county

by b. m. n.

Dimmitt merchants had an opportunity last Saturday morning to display their wares before a large gathering of potential shoppers at the Expo building. The display of seasonable merchandise should have been sufficient to convince the most skeptical shopper that they need not leave Dimmitt to fill their shopping list. There were enough visitors to keep the cooks busy, during the early hours Saturday morning, preparing eggs, bacon, biscuits and coffee. The cooks were not professionals, but instead were chamber of commerce board members. If they ever decide to change professions they should be able to get employment with the finest restaurants.

The chamber of commerce sponsored the event Saturday morning, and under the leadership of Mrs. Heller, set the shopping tone for the Christmas season. Now is the time for the careful shoppers to do their buying while stocks are complete, and too, it will make it possible for the rest of us to get quicker service on Christmas eve.

The snow during the first of the week had good points and bad ones. It will be good for the wheat crop, but was a little rough on cattle and cotton. One cotton specialist said that it would cut the price of cotton, still in the field, about fifteen dollars a bale.

President-elect Ronald Reagan went to Washington this week to look the situation over where he will be working for the next four years. He applied for the job, the most difficult in the world, and was hired. When he assumes office January 20, with its attendant awesome burdens, he may wish that he was back in California fighting brush fires in his back yard.

After the first hundred day honeymoon, if it lasts a hundred days, he will find that things are not what they appeared to be from afar. The problems that looked simple from a distance will become complex and all but unsolvable. There has never been, nor will ever be, a time when this country didn't have

25,363 bales ginned so far despite snow
In spite of the weekend snowfall, local cotton gins are still hard at work. Approximately 25,363 bales of cotton had been ginned in Castro County as of Tuesday. KDHN Radio, official weather observer here, has estimated the snowfall at five to six inches, netting the area about .31 of an inch of moisture. That moisture, while it may be a blessing for the wheat farmers, has posed a slight setback for farmers harvesting cotton. The results of the snow may keep farmers out of their fields for as long as a week.

Blind corners ordered cleared

Hazardous intersections in the city provided the main topic for the Dimmitt Board of Aldermen at their regular meeting Monday.

The five-member board decided to send letters to property owners who are in violation of a zoning law which states that no shrubbery or other obstruction is allowed within 20 feet of any intersection.

Police Chief Ron Mitchell told the aldermen that he was especially concerned about several intersections "where the yield signs and stop signs are not visible" because of shrubbery growing next to the streets.

"The city could be held negligent," Mitchell said, in case of an accident at any of the intersections "where people have to pull out into the streets to see."

City Attorney Jack Edwards checked the City Code Book to find a ruling on the matter.

City Ordinance 137 states: "On any corner lot . . . no wall, fence or other structure shall be erected, nor any hedge, tree, shrub or any other growth permitted to be maintained in such location . . . so as to cause danger to traffic by obstructing the view."

The fine could be as much as \$100, Edwards said, for each offense for each day that the property owner is in violation of the code.

"I'm certain everyone will be willing to cooperate," Alderman Wayne Collins said, adding, "but let's handle this in a diplomatic manner."

The city governing board decided to send letters to offenders requesting that any obstruction be removed which is within 20 feet of an intersection and its curb.

As follow-up, the police will then check with property owners to see that the ordinance is obeyed. However, if some obstruction is still not removed, the daily fine of not more than \$100 will be enforced.

James Horton revealed Dimmitt Aerial Spray's plans to build a 10,000-sq. ft. hangar with offices, shop, fuel facilities and lounges on its land adjoining the city airport. Presently the spray company rents four hangars and land from the city.

The Federal Aviation Administration was upset with the plans, Horton said, because the city will lose revenue from the rentals. FAA wants the city's approval of the spray company's plans and a letter from the Board of Aldermen giving such permission, he added.

Not only did the board give its approval, but it apparently felt that fuel facilities, lounges and phones being closer to the runway would be an asset to the city airport. Alderman Roy Lilley [See Blind Corners, Page 12]

GIFT TO DIMMITT HIGH—This original oil painting by Houston artist Gay Beard was presented to Dimmitt High School Tuesday by the Roy J. Beard Educational Art Foundation. Presented during a student assembly, the painting now hangs in the DHS cafeteria for all students to enjoy. Posing with the painting are the principals of the presentation ceremony. From left are Toby Bureson, student

body president; Jack Beard, son of the late Roy J. Beard, who made the presentation; Deannea Merritt, senior class president, and Tammy Ross Robb, Art Club president, who unveiled the painting; DHS Principal Alex Glass; and Sue Broderson, DHS art teacher, whose department qualified the school for the gift. The painting, done especially for Dimmitt High, depicts a scene near Palo Duro Canyon.

Turkey dinner on tap Sunday at Nazareth

The Nazareth Christian Mothers Society will serve its annual Thanksgiving Dinner to the public Sunday from 11 a.m. to 1:30 p.m. in the Nazareth Community Hall.

Members will serve turkey with all the trimmings, homemade pies and rolls. Admission will be \$3.50 for adults, \$1.50 for children 6 to 12, and \$1 for children under 6.

The society will also sponsor a dance in the Nazareth Community Hall Nov. 29 from 9 p.m. to 1 a.m. Nazareth's Rough Riders Band will provide the music. Admission will be \$3 per person.

Travelers spend \$5.2 million here, state agency says

Americans traveling Castro County last year spent \$5.2 million, a new study done for the Texas Tourist Development Agency reveals.

The figure is 17.7 percent above 1978.

The Washington-based US Travel Data Center found 116 travel-related jobs in Castro County, with a payroll of \$832,000.

Travelers paid \$38,000 in local taxes, and \$71,000 in state taxes. The study includes travel for all purposes. It measures the impact of all overnight trips, and day trips of at least 100 miles.

Arts-Crafts Bazaar to be held Saturday

Early Christmas-gift shopping will be possible at the Arts and Crafts Bazaar Saturday from 10 a.m. to 4 p.m. in the County Expo Building. You will have an opportunity to choose from among 15 exhibits of various items by individuals and clubs.

A concession stand, sponsored by the Dimmitt Young Homemakers, will offer doughnuts, barbecue on buns, Frito pie, sandwiches, chips and brownies throughout the day.

Also, a door prize will be given away Saturday afternoon.

"We have booths coming from Hale Center, Amarillo, Canyon and Nazareth," DYH President Cindy Ellis said.

Some of the more recognized exhibits will include windmills by Patsy Huseman, oil paintings by Frances Frazier, stained glass by Donna Gilreath Vertreese, basket weaving by Darlene Stanton and oil paintings by Darla Hicks. The Senior Citizens will have a full booth of home-crafted items, too.

"It's still not too late to reserve a booth," Mrs. Ellis said. Any individual or group interested may call her at 647-5332 in the daytime, or 647-5497 after 6 p.m., for more information.

Early deadlines next week

The News will go to press a day early next week so readers will get their papers before Thanksgiving Day. Please submit your copy for next week's issue today or Friday, if possible. Final close-out time for all news and advertising will be noon Monday.

Thanksgiving service set for Monday

Dimmitt's annual Thanksgiving community church service will be held Monday at 7:30 p.m. in the First Assembly of God Church.

Roy Barringer of The First Christian Church will give the invocation. The words of welcome will be brought by Monte Wike of the Assembly of God Church.

First United Methodist Church pastor, Howard Quiett, will read the scripture lesson. Rev. Ronnie Travis of the Lee Street Baptist Church will lead the offertory prayer.

Wayne Mullin, pastor of the Church of God of Prophecy, will deliver the evening's message.

New Hope Memorial Baptist Church pastor, James Alexander, will offer the benediction.

The offering will be used by the Ministerial Association to support the Salvation Army Fund and other charities.

County population is set at 10,562

The US Census Bureau Wednesday set Castro

County's preliminary population count at 10,562.

And the county's number of houses, according to the Census Bureau, is 3,687, or one house for every 2.86 persons.

County Judge M. L. Simpson received the preliminary figures via telegram from the Census Bureau Wednesday morning. Census Bureau Director Vincent Barabba explained in the telegram that the final census count may differ from the preliminary figures.

Local officials were able to make no immediate interpretation of the county population figure, except that it was smaller than expected — as Census Bureau counts have been throughout the nation.

Local cities earn \$28,433 in ST rebates

The City of Dimmitt will receive a city sales-tax rebate of \$23,779.70 from the state comptroller's office this month. The check will bring the city's year-to-date total in sales-tax rebates to \$130,507.52. Comptroller Bob Bullock reported.

The City of Hart will receive a check for \$2,670.68, boosting the city's payments for the last 11 months to \$16,217.45. The City of Nazareth's \$1,983.38 payment for November will push its 1980 total to \$14,713.79.

Together, the three local cities' sales-tax rebates total \$28,433.76 for November and \$161,438.76 for the first 11 months of 1980. The money goes into the cities' general operating funds.

Bullock reported that rebates to Texas cities of the optional one-percent city sales tax climbed to more than a half-billion this year.

The city sales tax is collected along with the state sales tax by merchants and businesses, and sent monthly to the state comptroller's office. The state then rebates the sales tax monthly to the cities where it is levied.

History book is 552 pages

The "brown-line" copy of the Castro County History Book has been corrected by the history book committee and returned to the publishing company.

The book will include 562 pages instead of the 560 originally planned, due to a shorter index.

There will also be a two-page family tree on which each individual may compile his or her own family tree.

The books are currently scheduled to arrive Dec. 15.

Sheffy's Chatter

Braafladts visit California relatives; see Reno shows

By MYRTLE SHEFFY
Chet and Helen Braafladt are home from the annual trip to California and Nevada.

First Christian on Western Circle. The Fulfers have moved to Hale Center and have a spot at Lake Texhoma.

Sharon Boykin of Amarillo was here last weekend to visit her twin sister Mrs. Jeff Robertson or Karen. Sharon, Karen and Kourtney were at the bride's shower for Sara Wilson, who is now Mrs. Randy Wilson.

Mrs. Gladys Leeth is home from a month's visit and stay in Houston, where she visited her daughter Sandra Michels and husband and sons. Gladys saw Mark play football. He is good and Greg is in the band. They all went out to the Astrodome to see the Oilers play (maybe) the Steelers.

When the Braafladts stopped in Sacramento, it was election day, many hours later than the vote closing and Carter's giving up. Helen says the voters in the west were furious about that, because the polls had not closed there.

Brad and Juanita Fulfer have sold their home on NW 8th Street to Mr. and Mrs. Leroy Kinsler who have lived at 631 NW 6th Street. Mr. Kinsler is with Steere Tank Lines. They have three children, Christie, Eric and Bradley. They attend church at

On Election Day, Nov. 4, a beautiful pot plant was taken from the Grand Jury Room in the northwest corner of the second floor of the courthouse. Four plants were placed there Monday because an office had to be cleared for the election, and one plant is gone. It would be greatly appreciated if the plant is returned to the courthouse, with no questions asked. The plant has tiny leaves and is in an usual frog planter. Probably it was just a prank, anyway.

Karen Robertson tells me, she entered a news contest in the magazine "Farm Wife" and sent a needlepoint pillow she had made for Joannis Robertson, her mother-in-law. Anyway she won a tie of third place. Karen received a check and she will be in the national magazine "Farm

Wife" in January with a picture and story of the family.

Saturday was a fun day starting with breakfast of eggs, bacon, jelly, coffee and hot biscuits at the Expo building. I saw Fred Annen, Kenn Justice and Robert Benton cooking eggs. Maxine Childers and Clara Patton served coffee and juice and Delores Heller, hostess for Chamber of Commerce, greeted the hundreds of folks. All the stores had Christmas ideas on display and Loys Raymer had her art work showing. I noticed especially, the oil of Craig Fuller and little Annie and the one of Roy Henderson, rolling a Bull Durham cigarette. Very good. Little Annie Fuller is my great grand, also great grand of Clara Fuller. Do go to the Dimmitt stores to shop. Lovely selections, also you can visit friends. At the Expo we talked with Mr. and Mrs. Vernon Hasley. He is getting well from his recent stay at Central Plains Hospital in Plainview. He had a very bad bacterial attack in the blood stream. Seems much better. Vernon is with Goodpasture.

Frank and Louise Means are home from a month's stay near the Falcon Lake. They fish, visit and just loaf. Alice Anthony and grandson Mike Anthony went to Lubbock one day. She to visit her sister Helen McLain Tilger and Mike to see his allergy doctor. Melvina Witt and Ruby

Wood were in Portales, N.M. recently to check on their uncle George Wood who has not been well. Mae Cox has had company, friends from Weatherford, Okla., formerly in Clayton. They are Mr. and Mrs. W. A. Arndt. All were at the Senior Citizens game night Tuesday. Mrs. L. C. Dennis is inviting all of us to her house at 736 W. Oak, Sunday Nov. 23. Hours are 3 p.m. till 5:30 p.m. for an open house. She will be showing some Christmas arrangements there at home. Do come by for a cup of coffee and a hello. I plan to help Trudy, so we will see you there.

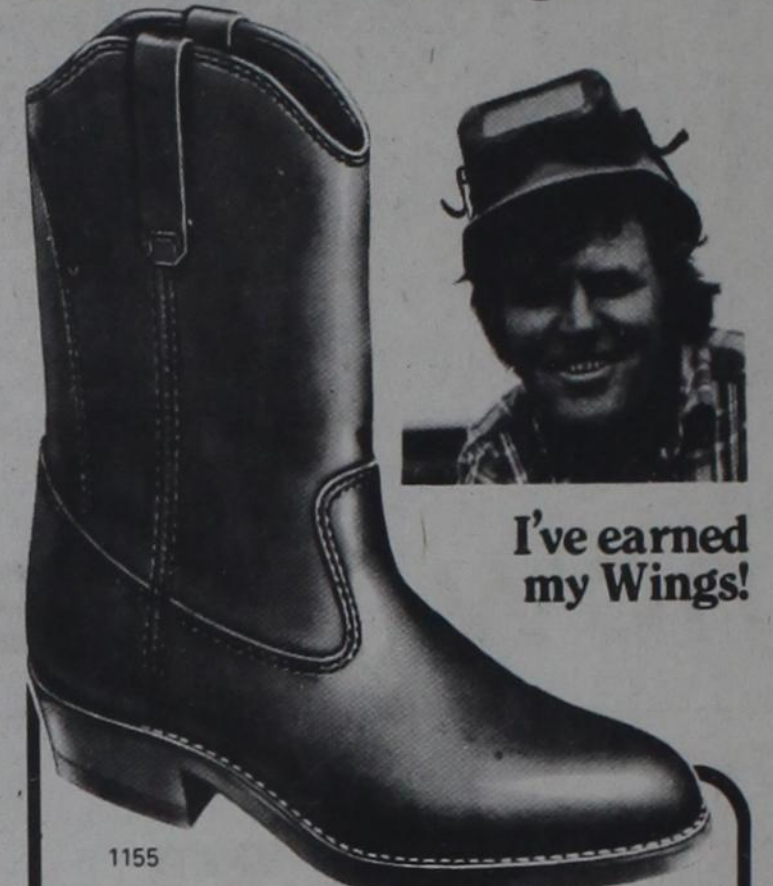

The newest bridge club met at the Senior Citizen party room for games and a chicken dinner Thursday. Jessie served oven fried, with go withs and apple cobbler. Members playing were Elizabeth Huckabay, she won high score, Fern Dickey, Rosalie Markley, Cleo Forson, Betty Cartwright, Boots Kaderly, Oleda Schumacher was

hostess, Susie Reeves, Jo Gregory, Opha Burks, and Faun Welker and Myrtle were guests. Ina Cleavinger was hostess to the Thursday Bridge Club, with games and dessert of angel cake and fruit salad served to members Ruth Jackson, high scorer, Polly Simpson, Carolyn Jones, Martha Dannevik, Dorothy Gilbreath, Lois Wales, Doris Lust, and Dorothy Sheffy. Flo Nichols invites us to come to Tulia Tuesday Nov. 18, to attend the Home Tour sponsored by the Progressive Study Club. The tea and bake sale will be in the home of Mrs. V. H. Harman at 82 Houston Road and home tours will be at Mrs. W. V. Swenburn, Mrs. O. F. Alexander, and Mrs. Eugene Hickman. I plan to go - but "Heck" the paper won't be out till Wednesday.

The Friday Bridge Club met for games and dinner at the Senior Citizens party room with Dorothy Elder as hostess. She served some good quick cookies using golden grain and things. Members playing were Gladys Shibley, Faun Welker, Josie Bradford, Carolyn Copeland, Betty Renfro, Retta

Cluck, Bobbie Damron, Opal Bearden, Elizabeth Huckabay, Betty Cartwright and [See CHATTER Page 5]

"good-looking boots and hardworking, too!"

I've earned my Wings! My new Pecos Red Wings are good-looking boots and hardworking, too! They give me a great heel-hugging fit. My feet feel good all day long, even on overtime. I really like my Red Wings. After all, I've earned them!

Take a Second Look On your first look, you may think that this little girl is riding a rocking horse, but look again. It is not a rocking horse but a little donkey. About animals now, and children. Donkeys were one of the first animals to be tamed by man, and are gentle animals when they are not practicing the quality of being stubborn. The quality of gentleness somehow reminds us of our Saviour, the Wonderful One. Parents, teach your children about Jesus, who admonished us to let the little children come unto Him. Our Lord would remind us that the little ones are precious to the Father. We invite you to take the children to church this week.

VETERAN'S SERVICES

By BEDFORD W. SMITH County Service Officer We have received an important announcement from the VA Regional Office in Waco concerning persons who were discharged from the armed services with less than honorable discharges.

As a chaplain in WWII, I witnessed many veterans who in the service went AWOL and only received company punishment; but there were other hard-line officers who had them court-martialed. There was inequity in some cases. The law provides some relief.

Jack Coker, Waco VA Regional Office director, reminded former servicemen and women who received less than honorable discharges that the 15-year limitation on applying for review of such discharges has been waived until April 1, 1981, giving these veterans an additional six months to apply.

Coker pointed out that applications for a discharge review, or for correction of a veteran's records, may lead to eligibility for VA benefits in cases

More about

Chatter

[Continued from Page 2]

Myrtle Sheffy. Anita Morris was hostess last week to the first bridge club with dessert and games. Playing were Jeannie Miller, Edna Riley, Ann Carpenter, Tina Rawlings, LaVon Reeve, Murna Miller and Betty Parish is the new member taking the place of Ceal Carlile who resigned.

Seven year old Chip Thrasher, son of Joan, was in High Plains Baptist Hospital in Amarillo last week with a broken nose to be set. They said a batted baseball was the culprit. His uncle Herbert Braafladt sent him a medal for bravery.

Ceal Carlile visited a day or two in Lubbock with her sister Moria and she also had her physical check up — everything is okay.

An old friend heard from — I received this letter from Lois Young, who lives in Milledgeville, Ga., now. She wanted to catch us up on how she and her husband, Nolan, and their family are doing.

Hi Myrtle: How is everyone in good ol' Dimmitt? I sure do miss all my friends. There is no other place like Dimmitt and the people there. The country here is so pretty, with so many pretty trees, and they are really pretty this time of year. But people here are so different from people in Texas.

Wanted to tell you about our trip to Florida. Our oldest son George is in the Navy there. He was promoted to chief petty officer and is a chaplain's assistant there. He loves his work. Nolan, Garry, George and his boys went on the huge ship that George Wall was on. They have a plaque with his name on it, and also the name of a boy from Plainview. They said they spent two hours touring it and didn't get to see it all. I saw the outside, and it really is a huge ship. Thought

George might like to know about it.

Guess cold weather has set in there. The winters are bad down here. It gets cold degree-wise, but no wind. We had very little snow last year. Of course, the summers are bad — not even a breeze. I don't think we want to retire here. Nolan is able to work all winter here, so that helps. He's doing very well with his carpentry work. I'm selling Avon products. Not doing as well as I did when I sold in Dimmitt.

Our daughter, Carolyn, is a nurse at the Methodist Hospital in Lubbock. She got to see a lot of people from Dimmitt when little John Darryl McLain was on her floor.

Myrtle, tell all "Hi" for me. I get the paper, and enjoy it very much. I don't get it until the next week, but I read it from front to back. Take care and Thanks.

Lois Young
1645 Marion St.
Milledgeville, Ga. 31061

Henry and Melba Howell spent a month in California at San Diego visiting their son Don and family, also the daughter Marilyn Gossett and family in Ceta Loma. Melba's brother and wife Mr. and Mrs. C. G. Connell and her sister Mrs. J. L. Davis from Lubbock joined the Howells there. All went to places of interest in San Diego, on north to Los Angeles, Santa Barbara, Salvan, and the many places to see out there.

Lena Martin of Abernathy came last Wednesday to have dinner and a visit with Mrs. Joe Scott and say good-bye to Melba Mahaffy who went back to her home in Calif.

Anna Lee Dobbins and Joe Gregory had dinner with them.

Want a number on your curb?

The First Assembly of God Youth will paint house numbers on the curbs in front of homes Nov. 28 and 29.

Interested persons should call Tina Davis at 647-3332 or Ronda Nelson at 647-4477.

Proceeds from the project will be used to buy tires for the church bus.

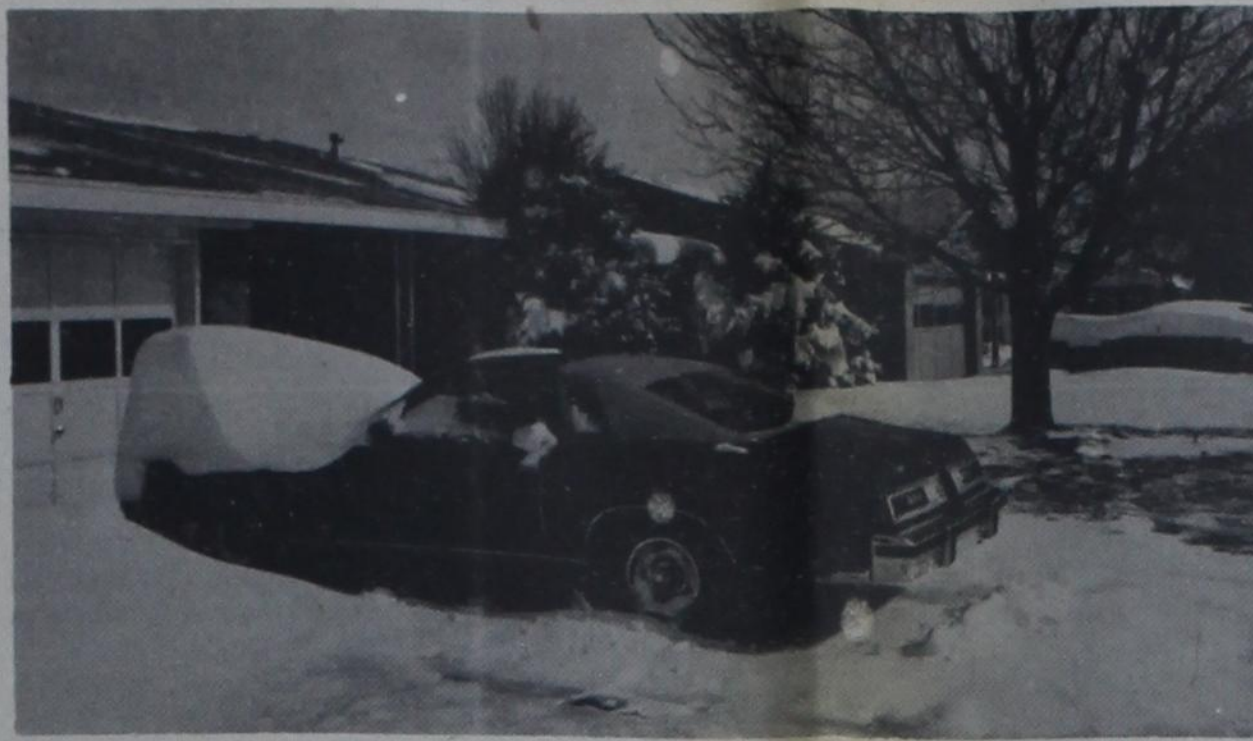

Young Farmers meet tonight

The Dimmitt Young Farmers will meet tonight (Thursday) at 7:30 at the high school ag shop.

Kenneth Chambers, a field inspector for the Texas and Southwestern Cattle Raisers Assn., will present a program on cattle brands, stolen cattle, what to check for on brands, etc.

The meeting is open to the public.

EIGHT out of every ten American car trips are shorter than ten miles.

NEW HOOD ORNAMENT—Cars parked on the south side of homes, such as these along Oak Street, had to be "dug out" from snowdrifts of all shapes and sizes Monday morning, following the wind-blown snowfall that started Saturday night and continued

until early Monday. Snow also formed sculptured drifts along the lee sides of house roofs, across yards and driveways, and in several streets. Many snowbanks were three feet or more in depth.

Swisher REC announces youths' speech contest

Two young people from this area will receive an all-expense-paid trip to Washington, D. C. from Swisher Electric Cooperative, according to General Manager Lyle Robinson.

The trip, which will begin June 12, 1981, will be awarded to winners of a speech contest. High school students who will be 16 before June 1 and under 18 on Sept. 1, 1981 are eligible to enter.

Contestants are required to give a 5-8 minute speech about rural electric cooperatives and to discuss practical ways of meeting the country's needs for electrical energy.

Speech resource materials are available at the high school offices in Canyon, Happy, Hart, Kress, Nazareth, Olton, Tulia and Silverton. Materials may also be obtained by contacting Mike Ferguson at Swisher Electric Cooperative in Tulia.

Deadline for speech papers (essays) and entry forms is 5 p.m. Dec. 11. The contest will be held Dec. 18 in Tulia.

Winners of the local contest will take the Washington trip with 30 to 40 other youths sponsored by other rural electric cooperatives in Texas.

The Texas group will travel to Washington and be there the same week 900 other young people sponsored by

RECs all over the country are there.

Visits with their congressional leaders and a White House tour will highlight the trip.

THE LINE FORMS TO THE LEFT for breakfast at the Chamber of Commerce "Christmas Preview Fun Breakfast" Saturday morning at the County Expo Building. In 17 display booths surrounding the breakfast tables, Dimmitt merchants and artisans display their latest Christmas gift ideas. Hundreds of local residents attended the event, which started at 7:30 a.m., and the breakfast line didn't run out until 9 o'clock as Chamber of Commerce directors

cooked and served free scrambled eggs, bacon and biscuits. After breakfast, pastries and coffee were served while the displays remained open until 11:30. The chamber awarded smoked turkeys as door prizes regularly throughout the morning, plus a \$150 gift certificate redeemable at any member store. The highly successful event was initiated and coordinated by Chamber Manager Delores Heller.

Mud tube on foundation is a sign of termites

By ALLEN KNUTSON
Extension Agent-Entomology
WHAT ABOUT TERMITES?

Many know what termites are, but few become acquainted with this insect until an infestation is discovered in the home. Termites are often mistaken for ants, and damage attributed to termites is sometimes a result of ants, wood-boring beetles, or dry rot fungi. Termites are 1/10 to 1/2 inch long, white, cream or dark brown in color, and unlike ants, do not have a narrow "waist."

There are several termite species in Texas. The subterranean termite, which is the most common one infesting homes in this area, builds nests only in the soil. Infestations often develop in lumber scraps, wood or stumps buried in the soil near or beneath the house. Termites reach the woodwork through cracks in concrete slabs, expansion joints and around utility openings. Any wood in contact with the soil can become infested, such as steps, porches or house siding.

Termites will travel inside of mud tubes which they construct up foundation walls

to connect the nest with the wood structures above. These mud tubes protect termites from predators, especially ants. Locating and properly treating termite infestations is often difficult and strenuous, and is best left to experienced professionals trained in termite inspection and the use of effective control procedures. Treatment requires specialized training, equipment and chemicals not available to the homeowner.

A reliable operator will thoroughly inspect the building, indicate the points of infestation, explain the methods of control, and provide a written estimate of the control and repair costs. Immediate action is rarely necessary if an infestation is found, as it takes a long time for termites to do significant damage in addition to what is found by the inspection. Take time to compare the diagnosis, cost, reputation and services of other operators if you wish.

Treatment involves applying a chemical barrier between the building and the soil. Termites die as they contact the barrier. Those remaining in the woodwork soon die as they are prevented from reaching the

colony in the soil. Spot treating infestations are ineffective as termites will move to another part of the woodwork. Termites need moist soil to survive, and good ventilation beneath the home can keep soil moisture low and reduce the possibility of infestation. Moisture caused by condensation or leaking plumbing invites termites. It is important during home construction and maintenance to avoid contact of the woodwork with the soil. Treatment of the building site with a recommended insecticide before construction is the best way to prevent termite infestations. Termite shields are ineffective, as termites will build mud tubes around them to reach wood. Annual inspections for mud tubes will help detect early infestations. Termites play an important role in the ecology of forests and grasslands as they consume dead wood and grass, helping to recycle these materials back to the soil. We take little notice of the termite world until they begin to recycle our homes and property, forcing us to take action and acknowledge their presence.

food back to the nest. Soldier termites defend the colony from predators, especially ants.

Colonyes are started in moist soil and increase slowly. Four or five years may pass before there is evidence of an infestation. However, if a home is constructed near a large colony, infestation will occur more rapidly. A colony consists of a male and queen and several thousand workers and soldiers. The queen produces most of the eggs while workers care for the eggs, excavate wood, and carry

Termites play an important role in the ecology of forests and grasslands as they consume dead wood and grass, helping to recycle these materials back to the soil. We take little notice of the termite world until they begin to recycle our homes and property, forcing us to take action and acknowledge their presence.

PAC members assisting with kidney program

Members of the Parent Advisory Committee volunteered at last week's meeting to assist the Kidney Foundation of the Texas Panhandle with kidney disease detection screening tests for students in the Dimmitt schools.

The first screening was conducted Friday, and the second will be Dec. 1.

Juanita Hernandez, general chairperson, conducted the business meeting of the PAC last Wednesday.

Mrs. Carolyn Camrillo, parent involvement consultant from Region XVI Education Service Center in Amarillo, presented a program on parent volunteers assisting classroom teachers.

IN VIEW of emerging statistics, it may clarify perspectives to note that most adults still marry, most still have children and most children are still raised in families, reminds Diane Welch, a family life education specialist with the Texas Agricultural Extension Service.

Give yourself a break -- join the Great American Smokeout today!

TAKING THE PLEDGE—Four local smokers pledge to forego the habit for 24 hours during the "Great American Smokeout" today, and urge their fellow smokers to do the same. Seated, from left, are Bill Clark, general manager of Dimmitt Agri Industries, Inc.; Betty Williams, research secretary for the Dimmitt Amstar Plant; Randy Holme, the Amstar Plant's chief

chemist; and Linda Broadstreet, secretary in Amstar's quality control lab. Standing is Becky Street, "Smokeout" chairman for the Castro County Unit of the American Cancer Society, holding a T-shirt proclaiming "Kiss Me — I Don't Smoke." The poster on the wall was drawn by Amstar Plant Manager George Lamberth.

LET'S HEAR IT FOR CLEAN AIR!—Dimmitt High School's cheerleaders wear buttons saying "Kiss Me—I Don't Smoke" and display stickers and posters promoting the "Great American Smokeout" today, sponsored by the American Cancer Society. In center foreground is cheerleader mascot Kristi Sims. Cheerleaders, from left, are Bonnie Nino, Beth

Benton, Paula Porter, Kim Watts, Crystal Fitzgearld and Pam Nelson. Purpose of the "Great American Smokeout" is to encourage smokers throughout the US to give up the habit for 24 hours — and then see if they can snuff out the habit for good.

What's Cooking?

DIMMITT SCHOOLS

Lunchroom menus in the Dimmitt Public Schools for the week of Nov. 24-26.

A checking account that pays you interest.

5 1/4%

First State Bank's 5 1/4% Checking Account

Everyone knows you earn interest on your savings account, but who ever heard of earning interest on the money in your personal checking account? With First State Bank's exciting new 5 1/4% Checking Account, you can.

How does the 5 1/4% Checking Account work?

Just keep a minimum balance of \$500 in your account at all times, and you'll earn 5 1/4% interest paid monthly and compounded daily. (That's the highest rate allowed by law for any financial institution offering this type of account.) There's absolutely no service charge as long as you maintain your \$500 balance. If your balance falls below \$500, there's a service charge and a charge per check.

Do I still need a Savings Account?

At First State Bank, we feel you'll still want to set aside a certain amount of money for education, retirement, or just for a rainy day. That's why First State Bank continues to offer a wide variety of high-interest Savings Plans along with our exciting new 5 1/4% Checking Account.

How soon can I get the 5 1/4% Checking Account?

The 'NOW Account' will go into effect January 1, 1981 for all First State Bank depositors who sign up. To avoid a last-minute rush, and to be sure your account will start earning interest on the first day, come in and sign up today.

Check with us for details.

George and Barbara Hudson celebrate twenty years of service to the Dimmitt Community this month. They came to Dimmitt with Big 'T' Pump Co. Inc. in November of 1960.

The Hudsons had been in Hereford prior to moving to Dimmitt.

Big 'T' offers sales and service of irrigation pumps. Mr. Hudson feels that 'service is the backbone of any business.'

The Hudsons have enjoyed serving Dimmitt and the surrounding area for the past twenty years -- mainly because of the customers. As Mrs. Hudson put it, 'Everybody's really nice.'

... At Chamber of Commerce "Christmas Preview" Saturday morning

Sunnyside

Riley named to US Cotton Board

By TEENY BOWDEN

Ray Joe Riley received word this week from Bob Bergland that he has been appointed to the US Cotton Board for a three year period. The Board meets about four times a year to work on new methods and programs for the benefit of cotton growers. The development of the module builder is one of the recent developments of the board. Gale Sadler flew to Waco Monday to attend a Farm Bureau State Resolutions Committee Meeting. He was one of 35 men who were chosen from throughout the state. He flew home Thursday night.

The first snow of the season was received Saturday night and Sunday. Six or more inches of snow drifted into three and four foot drifts during the day Sunday.

A 6 pound, 5 ounce girl was born to Mr. and Mrs. Gary Wise in Methodist Hospital in Lubbock Thursday morning. She was twenty inches long and was named Heather Sha. They came home Friday morning. Holly is very proud of her little sister.

Mrs. Ray Joe Riley visited in Hereford Friday with her parents, Mr. and Mrs. Ira Scott.

Kevin Riley was home from Tech for the weekend last week.

Mr. and Mrs. Howard Spencer spent last Sunday night with his parents, Mr. and Mrs. John Spencer on their way to Gilmer, for a few days visit before returning to their home in Red River.

There were no church services Sunday night because of the cold and blowing snow blocking drives and drifts in roads.

Mrs. Winston Waggoner was elected vice-president of the Castro County Republican Women's Organization at their last meeting.

Travis Hampton of Dimmitt and Shannon Truelock of Seguin spent the night with Mr. and Mrs. Lance Loudder after getting snowed in while visiting.

agri-facts

Safety has always been one of the first rules of any well-run farm operation. An increasing number of vehicles on the farm, as well as in town, are using gasohol and ag safety specialists have asked that some special precautionary steps be taken since gasohol (10% alcohol - 90% gasoline) is 35 percent more volatile than gasoline alone. 1) Be sure and use a vented gas tank cap. Check it to make sure it works properly. 2) Never smoke while refueling. 3) Don't refuel when the motor is hot if your tank is mounted anywhere near the engine. 4) Check gaskets, hoses and seals for any sign of leaks on a regular basis and always keep in mind the increased volatility of the fuel.

HAYS IMPLEMENT CO.

View from the library

By BRICK AUTRY

By BRICK AUTRY Librarian
This is going to be a culinary article. There has been an inquiry lately about Spanish food and, in passing, a confusion about what is Spanish and what is Mexican cooking. Since a lot of research went into finding the difference, this writer feels it shouldn't go to waste just yet, and therefore, should be used to bore his readers as well.

Spanish cooking is found on the Iberian Peninsula in Europe and is quite distinct from other diets although many of the dishes have been influenced by French cooking customs.

Mexican cooking is found south of our border all along the mountains and coasts to the border of Guatemala. By no means is it to be associated with the foods in Mexican restaurants. (When told of how Americans prepared Mexican foods, a well known Mexican cook remarked, "Gracious! You must give bicarbonate of soda for dessert!")

The Spanish use garlic, almonds paprika, parsley as

condiments. They use very little hot peppers. There is only one dish which uses hot peppers and it is called Xato, pronounced Chah-to. Xato is a red sauce prepared with peppers and eaten with white endive. The most popular sauce in Spain is Ali-oli or garlic sauce. It is made completely with garlic and oil. To make it one crushes a whole head of peeled garlic mixed with oil into a mayonaisse looking stuff. This writer imagines it to be strong enough to kill a horse.

Mexican dishes are related to Spanish dishes somewhat but Mexican foods include chilies of many kind, corn, corn meal and different kinds of spices. Many dishes feature the mole, pronounced moe-leh, which is a sauce that can be prepared with lots of things including semi-sweet chocolate. Each cook makes her own favorite mole. Mexicans are known to eat things like tamales, enchiladas, other foods like that but not all at the same meal.

In Spain a tortilla is a small omelette prepared with one of several fillings, such as onions, chick-peas, (a heavy tasting sort of pea), or whatever is at hand. In Mexico the tortilla is the corn meal patty or the white flour variety of patty.

In Mexico and also in this country corn is staple. In Spain the corn is never consumed by humans. The hogs eat it.

Annita Parker is nominated

Annita Parker, daughter of Mr. and Mrs. Ronnie Parker of Dimmitt, and an Abilene Christian University student, has been nominated to Who's Who Among American College and University Students.

Parker is a senior secondary education major. She is the president of Gata, a women's social club, and the reporter for Phi Alpha Theta, a history honor society. She is a member of the Big Purple Band; Alpha Chi, a national honor society; the English Club; and the Academic Council.

Students are nominated by the ACU Student Life Committee on the basis of character, leadership, honesty, dependability, attitude and future promise.

Mrs. Raymond Jones, Mrs. Roy Phelan, Mrs. E. R. Sadler, Mrs. Noah Spencer, Mrs. David Sadler, Mrs. Lee Brown, Mrs. Jimmy Waggoner, and Mrs. L. B. Bowden, attended the Llanos Alton luncheon and book review at First Baptist Church in Dimmitt Tuesday morning. Most of the Sunnyside women and some Dimmitt somwn gave a parade of the flags of 16 countries at the beginning of the meeting. Steve McCord, Education and Youth Director at First Church Dimmitt reviewed the book, "The New Lottie Moon Story." The host church served the noon meal.

Mr. and Mrs. Tracy Phelan and cousins, Mr. and Mrs. Bob Culp of Washington State spent Tuesday night with Mr. and Mrs. Roy Phelan on their way home. George Olon Key who died in Dimmitt Saturday night was the brother-in-law of Mrs. Tracy Phelan.

Sandra Grigsby of Lubbock accompanied her sister Mrs. Martin Lefevere and Ryan to the shower here Saturday. Bob Clatt accompanied Cindy and Jasmyne Saturday and visited with Gale Sadler during the party. All of them visited together at the Gale Sadlers before the shower for two or three hours.

Mr. and Mrs. John Graham and Mr. and Mrs. Gerald Graham have been here this week to move some more of their things to Ohio. Mr. and Mrs. Gerald Graham had supper with Mr. and Mrs. Ray Joe Riley Friday night. The John Grahams visited with their daughter and family in El Paso this week also.

Mrs. Eddie Haydon and Mrs. Ray Joe Riley went to Levelland Monday night to see Kim Haydon perform on the Texan drill team. Mr. and Mrs. Haydon went again Friday night.

Mrs. Gale Sadler and Mrs. E. R. Sadler attended a baby

show in Lubbock Thursday night honoring Cindy Clatt and baby, Jasmyne.

Mr. and Mrs. Cliff Brown and Lynn had a garage sale Friday and Saturday.

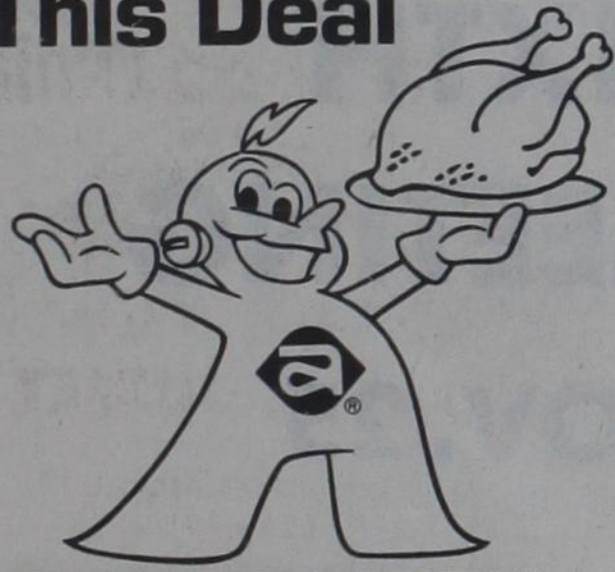

Mrs. David Sadler and Mrs. Jimmy Waggoner visited in Hereford Friday with Mrs. Jake King and Mrs. Tim Dawson and baby.

Mr. and Mrs. Gale Sadler received an announcement from Mark and Linda Wysong of Washougal, Wash. this week announcing the birth of a baby girl. This makes three girls for them. He is a former music director of the church.

Major C. W. Bell, regional commander of the Texas Department of Public Safety in Lubbock said that thousands more drivers will be on the streets and highways this Thanksgiving holiday.

Major Bell urges holiday travelers to double-check their cars, road conditions, weather conditions and their own driving habits.

OFFICE HOURS

Monday—Friday
8:30 to 5 p.m.

PHIL KING—Dimmitt post forward, drives the baseline and looks for an opening in the Bobcats' season curtain-raiser against the Hartley Tigers here Saturday night. Dimmitt won the game easily, 78-40.

Dimmitt High School's varsity and JV teams raced to four lopsided victories over Hartley in the opening night of the new basketball season here Saturday.

The junior varsity girls started the series of routs with a 58-16 win. Then, in turn, the JV boys won by a 73-29 count, the Bobbies breezed to a 97-25 victory, and the Bobcats chalked up a 78-40 win.

BOBBIES 97, HARTLEY 25

Coach Jimmy Hoyle rotated his players from the start and played every combination, but still his Bobbies almost topped the century mark in their first regular-season game.

The Bobbies ripped to a 24-6 lead in the first quarter, then burned the nets for 33 points in the second to take a 57-11 halftime lead. The Bobbies then netted 20 points in each of the final two quarters.

Five Bobbies scored in double figures. Becky Andrews led the way with 21, while Jackie Anthony and Cris Salinas scored 13 each, Pam Nelson 11 and Sonya Andrews 10.

In floor play, Beth Benton led the way with 12 credits, and also garnered three steals and a rebound. Cindy Sageser and Brenda Parker led in rebounding with eight each, and each had three credits. Sageser also made three steals. Becky Andrews had seven rebounds and four credits, while Anthony logged five rebounds, six credits and three steals.

BOBCATS 78, HARTLEY 40

Coach Ken Cleveland and his Bobcats were expecting a closer encounter in their season opener against the visiting Tigers, but it didn't work out that way.

The course of the run-and-gun game went up on the scoreboard quickly as the Bobcats surged to a 22-4 lead in the opening stanza. At halftime it was 39-11, and after three quarters the score stood at 53-20. The fourth quarter was the hottest as the Bobcats closed with 25 points and the Tigers answered with 20.

Kevin Cleveland paced Dimmitt's attack with 20 points, while Randy Washington scored 12 and Phil King 11. Few of the varsity players saw more than a half-game of action.

Blanco led Hartley's scoring with 13.

JV GIRLS 58, HARTLEY 16

Toby Tischler sank 17 points, grabbed nine rebounds and chalked up 14 credits as she paced the JV Bobbies to a lopsided first-game victory.

Carrie Sadler also was impressive with her floor play as she earned seven credits. Eight girls scored for Dimmitt.

The first quarter seemed to be reserved for introductions and opening-game jitters as Dimmitt sank only five points and Hartley three. But Coach John Thomas' JV Bobbies exploded with 29 points in the second frame to take a 34-10 halftime lead.

Dimmitt sank 16 more in the third while holding Hartley scoreless to take a 50-10 lead into the final frame. Then the JV Bobbies closed with eight in the fourth while the visiting Tigerettes sank six.

JV BOYS 73, HARTLEY 29

Four Dimmitt players scored in double figures as Coach Robert Crawford's JV Bobcats breezed to an easy victory in their season opener.

Fermin Gonzales sank 14, Jay Reeve and Shan Powell 13 each and Bryan Armstrong 10 to pace Dimmitt's scoring. Top defensive players for the JV Bobcats were John David King and Fermin Gonzales.

Hitting 51% of their field shots, the JV Bobcats surged to a 20-10 first-quarter lead, then burned the nets for 26 points in the second to build an overwhelming 46-17 halftime lead. Dimmitt tapered off with 15 points to Hartley's eight in the third, then outscored the visitors 12-4 in the final frame.

WINDSHIELD wiper blades should be replaced as soon as they start to streak, regardless of age.

Classifieds Gets Results BB turkey shoot on tap Saturday

A "Daisy Turkey Shoot" for children 7 through 12 will be held Saturday, starting at 9 a.m.

The shoot will be at Killingsworth True Value Hardware, which is co-sponsoring the event with the Daisy Co., manufacturer of air rifles and pistols.

Competition will be in two age groups, 7-10 and 11-14. The winner in each division will receive a new BB gun.

Each entrant will fire five shots at a printed turkey target overlaid with a bullseye. The store will furnish the air rifles for contestants to use.

Each entrant must be accompanied by an adult.

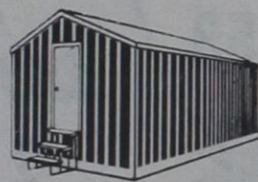

TO SUBSTITUTE honey for sugar in a recipe, remember one and one-fourth cups of sugar equals one cup of honey, says Dr. Rose Tindall Postel, a foods and nutrition specialist with the Texas Agricultural Extension Service. Also, don't forget to reduce the liquid used in the recipe by one-fourth cup, she adds.

HJHS boys win, 26-2

Hart's seventh and eighth grade football teams combined last Thursday for a junior high game against Vega and won a 26-2 victory.

Abel Martinez scored Hart's first TD on a sweep around left end. The extra point attempt was no good.

Hart scored again in the second quarter, on another sweep play. The two-point conversion attempt succeeded, giving Hart a halftime lead of 14-0.

Vega's lone score came in the third quarter on a safety.

Hart scored twice in the fourth quarter — the first time on another sweep around left end, and the second on a 30-yard quarterback sneak by Arturo Guzman with just a minute left. Both PAT attempts failed.

Outstanding players for Hart were Abel Martinez on offense and Tommy Menchaca on defense.

CLOSE QUARTERS—Amid a forest of outstretched arms and a crowd of colliding bodies, Dimmitt's Becky Andrews snares a rebound in the second quarter of the Bobbies' opening game against the Hartley Tigerettes here Saturday night. The Bobbies routed their visitors, 97-25.

opening game against the Hartley Tigerettes here Saturday night. The Bobbies routed their visitors, 97-25.

Art Club to meet Monday

The Nazareth Art Club will meet Monday at 7:30 p.m. in the basement of the Holy Family Catholic Church.

Darlene Stanton of Dimmitt will give a workshop on wheat weaving.

There will be a charge of \$5 per person to cover the cost of supplies.

The workshop is open to the public.

Hart gridders suffer first shutout in finale

Hart's Longhorns traveled to Vega Friday to play their season finale for both squads.

Vega took control early and used big plays to down the visiting Longhorns by a score of 41-0.

Hart could not get untracked in its final game of the 1980 football campaign. Hart never really threatened, and the Vega defense kept the usually potent Longhorn offense in check.

On the other side of the field, the Vega Longhorns used a tough running game along with some timely passing to move the ball up and down the field.

Vega scored three times in the first quarter, and after three successful PAT's by Fred Fangman, Vega led 21-0. Scotty Cook passed 34 yards to Rick Jones for the first score with the game just 1 1/2 minutes old. At 7:36 in the first period, Fred Fangman dived over from the 1 for the second score. With 50 seconds remaining in the opening quarter, Scotty Cook ran for three yards to move

the score to 21-0 after only one quarter of play.

The Hart defense tightened up in the second quarter, but with 6:32 left in the period, Vega's Rick Jones raced 69 yards around right end for the fourth TD of the night. Fangman added the PAT to hike the count to 28-0.

Hart managed to move to Vega's 37-yard line on runs by Daniel Guzman and Manuel Castenada, but an incomplete pass on fourth down stopped the Longhorn drive.

The half ended with Vega on top, 28-0.

Hart received the second-half kickoff and on the second scrimmage play, Daniel Guzman broke for 65 yards down to Vega's 3-yard line. However, offsetting penalties brought the ball back to the original line of scrimmage. This play seemed to do away with any hopes of a Hart comeback.

On Vega's first possession of the second half, Scotty Cook directed a good drive, with Cook himself going the final 41 yards for the score. The PAT was no good, so with 7:38 left in the third quarter, Vega led 34-0.

Vega began its last drive late in the third quarter, and with 11:56 remaining in the game, Brad Cannon scored the final touchdown of the night. Fangman delivered his fifth PAT of the night to make the score 41-0.

Hart drove to Vega's 40-yard line late in the game, but a fumble ended the last chance for a Hart score.

It was the first time all year that Hart had been shut out on the scoreboard.

This was the last game for 10 Hart Longhorn seniors — Kevin Belt, Chad Black, Manuel Castenada, Jesse Gonzales, Dave Ingram, Benny McLain, Augustin Perez, Isaias Ponce, Danny Rodriguez and Santos Valenzuela.

Hart ends the year at 4-5-1 and 2-3 in district play. Vega concludes with an 8-2 season and 3-2 in district play.

Springlake-Earth finished the regular season with a perfect 10-0 and 5-0 in District 3-AA. The Wolverines will meet Shallowater in bi-district play Friday night.

ACCIDENT CONTROL

Most home accidents are caused by falls, fires or poisonings. Keep walkways free of clutter, get rid of combustibles, protect heat sources, and store and use medicines and other toxic substances properly, advises the Texas Agricultural Extension Service.

Don't Blame Your Age For Poor Hearing

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid of its kind will be given absolutely free to anyone requesting it.

True, all hearing problems are not alike . . . and some cannot be helped by a hearing aid. But audiologists report that many can. So, send for this free model now, and wear it in the privacy of your own home. It is not a real hearing aid, but it will show you how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit.

These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. Thousands have already been mailed, so write today to Dept. 72087, Beltone Electronics, 4201 W. Victoria, Chicago, Ill. 60646.

Obituaries

Emil J. Huseman

Emil Joseph Huseman, 73, lifetime Nazareth resident died last Thursday morning in Methodist Hospital in Lubbock after a brief illness. Rosary was read at 7:30 p.m. Friday in the CCD Building of the Holy Family Catholic Church.

Funeral Mass was celebrated Saturday morning at the church with Rev. Stanley Crocchiola, pastor, officiating. Burial was in the Holy Family Cemetery, under the direction of Wallace Funeral Home of Tulia.

Mr. Huseman was born Feb. 3, 1907 in Nazareth. He married Rose Schacher April 20, 1937. She died Feb. 26, 1970.

He was a retired farmer and a member of the Holy Family Catholic Church and the Catholic Order of Foresters. He was a Green Thumb worker in Dimmitt.

Survivors include three daughters, Mary Ann Durbin of Tulia, Virginia Brown of Dennison and Sandra Smith of Kress; two sons, George of Tulia and Rodney of Levelland; two sisters, Wilhmine Vinton of Hereford and Louise Hollenstein of Hereford; two brothers, Vincent and August, both of Nazareth; 15 grandchildren; and a great-grandchild.

Pallbearers were Billy Schacher, Russell Schacher, Jerry Hollenstein, Joe Johnson, Timothy Huseman and Gary Huseman.

George Olon Key

Services for George Olon Key, 79, of Dimmitt were held Tuesday.

Mr. Key died Sunday in Hereford.

Funeral services were held Tuesday morning in Parsons Funeral Home Chapel with Rev. Ronnie Travis, pastor of the Lee Street Baptist Church, officiating. Burial was in the Tahoka Cemetery in Tahoka under the direction of Parsons Funeral Home of Dimmitt.

Mr. Key was born June 24, 1901. He married Emma Pearl Starnes in 1925 at Trenton. He had lived in Dimmitt 20 years, moving from Tahoka, where he had lived since 1936. He was a farmer and a Baptist.

He is survived by his wife; two daughters, Mrs. Harvey Craig of Lamesa and Mrs. Dwayne McNeely of Tahoka; two sons, George N. Key of Guthrie and Bill Key of Seminole; six sisters, Dacey Webster of Bonham, Ruby Ramsey, Oleada Hance and Phoebe Clayborn, all of Dimmitt, and Dale Madison and Ela Key, both of Savoy; a brother, Charlie Joe Key of Ector; nine grandchildren and three great-grandchildren.

Luis Pauda

Services for Luis Pauda, 86, of Brownfield were held Friday morning in Brownfield. Mr. Pauda was the father of Mrs. Petra Martinez of Dimmitt.

He died Wednesday in Brownfield Regional Medical Center after a lengthy illness. Funeral services were held in St. Anthony's Catholic Church with Rev. Adain Maguire, pastor, officiating. Burial was in the Brownfield Cemetery, under the direction of Brownfield Funeral Home.

Mr. Pauda, a native of Mexico, married Lupe Renteria in Mexico in 1917. She died in 1937 and he came to Brownfield from Clairemont in 1939. He was a Catholic.

His survivors, in addition to Mrs. Martinez of Dimmitt, include three other daughters, four sons, two sisters, 72 grandchildren and 103 great-grandchildren.

COTTON FIRE FRIDAY—Dimmitt volunteer firemen use the "water cannon" on the county tanker truck to soak down the stubborn embers of a smoldering cotton module east of

Dimmitt Friday morning. Approximately two bales of cotton were lost in the blaze, the fire department reported. The module belonged to the Marble Brothers.

More about Blind corners

(Continued from Page 1)

consented to go to Albuquerque and personally present a letter, or an ordinance drawn by Edwards, to the FAA giving the city's total support to Dimmitt Aerial Spray's plans.

In other action, the board: —Heard a request from City Manager Garnett Holland to review its reimbursement policy concerning Mayor Elmer Youts' expenses during a recent trip to the Texas Municipal League conference in Dallas. The board had agreed to pay \$75 expenses per day, plus all transportation and the registration fee. Even though the policy did not nearly cover all the mayor's expenses, the aldermen decided to stand by their original agreement.

—Reviewed its policies concerning renewal of electrical licenses. For licenses lapsed for less than 30 days, the renewal fee is \$10; for more than 30 days, the fee is \$50; and for more than one year, the exam must be retaken and the license then approved by the Dimmitt Electrical Examiners Board.

—Discussed the makeup of the Dimmitt Electrical Examiners Board. Its members are Charles Wilkerson, master electrician; A. R. Powers, journeyman electrician; Bob Murdock, local electrical utility employee; Dean Kirby, master plumber; and Don Hargrove, building contractor.

The members started their terms in June 1977, and will continue until June 1981.

—Welcomed Ann Armstrong as an official member of the Dimmitt Board of Aldermen.

More about Dimmitt ...

(Continued from Page 1) old problems with new ones cropping up. There has never been, nor will there ever be, a time when American ingenuity can't rise to the occasion and keep the ship of state afloat. We have had too much negative propaganda during the past four years.

Considering the blitz by the media, it's a wonder that President Carter could perform the routine duties of the office. Let's hope that President Reagan gets better support from other government agencies and officials, the media and the public.

Detour set up at RR crossing

The Texas Dept. of Highways and Public Transportation has set up a detour around the area of East Bedford and Sixth Street.

A section of unlevel railroad track at that location is being reconstructed.

Highway Dept. officials estimate that the repairs should take three to four days.

Bazaar set at Muleshoe

Bailey County's Moonlight Extension Homemakers will hold their annual Arts and Crafts Bazaar Saturday from 10 a.m. to 8 p.m. and Sunday from 2 p.m. to 5 p.m.

It will be held in the Bailey County Civic Center in Muleshoe.

The bazaar will feature the works of artists from Texas and New Mexico. It is open to the public.

McGuire to give senior recital at Tech Monday

The Texas Tech Department of Music will present Thomas McGuire, tenor, in his senior recital Monday evening.

The performance will begin at 8:15 p.m. in Recital Hall of the Texas Tech Music Building, and the public is invited. McGuire is a senior from Dimmitt, majoring in music education. The son of Mr. and Mrs. Luke McGuire, he is a 1976 graduate of Dimmitt High School.

The recital will feature classical, semiclassical and traditional songs in several languages.

McGuire has performed in public and religious concerts with several musical groups in the Lubbock area. He also has served as a vocal soloist at churches throughout the area.

He was the summer music director for the First Assembly of God Church in Dimmitt, and also has served churches in Levelland and Floydada. He is currently doing his practice teaching at Evans Junior High School in Lubbock.

Sorority approves donations

The Alpha Epsilon Tau chapter of Beta Sigma Phi sorority voted to donate money to the Joel Bradley Fund and the John Darryl McLain Fund at a recent meeting in the home of A'llan Bradley.

Members also voted to donate funds to help pay for Christmas phone calls home for Dimmitt High School's two American Field Service exchange students.

Nominations were taken for Beta Sigma Phi Woman of the Year and voted on by secret ballot. The winner will be announced at the annual Chamber of Commerce Banquet.

The program for the meeting was a book review given by Susan Hanners.

Hostesses were Vicki Buckley and Meri Killingsworth.

Hance reminds taxpayers of oil depletion allowance

US Rep. Kent Hance has issued a reminder to persons who have oil and gas interests, concerning the correct application of the depletion allowance deduction on income taxes.

Hance, who opposed the windfall profits tax, said the depletion allowance deduction becomes doubly important because of its relation with the windfall tax.

"If you have income from oil and gas interests you may want to make sure the depletion allowance deduction is applied to gross income before windfall profits are subtracted," Hance said. "Failure to do so could substantially increase your tax payment."

"The Crude Oil Windfall Profits Tax of 1980 does not deny the percentage depletion allowance for the portion of receipts treated as windfall profits," the Texas congressman said. "The standard procedure for treating the depletion deduction is still in

effect on gross income."

"Since this is the first year in which the windfall profits tax is being administered, individuals affected by the tax should be sure to deduct the depletion allowance from gross rather than from net (after tax) income. If individual taxpayers have specific questions they should contact their tax preparers or the Internal Revenue Service (IRS)."

Hance said he plans to introduce legislation in January during the new session of Congress to repeal or alter drastically the windfall profits tax. He earlier sponsored legislation to exempt royalty owners and independent producers from the majority of the windfall tax.

EVERY year man removes 600 million tons of petroleum, 200 million tons of iron, four million tons of lead, and two billion tons of coal from the earth.

How do you figure cost per serving?

Here are some guidelines from Texas A&M on figuring the cost per serving in your next meat purchase:

—Boneless meats generally yield three to four servings per pound. These include ground beef, flank steak, round steak, stew meat and liver.

—Meats with the bone left in generally yield two to three servings per pound. These include most roasts and steaks.

—Meats with considerable bone and fat provide only one to two servings per pound.

These include spare ribs, short ribs, porterhouse steaks and T-bone steaks.

Look Up and Live!

Cotton harvest is here and the Coop urges extreme caution when operating farm equipment near electric lines.

In recent years, many incidents have involved cotton module builders. The extended portion of the cotton module builder can easily come into contact with overhead electric lines if the operator is not careful. The same problem exists with overhead baskets on cotton strippers.

We urge farmers and their employees to be alert to these potential hazards and take every possible precaution to avoid serious injury or death. When moving a module builder, be sure the packer arm is lowered as far as it will go. When using a stripper with an overhead basket, be sure to check for overhead lines before dumping.

Lower packer arm as far as it will go before moving module builder.

We have had lines torn down with cotton harvesting equipment this year. Also, some incidents have resulted in injury to the operators; but, fortunately, no fatalities so far.

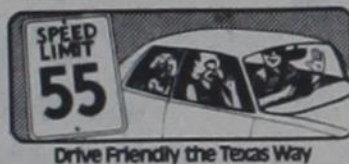

If some piece of equipment does contact these 7200 volt overhead lines, it's important that you or the operator not try to simply back away. The line could break, or if it's already broken, it could tangle in the equipment and break again, compounding the problem and increasing the danger.

Jump clear of the machine, being sure not to touch the ground and the machine at the same time. Move quickly away at a right angle to the power line. Then call Bailey County Electric Cooperative at (Area Code 806) 272-4504 whether the line is broken or not.

Cindy Sageser named CO-ED correspondent

Cindy Sageser, 18, of Dimmitt, has been named a CO-ED Correspondent for the 1980-81 school year, according to an announcement by Kathy Gogick, editor of CO-ED Magazine.

CO-ED, published nationally by Scholastic Magazines, Inc., for home economics students, contains features on personal development, careers and consumer awareness as well as the latest trends in fashion, food, beauty, and home furnishings.

Miss Sageser, daughter of Mr. and Mrs. Max Sageser, is a senior in Dimmitt High School. She was appointed correspondent by Joanne Snider, her home economics teacher.

Selected for qualities of leadership and enthusiasm for home economics, Miss Sageser will serve as junior advisor to CO-ED editors. Like the other CO-ED correspondents throughout the US and Canada, she will keep the editors informed of activities at her school.

Farewell party set for Morrisons

Mr. and Mrs. Theron Morrison will be honored with a farewell party Sunday from 2:30 to 5 p.m. in the home of Mr. and Mrs. Bill Rich of Hart.

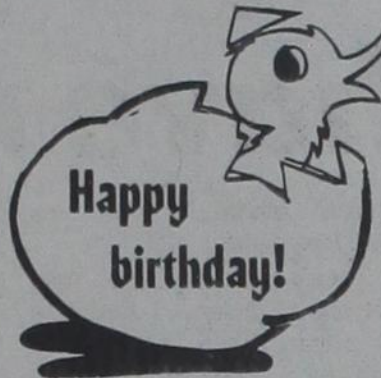

The party is open to the community.

ADDING TO HIS LIST—Elaine Hoover has a long, sincere talk with Santa Claus while two other youngsters await their turn during Santa's first appearance in Dimmitt at the

Chamber of Commerce "Christmas Preview Fun Breakfast" Saturday morning at the County Expo Building. Elaine is the daughter of Mr. and Mrs. Doyle Hoover.

NOVEMBER 27 — Robert Birkenfeld, Edna Rae Schilling, Nicole Kleman, Lucille Drerup, Martha Jo Hyman, Barbara Moss, Monte Johnson.

Newest Landorf book reviewed at Silver Tea

The Dimmitt Book Club met in the Rhoads Memorial Library assembly room last Wednesday for the Silver Tea and Book Review.

The book, "Joseph," by Joyce Landorf, was reviewed for the club by Mrs. Elizabeth Scott of Amarillo. The book tells the biblical story of Joseph as if it took place in modern times.

Janet Justice presided at the business meeting, wel-

comed the guests and introduced the hostesses.

The hostesses, Mrs. Ted Sheffy and Mrs. Harold Stephens, served pumpkin cake rolled in cream and nuts, and hot spiced tea. The table was covered with green linen over gold and decorated with fall flower arrangements.

Guests included Mary Jean Copeland of Dallas, who attended with her mother, Vera Webb.

Save used stamps for food project

By TERESA L. CRISWELL
 County Extension Agent

The Castro County Extension Homemakers are collecting used postage stamps as part of an effort that sent 50,000 meals to children in Bangladesh (in Asia) last year.

Extension Homemaker club members' participation in the program is in cooperation with the Salvation Army, which sells the stamps to collectors and uses the money to buy food for undernourished children in Bangladesh.

The stamp collecting program relates to the Extension Homemaker theme of

"Living, Learning and Sharing in Century III," and it continues their efforts toward quality family life both at home and worldwide.

Collecting used stamps takes only a few seconds of anyone's time and they are available almost everywhere, since everyone receives mail.

According to the Salvation Army for each dollar it earns in the stamp market, 10 meals can be purchased abroad.

Castro County won a trophy in 1978 for collecting the most stamps in the state of Texas. If you would like to help the clubs in Castro County by saving used postage stamps, call the Extension office at 647-4115. We welcome your calls and support.

If you need an answer to a home economics question, feel free to call. We'll try to find an answer. Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion, or national origin.

Happy anniversary!

[Compiled from the Community Birthday Calendars sponsored by the Castro County Extension Homemakers Council and the Nazareth Swift Band.]

NOVEMBER 20 — Bill and Ann Murphy.

NOVEMBER 21 — Roy and Mary Hefner, Mr. and Mrs. Alfred Schacher.

NOVEMBER 22 — Jack and Charlene Howell, M. L. and Polly Simpson, Randy and Joyce Bills.

NOVEMBER 23 — Philip and Martha Huseman, Alan and Noreen Carson, David and Ann Hays.

NOVEMBER 24 — Claude and Ida Mae Moore, Brock and Susan Merritt.

NOVEMBER 26 — Tony and Mary Gerber.

NOVEMBER 27 — Lonnie and Toy Wagner, Delbert and Paula Fish, Elbert and Francis Smith, Danny and Shelly Rice.

Childbirth classes set

Deaf Smith General Hospital will offer a series of Prepared Childbirth Classes beginning Dec. 2 and running through Jan. 13, 1981.

The classes will meet each Tuesday night from 7 to 9 p.m. at the hospital.

Lamaze and Kitzinger childbirth methods will be taught, along with other topics.

For further information, call Carolyn Andrews at 364-2141 or 276-5240 or Donna Tidmore at 364-2141 or 364-8364.

There is a \$25 fee for the seven classes.

Homemakers meet tonight

The Dimmitt Houng Homemakers will meet tonight (Thursday) at 7 in the high school homemaking lab.

Creative Wedding Service will present a program on holiday candy making.

The meeting is open to the public, and babysitters will be provided.

Club members will complete their plans for the Arts and Crafts Bazaar scheduled for Saturday.

DYH meets every first and third Thursday of each month during the school year, and membership is open to any person interested in homemaking, not enrolled in high school and not over 35 years of age.

PMH Auxiliary recaps bazaar

Plains Memorial Hospital Auxiliary members discussed the success of their recent Holiday Bazaar and Buffet when they met last Wednesday.

Planning ahead, they set Nov. 13, 1981 as the date for their next Bazaar and Buffet.

The next meeting of the PMHA will be Dec. 10, with the executive meeting beginning at 9:30 a.m. and the regular meeting starting at 10 a.m.

The Plains Memorial Hospital Auxiliary is open to all women interested in performing volunteer service at the local hospital.

WHY IS THIS MAN SMILING?—You'd smile, too, if you were a coach and had these three all-stars returning to your team this year. That's the happy situation that Nazareth Swiftettes Coach Joe Lombard finds himself in this season. His

all-stars, from left, are Lori Gerber, Sharon Gerber and Roxane Birkenfeld. The Swiftettes have won the state championship a record four times — the last two under Lombard — and will try to extend their record this season.

NEW COACH AND 'OLD TIMERS'—New Nazareth Swifts Coach Richard Dye talks basketball with the four returning lettermen from last year's state semifinalist team. Players, from left, are senior Dwayne Acker, senior Bryan Huseman,

junior Calvin Schulte and senior Dale Hoelting. Dye assisted at Paducah, then coached a winning team at Troup before coming to Nazareth this year to succeed Bud Birks as head boys' basketball coach.

Swiftettes look awesome

It looks like it's going to be another banner year for the Nazareth Swiftettes.

You probably won't find another girls' team in Texas with three returning all-stars in the starting lineup. And you definitely won't find another team in the state with the Swiftettes' success record of four state championships in a row, because no other team has done it.

Nazareth's returning all-stars are Sharon Gerber, Lori Gerber and Roxane Birkenfeld. Joining them in the starting lineup are Liz Wilhelm and Danelle Schmucker.

The 1980-81 Swiftettes aren't just a team built around three superstars, though.

"We've got the best depth we've ever had, and maybe the best talent," according to Coach Joe Lombard, who has guided the Swiftettes to their last two state titles with records of 36-4 and 38-2.

"I've got some kids on the bench who are really as good as the starters, so a lot of kids will see plenty of playing time," Lombard said.

Karen Birkenfeld has really looked good in workouts. So have Brenda Hoelting, Rhonda Hoelting and Sharon Birkenfeld.

"Every girl on this year's squad has been to at least one state tournament, so if they haven't had the experience, they've had the inspiration," he added.

Are there any weaknesses on such an apparently awesome squad?

Well, yes, Lombard feels. "We won't be very quick," he said, "and trying to replace the three seniors who graduated last year will be real hard. You really miss girls like Doretta Ramaekers,

Dianne Hochstein and Michele Acker."

Ramaekers, a two-time all-stater, is a starter this year for the Amarillo College Badgerettes. Hochstein is playing for the South Plains College Woman Texans.

"And Michele could have played college ball if she had wanted to," Lombard commented.

To offset the lack of quickness, Lombard said, "We'll be bigger than last year, probably a little more physical team, and we'll have better depth — I'll play more kids this year."

The soft-spoken Lombard is a rarity among coaches. He has nothing but state championships on his record so far.

A former Wayland College basketball player, he left a good business career to take over the Nazareth girls' program two years ago, after the Swiftettes had already won two state titles. Under his tutelage, they've racked up two more.

Obviously, this year's Swiftettes are setting a goal for themselves of stretching their state championship record to five in a row.

But it won't be a bed of roses, because the schedule this year is "tough, tough, tough," according to Lombard.

"It's going to be very hard to duplicate our records of the past because we've got a schedule this year that's probably the toughest we've ever had," he said.

The Swiftettes' regular-season opponents this year include Canyon, Muleshoe, Hale Center, Abernathy, Dimmitt and Lockney — all of which have top-flight programs.

"We feel the tough compe-

Bobbies top 90 again

Dimmitt's Bobbies almost hit the century mark again Tuesday night as they walloped the Lorenzo Hornets, 99-41, in their second outing of the season.

And the DHS girls' junior varsity won handily also, 43-22, over the Lorenzo JV.

The games were played at Lorenzo.

The outcome of the girls' varsity game was never in doubt as the Bobbies raced to a 22-5 first-quarter lead and stretched it to 47-22 by halftime. It was 76-33 going into the fourth quarter.

The Bobbies' 99-point came on the heels of a 97-point effort in their opening game here against Hartley Saturday night.

Becky Andrews netted 34 points and Pam Nelson 20 as the Bobbies filled the air with 83 field shots, connecting on

Swifts have new mentor

Remember last year's Nazareth Swifts?

As an unranked and under-rated team, they plugged along to a 23-6 record during the regular season, then won a playoff against Valley for the district championship.

Meanwhile, they learned that if they used ball-control and a stifling 2-3 zone defense, they could win.

They surprised a lot of folks when they downed state-ranked Spade, 51-49, in bi-district. And they almost caused a few heart attacks when they defeated some other state-ranked teams in the regional tourney by point margins of 2, 2 and 1.

They kept winning one game at a time until they found themselves playing in the state semifinals in Austin.

That's the highest any Swift team has ever climbed.

Three starters graduated off of last year's regional championship team, and Coach Bud Birks took a job elsewhere.

So now it's back to Square 1 for the Swifts — back to molding a team and fashioning an offense and defense, under a new head coach.

The Swifts' new mentor is Richard Dye, a former Plainview High School player and 1978 Wayland College graduate, who has coached winning teams at Paducah and Troup the last two years.

At Troup last season, Dye had the state's ninth-ranked Class A team.

Dye likes what he sees at Nazareth — a lot of quickness and aggressiveness, good outside shooters, several seasoned players with valuable playoff experience.

Two starters return from last year's regional championship team — 5-11 senior sharpshooter Bryan Huseman and 6-0 junior playmaker Calvin Schulte. There are also two lettermen back — 6-4 senior postman Dale Hoelting and 5-9 senior guard Dwayne Acker.

Huseman, who averaged 15 points per game, "is very quick and very tough," Dye noted. That's a fact that a lot of football opponents learned this fall before Huseman was sidelined with an ankle injury. That injury is still hampering him.

Schulte "is a fine player, and he's gained a lot of quickness," Dye commented. "Playing quarterback in football has helped his quickness a lot."

Hoelting "is an awful lot quicker and has shown a lot of improvement," Dye said. "He's going to be a very good basketball player."

And Acker "has shown to be a good shooter from the outside, and appears to be a pretty good passer."

Dye ran down the list of players who are joining these veterans on the varsity squad this year:

—Rodney Heiman (5-9 junior) and Neal Hoelting (6-0 senior), who have not played high school basketball before "but are coming along real well";

—Virgil Huseman (5-10 junior), "who I expect to be contending for a starting spot real quick";

—Wayne Backus (5-9 junior), Rodney Schulte (5-9 sophomore) and Johnny Hochstein (6-2 junior) "who have all been looking good."

The Swifts will play a

different brand of ball this year, Dye said.

"Each boy has his own separate abilities. I feel like we have three real good shooters, so we're going to run a wide-open offense and try to take advantage of it."

He added, "I've never seen any kids who could hit those 15-foot jump shots the way these kids can — and I've coached some good kids."

"We'll be using a multiple offense, depending on the opponent, the defense, and even on who we have in there at the time. And we'll be using a man-to-man defense as well as a 2-3 zone."

As for this season's schedule, Dye commented, "I don't see how it could be any tougher, with teams like Hale Center, Adrian, Hartley, Abernathy and Motley County. And in district, Happy and Spade are going to be double-tough."

The goal right now, Dye said, "is to get into some kind of a playoff — to get a share of that first round in district — and then to go from there. You've got to accomplish that

before you can think about advancing any farther.

He added, "I'm a big believer in the power of positive thinking. I want the boys' basketball training to be a positive learning experience. I want them to be positive in their attitude on the court, and positive about everything in school."

So far, his 1980-81 Swifts have a super attitude, Dye said, and the legacy of last year's trip to state is apparent.

"I've never been around any kids who were as willing to work hard," he said. "In most places, when you blow

the whistle and say it's time to go home, the place clears out. But here, they want to stay an extra hour or two and work on their own."

Don't be late for turkey shoot

The Sunnyside Lions Club will sponsor a turkey shoot Sunday from 2:09 p.m. until dark at Sunnyside, if weather permits.

HALF of all injury-producing accidents occur at speeds of 40 miles per hour or less.

Bobcats win easy victory over Lorenzo

Dimmitt's varsity and JV boys racked up another pair of lopsided wins when they traveled to Lorenzo Tuesday night to take on the teams coached by former Dimmitt assistant Larry Birdwell.

Kevin Cleveland sank 17 points and Randy Washington 16 as the Bobcats downed the Hornets, 73-45, for their second straight win of the young season.

The teams tied 14-14 in the first period, but the Bobcats took control in the second quarter as they surged to a 36-23 halftime lead. Dimmitt held a 52-33 advantage going into the fourth quarter.

Leading Dimmitt's defense and floor play were Jeff Watts with 11 rebounds.

Top rebounders for Dimmitt were Jeff Watts with 11, Cleveland with 10 and Joe Nino with six. Leading the Bobcats' floor play were Kyle Weatherford and Washington with seven credits each.

In the boys' junior varsity game, Dimmitt overcame a pokey first half to post a 58-29 victory.

The JV Bobcats led by 7-6 after a one period, and by 21-11 at halftime. Then they posted 18 points in the third and 19 in the fourth to win going away.

Bryan Armstrong and Fermin Gonzales scored 10 each for Dimmitt, while Gonzales, Sid Sageser and Bobby Campbell paced the defense.

Week's schedule

DIMMITT
Friday — Abernathy, there
Tuesday — Morton, here

HART
Friday — Happy, there, 5 p.m.
Saturday — Varsity Boys vs. New Life Academy, there, 7 p.m.
Monday — Junior High vs. Farwell, here, 5 p.m.
Tuesday — Lazbuddie, here, 5 p.m.

NAZARETH
Friday — Muleshoe, here, 6:30 p.m.
Tuesday — Hale Center, here, 6:30 p.m.

Police calls

City police officers arrested a 35-year-old Dimmitt man Saturday morning on a misdemeanor DWI charge. He was released on \$750 bond.

A 34-year-old Dimmitt man was arrested by sheriff's officers early Saturday on a charge of driving with a suspended driver's license. He was released on \$500 bond.

A 1976 Pontiac two-door was stolen from the east side of C&S Equipment Co. Saturday. The car was parked with the keys in it, officers said.

The car was owned by C&S Equipment Co.

KEEPING dashboard lights dim at night helps you see the road better.

Swiftettes top Canyon in opening game, 54-32

Nazareth's Swiftettes started their basketball season on their home court Saturday night with a 54-32 victory over the Canyon Eaglettes.

After building a 16-8 lead in the first quarter, the Swiftettes restricted their visitors to just two baskets in the second period to surge to a 26-12 halftime lead. Nazareth built its lead to 40-24 in the third, then scored 14 points to Canyon's eight in the fourth.

Sharon Gerber paced the Swiftettes' scoring with 21 points, and was also the top rebounder with seven. Lori Gerber netted 10 points, and also hauled in six rebounds and was credited with four assists. Roxane Birkenfeld made nine steals and six assists, and Karen Birkenfeld pulled down six rebounds as the Swiftette defense dominated the boards and floor play.

Teresa Stone was Canyon's top scorer with 10.

Nazareth sank 53% of its field shots (25 of 47), while Canyon could net only 33% (15 of 46). Neither team was hot at the free-throw line as Nazareth sank four of 11 (36%) and Canyon two of six (33%).

"I thought we played very good team defense," NHS Coach Joe Lombard said. "The girls played real well for a first game."

The Nazareth girls' junior varsity posted the first victory of the evening, topping the Canyon JV girls 49-34.

Rhonda Hoelting, Deanna Hoelting and Simona Schacher scored 10 points each for Nazareth.

Top defensive player in the game was Annette Hoelting with 14 rebounds and nine steals.

The Swiftette JV jumped to a big 20-5 lead in the first quarter, held a 28-13 advantage at halftime, and led by 39-21 after three quarters.

"I thought we played good defense," Coach Lombard commented. "Annette Hoelting and Deanna Hoelting both played really good games."

It's True.

"I built a new home about two years ago and decided to use the heat pump because it is energy efficient. Number 1, I like the idea of electric heating and air conditioning because it's cleaner. The heat pump system is clean and I like to maintain a place that stays clean. My walls stay nice, my draperies stay nice and I don't have lint everywhere... and I've had other systems where I did have that problem.

The heat pump is great because it is clean... we've been very satisfied with it."

The things said about the heat pump are true. Find out more about the heat pump. It can save for you.
