Schools get good report cards

The county's three school districts have received "report cards" telling how their students did on minimum academic skills tests, and while the majority of the marks were good and had improved, there's still room to do better.

A Report Card on Texas Schools was released last Wednesday by the National Center for Policy Analysis, a research institute in Dallas. It focuses on the Texas Educational Assessment of Minimum Skills (TEAMS) test results from ninth graders statewide.

The three-part test, which covers math, reading and the language arts, was taken by students in the first, third, fifth, seventh and ninth grades. Exit level tests were given to 11th graders. Based on results from the three county schools, the easiest part of the tests for students was math, with reading and language arts following, respectively.

Of the county's three school districts, Nazareth posted the highest percentage of students passing all three parts of the test—96.3%.

The percentage of Dimmitt students mastering all parts of the test varied with grade levels. Only 63% of first graders mastered all three parts, while 86% of the seventh graders aced it.

Students in Hart had a few problems, but according to Shirley Barnes, Hart Junior High and High School counselor, the scores showed improvement.

"All of the schools better capitalize on this year's test because next year we'll have a new one—Texas Assessment of Academic Skills—and each one gets a little more difficult," said Barnes. "Our scores looked worse, but the tests are harder and cover more information."

Every student in the first, third, seventh and 11th grades in Nazareth passed each level of the TEAMS test. Each student in the fifth and ninth grades passed the math and reading sections, but didn't fare as well with the language arts portion. Only 93% of the fifth graders and 90% of the ninth graders passed the English quiz.

"It's awfully good," said Mary Nell King, Nazareth's elementary principal. "Statewide we had one of the highest percentages of students passing all three parts of the test. We were down a little in some areas and some areas were better. Overall we did really well."

Among Dimmitt's first graders, 74% mastered reading, 81% mastered math, 79% aced the language arts test and 63% passed all three.

Richardson Elementary School

Family history deadline is near

If you haven't written your family history and submitted it for publication in Vol. II of the Castro County History Book, 1891-1991, you'd better hurry.

Family stories and pictures to be published must be submitted by next Thursday, Feb. 1. Articles may be up to 500 words in length and one photograph may be included free of charge. Additional words will cost 10 cents each and extra photos will be \$10 each.

Completed articles may be turned in at Cowser Abstract and Title Co., Rhoads Memorial Library, or the Castro County Historical Museum in Dimmitt. They may also be mailed to Castro County History Book, Box 457, Dimmitt, Texas 79027.

Next Thursday is just the family history deadline, according to the project chairmen. Articles for the special pages, which include business histories, memorials, tributes and more can still be submitted later.

If you're having trouble writing your family history, guidelines are available at the Chamber of Commerce office in Dimmitt. The project's directors will also hold a meeting today (Thursday) from 2 to 3 p.m. at Rhoads Memorial Library in Dimmitt and will help anyone

BEAUTIES AND BEASTS—If their purple-and-white faces were intended to scare the enemy, it must have worked as Dimmitt High School's football players boosted the Bobbies and Bobcats to basketball victories over Tulia here Tuesday night. The cheerleaders, from left, are Holly Axtell, Carol Petty and Dianne Peralez. The football players are —well, only their mothers know for sure.

Campbell's Soup names AFC as 'Select Supplier'

American Fructose in Dimmitt is a "Select Supplier."

That's what Campbell's Soup officials say.

The local fructose plant will be honored today (Thursday) at an awards presentation and ceremony in Dimmitt.

Officials from American Fructose and Campbell Soup will be present at the ceremony, which begins at 8:30 a.m. at American Fructose offices.

George Chu, director of quality assurance at AFC, will introduce his company's personnel, while Campbell Soup officials will be introduced by Chuck Bally, purchasing agent with Campbell Soup's Paris plant, and Bill Ducey, AFC director of sales and sweeteners.

Chuck Miller, Campbell's director of procurement, will present the "Select Supplier" award to AFC officials at 9 a.m. Accepting the honor for AFC will be Hap Paasch,

vice president of operations and William Ballentine, director of operations. Refreshments will be served from 10 to 11 a.m.

"We supply Campbell's with high fructose corn syrup," said Ballentine. "Campbell's started the project because they wanted to be sure they get quality products. What this award means is that they will look to us before others because we they can be sure the product will be delivered on time and will be of high quality."

"I'm very proud of all the employees at American Fructose who enabled us to earn this award. It's a total employee effort. They made it possible," Ballentine added.

Campbell's "Select Supplier" is the highest level of qualification

requirements certification given. It indicates that the supplier has demonstrated statistically that the product or service supplied consistently meets an established level of quality with "Just-In-Time" manufacturing requirements. It also demonstrates this supplier is continually striving to improve quality by maintaining a favorable price/value relationship.

After meeting all "Preferred Supplier" requirements and demonstrating continued product uniformity; commitment to all training, quality and process evaluation programs; and exhibition of technological innovativeness, final approval as a "Select Supplier" is recognized by Campbell.

High Plains Pavers wins city contract

City aldermen were delighted with the low bid they received Monday night on seal-coating approximately 30 blocks of streets next summer.

High Plains Pavers, Inc., of Plainview won the contract by a city block with a bid of \$21,620, which was well below the bids of four other paving firms.

The other four bids received were \$35,250 from Lewis Construction Co. of Dumas, \$30,926 from L. A. Fuller & Sons of Amarillo, \$24,440 from Caprock Highway Construction Co. of Wolforth, and \$24,299 from Applan Corp. of Hereford.

Consulting engineer Arden Bechtol of McMorries & Associates told the city fathers not to worry about the quality of paving because of the low bid.

"This is a quality contractor," Bechtol said. "It's an awfully good price, but it's the same price we've been getting in a lot of our other towns. I think there's a price feud on between a couple of these contractors."

Airport project

City Manager Reeford Burrous told the aldermen that Dimmitt's federal-state grant application to improve the airport could be approved during the coming year.

The city has applied through the Texas Dept. of Aviation for a federal grant of \$280,000 and a state grant of \$15,556 to finance a 1,200-ft. extension to the airport runway and reconstruct the paved apron.

The state aviation agency, in forwarding Texas cities' grant applications to the Federal Aviation Administration (FAA), has moved Dimmitt's application to No. 6 on the statewide priority list for fiscal 1991, which begins next October.

"It looks like we're going to get our grant," Burrous said. "I've got a feeling it'll be next year sometime."

The project would lengthen the Dimmitt Municipal Airport runway from its present 4,000 ft. to 5,200 ft. and would reconstruct the 350x125-ft. paved access apron.

Should the FAA approve the grant, federal funds would pay 90% of the cost and the state and city each would pay 5% (\$15,556) on improvements valued at \$311,111.

Landfill deadline

In his city manager's report, Burrous told the aldermen that city workers will close all the old pits at the sanitary landfill that they can before Feb. 28.

"Any pit not closed by that date has to be monitored for 30 years," he explained.

Mayor Wayne Collins added, "Some of the monitoring procedures even include drilling for the pits' effects on underground water, testing to see if any methane gas is being released, and so forth."

The city can escape a lot of expense by closing as many pits as it can at the landfill east of town before Feb. 28, he said.

Chamber banquet scheduled tonight

Gloria Gilbert and "Homer," will be the featured performers at the 1990 Dimmitt Chamber of Commerce Banquet tonight (Thursday) at the Expo Building in Dimmitt.

The Methodist Men will cater a steak dinner for the banquet, which will begin at 7 p.m.

Tickets are \$14 for adults and \$10 for students and are available at the Chamber of Commerce office, Tots and Teens and Sheffy's Western Wear. Seating will be limited to 400 and tickets must be purchased in advance.

An added service this year will be transportation to and from the banquet. Anyone who wants to attend, but doesn't want to drive at night can call the Chamber of Commerce office by 12 noon today and their transportation will be arranged.

The annual banquet also will feature the announcements of the Citizen of the Year, Citizen

Through the Years and Teacher of the Year awards, plus the introduction of new Chamber of Commerce officers and directors for the coming year.

New officers for 1990 are Garland Coleman, president; Danny Rice, vice president; and Don Nelson, secretary. Newly-elected directors are Gail Bruegel, Donna Stump, Richard Stahl and Stan McDaniel. Out-going directors are Don Sheffy, Gene King, and past-president, Doug Pybus.

Gilbert, a former Miss Texas who won the Miss America talent competition, was scheduled to perform her ventriloquism act with "Homer" at last year's banquet, but had to cancel at the last minute because of an illness.

Gilbert will carry out the banquet theme, "Reflecting on Our Blessings," through a variety of acts including comedy and singing.

Community is raising funds, hope for White

A fund that was established in December to help defray medical costs for Justin White, 19, of Dimmitt who has to have a liver transplant, has yielded almost \$5,000 already and other fund-raising projects are underway to help out.

The Dimmitt Lions Club's benefit raffle for White has raised more than \$1,200 and the club's goal is \$3,000 for the project.

The drawing for three prizes—a Zenith remote control 20" color television, a Zenith remote control VCR and a Sharp "Carousel" microwave oven—will be held at the Castro County Junior Livestock Show auction Feb. 17 at the Expo Building.

"It looks like we may be able to raise as much as \$5,000 through this project because of the generosity of local people," said Don Nelson, the project chairman. "We even have people asking us if we have tickets they can buy."

White was diagnosed with liver problems in Lubbock's Health Sciences Center and has to have a liver transplant.

The liver problems were caused by blood transfusions he received when he was born and it just took 19 years to show up, according to his father, Lloyd White of Dimmitt. The transplant will be performed at Baylor Hospital in Houston, and the facility requires a down pay-

ment of \$230,000.

The Whites did receive some good news last week, when applications for Medicaid were approved.

"Medicaid has made Justin eligible for surgery without the big down payment," said White. "Medicaid will pay 80% of the \$230,000 and also 80% of the cost above that. We'll still have about \$60,000 to \$70,000 in medical expenses left to pay, but that's a far cry from what it would have been without the help."

"We have our first appointment at the hospital in Houston Monday. We don't know how long we'll be there and we don't know what to expect. Right now we're just waiting for a call to let us know when the surgery will be scheduled."

"Justin's in Lubbock right now undergoing tests. They're trying to get him stabilized before the trip to Houston," White said.

White said he will be checking into housing and other living arrangements in Houston, because "he doesn't have any idea what it's going to cost" for him to live there while Justin is recuperating from the surgery.

"We really do appreciate all the prayers and donations in that order. We want to thank Carl King for all of his 'inside help' on the project," White said.

JANIE DODSON recently retired from working at the Dimmitt High School lunch room, where she was in charge of the snack bar. The Classroom Teachers' Association presented her with a quilt rack and the Student Senate gave her a gift certificate in appreciation for her many years' service.

Janie Dodson retires from lunchroom work

Janie Dodson, 66, recently retired from her job as snack bar supervisor at the Dimmitt High School cafeteria.

The entire student body crowded into the cafeteria to give her a farewell party, and a Student Senate representative presented her with a gift certificate from Anthony's. The Classroom Teachers' Association also gave her a quilt rack.

"The best part was when the students came in and sang 'For She's A Jolly Good Fellow,'" Dodson said. "I think I looked into each of those faces. I told them I had fed each one of them during the last four years, and for 10 years before

that I had fed many more."

Dodson first came to Dimmitt in 1966 when her husband, Theo, was offered the position of custodian at the high school. He was recommended to then Supt. Paul Hillburn for the job by a mutual friend.

"When we came to Dimmitt, the high school, the Presbyterian Church and parsonage, and the S&K Manor (apartments) were the only things out in that part of town," Dodson recalled.

"I've seen a lot of changes over the years," Dodson remarked, "but even though the boys and girls come and go, they're always the

Nazareth

By Virgie Gerber, 945-2669

Mass in Holy Family Church was celebrated Saturday night for the special intention of Ray and Mary Lou Schmucker on the occasion of their 25th wedding anniversary. At the end of mass their daughter, Debbie, sang "Wind Beneath My Wings" to her parents, after which Rev. Neal Dee extended a beautiful blessing to them.

After mass their children, John and Kim Schmucker, LaDawn and Doyle Schulte, Debbie, Chris, Natalie and Melinda Schmucker hosted a reception in the Community Hall. A wonderful evening of visiting, playing cards and looking at old photos was enjoyed by many family members and friends. The Schmuckers were presented with many lovely gifts.

Sister Josella Birkenfeld was honored with a birthday dinner Sunday at the home of her sister, Thelma Wethington. Her other sisters and their husbands, Lillian and Paul Venhaus and Velma and Walt Warren also attended. Special guests were Father Neal Dee and Sister Adrian of Nazareth, and Sister Rita of Amarillo. They spent the afternoon reminiscing about the past.

The annual free throw contest sponsored by the Nazareth Knights of Columbus was held Sunday afternoon at the Nazareth school gym. Winners in the contest were Marcus Brockman and Amy Pohlmeier, 10-year-olds; Nathan Hoelting and Jill Ramaekers, 11-year-olds; Gaylon Schilling and Denia Durbin, 12-year-olds; Travis Birkenfeld and Kristen Brockman, 13-year-olds; and Adrian Farris and Melinda Birkenfeld, 14-year-olds. Congratulations!

Lucy Leinen has returned home after flying to Covina, Calif. to visit her son, Jim Leinen, his wife, Corrine and their daughter, Denise. Jim is a member of the Los Angeles Police Dept. They all enjoyed something different which was called a "Medieval Times" dinner and tournament. The Count of Peralada, Don Raimundo II, welcomed each guest to his castle for an evening of sumptuous feasting and spectacular pageantry which

consisted of five knights in armour invited from nearby kingdoms to do battle with the Count's own brave champion. It was very enjoyable, but different.

Prayers are asked for George Hicks of Clarendon, who is in critical condition at High Plains Baptist Hospital in Amarillo. He is the father of Willie Faye Huseman of Nazareth. His room number is 790.

Right to Life Sunday was celebrated Sunday morning at Holy Family Church. Each parishioner was given a little red rose to wear commemorating the infamous Supreme Court decision on abortion. Father Neal Dee gave a very meaningful homily. We also witnessed the baptism of Darcy Schulte, infant daughter of Bruce and Tanya Schulte. Godparents were Don Schulte and Lyn Cameron.

Meta Stork is home after spending a week at the home of Virgil and Vi Pohlmeier in Tulia. On Saturday night Jean Bell of Fort Worth, Breanna DeWalt of Arlington and her son, A.J. came to Tulia to spend some time with Jean's mother, Meta Stork. Florene Leinen of Dimmitt and Dolores Heiman, LeRoy and Dorothy Pohlmeier and Virgie Gerber, all of Nazareth, enjoyed dinner and an afternoon of visiting at the Virgil Pohlmeier home with their family from Fort Worth. Evelyn Hill of Lubbock also enjoyed the family gathering.

Cecil and Lenora Braddock and their family have recently moved into their new home northwest of the city. Arnold and Katie Brockman have moved from the country into Nazareth to their new home. We hope they enjoy living here.

The pool tournament sponsored by the Nazareth Legion was well enjoyed this weekend. Winners included:

A SINGLES: 1. Calvin Schulte, 2. Keith Gerber, 3. Ray Sandoval.

B SINGLES: 1. Joe Johnson, 2. Kenny Schulte, 3. Tom Hoelting, 4. Bill Hoelting.

MEN'S DOUBLES: 1. Bill Hoelting and Arnold Ehly, 2. Leroy

Schulte and Keith Gerber, 3. Tom Wethington and Gilbert Schulte, 4. Doyle Kleman and Larry Hochstein.

Noel Johnson, Nikki Schulte and Darla Leavitt attended the ceremonies Sunday afternoon at Amarillo College's Ordway Auditorium. Their basketball coach, Sandy Heiman, was honored by the Panhandle Sports Hall of Fame as the 1989 basketball coach of the year. Also attending were Wayne Heiman, Ramona Schulte, Dolores Heiman and Omega Leavitt.

Congratulations to Joe Lombard, former Nazareth basketball coach, who was named the *Amarillo Globe News'* girls' basketball coach of the decade, and to Leona Gerber, who was honored as the girls' basketball player of the decade. We are also proud of Ramona Schulte, who was one of the five all-decade player selections and the four Swiftette teams which were chosen to be among the ten best of the decade (including the top two spots). Four of the Swiftettes' games during the decade were chosen among the 10 best of the 1980's.

Charley and Bev Hill, Virgie Gerber, Sandee Hoelting and children, and Karen Gerber and children went to Plainview Saturday night to watch the basketball game between Wayland Baptist University and Midwestern State University's Lady Indians. Midwestern lost but we enjoyed seeing Traci Hill, who plays with the Lady Indians.

Meetings set to explain farm program

A series of four meetings have been scheduled in the county to inform local farmers about the provisions of the 1990 farm program.

The sign-up period for the 1990 Farm Program started Jan. 16 and continues through April 13. Producers who intend to participate in the 0/25 program for soybeans only must sign up before Feb. 16. Farmers need to call the ASCS for an appointment before signing up, according to Scotty Abbott, county executive director of ASCS. Appointments are also being made to run 1990 projected payment worksheets.

The first meeting was held Wednesday night at 8 in the Nazareth Legion Hall.

The second meeting will be held Monday at 7 p.m. in the Easter Community Center.

The Hart High School Cafeteria will be the site for the next meeting, scheduled Feb. 8 at 7 p.m. Coffee and tea will be served by the Hart Ag Science Boys and their sponsor, Jerry Mathis.

The fourth and final meeting will be held Feb. 12 at 7:30 p.m. at the Dimmitt City Hall. The Women Involved in Farm Economics (WIFE) will serve coffee to those attending.

Abbott said he encourages everyone to attend because there are a few changes from the 1989 farm program.

More about

Family history . . .

(Continued from Page 1)

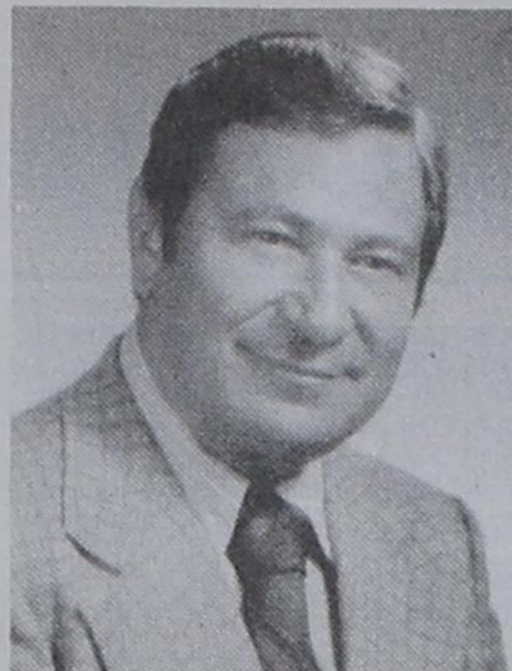

spokesman added. "If you maintain a household of your own, please don't expect a relative to cover your family history in theirs. A separate family history should be written.

"If you are new in the community or county we want your story, too," Bowden said. Anyone who needs help can call Bowden at 647-5703.

When writing a family history, the project chairmen ask that a cover sheet be placed over the story listing the surname of the family and an alphabetical listing of the first name of each person in the family history for indexing purposes. A separate sheet of paper with the caption to be used under the picture should also be included.

Meetings are held at Rhoads Memorial Library in Dimmitt every Thursday at 2 p.m., weather permitting, for working on the ranching, farming, cattle and other heritage sections to be placed in the book. Work will begin on the farming and ranching series next Thursday.

Anyone wishing to help or wanting to submit information is welcome to attend the meetings.

Jose Ramirez

Ramirez to speak

Jose Ramirez, owner and operator of Jose's Restaurant in Lubbock, will speak in Dimmitt Monday at 7:30 p.m. at the city hall meeting room.

Ramirez will speak on "The Plus of Political Participation." He has been active in Lubbock civic organizations and served on the Lubbock School Board of Trustees for 12 years. Ramirez Elementary School was named in his honor in 1987.

He has received many honors and says he is "very proud to be in Lubbock," a place he "loves and feels the freedom to come from menial status to service and recognition" for his efforts in the community.

Local Republicans are sponsoring the event, and encourage residents to attend. Coffee and cookies will be served afterward.

"The gentle manner and pride in the American system of volunteerism Jose has is heartwarming and worth listening time," according to Deanne Clark, Castro County Republican Chairperson.

Out of town

Greg and Jackie Odom are the parents of a baby boy, Eric Greg, who was born at Oklahoma City. He weighed 6 lbs., 7 oz. His grandparents are Glenn and Jackie Odom and Bob and Kylene Anthony, all of Dimmitt. Great-grandparents are Rachele Cleaver, Mr. and Mrs. Raymond Odom, and Mrs. C.W. Anthony.

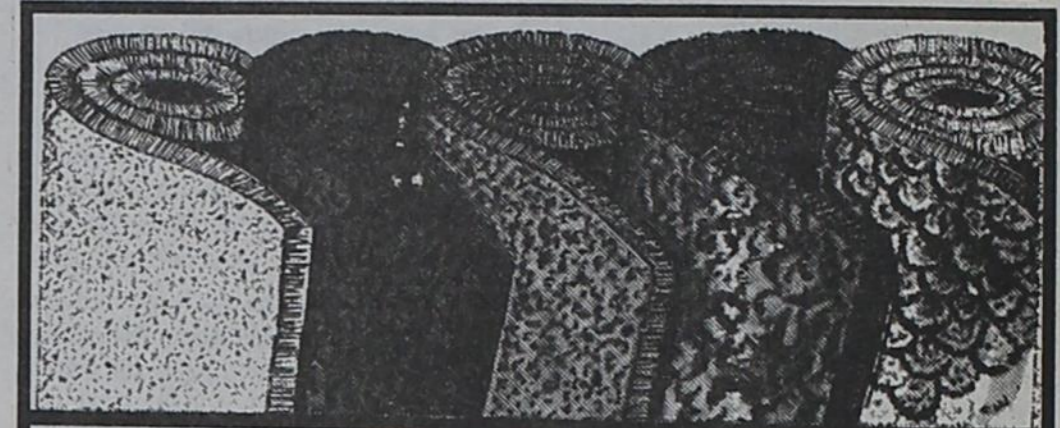

Crickets have their hearing organs in their knees.

Sunnyside

Thursday morning we had rain, sleet, snow, freezing drizzle, thunder and lightning and temperature of 22 degrees. The ice remained on the trees and shrubs all day Friday, and approximately an inch of snow remained on the grass. There was no electricity, no water and no phone for much of the day. It was 20 degrees both Saturday and Sunday mornings, but with a bright sun shining. The rain gauge had .80 inch of moisture with rain in the bottom and ice on top. A very wet snow and welcome moisture.
John Arledge, a former resident of the community, died in Plains Memorial Hospital Tuesday after developing breathing problems at Canterbury Villa that morning. Funeral services were Thursday afternoon in the First Baptist Church of Dimmitt. They moved to a farm which was part of Grandpa Waggoner's land in 1943 and built a house on it and joined the Sunnyside Church. In 1958, they rented the farm and moved to the Gulf Coast for a few years, then moved to Kerrville, before returning to Dimmitt in 1981. His wife, Alma, died in 1984. Eules, Winston and Edd Waggoner attended the services. Winston and Edd were pallbearers.
Mrs. J.L. Cloud, a former teacher at Sunnyside School, died in a Haskell nursing home this week. Funeral services were held in Rule Sunday. She was 92, and an aunt of Kathy Gwyn, wife of our former pastor. Mrs. Cloud's husband has been dead for several years.

services were held at the First Baptist Church of Texico Thursday. He was buried at Texico on a very cold, unpleasant day. Hershel and Retha attended the services.
Hershel and Retha Wilson went to Ropesville for his mother and to Wolfforth for her mother Sunday and brought them home with them to spend several days. On the way home, Hershel gave a concert for the Mexican Mission at Anton and showed slides on their mission work. Sunday night, some members of the First Baptist Church of Anton also attended.
Elton Gulley, father of Becky Ott, moved from Arkansas to Sunnyside Saturday. He will live in the house west of the community building and help James at the gin some.
Edd and Sandra Waggoner became the parents of a new son, Joseph Edward, in Plains Memorial Hospital Friday afternoon. He weighed just over 7 pounds and will be called Joe Edd. They were dismissed Sunday morning, and brought the baby to see Hazel Sunday afternoon.
Matt Gilbreath and Ronda Brooks of Hart were married Jan. 12 in the Primitive Baptist Church in Clovis, N.M. Dorothy Gilbreath, Coby and Connie and Chancey, Sam and Virginia of Dimmitt, and Zay and Sharlott of Gruver and Tommie and Shirley Brooks and their family attended the ceremony.
Riehl Williams of Muleshoe visited Sunday afternoon with his sister, Hazel Waggoner, and Eules.

People

Douglas Roberts and Denise Behrends

Behrends, Roberts to wed

Cynthia Denise Behrends and Douglas Ferrel Roberts plan to exchange wedding vows March 24 at 5:30 p.m. at the First United Methodist Church in Dimmitt.

The bride-to-be is the daughter of David and Jane Behrends of Dimmitt. Parents of the prospective groom are Bobby and Jeffie Roberts of Robert Lee.

Behrends is a 1984 graduate of Dimmitt High School. She graduated from Texas Tech University in

1988 with a degree in family studies. She is completed her post-baccalaureate work for an elementary teachers certification at Texas Tech University and expects to complete the work in May.

Roberts is a 1985 graduate of Robert Lee High School and will graduate in May with a degree in animal business from Texas Tech University.

The couple plans to reside in Lubbock until they graduate, then will move to the Robert Lee area.

McLendon gets state recognition for flight

Matthew McLendon of Dallas, nine-year-old grandson of Kate Beecher of Dimmitt, received special recognition from Gov. Bill Clements and Dallas Mayor Annette Strauss, after he became the youngest pilot ever to fly across the US.

Gov. Clements and Mayor Strauss each presented McLendon with a certificate of special recognition to commend him for his record-breaking flight. Gov. Clements presented the youngster with a certificate Jan. 9 at 2 p.m. in the Governor's Reception Room at the Capitol Building in Austin. He was honored in Dallas Jan. 10 at 9 a.m. in council chambers at the Dallas City Hall.

McLendon broke the world record when he flew from Long Beach, Calif., to New York City when he was just eight years old.

On his 14-city, 3,000-mile flight,

the diminutive third grader flew a single engine Cessna P210 which had been specially modified to include a booster seat to allow him to see over the cockpit and pedal extensions so that he could reach the rudders. He was accompanied by his instructor pilot and his father, but did all of the flying himself.

He stopped in Dimmitt along the way to pick up his grandmother, Mrs. Beecher for a short jaunt to Dallas. She returned to Dimmitt on a commercial flight.

McLendon said he plans to accomplish an even bigger feat by flying across the US and then to Lusaka, Zambia in Africa to raise money to help feed hungry children in Africa, specifically Zambia and Zimbabwe. The funds will be raised through and distributed by World Vision, the world's largest international Christian relief and development organization.

Irene Ramirez

Ramirez studying to be travel agent

Irene Ramirez, daughter of Sam and Mary Ramirez of Dimmitt, is completing studies in the aviation and travel industry at International Aviation and Travel Academy in Arlington.

The Dimmitt High School graduate will be seeking a career as a travel agent following graduation. While enrolled at IATA she is involved in a comprehensive nine-week program leading to an entry-level position in the travel industry.

IATA trains over 2,000 students each year for careers in the travel and transportation industry including both customer service and sales positions as well as FAA certified airframe and powerplant mechanics.

Blair Brown is semifinalist for scholar honor

Blair Brown of Hart has been selected as a semifinalist in the 1990 Coca-Cola Scholars Program. He was chosen as a semifinalist from among 53,000 applicants in the United States. Less than 3% of the applicants qualified as semifinalists.

As a semifinalist, Brown has been recognized for his qualities in leadership, achievement and potential.

If selected as one of the 150 finalists, he will attend the national competition in Atlanta, Ga. April 19-21. 50 National Scholars will be named and each will receive a \$5,000 award. 100 regional scholars will also be selected, with each receiving a \$1,000 award.

Brown, a senior at Hart High School, is the son of Mr. and Mrs. DeWayne Brown of Hart. He is the Student Council president, a member of the National Honor Society, has attended the National Young Leaders' Conference in Washington, D.C. and Texas Boys' State in Austin, and has been active in the Hart FFA, basketball and tennis.

Don Brown was the first person to cross San Francisco's Golden Gate Bridge when it opened on May 27, 1937.

Breast screening clinic to be held

The Breast Cancer Screening project of the Don and Sybil Harrington Cancer Center and High Plains Baptist Hospital of Amarillo will hold a clinic in Dimmitt Monday, Feb. 5, from 9:30 a.m. to 3 p.m.

The breast screening clinic will be held at Plains Memorial Hospital. Anyone who wants information about the clinic or who wishes to make an appointment should call the Harrington Cancer Center at 1-359-4673 or toll-free 1-800-274-4673; or the business office at Plains Memorial Hospital at 647-2222.

The Harrington Cancer Center and High Plains Baptist Hospital offer the community outreach clinics for early detection of breast cancer. The clinic provides low-cost screenings which include breast exams, professional breast examination and mammography. The clinic is staffed by professionals including a registered nurse specially trained in breast cancer detection.

Because of the increasing incidence of breast cancer in the United States, women over the age of 40 should make it a routine habit to have annual breast exams and screening mammograms every one to two years until the age of 50

when mammography should be done every year without fail. Women should also do breast self examinations monthly to aid in the detection of any changes in the breasts. Early detection of breast cancer is the major goal of cancer control for each woman seen in the clinic.

Journalism scholarships to be offered

Two high school seniors from Castro County have an opportunity to win a \$500 college scholarship, according to Don Nelson, publisher of the News.

The News is a member of the West Texas Press Association, the world's largest regional press group which is seeking out two future community journalists to receive stipends of \$500 each.

Through the Bob Craig Memorial Scholarship program, named in honor of long-time Hamlin Herald publisher Bob Craig, who died in 1981, the West Texas Press Association is sponsoring an essay contest based on the theme, "My Future and Career Plans in Community Journalism." High school seniors interested in pursuing a career in community journalism may submit their essays to WTPA Scholarship Committee, Stephen Henry, Chairman, P.O. Drawer 1628, Levelland, 79336-1628.

The essays must be postmarked no later than Feb. 16.

The essay is limited to a maximum of 400 words and no letters of reference will be accepted for consideration in the contest.

In addition to being a senior in high school, an applicant must maintain a "B" average or better and plan to continue studies at a school of journalism. Once the winners are selected, each must be enrolled in at least three hours of journalism each semester he or she receives assistance.

The scholarships will be divided into payments of \$250 per semester for two semesters for two students.

The essays will be judged by the Texas Press Association.

Colin Mark Shillinglaw and Donna Kay Acker

Wedding plans made

Mr. and Mrs. Thomas F. Acker of San Antonio announce the engagement and approaching marriage of their daughter, Donna Kay, to Colin Mark Shillinglaw, son of Mike Shillinglaw of Waterloo, Iowa and Colleen Shillinglaw of San Diego, Calif.

The bride-to-be is the granddaughter of Max Acker of Nazareth.

The couple plan to exchange wedding vows March 10 at St. Mark's Catholic Church in San Antonio.

Acker is a graduate of Winston Churchill High School in San Antonio. She received a master's of education degree from Texas Tech University.

Shillinglaw is a graduate of Columbus High School in Waterloo. He holds a master's of science degree from Texas Tech University.

SS rep here today

A representative from the Social Security Administration will be in Dimmitt today (Thursday) from 9 to 11 a.m. at the courthouse.

The representative will be available to answer questions for anyone with problems or questions about Social Security or Medicare benefits or claims.

Five Cat Card Club Winners for this week have been named at Dimmitt Middle School.

Fifth grader Dora Ramirez was nominated by Mrs. Schacher for her "positive attitude and for being polite and respectful."

Fifth grader Tawnee Matthews was named by Mrs. Goolsby as an "exceptional role model in academics and respect."

Janet Hand nominated two sixth graders, Janet Reyes and Marcella Flores, for their efforts as members of the Junior Student Senate in making posters to promote studying for the semester tests.

Eighth grader Jennifer Harris was nominated by Susan Hanners for her work on the year book, coming in before school and during tutorials.

Winners of Cat Card privileges get to attend school-sponsored functions free during the week of their selection, and get to go to the head of the cafeteria line. Coupons for redemption are also offered by local merchants.

Students are nominated by teachers, with final selection made by DMS Assistant Principal T.J. Parks.

Hanes wins essay contest

Denea Hanes of New Boston, formerly of Dimmitt, recently wrote the first place story in the New Boston Optimist Essay Contest and was recognized by the Optimist Club.

Hanes, the daughter of Steven and Gwyn Hanes and the granddaughter of Lula Mae Hanes of Hart, is a former student at Dimmitt High School.

The essays were based on the theme "Freedom: Our Most Precious Heritage," and were composed by New Boston High School students in accelerated English classes.

Hanes' first-place entry will be forwarded for consideration in the Optimist International District contest. The winning essay in district contests will be considered in international competition.

As a local winner, Hanes received an official medal and certificate.

Hanes' essay follows:
"From her beacon hand glows world wide welcome . . . Give me your tired, your poor, your huddled masses yearning to breathe free, the wretched refuse of your teeming shore. Send those, the homeless, tempest tossed to me, I lift my lamp beside the golden door."

"This sonnet by Emma Lazarus on the pedestal of the Statue of Liberty was read by many of our ancestors, welcoming them to the

New World in search of freedom. We, born in America, enjoy our priceless birthright. We were born in freedom, we have grown up with it, and we expect it. Sometimes we take for granted our gift of freedom which has come to us after centuries of men struggling to free themselves from the iron grim of a monarchy.

"Free" is defined in Webster's New World Dictionary as not under control of some other person or some arbitrary power; independent; without cost or payment, in a free manner, without obstruction, burden obligation, etc. 'Free' does not imply there are absolutely no restrictions. If everyone did only what he so desired, only chaos could result.

"The practice of freedom is based on the belief that all men are created equal, and each man is free to express his own individuality in whichever way they choose. This allows us the right to select our own occupation, to move about the country at will, and to pursue individual happiness in any lawful way.

"However, it is essential that we respect the rights of others. A famous sentence reported to have been written by a French defender of freedom, Voltaire, expresses this clearly: 'I disapprove of what you say, but I will defend to the death your right to say it.' These privileges we are given are not substitutes for work or effort. They do not automatically provide everyone with easy, comfortable living, wisdom or happiness. They provide the opportunity to acquire these blessings.

"It is stated in the Declaration of Independence certain rights are unalienable and no matter what crimes a person commits we will always be assured of our life, liberty and pursuit of happiness. I do not believe it should be so. As our forefathers fought and died so that we may be free, so should we earn our most precious possession, that of our freedom. Let no man dare to desecrate our sacred flag lest he be prepared to give up all that it represents. For in truth our freedom is the most precious gift of all. It is the duty of each and every individual to preserve and defend it, no matter how high the cost or great the sacrifice."

Museum group changes meeting

The board of directors of the Castro County Historical Museum have re-scheduled its regular monthly meeting.

The meeting was originally scheduled tonight (Thursday), but has been postponed to next Thursday, Feb. 1, because of the Chamber of Commerce banquet, which is scheduled tonight.

Next Thursday's meeting will begin at 6:30 p.m.

Dodson to be feted

Janie Dodson of Dimmitt will be honored with a come-and-go retirement reception Tuesday from 4 to 5:30 p.m. in the home of Billie Kirby, 608 NW Eighth Street, in Dimmitt.

Dodson retired from the Dimmitt schools after serving there for 27 years. She worked in several areas including the custodial department and snack bar.

Everyone is invited to attend.

NEW ADMINISTRATOR at Canterbury Villa Nursing Home in Dimmitt is Clota Marie Shaw (right), who moved here from Dickens. She is visiting new CV resident Mary Harlan, who recently moved from Crosbyton.

Canterbury Villa has new administrator

Canterbury Villa Nursing Home in Dimmitt has a new administrator, Clota Marie Shaw, who recently moved here from Dickens.

Shaw lived in Dickens while working as administrator of the Crosbyton Care Center for over 5 1/2 years.

Born and raised at Amherst, Shaw said she is glad to be back closer to the area where her mother and family lives. Shaw is a 1951 graduate of Amherst High School, and attended South Plains College at Levelland, where she received her administrator's certificate. She was licensed by the state in 1971.

Her first job as an administrator was at Amherst Manor, where she worked for four years. She then worked as a dental assistant for Dr. Gilliam and Dr. Harlan in Littlefield. For nine years, she was administrator of Roberts Memorial of Morton, before she moved to Dickens.

Shaw has two grown children and two grandsons. Her daughter, Teresa McNabb, an RN in Amherst, has two sons, Dustin and

Ryan. Shaw's son, Billy Leon Templeton, lives in Austin.

Shaw's second husband died 2 1/2 years ago from cancer. She is affiliated with the Church of Christ.

"I'm very impressed with Dimmitt, with its friendly atmosphere, and I'm anxious to get involved in community activities," Shaw said. "I live in Dimmitt. I'm not a commuter, and I'm not the type to move around a lot. I plan a long-term stay here."

Shaw said she hopes the residents, their families, and the public will see a change in the atmosphere at Canterbury Villa, and will notice a very positive outlook on patient care.

Shaw announced that Linda Rasmussen, RN, is the new director of nursing at the facility, beginning her duties the same day Shaw started.

"If we can be of service to the people of Dimmitt and the surrounding area, we will be glad to," Shaw said. "Come in and visit with us. You are always welcome."

US Census Bureau wants temporary help

The US Census Bureau will be hiring temporary help in Castro County.

Census work will last from two to eight weeks for most workers. They will receive \$5 per hour and will be paid mileage for any official use of a private vehicle.

Applicants for the temporary positions must be 18 years old or over, must be a US citizen, have a valid drivers' license and a social security card, and must take a written test.

The work consists of driving or walking in designated areas of the

county to follow up on addresses that do not respond to the census questionnaire. Office jobs for data transcribers and clerks will also be filled.

County residents interested in applying for the temporary positions should contact the Census district office at 3501-H W. 45th, Amarillo, or call 1-354-3700. The Bureau of the Census if an equal opportunity employer.

The census benefits all Americans. Reapportionment of the US House of Representatives and redrawing of legislative district boundaries are based on census figures, while census numbers are used to distribute federal, state and local government funds to provide assistance to communities for housing, health and human services programs.

Army, Navy and Air Force News

Marine Pvt. Erasmo L. Mata, son of Luciano and Emma Mata of Hart, has completed recruit training at Marine Corps Recruit Dept in San Diego, Calif.

During the 13-week training cycle, Mata was taught the basics of battlefield survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

A 1989 graduate of Hart High School, he joined the Marine Corps in August, 1989.

Bobbies win first half

After escaping from Muleshoe with a 42-40 victory Friday night, the Bobbies turned Tulia's Hornets every way but loose here Tuesday night for a convincing 62-43 win to take the first-half title in one of the state's toughest Class AAA districts.

Tuesday night's win is likely to move the Bobbies into the top five in the state rankings. The Hornets were ranked fourth and the Bobbies eighth going into this week's showdown.

The Bobbies, 21-6, finished the first half of district play with a spotless 5-0 mark.

Playing before a standing-room-only crowd, Coach Richard Wood's Bobbies led the Hornets from the start and got the Tulia girls rattled early with their speed and fierce full-court pressure.

Tulia effectively jammed the middle, forcing Dimmitt to get most of its points on fast breaks and rebound put-ups as the Bobbies' long-shot artists had a hard time zeroing in. The first quarter ended with the Bobbies leading 12-6.

The Bobbies maintained the same lead until midway in the second, when Halley Bradley canned two jumpers and a put-up and Kara Schulte closed the quarter with six quick points, including two free throws, to give Dimmitt a big 32-16 halftime spread.

Becky Rodriguez, Renae Josselet, Wendi Ethridge, Leslie Shippy and Halley Bradley all contributed a basket apiece early in the third to boost Dimmitt's lead to 44-22. Then the perimeter players started feeding Ethridge inside and the 5-8 freshman swished five more baskets from the paint to account for 12 of Dimmitt's 20 third-quarter points.

When the third-quarter smoke cleared, it was 52-29 and all over but the shouting. After baskets by Poppy Thomas, Ethridge and Bradley, the Bobbies went into their four-corner offense at 2:40 and Josselet closed out the scoring with four free throws in the final minute.

Tulia's Kandy Smith netted 20 points inside, but the Bobbies effectively stifled all the other Hornette scorers with their downcourt speed and their quick 3-2 zone defense.

Ethridge finished with 16 while Josselet netted 13 and Bradley 11.

The Lady Mules came on with a vengeance at Muleshoe Friday night and took an 11-4 lead in the first quarter with their patient, deliberate offense.

The Bobbies made a fast nine-point run in the second to pull within two, but the Lady Mules opened it to 21-15 by halftime.

The Bobbies tied it at 21 early in the third on baskets by Gloria Gauna and Becky Rodriguez, but the Lady Mules connected on a pair of three-pointers late in the quarter to regain their six-point lead, 32-26.

The Bobbies finally wrested the lead at 38-35 midway in the fourth after a pair of jumpers by Halley Bradley. But the game was still in doubt until the final minute as Dimmitt made only two of a possible eight free throws in the stretch.

Wendi Ethridge gave the Bobbies some breathing room with a pair of clutch free throws at 0:27 to make it 42-37. Muleshoe came back with a basket and a charity toss to draw within two by the final buzzer.

HAPPY CAMPERS—Dimmitt's jubilant Bobbies race offcourt Tuesday night after downing the visiting Tulia Hornets by a surprisingly large 62-43 margin in a showdown of state-ranked teams for the first-half championship of District 2-AAA. The Bobbies finished the district's first round-robin of play with a spotless 5-0 mark.

Swiftettes dominate all-decade selections

Nazareth dominated the *Amarillo Globe News'* "Salute to the '80s: Girls High School Hoops" selections announced in Sunday's edition of the *Amarillo News-Globe*.

Nazareth native Leona Gerber was named the player of the decade and former Nazareth coach Joe Lombard earned coach of the decade honors.

The salute named five girls to an all-decade team and two of the players were from Nazareth — Gerber and Ramona Heiman Schulte.

Gerber started for the Swiftettes for three years (1983-85) and during those three years, Nazareth compiled a 98-3 record and went undefeated for two seasons.

She was named the Class A player of the year in 1984 and 1985. She earned high school all-America status and was offered a full basketball scholarship to the University of Texas, but chose to play for South Plains College in Levelland. She later played for West Texas State University, and earned many honors on the collegiate level.

[Gerber earned her degree in elementary education from WTSU in

Nazareth teams win first half

Nazareth's Swifts and Swiftettes captured the first half District 5-A championship Tuesday night with victories over the Bovina girls and boys.

Both teams finished with perfect 5-0 marks in the first half.

Nazareth's girls weren't tested in district by anyone but Happy. The Cowgirls finished second behind Nazareth and will be fighting to tie the Swiftettes for first place when the two teams meet again Tuesday night.

The Swifts' closest competition came at the hands of Kress Friday night, but Nazareth pulled out a narrow four-point win.

December and is currently a substitute teacher at Sundown Lane Elementary School in Amarillo.)

Lombard was hired as Nazareth's basketball coach in 1978 and guided the Swiftettes to five state titles before resigning to accept the job as head coach at Canyon High School. While at Nazareth, Lombard also coached two boys teams to the state title game.

Also selected were the best 10 teams of the decade and the top 10 games of the decade. Nazareth placed four on each list.

The 1984-85 Nazareth team which went undefeated, 33-0, and captured Nazareth's eighth state title, was named the best team of the 1980's. The second best team was the Swiftette team of 1983-84, which also went undefeated with a 35-0 record on the road to Nazareth's seventh state title.

A Nazareth team also captured the No. 4 spot on the "Best Teams of the Decade" list. The 1980-81 team, which started three underclassmen, won the school's fifth consecutive state championship with a 35-2 record.

Last year's Swiftettes (1988-89) earned the No. 9 spot on the "Best Teams of the Decade" list, for finishing the season at 34-2 with Nazareth's 10th state title.

The "Best Games of the Decade" features some of the finest girls' basketball games ever played, including Nazareth-Sudan thrillers and Nazareth-Happy battles.

According to the *Globe News'* list, the Feb. 26, 1983, regional final game between Nazareth and Sudan was the best in the decade. The Swiftettes were unseated as

regional champions for the first time in seven years by the Hornets, who went on to capture the state championship.

The Nazareth-Sudan feud thrilled fans before the 1983 season. The Jan. 8, 1982, district contest which Nazareth won 48-46 was selected as the fourth-best game of the decade.

Last year's Nazareth-Happy regional championship thriller earned a spot as the sixth best game. The Swiftettes came from behind to defeat the Cowgirls 36-34 at the Texan Dome in Levelland.

On Feb. 24, 1987, Nazareth and Happy met in a sub-regional game and it was a battle to the finish. The Swiftettes won the game 61-51 in double overtime, and that game earned the No. 8 spot as "Best Game of the Decade."

More about

Janie Dodson . . .

(Continued from Page 1)

same. I've loved every one of them. I got to know some of them pretty well.

"I've been good to the kids and they've been good to me, so we've gotten along just fine. I'm glad to know the kids did like me enough to show their appreciation."

When Dodson first started working for the school, she worked in the high school lunchroom, then took a job working in the kitchen at Plains Memorial Hospital. She says she then worked as a school custodian for a while, then later went back to work in the cafeteria, taking over the snack bar in 1977.

Her husband developed heart problems in 1981, and in 1982 she took a leave of absence so that she could drive him to Amarillo every other day for dialysis treatments after he suffered kidney failure.

He died July 4, 1984, and that fall, Dodson went back to work at the cafeteria.

"That's one reason my retirement came in the middle of the school year, because of the leave of absence I had," Dodson explained. "I have always appreciated the school holding my job open for me."

Dodson said one of the best changes she thinks the school has made was the installation of the security system.

"I don't remember them finding pigs or sheep in the school lately," she laughed.

Dodson recalled the incident that made her the maddest in all her employment here. It happened this year, just before her retirement.

"When we came back from the Christmas break, my freezer full of French fries had somehow gotten unplugged, and they were all ruined," Dodson said. "Fortunately, [lunchroom supervisor] Billie [Kir-

by] had two extra boxes of fries I could use, but I didn't think we would ever get rid of the smell in that freezer."

Dodson said she already misses seeing all the kids each day, but she says, "It's a good miss."

She added that she hasn't missed getting up at 5 a.m. on cold, snowy mornings and going out at 6:30 a.m. to warm up her car to be at work by 7 a.m.

She plans to occupy her time now with her favorite activity—quilting. She has already done quite a bit of quilting during her off duty hours and now looks forward to devoting even more hours to it.

Dodson said she plans to "sell out and move" this summer to be nearer some of her family, which includes three sons and their families.

Bobcats face Floydada again

After a second-place finish in the first half of District 2-AAA play, the Bobcats will travel to Floydada Tuesday to try to turn the tables on the league-leading Whirlwinds.

Floydada won a 60-53 decision here Jan. 12 and went on to finish 5-0 for the first-half title. Their loss to Floydada was the Bobcats' first in a home district game in six years.

Dimmitt downed Muleshoe 60-55 Friday night and Tulia 73-44 Tuesday night to finish with a 4-1 first-half mark.

Before the Floydada showdown Tuesday, the Bobcats will travel to Littlefield Friday night. They drilled the Wildcats 81-37 in their first-half meeting here.

More about

Schools report cards . . .

(Continued from Page 1)

third graders fared a little better with 88% passing reading, 93% passing math and 82% mastering English. 75% of the third graders mastered all three parts of the test.

79% of fifth graders passed reading and math while 78% mastered the language portion. 64% passed all three tests.

The seventh grade results included reading, 77%; math, 97%; and English. Overall mastery of the TEAMS test was accomplished by 86% of the seventh graders.

Freshman results were reading, 86%; math, 95%; language arts, 77%; and overall mastery, 69%.

"We were up and down on how we scored on the test, but the results will vary with different classes," said DISD Curriculum Director Gainelle Minnick. "Some kids are consistently high performers in certain areas."

Hart students have "really come up" from previous years' scores, according to Barnes.

Hart's results follow:

THIRD GRADE—Math, 89%; reading, 56%; English, 58%; and overall, 48%.

FIFTH GRADE—Math, 85%; reading 66%; English 79%; and overall, 56%.

SEVENTH GRADE—Math and reading, 94%; English, 83%; and overall, 72%.

NINTH GRADE—Math, 85%; reading, 74%; English, 82%; and overall, 65%.

High school juniors are required to take an exit-level TEAMS test and must pass it before they can graduate. They have four chances to take the test.

Juniors from the county took the test in October and most passed it the first time. 100% of Nazareth's juniors, 85% of Dimmitt's 11th graders and 83% of Hart's junior passed the test in October.

"All of our students but one passed the test by the time graduation came last year," Minnick said. "That one student was the only one we've ever had that hasn't graduated because they didn't pass the TEAMS test."

"We've really come up from our exit results in October, 1988. Over-

all in 1988, 72% of our 11th graders passed. In 1989, 88% passed,"

said Barnes. We're really proud of our exit level scores. It's not the

best, but it's an improvement and we're proud of it."

Police Calls

A Dimmitt woman told police Sunday night that a 25-year-old Hereford man had struck her in the face and choked her. The man was jailed, but the woman subsequently declined to sign the complaint against him, and he was released Monday morning.

The woman called police Monday evening and reported that the man had come to her home and allegedly threatened to kill her and her family and blow up their house and vehicle. Investigation into the matter is continuing.

A Dimmitt man told police at 12:50 a.m. last Thursday that another Dimmitt man, 32, had pushed open the back door of his residence. The man said he told the suspect, "Don't take another step," but the suspect continued toward him. The man said he grabbed his .22-caliber rifle and fired maybe twice towards the suspect, aiming towards the floor. The man said the suspect then fled from his residence.

Police received a report from Plains Memorial Hospital at 1 a.m. that the suspect was there, seeking treatment for a gunshot wound to the lower right leg. The doctor in charge said the suspect was in

stable condition, but he was being transferred to Northwest Texas Hospital in Amarillo, due to a bone fracture.

Investigation into the incident is continuing, but no warrants had been issued by Tuesday morning.

A Dimmitt woman told police that a 36-year-old man had hit her in the head and face at about 2:55 a.m. Friday. Investigation is continuing.

An 84-year-old Dimmitt man filed charges of criminal trespass against another Dimmitt man who came onto his property about 10 p.m. Sunday night after being warned to stay away.

Sheriff's deputies received a report of a break-in at the home of Steve Hankins, 1 1/2 miles east of Hart on FM 145. Taken in the Jan. 12 incident were some appliances, a VCR and a television set. Investigation is continuing.

Deputies also recovered a Corvette that had been stolen from Friona. It was found covered up in an old barn five miles southeast of Dimmitt.

Bill Marquez, 18, of Dimmitt and Gwendolyn Pevehouse, 26, of Dimmitt are both in the county jail on forfeiture of bond since they failed to appear for a docket call.

Bond on each was reset at \$50,000 by 242nd District Court Judge Marvin Marshall. Marquez was out on bond on felony charges of aggravated assault on a peace officer and Pevehouse was recently indicted on felony charges of forgery.

Two Hereford men, ages 22 and 24, were brought in by Hart City Marshal J.W. Anthony early Sunday on charges of making alcohol available to minors. The 22-year-old was released Sunday on \$200 bond, while the other was released Monday after paying a fine of \$110.50.

A 35-year-old Hereford woman was jailed Monday morning on charges of failure to appear on a speeding violation. She was released after paying the fines.

A 33-year-old Houston man was picked up on a local warrant for theft of services in which phone calls were not paid for while the suspect was staying at a local motel. He was placed on probation for 60 days and must pay a reporting fee.

A 31-year-old Dimmitt man is laying out a fine assessed on charges of no driver's license and failure to maintain financial responsibility.

TCGA meeting set Feb. 6

The Texas Corn Growers' annual meeting will be held Feb. 6 at the Castro County Expo Building in Dimmitt.

Among the numerous informative speakers scheduled for the meeting is Bob Glodt, a Plainview consulting entomologist whose three years of solid data shows that by banding the lower half of about knee high corn with Comite via a ground rig equipped with high pressure nozzles, you can usually control banks grass mite populations.

Researchers from the Texas Agricultural Extension Service will also discuss new miticide research findings. John Ford, director of ACGA legislative affairs is scheduled to address the controversial GATT talks.

Several key state and federal elected representatives have been invited to the meeting including US Rep. Bill Sarpalius, House Majority Leader Richard Gephardt, State Sen. Teel Bivins and State Rep. Pete Laney.

Advertisement for Sandy Lynn Waldrop, born June 19, 1961 in Phoenix, Az. Her parents, Deloris Sanders Waldrop and Billy Joe Waldrop, gave her up for adoption in Dimmitt, probably in early 1963. She has an older sister, Kathy Hopper, 29, who also wants to see her. Sandy, or anyone with information, Call COLLECT 214-566-1059 or write to above address. Sandy, we love you and want to see you.

What's Cooking?

Here are the school lunch menus for Dimmitt, Hart and Nazareth for Jan. 25 to Feb. 2.

DIMMITT

THURSDAY—Fried chicken with gravy, creamed potatoes, green peas, rolls, honey butter and milk.

Mr. Farmer, If you're not using

on your crop acreage you're losing money.

N-FIX™ is a nutrient supplement which facilitates a stronger, healthier soil which in turn produces plants with improved root structure, more resistance to disease, insect and environmental stress.

N-FIX substantially reduces the amount of chemicals needed.

Tests prove that N-FIX increases nutrient uptake to the plants from 25 to 82%.

Tests prove that N-FIX increases the nutritional and protein value as well as the TDN of grains and hay.

N-FIX reduces irrigation and energy costs due to the soils' improved tillage and increased ability to retain moisture.

N-FIX has been known to increase crop yield anywhere from 10 to 20% in normal conditions.

N-FIX is 100 percent environmentally safe and is proven effective.

N-FIX is guaranteed.

Folks who believe in the magic of Mother Nature... also believe in the magic of N-FIX.

Performance proven since 1979

ABI Agriculture Business Industry

Ag leadership program is open for enrollment

The Texas Agricultural Lifetime Leadership program (TALL) is taking applications through Feb. 15.

"TALL is designed to assist young men and women associated with agriculture in developing leadership skills, said Dr. L.S. Pope, who coordinates the program for the Texas Agricultural Extension Service.

"The first group of 24 members visited 10 agricultural areas of Texas and took a trip to Washington, D.C. and northern Europe. During the two-year program, they were able to interact with over 175 outstanding leaders. A similar schedule is planned for Group II.

The bases for selection into TALL is evidence of leadership ability and desire to take on decision-making roles in Texas agriculture. In order to gain entrance into the program, candidates must go through a rigorous selection process, including an interview. TALL is sponsored largely from outside grants and scholarships, but participants must pay part of the cost. Members must be between the ages of 25 and 40 and be involved in an agricultural pursuit in Texas.

"Agricultural leaders must make

Contel installs toll-free numbers

Contel of Texas has recently installed toll-free 800 numbers in its business office for customers who have questions or problems regarding their bills, repairs and service orders.

Contel customers may call 1-800-525-8719 for repairs, 1-800-628-3357 for billing, and 1-800-628-3359 for service orders.

"We've installed these numbers in order to serve our customers more efficiently," said District Manager Ron Killion of Andrews. "Although we have always reverse-billed calls to our business office, many customers have expressed concern when they have to dial direct. With the new 800 numbers, there shouldn't be any confusion. Contel will pay for the call no matter where our customers are calling from.

"Most important, with the three separate numbers for repair, billing and service orders, our service representatives can immediately pinpoint the nature of our customers' inquiries.

WIFE

Women Involved in Farm Economics

Members of the local WIFE chapter were on hand last Thursday at Allsups in Dimmitt for the official introduction of Ethanol-blended gasoline to the Dimmitt area.

Ethanol customers were served a variety of cookies and breads made with distillers grain, a bi-product in the processing of corn to produce ethanol, by WIFE members.

Distillers grain is rich in protein and fiber and enhances the nutrition and freshness of baked goods. WIFE used the opportunity to help inform the public about other benefits from the production of ethanol.

Senior Citizens

Senior Citizens' Menu
MONDAY — Chili beans, cornbread, salad, dessert, tea and coffee.

TUESDAY — Chicken fried steak, scalloped potatoes, beets, salad, bread, dessert, tea and coffee.

ASCS News

Farm program sign-up is underway

By SCOTTY M. ABBOTT
County Executive Director

Sign up for the new 0/25 program for soybeans began Jan. 16 and continues through Feb. 16.

Producers may sign up to plant soybeans on no more than 25% of their permitted acreages for 1990 wheat, feed grains and upland cotton. This will allow you to have this acreage considered as being planted to the program crop for crop history purposes. Participating in this option will not lose or gain farm acreage base or individual crop acreage bases on a farm. After this sign up, USDA will estimate whether, based on anticipated additional 0/25 soybean plantings, the average market price for the 1990 crop of soybeans will be less than \$4.98 per bushel.

If the soybean price is expected to be below this level, CCC will reduce or eliminate all or a portion of the permitted acreage that may be planted to soybeans under this program.

Advance payments will be based on the intended acreage for payment under this option. Participation under this option is not binding. No program benefits other than soybean price support loans will be made available when planting soybeans on permitted acreage.

Producers who participate in the regular acreage reduction program or who use the 0.92 and 50.92 provisions of the 1990 Farm Program, may plant certain approved non-program crops on land designated as conserving use (CU) acreage.

The selected crops are sunflowers, flax, rapeseed including canola, safflower, castor beans, mustard seed, crambe, triticale, quinoa, Jerusalem artichoke, kenaf, milkweed, amaranth and psyllium.

You must agree to forgo any deficiency payments that would otherwise be paid on such acreage. You cannot use your oat base for approved non-program production.

Oats are in short supply and allowing oat base to be used for this purpose would only worsen the situation. Under this option, you will earn history credit on the CU acres that are planted to one of the above crops.

Advance deficiency payments will be available only if you make a request during the program sign up period. The Agricultural Reconciliation Act of 1989 provides that

deficiency payments must be reduced for 1990 crops and the reduction in deficiency payments must be applied to advance payments. The advance payments will be made in cash at 40% of the estimated deficiency payment rate for wheat, feed grains, and cotton, less the required reduction.

The reduced advance payment rate for wheat and corn is .3367 cents per bushel, grain sorghum is .3419 cents per bushel, barley is .0840 cents per bushel, oats is zero cents per bushel and cotton is .03685 cents per pound. The advance payment and final payments will be reduced by an additional 1.4% which is the Gramm-Rudman-Hollings reduction.

Producers who participate in the 1990 0/25 program will be guaranteed deficiency payment rates of .8767 cents per bushel on wheat and corn, .8879 cents per bushel on grain sorghum and .24 cents per bushel on barley on the CU for payment acreage designated on the farm.

Advance payments will be limited to your intended acreage of each crop. Advance payments will not be made until you have completed your Highly Erodible Land and Wetland Conservation Certification and the actively engaged and person determination requirements have been met.

Any portion of a farm acreage base, minus the soybean base included in the farm's acreage base, may be exchanged for oats for the 1990 crop year during the 1990 farm program sign up period which continues through April 13.

Any acreage that is exchanged for oats will be considered planted to the original program crop for determining the farm acreage base or crop acreage bases in future years, but will not result in an increase in the program bases. Program benefits for the acreage planted to oats will be those applicable to oats.

Wednesday is the final date for filing 1989 wool and mohair sales documents. Please do not wait until the last minute to file these applications.

The County Convention was held Dec. 19 and the delegates from LAA-1 (Communities A and B) elected George Elder to serve on the County Committee for a three-

year term and elected Kenneth Frye as first alternate and Bill Potts as second alternate. The County Committee members for 1990 are Frank Wise, chairman; George Elder, vice chairman; and Arlie Petty, member.

Most of the ASCS office staff will be attending the state ASCS conference in San Antonio Wednesday through Feb. 2. The office will be open, but will only be operating with a limited staff. Your consideration while we are attending the conference will be appreciated.

The office will be closed Feb. 19 in observance of President's Day.

Obituaries

John Arledge

Services for John Arledge, 85, of Dimmitt, were held last Thursday, Jan. 18, in Foskey-Flemins Funeral Home's Ivey Chapel with Rev. Paul Kenley, pastor of Dimmitt's First Baptist Church, officiating.

Burial followed in Castro Memorial Gardens under the direction of Foskey-Flemins Funeral Home.

Mr. Arledge died at 7 p.m. Jan. 16 at Plains Memorial Hospital in Dimmitt following a lengthy illness.

He was born in Wise County and had been a Dimmitt resident for many years. He married Alma Waggoner on May 5, 1941, in Dimmitt. She died in 1984. He was a retired farmer and a member of the First Baptist Church.

Survivors include a son, R.J. McAin of Santa Cruz, Calif.; a daughter, Fern Engwall of Santa Cruz; and 11 grandchildren.

Inez H. Biggs

Services for Inez H. Biggs, 87, of Ozona, mother of Barbara Bruegel of Dimmitt, were held Wednesday in Ozona.

Burial followed at Restland in Dallas.

Mrs. Biggs died Monday.

She was born Jan. 21, 1903, in Cleveland, Ohio. She married E.F. "Ned" Biggs in November 1925. He died in 1969.

She lived in numerous cities in the US and around the world. She lived in San Angelo until 1975 when she moved to Ozona. She was a Presbyterian.

Survivors include a son, W.P. Biggs of Gulf Breeze, Fla.; two daughters, Joann Davidson of Ozona and Barbara Bruegel of Dimmitt; 11 grandchildren; and 10 great-grandchildren.

In lieu of flowers, the family asks that memorials be to the Gary Bruegel Scholarship Fund at the First State Bank in Dimmitt.

Lee DePoyster

Services for Lee Roy DePoyster, 67, of Brownfield, are pending at Brownfield Funeral Home.

He died at 11:45 a.m. at Brownfield Regional Medical Center following an automobile accident.

He was born Nov. 24, 1922, in Huntington Beach, Calif., and moved to Brownfield in 1934. He married Nina Rose July 17, 1942, in Brownfield. He had been a truck driver for Goodpasture Inc. for 14 years and retired in 1981. He was a member of Union Baptist Church.

Survivors include his wife; two daughters, Beverly Webb of Brownfield and Phyllis Scott of Hobbs, N.M.; two sons, Gerald of Albuquerque, N.M. and Craig of Dimmitt; three brothers, S.H. DePoyster Jr., of Brownfield, Fred DePoyster of Cooper and L.W. DePoyster of Lubbock; two sisters, Juanita May Higgins of Brownfield and Ruth McKay of Lubbock; 10 grandchildren; and a great-grandchild.

Laura Jones

Funeral services were set for today (Thursday) at 2 p.m. for Laura Littrell Jones, 91, of Hereford, the stepmother of a Dimmitt woman. Held in Hereford's Temple Baptist Church, the service will be officiated by Rev. H.W. Bartlett, pastor, and Rev. Jim Bozeman, retired minister.

Burial will be in Hereford's Rest Lawn Memorial Park under the direction of Gililland - Watson Funeral Directors of Hereford.

Mrs. Jones died Monday. She was born in Bowie and moved to Deaf Smith County 50 years ago. She married A.T. Jones in 1975 at Hereford. He died in 1981. She was a homemaker and a nurse, and was a member of Temple Baptist Church.

Survivors include a daughter, Cleta June Williams of Orange, Calif.; two stepsons, George Jones and J.P. Jones, both of Hereford; three stepdaughters, Gladys Benson of Dimmitt, Helen Brown of Hereford and Dovie Jane Harman of Tulia; a brother, Fred Andrews of Melrose, N.M.; a sister, Allie Burris of Texico, N.M.; 16 grandchildren; 28 great-grandchildren; and nine great-great grandchildren.

Fredda Hawkins

Funeral services for Fredda Griffin Hawkins, 93, of Hart, will be held Friday at 2 p.m. at Hart's First United Methodist Church, with Rev. Perry Hunsaker, pastor, officiating, assisted by Rev. Lanny Wheeler, Chaplain at King's Manor in Hereford.

Burial will follow in the Hart Cemetery under the direction of Foskey-Flemins Funeral Home.

Mrs. Hawkins died Monday night at her residence after a lengthy illness.

Born Sept. 14, 1896 in Cottonwood, she came to Tulia with her parents, Mr. and Mrs. W.F. Griffin in 1914. She attended CIA (now Texas Womans University) for two years, and graduated from Canyon Normal (now WTSU) in 1918. She was a farmer and a homemaker.

She married Willis A. Hawkins Sr. in Tulia in 1918. They lived in Briscoe and Swisher counties. In 1927, they bought a store in Hart and farmed in Castro County. She was postmistress in Hart. They sold the store and moved to the farm near Nazareth in 1931.

Mrs. Hawkins was active in PTA in Hart and Nazareth, serving several times as president at Hart. She worked in Home Demonstration Council and Clubs at Hart and Nazareth. For 13 years, she was a correspondent for the *Castro County News* and the *Olton Enterprise*. Beta Sigma Phi nominated her Panhandle Woman of the Year in 1977, and she was Woman of the Year for Hart in 1959. She was a Methodist, and served on the official board for many years. She was elected an honorary member of the board for life. She was also a life member of the King's Manor Foundation Association and a member of the Texas Heritage Foundation.

She was preceded in death by her husband on Feb. 7, 1988, and also by a daughter, Mildred, and a son, Augustus L. Hawkins.

She is survived by two daughters, Sister Mary G. Hawkins of Canyon and Dr. Marcia Loramack Wolfer of Bradley, Calif.; three sons, Robert L. of Hart, Willis A. Jr. of Hereford, and Dr. Theron C. of Kerrville; 14 grandchildren; 24 great-grandchildren; and one great-great-granddaughter.

Pallbearers will be Quincy Hawkins, W.A. Hawkins III, Phillip Hawkins, David Hawkins, Brad Hawkins and Glen Dwyer.

Honorary pallbearers will be the Hart Volunteer Fire Dept. and Paramedics.

The family requests memorials to the Hart Cemetery Fund or to a favorite charity.

Frankie Cloud

Frankie Curry Cloud, 92, of Rule, former Sunnyside School teacher, died Friday in Rice Springs Care Home in Haskell following an illness.

Services were held Sunday in the Rule First Baptist Church with Rev. J.R. Williams, pastor, officiating.

Burial followed in Rule Cemetery under the direction of Pinkard Funeral Home.

She was born in Rosenberg and moved to Haskell County in 1910. She began teaching in 1918 in the Pinkerton community. She taught at the Sunnyside school in Castro County, as well as in South Plains, and Knox, Lynn and Yoakum counties. She married Edward J. Cloud on Dec. 21, 1928, in Rule. He died in 1972. She was an organist at the First Baptist Church in Rule for 27 years.

Survivors include two brothers, John B. Curry and Rogers Curry, both of Lubbock; and three sisters, Gladys Darnell of Haskell, Evelyn Cupp of Odessa and Belva Whittington of Lubbock.
