Winners in Musical Contest Entertain Chamber of Commerce at Luncheon

At the meeting of the Chamber of Commerce Monday at noon the club was entertained by pupils from the class of Miss Lauream Christian, who were among the winners from her class in the Panhandle Music Festival at Amarillo last week. Those taking part in the program were Little Misses Virginia Hohlaus, Anice Stewart and Frankie Dodson, and Masters Whorton McDuffee and Milton Adams. The selections rendered were highly appreciated by the Chamber of Commerce, and demonstrated the ability of our local talent. Miss Christian's class won more places in the musical festival than the pupils of any other class in the Plains-Panhandle country again this year, making two years in succession that this class has led in the musical contests of Northwest Texas. A vote of thanks was extended to Miss Christian and her pupils for the entertainment rendered. All the pupils playing at the luncheon won ribbons at the festival last week.

Mr. and Mrs. M. S. Hudson of Hale Center, representing the Six Counties Poultry Association, an association being organized for the purpose of marketing poultry and eggs in six counties in this immediate territory, were before the Chamber of Commerce explaining their proposition, and asking that the people interested in the chicken business in this section of the county join their association. Mrs. Hudson made a talk relative to the association, and the way such organizations functioned in the states of Utah, Colorado, and California, which states she had visited making a survey of their marketing associations and conditions under which they disposed of their produce, and talked on ways and means of handling the produce to the best advantage for the producer. The poultry committee of the Chamber of Commerce were instructed to talk the matter over with Mr. and Mrs. Hudson, and report back at the next meeting as to what steps they thought best to take in regard to same.

Meivin Stokes made a report on the street marking and house numbering committee, and stated that a map had been made of the town and each house number designated and that the streets would be marked and houses numbered just as soon as the house numbers ordered have been received. There are 202 houses within the limits that will be numbered at this time, and the homes out of the designated limit will probably be numbered as soon as the work in the more thickly settled part of town is complete.

Mr. Stokes reported that there were sixty-five active business institutions in the town, thirty-seven brick and concrete business buildings, all occupied but one. That there were only four vacant houses in the town, and they were undesirable and had no conveniences. Not an empty apartment in the town. He stated that twenty new homes had been built in the town during the past year, and that at this time there were twenty-five homes that would be completed by summer, and all these new homes would be completed with all modern conveniences. He asked that the Chamber of Commerce take steps to have all outdoor toilets, where sewer connections had been made or could be made, moved out, and that trash cans be placed in the business district of the town for the purpose of receiving all waste paper and trash, and thereby keep the business part of town clean.

Mr. Stokes also suggested that all curbs in the business part of town be painted with a red marker 15 feet each way from the street corners, and so cars be allowed to park closer to the corners of the streets than where these markers were placed.

Discussion of a clean-up for Lockney was taken up, and a general vote of thanks was had, and it was decided that a clean-up week would be set aside and an effort will be made to give the town a thorough cleansing of all rubbish, etc. A committee was appointed to meet with the City Council, and ask that Mayor Reed issue a proclamation designating a week for clean-up, and that the council be asked to force the cleaning up of the premises of all those who fail or refuse to clean-up their premises during the clean-up week.

Mrs. Kate Collier, Z. T. Riley, and Artie Baker are the committee on cleaning up the town, and they will lay out the plans for the clean-up week.

Mr. and Mrs. Bill Hogan of Amarillo spent the past week-end with Dr. and Mrs. H. H. Ball.

Clean-Up Week All Next Week in Lockney

All Citizens Urged to Make Clean-Up Week a Success by Cleaning Their Premises and Streets and Alleys Adjoining

Lockney will put on a clean-up, paint-up campaign March 20, 21, 22, 23, and 24. We trust every citizen in Lockney will do his or her best to help in the worth-while campaign. Our town at present needs your loyal support and we need 1600 or more willing workers, honest to goodness workers. We, as citizens need to arouse, wake up to the condition and welfare of our town, and get busy, stay busy and put on a general campaign that will improve the appearance of our town.

We are a part of the town in which we live and we can't live in a town without boosting or knocking one, so let's wake up, boost our town, clean up, paint up and show our sister towns that we are on the map as a city beautiful. The effect will be contagious and our town is on the highway and we need to make a better impression on our thousands of visitors and tourists, who pass this way each year. We can and we will if we have the co-operation of every true citizen in Lockney to help clean up and keep clean.

We will put containers on the streets for waste papers so please notice this and throw your waste paper into them, instead of on the streets to blow about and collect mud and filth and look untidy. This is very important work, folks, and we are not doing our duty as citizens if we fail to co-operate with our leaders in this worth-while campaign.

Now folks let's wake up, spring is here, let's make Lockney shine and folks will sit up and take notice that we are up and doing. Grab the old rake, hoe or shovel, make your premises look 50 per cent better, your rheumatism will vanish, your muscles may be sore or stiff, but your appetite will be better and the good wife will feel repaid and will be able to look over the town and say good work is being done and I am having a part in this. You clean up, so will your neighbor, do your bit. We will appreciate every hour's effort that you may put forth.

Plant a rose, a few vines and lots of trees, which will also help to improve the appearance of our homes. The children will help and they too love beautiful things and it has its effect on our children. Let's build not only the present, but the future of Lockney. Lend a hand, we are counting on you. Don't fail us. Let's be proud to say we live in a 100 per cent clean town.

Our paint dealers will put on special prices for two weeks on their paints. All who can paint your homes, fences, and such, nothing adds more to the appearance of our homes than a new coat of paint. You will feel proud of your efforts and we will appreciate your support and help.

The following overseers have been selected to oversee the work of cleaning up the town:

Beginning with Main Street, West from Main street to West Third, north of College street.—J. B. Downs, Elmer Baker, Dr. H. H. Ball and A. J. White, overseers.

Beginning with West Third Street, west to the City limits and north of College Street.—E. L. Woodburn, E. E. Dyer, Tom Stewart, and Harve Pungington.

Beginning with Main Street, west to West Third Street and south of College Street.—T. Z. Reed, C. A. Wofford, Arthur Barker, and Carl McAdams.

Beginning with West Third Street, and south of College Street, to city limits.—Fay Guthrie, Melvin Stokes, Dr. J. M. Floyd, Deck Wells, and W. R. Sams.

Beginning with Main Street, north of College Street and east to East Third Street.—Geo. W. Brewster, Clyde Bennett, Ira Broyles, and S. J. Baldwin.

Beginning with East Third Street, and north of College Street, to city limits.—H. P. Coleman, L. M. Honea, J. A. W. Killer, and O. J. Hoggins.

Beginning with Main Street, and south of College Street to East Third Street.—Clyde Cummings, Jim Daggley, E. E. Patterson, and W. J. Sawyer.

Beginning with East Third Street and south of College Street to city limits.—Z. T. Riley, N. E. Waller, W. D. Biggers, and Fred Thornton.

These teams will be on hand Tuesday morning to see that the clean up starts in their districts, and to look after the placing of all rubbish, etc.

Cowboy Band Will Be Here March 23rd

The Cowboy Band on their annual Texas tour, arrives in Lockney, Mar. 23. Their appearances this season have been greeted by most enthusiastic audiences, and the program here promises to be better than ever before.

Selections from the old masters are played as well as modern band music and popular numbers, and a class of music not attempted by the amateur band is played smoothly and with ease.

Special features of the program for this city include the saxophone quartet, the cornet quartet, the tenor soloist, the trombone virtuoso, and the trumpet artist.

Cowboy songs presented by Y. P. Kuhn, during the exhibition of trick and fancy roping, are typical of the old West and will prove very interesting and entertaining.

With the unique uniforms, the executor, and music that stir men's exceptional organization, the master dimensions, the band presents to Lockney a super-attraction, one of outstanding musical attractions of the season.

The cowboys are coming! And with them comes Y. P. Kuhn, one of the best known drum-majors of the South.

The snap in drill and the various steps of the Cowboy Band which have proven to be such striking features of the band on parade, are due to the intensive training given the bandmen by Y. P. Kuhn, Physical Director of Simmons University, during the four years he has been connected with the musical company. The famous "Swager Step" and the "Cowboy Whirl" are Coach Kuhn's own creations.

"Taht snappy little drum major of the Cowboy Band," is often spoken of as one of the best drum-majors in the South. He pulls stunts for the benefit of the onlookers unheard of in the realm of drum-majordom. While the band was in Amarillo last year, "Major Kuhn" surprised the thousands of visitors in the city one afternoon by standing on his head on the main streets of the city.

Like Col. Wiley, Mr. Kuhn received a commission in the United States Confederate Veterans organization at Atlanta, Ga. Gen. R. A. Miller, State Commander, conferred the title of major on the Cowboy Band parade leader.

Everyone of the forty-five boys in the organization "stand by their parade leader through thick and thin" because, like Director Wiley, the drum-major is one of the boys.

Call Meeting of All Poultry Raisers

Poultry Meeting of All Farmers of Floyd County to Be Held in Lockney Thursday, March 22nd

All poultry raisers of Floyd county who are interested in getting a higher price for their products in the future are asked to meet in Lockney Thursday, March 22nd. All poultrymen who are satisfied with the present market conditions are respectively requested to honor the meeting with their presence as only ways and means of raising the present day prices will be discussed.

Mrs. M. S. Hudson, wife of a real dirt farmer, from Hale Center, will be present to present a plan that has been proven a success in other poultry sections. During the past year, Mrs. Hudson has traveled extensively in the west and secured first hand evidences and plans to further promote the poultry industry of this section.

so that the wagons can get same. Those who fail or refuse to clean up their premises will be requested to clean up by the city officials, as it is the desire of the town to give every section of town a thorough cleansing at this time.

Santa Fe Asks to Build Hale Center Extension

66-MILE ROAD IS REQUESTED BEFORE I. C. C.—OLTON SIGNS CONTRACT

Washington, March 10.—A Santa Fe railroad extension, involving the construction of 66 miles of new line in Texas was proposed today in an application to the interstate commerce commission. The line will run from Hale Center to Parmerton, and will be built by a Santa Fe subsidiary, the Pecos and Northern Texas Railway.

The Santa Fe company will advance construction costs.

Olton, March 10.—The Olton chamber of commerce has signed a contract with the Santa Fe railroad to furnish right-of-way across Lamb county for the proposed Hale-Center-Olton, Parmerton railroad, according to an announcement made here today.

Olton citizens have been working on the proposition for sometime and it was stated that less than \$15,000 of the necessary funds was not subscribed.

Citizens along the route of the proposed road were enthusiastic when told that the Santa Fe had made application with the interstate commerce commission for permit to build the line.

Construction of a new Santa Fe major Panhandle line appears imminent, following agreements reached by that road with the citizens of Olton calling for a rail line through that town from the town of Hale Center, in Hale county, on to Parmerton, a Parmerton county town located on the main line of the Santa Fe between Amarillo and Farwell-Texico.

At a mass meeting of several hundred citizens of the Olton community the Santa Fe announced its plans to build this road. The news surcharged the Plains atmosphere, already electrified by major projects of the great railroad systems. Olton people and Hale Center people, as well, are jubilant over the proposed line. Both are already trading centers and their growth would be largely stimulated by this construction.

The proposed line, if built would split a stretch of land, almost an empire in itself to the west of Plainview. Great development is expected to follow.

Observers here foresee a move on the part of the Santa Fe to construct a line to the North Texas Metropolitan cities, Fort Worth and Dallas, giving the South Plains the long sought direct Santa Fe connection with those two market centers.

J. W. Stewart and J. T. Irwin, Santa Fe men of Chicago represented the railway company in the discussion held with the Olton people. All that Olton would be required to furnish for the road by the terms of the contract is the right of way for the road thru Lamb county and about five miles in Castro county, said to be equal to about \$50,000, more than half of which sum, or \$27,000 already has been subscribed by the citizens.

The Hale Center meeting was held Monday night following the Olton meeting in the afternoon of the same day. It is presumed that the Hale county town would be called upon to furnish right of way through this county.

Parmerton is a Santa Fe station located 23 miles from Clovis, between Bovina and Friona. The distance between Hale Center and Parmerton is about sixty-five miles. Parmerton is west of Hale Center and quite a distance north.

Only one marriage license has been issued since our last report: Raymond Luttrell and Miss Velma Lee Odell, March 10th.

LUBBOCK GIRL HIT BY MOTOR CAR DIES

Lubbock, March 12.—Adele Denton, 7 years old, died here yesterday of injuries suffered Saturday when she was struck by an automobile. Witnesses said the accident was unavoidable.

Lockney Musical Talent Scores at Festival

Again Piano Pupils of Miss Christian Lead All Towns in Winnings at Panhandle Musical Festival

As was the case last year, again this year pupils from the piano class of Miss Lauream Christian of Lockney, walked away from the festival with more ribbons for the winners than did any other class in the entire Panhandle-Plains country.

The winners were as follows: 10-year-old girls ensemble, 1st place went to Frankie Dodson and Virginia Hohlaus, who received a blue ribbon.

10-year-old boys ensemble, went to Milton Adams and Whorton McDuffee, who brought home the blue ribbon.

18-year-old girl ensemble, was won by Misses June Guthrie and Hazel Gruver, who received the blue ribbon.

14-year-old girls ensemble, was won by Misses Evon Griffith and Mary Leda McAdams, who received the blue ribbon.

14-year-old girls ensemble, second place was won by Misses Anice Stewart and Doris Brown, who were awarded a red ribbon.

14-year-old boys ensemble, was won by Roy Thornton and Glenn Stevenson.

15-year-old girls ensemble, third place was won by Misses Gene Dyer and Mildred Carter, who received a white ribbon.

12-year-old girls solo was won by Frankie Dodson, who was awarded a blue ribbon.

10-year-old girls solo, was won by Evelyn Brashear of Plainview, one of Miss Christian's pupils.

16-year-old girls solo, third place was won by June Guthrie, who received a white ribbon.

14-year-old boys solo, second place was won by Roy Thornton, who received a red ribbon.

On account of the fact that this class won fifteen places in the contest at Amarillo last year, and the rule is that where a child wins, he cannot compete in the same class the following year, several of the pupils were forced to compete with classes composed of children several years their senior. Miss June Guthrie was forced to play with girls two years her senior, and won third place in the higher class. Little Miss Frankie Dodson, 10 years old, entered the 12 year old group, and won first place over all West Texas. Milton Adams entered in the 12 year old solo class, but failed to win, as he was playing three years over his age.

Joe Clark Severely Injured at Oil Mill

Head Linterman Gets Arm Caught In Magnetic Belt and Badly Lacerated Tuesday

Mr. Joe Clark, head linterman at the Lockney Cotton Oil Mill Plant, was injured Tuesday morning about 11:45 o'clock when his left arm became entangled in a belt at the oil mill, stripping all the muscles and tendons of the member from his wrist to his elbow.

Mr. Clark was attempting to clean up the magnetic belt while it was in operation, and in some way his arm was drawn into the belt and drawn against the steel pulley on which the belt runs, where all the muscles and tendons of the arm were ground off the bones. He is in a very precarious condition at the Plainview sanitarium at this time, due to the loss of blood caused by the accident. Mr. H. M. Mason, Manager of the oil mill, carried Mr. Clark immediately after the accident to the Plainview Sanitarium, where Drs. Colvern, Henry of Lockney, and Nichols and Guest of Plainview, operated on the arm in an attempt to save amputation, and it is believed that if infection can be forestalled and his system is strong enough to stand the severe shock caused by the loss of blood that he may be able to recover, and his arm be saved. However, he is in a very weak condition at last reports and may not be able to survive the ordeal.

Mr. Clark, who lives near the oil mill, has a wife and two children. The family came here from Abilene at the beginning of the operation of the oil mill plant, and accepted the position as head linterman in the mill. They formerly lived in Slaton, where he occupied a like position with the oil mill company. This is the first accident of a serious nature that has happened since the opening of the oil mill in Lockney.

Mr. and Mrs. Cowart of Dimmitt spent Sunday in Lockney visiting M. F. Barber and family.

District Court is Now Marking Time

Grand Jury Will Resume Work Again Monday Morning—Jury List for Fifth Week

District court recessed Monday, and Judge Clements returned to his home in Plainview and spent Monday and Tuesday, returning to Floydada Wednesday morning. There is nothing of interest to mention in district court this week.

The grand jury will resume its duties next Monday morning, and probably finish up the business for this term.

The following is the jury list for the fifth week of court, to appear Monday, March 26th: S. N. Tarwater, E. G. Foster, W. C. Morris, W. M. Stovall, P. E. McCarty, J. C. Wester, J. R. Reidhimer, A. A. Jones, W. G. Ferguson, Jason Miller, J. S. Lackey, K. I. Teeple, C. M. Wilson, J. E. Appling, C. C. Andrews, T. J. Bloxom, H. A. Harris, R. I. Thomas, M. H. Taylor, L. E. Reasonover, Lee Montague, W. W. Allen, C. Alexander, H. T. Bradshaw, D. C. Day, R. B. Gary, C. U. Day, E. C. Austin, E. R. Harris, J. G. Bath, J. E. Horton, H. C. Love, F. S. Byars, L. L. Jones, C. R. Vigle, O. S. Miller.

BURNS PROVE FATAL TO GIRL AT FLOYDADA

Mary Beth, 4 year old daughter of Mr. and Mrs. Jim Lawless of Floydada died Monday morning from burns received last Thursday when her clothing caught fire from a gas stove as she and an older sister were playing in the home. Mrs. Lawless was in the rear of the house and the little girl ran screaming into the front yard. Before the mother could extinguish the fire most of the child's clothing had burned and she had swallowed part of the flames. The child did not regain consciousness.

Mary Beth was born on March 28, 1923, being four years, 11 months and 14 days of age at the time of her death. Funeral services were conducted at the family home at 2 o'clock Tuesday afternoon. Rev. F. L. Davis, officiating. Interment followed in the Floydada cemetery.

Denver Tracks Are Almost in Lockney

Steel Gang Reaches Point One Mile East of Lockney and Stops Work Today

The Denver rails are now about one mile from Lockney, and the Steel gang have moved the track laying machine back to the junction where they will begin tomorrow morning laying steel on the line from the junction to Plainview.

The track is practically laid on the line from the junction to the city limits of Lockney, and the cause for the removing of the track laying machine from this line without laying steel on into the city has not been ascertained at this time.

McKoy Place Auction Sale Was Success

All East Front Lots in the Addition Have Been Sold and Many Homes Will Be Built

The auction sale of residence lots in McKoy Addition, the new residential addition being opened in the west part of Lockney by Messrs. Stokes and Shields, was a success and many lots were sold at good prices to people who contemplate building modern homes in this city at an early date. All the east fronts have been sold and a number of the west front lots have also been sold. Most of the lots sold were bought by residents of Lockney who contemplate the erection of nice brick homes in the addition.

At this time Mr. A. R. Meriwether is placing the material on the ground for the erection of a brick home, and construction will be under way by the first of the week. Many more new homes will be started in the addition just as soon as the plans can be drawn and contracts made with the mechanics.

McKoy Place is the only addition in the west part of town that is available to those who desire to build nice homes, and the restriction on this addition is that no home of a value less than \$3,000 when completed can be erected in the addition. This is the only body of land of any size that the railroads don't cut off from the present town.

MAKING FUN OF LOCKNEY

Sometimes people can make sport of a fellow in a way that he sees the mirth attached, and don't get sore about it. Sometimes the truth stings and makes the person sore but he can't afford to say very much about it. At this time the population of this part of the county is poking fun at Lockney over the action of at least a few citizens of Lockney in regard to

the location of the Denver depot, and there is plenty of room for a standpoint of both fun and obligation to censure the town, or at least a part of the town for their action in the matter.

The editor of the Beacon has received several letters, and had expressions in person from many people living in and around Lockney concerning Lockney backing up on the voice of the people, who said by a majority of thirteen to one, that the Denver depot should be placed in the center of the Main Street of the town a few blocks north of the business district. One of the letters received says: "Excuse us for laughing in our sleeves at Lockney, but the way that depot site moves around is certainly mirth provoking. Possibly the Denver might build a depot on wheels and by keeping it on the move please all the citizens, so long as Lockney's word is not worth the ballot it was written on, how can she expect to be anything but a 'Punkinville town.'" Another letter says: "You are evidently, eminently, everlastingly right about that new depot proposition. 'Pour it on 'em'—this is just a whisper from out in the country, where the larks are singing this morning."

GOOD BUSINESS CONNECTIONS

Good business means having the proper banking connections, and that you have such connections with a safe, sound banking institution, such as ours. We appreciate the business extended to us, and at all times welcome new accounts. Confer with us on any business problems you might have that pertains to banking assistance or advice. We are glad to serve at all times, and give you the best advice possible in all business matters. If you are not a patron of this bank, we invite you to become one.

The Security State Bank

Another states that "Probably Lockney thinks that a moral obligation and the desires of the majority of the people is not worth any consideration, but Lockney will wake to find that if she is unwilling to fulfill her contracts and adhere to the voice of her people, that she cannot ever hope to advance very far in the way of the city she hopes to be some day. People have no confidence in a town, that is not willing to fill her obligations without being forced to do so, and the citizenship of Lockney has spoke through the ballot box on the depot question, therefore, the proposition should have been sealed forever. It is Lockney that is being hurt by failing to fulfill her moral obligations, and that is one reason why the town is not progressing as rapidly as it should." Still another puts it this way: "A town is just as good as the people who compose it, if the people believe in doing the right thing they always benefit from same, if they make promises and fail to fulfill them they lose the confidence and self-respect of all those who believe in doing right. A moral obligation is more binding than a signed instrument, you are forced to pay a signed instrument, but you are placed upon your honor in a moral obligation, and you show the metal you are made out of in the way you fulfill your agreement. The depot question was settled at the ballot box, and the decision was final as the people had spoke, and now for a few members of the Chamber of Commerce to re-open the question, and override the voice of the people is putting Lockney in a bad light before the people who believe that the town should live up to her pledge, and while the proposition may look bad at this time, we believe that Lockney will fill their obligation to the Denver Railroad and see to it that the depot is built in the center of the Main Street as promised."

We submit the four above letters to the people of Lockney for their due consideration, as we believe that they spoke the truth plainer than would any editorial that we could write, as the writer might be prejudiced one way or other, and not adhere as he should to the principle involved. The moving of the depot would enhance the value of our individual property, and would cause the street on which our property lies to become one of the leading business streets of the town, but we hope we will never take our personal gain into consideration, when a question of living up to our moral obligations is involved, therefore, we are now and will be in the windup, in favor of carrying out the promises to the Denver Railroad to the letter, regardless of the cost to us personally.

THIS IS A PRODUCT OF GENERAL MOTORS

IN the Frigidarie cabinet everything is fully enclosed. There is no unsightly machinery sticking out like a sore thumb. Take a good long look at the Frigidarie Cabinet then close your eyes and your mental picture will be one of grace and harmony. There are no unforgetful irregularities to mar the picture.

For a number of years a certain automobile manufacturer producing a good car tried to make the public appreciate a new design of the hood. But unfortunately the design was such that seeing it once you could never forget how it looked. This always a mark of ugliness. You would not want anything like that in your home.

You will look at your Frigidarie many times every day for many years. You have a right to demand the beauty of a Frigidarie cabinet.

ELECTION ORDER

"An ordinance ordering an election to be held in the City of Lockney on the 9th day of April, A. D., 1928, to determine whether or not such streets and alleys, as hereinafter more fully set out, should be closed for the exclusive and perpetual use by the Fort Worth and Denver South Plains Railway Company for its railway tracks and depot and station grounds, and declaring an emergency."

Be it ordained by The City Council of the City of Lockney:

SECTION 1. That an election be held throughout the City of Lockney on the 9th day of April A. D., 1928, to determine whether or not the following streets and alleys shall be closed for the exclusive and perpetual use by the Fort Worth and Denver South Plains Railway Company for its railway tracks, depot and station grounds.

Hartman Street in Brewer's Second Addition from the west line of East 4th Street to the east line of East 2nd Street;

West 1st Street from a point 150 feet north of the north line of Guest Street, to a point 110 feet south of the south line of Florida Street in the J. T. Livesay addition;

West 2nd Street from the north line of Guest Street to the north line of White Street in the J. T. Livesay addition;

Florida Street in the J. T. Livesay addition from the west line of Main Street west 57 feet;

White Street in the J. T. Livesay addition from the west line of Main Street to a point 33 feet west of the east line of West 2nd Street;

West 4th Street from the south line of Guest Street to a point 50 feet south of the south line of Houston Street in the Guest and Ramsey addition;

West 5th Street from a point 75 feet north of the north line of Washington Street to a point 91 feet north of the north line of Houston Street, in the J. T. Livesay addition;

Houston Street in the Guest and Ramsey addition from the west line of West 4th Street to the west city limits;

The north and south alley through Block 6, J. T. Livesay addition from the south line of said block 6, north 250 feet.

The north and south alley through Block 1, J. T. Livesay addition from the north line of said Block 1, south 65 feet;

The east and west alley in Block 6, J. T. Livesay addition;

The east and west alley in Block 2, J. T. Livesay addition;

The north and south alley in Block 2, J. T. Livesay addition, from the north line of said Block 2, south 240 feet.

The north and south alley through block 5 J. T. Livesay addition, from the south line of said block 5, north 72 feet;

The north and south alley through Block 3, J. T. Livesay addition, from the south line of said Block 3, north 240 feet;

The east and west alley in Block 3, J. T. Livesay addition;

The north and south alley between Block 6, Muncy addition and the Geo. T. Meriwether 5 acre tract from the south line of Guest Street, south 110 feet;

The north and south alley through Block 15, Guest and Ramsey addition, from the south line of said Block 15, north 150 feet;

The north and south alley through Block 14, Guest and Ramsey addition, from the north line of said Block 14, south 140 feet.

The east and west alley through Block 14, Guest and Ramsey addition.

SECTION 2. That at said election those voting for the closing of said streets and alleys shall have written or printed upon their ballot "For the closing of the streets and alleys" and those opposing the closing of said streets and alleys shall have written or printed upon their ballots "Against the closing of the streets and alleys."

SECTION 3. The said election shall be held at the City jail building in the City of Lockney and all legally qualified voters in the city of Lockney shall be permitted to vote at said election and S. J. Baldwin presiding judge, D. C. Lowe judge, Mrs. Carl McAdams clerk, are appointed as managers of said election to hold said election.

SECTION 4. That said election shall be held as nearly as possible in accordance with the provisions of law governing elections generally within the City of Lockney, and the returns of said election shall be made to the City Council of the City of Lockney as provided by law for elections in such city.

SECTION 5. Copy of this Ordinance signed by the Mayor and published in a newspaper within said city once each week for four consecutive weeks and three other copies of the Ordinance signed by the Mayor, posted in three different public places within the City of Lockney for at least 30 days prior to the time of holding said election shall be sufficient notice of said election.

SECTION 6. The fact that the building of said railroad and establishing by it of depot and station grounds is being delayed pending the closing of said street, and the citizens of the City of Lockney are being deprived of the service of said railroad, creates an emergency and public necessity requiring that all rules be suspended and that this Ordinance take effect and be in force from and after its passage and IT IS SO ORDAINED.

Passed and approved this the 7th day of March, A. D. 1928.

"AMERICAN BEAUTY" DINNERWARE

A BEAUTIFUL AND EXCLUSIVE DECORATION

"American Beauty" Dinnerware carries a decoration of exclusive design, representing remarkably superior value.

We have arranged with one of the largest makers of high grade china, to furnish us dinnerware to be given to every housewife in this city and surrounding country.

Every progressive merchant advertises in some way. We believe in giving the housewife the benefit instead of advertising on bill boards, and etc.

We want you to have a dinner set, and we want you to tell your neighbor about it. If you need dishes for your church or lodge dinners, don't borrow—own your own.

Trade here, save your coupons, and it won't be long until you can have a dinner set, of the finest quality, newest design, "absolutely free." You have to trade somewhere.

We want every housewife to have one of these fine dinner sets. Come on—we bought one of these dinner sets for you. If you do not get it, it is your own fault. Ask the clerk who waits on you to show you how you may obtain it.

AN APPEAL
 As the general public know, the County School Fair is to be held in Lockney March 30 and 31. On that date Supt. Biggers has asked the P. T. A. to serve lunch, and we are asking if every patron won't help us out with this. Don't you think your child would do better work if he or she knows their parents are behind them. In the past the P. T. A. has surely done a wonderful work, and there is still plenty of work for them. Who wants to live in a town where there is no school? Show me a school with good patrons and I will show you a good school. Now this lunch cannot be put over by two or three, do not be a slacker, and let some one else be continually doing for your child what is your privilege and duty to do your self.
 Please do not wait to be called on but phone our president, Mrs. A. B. Cox and tell her you are anxious and willing to do your part, for remember a united effort can accomplish everything.—Signed, A. Citizen.

"AN EARLY BIRD" TO BE PRESENTED AT ROSELAND MAR. 16
 Next Friday evening at 7:45 o'clock the pupils of Roseland school will present, "An Early Bird," a three-act comedy by Walter Ben Hare, author of more than one hundred popular plays. This play has fourteen characters, and the time of playing is about two hours and fifteen minutes.

"An Early Bird" is a modern American comedy built along business lines. Comedy features are introduced throughout the play by Mr. Barnaby Bird, the early bird, played by Robert Smith.
 There will be comedy songs and readings between acts. Admission is 15c and 25c. Be present at Roseland school auditorium, Friday evening, March 16th, where special efforts will be put forth to give you an entertainment well worth your time and money.

AIKEN

March 12.—The program that the Stamps Quartette rendered Saturday night was very much enjoyed by all present. Quite a number of the school children are absent this week on account of bad colds. Mrs. Bruton is still on the sick list.

She is now suffering with rheumatism Miss Maudie Meredith is staying with homefolks this week, and going to her school. Mr. Hutchinson has a brother visiting him from Hopkins county. Mrs. Ramsey has been sick for several days. She is some better at this writing. Mr. Charlie Elam and family, Bro. Ashby and family, took Sunday dinner in the Hartley home. Mr. Bryan Wells and wife spent Sunday with relatives at Post City.

Misses Nellie and Ethel Dorman visited in Plainview Saturday. School is progressing very nicely. We had the tryouts Friday night to see who would represent our school at the Fair. The following won first places: Junior girls, Ruth Tate; Senior girls, Martha Nelle Weathers; Junior boys, Frank McReynolds; Senior boys, Eldon Jones. We have some excellent speakers. We are expecting them to win several cups at the fair. Mrs. Brown is on the sick list this week.

LONE STAR

March 12.—Rev. Webb filled his regular appointment on Sunday. The Lone Star school play, "The Laughing Cure," was given at the Roseland school last Friday evening. They had a very nice sized audience. Roseland will bring her play, "The Early Bird," to Lone Star, on Saturday night, March 17th. Mr. and Mrs. Lavender Street and daughter of Oklahoma, are visiting Mr. Street's parents, Mr. and Mrs. W. H. Street. Mr. B. PRAIRIEVIEW

March 12.—Last Monday morning, March 6th, at 4 o'clock, the angel of death called at the Williams home for W. G. Williams. He was sick just a short time previous to his death. Mr. Williams had lived in this community for some time, and to know him was to love him, and it is true that he will never be with us again to multiply our happiness, divide our sorrows, and to share our joys, yet we will miss him and recall him as one of our most faithful friends. He was 71 years of age, and was loved, honored and respected by all. Funeral services were conducted at his home March 6th, by Rev. Brittain. We bow our hearts in grief with his wife and ten children, for we realize we have lost a true and noble friend. Rev. L. E. Hurt and daughter, Mrs. H. O. Davis, left last week for Winters, Texas, where they will visit friends and relatives. Miss Lucile Marr spent Sunday at Olton, visiting Mr. and Mrs. Vernon Shaw. D. 1928, file his application in the office of the Board of Water Engineers for the State of Texas, in which he applies for a permit to appropriate of the unappropriated waters of the State of Texas, from the Quitaque creek, a tributary of the Red river, in Floyd county, for industrial purposes, not to exceed five hundred (500) acre-feet per annum, to be diverted by means of a pumping plant, said pumping plant to be located at a point which bears South 7.5 miles and east 1.7 miles from the Northwest corner of Section 8, block 3, in Briscoe County, Texas, and marked "Mexican Monument," and is distant in a southerly direction from Quitaque, Texas, about nine miles.

You are hereby further notified that the said A. B. Brown proposes to install a pumping plant, said pumping plant to consist of a Cameron 5x4 Centrifugal pump, operated by a 40 H. P. motor, having a height of lift of six feet, and to divert therewith not to exceed five hundred (500) acre-feet of water per annum for industrial purposes.

A hearing on the application of the said A. B. BROWN will be held by the Board of Water Engineers for the State of Texas, in the office of the Board at Austin, Texas, on Monday, April 30th, A. D. 1928, beginning at ten o'clock A. M. at which time and place all parties interested may appear and be heard. Such hearing will be continued from time to time, and from place to place, if necessary, until such determination has been made relative to said application as the said Board of Water Engineers may deem right, equitable and proper.

Given under and by virtue of an order of the Board of Water Engineers for the State of Texas, at the office of the said Board, at Austin, Texas, this the 9th day of March, A. D. 1928.

JNO. A. NORRIS
C. S. CLARK

Rain Is Good for Wheat
A light rain accompanied by some hail fell in Lockney throughout the night last night, possibly something like a quarter-inch of precipitation being registered. The wheat in this section is in the very finest of condition. A hail insurance man, who has traveled over the entire wheat section of the country told the writer Wednesday, that Texas had the best prospect for wheat in the whole country,

and that Floyd county leads all Texas in the prospect for a big crop, as the wheat here was in far better condition than the wheat on the North Plains.

There is sufficient moisture in the ground to make some wheat at this time without any more rain, but the showers of last night did much toward making guarantee on the yield per acre better. The rain will be fine for the preparing and planting of row crops and gardens.

FLOYDADA PREPARES FOR ANNUAL CLEAN-UP

March 13-14 was designated as clean-up day for Floydada by Mayor W. D. Smith. On account of the semi-annual clean-up days observed by the citizens of Floydada, it has gained the reputation of being among the cleanest cities on the South Plains. Different organizations generally take part in the clean-up days designated by the mayor and a tree-planting and beautification program is sponsored by the different clubs.
