NEW COUNCIL LEADER—Dr. Quo Tai-chi, China, left, turns over his seat as Chairman of United Nations Security Council sessions in New York City to Hafez Afifi Pasha, Egyptian delegate. Chairmanship rotates each month.

Farmers Want OPA Extended, With Restrictions

Baptist Workers Conference Met at Pleasant Hill

By MRS. DONIZA STOWE, Route One, Carbon.
A large crowd attended the Cisco Baptist Workers' Conference at Pleasant Hill Thursday where good singing was enjoyed, as well as the inspirational messages that were presented.

With H. D. Blair, associational missionary, in charge, the morning devotional was conducted by Rev. J. D. Holt of Brownwood.

In a stirring message by Rev. Arthur Johnson of Cisco on "Why Win Men to Christ," the speaker advocated child evangelism as a means of forestalling crime and its powerful influence, citing his audience to the influence of strong characters who are leaders for good or evil.

Rev. John Baker of Abilene, in speaking of "Who is to Win Souls to Christ," reminded his hearers that the Master's command, "Go Ye," is to all; pointing out three ways of impressive service—that of prayer, of giving of our means and of working in the missionary field.

Rev. George Thomas of Breckenridge gave a good message on the blessings derived from soul-winning. He said St. Paul is not remembered so much for his great store of knowledge, but rather for his determination to know nothing but Christ, and Him crucified.

Rev. A. C. Donath, ex-missionary from Africa, now pastor of San Angelo First Baptist church, delivered a sermon at 11 o'clock. He spoke of the great need of consecrated Christian service, comparing the results of such with that of fire, which illuminates, generates power and energy and purifies and refines.

Mrs. Carroll Louder of Moran appointed Mrs. Arthur Johnson to lead the devotional for the WMU program, after lunch had been served.

Rev. Guy Lewis of Wichita Falls gave an inspirational address at 3 o'clock. Speaking of the result of our failure to win souls, he stated that such would be spiritual suicide. He added that the spiritual state of the world today is much like it was when Christ wept over Jerusalem. Admonishing his audience to live the humble life, he said that the 120 earnest early Christians prayed long enough to get self out of the way. "Come unto Me," he reminded, is found 952 times in God's word.

The next meeting will be held at Sabanno, May 23.

WILL TRY AGAIN.

WASHINGTON, April 26. (AP)—Sec. of Labor Lewis B. Schwelienbach said today that he would call disputants in the coal strike into new joint conferences next Monday or Tuesday in an effort to get negotiations going again.

Head of Independent Oil Men Answers Mr. Bowles

ABILENE, April 26. — Before a capacity crowd of West Central Texas independent oil operators in the Wooten hotel ballroom last night, Major B. A. Hardey, president of the Independent Petroleum Association of America, verbally struck back at recent charges made against American industrialists by Stabilization Director Chester Bowles and blamed the administration with the national trend toward inflation.

In a radio address Wednesday night, Bowles had said that industrial minorities are lobbying for inflation. "A sad state of affairs has developed," Hardey told the West Central Texas Oil and Gas Association, "when accredited representatives of American industry can't go to Washington and express themselves freely to committees of congress without being accused by appointed bureaucrats of contributing to the present inflationary trend."

"Bowles forgets," he continued, "that the administration itself, of which he is part, started the inflation by a policy of increasing purchasing power of the American public and at the same time attempting to enforce unnecessary restrictions during peace on American industry which has resulted in slowing production and resulting shortages."

"The government also is contributing to inflation through its fiscal policy which devalues the currency, and through its failure to recognize the necessity of balancing the national budget."

After his rebuttal to price control authorities, Hardey outlined the national problems now confronting the petroleum industry, particularly the independent producers.

The independents, he said, suffered throughout the war because of failure of OPA to recognize the fundamental need of a price for crude which will permit them to continue in business.

"The price must be increased sufficiently so that it will absorb the increased costs which were forced upon the producer through no fault of his own, such as increased labor costs, increased steel costs, and the continuing higher cost of deeper and deeper drilling, in search of new crude resources, and increasing difficulty in locating the new reserves."

Primary objective of IPA, he said, is the formulation of a national oil policy which will give full consideration to economies in the industry, recognize the necessity for limitation of quantity of imported cheap oil, provide a fair and equitable tax structure which recognizes the hazards peculiar to the industry, and enforcement by the states of conservation programs which will prevent wasteful overproduction.

He praised the oil men of the area for their reactivation of the area association, which can efficiently look after local problems and give support and approval to IPA in its efforts to solve the national problems effecting the petroleum industry.

Regarding stripper well production, he noted that approximately 20 percent of the nation's visible crude reserves underlie stripper or submarginal production and that 73 percent of the wells in the United States are classed as stripper wells.

"I deem it to be in the public interest that some plan be evolved whereby a larger percentage of this oil can be recovered," he said, "and I think it is uneconomic to let the national reserve be lost by premature abandonment, particularly when the selling price of this oil is below replacement cost of new reserves."

The reactivation program for the West Central Texas Oil and Gas Association got off to a flying start

By United Press

WASHINGTON, April 26. — Two farm organization spokesmen today endorsed continuation of OPA for one year — provided it eliminates consumer subsidies and permits price increases to meet the cost of production.

Three CIO union members advocated OPA extension without restrictions.

The farm sponsors were Edward A. O'Neal, president of the American Farm Bureau Federation, and Albert S. Goss, master of the National Grange. They appeared before the Senate Banking Committee considering House approved legislation which would continue OPA until March 31, 1947.

Chinese Nationalists, Communists May Quit Fighting

CHUNGKING, April 26. (AP)—Early signing of a new cease-fire agreement between the Chinese Nationalists and Communists appeared likely tonight.

Gen. George C. Marshall delayed his departure for further conferences and it was said that prospects appeared brightening for a halt in the fighting in Manchuria.

Marshall was said by the press to believe that hostilities could be halted in 24 hours if the Communists would clearly state their demands and propose a formula for a political settlement of differences.

Russia Itches to Get Her Hands on Spain, Right Now

NEW YORK, April 26. (AP)—Australia and Poland reconciled their differences about a United Nations Security Council fact-finding investigation of Franco Spain today, but a Russian veto of any kind of an inquiry — instead of action — still threatened adoption of the new joint plan.

Acheson says famine relief progress is too slow

WASHINGTON, April 26. (AP)—Predicting that the world food situation would get much worse, Acting Secretary of State Dean Acheson today called for far more drastic domestic action to get wheat off the farms and to famine-stricken countries.

as 280 independent oil operators and others directly interested in the oil industry gathered at the Wooten for a short business meeting and banquet.

In the business session Jack B. Robert of Breckenridge, president of the WCTO&G, announced that all former directors of the association were to retain their posts until the next annual membership meeting of the association.

Tentative program of work for the association was outlined, but definite action on such matters as taxation, price control, and stripper subsidies were referred to committees for further study.

At the banquet which jammed the hotel ballroom and the ballroom balcony, delegations were introduced from Abilene, Albany, Breckenridge, Avoca, Cisco, Coleman, Graham, Lueders, Ranger, Stamford, Rising Star, Eastland, Hamlin, Midland, Dallas, McKinney, Corsicana, Fort Worth, Tulsa, Wichita Falls, Houston, Weatherford, Brownwood, and Austin.

Red Russia Wants to Write Her Own Ticket in Japan

WASHINGTON, April 26. (AP)—Russia has rejected U. S. protests against Soviet removal of Japanese industrial equipment from Manchuria as "war booty," it was disclosed today.

In turn, the United States considers the Soviet reply — received yesterday — to be completely unsatisfactory.

Moscow, in effect, told this government that the removals were Russia's business and constituted legal war booty.

There was some speculation that Russian removals from Manchuria might be deducted from the Soviet share of reparations to be paid by Japan.

Freighter and 38 Men at Mercy of Sea Off Au Haut

ROCKLAND, Maine, April 26. (AP)—The American freighter Horace H. Watson, carrying a 38-man crew, piled up on rocks off Isle Au Haut in a northeast rainstorm today and began taking water through a hole punctured in her side.

As soon as a distress call was received here, a coast guard cable boat was dispatched. It was expected to reach the stricken ship about 4:45 p. m.

Meanwhile the coast guard buoy tender Hibiscus started from Portland for the scene, while the buoy tender Cowslip put out from Boston. These vessels cannot reach the stricken ship before nightfall.

44 Dead; Aged Engineer is Charged With Negligence

NAPERVILLE, Ill., April 26. (AP)—A manslaughter charge was made today against W. G. Blaine, the 68-year-old engineer of the Burlington railroad silver streamliner which shot through two warning signals and ripped into the rear of another crack passenger train, killing 44 persons and injuring 100 others.

3 JAPS SENTENCED.
UEIPING, April 26. (AP)—Three Japanese war criminals today were sentenced to death by the 11th war zone military tribunal.

BASEBALL FAN—President Harry S. Truman, No. 1 fan of National pastime, autographs a baseball at start of game in Capitol.

Board of Health Bone-dry Abilene Has Lots Power Broke Beer Drouth And Rightly So At Breckenridge

AUSTIN, April 26. — Authority of the board of health to adopt quarantine regulations was upheld Thursday in an opinion by Atty. Gen. Grover C. Selfers.

Specifically, it was held the board may adopt regulations to require a person with a severe case of highly contagious tuberculosis to be detained in a treatment center. Generally, the Attorney General ruled that the power to make quarantine regulations "is one of the most important conferred upon health authorities" and is a proper exercise of police power.

Texas Petroleum Stocks Showed Increase in March

AUSTIN, April 26. — Refinery stocks of petroleum increased slightly in Texas during March, but total storage in the state on April 1 was 8,888,545 barrels lower than it was a year ago, the Railroad Commission announces.

Stocks at refineries totaled 61,276,597 barrels on April 1, up 4,875 barrels during March. Crude in storage at refineries aggregated 14,840,086 barrels, compared with 15,223,792 on March 1.

Including pipelines and tank farms, petroleum stocks in Texas April 1 totaled 129,461,093 barrels, compared with 138,349,638 on April 1, 1945.

ABILENE, April 26. — The beer drouth in Breckenridge was temporarily broken Tuesday when Abilene sent over 88 cases.

It was like this. State Control inspectors, in raids over the area during the last several weeks, had accumulated contraband beer. Upon orders from L. Board headquarters in Austin, District Supervisor George W. Connell allowed the beer to be trucked to Breckenridge for sale to retail beer dealers.

Due to restriction on use of grain for breweries, a beer shortage had prevailed all over the country which, L-Men asserted will get worse before it gets better.

Breckenridge cafes and clubs had been having an "open drinking season" of from three to four hours daily then shutting down as all the beer ran out.

"This is the most beer in one batch we've seen in one day in a long time," a Breckenridge dealer was quoted by Connell as saying.

Thirty-one cases of beer, owned locally, which repose in the vaults of the control office here, are being held pending an order from County Judge Wiley Caffey for disposal. It was taken March 9 in a raid on the American Legion basement club. The manager, Luther Kroth, was acquitted of the charge of possession for purpose of sale. The beer, property of individual members, will be returned upon the court's order and proper identification by owners.

Breck Kegmen Win Spin-proof Plane 3 Straight Games at Cisco Airport From Cisco Team All Day Sunday

Five Breckenridge bowlers visited Cisco last night and tangled with a like number of Cisco kegmen, the final result being that the visitors piled up a three-game total of 2,545 to 2,455 for the locals — a clean-cut victory for the visitors of 90 pins.

It is seldom that Cisco tenpinners lose a match on the home alleys, but they were clearly outclassed last night. Breckenridge taking each of the three games.

Four of the five visitors upped the three-game 500 mark, with Crowley and Eddleman of Breckenridge topping all other players with total scores of 531 each. Crowley started in poor form, but came back lustily in the second and third games.

Howard Langford of Cisco led the field with 222 for a single game, while F. Urban acquired the high three-game total of 496. I. J. Henson, usually away out front, came next for Cisco with 491. Generally speaking, it was a very creditable showing for the men of both teams.

Scores in Detail.
Breckenridge—
J. D. Rogers ... 197 176 154—527
Ray Johnson ... 128 148 168—430
Guy Eddleman ... 167 209 155—531
C. E. Potthoff ... 165 156 191—512
G. Crowley ... 132 196 203—531
789 885 871

Cisco—
H. Langford ... 123 222 143—488
T. Tabor ... 150 141 198—489
F. Urban ... 183 163 150—496
H. Curtis ... 147 167 175—489
I. J. Henson ... 135 157 199—491
738 852 865

MANY VETS; FEW CARS.
SAN ANTONIO, April 26. — Seven hundred and fifty veterans sought to buy 381 vehicles yesterday in a surplus property sale at Fort San Houston. The previous day, 412 vehicles were sold.

A CLOSE FINISH—"Blunt Remark," with jockey Basil James up, wins by a head the second division of the Jamaica Handicap in New York. Second is "Rinsoes," ridden by C. McCreary.

NO COAL—Some 3,000 coal cars, all empty, fill the yards at Williamson, W. Va., heart of one of the nation's richest bituminous coal fields, awaiting end of the coal strike. Loaded, these cars would hold approximately 150,000 tons of coal.

THE CISCO DAILY PRESS

Consolidated with Cisco Daily News and Cisco American and Round-Up, November, 1937.

Entered as Second Class Matter December 11, 1934, at the post office at Cisco, Texas, under Act of March 8, 1919.

A. B. O'FLAHERTY, Publisher and General Manager.

PROVERBS 11:26.

It would be interesting to know how many letters and telegrams were sent as the result of La Guardia's recent radio appeal to people to wire their farmer friends to get out the Old Family Bible and look up Proverbs 11:26. It is safe to say that every listener with a Bible handy looked it up. It reads: "He that withholdeth corn, the people shall curse him; but blessing shall be upon the head of him that selleth it."

No doubt every reader smiled at its appropriateness, but it is doubtful whether the threat made much difference in the decisions of farmers who had already concluded to sell or not to sell on quite other grounds.

Along on the same page of the O. F. B. are some other half-forgotten but keen statements. These, for instance:

"There is that which scattereth but yet increaseth; there is that which withholdeth more than is meet, but it tendeth to poverty."

"The generous soul shall be made fat; and he that watereth shall be watered also."

This recalls the one from Ecclesiastes about casting bread upon the waters, with its promise that

it shall return after many days. Along with that comes:

"Give a portion to seven, and also to eight, for thou knowest not what evil shall be upon the earth."

The O. F. B. is all full of good things. The bride to be married in June may like to read the final chapter of Proverbs while the Book is open.

MY COUNTRY!

ON a morning of mist when the valley lay curled

And the mountains were hidden and woods were yet bare,

Through a veil of green willows I looked on the world

Where more than a winter had stricken the air.

But I sang in my heart for a dawn that would be

Like the light of the laurel that breaks into bloom

When a cardinal calls from the top of a tree

And the white of the dogwood slips from the gloom—

Ah, this was my country, and mountain wise

To the green kiss of valleys on days that are fair.

I looked through the willows with mist in my eyes

And oh, it was beautiful, beautiful there!

—Leigh Hanes in The Lyric.

Plane Talk

By JOE COULTER.

Odds and Ends.

The utility of the airplane was demonstrated here last week in connection with the oil industry. The swabbing of a well near Cisco was being held up, due to the need of machinery repair parts. The cost of sending these parts by ground transportation would have been less than one dollar, yet each hour the operation was held up was costing upward of \$50.

A representative of the company flew the parts from Dallas and operation was begun in a matter of hours. It's true the cost of the trip was much more than if the parts had been shipped, but which was the cheaper in the long run?

When the rains came the airport expects to take a holiday, yet Sunday morning we had three airplanes land here in spite of the bad weather. The first was a new Cub being ferried from the factory to Mexico; another was enroute from California to Ft. Smith, Ark. Then, in the pouring rain, came Mr. and Mrs. Sam Eakin of Ft. Stockton to spend the Easter holidays here. The Eakins were through here several weeks ago with their small grandson. Yes even grandpa-sons fly in bad weather.

The periodic inspection of the airplane, which must be made every hundred hours, conveniently came due during the days of bad weather. We flew the ship to Ranger where the inspection was made and some minor repair work done.

Now we are in perfect shape for another hundred hours of flying.

AUXILIARY MEETING AT CHURCH TUESDAY.

Presbyterian auxiliary met at the church Tuesday afternoon for monthly business meeting. Mrs. W. W. Wallace presided and opened the meeting with prayer by Mrs. C. H. Fee. Minutes of previous meeting were read by Mrs. Lillie Baugh, secretary. The roll was called by circles of the auxiliary and other routine affairs were transacted.

Mrs. F. J. Borman was presented as devotional leader and read for a scripture basis Psalm 118. Mrs. S. E. Hittson gave as the missionary lesson initial chapters of the book, "I Want to Know About My Church," after which the meeting adjourned.

Twenty members responded to roll call.

WOMEN'S COUNCIL IN GENERAL MEETING.

Women's council of First Christian church met in a general meeting at 8 o'clock Tuesday evening at the church, with Mrs. W. J. Armstrong presiding. The meeting opened with group singing of "Wonderful Words of Life," followed by the Lord's prayer spoken in unison. During the business

session a nomination committee to name officers for the coming year was appointed, as follows: Mrs. A. J. Ward, Mrs. J. D. Browning, Mrs. H. H. Tompkins and Mrs. Willirue Logan. Minutes of previous meeting were read by Mrs. J. S. Mobley. The council decided to attend the all-day fellowship meeting, with paper sack luncheon at First Methodist church, May 3.

The meeting was then turned to group two for the evening program. The devotional, "Trails of Faith," was ably discussed by Miss Ethel Mae Wilson and Mrs. John Stiles sang "It Pays to Serve Jesus," accompanied at the piano by Mrs. C. R. West. Mrs. Edward Lee was then presented in a review of the mission book, "Daughters of Africa." The meeting closed by all repeating the missionary benediction.

During the social hour refreshments of spiced tea and cookies were served by group two to approximately 30 members.

SPLENDID MUSICAL PROGRAM AT MEETING.

Cisco Music Study club met Wednesday morning at the Women's club house for regular meeting and program. Mrs. John Kleiner was hostess and also presided in the absence of Mrs. W. W. Fewell, president. A new member, Mrs. Victor Lawson, was welcomed. Roll call response was a current event in the realm of music.

Mrs. Ben Krauskopf was leader of the program and gave a talk on the "Work and Outstanding Events of Junior Music Lovers Club." Mrs. S. E. Hittson told of the scrap book being made by the Junior organization. Two members of the Junior club, Dorothy Ann Sanders and Fred David Shockley, were presented in a piano duet; two piano numbers, "Theme, Concerto in A Minor," by Greig, and Polonaise by Chopin were played by Miss Helen Ray Edwards.

Those present were Mrs. John Kleiner, Mrs. Ben Krauskopf, Mrs. Paul Poe, Mrs. E. E. Kean, Mrs. John E. Walter Mrs. S. E. Hittson, Mrs. J. A. Jensen and Mrs. Victor Lawson.

Axis Fleets Lost 1,110 Subs in War, 162 Surface Craft

WASHINGTON, April 26.—The German and Italian fleets lost 1,110 submarines destroyed in World War II, the navy reported today in a recapitulation of naval losses suffered by the European Axis.

Besides this staggering loss of undersea craft during hostilities, the report said, the enemy navies lost an additional 162 surface vessels.

Germany had the heaviest losses, with six battleships, one aircraft carrier, six heavy cruisers, four light cruisers, 53 destroyers and 994 U-boats destroyed.

Italy lost three battleships, seven escort carriers, seven heavy cruisers, 12 light cruisers, 63 destroyers and 116 submarines.

After unconditional surrender, Germany surrendered 204 naval vessels to the Allies and Italy 49.

The navy's report gave Allied air attacks credit for the greatest single number of submarine "kills," placing the total at 378.

Uncle Sam Says

About this time of year, we hunger for a sight of green sprouts and the first signs of a plentiful fall crop. I am visiting my nephew, Farmer John, in Iowa. John's seeds produce the golden corn we all love. John is also planting financial seeds. These seeds are United States Savings Bonds. Savings Bonds grow to golden hue. Every city worker also can plant and nurture these seeds. U. S. Treasury Department

BRIEFLY TOLD

A meeting of Boy Scouts of Troop 101 will be held at First Presbyterian church Saturday morning at 10 o'clock. All members of this troop are expected to be present, it is stated.

Mack Stephens left this week on a vacation trip to California where he will visit his son and wife Mr. and Mrs. Daskam Stephens at Los Angeles and relatives at other points in that state.

Mrs. A. J. Olson is spending the week at Wichita Falls with her daughter Mrs. D. E. Franklin and family.

Mr. and Mrs. G. B. Diggs of Hillsboro are guests of his uncle and aunt Mr. and Mrs. A. B. Byrd, having accompanied Mrs. Ord Diggs on her return to Cisco following a visit with them.

J. E. Spencer and daughter Mrs. Billy C. Frost and S. N. Poe were among relatives attending the funeral and burial of Frank Lovett

Thursday at First Baptist church, Eastland.

Messdames Don Rupe, J. E. Shirley, R. E. McCord, D. Seaborn, W. L. Lewis, E. E. Green, A. A. Coats, V. H. Bosworth, George Sledge, J. O. Warren, Ray Kinard and Roy Fenley attended the workers conference of Cisco Baptist association Thursday at Pleasant Hill. Also there for the all-day meeting were Mr. and Mrs. Brady Boggs.

Clarence Moon returned to Jal. N. M., today after spending the week at his home in Cisco.

Mr. and Mrs. Clarence Moon and Mr. and Mrs. W. R. Forman and baby attended the funeral and burial of Mrs. Moon's brother B. F. Forman at Hobbs, N. M., recently. Deceased was killed in a car wreck, six miles from Hobbs, on April 13. Survivors are the wife and six children of Hobbs, N. M., his parents, Mr. and Mrs. C. A. Forman of Munday; three sisters, Mrs. S. G. Weaver, Well-

ington; Mrs. J. D. Stratton, Abilene; Mrs. Clarence Moon, Cisco, and a brother W. R. Forman of Word community, near Cisco.

Mr. and Mrs. A. F. Bond and Mr. and Mrs. Frank Duda spent today at Grafrod where they were guests of relatives.

Mrs. A. B. Strothers, the former Miss Frankie Gude, who has been quite ill of pneumonia in a Brownwood hospital, is reported improved and was able to be moved to her home Wednesday.

American Legion auxiliary will meet at Laguna hotel Sunday afternoon from 3 to 6 o'clock honoring Mrs. Kelley Farrar, state president; Mrs. Ina Cotten Jennings, fifth division president and Mrs. H. N. Lyle, president of district 17. The public is invited.

Mr. and Mrs. T. L. Taylor of Big Lake are guests of his uncle and wife Mr. and Mrs. O. L. Mason.

Mr. and Mrs. W. M. Isehower and son Wesley Isehower spent Monday in Fort Worth.

Rev. H. D. Blair, missionary of Cisco Baptist association, attended workers conference at Pleasant Hill church Thursday.

Mr. and Mrs. W. A. Ramsey of Putnam were Cisco visitors the first of the week.

Mr. and Mrs. N. C. Foreman of Gentry, Ark., are here visiting in the home of his brother-in-law and wife Mr. and Mrs. Charles Roberts. They will be accompanied

on their return by his mother Mrs. Nan Foreman, who plans to spend the summer in Arkansas.

Mrs. Fielding Lee and Miss Effie Moore transacted business in Rising Star Thursday.

Mr. and Mrs. Frederick B. Forbes and their two children visited their aunt Mrs. Clare McCarter in Cisco last weekend. The Forbes are from Honolulu, where he is scout executive of the Boy Scouts of America. After leaving Cisco they are driving to New York and then back to the west coast, stopping in many cities enroute. They will attend the annual meeting of the national council of Boy Scouts in St. Louis, May 16-17.

Mr. and Mrs. J. R. Livingston and children Betty and Travis of Odessa are visiting his mother Mrs. J. J. Livingston and other relatives here for a few days.

J. W. Slaughter and Mason Poe spent Thursday and today at Tyler on business.

Sgt. Fulton Largent was expected today from Chicago where he went for discharge after arriving from Europe last week. He will

join Mrs. Largent for a visit in the home of his father-in-law J. W. Slaughter.

Mr. and Mrs. Roy Westfall Jr. arrived Thursday night from the east coast and are guests in the

PETITION IN BEHALF OF JOHN LEE SMITH FILED BY VETERANS

HOUSTON, TEX., April 8, 1946.—A group of 25 Harris County World War II veterans Tuesday sent a \$100, certified check and a petition requesting that Lt. Gov. John Lee Smith's name be accepted as a candidate for governor by the State Democratic Committee, William H. Posey, group leader, reported.

"We feel Lt. Gov. Smith has been a consistent advocate of those principles for which the youth of this country fought and died, especially the following points:

"1. That ex-servicemen must be given preference in all jobs, public and private, and that his honorable discharge should be the only requirement for employment. It should not be secondary to a union card.

"2. A Veterans' State Employment Commission should be created.

Lt. Gov. Smith announced for governor about a month ago. Presumably his filing fee already has been paid.

Mr. Posey identified himself as state commander of the Texas Veterans Political Council, a new organization with posts recently established in seven Texas cities. He added: "John Lee Smith was the only prominent State Official who had the courage to oppose war-time strikes.

"He is the only candidate who now says that the veteran should be free to get a job without paying some labor racketeer for same."

home of his parents Mr. and Mrs. A. R. Westfall. Mrs. Westfall came last week from England and was met by her husband in New York.

Mrs. Royce Rainbolt and small son of Ranger visited her husband's mother Mrs. G. P. Rainbolt here Thursday.

Mrs. C. P. Cole returned from Fort Worth Tuesday night where she had visited in the home of her daughter and son-in-law Mr. and Mrs. Warren Hall the past two weeks.

IS GETTING UP NIGHTS GETTING YOU DOWN?
Thousands say famous doctor's discovery gives blessed relief from irritation of the bladder caused by excess acidity in the urine

Why suffer needlessly from backaches, run-down feeling from excess acidity in the urine? Just try DR. KILMER'S SWAMP ROOT—the renowned herbal medicine. SWAMP ROOT acts fast on the kidneys to promote the flow of urine and relieve troublesome excess acidity. Originally created by a practicing physician, Dr. Kilmer's is a carefully blended combination of 18 herbs, roots, vegetables, balsams. Absolutely nothing harsh or habit-forming in this pure, scientific preparation. Just good ingredients that quickly act on the kidneys to increase the flow of urine and ease the uncomfortable symptoms of bladder irritation.

Send for free, prepaid sample TODAY! Like thousands of others you'll be glad that you did. Send name and address to Department B, Kilmer & Co., Inc., Box 1255, Stamford, Conn. Offer limited. Send at once. All drugists sell Swamp Root.

BONE BREAKER—Janelle Peck, 5-year-old girl of Morris, Kans., young girl has a St. Joseph, Mo. hospital, recovering from her 12th fracture. Although medical authorities expect her to outgrow her brittle bone condition, she is kept in bed most of the time.

Comparative Statement of County Current and Delinquent Tax Collections.

	1943	1944	1945
Total CURRENT County Collections Only	\$187,436.86	\$209,887.35	\$226,848.31
Total DELINQUENT County Collections Only	49,925.57	59,345.08	140,756.34
DELINQUENT Taxes Collected by County for Rural School Districts	4,833.24	5,370.62	15,489.87
County Tax Rates	1.25	1.16	.90
At these rates on \$1,000.00 valuation your County Taxes would be	12.50	11.60	9.00
At a 60c rate for 1946, your County Taxes would be \$6.00			

DELINQUENT County Collections for Jan., Feb., and March, 1946, are \$37,299.05.

DELINQUENT Rural School Collections for Jan., Feb., and March, 1946, are \$3,275.05.

On Your Own Valuation at a Rate of Approximately 60c Per Hundred, What Will Your Savings Be for 1946?

Your attention is directed to the last column of figures shown above, 1945. Comparing it with the other two columns, you will readily see that the current collections have substantially increased even though the rate for 1945 is 26c lower than 1944 and 35c lower than 1943. The increase in delinquent collections is almost four times as much in 1945 as compared with 1943. This has all been done through a fine spirit of cooperation, in an orderly manner and at a time most convenient for the people, which shows their desire to place this County on a sound financial and economical tax basis.

Too, the collections for County Rural Schools have been greatly benefited. Note that Delinquent Rural School Collections are almost four times as much in 1945 as in 1943.

Particular attention is called to the County Tax Rates. Figure your taxes on the value of your property for these three rates and also on a rate of approximately 60c per hundred valuation, for 1946, and note your savings. The continued cooperation of the tax payers with the Tax Collector's Office and the Commissioner's Court in rendering your property, placing a fair and reasonable value on same, and seeing that your property is correctly described on your rendition, this will save you tax troubles and tax dollars.

The County has on hand enough money to complete or pay off all term Road and Courthouse bonds and meet all the cash requirements on all bonds for 1946 and approximately \$25,000,000 to apply on bonds and interest maturing in 1947. By the end of this year we expect to have enough money on hand to pay all bonds and interest maturing during the NEXT TWO years. All other County funds have improved in the same proportion.

The above report gives you a complete financial picture of the County, and the benefits you are deriving from this program.

Commissioners Court, Eastland County.

LEARN ABOUT EYESTRAIN FROM NATURE

Nature's most perfect light is 200 TIMES STRONGER than the light in your house!

It's a scientific fact that without vegetation, life could not exist. It is the material from which we derive our food, clothing and shelter. Plants manufacture their food from carbon dioxide and sunlight. Sunlight is not only important to us in this indirect way; it teaches us a direct lesson.

We work and live indoors so great a part of our lives, it is necessary that our eyes have sufficient light in order to function properly... just as plants must have sufficient sunlight to grow. Take a tip from nature and see that every room in your home has proper lighting equipment.
