PORTALES VALLEY POTATO GROWERS RACING WEATHER

The sweet potato growers of the Portales Valley are racing with the weather to harvest the crop before a freeze catches them. The curing plants present a sight worth seeing. Immense loads of potatoes as they come from the fields stand in line waiting to be unloaded. This year an improvement over last year which lessens the labor of unloading, is a roller conveyor, which reaches from the wagon to the warehouse. The crates are placed on this conveyor and roll into the warehouse, thus saving much back-breaking labor of unloading, besides greatly increasing the efficiency of the warehouse crews. This method enables a dray or truck to unload from each side entrance at the same time, while under the old method they had to be carried by hand from the front entrance to whatever part of the warehouse they were stored in.

Something of the volume of the sweet potato business is demonstrated by the amount of crate material necessary to handle this year's crop. Nine cars of crates knocked down have been shipped in this season. These crates are put together here and packed for shipment.

The storage capacity of the Association is 45,000 bushels in the warehouses on the track, besides these there are four private warehouses in the association and several out of the association.

This year's crop is averaging 200 bushels to the acre, and about 1000 acres in which will produce around 200,000 bushels.

These potatoes are put through a curing process which dries out the surplus moisture and retains the flavor which has made the Portales Valley sweet potato famous. Every care is used to put these into the hands of the consumer in the best condition for the table.

Secretary Morrison estimates that the present crop will be harvested and in the warehouses by the 25th of this month.

Dr. and Mrs. M. Byrne, Mrs. VanHorn and aunt were Clovis visitors Sunday.

ROGERS CONSOLIDATED SCHOOLS OPENED MONDAY, OCT. 10

Monday morning Superintendent Palm attended the opening of the Rogers consolidated school, which began with an enrollment of 120. The opening was attended by a number of the patrons of the school and much enthusiasm was shown.

Rev. Blair made a short and appropriate talk.

This is one of the newest consolidations in the county, and 5 trucks are in use for the conveyance of the pupils.

While only 120 were present the first day, it is estimated that at least 200 will be in attendance within the next week.

This school has a very strong faculty consisting of J. T. Smith, superintendent; R. F. Pepper, principal; Mrs. Frank Seignor and Miss Bertha Stinnett, assistants; and Miss Sybil Antry in charge of the primary department.

PORTALES ORDERLY DURING THE FAIR

Only three arrests were reported to this office during the Roosevelt County Fair, and these were for vagrancy. One paid his fine and the other two, a man and a woman, are in the county jail. One claims to be from Clovis and the other from Roswell.

DO YOUR BIT

If every reader of this paper will write today to a friend or acquaintance in Texas, asking them to visit the Roosevelt county exhibit at the State Fair now being held at Dallas it will be the means of giving Roosevelt county some valuable publicity. Do it today.

Help Your Local Paper

(Southland Farmer.)

Don't make fun of your local paper. It has possibilities of being as good as any in the country—and remember that it reflects the emonunity in which it is published, and it is the one product that goes to far places bearing the town trade mark. It deserves the best you can give of active support and sympathetic understanding.

Give the editor news, whether it benefits you or not.

Don't ask him to print it on the front page and just the exact way you handed it in.

Don't worry lest the editor makes too much money. If he's prosperous, he'll be foolish enough to give his community

a better paper; that's an editor's ambition—that's why he engages in the publicity business.

Tell him when he has a good paper. You are willing to congratulate your preacher on a good sermon, and your merchant on an attractive window display. The editor is no less grateful for a word of praise.

Make it a point to visit the print shop and elarn of its difficulties and complexities. At least that will give you a more charitable attitude. The paper should not be the product of the editor solely, but of all those who are interested in it as friends, contributors, readers or advertisers.

WOULD ASSIST WHEAT GROWERS

In conversation with C. O. Leach the latter part of last week he outlined a plan which would materially assist the wheat farmer of Roosevelt county in putting in a good acreage this year.

The plan was for ten or fifteen business men of Portales to put up \$100 each to finance machinery for planting and seed also. One or two drills would be bought and rented to the farmer for a normal rent per acre, the money derived from the rent to go to the upkeep of the drill and

the surplus put into seed wheat.

There are a number of farmers who would plant a good acreage could they finance the seed and machinery. This would enable them to do this and at the same time get in an acreage which would put Roosevelt county on the map as a wheat country. This would also establish a permanent value on the Roosevelt county land, and would bring development that would be worth thousands of dollars to the town and county.

ROOSEVELT COUNTY FARMERS WILL GROW BETTER BROOM CORN

That the standard of the Roosevelt county broom corn can be raised, is the opinion of the Roosevelt County Broom Corn Association. By raising the standard, the price per ton will be increased \$15 or \$25 per ton, which

will place a neat sum on the right side of the ledger for the growers. Uniform marketing conditions and a high grade straw will make this one of the leading crops for Roosevelt county.

EASTERN STAR SHINE IN CLOVIS

The Worthy Matrons and Worthy Patrons of Portales Chapter Eastern Star were invited to visit Clovis Chapter last Monday night. They all reported a delightful time and plenty of good things to eat.

All members of Portales Chapter are invited to attend Chapter at Melrose, October 26.

Coe Howard left last Sunday for Dallas, Texas, to attend the Fair and incidentally boost for Roosevelt county and Eastern New Mexico. This puts two good boosters with the Roosevelt county exhibit, and many settlers will doubtless be turned this way as the results of their efforts.

Mrs. H. H. Buchanan is attending the Texas State Fair at Dallas this week.

28,000 VIEW ROOSEVELT COUNTY EXHIBIT IN ONE AFTERNOON

The Roosevelt-Curry county exhibit at the Texas State Fair is attracting wide attention. The booth is a very attractive display of the Roosevelt county and Curry county products and the visitors of the Fair are struck with the agricultural possibilities of Eastern New Mexico as an agricultural and dairying center.

The exhibit now on display at Dallas will doubtless be the means of bringing hundreds of new settlers to this part of the state who will aid in bringing about a higher state of development of the rich agricultural lands which abound in every section of the county.

Following is a telegram received from Hon. Coe Howard, who is now at Dallas:

"Dallas, Texas, October 12, 1921.

Portales Valley News, Portales, N. M.

"Roosevelt county exhibit attracting thousands daily. Today we checked twenty-eight thousand eight hundred and fifty people who came and passed the booth since noon. The attendance to the fair grounds increasing daily.

COE HOWARD."

ROOSEVELT CO. BROOM CORN COMING IN FAST

"REPEAL OR AMEND BOOZE LAW"—LINDSEY

Jurise Declares Eighteenth Amendment Creates New "Double Standard."

DENVER, Oct. 11.—"If the eighteenth amendment cannot be enforced, then it is time to talk about amending it or repealing it," Juvenile Judge Ben Lindsey, nationally known jurist, declared here today, in an exclusive interview to the United Press. "However," he continued, "we will have no fair test as to whether it can or cannot be enforced until the rich are made to respect the law just as much as the poor."

"The greatest need in this country today is to abolish special privileges and the new special privilege which the eighteenth amendment has created—namely, the right of the rich to have their booze, while the same right is denied the poor."

Judge Lindsey blamed this "booze double standard" largely for the failure of the prohibition law.

"I favored the eighteenth amendment and still favor it," he said.

"But the enforcement of it will continue to be a miserable failure until there is a change in the public attitude. "The eighteenth amendment is not being enforced, with any degree of success. It has raised up a trail of evils in its wake which are as bad, if not worse than those it sought to avoid," Judge Lindsey asserted.

Mr. and Mrs. W. H. Catt entertained the T. R. Carter family of Tolar, Friday and Friday night and accompanied them to Clovis Saturday for a visit in the Knox McClain home.

The C. O. Leach family spent Sunday in Clovis, guests in the Robert Humphrey home.

"Now is a busy time with the broom corn growers of the Roosevelt County Broom Corn Growers Association.

The Association has secured the old creamery building for a show and sales room, and the secretary will maintain an office in this building. The old power plant has been secured as a warehouse, and the bulk of the crop will be stored there. A track serves this warehouse, which will eliminate considerable expense in handling the shipments.

The brush is coming in rapidly now and the seasons crop is above the average for New Mexico, according to W. F. Shaw, secretary for the association.

CHRISTIAN CHURCH

"He is a live wire" was said the other day of our pastor and it is true, but do you know we have just as much right to be alive as our pastor has? Why not make this a whole congregation of live wires? Let us take the first step by being at all the services next Lord's Day.

Bro. Reasoner began a series of meetings Tuesday night, the subject being "Christian Unity." These services will be held on Tuesday and Thursday nights from week to week and you are invited to attend. These sermons are worth hearing and if you are a lover of good music, come, the special features will please even the most critical.

MOVES TO ROSWELL

Thursday of this week, N. B. Bingham and family of Floyd, move to Roswell to make their future home. Mr. Bingham recently sold his farm in the Floyd community to W. H. Dayton of Oklahoma. Mr. Dayton is now here and will cast his lot with the people of Roosevelt county. He is a good farmer and a progressive citizen.

Wednesday Judge and Mrs. T. E. Mears and son returned from California, where Mrs. Mears and son, Eldridge, have spent the summer.

Portales Valley Potato Harvest Short of Labor

BAPTIST CHURCH

A great Sunday school and two great preaching services marked the day's work last Sunday at the Baptist church. The Sunday school shows signs of new life. The banner won by Pastor Nix's class two weeks ago went to Judge Compton's class last Sunday. Rev. Nix delivered two good sermons on "A Thorn in the Flesh," at the morning hour and "Let Not Your Heart Be Troubled," at night. Large crowds heard with marked attention these sermons.

A very pleasing feature of the night service was a vocal solo by Miss Hallie Mitchell, and was enjoyed by all.

The B. Y. P. U. put on one of their best programs. They have challenged the B. Y. P. U. of the state of New Mexico for a contest, and it is quite probable that Portales will win over any other town in the state. Counting the Juniors there are more than 80 young people belonging to the B. Y. P. U. at the Baptist church. This is a wonderful record for a town of this size.

Mr. and Mrs. H. L. Newby and son, Douglas, of Farwell, Texas, were guests in the W. H. Catt home Thursday.

All surplus labor of the Portales Valley is being used in the harvest of the sweet potato crop and some are considering importing labor to save the crop before freezing weather.

Should the acreage be doubled within the next few years, the labor problem will become a serious item to be considered by the association.

PORTALES HIGH WINS 13 TO 7

One of the inducements at the Roosevelt county fair last week was a football game between the Portales High School and the Portales Town team. It was a hard fought battle and bloody noses were shown on both sides. The teams were well matched as is witnessed by the final score of 13 to 7 in favor of the High school.

Welcome Dixon made two good plays when he made ten yards on a center rush and thirty yards on an end run. Albert Tipton made a forty yard run but lost it on account of an off side. Phillip Johnson made a touchdown on a forward pass and Clarence Austin made a touchdown on a similar play. Jim Crow kicked both goals but only one was good.

School Board Reject All Three Bond Bids

Last Saturday, the day advertised by the local school board to consider bids for the Portales school bonds, found five bond buyers on the job.

Two of the bids were in too late for the count, and the board found the three bids offered unsatisfactory, so all bids were rejected, and the board passed resolutions to not consider any bid under 95 cents net, and the accrued interest on bonds.

These are the most attractive bonds which have been placed on the market and the indications are that they will make a satisfactory sale at the next date set for this business, which is the 18th of this month.

NO DANGER OF MIXUP BETWEEN U. S. AND JAPAN, GEN. WOOD SAYS

TOKIO, Oct. 8.—Talk of trouble between the United States and Japan was deprecated by Leonard Wood, governor general of the Philippines, in an address before the America-Japan society here last night. He insisted there was no reason why Japan and America should be unable to arrive at an understanding on all points upon which there is the slightest disagreement, and declared that there were no misunderstandings between the two countries.

BASEBALL REPORT SENT ON A 34,000 MILE WIRE CIRCUIT

POLO GROUNDS, New York, Oct. 10.—This Associated Press dispatch and the play by play story of the world's series are being transmitted instantaneously over 34,000 miles of telegraph wire. Dictated by a reporter to a single sending operator, the report is traveling at the rate of 186,000 miles a second, and is being copied throughout the country from Bangor, Maine, to Seattle, Washington, and Galveston, Texas, north to Ottawa, Ontario, and south to Havana, Cuba. This is the greatest single and unbroken telegraph circuit ever operated in the world. Baseball fans, hundreds of newspaper offices, and hundreds of thousands watching the bulletin boards receive the report of the game within a second of the actual play.

Prof. Arrant has been elected a teacher along with Rev. Nix of the large class of young people in Sunday school at the Baptist church. They make a team that moves things in a great way. Do you want in a class where every minute of the time is full of interest? Then go to the Baptist church at 9:45 Sunday and look in. You will come again.

PLEASANT VALLEY SCHOOL NEWS

The teacher failed to get out our last week's news. Blame him!

Oscar Peed went to Portales last Friday.

J. R. Butler has gone to Roswell this week.

J. D. Harding stuck a grain fork in his ankle the first of the week and has been unable to attend school this week.

Mrs. N. B. O'Neal has been sick this week with a cold.

Mildred McDorman, Mary Turnbull and Vernon McRorey visited Magnolia Ward last Sunday.

Edna Locker was sick last Sunday and was unable to be at Sunday school.

Miss Velma Burnett visited Miss Irene Vaughn last Sunday.

Messrs. L. K. Jones, Frank Miller, Fred Hawkins and Walter Bradley went to Roswell last Sunday.

Miss Ethel Butler is sick and out of school at this writing.

Our literary and debating society gave its first program Friday, October 7th, which was much enjoyed by all. The recitations and readings were good and the debate excellent. The subject for debate was: "Resolved, That Schools are of More Importance than Roads." Affirmative, Velma McDorman and Haskel McRorey; negative, Ethel Butler and Charley Gower. The negative put up some fine argument, but the judges decided in favor of the affirmative.

Our school is now suspended till the twentieth of this month for crop gathering and allow the carpenters to do some repairing and improvement on the buildings so you will read no more from the kafir corn bunch during that time.

—The School Children.

DELPHOS ITEMS

It has been some time since we have had any items in the paper, but Delphos is still on the map and doing business at the same old stand.

Most of the Delphos people attended the Fair at Portales last week.

Rev. Welch of Hale Center, Texas, preached at the school house last Sunday. There was a very good crowd out considering the short notice.

Mr. and Mrs. G. A. Chumbley were at Delphos last Sunday.

J. T. Baker has returned after a combined business and pleasure trip to Albany, Beaumont and other Texas points.

Mr. and Mrs. R. E. McAlister have a new son at their home, and Mr. and Mrs. Joe Throgmorton have a new daughter.

Mrs. J. S. Austin and daughter attended church at Portales last Sunday night.

P. H. Morris is quite busy gathering his crop what time he is not putting in carrying the mail to Redlake and helping his neighbors out. Mr. Morris certainly lives up to the Golden Rule, much nearer than most people.

Dee Totten, one of our old timers, was out looking over his land a few days ago.

The Austin children were so excited over the football game last Friday they put their suit case on a fender of their car and lost it. Said they were not thinking of it or anything else but football.

C. W. Hart was in Portales last week attending to business and taking in the Fair.

A full line of non-smut Carbon paper now in stock—Black and purple. Portales Valley News.

TAKE A STORAGE TIP FROM NATURE

Centuries ago Nature stored heat-making qualities in the coal seams of America for the use of the American public today. She did not wait until this heat was needed; she stored it up against the hour of that need.

Wise householders follow her example and store their winter's coal early. Transportation from the mine to the bin functions better today than it can when cold weather comes.

Take a storage tip from nature—Phone us today.

BALLOW & JOHNSON

TAXPAYERS OF ROOSEVELT COUNTY ASK ENJOINING OF BOND ISSUE

R. G. Bryant, ex-state senator of Roosevelt county, on behalf of the taxpayers of that county, has brought an injunction suit in the district court seeking to enjoin the board of loan commissioners, the attorney general, auditor and treasurer from issuing \$400,000 bonds in accordance with Act 6 of the 1921 session laws of the last legislature. Petitioners ask that this act be declared void and unconstitutional as in conflict with the enabling act and the New Mexico state constitution.

The complaint mentioned certain bonded indebtedness of various counties and recites that congress granted New Mexico a million acres of land to care for this debt.

The complaint then sets out that the board of loan commissioners determined that the various counties had paid an interest on these bonds the following: Santa Fe \$88,552.00 Grant 57,193.73 Hidalgo 22,743.20 Luna 25,758.07 City of Silver City 188,041.66

It is stated that the loan board, pursuant to chapter 6 of the laws of 1921, proposed to issue series C bonds of the state of New Mexico to said counties and also Silver City in the sums specified unless restrained by order of the court.

It is alleged that no part of the amount determined represents the unpaid principal of or unpaid interest on the bonds issued by Santa Fe and Grant counties which were validated by the act of congress of 1897, but represent amounts paid prior to June 20, 1910 and do not represent any debt of the territory of New Mexico valid before 1900.

It is argued that the act of the last legislature is unconstitutional by providing for disposal of a part of the proceeds from the million acres granted by congress without consulting the people and issuing the bonds mentioned would take large sums out of the school fund, causing a raise in taxes—New Mexican.

THE PORTALES DRUG STORE

SANITATION IMPORTANT IN CONTROLLING HOG WORMS

Dirty, filthy hog wallows are not necessary in pig production. The wallow should preferably be built of cement, be convenient to the water, and be in the shade, if possible. Experiments have proven beyond doubt that unsanitary conditions in the hog lot are frequently responsible for heavy losses in herds infected with worms, says the veterinarian of the Agricultural College.

When premises become grossly infected with hog worms, it is impossible to raise young pigs. The older animals may not show any symptoms of the disease, and at the same time harbor the adult parasite. The young pigs may become infected thru nursing, the udder of the mother being the source of trouble.

Infected premises should be disinfected and cleaned up. Just before farrowing, the sow should receive a thoro bath and be moved into cleaner quarters. If this precaution is taken, there is slight chance of the litter's becoming infested, and the breeder will find hog raising more profitable. No hog grower can overlook the seriousness of internal parasites in his hog herd, if he wishes to make a success of his business.

Some of the common symptoms of hog worms are thumps, unthrifty appearance, stunted growth, pot belly, loss of appetite and coughing. Medical agents have not proven very satisfactory. The principal to be observed is not to allow young pigs to run in infected pens until they have passed the susceptible age. Strong, thrifty pigs may overcome the infestation, but the weaker ones will succumb.

CURRY COUNTY BOYS AND GIRLS HOLD CLUB ENCAMPMENT

The third annual Curry County Club Encampment which was held at Camp Wallace, Clovis, New Mexico, came to a close October 8th, after a three days' session which was attended by nearly three hundred members of boys' and girls' clubs in Curry county. The encampment is the climax of the year's club work and is much looked forward to by every club member in the county.

The encampment held this year was not only the occasion of club exhibits and the annual county stock judging and demonstration meets, but it was a general get-together meeting for all the clubs. Each local club group was under the supervision of its local leader who led the members through their year's work and assisted their respective groups in the various stunts which are of no little interest in club life.

The days in camp were filled with a pleasing routine of recreation and programs on which appeared various persons of prominence in Clovis and the surrounding country, among whom was President H. L. Kent of the State Agricultural College.

Ten club members were presented with scholarships to the Agricultural College. They have completed four years of club work in standard clubs, and this entitles them to free tuition for four years at the College. A clover-leaf pin was given to each member who completed the year's work, by Miss Lelia Kendall of Clovis.

The premiums were supplied by the Curry County Fair Association, with the exception of a male

pig given to the club member receiving first prize on a Poland China gilt, by Mr. A. L. Dickey; and a one dollar savings deposit given by the First National Bank of Clovis to each member completing his work. This bank also gave a registered male pig to the prize winning pig club.

Mr. W. H. Trentman, state club leader, had charge of the boys' camp and Miss Stardevant, assistant state club leader, was in charge of the girls' camp. Mrs. Durand, club agent, and Mr. Hillinger, county agent, had general supervision of the camp, and business men of Clovis thru the Fair Association made the camp possible.

The Vacuum Process under which Ben-Hur Coffee is packed preserves all the original aroma, flavor and strength.

MARSHAL FOCH TO SEE INDIAN IN OWN TEPEE

WASHINGTON, Oct. 8.—Marshal Foch will be given an opportunity during his coming visit to the United States to see the American Indian, whose fighting qualities as members of the American expeditionary forces in France he admired, in the home environment.

Arrangements concluded today through Commissioner Burke of Indian affairs, provided for a visit by the former commander in chief of the allied armies to the Rosebud Indian reservation in South Dakota, the first week in November after he has addressed the American Legion at its Kansas City Convention.

The News is only \$1.50 a year.

WORLD WAR VETERANS REUNION AT AMARILLO

AMARILLO, Tex., Oct. 13.—Vari-colored lights, bunting and banners will supplement the glories of the United States Flag in the decorative scheme carried out throughout Amarillo in honor of the World War Veterans in their first annual reunion in this city, on the occasion of the third anniversary of the placing of the signatures of the various powers to the Armistice agreement, Friday, November 11.

The boys who immortalized themselves and added lustre to American history are to be honored to the fullest degree. They are to have their own way, so to speak, with all civilian citizens doing their utmost to make them know that they are prominently placed in the hearts of all loyal Americans.

There will be a regular mess dinner, a supper of the same variety, with bands, with parades, with short, inspirational speeches, with theatrical programs, with everything that can make for the enjoyment of the boys who did not hesitate to be offered as sacri-

ARBUCKLE TABOOED IN KANSAS UNTIL HE IS CLEARED

Kansas City, Kans., Oct. 8.—News review films as well as comedies featuring Fatty Arbuckle are taboo in Kansas until the star clears his name, the State Board of Censorship announced today.

The censor board cut a scene from a review film showing Arbuckle playing baseball. Other parts of the ball game were approved.

ties on the world's greatest war altar.

One and one-third fare will be given on all railroads, and a special train is to be operated out of Slaton for the accommodation of the men along that line of the

Santa Fe and the various branch line connections. It is anticipated that the parade being arranged for the occasion will be by far the greatest ever seen in Amarillo.

All American Legion Posts are

joining Hanson Post in Amarillo in the arrangements for the entertainment and general celebration, in which at least two thousand World War veterans will participate, according to the estimate of those in charge.

1280 ACRES CHOICE LAND FOR SALE

In order that I may concentrate my efforts on the upbuilding of The Portales Valley News, I will sell my Roosevelt County Ranch, consisting of two sections of choice land, with cattle, horses, mules and farming machinery. Or WILL SELL THE LAND ALONE.

This is one of the best improved stock farm in Roosevelt County. It has one five-room house, one room 16x22, two 16x16, one 14x14, one 11x18; adobe garage, oak barn, two large chicken houses, corrells, windbrakes, tanks, windmill watering troughs, etc. 80 acres in crop; no better farming land in the county. 20 acres or more in forest trees, consisting of honey locust, black locust, white locust, plume of paradise, cotton wood, box alder, Russian mulberries, Boisd'arc, poplar, pecan, etc. Posts to supply place for long time, and nice orchard.

This would be an ideal place for summer cottage or sanitarium.

A splendid location for a dairy farm and chicken ranch.

Will give terms on one-half of purchase price, will trade for Portales property for balance—residence or business. Will also sell 60 head of high grade Hereford cattle, and 50 spring calves.

If you want a good home on a good graded road, on truck line of first class consolidated school, see me at once. Might consider some good first mortgage notes.

A. D. Ribble is adding some improvements to his residence property this week, in the nature of a yard fence.

L. M. Anderson and John W. George attended Grand Lodge, I. O. O. F., at Tucumcari last week, returning last Friday.

F. A. Anderson returned Wednesday from Kansas City where he had been with a shipment of cattle.

For the cup that satisfies, use Ben-Hur Coffee.

J. W. Greathouse of Chicago, and Clarence Gerathouse of Roswell, spent several days of the past week with their sister, Mrs. L. J. Whiteman.

Roy Connally is suffering from a painful accident which occurred Wednesday. He was pushing a car in the garage at his home when it rolled back and mashed his ankle.

Letters from young men describing "The Kind of a Young Woman I Would Like to Marry" at the Christian Church next Lord's Day at 7:00 P. M. Come.

Mrs. J. E. Henderson and children spent Sunday and Sunday night with her sister, Mrs. J. A. Saylor at Clovis, returning Monday morning.

Mr. and Mrs. Richardson were up from Causey Monday shopping and visiting their daughter, Miss Georgia, who is here attending school.

Letters from young men describing "The Kind of a Young Woman I Would Like to Marry" at the Christian Church next Lord's Day at 7:00 P. M. Come.

W. T. Belt and wife of Excelsor Springs, Mo., are in Portales to spend the winter. Mr. Belt says that he is trying the New Mexico climate for the asthma, and that he will probably locate here.

J. P. Henderson went to Amarillo, Texas Sunday where he will spend some time visiting with relatives. He was accompanied by his son, J. E., who returned Monday morning.

Mr. and Mrs. I. R. Greathouse of the Greathouse ranch, who spent the past year in Memphis, Tenn., and Atlanta, Ga., have returned and are visiting their daughter, Mrs. L. J. Whiteman.

Grading on the street leading north from the square at the Universal corner, is being done this week. This street, when kept in shape is one of the most popular entrances to the town for tourists.

Letters from young men describing "The Kind of a Young Woman I Would Like to Marry" at the Christian Church next Lord's Day at 7:00 P. M. Come.

Mrs. J. S. Long and son, Stuart, are visiting friends and relatives in various Texas towns, including Sweetwater and Dallas. Before returning they will visit the Fair and see how other exhibits compare with the Roosevelt-Curry county exhibit in the agriculture hall.

Forty-five gallons of formaldehyde were recently ordered co-operatively in Curry county for the treatment of seed wheat. The saving by cooperative buying was \$4.50 per gallon, and many farmers were induced to treat their grain, who otherwise would have neglected it. This formaldehyde was used to treat approximately 22,000 acres of wheat.

The News is only \$1.50 a year.

PARENT-TEACHERS MEET

The program of the Parent-Teachers Association was well attended on last Monday. See to it that you are present at the meeting which will be held the first Monday in November at 8 o'clock p. m.

Rev. Reasoner gave us a great message on "Ideals." Miss Braswell delighted those present with a reading, "The Tin Soldier." Well, if you were there and didn't feel like a "twenty-nine Center," we must say that you had an exalted opinion of yourself. Miss Braswell is a real artist in expression.

State Supervisor of Vocational Training, W. R. Foard of Santa Fe, was present giving an interesting but brief outline of this work as it is being done throughout the state.

The following officers were elected: Dr. D. B. Williams, President. Mrs. Greaves, Vice-President. Mrs. Strickland, secretary. Program Committee—Mr. Oldham, Mr. Krattli, Rev. Reasoner.

U. D. C.'s MEET

The Helen Jones Chapter of the U. D. C.'s met at the home of Mrs. J. B. Sledge, October 4th, after a vacation since May 21st.

A report of the year's work was given by the historian, Mrs. Lula Stone, showing eight historical programs, which was selected and planned with much painstaking and care. Each lady showing great ability in preparing and rendering parts, making a very interesting as well as instructive year's work.

The secretary, Mrs. W. B. Oldham reported nine social meetings which will be long remembered for the pleasant hours and sisterly love, making ties of friendship and love, long to be remembered and cherished when time will scatter us to different parts of the earth.

Election of officers was next in order which resulted as follows: President, Mrs. Helen Jones.

Vice-President, Mrs. Mary Williamson.

Corresponding Secretary, Mrs. Coe Howard.

Treasurer, Mrs. A. D. Ribble. Press Reporter, Mrs. N. F. Wollard.

Recording Secretary, Mrs. W. B. Oldham.

Standing committees appointed by the president were: Cemetery—Mrs. Mary Williamson, Mrs. Lula Stone, Mrs. N. F. Wollard.

Credential Committee—Mrs. Lula Stone, Mrs. Tom Moody and Mrs. W. B. Oldham.

Delicious refreshments were served by the hostess.

—Press Reporter.

On the first of October, Mr. Curtis Haga and Miss Anna E. Waddington drove up to the residence of Norris J. Reasoner, the Christian minister, with an auto load of friends and relatives and were married. The bride is the charming postmistress at Dereno, N. M., while the groom is a hustling young citizen of the community. The News unites with their many friends in wishing them a happy and prosperous journey through life.

JUSTICE COURT.

In the Justice court today is being tried the case of the State of New Mexico vs. J. L. Taylor, in which the defendant is charged with the misappropriation of a series of checks belonging to John Kidd.

As we go to press the case had not gone to jury. District Atty. Compton is representing the State and G. L. Reese the defendant.

SCHOOL INJUNCTION CASE ON TRIAL TODAY

The injunction cases against the County Board of Education, in regard to the Richland, Rogers and Longs consolidations are being heard in the District Court today before Judge Bratton. From the number of witnesses to be examined, it is probable that a decision will not be reached before Friday.

Atty. Gillenwater is representing the plaintiffs, and T. E. Mears the Board of Education.

TURTLES LIVE LONG TIME BUT STICK AROUND HOME

POPULAR BLUFF, Mo., Oct. 11.—Turtles are like mountaineers of the Ozarks—they live a long time but never get far away from home.

Sixty years ago H. W. Kirkshoff carved his initials "H. W., 1861" on the back of a turtle and turned it loose. Kirkshoff died several years ago. H. H. Kirschoff, his son, has found the podding animal.

Portales, New Mexico, September 29, 1921.

7:00 O'clock P. M.

The Town Council met in called session and upon roll call the following were present: Mayor G. L. Reese, Trustees C. J. Whitcomb and Wat Stewart.

Motion was made by Stewart and seconded by Whitcomb that Mayor and Town Clerk certify to levy on taxable property of town of Portales to the Board of County Commissioners as follows: To the Honorable Board of County Commissioners of Roosevelt County, New Mexico:— The Town of Portales, New Mexico, through its Board of Trustees hereby certifies that the following rate for assessment upon the taxable property within the said town have been made by the said Town of Portales, for the year Nineteen Twenty-one (1921) as follows, to-wit:

To pay interest on bonds for water, sewer, lights and improvements, Ten (10) Mills. For general expense of City Government, Five (5) Mills. To create a sinking fund to pay water, light and sewer bonds, Five (5) Mills. To repair well and water mains, One (1) Mill.

Is hereby levied upon the taxable property within the corporate limits of said town of Portales, N. M.

And a special sewer tax is hereby levied as provided in Ordinance No. 49 of the Town of Portales for the purpose of defraying the expenses of maintaining and operating and keeping in repair the sewer system of

said town, an assessment as follows, to-wit:

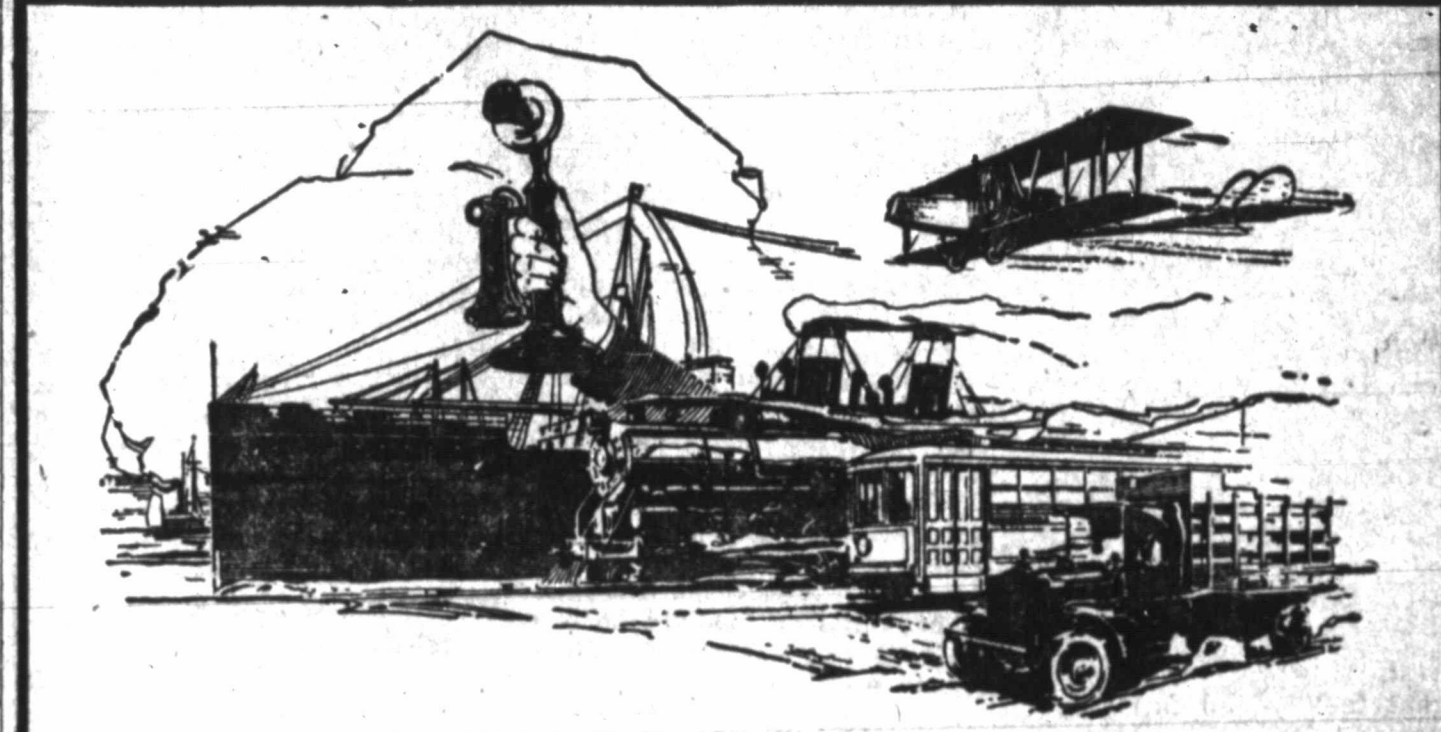

Ten Cents per front foot upon improved lots and lands, and Three Cents per front foot upon unimproved lots and lands, adjoining streets and alleys through which sewer pipes are laid; and Ten Cents per front foot upon improved lots and lands otherwise situated but having sewer connections for the purpose of defraying expenses of maintaining, operating and keeping in repair the sewer system of said town.

There being no further business the council adjourned.

G. L. REESE, Mayor. Attest:—S. N. HANCOCK, Town Clerk.

Modern Servants

Every twentieth century machine has its part in serving man in a better way than he was served before.

But if you had to do without all but one of the modern inventions, which one would you keep?

To realize the value of the telephone to all of us in our everyday business and social life, we have only to glance back a comparatively few years and recall what we did when there were no telephones.

Today the alert business man is sending his voice here, there and everywhere by Local and by Long Distance Telephone, going after business ahead of competitors who employ slower methods. The telephone is man's most useful modern servant.

The Mountain States Telephone & Telegraph Company

Taste is a matter of tobacco quality

We state it as our honest belief that the tobaccos used in Chesterfield are of finer quality (and hence of better taste) than in any other cigarette at the price.

**INFORMATION FROM BU-
LEAD INTERNAL REVENUE**

(Continued from last week.)
It is a violation of this section to manufacture, sell or possess, for sale, except to a person holding a permit under the National Prohibition Act, malt extract with hops and clarifier for the manufacture of cereal beverages or malt liquor. The only persons issued permits by this office for the manufacture of cereal beverages are proprietors of dealcoholizing plants, industrial alcohol plants and vinegar factories using the vaporizing process, all of whom may manufacture, commercially only, cereal beverages containing less than one-half of one per cent of alcohol by volume.
There is a widespread impression that it is legal to manufacture without permit, in the home or elsewhere, beer, ale, and porter, containing less than one-half of one per cent of alcohol by volume and similar material endeavor to take advantage of this supposed condition of the law to sell such extracts or material for the manufacture by persons in the home of beer, ale, or porter, ostensibly to contain less than one-half of one per cent of alcohol by volume, but actually to contain a high alcoholic content. Such persons seek to hide their fraudulent objects by putting the receipt for the manufacture of liquor containing high alcoholic content in the shape of a warning not to follow a certain course because such a course will produce a high alcoholic content, without of course deceiving anyone as to the real intent.
Such persons are, as a matter of fact, mistaken as to the legal aspects of the situation. The law does not actually permit of the manufacture without a permit of beer, ale and porter, even though the alcoholic content be less than one-half of one per cent of alcohol by volume. Section 1 of Title II of the National Prohibition Act provides: "When used in Title II and Title III of this Act (1) the word 'liquor' or the phrase 'intoxicating liquor' shall be construed to include alcohol, brandy, whiskey, rum, gin, beer, ale, porter, and wine and in addition thereto and spirituous, vinous, malt, or fermented liquor, liquids, and compounds whether medicated, proprietary, patented, or not, and by whatever name called, containing one-half of one per cent of alcohol by volume which are fit for use for beverage purposes." It is common to read the language "containing one-half of one per centum or more of alcohol by volume" as relating to and qualifying the preceding language "alcohol, brandy, whiskey, rum, gin, beer, ale, porter, and wine." However, under the correct reading of the statute, the language "containing one-half of one per centum or more of alcohol by volume" does not relate to the language "alcohol, brandy, whiskey, rum, gin, beer, ale, porter, and wine," but relates to and qualifies only the succeeding language "and in addition thereto any spirituous, vinous, malt, or fermented liquor, liquids, and compounds whether medicated, proprietary, patented, or not and by whatever name called, containing one-half of one per centum or more of alcohol by volume, which are fit for use for beverage purposes." The consequence is that all alcohol, brandy, whiskey, rum, gin, beer, ale, porter, and wine are intoxicating liquors, regardless of alcoholic content, and it is illegal to manufacture them without a permit. The liquors known by the general description of "home-brew" are either beer, ale or porter. Therefore, it is illegal to manufacture whereby so-called home-brew may be made in the home, even though the alcoholic content of the beverages is intended to be less than one half of one per cent by volume.
No property rights exist in the materials, malt extract, grape must, stills, etc., intended for use, or for sale for use, in the manufacture of liquor in the home or elsewhere, in violation of the National Prohibition Act or in the liquor made therefrom, and the same may be seized and forfeited under section 25 of Title II of the Act.
It will be seen from the foregoing that this office has not issued permits for the manufacture of wine, home-brew, distilled spirits, or any other intoxicating liquors for beverage use in the home or elsewhere and under the law cannot issue such permits.

CHRISTIAN UNITY

The Testimony of Great Men
The work of Christianizing the world can only be done by a united church.—Norman McLean, Scotland.
I would do little to make a man a Baptist and much to make him a Christian.—E. T. Ruth (Baptist) Liverpool, England.
The body of Christ, torn and bleeding, is the shame of the church. It is our duty to put an end to divisions.—Episcopal Assembly.
Denominationalism has done all the good it can do. Let it fade and pass away.—Dr. Hunter (Congregationalist), Glasgow, Scotland.
The want of unity in the church at home is a serious hindrance in the mission field. It is of large importance that Christian forces be united.—John R. Mott.
The value of Christian union is great at home, but tenfold greater in the mission field, where divisions suggest other profits besides Jesus.—Former President Harrison.
The missionary problem is not a Methodist problem, Episcopal problem, nor a Baptist problem; it is a problem for united Christendom.—Dr. Gracey, Ecumenical Missionary Convention.
In the missionary work, above all other kinds of Christian work, it is imperative to remember that a divided Christendom can only imperfectly bear witness to the essential unity of Christendom.—Theodore Roosevelt.
The most pitiable sight that I saw in the foreign lands was that of churches that had been gathered out of heathenism, rent in twain by sectarian jealousy which had been introduced from the so-called Christian lands.—Francis E. Clark.
Let me speak to you in the language of heaven and call you Christians.—Henry Ward Beecher.
These divisions should be merged into the holy name "Christian."—Albert Barnes.
I pray you leave my name alone. Do not call yourselves Lutherans, but Christians.—Martin Luther (Michelet's "Life of Luther," p. 262).
I wish the name "Methodist" might never be mentioned more, but lost in eternal oblivion.—John Wesley (Universal Knowledge, Vol. IX, p. 540).
I sometimes feel sorry that the word "Baptist," which was flung at us by our enemies and stuck should be our name, for often its accent of an act obscures to others our great mission in the world. Perhaps yet we will go back to the name "Christian."—Dr. P. S. Henson (Baptist), in the General Convention of Baptist Churches at Cleveland, O., May 19, 1904.
The division of the church into sects is a distinct and flagrant sin.—Jan Maclaren, (Rev. John Watson, Presbyterian Minister, Sefton Park, Liverpool), in the "Bonnie Briar Bush," p. 270.
NORRIS J. REASONER.

AMERICAN RED CROSS
A Regional Conference conducted by the various Chapters of the American Red Cross in the districts surrounding Amarillo, Texas, will be held in that city on October 13th. The purpose of the conference is consultation on the plans relative to conducting the annual Red Cross Roll Call, which is scheduled to take place November 11th to 25th. Members and officers of the Chapters taking part in the conference will be present and will have charge of the program. The Vice-Chairman of the Amarillo Red Cross Chapter will preside, if such can be arranged. Representatives of the Southwestern Division, American Red Cross, will attend the conference in an advisory capacity and will answer questions or take part in the discussions as those conducting the program may desire. Mr. Robert E. Bondy, Director of Chapter Service, and Miss Ruth Hereford Huff, Division representative, have been designated by the Division office to attend the conference at Amarillo.
There will be in all twenty-one conferences extending over the period between October 11th and 21st. The places and dates of these conferences are: October 11th—Joplin, Mo.; October 12th—Jonesboro, Ark.; Belleville, Kan.; Chickasha, Okla.; October 13th—Amarillo, Texas; October 14th—Enid, Okla.; Cape Girardeau, Mo.; Tulsa, Okla.; October 15th—Albuquerque, N. M.; October 17th—San Antonio, Tex.; Hannibal, Mo.; Hope, Ark.; Newton, Kan.; El Paso, Tex.; October 18th—Topeka, Kansas; October 19th—Pueblo, Colo.; Houston, Texas; St. Joseph, Mo.; Greenville, Texas; October 20th—Denver, Colo.; October 21st—Fort Worth, Texas.
IT WILL COST \$8 A HEAD HEREAFTER TO CROSS THE BORDER
EL PASO, Texas, Oct. 11.—Mexican Consul General Ismale magana said today that he had received orders from Mexico City instructing him to put into effect an order requiring all Americans crossing the border to put up an \$8 head tax. This will be required of all persons entering that country, he said, but the tax will be refunded if the depositor reenters the United States within six months.
The consul general said he is holding up putting the order in effect until he gets a reply to a telegram sent to Mexico City requesting that holders of border permit cards be exempted.
The measure is taken here by custom officials to mean a retaliatory attack on the United States law requiring an \$8 head tax of Mexicans entering the U. S., but the tax is refunded if they re-enter Mexico within six months.

CARDUI HELPED REGAIN STRENGTH
Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.
Paint Rock, Ala.—Mrs. C. M. Stogall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried everything I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.
"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. I am sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."
For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.
If you suffer as these women did, take Cardui. It may help you, too.

Your Home Town Paper
What It Can Do for You---
The Portales Valley News
Your Home Town Paper
First of all, it can bring to you the NEWS of your home town. Week after week, it prints in detail the happenings of the community. Faithfully it sets forth the good and comings of its people, giving careful attention to the homely little items that are ignored in the overcrowded dailies of the big cities.
It can furnish you with more interesting information about people you know, or used to know, than could a dozen private correspondents. The one who writes to you may know only a few of your friends at home—but your Home Town Paper knows them all. It tells you about people YOU are interested in.
Finally, in a good, hard business sense, your Home Town Paper is of value to you. It keeps you posted as to the industrial and commercial growth of a community which familiarity may have caused you to neglect. It often reveals that keen people see, right in your home town, a mine of golden opportunity. The moral is obvious—

Following are the appointments for the Roswell District of the M. E. Conference which was held at Artesia, N. M.:

J. C. Jones, presiding elder; Artesia, R. F. Davis; Acme and Inez, J. N. S. Webb; Carlisbad, A. C. Douglas; Clovis, F. B. Faust; Clovis Circuit, C. H. Hatfield; Dexter and Loving, H. M. Barton; Elida circuit, W. B. Gilliam; Hegerman, J. S. Rice; Hope, Z. B. Moon; Lovington circuit, W. M. Beauchamp; Lake Arthur circuit, A. G. Shapland; Odessa and Barstow, J. L. Davis; Pecos, L. L. Thurston; Portales, J. J. Richards; Roswell, S. E. Allison; Sacramento circuit, W. B. Simmons; Tatum circuit, J. I. Kelly; Texico and Forwell, H. W. Carter.

Conference Evangelist, R. H. Freeman.

Transferred to other conferences: A. L. Bowman, to East Oklahoma conference; George H. Givan, to Los Angeles conference; E. C. Sanders to Tennessee conference; W. L. Jenkins, to Northwest Texas conference; T. L. Lalance, to Pacific conference.

Rev. Vada Davis of Portales was transferred to Vaughn and Rev. Richards of Vaughn will be pastor for Portales the coming year.

SURPLUS LEMONS ARE DUMPED INTO DITCHES

Pasadena, Calif., Oct. 9.—California's surplus lemons were dumped this year into ditches or used to mulch fields, while millions of dollars of lemon by-products were imported from Italy, Dr. Robert Calvert, chemical research engineer at the University of Southern California, told the Rotary Club here. He declared waste due to the lack of technical this was a flagrant example of information.

THE FOOTBALL GAME

Last Friday the Portales High beat the Clovis Shop team 22 to 7. If there had been forty-five seconds longer to play we would have scored again as the ball was within ten yards of the goal. Clovis played a good game but they were not quite fast enough for us. Portales failed to hold the line one time and let the Clovis quarter-back through for a touchdown. The team has made a good start if it will keep it up and there is no reason why it shouldn't keep it up as there is nothing wrong with the boys and the coach knows his business.

Before the game and between halves the High school band furnished some excellent music.

Let's have a little better attendance at the games, it will encourage the team.

We will play Farwell this Friday at Portales.

MORTUARY

On last Sunday night J. H. Hale died at the home of Rev. Bates in Portales. Mr. Hale came here a very short while back, and was stopping with Rev. Bates when he was taken sick. The corpse was taken charge of and prepared for shipment by Henry George. Monday, Joe C. Hale, brother of the deceased, took charge of the body, taking it to Bowie, Texas, for burial.

GIANTS NOSE OUT AHEAD OF YANKEES BY ONE RUN

NEW YORK, Oct. 12.—Frank Snyder, the Giant's bulky catcher, poled one of Carl Mays' underhand twister into left center field for a two base hit in the seventh inning at the polo grounds this afternoon and thereby sent home the tally that won the seventh game of the World Series for the New York National League champions.

The Giants, by winning this contest from the Yanks, two runs to one, for the first time went into the lead in the world championship race, making the count stand:

Nationals..... Won 4, Lost 3
Americans..... Won 3, Lost 4

The McGraw men need only one more victory to give them the series and the big end of the money. If the Yankees should win tomorrow and a ninth game is necessary, the Giants will be the home team, the Yankees batting first. That was decided in the club house at the polo grounds late this afternoon. Commissioner Landis tossed a coin and President Stoneham of the Giants called the turn.

FAIRFIELD FACTS

Everyone has begun their regular work once more with ardent zeal since the fair excitement is all over.

It was agreed by the judges Monday morning that Fairfield won the first prize in the community parade at Clovis Saturday.

We have just received the money for the first community prize at Portales. We regret not having made a better showing in the parade at Portales, which was a result of unpreparedness on account of the lack of time and so far to go to get ready.

A good number of the boys and girls of our school took part in the club encampment at Clovis, N. M., Thursday, Friday and Saturday.

Nothing definite has as yet been heard in regard to the prizes on the pigs, but some of our girls received first on their sewing. Jeff Boone got first on stock judging as being the best club judge of stock in Curry county. He and John Boone, who won fourth in stock judging, will go to Portales, with Mr. Hollinger, club agent of Curry county, to practice stock judging in order to get on the state stock judging team.

Mrs. Mike Engram has been sick for the past few days.

Dan Haynes and family from East Texas, are visiting his folks.

Penn Curtis was hit in the eye with a ball Sunday and unable to see out of that eye.

Mrs. W. M. Ford of Long Beach California, is visiting with her brother, T. A. Boone and family.

Reuben Boone is working at Hurley, Texas.

Sunday school, singing and day school are progressing nicely with us.

NOTICE OF SPECIAL COMMISSIONER'S SALE

Notice is hereby given that I, the undersigned, Special Commissioner, under and by virtue of a judgment and decree of foreclosure of the District Court in and for Roosevelt county, New Mexico, rendered on the 8th day of July, 1921, in the case of W. M. Ford, plaintiff, vs. T. D. Thompson, Maggie Thompson and E. C. Vinyard, defendants, Ethen G. Blair, intervenor, being No. 1699 on the docket for the sum of \$1842.50 in favor of said intervenor, and the sum of \$8679.55 in favor of said plaintiff, ordering and directing me as Special Commissioner to sell at public auction the real estate hereinafter described, for the purpose of paying the said judgments aforesaid, with interest and costs of suit, that I will on Saturday, November 12, 1921, at the hour of one o'clock P. M., at the south door of the court house in the City of Portales, County and State aforesaid, offer and expose for sale at public auction to the highest bidder for cash in hand, the following described real estate, situate in Roosevelt County, New Mexico, to-wit:

Parcel No. 1. The northwest quarter of section 24, township 1 north, range 36 east, for the purpose of paying said judgment in favor of said intervenor.

SENATOR GORE MAY REGAIN EYE-SIGHT

BOSTON, Mass., Oct. 8.—After being blind for more than twenty years, ex-Senator Gore of Oklahoma may regain his sight according to Dr. Samuel J. Harris, prominent eye specialist here, who claims to have discovered a new method of treating blindness.

Dr. Harris, who recently attended Gore, stated today that he was advised that the eyes of the blind man are beginning to be sensitive to light. Harris asserted that an improvement noted after the first treatment was continuing. Dr. Harris left here tonight for Washington. He hopes by further treatment to restore Gore's sight.

According to Harris, news of the improvement in Gore's sight came today in a letter from Leo Sanders, secretary to the former Senator who said that Gore's eyes were sensitive to bright sunlight and that he could now distinguish between the veil of darkness, behind which he has lived so many years and the light of day.

Washington, Oct. 8.—Former Senator Thomas P. Gore, of Oklahoma, blind for years, believes he is regaining his sight.

"While I have not sufficiently regained my sight to see very far into the future," said Mr. Gore tonight, "My eyes are already becoming more susceptible to sunlight."

Gore has been under treatment by Dr. S. J. Harris, Boston eye specialist, for the past three weeks. Dr. Harris came to Washington tonight and will give Gore another treatment tomorrow.

ROSALIE BOARS ARE WINNERS

Improve your herd with an acclimated pure-bred Duroc Jersey boar. Price only \$16. weaned, with registration papers. Write Rosalie Farm, Box 108, Las Cruces, N. M. 50-2t-c-advertisement.

Ford

THE UNIVERSAL CAR

Sedan \$660
F. O. B. Detroit
With Starter and demountable Rim

Genuine Common Sense

Many Ford owners can afford to own and operate any car they may choose, but they prefer a Ford "because it is a Ford."

For "because it is a Ford" means dependability, ease of operation, efficiency—and it means sure, quick transportation.

And "because it is a Ford" means good taste, pride of ownership and genuine Common Sense.

The Ford Sedan, a closed car of distinction, beauty and convenience, is the ideal all year "round car, for pleasure or business—for the farm, town or city. It gives you all that any car can give at a much lower cost for operation and maintenance.

Ford Cars of all types are in great demand, so place your order at once if you wish to avoid delay in delivery.
