## YANK ARTILLERY DRIVES NAZIS BACK AT ANZIO

### MRS. YEAGER DIED SATURDAY, GORMAN

Mrs. W. L. Yeager of the Bluff Branch community, died in Blackwell hospital, Gorman, at 2:40 o'clock Saturday afternoon. She was 61 years of age and had made her home in that community since her marriage to Mr. Yeager, Nov. 9, 1902. Her maiden name was Maggie Eula McClelland and she was born near Decatur, Ala.

The funeral will be held at East Cisco Baptist church at 5 o'clock this afternoon, with burial in Oakwood cemetery. Rev. Russell Dennis and Rev. W. R. Ivie will officiate.

Mrs. Yeager was a devout Christian woman and had many friends. She had been a member of the Baptist church since girlhood.

Survivors include the husband, Mrs. E. L. Smith of Vernon, a daughter; two sons, L. H. Yeager of Cisco and C. H. Yeager of Sheppard Field; two brothers, E. C. and C. M. McClelland, Cisco; two sisters, Mrs. A. E. Bosher and Mrs. J. A. Yeager, Cisco; a half brother, D. H. McClelland, Decatur, Ala., and five grandchildren.

### TEXAS ISSUING MANY OLD AGE CHECKS

AUSTIN, March 4.—The state department of public welfare has begun the mailing of 177,423 old age assistance checks averaging \$21.23 and totaling \$3,767,078. This compares with 178,360 checks averaging \$21.17, issued in February.

The department says fewer applications are being received, due principally to improved economic conditions and therefore fewer people are being added to the rolls. This accounts for the decline in number of recipients since there has been no material change from previous months in the number being removed from the rolls because of death or ineligibility.

The aid to the blind rolls continue practically static with 4,687 checks, averaging \$24.35 and totaling \$114,149, being issued to blind persons.

The aid to dependent children rolls declined from 10,000 to 9,849 families who will receive a total of \$209,075 in an average check of \$21.23.

### BANQUET FOR MEN.

The stewards and the Good Fellows Sunday school class are sponsoring a banquet for men at First Methodist church Monday night at 7:30. The program will be in charge of J. E. Hays, O. L. Stoney and A. R. Westfall, W. J. Foxworth is chairman of the board of stewards and S. H. McCullies is president of the class. The ladies of the church will serve the meal.

BABY ELAND—Fort Worth Tex., zoo inhabitants are all agog over the arrival of this baby eland, one of the few born in captivity. Warning: She has a nasty temper and kicked first person to pat her.

### LT. CLYDE CLEVELAND.

The funeral of Lieut. Clyde Cleveland of the Marine air corps ferry command, who met a tragic death Thursday when his plane fell near the home of his parents, Mr. and Mrs. Grover Cleveland, seven miles northwest of Cisco, will be held at 3 o'clock this afternoon at the Church of the Nazarene, with burial in the Cisco cemetery.

Rev. L. H. Clegg, pastor of the local church, will officiate at the funeral, assisted by Rev. Odell Brown of Grassland, Tex.

The burial at Oakwood cemetery will be a military service, with officers and men from the army air base at Abilene taking part. There will be a firing squad and a color guard and the

palbearers will also come from Abilene. Capt. R. C. Geger, chaplain of the base, will officiate at the grave. Present also will be Second Lieut. J. J. Browning of the naval air ferry command, a classmate and friend of the deceased. Surviving relatives of Lieutenant Cleveland are as follows: Mr. and Mrs. Grover Cleveland, parents; Bill and Lander Cleveland, Ft. Worth; Milton and Melvin Cleveland, Baltimore, Md.; Ensign J. S. Cleveland, South Pacific; A. S. Cleveland, navy, San Diego, Calif.; Flornoy and Bobbie Cleveland, at home—all brothers; a sister, Mrs. Harold McClain, Abernathy, Texas. Thomas funeral home is in charge of the remains.

### CISCO GAS SCHOOL TRUSTEES AND PALACE THEE ELECTION THE VICTORS APRIL FIRST

In Friday night's bowling contest Cisco Gas Corporation took three games from Thomas Funeral Home and Palace Theater copped two out of three from Collins Hardware. Zeal Smith carried off the high average of the evening with 171 and E. T. Thomas was second with 166.

Tuesday night Cisco Lumber & Supply will meet Smitty's Conoco and The Man's Store will attempt to unhorse West Texas Utilities. Friday night's games in detail: Cisco Gas Corporation—John Farleigh 161-145-150 Pete Nance 128-149-137 Lew Meendenhall 156-194-147 R. L. Ponsler 147-168-160 Thomas Funeral Home—E. T. TWO SOLDIERS KILLED. AMARILLO, March 4.—Two soldiers stationed at the Amarillo army air field were killed when a truck overturned five miles north of the field, authorities revealed today. Twenty-one other enlisted men were injured.

### JAPS TO GET ACTIVE WHEN DRIVE STARTS

WASHINGTON, March 4.—Congressional sources close to navy give this as their best guess on what the Japs plan to do in the face of our Pacific push: Eventually the Nips will have to pull into the "inner ring." This includes East China Sea, but not Formosa. The "inner ring" might extend as much as 300 to 450 miles from the main Jap islands. Inevitable battle between Jap navy and ours will be delayed till we cross this ring. Japs won't risk an all-out naval battle till they have adequate air cover. Other sources think Japan will try to go on the offensive when we invade western Europe. Their hope is that Nazis have sent a last call for Jap help; have explained that Japs' only chance is when we're busy in western Europe.

Don't count Turkey out, despite her present coolness. Unless Turkey contributes to the victory, she can expect little post-war consideration. And she knows it. She's vulnerable in peace or war; needs powerful allies. Russia and Britain will dominate Europe after victory.

Similar considerations apply to Spain. Washington refuses to be stampeded into siding with or against Spanish factions, right, left or middle. But as in Argentina, Bolivia and elsewhere, it will not be friendly with friends of Axis.

### HIGH SCHOOL BOYS OF 17 GIVEN CHANCE

WASHINGTON, March 4.—President Roosevelt today called on 17-year-old high school youths who will graduate before July 1 to investigate immediately the Army's specialized training reserve program in colleges. He said it was "of the greatest importance to the nation" that as many as possible take the entry examination March 15.

Praising the Army's expansion of its ASTP reserve, the President said it would furnish the armed forces with a much-needed "reservoir" of younger men with specialized training.

The Army and Navy jointly announced the expansion which they said would compensate for the withdrawal from colleges of 110,000 draft-age students urgently needed to meet selective service quotas.

### JAPS SHOVED BACK.

SOUTHWEST PACIFIC, Mar. 4.—U. S. troops, closely supported by medium bombers and fighter planes, have pushed their lines forward in all directions on Los Negros in the Admiralty Islands after repulsing new Japanese counter-attacks.

### YANK BOMBERS FILL SKY.

LONDON, March 4.—Hundreds of American bombers and fighters launched what may develop into one of the greatest daylight onslaughts of the war against Axis Europe today following RAF mosquito night raids on Berlin and western Germany. Spearheading the third straight day of American attacks, one tremendous force of bombers thundered out across the English Channel at great height.

### MRS. WROTEN IS DEAD.

Mrs. W. B. Wroten, 62, died Saturday afternoon in a Wichita Falls hospital. She was the widow of the late W. B. Wroten of this city and the body will be brought to Cisco by Thomas funeral home for burial, which will be held Monday. Mr. Wroten, carpenter and millwright died here several years ago and the wife will be laid to rest in Oakwood cemetery beside the husband.

### AHEAD OF TIME.

RISING STAR, March 4.—Rising Star was the first town in the county to secure its Red Cross war fund quota, J. F. Robertson, chairman, turning in a check for \$845.25 three days before the drive opened officially. Since then money has come in that raised the offering to \$860. The assigned quota was \$800.

### PUTTING ON THE DOG.

When soldiers of 564th MP escort guard company at prisoner of war section, Camp Carson, Col., chipped in to buy Duke, 120-pound St. Bernard, they realized they were getting a lot of mascot for their money. But didn't figure on his eating three pounds of meat a day.

ONE-WAY PASSAGE—Refugees fleeing from Nazi-held Italy to Allied ground are helped by Fifth Army Yanks, but are forbidden to return to enemy territory once they reach our lines. Here, a soldier lifts an Italian lad across the Mussolini canal to American-held soil.

### TWELVE FLIERS KILLED.

SHREVEPORT, March 4.—Twelve Barksdale Field airmen were killed when two medium bombers crashed after a collision while in flying formation. The planes were buried in the mud on a plantation eight miles northeast of Shreveport.

### HIS TWELFTH YEAR.

WASHINGTON, March 4.—President Roosevelt Saturday entered the "home stretch" of his third term in the white house. Noon marked beginning of his twelfth year at the helm of state. As Roosevelt began the final year of his third term political opinion in Washington was virtually unanimous that he will be named again next July as the Democratic party's candidate for a fourth term.

### WILL HOLD BUTTER.

WASHINGTON, March 4.—The War Food Administration has announced that every bit of butter held by the government, estimated at 70,000,000 pounds on March 1, is committed for use in early 1944 and none will be available for general civilian consumption. The government will resume its purchase of butter April 1.

### LEVER PATENT SUIT.

NEW YORK, March 4.—The litigation between Lever Brothers and Procter & Gamble company has been amicably settled between the two companies. A settlement of the patent case has been effected and the Procter & Gamble Company will continue to make new Ivory Soap as at present. All other pending legal action by both parties has been dismissed.

### BERLIN RADIO SAYS ONE OF MOST VIOLENT BATTLES IN HISTORY OF ITALY IS RAGING

NAPLES, March 4.—Allied forces have beaten back three new German attacks on their Anzio beachhead by American artillery in the battle of "Dead Women's Corner."

(Radio Rome, controlled by the Germans, reported last night that "one of the most violent and furious artillery battles ever fought on Italian territory" was taking place on the beachhead with "thousands of cannon of all calibres spitting fire in a limited space, churning up the ground yard by yard."

Although activity on the beachhead was reduced generally, two other local German attacks were beaten back by British troops of the Fifth Army south and southwest of Aprilia.

On the British Eighth Army's front, Canadian troops captured an enemy machine-gun position in the Crecchio area and one Indian patrol ambushed a German unit in the vicinity of Orsogna while another beat back an attack in the area of Fallascoso, inflicting casualties and taking a few prisoners.

The main Fifth Army front was quiet with the usual patrolling increased somewhat by clearing, warmer weather.

Heavy and medium bombers, escorted by fighters, struck again yesterday at the Germans' communications in the Rome area, hitting the capital's Littorio, Ostiense and Tiburtina railway yards, a tunnel at Monterotondo, the station at San Benedetto, and airfields at Viterbo, Canino and Fabrica di Roma.

MOSCOW.—Gen. Leonid A. Govorov's forces completed three-quarters encirclement of Pskov, gateway to Latvia and southern Estonia, today and virtually halted all traffic over the next-to-the-last escape railroad out of the strategic junction.

Extending their 22-mile siege arc to within seven miles south of Pskov, the Russians paralyzed movement along the Pskov-Warsaw trunk railroad, five miles to the west, and left the threatened garrison only the secondary line west to Riga over which to move troops and supplies.

Govorov's men hurled the last water barrier east of Pskov in a frontal attack that led to the capture of Bolshoye Fomkino, on the west bank of the Kep river only five miles from the center of Pskov.

The Russians also seized Markovo, eight miles northwest of Pskov, in relentlessly increasing pressure against the garrison from the northwest, north, northeast, east, southeast and south. The six-way railway and highway junction now was under artillery fire from all six directions.

More than 800 Germans were killed in fighting around Pskov yesterday.

### RFC TO HELP WAR VETS RE-OPEN BUSINESS

WASHINGTON, March 4.—Jesse H. Jones, Secretary of Commerce, says the Reconstruction Finance Corporation may allow small business loans to those returning from the armed services to assist them in re-establishing businesses which they were forced to leave on entering service.

The applicants must show prior business experience, have equity capital, and must show economic need for the business. These loans will be handled by local banks with RFC participation. Applications should be filed through local banks.

### DALLAS RECEIPTS UP.

DALLAS, March 4.—Dallas department stores were the only ones in the larger cities of Texas to report a gain in sales for the week ended Feb. 26, over the same week of 1943. The report from the Eleventh Federal Reserve Bank Saturday showed Dallas retail sales were up 9 percent. Houston reported a decline of 2 percent, Fort Worth 9 percent and San Antonio 25 percent.

### DEMOCRATS TO MEET.

AUSTIN, March 4.—George A. Butler of Houston, chairman of the state Democratic executive committee, has called a meeting of the committee to be held in Austin March 29 to select the place for the state Democratic convention on May 23.

### KILLER REPRIEVED.

AUSTIN, March 4.—Juan Gutierrez was alive today because the state pardon board changed its decision against a reprieve and granted 60 days for a study of his mental condition. Gutierrez was to have been electrocuted before daybreak today for the pistol slaying of Hildaigo county Deputy Sheriff Alvin M. Albrecht in December 1942.

### CIVIL WAR VET.

HAMILTON, March 4.—The body of W. A. White, 96 and a civil war veteran, was buried here today. He came from Kentucky and had lived in Texas since 1884.

BILFOLD BELLE—That's the title bestowed on Celia Doonan when her sweetheart entered this picture in contest in which bluejackets at Farragut, Id., Naval Training Station submitted pictures of girls they carry in their wallets.

## HOW TO HELP YOUR MEN.

"My boy's overseas, my nephew's on the alert, Johnny-next-door is in Persia, Bob down the street is a prisoner, and we haven't heard from my son-in-law for ages. How I wish I could do something to help them!"

On the street-corner, over the telephone, in letters, comes this constant longing. You can help them, Mothers and Aunties, Cousins and friends! You can give to the Red Cross. It provides comforts to the boys in far places, friendly companionship and pleasure to men waiting in cities, plasma and care for the wounded. It is the only agency which can help the prisoners of war.

Once a year the Red Cross makes its plea for funds. This year Cisco is asked to contribute \$4,500, a trifle, considering everything. Be as generous as if you were helping your own man directly. The time is now!

## CENSURING A PRESIDENT.

Congress and the president are finding it hard to work together. Congress has not, however, reached the point of passing a resolution condemning the president's course. It did this once to as popular a president as Andrew Jackson.

Political feeling ran high then, perhaps higher than today. Jackson's war on the United States Bank had won him the enmity of big business, the professional classes and conservatives generally. Finally, under the lead of the great trio, Webster, Clay and Calhoun, the senate formally resolved: "That the president has assumed upon himself authority and power not conferred by the constitution and laws, but in derogation of both." This action would make big headlines even today.

As it happened, the sequel was unhappy for the senate. Jackson's supporters won a majority in the fall election, and the resolution of censure was formally expunged from the senate's minutes. At the next presidential election Jackson's candidate, Van Buren, won by a comfortable majority.

## SIMPLER TAXATION.

Hope dawns eternal, and this nation devoutly hopes that Chairman Doughton of the house ways and means committee at Washington is right when he says that millions of citizens now struggling with their income taxes will never have to fill out another return blank. And how could such a blessing be vouchsafed?

Well, congress, deeply impressed by the national rebellion against the current tax complications, is making a drive for simpler collection system. Measures under consideration are expected to combine the victory, normal and sur-taxes in one over-all tax and rate structure. Then, for most of the 50,000,000 or so of individual taxpayers, it is promised that the "withholding" tax against wages and salaries will become the actual, final tax. No computations or returns will be required of such taxpayers at the end of the year, and an effort will be made to keep present taxes as far as possible at their present level.

The 50,000,000 taxpayers will fear the worst but hope for the best.

## SAVING FOOD.

Says Judge Marvin Jones, war-time food administrator: "Sop up the gravy and squeeze the grapefruit dry." Proceeding delicately along that line, he adds this further bit of efficient technique: "Pick up the bones in your fingers in order to get all the meat there is, and tip the bowl to get the last spoonful."

In most households these technical suggestions will probably be welcomed with a joyful shout by the youngsters and with raised eyebrows by mother. Probably some compromise will be necessary. But the main idea is simple and right. It is a serious plea to avoid wasting food. Men who have studied that problem say that an American family, on the average, wastes 255 pounds of edible food a year. That would be enough to feed many millions of hungry people if it could be passed around where it is needed, instead of being thrown into the garbage can.

## THAT FRONT.

Granted, that the Russians have a case for grumbling about our delay in launching that long-awaited "second front." But in all the complaints received from Brother Stalin, he curiously overlooks some weighty considerations which come near to balancing things.

Britain and America are keeping the seas clear throughout the world, and confining the Nazis to western and central Europe.

Britain and America — especially America — are providing Russia with an immense amount of war material and food, without which she could not fight this war.

Britain and America are maintaining virtual control of the air and thereby greatly impeding the German war effort and helping Russia.

The British-American conquest of Africa has helped the whole Allied cause.

The same is virtually true of the Mediterranean.

All this effort constitutes a Third Front of great power. When the Second Front is launched, perhaps Russia will be more than paid in full for her great effort.

## June, 1922

(Cisco American Files)

Mr. and Mrs. Frank E. Harrell entertained the members of the Rotary club, their wives and friends with a barbecue at their beautiful home four miles west of town on last Thursday evening. It is the custom of the club to hold a social meeting each month and invite the wives and friends of the members. On the occasion of this meeting for the month of June, Mr. Harrell and the other members of the club invited members of the Ranger and Eastland clubs and a host of friends to participate in making this meeting the outstanding feature, from a social standpoint, of the club's activities for the year.

Cisco Lions were special guests, and the presidents of Eastland and Ranger clubs were present, as well as a good representation of the membership of those clubs, together with their wives. Talks were made by Lyton Taylor of Ranger, and Mr. Phillips of Eastland on the good of the order and a short program was rendered by the local membership, which consisted of a talk from the chairman of the educational committee, reading by Mary Louise Campbell and Mrs. Whitewright, and a little play by Joe Godfrey, Dr. Paul Woods, Gaines B. Hall, P. W. Campbell, E. T. Gunther, T. D. Wright, Leroy Drown and little son. The play was featured to bring out what the Rotary stands for, what it has done in the United States and in Cisco.

The Rotary club has only been organized in Cisco about 18 months and has at the present time 35 members. When asked who were the leaders in club work in Cisco, one of the members stated that they were all leaders and it would be hard to pick out any one man who was more enthusiastic than the others. A review of the good work accomplished by this organization in our city would take up more space than we have at our disposal.

The meeting was adjourned at a late hour, and the more than 200 members and visitors present were liberal in their praise of Mr. and Mrs. Harrell as hosts.

## CHURCHES

**Church of the Nazarene.**  
Rev. Odell Brown, pastor of the Church of the Nazarene at Grassland, Tex., will be guest speaker at the morning worship hour, Rev. Harold McClain, pastor of the Church of the Nazarene at Abernathy, Tex., will speak at the evening service. L. H. CLEGG, Pastor.

**First Presbyterian.**  
Sunday school at 9:45. Kent Word, superintendent. Morning services at 11. Sermon subject, "Crusading With Christ." Evening service at 8 o'clock. Sermon subject, "The Greatness of God." A cordial welcome to all. O. L. SAVAGE, Pastor.

**First Methodist.**  
One of the mysteries of human experience is the fact that man's wisdom is not sufficient for the demands of the world in which he lives. No matter how wise nor how skilled one may be there

comes those moments when he is made acutely aware of his dependence upon something bigger than himself. It is then that he is most sympathetic to the well-high universal belief in a supreme being. It is then he is ready to believe in the reality of worship. God's opportunity, so it is said, comes when man reaches his extremity. The truth of that statement lies in the fact that only then is man ready to rely completely on this superhuman power for his security. Church worship helps us all to be more aware of God and of our duties as well as privileges in having fellowship with Him. We invite all who wish to meet with us in the sanctuary at 10:30 and again at 7:30 for divine worship. Sunday school meets at 9:45 a. m. LESLIE SEYMOUR, Minister.

### First Baptist Church.

Sunday school 9:45 a. m. Preaching service 11 a. m. Training Union, 6:30 p. m. Evening services at 7:30. Midweek prayer service at 7:30 Wednesday evening will be followed by the monthly church conference. COOPER WATERS, Pastor.

### First Christian.

Sunday school at 10 a. m., with classes for all age groups and a warm welcome to all who attend. Morning worship at 11 and vesper service at 6 p. m. The minister will preach at both the morning and evening services. Our monthly fellowship meeting will be held in the basement tonight, following the vesper service. The Willing Workers class will be hostess tonight. A cordial invitation is extended the public to worship with us at all services. "Come thou with us and we will do thee good." JAMES R. WRIGHT, Minister.

Dr. and Mrs. W. A. Cox and Dr. and Mrs. C. E. Paul are in Dallas today, where the doctors are attending a meeting of chiropractors. They will attend a luncheon at Adolphus hotel for the doctors and their families.

**BERRY-CHADWICK WEDDING FEB. 14.**

Miss Gradyne Berry, former charming Cisco girl, graduate of Cisco high school and daughter of Mr. and Mrs. P. G. Berry, former Ciscoans and now living near El Paso, was united in marriage to Capt. Jefferson S. Chadwick, son of Mr. and Mrs. T. K. Chadwick of Walnut Grove, Miss., at 7 p. m., February 14. The double ring ceremony was performed by Chaplain Euse at Biggs Field Post Chapel No. 1, El Paso.

The day before the wedding the El Paso Herald-Post carried the following story that will be of interest to the many local friends of Mrs. Chadwick and her parents:

The bride will wear a street length dress of wool crepe with accessories of brown. Her bouquet will be of orchids, and her hat will be fashioned of fresh flowers in a small wreath. The ribbons of her bouquet will be set with small flowers to match those in her hat.

She will wear a gold cross, a gift from her brother, Capt. Jim Berry, who is serving in the South Pacific as pilot of a Liberator Bomber.

Miss Berry will be given in marriage by her father. She will be attended by Miss Leslie Leavitt as maid of honor, and also by her mother. Miss Leavitt will wear a dress of pastel blue with accessories of fuchsia and a corsage of Talisman roses. Mrs. Berry will wear a black crepe dress, the collar and cuffs of which are studded with pearls and brilliants. Her corsage will be of roses.

Capt. Ernest Pruitt will be best man. Miss Berry's other brother, Lieut. Bill Berry, is expected to arrive from his station at the army Air Base at Sioux Falls, S. D., to be present for the wedding. Lieutenant Berry is also pilot of a Liberator bomber.

Immediately following the ceremony a reception for friends of the couple will be held at Hotel Paso del Norte. The wedding cake will be centered on a large red Valentine heart made of flowers. Candles will decorate the serving table.

Miss Berry attended Cisco Junior College and is now employed in the superintendent's office of the Southern Pacific Co.

Captain Chadwick was a medical student at Louisiana State University before entering the Army Air Corps. He is now stationed at Biggs Field on the Flying Standardization Board, after serving as bombardier on a Liberator bomber during the raid over the Ploesti Oil Refineries of Rumania, Aug. 1. He has been awarded the Distinguished Flying Cross with an Oak Leaf Cluster, the Air Medal with three clusters, and has campaign ribbons from the Middle East and England. Captain Chadwick has completed 28 missions over Europe. He returned to the United States in August.

Following a short honeymoon trip the couple will be at home at 3638 Grant avenue.

**CELEBRATE SIXTIETH WEDDING ANNIVERSARY.**

Mr. and Mrs. J. S. Erwin of the Sabanno area, residents of the county for more than 58 years, celebrated their sixtieth wedding anniversary Sunday, Feb. 27. Present were a number of their children and other relatives, and a fine meal was enjoyed at noon. Due to heavy rains, many from over the county who wished to attend were unable to do so.

Mr. and Mrs. Erwin were married near Weatherford, Parker county, Feb. 28, 1884. Rev. G. W. Rushing officiating. They moved to Eastland county two years later and settled on the farm near Sabanno creek where they still live. Eight children were born to this union and they now have 20 grandchildren and 13 great grandchildren. They have been consistent members of the Pres-

byterian church for many years and their circle of friends and well-wishers is county wide.

Those present on this happy occasion were Mr. and Mrs. D. A. McDonald, Mr. and Mrs. Boyd McKay, Breech-bridge, Mr. and Mrs. Ed Little, Mrs. Gordon Ross and children, San Angelo; Mrs. J. B. Mashburn, Cisco; Mr. and Mrs. H. E. Minix and son, Amarillo; Mr. and Mrs. Everett Erwin, Jal. N. M.; Mr. and Mrs. Edwin Erwin and family, Mr. and Mrs. Finis Erwin and family, Nimrod; Rev. and Mrs. W. A. Erwin, Balingier; Sgt. and Mrs. Charles Ege, Brownwood; Mr. and Mrs. Nathan Foster, Atwell; Bobby Erwin, naval student; Mr. and Mrs. Barto Erwin and children, Balingier; Miss Iva Calley, Brownwood.

**Give to the Red Cross**

☞ The Red Cross is the mother of the soldier boys who have gone across into an enemy foreign country . . . Most mothers here in America would fain follow their boys to those lands so that they could do for them -- nurse them in sickness and when wounded and mother them when troubled and in sorrow.

☞ But these American mothers cannot follow. They must depend upon the ministrations of this great organization -- the Red Cross.

☞ Most of you have already heard from your sons about how the Red Cross is helping them in many ways. You do not need to be sold on that question, since you are already familiar with their great work.

☞ We can do no better than to support this great organization in its drive for more funds. The campaign is now on. Do your part.

**A Little Lesson in Abstracting—**

The abstract is a written history of the title chain. If carefully prepared it will (1) definitely locate the tract under search. (2) Reveal, if possible, the true ownership. (3) Show liens, if any, and (4) the defects in the deed or other written documents. It may or may not prove the title to be good. This is the reason for the abstract and why it is necessary in every real estate transaction.
