CZECHS ACCEDE TO ALL POLISH DEMANDS

Through the

Editor's Spectacles

By GEORGE

Sitting on the player's bench of the Cisco Loboes and watching remembered for his marvelous punting, his smashing defensive play, and the bone crushing power which he unleashed when he was called back from tackle position to carry the ball. He is "Honk' Irwin who went on from Cisco to Davis and Elkins where he played four years. During his college career his punting and placekicking is credited with having defeated the strong U. S. Navy team 3 to 0 one year. Irwin later played professional football. He is now at DeLeon, his old home

formerly of Eastland county, and author of several articles appearing in the Saturday Evening Post and other nationally circulated magazines, was in the Daily Press office Saturday morning. Boyce probably knows more anecdotes about Eastland county football players than any person alive. When I told him that Honk w here Friday, Boyce recalled an incident in which Honk figured just prior to the celebrated Cisco-

Honk, Boyce said, was employed at a service station near the D avenue crossing of the Texas and Pacific railroad. One morning, about a week before the game with Cleburne, a runaway team raced down D avenue toward the crossing, dragging a wagon with a woman and a girl to what appeared certain destruction under the wheels of a locomotive that was swiftly approaching, Honk, said Boyce, rushed out, seized the harness of one of the horses and by main strength slowed the team down until he

Cleburne bi-district game of 1925.

was able to turn and stop it. mainstay a speedster named Draper who had gained national recognition as a track star and whose speed was one of the chief worries of the Cisco coaches as they prepared for the contest. Boyce with a bright idea of tuning up the rivalry between the two teams, sent the story of the runaway horses to his state paper and intimated that Irwin's ability to outrun runaway horses would stand him in good stead in the football game.

The next day Cleburne replied, "Draper doesn't wear a bridle," retorted an article from there. However, with Honk one of the stars of the game, the Loboes smothered the Cleburne lads 30

Another familiar face at Friday's contest was "Prof" Collum, former Lobo band director and now director of the Stephenville band. Collum was with the Cisco band for a number of years and during that period the Cisco players were tops in west Texas, capturing the all-around championships three times in succession and once going to the national contest at Oklahoma City or Tulsa where the band placed seventh in the nation.

The Stephenville band is a snappy outfit although its uniforms do not compare with those of the Lobo organization, featuring gold #immings on solid blue.

Cisco folks were glad to welcome "Prof" and to hear his fine

If Peace Taks Failed Germans Were Poised

With Fast Traveling Amoured Cars

While Hitler, Mussolini, Chamberlain and Daladier talked of war or peace at Munich. Germany's military machine was ready for threatened invasion of Czechoslovakia that would almost certainly have thrown Europe into another great war. Highly important in the German war scheme are the armored cars, "land dreadnaughts," pictured above.

With All-Important Infantrymen

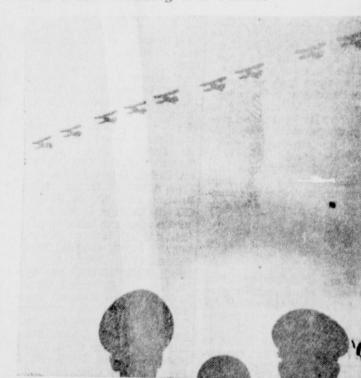

Wars are won with infantry, say military men. And Germany's infantrymen are famous warriors, Here they move toward the trouble area.

With Machine Guns

With Death Dealing War Planes

The machine gun again will play its deadly role if war should come. This Germanmanned gun is as murderous

Most feared of all are the air raiders. Germany's one chance for victory seemed to lie in attacks from the sky by death dealers such as those pictured above. Only by laying waste great cities. say military experts, could Hitler bring surrender of France and

## COOKING SENSATION OF THE CENTURY

The Magic Chef Super (1) Gas Range

Be one of the first to see and own this wonder gas range! It's so advanced and different that it makes even the good range of three years ago look old-fashioned and out-of-date!

Magic Chef Super "CP" is its name. "CP" means Certified Performance. It stands for Cooking Perfection! Results insured by 22 new super-performance standards set up by the American Gas Association! The "CP" seal on the range is your guarantee that it fully measures up to these exacting specifications.

Come in and let us demonstrate what each one of these 22 features can mean to you in better cooking, faster cooking, cheaper cooking. Don't fail to see this ultramodern Magic Chef on our sales floor this week.

"There Is No Substitute for Personal Service"

## CISCO GAS CORPORATION

"HOME OF HI-HEAT GAS"

Revolutionary Features Now Offered You in America's Favorite Gas Range

2. High-Speed Oven-Preheats to 500° in 7 to 8 minutes, or to average baking point (350°) in 12 minutes. Bakes biscuits in 12 minutes from cold start.

3. Red Wheel Regulator-The original time and temperature A. Swing-Out Broiler—The most convenient broiler ever designed. In its own separate, high compartment and attached to door, the grid-pan swings out away from flame. Broiling is quick and easy. No burns, no smoke, no spattering fats.

5. Unique Top Burners - Famous 3-in-1 burners give instantly a simmer flame, or an extra-hot fast fire or a thousand hears in beause extra cleaning work.

7. Thick Insulation-Holds hear and helps keep kitchen cools
