QUIET PREVAILING ON STRIKE FRONT

19 Escapees of Prison Farm Still at Large

Through the Editor's Spectacles
By GEORGE

One hundred and twenty-five new patrolmen will be added to the Texas Highway patrol this fall. First examinations of applicants from this area will be held at Abilene next Monday evening when they will appear for grading at the hands of a special committee and examiners from the department at Austin.

Over the state at large there are more than 800 applicants for these 125 jobs. A number of Cisco young men are seeking places on the force and these will appear at Abilene next week for the initial examinations.

The 125 successful candidates will go to Austin for at least seven weeks of intensive training in all phases of law enforcement activities which they may be required to understand and have skill in. This training is really thorough, and when a young man has come through it he is well qualified to patrol the highways in the interest of order and safety and to take part in any of the other law enforcement activities that the broader duties of state police now imposed upon the boys may require.

It is a far cry from the old precinct "speed cop," whose chief interest in life was to catch motorists from other counties and haul them into the local municipal or justice court for a share of the fines they would be forced to pay, to the trained, courteous and gentlemanly highway patrolmen of today. Under the regime of these local officers, who were not officers at all in the real sense of the word, but racketeers, motorists were more often victimized than assisted in the use of the highways. True enough, this public racketeer was on hand whenever an actual violation did occur and he usually strutted his stuff with a great display of his importance in these moments of justification. But he was also ready when there were no violations to make some, because his income depended upon his diligence in keeping a stream of dollars rolling into the petty court where he brought his victims. He knew the local folks pretty well and rarely did he make the mistake of picking on someone who was too influential or too well connected locally for his racket to work.

The modern patrolman is another person entirely. He will crack down on the violator with unrelenting firmness. But his chief interest is to help the people who use a highway to use it to the best and safest advantage. He is able and eager to give advice and directions, to lend assistance in emergencies, to investigate crimes, detect evidence, and to do any of a hundred different things that an officer on a much used highway may be required to do. He knows how to render first aid in accidents, a thing that your old type of political "cop" could never have done, unless by the good fortune of an earlier training in some other business.

The policy of the highway patrol is to prevent. And it is doing so. I know of few better deterrents to foolhardiness on the highway than the presence of these boys. The addition of 125 more will do as much as anything else to assist in keeping order and maintaining safety on the roads.

BLOODHOUNDS, POSSES TRAIL GROUP TODAY

Convicts Dodge Thru East Texas; Break Made Tuesday

HUNTSVILLE, June 23 (AP)—Nineteen escapees of the Eastham prison farm dodged through the east Texas area today ahead of posses and bloodhounds as penitentiary system officials expressed confidence that the felons could not long hold their advantage. Traces of the group which overpowered a guard in their break yesterday, were reported. Eight were said to have forced three men to surrender their auto and clothes early today between Trinity and Riverside.

Mrs. Timlee Allen, Huntsville relief worker, telephoned Sheriff Claude Mitchell that her husband was met by two men on a lonely road at midnight but he escaped without giving them the clothes he demanded.

The men fled on mules and horses in a break engineered Tuesday by W. H. Bybee, who was liberated Jan. 16, 1934, when Clyde Barrow helped Raymond Hamilton to freedom behind a barrage of gun fire at the same farm.

Bybee, serving life for murder and robbery with firearms from Stephens and Throckmorton counties, overpowered Guard Frank Allen while at work in the field. It was reported he was assisted

St. Johns Leave Tues. Night For J. R. Roper Rites

Mr. and Mrs. Will St. John and son, John, left shortly after 10 o'clock Tuesday night to attend the funeral of J. R. Roper, brother of Mrs. St. John, expected to be held sometime today in Tulia, home of Mr. Roper.

News was received Monday afternoon of the death shortly after 4 p. m. of Mr. Roper, 38, in a San Antonio Hospital. He had been a patient in the hospital for a month.

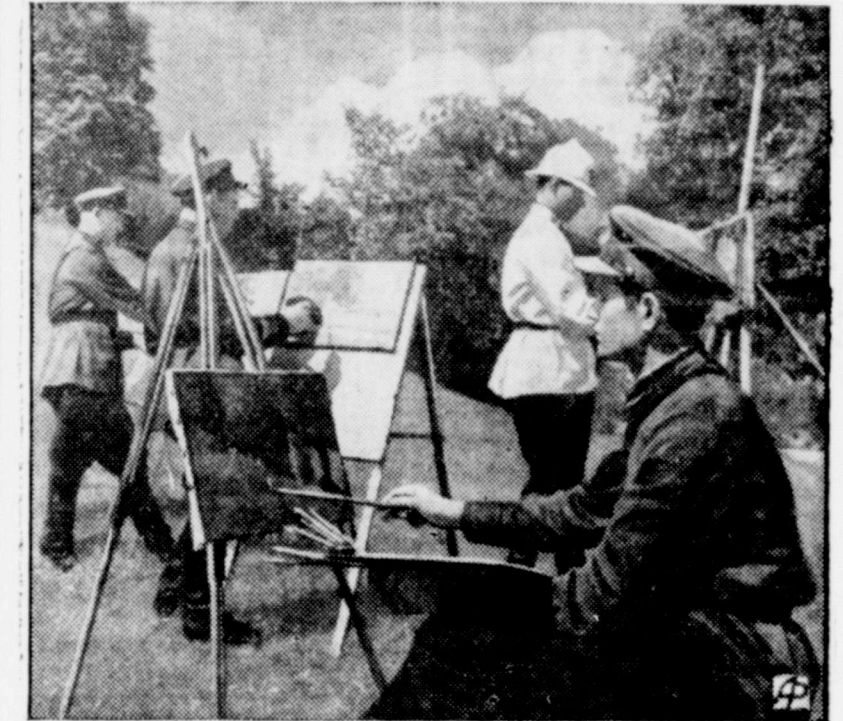

Mr. Roper was not married. Besides Mrs. St. John he is survived by his parents, Mr. and Mrs. Elijah Roper of near Tulia, and another sister, Miss Mittie Bell Roper, who lives with her parents.

The family were for a number of years residents of Eastland, where they are well known.

ATTEMPT TO EVADE TAXES

Believes Helvering of Movie Producer

WASHINGTON, June 23 (AP)—Commissioner Guy T. Helvering of the internal revenue bureau, told the congressional inquiry today that the government believed Cecil De Mille, movie producer, created a personal holding company in a "purposeful attempt to evade surtaxes."

He said De Mille incorporated himself, his family, and his attorney, and his corporation sold its services to producers.

REMOVE NAZI, ITALIAN SHIPS FROM PATROL

2 Nations Rebuffed by Franco-British Stand

LONDON, June 23 (AP)—Germany and Italy, rebuffed by the Franco-British stand against a "warning" naval display toward the Spanish government, withdrew their warships from the international patrol today.

In Rome Italian ships were reportedly ordered completely from Spanish waters. German warships moved eastward through the Mediterranean sea to an unannounced destination.

Germany Foreign Secretary Von Neurath announced that the Nazis, who had demanded a demonstration in protest to the purported Spanish torpedo attempts against the German cruiser, would confine themselves to withdrawal action. Rumors of the Italo-German blockade of the Spanish government Mediterranean coast line was thus apparently dispelled.

All Customers Must Pay Water Bills, Decided

Every water citizen in Cisco must pay their water bills.

This was decided by a vote of the city commission last night in its regular weekly meeting. Any customer failing to pay the bills will be cut off immediately.

The strict action has come as a result of many in Cisco who have neglected their bills and some have let them run up to large sums because they failed to pay regularly. However, City Secretary J. B. Cate stated that the action has caused many of them to "wake up" and pay their bills.

Bob Winston, city water commissioner, said this afternoon that anyone who wants to work out back bills will be given a chance to do so.

At the commissioners meeting the city board of equalization was appointed. R. H. Boone, C. H. Rhinehart, and C. H. Hartman were named for these posts. The board will meet sometime in July.

Governor Promises Probe of Marijuana

CORPUS CHRISTI, June 23 (AP)—Sheriff William Shely of Corpus Christi said today that Governor Allred had promised an immediate investigation after he had been asked to take immediate action toward clearing 2,000 acres of marijuana reported to be growing near Raymondville. Deputies said they saw one patch of 700 acres.

Dies Tuesday

P. P. Shepard, veteran West Texas Utility official, who died Tuesday morning at 9:30 at his home, 705 West Seventh. Funeral services were held this morning at 10 o'clock at the First Baptist church. Burial will be in Confederate cemetery in San Antonio.

P. P. SHEPARD FUNERAL HELD

Services at Baptist Church Today

"Surely, said Agag, the bitterness of death is past."

This statement in resignation to death by the conquered king of the Amaleks, reported in the 15th chapter of I Samuel, was the text for a reassuring funeral oration by the Rev. E. S. James at the First Baptist church this morning where services were held for P. P. Shepard, veteran utilities official who died yesterday. The minister paid a moving tribute to the staunch character of Mr. Shepard as a citizen, a Christian gentleman and a business man, and spoke feelingly of frequent association with him in his home during the months of his illness.

The funeral sermon was preceded with reading of passages from the 14th chapter of St. John and the fifth chapter of I Corinthians. There were two songs by a special choir, and a prayer by the minister.

Following the simple service, the casket, resting against an altar burdened with floral offerings, was opened while those who wished passed by it for a final glimpse of the body, which was then removed to a waiting hearse to be carried overland to San Antonio for burial in Confederate cemetery. Green Funeral home is in charge of arrangements.

Death Sudden

Mr. Shepard died suddenly about 9:30 yesterday morning, presumably from an apoplectic attack sustained shortly after he had finished breakfast. It was his second attack, the first occurring more than eight months ago and

SEVEN-STATE CONTROVERSY IN 28TH DAY

"We're Going to Win Strike," John L. Lewis Says

CLEVELAND, June 23 (AP)—The seven-state steel strike entered its 28th day today with troop supervised quiet prevailing, and corporation heads conferring with President Roosevelt's steel mediation board.

Meanwhile John L. Lewis, CIO head, on his way back to Washington, said "We're going to win the strike."

From Washington the senate post office committee, inquiring into the strike, called Tom Girdler, Republic Steel chairman, to testify.

Statistics showed approximately 100,000 idle, with an estimated \$12,000,000 cost to date; Twelve have been killed in the conflicts and approximately 221 have been injured.

INVESTIGATION OF STRIKES BEGUN

Drop in Number of WPA Employees in County Protested

ASTLAND, June 23. (Sp)—Representatives of three city governments and members of commissioner's court viewed with alarm Monday in session at Eastland the reduction of county WPA Progress administration employees from approximately 1,900 to 960 and discussed possible means for their reemployment. The meeting, held in commissioner's court, was called after request by the commissioner of a letter from George L. Dickey, district 7 WPA director, who advised of the 20 per cent reduction of WPA workers in his and other counties. Plans of the group developed at session call for a trip by city county citizens to San Antonio at the state WPA office for plea that the reduction be stopped and that sponsors' total on project be reduced. On the trip the group will visit the state highway department to ask that Eastland county be given projects furnish employment for disgraced employees.

Burden To County
That the burden is expected to be to the county was indicated in paragraph of Dickey's letter: "We are giving you this information (on the reduction of employees) in order that you may know the conditions and in the event that some provision may be made for taking care of these unfortunate people." Supervisors of projects have been instructed to discharge 5 per cent of the workers on jobs this week for four weeks with reduction to be completed by 15. Being cut off, it was thought out at the meeting, are and inefficient workers and use of a type who will experience difficulty in finding work in other channels.

Also discussed at the meeting was the impossibility of cities and counties, with finances low, sponsoring projects when the WPA requires 30 per cent of the total furnished by them. The sponsor formerly was 20 per cent. It has been reported the sponsor percentage will be increased to 40 per cent of the total cost. A delegation to be organized through the county and cities is

Farley Writes of Hospitality Given Him During Trip

Truly the mind of the practical politician operates with uncanny accuracy as to names of persons contacted in their political pilgrimages. During his brief stops in Eastland county a representative of the Cisco Press, in company with others, met the postmaster general at Eastland, as did others at Cisco and Ranger, but the contact was a brief handshaking, and introduction, that required about 15 seconds. Monday the Daily Press is in receipt of an acknowledgment of the courtesies extended him, giving names and initials accurately. In his letter Postmaster General Farley says: "I was glad to meet you in Eastland on the occasion of my recent trip through your state. You, and everyone, were more than kind and I shall always be grateful for the cordial welcome and gracious hospitality which were extended to me. "I also want to thank you for the generous manner in which you covered my activities during my brief stay. "Wishing you every success, I am Sincerely yours, "JAMES A. FARLEY, "Postmaster General."

Joe Louis New World Heavyweight Champion

Braddock Kayoed By Right Smash in Eighth Round

By ALAN GOULD
COMISKY PARK, CHICAGO, June 22. (AP)—Battered and bleeding, James J. Braddock went down once tonight under the crushing impact of a right hand smash to the side of the head, and lost the heavyweight boxing championship of the world to Joe Louis, 23-year-old boy from the cotton fields of Alabama.

In a stunning climax to the first mixed match for the big title in 22 years, Louis came back from a first round knockdown to batter the defending champion into a bloody pulp and become the second member of his race ever to capture the most prized crown in pugilism.

Braddock, game to the core and a gallant fighter right down to the last blow, collapsed and was counted out by Referee Tommy Thomas just one minute and ten seconds after the eighth round started.

Braddock Out Cold
Out "cold" and so badly beaten that his handlers had to carry him to his corner and administer restoratives, while a frenzied crowd milled in the ring. Braddock lost the championship in his first attempted defense and proved again the truth of the adage that they rarely can come back, successfully, after a long layoff.

Two years out of the ring, Braddock lacked the stamina or the staying powers to stand up under the crushing power of the punches tossed by his younger, stronger, and much harder-hitting rival. A crowd estimated by Co-Promoter Mike Jacobs at 65,000, with estimated receipts of \$650,000, saw Louis, after little more than three years of professional fighting, become the first negro king of the heavyweight since Jack Johnson ruled the main division in 1910-1915.

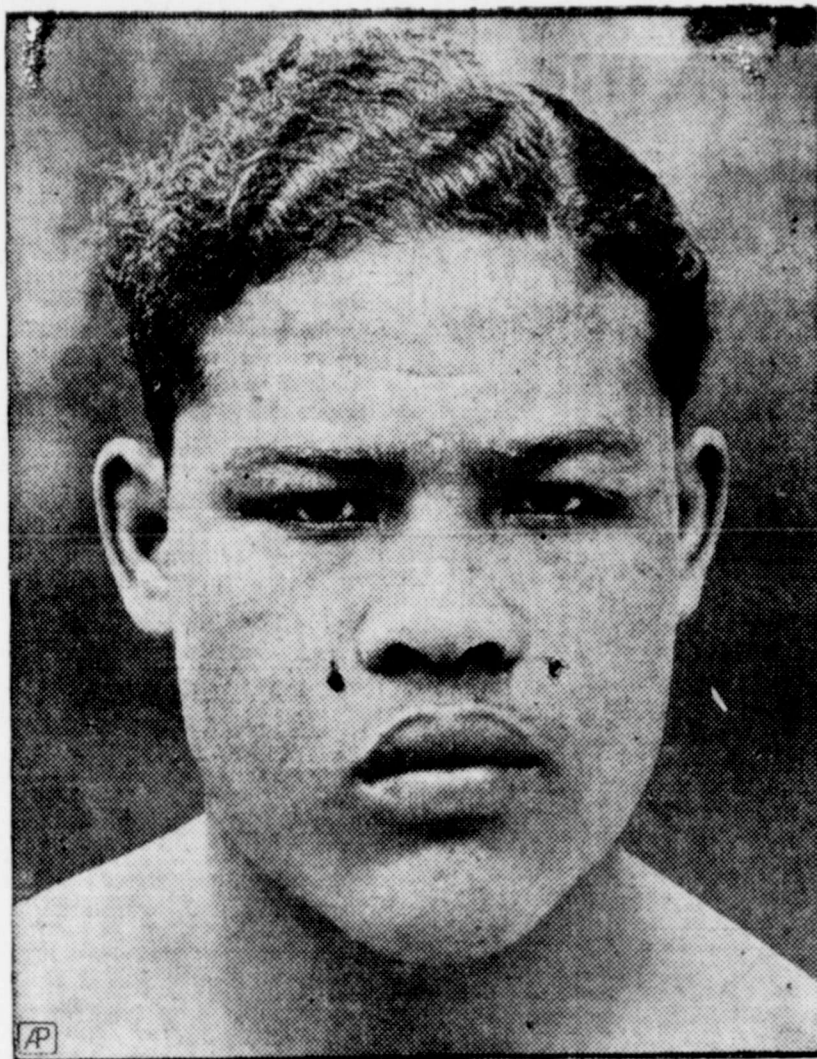

That was the only defeat Louis encountered in his professional career and the man who turned the trick must have smiled a bit wryly at his home outside Berlin tonight as he heard the outcome climaxing a sequence of events which sidetracked Schmeling's previously arranged plans to fight Braddock.

Braddock, for five rounds, put up a brilliant defense. After a few bad moments in the opening round, the champion countered with a choppy right that clipped Louis on the chin and dropped the negro to his haunches. Joe bounced up and away, without a count, but he was hard pressed to hold his own for the next four rounds as he frequently was outpunched at close range, tied up by the champion's smart defense, and forced to give ground under Jim's tallent charges.

Tide Turns
The tide turned swiftly and conclusively in the sixth round. It was give and take up to that point, with Braddock matching a cut over his left eye with a shot that brought blood trickling from the challenger's nose. But a sudden barrage to the head started Jim's downfall in the sixth.

One of the negro's hard shots to the head ripped a bigger gash near the champion's left eye. Another right to the mouth cut Braddock's upper lip so badly blood spurted from it in a stream. Reeling under punishment, Braddock's knees sagged, his eyes blinked and he barely kept his feet as

He Captured the Title From Braddock

Joe Louis, young Detroit negro, who last night became the second ringman of his race to win the world's heavyweight championship when he sent James J. Braddock, the defender, to the floor with a smashing right in the eighth round of their scheduled 15-round bout in Cominsky park in Chicago. The blow knocked Braddock cold and placed the crown on the challenger.

Louis ripped both hands home.

The champion's counter punches were wild, his control gone, yet he continued to charge forward, swinging with both hands and connecting with such force that Louis himself was baffled by his opponent's courageous stand as the bell ended the sixth round.

Furious repair work sent Braddock charging out gamely in the seventh, with such aggressiveness that Louis had few chances to set himself for a shot that might bring down the sturdy white man.

Louis Takes Charge
The challenger, now in command but taking no chances, speared the champion repeatedly but could not halt Jim's forward lunges or keep entirely out of range of the battered title holder's desperate swings.

Braddock's legs barely kept him up for the first minute of the eighth and final round. Once along the ropes, after a hard clip to the chin, the champion started to go down but braced himself and charged forward.

Then as he started he side-stepped, and ran smack into a left hook that jarred him to his heels. He had hardly recovered from that before Louis saw the last open-

ing, let fire and brought his man down with a right that carried all the force the powerful young negro could muster.

Going down in a bruised and bleeding heap, Braddock's eyes were closed. By instinct he attempted to raise himself as he rolled to one side. He shook his head weakly, fell back and was counted out as he lay semi-conscious and completely oblivious of the tumult that rocked the big White Sox ball park.

On the Associated Press score card Louis was credited with four of the first seven rounds. These were the first third, sixth and seventh. Braddock was given the edge in the second, fourth and fifth.

Braddock's knockdown shot, in the opener, failed to offset the beating he took in the first half of the round but he rallied to outpoint and outpunch Louis in the second and gave his best exhibition of ringwork in the fifth, just before his defense crumpled.

Albany Scores 4 Runs In Ninth to Beat Cisco 12-11

A battle chucked full of hits by members of both teams last night ended with the Cisco Gas Corporation team losing another Oil Belt contest, this time to Albany by a score of 12 to 11 and Cisco's chances to win the Oil Belt title faded.

One of the highlights of the game was the removal of Tunnell, Cisco star pitcher, when the Albany players began declaring his pitching illegal and protested strongly. Tunnell had 8 strikeouts to his credit when he was removed in the fourth.

St. John for the losers and Bumper for the winners hit home runs, the latter's coming in the 9th inning with two on base to bring in the winning runs with Cisco holding a two run lead.

There were few errors in the contest and the locals, although weakened by the loss of the pitcher did creditable playing behind Boyett and Bivins.

The invaders opened the game by pushing one run across in the first inning and Cisco was held scoreless. They added four more scores in the second round and Cisco did not get a man on base. In the third neither team scored.

Score 8 Runs

As the fourth inning came up Albany failed to get a man to first base. The losers came to bat and things began to happen. Eight of their 11 runs were put across the plate before the inning ended. St. John lead off with his homer and Dick, Wilson and Benny singled in succession. Aycock tripled. Belew was out and Cearley singled. Sublett was out and Cooper singled and was followed by Tunnell who made first on an error. St. John ended the rally by going out. However, the Ciscoans had put eight men across the platter.

to pull up to within one run of the Cisco team. Neither squad scored in the sixth and the victors managed to tie the count 8 all in the seventh. Cisco scored two in the eighth on an error and successive hits by Carley, Sublett and Cooper.

Trailing two tallies, Albany came to bat in the first half of the ninth and Bob Miller opened with a single. McFall walked, and Locker hit safely to score one marker. Bumper then pounded his home run with two on to throw his team into a two run lead.

Cisco came to bat in the last of the ninth and almost tied the score when Aycock took first on an error and Wilson doubled scoring him. But that was all that the Cisco boys could push across and the game ended with them receiving their fourth loss.

Starting lineups:
Albany—Lynch, second base; Miller, short stop; McFall, center field; Locker, first base; De Moss, third base; Bumper, short field; Daniels, right field; Bray left field; Echols, catcher; Harton, pitcher.

Cisco—St. John, second base; Dick, left field; Wilson, short stop; Benny, right field; Coats, catcher; Belew, third base; Cearley, short field; Sublett, first base; Cooper, center field; Tunnell, pitcher.

Plowboys Open Ball Race With Victory

The soft ball race for the Cook Plowboys opened Sunday afternoon when they defeated Peck by a score of 12 to 12.

Errors by several of the Peck players was the main cause of the defeat. The game was close all the way with Cook scoring two runs in the opening inning and never losing the lead although it was threatened closely several times.

The Plowboys also defeated the Rising Star FFA boys 4 to 3.

Red Front Plays Scranton Tonight

The Scranton team, coming forth tonight in their new jerseys, will be out for blood when they meet Red Front tonight. Still stinging from the 13 to 0, Scranton who have shown that they have what it takes to win, will make things tougher than they did last week for the league leaders.

Thursday night Nance and Leach will tangle up and Friday

night the business men's game that attracted much interest two weeks ago will be repeated.

The average United States citizen last year used 560 pounds of pig iron, 829 pounds of steel, 5.6 pounds of lead, 9.8 pounds of copper, and 8.33 barrels of oil.

Each guest brought a covered dish for the luncheon and the club presented the honoree with a gift. Those present were Meses. Crawford, S. E. Hittson, A. E. Jamison, F. J. Borman, P. R. Warwick, J. E. Moriarty, W. W. Wallace, R. B. Carswell, M. H. Applewhite, W. B. Statham and M. A. Northup.

Conlans Leave For Buenos Aires, S. A.

Mr. and Mrs. James Conlan and little daughter, of Woodson, left today for Buenos Aires, S. A., where Mr. Conlan will be manager of the Allis-Chalmers Machinery company. Mrs. Conlan is the former Miss Frances Gilbert, daughter of Mr. and Mrs. Scott Gilbert and a niece of Mrs. Joe Shackelford. The Gilberts are former Ciscoans. Mr. and Mrs. Gilbert, another daughter, Miss Betty Gilbert, Mr. and Mrs. Conlan and daughter and Mr. Conlan's mother of Clarksville, were all guests in the Shackelford home today before the Conlans' departure on the Texan. They expect to be gone for two years.

Mrs. Homer Slicker and daughters, Alice Louise and Betty, and Mrs. Oscar Cliett left today for Kerrville where Alice Louise will enter Camp Mystic for the summer and Mrs. Cliett will visit her daughter, Mary Elizabeth, one of the counselors.

Mrs. E. S. James Is Honored by W.M.S. With Shower Tues.

Mrs. E. S. James who is moving to Vernon where Dr. James has accepted the pastorate of the Baptist church, was honored with a miscellaneous shower by the W. M. S. and members of the Circles Tuesday afternoon. All circles met at the church following adjournment of the regular circle meeting and filled a cedar chest, a gift from the W. M. S., with gifts from individual members. The chest was delivered to the James home by the express messenger who requested Mrs. James to sign in the regular way for a package. The groups followed the messenger carrying gifts that more than filled the chest and presented them to the honoree. A registry arranged by Miss Mary Beth Langston contained the following names:

Mmes. J. R. Burnett, Leon McPherson, Kate Richardson, H. S. Stubblefield, C. A. Farquhar, E. C. McClelland, R. B. Kinsey, J. C. Hager, M. W. Robbins, R. D. Jones, J. M. Robertson, O. G. Lawson, T. E. causing his confinement to his home almost constantly since.

Born November 19, 1874, at Byars Station, Ohio, Mr. Shepard, after a brief period of teaching school, was associated with public utility services since young manhood, as an operator and building of street transportation systems and later as a power and light official. He was one of the original employees of the West Texas Utilities company, going with the parent company of that great West Texas system, the American Public Service company, as manager of the Baird unit of that company, June 24, 1918. He was then transferred to Stamford as superintendent of the Stamford district, spent a year as superintendent of the Hamlin district, returned to Stamford as superintendent and in 1928 came to Cisco as Cisco district superintendent succeeding P. W. Campbell.

To Texas in 1898

He came to Texas in 1898, establishing himself at San Antonio with the street railway system of that city. From that time until he joined the West Texas Utilities parent company, he was interested in traction enterprises in Texas, Oklahoma and Indiana. It was at LaPorte, Ind., that he spent two or three years in the construction of such a system as an interlude to his Texas experiences.

He was first married to Miss Daisy Larrimore in Ohio in 1894. She died in 1903. One child, Mrs. F. N. Rushing of Groveton, Texas, survives of this marriage. Mrs. Rushing has two daughters, only grandchildren of Mr. Shepard. In 1905 Mr. Shepard married Miss Janie Ripley, who survives him. They have one son, Charles, who is married and makes his home in Cisco.

Pall bearers for the services today were: Active: Dick Giles, Cisco; O. J. Russell, Cisco; Arthur Mitchell, Cross Plains; E. L. Jackson, Cisco; L. F. Foster, Albany, and Jess Proctor, Cisco.

Honorary: H. L. Dyer, Cisco; Doc Cabaness, Cisco; W. H. LaRoque, Cisco; H. Schwartz, Baird; George Spann, Abilene; C. F. Elliott, Baird; A. D. Everett, Throckmorton; L. L. Walker, Moran; O.
