Contel will expand system

A new, \$3 million digital switching system should be ready for use by most county telephone customers by next November, Contel of Texas president William Hegmann told the Dimmitt City Board of Aldermen Monday night.

Hegmann and other Contel officials were at the meeting Monday, the third time Contel has had representatives at an Alderman's meeting in the last three months.

"We have talked with manufacturers, and they indicate we could have a system by late summer of 1986," Hegmann told the aldermen Monday. "We would have to do about two months of testing on the system, but we think we could have it ready by next November."

Hegmann said the system would give local Contel customers several Custom Calling features, and would make the dialing procedure "much faster. It would probably be two times faster, and would probably speed long distance calling. It would depend upon the 'toll train,' the systems through which a long distance call has to go through to be completed.

"It would also aid with maintenance. There would be no moving parts in the system, and it can be monitored from a distant point. The reliability would be tremendously improved. I firmly believe this would eliminate almost all of our problems at the central office."

Hegmann and regional manager Arlis McBee of Dumas said Contel and manufacturer technicians have worked on the current mechanical switcher "constantly over the past two mon-

ths. We've tried to do most of our work at night, but we've had to do some work during the day, and that has interfered a little with phone service, but we have tried to limit interference. Our call completion ratio is 95%, which is required by the Public Utilities Commission, and we'll continue to monitor our system and maintain that 95% completion ratio."

"We're really not satisfied with the 95% completion ratio," Hegmann said. "We want better than 95% and we'll get it if we can."

Ed McPherson, director of network services at the Dumas office, said many of the problems in the local system were related to two problems.

"We had a big problem with people getting a busy signal after dialing a '1' and we regraded our lines to help alleviate that. That uncovered a second problem, which has been in the system since it was built, that would give you the tones and then nothing. We should see less of that.

"We've had some other problems, with the ticketer, and with the forwarding of Operator Number Identification calls from Midland after they receive them. That problem was downstate, and we're resolving that, but it's a day-by-day battle."

"We're going to make a continuous effort until everyone is satisfied," Hegmann said. "We want to give you a system Dimmitt can be proud of. We have the capabilities and resources, and we're working to get your appreciation of us as a utility."

In other business Monday

night, the aldermen conditionally accepted a bid of about 26¢ per foot for paving up to 79 city street units by High Plains Pavers of Plainview. The city will be negotiating with the contractor, who submitted the only bid for the work.

City Engineer Bill McMorries of Amarillo said many of the contractors were unable to get adequate financing for the assessment program.

"They're (financiers) not taking it, they're backing off. The contractors aren't big enough

to take the paper themselves and wait four years for their money," McMorries said.

The board also appointed George Hudson, Jim Naylor, Pam Josselet and Emmett Broderson to the Zoning Commission, and named Ken Shannon "Employee of the Month" for September. The board took no action on a proposal to regulate signs and billboards within the city limits, and voted to take bids for recarpeting the city meeting room.

THE LEANING TOWER OF FRUCTOSE—Workmen from Trumble Construction Co. of Lubbock raise a 55-ton tank Friday during construction work at American Fructose Corp. The tank was transported from Minnesota on a special 11-axle trailer rig on a 7-day journey. The tank has 2½-inch thick walls, and is just one of several large tanks that will be installed in the expansion project, which will continue through early 1986.

CCHD sets bond vote for Dec. 7

The Castro County Hospital District has called a Dec. 7 bond election for the issuance of up to \$1.5 million worth of bonds for building a new nursing home in Dimmitt.

The election was called after the CCHD Board received petitions signed by more than 900 county residents calling for the election.

The election culminates over two years of work by the "Steering Committee for Nursing Home." The group has circulated petitions throughout the county and lobbied to get a law passed in the last session of the legislature that would enable the CCHD to operate a nursing home.

According to SCNH, preliminary studies indicate the cost of constructing and equipping a nursing home would not exceed the \$1.5 million sum.

The CCHD is currently free of bonded indebtedness, but, if the bond issue passes, the CCHD tax rate would climb 7.4 cents per year over a ten-year period to pay off the bonds. The current tax rate of 10.25 cents per \$100 would climb to 17.65 cents per \$100 if the issue passes.

"We have met with the committee at least three times, and we had no other choice but to call the election," said CCHD Board president Garland Coleman. "We have met with the committee, and with bond counselors. When they presented the petitions with over 900 qualified signatures, we had to call the election.

"We don't know for sure where we would build the nursing home if the bonds are approved, and there are many other details that would have to be worked out."

Hart, Naz runners vie for state wins

Nazareth will go after its third consecutive girls team cross country title Saturday in Georgetown, while Hart will send two runners to the girls meet after the county's best-ever showing in the Region I Meet Saturday at Mae Simmons Park in Lubbock.

The Dimmitt girls, who finished second in the district, just missed going to state as the Bobbies finished fourth with 133 points. Perryton, the third place team, qualified for state with 101 points.

The Nazareth girls team of Linda Birkenfeld, Stephanie Brockman, Shana Birkenfeld, Missy Brockman, Rachel Huseman and Gail Birkenfeld easily took the regional 1A-2A title with 39 points. Second-place Abernathy had 60 points, while Sudan finished third with 61 points. All three will qualify for the state meet.

Linda Birkenfeld led the Swiftettes with a fifth-place finish in 13:02, while the pack of Swiftettes pushed each other to the team title, finishing in team places eight through twelve to cruise to the win.

"We stress staying together so they can push each other," said NHS coach Sandy Oliver, in her first year as head coach of the Swiftettes. "They like to run together because they can talk to each other and push each other."

The Swiftettes were without two of their regulars, Debbie Schmucker and Bobbi Hochstein, who were both ill. Their status for this weekend is still up in the air.

"We feel like we have nine good runners, and we can take any seven of them. Debbie and Bobbi will have to go back to the doctor and see if they're going to be able to work out and run."

Tammy Menchaca and Risha Ammons, who finished second and fourth in the 1A-2A division, will be Hart's first-ever representatives at the Georgetown meet this weekend. Menchaca, who finished third in the two-mile run at the 2A State Meet last spring, ran the 2-mile course in 12:43, 11 seconds behind winner Shanna Hale of Grady. Ammons was four seconds back of Menchaca, and two seconds behind third-place finisher Sabrina Morrow of Shallowater.

"We're pleased with the efforts of our girls," said Hart coach Mark Albin. "We're especially pleased with Risha's efforts, because she's dropped more than a minute off her time since the first of the year. She's really come along. Tammy's always been good, and I think both girls have a good chance of at least being in the top five at state.

"I think it's a real accomplishment for us to have two girls to go to state the first year we participate in the sport."

Dimmitt's Cara Odom and Sonccia Tischler just missed trips to state, with Odom finishing eleventh in 13:33, while Tischler finished thirteenth in 13:41. Molly Waggoner was three places back, running the two-mile course in 13:47.

"Our girls kind of had mixed emotions after it was over," said DHS coach Richard Wood. "They did a good job, and they're kind of glad it's over, but they were also wishing they could run another week (at the state meet)."

The only boy in the county to qualify for the regional meet, Hart's Lupe Ramirez, finished 12th in 17:26 on the longer 3.2-mile course.

Water big winner

County backs most issues

Castro County helped push the first two of 14 constitutional amendments to apparent

victory Tuesday with overwhelming majorities in favor of the water issues at county

polls.

794 voters, or about 19% of the county's registered voters, went to the polls Tuesday. Amendment No. 1 passed in the county, 708-82, while Amendment No. 2 was approved 689-95.

Both of those propositions were carrying over the state early Wednesday, with Amendment No. 1 being approved by almost a 2-1 majority, and the second proposition not far behind.

Early Wednesday, all of the amendments were carrying over the state, but county voters disagreed on some of the issues.

Proposition 5, the regulation of health care by hospital districts, was carrying in the state by about 50,000 votes, but was rejected here, 219-504.

Proposition 9, about the emergency transfer of appropriated funds, was carrying

in the state by 55,000 votes but was rejected here, 299-393.

Proposition 13, which would reapportion judicial district, failed in the county, 287-364, but was being approved by 56% of the state's voters Wednesday morning.

County voters gave narrow approval to Amendments 3 (water laterals), 7 (Chambers County JP Precincts), and 10 (farm-ranch land bonds).

Letter to Delores Heller at the Chamber of Commerce, from David R. Ham of Ham's Banner & Flag Service in Vernon:

"I would like to congratulate you on your successful celebration. We enjoyed being involved with the decoration part of your (Harvest Days).

"We would like to extend our appreciation for the wonderful work you did in helping us. Your police department and the people of Dimmitt did an outstanding job during the week we had our bunting hanging. We did not lose a single banner. The town of Dimmitt is one of two that we did not have something stolen this year, out of 18 towns that we have hung."

We've all had days when we should have stayed in bed. But no matter how out-of-control things get, they could always be worse—as evidenced in this story that's been making the rounds downstate:

This guy was explaining why he was in the hospital. Said his wife had brought a bunch of pot plants and hanging baskets into the house to keep them from freezing, and it happened

that a little green snake had hidden himself in one of those plants, and it got carried inside.

When the snake warmed up, it came slithering out of the plant pot and went under the sofa. The fellow's wife saw it and let out a great scream.

He happened to be taking a bath at the time, but he leaped out of the tub and ran naked to see what his wife was screaming about.

His wife told him a snake was under the sofa. So he got down on the floor to look for it, and here came his dog and cold-nosed him.

He thought it was the snake and fainted.

His wife thought he'd had a heart attack and called an ambulance. The attendants rushed in and loaded him on the stretcher and started carrying him out.

About that time the snake came slithering from under the sofa, and the ambulance men saw it and dropped the stretcher and broke the fellow's leg, and that's why he was in the hospital.

Well, with her husband in the hospital with a broken leg, and

The Halloween Carnival was a big success! Everyone seemed to be having fun. I had eaten before I was invited to go, so I couldn't eat, I forgot to take my glasses so I couldn't play "Bingo," but I did participate in two cake walks, but I didn't win a cake! I did enjoy just watching the crowd.

Rev. Bruce Parks of Plainview, District Superintendent of the United Methodist Church was in Dimmitt on Sunday morning to conduct the conference of the First United Methodist Church of Dimmitt, along with Rev. Vernon O'Kelly, the pastor. Rev. Ken Cole, pastor of the First Baptist Church, opened the services with a short talk and prayer for the revival services at the First United Methodist Church and the First Baptist Churches who are planning simultaneous revivals.

Since Mary Parks came with Bruce, I went to the United Methodist Church for the morning services and a short visit. The Saddlebags committee served lunch and invited the Parkses and yours truly, so we stayed and enjoyed the food and fellowship.

Clay and Mildred Anderson celebrated their 50th wedding anniversary in Plainview on Sunday. Wanda Murdock took her parents, Mr. and Mrs. W. H. Felder, from Hart for the celebration. Mr. Anderson and Mrs. Felder are brother and sister.

Beral Hance visited Kent and Carol Hance last week in Lubbock. Ron and Susan are busy—he is a junior at Texas Tech, Susan is a high school junior at Monterey. Carol and Beral went to Lamesa Thursday to visit Junia Green and had lunch with Elinor Brown.

The Plains Memorial Hospital Auxiliary Bazaar and turkey dinner was held on Friday, Nov. 1 with a record crowd attending. The auxiliary served about 500 people, sold many gift items, and accepted money for the Operation Christmas Greeting project. All this on a rainy day!

Span Arnold, an employee of the Southwestern Public Service in Amarillo, was a guest of Bobby Murdock and Calvin Marsh at the Hospital Auxiliary dinner and he was amazed at all the food that was served to so many people!

Alvin and Frances Frazier went to Lawton, Okla. to attend a dog show (min. Pin dogs), another show in Wichita Falls, then on to Decatur to visit Landol and Darlene Frazier and girls. They went to Seymour to visit Phil and Jay Sanders, formerly of Dimmitt.

Marie Frazier from Napa, Calif. visited Glover, Mary Lou, and Alvin and Frances

Frazier, recently.

Linda and Jerry McKinney and boys from Amarillo came to lay carpet for their parents, H. M. and Ara Morrison, over the weekend.

Charles and Esta Vandiver have returned from a trip to England—touring the York and Chester areas and visiting friends in London. They have had friends visit with them this last week from Edgemoore, England, Joan and Authur Berry. These friends were made when they worked in a partnership mission in 1983 at their church in England.

The Castro County Museum Board meeting was held at the museum on Thursday night. Lon Woodburn presided over the business meeting, and Clara Vick read the minutes. Others attending were Helen Richardson, Madge Robb, Myrna Cowsert, Ruby and George Bagwell, H. C. Nelson, Ralph Lambright.

Jo Gregory was hostess to the Thursday Bridge Club that met at the Senior Citizens Center for lunch and a day of bridge. Susie Reeves won high score and Emily Clingingsmith won second high. Others playing were Elizabeth Huckabay, Cleo Forson, Ferne Dickey, Jean Christian, Retta Cluck, Oleda Schumacher, Johnnie Vannoy, Edith Graef, and Bernice Hill.

Clara Gladden entertained relatives over the weekend, Lloyd and Nell Sharp from Canyon. Lloyd is a nephew of the late Lester Gladden.

David and Mary Gregory and little Elizabeth and Mrs. J. M. Vernon from Abilene visited with Bill and Dalia Gregory and Bobby and Beth Jones over the weekend. Bill and Dalia entertained the relatives on Sunday with a dinner including Jo Gregory, the great-grandmother, and Keith Gregory from Lubbock, who is attending Tech.

Cletha George celebrated her 87th birthday by going to Tucumcari on Sunday for dinner with her son and family, Jack and Chollis George. Relatives came from as far as Austin for the celebration. Relatives from Dimmitt were Jim and Floyce George, Larry George and family, C. A. and Oleada Hance, Martha Isaacs, Patty and Gerald Summers, Carla, Camille, and Curt, Kathy and Brandon Burks, Irene Carpenter, and Mike George from Athens.

The First United Methodist Church of Dimmitt has the Pony Express working for it. The church is using the famous Pony Express saddlebag relay system of more than a century ago to make sure all its members are contacted during its current stewardship drive.

Nancy West heads the campaign as general manager. The unique drive started Nov. 3 with a trail boss chuck wagon dinner, during which trail bosses were briefed. Trail bosses are responsible for making sure the saddlebags keep moving from family to family on his or her 10-family route.

After a family receives the saddlebag, the family completes an "estimate of giving" card, seals it in an envelope and inserts the neighborhood circuit.

Mrs. West stated "The success of our stewardship drive depends on the dedication, commitment and teamwork of each of our members."

Jean Kemp invited several friends from Dimmitt recently as guests in her pretty home in Fort Worth. Jean had well planned four full days of interesting and exciting things for them to do while there. Those going on this trip were Shirley Stephens, Sue Merritt, Carole Dyer and Myrtle Lois Moran.

They flew from Lubbock to Dallas Love Field and Andy picked them up and delivered them and their luggage to his mother's home.

The next day they attended the annual 1985 Designers Showhouse where 20 interior designers of Fort Worth had created a beautiful atmosphere for a fabulous estate that was built in 1935. Then they had lunch at Neiman-Marcus and some did a little shopping. Later that day they attended the 1985 Interior Design Show at Ellison's. After that, the group went to the Cylorama Omni Theater and saw the film "Genesis" which was quite an exciting thing for them to see. That night they had dinner at the River Crest Country Club.

The next day they had lunch at the Fort Worth Museum of Science and History and viewed African Art from the Katherine White collection. Mrs. Tommie (Sara) Fowlkes joined the group there for lunch. That night they had dinner at the Fort Worth Club prior to going to the Fort Worth Symphony Orchestra Hall and hearing a beautiful concert.

Also while there, Jean took them on a tour of the older part of downtown Fort Worth where they have restored and preserved many old business buildings and streets to their original state and they were beautiful. They drove by the National Finance Corporation Building where A. J. used to work.

But during all of their busy activities they did squeeze in a short visit in the homes of Andy and Teresa Kemp and Carla and Kelly Thompson that they enjoyed very much.

Jean comes to Dimmitt pretty often to see her mother, Mrs. Nettie Graham.

Margaret and John Womack had a short vacation not long ago. They drove to Cheyenne, Wyo. for a visit with John's

aunt, Daisy W. Thomas and his cousin, Del Swainson and her family. They came back by Fort Collins, Colo. and visited

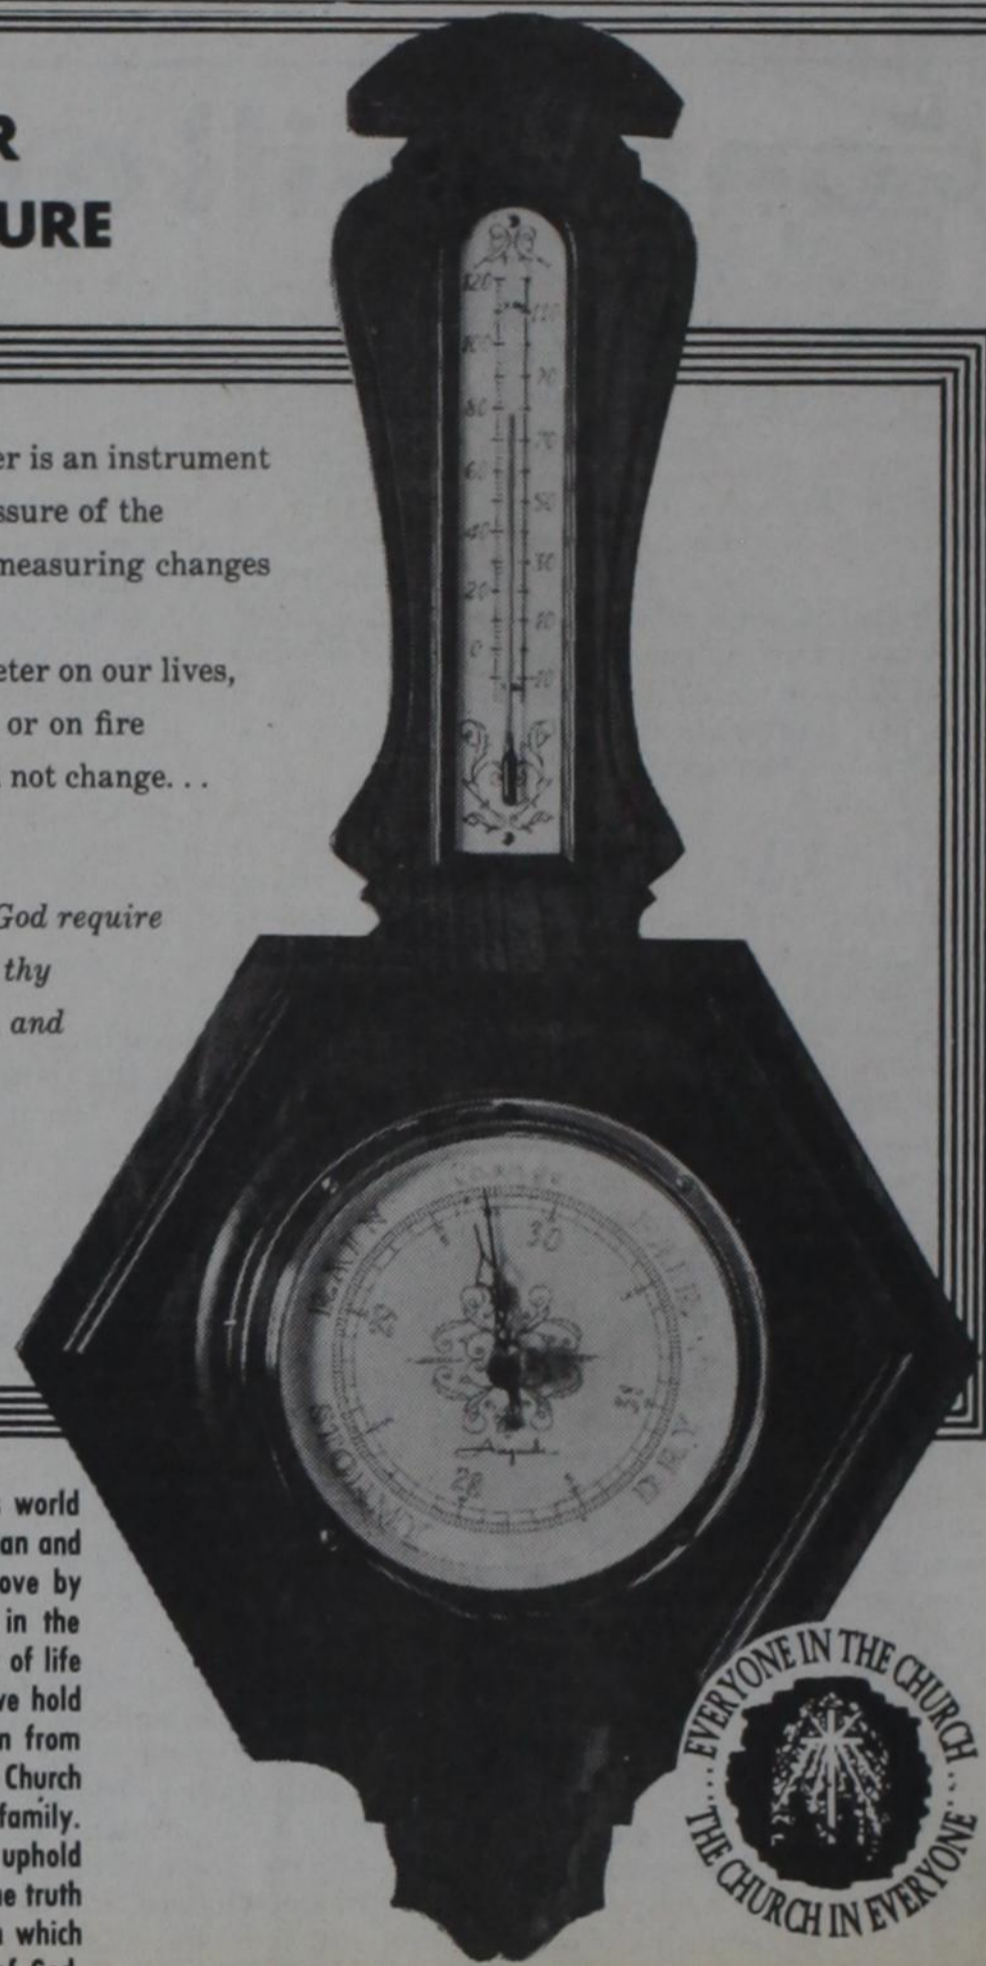

John's aunt, Eleanor and Ray Koehler. They had a wonderful time visiting and seeing the pretty country.

BAROMETER for the FUTURE

Webster says that a barometer is an instrument measuring the weight or pressure of the atmosphere, foretelling and measuring changes of weather and altitude.

If God were to place a barometer on our lives, would we be cold, lukewarm, or on fire for the Lord. The past we can not change. . . the future is up to us.

"... what doth the Lord thy God require of thee, but to fear the Lord thy God, to walk in all His ways, and to love Him, and to serve the Lord thy God with all thy heart and with all thy soul." ATTEND CHURCH REGULARLY

Coleman Adv. Serv.,

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Red meat industry offers nutrition information

Health conscious consumers and calorie-watchers can now look forward to finding nutrition information about red meat in the supermarket meat case.

The labels, called "Meat Nutri-Facts" are part of a program being coordinated by the meat industry, says Mary K. Sweeten, a Texas A&M University Agricultural Extension Service nutritionist.

Meat Nutri-Fact charts use the most recent US Dept. of Agriculture nutrient composition research on beef, pork and lamb and presents the data graphically so consumers can make informed decisions right at the meat case, she explains.

"This nutrition information will be most helpful for people on low-fat or low-calorie diets," notes Sweeten. "They'll be able to select a particular cut of meat that provides the calories or nutrients needed in their diet."

The charts provide calorie and nutrition information for a three-ounce cooked serving of a specific cut of meat. The method of cooking used is specified on the chart, as well as amounts of calories, total fat, cholesterol, sodium, protein, minerals and vitamins, the nutritionist says.

The program is being coordinated by the National Live Stock and Meat Board, the American Meat Institute and the Food Marketing Institute.

Consumers can begin looking for this nutrition information in many of the major supermarket chains over the next several weeks, Sweeten says.

Police Calls

A rash of minor thefts kept local police officials busy during the past week.

\$411 worth of clothing in a black nylon clothes bag was stolen from the bed of a pickup truck owned by Elaine Stevenson Saturday.

Pam Josselet told police her daughter had approximately \$200 worth of jewelry stolen from her while attending gym class at Dimmitt Middle School last week.

Police responded to a theft report at C. R. Anthony Co. Friday afternoon. Cindy Burress told officials she had laid her purse down to try on a coat in the store. She left her purse unattended and walked to another display rack. According to reports the victim's

purse was gone when she returned. It was later found under an adjoining rack. Investigations disclosed the contents of her purse had been gone through and \$27 in cash had been taken.

Ora Lee Ward told police her wallet had been taken while she was in The Peoples Place Sunday.

Wayne Proffitt of Dimmitt Welding and Electric told police someone had entered the back compound of his shop and had tore the lower right corner of the gate open. The foreman, Rosendo Amador, stated that he had closed the gate at 5:15 p.m. on Oct. 28 and it was in perfect condition. When he opened the gate at 7:15 the next morning, he noticed the tear in the gate corner. Nothing was reported missing.

Hunter completes training

Ricky Hunter, son of Mr. and Mrs. R. E. Hunter of Dimmitt has completed his paramedic training at Texas Tech Health Sciences Center in Lubbock.

He completed 3.96 hours of clinical time and 400 classroom hours. He has worked as a volunteer for the Castro County Ambulance Service for three years.

We Salute Business Growth

Have you noticed the business expansions going on in Dimmitt?

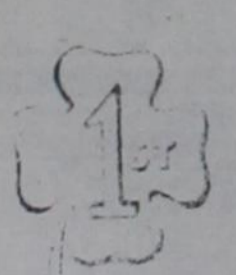

Johnny Stanford recently moved his paint and body shop into a large new steel building at 322 SE Second St. When he moved into his new building, Johnny also changed the company's name, from J&R Paint & Body Shop to Stanford's Body Works. Johnny's reputation extends beyond the city limits and the county line. Insurance adjustors from throughout the Lubbock and Amarillo regions send wrecked vehicles to him for rebuilding.

Joyce Rickerd has expanded her Diet Center to include a complete Merle Norman studio. She attended two weeks of training at the Merle Norman national headquarters in Los Angeles to prepare for her new dealership. She's holding the Grand Opening of her new studio at 210 W. Bedford St. today, Friday and Saturday.

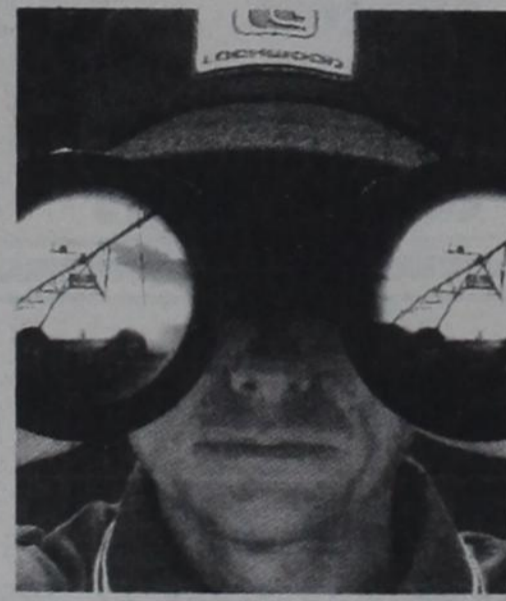

Garland Coleman has moved his pharmacy into his large new brick building at 201 NW Second St., and will hold his Grand Opening Friday and Saturday. With this move, too, came a name change ... from Coleman Pharmacy to Coleman Health Mart Pharmacy. With his move into a building that's 3½ times as large as his old one, Garland has affiliated with the nationwide Health Mart Drug Stores buying group.

These three expansions come on the heels of other recent expansions by Hi-Plains Oil Co. (Corky Langford), Hyman Farm Service (Harold Hyman), Braafadt Transport (Chet and Chuck Braafadt) and Gary's Machine and Engine (Gary Williams). Other expansion projects are underway by the American Fructose Corp. and Central Plains Savings Association.

It's heartening to see these progressive business and professional people expand their businesses ... especially in these "hard times." We salute them for their progress and ingenuity, and for the commitment and hard work that made their business growth possible.

Susan and Garland Coleman with Don Hargrove

Congratulations to Garland and Susan Coleman

... on the Grand Opening of the new Coleman Health Mart Pharmacy at 201 NW Second St. I was pleased to be the prime contractor in the construction of their new building.

One of the unique features of the building is its geothermal heating/cooling system. The heat pump circulates water through a deep-drilled underground pipe network, and draws 75% to 80% of its heating and cooling energy from the earth to provide a highly energy-efficient air-conditioning system.

Don't miss the opportunity to look over the new Coleman Health Mart building during their Grand Opening Friday and Saturday.

Bobcats blow past 'Winds, 10-0

The Dimmitt Bobcats took a two-hour offensive siesta Friday, but the defense played well enough to hand the Bobcats a 10-0 win over the Floydada Whirlwinds at Bobcat Stadium.

The win assured the Bobcats of a winning season as they take their 5-3-1 record to Idalou this Friday. The loss finished the Whirlwinds season at 1-8.

It was such an interesting game—12 punts, 20 penalties, five turnovers. Both teams had plenty of chances to score, but the Bobcats took advantage of a big mistake early in the game for the night's only touchdown. On fourth-and-11 at his own

20, Whirlwind Alvin Cooper unleashed a booming six-yard punt. After Floydada jumped offside on the first play, fullback Mark Smothermon broke several tackles, regained and lost his balance half a dozen times and fell into the end zone with 9:47 left in the first quarter. Todd Durham kicked the extra point to give the Bobcats a 7-0 lead.

Those were all the points the Bobcats would need, although Dimmitt was a charitable host, giving up the ball three times in scoring territory to the Whirlwinds, only to see those chances go down the drain.

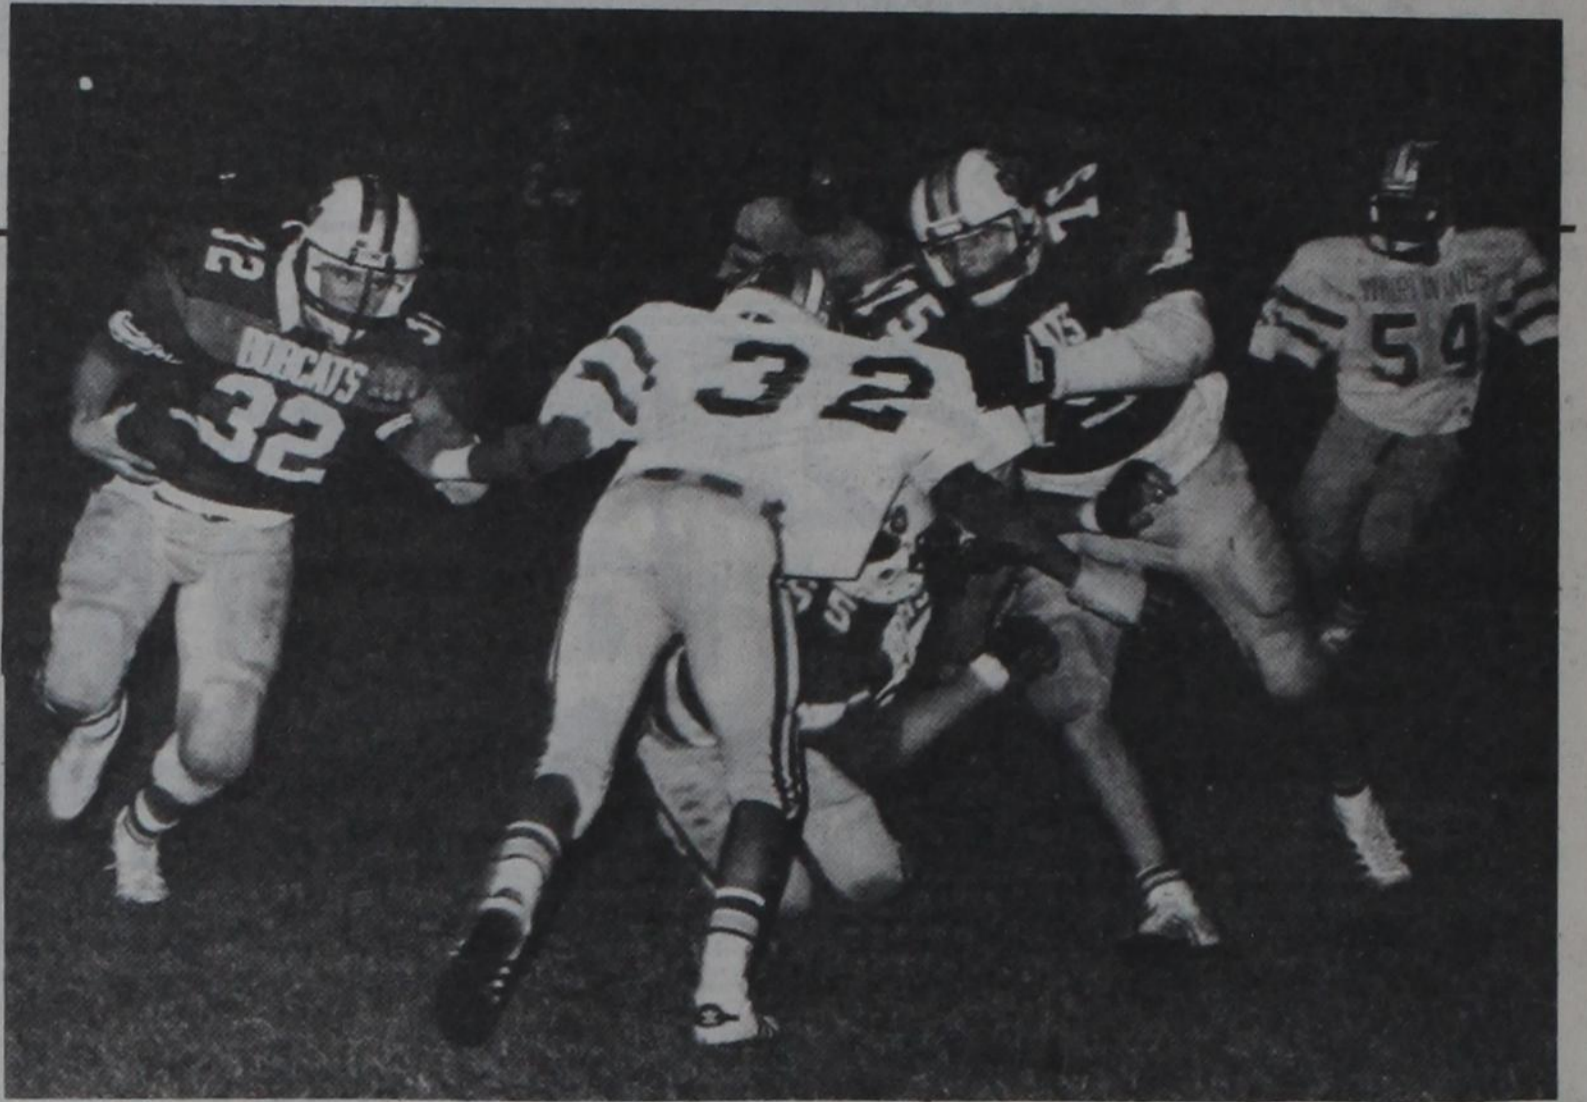

Good neighbor No. 1 was Jerry Gonzales, who muffed a punt at the Dimmitt 28. The Whirlwinds fell on the ball, but quarterback Shannon Barbee was intercepted three plays later by Todd West at the Dimmitt 24.

Good neighbor No. 2 was the Bobcat defense, which let the

Whirlwinds drive from their own 36 to the Bobcat 10 early in the third quarter, only to drive Floydada back to its own 23. Cooper tried a 40-yard field goal which barely made it to the goal line.

Cruz Arce was good neighbor No. 3, fumbling the ball after a five-yard gain to the Bobcat 30. The Whirlwinds, thanks mainly to Arce, got no closer than the 21, and gave the ball up on downs at the 27.

The Bobcats then went on the drive that helped set up an insurance field goal. Dimmitt drove from the 27 to the Whirlwind 29 before two penalties killed the drive, and Durham pinned the Whirlwinds with a punt inside the Floydada 20.

STR-R-RETCH!—Dimmitt's Milton Carrasco (75) makes sure that Floydada's Ralph Casillas (32) doesn't get a hand on fullback Mark Smothermon (32) in the fourth quarter of Friday night's District 2-AAA contest here. Unfortunately, Carrasco's hand on Casillas drew a

yellow hanky that nullified the gain. Also blocking on the play is Dimmitt's Eddie Jordan (65). Smothermon scored on Dimmitt's first offensive play and Todd Durham added a field goal near the end of the game to give the Bobcats a 10-0 win.

Three plays later, Durham intercepted a Barbee pass at the 35 and returned the ball to the Floydada 26. The Bobcats

picked up seven yards on three plays, then Durham hit a 36-yard field goal with 5:37 left to insure the win.

Swifts hop over Kress

By **BARBIE STEFFENS**
"The offense and the defense did a super job in the first half, giving our younger kids a chance to play a lot of football in the second half," coach Rex Minshew said in summing up the Nazareth Swifts 42-14 win over Kress Friday night.

But super job really doesn't tell all of the story—the offense drove into the end zone on every first half possession, while the defense accounted for a safety and gave up just eight total first half yards.

It took nine plays for the Swifts to score their first touchdown, when Frankie Huseman skirted left end and scampered 30 yards for the score. Kevin Hoelting added the PAT.

Huseman scored again midway through the period from three yards out, as the Swifts overcame three penalties on the drive to punch the ball in. Hoelting added the PAT to give the Swifts a 14-0 lead.

Mike Huseman, who paced the Swifts with 86 yards on 14 carries, padded the lead early in the second quarter on a four yard run. The kick failed, leaving the score 20-0.

Powerback Billy Steffens led the next drive with a 21-yard run and a 16-yard pass from Todd Hill, before Benny Schacher raced 12 yards for the touchdown with 4:59 left before halftime. Hoelting's ex-

tra point was wide to the left, leaving the score 26-0.

Mike Huseman recovered a Kangaroo fumble 13 seconds later at the Kress 25, setting up another score. Three plays later, Chris Schmucker zipped a 17 yard scoring strike to Alan Birkenfeld. Hoelting's PAT put the Swifts up 33-0.

With just less than two minutes left in the half, Wayne Wilhelm tackled Kangaroo quarterback Anthony Alvarado in the end zone, giving the Swifts a 35-0 halftime lead.

Kress finally scored with 3:13 left in the third quarter as Scotty Brown sailed down the left side for a two-point PAT.

Midway through the fourth quarter, Alvarado hit Melvin Shivers with a four-yard TD pass, but failed with the two-point conversion to make the score 35-14.

Late in the game, Schmucker threw a 15-yard scoring pass to Hoelting, and Hoelting added the PAT for the 42-14 final score.

Before. After.
Debra Smith of Hart thought she had lost her 1985 Bronco II after it rolled 2½ times while her niece was driving it. (Her niece was wearing her safety belt and escaped serious injury.) Our new Lazer Beam Aligner showed the frame was bent only slightly at the back. We straightened it on our new Kansas Jack Magna-Rack, then rebuilt the vehicle from the frame up, using our Lazer Beam Aligner every step of the way, to make sure everything from the radiator supports to the doors and roof lined up perfectly. According to Mrs. Smith, the Bronco II "handles just as well as it did before—it's wonderful."

With our state-of-the-art equipment, we offer fast, precise, economical collision repair on any vehicle.

Naz, Hart looking for playoff bids

Nazareth is in the driver's seat, Hart is in the passenger's seat, and Dimmitt is in the back seat as two county teams look for playoff seats tomorrow night in the final regular season games of the year.

The Swifts hold their destiny in their hands—win, and they have the top seed in District 2-A North, while the Longhorns need to defeat Olton and hope for help from a least-likely source—Bovina. The Dimmitt Bobcats have no hope of getting into the playoffs, but they have a chance to be the only District 2-3A team to beat Idalou as they take on the Wildcats tomorrow night.

All three games begin at 7:30 p.m.

Dimmitt at Idalou

Idalou opened its season with an 8-6 loss to 2A power Shallowater, and was staring another loss in the face against Post on the next Friday.

Idalou beat Post 21-15 (Post was without its top two players), and it's been downhill the rest of the way as the Wildcats have rolled to a 7-1 record and have already clinched the District 2-3A record.

"If they had lost that game to Post, they probably wouldn't be near the team they are today," Dimmitt coach Clifford Smith said. "That gave the whole team, the coaching staff, everyone, a big shot of confidence."

"They really have just two big stars, senior quarterback Albert Moreno and junior tailback Paul Wayne Jones. Of course, those two folks are probably the best in the district at their representative positions. The rest of the team is average to above-average, but they are very, very fundamentally sound."

"I don't look for them to do a lot of fancy stuff — they'll just give it to the best running back

in the district (Jones) and run over us. They can do some other things — Moreno runs and throws well — but they'll let the offense do its job, and then turn loose a super-tough defense on us."

Injuries continue to creep into the Bobcat camp — Terry Wright suffered a season-ending knee injury last week in practice, and Mark West separated a shoulder early in last week's 10-0 win over Floydada. The separation happened in the first quarter, when West was returning an interception, and he played the rest of the game (he didn't tell the coaches about it until after the game), and the junior defensive back won't be able to play this week.

Olton at Hart

Like last year, it's a family affair when the Longhorns host the Olton Mustangs, as HHS coach Mark Stroebel's brother, Stan lines up one more time against the Longhorns.

Little brother scored the winning touchdown last year as Olton won, 19-14. This year, little brother will get plenty of chances to catch the football, as the Mustangs will come out throwing Friday against Hart.

"They will throw, throw, throw," Mark Stroebel said. "Last week, against Abernathy, they ran the ball five times and threw 49 times. Troy Don Allcorn is back from an injury and he's got a bunch of good receivers — Stan, Rudy Munoz, Judd Gaddy, Eric Lee. They'll come at us in all sorts of formations, too, anything you can think of, they'll run. They'll run any possible combination they can."

"We'll give them the run, because we've got to concentrate on their passing game. They'll catch some passes — we can't prevent that. We just have to prevent them from getting behind us."

A win would assure the 'Horns of a tie for second place in 3-2A, but wouldn't put the 'Horns in the playoffs, since Hale Center beat them earlier, 30-26. The 'Horns have to win, then hope Bovina can roll in the end zone again, as the Mustangs tangle with the Owls Friday.

Nazareth at Farwell

It's the biggest game of the year for the biggest teams in District 2-A North Friday as the Swifts meet the Steers with the playoff berths for zone on the line.

A Nazareth win would put the Swifts and the Vega Longhorns in the zone playoffs next weekend. A Nazareth loss would mean a three-way tie and a coin flip, with the loser staying home — a chance the Swifts don't want to take.

"We're not going to change anything, we just want to come out with a win," NHS coach Rex Minshew said. "Farwell will play with reckless abandon because they have nothing to lose. We win and it's over for them, so they'll be trying to make something happen."

"Farwell's going to be good and big on the line — they'll have Jesse Anzaldua back this year, and he was second-team all-state last year. They'll run out of an unbalanced line a lot, behind three people who all weigh well over 200 pounds. They won't be trying to fool anyone, they'll just line it up and come after us."

"We'll do things like shift down a man on defense, and other things to try to clog things up, but it's just going to be power against power. It's a game where the team that makes the fewest mistakes should win the ball game."

"We don't want to get too high for this one — it's a big game, but we don't want to get all hyped up and then be flat as a pancake from the second quarter on. We all know it's an important game, but we also know that we've been playing well. If we play like we have been, we'll see Sundown or whoever next week."

Harris Picks

Here are this week's picks by the Harris Rating Service (home team in CAPS):

IDALOU 22 over Dimmitt; HART 6 over Olton; Nazareth 7 over FARWELL; Littlefield 27 over FRIONA; TULIA 33 over Floydada; ROOSEVELT 1 over Brownfield; Childress 7 over RIVER ROAD; ABERNATHY 28 over Springlake-Earth; HALE CENTER 26 over Bovina; Vega 32 over KRESS; Happy 6 over LAZBUDDIE; Electra 31 over JACKSBORO; WACO RICHFIELD 1 over Waco Midway; HEREFORD 14 over Tascosa; San Angelo 14 over BIG SPRING; PERMIAN 14 over Odessa High; Abilene 12 over Abilene Cooper; LEE 13 over Midland High.

ACT test dates set

The ACT Assessment Program tests will be given in Dimmitt Dec. 14 and next April 12, according to John Thomas, counselor at Dimmitt High School.

The assessment consists of four academic tests that measure educational development and a detailed questionnaire that collects information relevant to educational and career planning.

It is recommended or required by more than 2,700 post-secondary institutions and scholarship programs.

Thomas recommends that students take the tests during the spring of their junior year or early in their senior year so results will be available in time for use in planning for post-secondary education and careers.

The basic registration for the ACT tests is \$10, with late registration to be accepted for an additional \$10 late handling fee. Students may obtain registration packets from Thomas at DHS.

Thomas said ACT tests would also be given on Oct. 26, next Feb. 8 and next June 14 in Hereford, Canyon, Plainview, Amarillo and Lubbock.

'Horns bull past Mustangs

The Hart Longhorns won their second district game in a row and moved into a tie with Hale Center for second place in the district Friday by defeating the Bovina Mustangs 23-0.

The Longhorns were led by three touchdown runs by Chris Rodriguez and a stingy defense that held Bovina scoreless.

The Longhorns' first touchdown was set up when Arthur Guzman blocked a Bovina punt on the 34 yard line. With 3:24 left in the second period, quarterback Brett Ritter connected with split end Ronnie Rodriguez for a 19-yard scoring strike. Arthur Guzman booted the extra point.

The Horns got on the board again just 70 seconds later. This time Rodriguez scored going over from the three. Guzman added the PAT, making the score 14-0 at intermission.

After holding Bovina on their first possession of the third quarter, the Longhorns took over from their own 20 yard line. Four plays later Rodriguez outran the pack and went 70 yards for his second touchdown. The extra point by Guzman was good making the score 21-0 with 6:35 left in the third period.

Bovina drove the ball but was unable to score on their next possession, and Hart took over from its own nine yard line. The Horns traveled 91 yards in 10 plays, with Rodriguez going over on a nine yard scamper for the game's final touchdown. Guzman added the PAT making the score 28-0.

ed the PAT making the score 28-0.

"The defense played very well," Hart coach Mark Stroebel said. "They caused several turnovers and did a good job of hitting. The offensive line also had a good game the second half. The line has really come a long way since the season started."

Leading the Longhorn defense was Chris Rodriguez who had eight tackles, four unassisted tackles, a quarterback sack and two fumble recoveries. Cecil Diaz had eight tackles, four unassisted tackles and two quarterback sacks, and Danny Valadez had seven tackles, four unassisted tackles, and a fumble recovery.

VOTE "FOR" BONDS TO CONSTRUCT NURSING HOME

The Castro County Hospital District has called a special election on December 7, 1985, to vote on the proposition to issue bonds up to 1.5 million dollars for the purpose of constructing and equipping a nursing home. The special election was called at the request of over 900 citizens who have signed petitions requesting that the Castro County Hospital District build a nursing home so that our aging citizens who are in need of care offered by a nursing home can be properly taken care of. The citizens of Castro County who have petitioned the Hospital board to call the special election are committed to the premise that the best health and custodial care that can be given to the aged is by a facility that is non-profit. The taxpayers of Castro County in the late 1950's and early 1960's felt that the best health care to be given the citizens of Castro County would be by creating a hospital district supported by tax dollars and to vote a bond to build and equip a hospital. The voters overwhelmingly approved the proposition for issuance of the bonds, and the Plains Memorial Hospital was the result. The bonds have been retired, and the hospital district is now free of bonded indebtedness. Once again, the concerned citizens of Castro County, Texas have requested that the Hospital district be given authority to issue bonds up to \$1,500,000.00 to build and equip a nursing home that would properly take care of our aging citizens. Preliminary studies indicate that the cost of constructing and equipping the nursing home will not exceed the sum of \$1,500,000.00. The bonds can be retired over a ten year period by increasing the tax rate 0.74¢ per \$1,000.00 valuation. This would translate to approximately \$74.00 per year for each \$100,000.00 of assessed tax valuation. This is a small price to pay for the health and care that we owe our aging citizens. The opportunity to vote for the proposition of the issuance of the bonds for the construction and equipping of the nursing home culminates approximately two years of work.

VOTE "FOR" on December 7, 1985, to insure proper health care for the aging citizens of Castro County, Texas.

Conservation Conversation

Running Water Soil & Water Conservation District

This week we would like to discuss the advantages of evergreen trees in a windbreak.

At least one row of a windbreak should consist of evergreen trees. If only one row or even two rows are planned, evergreens should be your first choice because they maintain protection all year; whereas the hardwoods lose their leaves in the winter.

Several species of evergreens are adapted for Castro County. One of the best species is the Eastern Red Cedar, it is a drought hardy tree with few pest problems (the bagworm mostly) and few diseases. At maturity, it will attain heights of 25 to 40 feet and a width of 20-30 feet. It is a dense, dark green tree that turns a rusty red in the winter.

The Afghanistan Pine is a fairly new species to our area. It was brought to the High Plains from its native Afghanistan and Southern Russia. It is a fast growing pine (1 to 3 ft. a year) and attains heights of 20 to 30 feet. The Afghan is a narrow width pine (8 to 10 feet at maturity) and will need to be placed closer together for a good wind barrier. It is a bright green pine that has an overall narrow cone shape.

The Texas Forest Service recommends that this pine not be planted north of Deaf Smith Co. because of its cold susceptibility. Because Castro Co. is on the northern boundary, there is a chance of freeze damage or freeze kill when these trees are young seedlings. They can however withstand temperatures of 15 degrees below zero for short periods of time, and cold weather doesn't seem to affect the older trees in this county.

This is a very popular species because of its beauty (a natural Christmas tree), durability and fast growth.

The Afghanistan does need regular waterings (twice weekly) for establishment, and to maintain a lush symmetrical growth.

It has a fibrous root system (instead of a deep tap root system) and will thrive on surface water. Wind protection is vital when this tree is small, it is however a drought hardy species with few pest problems. One of the species faults is its uneven growth habits (in a row of trees, several may be tall and several very short).

Another popular species is the Ponderosa Pine. It is a mountain pine, and can attain heights of 40 feet and widths of 20-30 ft. It requires regular waterings for establishment and grows very slowly until the third year at which time it will begin to grow about a foot a year. It is a long needed, bright green pine and adapts

here fairly well. One of the primary problems with the Ponderosa pine exists in its refusal to grow into bands of caliche soil.

Several other species are adaptable here, the Rocky Mountain Juniper, Arizona Cypress, Kiteleer Juniper, Scotch Pine, and the Pinion Pine are some of the adaptable species.

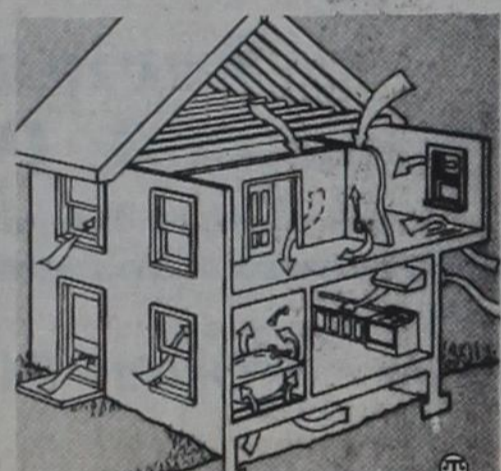

The Colorado Blue Spruce can be adapted to Castro Co., it does however require a lot of care and water, and it is a slow growing tree. It has a blueish-green needle, and grows in a wide bottomed cone shape.

For more information and assistance in planning and design of windbreaks, call us at the Soil Conservation Service Field Office at 647-4324, or come by the office, we are open from 7 a.m. to 4:30 p.m.

INTS FOR HOMEOWNERS

Plugging Hidden Leaks
Is your house giving you the cold shoulder?

Here's some helpful advice to help you troubleshoot hard-to-find leaks especially common in older homes. It's from New Shelter Magazine's 5th Anniversary Issue. This is the companion guide to the PBS television series, "A House For All Seasons" seen on many public television stations.

Arrows show hidden air entry points of heat leaks you can cover up.

Dropped ceilings: These drops can often be seen from the attic, since they are seldom covered with insulation. Cold air can sink into these areas and produce uncomfortable drafts.

Interior wall cavities: They result in drafts at the wall outlets. Foam outlet gaskets, available at hardware stores, can help the symptoms but aren't a cure for the problem.

Built-in bathtubs: Whenever possible, insulate the back of the tub and plug any openings to the outside.

The double hung window: Caulk along the inside and outside window trim.

Mail slot: Stuff insulation around it and caulk it where it meets the house.

More helpful information on contemporary home management can be found in New Shelter Magazine, available at newsstands.

SWCS taking tree orders

The Running Water Soil and Water Conservation District is now taking orders through March 15 for the windbreak trees.

"We have all of the species that have been available in the past, plus a few new ones," said Lilly Nicholson, District Technician. "The new species include the Bur Oak, Burkett Pecan, Desert Willow, and the Rainbow Plum. There will be a few Walnut trees available, but because the hail storms destroyed so many of the Texas Forest Service nursery seedlings, there is a very limited supply of several species. The Walnut and Rainbow Plum were almost wiped out, and the remaining trees will soon be depleted, so if you want these species, you should get your order in as soon as possible."

"We will have the one-gallon containerized trees available again this year. These trees have been very popular because there is no minimum order restrictions (you can order just one tree)," Nicholson said. The District will order one or as many as you want; however payment in advance is required. The one-gallon containerized trees cost \$5.00 each.

The small windbreak seedlings are the same price as they were last year: the potted (evergreen) are 30 trees for \$40.00 + tax; and the bare root (both evergreen and hardwoods) are 50 trees for \$20.00 + tax, payment will be taken when the trees arrive. There is a minimum order of 30—potted, and 50—bare root.

The SCS office at 3rd & Bedford has a list of the trees that are available for ordering. "Anyone that is interested in ordering trees, or in planning a windbreak, should come by the office, or they can call us at 647-4324.

The trees will be at the SCS office during the month of March for those who have ordered. Usually we don't have many extras at that time. We try to get the trees ordered that everyone wants, that way we don't have a large amount of trees left at the office," Nicholson said.

After school snacks should be nutritious

When hungry kids rush home from school, they'll head straight for the chips, soft drinks and sugared treats unless some nutrition snacks are ready.

"The key to getting youngsters to snack wisely is having the right snacks on hand," says Marilyn Haggard, a nutritionist with the Texas A&M University Agricultural Extension Service.

Having nutritious foods handy for youngsters may be especially important to working parents who are not at home to supervise after-school snacking, she adds.

Haggard suggests having the following on hand as quick, nutritious after-school snacks:

- Fresh fruits of any kind.
- Fresh vegetable pieces, such as carrot or celery sticks.
- Unsweetened fruit juices.
- Wholegrain crackers or

a snake under her couch, the wife went next door to enlist the aid of a neighbor who had a reputation as an outdoorsman, having camped out with the Cub Scouts last summer.

His wife was at the grocery store, and he volunteered to corral the snake.

Armed with a rolled-up newspaper, he took a few swishes under the couch and declared that the snake had vacated the premises.

"Thank goodness," declared the woman, plopping down on the couch. As she ran her hand nervously between the cushions, it brushed a small scaly skin, which she immediately realized was her snake.

She screamed and fainted dead away on the couch as the snake slithered quickly back to the floor and underneath the couch.

Realizing that something needed to be done, the outdoorsman drew upon his meager first-aid knowledge and remembered a demonstration of mouth-to-mouth resuscitation he'd seen.

So he pushed the woman's head back into the proper position, and just as he started the first breath, in ran his wife, who had heard the woman's scream while carrying in her groceries next door. She had a sackful of canned goods in her arms.

Seeing her husband mouth-to-mouth with the neighbor woman on the couch, she immediately slammed the heavy sack of canned goods over his head.

The crash and the sound of

scattering cans brought the fainted woman up with a start.

When she saw the neighbor lying on the floor, and his wife bending over him, she was sure he was snake-bitten and ran to the kitchen for a bottle of medicinal whiskey, which she started trying to pour down the poor fellow's throat.

The neighbor's wife, beginning to regret hitting him with the sack, was subdued, but did manage to wrestle the whiskey bottle away from the other woman, sloshing some on both of them in the process.

About that time, two policemen, summoned by a neighbor who had also heard the scream and crash, walked in. After a sniff of the whiskey aroma from the man and both women, the officers listened politely as the two women, talking at the same time, tried to explain about how a snake caused it all.

The policemen left with the ambulance that took the still-unconscious husband and his sobbing wife away to the hospital, leaving the first woman with a very scared little green snake still hidden far back under the couch.

Best/worst pun I've read this week:

"What do you call a horse that plays the violin?"

"I dunno. What?"

"A fiddler on the hoof."

(Sorry about that. I couldn't resist.)

The world's smallest drawbridge is Somerset Bridge, located on the island of Bermuda. The entire bridge is less than 20 feet across, with an opening barely wide enough for one sailboat to pass through.

FCIC schedules farmer hearing at Nazareth

Responding to the need for farmer input, the Federal Crop Insurance Corporation (FCIC) has set up a series of producer hearings across the US.

Two teams of FCIC representatives, one headed by Manager Sprague and the other led by Deputy Manager, Edward D. Hews, will begin conducting public forums today in twelve cities across the country. The sites were chosen to geographically represent the insurance now available. The scheduled local site is the Community Center, Nazareth, Texas, next Thursday at 1:30 p.m.

The action was taken as a result of a Board of Directors' resolution delaying a change in unit definitions for insurance purposes, and comes after similar sessions held in Washington to hear insurance industry and agricultural interest representatives.

FCIC Manager Merritt W. Sprague commented that, "These sessions will give producers an opportunity to tell us how the Crop Insurance program meets their needs and what they would do to improve the program."

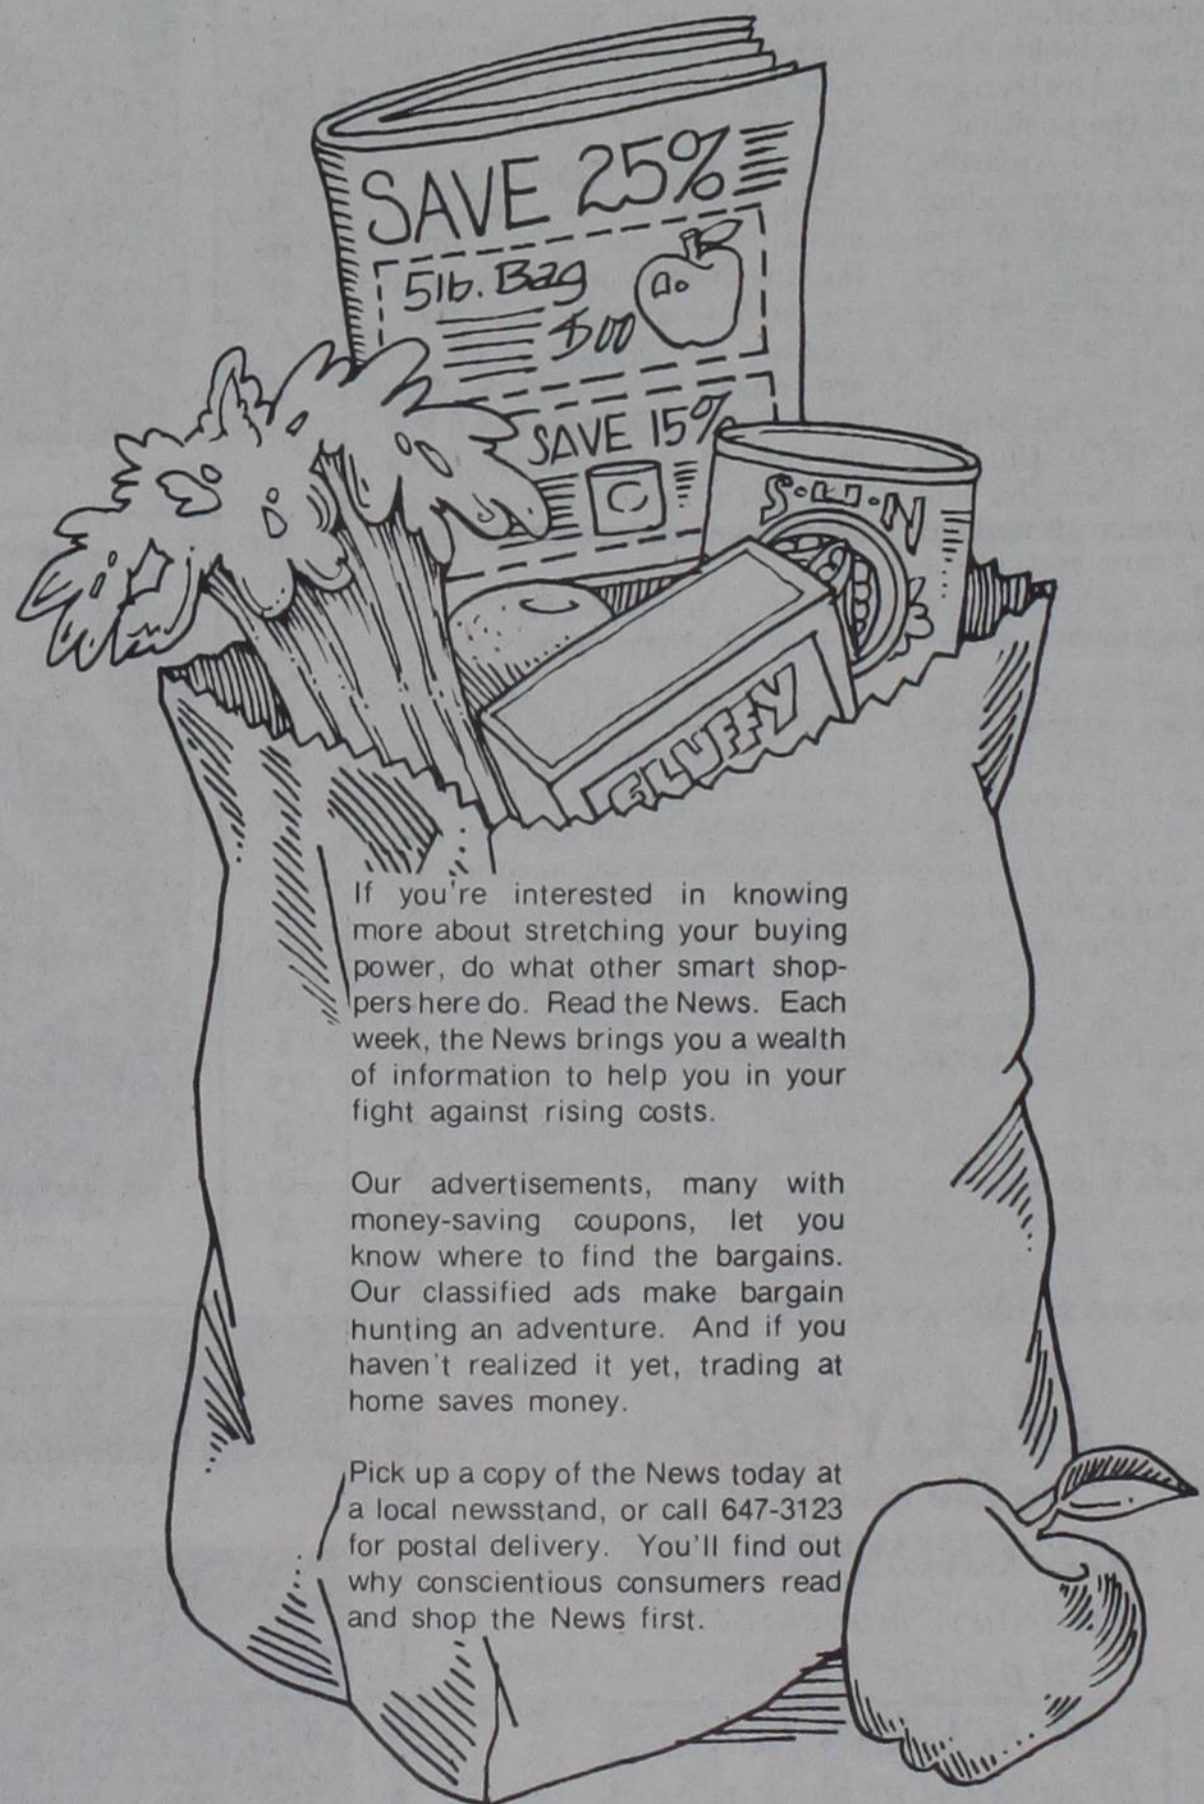

"During our public forum in Washington," FCIC Manager Sprague noted, "the needs of the producer, the reactions of the producer, the willingness of the producer, and the problems of the producer as they relate to Crop Insurance were all represented by others in response to FCIC proposals. We hope that these listing sessions will give the producer the opportunity to speak for himself."

RIBBON CUTTING CEREMONIES were held Monday afternoon officially opening the Merle Norman Cosmetics studio in Dimmitt. Joyce Rickerd (center, wielding scissors) cut the rib-

bon. Also on hand were Mike Foskey, Jerry Lilley, Dorothy Hopson, Martha Jo Hyman, Delores Heller and Gene King.

Hinkle is new senatorial aide

Sen. Bill Sarpalius has announced the appointment of Robert Hinkle as his executive administrative assistant. Hinkle, 28, began his duties Oct. 14 and will be based in the senator's district office in Amarillo.

"We're extremely lucky to have someone with Robert's skills in the district office," said Sarpalius, D-Canyon. "He's an extremely bright and talented individual and his service will be invaluable to the 31st Senatorial District."

Sarpalius said Hinkle's primary responsibilities will include overall management of the district office, handling of constituent inquiries and problems and operation of the Sarpalius Mobile Office, which travels throughout the district seeking constituent input about government affairs.

Hinkle said he is looking forward to the challenges associated with the position.

"Since I moved to Amarillo, I have developed a tremendous respect for the people of the High Plains," he said. "I very much look forward to serving them and stand ready to help in any way I can."

Hinkle comes to the Senate office from KVII-TV, Channel 7 in Amarillo, where he had been working since 1981. During his four years at the station, Hinkle served as a reporter, assignments editor and political editor.

His other work experience includes a stint at KXII-TV in Sherman, where he served as a reporter and anchor of the station's 6 p.m. and 10 p.m. news programs. He also worked at a radio station in Denison as a news and public affairs announcer as well as a play-by-play announcer for high school football games.

Hinkle was graduated from East Texas State University in Commerce with a Bachelor of Science degree in radio-

television and business marketing. He and his wife Robyn, an advertising executive, live in Amarillo. They have a son, Scott, who is eight weeks old.

Winter driving hazardous

"Winter driving is more hazardous than we realize, there are longer hours of darkness, freezing temperatures, and sleet and snow. These are real handicaps for the driver," said Major V. J. Cawthon, Commander of the Department of Public Safety, Region 5.

The National Safety Council suggests that you adjust your driving habits to fit the weather. Start gently, and when stopping, apply the brake pedal lightly when ice and snow conditions exist. Jamming the brakes will only send the car into a skid.

Many accidents and deaths are caused by driving too fast for existing conditions and losing control of the vehicle. Even though the speed limit is 55 the safe speed might only be 25 or 30.

When temperatures drop below the freezing point, drivers must guard against reduced visibility caused by frosted windows and windshields. To prevent this condition, idle your car long enough for it to warm up and for the defroster to become effective before starting to drive.

The Texas Department of Public Safety reminds you this winter can be wonderful if we are able to make it safely from point "A" to point "B" without an accident!! It is in your hands, the defensive driver, to make for a safer winter.

EDC \$ SIGNS

Industrial development revenue bond financing was begun in the south in the 1930's in an attempt to diversify the agricultural economy.

Texas was one of the last states to adopt revenue bond financing when the legislature passed the Development Corporation Act of 1979. This legislation allows cities, counties, conservation and reclamation districts to form non-profit development corporations or authorities to issue tax-exempt bonds for manufacturing and industrial projects. The legislation was amended in 1981 to include commercial

projects. However, to qualify for bonds, commercial projects were required to be located in a city-designated blighted area or a federally-designated distressed county.

On Sept. 1, 1985, the Act was amended again to allow cities to create "development areas" to qualify commercial projects for industrial revenue bond financing.

This new legislation is of particular significance to Dimmitt because our community did not previously qualify for IRB financing for commercial projects.

In an effort to better assist local firms in applying for IRB financing we have recently reorganized the Dimmitt, Texas Development Corporation. This organization was established in 1982 by the City to act as the official entity for accepting IRB applications. Directors of the corporation are Ray Bain, Joe Josselet, Randy Holme, Calvin Marsh and Fred Annen.

The future of industrial revenue bond financing is uncertain, because the US Treasury Dept. is asking for discontinuance of revenue bonds. If allowed to continue through 1986, there is adequate time for local firms to apply for IRB financing.

With this in mind, we are encouraging all local firms planning sizable projects to investigate IRB financing and its advantages now.

To find out more about industrial revenue bonds you may contact the Castro County Economic Development Commission at 115 West Bedford in Dimmitt.

Acker, Buchanan wed, make home in Dimmitt

Mr. and Mrs. Darrell Lynn Buchanan are home in Dimmitt after exchanging wedding vows Oct. 26 at Holy Family Church in Nazareth.

Father Harold Waldow officiated at the formal, double-ring ceremony.

The bride is the former Nancy Acker, daughter of Mr. and Mrs. Tony Acker of Nazareth. The groom is the son of Nora Buchanan of Dimmitt and Earl Buchanan of Marietta, Okla.

Alma Conrad and Mary Lynn Olvera served as organists. Music was provided by Bea Acker, Don Nelson, Bill Sava and choirs from the Holy Family Church, First United Methodist Church and Immaculate Conception Church. Selections included "Silent Wedding Prayer," "True Love" and "The Saviour is Waiting."

Scarlet gladioli decorated the main altar. Red and gold ribbons lined the center aisle.

The bride, given in marriage by her parents, wore a formal length gown fashioned of white organza trimmed with re-embroidered chantilly lace. It featured a Queen Anne neckline outlined with pearl and sequin encrusted bands of lace. A band of scalloped lace encircled the waistline of the fitted bodice. Sheer princess sleeves gathered at the elbow forming lace ruffles, and were accented with lace appliques forming petal points over the wrists. The semi-gathered skirt was highlighted with rows of organza ruffles, topped with scalloped lace which peaked in the front and multiplied in back to form a semi-cathedral train.

She wore a tiered fingertip-length veil of illusion edged with re-embroidered chantilly lace which gathered onto a lace covered Camelot cap sprinkled with pearls. She carried a cascading bouquet of red and gold roses accented with white

carnations through the center, forming a cross.

Maid of honor was Joyce Acker of Amarillo, sister of the bride. Matron of honor was Donna Reinart of Hereford, friend of the bride.

Denise Acker and Collete Acker of Amarillo, sisters of the bride, and Sandra Robertson Blair of Shallowater, friend of the groom, served as bridesmaids.

Bridal attendants wore full-length scarlet dresses with red ruffles with flowers and a tie sash in back.

Headpieces of matching flowers were worn by the atten-

dants, and they each carried an arrangement of scarlet and red roses.

Lee Buchanan of Abilene, brother of the groom, served as best man.

Groomsmen included Richard Schacher of Dimmitt, friend of the groom; Kevin Acker of Nazareth, brother of the bride; Hugh Acker and Dwight Acker of Easter, brothers of the bride.

Ring bearer was Justin Bernethy of Lubbock, nephew of the groom.

Flower girls were Laura and Jaci Birkenfeld of Nazareth, nieces of the bride, and Tyler Martin of Amarillo, niece of the groom

Candlelighters were Mr. and Mrs. Anthony Acker, Nora Buchanan and Lavern Bernethy.

Ushers included Cary Acker of Easter, brother of the bride; Gary Bernethy of Lubbock, brother-in-law of the groom; Randy Porter and Jerry Cartwright of Dimmitt, friends of the groom; and Brian Reinart of Hereford, friend of the bride.

A reception followed at the Nazareth Community Hall. Tables were lined with red and gold garland.

The couple took a wedding trip to Belle Vista, Ark. and St. Louis, Mo.

The bride's travelling attire consisted of a red and white dress with matching shoes.

The bride is a graduate of Nazareth High School and is currently employed in the lab at American Fructose.

The groom is presently the shift supervisor in the millhouse at American Fructose.

Pair to wed Saturday

Carolyn Young and Larry Combs will exchange wedding vows Saturday afternoon at 3 in the First Christian Church in Dimmitt.

The future bride is the daughter of Mr. and Mrs. Hubert Edwards of Dimmitt. Evelyn Combs of Crescent City, Calif., and Mr. and Mrs. Oscar Combs of Aberdeen, Wash.

Friends are invited to attend the wedding and reception following.

The couple will be residing in Hobbs, N.M.

HUCK Finn called the Mississippi "a monstrous big river," and it is. According to National Wildlife magazine, the Mississippi River flows some 3,700 miles, draining all or part of 28 states and two Canadian provinces.

PMHA bazaar nets \$4800

The Plains Memorial Hospital Auxiliary will hold its regular meeting Wednesday in the hospital at 10 a.m.

The program includes discussion of the Buffet-Bazaar and plans for the next year.

Approximately \$4,800 was raised at the Holiday Buffet-Bazaar this year. This money will be used to purchase items for the hospital.

Teresa Parsons won the doll house and Mona Merritt won the cathedral quilt at the bazaar.

Operation Christmas Greeting has begun and deposits may be made at the First State Bank. Deadline for making contributions to the Community Christmas Card will be in mid-December.

PAMELA NUTT AND BOBBY JOE SARTOR, JR.

Nutt, Sartor to wed

Mr. and Mrs. Charles Nutt of Dimmitt announce the engagement and approaching marriage of their daughter, Pamela Dianne to Bobby Joe Sartor, Jr., son of Mr. and Mrs. Bobby Joe Sartor, Sr. of Abilene.

The couple plan to exchange wedding vows Feb. 15 at 10:30 a.m. in the First Baptist Church of Dimmitt.

The bride-to-be is a graduate of Dimmitt High School and

Metro Barber College in Lubbock. She is employed with TG's Hair Design Studio in Abilene as a hairstylist.

The prospective groom is a graduate of Abilene High School. He is a journeyman plumber and is currently employed at Abilene Plumbing and Heating.

The couple plan to make their home in Abilene.

Rainbow singers to present 'Amazing Grace'

The Children of the Rainbow Singers of the First United Methodist Church will present a musical with the message "Amazing Grace" Sunday, Nov. 17 at 6:30 p.m.

The musical, written by Karen Dean and arranged by Greg Nelson, is a light, yet meaningful Christian message of faith presented in contemporary melodies, and the public is invited to attend.

Susan Coleman and Cyndy Reynolds are directors, along with Leasa Thomas and Sherry Kenworthy, who direct the preschool group. Gainell Minnick solos as "Grace."

Correction

In a recent news release from the US Air Force, it was reported that 1st Lt. Brad DuLaney was the son of Bob and Jean DuLaney of Dimmitt.

Lt. DuLaney's parents are Bob DuLaney of Austin and Bonnie George of Hart.

Lt. DuLaney is serving with the 54th Flying Training Squadron at Reese AFB, Lubbock.

Book Club sets Silver Tea

Michele Bell will review "Miss Manners' Guide to Rearing Perfect Children" Wednesday when the Dimmitt Book Club holds its Silver Tea and meeting.

The meeting is slated to begin at 3:30 and the book review will follow at 4 p.m.

The featured book, written by Judith Martin, is a primer

for everyone worried about the future of civilization. Martin does not hold with the fashionable belief that children are born naturally good, creative and wise.

Judith Martin is married and the mother of two children. She is the author of the nationally syndicated column "Miss Manners" which appears in newspapers nationwide.

Hart sets arts, crafts bazaar

The annual Hart Arts and Crafts Bazaar will be held Saturday, Nov. 16 and Sunday, Nov. 17 at the Dairy Bee in Hart.

The bazaar will be open to the public from 9 a.m. to 6 p.m. Saturday and from 1 p.m. to 4 p.m. Sunday.

The sale is being held in conjunction with the Xi Mu Iota Bread Buffet on Saturday, Nov. 16 from 11 a.m. to 2 p.m. at the Hart Methodist Church. Recipes will be available to the public.

Local exhibitors include Blanche English, quilts and decorated shirts; Wanda Black, baskets, Fall and Christmas arrangements; Irene Brooks, candy, baked goods and oil paintings; Helen Mitchell and Janet Mitchell, fancy pillows, sachets, ring bearer pillows and Christmas items; Jearldine Newsome, ceramics, porcelain dolls; Patsy Warren and Martha Bauman, crochet doilies, dolls, handers, and baked goods; Erma Lee Kennedy, quilts; Nora Lancaster, basket liners, hot pads, Christmas ornaments and handmade jewelry; Jonalyn Jones, calligraphy, painted pumpkins, oil paintings and wreaths; Letha Key, cloth Bible books, wreaths, sachets and country pillows.

A percentage of the proceeds of each booth will be donated to the Hart Cemetery Fund. There is no admission charge. Refreshments will be served throughout the day and door prizes will be given.

CCCCA to meet

The board of directors of the Castro County Community Concerts Association will meet Saturday at 10 a.m. at Al's Colonial restaurant.

The board will select and book the artists for the 1986-87 concert season. Mrs. Mary Lloyd has been reassigned to work with the local concert organization.

All members are urged to attend the meeting.

A nutritious afternoon snack can provide a youngster with needed energy and prevent the fatigue that might prevent enjoyment of a nutritious evening meal.

HOLIDAY ITEMS will highlight the exhibitions on display at the annual Hart Arts and Crafts Bazaar slated for Nov. 16 and Nov. 17 in Hart. The bazaar will be held at the Dairy Bee. Showing some of the various items that will be on display are (from left to right) Janet Mitchell, Jonalyn Jones and Letha Key.

Jennings returns home

Navy Seaman Recruit Calvin Jennings, son of Maurice and Bonnie Powell of 607 NW Eighth, recently returned from a six-month deployment to the Western Pacific and Indian Oceans while stationed aboard the guided missile destroyer USS Callaghan, homeported in San Diego.

FROM: RHOADS MEMORIAL LIBRARY

TO: THOSE WHO GOT OUR "FRIENDLY" LETTER FROM THE D.A.

Librarian and Staff wish to thank all those who returned or paid for library books which were long overdue. We regret we had to go to such lengths to reach you and get your attention. Several items would have never been returned without the help of the letter. Some of you were angry. We are sorry about that. And we did make mistakes—especially on addresses. Please accept our apologies if you got a letter but didn't deserve it.

In the meantime please realize that books are going up in price about 25 percent a year. When you fail to return your library book it costs twice as much to replace it sometimes. Our fines for overdue library items are about the lowest in the area and we often excuse them just to get the book back.

Sending letters out through the County Attorney's office is something we wish we never have to do again—and if you will return your things in a reasonable length of time—we won't have to.

Texas Customers of SPS:*

Check your electric bill carefully this month.

Your share of our fuel-cost savings.**

You will find a credit on your electric bill this month. It's your share of savings resulting from our management's decision to use coal fuel instead of gas for generating electricity. We also saved by working out cheaper fuel and fuel transportation contracts.

At SPS, we work to keep the cost of electricity as low as possible.

SOUTHWESTERN PUBLIC SERVICE COMPANY

*SPS customers in New Mexico, Oklahoma and Kansas have already been enjoying reduced fuel costs through their automatic fuel-cost adjustments.

**This is a one-time credit. It reconciles an over-recovery of fuel revenue resulting in Texas from a fixed fuel factor set in October 1983.

The credit you find on this month's bill was figured exactly on your actual electricity usage, on a per kilowatt-hour basis. We're returning this savings to you with interest at 11.56%.

Ray Joe Riley took the first bale of cotton ginned to Earth Coop Gin Saturday, Oct. 26.

Ross Family Gin received their first bale of cotton Tuesday evening from the Clark-Gilbreath farm. It was ginned Wednesday morning, and was a 495 lb. bale from a patch that had the kill on it. They baled their first module Wednesday and had baled 70 bales when the bad weather began. All had been killed.

Ed and Joni Stewart are the proud parents of a 7 pound, 1½ ounce boy who was 19 inches long. He was born in Plains Memorial Hospital in Dimmitt about 3 a.m. Wednesday morning. Her sister, Inger Skinner of Lone Pine, Calif., came to help with the cooking and the other children.

Springlake-Earth won their homecoming game Friday night 30-28 with Hale Center. Rev. Bentley and Kathy Gwyn, Christi and Holly, Phyllis Bridges, Erin, Robin, and Jonathan attended the activities. Christi was one of the cheerleaders. Former students of every fifth year were honored at the game. Michael Graham of Frazeyburg, Ohio, was one of those returning for the homecoming.

The film "Preparing for Adolescence—Part II" was shown Sunday night during the church training hour. Part I was shown last week.

Holly Waggoner came in from Abilene Christian University for the weekend with Quint's baby, Lauren Waggoner, for a visit with her grandparents. A friend came as far as Lubbock with them.

Rev. Bentley and Kathy Gwyn, Holly and Christi visited in Snyder Saturday with his aunts, Maggie Boone who is in the hospital there, and her sister Evelyn Boone

who also lives at Snyder.

Jodie Riley was home from Tech for the Springlake-Earth homecoming. Kevin and Melinda Riley also attended, as did Chris and Sherry Elkins. Those five-year graduates which included Kim, Kevin, Chris and Michael Graham, had a class reunion at the home of Steve and Kim Perry after the game.

Mrs. Lou Fleming went back to her home in Abilene Tuesday after helping Terri Louder out with the children and new baby since last Thursday.

L. B. and Teeny Bowden visited for a few minutes Thursday noon in Furr's Cafeteria in Amarillo with Mr. and Mrs. John Graham of Coshocton, Ohio and Michael who flew back home Saturday morning after the homecoming at Springlake-Earth.

Rev. Bentley Gwyn attended the monthly Llanos Altos Association Pastor's conference Monday.

Jo Eddy Riley entertained the Dimmitt bridge club in her home last Thursday morning.

Noah and Ruth Spencer visited with L. B. and Teeny Bowden a few minutes Monday morning.

Lee and Louise Bradley, Sharon, Jack, Justin and Joel, Sharon and Laura Sadler and Judy Louder attended a chili supper at the New Covenant School in Muleshoe Friday night.

Verna Sadler attended a supper Thursday night prepared by her professor, Sue Taylor of Wayland, for her class of Business Information Systems.

Gale Sadler finished his graduate business at the Wayland Satellite in Amarillo Saturday.

Pete and Margaret Grisham of Abilene visited with her cousin Ezell and Verba Sadler last Sunday night through Friday morning. They visited one night with Gale and Verna Sadler. Ezell and Verba took them to Clovis Monday night for the fiddle music, to Hereford for bluegrass practice session Tuesday night and to see their aunt, Mary Shultz and Howard Cummings of Earth Wednesday night.

Sharon and Laura Sadler visited in Dimmitt Sunday afternoon with Tex and Norma Conard and her sister, Wanda and Warren Gerhing of Indianapolis, Ind.

Ezell and Verba Sadler and Randy Powell visited Friday night with Howard and Monarae Cummings of Earth and with James and Patricia Powell of Canadian Sunday afternoon.

FFA taking cooked ham orders

The Nazareth FFA Chapter is now taking orders for cooked hams for Thanksgiving. Deadline for ordering the hams is Nov. 26.

The cooked hams will need to be picked up at the Joe Drerup home or the Nazareth Ag Shop. Hams range in size from 12 to 17 pounds and are priced at \$2.10 per pound. To order contact any Nazareth FFA member or David Bownds, ag teacher. Proceeds will be used for chapter projects.

FREE HEARING TESTS SET FOR SENIOR CITIZENS

LIVINGSTON HEARING AID CENTER, INC.
1903 19th St.
Lubbock, Tx. 79401
(806)762-2951

Offers a new concept in helping the hard of hearing.

Livingston Hearing Aid Center, Inc. will sponsor FREE electronic hearing tests on Tuesday, Nov. 12 and Tuesday, Nov. 26, 1985 from 10 a.m. to 12 noon. The tests will be given at the Senior Citizens Center in Dimmitt by Royce R. Pickens. His experience and professional approach assures you of personal understanding and expert help.

ROYCE R. PICKENS

Most hearing aid specialists sell you the brand of hearing aid they carry. And that brand may not have the model that's exactly right for you.

With Livingston Hearing Aid Center, Inc., 1903 19th St., Lubbock, 762-2951, it's different. We offer a new concept for the hard of hearing by carrying a wide variety of hearing aids from over 12 different manufacturers. We promise to fit you with an aid that answers your problem exactly. And our promise is backed by a 30 day satisfaction guarantee or your money back.

Everyone, especially older citizens, should have their hearing tested electronically at least once a year. Many of you may suspect you have trouble hearing and understanding.

Repair service and cleaning will be available to you for your present hearing aid—no matter what brand or where you bought it. The hearing test is FREE and will only take 20 minutes of your time. Please come in and take advantage of this special opportunity.

NOTICE OF BOND ELECTION THE STATE OF TEXAS COUNTY OF CASTRO CASTRO COUNTY HOSPITAL DISTRICT

TO THE RESIDENT, QUALIFIED ELECTORS OF CASTRO COUNTY HOSPITAL DISTRICT:

NOTICE IS HEREBY GIVEN that an election will be held in the Castro County Hospital District on December 7, 1985, pursuant to and in accordance with the Order adopted by the Board of Directors of the Castro County Hospital District and attached hereto and made a part of this Notice for all intents and purposes.

IN WITNESS WHEREOF, I have hereunto signed my name officially and affixed hereto the seal of the Board of Directors of Castro County Hospital District this the 28th day of October, 1985.

CASTRO COUNTY HOSPITAL DISTRICT
By: Marguerite McLain
Secretary, Board of Directors

(SEAL)
AN ORDER OF THE BOARD OF DIRECTORS OF THE CASTRO COUNTY HOSPITAL DISTRICT, CALLING A BOND ELECTION TO BE HELD WITHIN SAID DISTRICT, MAKING PROVISIONS FOR THE CONDUCT OF THE ELECTION AND OTHER PROVISIONS INCIDENT AND RELATED TO THE PURPOSE OF THIS ORDER

THE STATE OF TEXAS COUNTY OF CASTRO CASTRO COUNTY HOSPITAL DISTRICT

WHEREAS, the Board of Directors has determined that an election should forthwith be called and held in the Castro County Hospital District for the purpose of submitting the Proposition for the issuance of bonds of said District for the purpose hereinafter set forth; and

WHEREAS, the meeting at which this Order is considered is open to the public as required by law; and that public notice of the time, place and purpose of said meeting was given as required by Article 6252-17, V.T.C.S.;

BE IT ORDERED BY THE BOARD OF DIRECTORS OF THE CASTRO COUNTY HOSPITAL DISTRICT:

1. That an election shall be held in and throughout the Castro County Hospital District on the 7th day of December, 1985, at which election the following proposition shall be submitted:

PROPOSITION

"Shall the Board of Directors of the Castro County Hospital District be authorized to issue bonds of said District, in one or more series or issues, in the aggregate principal amount of \$1,500,000, maturing serially in such installments as may be fixed by the Board of Directors, the maximum maturity being not more than forty (40) years from their date, to be issued and sold at any price or prices and to bear interest at any rate or rates as shall be determined within the discretion of the Board of Directors at the time of issuance, for the purpose of providing funds for the purchase, construction, acquisition, repair and renovation of buildings and improvements and equipping the same for nursing home and other hospital purposes in and for said District, and to provide for the payment of the principal of and interest on said bonds by levying a tax sufficient to pay the annual interest on and to create a sinking fund sufficient to redeem said bonds as they become due?"

2. That said election shall be conducted throughout the District in three (3) election precincts made up of the regular election precincts of Castro County. The respective election precincts for said election and the Castro County regular election precincts composing such election precincts, the polling places within and for each election precinct and the officer for such election shall be as follows:

CONTRARY to popular folk wisdom, lightning does strike the same place twice. According to National Wildlife magazine, scientists believe that some areas have topography and wind-flow patterns that make them especially prone to lightning. In Florida, for instance, lightning repeatedly strikes bulges in the coastline, such as Cape Canaveral, where sea breezes converge.

The Halloween dance at the Community Hall was a great success this year with a large number of people masking for the event. Prize money was paid to Julius and Kathy Birkenfeld, the most original couple; Jim and Sandee Hoelting, the best couple; Sandy Oliver, the best single; Harold Gerber, most backward; Greg Birkenfeld, best acting with the least to show; Gerry and Joyce Kleman, ugliest couple; Leona Kleman, Twila and Renee Ball, most original group. The judges were Kent and Theresa Schacher and Father Harold.

Virgil Birkenfeld is home on leave after completion of boot camp at Camp Pendleton in California. He will now be stationed at a base in North Carolina.

Mrs. Anna Ehly celebrated her 88th birthday at Canterbury Villa in Dimmitt, where she resides. She will be honored with a dinner Sunday at the home of Mrs. Lynn Ehly.

Funeral services were held Friday morning at the Catholic Church in Phoenix, Ariz. for

Conrad Ehly, 65. Those going from here for the services were Emil and Glenda Ehly, Al and Roberta Ehly of Borger, Vincent Ehly of Canyon, Ed and Veronica Albus of Amarillo, Lynn and David Ehly and Lawrence Schmucker.

A Turkey Shoot, sponsored by the Nazareth Fire Department, was held at the draw north of town Sunday afternoon with a good turnout and participation. The next one will be held Nov. 17, weather permitting.

A new business, The Shack, owned and operated by Harold Gerber, was opened for business Saturday morning in Nazareth. It is located just west of the Town Pump Liquor Store. The business features mesquite barbecued ribs, brisket, ham, sausage and chicken. It will be open each Saturday.

John Slavik is home to recuperate after having back surgery. His daughter Joan Marie Braddock of Sterling, Colo., has been here to help care for him.

A benefit dance, sponsored by the Nazareth Volunteer Fire Department, will be held Saturday, Nov. 9, at the Nazareth Community Hall. Music will be furnished by the Nazareth Rough Rider Band. Proceeds will go toward the rebuilding of a fire truck which will benefit everyone. Please come and help with this worthwhile project.

Lucille Drerup, Max Acker, Christine Braddock, Fonsa Huseman, and Marie Brockman enjoyed dinner with Clara Acker at her new home in Amarillo Monday.

WANTED

Land to lease to pheasant hunters

The Chamber of Commerce is asking landowners who are interested in leasing their land to pheasant hunters this year to please contact the Chamber office.

The Chamber is receiving many requests for pheasant hunting arrangements, but have very few places to refer hunters to.

Pheasant season for 1985 will be from Dec. 14 through Dec. 29. The Hart Lions Club and the Nazareth Lions Club have the only organized hunts in the area. The limit is two cocks per day, four in possession.

If you are interested in leasing your land, the Texas Parks and Wildlife Dept. requires that you obtain a license as manager of a shooting preserve. Applications for the license required are available at the Chamber office. The license fee is based on the number of "hunnable" acres of land. Rates are \$15 for less than 500 acres; \$40 for 500 acres or over and less than 1,000 acres; and \$60 for 1,000 acres or over.

The Chamber is interested only in serving as a liaison between hunters and land leasers.

I recommended the Heat Pump

...and this is the kind of thanks I get

Air conditioning and heating contractors are making a lot of friends by recommending a heat pump. People who take their advice appreciate the heat pumps economy, comfort, and cleanliness. And, considering the heat pumps long life and low maintenance, the contractor's and the customer's friendship will be a lasting one.

Before you buy a new tractor, ask for a part of it.

Don't make it an easy part either. Choose one that perhaps only a John Deere dealer might have in stock (or have quick access to)... a 20-year-old tractor part, for example... or a hydrostatic ground drive part.

The point is when you buy a piece of equipment as important as a tractor, combine, baler, or a planter, you simply have to have parts and service backup. And you have to have it now... not two days or maybe one week later. That's why John Deere dealers average a fill rate across the counter of nearly 99 percent... within 24 hours or less.

Simply put, this means that when you walk up to a John Deere parts counter, you're not going to get a bunch of "what if's" or "maybe's." We make sure of it.
