

Explosion, fire damage two businesses in separate incidents

BLOWN-OUT FRONT WALL OF TEXAS ENERGY CO. BUILDING
... After explosion Friday evening

WHERE IT ALL STARTED
... The heating system [with vent at bottom] malfunctioned

Two fires in the county caused extensive damages to two businesses, Texas Energy of Dimmitt and H&S Produce of Hart, but no one was injured in either incident.

FRIDAY afternoon at about 5:55, an explosion at the Texas Energy building blew the front and back walls off the building, collapsed the roof and destroyed some supplies.

"As near as I can determine, the explosion was caused by a malfunction of a safety valve in the propane-operated central heating unit," said Assistant Fire Marshal Charles Littlejohn.

The building was a total loss, but the damage has not had a dollar estimate placed on it yet, a company spokesman said.

TWO UNITS of the Dimmitt Volunteer Fire Department went to the scene, as well as the rescue vehicle. No one was on the premises at the time of the explosion.

Thelma Wethington, secretary for the firm, said the company is presently operating out of a mobile home at the site, and that it is undetermined yet when rebuilding will begin.

"We're just so thankful, first of all, that no one was in there, and secondly, that none of the big storage tanks were involved," said Mrs. Wethington.

AROUND noon Monday, the Hart and Dimmitt fire departments were called to H&S Produce Co. in Hart to fight a damaging fire.

"The fire started in some cardboard boxes stored in the packing room of the building," Littlejohn said, "but we haven't been able to determine the source of ignition."

He added that the rear porch [See EXPLOSION, Page 9]

Corn Growers' chief urges 'survival plan'

Diverted acreage and increased overseas marketing are the avenues corn growers need to take to stay in business, since the current farm program will not help the farmer survive, Carl King told an audience of more than 500 at Spearman last Thursday night.

KING, president of the Texas Corn Growers Association, was speaking at a farmers' meeting sponsored by a women's organization, WIFE (Women Involved in Farm Economics).

Criticizing the Carter Administration's recently passed farm bill, King said "The TCGA is certainly not happy with the \$2 loan and target price for corn, and the \$2.10 for the 1978 crop is also below the cost of production for our area."

"The 20 percent diversion in wheat and the talk of 10 percent for feed grains is not enough," he said as he urged all grain producers to voluntarily reduce acreage through soil conservation. This reduction, King said, would help offset the rising cost of gas, labor and other inflationary costs of production.

KING ALSO reported on a US Feed Grains Council meeting which he attended recently in South Carolina.

"There the emphasis was on expanding agricultural trade for the US in order to get rid of a 7 1/2 billion-bushel surplus of corn," he reported.

Officials of the US Department of Agriculture were among the South Carolina speakers, who often mentioned multi-lateral agreements and also the stumbling blocks in the area of foreign trade—mainly trade restrictions, credit limits and such policies as those which limit US trade with China, King said.

HE SAID the speakers reported that Secretary of Agriculture Bergland had emphasized to the President that wheat and feed grain reserves and set-asides must go together, with the reserve held in the farmer's name and Commodity Credit Corporation taking the task of building the reserves.

King noted that the TCGA is working with other grain producing groups concerning a freight rate provision for corn, such as wheat and grain sorghum already have. However, he said this week that he has learned this recommendation will not be followed.

CONCERNING the new farm bill, King said area Congress-

Fair will exhibit county's products

Products of Castro County farms and gardens, with canned fruits and vegetables, baked items, clothing and crafts will be on display at the annual County Fair in the Expo Center this weekend.

ENTRIES will be accepted from 1 to 6 p.m. Friday and judging will begin at 6 o'clock. They will be exhibited until 4:30 p.m. Saturday with the public invited to view the various divisions.

Awards will be presented at 4 p.m. Saturday to winners in youth and adult divisions. Exhibitors in the youth division must be not more than 18 years old and single. Adults are divided into two groups, ages 19-54 and those 55 and over.

An exhibitor may enter only one article under each category on the fair list. The entry must have been grown or made by the person who enters it, and not judged in a previous event in this county.

A CHAMPION farmer award will be made to the exhibitor with at least five entries and the highest total points on the basis of ribbons awarded. On the same basis, a champion gardener will also be selected.

Special premium awards will be made in the canned fruit and vegetable section by a jar manufacturing company, which offers some of its products as prizes for foods canned with the firm's jars and lids.

Superintendents for adult and youth divisions in each entry section will have charge of accepting and classifying entries. They are named as follows:

BAKING — Kim Sides and KaKa Bruegel, youth; Bea Acker and Margaret Womack, adult.

CLOTHING — Diane Hochstein and Edith Durbin, youth; Naomi Scarborough and Reba Fleming, adult.

CANNED fruits and vegetables — Janis Hutcheson and Janet Sammann, youth; Thelma Hutcheson, LouAnn Ebeling and Shirley Schacher, adult.

CRAFTS — LeAnn Crozier, Quint Waggoner, Joe Don Cas-

tleberry and Becky Hand, youth; Margo Boyd, Betty Cartwright, Rita McDaniel, Carolyn Sides and Lana Downing, adult.

PHOTOGRAPHY — Laurie Sides, youth; Mary Acker, adult.

HORTICULTURE — Alice Anthony and Reta Welch, youth; Jo Behrends and Myrtle Sheffy, adult.

FARM PRODUCTS — Bernard Acker and Todd Hatla, youth; Glenn Hatla and Sam Scarborough, adult.

GARDEN PRODUCTS — Bernard Acker and Todd Hatla, youth; Diane Hatla, adult.

DEDICATION—Bishop Lawrence De Falco [left] presents the first copy of the new Holy Family Parish history book to Father Stanley Crocchiola during the 75th Anniversary Mass of Thanksgiving Sunday afternoon in Holy Family Church. The book is dedicated to Father Stanley, who has served the parish nine years. In their dedication the authors wrote: "We hope in some small way the dedication of this book says 'Thank you, and God reward you in every way for what you have done for our parish, for our community, and for every individual with whom you have brushed shoulders in this life.'" More than 400 of the new books were sold during the parish's Diamond Jubilee Celebration Sunday and Monday.

City to issue water bonds

Dimmitt's city commission voted Monday night to bypass a bond election and issue \$1.1 million in revenue bonds via city ordinance to expand the municipal water system.

IN A legal notice in this issue, the city is calling a special meeting for Sept. 26 to consider the new ordinance, which would empower the commission to issue the bonds without an election.

Mayor Elmer Youts said the city is making the unusual move to take advantage of a favorable bond market and hold down costs.

"The bond market for cities is the best right now that it's been for years," Youts said.

"The interest rate has been 6%, but we have a chance to get a 5.87% rate if we act right away. And it looks like the interest rate will go back up to 6% pretty soon. When you're talking about the interest on a million dollars, that's a lot of money we could save."

The city would use the money to develop its new well field south of Dimmitt, on land purchased from Joe Scott. The project would include the drilling of three wells and the construction of a reservoir, pumping station and six miles of pipeline.

The city awarded the well-drilling contract Monday night to Wall & Sons Drilling Co., lowest of three bidders, and drilling is expected to start immediately on the three new wells, first step in the expansion program. The city had been holding up on the drilling contract until financing for the entire expansion project could

[See WATER BONDS, Page 9]

THE HIT SHOW OF THE YEAR, the theme of the annual Muscular Dystrophy Telethon, was brought to Dimmitt by these "beauties" [from left] Kenneth "Kena" Talley, Steve "Stephanie" Talley, David "Dava Lou" Talley, Robert "Roberta" Woolbright, Roy "Rolene" Leingang, Dan "Dan-

yal" Lawson, John "Johna" Brooks, Rick "Rhonda" Rigoni and James "Jamie" Killough. The winner of the money-vote contest at ten cents per vote was Leingang with \$64.45 in her—or his—favor. In the background [left] is Leroy Johnson, announcer for the event.

MD drive tops goal of \$4,500

Local efforts in conjunction with the national drive for the Muscular Dystrophy Telethon brought in \$4,951.18, according to local chairman Kay Mansell.

THE LOCAL drive ran from 2 p.m. Sunday to 5:30 p.m. Monday, the same hours the national telethon was on the air.

"Fifteen of our workers stayed at the headquarters here the whole time," Mrs. Mansell said, "and there were many others who helped out. We also had about 20 kids who went collecting door-to-door both days."

Some of the events that were held during the 27 hours included an auction, a "beauty show" with men contestants dressed as women, and performances by various local en-

Lindsey rites are scheduled for Wednesday

Funeral services for Rynard K. "Cap" Lindsey, 79, a Dimmitt resident since 1974 who died Monday night in Plains Memorial Hospital, were scheduled for Wednesday morning in the Rose Chapel of Gilliland-Watson Funeral Home at Hereford.

REV. PAUL McClung, pastor of the First Baptist Church at Morton, was to conduct the funeral with burial following in West Park Cemetery of Hereford.

Mr. Lindsey, who was born at Forney, had owned a feed and seed store in Morton 30 years before he came to Dimmitt.

He is survived by his wife, Luda; a daughter, Irene Latham of Hereford; a brother, A. R. of Morton, a grandson and a great-grandchild.

tainers. "There seems to be some confusion about the pledges that were made by phone," remarked Mrs. Mansell. "Sev-

Lessee purchases vegetable sheds

The corporation that put the Dimmitt area into the vegetable business 20 years ago has been purchased by its lessee.

LA MANTIA, Cullum, Collier & Co., Inc., has bought all the stock of Dimmitt Produce Co. Inc., including the vegetable processing buildings and all equipment.

Dimmitt Produce Co. was organized in 1956 by 25 Dimmitt men who invested \$25,000 in stock to build and equip a vegetable processing plant in Dimmitt. The plant has been in continuous operation every year since.

The 60-by-160 foot building was completed in midsummer of 1957 at a cost around \$50,000. It is located alongside the Fort Worth and Denver Railway tracks.

BUSINESSMEN in Castro County invested in the plant to meet a need of vegetable growers who had been forced to market their crops at Plainview or Hereford after fire in 1949 destroyed a vegetable shed constructed by the railway company.

First lessee of the local plant was Pacific Fruit and Produce Co., which operated it until 1965. That year La Mantia, Cullum, Collier & Co., with home offices in Weslaco, leased the plant and has operated it since. Albert Maxwell is the manager.

Originally built to process onions, carrots and other fresh vegetables that could be grown

eral people have tried to pay their pledges at the bank, but the bank is not authorized to take them. We sent all the information we had to the district

Stockholders at first

At the time of the sale Dimmitt Produce Co. was owned by five stockholders.

The original board of directors included H. W. Golden, Joe Cowen, Bob McLean, B. M. Nelson, L. G. Manning, H. H. Carlisle, N. F. Cleavinger and Charlie Hays.

When Dimmitt Produce Co. was organized, the Chamber of Commerce here surveyed all farmers in the county to determine how large a crop of vegetables could be expected for processing in a local plant.

Results of that survey resulted in the decision to build the facility and seek a processing company to lease it.

Brown speaks to 500 Tuesday at DAI meeting

In a rapid-fire speech punctuated with jokes, Texas Commissioner of Agriculture Reagan Brown kept an audience of more than 500 applauding and laughing during the annual stockholders' meeting of Dimmitt Agri Industries, Inc., Tuesday night.

The cooperative distributed \$452,333.26 in cash dividends to its stockholders at the annual meeting.

BROWN, one of the most sought-after speakers in the state, discussed current farm problems, extolled Texas as the nation's fastest-growing state, and urged both the American farmer and the federal government to "give the free-enterprise system a chance to work."

He received a standing ovation after his speech.

"Texas is the No. 1 state in the nation," Brown declared. "We're the fastest-growing state, with the best business minds running it—and we're

[See BROWN, Page 9]

Class of 1957 needs addresses

Dimmitt High School's Class of 1957 needs help in locating four of its members for a class reunion the end of September.

ADDRESSES are needed for Cleo Adams, Martha Burgin, Don Ed Robison and Charlotte Johnson.

Anyone knowing the address of any of these class members is asked to contact Howard Smithson at 647-2301 or Sue Boozer at 647-5632.

TALKING OUT OF CLASS—State Sen. Kent Hance [right] discusses state legislative issues with his former vo-ag teacher, J. O. Seale, after speaking to the Dimmitt Rotary Club Friday. In background is Supt. Robert Ryan. Sen. Hance, the first Dimmitt native ever elected to the Texas Legislature, recapped the bills passed in the last session and answered questions from an audience of 34 Rotarian, wives and guests.

Sheffy's chatter

Growing city is sprouting new homes and businesses

By MYRTLE SHEFFY

Dimmitt, our home town, is growing. Many new homes, several new businesses. The craft shop, Somethin' Special, owned and operated by Dorothy Mayfield, LaQuita Hill and her daughter Beverly Lindsey, is where the stamp store was. The girls are planning a special open house Sept. 16, 17 and 18. Go by, Beverly and LaQuita will attend the gift market in Dallas soon.

And the other new store is Browseabout Too in the Rawlings building. And dozens of new homes are being built and already built. And the other four department stores are as good as any in Amarillo. And the cafes all over the town. I'll tell you more next week. Ceal Carlile and I went to the hospital, visited Floy Hart, Josie Bradford and Maggie Boren. All are doing well now. And Irene Carpenter says she was at the hospital for a rest so she and daughter Floyce and Jimmy could go to Abilene to attend a Carpenter reunion.

GOLDMAN and Carole Dyer had a good trip to Dallas and Fort Worth. To Dallas to attend a showing of the new Pontiac cars, to see a show or two, banquets and to Fort Worth to see their fine museums and art galleries and those landscaped gardens I told you about—Japanese and the American, taken care of by the business men.

Mrs. Gladys Leeth is home from a two week jet trip to Houston where she visited her daughter Sandra and R. C. Michels. They go and see much in that area. The daughter Kathleen is working at the hospital as an aide.

Scott Duncan of Colorado Springs has been in Dimmitt for a visit with his dad Bill Duncan and Mrs. Duncan. The fellows and James Powell came by my house to find and fix a gas leak. James put in a new meter. I am glad to get that job done. Oh, yes, these Duncans are not kn to the G. B. Duncans who paint houses and pictures.

Darla Butler spent a week with her grandparents at Morton just before school started.

DEAN AND Thelma Butler and children, Gary, Renee and Darla had a fine trip to Colorado by camper car. They saw everything they could in two weeks. Like the Cave of the Winds, the Royal Gorge, Manitou Springs just west of Colorado Springs, on up to Leadville and Twin Lakes. They camped out for three days at Golden Eagle Ranch. They saw Johnny and Connie Stallings at Fort Carson. They are liking their new home. While in the mountains they saw Seven Falls and Garden of the Gods. Did some horseback riding. Came home by way of Santa Fe, toured the big round New Mexico capitol, then home again. Sunday Dean and girls visited his dad at Anton. Gary entered college at Southwestern in Levelland. Thelma's back nursing at the hospital. Dean back on the job also.

Helen Richardson and friends Glen and Koma Ratcliff spent a few days at Helen's place at Ruidoso, as did G. L. and Ouida Willis and his sister Allie Mae. Probably half the town went out for the Labor Day weekend.

Connie McManus spent the weekend in Amarillo with her parents Mr. and Mrs. L. A. McManus. Connie is a school teacher and very nice and good looking too.

RUBY MOULTRIE spent the weekend in Pampa with her mother Mrs. Artie Moultrie. Her home church is St. Marks Methodist there and she attends church with the Methodists here and has a fine singing voice. I told you last week that Ruby teaches music at the school.

Gene and Bobbie Moore sang and he preached, too, to a full house last week and people came from area towns. I met Mrs. Ralph Shelton and Mrs. James Boyles of Friona, also Mrs. O'Brien and several friends from there. The ladies are friends of Ruby Bagwell.

Mrs. Carlile and I went to Earth School to have their annual Mexican dinner, including cherry cobbler. Seems Mrs. Sanders is the enchilada maker and Jo Eddie Riley and Ray Joe do most everything. We see my daughter Tommie and Richard Bills, his brother Larry and Debbie and of course Elaine Bills, who is one of the cheerleaders. And I heard the school choral here as the "Most Beautiful Girl"—I agree. And Rosie Lewis is one of the cute twirlers or leader of the band. We saw many friends, Mrs. E. C. Hudson, Shorty Barlow, the Hershel Wilsons, Ronald and Ynelle Cleavinger, Bill and Lillian Holland, the nice Busbys and Naomi Woods and husband and dozens of others.

I WAS chatting with John Lantz, one of the football coaches at the junior high. He tells me about several new teachers in Dimmitt. Mr. Shelton, girls' coach at Middle School, and Mr. Bob Hickman is assistant coach on the varsity team. His wife is a teacher too. They came from Hale Center. Joe Ramirez teaches art at the

EMILIO and Refugia Nino and grandchildren, Al and Anna Dee Gibbs and their grands went to a pretty lake northeast of Amarillo to fish and camp out. Refugia is a nurse at the hospital here.

Ned and Thelma Smith took their vacation at Possum Kingdom Lake and visited Ned's brother Boyd and Margaret Smith, who live near the lake. Decided to go on to Shreveport, La., took different tours of the area. Very pretty, they say.

Bud and LaQuita Hill have a very nice cousin Betsy Figueroa living with them for a while. She comes from California and wants to learn all about cattle and the business. I can tell her a lot of hard work, not like the movies. And this week LaQuita is in Dallas visiting her daughters Lisa and Jana. Lisa at SMU and Jana is recuperating from slight injuries she received in an auto accident.

And more about the Earth ballgame Friday night. Sunny and Randy Randolph's son is on the main team. Sunny was a Wyer girl a few years ago and young Gonzales, number 26, is a race horse running with the ball. Made a touchdown quick. We had to come home before the game was over.

I WAS chatting with John Lantz, one of the football coaches at the junior high. He tells me about several new teachers in Dimmitt. Mr. Shelton, girls' coach at Middle School, and Mr. Bob Hickman is assistant coach on the varsity team. His wife is a teacher too. They came from Hale Center. Joe Ramirez teaches art at the

Middle School. He is from Knox City, and John Thomas teaches math, from Tahoka. We welcome all of you to our town.

Don and Ruth Ann Roundtree were here from Durango, Colo. for a weekend visit with his brother W. G. and family. They visited Jess and Clara Roundtree at South Hills also.

Larry Robb and friend Pam Anderson went to the big Willie Nelson musical show at the WTSU Stadium Sunday evening. They liked it, and KDHN radio says the show was a big success and made enough money to pay half the university's debt on athletics.

Do go to the Book Club review at the library Sept. 14 at 4 p.m. and hear Ina Cleavinger give a review of the book "Granny Brand."

Ina and Jim Cleavinger visited his uncle and aunt Ray and Mattie Axtell in Earth Saturday evening.

SHIRLEY Stephens was hostess to the needlepoint and visiting club Friday. She served a salad luncheon to Sue Merritt, Nancy Hays of Hereford, Carole Dyer, Flo Nichols of Tulsa, Myrtle Lois Moran and Esta Vandiver. Members of this group and husbands went to Lake Buchanan with Charles and Esta Vandiver for the Labor Day weekend. Shirley says Dorothy Sheffy is teaching school now so she didn't get to go.

Bob Green's family, wife Barbara, son Jim Bob and little daughter Sherri came here for a weekend visit with him. They live at Richardson, northeast of

Dallas. Bob is the intern preacher at the Methodist Church.

Scott and Sharon Moran of Waco and Pat Moran of Atlanta, Ga. visited the parents Russel and Myrtle Lois Moran last weekend.

Jack and Jane Lane and sons Larry Don and Dennis of Stinnett were in town for the evening service at the Methodist

Church and a visit with friends Bob Green and family.

MANY people went to Ruidoso for the weekend but I have only a few names—Ward and Oleta Golden, Buster Cooper, Joe and Gladys Benson, Johnny Davis, J. M. and Ruth Wright, Ray and Joannis Robertson.

Frank and Louise Mears spent a few days at Gruver visiting their daughter Charlotte and Zay Gilbreath and boys, who have moved into their new home. The main idea was to see grandson Gary play football.

Mr. and Mrs. W. E. Thornton had a good trip in the Utah country. Their daughter Irene lives up north.

Ted and Sherri Collins, Kyle, Kyle and Kerri had a good vacation in the valley and hills at Red River.

Don and LaVon Reeve left here Tuesday for Houston to attend the showing of the new Chevy cars. They always have nice things to go to in the big city, banquets and shows.

Seth Ralston, assistant county agent, Jimmy Howell and son Kennen are home from a Chester White production sale of that kind of hogs. This was in Mohemet, Ill.

Farmers tax guide offered free by IRS

A free 64-page booklet dealing with the many tax situations faced by farmers is available from most Internal Revenue Service offices.

"**FARMERS** Tax Guide," IRS Publication 225, covers numerous tax facets of agriculture, including crop destruction, soil sales, drought sales, poultry purchases and the federal highway use tax.

Also included in the publication are instructions for use by farmers in completing Form 1040 and related schedules, a listing of the important tax dates which affect farmers during the course of the year, and several useful tips on how a good recordkeeping system can help a farmer insure that he or she takes advantage of all legal deductions.

Farmers can order the "Farmer's Tax Guide" by calling the IRS toll-free number: 1-800-492-4830.

Who is at the Helm?

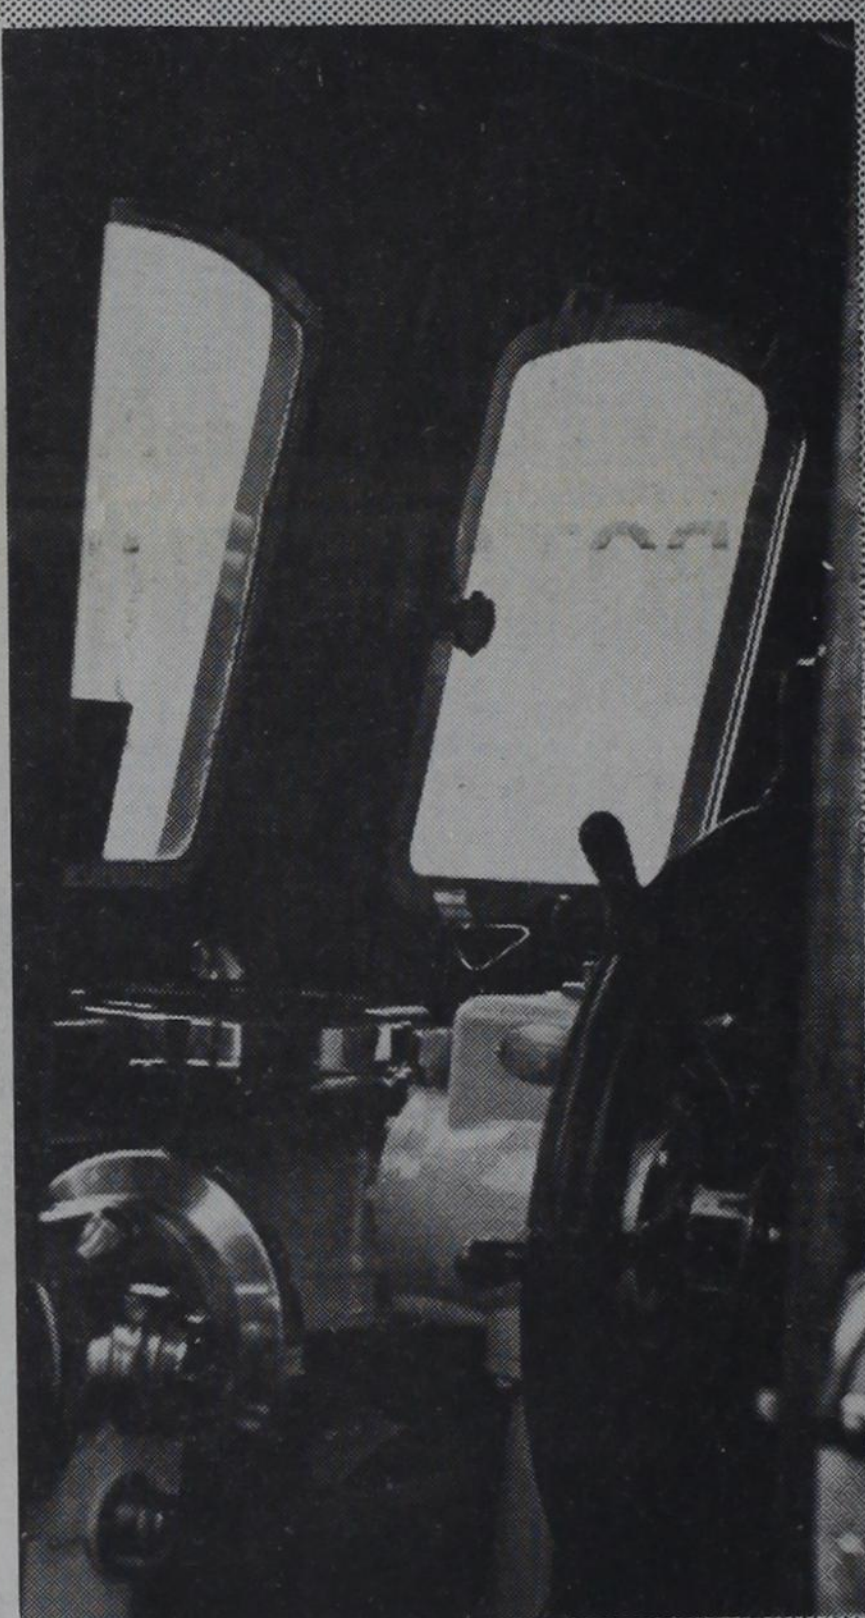

Who guides our lives? Are we a ship without a helmsman? Are we adrift, going no place?

Thanks be to God, who loves us so, He is willing to guide us, to show us the way over all manner of seas. How glorious to know there is such a One! All of us follow someone, some standard, but the true standard is God and His Word.

Let Him take over the wheel. He doesn't promise smooth sailing all the time, but He promises to guide us through the storm, and show us the way over calm and sweet but sometimes marker-less seas.

"And the Lord shall guide thee continually, and satisfy thy soul in drought, and make fat thy bones; and thou shalt be like a watered garden, and like a spring of water whose waters fail not."

Isaiah 58:11

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

15—LEGAL NOTICES

CITATION BY PUBLICATION
TO: FERMAN R. BONE, who was also known as Frank Bone, and his wife, if any, if either be living, and if either be dead, the legal representative of each of said named Defendants, and the unknown heirs of each of said named Defendants, the legal representatives of the unknown heirs of each of said named Defendants, if the unknown heirs of said named Defendants are dead, whose places of residence are unknown to the Plaintiff, all of said parties being Defendants: Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Castro County, Texas, in the Courthouse thereof in Dimmitt, Texas, at or before 10:00 o'clock A.M. on the first Monday after the expiration of 42 days from the date of issuance of this citation, same being the 17th day of October, 1977, then and there to answer in writing Plaintiff's petition filed in said court on the 19th day of August, 1977, in this cause numbered 4497 on the docket of said court and styled JAMES W. POWELL VS. FERMAN R. BONE, a brief statement of the nature of suit being as follows:

Suit in statutory form of trespass to try title, and for costs by James W. Powell, Plaintiff, against the person who is first named in this citation and to whom it is directed, as Defendant, and the unknown spouses and heirs and legal representatives of the said named persons and each of them, the names and residences of whom are alleged to be unknown to the Plaintiff, the Plaintiff suing for title and possession of the following described real estate lying and being situated in Castro County, Texas, to-wit:

All of the West One-half (W/2) of Lots Number Seven (7), Eight (8) and Nine (9) in Block Number One (1), of the Clifton Heights Addition to the Town of Dimmitt in Castro County, Texas, as shown by recorded map and plat thereof, together with all improvements thereon.

Plaintiff alleges that he is entitled to the title and the possession of said property, claiming under the ten year Statutes of Limitations, and Plaintiff further prays that the cloud cast on the title to the property above described by Defendant be removed and said title vested in the Plaintiff, all as is more fully show by Plaintiff's Petition on file in this suit.

Pleading in the alternative, Plaintiff alleges that the Defendant, or those claiming under him, at one time owned an undivided one-ninth interest in and to the property described in said Petition, and an alternate plea in said Petition is for partition of the real estate described therein, all as is more fully shown by Plaintiff's Petition on file.

The Officer executing this process shall promptly serve the same according to law and make due return as the law directs, and if this process be not served within ninety days from the date of issuance, it shall be returned unserved.

ISSUED AND GIVEN UNDER MY HAND AND SEAL OF SAID COURT at office in Dimmitt, Texas, this 30th day of August, 1977.

—s- ZONELL MAPLES
Clerk of the District Court, Castro County, Texas.

Parish observes its 75th anniversary

By VIRGIE GERBER

A Mass of Thanksgiving was offered Sunday afternoon in Holy Family Church to celebrate our Diamond Jubilee after which the Parish Council entertained Bishop De Falco and the visiting priests and nuns. There were eight priests including our pastor, Father Stanley and Msgr. Peter Morsch, who was our pastor here for several years. There were 18 nuns present. This included Sr. Jane Frances Brockman, Sr. Maurine Schmucker, Sr. Mary G. Hawkins, Sr. Cordelia Lange, five nuns who teach here now, some who taught in the past and several from the Franciscan order in Amarillo.

THE ANNUAL Labor Day picnic was well attended by friends and relatives from neighboring towns as far away as Clovis, N.M.

Cyrilla Brockman is still in Northwest Texas Hospital but is reported to be doing exceptionally well and due to be home very soon.

The Home and School Association met Monday evening in the school cafeteria with Irene Wilhelm, president, Eileen Gerber secretary and Catherine Huseman treasurer. Mr. King introduced the new teachers and also suggested a couple of worthwhile projects for this year. Mrs. King showed a very informative film dealing with the Plan A program. Each member of her staff explained her part in the program.

Off to college this week are Elaine Schulte, Chelle Pohlmeier and Royce Huseman to Wayland Baptist in Plainview, Rosie Schulte to Amarillo College, Judy Steffens, Gail Kleman and Jenny Huseman to West Texas State University, Cindy Schacher to TSTI in Waco and Kelly Book to Nacogdoches.

THE NAZARETH Swifts lost to Farwell Friday night 28-18. Even though they lost it was a well-played game and we're proud of them. Jeff Schmucker, Derwin Huseman and Neal Wilhelm scored for the Swifts. They will meet the Smyer Bobcats at Swift Stadium Friday night. Come and support

Free nursery care for pre-school children. Manual provided. \$10 per person/\$15 per couple.

NOTICE OF INTENT TO CHANGE RATES

The Five Area Telephone Cooperative, Inc. has filed an application with the Texas Utilities Commission of Austin, Travis County, Texas, for a rate increase on each of its six exchanges, Lazbuddie, Lariat, Bula, Needmore, Maple and Lehman. Said rate increase to become effective on the 1st day of August, 1977 or the date of approval by the Texas Public Utilities Commission, whichever is later.

The proposed rate increase was and is recommended by the Rural Electrification Administration acting for the Department of Agriculture in the percentage increase in gross revenue that the utility expects a requested rate schedule to furnish is 28.6%.

DRYERS

STORAGE

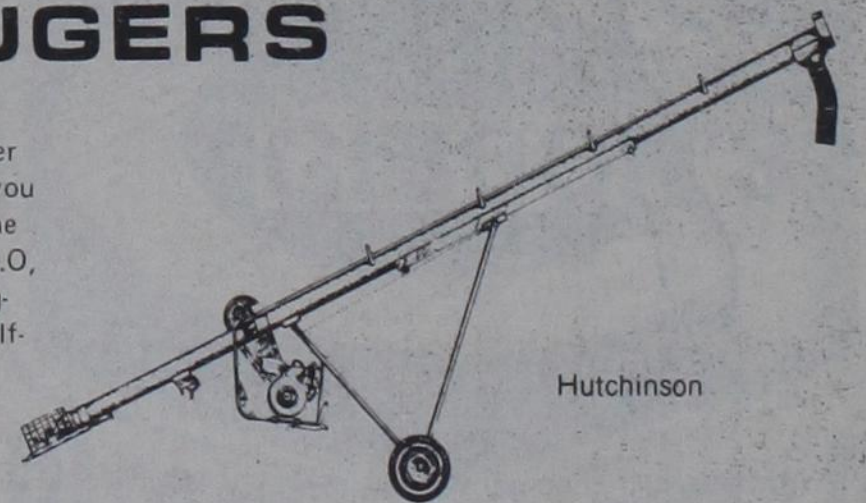

The three temperature "Sensor" Automatic Dryer utilizes a ten inch compartmentalized grain column permitting more air flow and uniform drying. Unique air-foil blade design produces more Cubic-Feet of Air per Minute (CFM) at low horsepower. Ram Jet Burner/Plenum for more efficiency. Many sizes available - some sizes in stock.

Meets the needs of both small and large operators. Heavy duty wall stiffeners resist downward pressures and are computer-designed to support drying loads and stirring devices. Easily adapted to include any number of bins and any size drying capacity. Your dealer can help you plan for the grain drying and storage you'll need.

AUGERS

Galvanized, seamless welded tubes provide greater strength and durability. Pre-Assembled to save you time and to eliminate parts shortages. Choose the power that's right for you, gasoline, electric, P.T.O. Hydraulic. Features include heavy channel, long-life drive, heavy-duty flight, heavy duty shaft, self-aligning bearings, high quality gear box.

VETERAN'S SERVICES

By BEDFORD W. SMITH
County Service Officer

Waco, says Vietnam Era servicemen and women should be the smartest of them all.

That's because 64 percent of these men and women participated in GI Bill training, compared with a participation rate of 51 percent of those eligible under the World War II GI Bill and 43 percent of the Korean Era eligibles.

Not only did Vietnam Era vets outdo their earlier cousins in GI Bill participation, a higher percentage of them took college level training than Korean Conflict or World War II veterans. The figures are 34 percent for Vietnam Era vets, 22 percent for veterans of the Korean Conflict and 14 percent for World War II GI's.

FOR THE three GI Bills combined, more people—7.3 million, Coker says—have trained in college than in any other type of training. This is followed closely by non-college level school training (6.7 million, including correspondence school training). A total of 2.1 million persons have taken on-the-job training and more than 800,000 have been farm trainees.

SQUIRRELS of several varieties are found over much of Texas, but more commonly in eastern sections.

THE ORIGINAL FAMILY—Descendants of the Wilhelmina Thier family—the first German Catholic settlers in Nazareth in 1902 were featured on this float in the community's Diamond Jubilee Parade Monday morning. Symbolizing the parish's early era aboard the float are Cecilia and Cornelia Annen and

Martha Bauman, granddaughters of Mrs. Wilhelmina Thier, dressed in pioneer costumes. Symbolizing the present era are Mrs. Kathy Selander of Moab, Utah (Mrs. Thier's great-great-granddaughter) and her children, Teresa and Shane.

CPR course announced for Sept. 12-13

A basic Cardio-Pulmonary Resuscitation Course will be taught by Jerrold Welborn at the Castro County Senior Citizens Center, SE 3rd and Lee Sts., Monday and Tuesday. The class will be in session from 2 to 4 p.m. each of the two days.

THERE IS no charge for the course, and it is open to any resident who wishes to receive the instruction in emergency coronary care.

"Knowledge of this type of resuscitation may enable a person to save a life," said Mary Acker, director of the center, "and the course is vital to all members of the Senior Citizens. Others are invited to attend also."

FFA taking subscriptions for magazines

The Future Farmers chapter of Dimmitt High School is sponsoring a magazine sales campaign, to continue through Sept. 19.

FFA MEMBERS will go door-to-door soliciting subscriptions to a number of popular magazines. Any resident who is not contacted in the campaign is invited to notify any FFA member who will take the subscription, according to Johnny Merritt, chapter reporter.

THE NEW CREATIONS
To appear here next Wednesday

Singing trio will tell of ministry

The New Creations, a men's trio singing country gospel music, will sing and discuss their ministry in prisons and reformatories, when they appear at the First Christian Church here at 7:30 p.m. next Wednesday.

THE TRIO, Ansil Harpold, Ken Sanders and Don Pruitt, are members of the New Testament Church and are working through the American Rehabilitation Ministry of Joplin, Mo., with the aim of reaching prison inmates through teaching, preaching, singing and personal testimony of their faith in Christ.

The public is invited to hear them, according to Roy Barringer, minister of the church. Refreshments will be served in the church fellowship hall during an informal social period following the trio's program.

Purpose of the program is to inform Christians concerning prison evangelism, Barringer said.

Defensive driving course set at AC

Defensive driving, a course intended to save a driver his money as well as his neck, will be offered by Amarillo College Sept. 17.

The all-day class will be conducted by Walter Eubanks, AC chairman and instructor in public safety education. Classes will meet from 8 a.m. to 5 p.m. in Room 111 of Building A at the West campus School of Vocational Arts, 6222 W. 9th.

"Students who satisfactorily complete the course will receive a 10 percent discount for three years on auto liability, collision, and medical payment coverage written by insurance companies who are rate-regulated by the State Board of Insurance," said Charles Gaiter, supervisor of Community Service programs at AC.

Further information may be obtained from the registrar's office located in the Washington Street campus Administration Building. Fee for the class is \$11.

Now! What you pay to lease a Zimmatic depends on the price of corn.

Here's another first from Lindsay... the Zimmatic Corn Crop Lease. Instead of a fixed lease payment, you pay for your Zimmatic based on the price of corn. If corn prices plunge, so does your lease payment.

By offering this new lease, Lindsay is sharing some of the same risks that you face every year. Corn prices fluctuate, which affects your profit picture. That's why Lindsay developed the exclusive Zimmatic Corn Crop Lease... a revolutionary program that tailors your lease payments to the changing price of corn, from one year to the next.

The Zimmatic Corn Crop Lease is designed so you can lease a Zimmatic without using your normal operating credit sources... your Zimmatic pays its own way by turning on your production.

The number of Zimmatics available under this program and the time period of this offer are

limited so come in soon and get all the details on the Corn Crop Lease and other exclusive leasing programs available only through Lindsay Credit Corp.

Take advantage of a program that has never been offered in the industry before... it's the lease we can do for you.

SCOUTING REPORT

SLATON at DIMMITT

The Bobcats have drawn the top-ranked Class AA team in the region for their first home game of the '77 season Friday night.

SLATONS Tigers have 13 lettermen back from the team that posted a sparkling 9-1 record last season, and Coach Ed Cook is hoping for big things. The Tigers are ranked as the District 5-AA favorite, and also are being called the best Class AA team in Districts 1-7.

The Tigers started the season with a bang Friday night as they posted a 32-0 shutout over Colorado City, the team ranked to win the District 6-AA title. Dimmitt, meanwhile, gained a 13-9 victory over Class A Crosbyton's surprisingly tough Chieftains.

Slaton showed a powerful ground game, a respectable passing attack and a stiff defense in crushing Colorado City's Wolves. The Tigers gained 226 yards on the ground and 59 through the air while their defense held the Wolves to only 61 yards rushing and 36 yards passing.

THE BOBCATS showed a lot of defense Friday night, too. All of Crosbyton's points came on blocked punts; Dimmitt's defensive unit kept the Chiefs' offense in check all night.

Since Dimmitt's and Slaton's defenses are both unscored-on, both offenses can expect a rough night Friday. The key is likely to be in offensive line play. The Tigers and Bobcats both have speedy backs with long-strike capabilities; it will depend on whether they can be sprung loose.

Slaton operates from a Slot-I offense and uses a five-man defensive line. The Tigers will outweigh the Bobcats about five pounds per man in the line.

"SLATON is real tough," Coach Jerry Vance said after reviewing the scouting report on the Tigers. "Their tailback is fast and tough, their quarterback is a super athlete, they've got a real fine nose guard who's a big kid, and they're quick on defense and real aggressive."

But he vowed that his Bobcats are going to be "up" for the game against the superkids from down south, and that the Purples have the talent to win it.

About the Bobcats' first-game performance at Crosbyton Friday night, Vance commented, "At first we were real disappointed and thought we should have done better. But after looking at the film we learned that we really hadn't done as badly as it looked. We had a few first-game mistakes that cost us some points, but our kids gained more than 260 yards on offense, they kept their heads up and kept going, and they pulled together enough to get that last touchdown and then hold Crosbyton when they got down to our 25-yard line late in the game. I'm real proud of them."

SILVERTON at HART

Coach Bill Taylor and his

Longhorns plan to keep their stampede-type offense going when they host the Silverton Owls Friday night in their first home game.

THE OWLS, rebuilding this year under new Head Coach Jim Allen, lost their opening game to Kress, 40-7, Friday night. The Longhorns, meanwhile, put on a big offensive show as they rolled over a respected Anton team by a 26-6 count.

Silverton, which posted a 2-8 season mark last year, has only one returning starter back. He's Jace Francis, a 6-2, 190-pounder who played in the line last year but is running out of the tailback position now.

You won't see a quarterback in Silverton's backfield Friday night. The Owls are using the "Wichita Falls Box" formation, a variation of the old Single Wing. The Longhorns last saw this formation when they played Crosbyton two years ago.

"THE MAIN thing I'm worried about is that we might have a mental letdown—that the kids might take this game too lightly," Taylor said.

"We were generally pleased with the way our kids played Friday night," the Longhorn mentor commented. "I thought our defense played real well, and I was really pleased with our offense, both in the line and in the backfield. We had three runners that got over 100 yards apiece. We need to improve our passing game, and our kicking game can stand some improvement."

"We came through the first game without any injuries, so the boys will be in good shape for the Silverton game," Taylor said.

"I just hope we'll go out there and play a good ball game," he added. "We'll have to improve every week if we're going to be ready for this district race this year. I think our kids realize this, and that we'll be ready to play them."

SMYER at NAZARETH

The Swifts gave a good account of themselves Friday night when they played the state's sixth-ranked Class A team, Farwell, to 10 points, 28-18. This week they'll be picking on somebody more their own size.

COACH Eddie Hooper's Swifts will host Smyer Friday night in their second home game of the season, and they're hoping for a victory over the Bobcats of District 2-B South. It will be Dads' Night at Swift Field.

Smyer suffered a 33-0 shutout at the hands of Klondike in the season opener last week. Klondike scored on runs of 26, 32, 85, 21 and six yards as Smyer's defense failed to find the right combination to stop the long strike.

MORE THAN 31 million Americans are allergic, but allergies can often be helped through treatment.

MORE light generates more heat, heat adds to the load of the air conditioner, so turn off unnecessary lights.

Black, Mayberry picked for honors

Glen Black of Hart was named Class A Player of the Week and Dimmitt's Thompson Mayberry was in the top three for Class AA, as the Amarillo Globe News picked its first players of the week in the 1977 football season after last weekend's games.

MAYBERRY, the Bobcat halfback-linebacker who earned the Amarillo paper's top spot for the last week of the 1976 season, scored both Dimmitt touchdowns when the Bobcats defeated Crosbyton 13-9 Friday. He rushed 23 times for 117

yards, caught a 23-yard pass that set up the winning touchdown, had four unassisted tackles and helped with 10 more.

Coach Jerry Vance praised Mayberry as a player who "does everything well and hard, never lets up."

THE LONGHORNS' Glen Black, fullback-linebacker who gained 114 yards with 21 carries, had a part in 17 tackles, knocked down an Anton pass and caused a fumble in the Hart win over Anton Friday. He was cited for his ability to block as well as to run with the

ball. Black, 5-9 and 178 pounds, also played a fine defensive game, the Globe-News sports writer noted as he quoted Hart Coach Bill Taylor saying, "Glen did a tremendous job of blocking and I guarantee he put some crunches on some people."

Crowding out Mayberry for top honors in Class AA was Koty Kothmann of Friona, offensive guard for the Chiefs.

DHS staff to begin ad sales

Staff members of Dimmitt High School's 1977 Bobcat Annual will soon call on business and professional people of the city to sell advertising which makes the yearbook possible, according to Zona Vilas, the "Bobcat" sponsor.

THE STAFF of the 1977-78 yearbook is headed by Ydolina Sepeda, editor. Laura Lapins is assistant editor, Ricky Newton photographer. Staff members include Cheri Anderson, Donna Schilling, Bonnie Higgins and Susan Sadler.

Some worked with last year's school annual and others are

novices, Mrs. Vilas said. The editor, assistant and photographers attended a workshop at Texas Tech in the summer, learning techniques of producing a yearbook.

Emphasizing that "an annual is impossible without the advertising done by merchants and professional people of Dimmitt," Mrs. Vilas said "We try to give each advertiser a good ad, and we ask advertisers to remember that the staff is composed of amateurs who are learning, but will try to produce an ad that brings good results."

She expressed students' thanks to the businesses and individuals who support the annual and make possible its recording the happy memories of school activities.

"Years after leaving school a former student reads the annual because words are also memories, and friends are recalled from the photo pages, so yearbooks have lasting value," the sponsor said.

The meat of the javelina is edible if properly prepared and there is limited use of its hide.

KILLINGSWORTH BUILDERS' SUPPLY

S. Hwy. 385 647-3141

YOUNGSTERS ADMIRE a replica of the original Holy Family Church which was featured on the Catholic Daughters' float in the Nazareth parish's Diamond Jubilee Parade Monday morning. The parade included more than two dozen floats,

antique vehicles, horseback riders, bicyclists, commercial entries and marchers, headed by the NHS Swift Band. The parade kicked off a full schedule of Labor Day events.

WOW!—Andrew Sepeda [left] and Ramon Enriquez didn't expect anything like this when they went fishing Monday at the little pond just inside the south city limits. Fishing for pollywogs with liver for bait, they suddenly found themselves battling a six-pound blue cat, 23 inches long. One of the boys stayed ashore and tugged on the line while the other jumped into the water to wrestle the big fish down. Their teamwork paid off, and they excitedly lugged the big fish to Andrew's home, then to Ramon's home, then to the News office . . .

Heat and insects hurting corn crop

Continued hot, dry weather through the late summer has taken its toll of the corn crop in this county and production will be down from last year, County Agent Charles Hottel says. STRESSED by a short supply of water and attack by insects, the grain will not produce as high yields on the average as the 1976 crop, the county agent says as the corn harvest is getting well started. Cutting for silage is winding down and harvesting for the grain is getting underway, elevator managers over the county report. Moisture content is still high and most growers are not rushing into the harvest, they say. Light showers fell in spots over most of the county last weekend but the city of Dimmitt got the lion's share of rainfall in a heavy shower Monday morning. Although the official measurement at KDHN radio station north of town was only .47 of an inch, estimates of the fall in the city ranged up to an inch and a half. FROM EVERY other part of the county the showers amounted to less than half an inch. In most places they interfered very little with harvest of corn or carrots, the only vegetables now being marketed. Carrots are coming into the La Mantia, Cullum, Collier & Co. sheds in good volume now and the quality is good, according to Albert Maxwell, manager. Price of carrots is "fair, but not as high as we would like to see it," Maxwell said. He expects the lettuce harvest to begin next week with quality excellent and prices "good now, but we'll see next week." The vegetable sheds here will run lettuce about seven weeks and carrots to the end of this year, Maxwell said. DAMAGE to corn is being done by borers, mites and stalk rot, Hottel said, causing the stalks to go down in a number of fields. He said the hot summer weather, combined with the fact that most growers were using as little irrigation water as possible to keep production costs down, accounts for unusual stress on the crop. Prospects for maize appear "about average" in Hottel's view, with the harvest still several weeks away. A few headworms have shown up in maize, he said. BOLLWORMS are beginning to appear in some cotton fields although that crop is making good progress toward the late fall harvest season, according to Hottel. Sugar beets look good and at least a normal crop, perhaps better, is expected. Wheat farmers are busy planting now and some have already got their crop in to have it up and ready for early grazing. September is the usual planting month for this area but wheat may be planted as late as November if it is not intended for grazing as well as grain, Hottel said.

More about

Corn Growers

[Continued from Page 1] men George Mahon and Jack Hightower have explained on many occasions that the provisions cannot please all farmers—particularly those in West Texas—but that it was the best compromise Congress was able to achieve since so many of its members represent urban areas. He pointed out that payment limitations per farmer were increased from \$20,000 to \$40,000 for 1978, \$45,000 for 1979 and \$50,000 for 1980. "We were pleased to hear of the change from historical allotments to expanded acres—very important to us in Texas," King said. "This would enable farmers to plant according to the market instead of trying to protect outdated allotments."

"CORN'S future is contingent upon many factors. Exports will be the key as to whether our market goes up or down. We believe that diverted acreage is a must. "We do have a rough road ahead of us but we remain optimistic for the long-range future," King told the Spearman audience. "This interim period of one year or maybe two years may mean a severe belt-tightening, but with a world population explosion, and by working together and using our own management ability—especially in regard to diverted acres—I think the future will be on the uphill climb because the demand for food will be that great. "All the oil and gas in the world would not feed hungry people," King concluded. "Wheels stop turning when stomachs get empty."

THE DIMMITT man's talk at Spearman was one of many he has made to farmers and farm-related groups since he has been the TCGA president. He has represented the state's corn growers at Austin and Washington hearings, at Chicago and Peoria meetings of the National Corn Growers board (of which he is a member), at sessions in Georgia and South Carolina, and at farmers' gatherings throughout Texas.

BY THE HUNDREDS, enthusiastic diners streamed through the Nazareth Community Hall Monday to enjoy the traditional Labor Day Picnic lunch of barbecue and all the homemade trimmings. More than 1,000 were

served, and a good crowd was on hand also for a hamburger feast Monday evening. The Labor Day weekend activities were combined this year with the parish's Diamond Jubilee Celebration.

More about

Explosion ...

[Continued from Page 1] tion of the building had already fallen in before the firemen arrived. There was a considerable loss of machinery, as well as damage to the building. "THERE WERE no injuries, because all the employees were out of that part of the building for lunch," Littlejohn said, "but that is also why the fire was so advanced before it was reported." Littlejohn added that it took about an hour and a half to extinguish the fire because of the smoldering cardboard. The firemen took the county firefighting unit and the rescue wagon, then the rescue wagon was sent back to get the water transport. PLANT Manager Jerry Allen said that no dollar estimate has been placed on the damage yet. "Right now, we're in the process of trying to get the machinery back in running condition," Allen said Tuesday. "We'll be able to run some produce in a couple of days, but we won't be back in full production for about a week." He added that the company won't try to repair the building for three to four weeks or until the potato harvest is over.

DHS to show colors before opening game

A show of colors in Dimmitt High School this week will be a preparation for the first home game of the grid season Friday night when the DHS Bobcats will encounter Slaton's Tigers. THURSDAY has been proclaimed "See Red" day, with students and teachers requested by the Booster Club to wear red, the Slaton school color. The day of the game will be "Purple Pride" day and supporters of the Bobcats will wear Dimmitt's purple and white. Proclamation of the color days was planned by the Booster Club at its Tuesday night meeting.

United Way goal, budgets to be set

A goal for the 1977 Dimmitt United Way campaign will be set after budgets for its participating agencies are approved by the board of directors in a meeting at 4 p.m. today (Thursday) in the Dimmitt Agri Industries board room. THE ANNUAL drive is slated to begin Oct. 3. Budget requests for the groups which receive United Way support were due at the end of August. These will be considered individually by the board before setting the amounts each will receive, to fit into the total goal. Last year's goal was \$15,445.30. Dimmitt United Way surpassed its lower goal in 1975 and reached the 1976 goal. An addition to the list of agencies this year is Meals on Wheels. Those included last year were Senior Citizens of Castro County Inc., Dimmitt Kids Inc., Satellite Training and Work Center, Rhoads Memorial Library, Caprock Girl Scout Council, South Plains Boy Scout

Council, Presidential Classroom for Young Americans, American Field Service, Salvation Army, Cystic Fibrosis Foundation, Southwestern Diabetes Foundation.

Kiwanians to hear KF program Monday

Alan Brockman of Hereford will present a program on the National Kidney Foundation at the Monday noon meeting of the Dimmitt Kiwanis Club at the Colonial Inn Restaurant. BOBBY OWENS, a member of the Hereford Noon Kiwanis Club, will accompany Brockman, and they will bring more pamphlets for the local club to distribute.

The National Kidney Foundation, together with its Affiliates, is the only voluntary health agency seeking the total answer to diseases of the kidney—prevention, treatment and cure, according to one of the foundation's brochures. Kiwanis Division 33, including the local club, has taken on the project of distributing pamphlets encouraging people to participate in an organ donor program. The pamphlets include a card which may be carried on the person, designating what organs that person would be willing to donate in case of death. The public is invited to hear the program which will begin around 12:30 p.m.

Stabbing puts man in hospital

A Dimmitt man, Pablo Abalos, 25, was in serious condition at Deaf Smith General Hospital at Hereford this week following a stabbing incident at a dance hall in Hereford early Monday. ARCHIE Cortinas of Hereford was charged with aggravated assault as a result of the stabbing, which followed an apparent argument at the Wishing Well dance hall. Abalos, a resident of the Dimmitt Housing Project, received stab wounds in the stomach area.

More about

Water bonds

[Continued from Page 1] be worked out. Financial advisor Tom Anderlitch of San Antonio told the commission Monday night that he had a firm offer of 5.87% on the bonds, but that there was a time limit on the offer and the city would need to act immediately to take advantage of it. Anderlitch also explained that, under state law, a bond election is not required for a city to issue water-sewer revenue bonds. Only general obligation bonds, which are repaid from tax funds, require a bond election. However, the city's residents could force a bond election on the issue if 10% of the registered voters petitioned for one, Anderlitch explained. "If the citizens don't petition for a bond election, it's possible you could have your money by Oct. 20," Anderlitch told the commission. City Attorney Jack Edwards favored the ordinance route because of its cost-saving feature. "The city can put this bond money on deposit until it's needed and probably make 6% or better interest, while the bonds are costing only 5.87%," Edwards said. "It would take 45 to 60 days to call a bond election, then by the time the election could be held and canvassed, the city would lose a lot of interest that it could be accruing." City Manager Garnett Holland urged quick action on the financing, also. "We sure want to have this new water system ready and working by next summer, because we're too close to the margin right now," Holland said. "We need to drill the wells immediately, and we may be able to put up our reservoir and pumping station while the Highway Dept. is rebuilding Highway 385. We need to run the pipeline along the right-of-way while the highway is being rebuilt, too." The city earlier had tried to get a state water-development loan for the project. The state loan would carry an interest rate of only 5.61%. However, Mayor Youts said that A. L. Black of Friona—chairman of the new state water commission—told him that the board probably wouldn't approve Dimmitt's application "because Dimmitt is in good financial shape and the state board is giving priority to cities in financial hardship."

Lions to hold broom sales

The Dimmitt Noon Lions Club will conduct their annual broom sale Tuesday on the northwest corner of the courthouse square. BROOMS, mops and other household items made by blind workers will be on sale, with various members of the club manning the sales post at different hours of the day from 8:30 a.m. to 6 p.m. Members will also call at gins, elevators, implement and car dealers and industrial plants to offer the merchandise which will be brought to Dimmitt by a Caravan for the Blind truck. Items for sale will include brooms, brushes, mops, mats, lawn rakes, dishcloths and dish towels, ironing board covers, oven mitts, potholders, rubber gloves, scouring pads and other items for keeping a house and yard clean. A FRIEND is one who knows all about you and likes you just the same.

More about

Brown speaks ...

[Continued from Page 1] solvent, unlike the other big states." He added that one of his goals is to place Texas in the No. 1 spot in agriculture. "WE DON'T have an over-abundance of wheat or corn in this country. We've just got the poorest distribution system in the world," Brown said. "We've got a trade deficit and our dollar is being devaluated, yet we aren't selling our food to the world, even though many are starving." At one point Brown scolded, "You'd better take care of your business or somebody else—namely, the federal government—will take care of it for you," referring to the recent failure of both the corn producers and beef producers referendums. Brown said that 80 percent of the United States Department of Agriculture budget is for food stamps—"not for crop production, not for research, not for market expansion."

ON THE other hand, Brown

said, "I have faith in you. Let our system of free enterprise work. Let's quit talking about a water plan and let's start digging. We've got to get scrapping. I want to work for you, to help you realize your dreams." The cooperative's annual business meeting followed Brown's speech. Elected to the board of directors were David Behrends, George Sides and John W. Walker. Howard Smithson was added to the junior board. DICK Reinhardt, president of the board, stated that the goals of the association the last four years have been to re-establish a satisfactory financial base, upgrade the facilities and expand services to improve the economic position of the members. "The board is happy to report that these goals are being met," Reinhardt said. "Your association is in sound financial condition and able to meet the challenges of today."

Beverly Lindsey, Laqueta Hill and Dorothy Mayfield
are proud to announce the opening of their gift and craft shop

"Somethin' Special"

at 212 West Bedford in Dimmitt.

Opening days are set for
September 15th, 16th and 17th.

The store will feature unique

Fall revival underway; corn harvest begins

By TEENY BOWDEN

Mr. and Mrs. Mike Bell became new parents Aug. 25 when an 8 pound, 8 ounce boy was born to them in the Plainview Hospital. He was named Zachary Elmo. They came home from the hospital last Saturday and her mother, Mrs. Muriel Morrow of Odessa, stayed with them this week to help out. Mr. and Mrs. Lonnie

Bell of Dimmitt have been out several times this week and also several friends have been in to see the new baby.

THE FALL revival began Sunday with the pastor, Rev. Raymond Jones, doing the preaching and Hershel Wilson leading the singing. Rev. Carroll Green, pastor of the First Baptist Church of Hale Center, and Lynn Garrett of Seminole

arrived for the Monday morning services. Mr. Garrett will be a house guest of Mr. and Mrs. Hershel Wilson and Deneen.

.25 of an inch of rain was received in a shower Labor Day morning.

Leslie Loudder attended the wedding of Nancy Kirby and Ralph Rickstrew of Amarillo in Hereford Sunday afternoon.

R. E. Duke was admitted to Central Plains General Hospital in Plainview Monday afternoon and underwent minor surgery Tuesday. He was dismissed Saturday and is recovering satisfactorily in South Hills Manor. His brother-in-law, Ellis Carter, is in intensive care in the Hereford hospital after suffering from what is believed to be a heart attack. Mr. and Mrs. Robert Duke of Dimmitt visited with him Sunday afternoon.

CORN harvest got underway in the community this week as the ensilage harvest began to wind down.

Hershel Wilson sang at the Jerry Lewis Labor Day Telethon to benefit the Muscular

Dystrophy Association in Dimmitt Saturday night and after church Sunday night and he and Lynn Garrett sang again on Labor Day.

Mr. and Mrs. Ed Townsend were honored with a going-away party at the church Tuesday night. They were presented a crystal bowl filled with money. They are in the process of moving to Durant, Okla. He has been retired from work with El Paso Gas after living at the local plant since 1957. He has been unable to work for several months because of illness. Cookies and punch and iced tea were served. They were given a going-away party at the plant earlier.

Mr. and Mrs. Cliff Brown, Mr. and Mrs. Winston Waggoner, and Dr. and Mrs. W. J. Hill of Dimmitt left Thursday with two couples from Amarillo in a motor home for a vacation and seminar at Tan-Tara on the Lake of the Ozarks in Missouri. They plan to stay through Monday. Mr. and Mrs. E. R. Brown of Lubbock stayed with

Lynn Brown. Mr. and Mrs. Jimmy Alair of Earth stayed with Quint, Holly and Gay Waggoner.

REV. AND Mrs. Raymond Jones went to San Angelo Thursday to see their new granddaughter, Danna Jo Jones. They returned home Friday night with their other grandchildren, Ray and Darla Jones. They will stay with them a week or so.

Mr. and Mrs. Ezell Sadler, Mr. and Mrs. Alton Loudder and Mr. and Mrs. L. B. Bowden attended the McWilliams reunion at Breckenridge Lake over the weekend.

Mr. and Mrs. Glen Wilson, LaGlenda, Gwendolyn and Melinda and Mr. and Mrs. A. L. Wilson did some fishing and boating at Ute Lake last weekend.

Mr. and Mrs. Noah Spencer and Mrs. V. E. Bearden of Hart attended the farm sale of Mr. and Mrs. D. N. Gamblin of Texline Tuesday and visited with their family.

BAPTIST Women met for the missionary program at the church Tuesday morning with Mrs. Roy Phelan, mission study chairman, in charge.

The WMU Council met at the church Tuesday morning with the director, Mrs. Thomas Parson, in charge.

Baptist Men had their breakfast at the church Tuesday morning.

Mr. and Mrs. Francis King of Amarillo visited with his mother, Mrs. Lillie King, Sunday. Mr. and Mrs. Billie King and family visited with her on Labor Day.

MR. AND Mrs. Lynn Cox, Brandon and Cinnamon fished at Possum Kingdom over the Labor Day weekend.

Mr. and Mrs. Hershel Wilson visited in Methodist Hospital in Lubbock Thursday afternoon with his grandmother who is critically ill.

Mr. and Mrs. C. J. Fowlkes left Thursday to visit a few days in Midland with their daughter after visiting in the community a couple of weeks with Mr. and Mrs. Embree Roy Sadler and other relatives.

MRS. F. M. Sweeney of Amarillo celebrated her 102nd birthday in her home the 20th, with no extra fanfare and with only her son Bill and her daughter Mrs. Harvey Looney present. Mrs. King talked to her over the phone and will go later. At 102 she didn't want any party so the family agreed. However, she did have a reporter who interviewed her and took their picture. She is in good health except for some arthritis and her hearing is not as good as it has been.

Mr. and Mrs. R. S. Rodgers from Gustine arrived last week to take care of the corn dryer for John Gilbreath.

THE ERROR of youth is to believe that intelligence is a substitute for experience, while the error of age is to believe that experience is a substitute for intelligence.

View from the Library

By BRICK AUTRY
Librarian

Our Time magazine finally came in today. It has been overdue this week (as you know, we librarians are always looking for something overdue). I suppose Shorty, our postman, has been using it for a sun visor again. Sometimes that happens to our magazines, especially if there is an interesting cover. Sorry, Shorty, just a joke. At any rate, we now have the new Best Sellers list. (You will notice that Roots is no longer on the list.)

FICTION

1. "Thorn Birds"
2. "Crash of '79"
3. "Illusions"
4. "Full Disclosure"
5. "Delta of Venus"
6. "Trinity"
7. "Condominium"
8. "Oliver's Story"
9. "Coma"
10. "Dynasty"

NON FICTION

1. "Looking Out for #1"
2. "The Book of Lists"
3. "Dragons of Eden"
4. "Your Erroneous Zones"
5. "Vivien Leigh"
6. "Camera Never Blinks"
7. "It Didn't Start with Watergate"
8. "All Things Wise and Wonderful"
9. "The Managerial Woman"
10. "Enola Gay"

We do have most of these books. However, we are having trouble getting the biography of Vivien Leigh because the nice lady at Brown's Book Store won't let us have it. It's just a little "too, too," she says. I take that to mean that it's too naughty even for Brown's Book Store. I haven't gotten a copy to read myself, so if any brave reader has seen this book and would give us a run down on "Vivien Leigh," we would be most grateful.

WE STILL have beautiful art prints for you to check out. Remember these can be yours for one month. Go to the Manpower Office down on NW 3rd if you would like to see some being used. You can also ask Danny Davis over at K-Bob's about the art prints. As a matter of fact, Danny should be very glad to have the prints in his house because he doesn't have much else. (So please, folks, go eat at K-Bob's so

Sundown plans for homecoming

Former residents of Sundown and ex-students of the school in that community are invited to a Homecoming Oct. 7 and 8. Open house will be held Friday, Oct. 7 in the high school building.

THE SUNDOWN Roughnecks and Anton Bulldogs are scheduled for a football game that night on Slaughter Field. Saturday's program will include class reunions and a supper.

Information may be obtained from Gaylene Fariss Helms, Box 433, Sundown.

THE big-eared desert fox is found in the Trans-Pecos and is fairly numerous in some localities.

Anthony's C R ANTHONY CO

Former speaker seeks attorney general post

Price Daniel Jr., former Speaker of the Texas House of Representatives, Wednesday announced his candidacy for attorney general.

THE OFFICIAL announcement was at a campaign kickoff barbecue in his hometown of Liberty. The event was preceded by news conferences in Austin, Dallas and Houston.

Daniel said, "My first priority as attorney general will be making certain that the basic duties and responsibilities of the office under the Constitution and laws of this state are properly and efficiently attended to. I believe the people of Texas are weary of hearing politicians promise new program after new program to provide services and solve problems when we already have more government bureaucracy than we can handle. What I promise is to first make sure that those nuts and bolts functions are being fulfilled. This important office will be run to the best of my ability and under the guidelines set by the Constitution and statutes for the benefit of the people, not the officeholder."

As speaker of the Texas House of Representatives in the 63rd Legislature, Daniel advocated and achieved passage of a package of reform legislation designed to avoid recurrence of the Sharpstown scandal. The package included the ethics and public financial disclosure act, the campaign finance disclosure act, the open meetings act, the open records

Price Daniel Jr.

act, and the lobby registration and control act.

"I WILL zealously guard the independence that I maintained in my earlier public service and . . . will always represent the people of this state, and their best interests, in the highest ethical and professional standard and to the utmost of my ability," Daniel said.

The candidate served three terms in the Texas House of Representatives, including one as speaker, and has taught legislative procedure and products liability as an associate professor of law at South Texas College of Law, Texas Southern University, and the University of Houston School of Law.

Brandon of Amarillo seeks Sherman seat

James E. Brandon, an Amarillo CPA and attorney, has announced his candidacy for the State Senate representing the 26 counties of the Texas Panhandle, to fill the unexpired term of office to be vacated by Sen. Max Sherman.

BRANDON served as chairman of Ronald Reagan's campaign for the 33 counties of the 13th Congressional District of Texas and was elected a Reagan delegate to the Republican national convention in Kansas City, where he served as a floor leader for the 100 member Texas delegation.

"If I had to pick one American today who clearly expresses my views on the issues and the role of government in our lives, it would be Ronald Reagan," stated Brandon.

"We are headed for a state income tax unless excessive state spending is halted," Brandon suggested. "The Texas legislature has increased its expenditures from \$8 billion to \$16+ billion in its last three regular legislative sessions. It's time they realized it's our money and quit spending every dime they can get their hands on."

"The statement being made that there are no new taxes is but a half-truth because there has been a tremendous increase in the old taxes. Since I could never support a state income tax, I would devote my best efforts to reducing state spending."

"OUR NUMBER one priority is to get all levels of government off the backs and out of the pockets of its producing citizens. The best mileage in a dollar has always been obtained by the worker who produced it. The federal government should not and cannot be allowed to interfere with those aspects of life which can best be dealt with at the state and local level."

"The entire energy problem can be placed at the doorstep of the federal government because it has placed price controls and unnecessary restraints and regulations on our oil and gas industry and other energy sources."

"We will solve our energy problems when and only when a free market is restored and a

James E. Brandon

free people allowed to do that which it can do best—solve its own problems.

"LAWMAKERS may change the rules, but one fundamental economic law does not change—savings (capital) always migrates to the highest return commensurate with the risk and its long term prospects."

"In my judgment, Texas has prospered because it has retained an environment favorable to the worker, savings and business. The working man, investor and business community have all shared in this prosperity. As a state senator, I would strive to protect that environment and to see that Texas does not repeat the mistakes of England and New York City."

"Having been involved in cattle feeding, oil and gas production, real estate, and associated with people engaged in farming and ranching, I am personally acquainted with the serious problems facing major segments of the Panhandle economy."

Brandon holds a degree in accounting from North Texas State University and a law degree from the University of Texas at Austin. He was a teacher while pursuing graduate studies at these universities.

HOSPITALITY is the art of making people feel at home when you wish they were.

UMC has ministerial intern

Bob Green, a native of Floydada, is serving an internship period with the First United Methodist Church of Dimmitt as part of the requirements of his third year of study at the Perkins School of Theology of Southern Methodist University at Dallas.

GREEN, a graduate of Floydada High School, said, "I graduated from West Texas University in 1969, with a major in industrial arts. Then I taught in Stinnett for 14 years, until I got serious about the Lord's work, which brought about a commitment to a full-time ministry."

His wife, Barbara, and two children, Jim Bob, 12, and Shari, 4, are staying in Richardson while Green is in Dimmitt.

"I had a choice of places to go to serve my internship," Green said, "including a 3,000-member church in Dallas, but I wanted to work in this part of the country, even though it is farther away from my family. When I graduate I will be stationed in this area, since I'm a member of the Northwest Texas Conference."

THE PURPOSE of the internship program is for ministerial students to get practical experience along with theoretical knowledge, according to Green. He added that he will work in various facets of the local church's program to "see how it works."

"I'll preach some, and hopefully have some counseling," remarked Green. "I'll also do some worship planning and leading, as well as being involved in several aspects of education."

An intern committee of members of the local congregation will evaluate and assist Green in his efforts, and help in the final evaluation that will have a

AD IN farm magazine: "Wanted, dairy employee of good character. Persons who drink, smoke or eat margarine need not apply."

bearing on the grade he receives for the period.

Green said he will be here four and a half months, and has already been here for about three weeks.

"MY WIFE will come here a few times, and I plan to return to Dallas a few times," Green said, adding that he hopes to be home in time for Christmas.

Archery and motorcycle riding are Green's main outside interests. He brought his motorcycle with him in the back of his pickup, and says he may use it for some of his trips to Dallas.

647-2101

An important message to our customers.

The House of Representatives has just voted to raise the price of your electricity! And the Senate is looking at the same legislation. These bills are going to cost you plenty — nearly \$50,000,000 a year for the next ten years. That's almost half a billion dollars!

Who cares? Of course you care. And we care. That's the reason we want you to know what's happening in Washington.

Not only did the House vote to raise your electric bill, there's a strong chance you'll get less reliable service, too. The Government is trying to take over regulation of your electric company. That's right! A Washington bureaucrat will decide who gets electric power and how much instead of your state and local officials.

That means your electric company will lose control over how we operate our own power transmission lines and facilities. We might not be able to give you our customers — first priority. The Federal Government could use some of the money you pay for your electric service to make your electric company build a transmission line for a government subsidized utility. You pay twice that way in your electric bill and in your taxes. And you don't even get to use the line.

Let's not beat around the bush. The cost of doing business is going up. It costs you more for your electric service than it used to. But now when you pay your electric bill, you pay only what it costs to serve you, plus a controlled profit, so that we can keep updating our generation facilities and our technology to keep serving you better.

Well, if some Congressmen have their way, some people will pay less than their fair share of the electricity cost. Who will decide who gets the special rates? You can bet it won't be you . . . or us . . . or your state and local government who know our needs best.

It will be some government official in Washington!

There's a whole lot more bad news in this legislation that has passed the House and is now being considered in the Senate. It's all part of Senate Bill 1469, Part E . . . and . . . Now for more bad news . . . Senate Bill 1472!

That's a dandy. It's the one that taxes you because some of your electricity is generated with natural gas. The gas users tax is a case of the Government telling us to build coal fired power plants faster than you can afford them.

It's as though the folks in Washington just woke up one day and decided there was an energy crisis and decided to try to right all the wrongs over night. The facts are that your electric company has been doing something about our diminishing natural gas reserves for more than six years. We haven't planned or constructed a gas fired generation facility since 1971. And since that same time we've been planning to use coal as our primary generation fuel. We've just completed and put into operation Harrington Station — a coal fired generation plant near Amarillo.

But we need the opportunity to phase out the gas fired facilities at a savings economical to you, our customers. New power plants cost money — cost you money, because you are our only source of money. We have a program that makes it possible for us to stop using natural gas to make electricity by 1995 at the latest.

It's a program you can afford. It's a program that will help alleviate rising costs. Sure, you'll pay more for electricity in the future. You'll be paying more for everything, but under our plan you'll pay a lot less than you'll have to pay if Senate Bill 1472 passes. \$423,000,000 less between 1983 and 1990.

Why? Because Senate Bill 1472 says that even though we are building coal-fired power plants as fast as you can afford them, you're still going to be penalized by almost a half billion dollars. Just because some staff member in Congress thinks you should build them faster. And remember it is your money that builds these new plants.

The Good News in all this is that your Congressman voted against raising your electric bill, voted against giving you poor service . . . but he was outvoted. Now what you can do is write your United States Senator. His name and address are printed below for your convenience and tell him to vote against Part E in Senate Bill 1469 and against the gas users' tax in Senate Bill 1472. Why? BECAUSE YOU CAN'T AFFORD THESE BILLS. And that's a darn good reason. Let the people in Washington know that YOU CARE what they're doing with YOUR MONEY.

Thank you

Irene's Ideas

Wealthy may eat poorly

By IRENE KEATING

Good nutrition is important to us all. Families in all income levels are victims of poor nutrition. In surveys of nutrition it has been revealed that problems related to improper nutrition include obesity and poor brain formation in infants if the mother doesn't have good nutrition during pregnancy. There is a reduction in the number of cells that develop. These will never form. Vitamin deficiency is a problem that affects all Texans and is most critical in children.

TO EAT correctly we should eat by the basic four food guide. This includes four servings of fruits and vegetables, four servings of breads and cereals, three servings of milk and two of meat. We do have some leaflets about the basic four food groups that you may have. As for the "Food for Fitness" guide.

It is important for homemakers to insure that their fam-

ily members eat well balanced meals. You can do this if you know the requirements. We can make sure that our children's snacks are nutritious. Women need to remember that they too need proper nutrition. So often homemakers make sure their family eats well but the homemakers don't eat well. If you need to lose weight, do it by reducing the amount you eat—not by meal skipping.

HERE'S a recipe I got from my cousin, Mary Virginia Holekamp, when we went to Kerrville this summer. Try these cheese straws for a snack, with soup, or a party.

MARY V'S CHEESE STRAWS
Combine and put in cookie press (with a round design shape):

- 1 stick oleo, room temperature
 - 1 stick sharp cheese whiz
 - ½ t. cayenne pepper
 - 1 t. salt
 - 1 t. baking powder
 - ¼ c. flour
- Bake at 325° 12 to 15 minutes, or till done.

MR. AND MRS. DANNY VAUGHAN
... Bride is the former Charla Burrous

Recently-wed couple is living at Earth

Mr. and Mrs. Danny Vaughan are at home in Earth, where he farms, after a honeymoon in the Colorado mountains following their recent marriage. Mrs. Vaughan was Charla Denece Burrous before the candlelight service in the First United Methodist Church here.

SHE IS the daughter of Mr. and Mrs. Reeford Burrous and Vaughan's parents are Mr. and Mrs. Loyd Vaughan, all of Dimmitt. Rev. Marvin Roark read the double ring ceremony in a setting of lighted tapers held by flared and spiraled candelabra enclosing the unity candle at the altar. Hurricane lamps lighted the bridal aisle where greenery and pink ribbons marked pews.

Joyce Wooten was maid of honor and the bride's sisters, Shanee Lust and Sherri Matthews, were matrons of honor. Linda Wise and Beth Cleveland were bridesmaids, Melissa Donald, cousin of the bride, the flower girl.

JIM BIRDWELL served as best man. Eugene and Kent, brothers of the groom, with Kyle Touchstone and Mark Merritt were groomsmen. Guests were seated by Rex Lust and Jerry Matthews after registering at a table where Nita Parker and Lisa Hill presided. Tendrils of Brussels lace flowers etched a design on the portrait neckline and tapered sleeves of the bride's ivory satin gown which was styled with moulded bodice and circular skirt sweeping to a chapel train. A double row of the lace flowers circled the hemline. Scallops of lace edged her fingertip veil which fell from a Camelot cap of pearl-embroidered lace. Her cascade bouquet included minuet roses, stephanotis and babybreath. SHE CARRIED a handkerchief which belonged to her late maternal grandmother, and borrowed her mother's pearl earrings. A diamond necklace, the groom's gift, completed her costume. Bridal attendants were dressed in pink embossed chiffon with full skirts, sashes tied in bows and capped bodices. Bridesmaids carried nosegays of pink and burgundy flowers and the flower girl carried a white basket with miniature nosegay.

A reception in the church fellowship hall followed the wedding. Carol Vaughan, sister-in-law of the groom, and Kelly Bagley served the cake, which was decorated in burgundy and pink and topped with a nosegay of flowers in those colors. Patricia Summers ladled punch. An antique satin cloth covered the table. The groom's parents were hosts for the rehearsal dinner in the sunroom of the Junior Breedlove home at Littlefield.

TOPS loses 324 pounds

The Dimmitt Tops Club has lost a total of 324 pounds and eight ounces from January through August, it was announced at the group's meeting Monday night.

TOM MOSS was recognized twice, as the male Tops of the Week with three pounds and four ounces lost, and as recipient of a plaque for losing 15 pounds in one month.

Shirley Thompson also received a plaque in recognition of her month's loss of 12 pounds and eight ounces.

Tommy Sue Petty was named Angel of the Month for the help and encouragement she gave to other members.

Pat Shields was named Kops of the Week with two pounds and eight ounces lost, and Karen Moss lost two pounds and 12 ounces to be named Tops of the Week.

TO TEST your refrigerator door put a dollar bill on the frame and close the door against it. If the bill drops out, or can be pulled out easily, the door needs adjustment or the gasket needs replacing.

Book Club will begin its meetings for fall

The Dimmitt Book Club will begin fall meetings next Wednesday in the Rhoads Memorial Library assembly room. Mrs. Jim Cleavinger will review the biography of an extraordinary woman, "Granny Brand" by Dorothy Clark Wilson.

THE CLUB'S business meeting will begin at 3:30 p.m. and the program, to which guests are invited, at 4 p.m.

The subject of the day's book was the belle of a fashionable London suburb, Evelyn Harris, who took an inflexible will and a strong religious faith to India in the early years of this

Hospital Auxiliary plans for new member brunch

New members and any residents interested in membership in the Plains Memorial Hospital Auxiliary are to be honored guests at the annual New Member Brunch next Wednesday. It will begin at 9:30 a.m. at the Castro County Country Club.

AUXILIARY members are inviting guests and prospective members for the informal get-acquainted meeting.

Pink Ladies of the Auxiliary will serve as hostesses Sunday afternoon at the reception following the graduation exercises for a class of Licensed Vocational Nurses who have been trained at Plains Memorial Hospital.

The graduation ceremony is scheduled at 3 p.m. in the First United Methodist Church. The Pink Ladies are asked to wear their uniform smocks.

Baptist women name officers for new year

Beginning a new year's activity, the Baptist Women's Group of the First Baptist Church met recently in the home of Irene Carpenter and elected officers.

WINONA Bunch was named president, Beral Hance secretary, Betty Patterson mission study chairman, Bessie Mae Bradley mission support chairman, Sandra Nelson mission action chairman.

Women's Missionary Union officers for the new year are Dorothy Hopson, to serve as director, Mauzee Youts secretary-treasurer, Mearle Morgan mission study chairman, Mrs. Carpenter mission support chairman and Sara Hill mission action chairman.

Sixteen members of the group were present. The next meeting will be at the Colonial Inn at 12 noon Oct. 5.

On the go

Mr. and Mrs. Sam Manning of Midland have been here visiting his parents, Dr. and Mrs. Ed Manning of the Presbyterian Church.

Vocational nursing class to graduate

Graduation exercises for the 1977 class of Plains Memorial Hospital's School of Vocational Nursing will be held at 3 p.m. Sunday in the First United Methodist Church, with the public invited to attend.

THE SEVEN graduates will be honored with a reception after the ceremony, hosted by the Hospital Auxiliary.

Rev. Marvin Roark, pastor of the church, will be the speaker and Zelda Ellison will present a program of music. Barbara Keel, director of the school, and A'llan Bradley, director of nurses, will present caps and diplomas.

The graduates are Carlene Joy Baker, Kathy Jo Cantrell, Janie Helen Fuentes, Jolanda Martinez, Laura Mae Neel, Jolene Schulte and Catherine Thomas.

SHIRLEY Pegram will play the processional as the class enters and Rev. John Street, First Baptist pastor, will give the invocation. Mrs. Baker will welcome visitors. The class will be introduced by Lee Norris.

Hospital staff members Mitzie Brockman, Leala Vaughn, Virgie Norvell, Mrs. Keel, Ettie McDermitt, Refugia Nino and Bea Ortiz will pin the graduates and Raleigh Strother will give the benediction.

Minerva Acevedo and Bea Ortiz will be the candlelighters, Peggy Ewing, Lucy Ruble and Pauline Hoyler the ushers.

Wheat grazing okay urged on set-aside

In a letter to the Secretary of Agriculture, Texas Farmers Union President Jay Naman urged that wheat farmers be permitted to graze set-aside acres and that diversion payments be made to compensate wheat farmers for their set-aside.

"WHEAT farmers who are also cattle producers need the opportunity to graze set-aside acres to supplement low income from wheat production. It will encourage their participation in the wheat program," Naman said.

Texas Farmers Union has criticized the level of set-aside as being inadequate, but feels that the set-aside provisions can be administered in such a way as to get maximum participation.

Permitting grazing on set-aside would encourage wheat farmers to comply and to participate in the farm program, according to the Farmers Union.

Naman urged Secretary Bergland to announce a diversion payment in connection with the set-aside.

What's cooking at the schools

HERE ARE the Dimmitt school menus for Sept. 12-16.

MONDAY — Barbecued wieners, creamed potatoes, green beans, fruit, rolls, milk.

TUESDAY — Pinto beans, spinach, sliced beets, cornbread, pudding, milk.

WEDNESDAY — Hamburgers, sliced tomatoes, applesauce cake, milk.

THURSDAY — Pizza, tossed salad, gelatin, milk.

FRIDAY — Hot turkey sandwich, creamed potatoes, sliced tomatoes, fruit cobbler, milk.

Sanchez on Army duty in Germany

Army Private Manuel Sanchez, son of Mr. and Mrs. Margarito Sanchez of 605 SW 4th, recently left for Germany for six months of temporary duty.

HE WILL train with his unit under the "Brigade 75" program which involves rotating units from Ft. Hood to Europe to increase Army combat capability while maintaining scheduled troop strength.

Pvt. Sanchez, a tank crewman with the 1st Cavalry, entered the army last January.

SERVE frozen fruits still icy. When frozen fruit fully thaws the texture is soft and mushy.

The white-tailed deer is by far the most important Texas game animal.

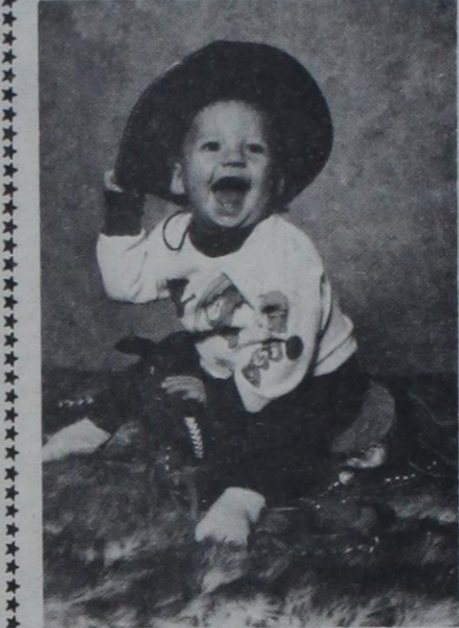

The coati, a relative of the raccoon, is occasionally found in southern Texas.

Defense shines as Bobcats outlast Chiefs, 13-9

By JIMMIE CHAPMAN

Dimmitt's Jerry Vance won his first football game as a head coach Friday night, but it took an outstanding defensive show by the Bobcats and two powerful TD smashes by Thompson Mayberry for Dimmitt to win the grid opener, 13-9, at Crosbyton.

COACH VANCE had said before the game that his defense was "going to give very little," and they gave up nothing. Both of Crosbyton's scores came

against the Bobcat offense—on two blocked punts in the first half—and the Chiefs made only six first downs. The Bobcat defense repeatedly stopped the Chiefs deep in Dimmitt territory late in the game.

Mayberry, running from the halfback spot after being the man-under last season, got both of the Bobcats' TD's on hard-running plays. Both times the shifty halfback scored, Dimmitt was behind on the scoreboard and the pressure was on the favored Bobcats.

The last TD came with only 4:20 left in the game.

Mayberry's offensive showing alone was more than Crosbyton could muster as a team. He got 117 yards on 23 carries and an additional 23 yards on a pass from Matt Howell. Crosbyton as a team got but 102 yards on the ground and 31 through the air, but the Chiefs were thrown for 42 yards in losses and ended up with a net showing of 91 yards.

DIMMITT failed to move the ball on its first possession, except for one first down, and was forced to punt. Crosbyton guard Steven Munoz burst through to block Bill West's punt and it went out of the end zone for a safety to give the Chiefs a 2-0 lead with 8:14 left in the opening quarter.

Dimmitt's stout defense forced Crosbyton to punt after the free kick, and Larry Bossett ran the punt back 79 yards to the Chiefs' 21. But three plays later Dimmitt came up two yards short on a fourth down play and the Chiefs took over at their 13.

The Bobcats' scoring drive started late in the first period after they took over on their own 35-yard line following a booming 47-yard punt by Crosbyton's Kelly Ferree.

WITH Mayberry gaining

most of the yards, Dimmitt moved the ball to the Crosbyton 38 as the first period ended. Fullback Tommy Kenworthy ripped off a nice 13-yard run, and after two short bursts by Mayberry and a yard run by Bossett, Mayberry swept around left end for 13 yards and the first Dimmitt touchdown of the season with 9:48 left in the second quarter. Matt Howell kicked the extra point and Dimmitt had its first lead of the game at 7-2.

The Bobcats failed to make a first down on their next possession, and again tried to punt. Munoz came bursting through again and blocked West's punt a second time, then recovered in the end zone for a Crosbyton touchdown. Chad Davis kicked the extra point and Crosbyton again took the lead by a 9-7 count with 5:48 left in the first half.

On the kickoff from Crosbyton, the Bobcats tried a little razzle-dazzle with the criss-cross, and Bossett ran it back to the Chiefs' 32-yard line before he was brought down. With Bossett, Mayberry and Dennis Veals carrying the ball, the Cats moved it to the Crosbyton 2-yard line with time running out in the first half. But Mayberry was thrown for a six-yard loss back to the 8, then Howell failed to get a pass off and the drive died. The half ended as the Chiefs took over on the 8 with 15 seconds left in the half.

THE NEXT time the Bobcats got the ball, it was on their own 6-yard line following another 47-yard punt by Ferree in the third quarter. Dimmitt was penalized back to the 3-yard line, but on running plays moved it out to the 26. On fourth and four, the Cats opted to run instead of punt; Mayberry gained only three yards and the Chiefs took over on the Dimmitt 29. But the Cats' defense held and Dimmitt took over again at the 17. Bill West, who had had his previous two punt attempts blocked, got a little defensive revenge in this series of plays as he broke through once and threw quarterback Chad Davis for a 5-yard loss.

Early in the fourth period, with the Chiefs still holding the two-point margin, Dimmitt fumbled on a pitchout from Howell to Veals and the Chiefs recovered 35 yards from the line of scrimmage at the Dimmitt 38-yard line. Louis Perez threw Chad Davis for a five-yard loss and after outstanding defensive plays by the Bobcats, Dimmitt again took over on its 36-yard line.

But Dimmitt's offense again failed to move the ball, and Crosbyton gained possession on the Dimmitt 41 after a fourth-down run had failed again. Dimmitt's defense held again and took over at the Dimmitt 41 with 6:10 left to play.

AFTER THREE plays failed to make a first down, Howell hit Mayberry on a fourth-down pass that was good for 23 yards plus a 15-yard roughing penalty against Crosbyton. The play advanced Dimmitt to the Chiefs' 18-yard line. Howell picked up three yards before Mayberry burst through the middle and went 15 yards for a touchdown. Howell's kick was no good, and Dimmitt had regained the lead 13-9 with only 4:20 left on the clock.

The last four minutes was the most exciting football anyone could hope for. On the kickoff return, Dale Williams took the ball on his own 5-yard line and raced back to the Dimmitt 23 before being knocked out of bounds. Dimmitt's defense came through again and took over at the Bobcat 20 with 2:51 left. But two plays later, Veals fumbled and the inspired Chiefs had the ball at the

C—Safety, Steven Munoz blocked Bill West's punt out of the end zone.
D—Thompson Mayberry, 13 run (Matt Howell kick).
C—Munoz on block of West punt into end zone and recovery for TD. (Chad Davis kick)
D—Mayberry, 15 run. (Howell kick)

BODIES FLY as Dimmitt halfback Thompson Mayberry collides with a Crosbyton defender after a three-yard gain in the second quarter of the Bobcats' season opener Friday night. Note

Mayberry's eyeglasses being knocked askew inside his helmet. Mayberry scored both of Dimmitt's touchdowns as the Bobcats won, 13-9. (Photo by Ricky Newton)

Dimmitt 26 with 1:59 left.

In two plays the Chiefs were at the 10-yard line with a first and goal. But Reggie Washington, Lane Loudder and Randy Roberts led a defense that was determined not to give up a TD. On the crucial fourth-down play, Tommy Kenworthy burst through and tackled Crosbyton's Chad Davis as he was trying to pass into the end zone, and Dimmitt took over at the 12-yard line. Howell ran one play and the game was over.

BOTH TEAMS' defenses turned in outstanding games. Crosbyton's Steven Munoz recovered all three of Dimmitt's fumbles and also accounted for eight of Crosbyton's nine points with his two blocked punts. Randy Roberts had an outstanding game at linebacker for the Bobcats. Lane Loudder, Reggie Washington, Mayberry,

Louis Perez, Kenworthy, Johnny Merritt and the entire line played an outstanding defensive game for the Bobcats. Defense was indeed "the name

of the game" Friday night.

Besides Mayberry's large yardage statistics, Howell picked up 20 yards on six carries. Bossett had 42 yards on 12

tries. Kenworthy got 38 yards on nine trips and Veals had eight carries for a total of 24 yards. Only one pass was completed in two attempts.

Longhorns romp to 26-6 victory

By MONTY UPTON

Maybe it was the mosquitoes that had the Hart Longhorns running Friday night at Anton, or maybe it was the drive for another championship year, but run they did!

ROLLING up 367 yards on the ground with three backs having better than 100 yards each, Hart served notice that it is still having a lot of football fun. Those three backs—Eliazar Castillo with 137 yards, Mike Finch with 131 and Glen Black with 114—outran, out-charged, and bulldozed their way through Anton behind the excellent field generalship of Ricky Rowland.

Veteran linemen such as Larry Marble, Jackie Ethridge and Kelly King seemed to take up where they left off on last year's quarter-finalist team. Newcomers Kent Hill, Clay Hanes, Randy Gonzales and Kelly Jones proved their mettle in filling spots left open in the line by graduation.

On defense, Steven Brantley,

Nathan Ingram, Patt Ritter and Keith Newsom did some yeoman work. Johnny Newsom and Luther Isaguirre continued a strong Longhorn tradition in the end positions.

HART received the opening kickoff and Black brought it out to the 30 but three plays fell a yard short of the first. Castillo lined up to punt but did one of his patented fakes and scampered 60 yards to paydirt. Johnny Newsom's PAT kick was right through the uprights and Hart was ahead by 7-0 with the 1977 season only a minute old.

Anton's Craig Carlisle fumbled the kickoff and Hart's John Barretero fell on it for his first of two recoveries. However, three plays later Hart coughed up the ball when Rowland failed to find the handle. Two plays later Anton continued the strange fumbleitis when QB Steve Green bobbled it into the hands of Clay Hanes.

The 'Horns failed to get a first but got another chance when the Bulldogs' Robert

Nichols dropped the ball in front of alert Jackie Ethridge, who covered on Anton's 17. Mike Finch sprinted those 17 on the first play of the series behind a super block by Isaguirre to make the score 13-0 with 6:22 of the quarter left. Johnny Newsom's kick failed.

ANTON'S offense finally began to click on its next possession. The Bulldogs took 15 plays to march 57 yards to Hart's 3 before Black tackled Nichols for a three-yard loss in a critical fourth-and-three situation.

Hart then used the last of the first quarter and half of the second to march to the Dogs' 25 on plays including 15-yarders by Finch and Castillo and Black's 12 yard run. Anton got the ball, however, when a pitch-out went over Castillo's head.

The defense stiffened again and the Dogs punted. This time the 'Horns used two 11-yard runs and a 10-yarder by Finch, a 10 and a seven-yarder of Black's and runs of 11 and 14 by Castillo, plus a seven-yard Rowland-to-Isaguirre pass to move to the 1 before time ran out.

FOLLOWING intermission, the 'Horns wasted little time shutting down Anton and, after a short punt, had possession on the Anton 46. Using a 10-yard Dog penalty and six plays, Black punched the ball across from the 5 following blocks by Marble, J. Newsom and Kent Hill. J. Newsom's kick proved true with 7:57 left, and the 'Horns owned a 20-0 lead.

Finally it was Anton's turn as the Bulldogs marched to the Hart 29 on 11 plays and a roughing-the-kicker penalty that gave them a desperation first down. Nichols then broke loose on a draw play up the middle and caught Hart with its defensive horns down to score. The PAT try failed when the pass from center bounced and Hart's Kelly Jones, Ethridge and Pat Ritter poured through.

After an exchange of punts, Hart started its concluding long drive on its own 14 in the final stanza. Overcoming penalties, the 'Horns marched to the Anton 45 with the help of another 26-yard fake-punt run by Castillo. There Anton's hard-hitting defense stiffened, forcing Hart to punt. However, the Hart drive had only been temporarily interrupted as the Dogs' Timmy Belgher burped up the ball on the first play when blasted by Black, and Barretero recovered his second of the night.

IT TOOK only four plays—one a 14-yarder by Finch—before Castillo, now playing QB, threw a 15-yard pass to J. Newsom who was waiting in the end zone. Following a motion penalty on the PAT, Newsom's kick fell short as the Longhorns led, 26-6.

Anton then had time for only one more desperation series before the close. However, two Green passes were long and the 'Horns' Glen Black ran out the clock with two plays that netted a first down. The Longhorns had their opening-game victory, 26-6.

Coach Taylor had special praise for Glen Black for his tremendous running, several head-knocking blocks and hard-nosed defense (nine unassisted tackles, eight assists); Ricky Rowland for the way he ran the ball club and his tough defense; Eliazar Castillo for his 15.2-yard average, key super plays and good defense (seven unassisted tackles, three assists); Mike Finch with a 6.4 average; Jackie Ethridge, with offensive blocking and six unassisted tackles and five assists on defense; and John Barretero for his alert recovery of two fumbles.

LOOK FOR the 'Horns to continue to mature this week as they meet the Silverton Owls. Since the Longhorns averaged 6.7 yards per carry in their first game, it promises to be an exciting game as they play in front of the home folks for the first time. Game time is 8 p.m. Friday.

Swifts give Steers scare

By PATRICIA KERN

A quick third-period score and a fourth-quarter fumble recovery in the end zone gave Farwell—the state's sixth-ranked Class A team—the edge over host Nazareth in the season opener Friday night in Swift Stadium.

NAZARETH struck first on a nine-yard ramble by Derwin Huseman after the Swifts recovered a Farwell fumble on the 26. The point-after kick was blocked, and the Swifts led 6-0 until early in the second period, when Farwell's Rowdy Chandler took a 16-yard touchdown pass from Russ Jones. Robin Roberts connected on the extra-point kick and Farwell took a 7-6 lead.

Nazareth, unable to advance the ball, was forced to punt with 4:15 remaining in the half. Christian returned the punt 59 yards up the left sideline into the end zone, but a personal foul penalty cancelled the score and brought the ball back to Farwell's 34.

Three plays later, Nazareth took possession of another Farwell fumble, and with one second remaining, Huseman attempted a 34-yard field goal. The kick was wide to the right, and Farwell held onto its 7-6 edge at halftime.

Farwell scored early in the third stanza on a 22-yard run by Tim Norton, and again with 2:55 remaining on a 14-yard scramble by Vick Christian. Roberts kicked both extra points, and the Steers took a 21-6 lead.

The next score came when Farwell quarterback Jones followed his own fumble into the end zone after a 1 yard plunge and recovered it for the TD.

The Swifts were down by 22, but a determined team effort advanced the ball to Farwell's 6-yard line, then Wilhelm carried it through the middle for a touchdown. The extra-point pass was intercepted and the score stood at 28-12.

FARWELL advanced the kickoff only 20 yards before handing it over on another fumble. Nazareth displayed its "unending emotion," as Coach Eddie Hooper described it, by putting together a last-minute drive to the 10-yard line, where Schmucker took another TD pass from Brockman as the buzzer sounded. The point-after attempt failed and Farwell came out with a 28-18 win.

"As far as hustling and de-

sire are concerned, the boys played terrific. We had a lot of mistakes, but we had a super night offensively." Coach Hooper said. "Any team that scores 18 points on a state-ranked team has got to be playing some offense."

Derwin Huseman was Nazareth's leading rusher with 130 yards for the night. Friday night the Swifts will host Smyer in an 8 o'clock contest at Swift Stadium. The football boys' dads will be honored Friday night.

business and industry

On Wall Street By Bob Hill
A. G. Edwards & Sons, Inc.

One of the most successful marketing efforts in American sport has been soccer, a game which has been popular in Europe and South America, but is only now catching on in this country. It is becoming a major American sport with 78,000 fans packing a New Jersey stadium recently, 42,000 attending a game in Seattle, and a sellout house already for the Soccer Bowl classic in Portland, Ore.

THE RECORD crowds and

Boys invited to meet scout leaders, program

School Night for Scouting, a part of the annual Scout Roundup which is conducted nationally, is scheduled in Dimmitt for Sept. 15, beginning at 7:30 p.m. in the east cafeteria of Helen Richardson Elementary School.

BOY SCOUT leaders of the Haynes district, which includes Dimmitt with nine other area cities, are completing plans this week for the coordinated effort to introduce area boys to Cub and Boy Scouting. Kent Akin of Plainview is the area chairman.

Local leaders will be at Richardson School to visit with boys who are interested in learning about the scouting programs. Parents of the boys are invited also.

Bill Stephenson and Pete Garza are Scoutmasters of the two Dimmitt troops, and Bill Behrends is Cubmaster for the younger boys' organization.

BOYS already in the scouting program here are to register in the annual Roundup for the coming year. Other interested boys and their parents will have an opportunity to learn what scouting offers and to meet the leaders who work with boys here.

Theme of the Roundup this year is "The Wonderful World of Scouting."

The next major event on the scout schedule is the Haynes District Camporee, set for Sept. 23 and 24 at Camp Haynes near Silverton.

THERE are 40 or 50 species of rats and mice in Texas of varying characteristics.

Christie quits job, may oppose Tower next year

State Board of Insurance Chairman Joe Christie resigned Thursday, saying he plans to decide during October whether to seek US Sen. John Tower's seat next year.

"I AM considering running for the United States Senate against John Tower, and I want to make that decision on my own time—not at taxpayers expense," Christie said.

"The Christie Committee tells me things look good and that there is strong grassroots support for my candidacy. I am encouraged by this, and I will announce my final decision in October."

The Christie Committee, formed recently by supporters of a Christie bid for the senate, has been assessing citizen support and evaluating his potential as a senatorial candidate.

CHRISTIE said he was proud of his work at the board, singling out several reforms he initiated as his achievements.

"We cut our budget by \$1.7 million. We were the only state agency to cut our budget, to reduce the number of employees and increase our workload," Christie said. "We have
