

Our farmers' plight

How much longer can they draw on equity?

(Editor's Note: Among the myriad factors that come into play in today's farm economy — crop yields, market prices, production costs, PIK benefits, present and future farm programs, individual indebtedness — where do Castro County's farmers stand today? What's their situation financially, and statistically? In an attempt to get to the "bottom line" of our farmers' current situation, News reporter Brenda Schulte has consulted with spokesmen for commodity groups, farm credit institutions, agri-business and government at the local, state and national levels. This is the first of a three-part series.)

It appears that farmers will end up in the "same old boat," with a rising tide of commodities, low prices, and borrowing more money to stay afloat. "I've talked to directors (of financial organizations) all over the United States, and as a whole, farm credit and agriculture has a problem all over the US," said Ray Robertson, a director of Farm Credit Banks of Texas.

These farms were acquired through foreclosures, repossession, bankruptcy, or farmers deciding to quit the business. Only two Castro County farms were acquired by FmHA in the last three years, both in 1982. Records from other organizations which finance farmers were unavailable, but Castro County FmHA Assistant Supervisor Dean Sanders said that in the 2 1/2 years he's been in the Dimmitt office, "about 25 county farmers have gone out of business."

and-water improvement borrowers were delinquent. "These people did not borrow with the idea that they were not going to pay it back," Sanders said. "Farmers are just not making it."

By BRENDA SCHULTE
A man can't borrow himself out of debt. That is the dilemma farmers have faced the last few years. The 1983 PIK Program is providing a short-lived reprieve, but the 1984 programs offer little hope for an economic turnaround.

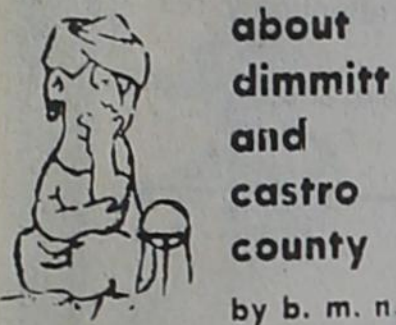

Farmers Home Administration (FmHA), which is both a first and last resort lender, finances a large percentage of the nation's farmers, and approximately 60% of Castro County farmers.

FmHA Management Information Service in Washington, D. C., reported a high percentage of delinquent borrowers in Castro County (through June 1983). Of those who took out farm emergency loans in the county, 88% were delinquent in their payback. 73% of the active borrowers with farm operating loans were delinquent, 51% of farm ownership borrowers were delinquent and 20% of the soil-

Federal Land Bank (FLB) of Dimmitt and Production Credit Association (PCA) of Dimmitt provide loans for farmers in the county. Neither institution presently has a problem with delinquencies, but managers of both agreed that farmers are having a hard time financially.

"The last five years in this area have been the most difficult and demanding on farmers in recent history," said Bill Harmon, manager of PCA. "Farmers still have many, many problems to overcome." "There are a number of farmers who have a problem of being overextended," said Marlos May, man-

Comes again a timely hint from Richard Wooten about the best way to get rid of dandelions. His remedy for getting rid of the beautiful yellow flowering weed is to water your lawn, or yard, real good, then after a day or so apply a good herbicide. If you will do that you won't have any dandelions, at least not many, next year Richard says. Just for the record a lot of people have taken Wooten's advice and are pleased with the results. Do it now.

There have been football games in the past, and there will probably be quite a few in the future, but there never will be another to compare with the one televised Monday night. The Green Bay Packers and the Washington Redskins put on a show that will long be remembered. It was a wild exhibition that resulted in the highest scoring in the history, I think, of professional football. All during the three and a half hour contest the point spread was never over like 4 to 7 points. The final score was 48 to 47 with the Packers in the lead. If the game had been called off, at anytime during the four quarters, the last team that scored would have been the winner. That is a close contest. It was fun to watch.

Now the scientists tell us that this old world is going to turn into a greenhouse. They say that much of the ice cap will melt and that water will cover up Padre Island. The cause for the big warmup, they tell us, is because of our polluting lifestyle. The carbon monoxide, created from the burning of fossil fuels, the part of it that we don't breathe, goes up very high and makes a shield that lets the sun rays in but keeps the cold out, thus making a greenhouse out of Mother Earth. What the heck! Let's have a big time. Why should we bother about pollution, atomic waste, chemical dump sites? Let the next bunch clean up the mess.

Lions to serve pancakes Friday before ballgame

A reprieve, fellows: You don't have to fix dinner Friday evening before the Dimmitt-Friona football game. The Dimmitt Lions Club will do it for you. The Lions will host their annual Public Pancake Supper from 5 to 7:30 p.m. in the high school cafeteria. They'll serve pancakes, sausage, bacon, milk, coffee and tea for 2 1/2 hours before game time. Prices are \$2.50 for adults and \$1.50 for children 12 and under, for all you can eat.

CofC may buy building

Should the Dimmitt Chamber of Commerce buy an office building of its own?

That's the question that will be decided next Thursday night when chamber members gather in a special called meeting.

Also, members will be asked to vote on a proposed new set of bylaws and a new dues structure.

The chamber board is proposing that the organization purchase the Justice Real Estate office building at 115 W. Bedford St. That's where next Thursday night's meeting will be held.

The board signed a purchase agreement Wednesday morning with the building's owner, Virgil Justice, to buy the office building and most of its furnishings for \$40,000, with no down payment and a 20-year payout at 12 percent interest. Monthly payments would begin in March 1984.

However, the board wants the general membership to make the final decision. Execution of the purchase agreement is contingent on approval of the membership.

"The board has the authority to buy the property, but we're not exercising that authority," Chamber President Jim Killingsworth said. "We're not trying to push anything through or antagonize anybody. We're making everything contingent on approval by the full membership."

The Justice building is 25x145 ft. (3,625 sq. ft.), and contains five offices and a coffee room. Remodeled five years ago, it is fully carpeted and paneled, with a modern decor.

Justice would rent his office back from the chamber until March, Killingsworth said. After that time, the entire building would probably be devoted to chamber use.

For years, the chamber has operated out of a 12x13 office in the city hall, which it rents for a token \$25 per month.

"We have expanded our services to the point where we have a full-time and a part-time employee working in a small office, and we have our things stored here and there around (Continued on Page 11)

ROBIN AND LINDA WILLIAMS will be the season's opening performance for the Castro County Community Concerts Association. They will appear Tuesday at 8 p.m. in the Dimmitt High School auditorium. For more details see story on Page 10.

NAACP forms new chapter in Dimmitt

A newly formed branch of the National Association for the Advancement of Colored People (NAACP) has been established in Dimmitt, claiming over 50 members.

A current membership drive is also aimed at the area towns of Hereford, Springlake, Earth, Amherst and Hart. Top recruiters for the drive will be recognized at an awards banquet that is being planned for the near future.

Executive Chairman of the chapter is Lottie Smith. Other officers are Joyce Bossett, secretary; Dorothy Maxey, treasurer; and Rev. James Alexander and Frances Ortega, reporters. Officers were named Oct. 7.

The group plans to meet the first and third Thursdays of each month, with the next meeting set for today (Thursday) at 7:30 p.m. at the Mini-Mall at 305-B SE 4th Street in Dimmitt.

Rose Wilson, president of the Lubbock NAACP branch, and Mr. F. Berry have been coming to help the fledgling group get started.

The membership fee is \$10 per year, which includes a subscription to the magazine "Crisis." "We have a membership goal of 150," Mrs. Smith

said. The NAACP has been called "America's oldest, largest, most effective and most respected civil rights organization."

Deadline nears for Halloween booth signups

Noon Tuesday is the deadline for organizations to reserve booth space for the annual Community Halloween Carnival, which will be held Monday night, Oct. 31.

Roger Allison, general chairman, said this week that a big community Halloween festival is assured, with more than 20 food and game booths planned so far.

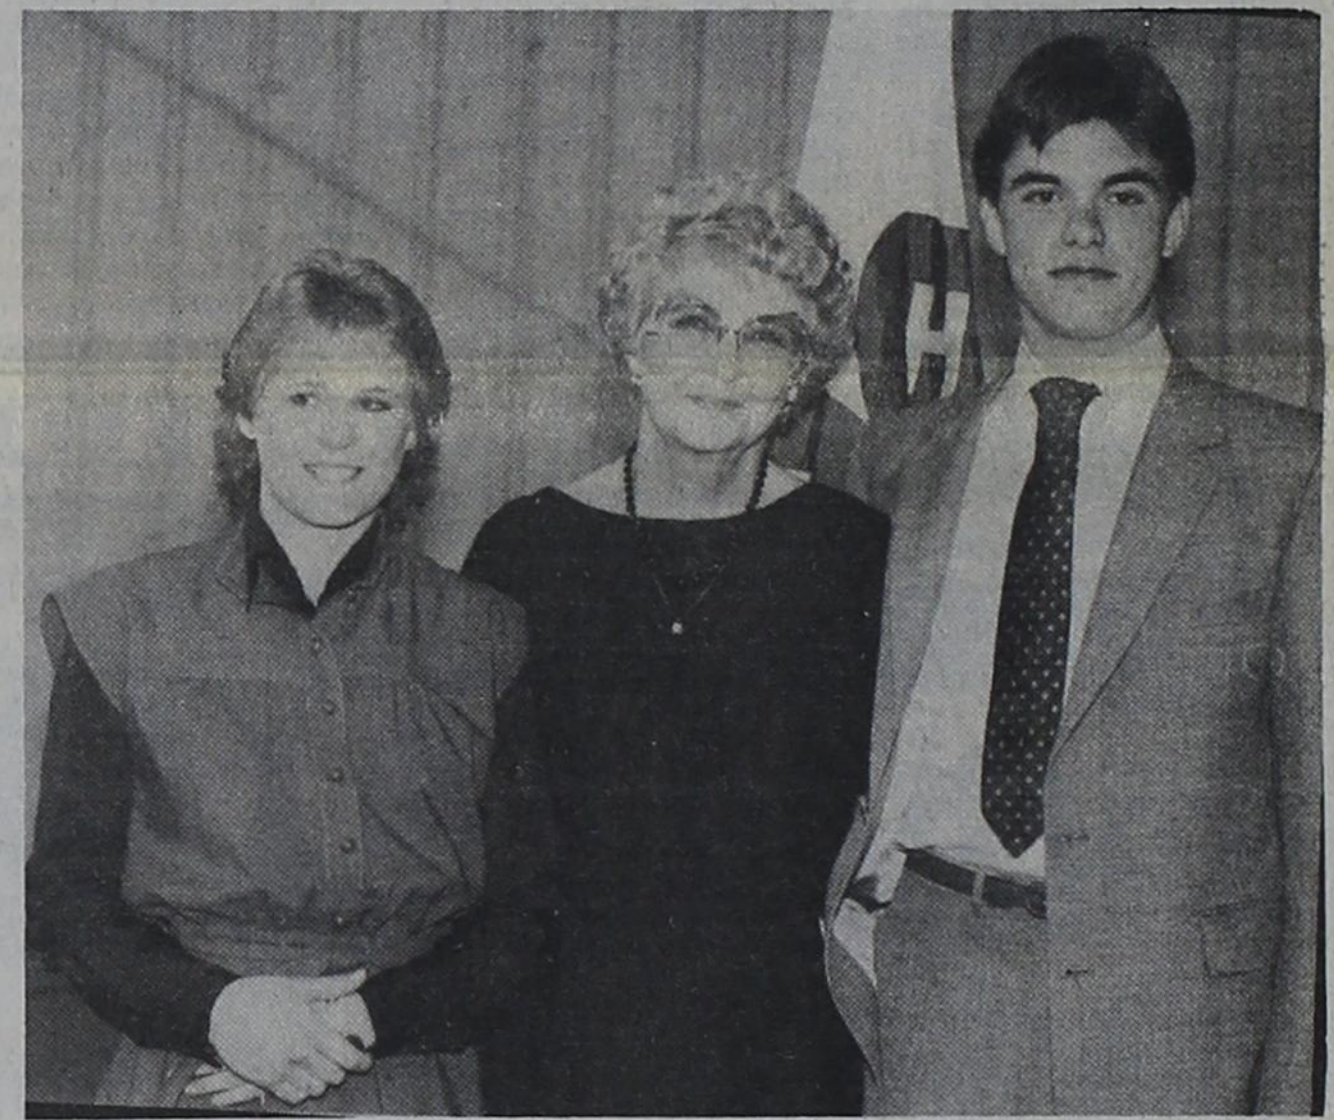

Any organization wishing to reserve booth space should contact Roger or Janice Allison at 647-3368 before noon Tuesday.

All types of food and game booths are allowed, but no duplications are permitted. Also, there are restrictions on the use of hotplates and other high-draw electrical appliances, Allison said.

The carnival, sponsored by the Dimmitt Lions Club, will be held in the same building as in the past decade.

HART COMECOMING QUEEN—Sheryl McLain, daughter of Mr. and Mrs. Cleve McLain, was crowned Homecoming Queen Friday night during halftime activities of the Hart-Kress football game. She is escorted by her father, Cleve. Other candidates were: Kathy Ortega (first runner-up), Jo Ann Ramirez and Lori Sarabla.

Rotary Club hears Rogers

"The phrase 'ain't that a doozy' originated from the Deussenburg automobiles," Ken Rogers of Hereford told the Dimmitt Rotary Club at its Friday meeting.

Rogers, who is an antique car buff, collector and restorer, gave a slide show of various rare and unusual antique cars that he has seen at the many shows and museums to which he has traveled.

He also told club members about the upcoming Hereford Antique Car Show, set for Oct. 21-22 in the Hereford Bull Barn, with admission set at \$3 per person.

In the business portion of the meeting, club members voted to raise the monthly membership dues from \$18 per month to \$22.10 per month — the amount required to cover the cost of meals. However, members agreed to allow a \$5 credit to any member who made up an absence. The new dues rate will go into effect Nov. 1.

Club President David Schaeffer asked members to be thinking up ideas for service and fund-raising projects for the club. He also said that volunteers

would be needed to help with the club's booth at the Halloween Carnival.

Social Security ...in Castro County

By TERRY J. CLEMENTS

The Supplemental Security Income program, also known as SSI, is one of the services provided by the Social Security Administration. It helps individuals who are age 65, blind or disabled and have limited income and resources. What do we mean by "limited"? An individual whose monthly income is less than \$324.30 or a couple who receives less than \$476.40 income per month. Limited resources are things that one owns with a value less than \$1,500 for an individual or \$2,250 for a couple. Examples of resources are bank accounts, automobiles, real estate, stocks, bonds and other items that can be exchanged for cash. SSI helps many people by providing an income "floor" and in Texas recipients are automatically eligible for the State program, Medicaid.

However, many people have found that the program can cause great hardship when certain reporting requirements of SSI are not met. A penalty of \$25, \$50 or \$100 is assessed when a person does not report a change timely. Also, overpayments caused by failure to report a change must be paid back to Social Security.

What must be reported? Changes in income, resources or living arrangements. If a recipient of SSI receives help in the form of cash, free shelter, food or similar means, this must be reported. A change in resources would occur if a recipient sells his or her home, automobile, and has an increase in the value of a resource such as bank account, prepaid burial contract or life insurance. A change in living arrangement can occur if a recipient moves, a change in marital status, admission into a nursing home or hospital and similar events. Occasionally, what may not seem to be an important change to the recipient, may affect the amount of the individual's check. If there is ever a doubt, the recipient should contact the Social Security office.

Ouch! Mules control ball for 30-0 victory

By DON NELSON
The Mules proved that they're for real when they dealt Dimmitt its worst defeat of the season, 30-0, in Muleshoe Friday night. The loss dropped the Bobcats to 4-3 for the season and 0-2 in district play. For the Mules, now 5-1-1 and 2-0, Friday night's victory put them on a collision course with the Littlefield Wildcats for district supremacy. The Mules will meet Littlefield Friday night at Muleshoe. The Mules won Friday night's game with a combination of ball control (66 plays to Dimmitt's 42) and a swarming defense. "Their defense was a lot better than we thought they were," Dimmitt Coach Gene Griffin said. "We knew where they were going to be defensively, but they just pursued so well — better than we expected — and they were so quick."

The Mule defense held Dimmitt to only five first downs and 167 yards of offense — 101 on the ground and 66 in the air — while grabbing two Bobcat fumbles and intercepting two passes to stymie Dimmitt drives. The Mules' defensive linemen and linebackers constantly choked off Dimmitt's option run and sacked quarterback Woody Glass seven times. Tailback David Barton still managed to gain 100 yards on 12 carries — including a pair of 30-yarders — but the other five backs who carried the ball had to settle for a single net yard among them. Meanwhile, Muleshoe's big offensive machine ground out 256 yards and added 35 via the air — good for 20 first downs — while scoring in every quarter. The booming punts of Muleshoe quarterback Jeff Hamilton were another big factor. Shedding his right shoe to punt, the senior signal-caller averaged 42½ yards per boot while his placement and downfield coverage

FACING THE BLITZ—Dimmitt quarterback Woody Glass (12) faces pressure from Muleshoe's Smiley Orozco (30) and Thurman Coleman (61) as he tries to pass in the third quarter of Friday night's District 2-AAA game in Muleshoe. Dimmitt tailback David

Barion (33) tries to head off the blitz, but Orozco gets past him to deflect the pass, causing an interception. Glass had to face this kind of pressure from Muleshoe's defense all night as the Mules made life miserable for the Bobcats, 30-0. (Photo by Scott Hays)

limited Dimmitt to only 16 return yards. So the Bobcats seldom found themselves with a decent starting point. The Bobcats got an early break when Muleshoe fumbled on the game's third play at the Dimmitt 47. But after a two-yard run and a pair of incomplete passes, the Bobcats had to punt away. Muleshoe then drove 66 yards for its first TD, with fullback Trent Hysinger scoring from two yards out with 5:15 left in the first quarter. Dimmitt retaliated with a 36-yard drive to the Muleshoe 31, but the Mules held, and that was as close as the Bobcats were able to get to the Muleshoe goal line all night. Muleshoe mounted a 70-yard scoring drive late in the second period,

sparked by a 30-yard run by wingback Milton Norman and a 13-yard pass from Hamilton to tight end Hector Garcia. The touchdown run was a controversial one. Tailback Mark Moton, Muleshoe's leading ground gainer for the night, sprinted 18 yards for the Mules' second TD, but was knocked loose from the ball at the 2-yard line. As Moton fell into the end zone, the ball hit a pylon in the corner, then Moton scooped it up and the ref signaled a TD. "He fumbled the ball out of bounds," Coach Griffin said after viewing the game film. "When the ball hit the pylon, it should have been a turnover. We should have gotten the ball on the 20." Kicker Ray Vinson added his second PAT of the night to give Muleshoe a

14-0 halftime lead. The Mules opened the second half by driving to the Dimmitt 28 before being held on downs, but they gave up the ball for only one play. On Dimmitt's first down, Glass was hit as he threw the ball, and Muleshoe's

Todd Jones plucked the wounded duck and returned it to the Dimmitt 32. After a clipping penalty set them back to their own 40-yard line, the Mules covered the distance in 12 plays, with Hamilton sneaking over on fourth-and-inches for the TD. Vinson's kick was good, and it was 21-0 with 2:26 left in the third.

In all, the ball-controlling Mules ran 21 plays to Dimmitt's six in the third period.

The Mules had to travel only 18 yards for their final TD after forcing a Dimmitt turnover early in the fourth.

After Corky Esquivel and Mark Smothermon had sacked Hamilton for a six-yard loss, the Mules found themselves facing fourth-and-13 at their own 42-yard line on the third play of the final period. Dimmitt rushed 10 men to try to block the punt, but Hamilton got it away. When Dwight McDonald took it on the 20, he found himself as alone as a flea on a beach, with four Mules bearing down on him. He did a zig-zag, but as one defender held onto an ankle, another knocked the ball loose and Muleshoe recovered on the Dimmitt 18.

Five plays later, Moton carried the ball in from three yards out. Vinson's kick was wide, leaving the Mules with a 27-0 lead. Penalties and losses plagued Dimmitt's next possession until Glass had to punt from his own end zone. He boomed it 50 yards, to the Muleshoe 40, but the Mules got 38 of those yards back on first down when Hamilton passed to Garcia at the Dimmitt 30 and the big end ran it to the 22. Two plays later Hysinger burst through the middle on a quick opener to the Dimmitt 9.

On second and goal at the 7, six Dimmitt tacklers swarmed Moton for a four-yard loss, then Bobby Nino broke through and sacked Hamilton for an 11-yard setback, leaving the Mules facing fourth-

and-goal from the 22. That's when Vinson came on and kicked a 37-yard field goal to give Muleshoe its final victory margin, 30-0, with 5:20 left in the game.

"We didn't play as well as we have been playing," Coach Griffin said, "but I don't think our kids were down as a result of the Littlefield loss. I think they were ready to play, but we did make some mistakes. Granted, anytime you put out the effort that we put out against Littlefield, it's going to take something out of you. This schedule is murderous."

"It really wasn't that easy," Muleshoe Coach Windy Williams commented. "We were able to score some points, but it was a real hitting match. They hit with us lick for lick."

Luck eludes 7th graders in 6-0 loss

Lady Luck just wouldn't smile on Dimmitt's 7th grade Bobcats last Thursday at Muleshoe as they dropped a 6-0 decision to Muleshoe. Two fumbles inside Muleshoe's 10-yard line and a dropped pass in the end zone kept Dimmitt from getting any points on the board. Muleshoe scored the game's only touchdown in the second quarter.

"The team played very well as long as we were not close to the goal," Coach Jim McClellan commented. "We've got to learn how to capitalize on scoring chances."

Dimmitt's seventh graders now have a 2-3 record on the season, and will play Friona here today (Thursday) at 5 p.m., climaxed Spirit Week at Dimmitt Middle School.

Cat's Corner

By JERRY STUMP
Booster Club strikes again:

At the pep rally we had a Mule come right into the gym to join the Bobcats because it wanted to be with a winner. (The mule was furnished by Sheldon Ellis of Amarillo.)

Then as the team bus was about five miles out of town, here comes the Sheriff and the Highway Patrol to stop the bus and give Coach Griffin a specially worded citation (written by Jack Edwards because he went to the school of words). As I understand, before the Sheriff could get out of his car, Coach Nordell and Coach Razor were trying to collect bail money.

A lighted sign (furnished by Mr. Burger) was placed 15 miles down the road with a special message on it for the team.

A THANK YOU goes to all who helped this past week. What next? Join us at the Tuesday meeting and find out...Support the Bobcats!

Hard-luck 'Horns lose, 7-6

HART ROYALTY—Hart Homecoming activities were concluded Friday night with the Hart-Kress football game in Hart. Several students were honored during the week. Homecoming Queen candidates were (from left) Kathy Ortega, Joanne Ramirez, Lori Sarabia, and Sheryl McLain. Miss McLain was

crowned queen. Robert Martinez (left) was crowned Bonfire King, and Bone Diaz was named Pep Squad King. Other candidates for Bonfire King were Denny Lacy and Arnie Garza. Other Pep Squad King candidates were Auther Finch and Arnie Garza.

Hart made it into the endzone twice but had to settle for a 7-6 loss to Kress Friday night before a large Homecoming crowd in Hart.

The Longhorn's first touchdown was nullified due to a penalty. And, a run for two points failed after the Longhorns second score, leaving Kress with a one-point advantage.

The game started out as if there was going to be no winner, as both teams battled in the middle of the field with neither team really gaining an advantage.

The only activity really worth noting in the first half began with 1:30 showing on the clock. Hart quarterback, Omar Longoria, completed a 65 yard pass to Robert Gonzales, which carried all the way to the Roos' 13 yard line.

On the next play, Hart tailback, Freddy Washington, swept around left end for an apparent touchdown. However, an illegal block was assessed to the Longhorns, and Hart could not overcome the penalty, being stopped at Kress' 5 yard line as time expired.

The scoreboard clock showed two zeros for the first half score. The Longhorns dominated in yardage gained during the first half, out-doing the Kangaroos 158 yards to 65 yards, but the most important stat was still knotted at zero.

In the second half the Longhorns began a drive from their own 19 yard line, and marched some 60 yards before tailback F. Washington fumbled on the Roos' 20 yard line, thus killing the Longhorns' drive.

Kress took the ball from their own 20 yard line and drove the ball the length of the field in 8 plays for the game's first score. The big play in the drive was a 45 yard pass play from Beto Carrasco to Earnest Robinson. The scoring play was also made via the airways. This time it was halfback, Sammy Shannon

tossing 9 yards to Kevin Cheek for the score. The PAT kick by Edward Vuittonet was good, leaving the score Kress 7 and Hart 0, with 11:54 left in the game.

On the ensuing kickoff, Johnny Washington returned the kick some 22 yards, setting up the Longhorns at their own 37 yard line. From there, the Longhorns put together their best drive of the evening, going 63 yards in 10 plays for the score. The Longhorns used the passing combination of Omar Longoria to Robert Gonzales for 34 yards, in setting up the Horns for the scoring play. Freddy Washington carried over from the 1 yard line with 8:04 left in the game. The run for two points was stopped one yard short, thus Kress still remained on top by a 7 to 6 margin.

The Hart defense did their job in forcing the Kangaroos to give the ball back to the Horns with 5:57 remaining. The Longhorns moved from their own 37 down to Kress' 25, but on fourth down the Horns came up about two inches shy of a first down. Kress took the ball and proceeded to run out the clock in sealing the victory.

Hart outgained the Kangaroos, 314 yards to 212, but the Horns just could not put the ball into the end zone at the end. Three fumbles and 120 yards in penalties proved to be Hart's own worst enemy. In all, there were 23 flags accepted in the game for a combined total of 190 yards.

The Longhorns played very aggressively throughout the entire contest, and they were just one or two plays away from victory. Hart will be at home again on Friday, as they take on the Olton Mustangs at 7:30 p.m.

'BUT, SHERIFF'—Dimmitt High School's football coaches thought they were pinched for sure when Sheriff Lonny Rhynes and State Trooper John Moore signaled the team bus to pull over and whipped out a citation five miles west of Dimmitt Friday afternoon, as the Bobcats were en route to Muleshoe. But it wasn't the kind of citation that would show up on their driving records.

The official-looking document was a good-luck citation from the Booster Club, ordering the Bobcats to proceed to Muleshoe High School's stadium "and then and there at such time show just cause why the Dimmitt Bobcats should not be allowed to beat . . . the Muleshoe football team . . ." Coaches accepting the citation, from left, are George Raser, Gene Griffin and Ken Nordell.

Chieftains are coming; game rates as toss-up

Did Friona's 23-7 upset loss to Abernathy Friday night take the spirit out of the Chieftains, or did it make them mad?

Dimmitt's Bobcats and fans will find out Friday night when the Chieftains invade the local stadium for the third round of District 2-AAA play.

Given the two teams' records and comparative scores, the 7:30 p.m. game is rated a toss-up.

Friona is 5-2 for the season; Dimmitt is 4-3. The two teams have played two common opponents so far — River Road and Boys Ranch. The Chieftains defeated River Road 13-6 in their season opener, and two weeks later the Bobcats shut out the same team 16-0. Friona topped Boys Ranch 23-0; Dimmitt defeated Boys Ranch 21-0.

Friona's other victims have included Dalhart (21-0), Farwell (34-0) and Tulia (13-0).

Before their upset by Abernathy Friday night,

the Chieftains' only setback was a 20-7 loss to Shallowater, one of the stronger Class AA teams around.

"They're big and fast," Coach Gene Griffin reported. "We'll be outweighed again — they'll average about 190 across the line on defense, and they're slightly heavier than that on offense."

The Chieftains attack with a two-edged offense — a double wing and an I formation. On defense, they use the basic 4-3 alignment.

The main Chieftains to keep an eye on are tailback Charlie Morgan (5-9, 160 senior), wingback Alfredo Mata (5-10, 180 junior) and fullback Reese Fleming (5-9, 180 senior).

In the defensive line, Friona's big brave is Jose Samarron, a 240-lb. junior who usually stalks wherever he wants to.

With 20 seniors on their roster, the Chieftains are heavy on experience. Their entire backfield is made up of returning starters, and a trio of Morgan, Mata and Fleming accounted for more than 1,900 yards rushing last season. Morgan and senior end Eloy Caballero (5-9, 150) both earned all-district honors last year.

Dimmitt is still relatively free of injuries after seven games. Junior end Darrell Washington is sidelined with a dislocated

shoulder and may be out the rest of the season, and senior end Brad Holcomb saw only limited action on offense against Muleshoe Friday night because of a hand injury, but is expected to return to fulltime duty against Friona.

Elsewhere in the district, state-ranked Muleshoe will host state favorite Littlefield in 2-AAA's big shootout Friday night, and Abernathy will host Tulia.

Dimmitt is the only district team that has met both Littlefield and Muleshoe so far.

"Littlefield is better offensively — I don't think there's much question about that," Dimmitt Coach Gene Griffin said. "But defensively, I think Muleshoe may be better. It should really be a ball game."

Unbeaten Littlefield is fresh off a 58-0 drubbing of Tulia. Muleshoe, 5-1-1, appears to be the only district team with a chance to untrack the powerful Wildcats.

Here are the district teams' season and conference records after seven weeks:

- Littlefield (7-0, 2-0)
- Muleshoe (5-1-1, 2-0)
- Friona (5-2, 1-1)
- Abernathy (4-3, 1-1)
- Dimmitt (4-3, 0-2)
- Tulia (1-5-1, 0-2)

8th Bobcats lose, 20-12, to Muleshoe

Dimmitt's eighth graders drew first blood but Muleshoe came from behind to capture a 20-12 victory in a see-saw at Muleshoe last Thursday.

The score was tied at 6-6 and 12-12 before Muleshoe scored the game-winning TD and tacked on a two-point conversion in the fourth quarter.

James Alexander sprinted 15 yards for Dimmitt's first TD in the opening period, capping a 46-yard scoring drive. The TD play was set up by a fake punt, with Jim Nelson passing to Alexander for a 30-yard gain.

Muleshoe tied the score at 6-6 in the second period.

In the third, Jeremy Warren capped a 47-yard drive with a three-yard touchdown plunge for Dimmitt's second score. The drive started after a kickoff return by Alexander to Muleshoe's 47-yard line. Highlight play of the drive was a 25-yard pass from Alexander to Johnny Garza.

Muleshoe's ground game finally made the difference in the fourth quarter as the eighth-grade Muleshoe drove for a touchdown and a two-point conversion to break a 12-12 tie.

"From the second quarter on, we couldn't stop their ground game," Dimmitt Coach Jerry Durham commented.

The loss dropped the Dimmitt eighth graders' record to 2-3 on the season. Today (Thursday) they'll host Friona in the climax of Dimmitt Middle School's Spirit Week. Game time is approximately 6:15, following the seventh grade contest.

Setting Our Sight On Safety

Many motorists overlook an important piece of their safety wardrobe — eye protection — when they dress to ride.

In order to ride safely, you must be able to see clearly. A bug or small rock flying into your face can distract or injure you. In an automobile, the windshield protects the driver's eyes from wind, rain, and flying bugs or rocks. On a motorcycle a face shield or pair of goggles serves the same function.

Kress Jr. High downs Longhorns

Kress scored a last quarter touchdown, broke a 12-12 deadlock, and beat Hart Junior High, 20-12 last Thursday at Kress.

Hart's two touchdowns came in the first and second stanzas, on a 20-yard run by Daniel Valadez and an 85-yard run by Alonzo Sarabia.

Salvation Army drive begins

The Dimmitt Salvation Army Service Unit began its fund raising campaign with a kick-off luncheon Tuesday at K-Bob's in Dimmitt with nine people present.

This year's goal is \$1,000 according to drive chairperson Dorothy Hopson. The drive is expected to last 30 days, with a wrap-up luncheon set for around Nov. 18.

Unit members will be

contacting members of the community, asking for donations. Of the funds raised, one-third will remain in Dimmitt, with the rest being sent to the state organization. If the local unit runs low of funds, the state organization sends additional money whenever needed.

Officers of the local service unit are Polly Simpson, chairperson, Linda Fitzgearld, treasurer,

and Lonny Rhynes, service director.

Doug Rains of Lubbock, Field Service Representative of the SA, was at the meeting Tuesday to give encouragement to the local members and to answer any questions.

He also spoke to the Dimmitt Lions Club, telling about the various services and levels of operation of the Salvation Army.

He noted that the organization has 42 Corps Units, manned by uniform members of the SA. There are also 355 local service units, like the one in Dimmitt, manned completely by unsalaried volunteers.

He presented statistics that showed local units in Texas gave aid to more than 49,000 people last year.

"These figures are based on yearly reports,"

Rains said. "And there are probably a lot more who are actually served but overlooked in the reports."

Services given locally include aid to indigent travelers and help for victims of fires, as well as the sending of four needy boys each year to the SA summer camp.

The local unit also acts as a referral service for the other services of the SA.

CANADA-BOUND
... Enoc, Enoc Jr., and Mayra Rodriguez.

Canada is next haven for Salvadoran family

By LINDA MAXWELL
After living for almost three years in the US on a temporary visa, Enoc and Mayra Rodriguez have been granted permanent resident status by the Canadian government.

Both are natives of El Salvador and came to the US in 1981 — Enoc in January of that year, and Mayra in November.

It all started in 1976 when a mission group from the First Baptist Church of Dimmitt visited the First Baptist Church of Chalchuapa, El Salvador. V. C. and Dorothy Hopson were in that group.

"The Hopsons invited me to come and visit them in Dimmitt sometime," Enoc recalled. "But it wasn't until five years later that I decided to come. Up until then, I was working at a good job that

I enjoyed. But then the situation of my life became impossible."

Having been a school teacher for 10 years, Enoc said the fighting in his country made him want to look for a better life.

Swimming, judo and gymnastics were among the courses Enoc taught at various times to students ranging from seventh grade through high school. He had studied at the Superior School of Physical Education of Ciudad Normal Alberto Masferrer for two years after graduating from high school. He went back each year for additional training courses, and eventually gave instruction to other teachers.

Mayra graduated from the same college and taught elementary education for four years.

When Enoc came to the US, he traveled by air to Mexico and then took a bus to Los Angeles, where he spent a few days visiting his brother. He then took a bus to Amarillo, where he was met by the Hopsons.

In November, Mayra arrived. Having already been engaged, the couple were wed Nov. 29, 1981 in the First Baptist Church of Dimmitt, with Rev. John Street, pastor, officiating.

In his church back home, which had 160 to 200 members, Enoc taught the teen Sunday School class and served as church secretary for several years. In Dimmitt, he sings in the choir, has spoken several times to the youth and has given judo demonstrations. Mayra helps in the church nursery, and the last three months both of them have been teaching Spanish at

the church.

The couple's first child, Enoc Jr., was born Sept. 25, 1982.

"We really miss our families back in El Salvador and we worry about them. They were sad to see us go, but they knew it was a good opportunity for us," Mayra said. They write and phone often to keep in contact, she added.

The Canadian government has offered the family permanent residence, training, schooling and assistance in finding a home and employment.

"I will be sad to leave all our friends here. I like Dimmitt and will miss everything about it," Mayra said. "But we are really excited about this great opportunity. It will be a new start for us."

In return for its aid, Canada expects the family to become productive members of the community in which they will live — which is Swift Current, Saskatchewan. Also, educational training will be given on a work-study basis.

"We will be required to learn French. I studied French a little back home. I think it will be great for my family to know another language," Enoc said. Mayra interjected that she thinks French will be easier to learn than English.

The couple acknowledged that they will have many adjustments to make, particularly to the weather. Coming from a tropical climate, they found Dimmitt to be quite different, but Mayra said she is really worried about the extreme cold of Canada.

They are looking forward to meeting the group of other Salvadoran families who have settled in the same town.

"There will be hard times and hard work, but it is a great opportunity for us," Enoc said.

"We never know the future exactly, and maybe someday we will come back to live here. And some day we want to be able to go back home when things are better there. In the meantime, we pray," Enoc concluded.

MARCHING TROPHY—Nine Bobcat members proudly show their first-place trophy after returning from the West Texas State University Marching Contest Saturday. From left are Chad Thompson, Robert Nelson, Denise Behrends, Brett Sheffy, Roxanne Gabel, Debra Sava, Bobby Tischler, Sandi Schlinkus and Sheryl Simpson.

Band wins first place at WTSU

Dimmitt High School's Bobcat Band marched its way to a first-place trophy Saturday at the West Texas State University Marching Contest in Canyon.

The 128-member band, directed by Cody Myers and under the field direction of Drum Majors Denise Behrends and

Tricia Touchstone, was named the outstanding band of those competing from schools of Class AAA or smaller. Six "small school" bands competed in the WTSU contest.

Using its "corps" marching technique which Myers introduced this year, the Bobcat Band performed "Georgia,"

with Robby Hottel as the cornet soloist; "Sirocco," "Still," "Looney Tunes," which featured the percussion section and the flag corps; and "Moorside March."

The band will perform the same program in the University Interscholastic League's Region XVI Marching Contest Nov. 2

at Texas Tech's Jones Stadium. The band is scheduled to perform at 10:10 a.m. on UIL contest day.

"The band did an outstanding job following a week of very hard work," Myers said. "I was very proud of them."

Bands of all classes competed in the WTSU contest Saturday, with the other top awards going to Class AAAAA and Class AAAAA units. Hereford High School's big White-face Band was named the Outstanding Band of the contest.

Lee Street Baptist to note 25-year history

Lee Street Baptist Church of Dimmitt is celebrating its 25th anniversary Sunday with several special activities.

Rev. Murray Brewer of Midland, organizing pastor of the local church, will deliver the morning sermon at the 10:30 worship service. Lunch will be served in the church's fellowship hall, followed by a special anniversary program at 2 p.m., with a visitation and fellowship session set for 3 to 4 p.m.

Activities will conclude at 4 p.m., and there will not be an evening worship service, according to Rev. Ronnie Travis, pastor.

Former songleaders of the congregation who will take part in the special anniversary program include Tommy Swaringer of Spur, Cecil Jones of Odessa and Mark Watt of Commerce. Several former members are expected to give testimonies. All former members and friends of the congregation are invited to attend all the events.

Lee Street Baptist Church first came into being on Sept. 7, 1958, formed from the Bethel Baptist Mission, which had

been sponsored by the First Baptist Church of Dimmitt in January of 1955.

The First Baptist Church paid \$800 for three lots at the corner of Southwest Second and Lee Streets, donated barracks buildings and gave 100 chairs to help start the mission, first pastored by Rev. Wayne Day. Also, three couples from the parent church attended the mission to help with the services and getting things organized. They were Mr. and Mrs. Cecil Dennis, Mr. and Mrs. Jim Hays and Mr. and Mrs. Weldon Bradley.

Rev. Brewer was the first full-time pastor, serving from the congregation's beginning until Aug. 14, 1960.

Starting with 69 charter members, the church has grown to over 400 members, with eight of the charter members remaining.

The congregation's first vacation Bible school program was held in June of 1959 with Mrs. Murray Brewer as superintendent. In July of 1959, three men were ordained as deacons. They were Merton Powell, Johnnie Powell and Gene

Holluns.

Beginning in May of 1959, a new auditorium was built, and was completed in the fall of 1959. Members of the building committee were J. D. Morris, Troy Schuder, Ralph Lambright, Alvin Frazier and Ray Nelson.

Rev. R. C. Guest pastored the congregation from Aug. 28, 1960 until Aug. 1, 1962. From Oct. 24, 1962 until March 5, 1964 Rev. Allen Owens ministered to the church, resigning because of illness.

Coming from Del Rio, Rev. Oscar Mayo was the next pastor, staying from April 21, 1964 until April 23, 1967. He resigned and moved to Channing. Rev. Lewis Wakefield left the Arney Baptist Church in July of 1967 to serve here, but he was killed in a car wreck on Dec. 14, 1967 as he was on his way to classes at Wayland Baptist University.

Rev. Don Cass pastored the church from Feb. 11, 1968 until Feb. 8, 1970. The present auditorium was built during his tenure here, along with the remodeling of the old auditorium into a fellowship hall and classrooms. The old barracks buildings were given to the New Hope Baptist Church.

Rev. William Wadley came March 8, 1970 and served until Dec. 12, 1971. He was followed by Rev. Charles Harris, who pastored the church from Jan. 23, 1972 until April 4, 1974, when he moved to Stinnett.

The newest portion of the building — the new educational wing — was built in 1976 during the pastorate of Bobby Gordon, who served from June 16, 1974 until Jan. 16, 1977. Rev. Gordon was ordained to preach the gospel by the local church. He resigned to go to Trinity Baptist Church in Mangum, Okla.

Current pastor is Rev. Ronnie Travis, who began his tenure on April 17, 1977.

Concert will be Tuesday

A first for Castro County will be the opening performance of the Community Concert season, set for Tuesday at 8 p.m. in the Dimmitt High School Auditorium.

Featured performers will be country-folk singers Robin and Linda Williams. Having appeared together professionally for 10 years, the couple perform old time country and gospel music, blues, bluegrass and rockabilly, as well as adding their own songs and the songs of contemporary songwriters.

"The duo's performances are noted for intricate and unusual arrangements and complex, subtle harmonies between her alto voice and his tenor," an association spokesman said, adding that their instruments include guitar, banjo and mouth harp.

The couple received a Peabody Award in conjunction with National Public Radio's "A Prairie Home Companion." They have also made appearances as openers for such artists as Doc Watson, Lacey J. Dalton, Steve Goodman, The Nitty Gritty Dirt Band, Tom Paxton and Don Williams.

Concert association members are reminded to bring their membership cards for admission, because no tickets will be sold at the door.

City seeks ordinances

"We really need a set policy and procedure for dealing with condemnation of structures in the city," City Manager Paul Catoe told the Dimmitt Board of Aldermen at its Monday night meeting.

Catoe showed board members photographs of twelve structures in Dimmitt that are in need of repair or need to be removed for health or safety reasons.

"Many of the abandoned or vacant structures have become havens for rats, mice and roaches, as well as some wild animals," Catoe remarked.

Some of the structures pointed out, however, are currently occupied and just need completion of renovation work in order to upgrade the appearance of the neighborhoods.

Board members voted to postpone action on the matter until Catoe and City Attorney Jack Edwards, along with City Works Dept. head James Killough, could look into ordinances used by surrounding towns and draw up a sample ordinance for the board's approval.

The aldermen also postponed action on a request from Catoe for an ordinance dealing with allowing water and sewer taps on city lines extending outside the city limits.

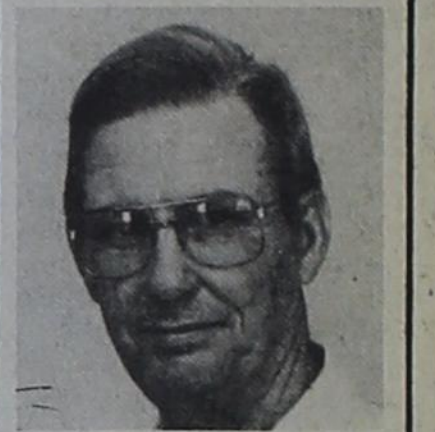

The board agreed that such taps should not be allowed in the future, but the ordinance would not affect any such taps already in operation.

"People wanting the convenience of city services should also be willing

to pay city taxes by being annexed into the city," aldermen remarked.

The board met in executive session to discuss legal matters before the city at this time, but no action was taken.

Police calls

Dimmitt police arrested nine juveniles (8 boys and one girl) Sunday in connection with the removal of shingles from the roof of the concession building at the City Park. Police in the area Sunday evening noticed several juveniles on the roof of the building, throwing the shingles "like frisbies."

The city had reroofed the building within the last year, and damage was estimated at \$1,057.

The juveniles were charged with criminal mischief over \$750, which is a third degree felony. The youths were turned over to juvenile authorities.

Police picked up two juveniles last Thursday in connection with a shoplifting incident at TG&Y. Taken was one single stem pad valued at \$1.17.

Police have a suspect in a case involving the unauthorized use of a motor vehicle. Mike Frazier reported to Dimmitt Police that his Ford van had been stolen last Wednesday (Oct. 12). Frazier was visiting friends at a trailer house on the northeast corner of S. Broadway, and his van was taken from there. The van was recovered in Hereford.

Law enforcement officers arrested eight men and one woman during the week. Three men were arrested for public intoxication, two for driving while their license was suspended, and two for violation of probation. A Dimmitt man and a Hart woman were arrested on DWI charges.

Two minor traffic accidents were reported Monday.

Rachel Salinas was issued a ticket for improper backing Monday when she backed out of a driveway and hit a car parked on the opposite side of the street.

Andrea Gonzales was issued a ticket for failure to yield right of way when the vehicle she was driving collided with another car. She was traveling beside another car north on NE 6th. She pulled up against the right curb, stopped briefly, then turned left, striking the other car.

town," Killingsworth said. Killingsworth feels the purchase of the Justice building would enable the chamber to further expand its services, have adequate facilities for future growth and "establish our own separate identity."

The main bylaws changes would involve the method of electing directors (with nominations by an appointed committee rather than by the board), and a change in the procedures by which the chamber could buy or sell property.

Under the current bylaws, adopted in 1947, the chamber can buy or sell property either by a unanimous vote of the board of directors OR by approval by four-fifths of the membership. Under the proposed new bylaws, the sale or purchase of property would require approval by two-thirds of the board plus a majority vote of the members.

few blocks up the street. But he got only to the 1100 block of West Bedford before the rear seat burst into flames. McCoy pulled over and jumped out. The flames spread quickly and sent up a column of black smoke that drew attention throughout West Dimmitt. Firemen kept the blaze from spreading to the gas tank or the engine compartment, but the car's interior was reduced to a burned-out shell.

District court finds McDaniel not guilty

In recent action of the 242nd District Court with Judge Marvin Marshall presiding, one man was found not guilty, two pled guilty, one had his probation revoked, two were expected to be sentenced and a probation revocation hearing was set.

Tuesday, Douglas McDaniel, 52, of Hereford was found not guilty of driving while intoxicated by a jury of eight women and four men after one hour and 20 minutes of deliberation. The charges stemmed from a March 24 incident.

Wednesday, the court was expected to hand down sentencing on two men who were found guilty in cases held back in July. They are Ernest Smith of Dimmitt and Juan Oltivero. Also, a probation revocation hearing was set for Alfredo Tenorio.

Last Thursday, the court received a guilty plea from

Ernest Johnson, 24, of Lubbock to charges of theft by check. He was fined \$100, plus \$96 court costs and was assessed \$231 restitution for the amount of the check. He was also placed on six months probation.

Also last Thursday, Joe Fuller of Hereford had his probation revoked because of failure to report and failure to pay. He was remanded to the custody of the Texas Department of Corrections to serve a two year sentence.

A non-jury trial last Thursday resulted in a four-year probated sentence with \$580 restitution, along with \$96 court costs assessed to Jerry Fuentes, 17, of Dimmitt. Fuentes had entered a plea of guilty to the charges, which stemmed from the February burglary of Dimmitt High School.

FIRE RUINS CAR—Jack McCoy (pointing) of 1638 Sunset Circle surveys the damage to his 1988 Cadillac sport coupe Monday after the interior was destroyed by fire. ager of FLB. "A majority have problems. Some farmers are in stable but not necessarily good condition," May added. "They are using up the equity they've built up in their land and equipment."

"There are many facets to the (farmers' economic) problem," said Elbert Harp, president of Grain Sorghum Producers Association.

Harp said that one reason for so much of the economic stress in the last decade has been inflation, coupled with high energy cost.

"The cost increase in natural gas, gasoline, diesel and electricity . . . even though the cost of grain is up, the cost of production has gone up even faster.

"The cost of production being higher than income, and two or three years of bad weather, have created financial problems," Harp said.

Castro County has had its share of hard luck. Starting in 1976, the county was declared a disaster area for five years running.

"Farmers in debt figured the best way to get out was to expand," said John Wolf, Castro County FmHA supervisor. "Farm more land, make more money. But farmers couldn't predict disasters, and in most cases, bigger was not better during those disaster years."

"Interest and energy have been the two main enemies of agriculture," said Carl King, president of the Texas Corn Growers Association. "That, along with poor government programs. Farmers are using up their equity."

"Farmers have had to borrow too much," Robertson said. "Their working capital has deteriorated, and costs have just gotten out of hand."

Bill Nelson, president of Texas Wheat Producers, said another reason for farmers' economic problems is that "markets were cut off with embargos, and programs which would have cut production in 1980, '81 and '82 were not implemented, and farmers continued to produce for a market which no longer existed."

"Had it not been for PIK this year, we would have lost many more farmers in the High Plains area than we ever have," Nelson claimed.

Nelson said wheat farmers in Texas are relatively better off than they have been in recent years, because "the wheat crop was harvested prior to the dry weather, and many farmers made record yields per acre this year."

"But prices still are lower than the cost of production, when all costs are included," he added. "Farmers are still using their equity in machinery and land to continue farming."

Farm leaders agree that drastic measures need to be taken now to turn around the faltering farm economy.

Meanwhile, many farmers are faced with two alternatives: get out of the farming business, or borrow more money to keep going.

'I DARE YOU'—Trisha Hufhines of the Dimmitt 4-H Club and Frankie Huseman of the Nazareth 4-H Club show the books they received as the 1983 winners of the

4-H 'I Dare You' Awards at the annual County 4-H Awards Banquet Monday night.

Hufhines, Huseman named 4-H 'I Dare You' winners

Trisha Hufhines, president of the Dimmitt 4-H Club, and Frankie Huseman, council delegate for the Nazareth 4-H Club, were announced as the 1983 winners of the 'I Dare You' Awards at the annual County 4-H Awards Banquet Monday evening in the Expo Building.

Extension Agent Menzies McWilliams, who presented the award books, explained that the 'I Dare You' Awards are given each year to a boy or girl who has shown growth

and improvement throughout his or her 4-H career.

"The award itself issues a challenge to these two people to progress, improve and grow as they have in the past within the 4-H program," McWilliams said.

Miss Hufhines, 14, daughter of Gary and Yvonne Hufhines, has been active in 4-H four years, and has participated in sheep raising, foods and nutrition, clothing and needlework projects. She also has attended leaders'

lab and has given programs on belt-making, in addition to her duties as president of the Dimmitt 4-H Club.

Huseman, son of Denise and Catherine Huseman, is a sixth-year 4-H'er, and was the sixth high individual in dairy judging at the State 4-H Roundup this year. He also has been active in swine and steer raising projects. He is the Nazareth 4-H Club's delegate to the County 4-H Council.

Nazareth board hires delinquent tax attorney

The Nazareth School Board met in regular session Oct. 12 and voted to hire a delinquent tax attorney to collect all delinquent taxes.

The board voted to turn over all discipline problems to the administration concerning riders on the Vocational bus to Tullia. The principal and superintendent will remove the rider when warranted and there will be no appeal to the board.

In other business the board voted to:

- Allow coach Joe Lombard to use sixth grade girls to participate in junior high athletics this season.
- Pay for the upkeep of the business machines owned by Patsy Huseman for doing the school's accounting.
- Reappoint Cyril Brockman to the appraisal board.

Schulte, Williams read wedding vows Friday

Friday at 7:30 p.m. in the Holy Family Catholic Church of Nazareth Jean Schulte and Lynn Williams exchanged wedding vows in a candlelit, double-ring ceremony, with Father Harold Waldow officiating.

The bride is the daughter of Mr. and Mrs. Leonard Schulte of Nazareth and the groom is the son of Jess Williams of Amarillo and the late Dorothy Williams.

Plum-colored gladiolas and small votive candles decorated the church altars and the aisle was accented by votive candles with plum-colored bows.

The bride was given in marriage by her father. She wore her mother's wedding gown of candlelight satin and lace. Her veil of illusion was attached to a circle of silk flowers that matched her nosegay bouquet, also of silk flowers.

Susie Dobmeier of Hobbs, N.M. sister of the bride, served as matron of honor. Bridesmaids were Cindy Ramsey of Amarillo, sister of the groom, and Pam Lawson and Kathy Morrison, both of Amarillo.

They wore plum-colored chiffon dresses with a handkerchief hem. Each one carried a long-stemmed silk flower accented with baby's breath.

David Word of Edmond, Okla. served as best man. Groomsmen were Ron Williams of Los Angeles, Calif., brother of the groom, Bruce Schulte of Nazareth, brother of the bride, and Leonard Ahlstrom of Edmond, Okla.

Candlelighters were Louie Wethington of Hereford and Lynn Cameron of Nazareth, both sisters of the bride.

B. J. Wethington of Hereford, nephew of the bride, served as ring bearer. Flower girls were Nicole Dobmeier of Hobbs, niece of the bride, and Jessica Ramsey of Amarillo, niece of the groom.

Serving as ushers were Don Schulte of Nazareth, brother of the bride, Neil Dobmeier of Hobbs, brother-in-law of the bride, and Larry Rossi of Tulia, cousin of the bride. Sitting at the registry was Mrs. Gary Kleman of Nazareth.

Mary Lynn Olvera of Nazareth was the organist, and soloist Kim Word of Amarillo sang the selections "After the Sunset," "All in His Own Sweet Time," and "All My Life."

Following the ceremony a reception and dance was held at the community hall. The four-tiered cake, made by Mrs. Mildred Birkenfeld, was frosted in ivory with plum decorations, and was topped with satin bells. Members of the houseparty included Mr. and Mrs. Sonny

The groom is a graduate of Canyon High School and attended North Texas State University at Denton. He is a professional musician.

On the Go

With Mary Edna Hendrix, 647-3343

The Dimmitt Book Club met Wednesday afternoon with Susan Hanners presiding over the business meeting.

Mrs. Flo Clary from Plainview was the guest reviewer for Cheryl Glidewell. Mrs. Clary gave a delightful review of her interpretation of "A Love Affair" (A love of fare). Fare means food and in Ecclesiastes God's gift to man is food. We all talk about different kinds of diets and Mrs. Clary thinks we should give equal time to gourmet eating.

Michele Bell and Diane Townsend were the hostesses who served pumpkin bread and miniature muffins and spiced apple cider from a pumpkin shell. The serving table was decorated with Indian corn and brightly colored gourds. The young hostesses have such clever ideas that the older members enjoy.

It was an exciting weekend in Dallas! Edgar and Kate Beecher flew to Dallas for the big birthday party for their grandson Matt McLendon, son of Bart and Beth McLendon. Matt was celebrating his third birthday and his big brother, Trent, is six, so Matt said he was half of six years old. Kate had helped Beth decorate the long driveway with colored balloons and they had planned an outside party but the rain drove them inside. Mr. Green "The Funny Man" was there to entertain all the little friends. Mr. Green entertained at parties when Bart was a child. Beth served hamburgers, baked beans, birthday cake and ice cream to 35 guests.

Oleta Gollehon invited me to go with her to Dallas. She visited with her daughter and husband, Kathy and Johnny Poer, and I visited with my daughter and family, Sue, David, and Brent Vaughan. Tobin and Angela Touchstone came in from A&M College and visited with Kathy, Johnny and Oleta. They also visited with Jim Bradford who had just moved into a new apartment. They all enjoyed a Mexican dinner together. Jim is manager

of a new furniture store in Richardson. Kathy and Oleta drove over to Honey Grove to visit their aunt Lora Lee, then they attended a craft show in Richardson where Georgene (Blanton) Wood was displaying some of her pottery (The Dogtown Pottery).

Sue and David have some interesting friends. One couple was keeping the Baylor Bear Mascot at their home, one friend was on a plane coming in from St. Louis when lightning struck the plane and knocked out all the electricity — everything went black, but they landed safely. Their friends across the street, Linda and Bill Tomberlin were busy assembling bunk beds for their young sons, Jonathan and Micah. (Bill said he would like to see his name in print!) Another couple gave Sue and David four tickets to the Dallas Cowboy game against Tampa Bay. I enjoyed the halftime activities as well as the game — the Cowboy Cheerleaders, Glee Club from the Naval Academy in Maryland where Roger Staubach attended, and the induction of Roger Staubach into the Dallas Cowboy Ring of Honor. He was honored by the five other members of the Honor Club, Bob Lilley, Mel Renfro, Chuck Howley, Don Meredith and Don Perkins. Tom Landry also spoke a few words of congratulations. Crazy Ray was there performing as well as a new little short, fat, guy who was dressed as a Dallas Cowboy including a huge helmet and a pair of oversized boots.

Mr. and Mrs. Nati Ortiz went to see Danny and Gus Ortiz play football — Panhandle State against Southwestern Oklahoma. They were glad to report that Panhandle State won 21-17. This was their homecoming game and Danny played all the game and Gus played part of the game. Becky and Johnny and Rosa and her two children went along. They all enjoyed the trip as well as the ballgame.

Marshall Young attended a seminar of the West Texas Justice of Peace Association from October 5-8 in Midland. Darla Kay Young went along with her dad. Marshall was elected vice president of this organization. The district is from Highway 81 West through Fort Worth and San Antonio. The guest speakers were from the governor's office, attorney general's office, three captains from the Department of Public Safety and

the supervisor from the Parks and Wildlife Department. Marshall will be the president of this organization next year and that will be quite an honor for him. Hazel Bagwell spent the day in Canyon with her daughter, Nelda Fallwell, and family. They went on to Amarillo and enjoyed lunch at The Crystal Confectionary.

The opening performance of the Community Concert will be held in the high school auditorium on Tuesday, Oct. 25 at 8 p.m. The guest artists will be Robin and Linda Williams, country-folk singers. "If you see only one new act this year, make it this one," a quote from a Chicago magazine.

We are glad to report that Harold Stephens is home after having a series of tests made. Bobby Murdock's father is home in Littlefield after having two operations. Irene Carpenter had surgery on her ankle after she fell at her sister's home in Amarillo.

Morgan and Geneva Dennis drove to Goldthwaite last weekend to visit their son and family, Dr. Douglas and Mona Dennis and sons Eric and Brent who is attending Baylor University. Eric played in his high school football game against Evant and Goldthwaite won. Geneva said it rained and rained on Saturday so they all stayed at home and had a

good time visiting.

Tom and Jennifer Miller and their two sons, Terry and Bobby, drove to Tucson, Ariz. for Jennifer's brother's wedding, Ted Neill and Tracy Haynes. The ceremony was performed in a Spanish type church with a picture window in the background that gave a beautiful view of the mountains. Jennifer's mother, Marge Neill from Lincoln, Neb., and sisters, Dorothy Neill from Omaha, Rita Neill from Los Angeles, and Rena McLaughlin from Grinnell, Iowa were among the out of town guests. After the wedding they did a lot of sightseeing while they were in that area. Jennifer said the recent floods didn't keep them from getting around in Tucson, but they saw a lot of lakes in the desert.

Connie Ivey entertained with a coffee on Wednesday morning to introduce her "newest" daughter, Janna Brandon, who will

be living with the Ivey's for six weeks. Janna has been attending Texas Tech and is doing her practice teaching in Dimmitt in home economics with Joanne Snider. Connie served pick up foods and coffee to several friends who came by to meet Janna. Our sympathy goes to the family of Hershel Gunn, the Parish family in the death of Earl's mother, the family of Virgie Williams, the Ellis family, and the family of Cleo Sawyer. Elbert and Geneva De-

Lozier entertained their grandsons over the weekend. Jim Smith from Canyon who is attending WTSU and Kenny Smith (Continued on Page 3B)

WHEN SOMEONE HAS HAD A CLOSE CALL WITH DEATH THE EXPRESSION "HIS LIFE HUNG BY A THREAD" IS QUITE OFTEN USED. NOW MOST HOUSEWIVES CAN TELL YOU THAT THREADS COME IN DIFFERENT SIZES AND STRENGTHS. AND WHEN DOUBLED IT IS EVEN MORE DURABLE. BUT EVEN AT ITS BEST, THREADS DO BREAK AND BUTTONS HAVE TO BE REPLACED. HOW WONDERFUL THAT OUR LIVES ARE NOT HELD TO GOD BY A THREAD. BUT BY HIS WORD, A WORD THAT HAS NEVER BEEN BROKEN. ATTEND CHURCH SUNDAY. STRENGTHEN YOUR TIES WITH GOD.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

from San Angelo. They attended church at the First Baptist on Sunday with the DeLoziers.

The choir of the Baptist Church entertained with a farewell reception for the Enoc Rodriguez family, Enoc, Mayra, and little J. R. Oleta Gollehon registered the guests at a table decorated with a money tree and the long serving table held several cakes, a crystal punch bowl of gold fruit punch and a centerpiece of a basket filled with colorful fall leaves, fresh colorful fruit and green and yellow gourds. We wish much success for these friends in their new home.

Earl and Betty Parish visited their daughter Susan Perez in Amarillo when they came out for the funeral of Earl's mother in Earth.

The Thursday Bridge Club met at the Senior Citizens Center for lunch and a day of bridge playing with Louise Mears as hostess. Johnnie Vannoy won high score and Betty Cartwright won second high. Others enjoying the day were: Jo Gregory, Bernice Hill, Cleo Forson, Oleda Schumacher, Ferne Dickey, Alice Collyer, Elizabeth Huckabay, Ruth Skinner and Opha Burks. Jerry and Patti Cartwright are the proud parents of a baby girl. Betty was so excited she couldn't give me all the details and Ruth was not available so maybe next week we can have more information.

Mrs. Pauline Godfrey from Las Vegas, N.M. has been visiting friends in Dimmitt, Jim and Ellen Hrabal, Louella Maxwell and others. The Hrabals

took her to eat Mexican food, Louella took her to Hereford to eat at Long John Silvers as well as her guest at the Farm Bureau supper and meeting on Saturday evening. Glenn and Polly Godfrey came over from Santa Rosa to visit with her and they took her out to eat. Mrs. Godfrey is a longtime friend and neighbor of Mrs. Maxwell as well as the Hrabals.

Hart board asks bids

The Hart School Board voted to take bids on a new pickup for the ag department at the Oct. 10 meeting of the board.

The bids will be opened at the Nov. 14 meeting of the board.

Board members also approved a \$1,792 expenditure for purchase of four tables and three Bernina sewing machines for the home economics department.

Approval was given for purchase of a convection oven priced at \$5,837 for the cafeteria.

Coaches Johnny McDonald and Mike Rankin gave a presentation on their teaching and coaching programs.

Three local golfers win

Three local lady golfers were winners in the High Plains Golf Association Tournament held in Muleshoe last Wednesday.

Mozelle Lilley scored low gross with a 100 in the second flight. In the fourth flight, Betty McClure took low gross honors with a score of 118, while Neva Hickey tied for low putts with 34.

Also attending were Joyce Rickard and Bernice Hill. The ladies qualified for the tournament by summer participation in accordance with the High Plains Association bylaws.

"We are happy we won despite the cold weather and unaccustomed trees, sand traps and water hazards," a group spokesperson said.

Some rewards are unclaimed

Some Operation Game Thief reward money is going begging, according to officials of the Texas Parks and Wildlife Department.

Four persons who dialed the 24-hour, toll-free number 1-800-792-GAME to report game or fish law violations furnished enough information to ultimately convict the violators. Case numbers 512, 586, 590 and 810 are eligible for cash rewards.

They could claim the money by calling Stanley Brooks at (512) 479-4850.

Operation Game Thief, initiated in October 1981, offers cash rewards from funds provided entirely

through public donations. The six-member Game Thief Committee meets every six months to disburse rewards to callers whose information led to the arrest and conviction of the most flagrant cases.

During the 18 months OGT has been in existence, a total of \$12,125 has been paid to 71 persons. The office received 1,150 calls which resulted in 130 arrests, 547 convictions and \$67,266 in fines.

The next public meeting of the Operation Game Thief Committee is slated for 10 a.m. Oct. 31 at Parks and Wildlife Department headquarters in Austin.

Intercropping can help fall gardens

By Menzies McWilliams
Castro County CEA-Ag

"Intercropping" different crops in your fall garden will eliminate wasted space and make your garden more productive. Intercropping means planting between plants.

Among crops that love cool weather and do well in a small amount of space are beets, carrots, chard, collards, garlic, kohlrabi, lettuce, mustard, onions, parsley, radishes, spinach and turnips.

These can be planted between such large plants as tomatoes, peppers and eggplants that need a lot of space. Also, the large plants will not survive cold weather, so your cool-season plants will have a head start once cold weather arrives. As frost kills the larger plants, they

can be removed, providing more space for cold-tolerant crops.

Since most gardeners prepare the entire garden for planting and also water it while caring for the larger, warm-season plants, intercropping makes use of fertilizer and moisture already in the soil.

Also, the partial shading provided by the larger plants helps cool the soil to allow fall-seeded crops to germinate better and get off to a better start.

When intercropping with cool-season plants, staggering plantings is suggested so that they don't all mature at the same time. This will insure better quality vegetables throughout the season.

So, try intercropping to increase gardening efficiency while at the same time providing delicious vegetables during the fall and winter.
