

Lucas 78 Bushel Wheat Sets Record

A record for any country was set by O. A. Lucas on his farm located just south of Aiken and four miles west of Lockney this year when he cut slightly over 78 bushels of wheat off of a 5 1/2 acre patch. The wheat was cut last Friday and heralded in several daily papers as the highest yield ever recorded in this area.

Standing almost five feet high, the field was almost a solid mass of heavy heads.

Mr. Lucas owns an 80 acre farm. The land was summer fallowed last year and the year previous produced a crop of potatoes. The round was irrigated once before planting and three times after coming up. The wheat was certified Tenmarq.

O. C. Bailey also produced a good crop on his farm just at the south edge of Lockney. Final calculations showed that the field located on the highway produced 48 bushels per acre and the field just west of his house produced 42 bushels per acre, he said this week. His wheat was certified Westar.

Other heavy yields have been reported. W. H. Fields, who suffered a 50% hail loss last Friday afternoon had cut two or three rounds in his wheat before the hail and some estimated that it was making 60 bushels.

Tom Rankin who lives in the Lone Star community had some excellent wheat before he also suffered a hail loss Saturday night.

Elevator men are estimating that the wheat harvest is probably 25 to 50% through in this immediate area.

Ayres Urges Vets To Re-Instate Insurance

D. J. Ayres, county service office, of Floydada, this week issued a statement urging veterans of World War II to re-instate their national service life insurance now. To re-instate the G. I. insurance without medical examination the veteran must execute the re-instatement form and pay two monthly premiums at the original rate at any time before July 31, 1948. Mr. Ayres said.

The check, draft or post office money order must be payable to the treasurer of the United States.

Scott Returns To Tomme's Barber Shop

Maury Scott, who for many years was employed at the Tomme Barber Shop here, has returned to work here after several years in Abilene. Mr. Scott has been working as a barber in Abilene.

He came here Wednesday and reopened the Tomme Barber Shop and will continue to operate it, it was said.

Fourth Sunday Singing At Auditorium

The Fourth Sunday Singing will be held at the City Auditorium in Lockney Sunday afternoon at 2:30. It was announced this week by C. L. Record. Everyone is invited to attend.

Higginbotham-Bartlett Replacing Buildings

Higginbotham-Bartlett Co. here have tore down their lumber shed on the east and are rebuilding it. The new shed will be larger than the old. G. A. Barton, manager said.

The company will move their lumber into the new shed when it is completed and then tear down and rebuild their west sheds, Mr. Barton said. "We will tear down and rebuild everything on the lot before we are through," he said Thursday.

OUR ERROR

If you notice a picture of a big fat man on another page of The Beacon with no explanation as to his identity just pardon our error. The man is Big Jim, one of the attractions at the carnival which is playing at Floydada beginning Monday.

TO ABERNATHY

Mrs. J. B. Seale, proprietor of the Plains Floral Shop here spent Monday and Wednesday of this week in Abernathy where she was helping provide flowers for funerals.

ON VACATION

Miss Margaret Collier, county clerk, accompanied by two other ladies from Floydada, is spending two weeks on vacation at Red River, N. M.

WATKINS TO PREACH AT PRAIRIE CHAPEL

Charles W. Watkins of Lubbock, will preach at the Prairie Chapel Church of Christ next Sunday, June 27, at 10:30 a. m. The public is invited.

VOLUME 46

LOCKNEY, FLOYD COUNTY, TEXAS, FRIDAY, JUNE 25, 1948

NUMBER 42

Dr. C. A. McClelland Joins Hospital Staff

Dr. G. A. McClelland, formerly of Gilmer, Texas, has joined the staff of the Floyd County Co-Operative Hospital in Lockney. It was announced this week by hospital officials. He began his work here Wednesday morning.

Dr. McClelland has a B. S. degree from Texas University and graduated from the Southwestern Medical College at Dallas with an M. D. degree in 1944. He served an internship at the Baptist Memorial Hospital in Memphis, Tenn., and then established private practice at Gilmer.

He served two years with the Army Medical Corps during World War II. Dr. McClelland stated that most of his service during the war was on troopships between the West Coast and Japan and Korea.

Dr. and Mrs. McClelland have one daughter, Marsha, who is 18 months old. The family will move here about July 1. They will live in the new house just completed by W. J. Myers in northwest Lockney.

The laboratory, set up the past week by Technician Joseph Holt and his assistant, Miss Hazel Guerry, is already serving the hospital although it is located in the new building and the hospital is still operating in the old.

Hospital officials hope to move into the new building around July 10, it was said this week.

Three In Race For Justice Of Peace

Three candidates are seeking the office of Justice of the Peace, Precincts 2 and 3, according to County Democratic Chairman Homer Steen. The candidate are T. Z. Reed, incumbent, S. H. Millwee, now serving the county as county attorney, and C. C. Haackney, who formerly held the office of Justice of the Peace. All three men live at Lockney.

Other than that the ballot in the first Democratic Primary will follow the political announcement columns in the newspapers, it was indicated.

A complete official list of the candidates will be available next week, Mr. Steen said.

Cotton Suffering From Insect

"A little zeeep hopping bug" which cotton men say is neither the flea hopper nor the thrip, is just about to ruin a lot of cotton in Floyd County. The bug is very thick in the fields, not only in cotton but also alfalfa. However the alfalfa is not being damaged, it was said.

The bug apparently shreds the leaves on the cotton and some farmers have had to plow up their cotton as a result of the infestation.

Dusting with a 5% DDT powder is recommended as a solution to the problem.

Mrs. E. J. Cobb and children visited in Plains and Denver City with relatives this week while Rev. Cobb has been holding a meeting at Morton.

O. E. S. Sponsors Candidate Rally Here Saturday Night

The Lockney chapter of the Order of the Eastern Star will sponsor a pie sale and candidate speaking here Saturday night of this week. It was announced this week. The program will start at 8 o'clock.

The rally will be held on the lots located between the Baker Hotel and the Personality Beauty Shop. Proper lighting and speakers platform will be provided.

All the ladies of the Eastern Star have been requested to furnish pies. A large crowd is expected.

Mrs. J. B. Harper Celebrates 92nd Birthday Monday

On Monday of this week, June 21, Mrs. J. B. Harper of Lockney, lovingly known as Mother Harper, celebrated her 92nd birthday.

Although frail in body, Mrs. Harper still takes an active interest in the home, town and state affairs, reads two daily papers and her home town paper, which she says is the best in the state.

According to Mother Harper, Lockney has the best doctor, the best preachers, the best editor and the best neighbors in the west.

Although her birthday was not publicly announced, many friends and relatives remembered and came to wish her many happy returns of the day.

Among those calling were Rev. C. A. Joiner of South Plains, Rev. and Mrs. E. J. Cobb, Rev. and Mrs. Virgil Lemons of Amarillo, Mrs. C. O. Roberts and Jimmie, Bill Harper and children, Billie and Kenneth of Carlsbad, N. M.; Mr. and Mrs. Charlie Collins and three children of California; Mr. and Mrs. C. E. Bley and Paul Nell of Olton; Mrs. Nellie Bolin of Plainview; Mr. and Mrs. Jim Harper, Mrs. J. D. Huggins, Mrs. A. O. Gilder, Mrs. D. R. Foster, Mr. and Mrs. A. Nichols, South Plains; Mrs. Etholine Nichols and son, Jene of Amarillo; and many others whose names were not secured.

Mrs. Harper was the happy recipient of many lovely gifts and says that she hopes to live to be 100 years old.

Walter Griffith Gets Broken Arm In Fall From Windmill Wed.

Walter Griffith fell about 20 feet Wednesday afternoon from the top of a windmill but escaped with only a broken arm and a bruised shoulder. Although 72 years of age, Mr. Griffith had climbed to the top of the windmill to repair the platform. One board was missing and he accidentally stepped through the hole and fell.

In falling he caught a crossbar on the windmill which checked his fall and enabled him to partially regain his balance.

He was rushed to the Floyd County Co-Operative Hospital here where the arm was set. He was feeling fairly well Thursday morning. The left arm was broken just above the wrist and the left shoulder was bruised to some extent.

Amarillo Paper Raises Money For Kenneth Don Hill

If there is a chance to save the life of Kenneth Don Hill, then he is going to get that chance. That was indicated this week when the Amarillo Daily News started a fund raising campaign of its own to aid the local boy who has been stricken with leukemia.

Kenneth Don is now a patient in the John Sealy Hospital at Galveston where he has been for nearly two weeks. He is being treated there with a new drug which is believed to be beneficial to leukemia victims. However, attending physicians say that the drug is still in the experimental stage and that its beneficial effects are still unknown.

Starting with two clippings from The Beacon of the past two weeks concerning the boy, The News carried a story giving the details of his illness and the family circumstance Tuesday of this week. In the same issue was a letter from Mr. R. H. Borum of Borger, a brother-in-law to Paul Cooper for whom the boy's father works. Mr. Borum suggested the parents, Mr. and Mrs. James Hill, were not in position to pay for expensive medical treatment that the boy needed and that if there were those who wanted to help they could do so by mailing money to Mr. Hill at Lockney.

On Wednesday the Amarillo paper carried a story from Galveston telling of the boy's condition and of his treatment. He was given an injection of the new drug Wednesday of last week. He is still under an oxygen tent and still has difficulty breathing, according to a letter from the father to the boy's grandfather, Pat Hill of Lockney which was received here Thursday.

As a result of the News stories, contributions totaling \$18.00 were received here Thursday morning and forwarded on to the parents at Galveston. Contributors included Wilbur Chappell of Amarillo \$1.00; Alice Turner of Plainview, \$1.00; Mrs. Tell Nix of Plainview, \$5.00; Mrs. DeLen Vickers of Pampa, \$10.00; Mrs. Ralph Stewart of Borger, \$1.00.

People of Lockney and this vicinity have contributed approximately \$250 to help the parents give the boy treatment.

Anyone in this vicinity who may want to help pay for the boy's medical treatment may mail their money to James P. Hill, Box 304, Lockney, or leave it with A. R. Meriwether, M. D. Arterburn or The Beacon office.

Raymond Upton Is Named Postmaster At South Plains

Raymond Upton, a South Plains grocer, was named acting postmaster at that place Wednesday. He replaces J. B. Jernagin, who passed away several weeks ago.

Mr. Upton's grocery and the post-office are in adjoining buildings and arrangements will be made for Mr. and Mrs. Upton to handle both, it was said Thursday.

New Dress Shop To Open Here

The Plains Dress Shop with Mrs. T. J. Honea as proprietor will open in the Crager Building sometime the first part of July, Mrs. Honea announced this week.

The dress shop will be housed in the south side of the building in the space formerly occupied by the offices of Carter Funeral Home. The building is being remodeled now to provide proper arrangements for the new shop.

Opening date is indefinite as yet, depending upon when the building is ready and when the merchandise is received, Mrs. Honea said.

Mayor R. L. Maggard Claimed By Death

Ralph L. Maggard, mayor of Lockney for the past three years, and a resident of this city since 1931, succumbed to a complication of diseases Wednesday afternoon at 2:30 p. m. in the Plainview Hospital.

Mr. Maggard first suffered a heart attack at his home here on May 1. He was treated several weeks in the Co-Operative hospital here and, after showing considerable improvement, was released. He went to the home of his son, Leighton, in Plainview to complete his recuperation. He suffered another attack there about three weeks ago and then was stricken with a cerebral hemorrhage on Monday of last week. His death had been expected for more than a week.

Born at Bellefonte, Ark., on June 17, 1890, Mr. Maggard moved with his parents to Hale Center at an early age and was reared at that place and at Plainview. He moved to Lockney from Omulgee, Oklahoma, in 1931.

Mr. Maggard was united in marriage with Vera Holland on June 3, 1915 at Plainview.

He was formerly in the wholesale oil business here but for the past two years has been employed at Hammond & Company, local International Harvester dealers.

Mr. Maggard was first elected mayor of Lockney in 1945 and was re-elected again in 1947. He has served the city and its interests well. He was a member of the First Baptist Church here and had served the church as usher until he became ill.

Funeral services were held at the Baptist Church here Thursday afternoon at 2 o'clock with Rev. E. J. Cobb, local pastor, officiating. Burial was in the Plainsview cemetery beside the grave of his wife, Mrs. Vera Maggard, who passed away slightly more than a year ago. She died May 25, 1947.

Carter Funeral Home of Lockney had charge of funeral arrangements. Pallbearers were Lloyd Wofford, J. E. Cox, J. B. Seale, Claude Hammond, J. D. Copeland, and Edgar R. Hays.

Survivors include his son, Leighton, of Plainview; a daughter, Mrs. J. M. Carter of the Providence community; one sister, Mrs. E. E. Swanson of Plainview and a brother, Silas Maggard of Hale Center. Also five nieces survive. They are Mrs. A. M. Richardson, Mrs. Wesley Davis, Misses Flora and Leila Maggard, all of Hale Center and Mrs. Clifford Haden of Oklahoma City.

Hail, Wind, Does Damage To Crops

The hail and wind of the past week accompanying the rain caused considerable crop damage in this section of Floyd County.

The moisture falling here has totaled almost an inch but has been much heavier in some areas.

The rains started Friday afternoon of last week when a heavy shower was accompanied by hail which did considerable damage in an area south of Lockney. Not only destroying crops, the hail also did considerable damage to the hail also did some damage to roof tops in that area. Harmon Handley's home had considerable roof damage as did other houses.

Crop damage was suffered by Mr. Handley, W. E. Terrell, F. S. Shearer, R. T. Spence, W. C. Wisdom, Mrs. S. J. Lewis in the Floyd Moore place, Charles Simpson, Wesley Hay, Alvin Wilson, C. O. Roberts, Earl Norman, Glen Watson on the Bennett place, and W. H. Fields, Shearer, Handley, Wisdom and Watson had practically 100% loss on their crops it was reported to The Beacon. Others had smaller losses.

W. H. Fields had just started cutting wheat which was making 60 bushels to the acre, it was said here. He suffered probably a 50% loss on the field.

A rain estimated to have been from 1 1/2 to three inches fell at Muncy and water covered the highway for a short time in the dump built through the lake just this side of Muncy.

Spotted showers fell in the Providence community ranging from showers to a half inch.

Rain fell again Saturday night but this time covered the area north of Lockney practically to the county line. Again hail damage was felt and a strong wind did some damage to outbuildings in the Lone Star area.

Clyde Baxter, R. C. Phillips, Clyde Parish, Herman King, G. B. Johnston, Tom Rankin and probably others in that area had crop damage from hail and wind.

Rain amounted to about a quarter inch here but as much as two inches fell in the Sterley community, northeast of Lockney.

The wind blew over buildings on the Parish and Phillips farms and blew down some excellent wheat on the Rankin farm, it was reported.

Additional moisture fell early Wednesday morning and reported as approximately half an inch here. However, an estimated inch and half of rain fell in the area just south of Sterley and it was reported that a like amount fell in the Prairie Chapel-Providence area.

Severe electrical storms accompanied some of the rains. Lightning struck a feed stack on the Harmon Handley farm four miles southwest of town Friday night and the resulting fire destroyed the stack. Lightning also struck several times here early Wednesday morning but no damage was reported.

A short in an electric wire at the local plant of the National Alfalfa Company set a loader and some loose hay on fire early Wednesday morning but the fire was extinguished before damage of any consequence.

Mrs. R. P. Shelton of Afton visited with her sister, Mrs. Carl McAdams and friends here during the weekend.

Has Lockney's Population Jumped 75%

Utility Connections Indicate Present Population Of 2146

Amid all the fuss at Lubbock and Amarillo over population trends and the Mr. Tack's feud with the highway department over the population markers on the outskirts of Amarillo, the people of Lockney are wondering just where this city stands in population. That Lockney has grown tremendously in the past six years everyone will agree. Real estate men estimate that not less than 125 new houses have been built here or moved into Lockney within the past four or five years. This might be a conservative figure.

Most cities, figuring their population on the basis of utility connections accept the co-efficient of 4.3 persons per electric meter. That is the figure Amarillo and Lubbock are using. A check with Manager Joe Parrish of the Southwestern Public Service Co.

here reveals that at present there are 499 electric meters in Lockney. At the rate of 4.3 persons that indicate the present population of Lockney is approximately 2146 persons. The gas connections within the city limits total 434 and the water meters total approximately 400, according to reports from district manager R. H. Leslie of West Texas Gas Co. and Mrs. Faye Messer, city secretary.

However, again the estimate in this particular instance is believed to be low. Living conditions are very crowded in Lockney. It is next to impossible to rent a house here, and apartments are scarce. The Beacon has from one to three persons in the office every week asking about apartments. Many people have rearranged their houses to provide apartments for rent. This would indicate that in many instances two, three, four or more families are living in one house and are being served off of one light meter, one gas meter and one water meter.

If Lockney does now have a population of 2146, then the population has grown 74% since the census in 1940. A check on the gas meters show that in 1942 there were 283 gas meters in Lockney. This compared with the present 434 would indicate an increase of 65% since that time. But people were not living in as crowded conditions, the month in which the above figures were found. At that time he was able to rent an apartment and soon thereafter rented a brick house for \$15 per month. Now he would hardly be able to rent one at any price.

Although it is still two years until the next national census and many changes can come in that time, Ye Editor is estimating conservatively that the present population of Lockney is 2250. That is approximately an 83% increase over 1940. We also predict that by 1950 the population will be at least twice what it was in 1940 or 2462.

Motion Pictures To Be Made In Lockney

Lockney citizens are to soon break into the movies. At least that's the plan of representatives of Liberty 16MM Productions who were working here this week.

A sound movie camera will make pictures of Lockney business and community life starting this week end. The pictures will be shown within about three weeks at the Plains Theatre here. It will take possibly 14 or 15 days to complete the camera work, it was said.

After the films have been shown at the Plains they will be available to the schools, churches, civic groups or any other club that wants to show them, it was explained.

LEAVES FOR NAVY

Robert Logan, son of Mr. and Mrs. S. H. Logan of Lockney, left Monday for San Diego, Calif., where he will enter an engineering school of the U. S. Navy.

County Council Has Meeting Sat.

The Floyd County Home Demonstration Council had its regular meeting in the County Court Room Saturday afternoon. Mrs. Carrick Snodgrass, Chairman presided. There were 20 members present and five visitors. There were 13 clubs represented.

It was asked that all Radio-Listening reports be sent in immediately after the end of June. It was requested that all Education Chairmen in clubs compile complete reading reports to be sent in not later than the end of July. Clubs should nominate their delegates to the state meeting of the Texas Home Demonstration Association in time for the Council meeting in September.

Not enough orders for pineapple had been received to merit sending a truck for them, it was reported.

Mrs. S. W. Ross, member of the local Rotary Club, spoke briefly about clubs serving the Rotary luncheons.

Those present were Mrs. Snodgrass of Harmony, Chairman; Mrs. A. M. Dorsey of Pleasant Valley, Vice-Chairman; and Mrs. Lynn Miller of Sand Hill, Secretary-Treasurer. Mmes. Herschel Green and A. G. Cardinal of Baker; J. V. Greer of Center; Zant Scott of Harmony; Sam Lide, Dougherty; O. G. Mayfield, Homebuilders; Orvus Shearer of

Lakeview; W. L. Morgan of Lockney; Lee Pope, Pleasant Valley; Aron Miller, Sand Hill; J. B. Smitherman and George Weast, South Plains; W. F. Ferguson and R. S. Harless, Starkey; R. H. Tinsley, Sterley; W. A. Lovell and W. C. Sims, Sunnyside. Also Miss Leila Petty, County Home Demonstration Agent and the following visitors: Mmes. R. M. McCauley and W. H. Hilton of Sunnyside; Bill Brock of Harmony; and Joe Eunn of Homebuilders.

Athlete's Foot is Prevalent Disease

AUSTIN—Few, if any, people have escaped the inconvenience and the annoyance of athlete's foot. It is said to be the third most common skin disease of the summer, and, contrary to popular opinion, the fifth most prevalent disorder in the winter.

So says Dr. George W. Cox, State Health Officer, in a recent press release. Dr. Cox explains that athlete's foot is due to small, mold-like growth or fungus which thrives on moist, warm parts of the body such as the feet.

The information of athlete's foot is usually gotten directly or indirectly from someone else," Dr. Cox says, cautioning that the most likely places to contract the infection are around bath houses, locker rooms, and other public places where people go bare-foot.

"It is probable that at least one-half of all adults suffer from the infection at some time."

In suggesting some effective measures to be taken to prevent initial cases and avoid recurrent attacks of the disease, Dr. Cox emphasized drying carefully between the toes; use of a mild alcoholic solution on these areas after drying; liberal applications of talcum powder in the socks and the shoes; and wearing socks that are absorbent but not coarse.

"Ill fitting shoes are often the source of athlete's foot, Dr. Cox warns. Shoes that rub and chafe should be corrected or discarded."

INFIRMARY SERVICES OFFERED TECH STUDENTS

LUBBOCK—Enlargement of infirmary service extended students of Texas Technological college will be realized by the opening of the fall semester, Dr. E. R. Rose announces.

Installation of diathermy and physiotherapy equipment will be completed, and possibly X-ray service will be added, he said.

The staff has been enlarged from five to six registered nurses for next year, and from four to eight nurses aides. The clinic hours will be extended to 6 p. m. an hour longer every day, with the additional staff.

Fresh tomatoes have been added to the plentiful supply list this month. Shopping housewives may well consider fresh tomato salad for June meals.

Men Students Work At Texas Tech

LUBBOCK—More men students at Texas Technological college "are going to work" while attending school than have ever before held outside employment, a recent survey conducted by the dean of men's office re-

veals. From the total enrollment in the Spring, 1948, of 4,210 men student, 954 are employed, or 22.66 per cent. The employed percentage has increased approximately 30 per cent over last year.

Those working are putting in a few more minutes average per day than previously, and are getting paid a few

cents less than they received last year.

The average working hours per student per month in 1948 is 76 hours and 51 minutes, and in 1947 was 76 hours and 32 minutes.

Of the 89 graduate students enrolled, 57 of them have jobs, or 64.45 per cent.

PHILLIPS 66 PREMIUM MOTOR OIL

*"Lubri-tection"—the protection rendered by an oil of fine base stock containing special detergent and oxidation inhibiting ingredients.

Careful Handling Of Eggs Means Profits For All

COLLEGE STATION—The quality of eggs is affected by their environment. In the case of eggs, that "environment" means the way eggs are handled from the time they are laid until the housewife serves them at the table.

Heat, says F. Z. Beanblossom, extension poultry marketing specialist of Texas A. & M. College, is the greatest enemy of high quality in eggs. Eggs should be gathered several times a day and the animal heat reduced as soon as possible. All eggs should be held below 68 degrees F.; higher temperatures break down the egg rapidly.

As a matter of fact, says Beanblossom, quality may be lower in eggs

after three days of improper handling than in eggs which have been properly stored for as long as six months.

Quality egg rules for the flock owner include: Keep hens in the laying house until late afternoon on rainy days; put ample clean nesting material in the nests; remove broody hens from nests; remove male birds from the flock; cover dropping pit with wire; gather eggs three to five times a day; cool eggs promptly after gathering and store them in a cool place.

For business firms: Handle eggs carefully; store eggs in good cases with clean flats and fillers; keep eggs at proper refrigeration and away from strong odors.

For the housewife: Keep eggs in clean containers, under refrigeration in the hot summer months and away from other foods which have strong odors.

Tech Gym Is Given Face-Lifting

LUBBOCK—The Texas Tech gymnasium, in use since 1927, is being given a face-lifting in the summer program which \$18,000 is being expended.

Workmen are re-planking all of the 2,200 seats around the basketball floor and are rebuilding offices and dressing quarters beneath. Dormitory and storage rooms are being removed to provide a large dressing room for use of the visiting teams. The size of office space, no longer needed since coaches shifted to the new Clifford B. and Audrey Jones stadium, is being reduced to provide larger dressing room for physical education students. The basketball equipment room also is being enlarged.

New floors are being placed in the dressing rooms used by women physical education students, and the entire structure inside will be repainted.

The last legislature set aside \$20,000 for improvement of the gymnasium. During the winter, a new floor was placed in the coaches' offices, and the gymnasium roof was repaired.

Most candidates know that they can't fool all the people all of the time; but are content to fool the majority for a short time—around election time.

A Navy jet plane pilot recently was interviewed twice on the same half-hour radio program—from points 60 miles apart.

Uncle Sam Says

The dollars my young nieces and nephews earn this summer can give them a stake in the future and help keep the country's economy running on an even keel. By investing as much of their summertime earnings in United States Savings Bonds as possible, junior and sis will be building a nestegg for achievement of future goals. It's up to us grownups who have learned how big a nestegg we can accumulate through the payroll savings plan for buying savings bonds to impress upon sis and junior that the future holds for them what they hold for the future.

E. S. Treasury Department

Two Sterley Students Enrolled At H-S Univ.

ABILENE, June 21—Carl and James M. Mullins, both of Sterley, are among the 1,105 students enrolled for the first term of the 1948 summer session at Hardin-Simmons University, Alton B. Lee, registrar, has disclosed.

The Mullins brothers, sons of Mr. and Mrs. W. B. Mullins of Sterley, are both senior students at Hardin-Simmons.

The 1,105 students comprise the largest summer student body in the history of Hardin-Simmons, Lee said, representing an increase of 136 resident students over last summer's previous all-time high.

The current term will close July 10 with a second six weeks session scheduled to begin on July 12. A three weeks class will be held from

August 20 through September 9. Courses are being offered this summer at Hardin-Simmons in art, Bible, biology, business administration, chemistry, economics, education English, French, government, history, journalism, mathematics, music, physics, physical education, sociology, Spanish, and speech.

A majority of the heads of departments are in residence for the summer, making it possible for the various departments of the University to offer the most complete summer curriculum yet extended.

Approximately 150 of the 1105 students are doing graduate work while many are public school teachers finishing out their degrees. More than 200 are new students at Hardin-Simmons.

Fertilized Wheat Pays Off In Hale

COLLEGE STATION—Wheat with fertilizer and wheat without fertilizer showed quite a difference on Hale county farms, reports County Agent Manuel W. Ayers.

Mr. F. B. (Buck) Hunt, who lives 10 miles northwest of Plainview, has several plots for demonstration purposes, and is finding out quite a bit about how good fertilizer really is.

On his 350 acres, Hunt has tried several different farm management practices where he uses different amounts of fertilizer on his plots. On one wheat plot Hunt applied 200 pounds of ammonium nitrate last fall before plowing. Another section is in summer fallow wheat land, and some has been planted to wheat only year after year. One plot under each of these conditions was left as a check plot.

The fertilized wheat on summer fallow looks as if it is doing the best of all, says Hunt. He estimates about 45 bushels to the acre. The unfertilized on summer fallow is estimated at around 30 bushels. On one plot of wheat following milo where no fertilizer has been added, only 7 bushels per acre is expected.

With an investment of a little short of \$7 per acre for the fertilizer and an expected 15 bushels increase in acreage because he applied the fertilizer, Hunt is looking forward to \$30 more per acre at the current market quotations.

Hunt realizes that commercial fertilizer is not the whole answer to keeping the soil at its highest producing level. In order to maintain his soil fertility, he will have to develop a crop rotation system using winter legumes and other cover crops that add humus to the soil.

Hunt is not the only one. Quite a few farmers in Hale county are having similar experiences with fertilizers on irrigated crops this year, reports Ayers.

Parkers To Observe Fiftieth Anniversary

Mr. and Mrs. H. P. Parker, who live a half mile west of Lockney on farm highway 135, will observe their golden wedding anniversary on Sunday July 4, they announced this week. They will hold open house from 2 until 7 p. m. Most of their children grandchildren and great grandchildren, totaling 51, are expected to be present.

Mrs. F. S. Ryars has spent several days at Floydada visiting her daughter, Mrs. Aaron Carthel, Mrs. Carthel was injured in a car wreck last Thursday.

Mr. and Mrs. E. E. Dyer of Muleshoe were here visiting friends Wednesday.

Vows Read For Miss Adkisson And Mr. Childers

Miss Jo Etta Adkisson, daughter of Mr. and Mrs. W. H. Shearer of Plainview, became the bride of Mr. Boyce Ray Childers, son of Mr. and Mrs. Walter Childers of Lockney Friday morning, at the home of the bride's parents.

The Reverend W. V. O'Kelly, pastor of St. John's Methodist Church of Plainview read the double ring ceremony.

The bride wore a blue silk crepe dress, princess style, trimmed with white lace and rhinestones. Mother of the bride wore an aqua linen dress with a corsage of pink carnations. The groom's mother wore a dress of navy blue silk with a corsage of pink carnations.

After a wedding trip to points of interest in Colorado, the couple will be at home in the Irick Community on their farm.

Tea Announces Hall-Phillips Betrothal

A tea announcing the approaching marriage of Miss Janice Hall to Sam Phillips, both of Slaton, was given on Friday evening June 18 from 7:30 to 9:30 o'clock at the Slaton Club House, Slaton. The wedding will take place July 19.

Miss Hall taught Home Economics in Lockney High School last term. Miss Virginia Norris of Lockney attended the occasion.

Assembly Of God Ladies To Hold Bake Sale Saturday

The ladies of the local Assembly of God Church will hold a bake sale in the Crager building Saturday afternoon starting at 2 o'clock, it was announced this week.

They will offer pies and cakes for sale to the general public.

MOTH-PROOF BAGS protect your winter clothing during the summer months. We have them. Brown's Cleaners.

Mrs. David Stowe Is Shower Honoree

Mrs. David Stowe, nee Miss Sara Miller, was honored with a bridal shower Tuesday afternoon at the home of Mrs. Ed Whitfill.

In the receiving line were Mrs. Whitfill, Mrs. Ledn Wofford, the bride, Miss Vernell Stowe and Mrs. H. L. Stowe. Mrs. Rita Webster secured names for the register. Miss Gleyne Earle Norman was in the gift room.

The tea table was draped with a white lace cloth and centered with an arrangement of pink and white gladioli flanked by crystal holders bearing pink tapers. Mrs. Charles Whitfill and Miss Patsy Harris presided at the table.

Hostesses for the occasion included Mrs. Charles Whitfill, Ed Whitfill, Bill Johnston, Sid Thomas, R. V. Webster, Patsy Harris, Gleyne Earle Norman, Dora Lee McDonald and Betty Jean Myers.

Irick News

Mrs. Harrell Dollar, Correspondent

Mrs. Travis Dunn and Mrs. Farrell Dollar were hostesses to the Jolly Stitchers Club last Thursday. The afternoon was spent in doing hand work for the hostess. After a short business meeting, Mrs. Hubert Branscum was honored with a pink and blue shower.

Several visitors were present for the occasion. The visitors were Mrs. Thomas Marr, Mrs. Ross Cooper, Mrs. Lloyd Withrow of Lockney, Albert Cannon and Mrs. Gene Canon of Friona. The guests were served with punch and cookies.

Guests in the home of Mr. and Mrs. John Holmes during the week end were Milda Schriver, Bernice Ellis and Boots Cuhningham.

Betty Louise Graham has been spending the past two weeks with Mr. and Mrs. George Graham of Lockney. Mrs. Terrell of Plainview has been spending the past two weeks with her daughters, Mrs. Potts and Mrs. Lacey.

Mr. and Mrs. Richard Sutton and children of Sweetwater visited Mr. and Mrs. Dow Colson during the week end.

Mr. and Mrs. Harrell Dollar and boys spent last Friday with Charles Purnell of Cedar Hill.

Mr. and Mrs. Coy Keeling and Billy stopped in Lubbock last Saturday.

Mr. and Mrs. Warren Graham and boys spent Sunday with Mr. and Mrs. George Graham of Lockney.

Mrs. Wade Kurteas spent last Wednesday with Mrs. Wilburn Dollar and family.

Mr. and Mrs. T. J. Robertson and children of Olton visited Sunday afternoon with Mr. and Mrs. Melvin Potts.

Mr. and Mrs. Travis Dunn and girls visited her mother, Mrs. G. W. Smith, near Floydada Sunday afternoon.

WE FIX 'EM. Minor repairs made without charge when your clothes are cleaned and pressed here. Brown's Cleaners.

Watson-Turner Nuptials Read In Home Ceremony

Tall baskets of white gladioli, baby breath and fern flanked by seven-branch candelabra formed the decorative altar for the marriage of Leo Maudie Watson, daughter of Mr. and Mrs. Glen Watson, Lockney, to George Dale Turner, Jr., son of Mr. and Mrs. George D. Turner, Sr., of Aiken.

Olin D. Huff of Canyon, Texas, Church of Christ minister, performed the double-ring service on Sunday morning, June 20 at 9 o'clock in the home of the bride's parents.

While the candles were being lighted, Mrs. Douglas Degge, pianist, played "Because." The traditional wedding marches were used. Mrs. Randell Stewart of Vernon, Texas sang "I'll Walk Beside You", and "O Bromise Me", accompanied by Mrs. Degge.

Attending the bride as bridesmaid was Miss Donna Bell, Vernon, Texas, cousin of the bride. She was attired in a street-length dress of gray linen and wore a halo fashioned of net and pink carnations. She carried an old-fashioned nosegay of pink carnations.

Donald Myers was best man.

Candlelighters were Bill and Roland Watson, brothers of the bride.

Given in marriage by her father, the bride was attractive in a white street-length dress, hand made original by Thelma Buckley, white picture hat and matching accessories. She carried a white Bible topped with a bouquet of white gardenias. For something old she wore a wedding band belonging to her grandmother, Mrs. W. C. Watson, something new was her wedding costume, something borrowed was a white Bible belonging to her sister-in-law, Mrs. Bill Watson, something blue were garters, a gift of Mrs. Randell Stewart.

Mrs. Watson, mother of the bride, wore black and white crepe with a white carnation corsage. Mrs. Turner, mother of the groom wore navy blue and white with a corsage of white carnations.

At the reception following the ceremony, the bride's table was laid with a linen cut work cloth belonging to Mrs. Henry Hodel, former teacher of the bridal couple. The centerpiece of white and pink gladioli and fern was flanked by tapers in crystal holders. Mrs. Bill Watson served the three-tiered wedding cake topped with a miniature bride and groom. Miss Arlene Turner, sister of the groom, presided at the punch bowl. Miss Imogene Barton, Amarillo, cousin of the bride, secured names for the register.

For the wedding trip to New Mexico the bride chose a luggage tan and white chambray dress with matching accessories and a corsage of white gardenias.

Mrs. Turner graduated from Lockney High School in 1947 and attended Abilene Christian College. Mr. Turner is a 1946 graduate of Lockney High School and attended W. T. S. C., Canyon.

The couple will be at home on a farm near Aiken.

Guests for the wedding were Donna Bell, Mr. and Mrs. Randell Stewart, all of Vernon; Mrs. L. F. Barton and Imogene, Bill Dixon, Joe Edd Roberts, all of Amarillo; Mr. and Mrs. Johnny Williams, Abernathy; Mr. and Mrs. Olin Huff, Charlotte and Patricia, Canyon; Mr. and Mrs. George D. Turner and Arlene, Mr. and Mrs. Bill Watson, Betty Harrison, Virginia Tate, Dan Teuton, Donald Myers, Mr. and Mrs. Floyd Huff, Mr. and Mrs. Douglas Degge and Olin Douglas, Mr. and Mrs. W. C. Watson of Lockney.

A wedding breakfast was given for the bridal party and their families at the home of Mr. and Mrs. Bill Watson.

Millwee Asks For Justice Office

I am grateful to the people of Floyd County for giving me the office of county attorney for two terms. I have not announced for a third term because any man should be satisfied with two terms in one office, and, too, my age and physical condition demands that I take it easier than I could in future as county attorney. During my terms as county attorney more fines have been paid to the county than under any other holder of the office. During last year twice as much fines were paid and income accrued to the County attorney's office than any year under any previous county attorney; and this without any fan-fair or advertisement from me.

This is my announcement for justice of the peace of Precincts 2 and 3. My more than 45 years as a lawyer qualifies me to fill this office. This Justice of the Peace post at Lockney specially requires some legal qualifications, because he is frequently called upon to decide legal matters without having access to the aid of lawyers or law books.

If elected I shall hand out even handed justice without fear or favor.
S. H. MILLWEE

STAMP PAD INK at The Beacon

Soil Conservation District News

The Soil Conservation technicians assigned to the Floyd County Soil Conservation District ran some contour guide lines for R. H. Ooley in the Providence community last week. Mr. Ooley expects to plant some black eyed peas on dry land that he cannot irrigate.

Some ditch lines were run for D. J. Phillips of Lone Star last week. There was not enough moisture in the soil to get up a crop so Mr. Phillips wanted to use the water pumped while developing his well to water beds that will be planted to row crop.

A high point was set for an irrigation well on the George Graham farm near Lockney the first of the week.

An irrigation system has been laid out on the Cecil Hagood farm south of Alken where some carrots are to be planted.

Parts of the County received heavy rain with some spots of hail during the past week. Some wheat was almost completely destroyed and also some cotton was completely ruined. It is getting late and the cotton land will be planted to feed or else fallowed. The damaged crops were in both irrigated and dryland areas.

T. Z. Reed Seeks J. P. Office

To the Voters of Justice of the Peace Precinct No. 2, Floyd Co.

As I have served you as Justice of the Peace 18 months and the primary election is near I thought perhaps you might like my services another term. I have enjoyed the office work and would like to have the support of the people for another term, 1949 and 1950.

If elected I will continue to serve you to the best of my ability. Thanking you for past favors, I am the same,
T. Z. REED

THE PALESTINE CRISIS

Even the interminable debate over U. S.—U. S. S. R. relations hasn't been able to obscure the Palestine problem. The once-quiet Holy Land, which used to seem almost as remote as another planet to most Americans, is now at the core of the World's difficulties. The warfare which is going on there is not a localized contest between the Jews and the Arabs. It has an ominously direct bearing on the prospects for world peace, and for world economic rehabilitation.

The most startling development in the Palestine crisis was President Truman's recognition of the new Jewish state, Israel. Israel is a tiny and poor country, and its population is under a million. It cannot sustain itself. Mr. Truman's recognition was given with almost unprecedented suddenness. Israel's government was not,

even completely organized. There are grounds for believing that he acted against the advice of some top State Department officials. And one result of that action was to create the first serious cleavage between us and England.

Britain, once more or less neutral when it came to Jew-Arab differences,

has been supporting the Arabs for a considerable time. She has supplied the Arabian states with arms and other supplies, and her position is unequivocal. It is now common knowledge that our recognition of Israel, which, in effect, aligned us against England, caused shock followed by rage in Britain's Foreign Office. On the other hand, it seemed to please the Soviet Union, which is now standing on the sidelines with a watchful eye on Middle East Oil.

Oil, of course, is what gives the Jew-Arab war its worldwide significance. Of the world's known oil reserves, according to a United States News & World Report summing up, the Middle East has more than 27 billion barrels out of a total of 67 billion. All the plans for world recovery, including our ERP, are based on putting this oil to use. British and U. S. oil companies, and, to a lesser extent, the French, have been carrying on intensive development of the fields, building pipelines, etc. The war has imperiled this work. In some sections construction has been halted entirely, and the danger of destruction of facilities which have been built is intense.

It is thus to the interest of all the Western Powers to bring hostilities to a halt as soon as possible. But, in spite of occasional truces, no workable program, acceptable to both Arabs and Jews, has been offered. The two races feel a burning hatred for each other. Both sides regard the conflict as a holy war, with all the fanaticism and passionate purpose that engenders.

The Arabs have an enormous advantage in numbers and land area. However, according to military ob-

servers, they are temperamentally unsuited to modern, organized warfare. The Jews, on the other hand, have shown a definite talent for organization. Their army and their underground are led by men with wide combat experience. They seem to be well supplied with weapons, and they are schooled in guerilla tactics. So they have held their own.

Just how conflicting U. S. and British policy in Palestine can be reconciled, and how a peace may be secured, is the great question. The crystal ball is clouded now. But everyone is agreed that it must be done if the world is to have the vital Middle Eastern oil, and the Western powers' plans for world rehabilitation are to go through.

SCHOOL DAYS

By DWIG

THE FAITH O'MEN

THE BUSINESS OUTLOOK

What is the outlook for business activity, prices, wages, etc., for the next year or so?

The economists seem to be in reasonable agreement. There is no foreseeable decline in industrial production in general. No one is talking about depressions, except as a very long range possibility. Employment, consequently, will remain high.

More wage increases are on the way—General Motors' recent agreement with the auto workers probably indicates the pattern.

It is expected that there will be some rise in commodity prices, perhaps averaging three or four per cent by the end of the year. Some prices will naturally go up more than others. The new Ford cars, as an example, cost about 9 per cent more than the previous models. Only moderate in-

creases in food prices are forecast.

The influence of the preparedness program, which will cost about \$13,000,000,000 during the next fiscal year, is being watched closely. This, coming on top of the European Aid Program, will place another heavy burden on basic industries. That drain may be severe in the case of materials now in short supply. From the consumer's point of view, it will be marked by a smaller production of automobiles and similar goods than would be the case otherwise.

There is a possibility that the tax cut given income taxpayers this year may not be continued in the next. It all depends on the relationship between Federal income and outgo. Neither party, in an election year, seems willing to do much more than talk about government economy.

*Splicing
telephone cable*

TO SERVE WAITING CUSTOMERS

"I'm a cable splicer for the telephone company.

"I splice every one of the hundreds of wires in one section of telephone cable to its mate in the next section.

SOUTHWESTERN BELL
TELEPHONE CO.

"All of us cable splicers are busy these days helping put new cables into service so that people waiting can get telephones.

"Cable and wire tie together the parts of the telephone system. To serve a new customer we need not only a telephone instrument and room on the switchboard, but also there must be a pair of wires to connect the two. Right now, most of the wires in telephone cables are in use.

"That's why we're putting in new cables as fast as the factories can deliver them—and the factories are turning out twice as much as they did before the war.

"To you people waiting: We want you to know that we're doing everything we can to get you a telephone—just as soon as we can."

DAN RIVERS SHEETS, 81x108, Also pretty new bedspreads at Baker Dry Goods.

VETERAN ENROLLMENT DECLINES RAPIDLY

AUSTIN, Texas.—Veteran enrollment at the University of Texas is now on the decline, Statistician Byron Shipp reports.

Of the 6,288 veterans enrolled for the first summer term, only 39 are beginning their college work, and 339 are transfers from other colleges.

Men students outnumber girls, with a total of 7,313 to 1,859. Of 7,313 men enrolled, 6,182 are veterans, and 106 women are veterans.

Mrs. High Davis of Gatesville, Mrs. A. E. Morris of Corsicana and Bert Davis are visiting in the W. L. McAda home here.

Aiken News

Mr. and Mrs. Robert Warren and daughter from Tahoka and Mr. and Mrs. Howard Martain Jr. from Lubbock spent Wednesday night in the home of Rev. Howard Martain and family.

Mr. and Mrs. Ed Gordon's daughter and her family from Muleshoe visited her parents last week.

Mr. J. E. Hampton spent several days in the home of Mr. and Mrs. Joe Hampton at Amarillo last week.

Mr. and Mrs. Wiley Moore made a business trip to Plainview Wednesday.

Mrs. Gibson, Mrs. Connie O'Brian's mother from Lamesa, is in the hospital at Lockney. We wish her a speedy recovery.

Judy Morrison was ill last week. Mrs. Wesley from Canyon was a guest in the home of Mr. and Mrs. Bill Wesley last week.

Mr. and Mrs. Jesse Sparkie and family were dinner guest Sunday in the home of his parents at Cedar Hill.

Mr. and Mrs. Earl Kellison and Nita visited relatives at Hollis, Oklahoma over the weekend.

Mrs. Charlie Elam and Mary Bennett visited her daughter at Tulla over the weekend.

Mr. and Mrs. H. E. Seago and Charlotte were guest in the home of her parents at Floydada Sunday.

Mr. and Mrs. Buck Kellison and family visited relatives at Oklahoma City, Oklahoma over the weekend.

Rev. Martain and Mrs. Martain, David, Sherian, Mr. and Mrs. Lois Williams and Kenneth were dinner guests in the home of Mr. and Mrs. Vernon Campbell Sunday.

Mr. and Mrs. Floyd Compton and family visited friends and relatives at Seymour and Red Springs last week.

Misses Carolyn Campbell and Peggy Williams were guests in the home of Grandmother and Grandad Campbell at Plainview over the weekend.

Jerry and Junior Williams spent Sunday with Sonney Scott.

Mrs. Harry Copeland's mother recently passed away. We extend to her our greatest sympathy.

Miss Wanell Martain spent Sunday in the home of Mr. and Mrs. M. B. Salmon.

Mr. J. E. Hampton and Nell made a business trip to Sand Hill Monday.

Twenty-Eight 4-H Girls Model Dresses In Review Friday

Twenty-eight 4-H Club girls modeled dresses they had made at the 4-H Dress Revue held in the High School Auditorium in Floydada Friday afternoon. Five girls competed in the Senior group while the remaining twenty three were below 14 years of age.

The girls dresses were scored on a basis of 100%. All Blue Award winners had scores above 90 and will receive medals from the Simplicity Pattern Company. Red Award winners had scores between 80 and 90, and White Award winners had scores below 80.

In the Senior Award Group Marlene Hollums of the County-Wide 4-H Club won first place with Hattie Dell Boyd of the Baker 4-H Club winning second. Senior places in the Red Award Group were Mary Lou Fawver and Benevée Boyd, both of Baker, and Darlene Johnson of the County-Wide Club.

In the Junior Blue Award Group Norma Louise Dunn of the Floydada Jr. 4-H Club won first; Marlene Raley of Sand Hill second; Shirley Womack of Sand Hill, third; Bobby Ruth of Providence fourth; Marcelita Green of Baker fifth; and Mona Williams of the Floydada Jr. Club sixth.

Red Award winners were Patricia Spears of Lakeview; Nita Jo Day, Floydada; Loretta Peugh, Lone Star; Alice Latta, Floydada; Pat Adams, Sand Hill; and Pat Hogan, Floydada.

The White Award Group were: Naomi Allen, Frances Allen, Dorothy Holmes, and Beuna Nae Holmes, Sand Hill; Juanell West, Juanice Shearer and Mary Sue Dunford, Lakeview; Payrene Hardin and Maebeth McLaughlin, Providence; Betty Lou Freeman and Ima Jean Noland, Floydada.

Prizes were gifts of money or merchandise from merchants in Floydada. Each girl received a prize.

Since good posture is so important and is emphasized in modeling a special prize was given to the girl with the best posture. This was presented to Mary Sue Dunford of the Lakeview 4-H Club.

Judging for the contest was done by Mrs. J. D. Cleveland and Mrs. Richard Stovall. Mrs. Cleveland told the group, "It was very difficult to judge with so many pretty dresses." "I have been thinking about how much better you girls can sew than I could at your age," Mrs. Stovall told the group.

Miss Kate Adele Hill, District Agent from the Extension Service at A. & M. College, spoke briefly to the girls and visitors. She expressed herself as being very pleased with the Revue and praised the Sponsors who had worked to make the Revue a success.

Miss Lella Petty, Home Demonstration Agent, presided during the Revue. She was assisted by Mrs. Orvus Shearer of Lakeview and Mrs. Joe Dunn of the Homebuilders Home Demonstration Club. Mrs. Roy Hollums of Harmony registered the guests and girls. There were 41 guests.

Local Men Attend Masonic Service At Lubbock Monday

A number of local Masons attended the services at Lubbock Monday at which the cornerstone of the new \$225,000 Masonic Temple was laid. The cornerstone was levelled at 4 p. m. Monday by Most Worshipful Master Horace K. Jackson of Gatesville, Grand Master of Texas Masons.

The local men also attended a barbecue given at 6 p. m. at Mackenzie Park.

Almost 2,000 people, among them being 400 Masons from over Texas, attended the services of the day. Those from this area attending included Joe Parish, Marvin Cox, Reed Lawson, Herman King, A. O. Foster and Lloyd Readhimer.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste
Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.
Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

DOAN'S PILLS

Mrs. Kelton Shaw, accompanied by her mother, Mrs. R. E. Patterson, visited with Kelton during last weekend at San Angelo. Mr. Shaw is doing field work in connection with his college course at A. and M. Mrs. Shaw is spending the summer with her parents here.

Mr. and Mrs. J. D. Burkham of Johnson, Kansas spent Sunday night in the home of Rev. and Mrs. E. J. Cobb and children.

Earline Anderson of Denver City, spent last week with her cousin, Caroline Cobb.

Grayson Tate Stars At West Point

WEST POINT, N. Y.—Cadet Grayson Dee Tate, Jr., a son of Mr. and Mrs. G. D. Tate, Denver City, Tex., has been performing ably as a mid-fielder on the crack Army lacrosse team this season.

Cadet Tate, playing for the first time this year, has shown talent that promises to make him one of Army's outstanding players. The Army team on which he is playing is in first place in the powerful Northern Conference and boasts the proud record of nine victories in ten games. The only defeat came at the hands of a powerful, once-beaten John Hopkins

university.

Cadet Tate, who is finishing his second year at The Point, is also a member of the strong Army football team and is in the 160-voice Cadet chapel choir.

Before entering the Academy, Cadet Tate attended and graduated from Denver City High school, where he was an outstanding player on the football, basketball and track teams. He was named to the All-District football and court teams.

Chemicals that kill insects or plant diseases are poisonous to some extent. All chemical sprays and dusts must be handled intelligently, and stored in safe containers, clearly identified and labeled.

Four Winners In 4-H County Program To Get Silver Medals

Four rural youth in this county are eligible to receive sterling silver medals of honor this year for having top records in the 1948 National 4-H Home Improvement awards program, according to G. L. Noble, Director of the National 4-H Club Committee.

By taking part in the program members learn how to make home improvements for beauty, comfort, health and safety in keeping with the needs of every member of the family, and at minimum cost. They also demonstrate to others what has been learned relative to home furnishings, arrangements and practices.

The highest rating county winner between 14 and 21 years old is selected to receive the state award of a Chicago 4-H Club Congress trip, provided by Sears-Roebuck Foundation. Eight state winners named for national hon-

ors each receives a \$200.00 college scholarship.

Winners of county medals in 1947 were Elvira Benevides, Johnnie Lou Wright, Geneva Smith, Daphne Smith, Brooks; Betty Blackerby, Peggy Wilford, Billie Bell, Mary Jo Gattis, Grayson; Anna Lee Middleton, Carolyn Phelps, Margaret Spencer, Lou Paula Davenport, Harris; Lelda Payne, Mamie Jean Smith, Patsy Hall, Margaret Davis, Titus; Joyce Isbell, Uphur.

County extension agents will furnish details of this program.

All kinds of ants-including those commonly found in the home have their nests in the ground and can be controlled either by using poisoned baits, putting carbon bisulphide in their nests, or by spraying or dusting their runways with DDT.

No. 14604

TREASURY DEPARTMENT
Office of Comptroller of the Currency
Washington, D. C. May 17, 1948

Whereas, satisfactory evidence has been presented to the Comptroller of the Currency that

"FIRST NATIONAL BANK
IN LOCKNEY

Lockney, County of Floyd, STATE OF TEXAS, has complied with all the provisions of the Statutes of the United States required to be complied with before being authorized to commence the business of Banking as a National Banking Association;

Now, therefore, I, PRESTON DELANO, Comptroller of the Currency, do hereby certify that the said "FIRST NATIONAL BANK IN LOCKNEY," having complied with the requirements of the Statutes of the United States as aforesaid is authorized to commence the business of Banking as a National Banking Association (to succeed No. 9126 The First National Bank of Lockney, Lockney, Texas) beginning business June 1, 1948.

In testimony whereof, witness my hand and Seal of office this 17th day of May, 1948.

Educational Meet To Honor Dr. Hill

An educational conference for West Texas State College and the Panhandle area will be held at Canyon on July 4, 5, and 6 honoring the retiring president of the college, Dr. J. A. Hill. He will retire Sept. 1.

Invitations to the conference have been received by a number of people of Lockney and vicinity. General theme of the conference

will be "Crucial Problems in Teacher Education."

Beginning Sunday night with a sermon at the First Baptist Church in Canyon, the conference will extend through Monday and Tuesday. Highlight of the conference will be a testimonial dinner in the College Cafeteria Monday, July 5, at 7:15 p. m.

A number of prominent educators of Texas and the nation will participate and appear on the program of the conference.

Insurance FIRE

AFTER 10 MONTHS REST, I am again writing Fire Insurance, now with EXTENDED COVERAGE also, for Farmers Union County Mutual Insurance Company, our own Texas Company. We now operate state-wide under good Texas Laws. We personally ask for your business.

First: Because the premium is less.
Second: Because we pay more. (No \$50 or \$100 deductible Clauses).

Third: Because The National Farmers Union says: "We are behind Texas—both morally and financially—to the limit." That means security for you. When you know you are safe you simply won't continue to send your money to out-of-state stock companies and pay the first \$50 or \$100 of your own loss when you find that a smaller premium in your own Texas company will pay all your losses in full and pile up a reserve that still belongs to you. Investigate now.

NOW a word about Hail Insurance on growing crops with our own Texas Panhandle Mutual Hail Association (Paid over \$700,000 in crop losses in Texas last year).

I'm begging you to insure your cotton with us the minute it comes up to a stand. It will sell for about 30c per pound this fall if it don't hail. If it does hail, we pay you and you can replant to feed or do as you please. About 10 pounds of lint insures you for more than \$20 per acre. It's just plain good business.

Listen to a Farmers Life as He Lives it—KVOP every Saturday 12:30 to 12:45.

THEY'RE 'GARDEN FRESH' —ALL THE TIME

in a Home Freezer

Enjoying summer vegetables and fruits this month? There's no need to wait until next year to have more. Simply prepare for home freezing and have them on your table next January, as garden fresh as when just picked.

A home freezer makes summer fruits and vegetables all-year-round features of your menus. You save, too, because when the markets have produce at special prices in season, you can stock up.

Meats, too, will keep in a home freezer, and you'll find it a handy place to keep ready-to-cook pies and pastries. Visit an appliance dealer now and find out more about the advantages of an economical electric freezer. Low cost, dependable electric service will make your own home freezer even more of a bargain.

AUSTIN, Texas—Veteran enrollment at the University of Texas is now on the decline, Statistician Byron Shipp reports.

Of the 6,288 veterans enrolled for the first summer term, only 39 are beginning their college work, and 339 are transfers from other colleges.

Men students outnumber girls, with a total of 7,313 to 1,859. Of 7,313 men enrolled, 6,182 are veterans, and 106 women are veterans.

Mrs. High Davis of Gatesville, Mrs. A. E. Morris of Corsicana and Bert Davis are visiting in the W. L. McAda home here.

Aiken News

Mr. and Mrs. Robert Warren and daughter from Tahoka and Mr. and Mrs. Howard Martain Jr. from Lubbock spent Wednesday night in the home of Rev. Howard Martain and family.

Mr. and Mrs. Ed Gordon's daughter and her family from Muleshoe visited her parents last week.

Mr. J. E. Hampton spent several days in the home of Mr. and Mrs. Joe Hampton at Amarillo last week.

Mr. and Mrs. Wiley Moore made a business trip to Plainview Wednesday.

Mrs. Gibson, Mrs. Connie O'Brian's mother from Lamesa, is in the hospital at Lockney. We wish her a speedy recovery.

Judy Morrison was ill last week. Mrs. Wesley from Canyon was a guest in the home of Mr. and Mrs. Bill Wesley last week.

Mr. and Mrs. Jesse Sparkie and family were dinner guest Sunday in the home of his parents at Cedar Hill. Mr. and Mrs. Earl Kellison and Nita visited relatives at Hollis, Oklahoma over the weekend.

Mrs. Charlie Elam and Mary Bennett visited her daughter at Tulla over the weekend.

Mr. and Mrs. H. E. Seago and Charlotte were guest in the home of her parents at Floydada Sunday.

Mr. and Mrs. Buck Kellison and family visited relatives at Oklahoma City, Oklahoma over the weekend.

Mrs. Harry Copeland's mother recently passed away. We extend to her our greatest sympathy.

Miss Wanell Martain spent Sunday in the home of Mr. and Mrs. M. B. Salmon.

Mr. J. E. Hampton and Nell made a business trip to Sand Hill Monday.

Twenty-Eight 4-H Girls Model Dresses In Review Friday

Twenty-eight 4-H Club girls modeled dresses they had made at the 4-H Dress Revue held in the High School Auditorium in Floydada Friday afternoon. Five girls competed in the Senior group while the remaining twenty three were below 14 years of age.

The girls dresses were scored on a basis of 100%. All Blue Award winners had scores above 90 and will receive medals from the Simplicity Pattern Company. Red Award winners had scores between 80 and 90, and White Award winners had scores below 80.

In the Senior Award Group Marlene Hollums of the County-Wide 4-H Club won first place with Hattie Dell Boyd of the Baker 4-H Club winning second. Senior places in the Red Award Group were Mary Lou Fawver and Benevee Boyd, both of Baker, and Darlene Johnson of the County-Wide Club.

In the Junior Blue Award Group Norma Louise Dunn of the Floydada Jr. 4-H Club won first; Marlene Haley of Sand Hill second; Shirley Womack of Sand Hill, third; Bobby Ruth of Providence fourth; Marcelita Green of Baker fifth; and Mona Williams of the Floydada Jr. Club sixth.

Red Award winners were Patricia Spears of Lakeview; Nita Jo Day, Floydada; Loretta Peugh, Lone Star; Alice Latta, Floydada; Pat Adams, Sand Hill; and Pat Hogan, Floydada.

The White Award Group were: Naomi Allen, Frances Allen, Dorothy Holmes, and Beuna Nae Holmes, Sand Hill; Juanell West, Juanice Shearer and Mary Sue Dunford, Lakeview; Fayrene Hardin and Maebeth McLaughlin, Providence; Betty Lou Freeman and Ima Jean Noland, Floydada.

Prizes were gifts of money or merchandise from merchants in Floydada. Each girl received a prize.

Since good posture is so important and is emphasized in modeling a special prize was given to the girl with the best posture. This was presented to Mary Sue Dunford of the Lakeview 4-H Club.

Judging for the contest was done by Mrs. J. D. Cleveland and Mrs. Richard Stovall. Mrs. Cleveland told the group, "It was very difficult to judge with so many pretty dresses." "I have been thinking about how much better you girls can sew than I could at your age," Mrs. Stovall told the group.

Miss Kate Adele Hill, District Agent from the Extension Service at A. & M. College, spoke briefly to the girls and visitors. She expressed herself as being very pleased with the Revue and praised the Sponsors who had worked to make the Revue a success.

Miss Leola Petty, Home Demonstration Agent, presided during the Revue. She was assisted by Mrs. Orvus Shearer of Lakeview and Mrs. Joe Dunn of the Homebuilders Home Demonstration Club. Mrs. Roy Hollums of Harmony registered the guests and girls. There were 41 guests.

Local Men Attend Masonic Service At Lubbock Monday

A number of local Masons attended the services at Lubbock Monday at which the cornerstone of the new \$225,000 Masonic Temple was laid. The cornerstone was levelled at 4 p. m. Monday by Most Worshipful Master Horace K. Jackson of Gatesville, Grand Master of Texas Masons.

The local men also attended a barbecue given at 6 p. m. at Mackenzie Park.

Almost 2,000 people, among them being 400 Masons from over Texas, attended the services of the day. Those from this area attending included Joe Parish, Marvin Cox, Reed Lawson, Herman King, A. O. Foster and Lloyd Readhimer.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up at night, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nationwide reputation. Are recommended by grateful people the country over. Ask your neighbor!

DOAN'S PILLS

Mrs. Kelton Shaw, accompanied by her mother, Mrs. R. E. Patterson, visited with Kelton during last weekend at San Angelo. Mr. Shaw is doing field work in connection with his college course at A. and M. Mrs. Shaw is spending the summer with her parents here.

Mr. and Mrs. J. D. Burkham of Johnson, Kansas spent Sunday night in the home of Rev. and Mrs. E. J. Cobb and children.

Earline Anderson of Denver City, spent last week with her cousin, Caroline Cobb.

Grayson Tate Stars At West Point

WEST POINT, N. Y.—Cadet Grayson Dee Tate, Jr., a son of Mr. and Mrs. G. D. Tate, Denver City, Tex., has been performing ably as a mid-fielder on the crack Army lacrosse team this season.

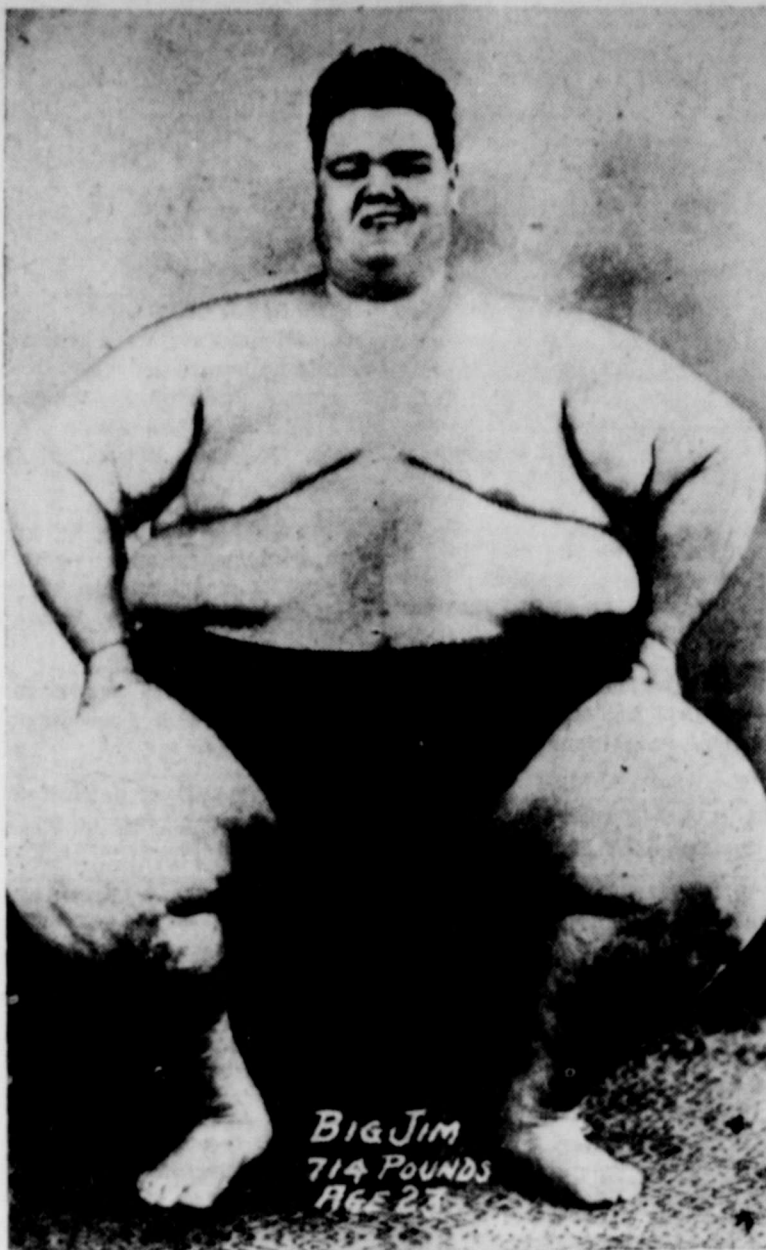

Cadet Tate, playing for the first time this year, has shown talent that promises to make him one of Army's outstanding players. The Army team on which he is playing is in first place in the powerful Northern Conference and boasts the proud record of nine victories in ten games. The only defeat came at the hands of a powerful, once-beaten John Hopkins

university.

Cadet Tate, who is finishing his second year at The Point, is also a member of the strong Army football team and is in the 160-voice Cadet chapel choir.

Before entering the Academy, Cadet Tate attended and graduated from Denver City High school, where he was an outstanding player on the football, basketball and track teams. He was named to the All-District football and court teams.

Chemicals that kill insects or plant diseases are poisonous to some extent. All chemical sprays and dusts must be handled intelligently, and stored in safe containers, clearly identified and labeled.

Four Winners In 4-H County Program To Get Silver Medals

Four rural youth in this county are eligible to receive sterling silver medals of honor this year for having top records in the 1948 National 4-H Home Improvement awards program, according to G. L. Noble, Director of the National 4-H Club Committee.

By taking part in the program members learn how to make home improvements for beauty, comfort, health and safety in keeping with the needs of every member of the family, and at minimum cost. They also demonstrate to others what has been learned relative to home furnishings, arrangements and practices.

The highest rating county winner between 14 and 21 years old is selected to receive the state award of a Chicago 4-H Club Congress trip, provided by Sears-Roebuck Foundation. Eight state winners named for national hon-

ors each receives a \$200.00 college scholarship.

Winners of county medals in 1947 were Elvira Benevides, Johnnie Lou Wright, Geneva Smith, Daphne Smith, Brooks; Betty Blackerby, Peggy Willford, Billie Bell, Mary Jo Gattis, Grayson; Anna Lee Middleton, Carolyn Phelps, Margaret Spencer, Lou Paula (Lavenport, Harris); Lelda Payne, Mamie Jean Smith, Patsy Hall, Margaret Davis, Titus; Joyce Isbell, Upshur.

County extension agents will furnish details of this program.

All kinds of ants—including those commonly found in the home have their nests in the ground and can be controlled either by using poisoned baits, putting carbon bisulphide in their nests, or by spraying or dusting their runways with DDT.

Educational Meet To Honor Dr. Hill

An educational conference for West Texas State College and the Panhandle area will be held at Canyon on July 4, 5, and 6 honoring the retiring president of the college, Dr. J. A. Hill. He will retire Sept. 1.

Invitations to the conference have been received by a number of people of Lockney and vicinity.

General theme of the conference

will be "Crucial Problems in Teacher Education."

Beginning Sunday night with a sermon at the First Baptist Church in Canyon, the conference will extend through Monday and Tuesday. Highlight of the conference will be a testimonial dinner in the College Cafeteria Monday, July 5, at 7:15 p. m.

A number of prominent educators of Texas and the nation will participate and appear on the program of the conference.

Insurance FIRE

AFTER 10 MONTHS REST, I am again writing Fire Insurance, now with EXTENDED COVERAGE also, for Farmers Union County Mutual Insurance Company, our own Texas Company. We now operate state-wide under good Texas Laws. We personally ask for your business.

First: Because the premium is less.
Second: Because we pay more. (No \$50 or \$100 deductible Clauses).

Third: Because The National Farmers Union says: "We are behind Texas—both morally and financially—to the limit." That means security for you. When you know you are safe you simply won't continue to send your money to out-of-state stock companies and pay the first \$50 or \$100 of your own loss when you find that a smaller premium in your own Texas company will pay all your losses in full and pile up a reserve that still belongs to you. Investigate now.

NOW a word about Hail Insurance on growing crops with our own Texas Panhandle Mutual Hail Association (Paid over \$700,000 in crop losses in Texas last year).

I'm begging you to insure your cotton with us the minute it comes up to a stand. It will sell for about 30¢ per pound this fall if it don't hail. If it does hail, we pay you and you can replant to feed or do as you please. About 10 pounds of lint insures you for more than \$20 per acre. It's just plain good business.

Listen to a Farmers Life as He Lives it—KVOP every Saturday 12:30 to 12:45.

THEY'RE 'GARDEN FRESH' — ALL THE TIME

in a Home Freezer

Enjoying summer vegetables and fruits this month? There's no need to wait until next year to have more. Simply prepare for home freezing and have them on your table next January, as garden fresh as when just picked.

A home freezer makes summer fruits and vegetables all-year-round features of your menus. You save, too, because when the markets have produce at special prices in season, you can stock up.

Meats, too, will keep in a home freezer, and you'll find it a handy place to keep ready-to-cook pies and pastries. Visit an appliance dealer now and find out more about the advantages of an economical electric freezer. Low cost, dependable electric service will make your own home freezer even more of a bargain.
