## '56 Chevrolet sets new Pikes Peak record in top-secret test!

Not long ago a hush-hush, camouflaged '56 Chevrolet scorched the nerve-breaking road up Colorado's Pikes Peak for a new NASCAR\* certified record-the first time that old King of the Mountains has seen a new official stock car record in years! And what a road! 170 chilling turns and no guardrail! It's the first and only time a new model ever proved itself such a great road car before its introduction! The '56 Chevrolet showed the kind and more fun. So wait for the car that beat the King of the Mountains!
