CONSOLIDATED TEACHERS' INSTITUTE TO BE HELD AT CANYON

The consolidated Teachers' Institute will be held at Canyon at West Texas State Normal College from September 6th to 10th. Counties participating will be Armstrong, Bailey, Briscoe, Carson, Crosby, Dallam, Deaf Smith, Floyd, Gray, Hartley, Hutchinson, Lamb, Moore, Oldham, Farmer, Potter, Randall, Roberts, Sherman, Swisher.

Special lectures for the Institute will be Dr. David Snedden, Columbia University; President J. A. Hill of the West Texas State Normal College; Judge Jas. D. Hamlin, Farwell, Texas; Superintendent M. H. Duncan, Amarillo; Superintendent B. B. Cobb, Waco, Texas; Frank R. Jamison, Amarillo.

B. B. Cobb, Superintendent Waco City Schools, Conductor of High School Section.

J. F. Peeler, Dallas City Schools, conductor of Intermediate section.

F. P. Guenther, West Texas State Normal College, Conductor of Rural School Section.

Marie Riddle, Waco City Schools, Conductor of Primary Section.

Officers

H. M. Morelock, West Texas Normal College, Conductor of the Institute.

John H. Webb, Superintendent Dalhart City Schools, Chairman of the Executive Committee.

C. L. Sone, Superintendent Canyon City Schools, Chairman of the Finance Committee.

Travis Shaw, West Texas State Normal College, Chairman of the Committee on Housing Plans.

Monday, 8:15 A. M.

Program of the General Session

H. W. Morelock, Conductor.

Music—Wallace R. Clark.

Devotional Exercises—Rev. Holifield

Welcome Address—President J. A. A. Hill.

Music—Wallace R. Clark.

Response to Welcome Address—Judge Jas. D. Hamlin.

9:30-10 A. M.

Essential Factors in Teaching Citizenship—Superintendent B. B. Cobb.

Intermission.

10:30-11:15 A. M. The Meaning of Sociology to Education—Dr. David Snedden.

11:15 A. M. to 12 M. Organization of the Institute.

Noon.

1:30-2:15 P. M. Teacher's Reports to

(a) County Superintendents—Judge Jas. D. Hamlin.

(b) City Superintendents—Superintendent John H. Webb.

Tuesday

8:15 A. M. Music—Community Songs.

Devotional Exercises—Rev. Fronbarger.

8:45-9:30 A. M. Towards the Program of True Liberal Studies in High Schools—Dr. David Snedden.

11:15 A. M. to 12 M. The True Function of a Normal College—Superintendent C. L. Sone, President J. A. Hill.

Noon.

1:30-2:15 P. M. The Greatest Needs of the Panhandle Schools—F. R. Jamison, Secretary Panhandle Chamber of Commerce.

Wednesday

8:15 A. M. Music—Wallace R. Clark.

Devotional Exercises—Rev. Garner.

8:45-9:30 A. M. The Search for Minimum Essential, Grades 1 to 12—Dr. David Snedden.

11:15 A. M. to 12 M. Cultural Education—Superintendent M. H. Duncan.

Noon.

1:30-2:15 P. M. Address—Representative State Department of Education.

7:30 P. M. Reception; Normal Auditorium.

8:30 P. M. The Rural Teacher's Opportunity for Cultural Development—Dr. David Snedden.

Thursday

8:15 A. M. Music—Wallace R. Clark.

Devotional Exercises—Rev. Shaw.

8:45-9:30 A. M. Some New Problems in Method—Dr. David Snedden.

11:15 A. M. to 12 M. The Statesmanship of Teaching—President J. A. Hill.

Noon.

1:30-2:15 P. M. The Boy and the School—Mrs. Phebe K. Warner.

Friday

8:15 A. M. Music—Superintendent L. M. Fartsch.

Devotional Exercises—President J. A. Hill.

8:45-9:30 A. M. Current Attempts in the Reorganization of Secondary Education—Dr. David Snedden.

11:15 A. M. to 12 M. Fact Literature Versus Spiritual Literature—H. W. Morelock.

Noon.

1:30-2:15 P. M. Report of committees.

2:15-3:00 P. M. Minimum Essentials in Rural Education—Dr. David Snedden.

Program of the High School Section—Superintendent B. B. Cobb—Conductor.

Monday

Developing Morale in the Teaching Force—Superintendent J. K. Wester.

Tuesday

9:30-10:15 A. M. Relation of the

BUILDING NOTES FOR LOCKNEY AND SECTION

S. A. Henry is building four houses on the old Baptist church property in the southeast part of town. He has one of the houses under construction.

Lindsey Busby is building a modern home in the West part of Lockney.

W. P. Hewitt is building a modern country home on his ranch in the east part of the county.

There are others contemplating building in the near future. In fact Lockney has entered a building program, that will relieve in a measure the housing situation.

LARGE COTTON MILL PROPOSAL IS MADE TO STAMFORD PEOPLE

Stamford, Texas, Aug. 24.—An other proposition of a large cotton mill at Stamford was placed before the Stamford Chamber of Commerce yesterday afternoon. After hearing the proposition the Chamber of Commerce selected a committee of five to confer with the promoters and make recommendations to a subsequent session.

The men propose to raise \$1,000,000 in Jones and surrounding counties for the mill. The promoters claim to have carried out large propositions in this State in the last few months. They have studied the cotton mill situation thoroughly, they claim.

Superintendent of the Public—Superintendent F. E. Savage, Superintendent R. E. Silvey.

10:30-11:15 A. M. The Type of Small High School that should be developed in a democracy—J. L. Duffot.

2:15-3:00 P. M. Getting the school board to function properly—Superintendent John H. Webb, Superintendent J. E. Parks.

Wednesday

9:30-10:15 A. M. Getting the schools before the people—Superintendent B. B. Cobb.

10:30-11:15 A. M. Physical education in the high school—Superintendent L. M. Fartsch.

2:15-3:00 P. M. The administration of Supervised study—Superintendent B. B. Cobb.

Thursday

9:30-10:15 A. M. Selecting material for the curriculum of the high school—(a) Mathematics and Science—Wm Younger.

10:30-11:15 A. M. (b) English and History—Superintendent B. B. Cobb.

2:15-3:00 P. M. (c) Home Economics—Jesse M. Harris, State Department of Education.

Friday

9:30-10:15 A. M. The place of mental training in Secondary Education—Dr. David Snedden.

10:30-11:15 A. M. Vocational guidance—Superintendent M. H. Duncan.

Program of the Intermediate Section

J. F. Peeler—Conductor.

Monday

2:15-3:00 P. M. Lesson planning—J. F. Peeler.

Tuesday

9:30-10:15 A. M. Oral English—J. F. Peeler.

10:30-11:15 A. M. Written English—J. F. Peeler.

2:15-3:00 P. M. Aims and means in teaching Arithmetic—J. F. Peeler.

Wednesday

9:30-10:15 A. M. Measurements of efficiency—J. F. Peeler.

10:15-11:15 A. M. The study of History—L. F. Sheffly.

2:15-3:00 P. M. The socialized recitation—J. F. Peeler.

Thursday

9:30-10:15 A. M. The teacher of Geography—J. F. Peeler.

10:30-11:15 A. M. Literature for the Intermediate Grades—J. F. Peeler.

2:15-3:00 P. M. Organization—J. F. Peeler.

Friday

9:30-10:15 A. M. Reading in the Intermediate Grades—J. F. Peeler.

Program of the Rural School Section

F. P. Guenther—Conductor.

Monday

2:15-3:00 P. M. Relation of the Institute work to the Rural Schools—F. P. Guenther.

Tuesday

9:30-10:15 A. M. The Rural School as a social center—M. B. Johnson.

10:30-11:15 A. M. The relation of the Rural School to the County School System—F. P. Guenther.

2:15-3:00 P. M. Ways and means of meeting Rural School problems—Judge Lawrence Ashby.

Wednesday

9:30-10:15 A. M. A library for the Rural School—H. W. Morelock.

10:15-11:15 A. M. Ethical and Aesthetic training in the Rural School—F. P. Guenther.

2:15-3:00 P. M. Agriculture in the Rural Schools—Fred H. Ives.

Thursday

9:30-10:15 A. M. Curriculum and Daily Program for the Rural School—J. L. Duffot.

10:30-11:15 A. M. Kinds and value of opening exercises—F. P. Guenther.

2:15-3:00 P. M. Home Economics in the Rural School—Mary Dorcas Culina.

Friday

9:30-10:15 A. M. School credit for home work—F. P. Guenther.

10:30-11:15 A. M. Kind and amount of English for the Rural School—

REALTY DEALS FOR LOCKNEY AND SECTION

Mr. J. D. Hatcher bought this week the D. C. Overturf place situated on East Locust Street. Mr. and Mrs. Hatcher will again make Lockney their home. They moved to Tennessee a short time ago.

W. C. Watson has sold to Jim Harper the old B. F. Sanders place in the south part of town, together with 73 acres adjoining. Mr. Harper will occupy this property in the future.

S. A. Henry has purchased two sections of land from Jess Wells, situated in the east part of Floyd county.

R. M. Ferguson and L. E. Tucker sold this week one-half section to Ed. S. Hill, who recently moved here from Fort Worth.

Uncle Pete McDonald bought a half section of land from Frank Butler of Floydada, the land is situated in the east part of the county.

GETTING READY FOR SCHOOL

The Institute this year will be held at Canyon, beginning September 6th, after which the regular school work will begin on September 13th. The Superintendent and Board are busy making preparations in order that everything will be ready by the opening.

So far, we have been able to locate a man to coach athletics, but we have sent out a number of inquiries and hope to have one located in a few days. This year there is a shortage of teachers that has never been equaled. A report of a few days ago shows that many vacancies still exist in the high schools of our State. Under present conditions it behooves us to exercise more patience than ever with teachers, and try to secure comfortable and convenient quarters for them, for when we lose one it will be almost impossible to get another.

The following teachers have been elected and have accepted positions in the Lockney school for the coming year: Miss Laura Wester 1st grade.

Miss Maurice Hardisty, 2nd grade.

Miss Ruth Foster, 3rd grade.

Miss Addie Mae Ford, 4th grade.

Miss Annie Marbel, 5th grade.

Miss Alva E. White, 6th grade.

Miss Alma Burks, 7th grade.

Miss Lillie Litrell, Latin.

J. J. Wilson, Mathematics.

A PIECE OF TIN TO RAMBLE IN

LOST—One Ford car with a piston ring.

Two rear wheels and one front spring. Has no fenders seat or plank.

Burns lots of gas and is hard to crank. Carburetor busted half way through. Engine missing and hits on two.

Three years old, coming three this spring.

Has shock absorbers and everything. Radiator busted and sure does leak.

Differential dry, you can hear it squeak. Ten spokes missing, front all bent.

Tires blown out, ain't worth a cent. Got lots of speed, runs like the deuce.

Burns either gas or tobacco juice. Tires all off, been run on the rim, A d—n good Ford for the shape its in.

METEOR COMMUNITY CLUB MEETING

The Community Club met at the home of Mrs. Tate. There were seven members present. Had a very interesting meeting. All members are requested to be present at the next meeting with Mrs. Wingo, Sept. 2. New members wanted. Visitors are welcome. Program for Sept 2:

Scripture reading and prayer.

Roll call, answered with a current event.

Reading—Mrs. LeVan.

Meading—Mrs. Lewis.

ANTI-SUFFRAGISTS RECEIVE SET-BACK OVER COURT ORDER

Washington, Aug. 25.—Anti suffrage forces received another setback today when Justice Suddens, of the District of Columbia Supreme Court, refused to issue a "show cause" order against Secretary of State Colby, preliminary to the issuance of an injunction to restrain that official from proclaiming the nineteenth amendment a law of the land.

The order would have required Mr. Colby to show cause why the injunction should not be issued. The action was brought by Charles S. Fairchilds, an official of the American Constitutional League.

No further effort will be made to prevent the issuance of the proclamation, Alfred D. Smith, attorney for Mr. Fairchilds, said.

The official certification of Tennessee's ratification of the amendment was expected to arrive from Nashville tonight and Secretary Colby indicated that he would issue the proclamation as soon as he received Governor Roberts' certification. The campaign of the anti-suffrage forces would now be directed at an effort to obtain early action in the United States Supreme Court on the question of the validity of the Tennessee ratification, Mr. Smith announced.

I. N. Dillard left this week for California where he will spend the winter.

WALTER DENNY'S POLAND CHINA HOG SALE A SUCCESS

The first sale of registered Poland China Hogs in Floyd county was held this week by Walter Denny at his place 10 miles north of Lockney. The sale was a success in the point of prices and the numbers in attendance from within and without the county.

Mr. Denny in his converter sale offered 21 head of thoroughbred Poland Chinas. The 21 head averaged \$194.25. The 21 head brought around \$4,000. Four of these hogs were four months old pigs and one was five months old. One gilt sold for \$1,000 and was bought by Joe Mason, who lives east of Lockney in Floyd county. Denny's Long Orange brought \$900 and was bought by Ludwick Irlbeck of Happy.

The fourth day of last December Mr. Denny bought a gilt at Childress and paid \$200 for her. In this sale she and her three months old pigs brought \$1300. Can any investment beat this.

Those attending the sale from out of Floyd county were parties from Happy, Childress, Kress, Plainview and Hedley. Ludwick Irlbeck of Happy, the well known Poland China breeder was present and bought a number of the Denny stock, among which was the noted Long Orange.

Mr. Denny is going temporary out of the hog business on account of moving and improving another place. He did not own the place where he has been living, but has bought a place south of town. This place is to be improved, and just as soon as he is ready with his hog pastures, houses, pens, etc. he will begin stocking up again.

He retained one of his choice gilts.

VIOLATION COURT RULE IS CHARGED

Nashville, Aug. 24.—According to Frank M. Thompson, Attorney General of Tennessee, Governor A. H. Roberts at 10:20 o'clock this morning certified Tennessee's ratification of the suffrage amendment, sending the certification to Secretary of State Colby by mail.

Chief Justice Landon of the State Supreme Court agreed today to review proceedings in the chancery court which issued a temporary injunction preventing certification to Washington of ratification.

The petition for a writ of certiorari and supersedeas was filed by Attorney General Frank M. Thompson, who argued it before Chief Justice D. L. Landon at his residence last night. After argument by the Attorney General it is said the Chief Justice granted the petition, which according to Attorney General Thompson vacated the existing injunction. The Attorney General this morning advised the Governor that the proceedings left the matter entirely open and the certification followed immediately.

Opponents of ratification charge the proceedings violate the rules of the Supreme Court, in that the other party was not notified such a hearing was to be held.

WHEAT GROWERS IN OKLAHOMA PLAN TO SWAT LOW GRADES

Oklahoma City, Aug. 24.—"Swat low grade wheat" is the slogan that has been adopted by farmers in a number of the western Oklahoma wheat counties.

T. J. Eldridge, county agent of Beckham county, has assisted in the organization of a wheat growers association which covers most of the great growing counties in the western part of the state. To make the effort for better seed wheat more interesting, Beckham county elevator men have offered premiums of \$50 to the grower who produces the purest seed and the greatest yield on a five acre tract.

Hard and soft wheat are to be raised. It is said the Kanred variety will be tested. Some of the farmers already have tried this variety and found it superior to any other they have tried.

LOWMAN WILL FIGHT EXTRADITION TO TEXAS

Chanute, Kan., Aug. 24.—J. W. Lowman, singing evangelist, of St. Paul, Kansas, in jail here, said he would fight extradition to Texas where he is wanted in connection with the murder of Hershel Erwin of Weatherford.

Lowman was brought here from Macon, Mo., where he was arrested charged with having a stolen Texas auto in his possession. Lowman claims he bought the car in Oklahoma City from his step-father "Tex" Newman.

TEXAS COTTON GROWERS WILL MEET IN DALLAS

Dallas, Texas, Aug. 24.—Texas cotton growers will hold a mass meeting in Dallas, September 1 and complete plans for holding their crop for higher prices. D. E. Lyday, vice president and general manager of the Texas division American Cotton Association, announced today.

Bankers and manufacturers will also participate in the meeting. A call was sent out to divisions in other southern states asking them to hold similar meetings.

BIG FAIR TO BE HELD AT PLAINVIEW IN SEPTEMBER

Fifty Comanche Indians from the Government reservation in Oklahoma will mix it with the Greek acrobats, the South American wire walker, the second largest wheat show ever held in America and dozens of other outstanding attractions at the Northwest Texas Fair at Plainview, September 27, 28, 29, 30 and October 1st.

Four of the biggest free acts in the country have been booked by the management of the fair to come directly from the Muskogee, Oklahoma State Fair and to go directly from Plainview to the Dallas Fair. Fifteen free performances of these big acts will be given daily, morning, afternoon and evening. One of these big acts is That cro's Circus which has been playing only the big fairs. Another is the great Martelle, a star attraction with Ringland Bros. Circus for a number of years, in a daring slide on his head down a tight wire. Another is the five Petrovskys who landed in this country in July from Greece. These performers are acrobats and balancers and do unusual Greek posing. And the fourth big act is the Ples Rector Trio, acrobats who perform on stationary ladders thirty feet in the air.

These are only the four headliners for a program of entertainment which crowds every minute of the five days. There will be the Comanche Indians with the war dance and village life, the Big Wild West Round Up with horse racing, bronco busting, steer roping, goat roping, bulldogging, the baseball and football games, auto racing every day with \$3,500 in purses, wrestling and boxing, band music, quartette and charcoal singing, foot races and field events, water fights and fire fighting and numerous other exciting and entertaining events.

The Plainview grain dealers have made possible the biggest purse ever offered at a wheat show in America, with a single exception. For instance the sweepstake for the best bushel of winter wheat will be \$200 cash and a big list of other sweepstakes in proportion. The alfalfa show will be another feature, and the cotton men are offering over \$500 cash on the cotton show.

The Horse Association of America, The Hereford Association, the Poland China Record Association, The National Duro-Jersey Association and several others are all cooperating in the awards and the success of the livestock exhibits. The poultry show will be judged by one of the best judges in the Southwest and promises to be unusually large.

There will be every possible department in which the woman can display their work and accomplishments and there will be a big Better Baby Conference. Contracts have already been made for as much as four city blocks of space for the tractor and farm machinery show. Similar contracts have been made for merchant's and manufacturer's displays which will cover the space of another entire city block. The auto and accessories show will cover the space of another two-thirds of a city block. The entire city will be decorated in gala attire.

On the first or second day a decorated float parade will be held for which more than forty cars have already been entered and on the last day a big livestock parade, with all ribbons tied, will be held.

There will be extensive county and farm displays. A total of nearly \$7,500 in premiums are being offered. Over \$4500 in free attractions and approximately \$8000 in race and other contests purses are sure to bring meritorious entertainment. And the best part of it all is that admission to all exhibits is free and competition open to the world and there is no charge to most of the entertainment.

Thirty five hundred catalogues are about ready for distribution and copies of these can be obtained from the secretary, E. B. Miller, Plainview, Texas.

DEFENDANT FREED IN REYNOLDS CASE

Lubbock, Aug. 25.—After being out less than two hours a verdict of not guilty was returned in the Reynolds case in district court here today. The case started with death of Samuel Reynolds while hunting in 1916 and was tried in Potter county in 1917 and his wife was given a twenty year sentence which reversed in 1917 and on retrial resulted in a hung jury.

The case was transferred to Lubbock in 1919 and she was given five years on a retrial she was acquitted.

Judge Spencer presided. Attorney McGee and McGuire represented state and Bledsoe defended Mrs. Reynolds.

MILLER UNAVOIDABLY DELAYED IN SPEAKING DATE

The Beacon is requested to state the reason Hon. Ernest Miller of Amarillo, speaker for Senator Bailey, did not reach here last Saturday. He was detained at Claude until noon Saturday and after reaching Amarillo the roads were too muddy to undertake to reach Lockney for his date.

COX SAYS HE WILL "PROVE" G. O. P. SLUSH FUND CHARGES

Dayton, Ohio, Aug. 24.—Governor Cox, Democratic Presidential candidate, today gave out a statement declaring that he would "prove" his charges regarding the magnitude of Republican campaign funds. He stated that he would present his information at his address next Thursday night at Pittsburg.

The statement of Governor Cox follows:

"Senator Harding denies my charges about the campaign fund which the senatorial oligarchy is raising. I am prepared to believe that he knows nothing about a lot of things that are going on around him. This reveals the very dangerous symptom which I have been discussing. In my Pittsburg speech this week I will advise the country as to matters of which the Senator claims to be ignorant and I will prove my charges."

The Governor made no reference to reports that he might be asked before the Senate investigating committee. His presence has not been requested, it was said, and it was reiterated today that he had advised Senator Reed, Democrat, Missouri, of the committee, that he would transmit information in time for the committee's meeting next Monday.

Several long distance telephone conferences were held today by the Governor with party leaders regarding assembling of information relative to the Republican financing.</

THE AMERICAN PRESS ASSOCIATION

The estimated population of the United States under the 1920 Census is placed at 105,082,600. Texas population is 4,572,660. Texas ranks among the largest States in the union as to population. The new census will doubtless increase our representation in Congress.

Jesse Adams, the great political economist of the South Plains, and expert on feminine styles, now rises and remarks that the healthiest people are those with brown skin, concluding that is the reason why our women are so healthy. Does Jesse refer to the prevailing styles of the Plainviewites, or has he had an influx of Mexicans.

There is talk of an extra session of Texas Legislature to enact measures allowing the women of this state to vote in the coming November election. Opinion is divided among leading lawyers of the state as to the exact status of women in reference to the November election. Some claim that the women would not be required to pay a tax in order to vote this fall, while others are of the opinion that they would have to pay the tax before they could legally vote. Attorney General Cureton will doubtless render an opinion on the subject in the near future.

Tennessee was the 36th state to ratify the 19th amendment to the Federal constitution, giving the women equal rights with men in suffrage matters. Thus will the women of America be allowed to vote in the coming November election. The Tennessee Legislature passed the amendment by only two majority. A hard fight was put up against the amendment. The Legislature was called into session to consider this question. They adjourned last Friday. It is thought the

adoption of the amendment by Tennessee and thus giving the American women the right to vote this fall will aid the democratic national ticket. The number of women to vote this fall is placed at 17,000,000.

Governor Cox claims that the Republicans are accumulating a slush fund of \$15,000,000 to defeat him. What's the matter with the democrats? Have the Republicans got all the cash.

Are you ready for the school opening? This is one of the most important events of the year. Get the children ready, and yourselves ready to make this the best school year in the history of Lockney.

It now looks like the Polls will clean up the Russian Bolsheviks. The Russians drove the Polls to the wall, when the latter turned on them and give them a sound thrashing.

The present campaign for governor of Texas has been one of mudslinging. If half said about either Bailey or Neff is true the rare both meaner than horse thieves, and should be shot on the spot. The political waters of Texas have been muddied so that decent people have had to come to the surface for a breathing spell.

The Federal Suffrage amendment is now tied up in an injunction at Nashville. After the amendment had been ratified in the Tennessee Legislature the anti-suffrage people sued out an injunction against the governor, restraining him from certifying the adoption of the amendment to Secretary of State Colby. Thus has the matter of the rights of women to vote been taken to the courts, and it will likely stay there for several months. In all probability there will not be a decision in time for the women to vote this fall.

The other day at Gainesville Neff called Bailey a dirty liar. This reminds us of a political campaign in Arkansas a few years ago, when two men met on the same platform in their race for United States Senator. One of the men said to the other that if his opponent would lay that gun aside he would thrash hell out of him. In Texas when a man calls another a liar somebody usually gets the hell thrashed out of him, but politicians these days can engage in all manner of a-buse towards the other and get away with it.

Jones county farmers are planning to operate their own gins. This situation is brought about by the rise in price of ginning. It is stated that ginners of Jones county will place the ginning at \$9 to \$10 per bale. The farmers contend that seed at \$23 per ton is not in keeping with the price of ginning, and before they will pay same they will build their own gins. The Beacon is not familiar with these matters, and could not say whether \$10

per bale is too much or too little. The farmers should be the judge of these matters. This we do know, that is, we are living in an age of grafters not only on the farmers but all classes of citizens. In olden times Jesse James went horse back, but now the robbing is done afoot and in plain daylight. It seems to be the plan to get your neighbor before he gets you.

The second Annual Reunion of the veterans of the 90th Division will be held in Oklahoma City, September 23, 24, and 27. The 90th Division was originally made up of men from Oklahoma and Texas and trained at Camp Travis, Texas. However, many replacements were received from every state in the union. The Division took part in the St. Mihiel and the Meuse-Argonne offensives and was one of the divisions honored by a place in the Army of Occupation in Germany.

A woman said the other day that her profession, she supposed, was being mother to her small children. And what better profession can be found? To bring up a nice family of nice children and get by with the job in a creditable manner, is better than being a female wonder in the business world, and takes far more talent to bring about the desired successful results than conducting business. In fact, the average mother has to have more right down common sense than most folks if she is a successful mother in the true sense of the word. And if the mother is a sorry specimen of creation who cares more for a good time, sitting about to show her new finery or trying to captivate some poor fool of a man with her charms, then she is a false god set up in her home for her family to worship—usually at a distance. Motherhood is a trifle more than bringing children into this sad old world of our and to be a sorry mother is to be a thing to deplore.—Higgins News.

Herman G. Hoffman, leader of the Chicago radical and Bolshevist, has returned from Germany, where he had been to circulate radical literature and promote revolutionary documents. "I'm through with all this red stuff," Hoffman said Thursday. "When a man looked over the conditions in Germany and those foreign countries at first hand and compared them with the good old United States, he's certainly a fool to claim any other creed than 'America first, last and all the time.'"

If more of these anarchist and labor unionites in this country could be made to go to Germany or Russia and spend a few months it might cure them of their Bolshevism.

It remained for a Swede to solve the high price farm labor. According to a New York dispatch Carl Paulson came over from Copenhagen with a wife and fifteen children and has purchased a farm in Indiana. Paulson purchased 100 acres of farm land near Minneapolis and declared if his children, who range in age from four months to 19 years, cannot do the necessary farm work he will send home for reserves, two daughters, three sons, and nine grand children. "Then if I don't have enough help, well, it's only natural to believe there'll be more in time; it seems to run in the family" Paulson declared optimistically.

The total number of slackers in the United States during the war is placed at 173,911. The total number of American citizens to register under the selective draft law was 24,000,000. The number of slackers is placed at less than 1 per cent. The government announces that it will publish the list of slackers and will make an effort to apprehend them and bring them to justice. In view of the fact that the willingness of the American people to submit to the selective draft was the foundation stone of our large army and our successful military achievements the government is not willing that these slackers should go free. Even now the government is willing to give these slackers an opportunity to right matters before the list is published and final action is taken in their behalf.

The Galveston dock strikers want their jobs back and the State martial law to end, but they want to dictate the terms of settlement to the ship owners. They want all non-union labor fired off the job, and complete control of ship loading in Galveston placed in union labor hands. Non-union labor came in and loaded and unloaded ships when union labor refused to do so, now is it right that they should be fired and the work given to the men responsible for the strike, and who refused to load ships except under certain conditions? We think not, and as a matter of common justice they should be retained in their positions so long as they wish to work. An open shop should be declared at Galveston, and union labor put on notice that they will have to work along side of non-union laborers or go hungry. We must teach union labor to respect the rights of other people.

Tomorrow throughout Texas the second primary or run-off will take place in the governor's race. This has been the bitterest campaign in the history of Texas. It has been a campaign of personalities, both in the first and second primaries. The old Bailey question in Texas has been brought to the front. Bailey and Neff are in the run-off as the two high men. Both sides claim that they will win. The Beacon has no opinion as to the strength of the relative candidates, and no choice as between the two. Neither are fit to be governor of Texas according to our viewpoint. We are still fixed in our determination to vote for neither. In the case of Pat Neff we view

A Tractor That Will Not Last Will Not Pay

Long life and low upkeep expense are two outstanding features of the Rumely OilPull.

Many of the first OilPulls built, over eleven years ago, are still working as satisfactorily and economically as when new. "Old Number One," the first OilPull, has cost its owner but \$200 for repairs in eleven years.

The OilPull is built in four sizes—12-20, 16-30, 20-40 and 30-60 H. P.

A car of 16-30's ready for delivery. Get yours before they are sold.

that gentleman as the weakest man that ever aspired for governor of this state. In case of Bailey we view him as the most undesirable of any previous aspirant. In tomorrow's election we hope that men will be conservative in their conversion, respectful in their attitude towards those that differ with them. Let's close this discussing campaign with as little hard feelings here at home as possible. Console yourselves with the thought that you will have as good governor as your neighbor.

Some of the antics of our beloved Government in its efforts to protect the "dear people" from the rapacity of the omnivorous profiteers are enough to wring tears from a cold chisel. Here at the fog end of summer, comes an order to the federal agents to take a fall out of the ice man! All through the hot test weather, not a thing was said about the exceeding high cost of ice—Southwestern Plainsman.

The governments course in these matters has been simply ridiculous. If the government has ever lowered the cost of anything save what the farmer grows we have failed to notice it. If the government was really in earnest about these matters it would go to the manufacturers and say to them, "You quit profiteering on the people or we will get your angora." The government makes a stall around and over the country now and then and the high cost of living. The prosecution of the leemen at the tail end of summer is a sample of the government's activities, and its earnestness. If the government wants to do something worth while for the people it will get in after this coal shortage business before winter comes on, and the people of the United States begin to freeze. Its policy in these matters will be along the lines of its ice activities. The government will wait till dead winter, when the coal begins to pinch our people and it will then make a big stir and numerous threats.

Union labor organizers are busy in Dallas and other labor centers organizing Mexican and negroes into unions. The scheme of organized labor can be readily seen in these matters. The farmers are already up against it in matter of farm labor prices, and the intentions of these labor bosses is to further fasten their clutches on the public and the farmers in particular by organizing common laborers into unions so that the price of farm labor can be further advanced. This fall we will see labor unions among Mexicans and negroes advance the price of cotton picking, and other farm labor beyond the point where the farmer will be unable to pay same. Organized labor is seeking to get control of the government, they are in politics, as well as industrial questions, and seek to put the public in a position where it will have to submit to its dictates. The efforts of union heads to organize common laborers is the most alarming of

EGG-LAYING CONTEST AT STATE FAIR POULTRY SHOW

One of the novelties afforded by the State Fair of Texas season for 1920 will be the Egg-Laying Contest conducted on the grounds by the Poultry Department. It promises to be the center of interest for that section of the big exposition. The plans for this event include the entry of fifteen pens of six females each. These will be brought

into the department the opening day of the Fair, October 9, and placed in pens particularly assigned. They will then be placed under lock and key, the pens to be examined by the judges only, and decisions made on the final day of the State Fair season, October 24. The contest is expected to bring into competition some of the finest laying breeds known to American fanciers.

In addition to this event, the regular program for the poultry and pet stock department of the Fair promises much. The premiums are very liberal, and entries are already coming in at a rapid rate. S. T. Morgan is director in charge, and Walter Burton is superintendent.

GRAIN EMBARGO LIFTED

The grain embargo at Galveston was

lifted Monday afternoon, according to a telegram from the Galveston Commercial Association by Secretary Dorsey of the Texas Grain Dealers Association. The message follows: "Embargo raised today, permitting the movement of grain through Galveston without restriction."

CANYON PRESBYTERIANS WILL BUILD NEW CHURCH

Canyon, Aug. 23.—At a recent congregational meeting of the Presbyterian church at Canyon it was unanimously voted to erect a thirty thousand dollar church in the near future. The general board of church erections has agreed to make a donation for this purpose of \$10,000 and to make a twenty year loan of an additional \$10,000, on the condition that the local church raise \$10,000. A campaign will be set in motion at

once to raise this ten thousand from the local people, and it is expected that the church will be in process of erection some time this fall.

BARBER SUPPLY HOUSE NOW OPEN FOR BUSINESS

The Panhandle Barber Supply House opened today for business in Amarillo at 609 East Fourth Street. The building has recently been remodeled and fixtures of a handsome design have been installed.

A large stock of everything to be used by the barber has been purchased and with the exception of a very few items the stock is now complete, according to J. R. Dyer, proprietor of the establishment.

Mr. Dyer states that he will maintain traveling salesmen for the Panhandle territory and will be the wholesale distributor for the Panhandle.—Amarillo Daily Tribune.

TEACHERS SCARCE IN THE PANHANDLE

Panhandle schools are having more difficulty than they have ever had in getting enough teachers to fill all the teaching places. It seems from reports that it is not a matter of getting competent teachers, but that the schools are taking just anybody that can get and then there are not enough to go around. It is reported that the schools at Hereford have half a dozen or more vacancies that they have not been able to fill at all.

Superintendent Sisk of Vernon was in Amarillo the other day looking for teachers and reported that he had several grade places that he could not find teachers for and that he had not been able to fill more than half his high school places. What is true of these schools is also true of other schools in the Panhandle. There is hardly a school in this section with its full quota of teachers.

Superintendent Duncan says that up to the time that the board decided to open the local schools this fall to all the children of the city, all teachers places had been filled without lowering the requirements of former years, but that the recent decision had rendered it necessary to add about twenty-five teachers to the staff and that all these places had not yet been filled.

This scarcity of teachers is not peculiar to the Panhandle, but it being felt all over the state and nation, it is said. There are few schools in the state with their full quota of teachers, and this is in spite of the fact that the requirements everywhere have been lowered and school boards are taking nearly any one they can get—young, inexperienced boys and girls without training or experience and incompetent persons previously let out of schools.

"These conditions are due to the fact that the people have failed to listen to the call of the schools for adequate support and now they are going to have to pay the price in inefficient service," said Mr. Duncan. "Good teachers now are very hard to find. They can command adequate salaries, and it is going to be a long time, even after the people make up their mind to properly support the schools, before enough good teachers are available to fill all the places. Most of the teachers who have left the schools have left for good and it will take several years for others to prepare to fill their places even after the future of the teaching profession is made such as to induce them to do so."—Amarillo Daily News.

FOR SALE—A four room house near Lockney. Party to move house from lot. House must be sold at once. See W. R. Stone.

THE GOVERNOR'S RACE

With the civilized world waiting for America's agreement and cooperation, in her last and best attempt to prevent future wars.

With the HELLISH saloon banished from America but clamoring for a return to place and power.

With the ballot almost in reach of our mothers, wives and sisters, and their great help so much needed.

There is but one thing to do on August 28th, and that is VOTE for the man in the governor's race who stands unselfishly and patriotically for these great reforms and who is in complete harmony and cooperation with our great Democratic leadership in its battle for world peace and progress.

The HON. PAT M. NEFF.

Respectfully,

Reuben M. Ellerd

YOUNG MAN! YOUNG WOMAN! Are You Going to Attend College This Fall

Then you will be interested in the school that offers the following advantages:

1. A standard four college curriculum leading to a Bachelor's degree, and specially equipped to offer advanced instruction in Agriculture, Art, Expression and Music in addition to the usual college course.
 2. A faculty of fifty hand-picked specialists in the various fields of learning.
 3. A department of Music unexcelled in the whole Southwest, giving private instructions in voice, piano, string instruments, band and orchestra besides instruction in public school music.
 4. A department of Expression that takes rank with the best in the country.
 5. A department of Agriculture equipped with splendid laboratories and sufficient land for work in horticulture and stock farming. We have a herd of big-bred dairy cows, a few fine hogs and a poultry yard.
 6. A school plant that represents the last word in architecture, consisting of an Administration Building, a dormitory for women, an infirmary, a metal shop for manual training, a heating plant; conservatively valued at \$1,250,000 and easily surpassing all other institutions within three hundred miles.
 7. A dormitory for women that has every modern convenience at a minimum of expense, under the direction of as fine Christian influence as can be found anywhere.
 8. A Kindergarten in charge of trained experts, used as a demonstration for Kindergarten teachers.
 9. A common school of nine grades under expert instructors used as a demonstration school for grade and high school teachers.
 10. A manual training department that offers courses in all forms of wood and metal work and printing.
 11. A Director of Athletics and Physical Education for both men and women and the very best equipment for these departments including a beautiful indoor swimming pool, shower baths, an unexcelled gymnasium, six tennis courts, a baseball and football field, a race track, etc.
 12. A library of 10,000 volumes, unexcelled in quantity and administered by trained librarians.
 13. The religious life of the school is distinctly invigorating. Devotional exercises are held daily for the entire student body. The Y. W. C. A. maintains a paid secretary, who gives general direction to Christian activities. In addition, the Baptist and Methodist churches will have paid secretaries here during the coming session.
 14. Expense are very low—no tuition (except for private instruction) free text books, cheap board.
- There is no need for the young people of the Panhandle and Plains to go away from this section for college advantages, when all of the above unexcelled facilities are to be found in the West Texas State Normal College, Canyon, Texas.

BUSINESS MEN ADOPT NEOSHO, MO., PLAN

"What is the Neosho Plan?" asked William Bailey, a banker of Clarksville Tennessee, in a letter he wrote last summer to the Associated Advertising Clubs of the World, in New York City. "That is a plan by which the business men of Neosho, Missouri, pooled their efforts and brought the trade of the farmers of their county to their town and held it there," answered the secretary of that club. "Write to A. C. McGinty, of Neosho; he is one of the big small-town merchants of this country, and he will tell you all about it."

Bailey, the banker, wrote to McGinty the merchant, and got this reply: "The Neosho Plan is too big a thing to tell about in a letter. Come out and bring a delegation of three or four business men with you, and we will show you the plan in operation."

Two weeks later McGinty received this telegram from Bailey: "We are coming on special Pullman care to investigate Neosho Plan. Party of twenty-five business men, the county farm advisor; several farmers, and a Presbyterian preacher for good luck."

Twelve years ago the business men of Neosho, Missouri, felt that they were suffering from the onslaughts of the mail order houses and the big business houses of Joplin only twelve miles away. A young man suggested a plan the "Golden Rule" plan to hold business. It was adopted by twelve business houses. Now there are over a hundred houses in the plan, and the little city has grown from 2500 to 5000 population, and the trade territory is developed and held.

The heart of the plan is this: A sales day is held one each month. Each member of the organization advertises one article at a cut price, no two members advertising the same article. Other members do not sell the article at the cut price. The more members there are the more articles are offered at cut prices. The article, the offer, and the price must be bona fide, as the advertisement is censured.

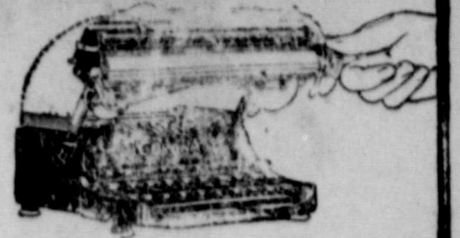

The following conversation illustrates the Golden Rule side of the plan:

"Mr. Briggs, are those tires that Kerr is selling today actually three dollars cheaper than you sell them?"
"Yes, that's a fact," returned Briggs.
"Same tire?"
"Yep, same tire."
"And three dollars cheaper?"
"Yeah, three dollars cheaper."
"Nothin' wrong with 'em?"
"Not a thing in the world."
"Then I guess I'd better buy a pair and save six dollars, hey?"
"Yes, that's the thing for you to do."
"I'd rather buy from you, Briggs, if you'll sell at the same price."
"No, you better buy from Kerr today; I don't believe I'll ever sell that tire as low as that."
More than thirty business houses

in Dalhart have entered into the plan, and will fix the first sales day in September. It is proposed to issue a large circular several days beforehand, in which each member will list his particular article and the price. The wise buyer by making the round of the business houses will be able to pick up a number of things needed at lower figures than can be bought elsewhere.

It is thought that after a few sales days are given buyers will be attracted from a large territory, as real bargains will be offered each time, and numbers of them.—Dalhart Texan.

It weighs **6 Pounds**

It **Folds**

that's why it's never in your way. Folds, and fits in its own neat case or in desk or bureau drawer.

WHEN there's extra work to do, you're no longer chained to the office if you have Corona to help you. Just fold it up—take it with you—typewrite anywhere.

Carry Corona home with you, or on train or steamer. Make use of the spare moments, and handle your reports or correspondence in the business-like way. It's the sure way, the efficient way of doubling up on your output.

Come in and try it. In fifteen minutes you can teach yourself to operate Corona.

Russell & Cockrell, Amarillo

CORONA

The Personal Writing Machine

It **Travels with You**

Folded in its case, Corona is so light and compact that you can carry it in one hand.

ATTENTION FLOYD COUNTY FARMERS

The tendency of most farmers is to pick and gather cotton in the fall most any way to get it out, and this is very injurious to your interest indeed. Don't let pickers pick your cotton just any way. Do not put any of the hulls in especially. I will tell you the reason why, at this writing some buyers have instructions to not buy anything under middling cotton, and anything under low middling is not tenderable on N. Y. or New Orleans contracts.

Strict low middling is now off 400 points and low middling is off 1000 points, that is, off middling basis, and you can readily see that it pays you to pick your cotton clean.

If your neighbor picks trashy cotton and gins just ahead of you at gin you will more than likely get one side of your bale trashy from his bale as the ginner can not afford to run out the roll every bale.

I get New Orleans, N. Y., Memphis, Houston and Dallas quotations, and this will be for your information anytime at my office.

We will also get by telegraph the market ever hour and I will have the Government Standards of grades on display. I am here to serve the farmers of Floyd County.

Yours for services,
E. M. JOHNSON,
Gov't. Cotton Classifier, Floyd County.

STRUCK SOME OIL

Quite a bit of excitement was caused last Saturday morning by the report that the Virginia-Texas test south of the river had struck oil the night before at the depth of 2040 feet. A large number of people went out to the well and a number of scouts showed up and looked things over.

The drilling was stopped at ten o'clock Friday night with a good show of oil and gas. It was the opinion of the drillers that the bit had barely penetrated the sand and that drilling further in would bring in something worth while. Local manager Hixson wired the officials of the company and several of them came in the first of the week.

Early this week the tools were sent on down into the sand, but failed to develop anything worth while. One of the drillers stated that he believed if the well was shot it would make a small producer. The company, however, is not satisfied with the showing and the test will be put on down to 4000 feet, if pay sand is not found at a lesser depth. Their contracts reads 3,200 feet, but the showings found have been so encouraging that the well will be put down to the greater depth. If nothing is found further on down, the casing will be pulled and the present showing shot and tested.

Several scouts and geologists who inspected the test and cuttings declared

that they believed a real paying sand would be found in this well in the next few hundred feet. The finding of the present showing coincided exactly with the report of the company geologist when he made the location.

The Virginia Texas Company has never had any stock or acreage on the market, and has none now. They are going after the oil if it is to be found, and are now negotiating for another, and perhaps two more tests near the present location.—Hall County Herald.

WAR POSTERS

Austin, Texas, Aug. 22.—Under the supervision of Milton R. Gutsch, director of the Texas War Collection, the University of Texas has assembled one of the most complete collections of war posters in the country. English, French, Italian, Belgian, Serbian, Polish, Irish and Czechoslovak posters and proclamations from the war areas, together with those issued in this country by the Government and by different

organizations and drives, are included in the collection. The posters are mounted and hung along the walls of the exhibition room, there being several thousand of all sizes and kinds.

FLAHERTY SAYS BURLESON IS CAUSE OF POSTAL INEFFICIENCY

Kansas City, Aug. 16.—Thomas J. Flaherty, national secretary, told two hundred members of the Postoffice clerks union here yesterday that the postal service throughout the country has been "handicapped because Postmaster General Burleson by endeavoring to make the department a financial success and in his desire to court public favor had disregarded any attempt toward efficiency."

"During the seven and one-half years of his incumbency he has failed to make one single change for the betterment of the postal system, either for the public or the employees, but has been notorious in his endeavor to remove every incentive calculated to stimulate loyal and efficient service," Flaherty said.

Flaherty charged Burleson with responsibility for a "demoralized system, inefficiency, congested and insanitary," which, he said "has been revealed by an investigation into the postal situation."

Flaherty was en route to Washington from the Pacific Coast where he has completed a speaking tour to post-office clerks of that section.

L. D. WITCHER DIES

L. D. Witcher, a well known farmer who lived about two miles this side of Quitaque, died at his home Tuesday afternoon and was buried in the Silverton Cemetery Wednesday afternoon under auspices of the Masonic Lodge. He had been in failing health since he was afflicted with the flu winter before last, but was thought to be on the improve a few days back and made a trip to Quitaque Saturday, but took worse after returning home. He was well known to many Silverton people, and his family have the deepest sympathy of our people in this dark hour. —Silverton Star.

FLOYDADA NEWSY ITEMS

All the material, save one car now in transit, have been received for the new brick structure of the Floydada Cumberland Presbyterian Church, corner Third and Mississippi Streets.

The Cumberland Presbyterian church of Petersburg will build this fall a church for their congregation at Petersburg, according to Rev. O. A. Mealer, pastor of the church. Practically all plans have been completed for the structure, which will be a creditable structure for the town.

Elbert L. Norman, son of Mr. and Mrs. I. E. Norman, of Mr. Blanco, and until recently of Plainview, and Miss Gladys Louise Archer, daughter of Mr. and Mrs. J. R. Archer, also of Mount Blanco, were married Saturday evening last at seven o'clock at the home of the bride's parents, Rev. Sorrell, officiating at the wedding. The couple are members of well-known families of the county. They will make their home at Floydada, Mr. Norman having accepted a position with the First National Bank here as bookkeeper.

Two members of the Commissioners' Court resigned last week, H. R. Brown, commissioner from Precinct No. 3 resigned in favor of R. L. Orman, choice of the Democratic Primary in July, and Chas. Trowbridge resigning in favor of J. L. King, Democratic choice from Precinct No. 1. Mr. Orman sat with the court in its deliberations Saturday. County Judge Howard appointed J. L. King to succeed Mr. Trowbridge but Mr. King has not yet accepted, stating Saturday that he was not ready for the job. —Floydada Hesperian.

ONCE A SCRUB ALWAYS A SCRUB

How do you suppose the cow of 46 centuries ago—26 centuries before Christ—would look compared with your cow? Well, she might not conform to any standard classification but judged on general appearance, she would outclass a good many American cows of today. A comparison has been made in picture slides by the United States Department of Agriculture. Pictures of cows of the twenty-sixth century, B. C., found on Egyptian monuments, have been made into stereopticon views and placed alongside pictures of scrub cows of today. The same is done with Assyrian horses and some scrub horses of the present time. They illustrate the fact, "Once a scrub always a scrub." These slides are distributed as a part of a series on better live stock production by the States Relation Service.

WILLIAM PIERSON—"We again present William Pierson of Hunt county for Associate Justice of the Supreme Court. He won first primary by 24,853 plurality. Vote for him August 28th. 48-11

Sales For July by Perry & Cram Quarter Million Dollars

This is a pretty good record, and proves that we are well organized for business and can "deliver the goods."

One of the very gratifying features in connection with this big business is the fact that so far as we know there is not a single dissatisfied customer, either buyer or seller.

We naturally want to beat this record during August, and with our large list of properties in general, both in Farms, Ranches and City Property, in connection with our recent contract to handle the magnificent body of land known as the "Price Brothers Holdings" northeast of Plainview, near Whitfield, we see no reason why we should not do so.

It is a well known fact that there is no finer land on the Plains, nor in Texas, than this body of land. The soil is peculiarly adapted to the raising of the two great Staple Crops—WHEAT and COTTON. Any farmer who will apply himself, using the scientific methods of farming now so well established in this wonderful Shallow Water Belt, can not only make this land pay for itself in a very short time, but will build up a good bank account in addition.

This is really Choice Land.

It is Well Located.

There is None Better.

The terms of sale Are Good.

It is a Good Investment.

We can sell it in 16, 320 and 640 acre tracts.

We can secure first class rental contracts for purchasers who want to lease it out.

Land values will be Considerably Higher by January. Those who are in touch with conditions know that prices are advancing rapidly. The time to buy is Now. Don't wait. Delay means additional cost to you. Let us show you this land. Your own judgement will tell you what to do after you have seen it. In five years Our Lands Will be Worth \$250 per acre, or the present values in Central Texas, Kansas, Nebraska, Iowa, Illinois, Indiana and Ohio must come down at least 50 percent. And you never knew of really choice land ever falling back in values. Present high prices in these states will be Maintained, which means Big Advance in our lands. This Must Result. Are you going to profit by experience of others and make yourself solid while you have the opportunity.

We have some choice modern homes in Plainview, and some fine suburban homes. Tell us what you want and we will do the rest.

THE UNIVERSAL CAR

Every Ford Owner Should Know

Just what Ford service is, and why it is different from ordinary garage service. The Ford Dealers is a part of the Big Ford Family. He carries a large stock of genuine Ford parts for repairs and replacements, and he uses only genuine parts because he knows the imitation parts aren't dependable.

He has a thoroughly-equipped up-to-the-minute garage with tools that enables his Ford mechanics to efficiently and properly make any repair—from a minor adjustment to a complete overhaul.

Now, we are Authorized Ford Dealers—a part of the great Ford Service organization which was formed chiefly to put within each community a dealer who would have more than a passing interest in Ford repairs and adjustments. Drive in or phone and we'll come for your car.

PUREBREDS COMPETE FOR \$65,000 PURSES

Livestock Division at State Fair of Texas Breaks All Records For Amount of Prizes

With the State of Texas looking forward to one of the most prosperous cattle years of its history, the State Fair of Texas is not over-optimistic in predicting that the season of 1920 is going to be the greatest year in its history so far as the Livestock division is concerned. A total of \$65,000 in premiums, breaking all past records for this department, is the prize dangling before the eyes of the owners of show herds of America. In addition to this, tens of thousands of farmers and stock raisers will attend the Fair eager to pick up purebreds to improve their own cattle strains. This is a great

opportunity for the show cattle owners, and they are coming—stronger than ever before.

The Hereford and Shorthorn breeds lead the field in the allotments for beef cattle, with \$15,000 each. Aberdeen-Angus come next, with \$5,000. Then the dairy breeds "cut in" for their share, which is \$7,500 this season. Swine easily make way with \$6,000, while horses, mules and jacks will draw \$7,000. The sheep and goat section, with the dozens of incidental classifications, absorb the remainder.

All premiums are generous to a degree this season, and exhibitors are exceedingly enthusiastic. The fact that the State Fair is building two new livestock barns, both of modern fireproof construction, which will give plenty of accommodation, is bringing fine animals that never made the Southwestern swing before.

John Scott of Tulla, former citizen of Lockney, was a Lockney visitor Wednesday, shaking hands with his friends.

Messrs. J. Matthews and Wilber Crane of Tulla were Lockney visitors Wednesday.

A. J. White was on the streets Tuesday for the first time after several days illness.

Less Floyd is in Nevada, Mo., where he is under medical treatment.

Albert Pennington was a Plainview visitor Wednesday.

Ethel McCloud of Trent is here visiting her friend, Miss Roy Riley.

D. C. Overturf and family returned Tuesday from their visit to Arkansas. They made the trip overland in a truck especially fitted up for the occasion.

NEEDED BY FARMERS

Most of the farmers in Floyd County are keeping their business well in hand thru systematic Checking Account records.

Many prosperous farmers around Lockney are well known by their bank checks and characteristic signatures.

Every farmer can benefit by this business like method of paying bills, obtaining receipts and building commercial prestige.

We welcome new accounts with an assurance of friendly attention.

Horace Fondy returned Tuesday from a visit to his home at Snyder. Horace has been running a threshing in this section. He has rented the Walter Long place east of town and will move there in a short time. Mr. Fondy is a splendid citizen and we are glad to know he is locating in our midst. His father has recently purchased an acreage home near Floydada.

O. F. Wilson of Olton, Lamb county, was here several days this week. Mr. Wilson formerly lived in the Curlew community. He is a breeder of thoroughbred Poland China hogs and is planning a sale in the future.

W. W. Angel received a card from W. N. Brown this week, from Los Angeles. He stated that he and Mrs. Brown were having a big time and that he was leaving the next day for Pasadena to visit Uncle Frank Ford and George Meriwether.

FOR SALE—2 1/2 H.P. Gasoline Engine in fine shape. This engine is in good condition. We want \$100 for same. Apply at Beacon office.

FOR SALE—A four room house near Lockney. Party to move house from lot. House must be sold at once. See W. R. Stone.

Personal Mentions

A very successful meeting closed at the Meteor school house last Sunday night. Seven were baptized Monday morning at the A. W. Thompson home.

Mrs. V. N. Dillard is visiting for a few days in Plainview this week.

J. A. Suits and wife of Jayton, and Henry Suits and wife of Dawson county were here the latter part of last week on a visit to their sons and nephews and families, J. L. and A. A. Suits.

Charley Merrick was in the city Monday. He says that he wishes we would urge a little more street work in Lockney. He says he stuck after he got into town. Charley is correct.

G. F. Rigdon and wife returned the latter part of last week from an extended visit to relatives at Moran, Texas. They will leave in a few weeks for South Texas to spend the winter.

W. E. Beall of Oklahoma is here on a visit to his nephews, Walter and Jim Beall.

NOTICE TO THE VOTERS OF FLOYD COUNTY

Both Ladies and Gentlemen

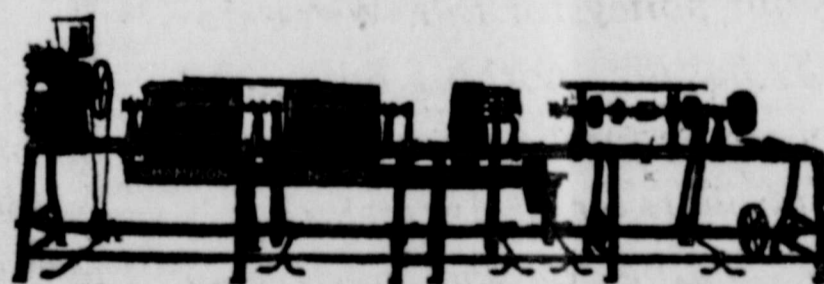

I want to thank you for your loyal support and many courtesies tendered me in my recent campaign for re-election to the Second term as County Judge of Floyd County, and having come out in the lead of both of my opponents 37 votes and not getting a majority vote, myself and Mr. W. B. Clark will have to run it off in the Second Primary which will be August 28th. Now, I am a Democrat and running on the Democratic Ticket, and on my own merits, and if I have made good I feel like I should have the privilege of the Second Term, as has always been the custom in the Democratic Party. And I would be glad that anyone feeling an interest in the County Judge's race would make all the investigation they feel necessary as to my ability to attend to the duties of this office. If you find me worthy of the honor of the second term as your county judge I certainly will appreciate your vote and influence in my behalf, and if not it is your duty to vote for the other fellow.

Now, as the duties of my office claim my time I will not be able to make a canvas and am taking this method of advising you that I certainly appreciate your support in the first primary and will certainly appreciate your support in the Second Primary.

Very sincerely yours,

J. W. Howard

Candidate for Re-election to the Second Term as County Judge of Floyd County, Texas.

MEXICAN PAPERS STRONG FOR FAIR

Herald Texas Exposition as Great Trade Opening.

Heralded by newspapers throughout Mexico as an event of national importance, the Mexican National Exhibit at the State Fair of Texas—October 9 to 24—promises to be a revelation to those who have overlooked the art, the romance and the beautiful traditions of the land of our southern neighbors. For the exhibit will abound not only with examples of Mexico's industrial and agricultural progress, but will contain relics and works of art that will be the center of attraction to hundreds of art lovers who will visit the Fair. In fact, one of the big features of the entire State Fair program will be the band of the Estado Mayor. This band ranks high among the musical organizations of the entire world and is well known to readers of musical journals. Nearly a hundred highly trained musicians comprise this band.

From a standpoint of commerce, the papers of Mexico have devoted page after page to impress upon their readers the importance of this exhibit. It is pointed out that this is an opportunity which must not be overlooked to establish better relations with business men of the United States. A typical newspaper story devoted to this exhibit appeared in a recent issue of "Excelsior" of Mexico City. The article, in part, follows:

"The Mexican exhibition of natural and manufacturing products, to be shown in Dallas, Texas, at the State Fair this year will be more complete and interesting than any other shown in any foreign country.

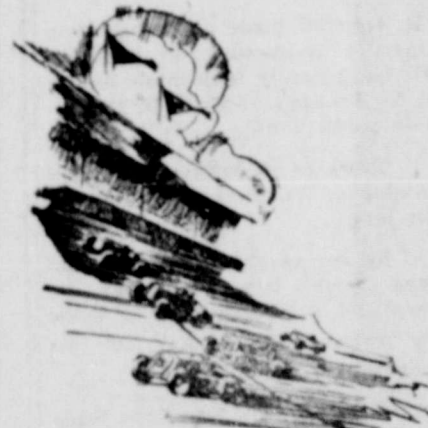

"At present the Texas State Fair is one of the most important in the American Union. All producers of the United States, and merchants in general, exhibit their products, without omitting any effort to enlarge the market for their products. Every available space, where this great State Fair is going to take place, has already been taken and every indication is that this exposition will surpass all previously shown.

"The city of Dallas has become the large distributing center of great importance in the Southwestern section of the United States. Nearly all the leading American enterprises have branches in Dallas and transactions are conducted on the same line as at headquarters."

The paper urges that Mexico send its very best products to the Fair, paying particular attention to the art collection which will be brought here. The importance of the exhibit to American industry can be readily seen when one realizes that it is through the medium of the Texas jobbing house that the majority of trade will be conducted with Mexico and it is expected that this alone will bring hundreds of Eastern manufacturers and industrial heads here during the Fair.

SET DATES FOR BIG AUTO RACES AT FAIR

Returning from Chicago, where he consulted with many automobile authorities, Secretary W. H. Stratton of the State Fair of Texas has announced

the dates for the auto races that will feature the State Fair season—October 9 to 24. These dates are:

Tuesday, October 12.
Saturday, October 16.
Sunday, October 17.

On these dates the kings of the dirt track racing game will meet in competition, insuring some of the greatest sport Texas has ever seen.

In addition to this, plans are now being made to stage a great international sweepstakes race on some day during the last week of the Fair, when the winners of the three days will meet in competition. This will undoubtedly be the greatest automobile racing event ever staged in the southwest.

COUNTY EXHIBITS WILL BREAK ALL FAIR RECORDS

With the co-operation of T. O. Walton, director of the State Extension Department at A. & M. College, assured, the State Fair of Texas is moving forward to a record-breaking season as regards county agricultural exhibits. Mr. Walton and Secretary W. H. Stratton of the State Fair, have had a series of conferences on this important department of the Fair, and every assurance is extended by Mr. Walton that the exhibits will be far more numerous, and far more select, than those of any previous year in Fair history.

WONDERFUL MUSICAL REVUE FAIR EVENT

Emile de Recat, Famous Producer, to Present Original Show.

Assuring the people of Texas and the southwest a wonderful and entirely original Coliseum show for the State Fair season by a daring adven-

ture into the production game, the State Fair management will present, beginning October 9 and ending October 24, Emile de Recat's latest and most famous production. It will be in the nature of a musical revue, giving world events in song and dance. De Recat is a genius in costuming, stage decorations and effects. He will be given free rein to make the State Fair revue the most wonderful in the way of costumes and stage scenery that has ever been produced in the South.

"There will not be a dull moment in this great revue," says Secretary W. H. Stratton, who visited a week at de Recat's studio in Chicago. "The singing and dancing will be extraordinary, introducing as it will ten principals and a chorus of twenty-four beautiful girls. The costumes will make every scene one of dazzling, vivid beauty. In addition four unusual specialty acts will round it out."

Three carloads of scenery will be needed to stage the revue, which will be shown in Dallas for the first time, making the State Fair rank with New York and Chicago for original productions.

COX'S CATTLE MAY VISIT STATE FAIR

Democratic Presidential Nominee is Owner of Fine Herd of Herefords.

Visitors to the livestock exhibit of the State Fair of Texas—October 9 to 24—will likely have an opportunity of seeing some of the famous Hereford breed raised by Governor James M. Cox of Ohio. Plans are being made to bring the pick of the Democratic nominee's herd here during the Fair and enter them in the contest for the livestock awards.

Assurances that the livestock exhibit this year will far excel any previous exhibit held here are made by Secretary W. H. Stratton, who has just returned from a trip to Chicago, where he visited a number of prominent cattlemen whose prize herds will be seen here this fall. Mr. Stratton declares that the coming Fair is arousing more interest in the North and East than ever before and that scores of cattle raisers from the Chicago district alone are already making plans for the trip during October.

Cattle, swine and sheep will have a prominent place in the exhibit and entries for all divisions have already begun to pour in. Those in charge of this department of the Fair are fired with enthusiasm over the prospects of staging the greatest livestock show that America has ever seen.

SCHOLARSHIP AWARDS EVENT FOR YOUNGSTERS

The awarding of seven college scholarships will be one of the many features of the Boys' and Girls' Educational Encampment to be held at the State Fair of Texas, October 9 to 24. It is estimated that more than 1,000 boys and girls will attend the encampment and each will be given an opportunity to win a prize.

In addition to the six scholarships announced recently, T. B. Truitt & Son of Waxahachie, Texas, have offered an A. & M. College scholarship for the best acre of cotton grown by a member of a Boys' club.

The encampment, which has been organized now for several years, is a very important factor in keeping boys and girls of Texas interested in farm work.

AUTO SHOW AT FAIR TO BRING NEW MODELS

Though the exhibition season of the State Fair of Texas—Oct 9 to 24—is several weeks away, automobile dealers of Dallas and of North Texas have practically all placed their orders for cars to be brought here for the automobile exhibit, which will be held on a larger scale than ever before. Already more than a hundred entries have been made by automobile dealers and many more will be made before the Fair is opened, taking up every bit of available space in the automobile building.

Late models of cars of practically every make will be shown here. In many instances the new 1921 models will be displayed for the first time.

LESLIE FLOYD GRAIN COMPANY GRAIN, COAL AND FEED

Announces the opening of their elevator.

We solicit a share of the grain business of this section.

We are in a position to buy your grain outright.

HI-WAY GARAGE

Wagons--Pekin

We have just unloaded a car of PEKIN WAGONS. They are the wide tread wagons, with or without beds. We have the wide beds to go with them, or as an extra, in the regular ten-foot and twelve foot cotton frame.

These are good wagons, being made of hickory and oak throughout, but we bought them at the old price and are going to sell them that way. We can save you from \$10 to \$20 on these wagons.

Disc Harrows--John Deere

Don't forget that we have all the popular sizes in the tractor and horse-drawn John Deere Disc Harrows. We also have good stock of double and triple horse plows and triple tractor plows.

Waterloo Boy TRACTOR

These BOYS not only are fuel savers but use very little lubricating oil—from one quart to a half-gallon per day. We keep good stock of repairs for the man they are very cheap as compared with other tractors.

The price of the WATERLOO BOY put in your field with full instructions is \$1450.00.

We only have six to sell at this price and then they go up about \$200.00.

Mitchell Brothers

Hardware, Furniture and Implement Dealers
FLOYDADA, TEXAS

farmer who considers the same the coming crop will be reduced by several million bales in quantity, will be increased by many million dollars in value, and at the same time the producer will save the loss incurred in the production of an unmerchantable commodity and will rent his would-be despoilers horse, foot and dragon."

TENNESSEE GOVERNOR WILL OBSERVE COURT ORDER

Nashville, Tenn., Aug. 22.—While ratification leaders were insisting Saturday night that the breaking of a quorum in the House of Representatives Saturday morning did not affect the Susan B. Anthony amendment, Governor Roberts was preparing to obey the Chancery Court injunction forbidding him to make any certification to the Secretary of State at Washington.

The injunction was issued soon after it became known that thirty-six members of the House had hurriedly caught an early morning train for Decatur, Ala. It was served on the Governor, the Secretary of State and the Speakers of the two houses, and is reported to have been a part of the plan to prevent the House from considering the motion to reconsider the suffrage vote of last Wednesday.

In spite of the lack of a quorum ratification leaders carried out their program of the day by calling up the motion and killing it. Representative Hall of Dickson county, the leader of the absentees at Decatur, said that they would remain away until mass meetings could be held and the people of the State could have an opportunity to express themselves. Most of the absentees are Democrats. In the meanwhile the forty-nine members who voted to ratify and who have earned title of the "faithful 49" declare that they will remain here until the vote is cast.

It is not expected that the absentees will return to Nashville for Monday's session. This will probably mean an adjournment from day to day, since the Legislature cannot adjourn without a quorum.

Filibustering is no new thing in Tennessee. Generally they have been brought to an end by compromises. After a filibuster of 1911, the Legislature of 1913 passed a bill making it a felony. Governor Hooper, who engineered the previous filibuster, vetoed the bill and returned it to the House in which a quorum was lacking at the time. The House undertook to pass it over his veto and did without a Constitutional quorum of two-thirds of all the members to which the House was entitled. The Supreme Court held in the case of a bill passed the same day and under the same circumstances that it was not Constitutional. Lawyers all agree that the quorum bill would

JUDGE KEYS MANAGER NOW FOR JUDGE PIERSON FOR SUPREME COURT.

In Interview Given to the San Antonio Express He Gives Some Reasons why He Will Support Pierson.

News that Dudley K. Woodward, Austin lawyer who managed the campaign of Judge W. M. Key for Associate Justice of the Supreme Court, will support Judge William Pierson in the run-off primary against Judge Hawkins, is contained in the following item from the San Antonio Express of Friday morning:

"During the contest just closed, I managed W. K. Key's campaign for nomination as Associate Justice of the Supreme Court. It now appears that he has been eliminated, and in the run-off between Judge Pierson and Judge Hawkins, I shall vote for and support Judge Pierson, because, as between these two gentlemen, I believe that Judge Pierson is better qualified and that it is a matter of genuine public importance that he be nominated.

"Judge Hawkins is a man of strict integrity and high character, but his record upon the Supreme Court during his seven and one-half years of record there, forces me to the conclusion that, temperamentally and otherwise, he is not qualified for the position which he holds. During the period between Jan. 7, 1913 (the date upon which Judge Hawkins qualified) and June 20, 1920, covered by volumes 152 to 221, advance sheet No. 1 of the Southwestern Reporter, I find that Chief Justice Phillips has written 204 opinions of the court (exclusive of dissents, concurrence and others not decisive of the case); that Justices Brown, Yantis and Greenwood, each exceeding the other in the order named, have written in the aggregate 182 opinions, and that Justice Hawkins has written 28 opinions. If these figures are correct, and they have been made with the utmost care, they reflect a situation which, in my judgement, renders it imperative that Judge Hawkins be superseded.

"Judge Pierson is a man of equally high character, an eminent lawyer of wide experience, and for a number of years past has served with credit to himself upon the District Court, where he has demonstrated his ability to transact the public business with accuracy and dispatch. I am convinced that, if elected to the Supreme Court, he will prove himself to be a distinguished member of that great body. He has conducted his campaign in such a manner that his success leaves no trace of bitterness, and it will be a pleasure as well as the discharge of a public duty to give him my support."

—D. K. WOODWARD, JR.

Judge Pierson won first primary by a plurality of 24,853 votes.

(Political Advertisement)

fall in the same manner if tested.

OKLAHOMA FARMERS TO HOLD WHEAT FOR \$3.00

Kansas City, Mo., Aug. 21.—Farmers of Missouri, Oklahoma, Kansas and Nebraska will hold their 1920 wheat at a terminal market price of \$3 per bushel.

This intention was made known here

Saturday following a conference at a local hotel late Friday afternoon.

Unless the price is met, delegates speaking for the Farmers' Union, declared Saturday all farmers will be requested to hold the grain from market.

A resolution adopted at the meeting voiced bitter protest against recent manipulation of the wheat market.

Hup, Chandler and Cleveland Automobiles

We can offer you choice of three popular makes of automobiles—cars with a reputation for service and economic of up-keep. The Hup has been before the market for years, and a car that has stood the test for indurance and service.

The Chandler is a car with a reputation behind it. It has stood the test for efficient service and little expense in operation and up-keep.

The Cleveland will compare favorably with any make of cars. You would make no mistake in purchasing a Cleveland.

LOW GRADE COTTON THREATENS MARKET

Dallas, Texas, August 21.—Col. W. B. Thompson, a well known cotton factor of New Orleans, and a life-long friend to the cotton industry, sounds a note of warning in the Manufacturer's Record of August 12, of the danger that threatens the marketing of the present crop, and points out a specific remedy within the hands of every grower.

"During the past three years low-grade cotton has been a grievous burden upon the cotton industry," says

Col. Thompson. "During this period the supply of these damaged grades has been abnormally large and the demand therefore abnormally small. The over-supply condition was caused by bad weather after the cotton had opened, and the lack of demand has been due to the fact that the normal low-grade markets have been closed and to the additional fact that during the war the United States government in formulating its contracts rankly discriminated against the lower grades. As the result of these conditions the grades below middling have declined to preposterous discounts. Low mid-

dling is quoted at 10-34 cents per pound less than middling, the next grade above, and good ordinary at 18-1-2 cents per pound less than middling, and even at these discounts all the grades in question have been and are still practically unsalable.

"It costs more to produce these low grades than the higher grades. Even when they can be sold at all they are sold at an enormous loss. Worse than that, the presence of an accumulation of unmerchantable stock in the market is a depressing factor in so far as the merchantable grades are concerned. The conclusion is that the cotton farmer simply cannot afford to produce and market the lower grades. These grades not only represent an unbearable difference between the production cost and the sale price, but they constitute a weapon with which the producer's antagonists may assault him. Low-grade cotton under present conditions is not an asset, but an infectious liability.

"Therefore, the plan proposed is simply this: Do not harvest any grades lower than middling.

"But it will be objected that the weather makes the grades and that the farmer cannot control the weather. This is true, but the farmer can regulate the grades he picks and puts upon the markets.

"As soon as cotton opens pick it as rapidly and as carefully as possible; have it ginned gradually; when ginned store it in a warehouse if the same is available; if warehouse is not available, take the cotton home, build a shelter for it, put it on skids and from time to time turn the bale over in order that all sides may be exposed to the air, sell when demand calls for it at satisfactory prices.

"Do not pick any rain or weather-damaged cotton. When the weather gets bad, turn the cattle into the fields. Do not let the damaged cotton stay to be picked later and sold at ruinous discounts, and in the meantime to be used by your adversaries in beating down the price of your good grades. Destroy the low-grade cotton and through such destruction fatten your cattle and your own pocketbook.

"If this plan is carried out and it will be carried out by every sensible

FRANK M. CLARK, Owner
HEDLEY, TEXAS

WHO FOR GOVERNOR

We oppose Mr. Bailey on three grounds.

FIRST—we do not believe he is a good Texan.

SECOND—He has not proven himself a good Democrat.

THIRD—We do not believe he has shown himself a good patriot.

Mr. Bailey has not for twelve years lived in Texas, not even owning any real estate here.

A democratic aspirant to the governor's chair should be in harmony with the platform as adopted at San Francisco, while Mr. Bailey is against practically every plank in it.

His war record speaks for itself, while he was "Invisible in time of peace, he was Invisible in time of war."

WEDDING BELLS

Algie Turner of Turkey and Miss Inza Wallace of this place were united in the holy bonds of matrimony last Sunday morning out in the Rock Creek community. Elder Chas. Watkins, who

was preaching out there, officiating. The bride is the accomplished daughter of Mr. and Mrs. T. D. Wallace, and has made her home here for several years, while the bridegroom is the son of Mr. and Mrs. B. H. Turner who live near Turkey, and is a brother of Claude Turner one of our prosperous

young farmers who lives two miles north of town.

M. C. Myers and Miss Pearl Welch were united in the bonds of wedlock last Wednesday evening, Rev. E. H. Clary officiating. The bride is the daughter of Mr. and Mrs. J. C. Welch of the Hay Lake community, and the bridegroom is the son of Mr. and Mrs. Myers who live north of town, and is a promising young farmer.

Jack Wafford of the Quitaque community and Miss Lily Kitchens of the Lakeview community, were married last Monday. Jack is a young ranchman, who is well known here, having lived in this part of the country since he was a small boy, and the bride is the daughter of Mrs. Ada Kitchens, who has lived here for many years and is well known to the people here.

Homer Simpson and Miss Pearl Bomar were married at Tulla last Saturday evening, and started the next morning with friends for a trip to the mountains. Homer is the son of Mr. and Mrs. J. E. Simpson, and is one of our thrifty farmers, while Miss Bomar is the daughter of Mrs. V. R. Bomar, and has been successfully engaged in school teaching for a year or two.

We extend congratulations to all these happy young people and wish them much happiness through life.—Silverton Star.

SHOULD HAVE SECOND TERM

Lieutenant Governor W. A. Johnson will be in the run-off primary in the race for his second term. It has become almost a religion with Texas

Democrats to give its representatives a second term where they have served acceptably in public office. This is very correct. Governor Johnson was tied up a month in the legislature just before the primary, and another month in the governor's office while Governor Hobbs was away as a delegate to the San Francisco convention. This prevented even a start at a campaign for his second term. We believe that in the run-off primary the people will do the proper thing by giving him the second term. He has dispatched business in the Senate more rapidly and correctly than it had been for many years.

Some perhaps voted against him in the first primary, thinking he was the man who pardoned Watson for killing Banking Commissioner Patterson. He was not the man, as it was R. M. Johnson of Houston who pardoned Watson.

Governor Johnson is a prohibitionist for suffrage, and a strong supporter of the national administration. Do substantial justice and correct an unconscious injury to him by giving him your vote for a second term for Lieutenant Governor.

DANIELS ANSWERS FIRST RADIO SENT AROUND THE WORLD

Washington, Aug. 22.—The first message literally heard around the world was sent Saturday.

It came from the new Lafayette radio station at Bordeaux, France, the product of American inventive and scientific genius. Started to thwart foes of German submarines to halt trans-Atlantic communication, the

BAILEY OR NEFF

Soon we'll know who shall be the nominee—Bailey or Neff. But what we are mostly interested in is where you are buying your groceries. The price and quality are what you are mostly interested in. When we buy those two things are what we keep uppermost in our minds.

Ask about the premium Aluminum ware we have for those who trade with us. Now is the time to get you a set of the 20 year guaranteed Aluminum Ware.

SHOES SHOES SHOES

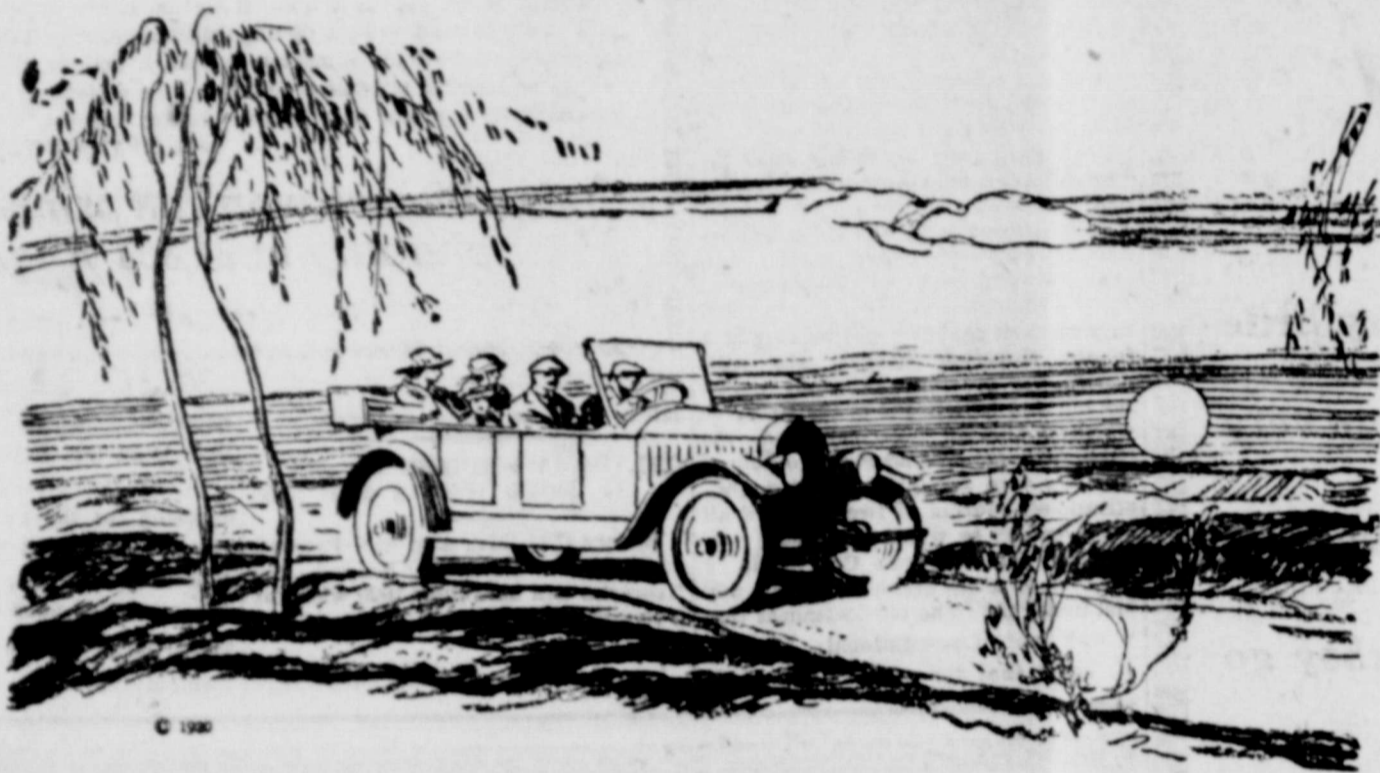

None better than the Hamilton Brown Men's and Boy's Work and Dress Shoes we carry in stock. And we have them priced right too.

IT PAYS YOU TO TRADE WITH

THE WISE GROCERY
PHONE NO. 12

Lockney, Texas

Now the whole family can go out on a Summer evening

The women should certainly be thankful for the automobile. It has given them a chance to see a lot more of their husbands.

II

But it has done a great deal more than that.

It has brought people closer together, given them new interests, swept away old prejudices.

What affects one man now generally affects a good many of his neighbors in the same way. And they have a better chance to get together and talk things over.

III

It's had its effect on the tire business.

When automobiles were new people were willing to buy any kind of a tire. Now

they're beginning to insist on *knowing what they are getting.*

And the more they insist, the better it will be for us.

IV

We want our customers to know what they are getting.

That's why we represent U. S. Tires—so there will be *no doubt* about it.

Whatever the size of your car, you know that the U. S. Tire you put on it is the *best kind of tire* its makers know how to make.

U. S. Tires are guaranteed for life, *without any limitation* of mileage.

That ought to mean something to the man who has thought about tires.

Select your tires according to the roads they have to travel:

In sandy or hilly country, wherever the going is apt to be heavy—The U. S. Nobby.

For ordinary country roads—The U. S. Chain or Usco.

For front wheels—The U. S. Plain.

For best results—everywhere—U. S. Royal Cords.

great new station has just been finished. It is the greatest in the world—larger than the German station at Nauzen.

A message to Secretary Daniels was the first ever sent from the Lafayette station. It was received here by naval wireless. The message read:

"This is the first message to be heard around the world and marks a milestone on the road to scientific achievement."

Daniels sent this message in reply: "My sincerest congratulations upon the successful completion of the gigantic radio station named for that distinguished Frenchman whom all Americans honor. Designed to serve a military purpose, it will now serve to bind closer the cordial relations which have always existed between France and the United States. On behalf of the United States navy I desire to express my pleasure upon the achievement of the Lafayette radio station in transmitting the first message to be heard around the world."

"GET RICH" SCHEMERS FLOCK TO WEST TEXAS

Stamford, Texas, Aug. 21.—The cornucopia has been so lavishly overturned in West Texas that grafters, stock-selling sharks, sharper and other "get-rich-quick" Wallingfords are flocking into this section to prey upon the towns and people according to the West Texas Chamber of Commerce, which today is sending out a warning to all towns in this region.

Only tongued with specious propositions to give towns big factories are harassing many towns. They come as angels of light, as town philanthropists and "put over their scheming designs" by spurning bonuses and sites for factories and who use subterfuge to get endorsements of chambers of commerce and responsible citizens, so that they can go forth into the country and among the less enlightened and sell worthless stock. Some of these concerns with which the organization has already dealt squeeze out commissions of 50 to 70 per cent on all stock sold and then manage to get away with the remainder, leaving West Texas towns "holding the sack."

"Every town in West Texas which is suspicious about stock selling schemes and apparently philanthropic ventures

should take the matter up with his organization," says the West Texas Chamber of Commerce.

"The legitimate promoter is not to be molested," says the organization. If any company seeks cooperation of towns and communities, it should come with clean hands and proper credentials. The West Texas Chamber of Commerce is not opposed to right measures to improve the towns and erect factories, but it will wage a relentless war against that entry which comes to this territory presuming that it can make a get-away with the hard-earned substance of our people."

FORM OF TICKET FOR RUN OFF PRIMARY, AUG. 28

The chairman and several members of the democratic county committee met Monday and arranged the ballot to be used in the run-off primary to be held Saturday, Aug. 28. The names were drawn by lot, and the form of ballot will be as follows:

Official Ballot, Democratic Primary

Pledge—I am a democrat and pledge myself to support the nominees of this primary.

For Governor:

Jos. W. Bailey, Cooke County.
Pat M. Neff, McLennan County.

For Lieutenant Governor:

Lynch Davidson, Harris county.
W. A. Johnson, Hall county.

For Supreme Court:

William E. Hawkins, Travis county.
William Pierson, Hunt county.

LITTLE GIRL LOSES BOTH OF HER LEGS

Temple, Aug. 23.—A pitiful accident befell May McDaniel, little daughter of Ed McDaniel, a farmer residing near Belton, as a result of which both legs of the child were amputated.

The accident occurred when a pair of mules hitched to the parents mowing machine took fright and bolted. The little girl was caught in the revolving blades. She is expected to recover.

The fresh cattle upon the hooks in our market are from A-1 breeds and the pork is self evidence of what cornfed swine will develop in the nourishing element of their meat.

B. A. QUEEN

ALLCORN'S LIVE ON THE HEAD OF BLANCO CANYON

S. S. Allcorn and wife, who visited this week with C. C. Wright in Floydada, coming down especially from St. Vrain, New Mexico, to make the acquaintance of their young grand son, live on the same stream of water to which Floydada people live adjacent. They live on the headwaters of Blanco canyon, or as it is termed on further west, Runningwater draw.

Mr. Allcorn's farm is on the last "swag" that begins the formation of Runningwater, that runs into Blanco, that runs into Salt Fork that runs into Brazos, that runs into the Gulf of Mexico, or thereabout. The stream of water is hardly so deep or wide on his farm as it is further toward the mouth which seems to be the habit of streams in general.

A few miles on the other side of Mr. Allcorn the water sheds the other direction and feeds into the streams that run through the north panhandle.—Floydada Hesperian.

PLAINVIEW NEWSY ITEMS

The ladies of the Hereford Baptist church are planning to furnish a rest room for the girls in the administration building of Wayland college.

On August 1st 1,370 automobiles had been registered in Hale county this year. This is an increase of 148 over last year.

Last year the faculty of Wayland college numbered ten members. This year it has been increased to fifteen. The college expects more than 300 students. The college will open Sept. 5th.

Mr. Jones, manager of the Swenson ranch interests at Spur, was here Thursday, and late that afternoon, following Mr. Bailey's speech, he and others took Mr. Bailey in a car and left for Spur, where Bailey spoke Friday. While at Floydada Thursday night Bailey made a short speech in front of a picture show. The next morning below the caprock the car had a hard time pulling through the mud following the rain, and at one place got stuck in a mudhole and the party had to get out and after quite a good deal of work extracted the car.—Plainview News.

SENATOR BAILEY WILL VISIT HERE AFTER PRIMARY

Senator J. W. Bailey was a visitor, in company with a party of Spur citizens, in Floydada Thursday night last for an hour, taking supper and spending an hour on the streets.

During his stay here the Senator was surrounded by his supporters, and spent the time shaking hands.

Though his voice was in a bad way, the Senator finally yielded to persuasion and made a ten-minute address from the steps of the Olympic Theatre. In his address he made little in reference to the campaign. Declaring that the American government was founded on certain principles, which form a part of the Democratic doctrine, the Senator called on his hearers to vote the Democratic ticket in August and November. In the course of his short talk he declared he would return to Floyd county between the time of the August Primary and the general election for a rest and at that time promised to make a speech at Floydada. He is a close personal friend of F. M. Dougherty, who is ranching in the southeast part of the county, and will be the guest of Mr. Dougherty while here.—Hesperian.

ANNOUNCEMENTS

We are authorized to announce the following for county, precinct, state and district offices, subject to the action of the democratic primaries:

- For District Attorney: Charles Clements.
- Austin Hatchell.
- For District and County Clerk: Miss Lola Walling.
- For Tax Assessor: D. I. Bolding.
- Floyd Ewing.
- For County Judge: John Howard.
- W. B. Clark.
- For County Attorney: A. P. McKinnon.
- For Sheriff and Tax Collector: J. A. Grigsby.
- For County Treasurer: Mrs. Lillie Britton.
- For Commissioner Precinct 2: J. B. Teaff.
- Public Weigher, Precinct No. 2: O. T. Prickett.
- For Commissioner Precinct No. 3: R. L. Orman.
- For County Surveyor: G. A. Linder.

CRISPETTES

That New Delicious
Pop Corn Confection

Now being manufactured and sold at
STEWART DRUG COMPANY

CRISPETTES is something new.

Delights both old and young.

Go to the Stewart Drug any afternoon and see those nice Brown Crispettes being turned out of the Crispette Machine by the hundreds.

Crispettes especially delight the child as all children have a craving for sweet things to eat.

EVERYTHING IS SANITARY

and perfectly clean in the manufacture of Crispettes. Come see for yourself.

Crispettes sell for the small sum of

5 Cents

Per Package, two cakes to package.

What else can you buy for a nickel that will give so much delight? Everybody has a spare nickel for the kids. Give them one and let them come and invest in a package of Crispettes

One Crispette calls for another, you just can't get enough.

NEW DORMITORY FOR GIRLS AT CANYON COMPLETED

Canyon, Aug. 23.—Consins Hall, the new dormitory for the West Texas State Normal College, is nearing completion. The building and equipment will cost \$155,000. The West Texas State Normal College is the first normal in Texas to get an appropriation from the legislature for the purpose of building a dormitory.

This new dormitory for girls is modern in all particulars. It is a concrete brick and steel building, and it will be lighted and heated from the local plant of the college. Every room has in it two large closets, and there are lavatories and toilets on every floor. It has forty five living rooms, and each room will accommodate two girls, on each floor of this three story building there will be a member of the faculty, and the matron of the hall will be in charge.

One large room has been set apart for purpose of laundry work. This room is equipped with all modern conveniences, so that girls who desire may do their own laundering. It is equipped with electric washers, electric iron and it will be free to all girls who room at the hall.

In the west end of the building and on the first floor is a large reception room 34 by 60 feet. This room is fitted up with comfortable furniture, and is intended as the center of the social life of the hall. The dining hall is 46 by 60 feet, and it will seat two hundred people.

Consins Hall is located about three hundred feet east of the main building and concrete side walks will soon be built between the two buildings. Furniture is arriving daily for this hall, and it will be ready for occupancy Sept 1st. The culinary department will be under the direct supervision of the Home Economics Department. No pains have been spared to make this

hall an ideal home for the girls who attend the West Texas State Normal College.

OHIO STATE FAIR REFUSES TO ALLOW HARDING RECORDS

Columbus, Ohio, Aug. 24.—Phonographic records as a proxy for Senator Harding as the state fair August 31, presidential day, were tabooed today by the fair management.

Request was made for space for a tent, seating 2000 persons, it was said. The plan was to have Republican speakers and Harding phonograph records present the Republican cause daily.

"Senator Harding lives within forty miles of Columbus, and if he wants his speeches delivered at the state fair he ought to come and deliver them himself," E. V. Waldron, fair manager, declared.

"If we give space to one political group, we would have to do the same thing to all candidates, and that would be impossible," he said.

Senator Harding, in two telegrams has asserted he cannot arrange his schedule to permit him to attend the fair presidential day.

TENNESSEE SUFFRAGE AMENDMENT RATIFIED

Nashville, Aug. 24.—Certification of the recently passed suffrage ratification was accomplished today when Governor Roberts sent notice of the adoption of the amendment by the special session of the Legislature to Secretary of State Colby at Washington.

Certification of the passage of the suffrage amendment was sent at noon by mail, Attorney General Thompson announced.

SNYDER TEACHING FORCE NOT YET COMPLETE

Snyder, Texas, Aug. 24.—The Snyder school board reports an uncompleted list of teachers as follows:

Claude V. Hall, superintendent; Miss Helen Bootes, Mrs. W. Meredith, Mrs. Lucy Jackson, Miss Ranie Smith, Miss Irene Trowbridge, Miss Cora Trowbridge, Miss Pearl Hudspeth, Miss Lucy Belle Rushing, Miss Irene Fowler, Miss Jewell Watts and Miss Mattie Lee Palmer.

Mrs. John Osvelt came in Tuesday from her home at Gravitt, Ark. She came by St. Louis where she purchased a stock of millinery and ready-to-wear for Mrs. Thomas. She will be with her mother during the present season.

Our new Fall Suits, Dresses and Blouses are here. You must see them to appreciate them. The colors are Brown, Rein Deer, Henna and Navy. Ladies are being fitted every day. They are delighted with the styles and are surprised at the extreme low prices we have on them. We are showing Marguette Suits made in New York by skilled tailors. The drop in the silk insures every woman she can have a silk lined Coat and Suit.

SILKS—The silk fabric for fall is Duches Satin, Charmeuse and Meseline and be correct in style they must be heavily embroidered or beaded. We make a specialty of this hand work on your dress made at home. Always bring it early in the week if you want them by Saturday. Our shoe department is now complete. Our prices the lowest.

100 Per Cent Kitchen Efficiency

That is what a Modern Kitchen Cabinet represents to a good housewife. Did you ever hear of a woman who had one ever give it up? No, and you never will. The comfort, the convenience, the sanitation, the saving of innumerable steps and the actual improved health conditions make the Modern Kitchen Cabinet indispensable to the housewife who is taking a real interest in the work and her home.

We have a complete line of Kitchen Cabinets. Come in and let us show you what it would be worth to you in your home.

We have just received a car of furniture and have anything you may want in Furniture.
