GROUP FOUR LIONS DISTRICT TWO-T TO HOLD MEET MONDAY, FEB. 25

PLAINVIEW, LUBBOCK, LAMESA AND BROWNFIELD WILL BE REPRESENTED

Monday evening beginning at 8 o'clock the Lions Clubs of Group 4 District Two-T, will hold a meeting at the local Methodist church here.

Large delegations from Plainview, Lubbock, Lamesa and Brownfield have been promised and the Hereford Lions club, though not in Group Four of District Two-T, have notified the Lions club here that they will give a novelty number on the program that has been arranged for the meeting. Judge E. L. Pitts, district Two-T governor, will address the meeting and C. R. Hooton of Plainview, will be the speaker of the evening. Sherman Humphreys of Plainview, chairman of Group No. 4, will also be present.

The local Lions club has planned a good program for this occasion and expect to make the meeting one of the most successful of the group meetings. Carlos Reynolds and Dr. Elmer Moore, both very active Lions, who are in charge of the program committee, are working with Boss Lion Harmon for the entertainment of the visiting clubs that are to be present. Dimmitt, being the smallest town of Group No. 4 in District Two-T, feels that they have had an honor as well as a responsibility placed upon them in securing this group meeting which will be an inspirational meeting, looking toward District Convention of District Two-T to be held at Plainview April 21, 22 and 23.

District Two-T of the Lions clubs is comprised approximately of the clubs north of line beginning at El Paso to Wichita Falls. The District is then divided into groups with Dimmitt, Plainview, Lubbock, Lamesa and Brownfield comprising group four that is to meet here Monday.

The Lions clubs are very progressive clubs and are one of the greatest assets to a town. Since their organization the Lions club of Dimmitt has assisted the town in many enterprises.

Texas Utilities Issue Interest Warrants On Deposits

Interest warrants on meter deposits were received at the local office of the Texas Utilities this week. As a meter is installed, the customer is required to put up a deposit and interest of 6 per cent is then paid by the company on the amount of the deposit. Those with meter deposits may call at the office here and secure their interest.

Relief Office Distributes Mattresses

Twenty-five mattresses received last week in the office of the local relief headquarters have been distributed over the county to the needy. The mattresses received through the Amarillo division office, had been ordered for some time and constituted one of the needed articles of this county.

Nazareth H. S. Girls To Give Three-Act Play Feb. 24-25

The Nazareth High School girls are giving a three-act play, "The Mystery of the Masked Girl," Feb. 24 and 25 at the Nazareth Hall. The public is invited to attend the entertainment.

Dixie Blackbirds Presented By American Legion

The Dixie Blackbirds are flying toward Dimmitt to alight on the auditorium stage of the Dimmitt High School tonight, Feb. 21. They are coming to Dimmitt under promise of protection by the American Legion of Dimmitt. The Blackbirds, big, little, old, an young of both sexes, are going to perform stunts, skits, sketches, dialogues, dances, songs, and choruses, from the smallest pickaninny pigeon-wing shuffler to the venerable white-haired 'cullud' parson. A bevy of chorus girls selected for comeliness, vocal talent and nimble feet, will tunelessly warble new song melodies, "Old Fashioned Paps," "Dixie Blackbird," "Now and Then," "Down Where the Sun Flowers Grow."

The Dixie Blackbirds is a minstrel show of both juveniles and adults. Thirteen adult ministers--four endmen, eight circle men and the inter-locutor--with 13 juveniles, eight, six, or old pickaninnies, four small endmen and their interlocutor, constitute the minstrel cast proper. Their jokes and wisecracks are really brand new, birthmarked 1935, sparkling with firecracker witticism and hilarity. Two convulsive comedy skits, "The Dark Triangle," and "Now and Then" are highly recommended and prescribed as cures for indigestion and depression blues and the program is climaxed by a "Womanless Fashion Show" in which Stylish Stouts, Evening Gowns will be featured on Slender Sallies, Lingerie Models and shapely male mannequins.

The Legion reports a good sale of tickets for the minstrel and expect the auditorium to be crowded. Tickets may still be purchased from different individuals and at the show tonight.

Rev. Shaw Elected Pres. of Ministers Board For College

Rev. Vernon Shaw, pastor of the First Baptist church here, was elected president of the Board of Ministers for Wayland College in Plainview at a four-day Baptist conference that ended last Friday. Other officers of the board elected were Rev. Arthur Jordan, Matador, Vice-President, Rev. Herman Coe, White Deer, second Vice-President, and C. E. Roark, Plainview, Secretary-Treasurer.

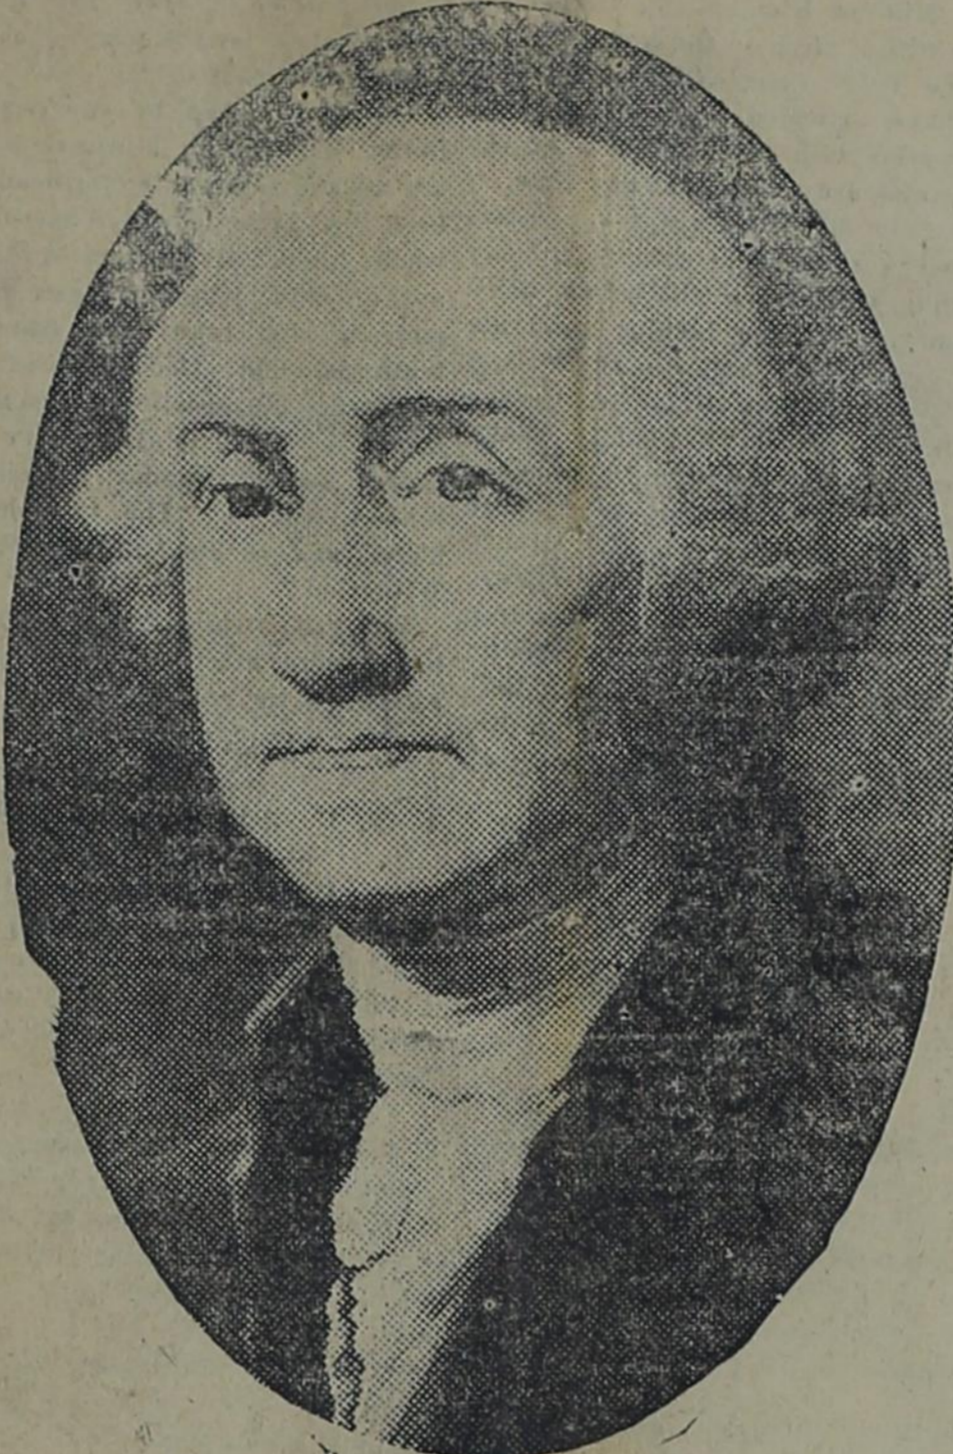

Collector From Treasury Dept. In Plainview Mch. 1-2

Due to the fact that many important changes effecting the filing of income tax returns are embodied in the Revenue Act of 1934, several of which are likely to be most confusing to income taxpayers, the Treasury Department of Dallas has sent Deputy Collector J. H. Hooper to Plainview for the purpose of assisting taxpayers in correctly filing their returns. Mr. Hooper will be in the lobby of the City National Bank, Plainview, from 8:30 a. m. to 5:00 p. m. on the first and second of March, where he will be glad to confer or assist anyone who wishes to avail himself of his help.

Wesson Hardware Appointed Maytag Dealer in County

The N. L. Wesson Hardware Company has recently been appointed as Maytag Dealer for this county and will have the model washers on display at his store here. The Maytag is a widely advertised brand and Mr. Wesson feels that he has secured a washer that will sell and please the buyer.

FEBRUARY 22

Friday, Feb. 22, the nation will celebrate the birthday of the "Hero of American Independence" and the "Father of Our Country," George Washington.

With the exception that Washington was born at Bridges Creek, Westmoreland County, Virginia, Feb. 22, 1732, very few facts is known of his early life, however, history shows that he was a strong, healthy boy, always possessing the inherent qualities of a man. Proving himself capable of handling men as well as any work

that was assigned to him, at the early age of 19 he was appointed adjutant-general in the Virginia militia and later proved himself the superior to the English generals in the hard fought, frontier battles with the French and Indians.

Representing his country both in its rights and war, he took an active part in all of the affairs and successfully led the country thru the revolution that freed us from the English rule and left the name of "Father of Our Country" that he so rightly deserves in history.

LIONS CLUB MEET J. A. Harwell Dies Wed. Morning

The Dimmitt Lions club met in regular den Tuesday noon at 12:05. Lion Ozro Stevens acted as Boss Lion in the absence on Lion Harmon.

The roughnecks were unusually rough and Tailtwister Whitlow was kept busy, however, there were a couple of Lions that were more unruly as usual, but they were conquered by old Tailtwister Whitlow.

The Goat metal was presented with all the trimmings, by Lion Pat Dean to the youngest Club Dilmond Neumayer, who is now the Goat in the club.

The following committee appointed to work the Ladies Missionary regarding the district banquet Monday night, Feb. 25. E. Kirkpatrick, Ed West, and Vernon Shaw.

J. A. Harwell, resident of Dimmitt for the past 18 months, passed away early Wednesday morning, pneumonia causing his death.

Mr. Harwell was well-known here and has a number of step-children living at Dimmitt. Funeral arrangements were awaiting the arrival of a son from Tennessee.

Surviving the deceased are his wife, Ernest Harwell of Graham, A. T. Harwell of Nashville, Tenn., Mrs. John Waters of Eliasville; Mrs. Jess Gray of Drumwright, Okla., C. H. Harwell of Oklahoma; several step-children, and two sisters, Mrs. Laughter of Partales, N. Mex., and Mrs. Gabe Humphreys of Hot Springs, Ark.

COMMISSIONERS MEET IN BUSY THREE DAY SESSION FEB. 12-13

SCHOOL DEPOSITORY, ROAD OVERSEERS AND ELECTION JUDGES ALL NAMED

The commissioners' court of Castro county met in a busy three-day session the early part of last week, settling all of the problems brought before them and appointing road overseers and election judges for the different precincts. The First State Bank of Dimmitt, being the only and therefore the highest bidder for the depository of the school funds, was selected as such depository.

Road overseers selected for Precinct 1 were S. L. Braddock, Nazareth; A. Ebeling, Sunnyside; Carl Hankins, Hart, and Earnest Jones, Flagg. For Precinct No. 2, Alfred Scott, Big Square; K. Roberts, Bethel, and J. H. Cryer, Dimmitt. For Precinct 2, Dave Stewart, Summerfield; A. T. Jones, Frio, and Bob Axe, East Side. For Precinct 4, Joe Birkenfield, Nazareth; Bill Dirks, Blue Ridge; Ross Campbell, Arney; M. G. Layman, Jumbo

and John Crum, Dimmitt. Election Judges for the ensuing two years that were appointed in voting Precinct 1, Dimmitt, were Frank Drerup, presiding judge; Roy Smith, assistant judge. For voting Precinct 2, Dimmitt, B. D. Woodlee, presiding judge; W. A. Murphy, assistant judge. For voting Precinct 3, Dimmitt, W. T. Gollehon, presiding judge; Homer Norwood, assistant judge. For voting Precinct 4, Dimmitt, J. W. Bell, presiding judge; D. W. Shepard, assistant judge. For voting Precinct 5, South Nazareth, Joe Hyland, presiding judge; Paul Kern, assistant judge. For voting Precinct 6, Hart, J. C. McLain, presiding judge; J. M. Scott, assistant judge. For voting Precinct 7, Cleo, J. H. Wagley, presiding judge; Ross Summers, assistant judge. COUNTYWIDE SINGING CONVENTION TO BE HELD AT FRIO SUNDAY, FEB. 24

\$14,912.80 Received On First Payment Wheat Contract

Received in the office of the County Agent Saturday of last week were government checks in the amount of \$14,912.80, which was the first payment on part of the 1934 Wheat Contracts. The checks represent only 79 out of the total effective wheat contracts in this county.

The government programs are now all in full swing for another year with numerous other smaller projects being undertaken. Canning meats and vegetables, terracing land, and other programs for the county are keeping both the County Agent Wayne Thomas and Assistant County Agent F. A. Cunyas busy in the office and on field work.

In regard to the contracted acreage for wheat land, before the contracts will be fully complete, farmers are warned that the land must be staked before the committee begins their survey. The staking of the land has reference only to the land contracted to the government that must be surveyed.

Enumeration Is Finished in County

According to statements made by County Enumerator J. G. Davis, the farm enumeration of Castro County has been finished and records sent to the District supervisor, C. C. Gibson of Amarillo, who will forward the statistics on to Washington authorities. No account of the enumeration made will be published in single counties, however, it may be possible to secure the results of a combination of three counties. After the data has been re-assembled at Washington, the facts will then be available and will furnish one of the most complete farm enumerations that has ever been made in this country.

Mr. Davis, enumerator of Precincts 2 and 3, and Mrs. Earl White, enumerator of Precincts Nos. 1 and 4, have been working on the enumeration of Castro County since Jan. 2, covering the entire county in their work. Mr. Davis stated that he believed every farm in the county had been enumerated and that the report for this county would be complete in every detail.

Recital at Hereford Well Attended By Dimmitt Citizens

Approximately 30 people from Dimmitt attended the recital given at the First Methodist church of Hereford last Sunday afternoon. The program was very interesting, Rev. Strother of the First Methodist church here giving several numbers on the organ and two numbers being given by the Hereford Choral club under the direction of Miss Mattie Mae Swisher.

Because of the large number attending the recital from Hereford and surrounding communities, it was necessary to open the Sunday school division of the church.

BOONE-BRASHEARS

Miss Sarah Brashears, daughter of Mrs. Etta Brashears of this city, and Jim Boone, son of Mrs. Riley of Sayre, Okla., were united in marriage Saturday, Feb. 2, at Tulia, with Rev. A. C. Huff, pastor of the Baptist church of Tulia, officiating.

Mrs. Boone has lived in Dimmitt all her life and has been connected with her mother in the management and operation of the Brashears' Hotel. Mrs. Boone was a member of the 1930 graduating class of this city.

Mr. and Mrs. Boone will make their home in Dimmitt. The many friends of this young couple wish for them many happy and prosperous years of wedded life.

OUT-OF-COUNTY QUARTETS EXPECTED TO BE PRESENT AT SINGING

A singing convention comprised of all of the communities of the county as well as out of the county communities will be held at the Frio schoolhouse Sunday, Feb. 17. The convention will begin at 10 o'clock in the morning and continue throughout the day.

Every community in the county is expected to be presented at this convention and a number of quartets from other counties have already made plans to be present. W. W. Branscum of the Big Square community who is chairman of the convention, stated that the Hartford Music company of Hartford, Ark., had notified him that they expected to have a representative at the singing.

Arrangements are in progress for the holding of the singing and by Sunday the committee in charge of convention anticipate a well organized program for the meeting. The public is cordially invited and urged to be present with the expectations of hearing an interesting and beneficial convention. Plans for lunch have not been completed, however, those attending are requested to bring a basket for the spread that will be in the order of a picnic.

Picture Show On Indian Work At Presby' Church

A movie picture on the Indian work of the Presbyterian church will be given at the local Presbyterian church Sunday evening, Feb. 24, according to Rev. W. H. Bessire of Canyon, who will be here at that time. The show is sponsored by the Board of National Missions, U. S. A., of that church and along with the picture will be given a lecture on the work. A large crowd is expected at the church as the members anticipate a very interesting show and lecture.

Co Clerk Purchases 3,937 Rabbit Scalps Up To Tuesday

Rabbits should soon be on the decrease if a few thousand, more or less, makes any difference in the number in this county. Up to Tuesday the County Clerk had paid out bounty for 3,937 scalps, all of which were from this county. However, this number is small in comparison to the number that has been killed on the drives staged the past few weeks. In some instances, single drives have netted almost that amount.

Kenmore Attends Welding Conference At Lubbock

F. H. Kenmore of the Dimmitt Welding and Machine Shop, attended a meeting of blacksmiths, machine shop workers, pipeline builders and others employed in electric or oxy-acetylene welding and cutting at the annual Welding Conference held at the Texas Technological College, Feb. 14 and 15. The conference was the first of its kind ever staged in West Texas and brought many of the best authorities found in this industry.

Mr. Kenmore stated that the meeting proved both interesting and educational, since demonstrations and moving pictures were given on the cutting of cast iron, welding stainless steel, operating of cutting machines, oxygen lance, linde weld on pipe, bronze welding, hard surfacing, welding steel, cast iron, and aluminum, tensile testing of welding sections, and other problems that arise in the machine shop.

Ralph Gage entertained a bunch of the youngsters with a birthday party Friday evening.

The Flagg P. T. A. met at the regular time, Friday evening, Feb. 15, and a program was given.

Mrs. A. D. Foyd has returned from the Miller-Cogswell Sanitarium, where she had her tonsils removed.

NAZARETH NEWS

SCHOOL NEWS

We are glad to report that Laramack Hankins has recovered from the chickenpox and is back in school.

Those missing this week due to sickness are Joseph and Clarence Schulte, both having the mumps.

The "Wantonit Club" held a very interesting meeting Thursday, Feb. 14. Arnold Schumacher, Mary Birkenfield and Ethel Bischel are responsible for the interesting program.

For the program, Norburt Hoelting sang a song, Louise Bellinghousen

read several interesting jokes, adding the names of the members of the club to the jokes, Velma and Thelma sang a song, Gervase Hyland asked several riddles, Isabel Gerber sang a song, Ruth Braddock and Germinie Binzenger composed a dialogus concerning two geometry students, James Schwallier had several working on a trick and Mildred Kleman entertained the club with a piece on the organ.

The boys' basketball coach, Paul Venhaus, attended the program. Patrons who wish to be present at the programs are welcome at any time.

Mrs. and Mrs. Frank Hoelting entertained a number of friends Sunday evening celebrating their 14th anniversary. Those helping celebrate were Messrs. Mesdames Wilfred Hecitine, Florence Heimann, George Brockman, Hubert Braddock, Jake Arko, Edward Koelting, Alphonse Heimann, Alfred Bohlmeier, Alphonse Albracht, Florence Albracht, Henry Hoelting and sons, Narburt and Gregory. Mrs. Joe Huseman and children of H. J. Y. Cyril Albracht of Easter, and Messrs. Florence and Frank Ball, Bill Heimann, Joe Venhaus, Ray Ramakers, and Misses Martha Brockman and Evelyn Huseman.

Church

CHURCH OF CHRIST

General interest in work and attendance, is the best it has been for months. This is true in spite of sickness and wintery weather. Not all are faithful, but the shrinkers are few in number. The church everywhere is hindered by worldiness, and indifference. This should not be. We are making special effort to rid the church of such sins. We believe such can be done. Some just will not reform but such are not to be fellowshiped by the congregation. Their names will be dropped from our roll, and we shall let the world know that they are no part of the body. A tree is greatly injured by carrying dead limbs. The church is injured by holding up and fellowshiping dead members, "A little leaven leaveneth the whole lump." If you are a member, out of duty, why not come Sunday morning and take your stand for truth and right. God will forgive your negligence if you will, confess, and the members here will gladly give you a church home. Sunday morning the subject will be, "The Church Complete," and Sunday night, "Walking With God."

We had a large audience at Cleo last Sunday afternoon. Next Sunday afternoon we go to Flagg.

WHY PEDDLERS,

Dimmitt does not need peddlers. Every few days trucks or peddlers stop on the streets offering fruits or other items that our local merchant are selling at smallest possible profit. Our merchants pay our taxes, improve our town, and are the people that make Dimmitt, so why must we allow peddlers to park on the main street of our town to take trade that they need. We are against out-of-town peddlers. For those who could come to town every few days to catch a peddler or who might be able to wait five or six days to order from him, the peddler is alright, but we never heard of a peddler or a mail-order house building a small western town a school or a church.

LAUGH AND THE WORLD

LAUGHS WITH YOU

Some folks are inclined to laugh at the idea advanced for building dams in the Panhandle for the purpose of better flood control, as well as improving the moisture in this section. From a scientific standpoint, the idea is entirely feasible, and if had been put into execution back in the good old days when land owners had money for improvement, the great drought would not have been so severe. The successful method of starting flood control is to start the series of dams back at head waters, and hold as much water as possible in each of the series of dams which may be a mile or so apart. When there is plenty of rain there is no use for the water, but when the drought hits, as this section has gone through during the past five years, then all farmers wish there was some surface water available for irrigation. There will be no method of making folks do this, but the idea is a good one for discussion, and some will fall into the idea. —Canyon News.

IT IS EASY TO BE A FAILURE

It is so much easier to be a failure than a success. One must work and enjoy working if they are to be a success. Today is tomorrow and one

man that intends to succeed is always finishing as well as beginning. He never finds that he cannot progress a little farther. He never says, "that's the best I can do," because he knows he has a home, his business, his town, and his country to improve. A business must have the foundation of good homes. A town the foundation of good businesses and a country the foundation of all. A poor business man is to the town as a broken stay to the barrel. Excessive trade must be poured into the town to make up for the one business man who is failing to cooperate with the other business houses. The failure believes he is fighting the world alone but the successful man knows he is fighting it by cooperation with others.

WHO WINS!

Peter Patton the Ford salesman reports the following story:

The other day three new 1935 cars happened to meet on Main street in Muleshoe and got into a friendly conversation. One of them was a Chevrolet, one a Plymouth and the other a Ford V-8. The Chevrolet boasting of its modernism, said to the other two, "Just look under my fender and see my knee-action." The Plymouth car said, "Look under my hood and see my floating power," and the Ford car not to be outdone said, "Just wait until that darned old truck gets out of my way and see my tail — — — ight."—Exchange.

PUPILS VISIT LOCAL BAKERY

The third grade of our local school has been studying about bakeries in their geography, the model of which they are studying being the largest bakery in the world located in New York City. Desiring to make a comparison, and learn just how bread is made, the pupils visited the local bakery last Friday. The pupils visited the local bakery last Friday. The pupils were all asked to tell what they saw and the following story, written by little Marie Crum, was selected by Mr. Gladman as the best story:

My Visit to the Bakery

The third grade went to the bakery Friday. The bakery man gave us some cookies while we were waiting on the bread. When we first came in the had the dough in the mixing trough. There were two men working in the Dimmitt Bakery. One of them took the dough out of the mixing trough and put it in the mixer. Then they put it back in the mixing trough. Next they put it in the brake. After this they put it on a big table and cut it in little pieces and molded it. Then they put it in the pans and right in the steam boxes and let it stay for an hour to let it rise. Then they put it in the oven and let it stay thirty minutes. When it was done they put it on the cooling racks because if they don't let it cool it will sweat. They have a machine to slice it and then they wrap it with wax paper. Then people come and buy it.—Marie Crum.

COTTON PRODUCERS' POOL MEMBERS GET CHECKS UNDER 12 CENT LOAN

College Station — Checks are being issued at the rate of approximately \$1,000 per day to members of the 1935 cotton producers' pool upon application for the two cent advance on their participation trust certificates under the 12 cent loan plan, according to information received by the Extension Service from the Agricultural Adjustment Administration.

Pool members a ready have been advanced 10 cents a pound or approximately \$50 a bale as evidenced by their participation trust certificates. When he is authorized by the pool member to do so, Oscar Johnston, pool manager, borrows from the community Credit Corporation an additional two cents per pound of \$10 a bale. From this amount, the carrying charges on the cotton in the pool are deducted.

Mr. Johnston estimates that apply \$11,400,000 to pool members. The additional two cents a pound loan will be made on approximately 1,500,000 bales, which would mean the distribution of approximate-

The following appeared in the National Printer Journalist and we consider it a sure cure for hard times as well as a pleasant practice for prosperity. This article written by Benjamin Franklin has not been outlived. To pursue this course set up by Franklin for seven years should prove worthwhile, and if followed diligently would not end in the seven years. We quote verbatim:

A CURE FOR HARD TIMES

"Make a full estimate of all you owe and of all that is owing to you. Reduce the same to note. As fast as you collect, pay over to those you owe; if you can not collect, renew your notes every year and get the best security you can. Go to business diligently and be industrious—lose no time—waste no idle moments—be very prudent and economical in all things—discard all pride but the pride of acting justly and well—be faithful in your duty to God, by regular and hearty prayer morning and night—attend church and meeting regularly every Sunday, and 'do unto all men as you would have them do unto you.' If you are too needy in your own circumstances to give to the poor, do whatever else you have in your power to do for them cheerfully—but if you can, always help the worthy poor and unfortunate. Pursue this course of life diligently and sincerely for seven years, and if you are not happy, comfortable and independent in your circumstances, come to me and I will pay all your debts."

BENJAMIN FRANKLIN

Born January 17, 1706 in Boston.

SOMETHING WE DIDN'T KNOW

The following was taken from the Feb. 10 issue of the Plainview Herald:

"Incidentally, from some quarters has come an urge to change the name of the Dimmitt Bobcats to the Wild Goslings, in recognition of the hobby of Edwin Ramey, long time active supporter of the team at home and abroad."

NAZARETH NEWS

SCHOOL REPORT

(Too Late For List Week)
I wish to make a correction in last week's Nazareth school report which read: "The Jumbo girls were victorious, beating the Nazareth girls 2-19." It should have read: "The Jumbo girls were victorious beating the Nazareth girls 28-19." The club paper, "The Wantonit Snooters" is progressing nicely, all the club members seem to be interested in the paper, and all are cooperating.

Believe It Or Not

Norbert Hoeltin, a Junior, is so absent minded that he searched the entire classroom for the "English Literature" by Pace, and then discovered it in his own hands.

Germaine Ginzegger, a Senior, is still trying to create some mischief.

Herman Rickwart, a Sophomore blushes as much as he ever did.

Isabel Gerber, a Freshman, can still find something to giggle about.

Some of the best fourth year English students flunked in an English quiz last week.

The Sophomore girls are still as ambitious as ever.

The Sophomore boys haven't forgot how to tease.

The Freshman girls have taken interest in basketball at last.

The Freshman boys can make more noise than they could at the beginning of school.

You'll never guess who the Negro Preacher is and you should not miss seeing and hearing him in the "Dixie Blackbird" at the High School Auditorium tonight.

A DOCTOR, upon receiving a \$10.00 package of cigars from a mail order firm with the request that he try the cigars and mail in the ten dollars or pass the cigars to some friend who might want them, knew just how to handle the situation. The doctor wrote in reply: "Cigars received. I enclose in payment of two prescriptions well worth \$10.00. If you do not need them, you can sell them to some friend."

JOHN CHAPMAN, a farmer near Sparta, Ga., paid a traveling "specialist" \$250 for a pair of ten-cent store spectacles. Though not in the way of spectacles, some things are being "passed" off on the people this country every few days and would seem just as foolish as the ten-cent item.

SAWMILLS in the State of Washington have increased their manufacturing quotas three times in the last four months, the advances synchronizing with the advance of the Better Housing Program.

BOYS in some of the CCC camps do not appreciate the efforts of the government to make their life more pleasurable. One camp near Eldon, Mo., has been reprimanded by the "Eldon Advertiser" because the boys were rude to girls on the streets and committed many other breaches of the peace, forgetting the responsibility that has been placed on them.

ECONOMISTS and others interested in the Nation's most important industry will soon have available new facts relative to agriculture, as a result of the farm census now being completed. Shifting of population to and from the farm, occupancy of farm dwellings, color and tenure of farm operators, ownership of farms, tenancy, age of farm operator, acreage in farms, land classification as to use, farm value and mortgage debt, family and hired labor, principal crops acreage and production, number of principal kinds of fruit trees, number of various classes of livestock, and the production of milk, wool, eggs, and mohair, will be available soon.

SHELTERBELT experts give the following trees as champion drought resistant species: Red Cedar, Green Ash, Elm, Chinese Elm, Honey Locust, Black Locust, Cottonwood, and Hackberry. Some of these will probably be used in the shelterbelt program in this county.

Scientists Find Fast Way to Relieve a Cold

Pain and Discomfort Eased Almost Instantly Now

Take 2 BAYER Aspirin Tablets. Be sure you get the BAYER Tablets you ask for.

Drink a full glass of water. Repeat the treatment in 3 hours.

If throat is sore, gargle and stir 2 BAYER Aspirin Tablets in a glass of water. Gargle with it. This same throat treatment almost instantly.

NOTE "DIRECTIONS PICTURES"

The simple method pictured here is the way many doctors now treat colds and the aches and pains colds bring with them!

It is recognized as a safe, sure, QUICK way. For it will relieve an ordinary cold almost as fast as you caught it.

Ask your doctor about this. And when you buy, be sure that you get the real BAYER Aspirin Tablets. They dissolve (disintegrate) almost instantly. And thus work almost instantly when you take them. And for a gargle, Genuine Bayer Aspirin Tablets disintegrate with speed and completeness, leaving no irritating particles or grittiness.

BAYER Aspirin prices have been decisively reduced on all sizes, so there's no point now in accepting other than the real Bayer article you want.

THINK OF IT! Brand new, fresh-from-the-factory Remington No. 5's for a cash price only \$49.50. (former price \$60)—a new reduction! Plus our special easy payment plan. This price positively represents the best buy that can be made in portable typewriters.

It was this model which Commander Byrd took on his flight to the Poles—which Floyd Gibbons used in the sweltering stretches of the Sahara—which accompanied that intrepid group that dared the heights of Mt. Everest. Yes, whether in the shelter of the American home or the wildest regions of distant lands, there you will find this model Remington standing up and delivering as no other portable has ever done.

FREE TYPING COURSE

When you get your new Remington No. 5, you will get with it—absolutely FREE—a 19-page course in typing. It teaches the Touch System, speeds up work.

It is simply written and well illustrated. Instructions are easy as A.B.C. Even a child can understand this method. A little study and the average person, child or grown-up, becomes fascinated.

Following this course during the first 10 days that you have your typewriter. At the end of that time, you should be able to dash off letters faster than with pen and ink.

FREE CARRYING CASE

With every Remington No. 5, a FREE carrying case sturdily built of 3-ply wood. Covered with heavy DuPont fabric. Top is re-zipped in one motion, leaving machine firmly attached to base. Can be used anywhere—on knees, in chairs, on trains.

LEGAL NOTICES

(First published in the Castro County News, Dimmitt, Texas on February 7, 1935) 3t

NOTICE OF SALE THE STATE OF TEXAS COUNTY OF CASTRO

By virtue of an alias execution issued out of the 78th District Court of Wichita County, Texas, on a judgment rendered in said court on July 2, 1934, in favor of H. W. Melton against R. R. Robertson, in the case of H. W. Melton vs R. R. Robertson, No. 25,687-B in such court, for the sum of \$9,825.00, together with 6 per cent interest from Oct. 28, 1931, and all costs of suit, I did, on the 23rd day of January, 1935, at 2:00 o'clock P. M., levy upon the following described tracts and parcels of land situate in Castro County, Texas, as the property of R. R. Robertson, to-wit:

All of Sec. 246, Block M-6, Cert. No. 265, issued to S. K. & K. containing 657.2 acres, more or less; 1/2 of the East one-half (E 1/2) of Sec. 325, Blk. M-6, Abstract No. 305, containing 331 acres, more or less, all of said land being situate in Castro County, Texas,

and on the 5th day of March, 1935, being the First Tuesday in said month, between the hours of 10:00 a. m. and 4:00 P. M. on said day, at the Court House Door of said County, in the City of Dimmitt, Texas, I will offer for sale and sell at public auction for cash, all the right, title and interest of the said R. R. Robertson in and to said property.

Dated this February 2, 1935.
GARLAND BROWN,
Sheriff, Castro County, Texas.

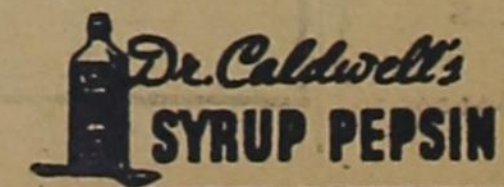

The "liquid test"

...it ENDS bowel worries for many people

This is a test that tells you whether the system needs a cathartic change. If you have constant sluggish spells or bilious attacks, and laxatives seem to make things worse, it would be wise to try this:

Stop all use of any laxative that does not encourage variation from a "fixed dose" (which may be entirely too large a dose for your individual need). Use instead, a liquid laxative that you can measure and regulate as to dose. As necessary to repeat, take smaller doses, less and less often, until the bowels are moving without any help at all.

Doctors use liquid laxatives, and a properly prepared liquid laxative, containing natural laxative agents like senna and cascara is a joy and a comfort; a real help in establishing regularity. Ask your doctor about this! (Doctors use liquid laxatives.) You can get Dr. Caldwell's Syrup Pepsin, which is a most dependable liquid laxative, at any drug store.

Study Club Barn Dance Successful

"A good time was had by all," might well be the descriptive adjective used in describing the barn dance given by the Junior Study Club at the Witt Hotel Thursday night, Feb. 14. The dance was very successful, being one of the best attended dances held at Dimmitt in some time.

Square dances were attempted, but met with little success as only a few at the dance had ever danced a square.

The Study club was well pleased by the cooperation received in this entertainment. A "sell out" of tickets to the dance caused the club to have to change the location of the dance at the last minute to the lobby of the Witt hotel which was donated to the club for the night.

DIMMITT HIGH JUNIORS AND SENIORS WIN TOURNAMENT HERE SATURDAY

Beginning at 9 o'clock Saturday morning the junior high and senior boys and girls basketball teams over the county held a tournament on the court of the local high school. Jumbo, Flagg, Big Square, Sunnyside, Hart

and Dimmitt were all represented by both a junior high and senior girls' and boys' team, four final games being played Saturday night. Sunnyside and Dimmitt began the first final, Dimmitt losing to the Sunnyside junior girls by the score of 31 to 6. The junior boys from Flagg and Big Square were the next contestants, Big Square winning from Flagg 23 to 7. The Dimmitt Junior high girls took the next final game from Jumbo junior high girls 22 to 11 and the Dimmitt high junior boys also took their final game from the Jumbo junior high boys 34 to 18.

Friday night the high school teams divided their games with the Canyon teams, the boys losing their game and the girls winning. The Junior boys also took their game from Big Square Friday night.

Mr. and Mrs. Henry Stalcup and Mrs. George Key were visiting in Amarillo Monday.

Mr. and Mrs. Raymond Wilson and Miss Mary Belle Carroll visited Mr. Wilson's parents in Tulia Sunday.

ON TEXAS FARMS

By Minnie Fisher Cunningham, Extension Service Editor
Looking toward more home orchards in Runnels county the county agricultural council appointed an orchard committee to secure bids from nurserymen and asked each community agricultural association to canvass and list the persons wanting fruit trees and vines. More than 700 trees were ordered.

Mrs. Ora Montgomery, yard improvement demonstrator of Collin county, has a rule that no shrub is to be planted in ground that has not been especially prepared for it. If the ground is tight and waxy it has to be loosened up by working in barnyard manure and cotton waste from the gin before this home beautifier will approve risking the life of one of her plants.

Cold weather in Llano county was the signal for more pecan budding work there. On the ranch of F. H. Westerman, farmers, ranchmen and 4-H Club boys gathered to take part in the pecan budding demonstration when Glen Patton (R. H. Nelson, and D. D. Steele, farm demonstration agent, "showed 'em how." Westerman plans to increase the number of top worked trees on his ranch gradually until he has the banks of the San Fernando broadened with fine pecans.

Hardy shrubs proved their worth in recent freeze, according to the report of Miss Effie McClane, home demonstration agent, on the yard improvement work being carried on by rural women in Kleberg county. Plants that were acclimated by nature stood the cold as they stand the long dry spells, while tender though beloved shrubs lost out completely. These probably will be replaced by more hardy varieties to insure no future loss, Miss McClane says.

East Side Dimmitt Club Meets With Mrs. Geo. Behrends

with Mrs. Geo. Behrends on Feb. 15 with an interesting meeting.

The subject discussed at the meeting was the surplus that we now have in farm products, the club members giving a report on Henry Wallace from the book, "America Must Choose." The book brought out that during the World War 40,000,000 acres of land were put into production in this country to supply the world markets demolished by a decrease of 50,000,000 acres in Europe. After the war Europe replaced the 50,000,000 acres, however, America did not decrease the amount of hers, but, instead, increased, making the surplus she now has.

Those present at this meeting were Mesdames Galloway, Eubanks, Dameron, Glenn, Newton, the hostess and Miss Izora Clark, home demonstration agent. The next meeting will be held at the home of Mrs. Galloway on March 4 and all members are urged to be present, bringing someone with them and also bringing pencil and paper.

president; Mrs. W. A. Sinters, vice-president; Mrs. Vernon Simmons, secretary, and Mrs. George Bradford, parliamentarian. Talks were given by Dimmitt visitors, Mesdames Hastings, Sheffy, Cogswell and Miller.

The club extends an invitation to all ladies who are interested in this work to meet with them at their next meeting which will be held at the home of Mrs. Sid Sheffy, Feb. 21 at 2:00 p. m.
