

# HISD approves 15.06% tax hike

The Hart School Board voted to hike its tax rate by 15.06% Monday night at its regular meeting. The school must increase its total tax revenues from properties on the 1989 tax roll by 15.06%, raising it from \$.6939 per \$100 evaluation to \$.80 per \$100, which equates into \$.9395 for the State Property Tax Board.

The tax increase, according to HISD Supt. Phil Barefield, will bring in approximately \$62,000 more in local revenues and \$200,000 more in state revenues to the school district.

Barefield said the State Property Tax Board property values are different from the local values which are set by the Castro County Appraisal District. He added that Hart's property values are less than those set by the State Property Tax Board, but this is not always the case for other school districts in the state.

According to Hart school officials, in order to maximize state funding by 1994-95, the proportionate or equalized tax rate will need to be \$1.18. The state mandates that the local tax rate be raised 25% of the difference between the local rate and the proportionate rate each year until 1994-95.

# DISD sets new dancing rules

In lieu of establishing a student identification system, the Dimmitt Independent School District board voted to adopt stricter rules governing dances sponsored by school organizations.

The new rules. Board member Cheryl Pybus voted against, saying she feels broader changes are needed.

The rules would include forbidding attendance at high school dances by junior high students or by non-students over the age of 20. Also, adult supervision would be increased, and the district will employ an off-duty police officer to monitor the outside of the building and be available for inside assistance if needed.

The board approved a policy establishing a District-wide Educational Improvement Council to advise the board on curriculum related matters.

Members of the council are to be selected from each campus in the district, including two classroom teachers and one non-teaching professional employee from each campus.

The board voted 6-1 in favor of

Council members will serve on a

66th Year—No. 22 Dimmitt, Texas, Thursday, September 13, 1990 14 Pages Plus Supplements

## County asks 3% increase

Castro County Commissioners' Court presented the proposed budget plan for the 1990-91 fiscal year at a public hearing Monday afternoon with about 15 persons present. The budget will not be finalized until a special meeting of the commissioners Tuesday at a time to be announced later.

Precinct 4. Other areas of proposed expenditure include \$115,200 allowed for gas and oil, and \$103,000 for vehicle and equipment maintenance. Also, \$12,000 was allowed for the Historical Commission to help with publication of the county history book, and a new allotment of \$1,000 was set aside for the Domestic Violence Center in Hereford, which also serves Castro County.

County Judge Polly Simpson announced that the planned tax rate of 31.53 cents per \$100 valuation represents a 3% hike over the effective tax rate of 30.61 cents, determined by the Castro County Appraisal District as sufficient to raise the same amount of tax revenue as last year. Of the 31.53 cents, 23.73 cents will be for ad valorem taxes and 7.80 cents will be for county road taxes.

Funding for the four volunteer fire departments in the county was set at \$30,394 for Dimmitt, \$4,703 for Hart, \$3,703 for Nazareth and \$2,500 for Sunnyside.

Simpson noted that the total budget expenditures are estimated at \$2,593,802, an increase from the \$2,321,918 allowed last year. Total county revenues are projected at \$2,800,737.

Expected revenue sources include \$807,763 from ad valorem taxes and another \$263,469 from the county road tax. Vehicle registrations are expected to bring in another \$331,159, and the \$10 registration fee should add \$73,000. County fines are projected to contribute a hefty \$140,000, and the 1/2% sales tax should bring \$139,000.

Part of the planned tax increase will go to cover salary increases and an increase in longevity pay for county employees, Simpson said. Salaries also represent the largest budget category, accounting for \$863,260.

Total planned expenditures for each precinct include \$325,008 for Precinct 1; \$204,680 for Precinct 2; \$230,212 for Precinct 3; and \$212,058 for Precinct 4.

With \$193,600 allowed for capital outlay, \$90,000 was allocated to Precinct 3 for purchase of a motor grader, \$50,000 was set aside for jail construction and improvements, \$14,000 for a new car for the Sheriff's Dept., and \$24,000 for a new vehicle and two-way radios for

Each precinct is allotted \$700 for new road signs to implement the 9-1-1 program, \$1,000 for conference and training, \$3,600 travel allowance, and \$5,000 for weed control. All but Pct. 4 has an allowance of \$500 for building maintenance, with Pct. 4 only asking \$100. All

(Continued on Page 14)

CORN STALKS like this one are abundant in the county right now, but in a few weeks there won't be a stalk left. Corn harvest is underway in the county and while harvest is just starting to pick up, elevator managers feel like it will be in full swing within a week to 10 days. Photo By Anne Acker

## Lumbrera indicted in Bailey County

Diana Lumbrera, former Dimmitt and Bovina resident, was indicted on charges of first degree murder in the death of her cousin, Ericka Aleman, in 1980.

Aleman, the daughter of Lumbrera's cousin, Ben Aleman and Irene Aleman, died Oct. 8, 1980 in Muleshoe, at three months of age. Lumbrera had been caring for the child when she died.

The indictment was handed down Monday by a 287th District Court Grand Jury and bond was set at \$50,000.

A Kansas judge on Monday denied a request to have Lumbrera extradited to Texas to face the murder charges in Parmer County until after she stands trial for her son's death in Garden City, Kan.

The Aleman child is one of seven children that died while under Lumbrera's care between 1976 and 1989. Lumbrera also has been charged with the murder of a son in Garden City, Kan., and with the deaths of three daughters in Parmer

Lumbrera faces first-degree murder charges in Garden City in the May 1 smothering death of her son, four-year-old Jose Antonio Lumbrera. Pre-trial hearings in the Kansas case are scheduled today (Thursday), with jury selection for the Sept. 24 trial slated to begin Wednesday.

Lumbrera, 32, has been held in the Finney County Jail in Garden City in lieu of \$300,000 since Aug. 7, when the Parmer County Grand Jury handed down three capital murder indictments against her.

In Parmer County, she has been charged with the deaths of three daughters: The deaths of two other sons are also under investigation.

## Farm program payments could face 32% budget cuts

1990 rental payments due to farmers from the Commodity Credit Corporation under the 10-year Conservation Reserve Program (CRP) contracts, and 1991 advance deficiency payments due to farmers when they sign up for cotton and grain programs may reflect a 32% decrease.

1990 rental payments due to farmers from the Commodity Credit Corporation could face an immediate spending cut of 32%.

If Congress and the White House fail to reach the budget deficit agreement necessary to forestall the Gramm-Rudman-Hollings sequestration of funds, which is sched-

uled to take effect Oct. 1, each federal agency could face an immediate spending cut of 32%.

Although nothing is definite about the CRP payments and nobody is pushing the panic button yet, spending cuts on agricultural loan and payments in general were estimated at 32% if Gramm-Rudman-Hollings kicks in. Shaw also told PCG officials that as a probability, CRP payments would be delayed until after Oct. 15 or until the matter is otherwise resolved "one way or the other," for the full 1990-91 fiscal year.

Other Castro County government offices which could face cuts if Gramm-Rudman kicks in include the Soil Conservation Service, United States Dept. of Agriculture and Farmers Home Administration.

Shaw also told PCG officials that as a probability, CRP payments would be delayed until after Oct. 15 or until the matter is otherwise resolved "one way or the other," for the full 1990-91 fiscal year.

As of Monday, Abbott said his office had received no late information on whether CRP payments would be affected. Gramm-Rudman-Hollings could cost High Plains farmers about \$19 million in 1990 CRP payments. That's 31.9% of rental payments due on an estimated 1.52 million CRP acres in 25 High Plains counties including Castro.

"If an agreement on the budget isn't resolved, it could affect advance deficiency payments after the fiscal year starts," said Carl King of Dimmitt, president of the Texas Corn Growers Association.

The government would not be in violation of the CRP contract conditions because an appendix to the contract conditions the government's payment obligations on the "availability of funds."

Executive Director Scotty Abbott said if Congress doesn't approve the budget deficit agreement and Gramm-Rudman-Hollings takes effect Oct. 1, his office and other government offices will face cut-backs.

"We've been notified we will go back to a three-day work week. We will be closed Mondays and Fridays, without pay," said.

Other Castro County government offices which could face cuts if Gramm-Rudman kicks in include the Soil Conservation Service, United States Dept. of Agriculture and Farmers Home Administration.

As of Monday, Abbott said his office had received no late information on whether CRP payments would be affected.

Gramm-Rudman-Hollings could cost High Plains farmers about \$19 million in 1990 CRP payments. That's 31.9% of rental payments due on an estimated 1.52 million CRP acres in 25 High Plains counties including Castro.

## 'Year in Life of County' is focus of photo project

The Castro County Centennial Photography Project is underway. It isn't a photo contest. Rather, it's a joint effort, open to all amateur and commercial photographers in the county, to produce a large display collage—a "picture wall"—that will portray "A Year in the Life of Castro County" during the centennial year, 1991.

The goal is to have the display ready in time for next summer's centennial activities, according to project chairman Ginger Irons of Hart. "We need to start right now so we can get the current harvest season in," she explained.

The Centennial Photography Project Committee plans to display the collage at Hart Days, the Nazareth German Folk Festival, the county fair and other gatherings during the 1991 celebrations, and perhaps put it on permanent display in the Castro County Historical Museum.

A recent photo of any subject depicting a "slice of life" in the county is eligible, Irons said. Such subjects could include children, farm, ranch and feedlot scenes, crops, landscapes, seasons, faces, moods, activities, industrial scenes, nature and wildlife, sports and structures, she said.

Photos may be turned in to the Chamber of Commerce office in Dimmitt, Ginger's Photography in Hart or the Post Office in Nazareth.

All photos submitted will be turned over to outside judges, who will select those to be used in the "picture wall." Photographers' identities will be covered for the judging, but their names and photo titles will be included with their pictures in the permanent collage, Irons said.

Anyone wanting further information about the project may contact Ginger Irons at 938-2694 or 938-2434, Garner Ball at 647-3140, or Randy Schilling at 647-4456.

## Ag commission hopeful plans Dimmitt stop

Rick Perry, Republican candidate for agriculture commissioner, will visit with Dimmitt residents tonight (Thursday) between 6:30 and 6:45 the courthouse steps. Railroad Commissioner Kent Hance, former Dimmitt resident, will publicly endorse the former Texas Representative for ag commissioner during the visit. Citizens wishing to visit with Perry and Hance are welcome to attend. Perry has served in the Texas House and just recently changed his party affiliation from Democrat to Republican. A campaign spokesperson said Perry "has market incentive programs to suggest and is seeking to return honesty and integrity to the Texas Commission of Agriculture."

CREATIVE CLASS CLEANUP—These students in Allison Davis' Home and Family Living class at Dimmitt High School stayed busy last Thursday morning cleaning up the "beauty spots" in Dimmitt, including this one by Merle Norman Studio on W. Bedford. Pictured from left are Tracey Chavers, Miguel Ontiveros, Tina Ward, Lucy Ewing, Leslie Chavers, Maribel Salinas, Julie Salinas and Denicia Barrios. Photo by Anne Acker

# On the Go with Mary Edna Hendrix, 647-3343

Elna Wood of Wheeler came to visit with children and grandchildren, the James Hubble family in Dimmitt. Sunday, they attended First United Methodist Church in Tulia where Mrs. Wood's former pastor, Earnie McGaughey, is serving. While she was visiting here, she spent her time quilting and searching for materials for her quilting hobby.

The Wesleyan Circle of the First United Methodist Church met Monday night in Dorothy Sheffy's beautiful back yard for a picnic. President Mattie Seale was in charge, and plans were discussed for the programs to be given during the year. Frances Duke gave a timely devotional from the book *Coming Into Bloom (Devotionals Through a Gardener's Eyes)*, written by Barbara Perkins, who now lives in Moore, Okla. Mrs. Perkins' husband, Rev. Raymond Perkins, was pastor of Dimmitt's First Baptist Church during the time that Rev. Jim Pickens was pastor of Dimmitt's First United Methodist Church. The enjoyable evening at Dorothy's came to a close with Myrtle Lois Moran telling the group about her trip to Europe to see "The Passion Play" in Oberammergau, West Germany.

Jauvada Curtis was hostess for an evening meal at K-Bob's to celebrate an early birthday for Mauzee Youts. Other club members present were Geneva Dennis, Irene Carpenter, Connie Ivey, Hazel Bagwell, Oleta Gollchon and Mary Edna Hendrix.

The Singing Group sang several selections for the residents at Canterbury Villa during their supper hour on Saturday. Members present were Gene and Connie Ivey, Alvin and Frances Grazier (pianist), Irene Carpenter, Mary Lou Frazier, Coy Dunn, Ed and Betty Freeman, Oleada Sanders and Mary Edna Hendrix. After the group sang *She'll Be Coming 'Round the Mountain When She Comes*, Mary Lou Fra-

zier gave the "rooster crow" in the absence of Geneva Justice. Becky Bridges requested Coy Dunn to sing *Silver Spurs* and Connie Ivey to play *Under the Double Eagle* and *Down Yonder*. The group went to Maria's to eat Mexican food.

Cleo Forson was hostess to the Thursday Bridge Club that met at the Senior Citizens' Center for lunch and a day of bridge. Helen Braafladt won high score and Bernice Hill won second high. Others playing were Edith Graef, Elizabeth Huckabay, Fern Dickey, Dugan Butler, Retta Cluck, Emily Clingsmith, Johnnie Vannoy, Alma Kenmore, Susie Reeves, Ina Rae Cates, Neva Hickey, Lorann Hamilton and Louise Mears.

Kevin Bruton, son of Danny and Brenda Bruton, is a sophomore at Texas Tech and he has returned there for the fall semester.

Jim Nelson, a student at Hardin-Simmons in Abilene, will be playing basketball this year.

Renise Blair gave the devotional at Canterbury Villa on Thursday morning. Her favorite scripture is Psalm 16:11. She read from the book *The Practice of the Presence of God* by Bro. Lawrence. We must give ourselves totally to God and do his will. She sang *Lift Him Up in the Name of Jesus* and *Behold the Lamb*. Richard Young and Paul Kenley sang *In Loving Kindness*, *Jesus Came*, and *My Soul in Sad Exile*. Others singing were Bobbie Baldrige, Oma Dee Heard, Connie Ivey, Mauzee Youts, Irene Carpenter, Beral Hance, Phyllis Mooney (pianist) and Mary Edna Hendrix.

Jack and Nancy Teague from Dexter, N.M. came to Dimmitt to help Elzie and Serena Teague celebrate their 67th wedding anniversary. Elzie went on to Baylor Lake with Jack and Nancy to go fishing. Elzie's sister, Laura Jones of Childress, also joined the group for fishing. Nancy came back to Dimmitt to visit with Serena for a while.

John and Yvonne Pitts from El Paso visited his mother, Ruby Ramsey, over Labor Day weekend. They went to Amarillo with Oleada Hance and Phoebe Clayborn to visit Charles Pitts and his friend Jean Burns.

Lloyd Pitts from Dallas came the next weekend to hold his mother, Ruby Ramsey, celebrate an early birthday. Jean Burns came from Amarillo and Oleada Hance and T.D. and Phoebe Clayborn came over to visit.

Sheila Wolfe of Crystal Lake, Ill., Jeanmaire Hamilton of Amarillo and Mary Watson of Yuma, Ariz. treated their mother, Lorann Hamilton, to a trip to New York City for her birthday.

All four arrived at the hotel within five minutes of each other and started out to see all they could see in three days. First was lunch at the Hard Rock Cafe and souvenirs for the six children left at home. From there, they went to the Trump Tower, Bergdoff - Goodman, Bloomingdale's, Alexander's, the Essex House, and Tiffany's. Then they rode through Central Park in a horse-drawn carriage.

Saturday, they walked to the docks and took a Circle Line cruise around the island. Everything was pointed out to them, including Battery Park, the World Financial Center, the World Trade Center, the New York Plaza, Brooklyn Bridge, Manhattan Bridge, the Chase Manhattan Plaza, the Empire State Building, United Nations headquarters, Roosevelt Island, the Gracie Mansion, and the Triborough Bridge, which connects three boroughs — Manhattan, Bronx and Queens. Other points of interest included Yankee Stadium, Columbia University, the Cloisters and the George Washington Bridge, with the Little Red Lighthouse at its base. This tour lasted three hours.

From there, they took a cab to Battery Park and a ferry to the Statue of Liberty. It was most outstanding. They went to the Empire State Building observation deck on the 86th floor to view New York from all directions. Next was Macy's.

That evening Jean and Lorann saw "The Phantom of the Opera," while Sheila and Mary attended Andrew Lloyd Webber's new musical, "Aspects of Love." Our thanks to Clinton Reeves from Abernathy for getting the tickets for us.

Sunday, they attended St. Patrick's Cathedral, and then Clinton Reeves, a friend of Mary's, took them on a subway to the South Sea Port, China Town, Little Italy, Greenwich Village, Soho and Washington Square Park.

They returned to the subway and back to the hotel. From there, they went to Rockefeller Center, Radio City Music Hall and the NBC studios.

Sunday evening, they went up to the revolving rooftop restaurant on the 48th floor of the hotel, where you could see all of New York lit up at night. The Empire State Building was in red, white and blue, and it will stay that way until all the boys return home from Saudi Arabia.

After the group was seated in the restaurant, the waitress brought over a cheesecake, and everyone sang "Happy Birthday" to Lorann. This was a nice touch to a wonderful time.

Members of the First Christian Church of Dimmitt enjoyed their annual fall picnic at Palo Duro Canyon Sunday afternoon and evening, with church members leaving after the morning worship to share in a late lunch at the picnic grounds in the canyon.

After scattering for various afternoon activities, all gathered for hymn singing, prayer and a communion service, followed by a brief message from David Keller, minister. Dianna Sigert and Tera Keller brought their portable keyboards to provide music. Richard Herring also brought his guitar and sang several selections during an informal sing-along.

Activities included hiking, swimming, playing horseshoes, and visiting.

## Methodist Home offers 'open' adoption service

The Methodist Mission Home of San Antonio recently announced that it will now offer fully disclosed or "open" adoptions in addition to the home's traditional adoption services.

Under the new option, each of the parties in the adoption will know the identity of the other. The birthparents and the adoptive parents will have the opportunity to meet and jointly plan for the adoption.

The role of the Mission Home will be to help the parties plan their adoption by counseling, advising, guiding and helping the parties assess potential risks in the adoption process.

Persons interested in making an adoption plan for a child, or couple interested in adopting a child can call the Methodist Mission Home at (512) 696-7021.

## 'Great Texas Cleanup' set

Saturday has been set as the Great Texas Cleanup - Greenup, with more than 25,000 Adopt-a-Highway volunteers involved in a one-day cleanup effort around the state.

Civic and business groups who volunteer to "adopt" a two-mile stretch of highway pledge to keep it free of litter and are given a half-pound of wildflower seeds to plant along their section.

The wildflower seeds are provided by Anheuser-Busch, Inc. as part of their \$5 million corporate sponsorship of the highway department's "Don't Mess with Texas" campaign.

## Canterbury Villa News

The open hearing for the new rules and regulations will be Sept. 17 at 1:30 p.m. Please come and let your views be known.

A new resident is Vita Self, coming here Aug. 21. Polly Manning is also with us convalescing after her stay in the hospital. We are so pleased to have these ladies with us. Cletha George was with us for a few days, and she, too, was a joy to have stay with us.

Those celebrating birthdays this month include Rosa Mae Lance Sept. 2, Bennie Faye Hicks Sept. 22, Irma Limicy Sept. 23, and Rebecca Bridges Sept. 27.

The Church of Christ brings cake and punch the second Monday of each month to help celebrate the birthdays for the month, and families are invited to help them celebrate their big day.

We were very sorry to lose one of our people this past month. Cecilia Annen died Aug. 11. Our sincere sympathy goes to Raymond, her husband, her children and grandchildren. Cecilia was one of the oldest living natives of Castro County.

Several of our residents went out on a field trip to the Harvest Days Senior Citizens' tours. They were given small ribbons and several refreshments in addition to touring the fair displays.

During the course of the month, other residents have been taken to town for cokes, snacks or shopping. The residents really do enjoy the outings.

The people in Castro County have been very generous with their donations of fruit and vegetables. We have been given peaches, peas, tomatoes, squash and cantaloupe. The food is a treat for our residents. We cannot begin to thank you enough. Good people are a great breed. We are so grateful for the ones who share their goodies with us. I can never say thank you enough. Also, anyone needing their beans or peas shelled and snapped can find plenty of helping hands here.

Help is needed at Canterbury Villa in many of our activities, including Bingo, nail care, letter writing and, of course, visiting. Any and all help will be greatly appreciated. We have found that those who come to help also receive a great deal of pleasure.

During the fall months, more crafts will be added to the activity program, with residents making crafts and decorations for Halloween, Thanksgiving and Christmas. More musical programs will also be added as our volunteers have more time.

**PUBLIC NOTICE**  
BRIEF EXPLANATORY STATEMENT  
OF PROPOSED  
**CONSTITUTIONAL AMENDMENT**  
GENERAL ELECTION  
NOVEMBER 6, 1990

### PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 2, Sixth Called Session, 71st Legislature, proposes a constitutional amendment to provide that if the Senate, at any special session, does not take final action to confirm or reject an appointee of the Governor made during a recess of the Senate, the appointee is entitled to continue in office until the Senate rejects the appointee at a subsequent session or until the Governor appoints another person to fill the vacancy, but such a nominee whom the Senate does not act to confirm or reject at a subsequent regular session is considered to be rejected when the session ends.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to clarify the authority of the senate to consider certain nominees to state and district offices and to provide for filling vacancies in those offices."

## We Salute Our Cheerleaders

A not-so-funny thing happened to Dimmitt High School's cheerleaders before the opening game at Roosevelt Friday night.

They had made this great sign for the Bobcats to burst through as they came onto the field. It was so big that the cheerleaders had to go the two-tiered route to hold it up.

When the players burst through the sign, the physical laws of mass plus force times resistance and tensile strength, etc., came into play. The cheerleaders ended up sprawled on the turf in two heaps of arms and legs.

But in the tradition of good troopers, they laughed it off and got on with their business of boosting the Bobcats.

No doubt they'll face many more hazards during the school year as they try every tactic their imaginations can produce to whip up enthusiasm for our home teams.

What would a game be like without the cheerleaders? They provide a spirited, positive influence to the game. They promote good sportsmanship. They serve as a rallying force not only for school spirit but for community pride as well. Their enthusiasm never seems to wane.

If they make it look easy and spontaneous, it's because they work awfully hard at it. They go through hours and hours of training. They conduct all kinds of work projects to earn money for cheerleading camps and uniforms. While their fellow students might be goofing off after school, they're rehearsing, or painting signs, or doing other special projects on top of their studies.

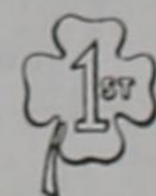

Dimmitt High School's varsity cheerleaders this year are Carol Petty (head), Holly Axtell, Kristi Barrera, Karen Ivey, Rala Byrnes, Sherri Hunter, Tessie Newton and Haylei Wall. Alice Young is the Bobcat mascot, and Allison Davis is their faculty sponsor.

Hart High School's cheerleaders are Christina Diaz, Christy Neimast, Jaime Ethridge, Mary Lou Garcia and Carina Martinez. Jolene Balko is the Longhorn mascot, and Cindy Dews is their faculty sponsor.

Nazareth High School's cheerleaders are Lisa Ball, Ashley Hoelting, Kim Dobmeier, Jaime Hatla, Chris Wethington and Lynette Kleman. Jodi Johnson is the Swift mascot, and Jo Beth Bates and Beverley Schulte are their faculty sponsors.

These students pay a heavy price for the privilege of being cheerleaders and mascots. The work is often hard, the trips are long, and the pay is nil. But they do the job gladly, and they add a lot to our games.

Cheerleaders, we're glad you're part of our schools and communities!

# Nazareth

By Virgie Gerber, 945-2669

We welcome a new AFS student in school this year from Mulheim, West Germany. Andre Maukisch arrived in Nazareth Aug. 25 to begin his year with the Kent Birkenfeld family. He is a senior at Nazareth High School and hopes to participate in basketball and cross country. Andre met many people his first week in Nazareth and looks forward to the busy schedule ahead.

Our sympathy to the family of Willie Faye Huseman, whose father, George W. Hicks, 88, of Borger, died last Wednesday in the Borger Nursing Center. Services were held Friday with Rev. Tony Colburn, pastor of Calvary Baptist Church in Clarendon, officiating.

The Nazareth Senior Class of 1980 held their 10-year reunion at the home of Greg and Glenda Bir-

kenfeld over the Labor Day weekend. The reunion kicked off Saturday morning with everyone visiting, playing volleyball and horseshoes. Lunch time brought good ole Texas barbecued beef and home-grown corn on the cob.

Later in the afternoon, an outdoor mass was celebrated by Father Darryl Birkenfeld of Hereford in memory of class member Dwayne Heck. Special guests were his parents, Charles and Ann Heck, and several of Dwayne's sisters.

Then, as they say, "Bo knows football, but Dale Wilhelm knows calf fries," so all enjoyed a delicious appetizer of calf fries, topped off with fajitas and all the fixings. Later, everyone took part in a reacquainting session, where stories and experiences of the past 10 years were shared. The class then voted

on awards, which were given with an appropriate prize. This closed the first day of a classic event.

The class met again on Sunday afternoon at the Birkenfeld home to reminisce, recall and recover.

Class members attending were Roanne (Acker) Fitzsimmons, David Huseman, Mary Beth (Wilhelm) Haske, Michelle (Acker) Schulte, Leland Hoelting, and Harold Wilhelm, all of Amarillo; Gary Book of McKinney, Lisa Pohlmeier of Dallas, Doretta (Ramaekers) Gerber of Pampa, Jeff Schmucker of Richardson, Gaylene Wilhelm of Wichita Falls, Teresa Brockman of Odessa, Leon Huseman of Garland, Robert Pohlmeier of Yukon, Okla.; and Cary Acker, Dianne (Hochstein) Huseman, Greg Birkenfeld, Norman Gerber, Jimmy Kern and Dale Wilhelm, all of Nazareth. Also attending were class sponsors, Don and Betty Acker. Those unable to attend were Nadine (Durbin) Hall, Nadine (Jones) Cotterman, Val Steffens, Cindy Ehly, Ivan Schacher and John Steffens.

Congratulations to Keith and Kim Birkenfeld on the birth of a son, Kyle James, on Sept. 4 at Plains Memorial Hospital in Dimmitt. Grandparents are Herman and Marilyn Birkenfeld of Nazareth and Neal and Judy Harmon of Springfield, Colo.

Vincent and Louise Braddock were honored on their 50th wedding anniversary Saturday by their children, Marilyn Wilson, Joan Backus, Dorothy Schulte, Susan Gerber, Raymond, Gerald, Duane, Cecil, Dan and Tom Braddock. Mass was said for them Saturday morning in Holy Family Church followed by a reception in the Community Hall. Many relatives and friends enjoyed the celebration with them.

Elma Schacher was honored on her 80th birthday by her family at an "open house" Sunday at her home. Many relatives and friends visited with her and helped her enjoy the day. Supper was enjoyed at the home of her daughter, Margaret Brockman. Also attending were Elma's sister, Rose Dalton, her daughter Nelda and two daughters all of Amarillo, Michael Schacher of Nazareth and Ronnie and Elsie Schilling of Slaton.

Meta Stork celebrated her 93rd birthday Sunday by enjoying dinner in Plainview with her daughters, Evelyn Hill of Lubbock, Viola Pohlmeier of Tulia, Florene Leinen of Dimmitt, Dorothy Pohlmeier, Dolores Heiman and Virgie Gerber of Nazareth.

Mary Lou Schmucker and Imogene Drerup attended the District 10 meeting of the Federation of Texas A&M University Mothers' Clubs, hosted by the Amarillo Aggie Moms. It was held at the Hudspeth House in Canyon.

After the meeting, they enjoyed music by the Fabulous Five. The oldest member of the band was 85. He sang and played the drums. After lunch, the group toured the Panhandle Plains Historical Museum in Canyon.

## Letter

### 'Let Harold Smith know how you feel'

Dear Editor:

I'm writing in regard to Harold Smith's letter.

Yes, folks, it's time everyone let Harold know how we feel. Our Commissioners' Court is elected to represent us. Personally, I think Precincts 2, 3 and 4 are doing that.

Harold keeps talking about other precincts having more money, and he can't stand it that they won't give him any. The other precincts used their money wisely and budgeted theirs because they knew they had a budget and stuck to it.

The Precinct 1 Commissioner is like a little kid who spent all his money the first week and thought if he cried long and hard enough, the others would give him some money to spend for the rest of the month.

How can they plan a budget for you when you walk out of a meeting and lay on the courthouse floor to get an insurance physical, or you get mad and walk out because you didn't get what you wanted?

Personally, I'd hate to go to a meeting every two weeks and listen to the same old gripe, "I spent all my money and I want some of yours, and I'm going to keep grip-

ing until I get it."

Why should Precinct 4 have to give part of their money to you? [Precinct 4 Commissioner] Vincent [Guggemos] has seen to it that he has used his precinct money wisely. They fix their own flats instead of paying over \$75 to have someone else do it. They do most of their own repairs instead of paying someone else. He hires competent help and keeps them full time. He hasn't had anyone file for workers' comp. How many have you had, Harold?

You cannot expect to have good help and only use them part time. People need to have a steady job, and one that they can count on. Harold, you get a steady paycheck for being commissioner. Maybe your paycheck should be docked each time you walked out of a meeting. You are the one who is trying to get around state regulations, not the rest.

People in Precinct 1, wise up and have a recall election before our county has a lawsuit on its hands and our taxes are raised sky-high to pay for it.

IMOGENE DRERUP

## VFW DANCE

Saturday, Sept. 15

9 p.m. to 1 a.m.

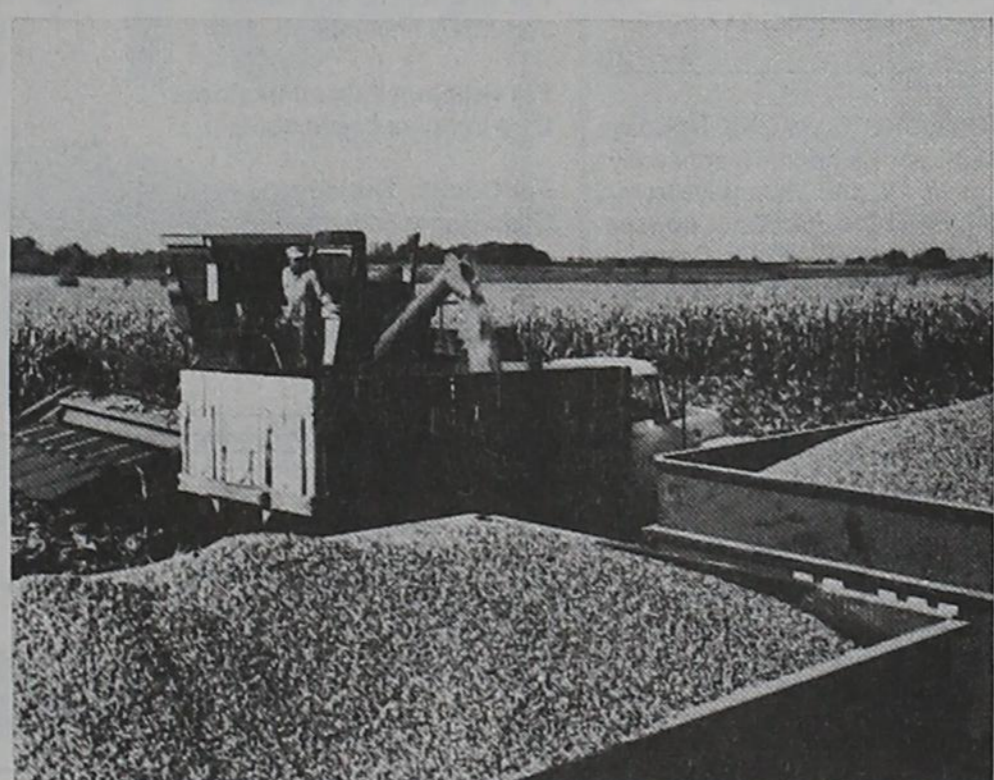

Music by

You'll Never Guess

\$3 single—\$5 couple

Members and Guests Welcome

Jarrel Sewell, Manager

Hart

TOMMY STEWART, Hart Elementary Counselor, is taking time to get to know the students. He reads to classes, visits in classrooms, answers student questions, and even sings. Here, Stewart sings with the first graders in Alice Martinez's class, and also later gave them a chance to help him play the guitar.

The young of rabbits are known as kits or kittens.

## Senior Citizens

MONDAY: Corn dogs, pork and beans, salad, bread, dessert, tea or coffee.

TUESDAY: Tacos, rice and beans, salad, bread, dessert, tea or coffee.

# Former Nazareth resident and outreach clinic earn state honor

The Hockley County Family Outreach Center in Levelland, under the guidance of casework manager Carol Drerup Gary, daughter of Lucille Drerup of Nazareth, will be honored with the "Governor's Award for Outstanding Volunteer Service" during ceremonies at the Governor's Conference on Volunteerism Tuesday at the Stouffer Hotel in Austin.

Gary, a graduate of Nazareth High School who served as a candy striper at Plains Memorial Hospital in Dimmitt in the mid-1960s, and

received a degree in social work from West Texas State University in Canyon after attending Texas Women's University in Denton.

When the idea for the center was in the formation process, Gary was hired as one of the main instigators of the program and she has worked there ever since. The program started out on a trial basis, but it has caught on and now it has received statewide recognition as well as local notice.

Gary received notification of the Center's honor from Gov. William P. Clements Jr. on Aug. 6.

The award is presented a group of volunteers which has been instrumental in designing or creating an innovative project or program to benefit the community, and in doing so, has demonstrated extraordinary initiative and originality.

In a story in the *Lubbock Avalanche-Journal*, Gary said "this award doesn't represent just the efforts of over 100 volunteers in the last five and a half years, it is truly a community award. It also belongs to our financial supporters, those who give us resources and our clients and the community who give us feedback that encourages us to continue our efforts."

Gary said the Family Outreach receives more than \$10,000 a year in local donations now and also gets other contributions from the Children's Trust Fund, the Meadow's grant and other grants.

The program is supplemented by the Texas Dept. of Human Services, which pays Gary's salary and a grant; by Hockley County, which provides office space, utilities and local phone service; and the First Presbyterian and First Christian Churches, which provide a total of \$200 a month for the organization, according to news reports.

"We have a product to sell. We're in competition with other organizations that need money and volunteers for other good causes," she said.

According to the A-J report, many of the volunteers working with Family Outreach have been active with the organization since it opened in 1985. Volunteers include retired teachers, women whose children have finished school and left home and "former clients who feel that they got a lot of help and

want to give something back," Gary said.

The news report went on to list the variety of programs volunteers can choose from that will fit their schedules or the amount of work they wish to do.

The Safety Through Assertive Response or STAR program, teaches children how to handle potentially dangerous situations and educates teachers regarding child abuse and neglect. Volunteers may go into five classrooms three times a year and be finished for the rest of the year.

Other programs volunteers help with are the "clothes closet" and the ABC program, in which volunteers working in conjunction with Lubbock's Methodist Hospital, contact new mothers, introduce them to Family Outreach services and go over a packet on baby and maternal care.

Through Family Outreach, a program for latchkey children called Home Alone, was presented to Hockley County third graders and will be presented again this fall.

Volunteers also listen to families' problems on a one-to-one basis, provide transportation or babysit.

"We have so many areas they can volunteer in. When they have a choice of jobs and schedules, it helps to keep them active," Gary said.

A film crew from Austin will visit Levelland to document the work of the volunteers there. The film will be shown at the awards assembly.

Gary told the A-J that she had gone to awards ceremonies in the past and "watched the heartwarming documentaries."

"I was always in awe, thinking that was a real neat organization and deserved to win. Now we're going to be on the screen," Gary said in the interview.

**(EDITOR'S NOTE: This story about Nazareth native Carol Drerup Gary, was compiled from a Lubbock Avalanche-Journal feature story and the Hockley County Family Outreach August 1990 Newsletter.)**

## Smith and Polansky wed, establish home in Austin

MRS. RICHARD LYLE POLANSKY  
... nee Judith Leigh Smith

Mr. and Mrs. Richard Lyle Polansky are at home in Austin after their wedding trip to Cancun, Mexico.

The couple exchanged wedding vows June 30 in a formal, double-ring ceremony at the historic Palm Valley Lutheran Church in Round Rock. Rev. Robert Hinkelman officiated at the evening ceremony.

The bride is the former Judith Leigh Smith, daughter of Mr. and Mrs. Robert W. Smith of Dimmitt. Polansky, who is from Austin, is

the son of Mr. and Mrs. Dexter E. Cate of New Bedford, Mass.

The sanctuary, featuring hand-carved wooden pews and altar railings, was decorated with white candles and white candles with greenery tied with white satin ribbons. Bouquets of roses, gladioli and carnations in the bride's chosen colors of pale pink, dusty rose, deep burgundy and white decorated the church for the ceremony.

Carmen Petersen, organist, performed traditional wedding music

as the guests were seated, and she played the traditional bridal processional and recessional for the ceremony.

Christie Duncan of Austin, friend of the bride, sang *The Wedding Song* after the couple's mothers were seated; and *The Lord's Prayer* during the ceremony as the bride and groom were kneeling at the altar.

The bride, given in marriage by her father, wore an imported designer gown of white satin and Venetian lace. The fitted bodice of lace and satin was encrusted with seed pearls and featured a scalloped vee neckline and modified Juliet sleeves. From the dropped basque waistline fell a full graceful skirt bordered with Venetian lace and sweeping into a cathedral train.

To complete her ensemble, the bride wore a Juliet veil of silk illusion attached to a caplet covered with Venetian lace and encrusted with seed pearls. Matching pearl earrings and necklace complimented her attire.

The bride carried a cascade bouquet of gardenias, white roses and stephanotis accented with English ivy.

The maid of honor was Jill Elise Smith of Lubbock, sister of the bride. The bridesmatron was Patricia Seay Ikeman of Austin, friend of the bride.

The bridal attendants wore designer gowns of evening black crystal taffeta with pouffed sleeves and a fitted bodice featuring a square neckline and a long straight skirt with an elongated dropped ruffle secured by a matching bow and rosette. Their attire was accented with pearl necklaces.

They carried hand-tied bouquets of roses, gerberas, stargazers, Sweet William and heather in the bride's chosen colors.

Best man was Roger Skiles of Austin, friend of the groom and the groomsman was Ron Montane of Austin, friend of the groom.

Serving as ushers and candle-lighters were John Robert Smith of Plainview, brother of the bride and Christopher Polansky of New Bedford, Mass., brother of the groom.

The groom was attired in a black tuxedo with cut-away tails and matching cummerbund and bow tie accented by a double white rose boutonniere with baby's breath.

The groomsmen and ushers wore black tuxedos with matching cummerbunds and bow ties. Single white rose boutonnieres with baby's breath completed their attire.

Michael Polansky, carried the rings on a white satin pillow accented with Venetian lace and white satin ribbon. He wore a black tuxedo with matching cummerbund and bow tie and wore a single white rosebud boutonniere.

Guests were registered by Eleanor Hendricks of Dover, New Hampshire, sister of the groom.

Following the ceremony the couple was honored with a seated buffet reception at the Round Rock Country Club in Twin Peaks Estates.

All serving tables and guest tables were covered with floor-length white linen cloths and featured crystal and silver appointments.

The bride's table featured the three tiered white wedding cake with columns. It was decorated with flowers in the bride's chosen colors.

The groom's table featured a two-tiered chocolate cake in the shape of a hexagon.

The bride is a graduate of Dimmitt High School and she received her bachelor of business administration degree in accounting from the University of Texas at Austin.

The groom is a graduate of St. Johnsbury Academy of St. Johnsbury Vermont and he received his bachelor of business administration degree in business management from the University of Vermont.

Pre-nuptial parties given in the couple's honor included an announcement party given by Mr. and Mrs. Gary Heimlich of Austin; a lingerie shower given by the bride's office assistants in Austin; a linen shower given by friends of the bride and groom in Austin; a rehearsal dinner, hosted by the groom's family the night before the wedding; and a miscellaneous shower, given in the home of Mrs. Jerry Watts in Dimmitt after the wedding.

## Former resident receives honor

Ken Campbell, former Dimmitt resident, has received the "Outstanding Vocational Teacher" award at the Kansas Vocational Association's annual banquet Aug. 14 in Topeka, Kan.

Campbell stays current with technology used in heating and refrigeration and has exposed his students to new areas of solar energy, wind energy, underground heat storage, cogeneration and more. Students are encouraged to take his class. Enrollment has been very good and placement has been 100%.

Campbell and his family currently live in Liberal, Kan., where he has taught at the college for eight years.

A 1966 graduate of Dimmitt High School, he is the son of Maurice and Wanda Campbell of Amarillo.

## Bobcat Band pecan sale starts Monday

The Dimmitt High School Bobcat Band will begin its annual pecan sale Monday and it will continue through Oct. 1.

Profits from the pecan sales will help each student finance his or her band trip in the spring. The students must wait to begin selling pecans until Monday and all orders must be turned in by Oct. 1.

If you are not contacted by a band member and you would like to help the band in this effort, you are asked to contact Michael Johnson, band director, or Becky Allen, assistant band director, at the band hall.

## Local A&M students recognized

Two Castro County students attending Texas A&M University, have been named to the dean's honor roll for the summer semester of 1990.

The students recognized include Ronna Lewis of Dimmitt and Alan Birkenfeld of Nazaville.

The dean's honor roll recognizes students who have maintained at least a 3.75% grade point ratio out of a possible 4.0 during the most recent grading period.

## DATA plans first meeting for new year

The Dimmitt Alumni Technology Association (DATA) will hold its first meeting of the 1990-91 tonight (Thursday).

The group will meet at the DHS Industrial Arts workshop at 8 p.m. and everyone is urged to attend.

Anyone with interests in wood, metal, power mechanics, drafting, electronics or anything related is welcome to attend.

Officers will be elected and events for the coming year will be discussed.

Robert S. Forsythe and Jeanna W. Hanson

## Couple to wed

Jeanna W. Hanson and Robert S. Forsythe will exchange wedding vows Saturday, Dec. 8, at 4 p.m. at the Lee Street Baptist Church in Dimmitt with Bro. Ronnie Travis officiating.

The bride-to-be is the daughter of Doyle and Lanell Wassom of Dimmitt and the late Jerome A. Hanson. Parents of the prospective groom are Linda Claudia of Little

Elm and Gary Forsythe of Van Alstyne.

A 1989 graduate of Dimmitt High School, Hanson is employed at Prestige Travel Services in Dallas as a travel consultant.

He is a 1988 graduate of Little Elm High School and is presently employed at Rollins Protective Services in Dallas as a service supervisor.

## Homecoming, 1990

Dimmitt High School's Homecoming is just two weeks away (Sept. 28). It's time to follow the lead of these pretty 2-year-old Homecoming princesses—Amber Enriquez (left), daughter of Rene and Cindy, and Laura Rasor, daughter of George and Linda. They're having a hard time making up their minds among Seale Florist's huge selection of Homecoming corsages, arm bands, hipsters, hair bows and boutonnieres. You may need time to decide, too, so hurry on down.

**STUDENT TEACHERS** — Carlos Velasquez (left) and Jason Ethridge (right), Hart High School students, turn a normal homework assignment into a learning experience for younger students when they presented information on the topic they researched to sixth graders in Hart. The two told the sixth graders about the things they had learned through their research and studies about drug abuse and its harmful side effects.

## HHS pair tells younger kids drugs aren't cool

When two Hart High School students researched the ill effects of drugs and did a report which was presented to their teacher, Diane Jones, she was so impressed with their work that she had the two talk to younger kids about it.

Jason Ethridge and Carlos Velasquez were assigned to do a report in English and then translate into Spanish and they chose to research the effects of drugs on teenagers and their families.

After reading the report, Jones had the two talk about their findings to Deb Clinton's sixth grade class.

Velasquez and Ethridge emphasized the seriousness of drug use. They pointed out the primary cause of death among teenagers is drug

abuse and also gave a warning to the students.

"When teenagers use drugs, a price must be paid. In the most serious instances, drug users die or are put in jail. When a drug-using teenager is not caught, he or she suffers in academics, sports and in relationships with friends and family. Drug abuse ruins families," Velasquez and Ethridge told the class.

According to the duo's research, one of the main reasons for drug use is poverty and drugs are perceived as a way to escape reality.

The most important message the boys communicated to the sixth graders, according to the teachers involved, was that they are kids who can be cool without using drugs.

## Education classes begin here Monday

Adult Basic Education and English as a Second Language (ESL) classes will start Monday in Dimmitt.

Classes will be held from 7 to

9:30 p.m. each Monday and Thursday night at Dimmitt High School.

Persons who wish to participate in the classes must be 17 years old or older.

Free instruction and books are available for adults who want to read, write and speak English; improve mathematics and reading; prepare for the General Equivalence Diploma (GED) test; and prepare for the citizenship test.

The Region 16 Education Service Center and Dimmitt Independent School District co-sponsor the program.

For more information, contact Sue Summers at 647-3105.

## McClain is new at SO

Rick McClain, 35, is a new deputy with the Castro County Sheriff's Dept., beginning his duties here Aug. 27.

McClain moved here from Seminole, where he had been employed with the city. He has eight years of experience in law enforcement in both the civilian and military sectors.

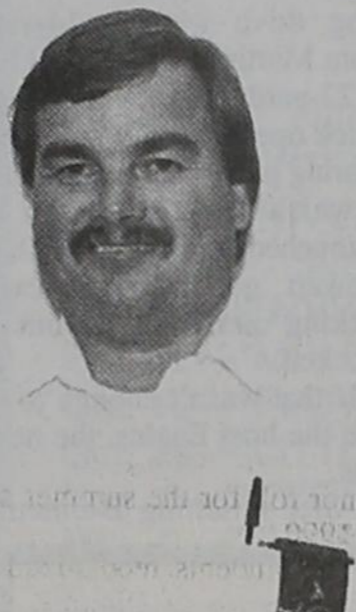

A veteran of the Vietnam era, he served five years in the US Army and was an MP. After attending the Permian Basin Law Enforcement Academy in Odessa, he served with police departments in Stanton, Odessa and Seagraves, and with the Ector County Sheriff's Dept.

McClain said that he has received special training in child abuse, crime prevention, homicide investigation and accident investigation.

He is single, and a Baptist. He is a member of the Peace Officers Association, and enjoys hunting, fishing, tennis and racketball.

"This is one of the friendliest towns I've ever been in," McClain commented about Dimmitt. "People go out of their way to be helpful."

He added that he likes the Sheriff's Dept. here, and has always enjoyed working in law enforcement.

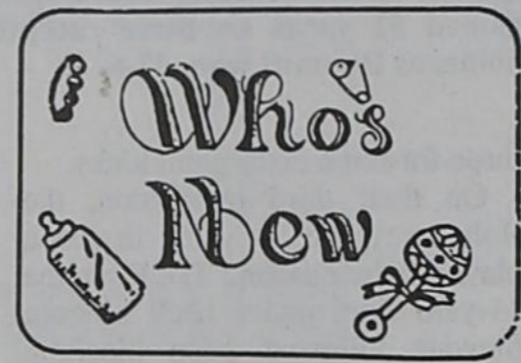

Rick McClain

## HOME Club sets meeting

The HOME Club will hold its regular meeting Tuesday night at the home of Denise George, 117-B Northwest 11th in Dimmitt.

The meeting is scheduled to begin at 7 p.m. and all members are asked to attend.

**PLAINS MEMORIAL**  
It's a boy for Raul and Sylvia Martinez of Dimmitt. Michael Martinez III was born Aug. 29 at 5:25 p.m. at Plains Memorial Hospital in Dimmitt. He weighed in at 8 lbs., 8 oz. and was 20 inches long. He has an older sister, Cynthia Eve, who is three. Paternal grandmother is Emma F. Martinez of Dimmitt. Maternal grandparents are Domingo M. Vasquez Jr. of Olton and Teresa R. Vasquez of Hereford. Angelita C. Rodriguez of Pearsall is the baby's great-grandmother.

## Church Happenings

### Ministerial Alliance

Benny Baker will lead the Castro County Ministerial Alliance in a study of Matthew 9:9-13 Tuesday at 10 a.m. at the Fourth and Bedford Street Church of Christ.

### Presbyterian Church

A fall leadership school will be held Saturday at 8:30 a.m. at the First Presbyterian Churches in Amarillo and Lubbock.

Sunday is Theological Education Sunday.

Services will be held at Canterbury Villa Sunday at 9 a.m.

Sunday school classes will meet at 10 a.m. Sunday.

"Are You Living in Spite House," will be the subject of Pastor Edward D. Freeman's sermon at the service for the public worship of God at 11 a.m. Sunday.

Morning prayer services will be held Wednesday at 6:30.

"Empowered for Discipleship Under Trial" will be the subject of the Bible study in the Book of Acts during the mid-week service Wednesday night at 7.

### Immaculate Conception Catholic Church

Our congratulations to Andy and Oleda Schumacher on their golden

wedding anniversary. They will mark this historic occasion with a mass Saturday afternoon at 2 with Father Harold Heiman, Oleda's brother, as the main celebrant.

We will honor all of our catechists and their aides Sunday at the 9 a.m. mass. The annual "Gathering," a workshop for all CCD teachers and their assistants, will be on Saturday, Sept. 22, at St. Thomas the Apostle Catholic Church in Amarillo. All concerned are urged to participate in the workshop.

Our thanks to Shirley Brockman, Frances Anes and Guila Silva for attending the annual pastoral and economic councils members' workshop at the Bishop DeFalco Retreat Center in Amarillo Saturday.

There will be a Diocesan Day of Chrismatic Renewal at St. Vincent de Paul Church in Pampa Sunday at 2 p.m.

Ladies Majella Day will be held next Thursday at the DeFalco Retreat Center in Amarillo. Father Curry will begin a new series entitled "Women's Spiritual Leadership." Cost is \$10, which includes lunch. Call 1-383-1811 for reservations.

An "Autumn Open House" will be held Sept. 23 from 2 to 6 p.m. at the DeFalco Retreat Center. Light refreshments will be served.

## Bobcats serve notice in 47-6 opener

**By DON NELSON**  
The Bobcats' 47-6 victory over the Roosevelt Eagles Friday night was the most points scored by a Dimmitt team in at least a dozen years.

It could have been worse. One Dimmitt drive fizzled at the Roosevelt 9, and the game ended with the ball again on the Eagles' 9-yard line.

"We could have scored more, but I don't like to rub anyone's face in it," Bobcat Head Coach Army Salinas said. "I've had my face rubbed in it and it's not much fun."

With their lopsided victory over a Roosevelt team which Salinas said "will win some games this year," the Bobcats served notice that they'll be a force to reckon with in District 2-AAA this season.

"We're going to be a good football team," Salinas said, "but we've got to convert every opportunity we get. Roosevelt never stopped us offensively, which I was pleased about, but we stopped ourselves a couple of times."

The Bobcats scored two touchdowns in the first quarter, one in the second, two in the third and two more in the fourth while rolling up 460 yards of total offense and 30 first downs. They ran an impressive

79 plays to Roosevelt's 29, and allowed the Eagles only 113 yards rushing and 79 passing.

Another nifty statistic was that the Bobcats didn't commit a single turnover—a rarity in an opening game. Meanwhile, they made the Eagles pay dearly for their miscues as they pounced on four fumbles and intercepted two passes, then converted most of the turnovers to scores.

"Our defense played like they're supposed to play—with reckless abandon," Salinas commented. "All the kids played hard, hit hard and hustled, so I was pleased with them. And one of the most gratifying things for the coaches was that every boy on the squad got to play."

The squad's nine sophomores—who were looking for a home, since there aren't enough of them to make up a junior varsity—got to play most of the fourth quarter.

A good-sized Dimmitt crowd made the 180-mile round trip with the Bobcats.

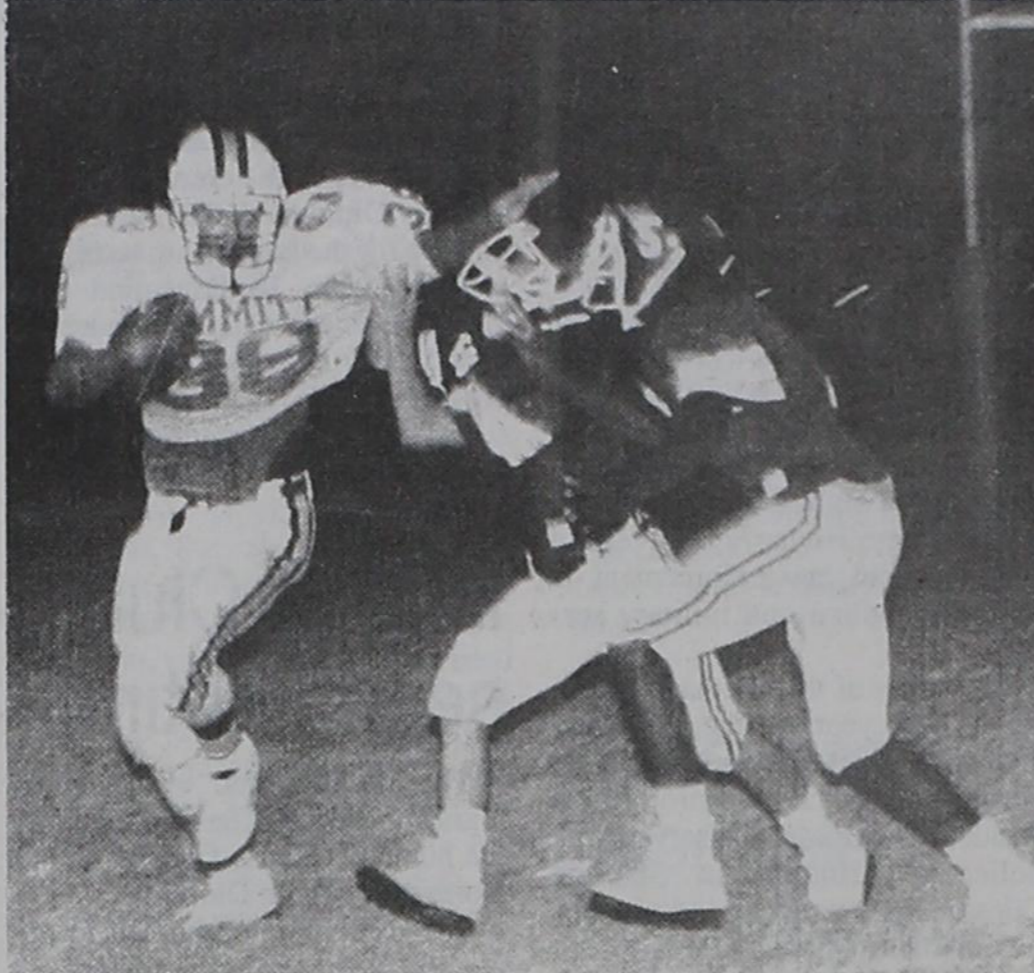

"We didn't expect that many Dimmitt people to be here," a Roosevelt gatekeeper commented after the game programs were sold out well before kickoff time.

"It was great to have a good crowd behind us," Salinas said.

Dimmitt's veteran backfield tandem of Armando Arce and Johnny Ortegon gained more than 120 yards apiece, and quarterback Freddy Martinez completed seven of 16 passes for 92 yards and a TD as the Bobcats mixed their Wing-T attack.

The pass completions were spread among no less than seven Dimmitt receivers, with junior Robert Ruiz hauling in three for 52 yards.

It took the Bobcats only four minutes and 11 plays after the opening kickoff to notch their first TD, with Arce going in from seven yards out to cap a 61-yard drive. Ruiz followed with the first of his

**ROBERT RUIZ (38) fights off two Roosevelt defenders for a six-yard gain after taking a flat pass from Freddie Martinez in the second quarter of the Bobcats' season opener Friday night at Roosevelt. Ruiz gained 52 yards on three receptions and also kicked three extra points as Dimmitt won, 47-6.**  
Photo by Kim Watson

three-for-three extra-point kicks.

On their third possession, the Bobcats ripped 54 yards in seven plays for their second TD. From the 11-yard line, junior back Lincoln Stewart followed crisp blocking and raced in standing up. Ruiz's second PAT kick made it 14-0 with 12 seconds left in the opening period.

After a 76-yard drive fizzled at the Roosevelt 9 in the second period, the Bobcats got in gear on their next possession and went 50 yards in six plays for their third TD. The big play in the drive was a 35-yard pass from Martinez to Ortegon that carried to the Eagle 7. Two plays later, Arce punched over the right side from five yards out for the score. Ruiz added the extra point to

give Dimmitt a 21-0 halftime lead.

After Coach Ron Dupree said "Gee whiz, guys" at intermission, the Eagles came out tough in the second half, gaining 20 yards in four plays—only to fumble the ball away at the Dimmitt 45.

From there, the Bobcats blitzed 55 yards in nine plays for their fourth TD. Highlights of the lightening drive were a 14-yard pass from Martinez to Michael Ethridge, a 22-yard gain by Ortegon on a quick opener up the middle, and the scoring play—another quick opener in which Ortegon streaked 13 yards untouched to make it 27-0. Lincoln Stewart got his first extra-point kicking assignment, but it was blocked.

If that wasn't enough to demoralize the host Eagles, the next series was.

After returning Dimmitt's kick-

off to the Roosevelt 32, the Eagles got to run only one play. Fullback Billy Murdock gained six yards on a counter up the middle, but Arce separated him from the ball with a hard open-field tackle and Dimmitt recovered.

Seven plays later, the Bobcats racked up their fifth touchdown.

The Roosevelt fumble was the start of the Armando Arce Show. After forcing the fumble, Arce gained 16 yards on two runs, threw a 10-yard pass to Billy Ray Thomas (who made a diving catch at the 15 after the ball had been tipped), and later caught a 12-yard touchdown pass from Martinez.

The Bobcats tried a pass for a two-point conversion but it fell incomplete, leaving the score at 33-0 with 3:09 left in the third.

The Eagles got their lone TD with 32 seconds left in the third when Chris Adkins broke four tackles and raced in from 26 yards out to cap a two-play, 60-yard scoring thrust that was aided by a 15-yard late-hit penalty against Dimmitt.

The Eagles followed with an onside kickoff, but it didn't work—a Dimmitt lineman fell on the ball at the Bobcat 47. From there, the Bobcats stayed on the ground and scored in nine plays, with Monty Moore breaking through on a counter play and racing in from 19 yards out. Stewart kicked the extra point, and it was 40-6.

Two plays after Dimmitt's ensuing kickoff, Zach Smith intercepted a Roosevelt pass at midfield and returned it to the Eagle 22. Ben Barrera gained 14 over the left side and Coby Heller earned six up the middle, then Stewart got the final two yards on a quarterback keeper for the final TD at 5:51. Stewart also kicked the extra point, making it 47-6.

The Eagles fumbled again on the first play after the next kickoff. Ronnie Musick pounced on the loose ball at the Roosevelt 38 and it appeared that the Bobcats—mostly the sophomores this time—were off

and running again as they advanced the ball to the Roosevelt 9. But on fourth down, a Stewart pass glanced off Jeromy Casey's fingertips in the end zone, and the ball went over with nine seconds left.

Then the Eagles fumbled again and the Bobcats recovered inside the 10 as the clock, mercifully, ran out.

### CofC working on land list for pheasant season

The Dimmitt Chamber of Commerce is working on a list of lands available for pheasant hunting again this year and will print a list of contacts on Oct. 1.

Each land owner must apply for a license as a manager of a shooting preserve if he wishes to lease his land out to pheasant hunters and the applications are available at the Chamber of Commerce office.

Anyone who wishes to apply or who wants their land listed on the 1990 Land Leasing List, should call the chamber office at 647-2524. The chamber acts as a liaison between pheasant hunters who want a place to hunt and land owners that have land to lease, but it will not be involved in the financial arrangements, said Chamber of Commerce Executive Director Delores Heller.

The chamber is also working on a list of lodging areas for hunters and anyone who wants their motel listed or has rooms for rent for the weekend should contact the chamber.

This year's pheasant season opens Dec. 8 and runs through Dec. 23.

### Bobbies take cross country title at Brownfield Jamboree

Halley Bradley's second place finish paced the Dimmitt Bobbies to a first place team finish at the Brownfield Jamboree cross country meet Saturday at Coleman Park in Brownfield.

Bradley covered the girls' two-mile course in 13:41.4, finishing second behind Reuidoso's Luisa Gam, who posted a winning time of 13:28.

The Bobbies' Renea Harman also finished in the top 10, clocking a 14:19 for ninth place.

Dimmitt out-distanced runner-up Abernathy 72-136 while Lubbock Coronado was a distant third with 173 points.

"It was a pretty tough course," said Dimmitt Coach Richard Wood. "There were a lot of up and down hills. It was a good test for us right off the bat. I thought the girls ran real good considering they'd just worked out five times before the race."

Other Bobbies competing in the race and their finishing times were Amanda Flores, 12th, 14:22; Rosie Enriquez, 27th, 15:01; Monica Garcia, 39th, 15:25; Beatrice Ramos, 15:40; and Maria Ovieda, 16:56.

Dimmitt's junior varsity girls' cross country team also captured the championship trophy in the Brownfield Jamboree, finishing with 68 points. Sundown finished second with 122.

Dimmitt was led by Mitzie Heller, who's time of 15:48 was good for ninth place; and Christina Velasquez, who finished 12th with a time of 15:57. Other junior varsity Bobbies included Selma Montalvo,

14th, 16:04; Angelica Garcia, 16th, 16:11; Renea Garcia, 17th, 16:12; Katrina Acker, 20th, 16:26; and Jenifer Fuller, 21st., 17:14.

The Bobbies and junior varsity Bobbies will both compete in the Plainview cross country meet Saturday.

The race, scheduled to begin at 9 a.m., will be held at the park behind Furr's Cafeteria in Plainview.

# Nazareth trounces LCHS in opener, 42-26

By CINDY ALBRACHT  
A balanced Nazareth scoring attack led by T.J. Garza's three touchdowns in the third quarter, proved to be more than the Lubbock Christian Eagles could handle as the Swifts coasted to a 42-26 season opening victory Friday night at Swift Field.

The Swifts' defense thwarted the Eagles offensive attempts for most of the game. Lubbock Christian's 26 points came from two interception returns, a punt return and a sweep.

Offensively, the Swifts were led by Garza, who rushed for 85 yards, scored twice on the ground and once through the air; and by Lynn Nelson, who amassed 163 yards rushing and scored once.

Also scoring for the Swifts were Wade Hoelting and Bryce Hatla, with one TD each; and Nick Johnson, who booted six extra points.

"I was pleased with our running game," said Rick Price, first-year Nazareth head coach.

The Swifts received the opening kickoff and drove deep into Eagle territory, but their first offensive drive was stopped dead inside the 20 when Nelson fumbled and Lubbock Christian recovered the loose ball on their own 16.

The Eagles celebration didn't last long—they were forced to punt after three carries.

After gaining no yardage on their next possession, the Swifts were forced to punt and the kick fell into the waiting hands of Reagan Crossnoe, who raced 59 yards around the right side for the score. The Eagles tried a two-point conversion, but the attempted pass fell incomplete and the score stood at 6-0 with 5:16 left in the first quarter.

Late in the first quarter, the Swifts advanced to the Eagle 21-yard line after a LCHS personal foul and scored just a play later.

Quarterback Michael Schmucker

**TOUCHDOWN NUMBER THREE**—Nazareth's T.J. Garza (30) holds up the ball in celebration after crossing the goal line for the third time Friday night as the Swifts defeated the Lubbock Christian Eagles at Swift Field, 42-26, in the season opener for both teams. Garza had just caught a 17-yard

pass from Swift quarterback Michael Schmucker and raced for the score. Other Swifts in the background include Brandon Schilling (80) and Blaine Johnson (52). Pictured at far right is Eagle defender Jason Whisenhunt (22).

Photo by Sheila Acker

connected with Hoelting in the end zone for the Swifts' first score. Johnson's extra point kick gave Nazareth the lead, 7-6.

With 9:41 left in the second quarter, a Schmucker pass was intercepted by Eagle defender Stephen Smith, who ran the ball in for a 35-yard touchdown. Nathan Blackwood's two-point try failed, but the Eagles were on top, 12-7.

Blackwood expanded Lubbock Christian's lead, scoring on a 68-yard sweep with 8:12 left in the half. A toss from quarterback Carter MacKenzie to Paul Newton gave the Eagles an additional two points and a 20-7 lead.

On the Swifts' next possession, Nelson drove upfield to the Eagles' 45-yard line. Nazareth gained another 15 yards from a Lubbock Christian personal foul before Nelson broke through the middle for a 25-yard touchdown scamper. Johnson's extra point sailed through the uprights, but the Swifts still trailed 20-14.

The Swifts regained possession with 3:29 left in the half and appeared to have scored when Hatla raced around the left side into the end zone. However, a holding penalty brought the ball back to the 12 yard line. On the next play, Garza took the handoff and sprinted up the middle for the score. Johnson added another PAT to give the Swifts the lead, 21-20.

That was when the Swifts took control of the game.

With 1:16 left in the half, Blaine Johnson sacked MacKenzie and

Brent Wilhelm nabbed the ball on the Eagle's 13-yard line.

Three plays later Hatla sneaked around the left side into the end zone. Johnson's extra point kick was good and the Swifts went into the locker room owning a 28-20 half time lead.

Two plays into the third quarter, Hoelting intercepted an Eagle pass that put the Swifts on their own 46-yard line. Nelson and Garza combined carries and brought the Swifts to the Eagles' 16. Garza hauled in a Schmucker pass, then raced around the right side for the touchdown. Johnson's PAT was good and the Swifts upped their lead to 35-20.

On their next possession, the Eagles faked a punt on fourth-and-four, but Mackenzie's pass was tipped into the hands of Garza.

Six plays later Garza vaulted over the defensive line and raced

19 yards into the end zone for the Swifts' final score. Johnson again kicked the extra point to make the score 42-20, Nazareth.

Late in the fourth quarter, Blackwood picked off a Swift pass and sprinted 50 yards for an Eagle score. The two-point conversion try was no good and the final score was 42-26.

|          |   |    |    |   |   |    |
|----------|---|----|----|---|---|----|
| Nazareth | 7 | 21 | 14 | 0 | — | 42 |

## Southwest Outdoors

with Mel Phillips

With dove season entering its third week, something strange has happened. No cold fronts have roared through our region and local birds are still plentiful. Find some sunflowers, some water, a friendly landowner and you are in business.

Remember to offer some birds to the landowner. He may or may not accept your bribe, but he will look kindly upon letting you return to hunt his land next time. Rest assured that he will check out the area where you were hunting. If he finds any soft drink cans and trash, you can start looking for a new hunting spot.

If you are looking for a FREE DOVE HUNTING site, I recommend the CANADIAN RIVER. The politicians and their big contributors are working on several deals but for this season, the people can still hunt the bottom land. The area north of Amarillo on the Dumas highway is a great spot for some fast action during the sunrise and sunset hours. Snuggle up to a cedar tree and get ready for some eight-to-one shooting. Eight shells are shot before downing one dove, according to industry sources.

**TIP OF THE WEEK:** One of the best tips on hunting with a shotgun is to learn the pattern that your gun makes with various loads and types of shell.

First, get some butcher paper (three feet wide). Tape two pieces together about four feet long. You should now have a target approximately 3 x 4 ft. Now, draw several life size doves on this hunting canvas. Make several targets because shotgun patterning is fun and paper is cheap.

Second, find a tree (Yes, I know where we live) or something from which to hang your target. Pace off 25 yards, 40 yards and 60 yards. I usually draw a two-foot circle around each bird and call this my zone. Take a shot at 25 yards and count the holes in the zone.

Repeat this patterning at all distances with several brand-name shells and various loads until you find the right one.

**FISHING RESULTS:** Out of 138 entries, MIKE HARBER of BORGER edged out RICHARD BEILUE of DUMAS by one-hundredth of a pound to win the 1-nurs-day evening fun tournament at LAKE MEREDITH. Mike caught 7.61 pounds and earned \$690, while Richard pocketed \$345 for

weighing in 7.60 pounds. Third place money of \$276 went to JIMMY BAGGETT of PAMPA for catching 4.77 pounds. Lucky HANK McWILLIAMS of BORGER finished tenth with 1.85 pounds and earned \$173. For some fun fishing try Lake Meredith next Thursday evening, Sept. 20.

Two Cat Card Club Winners for this week have been named at Dimmitt Middle School.

Fourth grader Andy Prieto was honored for helping a teacher carry some packages.

Juan Balderrama, an eighth grader, was honored for helping interpret for a new student.

Winners of Cat Card privileges get to attend school-sponsored functions free during the week of their selection, and get to go to the head of the cafeteria line. Coupons for redemption are also offered by local merchants.

Students are nominated by teachers, with final selection made by DMS Assistant Principal T.J. Parks.

## 'Open Forum' planned at nursing home

There will be an "open forum" meeting at Canterbury Villa Nursing Home Monday night at 7:30.

A representative from the State Dept. of Health, Ralph Harman, will be here to meet with the residents and families concerning the new rules and regulations which will take effect Oct. 1.

All families are encouraged to attend.

# 'Horns crush Anton, 35-6

By TERRY PITTMAN  
In an overpowering offensive display, the Hart Longhorns marked their first win of the season Friday night, destroying the visiting Anton Bulldogs 35-6.

The Longhorns dominated the game in every department — scoring, offense, defense, field position. . . .

Hart's backs dominated the ground game, amassing 301 yards. The Horns had a strangle hold on first downs, too, holding Anton's offense to six, while converting 19 of their own.

Anton just couldn't get anything going. Its offense could only manage a total of 68 total offensive yards, while its defense allowed Hart 387 yards.

With less than four minutes expired in the first quarter, Hart put its first points on the scoreboard.

Jay Davis took the ball on a quarterback keeper and powered in from five yards out to put the Horns up 6-0.

Anton got even late in the stanza when Artemio Tarrango picked off a Davis screen pass and raced 20 yards into the end zone to knot the game at 6 after the first quarter.

The second quarter was all Hart. Davis connected with Carlos Velasquez for a 47-yard scoring strike, then Andres Marin barreled across

the goal line from six yards out to extend Hart's lead to 21-6 at half time.

The final points of the game were scored in the third quarter when the Davis-Velasquez connection again sparked for six points.

Danny Reyna, who piled up 127 yards on 13 carries to lead Hart's ground attack, scored Hart's final TD of the game, a 5-yard run.

Hart's substitutes and junior varsity players got to see a lot of

action in the final stanza, and each of Hart's 40 players suited up for the contest saw playing time.

Hart Head Coach Alan Cherry said the victory was an important one because it gave the Horns the first of their team goals—to win the opening game.

"I'm real pleased with the game. Everybody got to play and we escaped injury," Cherry said.

Cherry was very pleased with his defensive unit, which allowed An-

ton just six first downs—two by penalty and three in the fourth quarter against Hart substitutes. The Anton quarterback was sacked nine times for a loss of 61 yards.

Defensive leaders for Hart included Roger Avila, who had six sacks and 11 tackles and was in on "what seemed like every play," coaches said.

Coaches also praised Hart's offensive line, which provided huge holes for backs and plenty of protection on pass plays.

## More about

# Dimmitt School Board . . .

(Continued from Page 1)

voluntary, non-compensated basis for three-year terms, and will meet at least four times a year. The classroom teacher representatives will be nominated by other classroom teachers.

The council will advise the board in establishing and reviewing the district's mission, goals and objectives; in evaluating instructional programs; and in establishing instructional initiatives.

The Dimmitt schools will receive \$18,008 in Federal funds through a state program designed to coordinate school and community efforts in establishing a drug-free environment for students.

The board voted to use the funds to employ a coordinator six hours a day for 89 days, purchase teaching supplies and provide for staff inservice travel. The coordinator will organize appropriate activities in the community and area with the school curriculum, provide resources related to drug abuse education, prevention, treatment and rehabilitation, and establish an advisory council.

Minnick reported to the board on district-wide figures on students taking the ACT tests for 1988-89. Dimmitt students scored significantly higher than students in other school systems in this UIL district and higher than the state average as well.

Dimmitt High School Principal

R.L. Stockstill pointed out that these figures contributed to Dimmitt's nomination for honors by the Governor's Excellence in Education Committee. He noted that Dimmitt was selected partially on the basis of performance gains on the ACT scores, comparing 1988-89 with previous years. Dimmitt particularly scored well in the percentage of students who took the test, registering 70.9%, as compared with an average of 43% in all Region XVI schools and 40% in all Region XVII.

Minnick also reported on 29 Dimmitt students who have taken the new Texas Academic Skills Program test to determine continued college placement. She noted that of those 29, only three registered failing scores on part or all of the tests.

The scale scores for the TASP tests range from 100 to 300, with an average of 220 demonstrating mastery. Dimmitt students had an average score of 264 on the reading portion, a 254 average in math, and an average of 236 on the writing portion.

Special Education Director Kay Gfeller reported on the special ed program in DHS, and noted that 42 students are currently being served at that campus.

Gfeller listed 32 of those students as learning disabled, six as mentally retarded, two with other mental impairment, one orthopedi-

cally impaired, and one emotionally impaired.

She revealed that only one resource teacher is currently available at the high school to serve the needs of these students.

"The load is great at this point," she told the board. "At some point, we will need more personnel at the high school."

Gfeller noted that recent state rulings mandate that special ed students should be placed on the campus that is most "age appropriate" for them. She also pointed out that new graduation rules provide that handicapped students can graduate on the regular education plan if they are able to meet the exit level exam requirements. If they can't, they must meet the requirements of their own individual educational plan.

Individual plans may include one of three requirements. If the student is in a work program, he or she must qualify for full-time employment. Completion of a school vocational program is another option, or the student must be accepted into an adult service provider or post-secondary institution.

"We need to teach life skills and survival skills," Gfeller said, "and although an adequate facility exists at the middle school, scheduling and transportation are problems for students who are age appropriate for the high school campus."

She added that programs available at the high school are overloaded and other courses needed are not offered because of lack of space and personnel.

In other business, the board: —Appointed members of the language Proficiency Assessment Committee (LPAC), with Lupe Rodriguez for Richardson Elementary and Maria Cruz serving for DMS.

—Accepted the high bids offered on property sold for payment of back taxes, subject to the approval of the City of Dimmitt, since Castro County has also already approved the highest bids.

—Granted a request for use of the football field for a religious ceremony May 13. Supt. Robert Ryan said that Rev. Norbert Choong of the Immaculate Conception Catholic Church of Dimmitt asked permission to use the facility for a special confirmation ceremony for over 300 area participants and an expected congregation of 2,000. Ryan noted that it would be a one-time event.

In an executive session, DISD attorney Jimmy Ross reported to the board that negotiations are continuing on the single member district law suit filed against the school district by Larry Gonzales.

# Horns, Swifts square off Friday night in Hart

Coaches and players may come and go, but rivalries are handed down year after year.

That's the case when the Longhorns and Swifts get together on the gridiron each year.

The annual county pigskin battle between Hart and Nazareth will begin at 8 p.m. Friday at Longhorn Stadium, and although both coaches are new this year, they feel like this year's game will be as tough and hard fought as past years' showdowns.

"Anytime Hart and Nazareth play it's going to be a classic confrontation because of the big rivalry between the schools," said Alan Cherry, Hart coach.

His colleague down the road in Nazareth agrees.

"This rivalry has been going on for years and years and it's intense. I'm sure Hart will be ready for us and I know our guys are ready—we won't be caught off guard," said Nazareth Head Coach Rick Price.

Cherry said he has a lot of respect for Nazareth's offense and if the Horns are to compete, they'll have to be "consistently moving the ball" and "will have to keep the ball away from Nazareth's offense."

"They have a great passing game. They've got an excellent quarterback in Michael Schmucker and an exceptional receiver in Wade Hoelting," Cherry said. "They (Nazareth) showed a great running game against Lubbock Christian Friday night, too. I don't know if we can stop them, we'll just have to try and slow them down. It's hard to defend the pass and run at the same time, especially as well as they do both."

Cherry said he was pleased with how his team handled Anton's offense, which also passed and ran well, and hoped it could do it again Friday night.

"They (Hart) look tough," said Price. "They run the option pretty good and Jay Davis is a good

option quarterback. He can throw as well, so we've got to gear up and stop their offense.

"Hart's defense looks tough and aggressive. I watched a film of a scrimmage and they were really laying some hits on people."

Price said if his team will have to "play a sharper brand of football" than it played against Lubbock Christian Friday night. The Swifts had four turnovers and two of the turnovers were ran back for touchdowns. Penalties also plagued the Swifts, calling back several big plays.

"We cannot make the major mistakes against Hart like we did against Lubbock Christian, or Hart will beat us," Price said.

## Finish date set on history book

All material intended for inclusion in the Castro County History Book, Vol. II, 1891-1991, must be turned in by Tuesday.

Memorials, tributes, business histories, church histories, clubs and organizations, special pages and all articles you have been asked to write must be in by that time or they will be left out, according to project organizer Teeny Bowden.

"We would like to see some of the classes that have had reunions lately sponsor a page with the graduating class picture and the reunion picture on it and possibly a class history. This would be a memorable way to celebrate the reunion and our county's 100th birthday," Bowden said, adding that the cost of a page would be \$300.

Items may be taken by Cowsett Abstract and Title Co. or mail to P.O. Box 457, Dimmitt, 79027, or to Teeny Bowden, HCR 1, Box 50, Dimmitt, 79027.

Anyone needing help in writing articles or wishing to sponsor a page may contact Madge Robb or Emma Jean King.

Pre-publication price of the books is \$60, while after publication they will cost \$75. Organizers hope to have the book out in time for Christmas giving.

H—Andres Marin 6 run

**Third quarter:**  
Velasquez 25 pass from Davis  
Danny Reyna 5 run

Season Records: Hart 1-0, Anton 0-1

# Cats face Brownfield in home opener Friday

Dimmitt's coaches are apprehensive going into the Bobcats' home opener Friday night against a brand-new opponent, the Brownfield Cubs.

"I don't think they've opened their '90 season yet—they just didn't show up against Muleshoe," Assistant Coach Greg Clark said after scouting the Cubs during their 7-10 upset by the Mules in their opening game.

"I'm worried that they'll want to start their season against us—take out their frustration on us," Clark added. "They're big and physical."

Since this is the first meeting between the District 3-AAA Cubs and the 2-AAA Bobcats, their only acquaintance with each other has been via videotape and scouting.

"We saw them scrimmage Leveland two weeks ago," Coach Army Salinas said. "They've got good size. We were impressed with them."

So how did Muleshoe, a 15-point underdog, manage to mess up the Cubs' home den on opening night?

"Muleshoe played very physical against them," Clark said. "They played good, mistake-free defense—and with a lot of emotion."

Also, the Cubs are young and inexperienced, with only two offensive and three defensive starters back, and may have needed that opening-game disaster to work out their butterflies.

The Cubs—coached by Eddie Hooper, formerly of Nazareth, Hart, Idalou and Olton—operate out of a Power-I offense behind an interior line that averages 177 pounds per man. Their counterparts on the Bobcat defense average 199.

However, Brownfield platoons nine players, while Dimmitt has only five who don't see double duty. That difference in depth could have an effect late in the game.

On defense, the Cubs usually put up a "split six" with floating ends and cornerbacks, and a single safety. Sometimes it will look like a six-man line, and at other times like a 5-4 stack.

Hooper took over the reins at Brownfield last year and guided the Cubs to a 6-2-2 record and a

fourth-place finish in 3-AAA, with sophomore Blake Decker at quarterback. But this year he moved the 6-0, 194-lb. Decker to tight end and free safety, and installed a former split end in his place—150-lb. junior Eric Jackson.

"He should be a big key to the offense," Hooper said. "He's never played quarterback, but he's got the talent. He's kind of a natural. I really do think he could be a big-play man at the quarterback position. We're going to do a lot of things to gear our offense toward that."

So keep your eye on Jackson, No. 6 in the red-and-white. He and backup quarterback Noel Garcia (168-lb. sophomore, No. 20) are both capable of going 99 yards if given any daylight, according to Dimmitt's scouts.

Jackson and Decker are the Cubs' only two returning offensive starters.

Returnees in the Cubs' defensive lineup, besides Decker, are senior linebacker Raymond Martinez (5-10, 210) and senior end Coby Marrow (5-8, 172).

The biggest Cub in the Brownfield backfield is 200-lb. junior fullback Andy Martinez (30). The two running backs are 150-lb. junior Kenneth Smith (4) and 130-lb. sophomore Roderick Reed (1).

In the offensive line, 190-lb. junior letterman Benny Cabrera has come back from a knee injury last year to start at right tackle, and 238-lb. senior tackle Chris Lerma—who missed the entire season after knee surgery—may or may not see action at left tackle. If he's not there, 186-lb. senior Chris Torres will be.

The Bobcats came out of their opening game "with just the usual bumps and bruises," Salinas reported. However, they're missing sophomore center Chris Hutson, who was injured in the Shallowater scrimmage and underwent orthoscopic knee surgery this week.

Despite the Bobcats' 47-6 victory over Roosevelt Friday night, Salinas will be looking for better "technique work" from his players

this week—especially the linemen.

"We played hard, hit hard and d'd all those things, but our technique wasn't very sound," he said.

Dimmitt's freshmen will travel to Brownfield today (Thursday) for their first game of the season. Kick-off time will be 6 p.m.

Meanwhile, Dimmitt's seventh and eighth grade teams will open their season against Brownfield here today. Kickoff times will be 5:30 for the seventh-grade game and 7 for the eighth-grade contest.

Due to a shortage of players, DHS has cancelled its junior varsity schedule and has moved all sophomores to the varsity squad.

## Harris Picks

Here are the Harris Rating System's picks on this week's games in the area. Home teams are listed in capital letters.

- DIMMITT 16 over Brownfield
- HART 11 over Nazareth
- Panhandle 25 over RIVER ROAD
- TULIA 5 over Canyon
- Floydada 28 over ROOSEVELT
- FRIONA 24 over Tahoka
- Littlefield 14 over ABERNATHY
- MULESHOE 10 over Idalou
- Palo Duro 13 over HEREFORD
- FARWELL 33 over Olton
- Whiteface 6 over SPR-EARTH
- HALE CENTER 6 over Crosbyton
- LOCKNEY 11 over Petersburg
- Morton 4 over NEW DEAL
- Lorenzo 21 over BOVINA
- Anton 7 over KRESS
- Lamesa 6 over CAPROCK
- Leveland 2 over RANDALL
- DUMAS 7 over Perryton
- ESTACADO 2 over Big Spring
- AMARILLO 19 over Pampa
- Tascosa 15 over BORGER
- Coronado 17 over FRENSHIP
- San Ang. Central 16 over MONTEREY
- Shallowater 13 over COOPER
- POST 27 over Slaton
- KERMIT 1 over Denver City
- West Texas 3 over CHILDRESS
- Stratford 4 over DALHART
- SANFORD-FRITCH 18 over Canadian
- Boys Ranch 12 over CLARENDON
- Spearman 10 over MEMPHIS
- WHITE DEER 12 over Happy

## H&D Club to meet

The Hill and Dell Extension Homemakers will meet at 7 p.m. Monday night at the home of Linda Shannon, 712 Oak in Dimmitt.

A nail care seminar with Judy Barrett will be the topic of the meeting.

# Here's why ACGA opposes farm bill

By **CARL KING**  
Board Chairman  
American Corn Growers Assn.

When the American Corn Growers was formed 3-1/2 years ago, we promised we would work for you and only you, the corn producer. Unlike our competing organization, we are not financed and controlled by multinational grain processors and shippers.

We also told you we would tell the producers' story to the members of Congress and we would tell our producers the straight story. Here it is.

Both houses of Congress, the agricultural leadership of both parties and the administration have sold out the American farmer on

the 1990 Farm Bill. They have frozen and reduced everything except our costs. They have protected their international trader friends through export subsidies and their agribusiness processor friends by further screwing down product price, and left us with nothing.

Of course, the biggest villain in this disaster is the administration.

Continuing the Reagan attack upon production agriculture that began in 1981, USDA Agricultural Secretary Clayton Yeutter spearheaded his attack upon us through the General Agreement on Tariffs and Trade (GATT), the administration's continuing effort to kill farm programs through international agreements that it cannot get congress to kill directly.

But let's look at what else Mr. Yeutter has been supporting. Yeutter has been running around the country saying that farmers fully support the 1985 Farm Bill.

Really? Does that mean that farmers support the continued decline in target prices, the continued decline in loan rates and the continued decline in the numbers of farms and farmers?

Yeutter says that the agricultural sector is in better shape today than before 1985.

Really? Cash receipts for food and feed grains were higher in 1985 than in 1989, but our costs have gone up 35%.

Yeutter says that our drastically reduced loan rates "are not yet market-clearing."

Really? The 1990 Farm Bill will set loan rates at from 76% to 85% of the five-year moving average of prices for wheat and feed grains. Is a loan rate 25% below a price that is already below the cost of production not "market-clearing," Mr. Yeutter? You mean ConAgra wants it even lower?

Mr. Yeutter continues to push the Findley loan rate reduction amendment as his means of simply driving all vestiges of price support out of US farm policy. Mr. Yeutter says the administration will oppose a marketing loan for oilseeds and feed grains as too costly. Does Mr. Yeutter have any suggestions on how to recapture the vast market in oilseeds that we have lost?

Mr. Yeutter is supporting a two-cent reduction in the sugar program. What would he propose we do to replace the sugar cane industry in Hawaii, Texas and Florida?

The House Agriculture Committee's final farm bill proposal, believe it or not, drew rave reviews from Secretary Yeutter. That should strike fear into all our

hearts.

While there was a noble effort by 17 House Agriculture Committee members to raise loan rates, an action the American Corn Growers repeatedly showed would save the budget money and raise producer income, the bipartisan leadership of the committee opposed such a move.

The House bill essentially freezes target prices for 1991 to 1995 at \$2.75 for corn and \$2.61 for sorghum. While the House proposal supposedly freezes loan rates at 85% of an historic market, it does give USDA discretion to further reduce the loan rate an additional 5%.

It was in the Senate Agriculture Committee that the ACGA had hoped to get an increase in loan rates, and where we focused our strongest effort.

A six-person bipartisan task force was set up in the Senate Agriculture Committee to propose targets and loans to the full committee, but that task force collapsed in the presence of partisan bickering led by Indiana Republican Richard Lugar.

While Democratic Sens. Bob Kerry of Nebraska and Tom Harkin of Iowa tried mightily to get an increase in loan rates and a proposed marketing loan for wheat and feed grains, Lugar and Bob Dole carried the administration's water in opposing any effort to increase farm income. Lugar pushed the so-called "targeted income" proposal, designed to be the first step in the long-held GOP plan to "decouple" farmers' production from benefits and therefore make us all welfare recipients.

The Lugar-Dole team opposed all increases in targets, increases in loan rates and increases in ARPs;

and used the "targeted income" threat against small farmers to force Southern Democrats to give in. Lugar repeatedly raised the threat that he might go after the "peanut, wool/mohair and honey programs," and he and Dole opposed the soybean marketing loan. Sen. Dole also tried to kill the sugar program.

The Democratic leadership is not without fault here.

Chairman Pat Leahy of Vermont was so eager to make a deal on the dairy title that he joined with the Republicans in opposing the progressive proposals of his own party members. Leahy thus killed the hard efforts of Sen. Pryor (D-Arkansas), as subcommittee chairman, to give the producer a shot at higher income.

Republican members in both houses are prepared to now offer amendments that will reduce loan rates and target prices by as much as 30%!

This is not Gramm-Rudman—these are the cuts before Gramm-Rudman.

The Congressional Budget Office has warned that just freezing targets and loans would result in 500,000 farmers going out of business, and now the Republicans are talking about 30 to 40% reductions from frozen rates.

These are perilous times for America's production agriculture, and life and death times for rural America.

I urge each of you to remember well what your congressmen and senators have already done to this farm bill. Watch carefully what they do in the next two months and vote accordingly on Nov. 6.

**MOST BEAUTIFUL**—The girls at the Village Shop (from left) Betty Butler and Gail Bruegel, proudly show off their "most beautiful" flower barrels which are filled with red petunias. The barrels were named the "most beautiful" in the Dimmitt Chamber of Commerce's summer-long contest. The Village Shop, located at 204 W. Bedford, is owned by Butler and has been in her family since 1968. The clothing store was expanded to include a full selection of gifts and china in 1970. A customer recently said, "Village Shop always makes you feel welcome and never pushes you," according to Chamber of Commerce Executive Director Delores Heller.

County Executive Director

checks on these acreages.

### Haying and Grazing ACR and CU for Pay

Before you may hay or graze ACR and Conservation Use (CU) for Pay acreages, you must go by the ASCS office and make a request to hay or graze. You also need to remember that if the acreage of ACR and/or CU for Pay acreage has been irrigated since Jan. 1 or will be watered before Nov. 1, the acreage is not eligible to be hayed or grazed.

Those of you who are planting wheat for 1991 on the ACR and/or CU for Pay acreage need to remember that if the acreage has been watered since Jan. 1 or after, this acreage cannot be grazed until Nov. 1.

### CRP Weed Control Policy

The Texas State ASCS Committee has established policy for weed and shrub control measures on Conservation Reserve Program (CRP) acreages.

The State ASCS Committee has determined that all CRP participants must maintain a vegetative cover and required conservation practices on CRP land and take other action such as control of weeds and/or shrubs so as to maintain the production capability of the soil throughout the CRP contract period.

The State ASCS Committee also

## GED classes to be offered by Hart ISD

The Panhandle Job Training Partnership and Hart Independent School District have joined forces in an attempt to make quality remedial education services available to the public.

A computer-based curriculum and individualized instruction offer dropouts a quick, effective way to obtain a GED certificate or alternative high school diploma.

The ten-week course will be held Tuesday through Friday from 9 a.m. to 4 p.m.

Limited day care assistance and mileage reimbursement will be available.

Anyone interested in earning a GED should contact Toni Robertson at Hart ISD, 938-2141.

### SS rep here today

A representative from the Social Security Administration will be in Dimmitt today (Thursday) from 9 to 11 a.m. at the courthouse.

The representative will be available to answer questions for anyone with problems or questions about Social Security or Medicare benefits or claims.

determined that any CRP participant who fails to "CONTROL WEEDS" and/or shrubs to the point that they interfere with the approved cover or to the extent that it creates a problem on other farms, "WILL BE SUBJECT TO HAVING THEIR ANNUAL RENTAL PAYMENTS REDUCED BY THE RENTAL RATE PER ACRE AFFECTED."

We are in the process of checking all CRP farms in the county. I hope that all of you are keeping an eye on your CRP acreage so that program benefits will not be lost due to a failure of controlling weeds. It is your responsibility to make sure that weeds are controlled and that they do not affect the establishment of grass or your neighbor's land.

### 1990 Crop Loan Rates

1990 crop loan rates for Castro County are:

- Wheat—\$1.95 per bushel.
- Barley—\$1.42 per bushel.
- Oats—\$.86 per bushel.
- Corn—\$1.82 per bushel.
- Grain sorghum — \$2.97 per hundredweight.
- Cotton — 50.52 cents per pound.

### September Loan Interest Rate

The interest rate for loans disbursed in September 1990 is 7.75% per annum.

### Holiday

This office will be closed on Monday, Oct. 8, in observance of Columbus Day.

Eligibility for participation in all programs administered by ASCS is established under law without regard to race, religion, sex, color, age, national origin, disability or marital status.

## Comments on 50-year plan accepted through Friday

Area residents still have time to review copies of the draft 1990 Texas Water Plan and provide written comments to the Texas Water Development Board concerning the document's proposals for the management and development of state water resources from 1990 to 2040.

Written comments about the draft plan, *Water for Texas: Today and Tomorrow*, will be accepted until Friday. Comments or requests for more information should be directed to Stephen Dayton, Texas Water Development Board Planning Staff, P.O. Box 13231, Capitol Station, Austin, 78711-3231.

Copies of the draft plan should be available for public review at the Amarillo and Lubbock public libraries, as well as the Texas Tech University and West Texas State University libraries.

"It is important for area residents to offer their suggestions to the Texas Water Development Board regarding the adoption or funding of programs and activities that the state should perform to extend and/or increase the region's water supplies," said A. Wayne Wyatt, manager of the High Plains Underground Water Conservation District No. 1.

At recent public meetings discussing the plan's proposed content, area residents have suggested artificial recharge of water into the Ogallala Aquifer, brush control, precipitation enhancement, and the use of saline groundwater supplies as a means of extending or increasing area water supplies.

The Texas Water Development Board collects water data to update and amend the state's official water management plan. The 1990 draft update includes the TWDB's statewide projections of water demands, existing water supplies, and needed water facilities for the next 50 years. Policy alternatives suggest-

ing more state control of groundwater are discussed at length in the draft plan.

Comments received about the draft Texas Water Plan at public meetings and/or by mail will be

used to revise the 50-year planning document prior to its scheduled adoption late this year. A final version of the Texas Water Plan is expected to be presented to the Texas Legislature in 1991.

## Three county gins get 'distinguished' honor

Three cotton gins in Castro County have received the Cotton Board's "Distinguished Service Award."

Honored include Hart Producers Co-op Gin, The North Gin of Dimmitt, Inc., and Sunnyside Gin Co.

The award honors gins which achieve above 80% grower participation in the Cotton Research and Promotion Program.

The Cotton Research and Promotion Program, established by an act of Congress in 1966, is funded solely by US Upland cotton producers. Cotton Incorporated conducts the actual research and promotion activities for US Upland cotton

producers. The Cotton Research and Promotion Act of 1966 created the Cotton Board to oversee and administer the funds.

"Through this collective marketing effort, US Upland cotton producers have combined their resources to help cotton remain competitive in today's aggressive marketplace," said Billy McCoy, an Oswego, South Carolina cotton producer currently serving as chairman of the Cotton Board.

## SEED WHEAT

Cleaned, bulk seed wheat available in several varieties, such as TAM 105, TAM 108, TAM 200, and others. Call 647-2101 or come by our fertilizer center for more information.

**Dimmitt Agri Industries**

### 1991 Wheat Program

The only thing that we have on the 1991 Wheat Program is that Secretary of Agriculture Clayton Yeutter has indicated that leave out requirements will be in the neighborhood of 10 to 20%. We will notify you as soon as additional information becomes available.

### Hybrid Seed Contracts

We have not received all hybrid seed contracts from those of you who have seed crops planted.

We need a copy of each seed contract that you have. A blanket contract from each company will not be acceptable.

The County Committee must review each seed contract to determine if the seed company must be considered a producer on each farm. If you are not sure as to whether you have brought in your seed contract, contact this office.

### Releasing Excess ACR

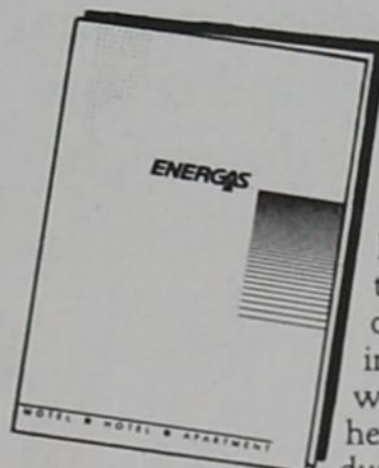

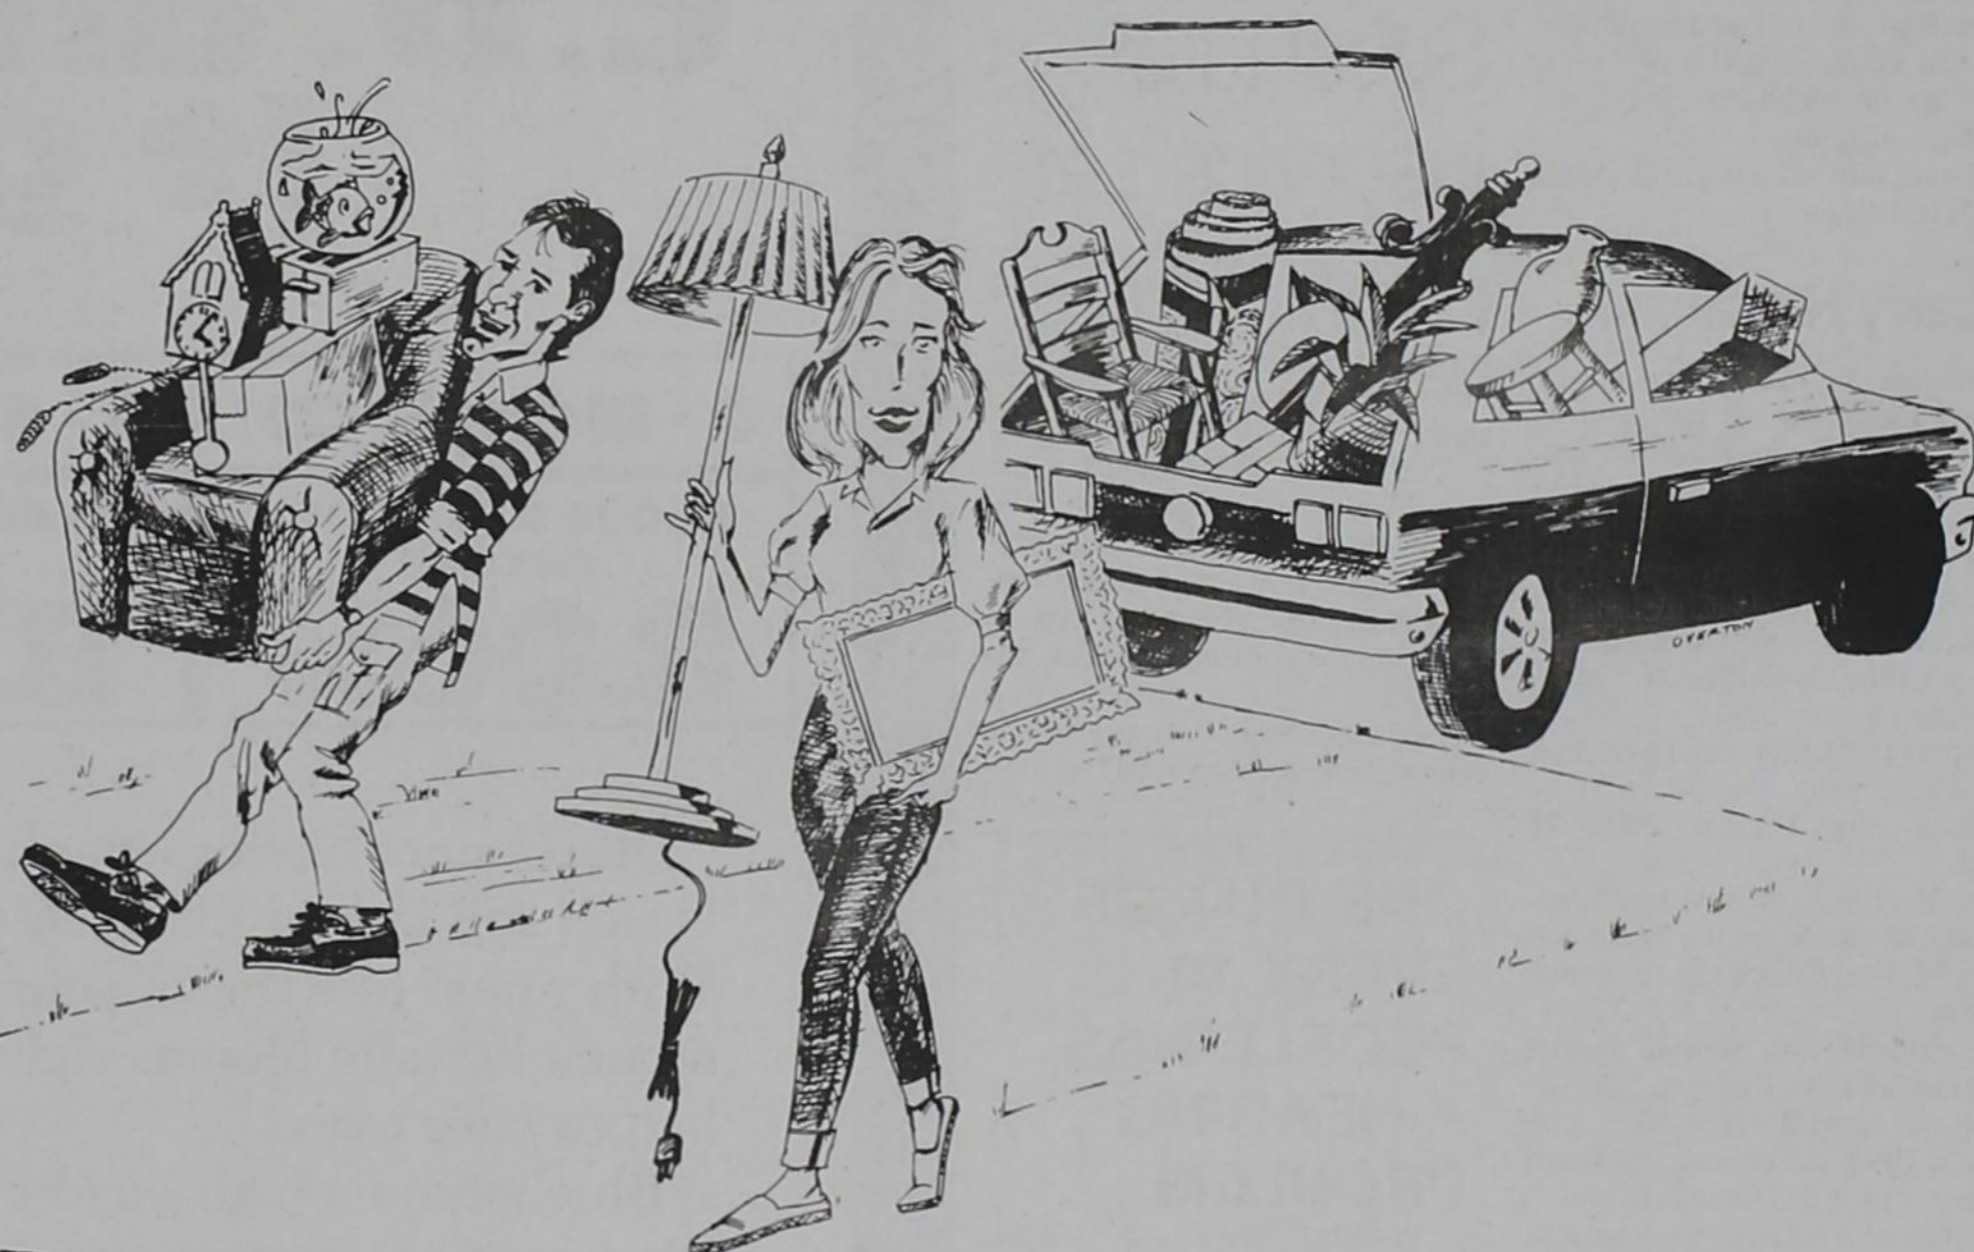

For 1990, if excess set-aside or Acreage Conservation Reserve (ACR) results from a spot check made by this office (excess is the amount greater than what you reported, not what is required), you may request in writing that the excess ACR be released at any time. You must also report to this office and identify the acreage to be released. You can request measurement service for releasing the excess acreage. Farms that do not request measurement service will be subject to spot check.

Excess ACR acreage that was not subject to spot check cannot be released or reclaimed for other uses. The excess acreage must be maintained as ACR.

### ACR and CU Maintenance

Remember that you are required to control weeds, wind and water erosion on Acreage Conservation Reserve acreages. Failure to do so could result in loss of program benefits. This office is now in the process of performing maintenance

## Here's another necessity for your apartment.

If you are living in an apartment or duplex, this may be the first opportunity you've had to experience the terrific benefits of having natural gas in your home. You will find that for heating your home during cold weather, beats natural gas for convenience, economy, and efficiency.

With cooler temperatures just around the corner, here are a few reminders from your friends at Energas Company on the safe and responsible use of natural gas where you live.

### Your furnace needs an annual check-up.

Your natural gas furnace has been sitting quietly all summer, waiting for the time it's really needed. And like anything that's been idle a while, your furnace needs a checkup before it starts back to work. You may want to check with your landlord or apartment manager about arranging for an annual inspection by a qualified professional heating contractor. Once it's been inspected, your furnace should require very little attention the rest of the winter.

### A closet isn't always a closet.

Your water heater or furnace is probably in a closet all by itself. And that's the way it should stay. As tempting as it may be, don't use the space around a water heater or furnace for storage. Even

if these major appliances sit in the open, the space around them should be kept clear to insure adequate air circulation.

### If you smell gas.

We hope that you will never have to deal with a gas leak. If you do smell gas, day or night, exit the building then call your local Energas office immediately. Do not flip light switches or use any other electrical equipment. Do not light a match or a candle. Do not try to find the leak yourself.

### For more information.

Get a free folder from your landlord or apartment manager. Or call your local Energas office.

Natural gas is the best energy you can have in West Texas for any home heating job. Just set your thermostat, and have a great winter!

**ENERGAS**

We're proud to be your gas company

## Conserve Cash With A John Deere Lease

Under a new leasing program which we have tailored for our local farmers, we can now lease you the NEW John Deere tractor of your choice—from the 4455 through the 4955—at an hourly rate.

And if you decide you want to buy the tractor, we will apply your entire lease amount to the purchase price.

## Rebecca Dickson

Services for Rebecca Lin Dickson, 34, of Plainview, wife of Tracy Dickson, local United Parcel Service (UPS) carrier, were held Friday morning in the First Baptist Church in Plainview with the Rev. Travis Hart, pastor, officiating.

Burial followed in Plainview under the direction of Lemons Funeral Home.

Mrs. Dickson died at 12:30 p.m. last Wednesday, Sept. 5, at her residence after a lengthy illness.

She was born in Plainview and married Tracy Jack Dickson on Nov. 29, 1975, in Plainview. She graduated from Plainview High School in 1974 and attended West Texas State University. She worked as office manager at Gardner Chevrolet. She was a member of the First Baptist Church and the Adult Six Sunday School Class. She was past treasurer of the Edgemere Parent Teacher Association.

Survivors include her husband; two daughters, Amber and Crystal, both of Plainview; a sister, Raelene Brockman of Plainview; a sister, Raelene Brockman of Plainview; her parents, J.B. and Linda Smith of Plainview; and her grandparents, Mr. and Mrs. Cecil Cox and Mr. and Mrs. E.L. Criswell, all of Plainview.

## James A. Glenn

James A. Glenn, 93, of Plainview, father of a Dimmitt man, died Friday.

Services were held Monday in College Heights Baptist Church with Rev. Don Robertson, pastor, officiating.

Burial followed in Plainview Memorial Park under the direction of Lemons Funeral Home.

Born in Iuka, Miss., Mr. Glenn had lived in New Mexico before he married Toledo Willingham in 1917 at Plains. He graduated from Wayland Baptist Academy in 1925 and moved to Plains, Kan., in 1925. He moved to Jackson, Okla., in 1926, and to Plainview in 1957 where he retired. He was a member and a deacon of the College Heights Baptist Church in Plainview. He was a Mason with Silverton Lodge No. 754.

Survivors include his wife; a daughter, Willa Ruth Simmons of Plainview; a son, LaRue V. Glenn of Dimmitt; two brothers, Carl Glenn of California and Arville Glenn of Artesia, N.M.; two sisters, Lilian Burkham of Sacramento, Calif., and Olline Franklin of Leveland; six grandchildren and seven great-grandchildren.

The family requests memorials to a favorite charity.

## Larry Hausmann

Services for Larry Hausmann, 52, of Earth, former president of the Castro County Farm Bureau, were held Saturday afternoon in Earth United Methodist Church with the Revs. Mike Holmes, pastor of St. Martin Lutheran Church of Littlefield, and Cecil Shirey, pastor of the Earth United Methodist Church, officiating.

Burial followed in Lazbuddie Cemetery under the direction of Parsons-Ellis Funeral Home of Earth.

He died at 1:20 p.m. last Wednesday, Sept. 5, in the Muleshoe Area Medical Center after a sudden illness.

Hausmann was born in Goliad and moved from Cuero to Earth in 1968. He married Bettye Nowell on July 3, 1960, in Lubbock. He was a farmer and a Lutheran. He was a member of the Disabled American Veterans, Veterans of Foreign Wars, Farm Bureau and Earth Volunteer Ambulance Service. He graduated from Texas A&M in 1959. He served in the Army from 1959 to 1965.

Survivors include his wife; two sons, Glenn of Lubbock and Alan of College Station; a daughter, Merri of Arlington; his mother, Viola of Yorktown; a sister, Vanita Homer of Houston; and a brother, Arlyn of Austin.

The family suggests memorials to the Earth Volunteer Ambulance Service.

## George W. Hicks

George W. Hicks, 88, of Borger, died last Wednesday, Sept. 5.

**SEED WHEAT**  
Double cleaned, bulk. Vona, \$5.75 bu. TAM 105, TAM 200 and Newton, \$4.25 bu.  
**BRUEGEL & SONS,**  
647-3138.

Services were held at 11 a.m. Friday at Minto Memorial Chapel in Borger with Rev. Tony Colburn, pastor of the Calvary Baptist Church in Clarendon, officiating.

Graveside services were held Friday afternoon at 3 at the Shamrock Cemetery under the direction of Minton-Chatwell Funeral Directors of Borger.

Born in Arthur, Okla., he lived the past six months in Borger, moving from Clarendon where he had lived for 15 years. He was a farmer and a rancher and was a member of the Calvary Baptist Church of Clarendon.

Survivors include his wife, Pearl of the home; two daughters, Willie Faye Huseman of Nazareth and LaRose Szaloy of Tucumcari, N.M.; a stepdaughter, Oleta Bradley of Borger; two stepsons, Cecil Lister of Oklahoma City, J.C. Lister of Grants, N.M.; a brother, Albert Hicks of Snyder, Okla.; 18 grandchildren; and 31 great-grandchildren.

In lieu of flowers, the family requests memorials be to the Calvary Baptist Church, 604 Second Street, Clarendon 79226.

## Louis Regalado

Vigil services for Louis Regalado, 86, of Dimmitt, were held Friday evening at Foskey Funeral Home's Ivey Chapel.

Mass of Christian burial was celebrated Saturday morning at the Immaculate Conception Catholic Church in Dimmitt with Rev. Norbert Choong, pastor, officiating.

Burial followed in Castro Memorial Gardens under the direction of Foskey Funeral Home.

Mr. Regalado died last Thursday morning at his home after an illness.

He was born in Mexico and had lived in Dimmitt since 1985, moving here from San Marcos.

He married Catarina Patalon on Sept. 27, 1926. He was a farm laborer and a member of the Immaculate Conception Catholic Church.

Survivors include his wife; four sons, Narciso, Miguel and Jose, all of Surprise, Ariz., and Jesus of Lubbock; four daughters, Felicitia Hinojosa of Dimmitt, Jesusa Espinoza and Gloria Arredondo, both of San Marcos, and Juanita Aguilar of Riverside, Calif.; 40 grandchildren; and 44 great-grandchildren.

## Substitute inservice set

A substitute teacher inservice session will be held Friday from 10 a.m. to noon for those wishing to act as substitute teachers in the Dimmitt Independent School District.

The session will be held in the board room of the DISD administration building at 608 W. Halsell.

Attendance at an inservice session is required before one may be listed on the substitute teacher roster.

For more information, call the administration office at 647-3101.

## ONE OUT OF EVERY 10 PEOPLE HAS A HEARING PROBLEM

DIMITT—Over 20 million Americans suffer from hearing problems according to estimates published by the Better Hearing Institute, a nonprofit organization.

That's one out of every 10 people. For those over 65 years of age, it is one out of every three people.

Yet only about 10 percent of those with hearing loss have sought help—in spite of the fact that most hearing problems can be helped.

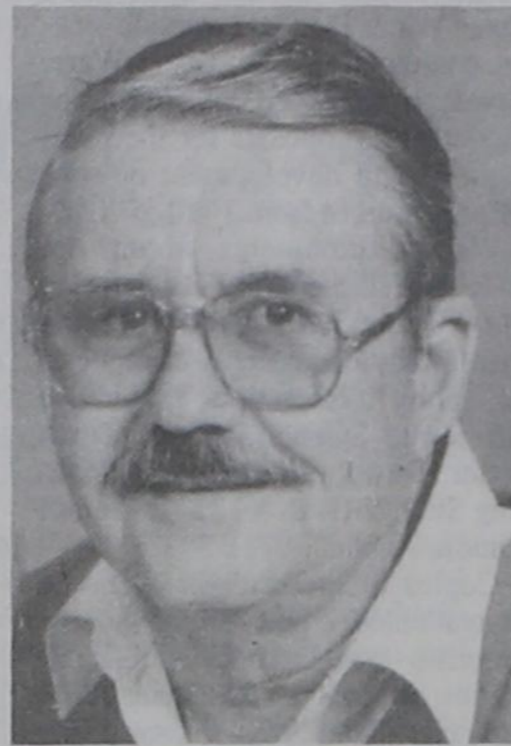

Many doctors recommend annual hearing tests for early detection of hearing problems.

Beltone will conduct free hearing tests on Friday, September 14 from 10:00-12:00 noon at the Senior Citizens Center located at 218 W. Jones, 647-2654.

Qualified professionals will check your hearing and provide you with a written evaluation of your hearing abilities. A copy will be available for your doctor.

H.E. Wallace

Services for H.E. "Wally" Wallace, 62, of Dimmitt, were held Tuesday afternoon at the First United Methodist Church in Dimmitt with Rev. Vernon O'Kelly, pastor, officiating.

Graveside services followed at the Happy Cemetery in Happy. Buddy Payne, pastor of the First United Methodist Church in Happy will assist at the graveside service. Burial was under the direction of Foskey-Funeral Home of Dimmitt.

Mr. Wallace died at 8:45 a.m. Sunday at Plains Memorial Hospital in Dimmitt.

He was born Nov. 28, 1927, in Ralls, and married Bettye Cox on May 12, 1948, in Canyon.

He moved to Dimmitt in 1986 from Happy, and was the owner of Wallace Motor Co. in Dimmitt since 1986 and owned Wallace Motor Co. of Happy for 30 years.

He served with the Navy in World War II. He was a member of the First United Methodist Church and the Dimmitt Rotary Club. He

was a director of the Dimmitt Chamber of Commerce and was a past member of the Happy Volunteer Fire Dept. He was an ambulance driver in Happy for many years and was a past member of the Lions Club in Happy.

Survivors include his wife; a son, Eric Wallace of Amarillo; three daughters, Mary Smith of Houston, Jana Goff of Canyon and Amy Filleland of Muleshoe; his stepmother, Ruth Wallace of Amarillo; and eight granddaughters.

The family requests memorials be to the American Cancer Society.

Pallbearers were Rayford Smithson, Reeford Burrous, H.L. Holland, Danny Rice, Percy Parsons, Rick Wilcox, Wade Kirby and Ervin Wilson.

## Kern wins \$100 bond

Christine Kern of Amarillo won a \$100 US Savings Bond in a fundraising drawing sponsored by the Castro County Pro Family Forum.

The drawing was held Sept. 1 as a part of the Labor Day weekend celebration in Nazareth.

Proceeds from the event will be used to defray legal expenses for Willie Faye Huseman, who was involved in Operation Rescue in Lubbock in 1989.

Operation Rescue is a peaceful protest demonstration against abortion, and Huseman's arrest occurred at the abortion clinic in Lubbock.

## More about

# County budget . . .

(Continued from Page 1)

but Pct. 3 were allowed \$5,000 for part-time help.

Other expenditures planned for Pct. 1 include \$100,000 for contract work, \$30,000 for oil and gas, \$30,000 for vehicle and equipment maintenance, \$16,500 for seal coating, \$15,000 for road and bridge improvements, and \$80,148 for salaries and wages.

Pct. 2 expenses include \$20,000 for gas and oil, \$24,252 on lease of equipment, \$20,000 for vehicle and equipment maintenance, \$5,000 for road and bridge improvements, and \$80,748 for salaries and wages.

For Pct. 3, expenditures planned include \$15,000 for gas and oil, \$15,000 for vehicle and equipment maintenance, \$5,000 for road and bridge improvements, and \$66,792 for salaries and wages.

Proposed expenditures for Pct. 4 include \$24,000 for gas and oil, \$20,000 for vehicle and equipment maintenance, \$8,500 for road and bridge improvements, and \$83,748 for salaries and wages.

Pct. 1 Commissioner Harold Smith asked permission to read his proposal for allocating the funds budgeted for his precinct.

He requested \$200,000 for contract work, \$30,000 for part-time help, \$30,000 for road and bridge improvements. He asked that the allowance for seal coating be dropped, and the allowances for oil and gas and vehicle maintenance be decreased to around \$15,000 each. He also requested that the amount for salaries be cut drastically, since he only wants one full-time employee.

"We're tired of hearing that Harold has the money, but can't spend it for roads," Paul Armstrong, a resident of Pct. 1, complained to the court. "We appreciate that you've allowed him \$100,000 to try it with."

Simpson commented that Smith doesn't want full-time workers, but

he already has them.

County Attorney Jimmy Davis noted that Smith has a problem in that so many of his employees fall within protected civil rights areas, such as over age 40, minorities, or recent filings of workmen's compensation claims, all of which could make the county liable for damages if the workers are discharged without apparent cause.

Pct. 1 resident Bob Law told the commissioners he would like to see a written, long-range plan for road improvement for the whole county, including each precinct according to the needs of its population, and have the plan used as a guide in setting each year's budget.

Pct. 1 resident Ed Ramaekers asked about "road blocks thrown in the way" of volunteers wanting to help with the road improvement work in Pct. 1.

Davis reiterated that the use of volunteers is risky, and the county cannot afford to pay the workers comp insurance for them.

Marlos May, an adult 4-H leader for the Bethel 4-H Club, inquired about the budget for the extension office, and whether funds were included for an assistant county agent.

"We feel an assistant agent is vital for our youth programs," May said.

County Auditor Shirley Brockman said the salary amounts were listed together, but did include funding for a county agent, extension agent, and assistant agent.

The commissioners noted that no candidates have been named yet for filling the vacancies in Castro County.

Clint McFarland told the commissioners that he appreciated the raises and increased longevity pay included in the budget, especially for the Sheriff's Dept., but added that he hoped the court would look at adding another deputy in the next year or so.
