Dedicated to the Interests of This Section, That No Good Cause May Lack a Champion

VOLUME 36 LOCKNEY, FLOYD COUNTY, TEXAS FRIDAY, JUNE 3, 1937 NUMBER 39

CHATTERGRAMS

BY JEANE SUITS

As the story is told: A lady called up a local radio man and told him something was wrong with her radio. She said she guessed it must need a new WLW tube because she couldn't get that station.

American magazine survey estimates that two million Americans spent \$4,000,000 in "lonely hearts clubs" each year to 400 clubs. I can't figure out how anyone could be lonely with that much money to spend.

Last week in a story about the rain, I measured the cotton in some instances to be two inches high. And they all laughed because it is just beginning to creep above the ground. I stand corrected and apologize for misleading the public.

Wally's "Aunt Bessie" is a bit lardish looking with a double chin, puffed eyes and balloon-blowing cheeks. I was brought down with a mighty thud when I gazed upon Wally's only relative at the wedding. Everything else seemed so beautiful and remote from the ordinary except Aunt Bessie, who reminded me of the fat lady in a side show.

What an ideal person this mix-up would make: the personality of Mrs. H. H. Hamilton; intelligence of Georgia Belyu; ambiguity of R. C. and Chester Mitchell; beauty and poise of Mrs. Arthur Barker physique of Owen Thornton for a boy and Mrs. Herschel Clawson for a girl; expressive eyes of Mrs. Guthrie; laugh of Mary Leda McAdams; refinement of Mrs. Stutts; cleverness of Mrs. Reynolds; courage of Luella Walker; entertaining personality of Mrs. Van Bailey; neatness of Mrs. Stutts.

One of those funny sights: A

white child born in the county, R. C. Bennett, pioneer of the Plains, Henry Randolph, Joe McCollum, Mrs. W. M. Shipley and George Fayvas.

Mrs. Duncan gave the welcome to the guests and George Fawver responded. The parade which was composed of a number of vehicles of the early days and about 100 horses was the main feature. Old

never understand why I always until the last minute to this trip. I never get started until I hear the press practically at my heels.

returns from Big Spring Selena Guthrie, who has been visiting her sister at Big Spring for several weeks, returned home Wednesday. She was accompanied by her sister and son who returned to Big Spring Wednesday.

Visit Bailey's Mrs. W. C. Thaxton and daughter, Betty Ann, of Littlefield are here spending the week as the guests of Dr. and Mrs. R. Van Bailey, Bailey.

New AAA To Be Discussed At Lubbock Meeting June 9

Number of Floyd County Farmers to Attend Meeting

The president of the Texas Agricultural Association, H. G. Lucas, has called a meeting of this district to be held at Lubbock June 9 for the purpose of discussing the 1937 AAA bill.

The county agent, D. F. Bredthauer, stated Tuesday that a number of farmers of Floyd County are planning on attending the Lubbock meeting at which time they will hear the main features of the new AAA.

The bill will cover parity prices for farmers insuring parity purchasing power, requirement of soil building and also conserving practices, requirement of diversion when the supply exceeds normal demands, marketing quotas for all farmers becoming effective when the supply exceeds normal by 15 per cent.

Loans will be available when the above quotas go into effect and when needed. Adequate sup-

564 Pioneers Register At Floyd County Reunion

Mrs. A. B. Duncan Re-elected President, Joe McCollum, Vice-President, Tom Dean Sec-treas.

The days of '80 and '90 as the "horse and buggy days" were vividly portrayed Friday when the pioneers of Floyd County met at the Court House at Floydada and called to mind the days of forty years ago when the voters gathered May 28, 1890 to organize the county. There were 564 pioneers of Floyd and surrounding counties registering during the day and it was estimated that approximately 3,000 pioneers and their descendants were present.

Mrs. A. B. Duncan, one of the first residents of the county coming here when the Indians reigned more than half century ago, was re-elected as president of the organization which has been active since 1915. During the two years resulted in reorganization.

Joe McCollum of Lockney was re-elected vice president, Tom Dean was re-elected to the office of secretary treasurer which he has held for the past decade.

The board of directors is as follows: G. Snodgrass, R. E. L. Muncy, George Fawver, Mrs. George Smith and R. E. Fry.

Over a public address system the pioneer women who braved the pioneer days ago told days.

white child born in the county, R. C. Bennett, pioneer of the Plains, Henry Randolph, Joe McCollum, Mrs. W. M. Shipley and George Fayvas.

Mrs. Duncan gave the welcome to the guests and George Fawver responded. The parade which was composed of a number of vehicles of the early days and about 100 horses was the main feature. Old

Mrs. Alva Smith of Lubbock is here spending the week-end as the guests of her parents, Mr. and Mrs. H. B. Alexander.

To Sing In Revivals

Olin Huff to Spend Summer Conducting Song Services in Meetings

Olin Huff, son of Mr. and Mrs. Floyd Huff left yesterday for Paducah where he will conduct the song service in a revival of the Church of Christ, George Stevens of Abilene is to hold the meeting. Huff will spend practically the entire summer in revival meetings over Texas and Oklahoma. From Paducah he is scheduled to go with Tillet S. Teddle to Grandfield, Okla., for a two weeks' meeting. They will then go to Memphis for a revival.

Other engagements will probably be made later in the summer with Teddle.

Trout Fishing And Mountains Hold Spotlight For Summer Vacations

Trout fishing and a log cabin high in the mountains of New Mexico will attract more Lockney business people this summer than any other vacation, according to a recent survey made by a Beacon reporter.

Reversing the usual order of things, one man declares he will remain at home so his wife can make an extended tour. Since both can not go he prefers to let the lady go vacationing, remarkable!

Then there's another man who said, "I'm going on a vacation but I'm going to leave my wife at home." As though it would not be a vacation otherwise.

Quite a number are making plans to attend the Pan American Exposition at Dallas and Billy Rose's Fiesta at Fort Worth.

July and August will be the most popular relaxation months for the "tired business man" of Lockney. After July 15, roads leading in and out of town will be traversed quite frequently by those who wish "to get away from it all" for a few days.

What some of the business men and their wives said when approached about vacation plans:

Mr. and Mrs. Bryan Wells: We are either going fishing at Eagle Nest Dam in New Mexico or to East Texas probably in July.

Joe McCollum: I am planning a fishing trip to Queste, N. M. where I have been each summer for the past few years. I think I'll let my wife go along too.

Dwight Jackson: I'm going to the mountains of New Mexico. I purchased a rain coat the other day from Highpressure Reecer while it was pouring down rain and when it arrived, the sun was fairly beating down upon the earth. I propose to go to the mountains so I can wear said coat.

Mr. and Mrs. Glen Carroll: We will probably get off a few days for a visit to the Pan American Exposition some time during the summer.

Marshall Davis: I am going to

NEW SYSTEM IS BEING INSTALLED

Voucher system of bookkeeping for the city of Lockney is being installed by A. D. DeLoach, auditor of Plainview.

DeLoach, who is business manager of Wayland College audited the city books several weeks ago. After working hours in Plainview, he comes over here to work on the new city books each day. He is being assisted by Mrs. Ellen Belyu, city secretary.

Hail Hits Southwest Of Town Today

Just before going to press reports come in that a heavy hail hit in the Trick Community southwest of Lockney between 12 o'clock and 1 o'clock today (Thursday).

Exact estimate of damage done has not been checked up but it is believed that the loss was from 25 per cent to a 100 per cent on cotton wheat and barley for some of the farmers in that direction.

A few of the farmers reporting damage are J. T. Roberson, George Graham, Royal, and Mr. J. T. Pemberton.

A high wind blew Potts' garage away, leaving his car intact.

A quarter of an inch of rain fell immediately after lunch here to day and another downpour came between 5 and 6 o'clock.

Kline Nall To Teach In Lubbock

Kline Nall, who was graduated from Texas Technological College in Lubbock Monday, has been elected as English teacher in the Lubbock Senior High School. Mrs. Nall was also graduated from Tech Monday.

Gentry Funeral Held Sunday Afternoon

Funeral services were held Sunday afternoon for Ramon Gentry, 22, at 2:30 o'clock at the West Side Church of Christ with Alva Johnson officiating.

He is survived by his wife and two children of Lockney, Errol Ray and Beverly Elaine; parents, Mr. and Mrs. L. L. Gentry; three brothers, P. T. Gentry, Slaton; Verdee Gentry, Corpus Christi; Cecil Gentry, Lockney; three sisters, Beatrice and Ruby Gentry of Amarillo and Mrs. Mildred Johnson, Lockney.

He is also survived by his grandfather, P. M. McDonald of Lockney and an uncle, W. McDonald, of Melissa, Tex., Mrs. Ellie Gentry, aunt, of Lubbock.

Gentry was born July 9, 1915 at Sandhill, Tex. He was married to Lura Beall Feb. 11, 1934. For the past few months he has been employed by the Baker Pump Company of Lockney.

Active pallbearers were S. Y. Williams, Floyd Barber jr., Kenneth Pierce, Cecil, Curtis and Donald Williams.

Honorary pallbearers were: J. C. Billington, L. E. Queenberry, Otis Jackson, H. P. Brown, Vernon Williams, Wess Cox, Williams, M. D. Arterburn.

Flower girls were: Marie Duncan, Sylvia Gould of Plainview, Mable Jackson, Mildred Lankford, Emmie Williams, Elnora Billingsly, Alto Duncan, Zella Hackney, Alene Jackson and Leona Dagley.

Burial was in the Lockney Cemetery under the direction of the Crager Funeral Home.

Scouts Plan Two Day Outing

Twenty-five junior and senior scouts are planning a two days outing at Linguish Falls Monday and Tuesday according to the Rev. C. W. Williams, Methodist Circuit minister who is senior scout master.

Mr. Williams said the camp would be conducted as near as possible like the South Plains camp in progress this week at Post.

Annual 4-H Club Picnic To Be Held Friday

Chester Mitchell Receives Degree

S. C. Mitchell, Son of Mr. and Mrs. T. B. Mitchell, is Listed in Who's Who at Tech.

Chester Mitchell, son of Mr. and Mrs. T. B. Mitchell of Lockney, was graduated from the Oklahoma Agricultural and Mechanical College at Stillwater, Okla., Sunday and Monday.

His parents and brothers, Glen and Edwin Rhea, were in Stillwater for the commencement exercises and accompanied him to Salina, Kans., where he will be employed as junior range examiner with the Soil Conservation Service.

R. C. Mitchell, also a son of Mr. and Mrs. T. B. Mitchell, was listed in the Who's Who among Tech students in the annual year book. He was graduated from Tech this year and has recently been elected as vocational agricultural teacher in the Crosbyton High School.

More Rain

Again Floyd County and most of the Panhandle was drenched with rains Saturday morning and Wednesday afternoon. These rains came as a climax to the previous showers.

The rain fall ranged from an estimated one inch Saturday morning to a quarter of an inch Wednesday afternoon. The heavy rain washed the soil and the crops already planted. Floyd County is thoroughly soaked and there are no fears of lack of moisture for this crop year, though the planting season for cotton and feed is short.

AT THE ISIS THEATRE

Twenty-five years ago the greatest ship of all times plowed into an iceberg. The great TITANIC still lies where she sank. Happenings similar to what took place on board the famous ship as she sank to her watery grave are depicted in one of the best scenes ever screened, showing HISTORY IS MADE AT NIGHT coming to the Isis this week-end.

In order that no one shall miss seeing this outstanding show the management urges that you use the coupons attached to the top of the theatre add appearing in this issue of the Beacon.

Back From Tech

Miss Glenna Whitfill, who has been attending Texas Technological College at Lubbock the past year, returned home Monday for the summer.

Breckenridge Visitor

Verna Zoe Klingman, daughter of Mr. and Mrs. Wm. C. Klingman, returned this week from Breckenridge, Tex., where she spent ten days visiting friends.

Abilene Visitors

Dr. and Mrs. R. Van Bailey and children, Bobby and Lucille, spent the week-end in Abilene visiting friends. Miss Bailey remained for an extended visit.

Leave for California

Miss Ruth Stapleton and Miss Nona Wells left Tuesday morning from Plainview for Los Angeles, Cal. They were accompanied to Plainview by Mrs. Doyle Greer.

Miss Stapleton will be a guest of Mrs. H. B. Mann and Miss Geraldine Angel for three weeks. Miss Wells is planning to attend the University of Southern California.

Steak Barbecue Supper Will Be Served at 7:00 p. m.; Program planned

The annual 4-H Club picnic of Floyd County will be held at the city auditorium Friday, June 4, beginning at two p. m.

The program arrangements have been made and among the speakers are L. W. Chapman, assistant county agent, Ed Whitfill, Henry Schacht, sponsor of the Aiken 4-H Club Joe McCollum and D. F. Bredthauer.

All the 4-H members are requested to be present and to bring their Dads to this meeting.

A steak barbecue supper will be served at 7:00 p. m. L. W. Chapman will close the program with the discussion on how to fill out record books.

Miss McAdams Joins The Lockney School Faculty

New Teacher Receives Degree in Home Economics at Texas Tech Monday at Lubbock

Miss Mary Leda McAdams, daughter of Mr. and Mrs. Carl McAdams of Lockney, was recently elected as home economics teacher in the Lockney High School to fill the vacancy of Miss Hattie Dickinson who resigned to accept a like position in the University of Texas.

Miss McAdams received a degree in home economics from Lubbock Technical College. Mr. and Mrs. Carl McAdams were present for commencement. She returned home with them Monday.

After two weeks of observation at Texas Tech, beginning next week, Miss McAdams will spend seven weeks as assistant dietitian for Mary White's Girls Camp near Cloudford, N. M.

Attending Camp

Charles Baker Represents Lockney Scouts at Camp

Charles Baker left Sunday for Post where he will attend a camp of the South Plains Boy Scouts as a representative from the Lockney troop.

Members of the camp follow a regular routine each, arising at 6:30 in the morning. Before breakfast, they have sitting up exercises. The morning is spent in swimming, contests of various kinds, and tests for merit badges. The afternoon is devoted to rest, other sports and contests. After supper, a camp fire is built and each troop presents a stunt.

They retire at 9:30 in the evening. The camp will close this week-end.

Here From California

Miss Manon Meriwether, who has been working in Compton, Cal., for the past year, returned Monday for a two week's visit with her parents, Mr. and Mrs. Tab Meriwether, and her grandmother Mrs. C. R. McCollum, who is ill.

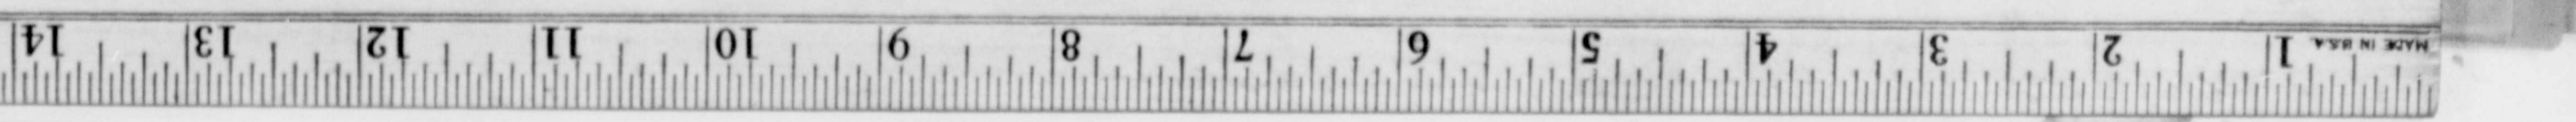

Amarilloans Here

Mrs. Tom Reeves and son, Warren Reeves, of Amarillo and former residents of Lockney, spent Saturday and Sunday here as the guests of friends.

CORRECTION

In reporting District Court news last week we made the statement that The First National Bank vs. Ben Quebe. This was an error that was made in some manner in copying items from the court record. We are glad to make this correction.—Publisher.

Are there flaws in our penal system? Many are the times that we hear of the innocent serving lengthy terms for crimes that they did not commit and in many instances they are vindicated after or near the expiration of their terms. The trouble lies in the fact that too many are now convicted on circumstantial evidence. It has been said that if all those committing perjury in our courts today were sentenced our penal institutions would be overflowing. What we really need is more convictions for per-

noticed with extreme gratification Lockney's representation in the Floyd County Pioneer Region. All honor and homage that this generation can give the old settlers in no more than they're due. It shows that a town is ready to grow when they take

interest or part in a movement that is afoot.

Texas produces some mighty intelligent people and it would not be a bad idea to appoint a Texan to the Supreme Court bench. There have been several Texans cited as potential selections.

Selected From The Exchanges

All the court reform measures that were pending in the legislature got caught in the legislative traffic jam and failed to get through. Some of these were important. It is regrettable that even a comparatively small minority in either house of the legislature by filibustering or other dilatory tactics, can defeat almost any piece of proposed legislation to which it is opposed. If the rules of procedure in the legislature are not amended so that a majority can, with reasonable promptness, write its will into law, there is going to be a rapidly growing demand in this state for the unicameral form of legislature. —Lynn County News.

A thought to remember—Business is sensitive. It goes where

it's invited and stays where it is well treated.—The Quitaque Post.

The Republican party shows more sense than the Democrats are willing to accord them. If you have noted the criticism of the President's court bill, you find that most of the blasts directed at the bill come from the Democrats. The Republicans are sitting quietly on the sideline allowing the Democratic leaders to smash at the President with all their might and main. Chairman John Hamilton has taken to the air together with congressional leaders to keep before the people the fact that the Republican party is very much alive and on the job. Just enough is said to let the people know that G. O. P. is very much against "packing" the court, but the verbal blasts against the bill are left to the former staunch supporters of the President. 1940 will soon be here. The Republicans hope for a united party by that time, while the Democratic party will be split in two if the present procedure continues. —Canyon News.

"The more the pay of the legislators is increased, the less they really earn it. Maybe if we sent them down to Austin with the understanding that no goods delivered, no pay, we'd get better service.—Terry Co. Herald.

Floyd County AAA Payments Reach \$300,000 For 1936

1153 Work Sheets and 23 Ranch Program Applications For The Year of '37

Compliances Checked

Producers to Map Farm Program Wheat Acreage by July so That Payments will be Made

Under the 1936 Agricultural Conservation Program there will be approximately \$300,000.00 received by the farmers of Floyd county. These payments were made for the year 1936 and general cases for improved soil conserving crops.

18,700 acres were planted to legumes while 46,992 acres was turned under by the farmers as green manure was counted as diverted acreage.

For the practice of turning under green manure the farmers were paid \$1.00 per acre. The practice was carried out last spring and summer and crops now planted on this land are showing one-third more production than on land which was not handled in this manner.

Through the 1936 program farmers of the northeast part of the county learned how to alternate rows of sorghum and fallow which prevented wind erosion this spring. These farmers were permitted to head the sorghum but the stalks were left standing for a protection against wind erosion.

Farmers plowing under green manure, such as green wheat, sudan, and grain sorghums, immediately followed up this practice by seeding this acreage to winter wheat. This gave a cover crop on the land throughout the wind erosion period, and it is believed that it greatly reduced wind erosion this spring.

12,698 acres were contoured. 5107 acres were terraced. The entire acreages which were contoured or terraced were either done by some one from the County Agricultural Agent's Office or by an approved supervisor.

634 Floyd County farmers received \$149,000.00 under the AAA Wheat Program for reducing their wheat acreage 5 per cent. Under the two 1936 Program Floyd County has received \$428,878.92.

To date Floyd County has submitted 1153 work sheets to the State Office and was this week listed as one of the nineteen counties of the entire State having completed all of their work sheets for 1937 by May 20. In making preliminary check of the 1937 work sheets it has been found that 25,000 more acres are listed on applications this year than last year.

Twenty-three ranch program applications have been executed by ranchers of Floyd County, aggregating 91,000 acres. These applications show that the ranch men of this county are whole heart-

edly interested in the deferred grazing practice which has been more or less a common practice among the ranchers of this area. On 75 per cent of these applications intentions to build reservoir and contour furrowing of pasture land has been listed.

For 1937 the County Agricultural Agent has received definite information that this county will receive an aerial map and it is hoped that this map will be made in time so that an accurate check of acreage involved under the Agricultural Conservation Program can be checked.

Under the 1937 Program it is surprising to note the number of acres which have been either contoured or terraced by the County Agricultural Agent with the assistance of the N. Y. A.

To-date 5718 acres have been terraced and 15,111 acres have been contoured. Reports show that 163 farmers have taken advantage of the five terrace levels which are kept in the County Agricultural Agent's Office. These men have run their own contour and terrace lines.

In driving over the county it is difficult to find fields which are devoted to row crops which do not either have contours or terraces upon the farm.

In a few days compliances for 1937 will be checked. It will first start with the wheat farmer who planted nothing but wheat. It is expected that the two hundred applications on file which do not have anything but wheat planted will be checked and mapped by the producer before the 1st of July. This is being done so as to spread the compliance work over a period of time and so measurements can be thoroughly checked and not have the entire bulk of the work at the last date. The office will complete the work as rapidly and efficiently as possible so as not to have to penalize the producers in receiving their payments late in the season.

See Jim Farley

Miss Virginia Collier of Austin accompanied them home for a visit with her mother Mrs Kate Collier.

Returns From W. T.
Mr. and Mrs. Floyd Huff and daughter, Mary Glen, were in Canyon Friday night to attend the graduating exercises of West Texas State Teachers College. They were accompanied home by their son, Olin, who has been attending W. T. the past year.

Ninety-One Notaries In County Appointed

At the present time there are ninety-one names on the list of appointments in Floyd County as notaries public for the biennium beginning June 1.

Notaries are required to qualify on June 1, unless sickness or absence from the county prevents, in which instance a reasonable time for qualifying is allowed. A bond of \$1,000 is required and fees totaling \$5 must be paid. The complete list as certified in the county by post offices is as follows:

- Floydada: Ben Ayers, D. G. Ayers, Kenneth Bain, J.F. Boothe, Lolo Cavanaugh, J. W. Chapman, Paul W. Comer, Dona Covington, Lucy E. Crum, Lon M. Davis, Mrs Lon M. Davis, S. E. Duncan, C. M. Elmore, Clyde Edwards, Geo. M. Finkner, R. A. Garret, J. C. Gilliam, A. C. Goin, M. P. Goin, Ethel Graham, W. E. Grimes, C. W. Henderson, W. H. Henderson, Helene Hay, Douglas E. Hollums, C. C. Huckabee, Mrs. Nita Merle Hull, J. N. Johnston, Macyl Jones, H. G. McChesney, Thelma Jones, Geo. B. McAllister, L. G. Matthews, C. M. Meredith, Frank L. Moore, Golden Nabors, E. P. Nelson, Winfred F. Newsome, E. L. Norman, T. A. Norman, Conner Oden, Mildred Olson, J. H. Reagan, S. W. Ross, R. C. Scott, C. T. Scott, Mrs. Mary N. Shenifelt, Mrs. Mildred Shurbet Clara Smith, Glad Snodgrass, Audrey Stiles, Richard F. Stovall, Dale H. Strickland, G. C. Tubbs, O. M. Watson, Raymond Williams, J. M. Willson, J. G. Wood;

Reorganize Senior Scouts Monday

Senior scouts of Lockney were reorganized in a meeting Monday night at the city auditorium by the Rev. C. W. Williams, assistant scoutmaster.

The group played question base ball. Questions dealt with civics and the Bible.

Harold Huggins, who has been working on the Miami Chief at Miami, Tex., returned home Saturday.

Mr. and Mr. W. A. Morrison of the Francis Community are the parents of a boy born Friday, May 28.

Test Laying Ration

What is a good ration for the laying flock? This is the chief question asked at the poultry conference. H. L. Wilcke, of the Iowa state college poultry staff, told the conference that the college flock was receiving a ration composed of the following ingredients: For a 100-pound mixture: 30 pounds of yellow corn, 20 pounds ground oats, 14 pounds standard middlings, 10 pounds meat and bone meal, 5 pounds dried milk, 3 pounds soybean oilmeal, 7 pounds alfalfa meal, 3 pounds oyster shell or limestone, 1 pound bone meal, 1 pound salt and 1 per cent by weight of cod liver oil.

In the Poultry Yard

Chickens are usually attributed to roosting too young or on too small or sharp perches.
The more time a hen has in which to incubate, the more eggs she will consequently lay.
Sticks with a variety of chickens are used as different from one another as varieties are different within the breed.
A variety of ducks are descended from the common mallard or wild duck, and the domesticated bird has become very tame.
Some allow four chicks to each square foot of brooder house floor—others hold the number down to three chicks per square foot.
The cheapest chicks are sometimes the most expensive to their purchaser.
A damp chicken house is liable to bring on colic, resp. diptheria, tuberculosis or rheumatism.
Hens are not so active and may have difficulty in getting on high perches if they do not have a ladder.
Keep geese away from swimming water until well feathered and when they are to be killed for early market.
A dozen eggs contain about a pint of water.

Legion To Have Supper
A chicken supper will be served in the clubroom of the city auditorium Friday night to American Legion members as a climax to a recent membership drive.

Reported Improved
Dr. Conrad Frey received report this week stating that his daughter, Sarah Louise, who has been receiving treatment in a San Antonio hospital for the past five months, is gradually improving.

Community Vision

A business is no taller than the shadow of the man who built it—is an adage known to all. Likewise, a community is no greater than its institutions and the men who built them. Civic minded citizens reflect their vision in the manner in which the community grows.

The First National Bank is a home institution which always strives to do its part in the development of our town. We have done this by ever striving to keep our bank service modern in every way, rendering to patrons and depositors all the aid which sound business warranted.

TROUT FISHING AND MOUNTAINS HOLDS SPOTLIGHT FOR SUMMER VACATIONS

(Continued from Page One)

stay home and let my wife take a trip to Eden, Tenn., to visit an aunt.

Bert Well: At present I do not have any plans for a trip, but I would like to go some where.

Gordon Crocker: I am going with the Lockney boy scouts for a week's outing in southeast Oklahoma. We plan to go as soon as funds can be raised.

Lynna Jaye Graves: When-

Mr. and Mrs. Geo. Newman: We are not planning to go any where. George will probably work on his farm.

Mr. and Mrs. Hugh Courts: If we went every where we have promised, we would be gone the entire summer. We would like to attend a reunion of the Courts family in Oregon this summer but that is a long way from home.

Arthur Cox: I am taking four or five days off next week. I do not have any plans but will probably just "rest".

Mr. and Mrs. Johnny Reasonover: We have nothing planned at present. We attended the Centennial last summer.

Mr. and Mrs. Floyd Huff: Last summer we went to Brownwood Lake for a few days' outing and then on to the Centennial and Greenville. We do not have any place in mind so far this summer.

Mr. and Mrs. Emory Huggins: We are planning a trip to the Yellowstone National Park.

Mr. and Mrs. Henry Ford: We are planning a trip to the Yellowstone National Park.

564 PIONEERS REGISTER AT FLOYD COUNTY REUNION

(Continued from Page One)

Time music was featured by Alex Shipley, former Floyd County youth who went to Clovis, N. M. and became a banker. He sang the "Old Chisum Trail". Eddie Duncan, 14, sang two numbers and the Floydada Quartet entertained with a number of songs.

Judge Hamilton gave the principle address citing the day when the county seat was located at San Antonio.

Judges for the street parade, Alex Shipley of Clovis, La., Rushing of Floydada and John Cowart of Olton, awarded the Model-Thompson for the grand prize and the Self-Serve float from Lockney second.

R. C. Bennett of Lockney was given first place in the pioneer

FOR LEASE—230 acres Grass. Fenced and watered.—Dorsey Baker. 36-tfc

Miss Crouck is to leave next week for Canyon where she will attend summer school.

Bill Bobbitt of Sudan is visiting his parents, Mr. and Mrs. Bert Bobbitt, for a few days.

Mr. and Mrs. Aaron Carthel went to Fort Worth Wednesday and wedded accompanied home by Mr. and Mrs. Amos Ritchey.

Mr. and Mrs. M. D. Arterburn spent an outing in the brakes last week fishing.

Mrs. L. Both and son, Charlie, and Mrs. Carlton Cook were dinner guests of Mr. and Mrs. Bill Both Sunday.

The Rev. and Mrs. Marcus Rexrode of Plainview attended church here Sunday.

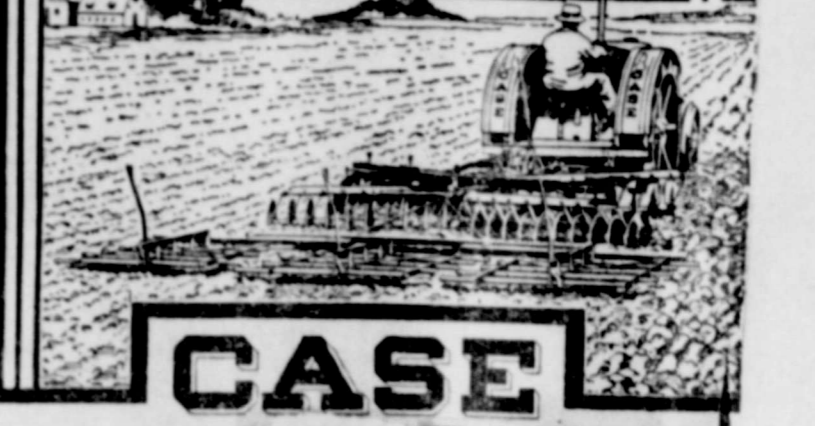

Now that's what I call a real Tractor

THE new Case Model "L" Tractor has often brought this and similar remarks from enthusiastic farmers during a demonstration.

It is a real tractor. When dependable power can be had with compactness and light weight, as in the Model "L", you've got a tractor that you can make money with. You can get into your fields days sooner in the spring, between rains in wet seasons, do your work when it should be done to bring the greatest crop yields. That's the thing that counts.

Besides that, the tractor handles quickly, starts and steers easily and straight, clips off full strips on each trip down the field. It turns sharp corners with full load, gets up close to fences and into corners and tight places not ordinarily worked by tractors.

You haven't seen what's really new in tractors until you see the Model "L" and the smaller Model "C". Give us a call. There are many other new Case farm machines that we would like to show you.
