegetables were on display was preceded by a luncheon at a Hereford hotel.

A Hereford florist gave several demonstrations on arranging holiday tables.

Mrs. E. B. Wright made the corsages that were presented to the visiting officers, who came from as far north as Perryton and as far south as Waco and Odessa.

Attending the meeting from Dimmitt were Mesdames Sam Gilbreath, George Bradford, Raymond Wilson, Joe Benson and Sid Sheffy.

**Birthday Party Given  
For Joyce Messenger**

Joyce Messenger was hostess at a birthday party held in her home recently. Games were enjoyed by the group who came dressed tacky. First place prize went to Tommye Sheffy.

Refreshments, followed by a movie, were enjoyed by Sandra Leeth, Mary Lynn Hendrix, Doris Singer, Tommye Sheffy, Avis Williams, Judy Patterson, Linda Hance and the honoree.

**WCS to Meet Monday**

The Women's Society of Christian Service will meet Monday at 2:30 p. m. in the home of Mrs. Vern Lust. The meeting date was recently changed from 4 p. m. to 2:30 p. m.

Sgt. Francis Gerber, Nazareth, recently returned from service in Korea, received his discharge Sept. 15 at Fort Sill, Okla.

Benita Marie, daughter of Mr. and Mrs. Ray Schulte, was baptized Sept. 20 in Holy Family Church, with Julene Heiman and Francis Gerber as sponsors.

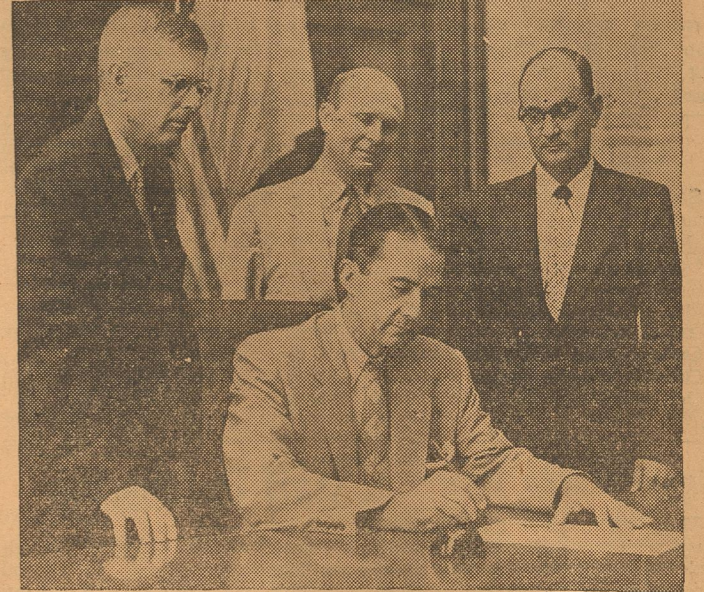

Thereas Beth Sullivan, daughter of Mr. and Mrs. C. F. Sullivan, was born Sept. 19 in Swisher County Hospital. Mr. Sullivan is an employee of Phillips Gas Company.

Mr. and Mrs. Clyde Davis of San Angelo were guests in the home of their son, Bill Davis, this week.

Mr. and Mrs. J. G. Davis, Jr., and family and Mrs. J. G. Davis, Sr., visited relatives and friends at Plainview last week-end.

Jack Cowser, Ernest Jones and Sid Sheffy were business visitors in Clovis Wednesday.

Mr. and Mrs. Doyle of Corpus Christi visited Mrs. Etta Bra-shears, Sunday evening.

**FARM BUREAU WEEK PROCLAIMED**—Gov. Allan Shivers, above, signs a document proclaiming the week, Oct. 5-10, officially "Texas Farm Bureau Membership Week." Some 180 organized county Farm Bureau will observe the week by staging the biggest state-wide membership drive in the history of the state farm organization. More than 10,000 volunteer workers will be out to exceed the goal of 75,000 farm families in 1953. Looking on at the signing ceremony are (left to right) Loys D. Barbour of Iowa Park, District 8 director; Alton Weiss of Manor, president of the Travis county (Austin) Farm Bureau; and C. H. DeVaney of Coahoma, vice-president of the Texas Farm Bureau Federation.

Mrs. Pearl Sheffy and Mrs. Nettie Graham are in Temple, Texas, for business reasons. Mr. and Mrs. Glenn Smith were visitors in Tatum, New Mexico, Sunday.

### Hart PTA Has Meet

The first meeting of the Hart Parent Teachers Association for the current school year was held recently in the school lunch room. A basket supper was spread and all teachers present were introduced.

A social hour of visiting was enjoyed after the supper. The next regular meeting of the group was set for the second Tuesday in October in the school auditorium. All residents interested in the welfare of their school children are urged to attend.

### Dr. James L. Cross VETERINARIAN

OFFICE: Musick Producers  
Phone 99  
Res: 801 NW 5th St.  
Phone 669

TULIA, TEXAS

### Accepts Position

Mrs. Nola Wood has accepted the position of nurse and office technician with Dr. F. B. Faust, who will open offices here October 1, opening date for Plains Memorial Hospital. Mrs. Wood is experienced, having been in the nursing profession for many years and serving as county health nurse at one time.

RM 3-c and Mrs. Earl Greathouse and baby daughter of San Diego, Calif., were here recently for a 15-day furlough visit with their parents, Mr. and Mrs. Dick Greathouse and Mr. and Mrs.

Mr. and Mrs. Elmer Caudle are in Colorado sightseeing.

Mrs. Geo. Bradford attended the State Garden Club convention at Alpine Monday and Tuesday of this week. She went with the delegates from Hereford.

### Northcut-Maxwell Nuptial Vows Said In Impressive Ceremony At Pecos

In a double ring ceremony recently at the First Baptist Church in Pecos, Miss Becky Northcut, daughter of Mr. and Mrs. B. M. Northcut of Pecos, became the bride of Mr. Troyce Dale Maxwell of Dimmitt.

Dr. W. M. Turner, pastor of the church, read the vows before a setting of baskets of yellow mums, surrounded with greenery. The bridegroom is the son of Mr. and Mrs. H. T. Maxwell of Dimmitt. Miss Evelyn Rorex of Panhandle served as maid of honor. Bridesmaids were Miss Peggy Wilkinson of Dimmitt, cousin of the bridegroom, and Miss Billie Jo Needles of Pecos. Jeanie Clements of Monahans, cousin of the bride, was flower girl.

The maid of honor and the bridesmaids' dresses were yellow ballerina length net with matching stoles and they wore yellow linen opera pumps. Their flowers were crescent bouquets of yellow palm mums tied with blue ribbon.

Bill Murphy of Abilene served as best man. Ushers were Otis Henson of Pecos and Faywayne Murphy of Dimmitt.

Candle lighters were Truman O'Brien and Sam Massey of Wickett, cousins of the bride. Mrs. Grover Cleveland furnished the wedding music with Don Nelson of Dimmitt singing "Because" and "I Love Thee". He al-

so sang "The Lord's Prayer" as final benediction.

The bride, wearing an ivory satin dress with imported lace over bodice and an overlay of lace over the skirt, was given in marriage by her father. She carried a white orchid and stephanotis spray on a white Bible.

The bride's mother wore a toast brown sheer dress with brown accessories, and yellow roses as a corsage. The bridegroom's mother wore a dress of medium blue crepe with pink and navy

accessories. Her corsage was of pink roses.

At the reception in the church chapel following the wedding, the bride's table was laid with white organdy applique over yellow. A floral arrangement centered the table. The bridal cake and punch were served.

When the couple left for a wedding trip to different parts of New Mexico, the bride was wearing a pink faille suit with navy accessories and a white orchid corsage.

Both bride and groom attended Texas Technological College in Lubbock for the past three years. Mrs. Maxwell is a graduate of Pecos High School and her husband graduated from Dimmitt High School. They will make their home in Lubbock, as they will resume their studies at Texas Tech.

Among the out-of-town guests were Mr. and Mrs. Pat O'Brien and sons of Wickett, Mr. and Mrs. John Northcut and Johnny of McCamey, Mr. and Mrs. C. A. Taylor of Rankin, Mr. and Mrs. Harold Massey of Wickett, Mr. and Mrs. H. H. Clements of Monahans, Mr. and Mrs. L. V. Gills of Wink, Miss Vicky Probanat of San Angelo, Miss Frankie Boyd of Big Spring, Miss Verbie Oldham of Lubbock and Mrs. Ola Murphy and son, Faywayne, of Dimmitt.

Mr. and Mrs. B. M. Northcut were hosts to the rehearsal dinner August 22 at 6 p. m. Saturday at Beer's Spanish Inn. Attending, other than members of the wedding party were Mrs. Bill Murphy and son, Miss Verbie Beth Oldham and Donnie Ray Maxwell.

Miss Northcut was honored with a tea and miscellaneous shower on Saturday, August 22, from 3 to 5 at the home of Mrs. R. P. Coffee. Many lovely gifts were received.

# THE FINE CAR at half the fine car price

Duplicating America's costliest cars, feature after feature, Ford is worth more when you buy it... worth more when you sell it!

**A FEW MINUTES** on the telephone calling the dealers who sell America's finest cars will reveal there are at least eleven models among four makes with price tags over \$4,000!

Now the interesting thing is that in feature after feature the Ford car duplicates each of these fine cars, and for less than half the fine car price!

Look under the hood of the most expensive cars and what do you find?

**A V-8 Engine!** Well, the Ford car has a V-8, too. In fact, it has had a V-8 since 1932, and since that time Ford has built more V-8's — by millions — than all other manufacturers combined. And there's no other builder in Ford's price range that's seen fit to offer one yet!

But the engine, as fine as it is, is only one of many things that make a fine car fine.

**Automatic shifting, for example.** All the fine cars offer it in one form or another because it's one of the things that make a fine car fine. But if you've never driven a Ford with Fordomatic you've missed one of the finer things of life. This amazing transmission not only does away with clutching and shifting forever — it

gives you exactly the amount of power you want, when you want it — automatically.

**Fine car power steering, too.** The big, heavy costly cars offer it for the same reason they offer power brakes. It's a man-sized job for a 120 pound woman to handle a car weighing two tons or more without it — especially when parking. Our "Master-Guide" has two distinct benefits.

First, it gives a hydraulic power assist right down at the wheels and just enough to take out the work. You don't relinquish one particle of control — rather your control is more complete and far easier.

Second, being hydraulic, "Master-Guide" power steering absorbs those fatiguing steering wheel tremors caused by ruts and roads in bad repair. And you don't pay a fine car price for "Master-Guide."

**But there is another fine car feature — the Ford ride.** Books have been written on the subject of riding quality in an automobile, but the payoff comes on the pavement — or lack of it! Many people associate a comfortable ride with excess weight, but it's not weight alone that makes for comfort. If it were, those big five-ton trucks which you see every day

would be the most comfortable vehicles on the road.

Without being technical we can tell you that what's been done with the suspension and springing system gives the Ford a softer ride, a smoother ride than many cars which tip the scales at better than an added half ton.

**What about room?** Here's an interesting point. If you've felt that only a costly car offered enough room, you just ought to sit down in a Ford even if you're out-size and six feet four! The so-called big car is bigger on the outside, but unless you buy a limousine with those little jump seats, it's not one passenger bigger inside.

**Visibility is another fine car Ford feature.** We say Ford cars offer "full-circle" visibility because they all have huge, curved one-piece windshields and a huge rear window to match... plus side windows that mean every passenger gets room with a view!

**How beautiful is a Ford?** A great English poet, John Keats, once wrote "Beauty is Truth, Truth Beauty" — well, he could have been writing about our car for its beauty comes from honest, clean lines in every dimension. In fact, we think most people agree — even our competitors

— that the appearance of a Ford Car leaves very little to be desired. It is "at home" wherever it goes and it goes everywhere.

**But what about Ford quality?** Does it too match the fine car? Is the sheet metal of the body panels as thick? Is the finish as good? How about the trim and things like that? Well, as far as we can determine, the sheet metal is identical in thickness in practically all instances. As to finish — we believe Ford's baked-on enamel has no equal in any car. Ford upholstery fabrics and trim are less costly, but they're less delicate, too, and if anything, more durable.

**How then is it possible to give you this fine car at half the fine car price?**

Part of the answer lies in Ford manufacturing skills and knowledge as evidenced by the V-8 engine. Part of it comes from the ever increasing numbers of cars Ford produces and the economies they make possible. And, part of it comes from Ford's willingness to give greater values than might be expected in cars selling in Ford's price range. And that's the Ford idea.

## Point System

In order to qualify for either the National Honor Society or for Boys' State or Girls' State a point system has been made by the Faculty of Nazareth High School and a committee from the American Legion and the Legion Auxiliary.

Points based on scholarships will be determined each six weeks. Each A will count six points, each B four points; two points will be subtracted for each F.

Two points will be given each six weeks for perfect attendance. The only excusable absences will be those caused by death in the family or sickness. Other excuses must be taken care of individually.

Participation in such activities as essay contests, "I Speak for Democracy," entries Queen's Work contests, or any similar activity approved by the school will earn one point for each acceptable piece of work.

Each case of tardiness will subtract one point. This holds good at any class or activity at which one is supposed to be present.

Any case of reckless driving will subtract twenty points for each time and at any place—not just around school.

Points will be subtracted for offenses against good conduct.

## Senior Day

September 21 was a memorable day for the seniors. At nine o'clock that morning, we piled into two cars driven by Cyril Brockman and Frank Ball, and off we went to Palo Duro Canyon. The more energetic part of the class indulged in hiking and climbing until the noon wiener roast.

After our dinners were settled, we again climbed back into cars and headed north to the Tri-State fair. Arriving at two o'clock we had just enough time to buy our tickets for "Ice Ahoy," which got underway at 2:15. Everyone enjoyed this spectacular event, and the excellent music of the Sugar Blues Boy, Clyde McCoy. Following this, everyone went to the midway and enjoyed a lot of thrilling rides. Even though we felt kind of tippy turvy after leaving the midway, we still enjoyed all the interesting exhibits. Eight o'clock found us at the Little Wheel, hungrily eating chicken in the basket, enchiladas, and the like. We seniors went home a little tired, but with the satisfaction that we had a delightful senior day. We will never forget it.

## Grade News

The fifth and sixth grades elected the following officers for the first semester: president, Diana Hoelting; vice-president, Eugene Gerber; secretary, Ralph Albracht; and score keeper, Leroy Hoelting.

Jerome Gerber was missing the first two weeks of school because of an accident he had during the summer. Welcome back, Jerome.

The third and fourth grades have received a new world map, and are very busy putting it together. They are also busy making drawings of Indian articles.

## Guess Who

Answers to the last "GUESS WHO" were Eugene Schacher and Esther Ball. Now, see if you can guess this week's "mysterious" NHT'sers.

### EASTER NEWS

Mrs. H. O. Markley went to Edmond, Okla., Sunday to attend the funeral of her uncle. She returned home Tuesday afternoon.

Mr. and Mrs. Wendal Markley and children spent Friday, Saturday and Sunday at Dumas visiting their cousin, D. O. Markley and family.

Mr. and Mrs. John Burnett and son had dinner with Mr. and Mrs. Ray Suits of Hereford Sunday. The occasion was in celebration of Mrs. Bennett's and Mr. Suits' birthday.

Mr. and Mrs. Olin LaPlant visited in the G. H. LaPlant home Tuesday.

Mr. and Mrs. Leroy Kenmore and son Mr. and Mrs. Rollard Hall and son of Duke, Okla., visited Mr. and Mrs. J. H. Burnett and son Sunday.

Corporal Ray Cortel from near Huntsville, Alabama visited Mr. and Mrs. Dick Golden last week.

Mr. and Mrs. Bill Lee and daughter visited the Loy D. Stones Saturday night.

The Easter Sewing Club met Thursday at the Community Building. Mrs. Glenn Godfrey and Mrs. Dick Golder were hostesses. There were 14 members present. The next meeting will be Oct. 8th. At this meeting will elect officers. Everyone please attend this meeting.

Mr. and Mrs. B. M. Nelson were Sunday afternoon visitors in the Loy D. Stone home.

Mrs. J. A. Burnett was in Amarillo Friday on business.

Bobby Jones, student at Texas Tech, Lubbock and Mary Frances Boswell attended the football game here and visited his parents Mr. and Mrs. Earnest Jones, Friday.

### FRIO NEWS

by Mrs. Owen Andrews

The Frio Home Makers Club met Wednesday in the home of Mrs. Owen Andrews for a program on Arrangement of Kitchen Tools. Mrs. W. A. Springer talked to the group and illustrated her points with equipment in the kitchen. Among suggestions made were that equipment should be stored at the work center where it is to be used first, and several suggestions were given for saving steps. Those present were Mesdames Jack Jones, E. F. Vogler, Frank Robbins, Leonard Buttrill, Marshall Ebeling, H. F. Benson, Suddeth, E. H. Little, Jim Brooks and the hostess. The next meeting will be on Oct. 14th at the community building. Election of officers will be held on that day, and members are also asked to bring suggestions for the new year books. Meeting time is 2:30.

Mr. and Mrs. Joe Davenport and children moved last week into their new buff brick six room home, located on South Terra Blanco. Modern in design, it has a double garage, concrete drives and a new lawn already underway. The Davenports moved from the place known as the "Uncle Will Dixon" place, now owned by the J. E. Warricks, but being farmed in cotton by Davenport.

Visiting the C. N. McClure last week were Mr. McClure's brother, W. B. McClure, and Mrs. W. B. McClure of Fort Worth. Also visiting them were their daughter, Mrs. Dave Breith and Sharon, who remained for a longer visit with her grandparents.

On Sunday the McClures visited Mrs. McClure's brothers, J. W. at Morton and G. W. at Sudan. Both men have recently under-

gone operations. G. W. had just returned from Temple and had taken a turn for the worse and been taken to the Sudan hospital.

Mr. and Mrs. David Yandell and Rose Marie, of Tahoka were visiting Mrs. Yandell's sister, Mrs. Olin Parris and family during the week end.

Mr. and Mrs. Leo Hall and girls visited Mrs. Hall's relatives at Wellington during the week-end.

Visiting the Earl Coles in Hereford Sunday afternoon were Mr. and Mrs. T. L. Sparkman and Mr. and Mrs. Simmons.

Mrs. H. M. Mobley and Austin Mobley were in Plainview Thursday attending to business and visiting their relatives, Mr. and Mrs. Ellis Todd.

The Community meeting is to be this Thursday night—everyone is urged to attend and bring wieners and buns for a weiner roast after the business meeting is held. Time for the meeting has been set at 7:30.

Mr. and Mrs. Glim Grip are stuccoing their house. It will be white with green trim.

Mr. and Mrs. Vogler and family have as guests this week the Ed Meyers of Coppas Cove. The Meyers are Mrs. Vogler's relatives. Mrs. Henry Drager is also visiting her daughter, Mrs. Vogler.

Thursday, the 24th, was Carol Robbins fifth birthday. In honor of the occasion, her paternal grandparents, the H. D. Robbins, Mr. and Mrs. E. H. Little, Peggy and Becky took dinner at the home of Carol, her parents, the Frank Robbins and little brother, Stevie. Afternoon callers were her other grandmother, Mrs. Fred Moreman and Mrs. Glenn O. Edwards and three sons, Clifford, Kenneth and Darrell, all north of Hereford.

Mr. and Mrs. Weldon Stephens took Sunday dinner in the Frank Robbins home.

Mrs. Gene Noel and infant daughter came home from the hospital Thursday. The Noels have named the baby Debra Kay. Sunday visitors of the Noels were Mr. and Mrs. Charles Frye of Amarillo and the Frank Robbins. Mrs. Noel, Genes mother, and Mrs. Gunstensen, Ramonas mother, are taking turns staying with them to care for baby, Ramona, and young son Lynn.

Combining grain has started in this community. H. D. Robbins and T. L. Sparkman and Leonard Buttrill are among those already harvesting.

Carl Parrish and Oliver McKee of Carey called in the J. E. Warrick home Saturday.

Mr. and Mrs. Dub Maddox and children of north of Hereford took Sunday dinner with the J. E. Warricks.

Donna Cole, daughter of the Thurman Coles, celebrated her eighth birthday Monday when she appeared on television in the "For Kids Only" show in Amarillo.

Dinner guests Sunday of the Floyd Coles were Mrs. H. M. Mobleys, La Nelle, Don and Austin, and Mr. and Mrs. Raymond

### RECIPE OF THE WEEK

By Mary Lee Taylor  
**Cranberry Sherbet**

1/2 cup Pet Evaporated Milk  
1 cup canned, jellied cranberry sauce  
2 Tablespoons sugar  
1/4 teaspoon grated orange rind  
3 Tablespoons orange juice

Put milk into ice cube tray of refrigerator. Chill until ice crystals begin to form around the edges. Mash cranberry sauce with a fork. Mix in sugar, orange rind and juice. Put ice cold milk into a cold bowl. Whip with cold rotary beater by hand, or with electric beater at high speed until stiff. Beat in cranberry mixture all at once. Freeze, without stirring in tray of automatic refrigerator at coldest temperature, until firm. Makes 1 quart.

## Sixth Grade Elects Class Officers

Our class officers are as follows:  
 President—Oyama Buchanan  
 Vice President—J. D. Myrick  
 Secretary—Janis Bishop  
 Treasurer—Kenneth Cummings  
 Song Leaders—Aramdo Gonzales, Bruce Odom, Patricia Buchanan, Lesca Dee Dorman  
 Reporter—Lesca Dee Dorman  
 Nurse—Gayle Dorman  
 Doctor—G. W. Walker  
 Room Mothers—Mrs. Dorman, Mrs. Buchanan, Mrs. Garrison, Mrs. Myrick, Mrs. Sharp Mrs. Clark  
 We completed our writing contest Thursday. Patricia is the Champion Girl Writer and Harvey is the Champion Boy Writer.  
 Bruce Odom is having to go to Amarillo to have some work done on his nose. The doctor at Dimmitt, said, "It may be broken and has a cave on the left side and should be fixed as soon as possible."  
 Sandra Hair moved to Bristo, Oklahoma, last Sunday. We shall miss her.  
 The sixth grade boys are wanting to play the sixth grade boys of Dimmitt in basketball.  
 We have had some of our students absent for a few days. They are: Marianne and J. D. Myrick. We have missed them both and hope they will be back Monday.  
 The Sixth grade Halloween Carnival King and Queen are Patricia and Oyama Buchanan.

**Sophomore Class News**  
 The Sophomore Class has elected the class officers for this term. They are the following:  
 President—Jack Minshew  
 Vice President—Peggy Beavers  
 Secretary and Treasurer—Jolene Dorman  
 Reporter—Virginia Davis  
 Room Mothers—Mrs. Floyd Dorman, Mrs. Wade Mills.  
 The Sophomores joined in on all the fun Thursday night at the FFA hayride and watermelon feast.

**Dr. R. F. McCasland**  
**DENTIST**  
 TULIA, TEXAS  
 Heard and Jones Building

## Eighth Grade News

The Eighth Grade went on a hayride Friday night. Later that night they were entertained in the home of Mrs. Roy Pyeatt. The room mothers were present and served refreshments to the group. Everyone reported a good time.  
 Friday, the fire drill officers of this class were elected also.

## FHA Elects Officers

The Future Homemakers of America had a call meeting Friday 18, to elect the officers for the coming year. The following were elected:  
 President—Ella Buchanan  
 Vice President—Geneva McLain  
 Secretary—Royce Lynn Pyeatt  
 Treasurer—Wanda Jo Felder  
 Historian—Maurice Aven  
 Parliamentarian—Phyllis Wall  
 Reporter—Virginia Davis  
 Advisor—Mrs. Juanita Hutcheson  
 Chapter Mother—Mrs. Lloyd Davis.

The Officers for the past year were:  
 President—Phyllis Wall  
 Vice President—Maurice Aven  
 Secretary—Peggy Davis  
 Treasurer—Geneva McLain  
 Historian—Gaylia Anderson  
 Parliamentarian—Royce Lynn Pyeatt  
 Advisor—Mrs. Juanita Hutcheson  
 Chapter Mother—Mrs. Easton Wall  
 The annual installation service of the new officers was held in the high school auditorium Friday night, September 25. The mothers of the FHA girls were guests for the occasion. After the installation service refreshments were served to the girls and their mothers.  
 Tuesday night has been chosen night to begin the initiation of the Freshman girls into FHA. For a few days if you happen to hear a few moans and groans just forget it and don't pay any attention to them because it is more than likely just a freshman girl.

**Seniors Rings are Here**  
 If you happen to meet a senior in the halls be sure to stop and ask to see their right hand. On this right hand you will see a very pretty ring. This ring identifies the person as a senior. They are yellow gold with a ruby set. On each side of the set is a miniature longhorn. On the set there is a crest with an H on it.

## Junior Play

The Junior Play has been chosen and the play books have been ordered. The name of the play is "Accidental Hero." Work will begin as soon as the playbooks arrive so watch for more about this.  
 The sad announcement was made Monday that the girls were to cut down on sweets and cokes. Later on they will have to be done away with altogether. We have been learning new drills.

Some of the girls are supporting burned knees from sliding on the slick floor.  
 On Thursday and Friday we scrimmaged. On the other days of the week we drill.

## First Grade News

The first grade has 29 pupils enrolled. Twenty nine of the cutest little ones you ever saw.  
 Darlene Pickrell went to the doctor Thursday afternoon to have her eyes tested.

Mrs. E. E. Davis, Mrs. Kendrick, Mrs. Pickrell, and Mrs. Drennan were the first grade visitors this week.  
 All first graders had a narrow escape when the fire alarm was sounded. They were in the gym playing without their shoes but they managed to get out with the sixth grade without serious injury.  
 Neomi Brooks and Slya Sharp are enrolled in Mrs. Davidson's music class.  
 Larry Ray Huston fell off the slide Thursday, but was able to be back on it the next day.  
 Plans are being made for the Halloween Carnival.

**Fourth Grade Class Officers Announced**  
 President—Jack Witten  
 Vice President—Ralph Myrick  
 Secretary and Treasurer—Jim Sanders  
 Librarian—Judy Sanders  
 Nurse—Dorthea Kay Campbell  
 Doctor—Jimmy Keith  
 Flower—Red Carnations  
 Class Colors—Red and white  
 Motto—"Look for the Good"  
 Room Mothers—Mrs. Jimmy Davis, Mrs. Clyde Witter, Mrs. E. B. Campbell, Mrs. J. E. Shepard

**Dimmitt Navy Man Stationed in Guam**  
 GUAM—With Air Anti-Submarine Squadron 25 at the U. S. Naval Air Station here is Navy Ens. Mederith H. Jackson, son of Mr. and Mrs. Francis U. Jackson of Dimmitt. The squadron is a hunter-killer outfit whose mission is to search out and destroy submarines. It is self sustaining and can operate and maintain its equipment without assistance.

Mrs. Bob Sheffy and Mrs. Kerritor in Jackson first of the Monday, they visited Frances Butler.  
 Bill Graham is in Marlin for the hot baths and a rest.

## Teacher of the Week

Mr. Lipscomb is a member of the faculty of the Hart Rural School for the year of 1953-54. Mr. Lipscomb claims Turkey, Texas, for his home town. He attended college at Wayland and Texas Tech. Hart is the first school he has taught in. Mr. Lipscomb's parents are Mr. and Mrs. C. S. Lipscomb. This lucky guy came into the world on March 19. Among his favorites are:

Sports—Football  
 Color—Green  
 Pet—Peeve—None  
 Pasttime—Movies, Sports, Swimming  
 Food—Shrimp

There are also two or three more very important features of Mr. Lipscomb's life. I believe they could be and are his wife, Mrs. Lipscomb and the two small children. We are very glad to have Mr. and Mrs. Lipscomb to live in our community.

## Fifth Grade News

The Fifth Grade has decided on their room mothers. They are Mrs. L. E. Miller, Mrs. James O. Brooks, Mrs. J. F. Clark, and Mrs. P. C. Van Vleit.  
 We are studying maps in Geography now. We are writing to the Chamber of Commerce in all the states, asking them for pictures and any kind of materials they would like to send us.

## Corrections

To be added to the list of the faculty of Hart is Mrs. Juanita Hutcheson, who teaches 7th and 8th Reading and High School Homemaking and Mr. Herbert Williams, the High School Agriculture teacher.

## Look! They've put the pump and motor under the water

**FAIRBANKS-MORSE SUBMERSIBLE WATER SYSTEM**

If you are putting in a new well that must go deep to get water . . . if you are replacing your old deep well pump, don't buy a new unit until you have talked to us about this sensational Fairbanks-Morse submersible pump!

Just a few features of the Fairbanks-Morse submersible!

Only ONE pipe of SMALLER diameter used inside well casing • Never needs priming • Motor and pump operate entirely under water • No jets, rods, or shafts to add to cost • Uses smaller motor — saves power • Impeller and motor shafts of stainless steel • Water cooled — water lubricated • Delivers up to 720 g.p.h. at 300-foot settings — more at shallower settings • PERFORMANCE PROVED • QUALITY GUARANTEED!

Call at our store . . . phone . . . or write.

FAIRBANKS-MORSE AUTOMATIC HOME WATER SYSTEM

Delivers up to 1600 g.p.h. — pumps efficiently at all depths to 600 feet.

- Costs less to operate — low maintenance
- Balanced work load gives less wear on drive
- Develops rated capacities at minimum pressures
- Smoother power flow eliminates light flicker
- Available also with windmill or engine hookups
- Pump and motor have V-belt drives

**Let us help you choose the right pump!**

Fairbanks-Morse line of deep well heads offers pumps for well casing diameters ranging from 2" to 6". Installing a pump larger than you need is as inefficient and expensive as putting in one that is too small. We'll be glad to come to your home or farm, make an on-the-job check of your needs, and recommend the right pump. This service is free! Or, drop in at our store and ask for booklet on Fairbanks-Morse deep well water systems.

## Reuben's Welding & Machine Shop

## SOIL CONSERVATION NOTES

**Bench Levelling**  
You may save your soil from water and wind erosion by putting in and maintaining the bench levels on your land, according to Orrin Howe, engineer with the SCS. Some say the work is too expensive, however, this need not be the case if the work is properly laid out and constructed. There are only about 6 square feet of dirt to be moved an average distance of 25 feet to level the land between borders spaced 50 feet on 1% slope of the land. Therefore the dirt moving job need not be expensive if you have an operator that has the proper

equipment and knows how to do the work. The cost will vary with the slope and irregularity of the land. In case the farmers prefer not to have the entire cost the first year the borders may be constructed and levelling the land between borders may be accomplished from year to year through farming operations such as plowing dirt down hill and floating the land between borders.

**Advantages of Bench Levelling**  
There are several advantages of bench levelling over terracing the engineer continues. First, the land is levelled between structures which aids in distributing rainfall

or irrigation water on the land. Second, the structures need not be as high to hold a given amount of water. Third, there is less waste of land in the case of the small structures, or borders, as moisture and plant roots can easily penetrate the distance from either side.

The agronomists say that erosion can be controlled by proper vegetative cover on the land. The benching will aid in getting the proper cover started and the two practices would then accomplish a complete job of preventing loss of water and soil from the land.

If benching were done on all land that has more than one half foot fall per 100 feet distance or 1/2% slope, not only would we save the soil from erosion but would also put in production our rich bottom lands in lakes and near rivers and prevent disastrous flood waters down stream.

A conservation farmer or rancher is one who:

1. SEES the land
  - a. Different kinds
  - b. Condition
  - c. Which of Nature's laws have been violated
  - d. Treatment needs
  - e. Proper use
2. UNDERSTANDS what he sees
  - a. The land is the Lord's and the fullness thereof
  - b. Second only to the heavens in the order of creation

## Oscar, The Rabbit, Will Appear Here

Oscar, the rabbit, who stars in the magic and illusion show, "Mysteries Around the World," which will be brought to the local high school auditorium under the sponsorship of the Dimmitt Lions Club, is probably the most honored bunny in the world.

For three and a half years Oscar traveled completely around the world with his magician friend, Arnold Furst. They entertained over one million service men during their three trips around the world which took them into every theatre of war. Oscar started out as the first rabbit to hold the rank of Second Lieutenant in the Army. The following year he was given the rank of Ensign in the Navy and finally was awarded the honorary rank of Assistant Vice-Commo-

- c. The source of food, clothing, and shelter
- d. God's richest material gift to man
- e. With the right to own goes the duty to conserve
3. WORKS with understanding
  - a. Uses the land for what it is best suited
  - b. Treats it according to its needs
  - c. Improves its productiveness
  - d. Cooperates with nature and obeys her laws
  - e. Learns to love the land
  - f. Always leaves it better than he found it
4. ENJOYS his work
  - a. Conservation farming or ranching is his badge of good citizenship
  - b. Has pride in his trusteeship of the land
  - c. Shares his vision, his understanding, his work, and his pleasure with others
  - d. Enjoys the fruits of his labor in the knowledge that "He who tends the soil with care and diligence shall reap a stock of religious merit than he could by the repetition of ten thousand prayers."

(Excerpt from a talk made to the F. F. A. Collegiate Chapter, Tarleton State College, December 8, 1949, by Louis P. Merrill, Regional Conservator, Soil Conservation Service, Fort Worth, Texas.)

dore. Oscar received a citation from Major General Bryant for his work.

The celebrated rabbit had his own passport and parachute. In China he wore a special recognition flag bearing the signature of Generalissimo Chiang Kai Chek. Having flown the Atlantic and Pacific several times, Oscar is proud of his "Short-shorter" bill which bears the signatures of General Douglas McArthur, Lord Mountbatten, the Viceroy of India; Harold Lloyd, John Garfield, Irving Berlin, Joe E. Brown, Dan Dailey, Gene Tunney and Vincent Astor, to name but a few.

Oscar is slated to make his appearance from an opera hat held in the hand of Arnold Furst during his magic show here the afternoon and night of October 5.

## Baptist Meets Set For San Antonio

San Antonio will be host to four annual state meetings of Texas Baptists beginning October 16, and continuing through October 23.

The biggest meeting, expected to draw more than 10,000 in attendance from the 3,434 churches in the state, will be the General Convention which begins Tuesday evening, October 20. The opening session will be a joint meeting with another convention, the Woman's Missionary Union, and will feature the Rev. Thomas Rees from London, England's outstanding Protestant evangelist. The W. M. U. meeting will begin Sunday.

Other speakers for the four day General Convention will include Gov. Allan Shivers of Austin; Dr. Woodson Armes of Ft. Worth; Dr. R. G. Lee of Memphis, Tenn.; and Southern Baptist Convention President, J. W. Storer of Tulsa, Okla.

## Van Earl Hughes WMS Has Meeting

The Van Earl Hughes W. M. S. Circle met Monday at 3 p. m. in the home of Mrs. Kenneth Turner for Bible study with 11 members present. Mrs. J. E. Burch opening prayer was led by Mrs. John Turner and minutes of the last meeting read by Mrs. Sam

Maynard. The treasurer's report was given and sympathy card was sent to the E. J. Carpenter family.

The meeting was turned over to Mrs. Paul Poe who taught the

Bible lesson. A love gift from the circle was presented to Mrs. Burch. The meeting closed with a season of prayers.

Delicious refreshments were

served by the hostess to Mesdames J. E. Burch, Sam Maynard, W. T. Gollehon, Dave Sheperd, Fannie Shive, John Turner, Paul Poe, Sam Cooper, Norris Wesson and Miss Onita Shive.

## TRY THIS V8 POWER

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Up a long steep hill—from a standing start—that's where you ought to sample this Buick's silent might.

Or on an ultramodern turnpike, where you can cruise at legal limit in a practically effortless loaf.

But try it you should—just to know the exuberant experience this V8 power can bring to you.

For this is automotive power that springs from a V8 engine of unique design—the brilliant new V8 Fireball engine that nestles under the hood of every 1953 Buick SUPER and ROADMASTER.

It is the world's first and only V8 engine with vertical valves, and a muffler of zero power loss.

It is the only standard-production American car engine to reach 8.5 to 1 compression.

It is the first Fireball V8—with a host of advanced engineering features—and with the highest horsepower, Series for Series, ever provided in a Buick SUPER or ROADMASTER.

You ought to try this spectacular new Buick engine.

You ought to try it for instant response, for

almost effortless power delivery, for silken quiet.

And, very definitely, you ought to try it teamed with Twin-Turbine Dynaflo<sup>®</sup> for new, solid getaway and truly infinite smoothness. Getaway that's instantly responsive—and really easy on fuel.

Come visit us soon and we'll introduce you to a wonderful new motoring experience.

### World's only car with all these features:

- V8 VERTICAL-VALVE FIREBALL ENGINE } Roadmaster and Super
- DYNAMIC FLOW MUFFLER }
- TWIN-TURBINE DYNAFLOW\* • POWER STEERING\*
- POWER BRAKES\*\* • BALANCED MILLION DOLLAR RIDE
- COMPLETELY NEW SWEEPSPEAR STYLING

### LEGAL NOTICE

#### CITATION BY PUBLICATION THE STATE OF TEXAS

**TO:** The Bedford Town and Land Company, a joint stock company; all Stockholders of the said Bedford Town and Land Company, whose names are unknown; E. S. Jones and if ever married Mrs. E. S. Jones; E. F. Halsell and if ever married Mrs. E. F. Halsell; G. M. Etter and if ever married Mrs. G. M. Etter; R. R. Dulin and if ever married Mrs. R. R. Dulin; A. R. Andrews and if ever married Mrs. A. R. Andrews; J. B. Stinson and if ever married Mrs. J. B. Stinson; R. L. Belsher and if ever married Mrs. W. H. Bean and if ever married Mrs. W. H. Bean; W. C. Dimmitt and if ever married Mrs. W. C. Dimmitt; H. G. Bedford and if ever married Mrs. H. G. Bedford; J. W. Hinton and if ever married Mrs. J. W. Hinton; T. H. Lively and if ever married Mrs. T. H. Lively; O. Lykes and if ever married Mrs. O. Lykes; and if any or all of the above named parties are deceased, their heirs, their unknown heirs and legal representatives of each and all of them; H. G. Bedford, Trustee, and R. R. Dulin, Trustee, and their successors as trustees of the Bedford Town and Land Company, and any and all persons owning or claiming any interest in the property hereinafter described, all of whom are DEFENDANTS, Greetings:

**YOU ARE HEREBY COMMANDED** to appear before the Honorable District Court of Castro County, Texas, in the Court-house thereof in Dimmitt, Texas at or before 10:00 o'clock A. M. on the first Monday after the expiration of 42 days from the date of issuance of this citation, same being the 9th day of November, 1953, then and there to answer in writing Plaintiff's petition filed in said court on the 24th day of September, 1953, in this cause numbered 2150 on the docket of said Court and styled, E. J. Brannan vs. Bedford Town and Land Company, et al., a brief statement of the nature of said suit being as follows:

Plaintiff sues in statutory form of trespass to try title for costs, title and possession of the following described real estate lying and being situated in Castro County, Texas, to-wit:

All of Lots No. Eleven (11) and Twelve (12), in Block No. One Hundred and Two (102), of the Original Town of Dimmitt, Castro County, Texas.

Plaintiff pleading the five, ten and twenty-five year statutes of limitations.

The Officers executing this process shall promptly serve the same according to the law and make due return as the law directs, and if this process be not served within ninety days from the date of issuance, it shall be returned unserved.

**ISSUED AND GIVEN UNDER MY HAND AND SEAL OF SAID COURT** at office in Dimmitt, Texas, this 24th day of September, 1953.

Neva Hastings  
Clerk of the District Court of Castro County, Texas.  
(SEAL)

**CLEO CLUB NEWS**  
The Cleo Club met in the home of Mrs. W. S. Hembrey Thursday. The afternoon was spent doing hand work and visiting. The business meeting was called to order by our President and new plans were made and discussed for the interest of our club and may we urge all members to be present at our next meeting that will be in the home of Mrs. E. H. Houtchens on Oct. 8th. Time is 2:30 o'clock.

Those enjoying the delicious refreshments were: Mrs. Ross Summers, Mrs. Roy Smith, Mrs. Lavonia Carruth, Mrs. Duncan, Mrs. Lennie Caldwell, Mrs. A. A. Dodd, Mrs. W. E. Copeland and the hostess, Mrs. W. S. Hembrey.

Mr. and Mrs. Frank Henderson visited their daughter, Mrs. Alvin Smith, and Mrs. Smith at Skellyton last week-end. Also their new grandson, who came Sept. 21.

Joe Butler was a business visitor in Jacksboro first of the week.

Mr. and Mrs. R. A. Taylor of Mt. Pleasant visited her cousin, George Bradford and family.

### Gov. Proclaims Farm Bureau Week

Governor Allan Shivers will for the fifth consecutive time officially open the annual Prison Rodeo at Huntsville, Sunday, October 4.

French M. Robertson, Texas Prison Board chairman, announced the Governor's acceptance of the Texas Prison Board's invitation and declared that opening Sunday of the big prison show, now in its 22nd year, would be designated as Governor's Day.

Members of the Texas Legislature have also been invited to attend the October 4 ceremonies as guests of the prison management and a large number are expected to be on hand when the world-famed rodeo is opened.

Right now its round-up time throughout the prison system and the farthest corners of the vast river bottom pastures are being combed for the rodeo stock that hasn't seen a human being since last year. Only the best and wilder animals will be taken to Huntsville for the rodeo. What happens when these Brahma bulls and wild horses are mounted by reckless convict riders is anybody's guess. The result is what has earned the show its reputation of being the wildest rodeo staged anywhere.

**Seven Warranty Deeds Filed Here**  
Seven warranty deeds were among legal instruments filed in the office of Castro County Clerk Neva Hastings during the last two weeks. They are as follows:

E. N. Kittrell et ux to R. L. Buckmaster, all of lot 14 in block 97 and all of lot 24 in block 97 of the original town of Dimmitt, Castro County, Texas.

Henry Stalcup et al to H. B. Honea, all of lots 10, 11 and 12 of block 87 of the original town of Dimmitt, Castro county, Texas.

C. B. Finch, et ux to M. A. Gilmer, all of lot 10 in block 107 of the original town of Dimmitt, Castro County, Texas.

J. W. Woolbright, et ux to L. R. Martir et ux to W. E. Campbell, tract out of the NE one-fourth of section 23, block number two, W. E. Halsell Sub-division, Castro county, Texas.

Perry Martir et ux to W. E. Campbell, tract out of the NE one-fourth of section 23, block number two, W. E. Halsell Sub-division, Castro county, Texas.

G. Hyatt et ux to Leonard Hyatt, west 1/4 of lot five and all of lot six in block 23 of the Miller addition to town of Dimmitt.

Patsy Jo Bull et vir to J. C. Austin, all of lots six and seven in block seven of the original town of Dimmitt, Castro county, Texas.

Perry Martir et ux to W. E. Campbell, tract out of the NE one-fourth of section 23, block number two, W. E. Halsell Sub-division, Castro county, Texas.

**CARD OF THANKS**  
Gratefully acknowledging and thanking our friends for their kind expressions of sympathy shown us during our recent sorrow. Also thanking you for each card, the beautiful flowers and each gift that was sent to Pat during her stay in the hospital, both at Lubbock and Amarillo. May God bless each of you.  
Mr. and Mrs. E. L. Carpenter and family

Mr. and Mrs. Edgar Ramey made a business trip to Plainview Monday.

### Stop Taking Harsh Drugs for Constipation

**Avoid Intestinal Ups! Get Relief This Gentle Vegetable Laxative Way!**

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

Get sure but gentle relief when you are temporarily constipated. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, one of the finest natural vegetable laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's 30¢ size today. Money back if not satisfied. Mail order to Box 280, New York 18, N. Y.

### BETHEL NEWS

Rev. and Mrs. Jesse Reins of Muleshoe were recent Sunday visitors of Mr. and Mrs. J. C. Williams. Rev. Reins is pastor of the Nazarene church in Muleshoe.

Mrs. Harry Rothwell and Sharon Rothwell were Sunday dinner guests of Mrs. Leona Rothwell, Mr. and Mrs. Vernon Williams and girls were Sunday visitors of Mr. and Mrs. Fred Wall.

Harry Rothwell has been attending the Fairs at Amarillo and Lubbock the past two weeks with his Shorthorn cattle.

Mrs. Harry Rothwell, Mrs. Bobby Warren and son and Mrs. Leona Rothwell attended the Fair in Amarillo Tuesday. They also visited Mrs. Fred Seale and Mrs. Lonnie Rice.

Bethel W. S. C. S. met in the home of Mrs. Ira Brown Monday. Those enjoying the afternoon were Meses. Wes Anthony, Vern Lust, Roy Haberer, Harry Rothwell, Kay Roberts, Earl Lust, J. C. Williams, the hostess and our visitors, Mrs. J. A. (Grandmother) Bagwell and Mrs. Bobby Joe Warren and son. We met Oct. 12th with Mrs. Earl Lust.

Mr. and Mrs. Leland Smith visited their daughter, Zella Vee, in Plainview Polio Clinic Sunday afternoon. Zella Vee is slowly improving.

Mrs. Harry Rothwell and Mrs. Bobby Warren and son attended the Shorthorn judging at the Lubbock Fair Tuesday and visited Mr. and Mrs. Marvin Cryer, Randy and new little brother, Stephen Marvin.

Mr. and Mrs. W. N. Anderson from Floydada spent Sunday with Mr. and Mrs. Ira Brown.

We are sorry to report Mrs. R. M. Warren has been ill with the flu.

Mr. and Mrs. Ivor Bagwell were among the many from Dimmitt who attended the Parade and opening of the Fair in Amarillo on Monday.

Mr. and Mrs. Noel Gollehon

were Sunday evening callers of Mrs. Harry Rothwell.

Mrs. Bobby Warren and Gary Keith spent the week with her parents, Mr. and Mrs. Harry Rothwell.

Mrs. Ivor Bagwell attended the birthday dinner Thursday in the home of Mrs. Morgan Dennis in honor of Mrs. Elmer Youts.

Mr. and Mrs. Ivor Bagwell attended the football game in Canyon Saturday night and to watch the Dimmitt Band perform, as they were honored at the half-time. They also visited their son, Milton Ivor.

Mr. and Mrs. Vern Lust were Sunday dinner guests of Mr. and Mrs. Earl Lust and visited Mr. and Mrs. Glenn Stiles at Big Square Sunday afternoon.

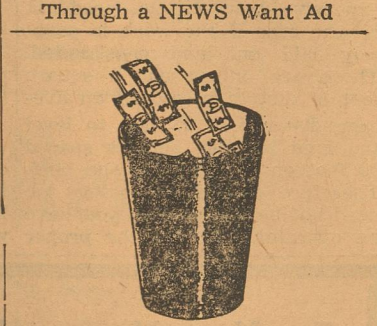

Mr. and Mrs. Earl Lust, Mr. and Mrs. Wes Anthony, Mr. and Mrs. Vern Lust and Mr. and Mrs. Houston Lust were Fair visitors in Amarillo during the week.

Joe, Sue and Rex Lust spent

Wednesday night with their grandparents, Mr. and Mrs. Vern Lust.

Mr. and Mrs. Oliver Leverton and children, Kay and Linn, spent the week end with his aunt, and uncle, Mr. and Mrs. Ira Brown. The Levertons live at Morse, Texas.
