County balks on jail contract

The Castro County Commissioners' Court Monday declined to approve the contract proposed by the City of Dimmitt for law-enforcement dispatching and jail service.

A new contract is needed because of some minor changes in the regulations of the Texas Commission on Law Enforcement Standards.

Under the old contract—which has been in force since Jan. 18, 1977—the county furnishes radio dispatching service to the city police from midnight until 8 a.m. and allows the city to lodge Class C misdemeanor prisoners in the county jail. In exchange for these services, the city pays the salary of the night dispatcher and reimburses the county for the cost of meals and medical care for city prisoners.

The new contract proposed by the city would provide that city prisoners be booked into the county jail by members of the sheriff's department rather than city police, since sheriff's officers are certified jailers, as required by the revised regulations. Also, the county would provide the city with dispatching service from 5 p.m. until 8 a.m. when the city hall closes, until 8 a.m. The city would continue to pay for a night dispatcher and the cost of city prisoners' meals and medical care.

The renegotiation of the contract prompted an extraordinary response on the part of county officials.

Sheriff Granville Martin and his two attorneys, Frank Gaston and Keith Lemons of Plainview, were present at Monday's commission meeting and objected to many phrases of the contract, asking for technical definitions of almost every word and a detailed spelling out of the exact moment when responsibility for a prisoner passes from the city police to the county sheriff's office.

Martin's attorneys had marked their copies of the city's proposed contract "First Proposal."

In their discussion of the proposed new contract, the commissioners and sheriff seemed more interested in avoiding any legal or personal liability for city prisoners than in working toward a comprehensive city-county law enforcement system.

The county commissioners took no action Monday. Mar. [See COUNTY, Page 6]

City to close for holiday

Schools will have the traditional weekend holiday for Thanksgiving in Castro County, post offices and banks, government offices and most retail businesses will close at least for Thanksgiving day, next Thursday.

Dimmitt schools will close at 2:40 p.m. Wednesday and remain closed until Nov. 26. However, varsity basketball teams have games that weekend, with the Bobbies playing in the Queens Classic at Wayland College Nov. 22-24 and the Bobcats hosting Perryton at 7:30 p.m. the day after Thanksgiving.

Hart and Nazareth schools will both dismiss classes at 2:30 p.m. Wednesday. At Hart, School Supt. Ted Averitt has announced that report cards for a six-week period will be sent home with the students that day.

Courthouse and city hall offices, also the postoffice and federal offices here, will be closed Thursday, as will banks in Dimmitt and Hart.

County residents will generally have Thanksgiving dinner in their homes, as restaurants and drive-ins will follow a custom of closing Thursday.

Pioneer Natural Gas Co. has announced its office will close Thursday only, but Southwestern Public Service and Continental Telephone plan to be closed Thursday and Friday.

TAKING THE OATH—Mayor Elmer Youts [right] administers the oath of office to Dimmitt's three new aldermen at the first meeting of the expanded governing board in city hall last Thursday. The aldermen, from left, are Doug Lapins, Wayne Collins and Roy Lilley. The three new aldermen—elected from a field of 18 candidates—join Chet Braafadt and J. R. Brown on the city governing body.

Three new aldermen were sworn in last Thursday to serve on Dimmitt's expanded governing board.

Doug Lapins, Wayne Collins and Roy Lilley joined Mayor Elmer Youts and Aldermen Chet Braafadt and J. R. Brown on the six-man board following their election Nov. 6.

The first official act of the new board was to approve the proposed contract with the county for dispatcher service and use of the county jail for city Class C misdemeanor prisoners.

There are only two changes in the city's proposed new contract:

—Dispatcher service to be provided by the county from 5 p.m. until 8 a.m. instead of midnight to 8 a.m. as under the current contract.

—City prisoners brought to the county jail will be booked and locked up by members of the sheriff's department, who are all certified jailers.

The changes are necessary to meet new requirements of the Texas Commission on Law Enforcement Standards.

The contract has been submitted to the county commissioners' court for its approval.

It's basketball time

Basketballs will start thumping in earnest during the next week, with opening games scheduled for Dimmitt's Bobcats and Bobbies, Hart's Longhornettes and Nazareth's Swifts.

The State Class B Champion Swiftettes have warmed up already by winning contests at Patton Springs, Groom and Cotton Center. The Swifts will travel to Adrian Friday for their first outing.

Dimmitt's Bobbies, both varsity and junior varsity, will go against Canyon there at 6 and 7:30 p.m. Monday. The Bobcats, JV girls and JV boys will meet Lubbock Christian High School here Tuesday in a program starting at 5 p.m.

For the following week, Coach Jimmy Hoyle will take his Bobbies to Wayland Baptist College for the three-day Queens Classic starting Thanksgiving Day. Coach Ken Cleveland's varsity boys will play host to Perryton the Friday after Thanksgiving.

Hart's Longhornettes will be at home to the A and B girls' teams from Olton Monday, starting at 6:30. The Longhorns will not begin play until Nov. 27, when they are scheduled to go to Sudan. The varsity and JV girls will play there also.

Coach Joe Lombard and the Swiftettes are aiming for their fourth consecutive state title this year, and the Swifts, coached again by Bud Birks, want to better their regional semi-final record.

After the Adrian game this weekend, the Swifts and Swiftettes will be in Bovina Monday, then will entertain Cotton Center at Nazareth Nov. 27.

Meanwhile, the Swiftettes and Bobbies have been picked to give demonstrations in the Wayland Flying Queens Clinic Saturday, and will also play in the Queens Classic at Plainview.

School board tackles priorities

Johnny WILL learn to read

While most Dimmitt residents were watching Monday Night Football, members of the school board were tackling the future priorities of the school district.

Trustee Fred Bruegel Jr. voiced the opinion of the board that "reading, math, English and vocabulary need extra emphasis."

This year a new reading program has been added to the curriculum for seventh grade students. Several parents have expressed concern that the new course is too hard, but board members don't agree and hope to be able to add a comparable

course to the eighth grade curriculum next year.

If funds are available, an additional reading specialist should be added to the faculty to teach this class and serve as a reading supervisor for grades one through seven, the trustees agreed.

Copies of last year's self-evaluation report were distributed to board members. This report will become the basis for future planning.

Jack Anderson of Cornell & Co., Amarillo, presented the annual auditor's report, which was approved by the board.

During the last fiscal year, revenue of the school district was \$83,967 more than budgeted and expenditures were \$18,793 less than budgeted. However, \$46,000 of this overage is federal money budgeted for the next fiscal year, but which was received early.

The auditor's report showed that the cost per pupil in 1979 is \$1,952.39, compared with a cost of \$1,854.59 in 1978.

In other action, the board: —Approved a "land swap" with the Springlake-Earth

School District detaching a house and one acre belonging to Ricky Byers and annexing a house and one acre belonging to Lynn Cox.

—Approved members of the textbook committee: Avis Smith, Danna Beck, Charles

Cotter, Nell Kelley, J'Lyn Ryan, Sue Howell, Clifford Smith, Jimmy Hoyle, Loranel Hamilton, John Thomas, D. W. Harkins, Evie Froehner and Robert Ryan.

—Adopted the new policy [See SCHOOL, Page 6]

City dresses for holidays

The streets of Dimmitt will be decked out for Christmas beginning today (Thursday). The Dimmitt Volunteer Fire Department has agreed to hang the Christmas decorations.

All Dimmitt merchants have been encouraged by the Chamber of Commerce to have their stores decorated and Christmas display windows ready today.

A sign painter will be in Dimmitt Nov. 26 to do window painting. Businesses wishing to have Christmas scenes painted on their windows should call the Chamber office at 647-2524. The cost of win-

dow painting is estimated between \$20 and \$35 depending upon the size of the window.

Santa Claus is coming to Dimmitt Dec. 1 to be on the courthouse lawn during a Christmas Tree Lighting and Caroling party.

This will officially open the Christmas shopping season in Dimmitt. Santa will also be in Dimmitt from 2-4 p.m. on the three Saturday afternoons prior to Christmas.

Merchants who attended the Chamber's October meeting expressed an interest in creating a festive holiday atmosphere in the business district.

The CoFC is now working to prepare a sound system that can be used to play Christmas music during the shopping season on the Dimmitt square.

A Santaland display will be erected on the courthouse lawn by the Dimmitt Young Homemakers, Junior and Senior High School Art Departments and the High School Industrial Arts departments.

The Chamber encourages all merchants to decorate early and to help provide a real Christmas atmosphere in the business district during this important season.

Thanksgiving community service set

The annual community Thanksgiving church service in Dimmitt has been scheduled for Monday, Nov. 19 by the Castro County Ministerial Association. It will be conducted at 7:30 p.m. in the First Christian Church.

Rev. Monte Wike, pastor of the Assembly of God, will deliver the sermon this year.

Rev. Howard Quiet, pastor of First United Methodist Church, will give the prayer of Thanksgiving. Rev. James Alexander, New Hope Memorial Baptist Church pastor, will conduct the scripture reading and Rev. Don Price, pastor of the Church of God of Prophecy, will give the offertory prayer.

Attie Alexander will give the special music and Rev. John Street, First Baptist pastor, will give the benediction. A special feature will be a song presentation by Dimmitt School choir members, directed by Doug Henry.

The date represents a change in plans for the annual service. It has been held in the past on the Wednesday before Thanksgiving Day. Sponsoring Ministerial Association members believe the date earlier in the week will make it possible for more community residents to attend.

For history book

'Absolute' deadline set

The "absolute, final, official" deadline set by the publishing firm for family stories to be submitted for the Castro County History Book is Dec. 20, Clara Vick, publicity chairman, announced this week. There will be no additional time extension, the publishers said.

Dec. 20 will also be the deadline for all tributes, memorials and business pages, as well as family histories.

"Those of you who have submitted your stories, encourage your friends to get their stories in also," Mrs. Vick said, adding that stories are being received in large volume, despite the passing of the original deadline.

"We have enough at this time to insure a good book, but the more we have the more interesting and complete the book will be," she said.

More than 600 family histories have now been submitted and more are still coming in.

Books must be ordered in advance. Those wishing to purchase history books are urged to contact the Castro County Museum, Mrs. Vick or Mrs. L. B. Bowden.

TEENY BOWDEN is busy checking family histories that have come in for the new Castro County History Book, making sure that everything is ready for the new Dec. 20 deadline. More than 600 family histories have now been submitted with more still coming in.

Kent Hance co-sponsors Iran deportation bill

US Rep. Kent Hance announced that he has cosponsored a bill which calls for deportation of Iranian students who participate in activities which abuse American hospitality.

The bill, HR 5813 by US Rep. Jack Hightower (D-Texas), calls for the immediate deportation of foreign students who participate in activities "which are inconsistent" with their primary purpose of being in the United States.

"We allow foreign students to come to the United States for a formal education," said Hance. "But when they become involved in any activities such as we have seen lately, then our hospitality should end and they should be sent home."

"Our first concern regarding the Iranian incident is for the safety and welfare of the

American hostages," he added. "We must make the negotiation for their return as our first priority. However, should the life of any of those hostages be seriously endangered, then I feel immediate military action is warranted."

"We are dealing with an extremely sensitive international situation," said the Texas congressman. "It requires delicate handling and wise decisions. The Iranian authorities have made a joke of traditional international law and human decency."

"Our actions must be sure, and they must be right. I'm firmly convinced we need to make a strong stand because the eyes of the world are on this incident. What we do will set a precedent upon which other countries will base their relations with the United States. It is time for the United States to stand up and be counted."

Bobcat Band ranks in Division I again

The Dimmitt High School Bobcat Band received a I Division (superior) rating in the Region XVI marching contest held in Jones Stadium at Texas Tech last week. This is the first leg on the band's 26th Sweepstakes award.

"The Bobcat band has worked for 12 weeks toward the final product and we are proud to be among the few to receive the coveted Division I rating," bandmaster Larry Prather said.

Eighteen Class AA bands competed in the contest. Those receiving the I Division rating were Dimmitt, Friona, Littlefield, Frenship, Lockney and Abernathy.

Each band was rated by three judges, Lynn Low of Mexia, Harris Brinson of Angelo State University and Mike Marsh of Fort Stockton.

The bands were graded on music, marching, precision and general effect.

To win Sweepstakes rating, as the Bobcat Band has done in 25 of the last 26 years, it must earn Division I ratings in concert playing and in sight reading. Those contests will be held next spring.

Prather is directing the band for his first year, after retirement of longtime director Ralph Smith, who has led the DHS musicians to their previous Sweepstakes.

Swifts rip Happy, 37-6

By CHRIS ALBRACHT

Hugh Wilhelm intercepted two passes to set up the first two Nazareth scores, then added the final touchdown himself as the Nazareth Swifts destroyed the Happy Cowboys, 37-6, at Swift Field Thursday night.

The Swifts ended the season at 6-3-1 and 3-1-1 in district, while the Cowboys finished 1-9 and 1-4 in district. It was the Cowboys' third consecutive loss.

Wilhelm made his first interception ironically on the first play of the game. He returned his sixth interception of the season to the Happy 25. Five plays later, Bryan Huseman scored his 13th touchdown of the year from a yard out. He added the PAT, and the Swifts led 7-0.

★ GAME AT A GLANCE

3 Interceptions By	0
1-40.0 Punts-Avg.	2-35
2 Fumbles Lost	2
4-40 Penalties-Yds.	5-65

Score by Quarters:

Happy	0	0	6	6
Nazareth	14	13	10	0-37

Scoring Sequence:

- N—Bryan Huseman, 1 run (Huseman kick)
- N—Jeff Schmucker, 34 pass from John Steffens (Huseman kick)
- N—Dwayne Acker, 2 run (Huseman kick)
- N—Acker, 8 run (kick failed)
- N—Huseman, 43 field goal
- N—Hugh Wilhelm 1 run (Huseman kick)
- H—Eric Anderson, 4 run (pass failed)

A few minutes later, Wilhelm intercepted his second pass of the game at the Nazareth 42 and ran it back to the Happy 40. Two plays later, Jeff Schmucker caught a 34-yard pass from John Steffens for the touchdown. Huseman kicked the PAT, and the Swifts led 14-0 with less than four minutes left in the first stanza.

In the second quarter, Dwayne Acker scored the first of his two touchdowns in this period on a two-yard run. The score was set up on a high snap on a punt at the Happy 40. On this drive, Acker rushed three times for 11 yards, including the two yards for the score. Huseman kicked the PAT, and Nazareth led 21-0.

Acker's second score came after Jeff Schmucker made two plays to set it up. Schmucker intercepted a Scott Railsback pass and returned it to the Happy 45, and later, on an end-reverse, gained 22 yards. Three plays later, Acker scored from eight yards out. The kick failed and the Swifts led 27-0 at halftime.

The Swifts opened the second half with another drive and Huseman kicked a 43-yard field goal to extend the margin to 30-0. Later in that quarter, Hugh Wilhelm scored on a one-yard run, and with Huseman's PAT, the Swifts led 37-0 going into the fourth quarter.

The Cowboys scored later in the fourth quarter when Eric Anderson ran the ball in from four yards out. The pass failed, and the Swifts had their sixth win, 37-6.

Offensively, the Swifts were led by Bryan Huseman's 136 yards on 21 carries. Huseman ended his junior year with 1,336 yards on the season. Defensively, the Swifts were paced by Hugh Wilhelm's two

interceptions. It gave the Swift junior seven interceptions on the year.

For six NHS seniors—Dale Wilhelm, Norman Gerber, Jeff Schmucker, Jimmy Kern, Harold Wilhelm and Gary

8th grade wins as 7th is loser to Muleshoe

Eighth Graders of Dimmitt Middle School added another win to their 6-1 season record when they downed Muleshoe 6-2 last weekend, and are preparing to face the Friona team which has handed them their only defeat at Friona today (Thursday).

For most of the game, the Muleshoe host team led by virtue of a safety scored in the first quarter. Only 3½ minutes were left before the final whistle, when Mark Bruegel tossed a 16-yard pass to Hilbert Dominguez to top off a 60-yard drive with the Dimmitt touchdown.

Coach Jerry Durham cited Scott Simpson and Scott Nelson for offensive play, and on defense, Roy Tijerina, Robert Nelson, Dwight McDonald and Corky Esquivel.

In the 7-A game—which was played in a cold thunderstorm and finished under the lights—Dimmitt struck first but was unable to hold its

Book—it was the final high school football game.

With the 6-3-1 record, the Swifts finished the '70's with a 43-53-4 record, 18-11-1 the last three years under Coach Eddie Hooper.

lead as Muleshoe came back to win, 21-8.

Dimmitt recovered a Muleshoe fumble deep in Mule territory shortly after the opening kickoff, and marched to the 10-yard line. From there, quarterback Nathan Nelson connected with fullback Michael Love on a flat pass, and Love ran it in for the opening TD. Nelson ran the two-point conversion on a bootleg play to give Dimmitt a quick 8-0 lead.

Muleshoe scored in the second quarter to narrow Dimmitt's lead to 8-6, then went ahead in the third, 14-8, with a touchdown and two-point conversion.

The Mules put the game on ice in the fourth quarter when they scored their third TD and kicked the extra point to extend their lead to 21-8.

Dimmitt didn't quit, though. After the kickoff, the Bobcats marched to Muleshoe's 5-yard line before the clock ran out.

City's first tumbling meet held for 150 area youths

Dimmitt's first invitational tumbling meet was held at the County Expo Building last Saturday with 156 children participating.

The four teams competing were Dimmitt, Friona, Hereford and Nard's of Amarillo.

The children competed in both age and ability groups. From Dimmitt, place winners were:

- Age group 4-5, group 1—Michael Ellison 2nd, Amber Carmichael 4th, Group 2—Emily Clary 3rd, Tracy Drenup 4th, Amy Glidewell 5th, Group 5—Jill Pohlmeier 3rd.

Group 6—Brandon Schilling 6th.

- Age group 6-7, group 1—Carol Petty 5th, Group 3—Stephanie Davis 2nd, Jamie Baker 4th, Group 4—Tanya Lee 2nd, Nikki Schulte 3rd, Group 5—Chip Thrasher 1st, Group 6—Stacey Coker tied for second with Traci Scribner of Hereford, Group 7—Beverly Hart 4th, Group 10—Sharla Jackson 2nd.

- Age group 8-9, group 1—Carla Summers 3rd, group 2—Deborah Mohon 2nd, Lycynoe Lynn 3rd, Ty Kellar 4th, Group 3—Kristi Kelly 2nd, Shelly Nutt 5th, Group 4—Sharon Ellison 3rd, Group 5—Sabrina Mays 4th, Group 6—Tammy Drerup 2nd, Group 7—Jo Hyman 4th, Matthew Bradley 3rd.

- Age group 10-11, group 1—Dondi Hays 2nd, Laura Hargrove 3rd, LeAndre Lynn 4th, Group 2—Lisa Nelson and Donna Hart tied for second, Ja-Lou Cameron 3rd, Group 3—Kristi Petty and Laura Nelson tied for second, Group 4—Camille Summers 3rd.

- Age group 12 and over—Beth Mohon 1st, Ramina Heiman 2nd, Katie Lapins 3rd, Karen Markley 4th, Kelli Small 5th.

Society slates

Tuesday meeting

The Castro County Genealogical Society will meet at 7 p.m. Tuesday at Rhoads Memorial Library.

New books and quarterlies will be available for the exchange of materials. Everyone is invited to attend.

● On the go

Jack and Mary Flynt had as visitors Sunday and Monday her brother, Calvin Finley, and his wife, Sue, of Plano, also Beverly and Everett Nelson of Farmers Branch. The two couples had attended homecoming events at Texas Tech where both have sons enrolled, and where Finley earned his degree. They were guests while at Tech of Fred Jr. and Bobbie Bruegel of Dimmitt, for a reunion of Bruegel's fraternity, Socii. Other weekend guests of the Flynts were Elaine and Jack II, with Abbie, Jack III and one-month-old Laura, who was making her first visit to her grandparents, and Mike Steskovich, all of Lubbock.

Gayle Book

Gayle Book to run in National

Gayle Book of Nazareth became the first West Texas State University student ever to qualify for the National AIAW Cross-Country meet, and will compete Nov. 17 in Tallahassee, Fla. Miss Book is a freshman.

She earned the right to run in the national event by placing in the top 15 at the AIAW Region IV Cross Country Championships at Denton recently. Moving up from 20th place with a mile and a half to go, the Nazareth long-distance runner finished in 11th place.

Miss Book had previously finished 10th in the Texas AIAW meet. Running the 5,000 meter course, the WT team finished seventh of 12 teams at Denton last week.

Coach Ed McAllister said the Nazareth freshman ran "a very intelligent race," with "amazing poise."

"I ran a lot looser than usual," Miss Book said after the race. "Coach told me at about the three-quarter mile mark that I needed to pass three more runners, so I knew I was in the top 15."

She attributed her state of mind, rather than extra physical training, for what was perhaps her best performance of the season.

Ex-Swiftettes prominent in Flying Queens' plans

Names familiar to Nazareth Swiftette fans are prominent in announcements of the Wayland College Flying Queens' plans for the season that will officially begin Saturday with the 22nd annual Flying Queens Basketball Clinic.

Cathy Wilson, former Flying Queen who later coached the Nazareth girls and then a Slaton High School team to state championships, takes over the reins of the women's basketball program at her alma mater at a time when a

major rebuilding faces the Plainview college's team.

A two-year member of the Queens, Rachelle Pohlmeier, who also played two years at Nazareth under Miss Wilson, will be the assistant woman's basketball coach and head coach for the Wayland Bees this year.

Elaine Schulte, who played for Coach Wilson as a senior at NHS, is one of only four Flying Queens from last season's team who is back this year.

This year's Swiftettes, defending Class B titlists in Texas, will play in one of the clinic games Saturday in Hutchinson Physical Education Center on the Wayland campus. Their opponents will be the Class AAAA state semi-finalist Plainview girls. The game is set for 6 p.m.

Coach Jimmy Hoyle of Dimmitt will be one of the speakers at the clinic, discussing the transition from defense to offense. His program appearance is scheduled at 9:45 a.m.

In the afternoon games, the Queens will meet Abilene Christian University and Class AA state champion Slaton will play Granbury.

Miss Wilson became the first woman to guide the Queens, who have become nationally known under five previous head coaches. Wayland officials hope she can repeat her successful high school coaching record with the Queens. As a player at WBC, she earned the Most Valuable Player award when she was a senior. She has been called the most successful high school

coach in Texas, and she passed up head coaching jobs at Texas-Arlington and North Texas State as well as an assistant's position at the University of Texas when she accepted the Wayland job.

Her Swiftettes made two straight Class B state tournament appearances and won the 1977 championship, then Wilson-coached Slaton girls were Class AA champs two years in a row.

Miss Pohlmeier, a 1977 graduate of Nazareth High, was a member of the Swiftettes title team that year and an all-district selection. She also played in the All-Star game at Amarillo as a senior. In other athletic activities, she lettered in tennis four years and won the Class B state doubles title in 1977.

Miss Schulte, a 5-11 post forward at Wayland, led the Swiftettes to the first of four straight appearances in the state tourney when she was a senior at NHS. She saw action in 32 of the Queens' 34 games last year, scored 118 points and hauled down 166 rebounds, fourth best on the team.

DIMMITT SUPER MARKET

103 Belsher Street, Dimmitt Store Hours: 7 a.m. 'til 9 p.m.

We Give Double Gunn Bros. Stamps On Tuesdays And Wednesday

SPECIALS GOOD NOVEMBER 15 THRU NOVEMBER 21

ANOTHER 'ONE'—Dimmitt High School's Bobcat Band performs its intricate "Star" formation in Bobcat Stadium. With this formation and others, the band earned another Division I rating in marching at the Region XVI Band Contest

at Texas Tech's Jones Stadium last Wednesday. With its first-division rating in marching, the band earned a chance for a 26th sweepstakes award this year, if it earns similar ratings

in sight-reading and concert performance next spring. Last Wednesday's contest was the Bobcat Band's first under Band Director Larry Prather.

Family reunion celebrates birthday

By VIRGIE GERBER

Sunday the family of Paul Venhaus celebrated his 63rd birthday. Those present were the Harold Venhaus family of Hobbs, N.M., Greg Venhaus family of Friona, Analene, Smitty and baby of Shallower, Nelita and a friend Kathy Smith of Waterflow.

A bridal shower for Becky Burnette of Lubbock, bride-elect of Gerald Birkenfeld, was given Sunday afternoon at the Kenneth Schulte home.

Mrs. Evelyn Hill of Lubbock spent Thursday visiting with her mother Meta Stork in the Dimmitt Hospital.

Randy and Monette Schilling were godparents for Amy

Teresa Pohlmeier at her baptism on Saturday evening after the 7:30 mass. Amy is the new daughter of J. C. and Jocelyn Pohlmeier. Fr. Stanley officiated at the ceremony. Hubert and Joan Backus and children Rick, Marlin and Ron spent the weekend in Odessa with the Gene Gerber family.

Edwin and Irene Huseman and family of Dumas were here this weekend for the Birkenfeld-Yarbrough wedding and the bridal shower for Becky Burnette.

Mr. and Mrs. Paul Venhaus, Mr. and Mrs. Bert Venhaus, George Venhaus, Agnes Brockman, Helen Backus, Rita Book and Irene Wilhelm attended a funeral in Clovis Sat-

urday for Frank Kaplin, 22, who was killed while working at the Santa Fe railyards. Mrs. Meta Stork is still a patient in Plains Memorial Hospital in Dimmitt.

A rehearsal supper was given at the Paul Venhaus home Friday evening for Donna Yarbrough and Floyd Bir-

kenfeld. Mr. and Mrs. Bill Svoboda of Lawrence, Neb. spent some time here visiting the Venhaus relatives.

Albert Hartman is at home recuperating after surgery in Plains Memorial Hospital in Dimmitt Wednesday.

SPS plant at Earth may get solar unit

A half-million dollar solar repowering study for the Department of Energy (DOE) by Southwestern Public Service Co. and General Electric to determine the feasibility of a solar powered electric generating unit has been launched.

The project could result in the installation of an 180-million solar-powered unit at SPS's plant X near Earth. A great deal of research has been done on solar-powered plants but not much has been done on the concept of adding solar units to existing plants.

This study will determine the engineering and economic factors of repowering an electric plant—if it can be done on a large scale and if it would be more economical than building new solar plants.

In recent years, as the search for alternatives became more intense, Southwestern Public Service began to assess options that might have practical utility application. Solar power was one of the alternatives selected for consideration.

The company's involvement began with a data collection and literature review program of the latest developments in solar energy.

Southwestern's second solar project involved participation in a general atomic study of a 100-MW line focus solar central power system. This study in cooperation with DOE was completed Oct. 1, and a final report from DOE is expected soon.

Six utility-industrial groups, including SPS and GE, were chosen by the DOE to develop designs for combining a solar

energy plant with an existing electric generating plant. Six similar contracts were awarded by the DOE for research on repowering units for industrial use.

The repowering of existing plants, both for electric generation and industrial use, is a relatively new idea and is being developed more as a fuel saver than an alternate fuel source.

The proposed solar unit at Plant X would produce enough energy to drive an existing steam turbine. The steam turbine would, however, be capable of using natural gas or a combination of natural gas and solar power.

The solar portion of the plant would consist of a mirror field, a central receiver mounted on top of a 300-foot tower, a liquid sodium heat transfer system and three steam generators. The mirror field would include approximately 5,000 steerable sun-tracking mirrors called heliostats, occupying 276 acres.

The central receiver of the system will be cooled by constantly flowing liquid sodium, which will maintain a constant temperature. GE has been interested in the use of liquid sodium for many years and has found it to be a highly efficient source.

The liquid sodium as a heat transfer agent, could be a major area of consideration by the DOE when it begins reviewing the repowering proposals. Similar plants designs are expected to use water, molten salts and gases as cooling agents.

Other factors DOE will be considering are efficiency, price and geographical location, for amounts of sunshine.

View from the Library

By BRICK AUTRY Librarian

Just the other day a patron returned a book by carrying it between her thumb and forefinger of one hand and holding her nose with the other. It can be assumed that this patron did not like her book.

Although the interest in books today is high, many consider the quality of written materials to be lower. Actually, with the competition that writers face, the craft of writing is in no danger. Well written works always find a market. In the opinion of this writer, it is the subjects written about rather than the quality of text which are displeasing readers.

It seems today that an awfully lot of writers are expounding on the anti-hero. The anti-hero is an unsuccessful protagonist. He is the leading character of the story but possesses no special quality which sets him above other characters. Thurber used Walter Mitty for an anti-hero but did so in a humorous way. Current stories are serious in nature, however. It is like the anti-hero and his lack of luster was actually a normal state of

affairs. Such thinking is negative in nature and irritates any reader with a healthy optimistic attitude. This is why older books like the one on Lawrence of Arabia are so refreshing. Lawrence of Arabia was indeed a hero with heroic qualities.

Much is also being said about current literature and its obsession with sex. This writer has nothing to say. Perhaps the busy authors of today get lonely at their typewriters and can not squelch the temptation to write about that which they, themselves, may be missing by consigning themselves to a singular and a lonely occupation. Also, the authors know that a little sex, like sugar, makes a boring book more palatable.

It seems to be a modern malaise. If the writer is depressed he doesn't seem to be happy unless he depresses his readers also. The only antidote is to remember our lady friend holding her nose and use the book drop liberally.

THE US Dept. of Agriculture says net farm income should reach about \$30 billion this year, up from \$27.9 billion last year.

DYH planning for bake sale

Final plans for a Thanksgiving bake sale to be held next Wednesday will be made at a meeting of Dimmitt Young Homemakers at 7 p.m. today (Thursday) in the home-making rooms of Dimmitt High School.

The bake sale will be held at Dimmitt Super Market. Members will make pies, cakes and other items for the Thanksgiving dinner, which will be on sale while they last.

The program tonight will be presented by Mona Merritt, who will demonstrate methods of food drying.

Your chances of dying from a heart attack or stroke are 50-50.

Young Farmers slate meeting

Planning for the annual Dimmitt Young Farmers-Young Homemakers banquet will begin in the DYF meeting at 8 p.m. today (Thursday) in the Vo-Ag Building of Dimmitt High School.

A guest speaker, Coy Riggan, will give pointers on farm lubrication to feature the program. Any farmers interested in the subject are invited to the meeting.

What's cooking at the school

MONDAY — Barbecue on a bun, blackeyed peas, pickles, fruit, milk.
TUESDAY — Turkey and dressing, cranberry sauce, green peas, pumpkin pie, bread, milk.
WEDNESDAY — Sandwich tray, French fries, peanut clusters, milk.
THURSDAY — No School.
Friday — No School.

WATTS THE BRIGHT IDEA?

An Energy Efficient Home!

The Energy Efficient Home is a quality home that makes it possible to enjoy clean, comfortable, modern living and save energy at the same time... and that's a bright idea.

Storm doors and windows or double pane glass and insulated core doors help seal in winter heating and summer cooling. With efficient insulation and other energy saving features, heating and cooling equipment — like the heat pump — can be smaller, thus using less energy while keeping your home comfortable.

For more information on the Energy Efficient Home, call Southwestern Public Service Company.

SELECTED TO ALL-REGION—These Dimmitt choir students were selected to the 7-9 Grade All-Region Choir at Lubbock Saturday. Each student competed against students from schools around the Lubbock area. They will travel to Lubbock Nov. 30 and Dec. 1 for a two-day clinic. Seated, from left are Nick Martinez, bass; Janis Hutcheson, alto; and Richard Rodriguez, tenor. Standing is Steve Anderson, bass. Martinez is in the eighth grade and Anderson, Hutcheson and Rodriguez are freshmen.

Experienced Bobbies face tough schedule

"Our schedule this year is probably as tough as we've ever had," Coach Jimmy Hoyle said this week as his Dimmitt Bobbies prepared to open their 1979-80 season.

But the Bobbies have the experience and ability to meet the challenge, with three starters back from the team that advanced to the Region I-AA championship game last year.

The Bobbies will scrimmage Bovina at 3 p.m. today (Thursday) in the Middle School gym, and Saturday they'll travel to Plainview, where they and their coach will be on the Wayland College Basketball Clinic program. They'll demonstrate drills and techniques of the transition game—switching from offense to defense and back.

Then on Monday night, the Bobbies will officially begin their new season when they travel to Canyon for a junior varsity game at 6 and a varsity match at 7:30.

The JV girls will see action again Tuesday night when DHS hosts Lubbock Christian High in three games. The varsity and JV boys will open their season then.

There's a wealth of experience on the Bobbies' squad this year. The returning starters are Lori Dyer, 5-9 senior post forward; Vicki Cleveland, 5-6 senior guard; and Becky Andrews, 5-9 junior forward. Joining them on the probably starting five are two other seniors who saw a lot of action last year—Janice Johnson, 5-2 guard, and Lynna McGuire, 5-9 post forward.

Other squad members who lettered last year and will see regular duty this season are Chris Salinas, Janice McLaughlin, Jackie Anthony and Tina Roland.

Up from the junior varsity this year are Suzan Collins,

junior post forward; Pam Nelson, sophomore guard; and Jill Brown, sophomore post forward. Junior guard Cindy Sagaser also is expected to join the varsity squad when she becomes eligible in December, Hoyle said.

With all the post-forward talent, the Bobbies will use a double-post offense most of the time. Against zone defenses they'll use an overload, with Andrews as the roving "stack player."

Last year's Bobbies compiled a 30-5 record—one of the best in the state. This year's varsity will be hard-pressed to match that mark, with the Wayland Queens Classic, Levelland and West Texas tournaments on tap before district play begins in January.

In the Queens Classic Nov. 22-24, the Bobbies are matched against the Nazareth Swiftettes in the first round, with three other state champions—Hale Center, Slaton and Dallas South Oak Cliff—also on the tourney card.

In the West Texas Tourney at Slaton in December, Dimmitt and Slaton are at op-

posite ends of a 12-team bracket, and last year's regional finalists are obviously hoping for a rematch in the title game. Slaton, incidentally, is coached this year by former DHS mentor Sam Nichols, following Cathy Wilson's move to Wayland College.

Between tournaments and regular-season games, it's possible that the Bobbies and Slaton Tigerettes could meet as many as four times this season before starting district play. Other teams on the Bobbies' early-season schedule include Hereford, Gruver, Lockney, Tulia, Abernathy, Dunbar and Estacado.

The Bobbies' first opponent, Canyon, finished second in District 1-AAA last year and compiled a 20-8 record.

"They're supposed to be a little taller this year than they were last year, but they'll lack experience," Hoyle said.

The junior varsity girls, coached this year by John Thomas, will play a full schedule also, with 21 games and two tournaments on tap. The JV is made up of 15 sophomores and juniors.

Midge Butler Goings dies; funeral set in Tulsa today

Funeral services are scheduled in Tulsa, Okla., today (Thursday) for Midge Butler Goings, 60, daughter of Mr. and Mrs. Sam Butler of Dimmitt.

Bazaar-dinner held at UMC

Women of First United Methodist Church were scheduled to conduct their annual holiday bazaar all day Wednesday in the church fellowship hall, after serving their Thanksgiving turkey dinner at noon.

Opened at 10 a.m., the bazaar was to continue to a sell-out of the numerous handmade gift items and baked goods.

The bazaar and dinner make up an annual event for the UMC women, to raise funds for missions.

Mrs. Goings died at 3 a.m. Tuesday in a Tulsa hospital following a lengthy illness.

Last rites will be conducted at 2:30 p.m. today in the First Baptist Church of Tulsa.

Mrs. Goings was raised in Dimmitt and graduated from high school here. Her first husband, Bill Gafford, died here in the early 1940s. Several years later she married Jim Goings, and they moved to Tulsa in the mid-1950s.

She is survived by her husband, Jim; three sons, Billy Mac Gafford of Tulsa and Chris and Gary Goings of the home; her parents; three brothers, Joe Butler of Dimmitt, Cullen Butler of Mesa, Ariz., and Willie Butler of Clovis; and two sisters, Mrs. Herman Smith of Mesa, Ariz., and Mrs. Clint Price of Salt Lake City, Utah.

Services set for sister of local man

Funeral services for Leatrice Sparks, 75, sister of Jody Benson of Dimmitt, will be held at 11 a.m. today (Thursday) at Rose Chapel of Gilliland-Watson Funeral Home in Hereford. Burial will be in West Park Cemetery in Hereford.

Mrs. Sparks died Tuesday at a daughter's home in Clovis after a short illness.

She was a homemaker and a member of Temple Baptist Church in Hereford. She is survived by two sons, six daughters, four brothers including Jody Benson of Dimmitt, 14 grandchildren and three great-grandchildren.

Young Bobcats have rough road

Dimmitt High School basketball coach Ken Cleveland has no starters back from last year's regional finalist team.

Six of his varsity cagers are still playing football (except for two who are injured), and won't take the court until Monday to prepare for Tuesday night's opening game against powerful Lubbock Christian.

And this year's Bobcats will face such teams as Lubbock Monterey, Estacado, Dunbar, Borger, Perryton and Morton.

Otherwise, Cleveland doesn't have many problems. The probably starting lineup for Tuesday night's opener "is very questionable," Cleveland admitted.

"It's also doubtful when Randy Washington (5-9 junior) and Gary Naylor (6-2 senior) will get over their football injuries and get to play," he said. "I expect both of them to eventually be starters, but I don't know when."

Washington has a cracked rib, and Naylor is getting over a bout of hepatitis.

The Bobcat varsity includes only four who lettered last

year. They are Robin Ryan (6-1 senior), Vicente Salinas (6-1 senior), Norris Cole (6-1 senior) and Naylor.

Up from the junior varsity are Phil King (6-2 sophomore), Matt Gilbreath (5-10 senior), Washington, Steve Stone (5-9 senior), Ruben Nino (5-10 senior), Jeff Lindsey (5-8 senior), Joe Nino (5-9 junior) and Craig Jones (5-11 senior).

And up from junior high is the squad's youngest player—Cleveland's son Kevin, a 5-8 freshman who's been shooting baskets and traveling with the Bobcat varsity since he left diapers.

Five of these squadsmen will replace the starters who last year advanced to the regional championship game, where they lost by a point to state champion Seminole. Three of last year's starters are in college now on athletic scholarships.

Cleveland winces when he talks about Tuesday night's opening game, which will be played here.

Last year, you will recall, Lubbock Christian's Eagles

came screaming into town with a 14-0 record—and the Bobcats handed them their first loss.

"They're loaded this year—they've got all five starters back," Cleveland sighed.

The Bobcats will follow Tuesday's opener with two more home games against Perryton and Hereford before they go into the Hereford Tournament Nov. 29. There, they'll open against Lubbock Monterey.

This will be the Bobcats' first appearance in the Hereford Tournament. For years their first tourney was in Plainview, and last year they went to Snyder.

Also, Cleveland has substituted the Tulia Tournament Dec. 7 for the Reese AFB Tournament. As usual, the Bobcats will compete in the Caprock Tournament during Christmas week.

The reason for the tournament changes?

"We tried to get our boys and girls together in the same tournaments," Cleveland explained. "We got in the Levelland Tournament and drop-

ped Reese, but then Levelland dropped its boys' bracket. We also both scheduled the Hereford Tournament, but then the girls got an invitation to the Queens Classic in Plainview, and couldn't turn it down since it's such a prestigious one. So we didn't end up in any tournaments together anyway."

The District 3-AA race, Cleveland predicts, will be closer than usual, with Morton as the preseason favorite.

Morton returns four starters this year.

"Muleshoe is going to have a good ball club—they've got a lot of good kids," Cleveland said. "Littlefield has three or four kids back, and they'll be good. And Friona—it won't matter what they have, they'll be tough when they play us."

"Morton will be good, but I don't think they'll be overwhelming," Cleveland added. "I think everybody—especially the top four—is going to lose to somebody. It's going to be tighter than usual."

More about County...

[Continued from Page 1] tin, his attorneys and County Attorney Jimmy Davis agreed to confer to try to draw up an interim agreement which would be acceptable to both the city and the county until final action can be taken on a permanent contract.

The court gave final approval to a bid from Regal Buildings of Lubbock to erect a steel brick-front shell east of the city hall to house the Human Resources Corp. The revised bid of \$29,640 will cover the cost of construction of a 40x100 ft. building. HRC will complete the interior in lieu of seven years' rent. Hazel McGill, from the HRC office in Amarillo, said the plans would now be sent to the Justice Department for approval, which she anticipates will be forthcoming soon.

The new building will consolidate all HRC functions—help for the aged, food stamps, Aid to Families with Dependent Children and other services—in one location.

In other action, the court: —Agreed to approve an increase from six to seven percent in deductions for the retirement fund for county employees, effective Jan. 1, 1980.

—Canvassed and certified the results of the Nov. 6 constitutional amendments election.

—Planned to meet at a future date with County Attorney Jimmy Davis to prepare their answer to the suit brought against the county and commissioners' court regarding precinct lines in the county.

More about School ...

[Continued from Page 1] book and rescinded all previous policy books.

—Heard a report that there are 106 students enrolled in six adult evening classes being conducted at the high school.

—Received copies of an information booklet entitled "Know Your Schools" which will be distributed to patrons of the school district.

Airman completes basic AF training

Airman Rodolfo G. Molina, whose wife, Estella, is the daughter of Mr. and Mrs. Eusibio Robledo of Hart, has completed Air Force basic training at Lackland AF Base and has been assigned to Chanute AFB, Ill.

Airman Molino, a 1975 graduate of Lockney High School, will now receive specialized instruction in the aircraft maintenance field. By completing basic training he earned credits toward an associate degree in applied science through the AF Community College.

Police calls

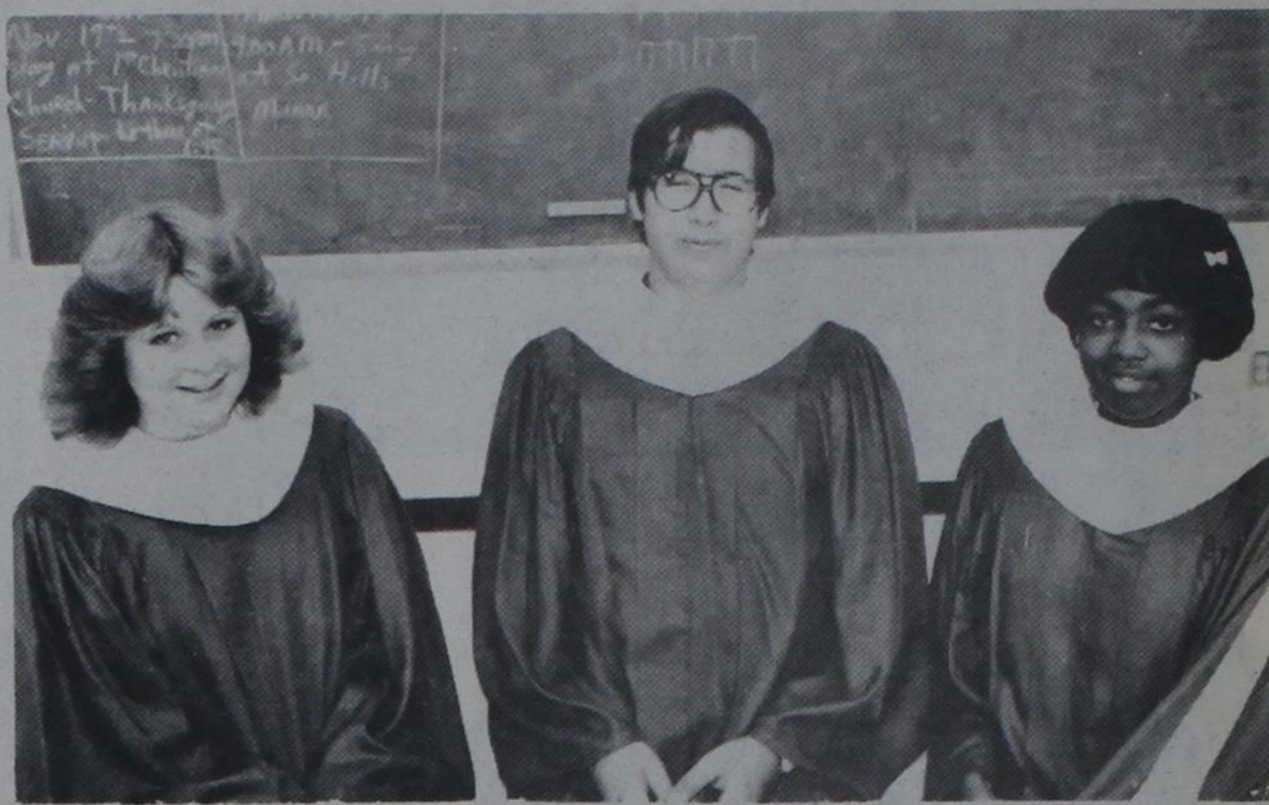

Two youths were turned over to juvenile authorities last Monday after they confessed to stealing, forging and passing two checks (\$250) on the account of a Dimmitt woman.

Police also found two 10-speed bicycles at the boys' residence that had been stolen previously. One of the youths reportedly took a hydraulic bumper jack valued at \$65 from one of the places where the youths reportedly passed a check.

A total of \$83 was taken from a vehicle while parked in front of 901 W. Bedford last week.

Four tires were reportedly cut on a car belonging to Don Stone while it was parked at Dimmitt High School. Stone told police that he left the car parked at the high school while he attended the Dimmitt-Muleshoe game. The lost tires and a scratch on the side of the car were estimated at a loss of \$250.

Police officers booked 21 into county jail over the weekend on charges of DWI, illegal alien, drunk and disorderly.

ALL-REGION WINNERS—These three Dimmitt High School choir members won berths in the All-Region Choir at tryouts held in Lubbock recently. They will travel to Lubbock

Nov. 30 for a two-day clinic. From left are Lisa Weaver, second alto; James Lee, baritone; and Rena Moore, first alto.

Yarbrough-Birkenfeld vows spoken in Nazareth Church

MRS. FLOYD PAUL BIRKENFELD
The former Donna Jo Yarbrough

The marriage of Donna Jo Yarbrough of Fritch and Floyd Paul Birkenfeld of Nazareth took place in a mid-afternoon ceremony Saturday in the Holy Family Catholic Church at Nazareth.

Rev. Stanley Crocchiola, pastor, celebrated the nuptial mass for the daughter of Mr. and Mrs. Billy Joe Yarbrough of Taloga, Okla. and the son of the late Mr. and Mrs. Edgar Birkenfeld.

Her aunt, Mary Ellen Yox of Germany, attended the bride as matron of honor. Bridesmaids were Alvina Monroe of Amarillo, Debbie Shivers of Las Cruces, N.M. and Kim Sanders of Borger. Rick Kleman, a cousin of the groom, was best man. Doyle Kleman and brothers of the couple, Gerald Birkenfeld and Emmett Yarbrough of Fritch, were groomsmen. Shannon Lee Yarbrough carried the rings and Chrissy Wethington was the flower girl.

Rosemary Kleman and Teresa Wethington served as water and wine bearers. Ushers were Billy Yarbrough of Taloga, Wesley Durr of Canyon, Bob Birkenfeld and Glen Kleman.

Alma Conrad, organist, played the processional march. Wedding songs were presented by Tricia and Genda Gerber.

Wearing a gown of ivory bridal satin, Miss Yarbrough was given in marriage by her father. Her dress had sheer long sleeves gathered to wide lace cuffs and a lace yoke with wedding ring neckline. Flaring from a high waistline, the skirt was styled with a lace-edged apron in front, and shaped into a train also edged in the lace.

Her shoulder-length illusion veil had a border of the flower-patterned lace and was held with a lace caplet. She carried blue carnations matching those in the altar bouquet.

Her attendants were dressed in blue chiffon with matching lace capes. Each wore a blue silk rose with a spray of babybreath in her hair, and carried a long-stemmed rose.

A reception and dance followed the wedding as the couple greeted friends at the Nazareth Community Hall. They will make their home in Nazareth.

Mrs. Birkenfeld is a graduate of Fritch High School and attended Phillips College at Borger. Birkenfeld, a farmer, graduated from Nazareth High School.

Teresa's topics Save household energy

By TERESA E. CRISWELL

Cutting energy costs in and around our homes will give us an opportunity to spend our dollars in areas that would be more beneficial for yourself and others. And you will feel better, too, about your energy bill if you conserve fuel.

You can become a better energy manager by following these energy suggestions.

Insulation reduces heat loss or heat gain, improves comfort and reduces energy required for heating and cooling:

Ceiling - minimum 6-inch mineral wool equivalent.

Walls - minimum 4-inch mineral wool equivalent.

Crawl space or unheated basement - minimum 2 inch mineral wool equivalent.

Window protection for winter: install storm windows, or double or triple glazing, or cover windows with plastic.

Utilize winter sun: south and west window exposures are best for living areas.

Protect house from cold winter wind. Plant or build a windbreak landscape treatment; design house for maximum protection; protect entrances.

Seal air leaks: weatherstrip doors and windows; caulk cracks; seal unused doors.

Protect house from summer sun. Plant trees; install a roof overhang to protect windows; use awnings or other treatment.

Utilize breezes for cooling during warm season. Open windows in evening, close during mid-day.

Temperature control:

Reduce daytime home heating in winter, maintaining 68 degree F. or lower temperature.

Set air-conditioning unit to recirculate cool air instead of pulling in warmer outside air. Increase temperature setting for summer air-conditioning, 78 degrees F. or higher. Reduce nighttime winter temperature 5 - 8 degrees or more.

Use window and attic fans for cooling during summer when outside temperature is below house temperature.

Maintain heating and cooling equipment in good operating condition.

Keep air filters clean to make it easier for heating and cooling system to do its job.

Close off unused rooms and closets.

Use kitchen and bathroom exhaust fans only when necessary.

Install an exhaust fan in attic to remove hot air in the summer.

Shade windows from direct sun in summer with draperies and roll up shades to receive sun's heat in winter.

Close off flue when fireplace is not in use.

Select an energy efficient air conditioning unit the proper size for space to be cooled. It is better to buy a slightly undersized unit rather than an oversized one.

Repair leaks and insulate heating and cooling ducts in spaces not heated or cooled.

Reduce heating and increase cooling temperatures when away from home for long periods of time.

Heating water: Reduce the amount of hot water used.

Insulate long hot water pipes, especially those under the house or those that go through unheated basements. Repair leaky faucets.

Maintain regular temperature setting of 140 degrees F. on water heater when hot water is needed.

Laundry: Wash only full loads of laundry.

Use heated water in only the washing cycle.

Use water no hotter than necessary for adequate soil removal and sanitation.

Use good laundry techniques to obtain satisfactory results in one washing process.

Avoid over drying in the dryer.

Line dry garments and household items when practical.

Use the dryer efficiently. Avoid drying one or two items at one time.

Remove items when dryer stops to avoid unnecessary wrinkling that will require pressing to remove.

Reduce ironing to a minimum by careful selection of garments and household linens.

Cleaning and maintenance: Empty or replace vacuum cleaner bag frequently.

Wooten-Bills wedding set Thanksgiving

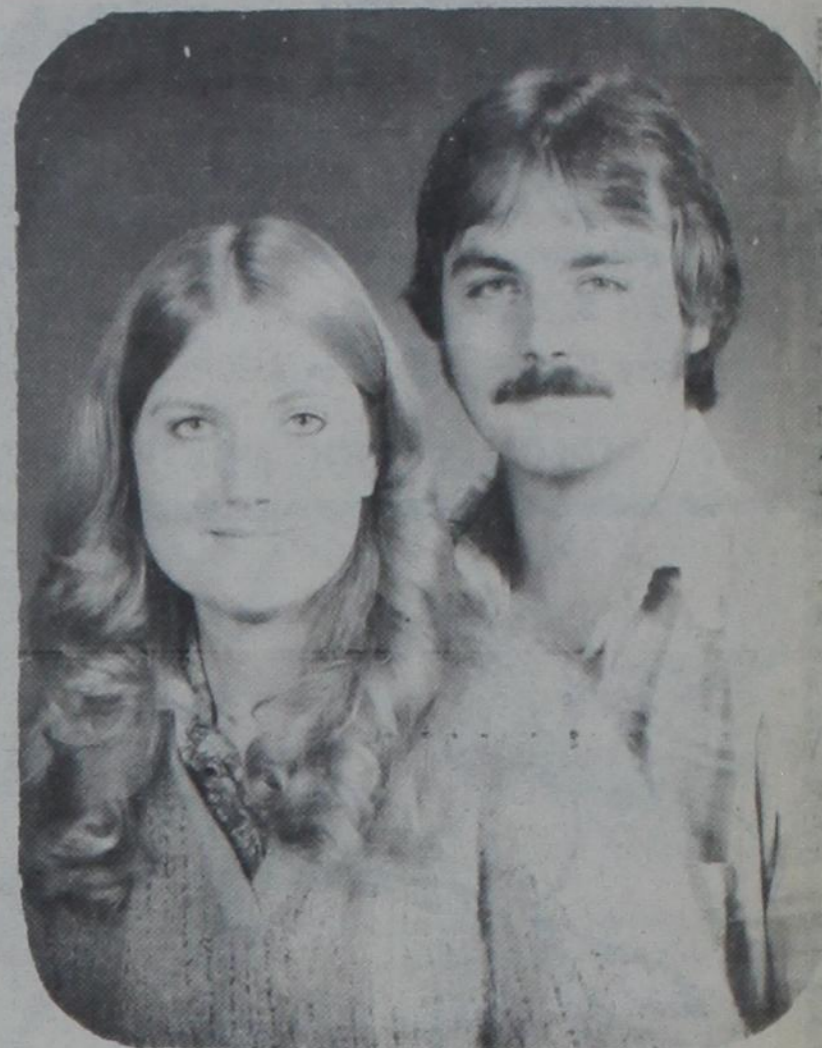

Mr. and Mrs. Rex Wooten of Dimmitt announce the engagement of their daughter, Joyce Ann, to Randy Dwayne Bills, son of Mr. and Mrs. Richard Bills of Earth.

The couple plans to be married at 6 p.m. Thanksgiving Day at the First Baptist Church of Dimmitt.

Miss Wooten is a graduate of Dimmitt High School, attended Texas Tech University and is currently employed at Citizens State Bank of Earth.

Bills is a graduate of Springlake-Earth High School, attended South Plains College and farms in the Earth area.

Friends of the couple are invited to attend the marriage ceremony.

Jenny Huseman and Kerry Teafatiller

Marriage planned

Mr. and Mrs. Louis Huseman of Nazareth announce the engagement of their daughter, Jenny, to Kerry Teafatiller. The couple plans a Jan. 5 wedding in the Holy Family Catholic Church at Nazareth.

Miss Huseman, a graduate

of Nazareth High School, has attended West Texas State University.

Her fiance, the son of Joe Ann and Dois Teafatiller of Tulia, is a student at WTSU after graduation from Tulia High School. He is employed by Swisher County Cattle Co.

DECEMBER WEDDING PLANNED—Rita Wall and Robert L. Kramp plan a 7 p.m. Dec. 7 wedding at Lee Street Baptist Church of Dimmitt. Miss Wall is the daughter of Joe and Daveine Wall of Dimmitt and the groom-to-be is the son of Al and Carol Kramp of Gurnee, Ill. Miss Wall is employed by Continental Telephone and Kramp is employed by Paxton Tire. Friends and relatives of the couple are invited to attend.

[Compiled from the Community Birthday Calendars of the County Home Demonstration Council and the Nazareth American Legion Auxiliary.]

NOVEMBER 15 — John and Doris Wait.

NOVEMBER 17 — Joe and Linda Nowak, Melvin and Joy Wethington.

NOVEMBER 19 — Mr. and Mrs. Jerry Brown, Ivor and Hazel Bagwell, George and Barbara Hudson, Mr. and Mrs. Irvin Ott.

NOVEMBER 20 — Bill and Ann Murphy.

NOVEMBER 21 — Frances and Alfred Schacher, Roy and Mary Hefner.

SAVE time, money and gas—do your Christmas shopping early in Dimmitt!

Special advance sale will precede bazaar

A special sale of unusual handmade articles will be an advance feature of this year's Holiday Bazaar and Buffet, as has become a custom in past years for the sponsoring Plains Memorial Hospital Auxiliary.

The bazaar will open at 10 a.m. Dec. 7 and the buffet lunch will be served from 11:30 a.m. to 1:30 p.m. in the County Expo Building. The special sale is being conducted now.

One special item is a Christmas tree with unique decorations, now on display in a Village Shop window. Tiny stuffed animals, toys and dolls hanging on the branches include a sequined butterfly and a woolly white lamb, all handmade.

Other sale items are a denim bag with needlepoint decoration and a needlepoint bell pull.

In addition to these special items, numerous other handmade articles suitable for

Christmas gifts will be on sale in the bazaar, which will be open throughout the day.

PMH Auxiliary members have been holding weekly workdays this fall at the Senior Citizens Center to complete bazaar merchandise. Others have worked throughout the year on items for the annual sale.

The luncheon will feature dishes made from favorite recipes of the members, and Dimmitt residents have learned to expect a meal to please gourmet tastes.

Proceeds of the holiday event will go toward purchase of equipment needed by Plains Memorial Hospital, but not provided in the regular budget.

The yearly Auxiliary sales and a Christmas greeting project of the Auxiliary have supplied equipment varying from kitchen appliances to intricate machines used in treating heart patients.

Tops schedules holiday party

A Christmas party for the Dimmitt Tops Club has been set for Dec. 10 at Rhoads Memorial Library.

Due to the Christmas party, members decided not to have the regular November fellowship. Plans for the party will be discussed at the next Tops meeting.

Oleda Schumacher was Tops of the Week with a weight loss of 2 1/4 pounds. Carolyn Copeland was Kops of the Week.

Sixteen weighed in with a total loss of five pounds.

Longhorns shut down Vega stampede, 20-12

By MONTY UPTON

Hart's Longhorns finally put together a full game of team effort Friday night and upset the 20-point favorite Vega Horns, 20-12.

Consistency in blocking by men like Daniel Higgins, Danny Rodriguez and Phillip Hawkins, along with backups Dave Ingram, Phil Foster, Clay Barnes and Augustine Perez, helped spell the difference on offensive execution.

Although stuttering at times, the defense usually came through in critical situations, thanks to men in the trenches like Scott Jones, Guy Scoggins and Roy Martinez. The secondary, with the help of John Barretero, Keith Newsom, Isaias Ponce and Daniel Guzman, held Vega to two pass completions for the evening. The coverage gave Hart several opportunities to sack the QB as nose guard Jesse Gonzales and linemen Marlin Marble, Benny McLain and company sacked Vega's Scotty Cook five times for minus 43 yards.

Hart's defense shut Vega down without a yard on two possessions in the first quarter. In addition, the Mean Maroon established a drive from its own 13, using the running of Newsom, Ponce and FB Lorenzo Valenzuela, plus a Derek Rich to Chad Black pass of 24 yards. Hart used 15 plays to go 87 yards for the first TD on a 2-yard Rich keeper. Newsom then added the kick.

Using excellent defensive play of Valenzuela and Black, Hart stopped Vega on its next two possessions. It was in the latter series that the rush of Gonzales, Marble and McLain began to pay off in sacks. However, a Maroon miscue

gave the ball to Vega at the Hart 43. A Cook to Rick Jones pass carried to the 25, and four plays later RB Rob Groves broke through from the 9 for Vega's first TD. The PAT pass was incomplete.

Not to be outdone, Hart's Roy Martinez returned the kickoff to the 44. Using Newsom almost exclusively, Hart drove to the Vega 30. From there, Rich hit Newsom on a pass for 22. On the next play, Rich completed an eight-yarder to Chad Black for the score with only 18 seconds left in the half. Newsom added the kick to make the score 14-6.

Following intermission, neither team established a drive on its first possession. Vega's second ownership ended when Gonzales sacked Groves for a 13-yard loss on a fake punt. Hart's second possession led to a score by Ponce that was called back because of a holding penalty—one of only four penalties all night. As the final quarter started, a bobbled pass from center on a field goal attempt ended the threat.

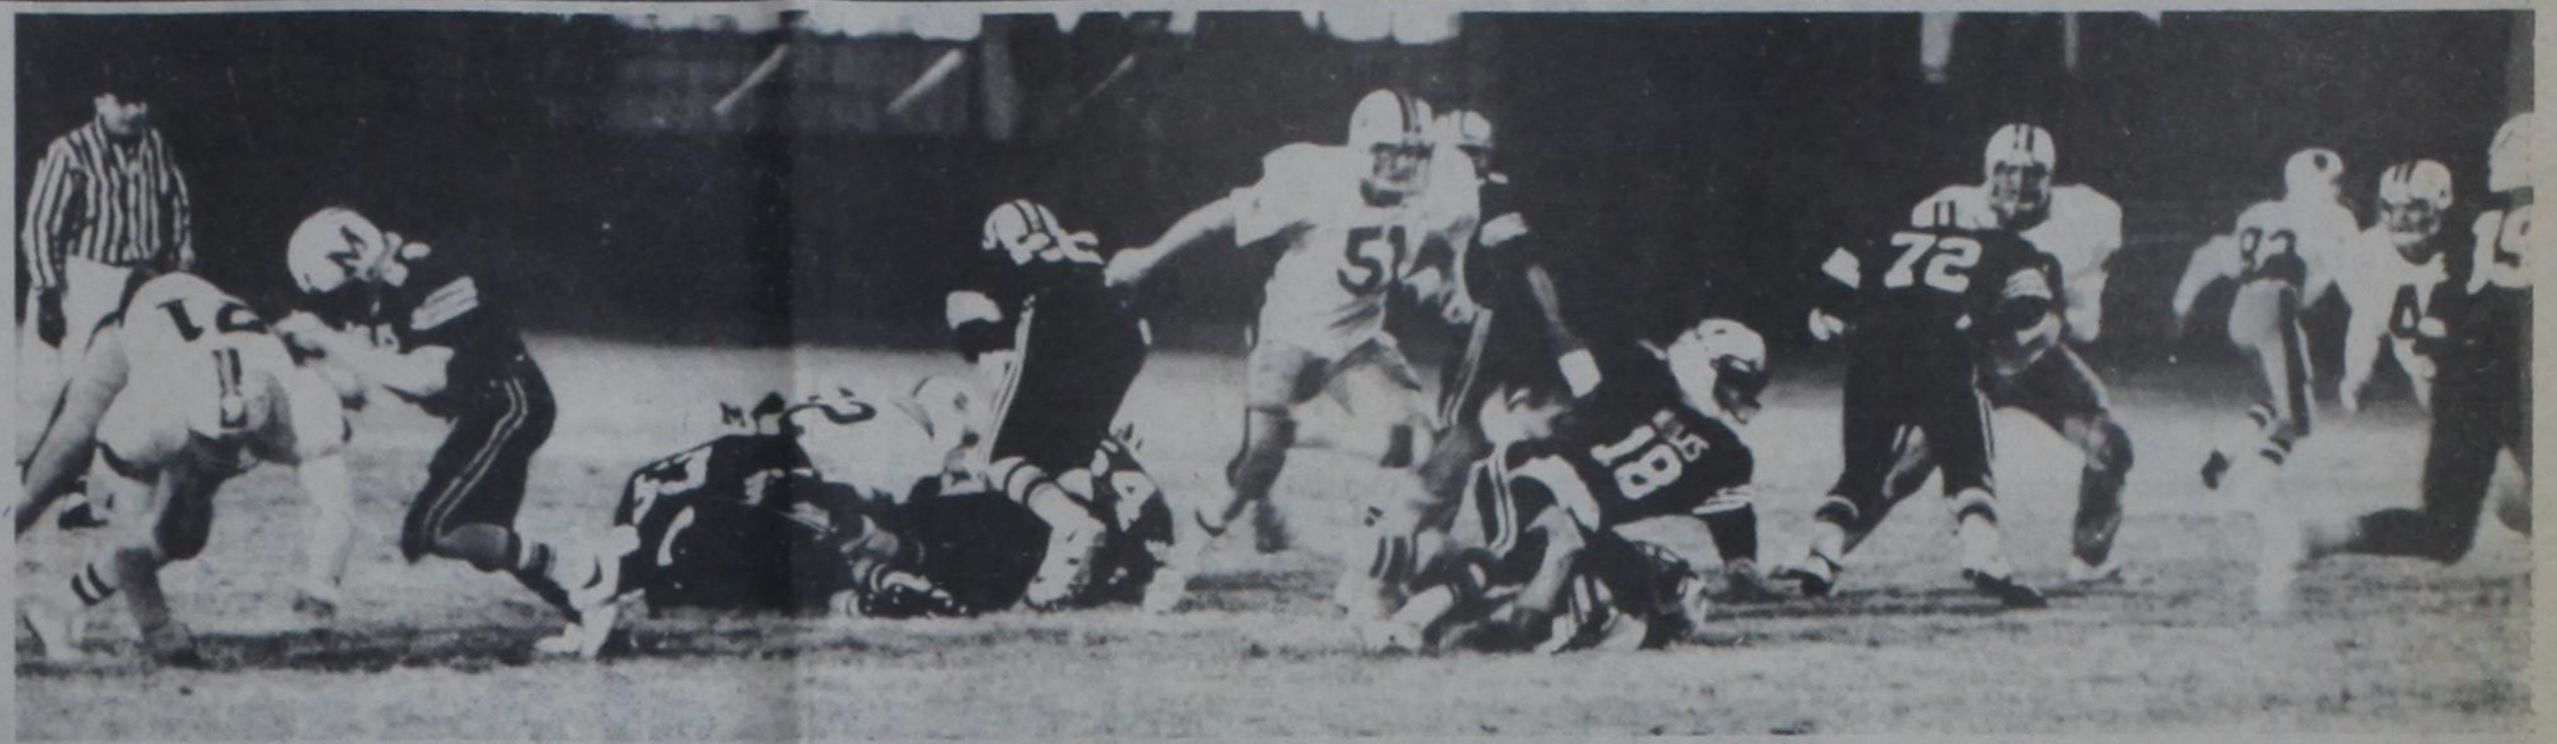

Taking the ball on its own 19, Vega drove for its second score, using 12 plays. Cook got the score on a 35-yard bootleg that fooled the defense. Following Vega's only penalty (for motion), the PAT pass was incomplete.

Hart took the ball following a 21-yard Newsom kickoff return. Driving 59 yards on runs like Newsom's 19-yarder and several other good gainers from him and Ponce, Ponce got the score from six inches out with 1:26 showing on the clock. The kick failed.

As time ran out, Hart was eating Vega's sack lunch on the pass rush. Rich had completed six of seven passes on the evening for a fantastic 85% completion record. Newsom toted the ball 150 yards on 30 carries for a five-yard average. Both records indicate the fine effort of these young men and the quality of blocking in front of them that allowed such yardage.

The Mean Maroon, now 2-2 in district play, will travel to Springlake-Earth Friday to finish out the season.

QUICK SACK—Muleshoe runningback Felix Norman [19] is waiting for a pitchout, but it never comes as Dimmitt's Ben Holcomb shoots through to nail Mule quarterback Monti

Vandiver [18] in the fourth quarter of Friday night's District 3-AA encounter at Muleshoe. Following Holcomb through the middle of the Muleshoe line is Norris Cole [51]. The powerful

Mules struck for five touchdowns in the second and third quarters to take a 34-0 victory and virtually wrap up the District 3-AA championship.

Whalin spurs Mules to 34-0 victory

By JOHN BROOKS

Friday night, West Texas State assistant football coach Gary Bartel went to the Muleshoe dressing room and told Muleshoe head coach Mike Wartes he wanted to talk to his "good one" after he had finished talking with a Dimmitt player.

"Which one?" Wartes asked.

"The good one," Bartel said.

Wartes shook his head, seemingly in disbelief. "I've got two."

But Bartel had an excuse. He saw only the second half of the Mike Northcutt-Sam Whalin show Friday night. He missed Whalin's act. He missed a real show-stopper.

Whalin scored 15 first-half points, nine of them on offense and another on the return of an errant Robin Ryan pass, as the Mules defeated the Dimmitt Bobcats, 34-0.

The Mules—who have the District 3-AA title all but penned up—sandwiched five touchdowns between scoreless first and fourth quarters.

Muleshoe was unable to muster much in the way of offense in the early going as the Dimmitt defense completely corralled Northcutt and running backs Zeke Pecina, Charles Walker and Felix Norman. The Bobcats, on the other hand, earned two first downs early before the Mules also stiffened up and, after a 15-yard punt by Gus Ortiz, the Mules took over at the Dimmitt 45 late in the first period.

Northcutt set to work immediately, running the pass-run option to perfection out of the triple-threat Veer offense. Keeping the ball on the ground on all but one eight-yard pass to flanker Jim Norman, Northcutt moved the Mules to the Dimmitt 5, then ran a quarterback keeper for the score. Whalin kicked the extra point, and the Mules led, 7-0, with 10:44 remaining in the second quarter.

After Jimmy Stewart returned the kickoff to the Dimmitt 26, Ryan dropped back to pass, and Whalin dropped back to defend from his line-backer spot.

Whalin won. He intercepted the pass, raced up the sideline and scored behind two beautiful Muleshoe blocks. He tacked on the extra point and the Mules led, 14-0, with 9:49 left in the first half.

Again the Bobcats were able to get two first downs before being forced to punt. This time the Gus Ortiz punt carried 51 yards, setting the Mules up at their own 20. Northcutt moved the Mules to the 47 where, on third down, he threw the bomb to Whalin, his tight end. Whalin, with deceptive speed for his 6-ft., 180-lb. frame, caught the ball in outstretched hands at full gallop and raced to the end zone, completing a 53-yard scoring play. Whalin tacked on the extra point, and with 3:24 left to play in the first half, the Mules had iced away a 21-0 lead.

But the Bobcats fought back. Stewart returned the kickoff to the Dimmitt 46, and Ryan once again went to the air. This time the pass fell incomplete, but Muleshoe was flagged for pass interference, giving the Bobcats a first-and-10 at the Muleshoe 26 with a minute left in the first half. Ryan hit end Steve Stone on a nine-yard pass to the 17, then

gave to Stewart for a first down at the Muleshoe 14. But again the Bobcats ended up frustrated, and lost 14 yards on the next four downs, turning the ball back over to the Mules at their 28-yard line with 26 seconds left in the half.

One of the highlights for the Bobcats was that their defense kept Muleshoe running backs Pecina, Walker and Felix Norman in check during the first half. By intermission, Pecina had six carries for two yards, Walker one carry for seven yards, and Norman carried four times for 26 yards. But Coach Wartes said something or did something at halftime that made the Mules come out smoking in the second half.

Muleshoe took the opening kickoff at its own 26 and,

keeping the ball on the ground, moved downfield. After a 33-yard pass to Whalin, Northcutt threw his first completion of the night. Prior to that, he was five-for-five, and ended the evening eight-for-nine for 141 yards. He went right back to the air, with a six-yard pass to the other tight end, Jesse Silguero. After that, fullback Pecina went to work with a 28-yard run to the Dimmitt 11.

Pecina once again got the call, scooted outside and into the end zone for the score. Whalin's kick failed, and the Mules' lead was extended to 27-0 with 9:54 left in the third period.

The Mule defense again held the Bobcats in check, and Gus Ortiz' punt of 31 yards put the Mules in business at the Dimmitt 45. This time, the Bobcats put up their best defensive effort of the night, twice holding Northcutt in check and dropping Pecina after a gain of two yards. After a 31-yard punt by Mule-

Frosh stomp Muleshoe in 35-0 fracas

Dimmitt freshmen stomped the Muleshoe Mules last Thursday in an outing that ended Dimmitt 35, Muleshoe 0.

A first quarter touchdown was scored by Richard Guzman. Jeff Watts kicked the extra point bringing the score to 7-0.

In the second quarter Watts recovered a fumble on the Mules 31 and on the first play after the fumble Ferman Gonzales ran 31 yards. Watts kicked the extra point.

Later, after a Muleshoe punt, Dimmitt drove 54 yards in nine plays and scored on an 8-yard pass from Ron Rick-enbrode to F. Gonzales. Johnny Gonzales passed to Guzman for two more points.

Late in the first half, Rick-enbrode passed 11 yards to Watts for a touchdown. Watts kicked the extra point 29-0. The last TD was a 29 yard drive in five plays.

Ray Owen recovered a Muleshoe fumble. Two plays later F. Gonzales ran 8 yards for the final TD.

Neither team threatened to score anymore, Coach John Thomas said.

Hart teams defeat Vega

Hart's 7th and 8th grade teams combined to defeat Vega on its home turf last Thursday, finishing with a 28-12 score.

The Hart JV's defeated Vega 14-0.

Outstanding offensive players in the 7-8 Grade game were Robert Gonzales and Rene Gonzales.

Outstanding defensive players were Freddy Washington, Robert Martinez, Bruce Finch and Daryl Ethridge.

The Hart 7th and 8th graders will play against Springlake-Earth next week.

"They will be tough to beat," the Hart coach said. "The S-E team is undefeated this year."

The two Turner brothers will have to play each other. Both Turners are coaches.

Coach Browning said that "our defense played an excellent game. We had a goal line stand, Vega had first and goal at the 4-yard line and we held them."

Sheffy's Chatter

Great-grandchildren's birthdays call for dinner

By MYRTLE SHEFFY

Helen Richardson left here for Dallas Saturday morning where she will join her Richardson-in-laws for a family get together. Helen is a busy person, she has worked many hours trying to get Castro County people to write their stories for the history book, helps at the Senior Citizens and made a talk before she left at the Legal Secretaries' meeting.

Clyde and Clara Vick and granddaughter Jamie Stidham left Saturday for Alamogordo, N.M. to visit Clara's brother Coy Norris and family. That town is just west of the famous White Sands.

Barbara Wheat made a business trip to Plainview Saturday in the interest of Dimmitt's Eastern Star.

Evie Froehner was in Dallas last week. She attended a school administrative meeting, also visited a while with her sons Dr. Robert and George Froehner.

David Seale and Jacque Warbonnet were married in Dimmitt Oct. 27. David is the son of J. O. and Mattie and Jacque is the daughter of Mary Holman and Joshua Warbonnet. The young Seales will live in Lubbock.

Sharon Welch Patton has graduated with a doctors degree in theology and languages from Vanderbilt University in Nashville, with a straight A the whole term. Grandmother Edith Graf tells me that she had 125 typewritten pages of tests to do. Her parents are James and Reta Welch, her husband Jim Patton, a student in Murphersboro, Tenn., is also an A student in agri economics. His parents are Jack and Clara.

Tina Rawlings, Deanne Clark, Becky Killingsworth and Juanita Bruegel attended the state convention of Republican women at Austin last week. Main speakers were Gov. Bill Clements and his wife Rita, several senators and representatives were there. They saw the ball game between Tech and the Longhorns. Also there from Dimmitt at the game were Jack and Myrna Miller, Ronnie and June Parker, Jimmy and Nancy Ross, John and Dorothy Gilbreath, and these boys at the game stayed with Tobin

Joanne Montgomery of Midland has been here for a visit with her aunt Myrna and Jack Cowsert, cousin Shirley and Harold Stephens and aunt Monette Montgomery. She is the daughter of the former Cecil Montgomery.

Suzie Ellis and three-year-old Julie of Amarillo were Sunday guests of her mother Aural Davis. They all attended the Tech homecoming game and watched the snowy parade.

Florence Stafford, Mary Hestand, Louise Boyd of Clovis and Patsy Lou Merritt of Farwell went to Gravette, Ark. last week to visit their brother Doyle and Betty Houtchens. Shotgun Stafford says the sisters like to get together once a year to talk and giggle about family.

Micaela Trigo, or we call her Mickey, and her brother Hildo De La Cruz, a sister Estela Lopez went by jet to Zacatecoz, Mexico to visit relatives and Mickey's daughter Yolonda is 15-years-old today. Happy birthday to you.

Russel and Myrtle Lois Moran are home from Atlanta, Ga. where they visited daughter Pat. They saw the town, ate at the good cafes.

Mrs. Jackie Clark was hostess with a bridge party and food at "Somethin' Special" Tuesday. Guests were Pat Braafladt, Martie Benton, Nancy Ross, Sandra Potts, Dorothy Gilbreath, Stefanie Love and Virginia Hansen.

Mr. and Mrs. Melvin Bray of Lubbock were here for a visit with Earl and Mabel Brock recently. Melvin and

Touchstone, a student at UT, were Kyle Touchstone, Kyle Broderson and Carl Langford. Bill and Deanne Clark went to Wichita Falls Hospital Thursday to be with his mother, Mrs. Bill Clark Sr. of Vernon, who had a serious heart attack. We wish her well.

Jennifer Hanners, young daughter of Jerry and Susan, was hostess at a party Friday. She invited her special grand-ma-type friends in for cake, coffee and punch. These are her coffee friends, Alice Anthony, Mary Edna Hendrix, Hazel Bagwell, Beral Hance, Myrtle Sheffy, Genevieve Howe, Deanne Clark. Others invited were Donna Smith, Joyce Hunter, Jenny Hyatt, Ruby Dempsey, Christine Pennington.

Cletha George was hostess to the Friday bridge at the Senior Citizens party room. We had dinner there and Cletha served cake and coffee to Dorothy Elder, who won high score, Bobbie Damron and Gladiola Shipley won a tie score for second, Myrtle Sheffy, Retta Cluck, Betty Cartwright, Carolyn Copeland, Polly Manning played while I went to Jennifer's party, and Ruth Wooten played a while when Betty left for home.

I hear that Trellis Summers is home from St. Anthony's Hospital in Amarillo. He had a broken hip. He was working cattle and a mean steer ran into him, kicked him in the air and down he came, causing a broken hip.

Joanne Montgomery of Midland has been here for a visit with her aunt Myrna and Jack Cowsert, cousin Shirley and Harold Stephens and aunt Monette Montgomery. She is the daughter of the former Cecil Montgomery.

Suzie Ellis and three-year-old Julie of Amarillo were Sunday guests of her mother Aural Davis. They all attended the Tech homecoming game and watched the snowy parade.

Florence Stafford, Mary Hestand, Louise Boyd of Clovis and Patsy Lou Merritt of Farwell went to Gravette, Ark. last week to visit their brother Doyle and Betty Houtchens. Shotgun Stafford says the sisters like to get together once a year to talk and giggle about family.

Micaela Trigo, or we call her Mickey, and her brother Hildo De La Cruz, a sister Estela Lopez went by jet to Zacatecoz, Mexico to visit relatives and Mickey's daughter Yolonda is 15-years-old today. Happy birthday to you.

Russel and Myrtle Lois Moran are home from Atlanta, Ga. where they visited daughter Pat. They saw the town, ate at the good cafes.

Mrs. Jackie Clark was hostess with a bridge party and food at "Somethin' Special" Tuesday. Guests were Pat Braafladt, Martie Benton, Nancy Ross, Sandra Potts, Dorothy Gilbreath, Stefanie Love and Virginia Hansen.

Mr. and Mrs. Melvin Bray of Lubbock were here for a visit with Earl and Mabel Brock recently. Melvin and

Mable are twins. Mr. and Mrs. Earl Manning were here from Houston visiting his brother Shorty and Polly Manning. I saw them at the Senior Citizens bake sale Wednesday. Also the hospital auxiliary ladies are at the Senior house working on many interesting things for their bazaar, coming up Dec. 7. That and dinner at the Expo building.

Eleanor and Ray Koehler of Fort Collins are here for a visit with Jack and Myrna Cowsert, as are their children Jim and Jan from San Angelo. Betty McCormick of Borger spent a few days with her former in-laws, Clayton and Betty Graef. She came with them to one of the Tuesday evening parties at the Senior Citizens.

At the grocery store I met Sharri McLain. She and husband Chester have moved here recently to 509 W. Jones and they are in the process of buying the Sweet Shop from Mrs. Cleo Connell. They lived in Hart for six months. Her town is Lubbock and Chester grew up in Wellington.

Roxanne McLean invited probably 25 of her friends in to see some of her paintings, some tole paintings and others. She served the ladies nut bread and coffee.

I was a guest at the annual brunch and Thanksgiving prayer time with the Legal Secretaries who met Saturday in the social room of Clara Vick's office. Hostesses were Clara Vick, Mildred Sheffy

and Rosa Bellinghausen and Martha Isaacs. Other members were here from Hereford were Winona Hefley, Jeannis Richardson was the speaker telling the ladies how "you can do anything you wish. You are good mothers and home makers, look at the good food you brought. You work at jobs outside to make money and so as not to be bored." She read a little prayer written by the former Mrs. Ward of Hereford.

Mayor and Mrs. Elmer Youts, Mr. and Mrs. Chet Braafladt and Mr. and Mrs. J. R. Brown are at home after attending the Texas Municipal League meeting in Houston. They went to the Spindletop for a gala meal, but Mauzee Youts missed a step and fell, fracturing her arm. She said she spent most of the remaining time in Houston taking care of the arm and is still not able to use it much.

Opal Bearden has been in St. Anthony's Hospital for a few days checkup. She plans

to spend Thanksgiving in Amarillo with her daughter Kay and grands, Scott Finneran and Patrice, who will be home from San Marcos.

Elmer and Jewell Scott were hosts at a big family get together meal last Monday, Mr. and Mrs. Loyd Farris of Hart, Mr. and Mrs. D. M. Socolosky and Altus Wright from Owasso, Okla, nephew Jimmy and Mary Cluck, a sister Retta Cluck. And Tuesday this same group, including Rickey and Suzanne Farris went to Loyd and Augusta Farris's house to celebrate his Jack Benny 39th birthday. Had a big dinner and the kin gave Loyd a money tree.

Saturday night a large group of friends went out to Stanley and Jackie Byrnes house to help "warm" it. The house is a very nice comfortable one on Sunset Circle.

Carla Moore was the 14-year-old birthday girl Sunday. Mama Dale made her a cake, a few friends came by in the

afternoon. They are Janice Hutcherson, Brenda Parker and Tina Jones.

Scott Armstrong, a student at Levelland College, was home to see parents Charles and Courtenay this past weekend and brought his friend Deanne Moore.

Mr. and Mrs. O. J. Seago and Mr. and Mrs. Howard Baker, all from Hartley, were Sunday guests of O. J. and Mrs. Baker's sister Mattie and J. O. Seale. They were at Sunday service at the Methodist church.

Edwin "Goose" Ramey and daughter Decimae Beene of Friona were hosts at a Sunday dinner to celebrate Goose's great-grands birthdays. La-Nora Ramey is 10 years old and lives in Amarillo and Brent Beene is 3 years. A big birthday cake decorated with the Sesame Street characters Ernie and Bert was served later. Other dinner guests were Jay and Sue Beene and

Ann Maria and Bub and Emily of Amarillo.

Mrs. Virginia Matthews of Sunray is here for a visit with her sister Billie Moyers, and both ladies went to Crosbyton Sunday to see their mother, Mrs. Attie Chappell, who has been ill. Billie works at South Grade lunch room.

Mrs. Orby Moore visited her son Harold and family in Lubbock a few days last week.

They all went to Harold's new farm southwest of Shallowater to see the snow and feel the cold. Grandsons Michael and Billie came home with Mrs. Moore for a Sunday dinner.

Helen McLean had a birthday so a group of friends went to her hospital room Sunday evening with gifts and good wishes. Geneva Schaeffer, [See CHATTER, Page 5B]

THE JOY OF SHARING

There is pleasure in doing things with others. It may be looking at a picture magazine, or riding toys, or for parents it may even be sharing knowledge of the day's events that bring joy. God's people have a desire to share with you in the greatest joy, that of worshiping together in God's House. **ATTEND CHURCH**

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

130-hp 4440

A beefy response to your long-term needs

The 4440 is indeed a powerful performer. But just as important, it has the strength to back up that power in the field. From stem to stern, it's beefier than its predecessor. There's a bigger-displacement engine, new engine cooling system, bigger transmission/ hydraulic oil cooling system, 4-pinion differential, wider final drives, and bigger drive axles. These are just a few of the points we'd like to cover when you stop by the store and ask for more information on the 4440.

"Serving the Best Grainmen in the Nation"

Grace for Thanksgiving Day

By Alice Kennelly Roberts

*Dear God, wherever we may be on this Thanksgiving Day
Gathered with loved ones in our homes or many miles away,
We bow our heads, remembering those who shared Thanksgiving past,
Those who have walked with us awhile whose love will always last,
We thank Thee for the joy of friends, the food before us set,
And for a tiny Pilgrim band whose trials we can't forget.
Help us to sift the good and bad, the hatred and the strife,
Grant us the wisdom and the strength to lead a useful life.*

Amen.

new members into the Dimmitt Rotary Club was launched at the Rotary lunch Friday.

Keith Mussett suggested a plan for each member to put \$5 into a fund which will go at the end of the drive to the one who has introduced the most new members. His plan was adopted.

In a discussion concerning the new city park George Lamberth, club president, announced that Rev. Rafael Chen, pastor of Immaculate Conception Church, volunteered to arrange for donation of labor on the park.

Judith Smith announced the results from the Turkey Walk. The Interact Club won two turkeys and plans to donate the turkeys to South Hills Manor.

Bob Ford, an architect from the Southwest Lubbock Rotary Club, spoke to Dimmitt Rotarians on the park the Lubbock Club is now working on, arranged for use by the handicapped.

"Until you've worked with the handicapped you don't know the grace, poise and love the handicapped children have," Ford said.

THERE are no armed forces in the countries of Iceland, Costa Rica and Lichtenstein.

SENIORS VISIT W.T.S.U.—These seven seniors from Dimmitt High School recently visited the West Texas State University campus for a tour. All seven plan to attend WTSU next fall. The students from left

bottom row are Elsa Montes; Mimi Salinas, WTSU junior who was the tour guide; Angie Silva, Keri Hufhines and Pat Gonzales. Top row are Ralph Salinas, Victor Gomez and Chonito Arce.

More about

[Continued from Page 3B] acting hostess, served the guests punch, sandwiches and cake and good things.

Allie Mae Willis told us about coming home from Denver through the Raton Pass that was icy and snow-cold. Quite an experience that we don't want to have.

Katy Burkett and Joy Barker are home from the hospital, doing well from recent surgery. Ginger Scarbrough is also fine and dandy now.

Faun Welker was hostess at a bridge party Saturday evening, assisted by Brenda Andrews. They served a curried chicken dinner. I heard it was a "Beat Cecil Crum night" and they all did have a better score, except Brenda. Guests

were Garnett and Polly Holland, Cecil and Virginia Crum, Earl and Betty Parish, Fred and Ramona Annen, Kenneth Jackson and Ray Robertson.
Joannis Robertson, Dorothy Mayfield and Nancy Greer went to El Paso last weekend for a visit with their friend Jerri Cummings, a former Dimmitt resident.
Jackie Batis, daughter of Mr. and Mrs. Jack William Batis, was given a big fourth birthday party recently by her classmates in the Christian Kindergarten in Gainesville. Jackie's mother is Flora Garcia Batis, formerly of Dimmitt. She's the granddaughter of Mr. and Mrs. Pablo F. Garcia, and the great-granddaughter of Josephine Jackson, all of Dimmitt.

James Gowdy services held in Lakeview

Funeral services for James E. Gowdy, 84, father of Morris Gowdy of Dimmitt, were held Sunday at First Baptist Church in Lakeview. Mr. Gowdy, of Memphis, died Friday.

He was born in Texas and had been a resident of Hall County for 80 years. He was a veteran of World War I. He married Jewel Morris in 1923 in Lakeview.

He is survived by three sons, Morris of Dimmitt, Earnest of Seminole and Ronny of Shamrock; two daughters, Billie Cook of Clovis, N.M., and Ima Ruth Hancock of Memphis; one sister, Grace Morehead of California; two brothers, W. M. of Lakeview and Pete of Waco, 13 grandchildren and eight great-grandchildren.

H. J. Wilhelm makes honor roll at TSTI

Henry J. Wilhelm was recently named to the President's Honor Roll at the Amarillo Campus of Texas State Technical Institute.

Membership to the President's Honor Roll is attained by maintaining a 4.0 grade average.

Wilhelm graduated from the Automotive Mechanics Technology Program, he is the son of Lavern H. Wilhelm of Nazareth.

He is a graduate of Nazareth High School.

Thanksgiving dinner slated at Nazareth

The annual Thanksgiving dinner sponsored by the Nazareth Christian Mothers will be held from 11:30 a.m. - 2:30 p.m. Sunday at the Holy Family Catholic Church.

Along with turkey and all the trimmings, homemade pies will also be served. There will be a charge of \$3.50 for adults, \$1.50 for children 6-12 and \$1 for those under six years of age.

A dance will be held Nov. 22 with the Rough Riders of Nazareth providing the music.

DESPITE higher prices, beef remains a bargain. A 1,000-pound Choice steer that sells for 68 cents a pound yields about a 600-pound carcass. The average cost of all retail cuts from the carcass would have to be about \$1.56 per pound just to pay for the animal. With the average national retail price for Choice beef at about \$2.20 per pound, consumers are paying only 64 cents per pound for all marketing and merchandising functions.

Zimmatic Low Pressure waters down overhead

Cutting overhead is one of the keys to profitable irrigation. With a Zimmatic Low Pressure System over your crop you can unlock the door to big savings. Start by cutting horsepower requirements by as much as one-third and keep saving because your system will likely be more efficient and use less water.

And choosing Zimmatic Low Pressure gives you more than an economical center pivot. You get the company that pioneered low pressure in center pivot irrigation. Lindsay developed Zimmatic Low Pressure to cut horsepower without cutting performance. Your pivot is still 100% Zimmatic with all the dependable features and top-quality material that Lindsay is known for.

If you're considering center pivot irrigation, consider Zimmatic Low Pressure... the pioneer. Come in soon and find out how to water down your overhead while you pump up your profits.

Area seminar to explore uses of feedlot manure

Potentials and considerations for using feedlot manure for fertilizer and fuel will be the topic of a regional seminar for farmers and feedlot operators to be held here Wednesday, Nov. 28.

The seminar will begin at 1 p.m. at the Castro County Exposition Building. It is being sponsored by the South Plains Development Program, Panhandle Economic Program

and the Texas Agricultural Extension Service.

The agronomic value of feedlot manure and recommended application rates will be discussed by Dr. H. Dale Pennington of Lubbock and Dr. Frank Petr of Amarillo. Pennington is area soil chemist and Petr is area agronomist with the Extension Service.

The use of manure on problem soils and high rate application of manure on irrigated lands will be discussed by Dr. A. C. Mathers. He is a soil scientist specializing in soil chemistry and fertility at the US Dept. of Agriculture Southwestern Great Plains Research Center, Bushland.

Weed problems and control methods will be explored by Dr. Rupert D. Palmer, Extension weed specialist from College Station.

Hauling and spreading feedlot manure will be a topic of Dr. John M. Sweeten, Extension agricultural engineer-waste management, from College Station. Sweeten also will discuss the conversion of feedlot manure to energy.

A panel of producers will discuss the utilization of feedlot manure. The discussion leader will be Charles Hottel, Castro County Extension agent.

Hauling and spreading feedlot manure will be a topic of Dr. John M. Sweeten, Extension agricultural engineer-waste management, from College Station. Sweeten also will discuss the conversion of feedlot manure to energy.

A panel of producers will discuss the utilization of feedlot manure. The discussion leader will be Charles Hottel, Castro County Extension agent.

'Other Woman' author will speak here

Judy Mamou, author of "The Other Woman" will speak at the First Baptist Church of Dimmitt at a dinner at 6:30 p.m. Nov. 26. Teela Malkuch of Amarillo will sing.

Miss Mamou has appeared on the 700 Club and on the PLT Club on television. She speaks frequently concerning her troubled early life and the change she experienced as a Christian.

Soloist Teela Malkuch is a member of the Paramount Baptist Church and her husband is the head coach at the River Road High School in Amarillo.

Women and teenage girls of all denominations are invited to attend. Tickets will be \$3.50 for women and \$2 for teenage girls. A ham dinner will be served in the fellowship hall.

A nursery will be provided for children to 3rd grade, but no dinner will be served to the nursery children.

Hart turkey shoot slated for Saturday

A turkey shoot sponsored by the Hart United Methodist Youth will be held from 10 a.m. - 6 p.m. Saturday at the Hart Gun Club range 1 1/2 miles south of the traffic light on Highway 168.

Shoots for ham and bacon will also be held during the day.

A shotgun drawing will take place at 5 p.m. Saturday. The public is invited to attend.

Castro County pheasant studies explained

Purpose of wildlife studies with emphasis in Castro County on pheasants, being conducted now in a cooperative project by Texas Tech and the USDA Forestry Service, was explained to Dimmitt Kiwanians at lunch Monday.

Among the speakers from Tech were Dr. Fred Guthrey, professor of range and wildlife management, and a graduate student, Mike Owen, who, with another student, Mark Watson, were involved in a bizarre incident in Castro County last March.

Lights they were using to place transmitters on pheasants in a lake bottom west of Dimmitt were mistaken for signal lights by the pilot of a plane which crash landed and proved to be carrying marijuana.

Guthrey and Owen told why the birds were being equipped with transmitters to study nesting habits, and asked that hunters who kill pheasants wearing the transmitters notify Tech personnel immediately.

Dr. Fred Stormer, project leader from the Forestry Service, spoke of that agency's interest in the study, which covers 10 Plains states. Since 1976, he said, 29 individual studies have been made in range and wildlife administration and agricultural economics related to income to landowners from wildlife management, recreational opportunities and environmental values.

Dr. Guthrey said three studies are in progress in this area, including nesting and habitat of pheasants, radio banding and wintering habits of the birds, all aimed at finding how to make profits for landowners.

Dr. Vince Luchsinger of Tech's business school said his department seeks to find how owners feel about leasing land for hunting, how different methods of leasing yield different returns, and get definite figures on costs and returns.

A questionnaire which the Tech group will ask hunters to complete this year can give much needed information for the study, according to Tra Cardwell, who gave copies of

the questionnaire to the Kiwanians.

Dr. Gene Mathia, whose field is economic analysis, spoke briefly, as did Dr. Jim Graves, who deals with marketing of wildlife as a member of Tech's department of agricultural economics, and Jim Kitchen.

Kiwanians were particularly interested in the reports, as they sell pheasant hunting permits on restricted land placed in their charge, and are now conducting the sale for the hunting season which will begin Dec. 8.

Bob Murdock, president, announced that the club is preparing material for a page in the Castro County History which will be published next year.

He also reported that several local members attended a District Governor's Conference in Amarillo last week.

Veterans Day is observed at VFW home

A sunrise flag raising ceremony and a memorial breakfast was held Sunday in observance of Veterans Day in the Dimmitt VFW post home. The event was sponsored by the Capt. Russell Slough Amvet Post 18 in conjunction with the Castro County Memorial VFW Post 8056.

About 20 were in attendance from both Posts to commemorate both the living and deceased veterans of all branches of the armed forces.

"All present felt the event was a success and it was enjoyed by all," said Dick Schacher of Amvet Post 18.

Firemen set annual Thanksgiving meal

The Dimmitt Volunteer Fire Department will hold its annual Thanksgiving supper at 7 p.m. Saturday at the fire station.

Each lady attending is asked to bring a covered dish for the dinner.

where the district head announced that emphasis for his administration is "Hand in Hand with Youth."

Guests from Dimmitt High School Key Club were Connie

Dennis and Bobby Crozier. Also introduced were Glenn Hatla, who will become a new member; George Wall, Leon Lay, Army Armstrong, Linda and Daniel Maxwell.

Sunnyside

Church women observe Day of Prayer

By TEENY BOWDEN

Lee Street Baptist Church and New Hope Baptist Church women from Dimmitt were guests of the Sunnyside SMU for the Baptist World Alliance Women's World Day of Prayer Monday. The guest churches brought the program, and the local church furnished the lunch which consisted of Italian lasagna, Spanish American chicken and rice, American seven layer salad, Uruguayan bean salad, French bread, and Swedish crepes. Those attending from Dimmitt were Mrs. Sharon Travis, Mrs. Betty Williams, Mrs. Laverne Rudd and Mrs. Lynette Rials from Lee Street and Mrs. Ed-

die Alexander, Mrs. Melissa Rogers, and Mrs. Jewel Spencer from New Hope. Nine local women were present. The room was decorated with flags of other nations and world stamp place mats were used.

Dr. Dan Kent, Bible professor of Wayland Baptist College, taught the Book of Hebrews each night this week including Saturday and Sunday nights and brought a message from Hebrews Sunday morning. He spent Saturday night with Rev. and Mrs. Raymond Jones and he and the Joneses were dinner guests of Mr. and Mrs. Roy Phelan Sunday. Mrs. Kent and their two daughters visited with him Friday night.

Several from the community attended the Homecoming activities at Springlake-Earth this weekend. Springlake-Earth won their game with Bovina 38-0. Kevin Riley was one of the football king candidates and Kim Haydon was crowned football queen. Jerri Ka Clark showed eight Southdown and one Hampshire lambs in the Livestock Show in Louisville, Ky. Saturday. Jackie Clark left

Thursday for Louisville to take care of the lambs. Sandra and Jerri Ka flew down Saturday morning.

A trace of rain was received Thursday afternoon, a trace of snow Saturday and .25 of an inch of rain Sunday night.

Mrs. Lillian Carson, Mrs. Lee Bradley, Sharon, Jack and Justin, and Mr. and Mrs. Carl Dean Carson and Deakon flew to Dodge City, Kan. Friday afternoon to attend the wedding of Gene Carson and Bonnie Steale Saturday. Carl Dean was best man. Joel stayed with his grandparents, Mr. and Mrs. Weldon Bradley. They all flew home Saturday after the wedding.

Mrs. Cecil Curtis spent Wednesday through Sunday in Lubbock with her father, E. M. Stephens of Petersburg, who was hospitalized Wednesday.

Ezell Sadler and L. B. Bowden attended the Better Weather, Inc. meeting in Earth Monday night.

Mr. and Mrs. R. V. Bills had dinner Sunday in Plainview with Mr. and Mrs. Raymond Spencer and family and spent the day with them.

Mr. and Mrs. E. R. Sadler spent Wednesday night in Lubbock with Dr. and Mrs. Myles Sadler and children. E. R. had his checkup Wednesday and got a good report. Mr. and Mrs. Bob Clatt of

Lubbock had supper Sunday night with Mr. and Mrs. Gale Sadler.

Mr. and Mrs. Carl Dean Carson and Deakon had supper Sunday night with Mr. and Mrs. Bruce Bridges and girls. Rev. and Mrs. Glen Smith and Byron of Springlake visited with them after church Sunday night.

L. B. Bowden killed four rattlesnakes Monday afternoon, one was a baby having only the button, the other three were 5-7 rattlers and the buttons. They were out sunning near their dens.

The Baptist Men met Tuesday morning for their monthly breakfast.

Baptist Young Women and

Mission Friends met Tuesday afternoon.

Mr. and Mrs. Tim Dawson of Hereford spent Saturday night and Sunday with her sister, Mr. and Mrs. David Sadler, Melody and Karla and attended the Sunday morning services with them. Mr. and Mrs. Jake King of Hereford visited with them Sunday afternoon.

Mr. and Mrs. L. B. Bowden visited with Mr. and Mrs. Mancil McWilliams in Plainview Wednesday afternoon.

Lynn Brown was home from South Plains College in Levelland over the weekend and attended the Springlake-Earth Homecoming activities, as was Tommy Graham from TSTI.

VETERAN'S SERVICES

By BEDFORD W. SMITH
County Service Officer

Veterans Day, Nov. 11, has come and gone for this year. We did have some local activities on Sunday in Dimmitt. After flag raising at the VFW Post, the VFW and AMVETS were hosts to a breakfast at the Colonial Inn. Both had goodly attendances, but there could be more, and memberships help keep alive the veteran benefits rightly deserved by those in the services. We have two other American Legion Posts in the county which are active—one at Hart and one at Nazareth. While to my knowledge we do not have a DAV Post in the county, the Disabled American Veterans do have members in Castro County.

Our office will be open Tuesdays, Wednesdays and Thursdays with other times by appointment to assist those VA pensioners who want to get assistance with their Annual Income Questionnaire cards. All must be in before Dec. 31 or there will be no check to recipients on Feb. 1.

A recent increase of nearly 10 percent in some Veterans Administration pension rates may prompt some veterans to take another look at the "improved" VA pension plan passed last year by Congress. The rate increase under the newest VA pension program is tied directly to increases in Social Security payments. The latter were raised 9.9 percent as of June 1, 1979.

Nearly 432,000 veterans have asked the VA to switch their pensions to the "improved" plan.

The improved plan offers substantially higher pension rates than the old program, but changes in some income counted under the new plan may make it advisable for certain veterans to remain under their current plan.

VA pensions are based on income and go to eligible wartime veterans who are permanently and totally disabled from causes not traceable to their service, and who are in financial need.

Pensions are also paid to certain needy survivors of wartime veterans.

Under the new pension rates, a single veteran may receive a maximum pension of \$3,902 a year, up from \$2,364.

Because certain income that is ignored under the old plan is counted in computing eligibility for the improved plan, some veterans will be better off not to switch plans.
