**Forces of Attraction**
Unleash 100,000,000 volts...
and OIL-PLATE Your Engine!

Forces of attraction between positive electricity in clouds and negative electricity on the earth’s surface, produce wonderful displays of nature’s power.

Through control of the force of molecular attraction, a unique ingredient of Conoco Motor Oil, can be instantly bonded to working parts of your engine. In fact, no serious wear is possible where these working parts are properly lubricated.

And because modern anti-corrosion compounds are added to Conoco Motor Oil, protection is in place from all damaging factors, even corrosion—giving your engine safe, sure, trouble free operation.
