"The Only Thing That Will Relieve Neuralgia."

The piercing pains of Neuralgia, which often follows a bad cold or La Grippe, are frequently almost unbearable and few medicines afford any relief to the sufferer.

'I am a rural mail carrier and have been a user of the Dr. Miles medicines for years.

Dr. Miles' Anti-Pain Pills can't be beaten. They are the only thing I have found that will relieve my neuralgia and I have tried most everything, besides medicine from the doctor. I am willing to tell anyone what the Anti-Pain

Pills did for me." CHARLES HILDERBRANDT, Woodvill. Ohio Box 205 If you, like Mr. Hilderbrandt, "have tried most everything" in vain, why not do as he did, fight your aches and pains with Dr. Miles' Anti-Pain Pills. Let the pills bear the brunt of the battle. No matter how stubborn the con-

test, they will come out victorious. Dr. Miles' Anti-Pain Pills stand on their record, which is a long list of cures extending back a

generation. Druggists everywhere sell them. If first package falls to benefit, your druggist will return your money.

It will employ

...460...

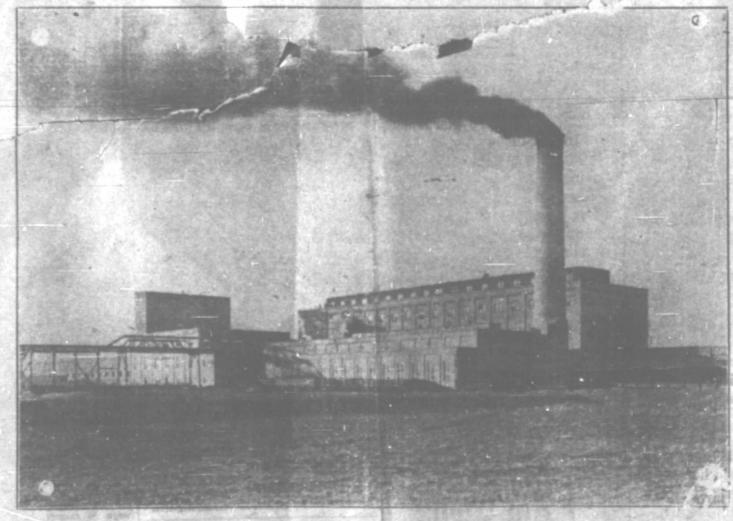

Men in the Factory, from 1500

to 2000

Beet Raisers &

..800..

Teams

Model of Proposed Beet Sugar Factory for Portales Valley.

These People and their Families have to be

Fed Clothed Housed

and the Teams have to be Fed and stabled

This means an increase of population of from 4000 to 5000 people; it means an increase in farm and city property values of from 50 to 100 per cent; it means bringing under irrigation and in cultivation an additional 32000 acres of land in this Valley; it means prosperity. Do you want this prosperity? What are YOU doing to secure the factory? It is yours if you will sign our contracts before January 15, 1912. It is up to you. If you want to be prosperous, with money in your pocket, and you have not already signed, bring your wife and come to the office of the company and sign our contracts. No charge for acknowledgments.
