

Ford Personnel Is Varied Group

The personnel at the "Whitey" Baccus Ford house is varied in many ways. They include:

"WHITEY" BACCUS—a native of Estelline where he graduated from High school. He is also a graduate of S. M. U., Dallas, where he starred in both basketball and football. He coached at Childress and Harlingen and then returned to S. M. U. to coach for six years. He took off 3½ years to serve in the Navy during World War II. He served on the Aircraft Carrier "Antietam". He is married and has one son, Randy. He resigned at S. M. U. slightly more than a year ago to establish a Ford dealership here.

"RUSTY" BACCUS—brother to "Whitey" and his right hand man. "Rusty" is also a native of Estelline, of course, and also graduate of S. M. U. He starred in basketball there and took over the helm as coach during "Whitey's" sojourn in the Navy. He served his time in the Army and later was in the real estate business in Dallas before coming here to help establish the Ford dealership. He is a single man and a very eligible bachelor.

"MRS. WHITEY"—is a native of Dallas and a graduate of Highland Park High School. She is also a graduate of S. M. U. with a major in physical education. By her own admission she is the "champeen" bookkeeper at the motor company.

RANDY BACCUS—is 2½ years old and admits that he is "Daddy's little grease monkey." Rumor has it that his dad wants him to be a football player.

R. B. TERRY—another very eligible bachelor but one who furnished us with very little information. He has had over 20 years experience in the automotive field and is a brother to Mrs. Frank Perkins of Lockney.

GEORGE RAMSEY—who is 20 years old, is married and has one daughter, Jean. The family came here from Leonard, Texas. He has had a number of years experience as a mechanic including 12 months Army mechanical training.

VIRGIL MASSINGILL—who is 31 years of age, is also married and has two sons, Don and Dan. This family also came here from East Texas, he having worked as a mechanic at both Eastland and Cisco, where he served as shop foreman.

AUBRIA KENT—also 31 years of age. He is married and has one son, Darrell, and one daughter, Oulda. He is a native of Leonard and worked in a number of places in that vicinity as a mechanic.

EDWARD I. DAVIS—is 26 years old and NOT married. He is a native of Seymour and has had 3½ years

THE LOCKNEY BEACON

The Only Medium Covering The Rich Irrigated Section Of Floyd County.

VOLUME 46

LOCKNEY, FLOYD COUNTY, TEXAS, FRIDAY, APRIL 9, 1942

NUMBER 31

To Speak Here

HERBERT BROADUS

Herbert Broadus of Topeka, Kansas, is to begin a series of Gospel lessons at the Main Street Church of Christ Tuesday evening April 13. Services will be twice daily: 10:30 a. m. and 8:15 evenings.

Mr. Broadus is well known in the Lockney community having served as minister of the local church and as a member of the High School faculty.

On Sunday, April 18th, a basket dinner will be served with an afternoon lecture following at 3:00. Mr. E. W. McMullan, who has recently returned from a survey trip of the Orient, will speak on the subject, "Opportunity In The Orient."

"We urge the public to take advantage of these services and the good fellowship," Jay Channell, local minister of the church said this week.

Fred Jones Given Death Penalty Again

W. Fred Jones Floydada grocer, who is charged with murder in connection with the shooting of H. C. Love Jr. on November 27, 1946, was assessed a death penalty for the second time by a jury in district court at Crosbyton Saturday.

The case went to the jury Saturday afternoon late and the jury returned a verdict at 10:15 Saturday night.

Jones was previously assessed a death penalty in a trial at Plainview at the case was reversed and remanded by the Court of Criminal Appeals.

Question Trial Procedure

A question of proper procedure in a trial arose when it was discovered that the jury did not have the court's charge in hand at the time of deliberation on the verdict. The charge had been read to the jury three times, however, and the court accepted the verdict.

Defense Counsel Col. E. A. Simpson of Amarillo immediately filed a motion for a new trial based on this incident. If it is denied a motion will be filed for appeal, it was said.

The charge had been given to the strict clerk to be delivered to the jury after they had returned from supper. The clerk apparently failed to do his duty with the result that the jury deliberated on the verdict without the charge in their hands.

District Attorney John Stapleton of Floyd County led the prosecution.

ERCER INFANT BURIED

Graveside rites for the infant son of Mr. and Mrs. J. B. Mercer of the one Star community were conducted 3 p. m. Wednesday at the Lockney cemetery. Rev. Leon England, pastor of the First Christian Church in Plainview officiated.

The baby died at the Plainview hospital eleven hours after birth.

REA Annual Meeting And Show Thursday

Annual meeting of the members of the Floyd County Rural Electric cooperative will be marked again this year by a display of appliances. Date of the annual meeting is Thursday April 13, the place will be the new home of the FCRE at Floydada, recently acquired from Bernard Martin. Time of the meeting is 1:30 o'clock.

In making announcement of the plans for the annual meeting, L. W. Chapman, superintendent, said that a complete list of directors, one from each district, would be chosen from a list of nominees recently made in accordance with the by-laws of the organization. Here are the nominees:

District No. 1: W. L. Keith, R. R. Wooten;

District No. 2: A. M. Battey, W. Earl Edwards;

District No. 3: Mal Jarboe, L. B. Cozby;

District No. 4: J. S. Lackey, W. E. Sims;

District No. 5: T. E. Cowart, G. B. Johnston, sr.;

District No. 6: Walter Patterson, T. A. Shipp;

District No. 7: R. L. Trice, H. W. Schacht.

Big Display Is Planned

Acting on the suggestion of Superintendent Chapman, several appliance dealers of Floydada met Monday and made plans for an ambitious display of farm and home appliances, which will be shown in the spacious building, an all-day affair, which will open not only to REA members but also to those who are served by other electricity distributors. Mr. Chapman estimates that at least 12 dealers, possibly as many as 15 or 18, will have specially prepared displays of various types of home and farm appliances.

Attendance prizes and other inducements to get the largest possible attendance of members, both those who are served and those who are not yet, to be present and participate in the annual meeting.

Present officials and directors of the organization are as follows:

Mal Jarboe, president; Lee Trice, secretary-treasurer; J. S. Lackey, T. E. Cowart, Walter Patterson, W. H. Rathael and A. M. Battey, directors.

WATCH YOUR EXPIRATION DATE

"Whitey" Himself

Here is pictured "Whitey" Baccus, local authorized Ford dealer and builder of the modern Ford building which will have its formal opening Saturday. "Whitey's" famous smile has become a fixture around Lockney and he'll be there to greet the public Saturday when they visit his new building.

Begins Revival Here

REV. COLLINS WEBB

pastor of the Calvary Baptist Church at Pampa, will preach in a revival meeting starting Sunday at the Lockney Baptist Church. Rev. Webb will preach his first sermon here Sunday night. The meeting will continue one week, closing out on Sunday night, April 18.

Services will be held twice daily at 10:00 a. m. and 7:30 p. m. with prayer meeting preceding the evening services.

"Everyone is invited to come and worship with us," Rev. E. J. Cobb, local pastor said Tuesday.

District Track Meet Saturday

The District 3-A Interseholastic League track meet will be held in Floydada Saturday, April 10. Lockney will field a seasoned group of runners together with a formidable array of field talent. Outstanding prospects for points should be Jack Cole, Deluan Strickland, Jack Adams, Calvin Fyfe, Bob Carthel, Glenn Worsham, Bob Quisenberry, Bill Bybee and others.

The literary division of the District meet started Thursday night when a one-act play contest was held at Floydada. Schools competing in the play contest are Spur, Lockney, Ralls, and Floydada. Other literary events will be held Friday afternoon. Lockney will have participants in typewriting and ready writing.

School And City Officials Re-elected

The results of the Lockney Rural High School trustee election held Saturday, April 3 has been announced as follows by election officials, T. B. Mitchell, Frank Dodson and Mrs. Carl McAdams.

Only two names, Raymond Rucker and J. R. Belt Jr., both incumbents, were filed to fill the two vacancies and both were reelected. Raymond Rucker received 16 votes, J. R. Belt Jr. 17 votes and Clark Harris, a write-in received 1 vote.

In the city election Tuesday, April 6 two aldermen J. D. Copeland and J. D. Wood were reelected and Lloyd A. Wofford was elected to fill the vacancy left by F. L. Brown who chose not to run again. Copeland received 24 votes, Wood 27 and Wofford 27.

NOTICE TO FRIENDS OF OLD AGE ASSISTANCE

There will be a meeting with out-of-town and county speakers on Sunday, April 11 at 2:30 o'clock in the City Auditorium. Everyone interested in the welfare of the aged is cordially invited.

Mrs. J. L. Dagley, Sec'y

Formal Opening Of New Ford Building Saturday

Estes L. Woodburn Claimed By Death

Estes L. Woodburn, the friend of every man, woman, boy and girl in this vicinity, passed away Saturday night at 9 o'clock as the result of a heart disease. He was first stricken Friday night after he had closed the Lockney Drug, where he was employed. His condition did not improve during the night or Saturday and he died Saturday night in the Co-Operative hospital here.

Mr. Woodburn had been in ill health for several years but his condition was not thought to be serious. He had worked steadily up until Friday night.

Mr. Woodburn was a registered pharmacist and had been connected with a drug store in the same building since he came to Lockney in 1914. His friendly disposition made friends for him of everyone that he met. He was especially popular with boys and girls.

Mr. Woodburn was converted and joined a Presbyterian church at an early age. He was also a member of the Masonic Lodge, Shrine and Knights Templar. He served several terms as alderman here.

He was born in Hood County, the son of Mr. and Mrs. E. T. Woodburn. At the age of 14 years he with his parents moved to Silverton and he was employed for seven years on the JA Ranch. He moved to Hereford and then Dimmitt where he bought a drug store from the late Dr. G. J. Staple.

(Continued on back page.)

Harold Hall Wins District Tennis Title

Tuesday the Longhorns tennis teams went to Matador and entered the district meet being held there. The first days results left the Lockney boys in the lead and both the doubles and singles were to battle for the finals in Wednesday finals.

The results of the first days play off was as follows:

Glenn Worsham and Sid B. Thomas won over the Matadors double team with a 15-13 win in the first set and a 6-3 win in the second set.

That afternoon the boys won over Paducah's Ragland and Anderson with a 6-1, 6-1 win in straight sets.

Harold Hall was the lone wolf who played singles from Lockney and won his game from Mac Bramman of Spur with a 6-0 play in the first and with a 6-0 win in the last set.

Wednesday the boys returned to play for the finals in the district play off.

The double boys met the Spur boys in the final play. The Spur boys won the first set with a 6-1 margin. In the next set the Lockney boys won by a 6-2 victory over the bulldogs.

In the last set the Lockney boys were leading with a margin of 5 to 2 when the Spur boys really got to going and finally won the game and the championship with a 7-5 win.

Hall won his final from Matadors single champion for the district championship. Gieske was a stiff player and held Hall down pretty well for a while. Harold won the first set by a 6-2 margin in the game but lost the next set to Gieske with a 4-6 loss. In the final set Hall won the Championship by a 6-2 win after a long play.

Large Crowd To View New Building

Formal opening of the new building which will house the "Whitey" Baccus Ford dealership here will be held tomorrow (Saturday). A day full of entertainment, refreshments and prizes is promised by Mr. Baccus.

A large crowd, including quite a few out-of-town guests is expected to be present. Among the out-of-town guests expected are A. Y. Edwards, assistant district manager of Ford Motor Co. for the Dallas district, and John Reeder, district representative of the company. Also a number of Ford dealers in this area are expected to visit here during the day.

The new building will be open from 9 a. m. to 5 p. m. Saturday and Mr. Baccus has extended a cordial invitation to everyone in this area to visit them sometime during the day. Door prizes will be given away. Guests are requested to register when they enter the door and at a drawing at 5 p. m. Saturday a number of prizes will be distributed. Registrants are not required to buy anything.

Souvenirs and refreshments will be offered those who attend the formal opening and music will be heard during the day as a courtesy of Southwestern Public Service Co. who are furnishing a record player and a public address system.

A number of new Ford passenger cars and trucks will be on display, including special Deluxe in both 2 and 4 door models, pick ups and larger trucks.

"Come and bring every member of the family," Mr. Baccus urged this week.

Building Is Spacious

The new Ford building is a spacious one with provisions for every need of the motorist. It is 60x110 feet in size which does not include a small annex at the back which will be eventually converted into a paint and body shop.

Made of steel and stucco with large plate glass windows on two sides of the show room, the building provides for ample room to display three or four cars. It has two offices, a large parts department equipped with the usual rows of parts bins and counter, a large service and repair department which allows room for several mechanics to work and also for storage, and a wash and grease department. This department is equipped with a new type pressure washer and the latest lubricating equipment.

The service department has two large doors allowing easy entrance and exit. It is equipped with latest and most efficient type of lights and with blower type gas heaters.

The building was erected under contract by an Oklahoma City firm but the finishing work was done by local carpenters and painters. The wiring was done by A. & A. Electric of Lockney and the concrete floor and walks by J. D. Colville, concrete contractor. Plumbing was done by Harley Workman.

The building cost approximately \$35,000 completed, Mr. Baccus said this week. It is the largest business building erected here in a number of years.

Mr. and Mrs. Newell Harper and girls of Oklahoma left Tuesday of last week after spending three days here with her mother, Mrs. Della Willmon and other relatives.

FFA Father And Son Banquet Tonight

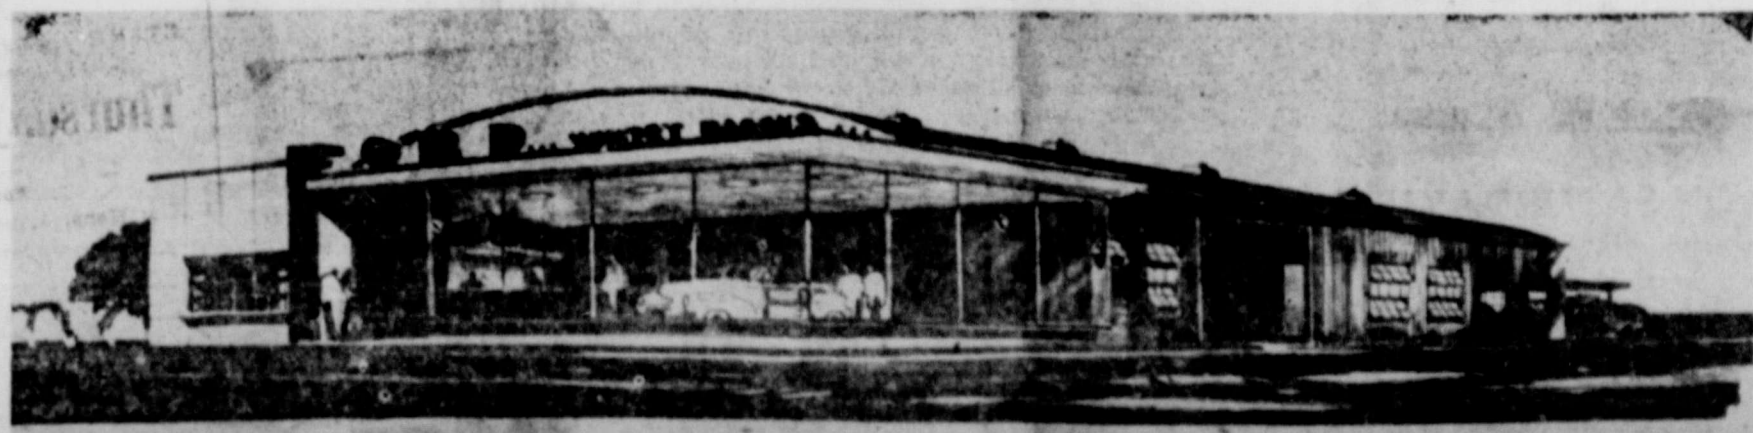

The Lockney chapter of the Future Farmers of America will hold a Father and Son Banquet tonight (Friday) at the grade school cafeteria. Agriculture Instructor F. L. Montandon said Wednesday.

R. C. Mitchell will be principal speaker for the occasion and all ag students with their fathers are expected to be present.

Mrs. Hugh Carroll left Sunday for a few days visit with her mother in Goldthwaite, Texas.

Miss Laverne Rhine of Lubbock spent last weekend with her parents, Mr. and Mrs. L. G. Rhine.

Formal Opening Tomorrow

Formal opening on the new "Whitey" Baccus Ford building in Lockney will be held tomorrow (Saturday) according to announcement by Mr. Baccus. The modern building, 60 by 110 feet, with an addition on

the back for a paint and body shop, houses the show room, offices, parts department, service department, and wash and grease racks. Door prizes, souvenirs, refreshments and music will be furnished by Mr. Baccus.

WILL IT BE TRUMAN?

Up to very recently, every column which concerns itself periodically with political matters, including this one, took it for granted that Harry Truman would be the unanimous choice of his party for the Presidency. It was unthinkable, on the basis of precedent, that any President who had served only part of a single term would meet serious opposition within his party ranks.

Unthinkable or not, it is happening—and it's not confined to the so-called "Southern revolt" of a number of governors and other officials below the Mason-Dixon line. The party leaders are not too worried about that, on the theory that the solid South will keep on voting Democratic come what may. What has them terrifically worried is that the big-city machines, on which Democratic strength in the North is largely dependent, are restive and unhappy. It is reported that some of the machine bosses have paid privately that Mr. Truman is a certain loser, and that he should be jettisoned. The bosses are given very polite attention in both parties, for they are realistic hard-headed men who know what they're talking about.

It is known, further, that some of the national Democratic leaders—the men whose business it is to assay sentiment and anticipate the vote—

are completely in the dumps over Mr. Truman's chances. They think he has slipped so far that practically any Republican can win. And they'd very much like another standard bearer.

This does not mean that Mr. Truman has entirely lost his grip on the party. The office of the Presidency is enormously powerful, regardless of what individual happens to hold it, and its occupant is in a better position to put up a fight than anyone else. But it may lead to a bitter battle at the convention—a thing the politicians always dread because of the effect on public sentiment. And it has already produced one curious development—the Democratic leadership is having an exceedingly tough time finding a suitable man to run for the vice presidency. No one wants to sign on a sinking ship. On the Republican side, to the contrary, aspirants for

SCHOOL DAYS

By DWIG

second spot on the ticket are legion, and the ranks of these hopefuls are still growing.

At Republican headquarters, of course, all is jubilation—the promised land is really in sight after sixteen years of drought. This may be a case of counting the chickens too early, but the Republican optimism is supported by practically all of the commentators, including some who are personally anti-GOP. The unmistakable drop in Truman popularity since he took office, plus the Wallace defection, plus the growing effectiveness of Republican leadership in House and Senate, provide the main basis for the optimism. All that remains, it is felt, is to pick a ticket.

When it comes to that, there has been no great change lately. It is believed that General MacArthur would like to run, but will not actively seek the nomination. His chances aren't considered good in professional quarters. Tom Dewey is moving toward the stretch now, and says he will make his ideas completely clear in a series of major addresses. Taft seems to have weakened—his tour of the country was far from being a spectacular success. Speaker of the House Joe Martin has no admirers, but his nomination doesn't appear probable at this writing. Vandenberg's stock is high and getting higher. Many think that a Vandenberg-Stassen team would be remarkably strong.

Governor Warren and Senator Saltonstall are regarded as possible contenders for the vice presidency. Warren would like the top spot, and he does have an outside chance for it. But, again, it's not a likely prospect. The present temper of Congress—and the lack of effective White House control—was shown in the vote on the tax reduction bill. Mr. Truman has strongly opposed tax reduction, but he couldn't hold his own party members when the show-down came, and the vote was overwhelming in favor of it. Too, his requests for the draft and universal military training face some exceedingly rough going. Congressional mail is reported to be running 9 to 1 against these proposals and, in an election year, that is going to have a strong effect on the outcome if it continues. Another big-scale aggressive move by Russia would undoubtedly force their quick passage, but a good many people think that the Bear,

as it has done in the past, will take things easy for a time. The Soviet tacticians, the theory holds, don't want American anger to go too far, and they are prepared to be relatively conciliatory on occasion.

Mr. Truman may be taking a new track. It will be remembered that in the past he has veered from left to right and back again. Now it looks as if he may be steering away from policies which are obviously political in nature, and will attempt to gain a following through stressing matters of a patriotic character which are vital to all the people. He may use the international situation as the basis for a "don't change horses in the middle of the stream" approach. Whether this happens or not, the Republicans have unshaken confidence in their ability to beat him, and badly. Things have changed from the balmy days of Franklin Roosevelt when GOP opposition amounted to a token force.

The U. S. Marine Corps has loaned a mobile hospital to each of the eleven Naval Districts within the United States for use in disaster relief work.

The Navy Bureau of Aeronautics has revealed the development of a fog-generating device for jet-propelled aircraft capable of creating a fog screen which could effectively screen an entire fleet within 30 seconds and which will persist for more than an hour.

The Navy has sold a total of 419 combatant vessels for scrap or for conversion to peacetime pursuits.

DON'T CRY "WOLF"

There is no danger of the United States running out of oil or gasoline in the foreseeable future. That unequivocal statement was made in mid-March by Don E. Gilman, of the Western Oil and Gas Association.

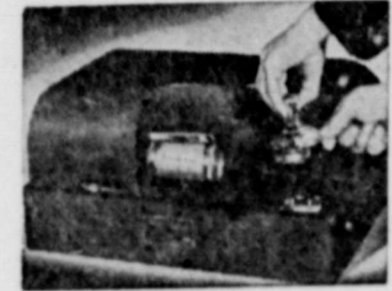

The facts with which Mr. Gilman substantiates this are of the greatest public interest. Despite all-time record consumption, the total proved oil reserves in this country at the end of last year were nearly 705,000,000 barrels greater than at the end of 1946. And, during 1947, the industry expects to drill 35,000 more wells.

So much for the present. The industry must obviously deal with the possibility that on some future date our crude oil may be largely exhausted, and we may be cut off from foreign fields. Science has produced and is

now perfecting the solution to that problem. Oil is hydrocarbon, and hydrocarbons other than petroleum exist in vast quantities in our coal and oil-bearing deposits. A proven method exists for converting these solid materials into liquid form. Some authorities believe that such sources of supply may last for more than 2,000 years.

There was considerable misunderstanding of the so-called "oil shortage" in some areas during the winter. In Mr. Gilman's words, "that shortage... was dislocation rather than lack... There has never been a time when there was not enough oil above ground to meet the nation's immediate demand." The problem is to get the oil to where it is needed. And it is a problem which, according to all indications, is being solved.

CHECK AND DOUBLE CHECK!

Homemaking Classes Have Fashion Show

The First and Second year Homemaking classes held a fashion show Wednesday, March 31. Special music was furnished by Wanda Kellison and Jontha Lee Casey. Joanis Daniels made the welcome speech and was mistress of ceremonies with Roylene Hall as assistant.

Roylene Hall also gave a reading, "Nora and The Twins." Melba Weathers played the piano for the Freshmen girls to model their tommy coats. Then a quartet composed of Roylene Hall, Velma Seale, Peggy Carthel and Melba Weathers sang two songs.

Shirley Cooper gave a reading, "Question Before the House."

Inez Broughten played the piano while the second year girls modeled their dresses.

Refreshments of Swiss tea rings, punch, fruit ice, and stuffed apples were served to seven mothers, teachers and girls.

Mrs. Thomas Marr Honored With Shower

Mrs. Thomas Marr was honored Friday afternoon, April 2 from 3 to 5 o'clock with a bridal shower at the home of Mrs. Melvin Cooper.

Guests were greeted by the honoree, Mrs. Cooper and Mrs. Clarence McCandless.

Mrs. Elbar Rose presided at the bride's book.

The refreshment table was decorated with an arrangement of sweetpeas flanked by tapers in silver holders. Russian tea and cookies were served from a silver service by Mrs. Hilburn Casey, Mrs. Willard Pierce and Mrs. Vestal Elland.

The house party included Meses Cooper, McCandless, Rose, Casey, Pierce, Elland, Harrell Dollar, Oliver Holmes, Arthur Robinson, Edgar Hays, J. H. Chandler, Glen Cooper, Pete Newman and Leslie Ferguson.

A large number of friends registered or sent gifts.

Princess
MISS SARAH MILLER
Miss Miller will represent Lockney High School as the Princess at the Panhandle Plains Dairy Show at Plainview next Monday night. She will be escorted by Larry Godfrey. Miss Miller is a senior in Lockney High School and makes her home with Mr. and Mrs. Leon Wofford.

Margaret Claborn Is Bride of Clyde Shearer Sunday

Miss Margaret Claborn, daughter of Mr. and Mrs. L. A. Claborn of Sterley, became the bride of Clyde Shearer, son of Mr. and Mrs. E. J. Shearer of Plainview, Sunday, April 4, at 2:00 p. m. The ceremony was held in the home of the groom's parents.

Rev. A. L. Shaw of Happy performed the double ring ceremony before an improvised altar and arch decorated with candelabra and lilies.

Miss Zoe Reynolds of Lubbock sang "I Love You Truly" accompanied by Miss Evelyn West also of Lubbock who also played the traditional wedding marches.

Given in marriage by her father the bride wore a white gabardine suit fashioned with a fitted jacket and flared skirt. Her fingertip veil fell from a cap of seed pearls. For something old she wore a cameo belonging to her mother, for something new she carried a white Bible topped with pink camellias and white streamers, for something borrowed her veil and for something blue she carried a handkerchief.

Miss Lavern Rhine of Lockney was maid of honor and she wore a light blue gabardine suit with white accessories and a corsage of white carnations.

Devone Lovell served the groom as best man and also lighted the candles preceding the ceremony.

The bride's mother wore a black and white crepe dress with a corsage of white carnations and the groom's mother wore a black crepe dress with a white carnation corsage.

Immediately following the ceremony a reception was held. A three tiered wedding cake topped with a miniature bride and groom and surrounded with sweetpeas and white candles decorated the serving table.

For traveling the bride chose a navy blue gabardine suit with white accessories and a corsage of pink camellias. She is a graduate of Plainview High School where she was a member of the National Honor Society and a Cappella choir. She attended nursing school at the Lubbock General Hospital.

Mr. Shearer is a graduate of Lockney High School and served in the Army for a year. He is now employed with Waller Tailoring Company.

After a wedding trip to New Mexico and Colorado the couple will be at home in Plainview.

Lockney High

By Martel McDonald and Glynn Earle Norman

The Lockney boxers climaxed the boxing season Friday night with a 7-5 victory over the Amarillo pugilists. The fights were all good, and we had the largest crowd of the season. The fights finished Lockney's best boxing season in many a day. We offer congratulations to Coach Kelley and the boys who trained and fought their way to the place of honor that Lockney's boxers hold now. May future seasons be as profitable.

Track, baseball, and tennis have gotten underway in LHS in the last week. We can't give you a detailed report on it this week, but we will promise you one next week.

High school enjoyed a play day April 1. Tennis, track, and baseball

tournaments dominated the day. Senior and sophomore classes and Junior and Freshmen class were paired off in the games and the winning class is promised a trip to Blanco Canyon. The run-offs have not been completed but so far the winning classes are the seniors and sophomores.

The play that the Senior class entered in the Follies was entered in the Interscholastic league contest at Floydada last night. Spur, Floydada, Lockney, and Falls are the schools entered in the contest. Let's hope that the Lockney play is as good as it was the night of the Follies.

We Seniors are still making plans for a big trip this year. If the funds hold out we plan to go to the coast, down into Mexico, Austin, and San Antonio. You all be sure and do us a favor by attending the Senior play. (May 7, in case you have forgotten.)

Blenden-Thornton Wedding Solemnized In Church Rites

Miss Sue Blenden, daughter of Mr. and Mrs. H. E. Blenden of Lockney became the bride of Kenneth Thornton, son of Mr. and Mrs. Ed Thornton, Lockney, in an impressive double ring ceremony solemnized Sunday, April 4 at 9 o'clock at the Methodist Church here.

Rev. R. H. Campbell read the vows as the couple stood before an altar arched in white and decorated with lilies and daisies, interspersed with greenery.

Miss Evelyn West played the traditional wedding marches and accompanied Miss Zoe Reynolds who sang "I Love You Truly" and "Because". Miss West and Miss Reynolds are student nurses at Lubbock Memorial Hospital, Lubbock.

The bride given in marriage by her father, was attractive in a white linen suit, white picture hat and white accessories. She carried her mother's prayer book topped with a white orchid.

Miss Lavern Rhine, student nurse at Lubbock Memorial Hospital and Texas Tech, daughter of Mr. and Mrs. L. G. Rhine of Lockney attended as bridesmaid. She was dressed in a pink linen suit, white accessories, and carried a colonial bouquet of carnations and daisies.

Rae Thornton, brother of the bridegroom, acted as best man. Ushers were Olin Thornton of Amarillo, brother of the groom and Easton Blenden of Lubbock, brother of the bride.

The bride's mother wore a black and white checked suit, black accessories and a white carnation corsage. The bridegroom's mother wore a black suit with black accessories and a corsage of white carnations.

Mrs. Thornton is a 1947 graduate of Lockney High School and has been attending nurses training at Lubbock Memorial Hospital and Texas Tech. Mr. Thornton is a graduate of Lockney High School with the class of 1946.

For a wedding trip to Carlsbad and Jal, New Mexico the bride chose a British tan suit with green accessories. The couple will make their home in Floydada where Mr. Thornton is employed with a lumber company.

LAVERN RHINE ELECTED NURSE CLASS FAVORITE

Miss Lavern Rhine, daughter of Mr. and Mrs. L. G. Rhine, has been chosen class favorite of the freshman class of Nurses at Lubbock Memorial Hospital, Lubbock, where she is in training as a student nurse. Lavern is a graduate of Lockney High.

Serving foods in the dishes in which they were baked saves time and energy for there will be fewer dishes to get out, wash and put away.

Do not buy enough poultry mash to last over six weeks because long storage periods cause loss of vitamin A content in feeds.

Sterley News

By B. A. HOWELL

Mr. and Mrs. Emmett Johnson with their boys, Jerry and Billie Dale spent the week end with Mrs. Johnson's parents the W. B. Mitchell family.

Emmett is a wheat farmer by profession and stated he had spent the last two weeks watching most of his thousand acres of wheat leave via air.

Have sadly witnessed the same procedure and assure you it not a pleasant sight to behold.

Miss Juanita Tinsley came Friday evening to spend the week end with her parents Mr. and Mrs. Roy Tinsley. Juanita is attending Wayland College again this year.

Mrs. M. O. Buchanan with her children, Ella Mae and the two twins visited in Lubbock from Friday night till Monday morning in the Herschel Buchanan home and also visiting Porter Buchanan who they had not seen for quite some time.

Mrs. G. E. Patterson returned from Temple Saturday where she had gone for a check up and reports she obtained favorable reports and is now feeling fine.

Mrs. Patterson returned by way of Haskell where she visited with her father and mother Mr. and Mrs. J. F. Jeter and her parents drove her home for a short visit—returning to Haskell Monday.

Mr. and Mrs. L. L. Rhodes and Janey visited in Palo Pinto over the week end—returning Tuesday.

Glover Russell the night operator at the depot drove down to Jayton Monday for a short visit with his wife and baby but had to be back on duty for his regular trick 9:30 PM to 5:30 AM. The Russell family will move from Jayton this week and will occupy the M. A. Boone residence near Sterley.

Visitors in the L. A. Claborn home from Saturday evening till Sunday afternoon were Carl Claborn and Wayne Curry of Clayton, New Mexico and Miss Vera Faye Claborn of Amarillo.

Mr. and Mrs. G. P. Nelson visited in the vicinity of Lorenzo over the week end after enjoying a visit from their nephew Grady Scarbrough on Friday—the Nelsons drove down with Mr. Scarbrough and returned Sunday afternoon.

A. H. Sulter one of our brakemen on the Dimmitt run visited his mother in Amarillo over Sunday.

Mrs. W. B. Mullins was shopping in Plainview Friday of last week.

Kathleen Davidson spent Sunday in the Roy Tinsley home.

Quite a few of Sterley fans attended the fights in Lockney Friday night.

Mrs. Clyde Shearer, the former

Sets Record Despite Handicap

LAFAYETTE, VA.—Thirty-two years without missing a Sunday at her church school, in spite of the handicap of helpless invalidism, is the record of cheerful Miss Lillian Wallthall of this community. She and her father, J. G. Wallthall, her wheelchair chauffeur, have just been honored in a commendation from Dr. M. Leo Rippey of Nashville, Tenn., director of the Department of Christian Education of Adults of The Methodist Church.

Their citation for fidelity was made in connection with the April-May "Crusade for Christ" effort to increase adult attendance in the 37,450 Sunday schools of the denomination.

With the Wallthalls is the Rev. E. W. Dean, their pastor.

Mrs. Irene Winters Aks For Office Of Assessor-Collector

Mrs. Irene Winters this week has authorized the announcement that she is a candidate for the office of Assessor-Collector of Floyd county, subject to the Democratic primary.

Mr. and Mrs. Winters have been residents of Floyd county since 1928, except for a short time while they were home-steading in New Mexico, and Mrs. Winters has been employed as a teacher in Floyd County Public schools for 14 years of that time. She is now teaching at Cedar Hill and the couple are making their home there. Mr. Winters is a barber at Looney's Barber shop in Floydada, and has been most of the time since they have made their home here.

"If the people give me the office of assessor-collector, I feel sure that I can give them good service in this important task," Mrs. Winters said. "The office of assessor-collector would be a wonderful opportunity for me and I will greatly appreciate the serious consideration of every voter."

Mrs. Winters is well-known in many of the communities of the county but plans to make an active campaign, she said. (Political Advertisement)

sale will run from April 1 through April 13.

It pays to plant pure, sound, disease-free seed of varieties best adapted to local conditions.

Weekly SURPLUS NEWS

More than 80 communities throughout the length and breadth of Texas now have surplus chapels purchased through the War Assets Administration. In the state, a total of 109 churches, schools and veteran or charity groups received the chapels. Awards were approved by the office of Chief of Chaplains at prices ranging from \$271 to \$3100 per building. Top on the list for number of chapels received were Dallas and Abilene, with six buildings each. Other towns receiving more than one included Grand Prairie, Waco, Brownsville, Wichita Falls, Mineral Wells, Brownwood, Belton and San Antonio. The chapels came from 36 military installations in every section of the state.

Although priority claimants submitted purchase offers on all buildings for offsite use during a recent sale at Laughlin Air Field, near Del Rio, these claims were allowed on only 144 build-

Byrd Well Has Show Of Oil

The No. A. E. Byrd oil test, located two miles northeast of Petersburg is causing a lot of oil excitement again in the Petersburg area. The well is in the process of being developed and some oil has been recovered from it reports say. Lease and royalties in the area are skyrocketing. Leases as far as several miles away were ranging from \$10 to \$30 an acre and mineral rights were ranging from \$150 to \$250 an acre within several miles of the well.

Byrd first leased the land in 1940 on a five-year basis to Humble for \$17 an acre and after the dry hole was pronounced, the lease lapsed and it was recently released to General American, which acquired the hole. How much Mr. Byrd got for the last lease is a mute question; some say \$20 an acre while others say \$50.

The project is two miles northeast of Petersburg and 600 feet from east and south lines of the southeast quarter of the northeast quarter of section 17, block K, TTRR survey.

In 1941, it was drilled to a total depth of 6,756 feet, and ended in granite.

Oil Is Recovered

General American went into the old hole and cleaned out to 6,747 feet, drilling out a plug at 5,250 feet. Five and one half-inch casing was run inside the old casing to 6,680 feet and cemented with 25 sacks.

Operator then perforated from 6520 to 6540 with 24 shots and ran a test from 6500 to 6540 with the tool open two hours. Recovery was 2040 feet of salt water.

A retainer was set at 6500 and the next perforations were at 6250-60 and 6275-85, both with 24 shots. A drill stem test, open 35 minutes, from 63-

30 to 6,500 feet, recovered 1800 feet of salt water cut mud.

Another plug was set at 6,621 feet and perforations made at 5,925-16. The tool was open 36 hours and three barrels of free oil recovered in swabbing of the drill pipe.

A bailer run showed 4,500 feet of fluid in the hole; 1,300 feet of salt water and 3,200 feet of oil.

General American recently took a spread of leases out of a block of more than 3,500 acres which had been assembled around the old dry hole by M. B. Arick of Midland, whom Meadows credits with the idea of going back into the old hole.

Arick got hold of some of the cuttings from the original drilling and studied them carefully. They showed some signs of oil, Humble reported in 1941, but at the time the well was drilled those signs were not considered of any great importance.

There is a possibility that a study of the samples from the project will provide new geological information—at least—which might be used as the basis for more exploratory development in the region.

Arick kept a considerable acreage of leases out of the block in the deal with General American.

REA Prospects Good Cong. Mahon Says

Washington D. C.—Farm families who have waited for months or years for the REA line to reach their homes can now take fresh hope, according to a report received from Congressman George Mahon. Last week the House of Representatives by a vote of 199 to 154 passed an Amendment providing for \$175 million in REA loan funds to become immediately available upon approval by the Senate and the President, which is expected within three weeks.

The House has also approved an additional \$400 million in loans for the REA to become available on July 1st.

Mahon advises that this represents the most ambitious REA program ever undertaken in the history of the nation. Prospects are that abundant funds for the REA will be available for a period of at least one year. However, there will still be delays brought about by the inability of the REA office in Washington to process applications with sufficient speed and for the reason that abundant construction materials are not yet on the market. Fortunately, in recent weeks the material situation has definitely improved.

Mahon is a member of the Appropriations Committee and joined with other friends of the REA in Congress in the successful effort to provide additional funds. Such funds are provided in the form of loans to REA Co-ops which are repaid with interest to the Government.

The first book in ten years to deal exclusively with the subject of wind waves, their origin, characteristics and effects, has been published by the U. S. Navy's Hydrographic Office.

Texas Lutherans Meet At Seguin

The Texas District of the American Lutheran Church opened its annual convention at Texas Lutheran college Monday evening at 7:30 with a Divine Service, including Holy Communion. Dr. Em. Poppen, President of the American Lutheran Church, Columbus, Ohio, preached the sermon. Floor committees met at 2:00 P. M. to arrange reports, recommendations, and nominations for the ballot for the convention.

Dr. Poppen used as his text "The Word of God is Not Bound."—2 Timothy 2:3.

The theme of the American Lutheran Church for 1948 which will be stressed throughout the United States and Canada is "Christian Citizenship." Mr. Carl F. Reuss, Ph. D., Executive Secretary of the Board of Charities of

the American Lutheran Church, will speak on this subject, while Dr. W. A. Stefes, Vice-president of the Texas District, San Antonio, Texas, will address the convention on "From Service Emphasis to Christian Citizenship."

Some of the principal things to be discussed in this convention will be Visual Aids, Christian Higher Education, and Parish Education. In connection with Parish Education, the Rev. W. A. Flachmeier, Austin, Texas, will be installed in connection with this convention as Director of Parish Education in the Texas District. This is a newly created office. The purpose of this office is to develop better Sunday Schools, better Confirmation Instruction, better Bible Vacation Schools, and possibly Parish Schools. The Lutheran Church is becoming aware of the fact that one of the diseases in America leading to juvenile delinquency, crime, and gener-

al bad citizenship is due to the fact that there is too little knowledge of the Bible and insufficient conscientious conviction on Christianity.

Another matter of great importance coming up in this convention is "Lutheran World Action." Rev. Carl E. Lundquist, Executive Secretary, National Lutheran Council, will speak on this matter. The Lutheran Church has

already spent around \$15,000,000 in the last two years for spiritual and physical rehabilitation in Europe.

Another important thing of which the Lutherans in Texas are very proud will be the lifting of Texas Lutheran College from a junior college to a senior college. All arrangements have been made, together with equipment and buildings, to open the Senior Col-

Brown and Mrs. Wilkes remained for a two weeks visit as Miss Brown was unable to return with the group.

The Navy has taken over nearly 650,000 acres of public lands at Inyokern, California, as proving grounds for guided missiles and rocket research programs.

FW&D Offers Trip As Essay Prize

FORT WORTH (Spl.)—An essay contest, with a 10-day all-expense, escorted Colorado vacation trip as the prize to each of five winners, has been announced by Fort Worth and Denver City Railway and its subsidiary, The Wichita Valley Railway, as a part of the observance of the 75th anniversary of the chartering of Fort Worth and Denver City Railway Company by the Texas Legislature on May 26, 1873.

The subject of the essays submitted in this contest is to be, "The History of Fort Worth and Denver City Railway (or The Wichita Valley Railway) in My Home County".

It is pointed out by the railroad's headquarters in Fort Worth that a wealth of material on the early day history of Fort Worth, West Texas, and the Panhandle is tied closely to the history of the railroad itself, and that all historical data is acceptable for the essays submitted, such as records, stories of incidents recalled and repeated by old settlers, old newspaper articles, matter from history books, biographies, etc., supported by early day photographs of the railroad's construction or operation, if desired by contestants.

Detailed information relating to the contest rules and all of the features of this Diamond Jubilee celebration of 75 years of growth and development with West Texas, the Panhandle, and Plains areas are to be shown in a series of advertisements to appear in newspapers throughout the West Texas area served by Fort Worth and Denver City and Wichita Valley Railways during the next six weeks.

Five contest districts have been designated, and the counties through which these railroads operate have been allocated to each district.

The essay contest rules are simple. 1. Any resident of a county in which these railroads operate is eligible to participate, except employees of Burlington System Lines, comprised in Texas of Fort Worth and Denver City Railway, and The Wichita Valley Railway, and members of their families.

2. The subject of the essays must be, "The History of Fort Worth and Denver City Railway Company in My Home County"; in counties through which The Wichita Valley Railway operates, the subject is to be, "The History of The Wichita Valley Railway in My Home County." In Wichita County where both railroads operate, a contestant may write about either or both.

3. All essays submitted must be de-

DETAINED . . . Mme. Irene Joliot-Curie, Nobel prize-winning physicist and daughter of the discoverer of radium, was detained by U.S. immigration officials upon her arrival in New York but released a few hours later. She is connected with the Joint Anti-Fascist Refugee committee, labeled as subversive by Justice department.

livered to a ticket agent of Fort Worth and Denver City Railway, or The Wichita Valley Railway, or sent in by mail, addressed as follows, according to the district in which the contestant lives:

Lubbock District—
Burlington Lines General Agent
1805 Avenue G
Lubbock, Texas

4. All essays must reach a Fort Worth and Denver City Railway or a Wichita Valley Railway ticket agent, or the proper address by, or post-marked to show that they were in the mail by, Monday, May 10, 1948.

"This contest should be particularly appealing to high school, college, and university students, and any others interested in winning a 10-day vacation trip to Colorado's mountains", said Robert L. Hoyt, General Passenger Agent.

5 NATIONS SIGN MUTUAL AID PACT

Brussels, Belgium—Foreign Ministers of Britain, France, Belgium, the Netherlands and Luxembourg have signed a historic treaty of mutual military aid and economic and social co-operation to run for fifty years.

The pact binds these five western European nations to give "all military and other aid and assistance" if one of them is the victim of "an armed attack in Europe," in accordance with Article 51 of the United Nations Charter.

The U. S. Naval Reserve now contains more than 900,000 officers and

4-H Girls Keep Up With "New Look" Make Own Dresses

What is the average 4-H Club girl in a small town or on a farm doing to acquire the "new look" in clothes?

* She is making her own clothes according to latest fashion trends, and seeing to it that every outfit is becoming to her type and expressive of her personality. She is acquiring the knowledge and skill necessary to make suitable costumes for work, school and social occasions through taking part in the 1948 National 4-H Dress Revue.

Participation in that program affords the 4-H girl the opportunity to model her "best" dress in her local county revue. If she wins a medal of honor, she may enter the State Dress Revue, the winner of which will receive a \$25.00 U. S. Savings Bond and appropriate ribbon.

Last year's state winner in Texas was Joline Dyer of Houston.

Seven hundred seventy-five county winners received medals in 1947.

TECH HOME COMING SET OCTOBER 30

LUBBOCK—Date for the 1948 Homecoming of Alumni and ex-students at Texas Technological College has been scheduled Oct. 30, the Alumni association announces.

Highlight of the day will be the football tussle between Texas Tech Red Raiders and the Rice Owls. More than 5,000 alumni and ex-students are expected to attend the annual event.

OUR MODERN ARMY AN EDUCATED ARMY

A modern Army is an educated Army.

In recognition of this precept, the Army has taken certain steps to see that her soldiers have every chance for a normal education.

Innovations designed to attract highest calibre recruits on the high school and college levels were motivated by recognition of the individual's importance in military service.

Backbone of the Army's specialized training program is the system of major technical schools operated by the Army itself.

Under a new pre-selection school plan, high school graduates choose their technical school before enlistment.

The Secretary of the Navy rates a 19-gun salute upon arrival and departure at Naval activities.

IT'S "YOUR" PUBLIC SERVICE COMPANY

A lot of folks in the Panhandle Plains Pecos Valley area really mean it when they say "our Public Service Company." Yes, folks all through the area we serve have an interest in our company. Some of them are direct stockholders, others have money invested in banks, building and loan associations, or other institutions which have made capital available to us to bring you better electric service.

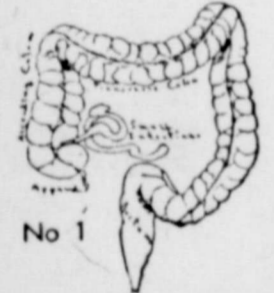

In more ways than one we're likely to be "your" Public Service Company.

SOMETHING NEW HAS BEEN ADDED!

WE OFFER FREE TO YOU

A physical examination and explanation of Oxygen Therapy to those who have not had the opportunity to avail themselves of this scientific method of eliminating distress and disease.

No 1 This is the way your colon should appear.

DR. J. J. DAVIS, D. C. DIAGNOSTICIAN, LOS ANGELES, California will be at this office during the week of April 12-17 only, to assist us.

Please make appointment if possible for our time will be limited.

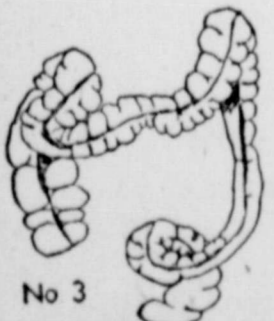

OXYGEN THERAPY is a method used to assist Chiropractors in helping to correct the colon by the use of pure OXYGEN and WATER.

No 2

PICTURE 1 — Shows your colon as it should appear.

PICTURE 2 — Is a typical case of colitis, as it appeared at one of our colon clinics. More than likely your colon will show two or more of the defects depicted in Picture 2. This illustrates ptosis, or a falling of the transverse colon. Also shown is a spastic colon colitis condition, with abnormal loops and adhesions caused by constipation.

No 3

PICTURE 3 — Here is a retake of Picture 2 after a course of colon treatments, showing correction of abnormal loops in bowels and improvements of a specific condition.

Do You Have

- Headaches
- Asthma
- Hay Fever
- High Blood Pressure
- Low Blood Pressure
- Sinus Trouble
- Arthritis
- Rheumatism

WOODBURN

(Continued from Page 1)

ton. It was at Dimmitt that he married one of Dr. Stapleton's daughters, Miss Lulu, on April 18, 1909. The couple lived there until 1914 when they moved to Lockney where they purchased a drug store.

Mr. Woodburn sold the store in 1918 and made preparations to enter the Army during World War I, but the Armistice was signed and he was not called. However, he continued work in the store and has been associated with it since.

Survivors include his wife, one son, Pat, and wife and one granddaughter, Dianne, who live at Van, Texas; three brothers, W. R. Woodburn of Dimmitt, J. D. Woodburn of Claude, and E. R. Woodburn of Los Angeles, Calif.; three sisters, Mrs. Geeta Squires of Fort Worth, Miss Mattie Woodburn of Hereford and Mrs. Edgar Betts of Clovis, N. M.

Funeral services were held at the Lockney Baptist Church Monday afternoon at 3 o'clock. A crowd which filled every available seat in the church, stood in the vestibule and overflowed onto the church yard testified to the esteem with which he was held by the people of this area. The services were conducted by Rev. E. J. Cobb, assisted by Rev. A. L. Shaw, Baptist pastor of Happy and Rev. R. H. Campbell, local Methodist pastor. Flowers from sympathetic friends covered the entire front of the church. Burial was in the Lockney cemetery. Carter Funeral Home of Lockney had charge of arrangements. Pall bearers were S. G. Miller, Frank and Robert Thomas, Gid Talley, Conde Davis, and J. D. Copeland.

School Lunchroom Serves 6500 Meals

The Lockney Grade School lunchroom has completed its first month of operation and has averaged feeding 275 children per day. About 6500 meals were served the first month. This is an average participation per enrollment of approximately 55% of the entire grade school.

Meals are served to children for 25c and a student is allowed to serve himself until he is completely satisfied. Second and third helpings are not uncommon to children in the upper grades. The meals are prepared under the supervision of Mrs. Carl McAdams and cooks, Mrs. S. H. Logan, Mrs. F. A. Cuyus, Mrs. Olive Myers and Mrs. Della Wilson. These students who are not able to pay for meals are served without cost and during the first month of operation meals were served free to 500 students. The general public is invited to inspect the lunchroom at any time and see the nice provisions that are made for the school lunches.

Card of Thanks

We are deeply grateful to everyone of you for your many kindnesses and the sympathy shown us at the death of our loved one. Your goodness to us has helped us to bear our great loss and we shall always remember you. May God bless each one.

Mrs. Estes Woodburn
Mr. and Mrs. Pat Woodburn,
The Stapletons

POLITICAL Announcements

The Beacon is authorized to announce the candidacy of the following for the office indicated above the name, subject to action of the Democratic Primaries:

W. H. (HUGH) COUNTS
BERT BOBBITT
W. F. (CAP) CARTEL

Ginn Resigns; Caven Manager Of Service Co.

With the resignation of Guy Ginn, as manager of Floydada district for the Southwestern Public Service company, George B. Caven, who comes from Amarillo, took over as manager.

Ginn resigns to be associated with the H. M. McDonald hardware. Caven, career man with Southwestern, has had various assignments with the company for 21 years. During the war period he was in operations, personnel, commercial and management departments as needed.

Mr. Caven came to the West Texas properties of the light company in 1943, from Arkansas, and began as assistant division manager at Clovis, New Mexico. In 1944 he went to the general commercial department as dealer coordinator and light specialist. Last year he spent six weeks taking a course in farm electrification at A. & M. college. He recently asked for an assignment as a manager and came to Floydada with the resignation of Mr. Ginn.

The youngest age at which one may be married in the U. S. is 14 years for men and 12 for women.

Use of Weed Killer Boosts Corn Yield

2,4-D Spray Increases Output by 18 Bushels

First large-scale experiment using butyl ester of 2,4-D for control of weeds in corn fields has definitely proven the chemical to be unharmed to corn and has resulted in increased yields up to 18 bushels per acre, a check on a number of Henderson, Ky., farms indicate. Applied to some 18,000 acres at a cost of less than \$10,000, 2,4-D was

John Pfingsten, Henderson, Ky., farmer, is pictured with piles of corn harvested from treated and untreated plots. The corn in the left pile was gathered from the treated field and had an average ear weight 23 per cent greater than that of the untreated corn shown at right.

gives credit for saving the last corn crop in that section. Fields treated with 2,4-D and later cultivated yielded 86.8 bushels of corn per acre as against a yield of 68.68 bushels per acre for a comparable field which had only been cultivated.

The fields checked had been sprayed with butyl ester of 2,4-D applied by a low-gallonage method requiring less than a pint of the weed-killer to five gallons of water per acre. The increased yield in fields sprayed was attributed to the greatly lowered weed population. Similar beneficial results can be achieved by hand-hoeing for weed control but the high cost of hand-hoeing makes this method impractical in most cases.

Pull-Push Cart

Discarded wheels and an axle from a child's coaster wagon were used for this pull-push cart. The frame is made from 3/4-inch pipe and is welded to the axle. It is handy for moving loads of small tools or equipment as the cart is strong, light in weight and easy to pull or push.

Value of Moist Mash For Poultry Questioned

It is not necessary to feed a moist mash in order to maintain high egg production, says Washington State college. Feeding moist mash involves extra labor and presents the danger of the growth of harmful mold and bacteria, especially during hot weather.

REA recently approved a loan of \$150,000 for 136 miles of electric line for Hidalgo county, Texas.

Placings and Bidders In Livestock Show Are Given

Figures made available last week following the final check on the sale for the Junior Live Stock show reveal that the young farmers had a sale that exceeded \$12,000. The exact figures are \$12,093.31.

Of 42 calves sold the purchase weight was 34,005 pounds and the average price was 30.5 cents per pound, aggregate amount being \$10,371.33. The lambs averaged 46.75 per hundred weight and brought the boys \$205.95.

Dairy Division Winners

Unreported last week because of the close deadline was the excellent dairy show, in which 15 youthful 4-H

ANGUS EXPRESSES APPRECIATION

Mr. Edgar Hays, Lockney Beacon, Lockney, Texas. Dear Mr. Hays:

Please pass on to The Lockney business men our appreciation for their fine help in making the Floyd County Junior Livestock Show and auction sale 100% successful. We know the boys in and around Lockney were more than happy that so many of your business men were represented and for their excellent bids placed on their animals.

Yours very truly,
Floydada Chamber of Commerce
By E. L. Angus,
Gen. Supt. of Show

club, and FFA youths exhibited their animals. Awards made in this division by Ray C. Mowery of the animal, husbandry department, Texas Technological college as follows:

Dairy herd calved on or after July 1, 1947: Bobby Carmack, 4-H, first; Elmer Williams, 4-H second; Billy Carmack 4-H, third; Loene Williams, 4-H, fourth; Everett Hill, 4-H, fifth; Dairy herd calved, January 1, 1947, to July 1, 1947: R. W. Smith, 4-H, first; Don Pope, 4-H, second; Weldon Lovvorn, 4-H, third; David Catlin, FFA, fourth;

Dairy herd calved, January 1, 1946, to December 31, 1946: R. W. Smith, 4-H, first; Sam Ross, 4-H, second; Lawrence Stovall, 4-H, third;

Dairy female calved January 1, 1945, to December 31, 1945: Johnny B. Griffin, 4-H, first; Billy Carmack, 4-H, second; R. W. Smith, 4-H, third; Dairy female calved before January 1, 1945: R. W. Smith, 4-H, first; David Rape, 4-H, second; Weldon Lovvorn, 4-H, third;

Grand champion, Johnny B. Griffin, 4-H, heifer special \$15 in cash award from Floyd Creamery; Bobby Carmack, second of entire show, \$10 award from Floyd creamery; and R. W. Smith, third high in show, \$15 award Floyd Creamery.

For the best Jersey shown Johnny Griffin received \$5 in cash, for the best Holstein, Elmer Williams won the \$5 award, and Weldon Lovvorn the \$5 award for the best milking shorthorn.

Fat Calves Class

First light weight calf and champion

THANKS FOR BOYS

Lockney Vocational Agriculture Instructor F. L. Montandon this week expressed thanks to the business men of Lockney who helped in purchasing FFA boys stock at the Floyd County Junior Livestock Show at Floydada last Wednesday. "It meant the difference between profit and loss to the boys and we sincerely appreciate the business men's help in the auction," Mr. Montandon said.

of the show fed and exhibited by R. W. Smith Baker, 4-H;

bricht, Pleasant Hill, 4-H; Light hog, reserve champion of the show, Gordon Hambricht, Pleasant Hill, 4-H;

Second heavy pig, Kenneth Gott, Floydada, FFA; third, Dale G. Smith, Lakeview, 4-H; fourth, Seth Johnson, McCoy, 4-H; fifth, John B. Griffin, Lockney, 4-H; sixth, Don Kirk, Floydada, FFA; seventh, Dale G. Smith, Lakeview, 4-H; eighth, Lavon Shearer, Pleasant Hill, 4-H; ninth, Seth Johnson, McCoy, 4-H; tenth, John B. Griffin, Lockney, 4-H; Third, light weight hog, Kenneth

Gott, Floydada, FFA; fourth, Bob Hambricht, Pleasant Hill, 4-H; fifth, Carrol Johnston, McCoy, 4-H; sixth, Leon Morgan, Lockney, FFA.

First pen of three, Bob Hambricht, Pleasant Hill, 4-H; second pen, Lale G. Smith, Lakeview, 4-H; third pen, Seth Johnson, McCoy, 4-H; fourth pen, John B. Griffin, Lockney, 4-H; fifth, Kenneth Gott, Floydada FFA.

Junior Live Stock Buyers

The list of bidders at the Junior Live Stock Show was the largest by far as yet enjoyed by any sale staged by the 4-H and FFA boys in one of their Floyd county exhibitions of fat animals. There were numerous bidders who helped in getting prices to higher level who didn't actually get any animals. The buyers' list included:

First National Bank of Floydada; Lockney Implement company, Lockney; Patterson Grocery Floydada; Oden Chevrolet company, Floydada; Stewart Cleaners, Floydada; Glad Snodgrass, Floydada; Bill Smith, Lakeview; Bishop Motor company, Floydada; Spot Cash grocery Mator; Parker Furniture company, Floydada and Lockney; Martin & Company, Floydada; Felton-Collins Grocery & Market, Floydada; O. P. Rutledge, Floydada; Scott Gin company, Floydada; Floyd County electric, Floydada; Producers Coop elevator, Floydada; Ott Wadding, Floydada; R. C. Henry, Floydada; Charlie Lewis, Whiteflat; R. F. Stovall, Floydada; Farmers Grain company, Floydada; Piggly-Wiggly, Floydada; King Grocery, Floydada; John W. Kimble, Floydada; Jim Willson, Floydada; Massie Whole Grocery, Floydada; D. W. Pyffe, Floydada; O. G. Glassmoyer, Floydada; Consumers Fuel Association, Floydada; Darnall Grocery, Lockney; O. L. Stansell, Floydada; Southwestern Public Service company;

Lockney Beacon, Lockney; Lockney Drug, Lockney; Joe Handley, Lockney; J. C. Penny company, Floydada; Wait Griffith, Lockney; Rose Food store, Lockney; V. M. Manning, Petersburg; Rudy's Service Station, Floydada; John Smith, Floydada; John Farmer, Floydada; R. E. Fry, Floydada; H. M. McDonald, Floydada; Arwine Drug company, Floydada; Hesperian, Floydada; Dr. G. V. Smith, Floydada; W. S. Poole, Dougherty; Billie R. Henry, Floydada; A. B. Keim, Floydada; Russell King, Floydada; Sparks & Alexander, Floydada; Leonard's Cafe, Floydada; A. L. Hartzog,

Floydada; E. L. Angus, Floydada; Hull & McBrien, Floydada; Bishop Pharmacy, Floydada; Jack Brian, Lockney; Lunch Box Cafe, Floydada; White Auto Store, Floydada;

Arch Crager, Lockney; Frank Perkins, Lockney; F. L. Brown, Lockney; Wofford Wood Shop, Lockney; Lockney Lumber & Supply, Lockney; Burnier Lumber Co., Lockney; Jackson Tire Co., Lockney; Consumers Fuel Assn., Lockney; Lockney Auto Co., Lockney; Patterson Grain Co., Lockney; Spears Gin, Lockney; Lockney Gin, Lockney; Pylant Grocery, Lockney; Maier Food Store, Lockney;

Piggly-Wiggly organization put a floor under the calves offered in the sale, the animals being divided into first, second and third groups, at 27 cents, 26 cents and 25 cents per pound. Through bidding and re-sale Piggly-Wiggly obtained 16 of the total number of calves sold.

Smith & Smith Hog company were

the floor bidders on the swine and handled a large per cent of the animals at re-sale that went through the ring.

Crew Starts Lake Work on New Highway

Howard McLaurin is superintendent for Bryan & Hoffman, contractors on the 7.1 mile farm-to-market road from Highway 70 to Lakeview. He put a crew of men to work Monday of last week.

First jobs undertaken were fills across two lakes and these jobs will be followed with work on dumps, Resident Engineer James F. Potts of the Highway department, said.

Contract price is less than \$50,000, Mr. Potts estimates that if weather is favorable the road will be finished by the opening of the harvest.

Social Security Man To Be Here Wednesday

Elliott W. Adams, Social Security Administration Representative will be in Lockney at the U. S. Post Office at 9: 00 a. m. on Wednesday, April 14, 1948, for the purpose of answering any questions you may have on social security; discussing possible

benefits and taking claims from persons who seem to be entitled to benefits; and taking applications for social security account number cards. Are you losing social security payments every month? Mr. Adams, manager of the Lubbock social security office, said today that the Social Security Administration is anxious to protect the interests of all workers

and their families, but that his office cannot do this unless workers aged 65 and the families of deceased workers make sure to contact promptly the social security office at 1311 Texas Avenue, Lubbock, Texas. No payments can be made without a signed application.

STAMP PAD INK at The Beacon

Position With State Agencies Now Open

The Merit System Council, which serves as a "clearing house" for positions in Texas Employment Commission and the State Department of Public Welfare, will hold open competitive examinations on May 15, 1948, for a number of positions now open in both agencies, according to Chas. S. Gardiner, Director of the Merit System Council.

Positions to be filled by these agencies consist of Field Worker, Child Welfare Worker, and Senior Child Welfare Worker, Stenographers, Clerk-Typist, Clerks, Receptionist, Junior Tabulating Equipment Operator, and Key Punch Operator. Qualifications for these positions vary from high school graduation to college work and experience requirements.

Gardiner pointed out that application to take an examination must be made on an official application blank, which may be obtained by writing the Merit System Council, 808 Tribune Building, Austin, Texas, or from the Employment Commission and Department of Public Welfare local offices located throughout the State. "The closing date for submission of applications postmarked after midnight on the closing date will not be considered," he added.

Gardiner also stated that these examinations present to people the opportunity for permanent employment with the Texas Employment Commission and the State Department of Public Welfare.

WEST POINT HAS BIRTHDAY

FOR SAM HOUSTON, Texas.—The founding of the United States Military Academy at West Point, N. Y., was celebrated April 2nd by West Point Societies and other groups throughout the world.

At Fort Sam Houston, a stag dinner was held in the Officers' Club and similar observances were held at Fort Sill, Oklahoma, and Fort Bliss, Texas. Although the Military Academy was founded March 16th, 1802, the celebration is traditionally held the Saturday evening nearest this date. However, it was decided this year to hold a joint celebration honoring the recent unification of the Armed Forces of the United States.

Appreciation Dinner

LAVERNE ROACH—will be honored at an appreciation dinner sponsored by the Plainview Optimist Club at the City Auditorium in Plainview on April 15 at 7:30 p. m. A barbecue with all the trimmings will be prepared by John Snider and entertainment by Cal Farley is scheduled. Proceeds will be used to further boys work in this area. Tickets at \$2.00 are on sale at The Beacon Office and at Powers Pharmacy in Lockney.

A little effort to get rid of rats will pay big dividends by preventing damage to stored food, grain, baby chicks and other property. Keeping feed in rat-proof containers and using poison are two things that will aid in the war against rats.

The ideal laundry center is a space on the main floor of the house that is convenient to the clothesline, and with plenty of hot and cold running water.

College students take life slow and easy—even to graduation by degrees.

HOUSTON MAN WILL DELIVER TEXAS TECH COMMENCEMENT ADDRESS

Lubbock—Sterling C. Evans, president of the Federal Land Bank of Houston, will deliver the commencement address at Texas Technological College June 7, Pres. W. M. Whyburn has announced.

Approximately 500 students will receive degrees in June, making the 1948 graduating class the largest in Texas Tech history, Registrar W. P. Clement estimated. Ceremonies will be concluded in Jones stadium, beginning at 8 p. m.

Evans, who graduated from Texas A & M College more than 20 years ago, has been active in helping agriculture ever since. Serving as boy's club agent, 4-H club leader, and district agent of the extension service, Evans showed a sympathetic understanding of farmers' problems and applied himself vigorously and intelligently to their solution.

Because of his understanding of of farmers' cooperatives and the part they can be made to play in bettering agricultural conditions, the Farm Credit Board in 1933 selected him as the first president of the Houston Bank for Cooperatives. Holding this position for six years, he made a record that in 1930 brought him to the presidency of the Federal Land Bank of Houston.

A night club owner reports that a fool and his money are some party.

ALL GOING OUT, NOTHING COMING IN... It looks like a lot of coal, but this stockpile of the Clairton by-products coke plant at Pittsburgh was dwindling at an alarming rate as John L. Lewis' soft coal miners continued their strike for \$100-a-month pensions. Steel company officials were not committing themselves as to how long their plants could run on present stockpiles.

Dean Gordon To Be Honored At Tech Reception

Lubbock—A portrait of Dr. J. M. Gordon, dean emeritus of Arts and Sciences at Texas Technological College, will be unveiled and presented to the college at a reception in Dean Gordon's honor, from 4 to 6 p. m. Sunday, April 25, in the Recreation hall on the campus. All former students, friends and co-workers of the dean are invited. The portrait is being painted this month by John Young-Hunter, nationally known Taos, N. M. artist.

Dean Gordon was among the first faculty members to arrive on the campus in advance of the opening of the first semester in the fall, 1925. He served through the college's early years as dean of men as well as dean of Arts and Sciences. Since the emeritus status was conferred on him in 1945, Dean Gordon has remained on the Texas Tech faculty as professor of education and philosophy.

AUSTIN, Tex.—Registration for the University of Texas two six-weeks summer session will be held June 2. For students now enrolled in the University, pre-registration will be held April 14, 15, and 16.

WIN AN ALL-EXPENSE 10-DAY VACATION TRIP to Beautiful Colorado!

ENTER FORT WORTH and DENVER CITY RAILWAY'S

Diamond Jubilee ESSAY CONTEST

1873 • 75 YEARS OF PROGRESS • 1948

A GLORIOUS TRIP FOR 5 WINNERS

WRITE AN ESSAY on "History of Fort Worth and Denver City Railway (or The Wichita Valley Railway) in My Home County." Your essay may win you a thrilling ten-day, ALL EXPENSE, escorted trip by Texas Zephyr to Beautiful Colorado.

HERE'S HOW YOU ENTER

Take your essay to any ticket office of these railways, or mail it to "ESSAY CONTEST," at the address shown below for your district. Write your name, address and home county plainly.

CONTEST CLOSES MAY 10th!

The big DIAMOND JUBILEE Essay Contest closes May 10, 1948—so check courthouse records—talk to old settlers—look at newspaper files! Get your essay in—it may be the winner in your district.

READ THESE EASY RULES

- 1. Subject of essay must be "History of Fort Worth and Denver City Railway (or Wichita Valley Railway) in My Home County."
2. Any resident of a county in which these railways operate is eligible, except employees of these railways, their advertising agencies, and their families.
3. Contest closes May 10, 1948. All entries must reach a Fort Worth and Denver City or Wichita Valley Railway ticket office not later than 5:00 p. m. that date, or be mailed to "ESSAY CONTEST," at the address shown for your district, postmarked not later than May 10th. No entries returned. All essays become the property of...

Lockney Fighters Defeat Amarillo

The Lockney school boxing team came out on top in their match last Friday night with the Amarillo team. Lockney won seven bouts while Amarillo was winning five.

Although most bouts lacked action that has been seen in fights here, the last fight of the night between Calvin Fyle and Kent Hodges proved a corker. Fyle won the fight but was unable to put Hodges down for the count. He floored the Amarillo boy twice in the first round but Hodges came back in the last two and put up a much better fight.

Results of other fights were: Tommy Ferguson defeated C. L. Turner, both boys of Lockney, weighing 73 pounds.

Glen McLeod at 83 pounds defeated Jack Cook, 84, both of Lockney.

Ronald Reece at 85 pounds defeated Paul Gatlin at 85 of Amarillo.

Harold Griffith of Lockney at 95 pounds lost a decision to Eddie Moore of Amarillo at 95 pounds.

Harold Hall of 105 pounds won over Jodie McCarty of Amarillo at 100 pounds.

Hershel Horston at 105 pounds lost a decision to Raymond Blackwell of Amarillo at 105 pounds.

In an all-Amarillo fight John Stewart at 115 pounds defeated Bill Chandler at 115 pounds.

Charles Dipery at 122 pounds defeated Skeeter Haggerton of Amarillo at 122 pounds.

Ted Livesay at 125 pounds defeated Earl Chism of Amarillo at 125 pounds.

Bill Bybee at 129 pounds lost a decision to Claude King of Amarillo at 129 pounds.

Ray Ferguson at 140 pounds defeated Richard Stockton of Amarillo at 140 pounds.

Don Bybee at 154 pounds defeated Don Bildebeck of Amarillo at 155 pounds.

Robert Quisenberry at 180 pounds

lost a decision to Gene Saunders of Amarillo at 211 pounds.

Charles Hammitt at 152 pounds lost on a kayo in the first round to Billy Duncan of Amarillo at 152 pounds.

BIG FISH STORY

Lowell Jarrett and Lloyd Reidhimer returned Tuesday from a weeks fishing at Possum Kingdom. The boys brought back some big fish stories among them being that they had caught an 8 1/2 pound bass, the largest bass ever caught at Fox Hollow camp. They caught all together 55 bass and 40 crappie as well as a very nice sun tan. We hope this story is not the cause of someone else neglecting their work.

King Richard I was popularly known as Richard the Lion Hearted.

Hog Self-Feeder
 This New Jersey self-feeder for market pigs also may be used for brood sows that are suckling litters. Several different feeds may be supplied in separate compartments, and the pigs choose the proportions and amounts of each. One of the chief advantages of the self-feeder is the saving in labor effected, providing the feeder is large enough to hold several day's supply of feed.

Dr. Ralph Mills, a medical missionary, brought a handful of Korean lepedeza seed to the United States in 1919. The plant was growing on 10,000,000 acres of U. S. farm land last year.

FOUR-FOOTED LOBBYIST FOR ERP . . . Proponents of the Marshall plan for European recovery have pressed even a donkey (symbol of the Democratic party) into service as a lobbyist for the program. The donkey is shown lumbering up the steps of the capitol bearing a sign advocating the sending of draft animals to Europe as part of the plan.

MRS. STINEBAUGH HAS OPERATION

Mrs. Lara Stinebaugh of Lockney underwent a major operation at Scott & White hospital at Temple on Tuesday of last week. She is getting along nicely, according to her daughter, Mrs. Wanda Baker. She expects to stay at Temple two weeks.

Three-fourths of the land under cultivation in the United States is sloping enough to suffer serious erosion.

If the brooder house is given spraying with creosote or a coal tar disinfectant, the chicks should not be placed in the house for several days. The strong fumes are injurious to chicks.

Apply dormant sprays to control European red mite, San Jose scale, apple red bug, peach leaf curl and rosy aphid when buds are green tipped and the temperature is above 40 degrees.

Soil Conservation District News

The Supervisors of the Floyd County Soil Conservation District are planning a field tour to be held on May 6th to give farmers of the County an opportunity to view improved pastures, winter legumes, methods of irrigation and other conservation practices applicable to irrigated land in this County. Details of this tour will be published at a later date.

The District Supervisors have received good response from the letter that was mailed to each of the cooperators. They want thank each farmer for his donation.

The Soil Conservation Service does not have as many technicians available to assist the Floyd County Soil Conservation District as they have had in other years. Due to increased work load and many new applications, it would be appreciated if cooperators and future cooperators would give the District office several days notice of any needed assistance. This will enable our personnel to give more prompt and satisfactory service.

The technicians ran lines to water wheat for Leighton Teeple, B. A. Roberson, J. T. Huckabay, W. H. and Jim Simpson of Floydada, and C. W. Hargis, Huey Davidson and C. W. Hargis who live near Lockney.

An elevated ditch was staked for W. A. Campbell of Floydada last week.

Row directions and lines have been established for Jack Billington of Lockney.

Leslie Ferguson had some ditch lines run.

At the regular meeting of the board of supervisors Tuesday of this week the following applications of assistance were approved: O. C. Snelling, R. H. Tinsley, Leslie Ferguson, W. C. Wisdom, T. H. Chatbam and J. T. Huckabay. They also approved agreements between the District and the following farmers: V. H. Kellison, W. A. Campbell, S. J. Lewis, Jr. and R. L. Lewis, W. C. Wisdom, J. T. Huckabay, Huey Davidson, R. R. Kellison, Frank Brown, Jack Traveek, Leslie Ferguson and Arlin Stark.

The Navy Department has retained professional color consultants to work out functional applications of color for equipment, hospitals, supply depots, ordnance plants and other activities.

Watch Your Kidneys!
 Help Them Cleanse the Blood of Harmful Body Waste
 Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.
 Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.
 There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

Wanda Rhine Wins Essay Contest

Wanda Rhine, daughter of Mr. and Mrs. L. G. Rhine of Sterley community won first place in an essay contest sponsored by the Delta Kappa Gamma organization.

The result of the contest was announced at a tea at Littlefield on Saturday, April 3, given for women teachers and future women teachers of a district which comprises a large territory. The girls wrote essays on the subject "Why I Choose to Be a Teacher."

Miss Rhine attended Lockney High

School last term and is a Senior in Plainview High School this year. She was present at the tea.

FRED HARDAGE ILL

Rev. Fred Hardage, who has been pastor of several Baptist churches in this area, was stricken with a heart attack last Friday night. His condition was somewhat improved the first of this week. He is at his home in West Lockney.

Mrs. Guy Clayton and Nancy of Memphis, Tenn. arrived Sunday for a visit with her parents, Mr. and Mrs. Will McDonald, Dora Lee and Robert.

WAA is currently complying with a request from the armed services for current disposal status on a number of inactive military installations in Texas and the southwest. Pending screening of this information by the army munitions board, disposals have been halted at the Pantex Ordnance Plant, Amarillo; Bluebonnet Ordnance Plant, McGregor; the Arkansas Ordnance Works, Jacksonville, and Mississippi's Gulf Ordnance Plant, Westpoint. Where sales have been scheduled, or awards are being made, the freeze does not apply. Col. Karl E. Wallace, Grand Prairie regional director, pointed out that many real property transfers are subject to a national security clause under which the government may reclaim the property in event of emergency.

Two public sales of war housing in Texas will be held in the near future. At Laughlin Air Field, 310 buildings previously claimed by priority holders, have been released for sale to the general public on a high bid basis. The inspection period for this sale near Del Rio will continue through April 13, with bidding and awarding to be conducted April 14 and 15. At Childress Army Air Field, War Assets will dispose of 75 surplus structures by means of a similar location sale. The Childress inspection will be from April 8 through April 20, excepting Saturdays and Sundays. The sale will be held on April 21 and 22.

The War Assets Administration plans to vacate its present regional office location in the North American Aviation B plant, Grand Prairie, by June 1. A number of possible locations in the Dallas-Fort Worth vicinity are under consideration for the new regional headquarters. It will be announced as soon as determined. The move is necessitated by the pending transfer to the NAA Plant B, where WAA has been operating since November 1946, of the Chance Vought Aircraft Corporation, now of Stratford, Connecticut. Chance Vought will utilize the plant for the manufacture of jet fighter planes for the navy.

Some choice types of consumer goods are going on spot bid sale to veterans and other purchasers at the Tinker Field, Oklahoma, sale Thursday, April 8. Light plants, storage batteries, engine assemblies, raincoats, office safes and other materials making up a hundred lots of goods with a cost valuation of \$1,750,000 will go to the highest bidders through the regular priority sequence including commercial buyers. The bidding will start at WAA's Customer Service Center on the field at 9 a. m.

April will mark further streamlining of the War Assets Administration in its drive toward liquidating war surplus in the southwest. All disposal activities at five field offices will hereafter be concentrated in sales outlets at these locations known as Customer Service Centers. Such Customer Service Centers will be operated at San Antonio, Houston, Little Rock, Oklahoma City, and Jackson (Miss.). The regional office in the Dallas-Fort Worth area will continue to maintain a Service Center, as will the WAA's district office at New Orleans. So, despite a cutback during March of one third of WAA's personnel, the agency will endeavor to provide maximum convenience to the public in general and to all prospective buyers of surplus property.

plus property.

For someone who wants to run his own railroad, War Assets has two surplus passenger coaches on sealed bid sale. They're rather ancient vintage wooden cars located at San Jacinto Ordnance depot, Houston, where prospective purchasers are invited to look them over. Bids will be opened at Houston's WAA Customer Service Center April 15.

DINNED FOR ALLEN DEW

Allen Dew, prominent farmer who lives southeast of Lockney, has been ill for several weeks and was just recently released from the Co-Operative Hospital here. Last Friday Mrs. E. Davis and Mrs. B. T. Wells, friends from Finney Switch, north of Plainview, brought down a complete ready-cooked dinner for Mr. Dew and his sister, who is taking care of him. Mr. Dew appreciated the dinner very much and wasted no time partaking of his share it was reported to The Beacon. His condition is improving.

Mrs. Clarence McCandless and children visited in Amarillo last weekend.

EXERCISE CACTUS

FORT SAM HOUSTON Texas—exercise "Cactus", a map exercise for the training of Reserve and National Guard units in the Fourth Army area, will take place April 10th and 11th at Fort Sam Houston, Texas.

The command post exercise, the first large scale problem for the civilian components in the Fourth Army Area since the war, will train Division Commanders and their staffs in proper command and staff procedures at Division Headquarters Level. No actual maneuvers of troops is involved.

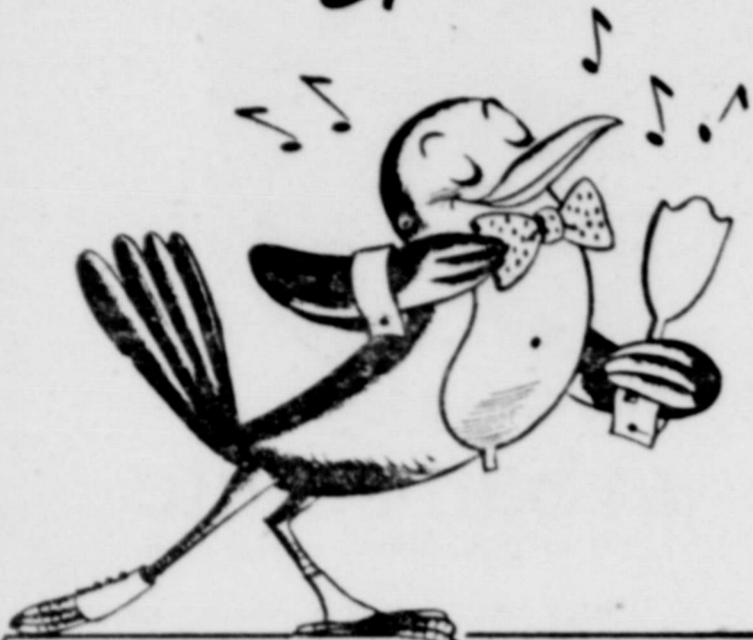

Approximately 240 officers and enlisted men from Texas, Oklahoma, New Mexico, Arkansas, and Louisiana will participate. Represented will be five infantry divisions two armed divisions, and one Anti-aircraft Artillery brigade.

ana will participate. Represented will be five infantry divisions two armed divisions, and one Anti-aircraft Artillery brigade.

Taking part in the exercise will be the 90th and 95th Infantry and 22nd Armored Divisions of the Organized Reserve and the 36th, 39th and 45th Infantry and 49th Armored Divisions of the National Guard. The 111th AAA Brigade will provide simulated anti-aircraft support.

Dispose of any canned food that shows signs of spoilage so that it cannot be eaten by humans or animals. It does not pay to take chances on food that may be harmful.

MR. AND MRS. CLEATIS JEFFCOAT

Lone Star News

Mrs. Jack Frizzell, Correspondent

The Lone Star Baptist Church will begin a two week's revival meeting next Sunday morning April 11. Every one is invited and urged to attend these services. Also any one who will prepare lunch for the visiting preacher, would you please contact one of the following: Mrs. W. T. Rankin, Mrs. Henry Rowell or Mrs. Jack Frizzell.

The school children will present their end of school program next Friday evening (tonight) at 8:00. The public is invited to attend.

Twin sons were born to Mr. and Mrs. J. B. Mercer last Monday morning. One of the infants died on Tuesday. Services were held at a Plainview funeral home on Wednesday with burial at the Lockney cemetery.

Mr. and Mrs. W. T. Rankin entertained Wednesday evening of last week with a six o'clock dinner to honor their house guests, Mr. and Mrs. W. H. Rankin of Pottsville, Arkansas. Other guests were Mr. and Mrs. E. Rankin of Plainview and Mr. and Mrs. Tom Rankin of Lone Star. On Thursday morning Mr. Rankin took his parents to Amarillo where they caught a train for home.

Mrs. Lowell Jarrett had as her dinner guests last Monday evening, Mr. and Mrs. Lee Davenport of Silverton, Mr. and Mrs. Joe Earl Davenport of Amarillo, and Mrs. Arlie Barnett and son, also of Amarillo.

Mr. and Mrs. Vincent Smith have recently sold their farm to a Stamford man. The Smiths will move in the near future to Amarillo, Texas.

We are all very sorry to hear of the illness of Mr. Fred Hardage of Lockney. Mr. Hardage formerly taught school here and was pastor of the Lone Star Church.

Mrs. L. M. Readhimer and daughter were luncheon guests last Sunday in the home of Mrs. Almeida Rowell of Plainview.

Mr. W. T. Rankin was elected to serve as a trustee at the recent election. Other members are Clyde Farish and Jack Frizzell.

Mr. and Mrs. Henry Rowell spent last Sunday at Tulla, Texas.

A number of boys in this community have been interested for some time in raising livestock. Among those who recently placed with top honors at the Floydata Show was Johnnie B. Griffin. He brought six ribbons two of them

representing champions, and also a nice amount of prize money.

Two other boys winning top honors at the Silverton show were Tom and Jim Nance. These boys placed first and second with the animals they showed. Dean Henderson also placed at Silverton.

Mr. and Mrs. Tom Wells and Nell were guests Sunday in the home of their son, Mr. and Mrs. Tom Ed Wells of Halfway.

Over night guests in the home of Mr. and Mrs. Walter Griffith last Saturday were Mr. and Mrs. Elton Griffith and children of Plainview and Miss LaNell Griffith of Happy. Mr. and Mrs. Harold Griffith returned LaNell to her home Sunday afternoon.

According to Mr. Lloyd Readhimer, Chairman of the Red Cross drive in this community, we turned in a little bit over \$147.00.

Mr. and Mrs. Joel Nance had as their luncheon guests last Sunday their son and family, Mr. and Mrs. Hugh Nance and son from Silverton.

Guests in the Jack Frizzell home last Sunday were Mr. and Mrs. J. C. Fletcher of Plainview and Mr. and Mrs. E. L. Thomas and sons from Blanco.

On Tuesday evening of last week Mr. and Mrs. Tom Rankin were hosts at a dinner in their home for Mr. and Mrs. W. H. Rankin from Pottsville, Arkansas and Mr. and Mrs. W. T. Rankin and children of Lone Star.

Mr. and Mrs. A. E. Frizzell and Pat attended the wedding of their nephew Mr. Kenneth Thornton to Miss Sue Blenden at the Methodist Church in Lockney last Sunday morning.

Mr. and Mrs. A. O. Foster and daughters spent last week end in Decatur, Texas, visiting with friends and relatives.

Mr. and Mrs. R. L. Knox were guests in the Harold Griffith home last Saturday night.

Mrs. Arlie Barnett who has been visiting here in the home of her sister, Mrs. Lowell Jarrett, was taken to the Plainview hospital last Tuesday morning where she underwent an emergency operation.

Lloyd Readhimer and Lowell Jarrett returned Tuesday afternoon from a week's fishing at Possum Kingdom Dam. They brought back, not only "fisherman's tales" but plenty of proof. They supplied many of us with very nice fish.

Mr. and Mrs. Lee Settles of Plainview were week end guests in the home of her parents, Mr. and Mrs. E. E. Buckner.

Mr. and Mrs. Thomas Marr and Mr. and Mrs. Ross Cooper spent Sunday in Abernathy.

Mr. and Mrs. Lloyd B. Williams of Amarillo spent the week end here with relatives.

Willson and Watson Attend Bond Meeting

J. M. Willson of Floydada participated in a regional meeting of county chairmen for the Treasury Department's Security Loan in Amarillo Monday. Mr. Willson is Floyd county chairman for the Security Loan, which will be conducted here and throughout the nation from April 15 through June 30.

County and community leaders from the Panhandle and Plains sections of the state attended the meeting, at which final plans for the drive were made. O. M. Watson, who is a banker from Floydada, also attended.

State leaders for the Security Loan urged an all-out effort during the drive, and described how the people of the U. S. can curb inflation, guard against possible depression, and provide economic security for themselves and the nation by investing in U. S. Savings Bonds.

Speakers included Dr. W. H. Irons, vice president and economist, Federal Reserve Bank of Dallas; Nathan Adams of Dallas, Chairman of the Treasury's Advisory Committee for Texas; and Harry Owen of Dallas, state director of the Treasury's U. S. Savings Bonds Division.

Recently a Texas farmer was asked what was the best part of his farm. And his sad reply was, "The part down in the Gulf of Mexico."

The Navy is now using form-fitting zipper bags for short-term preservation of its aircraft. The container requires only 30 man-hours to adjust and dehumidify as compared to 120 man-hours formerly needed for preparing planes for storage and readying them for service again.

Trade Winds are those blowing continually towards the thermal equator and deflected westward by the rotation of the earth.

Proper Treatment Will Halt Termites Tests Show Need for Protecting All Lumber

A visit to tropical Barro Colorado island in the Panama canal zone 21 years after a termite test building was erected to test effectiveness of coal-tar creosote and zinc chloride in protection of wood against ter-

Panama test house. This photo shows that treated wood had not been attacked by termites.

mites has shown that despite this "termite heaven," inhabited by some 45 different kinds, termites can be defeated by proper wood treatment.

This will be good news to farmers and home owners who see their wood foundations, walls and floors fall away before the onslaughts of the wood destroying "disease."

After 21 years the impregnated wood was sound, but a cot of untreated wood left in the house was riddled by termites.

This would seem to indicate that in building a house or farm building, all lumber, including the shingles, should be treated as well as the fence posts. It was found that when the termites found no edible wood, that is untreated wood, that they soon moved to new territory.

Tests have shown that soil-poisoning, although beneficial, is less permanent and should be resorted to only where structural control methods are impractical, or in addition to them.

Another aid is to discourage termite activity by adequate drainage, ample ventilation and removal of wood debris.

Marriage Licenses

The following marriage licenses have been issued by County Clerk Margaret Collier:

April 6—Cloyis D. M. Yrick and Pauline Cantrell Coslin.

April 1—Lennie Hensley and Wynelle Huddel.

March 29—Kenneth Thornton and Sue Blenden.

March 25—Charles N. Whitfill and Una Fae Wofford.

Guests in the L. G. Rhine home for Sunday dinner were their daughter, Laverne, and her guests, Miss Evelyn West, Miss Zoe Reynolds, of Lubbock, Mr. and Mrs. Jack Rhine, Junior and Danny of Hale Center.

Mr. and Mrs. C. O. Jeffcoat and Mrs. Grace Fulfer spent Sunday with Mr. and Mrs. Harold Jeffcoat at Canyon.

Maier Food Store

Bunching Vegetables

Bunching vegetables for retail sales takes a lot of work when the produce must be taken to a packing shed. The tying wheel designed by Alfred F. Foote can be taken into the field and moved from place to place. The notched rim of the wooden top holds a standard bunch of broccoli while it is being tied. The pipe frame is welded to the wheel spindles, and the whole machine can be handled like a wheelbarrow.

Lime Sulphur Protects Trees Against Rabbits

Undiluted lime sulphur concentrate was the best among 16 repellents tested at the Oklahoma station for protecting young fruit trees from cottontail rabbits. Rabbits were penned with no food except water sprouts of apple. They damaged 94 per cent of the untreated sprouts in five days, as compared to 41 per cent of the sprouts painted with lime sulphur. Only 1 per cent of the sprouts were damaged the first day.

All **CP** Gas Ranges are Automatic!

Enjoy fully automatic cooking with gas. Remarkably convenient and dependable, a gas range built to "CP" standards makes your cooking easier than you've dreamed possible. Just set the clock control, then forget it. Your food cooks while you're away. When you return, a perfectly-cooked, full-flavor meal is ready to serve.

Ranges built to "CP" standards are available in many famous makes and dozens of models. To live happily with your new gas range "ever after," select the make you like and ask to see the "CP" models. Please see your gas range dealer.
