

Floydada Youth Drowns In Pit

FLOYDADA, July 10 (Special)—H. A. Copeland, Jr., 14 years old, drowned Saturday afternoon while swimming in an old caliche pit in the edge of Floydada.

His body was recovered in 20 feet of water after two and a half hours of seining and grappling by a volunteer crew.

He was the son of Mr. and Mrs. H. A. Copeland, who operate Cope's Drive-In, an eating place on a highway entering the city.

The tragedy occurred while four boys were swimming in the old pit, about 40 yards wide and 110 yards long, and ranging up to 25 feet in depth.

Sammie Shackelford, 16 years old, said the Copeland boy had started to swim across the 40-yard wide swimming hole and he was seen struggling when he got more than half way across. The Shackelford boy tried to swim to him but couldn't make the distance. Jimmie Nichols, 14, attempted to throw an inflated inner tube to him but couldn't throw it far enough. The boy went down and did not come up.

Sheriff Leland A. Hart, of Floyd County, and a group of volunteers, including members of the Floydada fire department, dived and seined without results, and finally Sheriff Hart telephoned Chief W. E. Twiddy of the Lubbock fire department to bring grappling hooks. The body was recovered at 6:10 o'clock, two hours and 40 minutes after the boy was seen to go down.

A crowd of about 3000 persons looked on during the rescue efforts.

Survivors, besides the parents, include two brothers, Leslie Ray, who lives in California, and Bob, a student at West Texas State College, Canyon, and four sisters.

Funeral services were held Monday afternoon at Floydada for the youth.

G. M. Brunner Files For Mayor

The name of G. M. (Bud) Brunner was filed for the office of Mayor with City Secretary Fay Messer Monday. The City Council recently called a special election to be held July 20 to fill the vacancy left by the death of R. L. Maggard. The term will expire in April, 1949.

Mr. Brunner, proprietor of Brunner Lumber Co. has lived in Lockney the past 14 months. He came here from Groom. He is active in the Methodist Church and has interested himself in civic affairs since moving here.

No other name had been filed with the City Secretary up to Thursday morning.

Stores Will Close At 5:30 P. M.

Most Lockney stores will close at 5:30 p. m. Thursday in order to take part in the hospital celebration and dedication program. It was decided this week.

Exceptions to the closing will be the drug stores and the cafes. It was reported. Filling stations will probably stay open later. The people of this area are urged to do their grocery buying and other necessary shopping before 5:30 p. m.

School Retires \$5,000 In Optional Bonds

At the meeting of the Lockney Rural High School board of trustees Monday night, it was voted to retire \$5,000 in optional bonds with a surplus which had accumulated in the school district's sinking fund. The bonds were part of a total of \$10,500 optional bonds which are due in 1954.

Fifty cents of the school tax rate is set aside as a sinking fund to care for interest and principal on bonds. Supt. Sidney Reeves pointed out. The surplus had accumulated over and above that which was necessary to take care of the bonds as they came due it was said. The retired bonds drew 3 1/2 percent interest and the move will result in considerable saving to the school district.

Legion Meeting Set For Monday Night

A meeting of the Landrum Post No. 141, American Legion, will be held Monday night. Commander Kelley Webster said this week. There is some important business to take care of, Mr. Webster said, and he urged the members to be present.

Mr. and Mrs. Lavon Johnson, Sam and Clayton Roach are spending this week fishing on the Colorado river in southern Colorado.

Floyd To Get Ass't. Farm Agent

Jack Carruthers, a veteran, who is a recent graduate of Texas A. & M. College, will take up duties in Floyd County as assistant to County Agricultural Agent A. L. Hartzog on Monday, August 16th. Judge W. E. Grimes announced this week. Notice of Carruthers' assignment to Floyd County as Assistant County Agent in training by W. N. Williamson, District Agent of the A. & M. College Extension Service, was received this week by Judge Grimes and was approved by the Commissioner's Court at the regular meeting. Under the trainee arrangement the Commissioner's Court will provide suitable office and other facilities and A. & M. College provides the trainees compensation in full throughout the training period or until December 31st, 1948 at no cost to the county.

Judge Grimes said that Floyd County is recognized as a leading agricultural county and its constant growth in variety of farming and agricultural enterprises had for some time prompted the County Commissioners to attempt to secure the services of a full time assistant county agent. Carruthers will be many fold as are those of Agent Hartzog. However Carruthers will chiefly assist with the county boys' 4-H Club program which is one of the largest in Texas. He will serve also with the Agent as a consultant to Floyd farmers on various lines of technical agriculture. He will aid the Agent in giving informational help to those desiring assistance in solving such current problems as the control of Johnson grass and bindweeds. "Weed control," Judge Grimes said, "is an item which has caused the Court considerable concern and which members of the Court are giving an increasing amount of study due to the fact that these weeds are lowering crop yields in certain areas and are seriously endangering the farm land in the county."

City Calls Special Election To Fill Mayor's Office

The City Council in a special meeting last Friday night, issued an order for a special election to be held on Tuesday, July 20, in which a mayor will be elected to fill the vacancy left by the death of R. L. Maggard recently. The term expires in April, 1949.

J. J. Harris was appointed as election judge with L. M. Honea as assistant judge and Mrs. L. M. Honea as clerk. The election will be held at the City Hall with the polls opening at 8 a. m. and closing at 7 p. m.

Mr. and Mrs. Charlie Gloyna and family and Mr. and Mrs. Lenroy Weathers of Plainview visited last week in Carlsbad Caverns and other points in New Mexico. Mr. Gloyna said that in all the area they visited in Texas and New Mexico Floyd County crops were the best of any they had seen.

H. B. Machen Will Be Postmaster Here

Information from Washington which reached The Beacon Thursday stated that H. B. Machen would be installed as the acting postmaster at Lockney very soon and would be given the permanent appointment subject to confirmation by the senate in the January session of Congress.

Mr. Machen, a farmer living five miles northwest of town, is a veteran of World War II. He was listed as high man in the examination taken recently by applicants for the office.

Two other men qualified for the office. The Beacon was informed. They were Lewallen E. Gross, who had the No. 2 position on the list, and R. L. Maggard, who was placed No. 3. Mr. Maggard recently passed away. Mr. Gross recently moved to Hereford. The Beacon was not informed as to whether or not that disqualified him from holding the office.

Both Machen and Gross were given a 5-point veteran preference in the ratings.

Machen served in the European theatre during the war and was discharged with the rank of Major. He and his family have lived here since 1942.

Final Wheat Loan Announced At \$1.95

The final wheat loan rate was received in the county office Tuesday morning and it is set at \$1.95 basis number one wheat. This is the rate not with standing news releases made earlier in the month which indicated that the loan rate was increased four cents from the interim loan rate.

Ray E. McEntire, administrative officer of PMA, stated in discussing the final rate, "The local county office was approving loans for \$1.93 basis number one wheat under the interim loan. July first the office began to approve loans on the basis of four cents increase as carried in the news releases. Now, July 12, the loan is \$1.95. That means we have to do a lot of correcting of loan papers, and a lot of explaining. And that is not a lot of fun when the farmers are on your neck, thinking that you are responsible."

Farmers obtaining loans during the period July 1 until July 12 which were based on the \$1.97 loan rate will be expected to execute corrected loan documents based on the new rate in order that they will be acceptable to the lending agencies and Commodity Credit Corporation.

Kenneth Don Hill Still Improving

Kenneth Don Hill, son of Mr. and Mrs. James Hill, is still improving at the John Sealy hospital in Galveston. The Beacon was informed this week. The boy is suffering with leukemia and has been treated with a newly discovered chemical which it is hoped will help him.

He is not under the oxygen tent any more, it was said, and was "looking lots better."

Floyd County Celebrates Completion Of Hospital

Eight Additional Teachers Elected By School Board

At a meeting of the Lockney Rural High School board Monday night of this week, eight additional teachers were elected to fill vacancies existing in the school system.

The faculty was composed of 24 members during the 1947-48 term. However, due to the enormous growth in scholastics during the past year, it has been necessary to add six teachers to the staff, making a total of 30 teachers in the school system for the next school term. This increase in the size of the faculty will enable the school to broaden its curriculum further and offer a more varied field to students. Supt. Sidney Reeves said.

An expanded music program together with the beginning of art work in the elementary school are two of the contemplated additions in the elementary school. A capella choir work is expected to make its first appearance in the high school.

The board set the opening day of school as Monday, September 6.

Two additional rooms at the grade school have been readied for the increase in pupil enrollment. This makes a total of 16 classrooms in the elementary school. Rest room improvements together with the addition of cork display boards in each elementary classroom have been accomplished under the direction of Ernest Spradlin. Refinished blackboards is also another improvement in the elementary building, and grass has been put out in front of the building.

The teachers elected last Monday night, with their degree, college attended, hometown and assignment in that order follows:

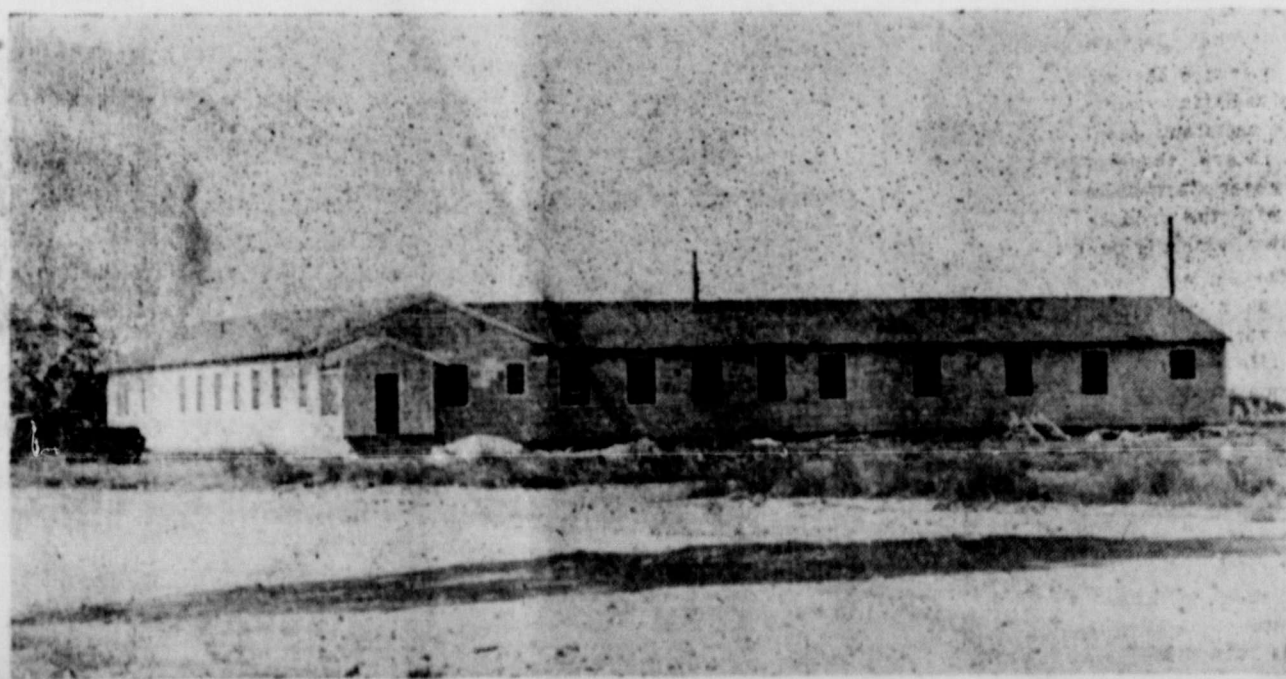

- Helen Moore, BS, McMurray College, Rotan, Texas, 4th grade.
- Lola I. Cox, BA, NTSTC, Hillsboro, Texas, 4th grade.
- Donald C. Green, BS, Howard Payne College, Floydada, Texas, High school math.
- Kathryn Norris, BS, McMurray College, Roscoe, Texas, art and 5th grade.
- Margaret V. Hudson, BS, Texas Tech, Hollis, Okla., Homemaking.
- Omega N. Smith, BS, TWC, Lockney Texas, music and 7th grade.
- Joyce Stallings, BS, West Texas State, Plainview, Texas, history.
- Irene B. Holcomb, BS, Austin College, Plainview, Texas, 5th grade.

Robert Smith Named Judge At Sterley

Through an error the name of Robert Smith was omitted from the list of presiding judges in the coming Democratic primaries which was published recently.

Mr. Smith was selected to hold the election at Sterley and has consented to do so, County Chairman Homer Steen told The Beacon this week.

Floyd County Co-Operative Hospital

Pictured here is the new home of Lockney. Extending 113 feet one way and 94 feet the other, the building has 12 patient rooms as well as other rooms necessary for a hospital.

Program Begins At 2 O'clock Thursday

Two years of effort on the part of the membership of the Floyd County Co-operative Hospital will reach a climax Thursday night when the new hospital building is dedicated.

The program of the day will begin at 2 p. m. with a free show at the Plains Theatre. This show, "13 Lead Soldiers," is a Bulldog Drummond picture and will be of special interest to those fans.

A program of music and fun will be presented on Main Street starting at 3:30 p. m. This show will feature Cecil Hunter, known as "Stuttering Sam" all over West Texas. Others who will appear on the program will be Bob McDonald and his string band featuring Mr. Brown of Plainview and his fiddle. Miss Joyce Carthel and Mrs. Fred Huggins, Dowell Brewer and Junior Golden with their string instruments, and the Floydada quartet.

A platform will be erected on Main Street from which this program will be presented. It was said Wednesday.

Free Barbecue at 6 P. M.

A free barbecue, furnished by the Business Men's Club of Lockney, will be served at the Legion Home at 6 p. m. The club is furnishing the barbecued beef, sauce, beans, bread and coffee. Ladies of the community have been asked to furnish pies, cakes and pickles for the occasion. That they are going to cooperate was indicated this week by many ladies who stated that they were preparing pies or cakes. Mrs. John Reeves has agreed to furnish all the onions necessary for the occasion.

Local people were uncertain as to how many to prepare for but plans are going forward to take care of at least 1200 people. It was said.

The ladies of the Lockney Home Demonstration Club will serve the barbecue. Mrs. F. L. Brown, president, said this week.

Open house at the hospital will be held from 2 p. m. until 10 p. m. Thursday. The building is practically complete and ready to move into. Floor coverings were laid this week and the last of the painting was done. Although most of the equipment is already in the building, the equipment from the old location will not be moved in until later.

Guests will be asked to register as they come into the building.

Dedication Program

The program dedicating the building will be held on the south side of the hospital building, weather permitting. Thursday evening beginning at 8 o'clock. A platform has been constructed from which the program will be given. Chairs will be set up and plenty of room will be left for parking cars close enough to hear the program. It was said.

The program for the evening is given on the front page of this newspaper. Dr. J. Ralph Grant, pastor of

Judge J. G. Lumpkin Visits Here Friday

Judge James G. Lumpkin was a visitor in Lockney on Friday in the interest of his candidacy to remain as an Associate Justice of the Seventh Court of Civil Appeals at Amarillo.

Judge Lumpkin is a native of Amarillo. He graduated from the New Mexico Military Institute and the University of Texas. Prior to practicing law, he taught four years at Amarillo College.

At the time he entered the military service in 1940, he was an assistant district attorney at Amarillo. After serving with the 36th Division, he returned home and was three times elected District Attorney. Judge Lumpkin has been on the Court of Civil Appeals for more than a year. He is a member of the vestry at St. Andrews Episcopal Church and is a member of the Amarillo Lions Club.

Judge Lumpkin said he expected to call on as many voters as possible between now and the July 24 primary. The court on which he serves has jurisdiction in civil cases over 46 Northwest Texas counties. It is composed of three members, one chief justice and two associate justices. Judge Lumpkin is one of the associate justices.

Ask a man when he was born and he will tell you the year. Ask a woman and she will tell you the day.

As a Texas plainsman, the only value we can see in mountain-climbing is to get a better view of the great plains below.

CONVENTION CLEAN-UP, OLD STYLE . . . The man who made the cleanest sweep of them all at the Republican national convention in Philadelphia comes up the aisle—behind a broom. By this time the last weary delegate had left the hall, the emotional sprees marking the naming of seven aspirants to the Republican nomination had ended and the dead trappings of the hectic nominating and voting demonstrations littered the aisles and corridors.

Aiken News

Mr. and Mrs. H. E. Seago and Charlotte recently visited friends at Red Springs.

Mr. and Mrs. David Stowe and Mr. Herman Stowe are in Pecos for awhile. Miss Dorothy Moore was home for a few days last week.

Mr. and Mrs. Lois Williams and family and Mr. and Mrs. Vernon Campbell and Caryon attended the Hill reunion at Abilene over the weekend.

Mrs. Ivan Thompson was in Lubbock Thursday for medical treatment. Mr. and Mrs. Fred Duvall visited Mr. and Mrs. Floyd Compton Tuesday night.

Mr. J. E. Hampton and Nell were guest in the home of Mr. and Mrs. M. B. Solman Sunday.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

DOAN'S PILLS

DUNLAP SCHOLARSHIPS ARE BEING AWARDED

LUBBOCK—Fifteen of the 18 Dunlap scholarships, awarded annually graduates from high schools in any of the eight counties which border Lubbock and Lubbock County, have been accepted for attendance next year at Texas Technological college.

Interviews for a few more applicants for the scholarships are to be conducted in the dean of men's office at the college August 1. One graduate from each of the 43 schools in the nine-county area is eligible.

Each scholarship is for \$100 or \$50 each semester. The scholarships are awarded on a competitive testing basis from among the best three candidates recommended by respective schools.

DUST YOUR COTTON 8 ROWS AT A TIME

With A John Deere Cotton Duster

No longer need pests be a serious menace to cotton and other crops. Destroy them quickly, easily and economically with a John Deere No. 77 Integral Tractor Duster. It's a compact, strongly-built duster, that's easy to attach and detach, easy to adjust and operate. It handles all dusting materials in any desired amount from 2 to 30 pounds per acre.

Positive feed, driven by the tractor's power take-off; mile-a-minute blasts; large, easily-cleaned hopper; adjustable outlets—plus many other features make the John Deere the simplest tractor duster you can buy. Fruit tree attachment available. See us for complete information.

LOCKNEY IMPLEMENT COMPANY
JOHN DEERE Quality Farm Equipment and Service

The Poultry Breeder's School, sponsored by the Poultry Husbandry Department of Texas A. & M. College, will be held at College Station July 1 to July 3.

The best way to dig potatoes is with a turning plow or a middle buster run 8 to 10 inches deep, and be sure the spuds are mature before digging them up.

Sterley News

By B. A. HOWELL

Have missed out on local gossip recently. In fact have been rather busy and lost some energy due to extra warm weather—no rain but plenty of dry days. The Federal building has undergone a face lifting since we last discussed the matter or rather it has been repainted on the inside but been too warm to get outside for any changes.

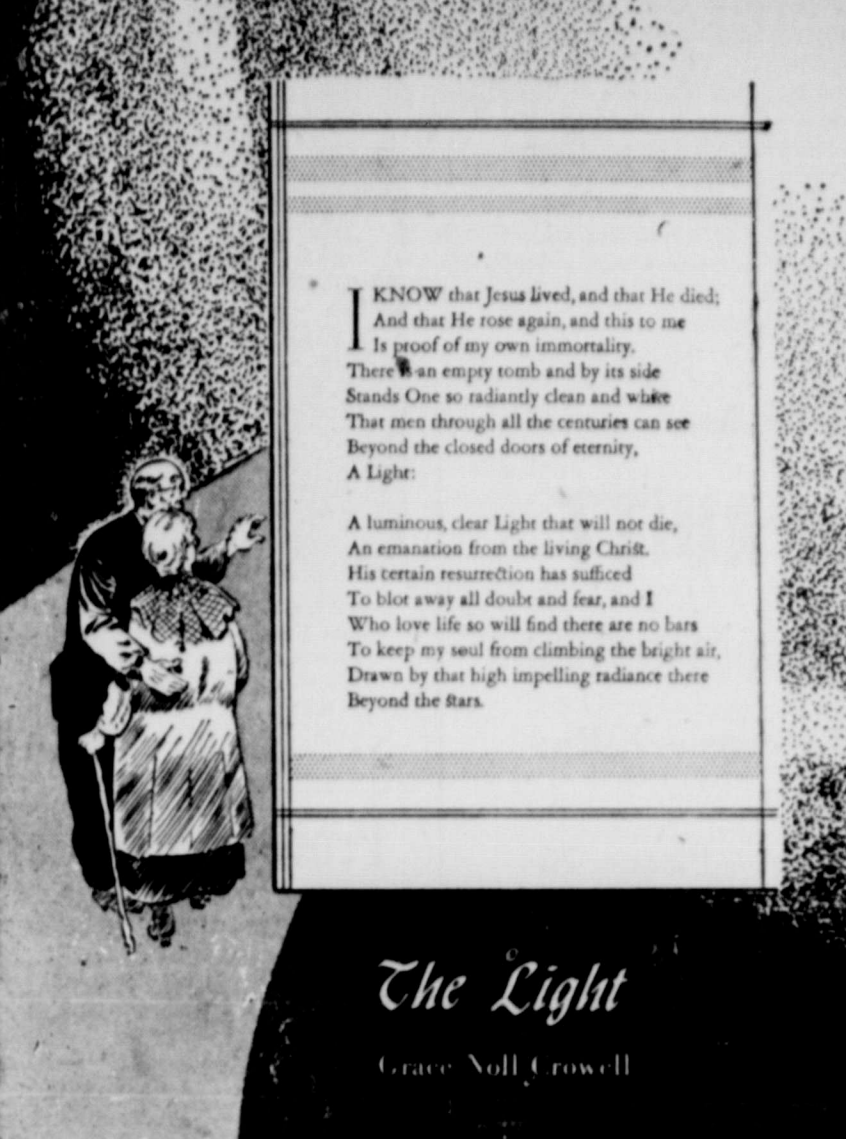

The Doug Graham family has moved to Amarillo and is being replaced here by John W. Branan as a brake man on the Sterley to Dimmitt run. Mr. and Mrs. Branan are not strangers to our community as they have lived with us twice before and make good neighbors.

Mrs. W. A. Cooper, who has been visiting among relatives and friends in Lockney and Sterley for some few days left Friday for Coleman. Mrs. Cooper was also transacting business while here as she sold her farm here and at this time I believe retains no property holdings in Floyd County.

Kenneth Claborn who has been doing extra work in the Amarillo office of the Fort Worth & Denver return-

**I KNOW that Jesus lived, and that He died;
And that He rose again, and this to me
Is proof of my own immortality.
There is an empty tomb and by its side
Stands One so radiantly clean and white
That men through all the centuries can see
Beyond the closed doors of eternity,
A Light:**

A luminous, clear Light that will not die,
An emanation from the living Christ.
His certain resurrection has sufficed
To blot away all doubt and fear, and I
Who love life so will find there are no bars
To keep my soul from climbing the bright air,
Drawn by that high impelling radiance there
Beyond the stars.

Injured in Automobile Crash, Girl Marries Beau in Hospital

ELKTON, MD. — An automobile accident delayed her wedding, but 16-year-old Floy Bingenman wouldn't let it stop her. She was married while in a hospital bed.

The girl was hurt when the car in which she was returning home to Manheim, Pa., collided with a truck. She and John Fansler, 21, had just obtained a wedding license. Floy suffered a broken collarbone and her mother, Mrs. Eva Bingenman, a broken jaw in the accident. They are in neighboring beds in the Union hospital.

That's where the wedding took place.

Nancy Jo Schacht has been ill this week.

ed home for a visit on Tuesday but did not get to visit much as he was called to Plainview for work the same night. Kenneth is spending his vacation relieving different ones in the various offices for the company during the summer as his school at Boulder, Colorado, will not take up until fall.

Mrs. Horton Howell was returned home from the Lockney Hospital Tuesday and quite cheerfully is admiring a baby girl. Both Mrs. Howell and the daughter are doing nicely and Horton and the two boys are very happy.

Jim Bert Bobbitt spent the week end in Amarillo visiting his sister, Miss Evelyn Bobbitt. Incidentally I think

Jim Bert also made a train connection while in Amarillo.

Mr. and Mrs. G. P. Nelson visited over the week end with their son, Clarence Nelson, and family at Leveland, Texas.

Mrs. Roy Mathison and her daughters from Pampa and White Deer have enjoyed a few days visit with her sister, Mrs. L. L. Rhodes and family.

Mrs. B. H. Denton and daughter, Jackie Lynn, came Sunday from their home in Lovington for a few days visit with her folks—the Moon Mullins family. The Mullins boys, James and Carl of Abilene also enjoyed a week end with the home folks.

The wheat harvest is all over in our community, as Ray Thompson, the ambitious elevator man with Patterson Grain Company has turned it back to us now for a while, and seemingly is ready to turn it back to the Indians until fall grain begins moving.

Mrs. E. F. Rivers and two girls have partially moved to Petersburg for a few days, where Mr. Rivers is doing some 30 days extra work for the Denver Railroad.

Rev. Haynes preached at the Methodist Church Sunday to a very attentive congregation, and delivered a mighty good sermon.

There will be a Methodist Meeting to begin at 8 o'clock Friday evening, in Sterley, and we hope we will have good attendance at all meetings running through Sunday, July 25th. Preaching will be done by Rev. S. A. Sifford from Anson, Texas, and assisted by our own minister, Rev. Haynes. Rev. Sifford is no stranger to our community as he conducted a meeting for us here a couple or three years ago and we assure you that we will have some good preaching.

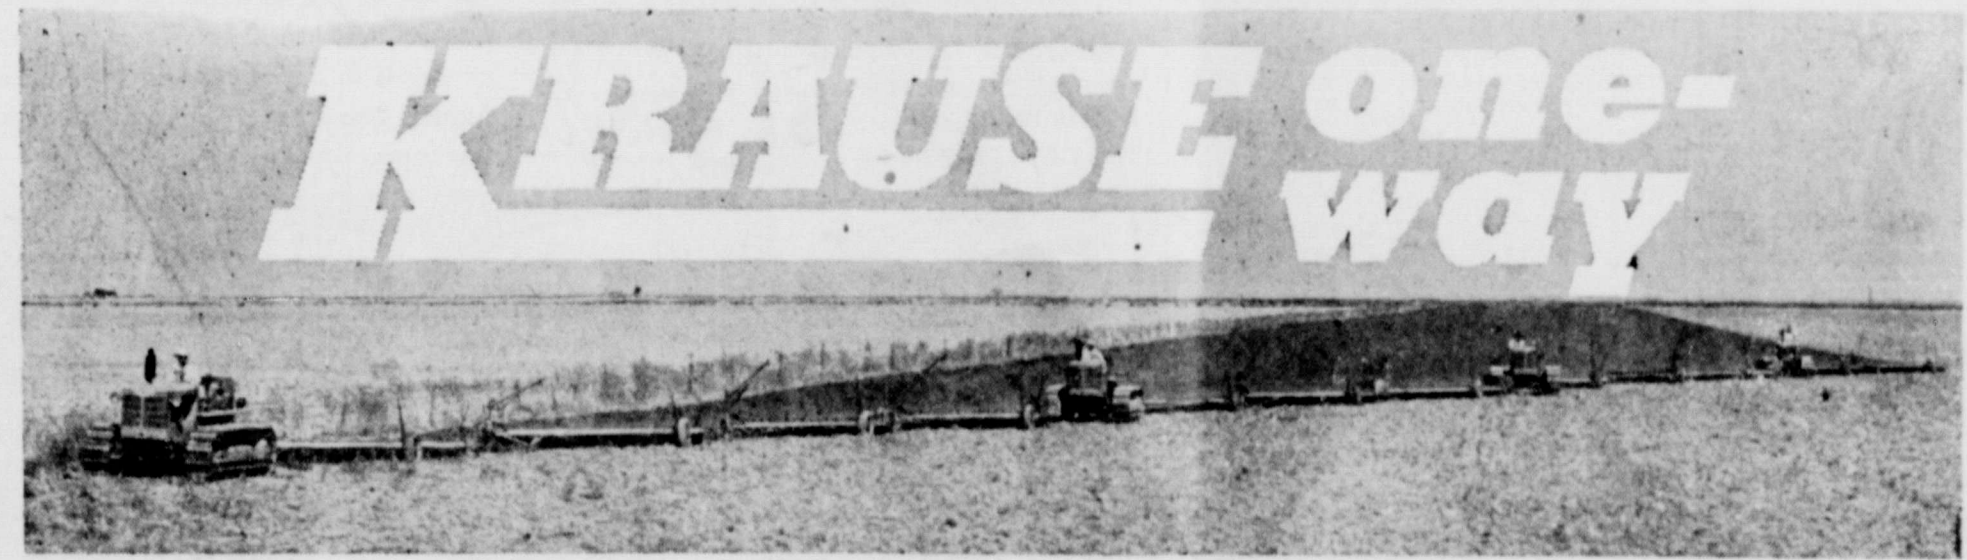

Mr. and Mrs. Ed Gross and Beth of Hereford, came last weekend. Mr. Gross returned the first of the week while Mrs. Gross and Beth remained to spend this week with her mother, Mrs. Alice Baker.

Protect Your Child With POLIO INSURANCE

means more plowing with less power

A Krause One-Way, by actual field test, has up to 30% less draft than other plows. That means you can cover a lot of ground . . . up to 100 acres a day is no trick at all with a Krause . . . with a saving in time and money.

A Krause One-Way does more plowing in another way too. It gives you a uniformly level seedbed that needs no extra working. It cuts right

through thick stubble, tall weeds, and cornstalks—leaves a chopped up mulch to protect your topsoil.

The Krause plows deep or shallow . . . is a perfect tool for summer fallowing. It destroys every weed, yet does not disturb your seedbed. Plowing virgin sod, usually a tough job, becomes markedly easier. Hard ground, soft ground, ground heavy with vegetation—it's all the same to a Krause.

Yes, one man and a Krause One-Way can do a lot more plowing . . . and do it with less power, less cost.

You gain many other advantages, too, with a Krause. Stop in today and see this all around one-way. Check all the Krause features. Compare. Talk to your neighbors who use Krause plows. If you do, it'll be Krause for you.

Mr. and Mrs. Lloyd Wofford and family left Monday morning for Merced, California where they will visit relatives. They were accompanied by Mrs. Wofford's sister, Mrs. Robert Broddrick and children who are returning home after a visit here in the Wofford home and in the home of her father, W. J. Hightower.

Mr. and Gavin Marr and baby of Olton spent Sunday here with Mr. and Mrs. R. E. Marr and other relatives.

TECH PURCHASES HAMPSHIRE RAM

LUBBOCK—Animal husbandry department at Texas Technological college has purchased a yearling Hampshire ram from Harrison Davis of Dorchester, Hampshire breeder. Ray Mowery, professor of animal husbandry, said that the ram will be used in 1948 breeding season. The addition of the new ram provides the department with stud rams in every sheep breed.

WATCH YOUR EXPIRATION DATE

TWO LITTLE OPTIMISTS FROM EUROPE . . . Janice Hermanson, 2, and Emmi Mattersich, 5, of Norway and Austria respectively sit hopefully on a rock near Rye, N. Y., and watch their fishing lines with interest, confident that any day now they might get a bite. They were two of a group of immigrant children who enjoyed a boating party and picnic given them by the Overseas Aid-United Nations Appeal for Children relief organization.

Mrs. W. A. Campbell's niece, Miss Harland, student of Tech and teacher at Dalhart, spent last weekend here. Mrs. Garland Sams and children of Grand Junction, Colo., are here visiting relatives for a few days.

Play Safe!

Every newspaper tells of an auto accident with some one injured or killed. It's foolish to take chances by driving your car with the wheels out of line. It's not only foolish but dangerous.

Bring that car in and let us line those wheels up on our

Bear Machine

It will make your car safer and easier to drive and will save wear on your tires. Come in today.

To The Voters Of Floyd County

As it is utterly impossible for me to see everyone in person, I want to take this means to solicit your support in my race for Sheriff.

I will try to see everyone that I can but my time is limited and I do not have as much time for campaigning as I had hoped. Your help in my race will be greatly appreciated.

W. A. Adams

Candidate For
SHERIFF OF FLOYD COUNTY

Many Infallible Proofs
Grace Noll Crowell

O H, many there are, but in my heart alone
There are a thousand shining proofs that
Christ
Is a living force today, for I have known
The white infallible ones that have sufficed
To blot away all doubt: He is so near
That I can touch Him with my reaching hand,
He is so close to me that I can hear
Him speak the simple words I understand.

"Many infallible proofs," He showed to them
As they walked and talked with Him on His earthly
way.
But I have often touched His garment's hem,
And felt His healing power as well as they.
Oh, not alone to them came proof on proof—
He shares my loaf. He lives beneath my roof!

Mrs. Harrell Dollar, Correspondent

This community received another good rain Sunday afternoon. It was estimated as measuring an inch or better.

The Jolly Stitches Club meeting which was to be held Thursday July 15 with Mrs. Wilburn Dollar has been postponed until next Thursday July 22. This was due to the celebration at Lockney.

Mrs. Melvin Potts and Mrs. Dale Laceywell shopped in Amarillo Monday.

Mr. and Mrs. Bob Battles, Mr. and Mrs. Hubert Branscum and Bobby Sue Withrow spent Sunday with Mr. and Mrs. Red Jones and family of Grady, N. Mex.

Mr. and Mrs. Warren Graham and children, Mr. and Mrs. Tom Graham and Louise took Sunday dinner with Mr. and Mrs. George Graham of Lockney.

Jimmy and Gary Graham are spending this week with Mr. and Mrs.

Harold Calloway of Rails.

Mr. and Mrs. A. C. Grubbs and children visited with Mr. and Mrs. Dow Colson Sunday afternoon.

Mr. and Mrs. Jack Dollar and Mrs. J. F. Dollar shopped in Amarillo Monday. Mrs. J. F. Dollar remained there for a few days visit with her daughter, Mrs. C. E. Hargis.

Mr. and Mrs. Travis Dunn and daughters spent last Friday in Morton with her brothers.

Mr. and Mrs. John Holmes and family visited Mr. and Mrs. Earl Poage of Floydada Sunday.

Mr. and Mrs. Harrell Dollar and Mr. and Mrs. Buford Phillips spent Sunday afternoon in Lubbock.

Mr. and Mrs. Clyde Baxter and children of Lone Star spent Sunday with Mr. and Mrs. Bascom Baxter and daughters. Elaine and Floy went home with them for a few days visit.

Mr. and Mrs. Warren Graham took supper Monday night with Mr. and Mrs. Willis Hayes of Lockney.

Gen Kinard, Harrell and Farrell Dollar, Norman Caldwell and Wilburn Dollar went to Santa Fe, N. Mex. Monday afternoon after fruit.

Mr. and Mrs. Oliver Holmes attended the funeral of the Copeland boy at Floydada Monday afternoon.

Mr. and Mrs. Farrell Dollar had as their dinner guests Sunday, Mr. and Mrs. Travis Dunn and girls and Glen Kinard.

Mr. and Mrs. Tom Graham visited Mr. and Mrs. Adkins Phillips at Plainview Saturday night.

Mrs. Johnnie Terrell returned home from Dallas Monday. Her father, Mr. McElroy was much improved when she left.

It is difficult for other people to see a man who is wrapped up in himself.

July 31 Last Day To Re-Instate Insurance

Robert W. Sisson, VA Regional Manager, today reminded veterans that July 31 is the last day for reinstatement of lapsed National Service Life Insurance on a "comparative health" basis.

Before August 1, an eligible veteran may reinstate any amount of term insurance—from \$1,000 to \$10,000 in multiples of \$500—regardless of the length of time it has been lapsed, and usually without a physical examination. He need only fill out a simple application form, in which he certifies that his health is as good as when the policy lapsed, and pay premiums for

two months. The privilege of reinstating on this basis will be available after July 31 only to veterans whose policies have been lapsed for less than three months. Where the period of lapse is three months or longer, the veteran will be required to take a physical examination and qualify as an insurable risk, the VA Regional Manager said.

There are nearly one and three-quarter million cows, making up nearly a quarter of a million dairy herds, enrolled in the artificial breeding associations in the United States.

Mrs. Joe Pinner Given Bridal Shower

Complimenting Mrs. Joe Pinner, the former Doris Tomme, a bridal shower was given Thursday, July 1 from 2 to 5 o'clock in the home of Mrs. C. B. Hardy.

Mildred Rogers met the guests at the door and secured names for the register.

Mrs. Fred Paschal and Mrs. Hardy presided at the lace covered table which was centered with a crystal punch bowl surrounded by spring flowers.

Mrs. Udell Cunningham presided in the gift room.

Hostesses for the occasion were Meses. Hardy, D. J. Parry, O. D. Jones, Lena Fae Swait, O. B. Pylant, Fred Paschal, Udell Cunningham, and Miss Mildred Rogers.

Approximately sixty guests called or sent gifts.

Mr. and Mrs. Ham and daughter of Roaring Springs spent Sunday in the H. P. Cargile home in the Pleasant Valley community.

Miss Jane Frizzell And Garvin Beedy Are Married Here

Miss Jane Frizzell and Garvin Beedy, both of Floydada, were united in marriage at the Methodist parsonage in Lockney last Saturday afternoon. Rev. R. H. Campbell, local pastor performed the ceremony.

The bride was attired in gray with a corsage of red carnations. The young people left immediately for a wedding trip and will make their home in Floydada.

ATTEND SHOWER

Mrs. Frank Messimer and Ruby attended a pink and blue shower for Mrs. Elmer Roberts at Kress on July 9. Cake and punch with mints and nuts were served to about 30 guests.

Mr. and Mrs. M. E. Cooper, Wayne and Elaine, Mr. and Mrs. Glen Cooper and Teddy Bob, Mr. and Mrs. J. H. Chandler and children, Mr. and Mrs. Harold Cooper and Carol all had a picnic lunch at Plainview park last Sunday.

Tate-Tueton Nuptial Vows Said Saturday In Home Ceremony

In a double ring ceremony Saturday afternoon, July 3, Virginia Tate, daughter of Mr. and Mrs. D. D. Tate of Lockney, became the bride of Dan Tueton, son of Mr. and Mrs. Edd Tueton of Lockney.

The ceremony was read before an improvised altar in the home of the bride's parents with Rev. Dean Brookshire, pastor of the Church of Christ in Plainview officiating. Arrangements of pink and white gladioli and fern formed the background.

"Because" was played softly while Mavis Tate, sister of the bride, lighted the candles. The traditional wedding marches were played for the processional and recessional "I Love You Truly" was played softly during the exchange of vows.

Given in marriage by her father, the bride chose a white gabardine suit with white accessories and carried a white Bible topped with a corsage of pink and white gladioli with pink streamers.

The traditional something borrowed was a gold bracelet, something new was the bridal attire, something old was a wedding band belonging to her aunt and something blue was a garter.

Mrs. Kenneth Tate attended the bride as matron of honor. She wore a gold two piece dress with red accessories. Her corsage was of red roses. Bill Tueton, brother of the groom, served as best man.

Mrs. Tate, mother of the bride chose a black and white printed silk dress with black accessories and wore a white carnation.

Mrs. Tueton, mother of the groom, was dressed in a black crepe dress with white accessories and wore a white carnation.

Following the ceremony, an informal reception was given. The bride's table was covered with a beautiful lace cloth and centered with a two tiered wedding cake topped with a miniature bride and groom.

Mrs. Fred Morris served the cake and Mrs. Clyde Baxter poured the punch from a beautiful cut glass bowl. Out of town guests present for the wedding were Mr. and Mrs. Bill Tueton of Lubbock, and Mr. and Mrs. Fred Morris of Plainview, and Mr. and Mrs. Clyde Dorset of Plainview.

Mr. and Mrs. Tueton are graduates of Lockney High school with the class of 1946.

Following a brief wedding trip to points in Colorado, the couple will make their home in Lockney.

Mrs. Boyce Kenady was in Jarton Monday to visit her daughter, Mrs. Clarence Billbrey, Mr. Billbrey and son. She was accompanied home by Mr. Kenady's mother for a visit here.

Ellen Janice Hall, Samuel Phillips, Jr. Are Married At Slaton

SLATON, July 10—In a double ring wedding ceremony performed at the First Baptist church Saturday night at 8 o'clock, Miss Ellen Janice Hall, daughter of Mr. and Mrs. R. C. Hall, and Samuel T. Phillips, Jr., son of Mr. and Mrs. Samuel T. Phillips, were married.

The service was solemnized before a wedding archway of gladioli with Rev. W. F. Ferguson, pastor, officiating. Flanking the arch were four candleholders and greenery.

Miss Billie Tucker, soloist, sang "Because" and "A Wedding Prayer," accompanied by Mrs. L. B. Hagerman organist, who offered "I Love You Truly" as vows were repeated.

The bridal aisle was marked with white lace bows, gladioli and candles. Entering the church with her father, the bride wore a gown of white slipper satin fashioned with a yoke of lace with matching long pointed sleeves. Her fitted bodice was attached to a full peplum and her skirt extended into a graceful train. A fingertip veil of tulle caught by a tiara of lace and seed pearls was worn by the bride. Her bouquet of orchids and white carnations was in heart shape design.

In Bridal Party

Mrs. Dan Garner of Midland, matron of honor, wore a yellow taffeta gown identical to the bride's, except for short sleeves. She wore long matching mitts and carried a colonial bouquet of purple King Asters showered with streamers of yellow, green and orchid ribbon.

Bridesmaids were Miss Ann Phillips, sister of the bridegroom, and Miss Frances Sikes. Their dresses were of orchid and green taffeta styled with fitted bodices and full gathered skirts. They wore matching mitts and carried orchid and pink asters. Mrs. Bob Fondy and Miss Helen Ruth Ferguson lighted candles.

Gay Hall of Littlefield, cousin of the bride, and Kathleen Hopkins of Amarillo, cousin of the bridegroom, were flowergirls. They wore green and orchid taffeta and carried white satin baskets filled with aster petals.

John T. Hall, brother of the bride, served as best man and Mark Gray of San Antonio and Jack Thompson were groomsmen. Ushers were Thomas Hopkins and Merrell Hopkins of Amarillo, cousins of the bridegroom.

Reception Follows Wedding

A reception was given in the Slaton club house following the ceremony with parents of the bride and bridegroom and members of the wedding party assisting with hospitality.

The bride's table was laid with a white cloth with nosegays of pink and orchid asters outlining the edges. A three tiered wedding cake topped with

a miniature bride and bridegroom, was surrounded by ruffles of yellow net. Out-of-town guests were from Lockney, Lubbock, Littlefield, Sweetwater, Amarillo, Post, San Antonio and Hollis, Okla.

For a wedding trip to New Mexico and Colorado, the bride wore a beige linen suit with green accessories and an orchid corsage.

Mrs. Phillips is a graduate of Slaton High School and Texas Technological college and taught homemaking in Lockney school during the past year. Mr. Phillips is a graduate of Slaton High school and has been a pre-med student at Tech for the past two years. He served two years with the Army Air forces.

Mr. and Mrs. Roos Cooper, Mr. and Mrs. Thomas Marr, Dorothy Marr, Marr, Mr. and Mrs. D. L. Hall and children spent Sunday in Abernathy. The day marked the birthday of Mrs. Marr and Mrs. Hall.

Bud McMinn of Silverton, son of Mr. and Mrs. W. L. McMinn and a brother to Mrs. Frank Messimer and Mrs. Odie Dorman of Lockney, is ill in a Lubbock hospital. He is to undergo an operation this week.

Dinner guests of Mr. and Mrs. Mark Martin Sunday were Mr. and Mrs. Bob Murrell and Mark Wade of Quitaque, Mr. and Mrs. Johns Cox and Wanda Mae of Lockney.

Floydada

**Alice Bea Moss,
Vern Newton Wed**

Miss Alice Bea Moss, daughter of Mr. and Mrs. Ray Bowman, Floydada, became the bride of Vern Newton, son of Mr. and Mrs. J. E. Newton on Saturday, July 10 at 10:30.

The ceremony took place in the home of Rev. E. J. Cobb, Baptist pastor, who officiated.

The bride was attired in a blue street length dress with white accessories and wore a corsage of red roses. She carried a white Bible topped with red roses.

Myrtle Lou Newton, sister of the bridegroom, attended as bridesmaid. She wore a street length dress of white eyellet embroidery with white and pink accessories. Her corsage was of white carnations.

Arvie Newton attended his brother as best man.

Mrs. Newton attended Lockney high school until midterm last year when she moved to Floydada completing the school year there.

Mr. Newton attended Lockney schools. He is employed at the Lockney Auto Company.

After a short trip the couple is at home in north Lockney.

**Miss Billy Ross Is
Complimented**

The A. L. McMurtry home was the scene of a tea and miscellaneous shower given on Friday afternoon for Miss Billy Earl Ross, bride-elect of Floyd Eshreman.

Mrs. L. D. Griffin Jr., and Miss Dorothy Roy McMurtry were hostesses and over 50 guests registered during the afternoon. White tapers arranged in a bank of white gladioli nestled on the mantle above which hung a blue mirror bordered by pink tulle which formed a heart, enclosing the names Billy and Floyd. Candles and flowers in the bride's chosen colors decorated the receiving rooms throughout the house. Guests were greeted by Mrs. Griffin, the honoree her mother, Mrs. O'Wayne Ross, her grandmother, Mrs. Price, and the grandmother of the groom, Mrs. Stanbough.

The beautifully appointed serving table which was draped with a lace cloth featured a center piece of white gladioli and tulle representing the bridal wreath from which satin streamers were placed forming the bridal shower. Assisting at the serving table were Miss McMurtry and Miss June Payne. Punch and cake were served from a crystal service.

Miss Teresa Cross showed the display of useful and beautiful gifts. Miss Joy Brown presided at the guest book.

Miss Ross was formerly of the Francis community.

**Lockney Home Dem.
Club Meets Thurs.**

The Lockney Home Demonstration Club met last Thursday in the home of Mrs. Oliver Myers for a joint program from two meetings that had been delayed.

The roll called was answered with "My Hobby." A demonstration on home improvement and simplification of work was given by Mrs. W. L. Morgan. Mrs. R. W. Campbell gave a very fine paper on "Hobbies." A hobby show was displayed in an adjoining room.

Mrs. Morgan was elected a delegate for the state convention at Temple. Refreshments were served to 12 members.

The club met again Thursday, this time with Mrs. Kate Collier at Floydada. This was the annual covered dish luncheon.

A program on Health and Beauty was enjoyed.

"Child Care and Training" was discussed by Mrs. E. L. Stapp. "Good Grooming and Flower Arrangement" was discussed in round table.

Mrs. R. H. Campbell gave a very fine paper on "New Discoveries in Medicine." Sixteen members attended. Miss Leila Petty, county home demonstration agent, was guest.

**Sanderson-Bloys
Vows Exchanged**

Miss Elna Sanderson, daughter of Mr. and Mrs. A. L. Sanderson of Lockney, became the bride of Gene Bloys, son of Mr. and Mrs. S. D. Bloys of Plainview, Friday morning, July 9. The ceremony took place in the parlors of the First Methodist Church with Rev. W. E. Peterson, pastor performing the single ring ceremony.

The bride was attired in a street length dress of teal blue with white accessories and a corsage of white carnations. For something blue and borrowed she wore a necklace belonging to Miss Joyce Collis of Lockney and for something old she wore a gold hand ring belonging to Mrs. Alice Johnson of Plainview.

Miss Joyce Collis, bridesmaid, wore a pink dress with white accessories and a corsage of pink carnations.

Bill Bloys, brother of the groom, attended as best man.

The bride's mother wore a black dress and the groom's mother wore a blue dress. They wore corsages of pink carnations.

Following the ceremony a reception was held at which time punch and cake were served.

For going away the bride chose a pink dress with white accessories.

She is a 1948 graduate of Lockney High School and is now attending a Plainview Business college.

After a wedding trip to Arkansas the couple will make their home in Plainview where Mr. Bloys is employed at Green Machinery.

Wedding guests were: Mr and Mrs. A. L. Sanderson, Mr. and Mrs. S. D. Bloys, Mrs. Bill Bloys, Miss Wanda Bloys and Mrs. Thomas Graham, sister of the bride.

**J. D. HAGER OBSERVES
76TH BIRTHDAY TUESDAY**

J. D. Hager celebrated his 76th birthday Tuesday night with a singing at his home in West Lockney.

Twenty-seven friends sang songs and helped in the celebration. The Lockney quartet, composed of Arthur Barker Sr., J. B. Seale, Cleatis Jeffcoat and J. D. Copeland were present and helped to entertain the group.

Guests brought gifts for Mr. Hager as they came. Coffee and cookies were served at 11 p. m.

Those attending the occasion were: Mr. and Mrs. F. L. Brown, Mr. and Mrs. Ross Cooper, Messrs. Seale, Barker, Copeland and Jeffcoat, Mrs. Jeffcoat and daughter, Mrs. Marvin Brown, W. C. Elland, Mr. and Mrs. D. L. Hall, Mr. and Mrs. Elbert Rose and children, Mr. and Mrs. Vestal Elland and children, and Marjorie Sechrist.

A good time was had by all.

**Louis Percy Dies
Monday From Injuries
By Lightning Stroke**

Louis Percy, 32 years of age, brother of Mrs. D. D. Tate and Mrs. T. J. Jarboe of Lockney and Mrs. E. W. Wall of Floydada, died about 4 p. m. Monday of this week from injuries and shock received when he was struck by lightning last Friday morning about 6 o'clock, at Texhoma.

The three sisters had visited the injured man Saturday and Sunday. He was a veteran of World War II.

Mr. and Mrs. D. D. Tate, and son, Percy, Mrs. T. J. Jarboe of Lockney, and Mr. and Mrs. E. W. Wall of Floydada will attend funeral services set for Thursday afternoon at Purcell, Okla.

**Students Should Be
Transferred In July**

Supt. Sidney Reeves this week reminded parents that their children should be transferred during the month of July, if they desire to transfer them from one school district to another.

"Transfer of all students from any of the surrounding districts to the Lockney District must be accomplished between the first day of July and the first day of August," Mr. Reeves said. "This must be done by the parents and should be done immediately."

Plans for transferring the students may be obtained in the office of County Superintendent Clarence Guffee at Floydada.

"Don't delay in this matter for so doing may necessitate the payment of tuition by parents of those who are not transferred," Mr. Reeves said.

Mr. and Mrs. Floyd Barber Sr. and Mrs. Grace Byars spent Sunday in Ruidoso, N. M., visiting the Barber's daughter, Mrs. Glen Bowers and Mr. Bowers. C. F. Barber returned home with them.

Mrs. W. L. Thomas moved into her new brick home in Lockney this week.

**To The Voters of
Floyd County:**

Because of the necessity of taking care of the official duties of the Sheriff's office, it has not been possible for me to make a house-to-house canvas nor to see all the voters. I realize my first obligation to the citizens of Floyd County is to perform the Sheriff's job to the very best of my ability even if it means I cannot electioneer at all. I have done my best to fulfill that obligation ever since I took over the office some 18 months ago, and as long as I hold the office that obligation shall be uppermost in my mind.

I am a candidate now for my Second Term as your Sheriff, and I am running on the record I have made in that office. I invite your investigation of that record. I have tried at all times to make you a vigorous but fair law enforcement officer. That was my pledge to the citizens of Floyd County two years ago when I returned from the Army and ran for the office, and that is still my pledge to you.

If you feel the service I have rendered merits a Second Term in the office, I will appreciate your help and your votes.

OUR FOREIGN POLICY

William Henry Chamberlin, who is one of the best informed and most dispassionate of American writers upon foreign affairs, recently discussed the very vital problem of continuity and consistency in our foreign policy, in a column appearing in the Wall Street Journal. As he writes, "An America that wobbles and vacillates will not carry the weight in world affairs that is appropriate to its political, economic and military power."

This is not, however, as simple a matter as it may appear on first glance. For as Mr Chamberlin also says, "There can be no continuity in inconsistency." And the glaring inconsistencies that appeared in our foreign policy both during and immediately after the war have undoubtedly weakened our prestige, and aroused suspicions as to our motives and our wisdom

in quarters whose whole-hearted cooperation is necessary if the Western powers are to present to the world a strong and unified front.

Mr Chamberlin discusses Yalta where, in his opinion "a high point of hypocrisy was reached." At Yalta, Roosevelt, Churchill and Stalin again affirmed their faith in the broad principles of the Atlantic Charter. The

SCHOOL DAYS

By DWIG

file. In the event war, or any international emergency, the Soviet Union certainly could not depend on her satellite countries for enthusiastic assistance. There are some who believe that these countries might prove to be an intolerable drain on Russia, by forcing her to police them with armies of trained men.

In any event, there is more and more talk of the need for an absolutely clear-cut American foreign policy which will say, in effect, that we will help the cooperating nations recover, and will support them in selecting governments of their own choosing through free and secret elections.

It is easy to meet expenses now-days. You run into them everywhere.

most important single provision of the Charter is that all peoples shall have the right "to choose the form of government under which they will live." Another, of almost equal moment, is that all the nations, including victor and vanquished, shall have access on equal terms "to the trade and raw materials of the world." These great principles presumably were the rockbound basis on which the war aims of the great powers rested.

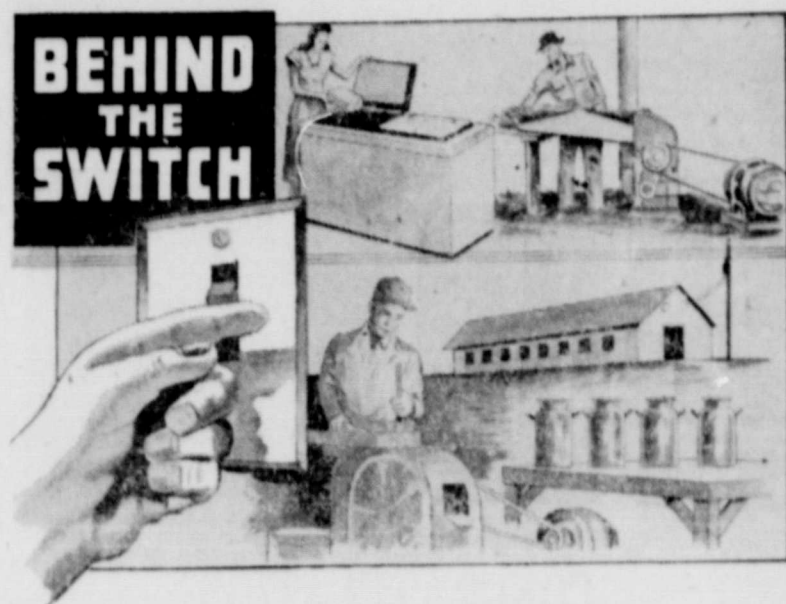

Yet, at Yalta a deal was made whereby Russia was allowed to take over close to half of Poland's pre-war territory, and Poland was not even represented at the conference. Following that, it became increasingly clear that the peace settlement, to quote Mr Chamberlin again, was "calculated to turn Germany into an economic wasteland and Europe into a perpetual dependent on American subsidies." The roots of this lay in the Morgenthau plan which was designed to reduce Germany permanently to a fourth-rate economic power.

Of course, hind-sight is easy. During the war there was an understandable eagerness to keep Stalin happy, and this unquestionably led to over-optimism as to the sincerity behind Soviet pledges to work with this and other countries for world peace and rehabilitation. Even so the fact that acts of the great powers nullified the Atlantic Charter even as their representatives praised it in general and meaningless terms, did us no good abroad. And it helped the Communists, who are experts at making capital out of human disillusionment, to build up their large followings in France, Italy and elsewhere.

In the last year or two, fortunately, something more nearly resembling a consistent and continuous foreign policy has come into being. It has been forced on us by the dire necessity of stopping Russia before her sphere of influence goes clear to the Mediterranean and the Atlantic ocean. The idea of permanently destroying Germany as a major economic power

reaffirm through positive action the principle of the self-determination of peoples—a principle, curiously enough, which hasn't changed in significance since World War I, when Woodrow Wilson made his courageous but doomed fight for his 14 points.

It is certainly clear that the Soviet Union has not, and has never had, any desire for self-determination. Her policy lies in encouraging, and giving material support to, revolutions inside nations where small but beautifully organized minorities take over all the reigns of power and later justify them with the phoniest kind of elections. This technique has been the means of giving Russia all of her tremendous gains since V-E day. Yet, from the Kremlin's point of view, it may not all be rosy. There is every evidence that millions of Poles, Czechs, Yugoslavs and others hold the bitterest hatred for Russia. The Communists can liquidate the leaders of the opposition, but they can't clean out all the dissidents among the rank and

When you farm Electrically!

THERE'S a world of convenience, comfort, and profit behind the switch when you farm electrically.

Low cost electric service can do so much, at such a low cost, that more and more modern farmers are making Reddy Kilowatt their number one hired man.

Naturally the women-folk are pleased because they can use electricity in so many ways around the house...but beyond that they know there's less work, and more profit on a farm where dependable electricity is used.

Write or visit your nearest Public Service or REA office today for the latest information on farming electrically.

Santa Fe Indian Village

CHICAGO RAILROAD FAIR

You'll think you are really on an Indian reservation in the Southwest—when you visit the Santa Fe Village at the Chicago Railroad Fair this summer (opening July 20).

You'll see Navajos, Apaches, Hopis, Zunis, San Juans and Jemez—125 colorful Indians living in pueblos, hogans and wickiups.

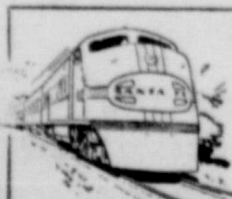

You'll watch ceremonial dances seldom seen away from the reservations, and see Medicine Men make their famous sand paintings and destroy them every day at sundown.

Indian craftsmen weave rugs, make moccasins, baskets and jewelry. In fact, in

the Village you actually see a faithful portrayal of costumes, ceremonies and living quarters of Southwestern tribes. Their way of life today is noticeably unchanged from that of their ancestors who inhabited the Southwest years before Columbus discovered America.

Bring your Camera!

TECH CADET PICKED
OUTSTANDING OFFICER

LUBBOCK—A member of the Technological college Reserve Officer Training Corps, Wayne A. Bowles, has been chosen the outstanding cadet of the year at the air ROTC encampment Kelley Field, Texas.

Cadet Bowles was selected from 625 cadets from other schools in the Tenth Air Force area participating in the six weeks training course at Kelley Field.

He was presented a wrist watch and the college a loving cup during ceremonies Saturday (July 10) at the final

dress parade.

Pres. W. M. Whyburn presented the watch and received the cup for the school from Lt. Gen George A. Stranmyer, commanding general of the air defense command.

Presidents and other college representatives from each of the schools included in the Tenth area were present for the closing ceremonies July 8 through 10.

The Tenth area includes Texas, Louisiana, Arkansas, Oklahoma and part of New Mexico.

Mrs. Troy Ray was in Plainview Monday.

MINE WORKERS WIN PAY BOOST . . . John L. Lewis was in again. After a series of rocky conferences he and the soft coal mine operators announced a new 1948 wage contract providing a dollar-a-day pay increase for 400,000 miners. The agreement, which became effective July 1, also hikes the industry's 10-cent-a-ton contribution to the UMW welfare fund to 20 cents a ton. With Lewis here are James Owens (left), UMW secretary-treasurer, and Thomas Kennedy, UMW vice president.

Boys Camp Is
Pronounced Success

The Baptist camp for junior boys held from Monday until Wednesday noon at Blanco canyon was pronounced a success by those who attended from Lockney. Boys and their sponsors who attended from here were Jimmy Roberts, Alfred Jaudon Cobb, Don Vernon, Dwayne Visage, Horton Kennedy, Mr. and Mrs. C. O. Roberts, Mrs. Harmon Handley, Gene Handley and Rev. E. J. Cobb.

During the meetings 80 professions of faith were made from among the 562 boys and sponsors who attended. A number of rededications were made and several boys surrendered to preach. Intermediate boys began their camp Wednesday noon.

Rev. and Mrs. Campbell have been notified that their son, C. C. Campbell has been promoted and transferred from Odessa to an office of the Atlantic Refining Co. at Crane, Texas. He will be superintendent.

Dinner guests of Mrs. W. M. Ferguson Sunday were Mr. and Mrs. L. J. Ferguson of Gilmer, Mr. and Mrs. Bob Jones of Post, Mr. and Mrs. Hall Ferguson and son, Mr. and Mrs. Leslie Ferguson and family.

University Bone
'Bank' Reduces
Amputation Cases

KANSAS CITY, MO.—A bone "bank" in the medical center at the University of Kansas has prevented several amputations and speeded the recovery of many patients.

It is a system of preserving human bone sections in a deep-freeze unit until needed in surgery and was set up by Dr. James Weaver, head of the department of orthopedics. Bone sections ranging from tiny fragments to pieces eight inches long and one inch wide are kept in the "bank." No complete bones are preserved.

Dr. Weaver explained that the bone bank does not keep spare arms and legs, since techniques have not been developed to use them, but that the addition of a small bone section frequently enables physicians to save a limb from amputation.

Improperly Knit Fracture

The most frequent use of bone-bank "deposits" is in cases of improperly knit fractures, the doctor said. In such cases the faulty bone area is removed by surgery and a section from the bone bank is fit carefully into the gap. Almost invariably the substitute bone is accepted by the body and the splice heals perfectly.

Dr. Weaver explained that bone-grafting operations have increased in recent years and that many surgeons have performed scores of them successfully. The practice has been to obtain the needed bone sections from other parts of the patient's body—usually the hip or shin—and in many cases this has presented considerable problems.

The bone bank has provided a simple answer to the question of bone supply and physicians at the medical center expect similar refrigerating facilities to be set up by other hospitals. So far there are only three or four in the United States.

Obtained From Operations

Bone-bank deposits originally were obtained in the operating rooms at the center. Many types of chest and lung operations require the removal of a rib and these ribs have been placed in the bank if the patient from which they were obtained passed rigid physical tests.

Some types of amputations have yielded bone sections perfect enough for preservation and in one case bone sections have been taken immediately after death.

Written permission was obtained from the survivors of the person who died and the death was the result of an accident. Physicians found those bone sections which were taken under operating conditions, functioned perfectly as graft material. They hope to receive an increasing percentage of the bone-bank deposits from such sources in the future.

EMISSARY . . . President Truman has named James Grover McDonald of Bronxville, N. Y., as the first special representative of the U. S. to head the American mission to Israel. McDonald recently has been a member of the Anglo-American commission of inquiry on Palestine.

Call The Beacon for your needs in Office Supplies.

NOTICE TO THE PUBLIC

I wish to announce that I am not in the race for Assessor-Collector of Floyd County, but I want to thank each and every one of you for your support, for if it hadn't been for you, I would not have made a success. I appreciate your friendship very much. Thanks so much.

Sincerely,

Ethel Graham

**Fireman Rush to Extinguish
Blaze—in Heating Stove**

HARTFORD CITY, IND.—A three-year-old girl here spoiled a hot game of checkers in which Hartford City firemen were participating.

The child tried to call a cleaning company but got the fire station instead. She asked that a driver be sent to her home.

"Do you have a fire?" the fireman asked. "Yes," was the reply.

Engines roared, tires screeched and sirens whined as fire trucks drew up to the house. The little girl then explained of course they had a fire—in the heating stove.

**Survey Discloses That Glare
is No. 1 Foe of Auto Drivers**

SAN FRANCISCO.—Glare is the No. 1 enemy of millions of motorists who drive at night, according to a nation-wide survey of the American Automobile association.

It characterized the existing situation in regard to automobile headlights as a "serious factor against safety, courtesy and law."

The survey showed that one-third of drivers at night either forget or refuse to dim their headlights for approaching cars.

Other findings revealed that automobile headlighting, long inadequate has not nearly kept pace in safety and efficiency with other automobile improvements. Hazards of night driving have been increased greatly by the large number of cars with lights incorrectly adjusted or focused, or with one or more blacked out.

**Fire Greatest Cause
Of Accidental Deaths**

AUSTIN.—Parents can do much to save their children from burning to death, says Marvin Hall, State Fire Insurance Commissioner.

Fire is the greatest cause of accidental death of children in the home, he stated, and parents largely can eliminate dangers and make their homes fire-safe for their children.

Of the 109 Texas fire deaths reported for the first five months this year, including only the first part of May, 38 of the deaths have been children under 15 years old.

Stating that gasoline has been responsible for the greatest number of child deaths by a large margin, Hall urged that parents never allow gasoline on their premises. Of the 38 fire deaths, 11 have been caused by gasoline.

Five fire deaths were caused from kerosene, 3 from electricity and 3 from gas stoves. The Commissioner suggested that these things, as well as others, be watched closely so that they will not become fire hazardous.

Hall recommended that kerosene be kept well out of the reach of children and that they never be allowed to handle it. He said the same holds true for matches, hot liquids and lighted candles, etc. He also urged that kerosene never be used to start a fire and that fires for marshmallow toasting and popcorn roasts be held in fireplaces only and always under adult supervision.

As for gas stoves, Hall said, "the greatest danger for children is getting too close to heaters and catching their clothes on fire—a not so prevalent hazard this time of year!"

With the electrical hazard, the main thing for parents to remember is to keep appliances in good repair.

In two tragic cases children were burned to death when adults carelessly disposed of cigarettes around their beds.

Two more children were burned to death in automobile accidents and one died from burns after falling in a tub of boiling water. Two children met their deaths when hot grease and a wood stove set fire to their respec-

tive houses.

The last child died of burns after his clothing ignited while he was playing with matches.

Hall also cautioned parents never to leave their children at home alone,

and to be sure that sitters are mature and responsible enough to take care of young children, especially in case of fire. Check to see that they know how to call the fire department, he advised.

"WELL DONE!"

Those are the words we have for the Hospital Staff, Board of Directors and Membership of the

**FLOYD COUNTY CO-OPERATIVE
HOSPITAL**

We offer you our sincere congratulations and best wishes upon the completion and dedication of your new building.

WE CAN SAVE YOU MONEY

Uncle Sam Says

Graduation days are now over and millions of youngsters are enjoying that annual summertime vacation. Now is the time for you parents to give serious consideration to their future education. Thousands of students will enter high school or college this fall with no financial worries. Their parents started buying Bonds early and with maturity those bonds are now yielding \$4 for every \$3 invested. You know Savings Bonds yield a good profit at no risk to the principal. U. S. BARLEY PLANTED AS NURSE CROP BUT MATURES ANYWAY

LUBBOCK—A barley harvest underway at Texas Technological college is a surprise even to the experts. Dr. A. W. Young, professor of plant industry, said the barley, Wintex variety, was planted April 3 as a nurse

crop to alfalfa, and in a three months period has matured and is ready for cutting. The barley used as nurse crop on the irrigated farm for the late planted alfalfa is ordinarily sown in October and harvested in June, Dr. Young said. The combine's first round in the field indicated an average yield of slightly over 20 bushels to the acre.

NABORS TO PLAY WITH COLLEGE ALL-STARS

LUBBOCK—Roland "Tuffy" Nabors, Texas Tech center the past two seasons, has accepted an invitation to play with the College All-Stars in Soldier Field, Chicago, Aug. 26 against the Chicago Cardinals, champions of the National Professional football league. Nabors, named to the All-Border conference team and given honorable mention on six All-America teams the past two seasons, will give Texas Tech representation in the Chicago classic for the third consecutive year. In 1946, Walter Schlinkman, fullback, played in the All-Star game. Last year James Reed, guard, was in the game which is sponsored by the Chicago Tribune for a milk fund.

Weekly SURPLUS NEWS WAA

The near-empty war surplus barrels of the southwest region are being scraped these days in an effort to provide critically needed supplies for expansion of polio treatment facilities in Texas. Surplus property inventories were searched last week to find iron pipe for an addition to the Grandview polio hospital in the Rio Grande Valley. A sufficient quantity, 800 feet, was located in Houston and rushed to the project before it had to be halted. At Gonzales the Warm Springs Infantile Paralysis foundation put out a call for some pressure pumps, which were quickly withdrawn from a scheduled public sale just before sale time. A polio clinic in Houston was enabled to solve its problem of overcrowding by the use of a government surplus building furnished by the War Assets Administration.

WAA's last scheduled location sale of surplus buildings bids fair to be one of the largest of its kind ever held. The sale will be held at Camp Joseph T. Robinson on three days, July 27, 28 and 29. Public inspection of the various structures will open on July 12 and continue till sale time. Addition of all the odd buildings for offsite use at the big camp will make the total number to be offered at this sale in the neighborhood of 4,400 structures. Only other known sale to rival it in size was held at Camp Livingston, Louisiana, October 21, 22 and 23, involving 4,449 buildings. WAA believes the Camp Robinson disposal will be the final public, auction-type operation to be held in the southwest, as remaining structures are scheduled to be sold on a sealed bid basis.

Tag-end items of consumer goods are being rounded up at Camp Swift, near Bastrop, for a clean-up sale there July 23. Screen doors, steel cots, heaters, stoves and furniture articles will go to the highest bidders.

Utility facilities and the buildings housing such terminals at the Dalhart Army Air Field and the field's two auxiliaries are being placed on sale by War Assets Administration to both priority and non-priority purchasers. All property is for removal from the grounds. Included are well houses, turbine pumps, electric motors, wood poles, copper wire and related materials. Priorities will have until July 26, and bid forms will be available to the general public beginning August 12. An inventory list will be furnished on request to the Grand Prairie regional office of real property disposal.

All of the remaining buildings classed for offsite use at Camp Swift, near Bastrop, will be disposed of by the sealed bid method during July and August. Involved is a total of 354 buildings and fixtures, eligible to be purchased by priority claimants during an operation period, with the balance of the offering going to the general public. The priority period will expire July 26. Bid forms will be available to all who desire the structures on a non-priority basis beginning August 10. Additional information may be obtained from the awarding office, WAA's regional office of real property disposal, box 6030, Dallas.

They call the newest modes in women's clothes the "New Look." But to men it doesn't call for a second look.

Soil Conservation District News

The Soil Conservation Service technicians assigned to the Floyd County Soil Conservation District checked some old terraces on the Bailey Henderson farm in Lone Star community this week. These terraces were spaced too far apart and were not kept up. They have broken, causing some bed gullies to wash out. A new system with a diversion terrace above them is being planned, which will protect the bank around the lake as well as the flat area nearer the lake bed.

A ditch line with which to water some cotton has been run for V. H. Kellison, who farms northeast of Aiken. This line will make it possible to make a shorter run and there by control the water better.

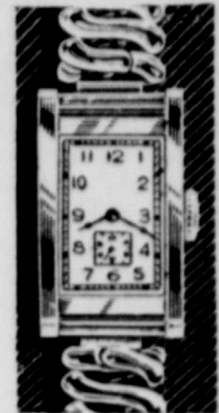

Some ditch lines have been run for W. C. Clark, who farms north of Providence, with which to irrigate cotton.

Huey Davidson had some lines run to shorten the length of runs in cotton he plans to irrigate in a few days. This will enable him to distribute the water more evenly.

Yellowing of the leaves of shrubs, rose bushes, shade trees, peach trees and other plants may be prevented by adding coopers and sulphur to the soil at the rate of about one pound per large shrub or small tree.

More "go" . . . for your dough!

When you come right down to it, what you want from a premium motor oil is . . . the best possible protection and the least added oil from the time you fill till the time you drain.

Conoco Nth Motor Oil (Patented) gives you more for your money because (1) when Nth Oil enters your motor, it OIL-PLATES every working part with an extra film of lubricant and (2) this extra

OIL-PLATING actually stays up on cylinder walls . . . won't all drain down, even overnight!

That means you're extra-protected against power-clogging sludge and carbon due to wear . . . extra-protected against metal-eating combustion acids . . . extra-protected against destructive friction.

So, to keep your power . . . to get more "go" for your dough . . .

Make a date to OIL-PLATE!

FLOYD COUNTY WHEAT VARIETY DEMONSTRATION RESULTS GIVEN

Ben Quebe, Demonstrator. In discussing the quality improvement program for Floyd County, A. L. Hartzog, County Agent, said this week that Ben Quebe of the Providence community has just made a final report on one of the most complete variety tests ever made in Floyd County. The Agent pointed out that while the wheat demonstration plots grown on the Quebe farm were small and were seeded unusually late, due to poor fall seeding conditions, December 10th being the date of sowing, all are good milling wheats, except the plots of Red Chief and Early Blackhall which according to the mills are undesirable for milling purposes.

Variety	Per A. Yield	Approx. date harvest possible	Relative Amt. of shatter
Comanche	28.5	July 1	Very little
Triumph	29.2	June 25	Very little
Tanmarq	29.5	June 28	Very little
Red Chief	26.8	June 28	None
Wichita	30	June 29	Some
Westar	29	July 1	Considerable
Pawnee	28.5	June 25	Considerable
Early Blackhall	25.8	June 29	Very little

The above production was secured on land irrigated once immediately prior to seeding and once during the growing season. Nearby Westar sown earlier following irrigation made a yield of 40 bushels per acre with two irrigations during the growing season.

Value of the different varieties, these figures could however give some indication of the important characteristics of each variety such as yield, rust resistance, tendency to shatter and approximate dates of maturity. The following information was tabulated by the Agent for those who desire a comparison of the behavior of the followin wheat varieties, which were all planted December 10th on the Quebe farm and harvested on July 1st with a self-propelled combine. All are good milling wheats, except the plots of Red Chief and Early Blackhall which according to the mills are undesirable for milling purposes.

Variety	Per A. Yield	Approx. date harvest possible	Relative Amt. of shatter
Comanche	28.5	July 1	Very little
Triumph	29.2	June 25	Very little
Tanmarq	29.5	June 28	Very little
Red Chief	26.8	June 28	None
Wichita	30	June 29	Some
Westar	29	July 1	Considerable
Pawnee	28.5	June 25	Considerable
Early Blackhall	25.8	June 29	Very little

Very little leaf rust was apparent in the Tanmarq, Westar, Comanche or Wichita. Mr. Quebe hopes to repeat this demonstration next year using a more nearly average seeding date.

Liff Sanders To Speak Here On 50th Anniversary

On the 50th anniversary of his first sermon in Lockney, Liff Sanders, Church of Christ minister, will return to Lockney and speak at the Main Street Church of Christ. Mr. Sanders will speak at 11 a. m. and at the evening services at 8:15 p. m. it was announced. Members of the church are invited to bring a basket-lunch and spread their lunch together at the noon hour, it was said.

Home Town Movie To Be Shown Thurs-Friday

The home town movie, produced here the past three weeks, will be shown at the Plains Theatre Thursday and Friday nights of this week. The movie, a 16 mm film, shows many local points of interest, it was said.

GO TO CHURCH SUNDAY

Rains Fall Here Sunday Afternoon

Rains totaling 1.50 inches fell in Lockney Sunday afternoon. However, the moisture did not cover a wide area, falling mostly in the section west of town.

Hail fell in the vicinity of the Lockview farm and on Joe Anderson's place northwest of town doing considerable damage in that area. A torrential rain accompanied the hail, it was reported, with probably three or four inches of rain falling within a few hours.

Only showers fell north and east of town and also in the area south of Lockney. Mr. and Mrs. Walton Chancey, John Chancey and Mrs. Carl Medical of Enterprise Ala., visited their cousin, J. P. Truett here last Friday.

Eugene Tanahill, son of Mr. and Mrs. Ernest Tanahill, has been suffering from an infected foot this week. He is improving.
