

STANDING BESIDE the scale model of the Apollo Spacecraft Command Module at the Manned Spacecraft Center in Houston, Texas, are Mr. and Mrs. Dennis G. Zahn of Red Barn Chemicals, Inc., Dimmitt, Texas.

**Visit Manned Spacecraft Center**

Mr. and Mrs. Dennis G. Zahn have just returned from the Annual Managers Convention of Red Barn Chemicals, Inc. held at the Hotel America, Houston, Texas as the week of January 9-13 1966. The company which operates in six states, serves the farming and ranching industry throughout the southwest.

The meeting was attended by twenty-seven officers and managers, together with their wives. Two directors of the Chemical Enterprises, Inc., the parent company were also present from Westport Connecticut, and Monroe Louisiana.

In addition to the tour of the Manned Spacecraft Center the wives also were taken on a tour of the famous AstroDome. Luncheon was served in the Countdown Room.

During the four day business sessions, the company program for the coming year was outlined, with particular emphasis on new Red Barn proprietary products which will be marketed for the first time this spring.

The company's expansion program includes the opening of eight new retail locations in Louisiana, Arkansas, Texas and Arizona. A banquet was given honoring the various suppliers of services and products handled by Red Barn Chemicals, Inc. Over one hundred persons attended the banquet and enjoyed the dancing that concluded the evening's entertainment.

**New Spring "Undercover" Fashions**

Bright new ideas and colors mark the new undercover fashions for the young and others young at heart, says Mrs. Lynn Parks Stiles, Extension consumer education specialist at Texas A&M University.

Three new shapes have been designed especially for current fashions. All three are found in the liveliest prints and colors possible. For the shortened skirts this spring, there is a new super short slip, measuring 18 inches long. It is layered in very sheer tulle and printed with bright spring flowers.

Hip-hugging skirts need hip-hugging slips, and a second new style in slips does just that. One model of the new low-slung slip is attached to its own pair of bikini underpants. This new slip is fashioned out of gay stripes and lace. Combined with its matching bra, it is a truly bright addition to any wardrobe.

A new version of the bra slip is called the combination slip. This one, chemise-length and empire-shaped, is embroidered white cotton.

**RUTH CIRCLE MEETS**

The Ruth Circle met at the Methodist Church Monday, January 24, to present their second study "Realms of Our Calling." The meeting was opened by Mrs. George Webb. Those bringing the program were: Mrs. J. C. Williams, Mrs. Raymond Wilson, Mrs. S. R. Hutto and Mrs. Earl Lust. Other members present were: Bill Webb, L. A. Womack, E. B. Wright, Clarence Bearden Vern Lust.

The next meeting will be held February 7th.

**LEGAL NOTICE**

**NOTICE OF COUNTY'S INTENTION TO RECEIVE BIDS FOR THE PURCHASE OF CERTAIN ROAD MACHINERY**

NOTICE is hereby given that bids will be received in the office of the County Judge until 10:00 A.M. on the 14th. day of February, 1966 for the purchase of the following road machinery for the maintenance and improvement of the roads in and for said County, to-wit:

Mrs. Ezell Sadler, Mrs. James Powell, and Mrs. Larry Sadler attended a bridal shower for Gay King in Hereford Saturday.

Mr. and Mrs. Otis Hastings and family of Dimmitt visited Saturday night with Mr. and Mrs. Weldon Bradley and family and Mr. and Mrs. Ezell Sadler who were also visiting the Bradleys.

Rev. and Mrs. M. D. Durham returned home from Dallas Saturday night after being delayed a day by icy roads.

Rev. and Mrs. Tom Reynolds and children, Marvalynne Durham, and Sandra Pennington all of Wayland were dinner guests of Rev. and Mrs. M. D. Durham.

MISS GAY KING

### Miss Gay King Bride Elect Of Ernest David Sadler

Mr. and Mrs. Jacob A. King, Jr., of 335 Ave. I, Hereford, announce the engagement of their daughter, Gay to Ernest David Sadler of Route 1 Dimmitt.

The wedding will be February 12, at 4:00 p.m. in the First Methodist Church in Hereford, with the Rev. Herschel Thurston officiating.

The prospective bride is presently employed at Hays Implement Co. in Hereford and is a 1964 graduate of Hereford High School.

The prospective groom, son of Mr. and Mrs. Ezell Sadler of Route 1, Dimmitt is employed by the Texas Highway Department in Dimmitt. He attended Dimmitt Schools.

### Presbyterians Honor Interim Pastor At Dinner

Members of the Presbyterian Church in Dimmitt had a family church dinner at the Manse Sunday at 12:00 noon in honor of the interim-pastor, The Rev. McConnell of Amarillo.

Also honored at the dinner were the newly ordained elders of the church, Mrs. Steve Taylor, Mrs. Howard Cook, Dr. Harold Bischoff, and Mr. Bob Myers.

Sixty-five persons attended the dinner and fellowship.

The girls visited in the Sunday night services.

Mr. and Mrs. Richard Jenkins and boys of Odessa, Mr. and Mrs. Raymond Jenkins and Dianne of Dumas and Mr. and Mrs. Sonny Adams of Olton were Sunday guests of Mr. and Mrs. Rex Jenkins. Mike and Mark Jenkins went home with their parents after a week's visit.

Mr. and Mrs. Roy Phelan and Mr. and Mrs. Lloyd Morris of Tulia returned home Sunday evening from a vacation at Falcon Lake. They also visited Brownsville and Matamoros in Old Mexico, Rockport, Dallas, and Weatherford. The men visited with Mr. M. H. Fowlkes in Rockport and they all visited relatives in Weatherford.

Mr. and Mrs. Milburn Haydon left Thursday for a few days visit with his parents in Weatherford.

Judy Skinner of Plainview and Darlene Follis of Lubbock were guests of Lonnie Follis Sunday. They all were dinner guests of Mr. and Mrs. Weldon Bradley and family.

53 attended Sunday School with 40 in Training Union Sunday. The day was observed as Men's Day with the Brotherhood participating. Robert Bridge had charge of the services with Bill Clayton of Springlake, State Representative bringing the morning message.

There was a man's choir with Harold Dean Carson of Olton playing for them for both services. The local men had charge of the evening services with the RA's taking part. It was also observed as Soul Commitment Day.

Rev. and Mrs. Burr Morris and daughter have moved to McCamey, where he will be pastor of the local church there.

R. V. Nelson spoke as a layman Sunday at the local church here.

#### MOVING TO MCCAMEY

Rev. and Mrs. Burr Morris and daughter have moved to McCamey, where he will be pastor of the local church there.

#### SINCLAIRS RETIRE

Mr. and Mrs. B. E. Sinclair have moved to Dimmitt from their farm home in the Bethel Community. The Sinclairs, now residing at 709 Maple Street, had lived and farmed in the Bethel Community for the past 35 years.

## Areas Of Five Texas Counties In Cattle Scabies Quarintene

According to Charles Hottel, County Agricultural Agent, notice has been given that the Administrator of the Agricultural Research Service, Animal Health Division of the U. S. Department of Agriculture on January 14, 1966 issued a Federal quarantine restricting the movement of all cattle from certain portions of 5 Texas Counties (Castro, Lamb, Hale, Swisher and Floyd). This applies to cattle being offered for shipment to points out of the state of Texas only. Such quarantine will appear in the next issue of the Federal Register. The two Federal Cattle Scabies quarantine areas are described as follows:

"That portion of Castro, Swisher, Hale and Lamb Counties surrounding Hart in Castro County, Texas lying within the area bounded by a line beginning at a point in Dimmitt where State Highway 86 intersects U. S. Highway 385; thence running in a southerly direction along Highway 385 for a distance of approximately 22 miles to U. S. Highway 70 for a distance of approximately 25 miles to Farm Road 1424; thence running in a northerly direction along Road 1424 for a distance of approximately 24 miles to State Highway 86; thence running in a westerly direction along State Highway 86 for a distance of approximately 22 miles to point of beginning in the town of Dimmitt."

"The following portions of Hale and Floyd Counties lying within

the area bounded by a line beginning at a point in the City of Plainview where Farm to Market Road 400 intersects with the Fort Worth and Denver Railroad thence running north 5 miles on Farm to Market Road 400 to the intersection of same with Farm to Market Road 788 for 9 miles into Floyd County to the intersection of same with the Fort Worth and Denver Railroad in Floyd County; thence turning Southwest at such intersection proceeding approximately 11 miles following the course of the Fort Worth and Denver Railroad to the point of origin."

Producers and shippers offering cattle for movement to other states from the quarantined areas are required to secure the services of a Federal Livestock Inspector prior to moving such cattle. Relocation of cattle to avoid such inspection is prohibited. Producers anticipating sale of cattle into a market which offers cattle for movement to other states should request Federal Inspection prior to movement from any premise lying within the quarantined areas. All requests for federal inspection should be routed through Inspector V. H. Holland, Congress Inn, Plainview.

Anyone wishing their cattle to be inspected before movement out of the quarantine area, which is Precinct 1 in Castro County, please notify County Agent Charles Hottel. Arrangements are to be made through the county agent's office.

### Texas Deaths Show Decline During 1965

The Texas Department of Public Safety estimates that fewer people were killed in Texas traffic accidents during 1965 than in 1964. It is estimated that the final count will be about three per cent less than the 1964 all time high of 3,006 traffic deaths.

The Texas Highway Patrol investigated 16 accidents on rural highways in Castro County during the month of December, according to Sergeant W. E. Wells, Highway Patrol Supervisor of this area.

The rural traffic accident summary for Castro County for the calendar year of 1965 shows a total of 117 crashes resulting in seven persons killed, 90 injured, and an estimated property damage of \$78,512.00.

The patrol supervisor reminded all motorists to think about reducing the deaths even more in 1966 than in 1965. This reduction can be brought about by strict observance of traffic laws and defensive driving practices. Remember, every time you drive you have a motive, that is, drive to live.

### Dear Blabby:

ENVY IS A SIN

By Oma Siler

Dear Blabby: Our minister's wife has more nice things in her house than the banker's wife. I always thought preachers were under paid. Do you think it's right for her to "show off" like that?—CURIOUS.

DEAR CURIOUS: Don't be jealous. You should learn from your minister's wife instead of criticizing her. It's wonderful how she manages his small stipend . . . and the way she manages to furnish the parsonage so well is she shopped at ALLENS HOME FURNISHINGS for the quality furniture and appliances she has. You too could have nice living room furniture and a fine range and refrigerator is you'd shop at ALLENS HOME FURNISHINGS . . . drop by and see.—BLABBY.

## An investment in Your Future

# ATTEND CHURCH

## STOP-CAUTION-GO

The signal light is man's guide to safer travel. However, they protect only as they are obeyed.

The Bible is God's Signal Light and guide for man's path through life.

"Thy word is a lamp unto my feet, and a light unto my path."

Through study of God's word, we learn His will for our life, and He will lead in paths of righteousness. ATTEND CHURCH THIS SUNDAY, SEEK GOD'S WAY.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

AREA I YOUNG HOMEMAKERS gleaned honors at state convention in Austin, January 14-15. Debbie Cade, left, Cooper Rural High School, Lubbock, was named State Little Sister, Mrs. Gayle Fortenberry, Lockney, as installed as state officer for

the second year. Accepting award for their local chapters were Mrs. Jacquenet Boyd, Hale Center, first place winner in publicity for individual chapters, and Mrs. Donna Tipton, Clarendon, first place winner of outstanding chapter awards. See story.

### Award Winning Young Homemakers Announced

Area I Young Homemakers took top awards at the fourth annual State Young Homemakers of Texas convention in Austin January 13-15. Placing as the Outstanding Chapter of the year was the Clarendon Young Homemaker Chapter. Hale Center took first place honors in the Publicity Award. Debbie Cade, Cooper Rural High

School, Lubbock, was named State Little Sister of the year. The award goes to an outstanding member of the Future Homemakers of America, little sister organization of the Young Homemakers. Mrs. Gayle Fortenberry of Lockney, was installed as a state officer and will continue her work in the state organization for a

second term. A highlight of the convention was the announcement of a new scholarship for Future Homemakers. The Ann Lane Homemaker Scholarship will be offered by the rural electric systems of Texas in honor of Mrs. Ann Lane, a pioneer in the Young Homemakers of Texas and outstanding civic leader from Gustine in Comman-

### Sen. John Tower's Washington Report

The President's State of the Union address marked the first important session of the Congress this year. In his talk the President made a number of proposals of special interest to Texans.

I was most pleased with the President's reaffirmation of our intention to guarantee the independence of South Vietnam; I was, however, most disappointed that he called for elimination of our Texas Right-to-Work law and that he failed to call specifically for a Vietnam G. I. Bill to aid our fighting men.

During the coming year, I will continue to support a firm stand against Communist aggression in Asia. I will continue to advocate a Vietnam G. I. Bill. And, I will continue to fight for preservation of the Right to Work.

The President also suggested that we trade more with the communist nations of Eastern Europe. I do not think we should increase trade nor grant trade benefits to communist nations which are supporting the North Vietnamese and the Viet Cong in their attack upon South Vietnam's independence and thus are assisting in the killing of American boys.

The President also asked for an increase in excise taxes which were just cut, effective the first of this month. I do not think this is necessary. I envision the shortest tax reduction in all history if the newly-effective cut now is to be wiped out. Reimposing the telephone and automobile excise taxes would bring in very limited revenue and would strike hardest at those Americans who use these necessities every day. If additional funds really are needed, there are better places to get them. Indeed, cut-backs in presently wasted federal expenditures could easily match the revenue this proposed tax increase would bring in.

The President also mentioned the possibility of making some changes in the trial-by-jury system. I hope Congress will proceed with utmost caution in this area. The trial by jury is a basic American freedom that has stood the test of time. We must be very careful not to damage that right.

che County.

The announcement came during an awards luncheon which featured Governor John Connally as guest speaker. Connally spoke to the joint meeting of Young Homemakers and Young Farmers of Texas.

The \$150 scholarship will be awarded to a young woman planning to major in home economics in college as preparation for home and family living, rather than seeking a professional career in the field.

Commenting on the announcement, R. L. Elliott, president of Texas Electric Cooperatives, stressed the importance of providing this education. Elliott said, "We believe there is merit in emphasizing the value of specific educational preparation for the demanding and vital role of mother and homemaker."

Receiving recognition during the meeting were state officers from the 10 areas of Texas. Serving the state organization for the year will be Mrs. Joy Lynn Lester, area VII; Mrs. Gayle Fortenberry, I; Mrs. Sally Pruitt, V; Mrs. Virginia Alders IX; Mrs. Mildred Janak III; Mrs. Jonita Brown, II; Mrs. Wanda Cleveland, IV; Mrs. Julia Johnson, VI; Mrs. Jean Terry, VIII; and Miss Mary Delia Canales X.

Award winners in the statewide competition were announced. The Clarendon Young Homemakers were named Outstanding Chapter followed by the Willsboro in second place. The publicity awards to individual chapters went to Hale Center, first place, with Fredericksburg coming second. On a county chapter level, publicity awards went to Parker County in first place and Taylor County in second place.

Three outstanding Texans were named honorary members during the convention. Taking honors were E. L. Iner executive - secretary of Young Farmers of Texas; Mrs. George Jones, executive - secretary of both Young Homemakers and Texas Association of FHA; and J. W. Edgar, state Commissioner of Education.

TOP PERFORMANCE in publicizing Young Farmer activities earns awards for 10 Texas Young Farmer Chapters during state Young Farmers of Texas Convention in Austin January 14. Receiving the awards are, left to right, front row, Monty Boozer, Dimmitt; Gene Newsom, Terry County; Donald Ray Ahrens, Brenham; Vic Isham, Comanche; Melvin Woody, Parker County; back

row, Stan Reed, Wills Point; Jim Brandenberger, Fredericksburg; E. L. Cockerham, Itasca; Sherman Clark, Madisonville; Jim Nagel, Cuero. Parker County Young Farmers were further honored as top among the ten. Some 800 registered for the convention. The state organization now has 225 affiliated chapters, 4,000 members. See story.

### Pittsburg Man Named President Of Young Farmers Of Texas

Billy Paul Russell of Pittsburg, in the final session of the state convention of Young Farmers in State Association of Young Farmers of Texas. The election came

president of the organization for the past year. He operates a dairy and a dairy products business in Pittsburg and operates the farm on which he was born. The new president of the 4,000 member agricultural organization is a partner in a three-farm, 200-cow dairy that stresses high milk production, artificial insemination, and testing. In addition he is president and manager of Star

### George Pendleton Buried In Golden Gate Cemetery

George Francis Pendleton, 36, former resident of Dimmitt, was a Golden Gate Bridge casualty in San Francisco, California, January 3, 1966, as a result of a fall or leap from the bridge. It was reported that Pendleton had been in poor health for some time.

Pendleton, at the time of his death was manager of Hamilton Air Force Base Post Exchange.

Survivors include, his wife, Ruth; father, William E. Pendleton of Hawthorne Nevada; brothers William E. Pendleton, Jr. of Fountain Valley, California; Robert Pendleton of Tacoma, Washington; and sister, Mrs. Rose Marie Thomas of Dimmitt.

Pendleton graduated from Dimmitt High School in 1949. He served as president of his senior class.

While living in Dimmitt Pendleton worked for Raymond Wilson. Pendleton was laid to rest in the Golden Gate National Cemetery in San Francisco, California.

Jersey Farm Products Inc., which operates a new milk plant, ten retail delivery trucks and other business facilities in Pittsburg and a dairy center in Tyler.

Russell is active in the Farm Bureau, North Texas Milk Producers Association, and a leader in the Leesburg Baptist Church. He and his wife, DeLoris, have four children.

# Castro County GSPA Annual Meeting Scheduled Monday

The Castro County Grain Sorghum Producers Association has scheduled its annual meeting for Monday, January 31, at 7:30 p.m., according to an announcement this week by officials of the organization.

The meeting will be held in the High School Cafeteria with Melvin Barton, vice president, presiding in the absence of the president, Wes Anthony. Frank Wise, secretary - treasurer will give a report on the success of the GSPA fund raising efforts for the past year. Approximately 400 farmers qualified for membership in the Castro County Grain Sorghum Producers Association, out of a possible 1,100, during the past year according to Wise.

As in past years, officers and directors for the County GSPA will be elected at the annual meeting Monday.

Included on the program will be a discussion of the new 1966

government farm program by Charley Hill, manager of the local ASCS office. Bill Nelson, executive vice - president of the national GSPA organization, will also appear on the program to discuss steps being taken to secure some changes in the feed grain program that would at least provide farmer income on a par with last year's program.

All members of the Castro County Grain Sorghum Producers Association are urged to be present at the annual meeting, and others are invited. Refreshments of coffee and donuts will be served.

## PARENTS OF NEW DAUGHTER

Mr. and Mrs. W. O. Markley, Star Route, Hereford are the parents of a new daughter born Friday, January 21 in Deaf Smith County Hospital. The new arrival weighed 6 pounds, 2 1/2 ounces and has been named Karen Renee. Maternal grandparents are Mr. and Mrs. G. H. LaPlant of Arlington, Washington and paternal grandparents are Mr. and Mrs. H. O. Markley, Dimmitt.

## NEW DAUGHTER

Mr. and Mrs. Benny Scott, 828 Texas Street, Hereford announce the arrival of a new daughter, Krystal Michelle on January 12. She weighed 7 pounds 1/2 ounce. Maternal grandparents are Mr. and Mrs. Harley Davis, Hereford and paternal grandparents are Mr. and Mrs. Joe M. Scott, Dimmitt.

**SELECTED** to represent Castro County 4-H Club in district competition is Ronnie Burks who won first place in a piano solo that he played at a Share-The-Fun-Contest held in Dimmitt this week.

## Pink Lady Party Line

by Helen Braafladt

The date is set — February 12. The hour — 7:00 p.m. The occasion — Plains Memorial Hospital Auxiliary Awards Banquet. The PLACE — South Grade School Cafeteria. The speaker — Sister Angela Claire of Amarillo, and I can tell you from experience that she is an outstanding and most inspirational speaker. She holds several degrees in hospital and medical work which she puts to use in a life devoted to serving the ailing. She knows her subject and conveys that knowledge coherently, sans cliches, and not without a bit of humor to spice it up. Mark February 12 on your calendar and plan ahead for it. Jodi Lippard asks that you get your hours posed in the book at the hospital desk. Its the only way of knowing if you are in line for an award.

Gail Bruegel is the Auxiliary member of the Licensed Vocational Nurses School Advisory Committee.

# Authorized Use Of Designated Diverted Acreage

Interested producers must sign a request for additional cotton under the Release and Reapportionment Program no later than JANUARY 28, 1966.

Alternate non - surplus crops which may be grown on acreage diverted for payment from 1965 production of wheat, feed grains or cotton were named today by the U. S. Department of Agriculture.

Farmers taking part in any of the 3 commodity programs can plant alternate crops: guar, sesame, safflower, sunflower, casto beans, plantago ovata, mustard seed and crambe. As was the case in 1965 the plantings can be made only on program acreage diverted for payment.

Under the 1966 Feed Grain and Wheat Programs, no payment is made for minimum diversion except to farmers having small feed grain bases. In the cotton program, payment is made for all acreage diverted.

Current legislation provides that acreage diverted from wheat, feed grains and cotton may be used for specified annual non-price supported field crops, as well as flaxseed, when it is determined that production of such crops is needed to provide an adequate supply, that it is not likely to increase the cost of price support programs, and that it will not adversely affect farm income.

Flaxseed supplies now are more than adequate, so this crop is not designated as an alternate for the 1966 crop year.

Payment for diverted cropland used to produce any of the specified alternate crops will be based on the percentage designated for the applicable alternate crop (as indicated in the following table) applied to the average diversion payment rate for the farm.

Percentages of the individual farm acreage diversion payment rate which will be made in 1966, compared with those in effect for 1965:

- 1965 — Wheat and feed grain programs only. No acreage diversion program for cotton in 1965.
- Guar, 50 percent, 1966; 50 percent, 1965.
- Sesame 50 percent 1966; 50 percent 1965.
- Sunflower 20 percent, 1966; 30 percent, 1965.
- Mustard Seed, 30 percent 1966; 30 percent 1965; Feed Grain program only — Not authorized by wheat legislation in 1965.
- Crambe 50 percent, 1966; 30 percent, 1965; Feed Grain program only — Not authorized by wheat legislation in 1965.
- Plantago Ovata, 30 percent, 1966; Not authorized by Legislation,

P.F.C. ALBERTO G. ABREGO

Private First Class Alberto C. Abrego of Dimmitt has completed his basic training at Fort Leonard Wood, Missouri. He has also successfully completed a light vehicle driver course.

Abrego is presently stationed in Zwerbrucker, Germany. He will be stationed at the present location until July, 1968.

1965.

Castor Beans 30 percent, 1966; 50 percent, 1965.

Safflower, 0 percent 1966; 0 percent 1965.

Flaxseed, Not designated as a crop which may be produced on diverted acreage.

In order to avoid possibility of over-production while at the same time providing for adequate supplies, sunflower seed percentage of diversion payment is being reduced from 30 to 20 percent.

The percentage payment for castor beans also is being reduced, from 50 to 30 percent. World supply of castor beans is more than adequate since the 1965 crop was the second largest on record. In addition, in the United States, a substantial supply of castor oil

# Postal Service To Be Upgraded

President Johnson directed Postmaster General Lawrence F. O'Brien to take steps to increase window service where needed in some 15,000 post offices, and to resume six-day-a-week parcel post delivery in 6,091 cities.

"A good, stable dependable postal system is vital to the well being of the nation's economy," President Johnson said, in granting the Postmaster General authority to seek service improvement funds from Congress. "I want you to explore all the techniques available to modernize our postal service and make certain they are being used to provide the American people with the best Postal system in the world at the lowest possible cost to the taxpayer." The Postmaster General said that the service improvements will be made as soon as Congress provides the funds — hopefully within the next few months.

Authority to make the postal service improvements was contained in a letter to the Postmaster General, replying to a proposal by Mr. O'Brien that such action be taken.

Under the Postmaster General's proposal, six-day parcel post delivery would be restored in 6,091

is in the government stockpile. Continuation of the 50 percent payment rate for 1965 could bring overproduction resulting in a reduction in income of castor bean producers, USDA officials pointed out. This is particularly the situation since cotton acreage diversion can be used for production of castor beans in 1966.

Crambe is being increased from 30 to 50 percent in view of this crop's potential and the very limited acreage planted recently.

cities where delivery routes served by food carriers are now receiving parcel post delivery only five days a week. One delivery day is skipped each week in these cities, though on routes served by mounted carriers, six-day parcel delivery has been maintained. Post office window service on Saturdays — and, in cases, Sundays would be authorized on an as needed basis in nearly 15,000 post offices. Late window hour service would also be resumed on week nights, where needed.

Postmasters would be authorized to resume selling money orders on Saturdays as part of the these cities where money order sales have been curtailed.

Postmaster General O'Brien said that the service improvements would be a meaningful step in the President's program to upgrade the quality of Federal services.

Post office window hours and parcel post delivery service were cut back by the Post Office Department as an economy measure in May 1964.

Postmaster Davis states that this increase in service will not begin in Dimmitt until it is authorized by the Local Services Division, as the increased service is contingent on Congress appropriating the funds.

## MOVES TO DIMMITT

Charles (Chuck) Braafladt and wife, Patricia have moved to Dimmitt and are occupying the Presbyterian manse for two months when they plan to go to Fort Eustace, Virginia. Charles received his commission Friday evening at West Texas University. His diploma will be sent later.

# NOTICE TO MEMBERS OF SWISHER ELECTRIC COOPERATIVE, Inc.

As of January, 1966 ALL meters will be read each month by your cooperative personnel. This will relieve you of a chore many of you have performed faithfully over a period of a good many years.

It is felt this added service will be to the best interest of all concerned. Since it is estimated that a period of some three weeks will be required for the personnel assigned to completely cover the area, some of you will, on February 1st, receive bills covering less than 30 days consumption and others possibly more than 30 days. Beginning with March 1st you will again receive a bill covering a 30 day period.

Your continued cooperation will be greatly appreciated.

### National Honor Society Elects New Officers

The National Honor Society met Thursday, January 20. New officers were elected for the last semester. They were:

President — Robby Lindsey  
Vice President — Paralyn Rander

Recording Secretary — Donna Summers

Corresponding Secretary — Bob Bradford

Reporter — Irene Thornton

Before having their pictures made, they discussed money-raising projects and jewelry. It was determined that they made approximately \$75 from the vanilla sale. The meeting was then adjourned.

### Snow Brings Mixed Blessings

Winter has arrived at last!!!! Friday morning Dimmitt residents awoke to find the ground covered with several inches of the white flaky stuff. Its long delayed arrival brought joy and thanksgiving to area farmers and ranchers and happiness to the hearts of approximately 1,730 students in the school system; especially when the news, "No school today in Dimmitt," was announced. We feel sure, though, some consternation was felt by a few mothers who had not planned on having their "little darlings" underfoot all day.

The ice sheet which covered the ground Thursday was not so funny to some students and faculty members. Kids enjoyed the ice skating on sidewalks and drive-ways and some even got a thrill out of arriving at high school in their cars, rear end first.

However, some casualties did occur. A few cracked ribs, sprained ankles and arms resulted from slipping on the ice. Sammy King fell from a pickup and was hospitalized. Ronnie Huckabay, Anthony Stanford, and Scott Nelson, were injured in an accident on the ice that also involved Elmer Wear. Everyone except Sammy was able to return to school Monday.

One high school teacher charged out her kitchen door, arms full of purse and graded papers, and slid the length of the porch, down the steps, across a double concrete drive, and finally came to a halt under an ice covered hedge. She eventually extracted herself, mad as "Alice's Hatter," ice in her hair and down the neck of her coat and sweater. She slid all over the yard picking up scattered papers, changed her clothes, and got to school in time to beat the tardy bell. Her comment was, "If that hedge had not stopped me, I guess I'd have coasted all the way to school."

### DHS Welcomes New Homemaking Teacher

The student body and faculty of D.H.S. is very pleased to have a new member, Miss Brook Fern York. Miss York replaced Mrs. Hottel in the homemaking department.

Miss York is one of five children who were raised on a farm near Mt. Pleasant, Texas. After graduation Miss York went to Texas Women's University in Denton where she majored in Home Economics.

The past year and a half Miss York has taught in Adrian, Texas. When asked how she liked Dimmitt, Miss York said, "I like it so far." We hope that Dimmitt will remain pleasing to our new teacher. We are very happy to have her as a part of our school home. We'd like to say, "Welcome to D.H.S., Miss York."

### Campus Chat

The showcase in the Home-Ec window is hinged again. Miss Zafer Cetinkaya decorated it in an international theme, using gifts from foreign students all over the world. In the showcase are house shoes, rugs, dishes, and jewelry from Turkey, a scarf from India an apron from Germany a handkerchief from Austria a sweater from Italy, a calendar from England and a handkerchief from France.

The library showcase holds information on usage of the library, resources, and other information concerning term projects, etc. There are books, pictures, pamphlets, records and films on all subjects.

The showcase in the freshman-sophomore hall contains American History state notebooks and a copy of the Bobcat Tales.

This week was one of excitement for the juniors and seniors. The juniors have paid the deposit on their senior rings. The seniors had deposits on and finished filling out their orders for invitations. Also the seniors were measured for caps and gowns.

The high school auditorium on January 30 at 2:55 will be the scene of a band concert featuring great themes from great Italian movies, "Festival Prelude," and "Latin and Lace." All the bands in the school system will participate in the program.

This is the beginning of a new semester. Students are busy changing classes. First semester civics students are shouting because they are finally finished; last semester students are crying. We would like to encourage all students to study very hard this semester.

We, the Bobcat Tales Staff, extend our deepest sympathy to Gene Carson on the loss of his uncle and to Kathy Graham on the loss of her great grandmother.

We welcome any suggestions for the Bobcat Tales. If you don't turn in news, please don't gripe because the paper is not good. We have only fifteen members, who cannot be everywhere at all times. We have other things to do besides hunting news. We request that class and club reporters, faculty, and students turn in news to Miss Littlepage, Penny Hays or Ann Scarborough.

### School Menu

**JANUARY 31 — February 4:**  
**MONDAY:**

Beef stew with vegetables  
Sliced peaches

Bread, butter and milk

### The Case Of The Bobcat Boobytrap

This is a true story that happened in California about a year ago. Police called it the Case of the Bobcat Boobytrap.

Some unknown person or persons captured a bobcat and thought up the mean scheme of putting it into a suitcase and leaving it on a sidewalk in front of a bus station. As he, or they, watched from a car, the fun began.

Soon a car with 4 men stopped near the sidewalk; one man grabbed the suitcase, and the car sped off. About three blocks away two men quickly jumped from the car and ran. The car screeched to a stop at a curb and the other two men hopped out shrieking. Looking every inch a winner, the bobcat emerged and walked with proud steps into the night.

Police pieced the story together from several sources, but they did not look for any of the men involved in stealing the suitcase, since the crime had a built-in punishment.

### Shelley's Chatter

As I write this I am looking at the snow on the evergreens in Louise Kemp's yard, and a huge icicle hanging from the roof of our house almost to the ground. Such beauty in the wintertime, we should treasure and remember next July.

I talked with Mrs. Jack Bradley and her two daughters this morning. She told me about the 27 people in her Golden Spread Home for the aged, and how John Heiman, a 97 year old fellow from Nazareth plays the organ quite well, and Mrs. Mary Klemm who is past 80 is crocheting a bedspread that is almost finished. So, they have busy and interesting lives in the home. Mrs. Bradley says that all her family is back in Texas, Jack who is in the Navy, and Bob who has been in Fort Worth, all are at Texas Tech.

Peggy Webb, Jo Evans, Bettye Singer, Kate Beecher and Al Jackson attended the Fashion

showings in Dallas last week end. We should be seeing some pretty spring clothes soon.

I saw John and Flo Nichols and boys at the cafe. Jack and his two friends Chip Hendricks and Mark Immon of Oklahoma C.C. and Tom and Karen at Abilene C.C. braved the snow and ice, for a week end visit.

Dricilla Dehtan and her friend Bob Storey of Wayland was home with her family, the Rex Sheffy's. I saw Sue Chaney at the skating rink with her parents, Mr. and Mrs. Earl Chaney. Sue is in school at Texas Tech. They told me about their son, Mike, his wife and baby having moved to Burlington, Colorado where Mike is employed with a fertilizer company.

The Raymond Crums were hosts at a skating party for about twenty 6th graders in honor of their daughter, Debbie's 12th birthday. Mrs. Crum served them all Cokes, cake and sandwiches. We watched the skaters for awhile.

Mr. and Mrs. Farmer Brown of Canyon, formerly of Dimmitt were week end guests of Mr. and Mrs. Buck Word. They are longtime friends.

Mr. and Mrs. R. D. Rogers were hosts at a get acquainted party Tuesday evening for Mr. and Mrs. Bob Daves who have moved here from Borger. Mr. Daves is associated with the Highway Department. Games of "42" and pickup food were enjoyed. Present were Messrs and Mesdames A. B. Oakley, J. B. Moore, E. R. Waggoner, R. H. Gunn, Wray Belknap and Bob Daves.

Mr. and Mrs. William Hill and four children moved here recently from Anson. Mr. Hill farms and

Mrs. Hill helps out at the Golden Spread Rest Home. Donald Young of Macon, Georgia has been visiting a few days in the home of his brother, Nolan Young.

Maxie and David Horton visited her parents, Mr. and Mrs. C. H. Golman at Van, this week.

J. G. and Aural Davis attended the S.M.U. Tech game at Lubbock Saturday. Their daughter, Suzie and friend, Charles Findley of Odessa, both Tech students, returned home with them for a visit. Charles is recovering from injuries he received when his car skidded last week. Mrs. Davis received gifts and notes from Mary Beth, Cox and Zafer Cetinkaya of Turkey who did their practice teaching in Dimmitt and lived with the Davis'. Zafer sent J. G. a piggy bank to save money to go to Turkey. The Moslems, her religion, do not eat pork, so that is one of their private jokes, gave Mrs. Davis a big coffee cup. Both girls receive their B. A. from Tech, will work toward their masters, Zafer at Kansas U.

Aural Davis was hostess this week end with a luncheon and bridge party at the Colonial Inn. Her guests were Mesdames Dugan Butler, Ouida Willis, Mary Frances McGaughey, Gladys Benson, Anita Morris, Sue Merritt Nancy Hays, Millicent Bennett, June Taylor, Ola Mae Trimble Jackie McLeroy, Esta Vandiver, Bernice Hill, Merle Smiley, and Vaundine Giles.

I saw Pat Moran and LaDawn Kemp at church. They came home for a visit with their parents Russell Moran and Carl Kemp. They are attending Baylor University at Waco.

Mrs. Noel Gollehon told me that Ann and Truman Touchstone, Judge and Mary Baldrige, George and Charlotte Benseid of La Junta, Colo., the vegetable man flew down to Mexico City and Acapulco, Mexico this week. "Lucky people." The grandboys are staying with the Gollehons (grandparents).

About 50 members of the Presbyterian Church enjoyed a covered dish luncheon at the parsonage Sunday. The visiting preacher, Rev. and Mrs. McConnell of Amarillo were there. June Taylor said they had a most enjoyable time together.

Mrs. J. C. Gilbreath was hostess at a bridge party Thursday afternoon.

Salad plate was served to Mesdames Horace Carlile, Edgar Ramey, Raymond Wilson, Pearl Sheffy, Goodwin Miller, Swain Burkett, Ray Riley, and Mrs. O. K. Howe. A car collision on the street east of the house almost broke up the party. School boys involved not hurt much, didn't get who or the details.

Mrs. Ruth Wilson was hostess at an afternoon party Tuesday. Salad, pie and coffee, and bridge was enjoyed by Mesdames P. L. Cunningham, George Bradford, Harley Dyer, Horace Carlile, Sid Sheffy, Cletha George N. F. Cleavinger Clarence Bearden.

Myrtle

### LETTERS TO THE EDITOR

Dear Editor:

In behalf of the Officers and Members of the Texas Safety Association, I want to thank you for your cooperation in presenting the case for safety to the people of Texas during the past year.

I especially want to commend you for your news coverage during holiday periods. We firmly believe that without the support of the media that the holiday death tolls in our state would be much higher.

During the recent Christmas - New Year's 10-day holiday period, 145 persons died accidentally in Texas. The traffic toll was held below the estimate. It was estimated that 42 persons would be killed in non-transport accidents. The toll was 52. A preliminary review of fatality reports indicates this increase was related to death associated with fires.

Each year over 6,200 persons are being killed accidentally in Texas. And, as our state grows and prospers, accident prevention problems can be expected to grow also. The need for creating a public awareness of all types of accident hazards remains a challenge.

We urge you to continue your current support of accident prevention programs and to expand your efforts to meet the needs of our rapidly growing state.

Thank you again for your cooperation - "For A Safer Texas."

Sincerely yours,  
J. O. Musick, General Manager

### MRS. CLEAVINGER HOSTESS TO NAOMI CIRCLE

The Naomi Circle of the Woman's Society of Christian Service met in the home of Mrs. N. F. Cleavinger Monday afternoon, for the regular business and social meeting. Mrs. Jack Cowsert, president, presided. A continuation of the study, "Realms of Our Calling," was discussed by Mrs. Edna Lippard. Mrs. E. Lee Stanford gave the meditation "Could You Have Loved This Much."

Mrs. Jack Cowsert and Mrs. George Blanton sang a duet, accompanied on the organ by Mrs. Cleavinger. Mrs. Cletha George discussed the Ministry as a Missionary Vocation, from World Outlook.

The hostess served refreshments to the following ladies: Mesdames Will Wright, George Bagwell, Ed Wilson, Cletha George, Sid Sheffy, E. Lee Stanford, Edna Lippard, Floyd Stanford, George Blanton, Jack Cowsert, P. L. Cunningham, Weldon McCormick and B. M. Nelson.

### Walter Rogers' NEWSLETTER WASHINGTON

A number of hot controversies are going to develop in this Session of Congress over points and programs mentioned by President Johnson in his proposal for a Constitutional amendment to extend the terms of Members of four years, concurrent with that of the President. Terms of House members are now two years, as they have been through all of the Nation's history.

I'm opposed to any change in the length of term of House members. There are sound and substantial reasons for not tampering with the present, proven system, and I'd like to review a few of them with you.

First, a reference to history: Many Delegates to the Constitutional Convention in 1787 felt that annual elections should be held for members of the House of Representatives following the colonial practice which was designed as a check on royal governors. Other Delegates argued that the terms should be for three years in order to enable Representatives to acquire knowledge of the interests and needs of States other than their own. James Madison, supporting the three-year term, argued that one year would be almost consumed in preparing for and traveling to and from the seat of national business. On the other side, Elbridge Gerry of Massachusetts considered annual elections the only defense of the people against tyranny. He stated that he was as much against a triennial House as against a hereditary Executive.

Finally, the Delegates to the Constitutional Convention decided in favor of three-year terms while meeting in Committee of the Whole - but the Convention itself later fixed the term at two years as a compromise between a one-year and three-year term. Thus it has remained.

It is essential that the House of Representatives remain fully accountable to the people, that its members reflect the will of the people they represent. Members of the U. S. Senate represent broader interests, as our Constitution determined the system; Senators speak for their States and are more truly trustees of broad interests than representatives of specific districts or areas. The argument as to whether House members should be trustees or representatives has run through history, but I believe (as I think most of my colleagues in the House believe) that the sol-

emn responsibility of House members is to reflect the majority will of the people of their districts when that will can be determined. When it is not possible to know how constituents would feel on a particular issue before the House, it is the obligation then of the Member to make the best decision possible.

Whatever the approach to voting, it is essential to the system that the people who elect Members of the House be able to review their work and make changes, if they see fit, at frequent intervals. In this way, the House - and thus national legislation - remains fully in the hands of the people. Power resides in the people acting through their representatives and it is incumbent upon the representatives to remain fully responsive. Government by the people requires as an indispensable element the continuing power of the people to control those who represent them. Texans recently reemphasized the validity of this point by turning down a proposed amendment to the State Constitution to extend the terms of members of the Texas Legislature. The principle is the same as in the current con-

troversy. Four-year terms might make for an easier life for the office holder but good government would suffer. And, again, as President Harry Truman said of his job, "If you can't stand the heat get out of the kitchen."

### ATTENDS FUNERAL

Mr. and Mrs. Earl Brock attended funeral services for her brother, Mr. Claud Bray in Lubbock Thursday. Also attending from Dimmitt were Mr. and Mrs. Glenn Merritt, niece of Mr. Bray.

Your Memorial Gift to the Texas Heart Association will be promptly acknowledged to the bereaved family.

Don't order a big cube V8  
Don't order a floor-mounted shift  
Don't order special flat-cornering suspension  
Don't order sporty red-stripe tires  
All that's standard to begin with on a Chevelle SS 396

**PERFORMANCE THE CHEVROLET WAY**

The standard engine in both the Chevelle SS convertible and hardtop is a 396-cubic-inch Turbo-Jet V8 with 325 hp. The standard transmission is a fully synchronized 3-speed with floor-mounted stick shift. (Yes, you can order a 4-speed or Powerglide. Strato-bucket front seats and console, too.) And the SS 396 chassis comes complete with firm-riding, flat-cornering suspension and wide-base wheels with red-stripe nylon tires.

Is this the kind of no-compromise road machine you're looking for? Drop into your dealer's and point an SS black grille toward an open stretch of highway. You'll find out - quick.
