

THE RANGER TIMES

37TH YEAR

RANGER, TEXAS, TUESDAY, MAY 22, 1956

PRICE FIVE CENTS

"O. K.," explained little Joan "but I want you to know you're playing with fire."

Alvin O'Brien, a retired printer now living in Dallas, reminised shortly at the Times office last

He was sent by the Union here to fill a vacancy for a short time during the early oil boom. O'Brien said that he worked here in the early part of 1919 when the city was composed mostly of tar paper

Mr. and Mrs. O'Brien stopped here after a vacation that took them into the Pacific Northwest and Catifornia.

O'Brien recalled that a fellow couldn't hardly get out on the streets at night by himself. He said just living in those days was

come so popular here that the city is definitely in need of another lighted field We have seen two other teams organized this year in addition to Little League and others would undoubtedly soon follow step if necessary facilities were

The sharp out-fitted American much success, plays all their during the week just can't draw State Bank Giants, 10-4. the crowds of the working class -which most of us are.

They can use the facilities of the Little League Park, but the difference in the distance of the base lines and the outfield fences makes

seems to lie in another lighted stadium. Any money spent for For 37 Years ed. In fact, it would provide recreation for many teen-agers in the city. It could be well-used by more teams who could work out an agreeable schedule at the first of each season.

Driving conditions in the east of Ranger are to say the hast, enjoyable. But the time that we have to drive over the portion of U. S. Highway 80, will be appreciated completed within a few months. when she became ill.

driving, for the most part, has in death in 1949. She was a been noticed in the stretch where member of the Methodist Church. construction is now taking place.

Planned-overs... the modern way to save cooking time with an

Electric Food Freezer

You can save cooking time by storing "plannedovers." not just left-overs, in your Electric Food

Freezer. By doubling or tripling your recipes and freezing the extra portions, you accumulate fresh, appetizing "plannedover" meals that can be served in just min-

ates . . . weeks, even months, later. With two or three meals prepared from one cooking session, you can find time for other activities . . . avoid hurry-up, last-minute meal preparation. Even leftovers take on new importance . . . instead of using them up quickly to avoid waste, you can freeze and

store them for "planned" use later. An Electric Food Freezer streamlines your whole approach to meal planning, adds variety and sest to menua Gone are the days of frequent marketing trips and three-meals-a-day cooking. No wonder so many modern homemakers say that "freezer living" to

leisure living. Electric Food Freezers are available in either chest or upright models, in a size that's just right for your kitchen space and food storage require-

ments . . . see them at your favorite appliance
