VOLUME 12

LOCKNEY, FLOYD COUNTY, TEXAS, FRIDAY, JULY 11, 1913

NUMBER 45

LOCKNEY STATE IN NEW BRICK

New Fixtures Have Arrived and Been Installed; Best Equipped Bank on Plains.

The Lockney State Bank has gotten moved into their new and handsome brick home on corner of Main and Locust. The new fixtures having been installed, gives the bank a city appearance. The fixtures are mahogany with marble bases, and are about as well and complete a line of fixtures as are usually found in the larger cities. The officers and employees feel justly proud of their quarters, and in fact we are all proud of the Lockney State Bank; proud of their enterprise; proud of their success in the town and proud that Lockney can boast of a State bank, thoroughly equipped and located in such a handsome home.

McGehee Erects Silo.

Will McGehee has erected one of his redwood Saginaw Silos on his place near town, and has three more in transit, which will be erected as soon as they arrive. The capacity of his silos will be eleven hundred tons, which will be filled as soon as his feed is in the right stage.

The silos have been erected at his deep well, a mile south of town, and if you have not seen a Saginaw silo you should go out the first opportunity and see one.

Lockney and Gasoline.

Lockney and Gasoline crossed bats both days of the picnic, July 4th and 5th, on the Lockney diamond. The game of the 4th resulted in a score of 3 to 2, and the one on the 5th 12 to 8, each game being won by the visitors.

Each game was witnessed by a large crowd and was intensely interesting from beginning to end, and excitement ran high.

In Friday's game Burleson and Burleson were batteries for Gasoline; Hawkins and Lemons for Lockney.

In Saturday's game Burleson and Burleson were batteries for Gasoline; Prestley and Lemons for Lockney.

The game Saturday was a 12-inning game, the score being a tie at the close of the 9th.

Crops are Fine.

The Beacon man has been a close observer of crop conditions recently, and can say that he has never seen finer crops and better prospects for big yields than at present. Drive where you may you find feed and cotton everywhere to greet you. Farmers are cleaning out their stuff fast, and by this time next week crops will be clean and far advanced.

Two Messrs. Bells of Semour, together with their families, composed on auto party that were here yesterday morning enroute to Brownfield. They were traveling in two large Buick touring cars, of the latest model and type, and had with them a complete camping outfit.

Pitcher Scott of Tulia.

The Pitcher Had Plenty of Steam. But couldn't get the grapes.

Annual Meeting of The Baptist Women

Annual meeting of the Baptist women of the Northwest (or Panhandle) District to be held at Plainview, Texas, July 17, 1913, at the 1st Baptist church:

OFFICERS OF THE DISTRICT.
President—Mrs. B. T. Johnson, Canyon City, Texas.
Secy-Treasurer—Mrs. J. E. Garrison, Hereford, Texas.
Chairman of Personal Service—Mrs. Arthur Lile, Stratford, Texas.

PROGRAM—THURSDAY 1:30 P. M.
Devotional—Mrs. L. T. Grumbles, Lubbock, Texas.
Greetings—Mrs. R. B. Longmire, Plainview, Texas.
Response—Mrs. Arthur Lile, Stratford, Texas.

Announcement of Committees.
Report of District Officers.
Special Music—Mrs. Williams, Plainview.

Our District Workers—How Maintained—Our Purpose—Mrs. B. T. Johnson, Canyon City, Mrs. David B. Hill, Childress.

How Shall we Enlist Our Women in Organized Work—Mrs. J. E. Nunn, Amarillo, Mrs. C. W. Tandy, Plainview, Mrs. J. M. Malone, Plainview, Mrs. R. H. Baker, Floydada.

Reading—Miss Kathrine Duckworth, Plainview.

Personal Service Our Hope—Mrs. W. L. Skinner, Channing, Mrs. S. A. Richmond, Lubbock, Mrs. Arthur Lile, Stratford, Mrs. T. W. Tomlinson, Tulia.

Music.
Reports from Auxiliary Presidents.

Reports from Sunbeam Band. Baylor College and Cottage Home—Miss Julia Collier, Lockney, Mrs. J. E. Garrison, Hereford.

Wayland College—Mrs. T. D. Lipscomb, Plainview.

Song.
Prayer.

Dismissal.
Motto—Saved to Serve.

Watchword—Serve Jehovah With Gladness.—Psalms 100:2.

Dr. H. H. Talley, recently from New Mexico, has located in Lockney for the practice of dentistry, and has opened his office in the post office building. See his card elsewhere in these columns.

GETTING READY IMPROVE SYSTEM

The Southwestern Telegraph & Telephone Company Will Rebuild Lockney Exchange.

Mr. C. S. Payton, Superintendent for the Western Division of the Southwestern Telegraph & Telephone Company, was here Wednesday, and measured the town for new cable, which will be strung in the near future. The contemplated new cable extension will reach from the exchange office to the depot, thence north, and east and west, embracing the major portion of the resident section.

The second car load of poles was received this week and unloaded, and all material necessary to the overhauling and bettering of the system will soon be on the ground.

Met With an Accident.

Last Monday Messrs. Bud Broyles, R. F. Fry, Frank H. Ford and Jack Cox went down in the Brakes, and on their return, and while ascending the cap-rock one of the cylinders began skipping, and all jumped out to lighten the load, when Mr. Fry got off his balance and received a severe fall, which dislocated his shoulder. After getting back in the car he pulled the shoulder back into place, and came back to town with only a severe shaking up.

To the Tax Payer.

If you believe that the people should vote upon each and every bond issue, vote against the bond amendment, election Saturday, July 10th. This amendment confers upon the legislature full power to issue unlimited bonds without a vote of the people. Seventy members of the legislature are against it.

Lockney Takes Game From Tulia 6 to 1

Tuesday afternoon, on our home diamond, Lockney and Tulia played an interesting game of baseball, which was won by our boys by a score of 6 to 1. The game was an easy proposition for Lockney, and they had the game won from the time the first ball was passed over the plate. In the first inning Lockney scored five times to Tulia's shut-out.

Tulia was shut out until the 8th inning when the ball was dropped in the right field, and then thrown away. Had it not been for this play the score would have been 6 to 0.

Burleson and Mickey were batteries for Lockney and Scott and Jordan for Tulia.

To The Tax Payer.

If you believe that the people should vote upon each and every bond issue, vote against the bond amendment, election Saturday, July 19th. This amendment confers upon the Legislature full power to issue unlimited bonds without a vote of the people. Seventy members of the legislature are against it.

Visit Abroad

Mrs. W. E. Loveless and family, of Lockney, passed through Plainview this morning on their way to Hillsboro, Texas, to visit relatives. Mrs. Loveless is a niece of Mrs. E. A. Young, of Plainview.

N. W. Jones, of Lockney, is a visitor in the home of Judge W. B. Lewis. He is generally known as "The man who can't laugh, but who smiles occasional." He will lead the singing in the Christian revival.

T. A. Mangold, of Durnam, Oklahoma, was here Saturday, on the way home. He has been visiting Mr. and Mrs. M. A. Kimble, at Lockney.—Hale County Herald.

Col. Harry Tracy of Tulia was here during the picnic and spoke to the people on both days.

MUNCY TRIAL SET FOR AUGUST TERM

Lockney Woman and Horace Peters Will be Tried in Plainview Next Month.

Mrs. Muncy and Horace Peters were arraigned yesterday in Floydada in connection with the killing of J. M. Muncy, at Lockney, May 24. Attorneys for Mrs. Muncy and for Peters filed writs of habeas corpus. This was set for hearing at Floydada next Tuesday at 10 o'clock.

A change of venue has been secured for both defendants. The cases are set for trial in Plainview at the August term of court.—Plainview Herald.

Jim Orr and Joe Vandergriff and families went to Blanco Tuesday fishing. They brought back some very large, nice fish-stories. Jim caught a bass wood log 20 feet long, and Joe got—snake bit. The bait gave out and they had to return to town early Wednesday morning. Jim caught some fish alright, but there seems to be some question as to the size of them. Joe won't testify, and the facts are hard to get at.

Summoning Witnesses Muncy-Peters Trial

Deputies Sheriff Fry and Jim Sheppard have been busy this week summoning witnesses for the habeas corpus hearing at Floydada next Tuesday of Mrs. Muncy and Horace Peters. They have a list of twenty-nine witnesses for the state, all in Lockney and vicinity. Up to yesterday they had not been furnished with a list of the defense's witnesses, and the number they will use has not been learned.

The proceedings next Tuesday is to determine whether or not the cases are bailable, and if so in what amount. The actual trial of the cases will not take place until later, and it is not thought that they will be heard in Floyd county, but will be transferred to some other court, possibly in Hale county.

Jordan, the Tulia Catcher.

Railroads and Railroad Securities

VALUE OF TEXAS RAILROADS EQUAL TO NINE STACKS OF TWENTY DOLLAR GOLD PIECES PILED AS HIGH AS OUR HIGHEST MOUNTAIN.

Railroads are the most vital force in human existence and are the strongest creative factor in the state's wealth. The assessed value of our railroads in 1911 was \$345,000,000, which is equal to nine stacks of twenty dollar gold pieces piled as high as Guadalupe Peak, the highest mountain in Texas.

One-seventh of the assessed value of all property in Texas is railroads, and new railroads in passing through a community add \$64,000 per mile to adjoining property and the distribution is free and equitable.

The Texas Welfare Commission is investigating the subject of railroads and railroad securities. R. C. Duff of Houston is chairman of the sub-committee having the question under consideration.

LOCKNEY'S FOURTH A GRAND SUCCESS

Large Crowds Attend our Two Days' Celebration July 4th and 5th.

Lockney's big celebration was a success in every particular. Big crowds were present both days, ideal weather, plenty to eat, splendid amusements, and an all-round good time. The attendance on Friday was not as large as the second day, owing to the fact that our farmers are in the weeds, and crops demanded their attention. However they quit work Friday evening, and on Saturday they were here in large numbers, all feeling good and in fine spirits.

There was plenty of dinner on the first day of the basket kind, and Saturday the big free barbecue took place. No one went away hungry either day.

The ball games both days were largely attended, and the crowds were treated to some fine specimens of ball. Lockney and Gasoline crossed bats both days, the games going to the visitors, score, first day, 3 to 2; second day 12 to 8.

Lockney has retained her good reputation for entertaining, and has again demonstrated the fact that our people are not lacking in hospitality.

The Floydada band furnished music for both day, and we wish to compliment our sister city on her splendid little band. The boys made fine music, and the personnel of the organization is composed of gentlemanly boys and young men.

Special Term of Court This Week

Tuesday a special session of Floyd county district court was convened in Floydada for the purpose of trying two land cases from Swisher county. Judge F. P. Greever of Miami, Texas, is sitting as special judge. The session will probably extend over a period of two weeks.

Dr. Crawford and family of Silvertown spent the fourth and fifth in Lockney, visiting friends.

TO VOTE ON POOL HALLS JULY 19TH

Commissioners Call Election for Saturday Two Weeks to Determine Status of Billiard Rooms.

An election was called this morning by the commissioners to be held July 19, at which time the people will declare whether or not they want pool halls in Hale county. Two hundred and twenty-five names were secured to the petition circulated for this election between 5 o'clock Monday afternoon and 10 o'clock Tuesday morning. This is believed to be a record for securing signatures to a public petition.

The pastors of the different churches in Plainview met with Mayor Dorsett, Sheriff Hooper and City Marshal Watson Monday afternoon for the purpose of getting signatures sufficient to secure the calling of this election. The men started work yesterday at 5 o'clock, and before 10:10 o'clock this morning the election had been ordered.

It is necessary to secure 100 petitioners for such an election. The supporters of pool-room closing are much pleased at having secured so many names in excess of the 100 in only a few hours. Hale County Herald.

Statement of the Ownership, Management, Circulation, etc.

Of the Lockney Beacon, published at Lockney, Texas, required by the act of August 24, 1912. Editor B. F. Smith, Lockney, Texas; managing editor, B. F. Smith, Lockney, Texas; business manager, B. F. Smith, Lockney, Texas; publisher, B. F. Smith, Lockney, Texas.

B. F. Smith. Sworn to and subscribed before me this 7th day of July, 1913.

[SEAL] G. H. Brewster, Notary Public, Floyd County, Texas. My commission expires June 2, 1915.

A. J. McCollum and wife of Quitaque are visiting in Lockney. George W. Brewster went up to Plainview Monday on business.

WILL CHANGE THEIR CHARTER

The Lockney State Bank Will Emerge Into a National Bank.

Press dispatches from Austin state that the Lockney State Bank has applied for a charter under the banking laws, and will be known as the Traders National Bank.

Simultaneously with the change the capital stock will be increased from \$20,000 to 25,000.

It will be a month or more before all the details can be worked out necessary in changing from a state to a national bank.

PLANS TO RE-Forest EAST TEXAS.

Timber Supply Decreasing.

Houston, Texas: Mr. Jno. H. Kirby in his report to the Texas Welfare Commission estimates that the forests of Texas will be exhausted in a period of fifteen years and recommends that plans be considered for re-foresting East Texas. The report is quoted below in part: "There were 31,934 mills in operation in the United States in 1910 producing 40,018,202,000 feet of lumber and of this quantity 14,143,471,000 feet was yellow pine.

"There are 466 mills in Texas, 20 mills operate exclusively upon hardwood timber and 70 mills operate on both pine and hardwood, while the remaining 376 operate exclusively upon pine. The average annual production of these mills is in round figures two billion feet. The consumption of lumber in Texas is about equal to the production of Texas mills. The Texas sawmills produced in 1910 an aggregate of 1,884,134,900 feet board measure which was 4.7 per cent of the total amount of lumber produced in the United States.

"It is estimated that there is about 30,000,000,000 feet of yellow pine timber still standing in Texas. I think this estimate ultra-conservative. Taking this estimate, however, as a basis, it will be seen at a glance that at the present rate of consumption, the volume of raw material will be exhausted in a period of fifteen years. I do not believe that the forests will be entirely denuded in that period. On the contrary, I think the manufacture of yellow pine will be carried on in this state for half a century at least, though it goes without saying that there will be an annual reduction in the volume of the product as well as a steady increase in the volume of consumption.

"It is unfortunate that no practical plans for re-foresting the lands of east Texas are being considered. These are the only lands in Texas to which yellow pine is indigenous or upon which forests may be cultivated at a minimum expense. It is true that the present generation of home builders enjoys a condition of cheap material which will be denied to succeeding ones. These same benefits might be preserved to our posterity if the public which is interested, would provide the means therefor by appropriating funds from the public treasury for the promotion of practical forestry plans."

Texas saloons are now closing at 9:30, under the closing law. This new law will dispense with many of the mid-night jags that takes place in our cities and towns.

Herman Gallaway of Plainview was awarded yesterday, forty silver dollars—"a bag of money" without going to the end of the rainbow—for trapping and delivering to the "burning committee" of the Civic League 900,000 flies; that means four and two-thirds bushels of flies. He had 36 traps. His catch entitled him to the first prize in the contest which the Civil League has conducted, which ended July 1.

3,500,000,000 SAW MOVIES

Picture Theatres Took in 319 Million Dollars During 1912; Nearly 200,000 Employees.

An idea of the amazing growth of the moving picture industry in the last few years is given in figures compiled by Frank A. Tichenor, chairman of the first International Exhibition of Moving Picture Arts, which is being held in the Grand Central Palace, New York, this week.

Mr. Tichenor says 3,600,000 persons patronized the moving picture theatres of this country last year, according to the Kansas City Star. Many more are expected in the year to come, as theatres have been built by hundreds.

Mr. Tichenor's figures, which are the first official ones ever prepared in this country, show 319,000,000 was received in quarters, dimes and nickels; that 80,000,000 is invested in the industry; that more than two hundred thousand persons are employed in it, and that ten million feet of picture films are produced weekly. They will be thrown on a screen in the exhibition.

Born—To Mr. and Mrs. Johnnie Sams, last week, a bouncing nine-pound boy. Johnnie says he wants all of his former customers to bring their glad rags to him for pressing. "For," says he, "I've got to make a living."

G. T. Wade and little son, Q. T., of Lockney, passed through Spur the first of this week on their way to Clairemont to visit his parents, Mr. and Mrs. W. M. Wade.—Texas Spur.

G. M. Wilson, who is operating an automobile line out of Lockney, was in Spur several days of this week, he having been detained here because of the heavy rains throughout this country.—Texas Spur.

Granville Wade returned the first of last week from Jayton where he visited relatives. He says Kent county is in fine shape.

Julian Rushing of Plainview attended our picnic last week.

MURDER IN FIRST DEGREE

Grand Jury Indicts Mrs. Bertie Muncy and Horace Peters.

Last Thursday Floyd county grand jury which was holding a special session, returned an indictment against Mrs. Bertie Muncy, charging her with murder in the first degree. Horace Peters was also indicted as an accomplice.

Both are now confined in jail, Mrs. Muncy at Plainview, and Peters at Floydada. Neither case is bailable.

The indictment grew out of the murder of Jim Muncy, which occurred in Lockney on the morning of June 24.

Muncy was found dead in bed with a bullet-hole through his head.

During the investigation last week an array of witnesses from here appeared before the grand jury and offered testimony in answer to summons from that body. The case was thoroughly investigated, judging from the number of witnesses summoned.

It is thought that both cases will be transferred out of the county, and will be tried at Plainview in August.

Lost—One dark bay horse, branded "3 dots" on right shoulder, one shoe on right hind foot. Five dollars reward.

J. E. Burleson, Silvertown, Texas. 46-4tp.

Wonderful!

The New 1913 Saginaw With the Patented Angle Steel Rib

Last season's Saginaw Silo was pronounced utterly perfect
by dairymen and stockmen all over the country. For 1913
it was wholly unnecessary to attempt improvement. Yet,
despite this, we came out with this 1913 Model. The big
feature of the 1913 is the **ANGLE STEEL RIB**. This ingenious
invention adds about 50% to the life of a Silo. And that's
wonderful, when you consider the Saginaw is already
known to be the strongest and most durable Silo ever built.

Doing the "Impossible"

The Angle Steel Rib has done what other Silos make
only a year ago considered impossible. It has given you
durability and strength, a Silo which the heaviest wind
storms can't shake or tilt. All because the Angle
Steel Rib absolutely prevents any up-and-down slipping
of the staves. Moreover, this marvelous invention forever
removes the possibility of your Silo warping in when
empty.

This Angle Steel Rib is a Structural Steel Reinforcement,
curved to the circle of the Silo. It is slidingly received in
strong, malleable brackets which are securely attached to
alternate staves. Each rib is free to move and adjust itself
to any variation in the diameter of the Silo. Built on the
same structural principle as the big "I" beams used in
skyscraper buildings, one rib reinforces the other.
Think of what it means to have these trustworthy, un-
breakable Angle Steel Ribs reinforcing your Silo! To fully
appreciate the patented Angle Steel Rib, you must get our
new free Silo Book, which pictures and explains all.

Other Noted Features

The Saginaw was famous first as "The Silo With the All-
Steel Door Frame." Then followed the Saginaw Inner
Anchoring Hoop. Next came the celebrated Saginaw Base
Anchor, and now comes the Angle Steel Rib—the most
outstanding feature of all.

The McCLURE COMPANY

Formerly Farmers' Handy Wagon Co.
Saginaw, Mich. Des Moines, Iowa. Minnesota Transfer, Minn. Catrs, Ill. Ft. Worth, Texas.

WILL McGEHEE

5 Big Factors

The Saginaw is far the most popular Silo on the market.
Five mammoth Silo factories have had to be built. Last
season we received orders for 457 Silos in a single day.

Strong as a Skyscraper

The Saginaw Silo, with its steel frame stands as solid
as a modern city skyscraper. It cannot blow down; it
cannot twist; it cannot warp; it cannot collapse; it can-
not shift on its foundation. Like a Giant Oak, it is
rooted to the ground by the Saginaw Anchoring System.

Bright, Clean Silage

No rank, sour silage ever comes out of a Saginaw.
It is sweet and pure clear to the edge, right next to
the walls. Animals love the exciting flavor and digest
wonderfully on the rich, succulent food. Don't get a
Silo that spoils silage.

Get Latest Silo Book

Our latest Book on Silos is about ready for mailing.
It not only fully describes the 1913 Saginaw, but also
contains a wealth of information on Silo Building and
Silage. Don't miss getting it. Write for it—our letter
comes in and get your book and we'll talk it over.

Scholastic Transfers Up to August First

The Beacon erred a few weeks ago in stating that scholastic transfers should be made by July 1st. The date fixed by law is up to August 1st, hence you have until that date in which to transfer your children. If you are intending to send your children to a school located in a different district than the one you sent to last session you must transfer your children in order that they get advantage of the school money. It is important that you attend to this matter at once.

Ralls vs. Lockney.

Lockney fans were treated to one of the best games ever staged on the local grounds Thursday afternoon when Ralls and Lockney played fifteen innings to a tie. Johnson was on the firing line for Lockney, and the big fellow showed his ability as a pitcher by going the whole route and holding the visitors to three safe hits. Ragged support in the fore part of the game gave the visitors two runs but Johnston was as cool as an ice-berg. When his support would weaken and it would like Lockney would be beat, the big boy with his high fast ball and sweeping curves pull the game out of the fire without any trouble.

Prestly pitching for Ralls was in rare form, and is one of the best that has shown here this season.

Score by innings:

	R	H	E	
Lockney	0010000100000000.	2	6	7
Ralls	0110000000000000.	2	3	4
Batteries:	Lockney—Johnston			
	and Mickey.	Ralls—Prestly	and Brown.	

Struck out by Johnston 12, by Prestly 15.

Bases on balls—Johnson 1 Prestly 4.

Old-Fashion Chuck Wagon Dinner

On July 4th Messrs. Bradford Wilson and Horace Wade, cattlemen, moved their chuck wagon into town at Mr. Wilson's home, and for several meals they gave an old-fashion chuck wagon dinner. Numerous friends came and were entertained. Horace Wade did the cooking himself and a finer cook never flopped a pan. A big fat beef was killed, which was fried and barbecued, and a big pot of son-of-a-gun was dispensed.

Bradford and Horace made a hit with their chuck wagon dinners, and their Lockney friends will remember them for a long time, and trust that they may be again treated to a chuck wagon dinner on some other occasion.

We know that you will be well pleased with what you receive. We will give you a special offer if you will give us your order. We will send you a special offer if you will give us your order.

DO NOT WAIT until you are in a real predicament. **DO NOT THINK OF BUYING** a bicycle or a pair of tires until you see a pair of Hedgethorn tires. Hedgethorn tires are made of a special quality of rubber, which never becomes porous and which closes its small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture-resisting qualities being given by several layers of thin, specially prepared fabric on the tread. The regular price of these tires is \$10.00 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day after it is received. Write C. O. D. on approval. You do not pay a cent until you are satisfied and find them strictly as represented. We will make a special shipment of one pair (making the price \$4.80 per pair) if you send **FULL CASH** for the other pair. If you are not satisfied with the first pair you may return it for any reason. If you are not satisfied with the second pair, you will find that they will ride better, run faster, wear longer, and last longer than any other tire you have ever used or seen at any price. We know that you will be well pleased with what you receive. We will give you a special offer if you will give us your order. We will send you a special offer if you will give us your order.

Why foster the habit of church going—Ernest Fry.

What about members of the B. Y. P. U. who do not remain for the preaching service—Mr. Ross Starks.

Song.

Benediction.

Read what the Post City Post says about Dr. Peck's work while at that place.

"Dr. B. F. Peck who has been doing optical work at the Algerta Hotel is preparing to leave for the northern part of the state next week. Our people have been fortunate in having an opportunity to profit by Dr. Peck's services, as it is seldom that the advice or treatment of a first-class oculist is to be had without making an extensive trip to some of the larger cities of the state. The Doctor appears to be thoroughly familiar with the optical troubles peculiar to Western Texas, and their treatment, and we hope that he will decide to locate in this region."

H. M. Bainer, agricultural demonstrator for the Santa Fe system, has announced that his recently prepared Silo Bulletin is now ready for free distribution. This bulletin, made up of the best information regarding all kinds of silos and liberally interspersed with illustrations, may be had in any number simply by writing to the agricultural demonstration department of the Santa Fe System, in Amarillo, or to the Colonization department, Chicago.

Those interested in silos will find matter of great worth to them in this publication, including suggestions as to plans and materials, together with ways and means for filling and caring for the silo after being filled. Feeding instructions are also contained in the bulletin. It was the expressed attention of the writer to omit no one desirable fact from the information contained, and it is stated that it meets his highest expectation.

Man Attacks Lady.

Last Sunday afternoon a man rode up to the home of Roy McLean, who lives some twenty-five miles west of Tulia over in Castro County, dismounted and went to the door and asked Mrs. McLean if her husband was at home. She replied in the negative, and instantly he clinched her throat and choked her, then turning from the frightened woman, mounted his pony, coming east.

The villain was described as a medium size and along up in years and was riding a very poor pony. An effort was made to locate the fellow, but no one has been able to hear any thing about him.—Tulia Enterprise.

Grandma Foster Dead.

Word was received here Monday, announcing the death of Grandma Foster, which occurred at the home of her son, J. H. Foster, at Tulia. Grandma Foster was 86 years old, and had been quite feeble in health for some time, and, while her death was not unexpected, yet it came as a shock to her friends in Lockney where she had lived for some time. Her remains were laid to rest in the Tulia cemetery Tuesday.

The Beacon extends condolence to the bereaved relatives and friends here and elsewhere.

Lenard Hoyle left Guyton Sanitarium Sunday morning, and is now at the home of his brother-in-law, C. K. Shelton. The operation on his eye seem to have been successful, Mr Shelton says. His sight was not impaired. Mr. Shelton thinks that Lenard will be entirely well in a short time.—Plainview Herald.

Let us figure with you on family washing, we have a special rate, and can do it cheaper than you can do it at home. We want your barber work also. Quick and courteous treatment.

WADE BROS. BARBER SHOP

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

The savings made by a DE LAVAL Cream Separator

Sooner or later you will buy a De Laval
A De Laval will save enough over any gravity setting system in quantity and quality of cream, sweet skim-milk, labor, time and trouble to pay for itself every six months.

A De Laval will save enough over any other separator in closer skimming, in running heavier and smoother cream, skimming cool milk, greater capacity, easier cleaning, easier running and fewer repairs to pay for itself every year.

An up-to-date De Laval saves enough over De Laval machines of five, ten, fifteen or twenty years ago in closer separation under all conditions, greater capacity, easier running and greater mechanical perfection to pay for itself every two years.

Remember that these are not mere claims. We are always willing to let you try out a De Laval for yourself on your own place.

Don't Suffer!

"I had been troubled, a little, for nearly 7 years," writes Mrs. L. Fincher, in a letter from Peavy, Ala., "but I was not taken down, until March, when I went to bed and had to have a doctor. He did all he could for me, but I got no better. I hurt all over, and I could not rest. At last, I tried Cardui, and soon I began to improve. Now I am in very good health, and able to do all my housework."

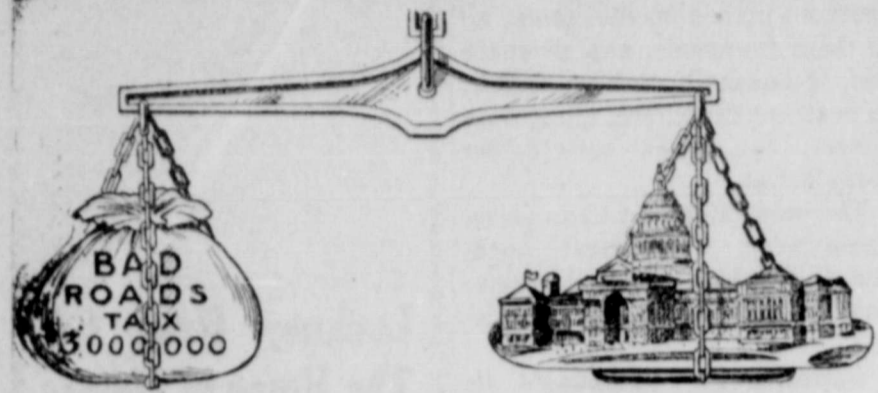

TAKE The CARDUI Woman's Tonic

You may wonder why Cardui is so successful, after other remedies have failed. The answer is that Cardui is successful, because it is composed of scientific ingredients, that act curatively on the womanly system. It is a medicine for women, and for women only. It builds, strengthens, and restores weak and ailing women, to health and happiness.

If you suffer like Mrs. Fincher did, take Cardui. It will surely do for you, what it did for her. At all druggists.

Write to: Ladies' Advisory Dept., Chattanooga Medicine Co., Chattanooga, Tenn., for Special Instructions, and 64-page book, "Home Treatment for Women," sent free. 190

GOOD ROADS

THE ANNUAL EXPENSE OF MAINTAINING MUD HOLES EQUAL TO ENTIRE COST OF STATE CAPITOL.

Familiarity is said to breed contempt, but the mud hole appears to be exempt from this rule, as most of our citizens have been intimately acquainted with it from infancy and we contribute \$3,000,000 per annum to maintaining it, as well as submit to a tax of \$8,000,000 per annum levied by the mud hole in reducing the capacity of the load. A chain is no stronger than its weakest link and the carrying capacity of a road is governed by its worst mud hole and steepest grade. Improved public highways will do away with the mud hole.

Jack McCarty in Protracted Meeting

A. J. McCarty, one of the best known Christian preachers in Texas, began a protracted meeting at Plainview last Friday night. Bro. McCarty is an able man, and is doing some splendid preaching. He is well known in Lockney, having held meetings here in the past. Those of the Christian faith would be amply paid in going to Plainview and hearing him.

Special Grand Jury Returns Two Bills.

The Special grand jury empanelled Monday to investigate the killing of J. M. Muncy in Lockney on May 24th, returned two indictments and adjourned sine die this afternoon at 4:15. Both indictments were felony charges according to information from the state's attorneys and officials.

The grand jurors empanelled were: C. Applewhite, foreman; E. C. Dodson, W. F. Baird, J. E. Riley, Bob Green, J. W. Sims, G. M. Bullard, F. P. Donathan, Joe H. Smith, J. F. Roberts, S. B. McClesky, E. P. Thompson.

T. H. Edwards is door bailiff, Jim Shepard, of Lockney, riding bailiff.

Geo. L. Mayfield, district attorney and F. P. Works of Amarillo, special prosecuting attorney, have been in attendance at court, and L. C. Penry, Fred Pearce, of Plainview, and A. B. Martin have also been present. They are attorneys for defendants in the charge made when the killing first occurred.

About 50 witnesses in all have been examined during the progress of the grand jury's work, most of them from Lockney.—Floyd County Hesperian.

Want to Trade.

A bill of fruit trees from the Plainview Nursery for the cutting of 85 acres of millet. See or write J. L. Celsor, Lockney, Texas.

Judge Fred C. Bifle of Silverton attended the celebration here Friday.

Mr. and Mrs. J. J. Guest and Dr. O. M. Guest and family returned to their home at Haskell after a visit here to their relatives.

An Open Letter For The Editor

Finding themselves unable to successfully answer the reasons advanced by me why the penitentiary-University bond amendment should not be approved by the people, and advocates of the amendment have with deliberation conspire to attempt to break down whatever confidence the people of Texas may have in me. The method used is an unsigned statement sent out by the Conference of Education. So far as I have been able to learn, no authorized signature was attached to the statement, and those editors who have used it, and so far as I know, less than a half a dozen have done so, used it without mature consideration, and no doubt largely through an oversight. Of course this attempt was made for the purpose of diverting the mind of the voter, and especially the minds of my editorial brethren from the real issue involved in this campaign, to my individuality, and they no doubt hoped that it would take up my time in explaining or answering their statements, but I am not an issue in this campaign.

What I may have done, or may do, has nothing on earth to do with the question that is before the people, and the attempt above referred to, is in confession on the part of those engaged in it, that they cannot answer the reasons advanced by me, and they think that the next best thing is to destroy me. I have done nothing to explain or to apologize for, and I am not going to be diverted, and after all, I take it as a very decided compliment that one mortal can force the entire faculty of the University of Texas, the Conference of Education, of which the State Superintendent is a member, to the pitiful attitude of resorting to an attempt to assassinate the reputation of an opponent. I am but a poor "publican and sinner," but I have never resorted to such methods; and before I would do so now, I would permit the adoption of the iniquitous bond amendment by a unanimous vote.

A. M. Kennedy,
Austin, Texas.

For Sale—A good milch cow, cheap. See Sam Henry.

DODSON'S LIVER TONE IS BETTER

Just as Sure, Always Safe, No Bad After Effects Ever Follow This Pleasant Tasting Liquid.

As a remedy for a torpid liver calomel has more than met its match in Dodson's Liver Tone. It does not lash the liver on to perform its work at the cost of its strength.

Calomel depends for its power upon exciting the liver to do more work, and often the liver is too weak to stand such treatment, and you are worse off than before.

Dodson's Liver Tone cannot cause any of the dangerous effects that often follow the use of calomel. It is entirely vegetable and pleasant to the taste, and is suitable for children and grown people.

Get a 50c bottle at the Red Cross Drug Store under the guarantee that if it does not satisfy you that it is a perfect substitute for calomel you get your money back.

W. E. Broyles, of northeast of Floyd, was rather painfully hurt in the hand last Wednesday morning while tightening a wire fence, when the wire broke and struck him cutting a leader and an artery on his forefinger. He came to town for medical service but the accident will not prove serious.—Hesperian.

Batter up! Play ball.

Skilled Physicians

Prescribe Dry Zensal and Moist Zensal for Eczema because they get results quickly and surely. They know that a cure-all will not reach the different types of Eczemas, hence these two clean orderless ointments are used daily in their practice. Ask Lockney and Red Cross Drug Cos

I have a large number of 4 ft. wire fence stays, the kind that need no staple and ties to each strand of wire. Am selling below cost. Sample can be sent if desired. Write M. Pierson, Rule, Texas. 43 4t.

LET CONTRACT FOR NEW COURT HOUSE

Building Costing \$40,000 to be Finished Middle of February.

Crosbyton, Tex., July 2.—The Commissioners' Court has awarded the contract for building the new court house at this place. S. Goodrun, of Sweetwater was the lucky bidder. The building is to cost \$40,000 and is to be finished by the 15th of February, 1914.

Optometrist and Optician.

Now is your opportunity to consult a thorough graduate in optics, if you have any eye trouble. I give special attention to headache sufferers, and can stop headache immediately if caused by eye strain. If you need glasses, lenses changed, or any thing for the eye, call and see Dr. Peck at the Day Hotel until the 17. My work is all guaranteed and first class.

"A Convict's Honor."

Last Friday night, under the tabernacle on the picnic grounds "A Convict's Honor" was presented by Med C. Ellis and company. The play was splendid, as is always the case with Mr. Ellis' attractions. There was not standing room in the tent, and scores of people were turned away on account of the crowded condition of the tabernacle.

Mr. Ellis was assisted by local talent, and the entire cast handled their various roles in a manner that elicited most hearty applause. "Jerry, the escaped convict," was the leading role, and Mr. Ellis handled this part in his characteristic manner, and furnished both fun and pathos.

"France," the adopted daughter of Col. Lee and the real daughter of Jerry, the tramp, was played by Miss Mable Dagley. Miss Mable possesses some splendid talent, and did her part in a most creditable manner.

"James Blackburn" was the role of Joe McCollum, which was handled in a professional manner. Joe is fine in a heavy part.

Embree Foster, as "Jack Worthington," afforded some good acting and the part was well played, as is usual with Embree.

A. E. Creighton and Miss Vaden Whitt as "Col. and Mrs. Lee," did their parts splendidly.

Mrs. Creighton as "Sadie," maid of Miss France, added much to the success of the play by her splendid acting.

Fifteen Inning Tie Game is New Record

Lockney, Texas, July 4.—If Lockney isn't entitled to the long-distance baseball record of the Southwest, she wants to be cited. Yesterday afternoon at the close of a fifteen inning game, which was of exciting interest throughout, the contest was called on account of darkness, with a tie score 2 to 2. Both sides had literally played themselves down in an almost errorless contest.

The tie will be played off a

some future date.

Lockney was defeated by Gasoline here today in a game of intense interest and snappy features. A special feature of the Gasoline line-up was that five brothers played on the team, all of them Burlesons, and all qualified, if baseball ability counts, to postmaster-general along with Albert, the crack safe hitter from Texas.

The score stood 3 to 2 in Gasoline's favor. Batteries: Lockney, Hawkins and Lemons; Gasoline, Burleson and Burleson.

Batteries for Thursday's tie game were: Lockney, Johnson and Mickey; Ralls, Prestley and Brown.—Amarillo Daily News.

Helen Gerrell Reeves.

It is with deep sorrow that we chronicle the death of little Helen Gerrell Reeves, daughter of Mr. and Mrs. Edd Reeves which occurred at the family residence in Lockney Thursday, July 10th at 2:10 p. m. She had been quite ill for several weeks, and had lingered between life and death for several days. At times it would be announced that she would recover, and then she would suffer a relapse and grow worse. A serious turn in her illness was taken late Wednesday afternoon, and she gradually grew worse until death relieved her of her suffering. She put up a brave fight for life, but to no avail, and death, the great destroyer, claimed her, and bid her come up higher and dwell with Him who said:

"Suffer little children to come unto me, forbid them not, for of such is the kingdom of heaven."

Little Helen was born March 15th, 1908, and died July 10th, 1913; age, 5 years, 3 months and 25 days.

To the bereaved parents the Beacon extends deepest sympathy in this their sad hour. May they be comforted with the thought that while their darling has been taken from them, she has gone to dwell with the angels, and in heaven's firmament there has been added another and a brighter star, whose pure, sweet life will shine like pearls in the ocean, and whose presence has caused the angelic throng to rejoice. May Time, the great healer of such wounds, reconcile them to their loss, and bid them, when the curtains have been wrung down upon their own lives, may they meet their darling in that garden of delight.
