'THANKS, FELLOWS'—Outgoing President Jerry Marvin [right] presents special appreciation plaques during the annual Dimmitt Chamber of Commerce Banquet Monday night to Bob Murdock and Ron Montgomery [left] of Southwestern Public Service Co. for their help through the years with the chamber's

Christmas lighting project. This year, the two servicemen were called out to correct a short when the community tree was lighted at the chamber's "Christmas heralding party." In background are Marvin's wife, Susan Hanners, and the banquet speaker, Dr. Charles Jarvis.

OHIO leads all other states in the manufacture of playing cards and dishwashers.

Nazareth

Kleman anniversary observed

By VIRGIE GERBER

A large number of relatives and friends enjoyed at dinner at the community hall Sunday to celebrate the 25th wedding anniversary of Alphonse and Viola Kleman. Everyone enjoyed playing cards and visiting during the afternoon.

Jim and Evelyn Ball and family of Wichita, Kan. have moved back to Plainview. After finishing his job in Wichita, Jim is again with MBPXL in Plainview.

Mr. and Mrs. Ed Riemann of Glendard, Ohio have been visiting here with their relatives, Mrs. Lucille Drerup, Mrs. Frances Schacher and Lucy Leinen.

Harry Britten of Groom, husband of the former Mary Drerup, who used to live here, is in serious condition. Mary is a sister to Lucy Leinen and Frances Schacher.

Mrs. Vincent Guggemos is in St. Anthony's Hospital in Amarillo, where she had surgery for a broken hip.

Mr. and Mrs. Walter Schulte spent several weeks in Sallisaw, Okla. with their daughter and family, Mrs. Etta Mae Kleman.

Craig and Donna Kleman and children, Jonathon and Jennifer, spent a week here with his grandfather Harry Kleman. He was here on emergency leave through the Red Cross. He is stationed with the Air Force in Minot, N. Dak.

The Christian Mothers meeting Monday evening was well attended. A program was conducted by Father Ken Keller and Sr. Bertha Franco of Amarillo. The theme was "1980—The Year of the Family," how parishes and families live and celebrate in it.

Harry Kleman is still a patient in Plains Memorial Hospital and his family reports him in serious condition.

Mrs. Marie Hanson is living with her daughter Martha and family in Friona after suffering a heart attack.

Mrs. Gertrude Acker has

been transferred to South Hills Manor in Dimmitt to recuperate from breaking her hip before Christmas.

Mrs. Meta Stork, Beverly Hill and Virgie Gerber spent several hours with Evelyn Hill in Lubbock Thursday.

Mr. and Mrs. Greg Hoelting and Mrs. Dora Albracht enjoyed Sunday dinner with Mr. and Mrs. W. J. Albracht in Hereford.

Carl Dean and Mary Kleman drove to Yokum, where Mary attended a secretarial training course by the Hochheim Insurance Co., with whom she will be employed.

Cindy Quiett is MC grad

Cindy Quiett of Dimmitt is a mid-term graduate of McMurry College, Abilene. She will receive her degree next May along with the 1980 graduating class.

Miss Quiett earned a BS degree in elementary education/English at McMurry. She is the daughter of Rev. and Mrs. Howard Quiett of Dimmitt.

Pinewood Derby slated Jan. 26

Registration for the Cub Scout Pack 267 annual Pinewood Derby will be held at 1:30 p.m. Saturday, Jan. 26 at the Expo Building.

Racing will follow as soon as all registered racers have entered.

Each Cub Scout received a seven inch block of pine wood, four nails and four tires for their Christmas present from the Pack Committee. From this will come many variations of racing cars. Most will be sanded smooth, carved, painted and will weigh five ounces with its wheels spinning freely.

These cars will race down a 50-ft. gravity track. Each car will race two heats and a third heat if necessary to determine the winner. Each car will have

to lose two times to be eliminated. The loser of one race could come back through the loser bracket and win again. The boys will race their own cars, place them on the track and watch to see who wins.

Prizes will be awarded for various categories, best built car, best looking car, cubbiest car, etc. Also a first, second and third place prize will be awarded in each age category (8, 9 and 10-year-old). A first, second and third overall with a "King of the Hill" award will also be given.

Winners in the race will go to the District Pinewood Derby which will be held in March.

Families and friends of Cubs are invited to attend this annual affair as well as all

Cub functions. A concession with Cokes, brownies, cookies and other goodies will be available. Winners will be announced after the race.

THERE is nothing permanent except change. —Heracitus

US President Ulysses S. Grant was, for all practical purposes, a vegetarian.

SBA office schedule here is continued

The Small Business Administration Disaster Loan Office in Lubbock has revised the schedule of locations and times for some of its satellite offices.

The SBA will have staff members here from 1 to 3 p.m. each Friday at the First State Bank of Dimmitt. "Revision of schedules has become necessary in the interest of economic expediency and for better use of available manpower," according to William E. Glennon, branch manager of the SBA Disaster Loan Office in Lubbock.

The offices formerly located in Matador, Vernon, Kress and Crowell will now be combined with the office in Floydada, the office in Friona and Memphis are combined with the Hereford office, offices formerly in Childress and Hale Center will now be combined with the office in Plainview and offices that formerly served Crosbyton, Spur, Aspermont and Knox City will now be serviced by the Lubbock SBA Disaster Office.

A COVERED WASH RACK and more hog pens will be available to the county's youngsters at the Junior Fat Stock Show this year, thanks to this project by the Dimmitt Young Farmers, who conduct the annual show. Here, the Young Farmers put up the steel roof beams Saturday for a weather

cover over the washing area between two of the stock barns, so youngsters and their animals will be protected from the February chill during the washing process. The Young Farmers also plan to put a weather cover between two other show barns to provide more hog pens.

Texas FU threatens suit unless support is hiked

Delegates to the Texas Farmers Union annual convention at Corpus Christi have threatened to pursue legal remedies—presumably a lawsuit based on economic damage and filed through class action—unless President Carter acts immediately to increase farm price supports on all commodities to 90% of parity.

The farmers and ranchers, nearly 400 of them from across the state who gathered in Corpus Christi for a three-day meet, said in their statement of position, "The President's action to bail out the grain companies by purchasing contracts still leaves the question of protection for farmers unanswered."

A sharp statement indicating serious problems for the Carter Administration in the farm sector of Texas also stated, "Failure to immediately raise loan rates for all commodities and/or the government's use of surplus support

create a ceiling above prices now or any time in the future will be viewed by this organization not only as further abandonment of the farmers of this nation, but also as a misguided policy that will further add to record farm debt, stagnate the general economy by arresting farm income and purchasing power, and lead to continued devaluation of the dollar."

Specific demands of the official representatives of the 10,000-member general farm organization called for emergency action to set a price floor on all commodities at 90% of parity by using the existing structure of farm law that combines storage of crops with a non-recourse government loan using the stored crop as collateral.

Parity is the formula that measures farm income against production expenses to continuously adjust for inflated costs, and is a part of permanent federal law. Ninety percent of parity on a few major crops is currently \$5.54 per bushel for wheat, \$3.86 per bushel on corn, \$9.36 per bushel on soybeans and 92 cents per pound on cotton.

The Texas Farmers Union also called for:

—A paid diversion of at least 20% on all crops. This amounts to a cutback of 20% from each farmer's official acreage with a direct payment made to compensate for income lost by not using productive acres.

—Farmers to be allowed to graze livestock on set-aside acres rather than plowing up that which is already planted or laying fallow 20% of that not yet planted.

—A strategic government reserve of the surplus that could be utilized by the government by discretion, but not released upon the market at any less than 110% of parity, in order to protect markets.

The Texas Farmers Union delegates stated that "the nation as a whole cannot afford the strain brought to bear on the balance of payments and the entire impact on the economy should farmers be left to flounder without sufficient price supports."

In other actions taken in the adoption of an official policy statement for 1980, TFU renewed its opposition to a mandatory, value-added tax

Here's Hart's school menu

MONDAY — Breakfast: Cinnamon toast, applesauce, milk. Lunch: Burritos, cabbage salad, corn on cob, peanut butter cake, milk.

TUESDAY — Breakfast: Donuts, hot chocolate, apple. Lunch: Enchilada casserole, tossed salad, buttered corn, rice pudding, milk.

Hance slated to speak at Scout banquet

The annual banquet of the South Plains Council, Boy Scouts of America, will be held at 7 p.m. Friday, Jan. 25, at the Texas Tech Student Center Ballroom, Bob Moody, president, announced.

Congressman Kent Hance will be the featured speaker. Another special feature will be the presentation of the Silver Beaver Award, South Plains Council's highest award.

Tickets are available for \$6.50 each. Reservations may be made at Scout Service Center, No. 30 Briarcroft Office Park in Lubbock, or by phone to 747-2631.

Scout leaders are encouraged to attend. Scouters are expected from the Chaparral, Quanah Parker, Haynes, George White and Comanche Trail Districts of the Council.

Swisher Electric Co-op offers free trip

Anyone between 16-18 years of age who is interested in winning a free trip to Washington, D.C. in June should meet in the Willie Room at Swisher Electric Co-operative in Tulia at 7 p.m. today (Thursday).

An all-expense paid trip will be awarded to two students by Swisher Electric Co-operative, through a competition in a speech contest.

Resource materials on the topic are available at the co-

operative's office to anyone who wishes to enter the contest, providing they meet the age requirements.

For more information students may call or visit Mike Ferguson at Swisher Electric or at Hart, Nazareth, Tulia, Silvertown, Canyon, Happy, Kress or Olton High School offices.

Another meeting is scheduled for Thursday, Jan. 24 at the First National Bank's community room.

View from the Library

By BRICK AUTRY
Librarian

I don't recall at the moment who gave the quote that adolescence is a disease—it could have been Erma Bombeck or Jean Kerr—but whoever really knew what she was talking about. Do you know what the latest symptom of this dread disease is? It's the great sling shot orgy. Any teacher can tell you about it. Fortunately, this fad is less dangerous than the great knife orgy they went through a few weeks ago. However, if I get one more paper wad in the seat of the pants, I'm going to get nasty.

Now then, one comment on last week's caustic attack on the patrons of this library. That is that when cassette players cost about thirty dollars and cassettes themselves cost seven dollars, one can see that any problem with them runs into money. A conservative estimate provided by the Amarillo Public Library states that this library could spend up to \$292 a year simply on stolen cassettes alone. And that's not to mention the equipment and maintenance cost. Simply because our fuel bills are eating a large part of the non-book budget, we do not feel that cassettes should cost the lib-

rary that much. When the cost of stolen cassettes drops, to say, less than \$100, then perhaps Rhoads Memorial Library can have a cassette program.

Henry Kissinger's book about his White House years is off the best-sellers now. It was on our table for a week before anyone had the courage to pick it up. Just picking it up was a chore, anyway. It has over 1500 pages. The title of his book should be Henry Kissinger's Encyclopedia of his White House years. I can just see Ed McMahon say, "Everything you always wanted to know about Henry Kissinger at the White House is in that book." Johnny Carson replies, "No, explosive literary breath."

In my opinion, Mr. Kissinger's book will be a classic like Samuel Pepy's diary. The high school students will have to read the historical parts and the scholars and well-read will know where to read the juicy parts.

HERSHEL Benardi provides the voices for Charlie the Tuna and the Jolly Green Giant.

WALT HANSEN [right], who has served the past six years as a Chamber of Commerce director, accepts an appreciation plaque from President Jerry Marvin during the chamber's annual banquet Monday night. Hansen has spent nine years on the chamber board in all, counting an earlier three-year term. He and

Marvin are being succeeded on the chamber board by incoming directors Joe Josselet, Thomas Falcon and Kenn Justice. Continuing directors are Maxine Childers, Clara Patton, Doug Lapins, Dr. James Sims, Fred Annen, Al Jackson, Ray Phillips, George Sides and Robert Benton.

Sunnyside

Party honors Mrs. Curtis

By TEENY BOWDEN

Mrs. Cecil Curtis was honored with a birthday party in her home Tuesday afternoon. Those attending and playing "42" were Mrs. Roy Phelan, Mrs. R. V. Bills, Mrs. Floyd Ivey, Mrs. Lloyd Blanton, Mrs. Ray Axtell and Mrs. J. E. Shirey of Earth.

Lynn Brown returned to the dormitory of South Plains College Thursday to begin the second semester. His grade average for the first semester was 4.0.

Dr. Strauss Atkinson of Plainview taught the book of Ephesians Monday through Wednesday nights. Rev. Glen Smith of Springlake visited Tuesday night. Twenty-five were enrolled in the course; 18 attended enough to get credit for the study.

Hershel Wilson received a serious injury to his left hand Thursday while cutting a window in a metal barn. The portable metal grinder he was using fell on the back of his hand, cutting the tendons. They were sewn back together in Littlefield and his hand and arm placed in a binder. The accident didn't prevent him from carrying out his scheduled music program at Girls' Town at Whiteface Sunday night.

Mr. and Mrs. Ezell Sadler entertained 19 persons in their home Thursday night for "42."

Mrs. Raymond Jones took

their granddaughter, Stephanie Jones to her home in Fort Worth Thursday and visited with Mr. and Mrs. Wade Jones and children and her mother, Mrs. Mae Etta Watts, through Sunday.

Mr. and Mrs. Hershel Wilson and Rev. Raymond Jones left Monday morning for Fort Worth to attend the Evangelism Conference. Mrs. Jones met them there.

Mrs. Carl Dean Carson had charge of the children's sermon Sunday morning. Mrs. Cliff Brown and the Uppitts had charge of the devotional period of church training Sunday night.

Mr. and Mrs. Ralph Hill and Kyla of Hereford had supper with Mr. and Mrs. Noah Spencer Saturday night to celebrate the birthdays of Noah and Pam Hill.

Mr. and Mrs. Jerry Shive of Amarillo and Mr. and Mrs. Michael Tinsley of Canyon had dinner with Mr. and Mrs. Noah Spencer Sunday. Mr. and Mrs. Jerry Cox, Gregg and Chris of Dimmitt visited with them and with Mr. and Mrs. John Spencer Sunday afternoon.

Six men attended the Brotherhood breakfast at the church Tuesday morning.

School menus at Nazareth

Here are the lunch menus for Nazareth schools for the week of Jan. 21-25.

MONDAY — Pizza, tossed salad, corn, hot rolls, butter, vanilla pudding, milk.

TUESDAY — Barbecued franks, baked potato, carrot sticks, hot buttered bread, peanut butter chews, milk.

WEDNESDAY — Chili and beans, peanut butter and crackers, carrot and celery sticks, cinnamon rolls, milk.

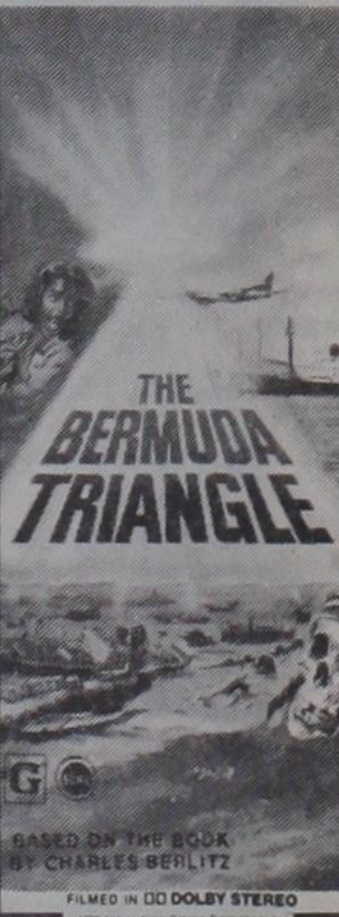

THURSDAY — Mexican casserole, sopapillas and honey butter, tossed salad, green peas, lemon pudding, milk.

FRIDAY — Fried fish with tartar sauce, macaroni and cheese, green beans, hot rolls, butter, pear halves, milk.

CHARLES BERLITZ'S

Grandson wins mention at music student

Dennis Wayne Lange of Wylie, grandson of Mr. and Mrs. C. O. "Dutch" LaRue of Dimmitt, was honored in the 1978-79 publication of "Who's Who In Music," a biographical dictionary of outstanding music students.

Lange is a graduate of Wylie High School and is the son of John Walter and Sharla Jean Lang.

His music specialty is alto and soprano saxophone. Listed among his activities are first chair alto in concert, stage and marching band, John Philip Sousa Award winner, letter three years, rating I in ULL solo and ensemble.

He has earned 11 All-Star awards, the Louis Armstrong Jazz Award two years; outstanding-musician awards of

the National Association of Jazz Educators in UTA, Texas Tech and TCU Jazz Festivals.

At the Tech University Band Camp he was listed in

the Kappa Kappa Psi National Honor Band with the Fraternity of Excellence.

Big Yielders from Big M

McCurdy Big M seed corn has proven tops in test plots across the cornbelt. But the real test is on your farm and that's where McCurdy research really pays.

7484 (84) YIELD CHAMP! 238.95 bu./acre yield in the NCGA Contest. Strong stalk with upright leaves. Deep kernels with small hard cob. Plant 18-26,000 and pour on the fertilizer for contest winning corn. Full season Zone 6, medium-season Zone 7.

7440 (78-60) New single cross with extremely high yields. Exc. stalk, slightly lower ear height than 84; stands better than 84A. Tests show a 10% yield increase over 84. Heavy test weight. PLANT ALL YOU CAN GET! Full season Zone 6, medium season Zone 7.

7748 (84aa) Exciting new single cross with outstanding yield results. Extremely good stress and disease tolerant hybrid. Bred especially for Southern Iowa. Medium-full Zone 7.

SURROUNDED—Hart's Suzahn Rowland finds herself surrounded by Vega defenders as she attempts a shot in the first quarter of the Lady Longhorns' home game Friday night at Hart. At left is Hart's Theresa Kittrell. Vega won the District 3-A contest, 44-30.

Full schedule keeps teams in HJH occupied

Hart Junior High teams, which played in the Bovina Tournament on the weekend, split into 7th and 8th grade units to play Farwell Monday night.

Seventh Grade Girls of Hart swamped a Farwell team 27-5, with Susie Reyna and Naomi Ponce each giving Hart 10 points. Boys of the 7th grade were not quite able to best their opponents, and dropped a 28-25 encounter. Freddie Washington's 10 points topped the Hart scoring.

Lori Sarabia tallied 12 of the 22 Hart points in the 8th grade girls' game, which went to Farwell 27-22. Farwell also took the final contest of the day, between 8th grade boys. The score was 35-31 and Wade Cook hit for 10 of the Hart points.

Hart girls placed third in the Bovina Junior High Tourney, taking the Saturday game from Bovina 8th grade 26-18. They began the tourney with a 20-5 decision over the Bovina 7th Thursday, then lost to Farwell 24-16 Friday.

High point player in all three games was Sarabia, with 12, 10 and 12 points.

Muleshoe upended the Hart boys with a 51-23 victory Saturday after Hart defeated the Bovina 7th grade 29-4 Thursday and then lost to Springlake-Earth Friday, 26-12.

Arnie Garza led Hart scoring in the first game with 6 tallies, Robert Gonzales needed only 4 to lead Friday, and he tied with Arthur Finch at 7 points for tops in the Saturday game.

Dimmitt Freshman teams set to host tourney this weekend

Freshman cage teams of Dimmitt High School will be hosts for a tournament this weekend in the Middle School gymnasium, with six girls' teams and as many boys' teams entered.

The Dimmitt cagers will go into action Thursday night, with the girls meeting Tulia at 6:30 p.m. followed by a boys' contest between the same schools at 8 p.m.

Winner in the girls' game will play the second round at 11:30 a.m. Friday against Morton, which drew a first-round bye.

In the other girls' bracket, Muleshoe and Friona will play at 11:30 a.m. Thursday with

the winner scheduled to go against Littlefield at 8:30 a.m. Friday. Littlefield has the bye in this bracket.

Losers of the first-round games will not play until 1 p.m. Saturday to decide the consolation winner.

Third place will be decided in a 4 p.m. game Saturday and the championship contest for girls is set at 7 p.m.

Dimmitt boys also will have

Tulia as their first opponent and the winner will meet Morton at 1 p.m. Friday.

Muleshoe and Friona boys will decide in a 1 p.m. contest Thursday which is to face Littlefield at 10 a.m. Friday in the second round.

The consolation game will begin at 2:30 p.m. Saturday, the game for third place at 5:30 and the title affair at 8:30 p.m.

DHS Fresh split with Littlefield

Dimmitt High School's Freshman Girls topped Littlefield 42-25 last Thursday night to complete their first round of district play with a 4-1 record. For the season they stand at 6-2.

Also on Thursday the Freshman Boys of DHS dropped a 49-44 decision to Littlefield's boys on the Dimmitt court. Coach Clifford Smith's boys brought their record to 3-5 with this game.

Both the local teams will play in the annual Freshman Tournament here this weekend.

Dimmitt girls have had only one conference loss in the first round, to Muleshoe. They lost to Plainview early in the season and have posted victories over Morton, Hereford LaPlata, Friona, Littlefield (twice) and Olton.

Carrie Sadler led the way with 12 points last Thursday as nine of the squad's 11 players scored at least a basket each. The Freshman Bobbies were playing without three of their regular squad members.

Richard Guzman had top scores for the boys with 14 points. Shan Powell hit for 10 more.

Nazareth sweeps three games with Whitharral

After a sortie last Friday to Whitharral, where they were victors in varsity games, the Nazareth Swifts and Swiftettes were hosts to Whitharral Monday night with the same result.

Four Swiftettes scored in double figures as Nazareth's girls easily won a 70-43 contest. Sharon Gerber hit for an impressive 25 points, Roxanne Birkenfeld made 15, Do-

retta Ramaekers 14 and Michelle Acker 12.

Nazareth Varsity boys had little trouble in their contest, downing Whitharral 57-39 behind the 18-point scoring of Bryan Huseman. John Stefens also got into double figures with 10 points.

Junior Varsity girls played the third game, and again it was Nazareth ahead, 60-24. Karen Birkenfeld scored 27, more than enough to win the game, but was backed by Annette Hoelting's 15 points.

CITY officials estimate that there are over 700,000 dogs in New York City, or one dog for every 10 men, women and children.

County's employees to get pay raises

The Castro County Commissioners' Court approved pay raises for most county employees at its regular meeting Monday.

County Treasurer Oleta Raper and Justice of the Peace Marshall Young were each given salary increases of \$150 a month because of expanded workloads in their offices since their election.

Raises of \$50 a month were granted to the County Clerk and her deputies, the Tax Assessor-Collector and his deputies, the Sheriff and his dispatchers and deputies, the secretary to the county agent, the County Health Officer, and the Commissioners and their maintenance employees.

Hourly employees were raised to \$3.10 an hour to conform with minimum wage standards.

The court was informed that construction is underway on the Human Resources Building. The fill work has been done and the excavation for footings is almost complete.

At a previous meeting the commissioners selected a white steel exterior with cocoa brown trim and white-flecked medium-brown brick. The building is being constructed on Jones St. just east of the city hall.

Commissioners approved purchase of a 500-gallon gas tank to be buried on this lot to store gasoline for county vehicles.

In other action, the court: —Sent a resolution to the Texas Association of Counties in Austin requesting "a larger

percentage of motor vehicle registration fees be returned to the counties" and stating that they "favor a 1% sales tax on gasoline, to be returned to the counties."

—Heard a report from Teeny Bowden, chairman of the County Historical Commission. She reported that the committee preparing the County History Book now has 800 stories and that 772 books have been sold. The committee will continue to accept family histories as long as they possibly can, even though the deadline has passed. She also mentioned that orders for copies of the book must be placed with the committee before the book goes to press.

—Appointed Raymond Fleming, Veronica Reyes, Ethel Mae Thomas and Milton Brigham Hospital in Boston performed the first kidney transplant operation in 1950.

Enrollment up from first day of school

Enrollment is up from the first day of school in Dimmitt, Hart and Nazareth schools.

As of Friday Dimmitt had a total of 1,644 enrolled, 138 more than the 1,506 enrolled on the first day of school.

Hart reported an enrollment of 588, five more than the 583 for its first day.

A total of 319 are now enrolled in Nazareth Schools, 11 more than the enrollment of 308 the first day of school.

Dimmitt reported having 615 enrolled in Richardson Elementary School, 620 in Dimmitt Middle School and 409 in Dimmitt High School.

There are 322 enrolled in Hart's K-6, 100 in grades 7-8 and 253 in grades 9-12.

Nazareth reports having 154 in early childhood through sixth grade, 55 in grades 7 and 8 and 110 in high school.

More about Trial testimony may start...

[Continued from Page 1] miles north of Dimmitt when the fatal shooting occurred, and has charged Stone and his wife, Louise, with murder and assault in connection with the shooting.

But the Stones—who are self-professed witches as members of the Arianhu branch of the Church of Wicca—have pleaded innocent to the charges. They claim they have no knowledge of the fatal incident and that they heard no shots that night.

Mr. and Mrs. Stone originally were charged together, but last week 64th District Judge John T. Boyd granted a pre-trial defense motion to sever Mrs. Stone from the present trial. She is subject to a separate trial later.

The trial is being held in a temporary courtroom in the old Plainview Business College building at 302 W. Eighth St. while the Hale County Courthouse is being renovated.

The make-do courtroom has seating space for only 50 spectators and reporters after space is allocated for court officers and families of the principals in the case.

The crowd of spectators has been small during the tedious jury selection process, "but it's anybody's guess as to how crowded it will be once the testimony starts," Davis said.

Court officials are expecting a large press crowd during the trial of the celebrated case. Representatives of newspapers, magazines, television stations and networks, wire services and freelance writers have inquired about courtroom facilities, Davis said.

Attorneys are hoping they can pick a jury from the original venire that was summoned. However, the court has called a second venire in case more prospective jurors will be needed.

At the end of questioning Tuesday, attorneys had questioned 63 veniremen and chosen 25 as jury panelists. Twenty-seven members of the original venire were left, with seven more panelists to be chosen. From the jury panel of 32, prosecution and defense will be entitled to strike up to 10 each before settling on the final 12-member jury.

The court summoned 140 new veniremen this week, and 72 reported. Thirty of these were granted exemption, leaving 42 more prospective jurors if needed.

Davis has been questioning the prospective jurors mainly about their feelings on the right to defend one's private property. Defense attorneys have been questioning them on their knowledge of the case because of its widespread publicity, and their feelings about witchcraft and the right of people to their individual beliefs.

Swiss cities cleaner, safer, traveler says

Swiss people show a pride in themselves and their country that impressed a Dimmitt woman so strongly on a recent trip that she told the Noon Lions Club this week, "I hope, sooner or later, we will all emulate them."

"I'd like to go back to Switzerland," Clara Vick said in her report on the European trip, adding that she was disappointed in Italy and France.

The cleanliness and safety of Swiss cities was the thing that was most attractive to Mrs. Vick. The Vicks stayed at Montreaux, about 80 kilometers from Geneva.

"There were no beer cans, gum wrappers or even matchsticks on the streets," she said. "Every morning the shopkeepers scrub their sidewalks with soap and water and polish their windows. Then the street sweeper comes along and cleans everything from the street.

"There is no danger of purse-snatchers, muggers or vandals. The shopkeepers don't even take all their sidewalk exhibits in at night—they just put weathercovers on them."

"Even here in Dimmitt we're not always safe," she said, "and I don't think it's the different form of government that makes the difference; I think it's the people."

The Dimmitt couple toured factories, castles, churches and saw dairy farms. They found that unemployment is very low, less than one percent.

More about Howell...

[Continued from Page 1] cited, really," his father said.

One of Howell's first visitors in his new room was Stephanie Scholz, a Dallas Cowboys cheerleader who is the daughter of one of Howell's surgeons.

"She was home for her 20th birthday, and stopped in to see Matt," his father said. "They talked quite a while and had a nice visit. The nurses said it was a good thing they didn't have to take his blood pressure while she was there."

Howell is still in almost constant pain, and the whirlpool treatments have made his shoulder and neck sore, his father reported.

"I'd be afraid to estimate how many people in Dimmitt have sent cards and flowers," Howell's father said. "The support they've given us is unreal."

Howell's new address is Room 156, Highland Hospital, Lubbock, 79412.

New association formed as cotton growers meet

A new organization named the Cotton Farmers Association was formed by a group of Panhandle-Plains farmers at a meeting in Lubbock last Thursday, aimed at improving the program under the Cotton Research and Promotion Act of 1966.

The organization was formed as the result of a recent study of activities of the Cotton Board, a quasi-governmental agency, and Cotton, Inc., a private marketing research firm, by the office of the Inspector General, US Department of Agriculture, according to Joe Rankin of Ralls, who was elected president.

Doug Higgins of Hart is one of the directors elected at Lubbock, along with Bob Gibson of Meadow, Joe Hoelscher of Levelland, Steve Carricker of Roby, Ken Lane of Haskell, Melvin Lowrey of

Tokio, T. J. Redman of Ropesville and Bob Nunnley of Causey, N.M.

The Inspector General study raised questions about activities of the Cotton Board and Cotton, Inc. which are of concern to cotton producers, Rankin said, because the present program is funded by assessments paid by the producers.

"This new organization will be active only as long as it takes to correct the problems of accounting, election of directors, research and marketing by Cotton, Inc.," Higgins said.

Its purpose is not to tear down the present program, but to make needed changes for improvement, Rankin stated, and to make the program more responsive to the producers, with a more democratic process of electing directors.

—Appointed Dr. B. H. Lee as the rabies control officer for the county.

—Reappointed the present members of the Child Welfare Board, who will meet with Carlene Langley, the new Child Welfare officer, this month.

PHYSICIANS from Peter Bent Brigham Hospital in Boston performed the first kidney transplant operation in 1950.

VIOLINS mellow with age and if cared for properly are better at the age of 80 years than when they were new.

647-3123 For Printing

More about CofC awards...

[Continued from Page 1] me," Marvin added.

In announcing Robertson as Dimmitt's Citizen Through the Years, County Commissioner Edd Wilson Jr. said, "Several of us started listing the many things this man has done for his fellow man . . . and I've got a list three pages long, but I'm not going to read it—nor would he want me to."

Wilson singled out Robertson's work as a Mason and Shriner, saying he "has done more for the annual Crippled Children's Clinic in Hereford than any man I know."

He also noted Robertson's service as a local and national director of the Production Credit Association, and his interest in helping young people get started in the farming business.

Wilson characterized Robertson as being the kind of man who "will come to your aid on the darkest night, and be there when morning comes."

In accepting the award, Robertson said, "I know I haven't been as good to the community as the community has been to me."

Mary Jo Brown, winner of the chamber's first Teacher of the Year award last year, presented this year's double winners.

She commended Mrs. Ryan for her involvement in all phases of school life, for her positive attitude toward other teachers, administrators and students, for setting a personal example for her students, and for maintaining good rapport, discipline and preparation in her classes.

"Her enthusiasm also spills out and becomes contagious," Mrs. Brown said. "Her sense of humor and self-confidence encourage students to become involved in school work and community activities. She exhibits those qualities which may cause a student to desire to become a teacher."

Mrs. Ryan started Dimmitt High School's vocational office education program in 1978, and teaches business machines operation, accounting, telephone discipline and related subjects. The VOE program also assists in job interviews and placement, and acquaints students with business people in the area.

"This one program is perhaps worth more to the community in dollars and cents than we will ever be able to count," Mrs. Brown said.

Joiner was commended for having developed "the most extensive ORF musical program for children in the entire state of Texas."

Through the unique ORF method, pupils are introduced to the basics of music—rhythm and pitch—through melodic percussion instruments. The ORF method has proven highly successful in developing students' melodic and rhythmic abilities in both vocal and instrumental music.

Joiner has trained other teachers in the ORF method through Texas Education Agency workshops, and has written the words and music for two publications with ORF emphasis. He also produces and directs the annual Christmas pageants and spring musical programs, and in 1978 authored and produced an original Christmas musical.

Joiner—who recently completed the requirements for his master's degree through summer school and night courses at WTSU—has taught in Dimmitt schools 10 years. He has served as president and delegate of the local Classroom Teachers Association, is a member of Phi Delta Kappa honorary fraternity for educators, and teaches an adult couples' Sunday school class in the Presbyterian Church, in which he is also an elder.

He also has helped through the years with community pageants and musical programs.

"Many children and adults have benefited from his classes and private instruction," Mrs. Brown noted. "Not only is he talented in the field of music, but is expressive in many of the other arts as well."

your co-op advertising dollars have to be spent or they can't help you sell

Chances are that you have cooperative advertising dollars available to your business right now. Millions of co-op dollars go unused every year because retailers either don't know they're available or don't know when or how to use them.

Manufacturers make these co-op dollars available because they want to help you sell their products. We want to help, too. We can help you choose from a wide array of formats . . . individual dealer ads, tie-ins with corporate ads, dealer listings, etc. We have artwork available on many products that will cost you only half-price . . . or less . . . to advertise.

So don't let the sales potential offered by your co-op program get away from you. Call us today, and we'll help you determine the best dealer advertising to give you the strongest impact and frequency.
