

THE BIBLE By Rev. Gene Kimler, Medical Baptist Mission

The Bible tells us what God wants us to do in regards to our relationship with Him and our fellowman.

The Bible shows us things about ourselves that our friends are not always willing to tell us.

In this respect it is much like a mirror. As James puts it (James 1:23, 24), "If any be a hearer of the word, and not a doer, he is like unto a man beholding his natural face in a glass: For he beholdeth himself, and goeth his way, and straightway forgetteth what manner of man he was."

It is said that an elderly gentleman, who was very nearsighted, prided himself on his ability as a critic of art. Once he was accompanying some friends through an art gallery and was trying to show his real or fancied knowledge of pictures to these friends.

He had left his glasses at home and was not able to see things very clearly.

Standing before a large frame, he began to point out the artistic features of the picture seen there.

"The frame," he said, "is completely out of keeping with the subject and as for the subject itself (it was that of a man) it is too homely, in fact, too ugly, ever to make a good picture. It is a great mistake for any artist to choose so homely a subject for a picture if he expects it to be a masterpiece."

The old gentleman was going on like this when his wife managed to get near enough to interrupt. She exclaimed, "My dear, you are looking into a mirror." He was quite taken back to realize that he had been criticizing his own face.

The Bible is like this. It does not hide our ugliness. It shows us to be just what we are.

But, not only does God's Word show us what we are, it also shows us the way we can become a better person. Psalms 119:9-11: "With Thy word shall a young man cleanse his way: By taking heed thereto according to Thy word. With my whole heart have I sought thee: O let me not wander from Thy commandments. Thy word have I hid in mine heart, that I might not sin against thee."

We must not only read the Bible daily but apply its teachings to our daily life. And as we do so we shall be able to say: "Thy word is a lamp unto my feet, and a light unto my path (Psalms 119:105).

Through His matchless grace the Lord has not only given us a guide to salvation but also in the Bible has provided us with a guide for life after salvation. It is the light that leads us into eternal life and the light we follow after we have, through God's grace, come into eternal life.

There is hardly any way you can spend your time more profitably than by reading the Bible. By reading two chapters of the New Testament every day, you will complete the testament in less than twenty weeks. By reading three chapters every week day and five on Sunday, you will complete the Bible in a year.

What Say? By JIM DAVIS. Well sir, here Old Davis hasn't been in town two weeks and already challenged to a duel, which he promptly lost.

It's been a long time since we were challenged, but as I remember moving into two or three sawmill towns up in Arkansas when we were a boy and the first thing that happened in each town was a fight. Those old Arkansas boys just had to see how good a fighter was Old Davis just as soon as he hit town.

The only thing is that they were content with just one scrap. We see, if the home-town boy won the fight, then all the other local fellows he had whipped had to get in line and see if they could whip the new comer. Most of the time they did, too.

Highway Topping To Start In 45 Days

It will be about 45 days before asphalt topping is poured on the four-lane highway under construction through Ranger, it has been reported by competent authorities.

The work is being done by the Collins Construction Co. of Austin.

8 SINCLAIR MEN PARTICIPATE IN BRIEF STRIKE

The eight Sinclair union employees stationed in Ranger were little effected by the nation-wide strike which hit the Sinclair Oil and Refining Company Thursday at midnight, it was reported by Paul Nold, Ranger Chairman of Houston Local Union 227 of the Oil, Chemical and Atomic Workers CIO-AFL.

The company-wide strike was called by vote more than 10 days ago.

At midnight Thursday the union and the company were deadlocked on four issues during the negotiation of a new contract. The old contract expired Thursday.

Nold received a telephone call at 1:30 a.m. Friday informing him of the strike.

However, at 3 a.m. he received another call and was informed that negotiations had resumed and the strike was off.

All over the nation Sinclair workers wear shutting down operations when word of the settlement came through.

Because only maintenance men are stationed in Ranger, there was no stop in the operation of the company's lines here.

Details of the new contract had not been made available to The Times at presstime.

Last Rites For Uriah B. Jones Held Saturday

Funeral for Uriah B. Jones, 70, was held Saturday morning at 10:30 from the First Baptist Church in Ranger.

Jones, who resided on rural route three, had been a resident of the area for three years. He died Thursday.

A native of Waxahachie, Jones lived most of his life at Abernathy, Texas.

He is survived by two sons, J. B. and Vinton of Ranger; six brothers, J. E., E. M., and A. M. Jones of Abernathy, Mat Jones of Springfield, Colo., Henry Jones of Barstow, Calif., and A. W. Jones of Lubbock, and two sisters, Mrs. Lula Darde of Abernathy and Mrs. Clara Galloway of Georgetown.

Burial, under the direction of the Killingsworth Funeral Home, was in Veale Cemetery.

Pallbearers will be A. O. Templeton, G. V. McGowen, H. L. Caraway, C. W. Johnson, G. A. Guess and H. A. Pockrus.

R. HERMAN BOYD

Boyd To Preach First Sermon Here Sunday

The Rev. R. Herman Boyd will fill the pulpit at the First Methodist Church for the first time Sunday.

Rev. Mr. and Mrs. Boyd moved into the parsonage Thursday replacing Rev. Bruce Weaver who went to Hillsboro.

The Boyds came to Ranger from Gatesville where he was pastor for three years.

A native of Eastland County, near Cisco, Boyd is 62 and the father of three children: R. H. Boyd, Jr. and Mrs. Harold Summers of Waco, and Dr. Nevell Boyd of Kingsville.

The preacher has pastored churches in Belton, Olney, Temple and Taylor, among others.

150 See 2 Close Ones On LL Bill

About 150 Ranger baseball fans saw the Little Leaguers go in two very close games Thursday night.

In the twilight, The Indians defeated the Giants 13 to 11, and in the final game, a real pitchers' duel, the Yankees of the green caps bested the red-capped Dodgers two to one.

Bob Koenig, in addition to pitching four good innings, was the star hitter of the second game. He got three for three.

Little Richard Cosby, Dodger pitcher, went the distance and got one hit for three times at bat. It was a tough game for Scooter to lose as he limited his opponents to only four hits, according to the official scorer.

The first game was a slugfest with the losing Indians scoring 11 runs off 13 hits and the Giants scoring 13 runs off 12 hits. In this game Butch Owens was the power-hitter, getting four for four.

The youngsters go again Monday night.

J. L. RICHARDSON, SR. DIES, FUNERAL SUNDAY

Johnnie L. Richardson, Sr., 65, an Eastland county native, succumbed to illness Friday night. He had resided in Ranger most of his life.

Mr. Richardson had been employed in Ranger at the Cagle Service Station.

He is survived by two sons, Norman and Johnnie L., Jr., a daughter, Mrs. Roy C. Lyon, and five grandchildren, all of Ranger.

Funeral services will be conducted Sunday afternoon at 2 o'clock by The Rev. Ralph Perkins at the First Baptist church where Mr. Richardson was a member.

Burial under the direction of Killingsworth's Funeral Home will be in Evergreen cemetery.

Pallbearers will be Johnny Finto, Johnny Boyd, Henry Hamilton, H. S. Packwood, W. A. Rouwer, and A. L. Stiles, all of Ranger.

Chamber To Give Arena Use

Ranger Rodeo Arena may become the scene of a large amateur rodeo sometime this year.

The Eastland County Sheriff's Posse is exploring the idea of promoting such a rodeo, it has been disclosed.

The civic-minded group of mounted men have a committee which asked the Ranger Chamber of Commerce if the arena would be available to the Posse if the Posse is successful in securing talent for the show.

The agriculture committee of the Ranger Chamber met with the Posse committee Thursday night.

The Chamber's committee pledged the use of the rodeo arena to the posse, without expense other than reasonable maintenance.

Members of the county-wide Sheriff's Posse committee who attended the meeting are T. C. Fambro, Johnny Aaron, S. S. Faircloth, Royce Phillips, and I. L. Hannah. Tom Smalwood, Cisco committee member, was unable to attend.

The Ranger Chamber's agriculture committee which has the arena in charge, is composed of T. C. Wylie, Morris Newnam, Wilson Guest, James W. Ratliff, Lee Everheart, P. T. Smith, H. S. Adams, L. H. Hagaman, B. S. Dudley Jr. and John Tibbels.

Last year the Chamber of Commerce sponsored a rodeo staged by Everett E. Colborn of Dublin which grossed \$9400, of which the Chamber got 10 per cent.

County Group Seeks To Build Eastland Arena

The Eastland County Livestock Association Thursday night asked Eastland City Commissioners to deed them approximately half of the property purchased years ago for use as an airport.

The request was made by Boyd Hilley of Gorman, president of the Association, and Pete Tindall of Eastland. The two representatives outlined plans the Sheriff's Posse, which now has 87 members, to build a rodeo and cutting horse arena there, and expand facilities for the annual Eastland County Livestock Show.

Hilley served as spokesman. He said the group planned to spend several thousand dollars at the site, but wanted a deed to the property to assure them of continued control. He said the group would be willing for the deed to have a reversion clause, which would state that the property would revert back to the City if at any time the Association becomes inactive.

The Association asked for the old hangar building to be included in the property deed to them. At present the group has a 10 year lease to all of the property they asked a deed on with the exception of the hangar. About a year ago, commissioners agreed to let the group use the building, Hilley said.

The Association president also outlined plans for building stalls for the horses of members of the Sheriff's Posse, so that they would have a place to keep their horses. He said a full time man would be hired to stay at the building at night.

"We feel that the Posse can make money at the arena to pay the cost of the Livestock Show," he asserted, "and that will mean we will no longer have to ask donations from our merchants."

Mayor George L. Davenport appointed Commissioners Horace Horton and Norris Wilson to study the situation and report at the next regular meeting.

Ranger Fathers To Rule The Roost Sunday; It's Fathers Day

Ranger fathers will have their day Sunday.

It's fathers day here, as well as across the country.

The mother of Father's Day is a mother. She is Mrs. John Bruce Dodd of Spokane, Washington. The idea for "Father's Day" came to her one morning in 1909 as she was washing dishes while her son, John Bruce Dodd, Jr., gurgled happily beside her in his high chair. It was her way of honoring

her father who raised her and five motherless brothers. This was a natural expression of love, devotion and gratitude of this daughter toward her dad, and as such it has touched the life of America. According to Mrs. Dodd, Father's Day would be the way to fulfill the need of calling attention to Father's place in the home, training the children, the safeguarding of the marriage tie, the protection of womanhood and childhood.

When the idea for Father's Day came to her, Mrs. Dodd went to her own minister with it, and through him, to the Spokane Ministerial Association. Mrs. Dodd embodied her thoughts in a letter to the Spokane Ministers Alliance which favorably received it. She told of the love and sacrifices of her own father, William Smart, a Civil War veteran, who reared his six motherless children in an eastern Washington farm. William Jennings Bryan was one of the first to give formal endorsement to Mrs. Dodd's idea when he said, "Too much emphasis cannot be placed upon the relation between parent and child," and complimented Mrs. Dodd on her initiative.

The Spokane Young Men's Christian Association put the Father's Day idea into active motion and Spokane, in 1910, was the first city to set aside a day for honor to Father. From a humble beginning, the day of remembrance grew to national prominence with President Woodrow Wilson having a Father's Day button pressed in the White House in 1916, and with President Calvin Coolidge recommending national observance of Father's Day in 1924.

Mrs. Dodd wanted Father's Day to be held on June 5, her Father's birthday, but there wasn't time for the ministers to convene in person for the first Father's Day in 1924.

Damage Slight - Department Praised Fire Hits Mattress Factory

Prompt and efficient action of the Ranger Volunteer Fire Department has been credited with the prevention of the possible destruction of the Ranger Mattress Factory.

The plant caught fire about 8 p.m. Thursday. Within minutes the blaze was extinguished.

At least six reports of the fire were phoned to the fire department, none of them by Mr. or Mrs. Herweck who reside above the factory.

"I don't know how they got here so quick," Mrs. Herweck said. "We had just finished dinner and were watching television when we heard a bang downstairs. It was the fire boys breaking in the door," she continued.

Two hours prior to the fire and that perhaps some of his pipe coats had dropped onto some mattress or upholstering material, or that the fire perhaps could have started from faulty wiring.

The fire was confined to a corner of the front room of the factory. However, it burned out the phone wire and the blaze was eating at a wall adjacent to a stair well when the fire department arrived.

Had the firemen been from two to five minutes later, it was surmised, the entire lower floor and the stair well would have been burning.

"It could easily have cut off our escape and trapped us above the fire in our apartment had it not been for the efficient operation of our fire department," Mr. Herweck said.

The fire siren caught many of the volunteer firemen watching a Little League baseball game.

The stands emptied immediately and about 35 men reported to the scene of the blaze.

"I never saw such team work, not even on a football field," Mrs. Herweck said. "And they all were so calm about it," she added.

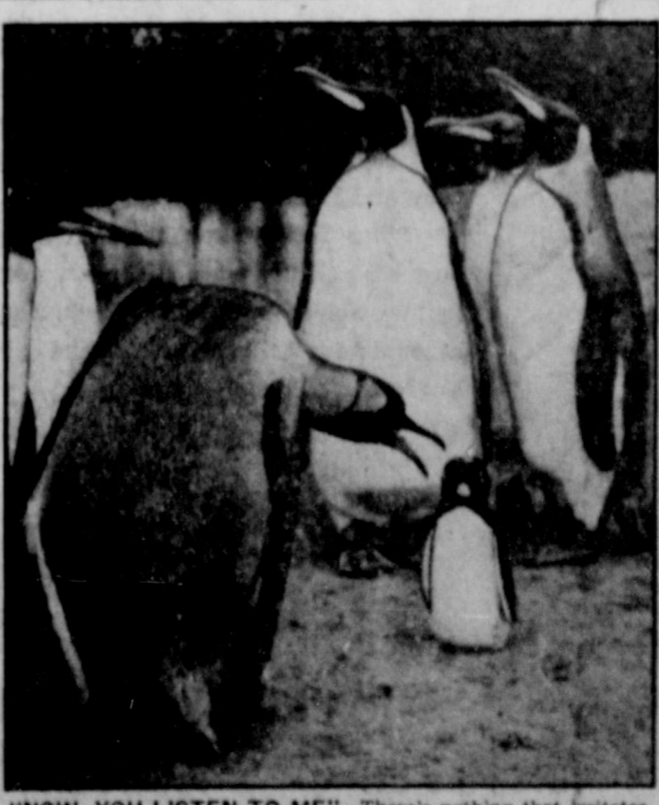

Long after the fire was put out, firemen kept watch to see that it did not flare up again, the Herwecks said.

The factory, owned jointly by the Herwecks and their son, Millard, was established in 1929 and has had other fires.

Furniture belonging to customers who have left it for repair in the factory was not damaged at all by the fire, it was reported.

Country Echoes

Do you know the way to our house out in this rural valley? Just follow a narrow, winding road 'til you come to Sunflower Alley. Our name is on the mailbox, a trail leads to our door. So come on in and set a spell, and rest, while we talk things over. We like the idea of neighbors and friends who learn to know. There is joy when one remembers, that the Master planned it so.

We imagine the above sentiment was achieved mainly after a session in the early morning with the hoe. About every third weed was a sunflower, already awake with a myriad of yellow blossoms and we just simply wouldn't cut them down. They are the only flowers that survived the big hail, and our yard is full of them.

If Henry Capers, at Bass Lake, thinks those huge golden Dahlias in his yard merit notice from passers-by, he should take a look at these sunflowers, just as nature intended for them to grow.

We learned Sunday, that Mrs.

bring a mandolin into the office and hand it to Old Davis saying "Now here's a mandolin, lets see you play it."

Now let us say right here and now that if we had known that fellow was going to challenge us we never would have mentioned that we were going to get one of the darned things.

Maybe even if we had said the other day that we were going to try to learn how to PLAY he wouldn't a-done it. But he did.

Then he took it back after we had made a feeble effort at such songs as Bye-Bye Blackbird, The World Is Waiting for The Sunrise and Over The Waves, the newest songs we know, and ragged out with the hottest rendition of something called Faded Love, you ever heard.

Yep, Old Davis is defeated again. What really hurt though, was he asked us to tune the darned instrument for him.

Window Awnings Lower Cost Of Operating Air Conditioner

When it comes to beating the summer heat, air conditioning is no doubt the best method yet devised by man.

Though this be true there is no substitute for sun protection.

Home owners who want to save money on air conditioning first must take stock of their windows and see that they are well shaded by awnings. When sun heat passes through glass, indoor temperatures soar and so do operating costs of cooling units.

Easily installed at windows and doorways, awnings not only keep rooms degrees cooler but air conditioning costs down. Facts and figures support these claims.

Awnings can help save up to \$250 in the initial price of an air conditioning system. They can also save \$20 every year in operating expense for each 100 square feet of glass they cover. These figures are the result of tests made by mechanical engineers at the Case School of Applied Science, Cleveland, Ohio.

Engineers at the school constructed an experimental room with 100 square feet of window surface facing west. Tests were made in the middle of the afternoon during the hottest part of the day. Results showed that a full

The Campaign Is Now Underway

Between now and July 28th, there is going to be a lot of conversation, speech making, and just plain political humbug. Some people are going to be talking to you and when they get through you won't know anymore than before they started. There will be a lot of handshaking. It is pretty obvious that at election time handshaking is done for only one purpose — to get your vote. There will be much talk about team play, worthiness of the candidate, smears, etc. Just remember this, friends. There is only one real team and that is the people of the 17th Congressional District. You are going to choose your own captain this year — a real honest-down-to-earth spokesman for the people of the district.

So many representatives first go to Washington with good intentions. After a year or two in office they forget why the people sent them there. The boys in the back room get hold of them and make politicians out of them, instead of statesmen. They listen to intellectual do-gooders, statisticians, "one worlders," and become so indoctrinated that all of the common folk back home are no longer represented. The power of the Federal government and the politicians are making the common folk into a pawn to be used in the collective bargaining of trying to reach a one world goal supported by American blood and American money, all at the expense of Mr. and Mrs. Average American with absolutely no contribution from the rest of the world.

Who are my campaign managers? All of us. You the voters will support me and I will, in turn, support you on the floor of Congress. All of this fancy speech making and political gabbydoook that you hear between now and July 28th may be just so much conversation. Remember that! And rest assured that I will carry the sentiments of all we the people of the 17th Congressional District to Washington. We have done a lot of talking and complaining in the barber shop, in the cotton fields, in the peanut patch, on the cattle ranch, in the living room, in the drugstore, in the grocery store, in small groups, and elsewhere. Now I stand before you ready to try to do something. We will have to put up or shut up at the polls on July 28th. We can be an inspiration — We can set an example for all the common folk throughout our country by voting in such overwhelming majority at the July 28th Primary that other districts throughout the country, in near future elections will have the courage, the bravery, and spirit of our founding fathers to adopt similar platforms and bring dignity, common sense, and spiritual greatness back into our Federal government. Only when this is achieved will our foreign friends begin to respect us and perhaps make some worthwhile contributions that will be a step in the direction of the brotherhood of man.

Our voice in the wilderness springing from the 17th Congressional District of Texas can and will be heard. Our team can play a winning game, and adopting our platform in such overwhelming majority will bring respect and notice from our fellow Americans. We must start somewhere and we can start right here, now, in our own district.

It is obvious that I cannot shake each of your hands and talk to each of you. If I spent a half hour with each of you, I would spend approximately four years day and night without sleeping nor eating. But I will get my message across to all of you somehow during this campaign. My heart and soul are in this and you, my friends, are one big team with me. We are all in this together and we will stick together. This campaign will be the most unusual in the history of the country, because we the people are going to do our own thinking this time and our own voting and our own campaigning. I am gratified for the hundreds of telephone calls and letters and offers of assistance from all of you, from the working man to many of the established democratic leaders in the district. I will see all of you that I can and remember I am always ready to consider your valued advice and recommendations. This is your campaign and your government. This is your opportunity to speak out. God bless each and everyone of you.

Mrs. Weathers Honored With Gift Shower

Mrs. Harmon Weathers, the former Leavis Powell, was honored with a gift shower in the home of Mrs. George Robinson Thursday afternoon.

Members of the Dorcas Sunday school class of the First Baptist Church were hostesses.

The receiving line was formed by Mrs. Weathers, Mrs. W. P. Powell, mother of the bride, and Mrs. George Robinson.

Mrs. Guy Cooper sister of the groom, presided at the bride's book.

The serving table was laid with a cut work linen cloth. Crystal appointments were used. Mrs. Garland Powell, from Abilene, sister-in-law of the bride, ladled punch. She was assisted by her daughter Miss Mary Powell.

Members of the Dorcas Class assisted in serving and in the gift display.

Gladioli and other cut flowers were used in decorations.

CROP Shipping Spanish Peanuts To Korea Now

The Southwestern Spanish Peanut is going into relief work.

Texas CROP Headquarters in Austin have announced that 50,000 pounds of shelled peanuts have been purchased from the Commodity Stabilization Service, USDA, for export to Korea.

The 25 tons of peanuts are now being shelled in Fredericksburg, Texas, and will be transported by truck to Houston. The peanuts are scheduled to sail for Korea on June 20 from Houston aboard the S. S. Almeria. They will be distributed on a person-to-person basis through various Korean church agencies.

John Gillies, Texas CROP Director, points out that this first purchase of Southwestern Spanish Peanuts represents a desire on the part of his agency to export as many peanuts as possible, particularly in view of their high nutritive value.

The Christian Rural Overseas Program (CROP) plans to canvass for peanuts later this year in several Texas and Oklahoma counties in order to replace funds used to purchase the current 25-ton shipment and to make available additional peanuts for future export.

RUBY SPRINGER Holds Social Science Position

Ruby Springer moved to Ranger in January of this year and accepted the position of bookkeeper, office manager with the Social Science Laboratories, Inc. in February.

Mrs. Springer moved here from Hobbs, New Mexico, where she had resided for the past nine years, and held a similar position with the Neal Motors there during the nine years.

She was a charter member of the Fort Stockton, Texas Business and Professional Women's Club and served as its president, and also as president of the Hobbs Business and Professional Women's Club.

She is a Past Worthy Matron of the Order of Eastern Star, and was serving as president of the 1952 Study Club of Hobbs, having been secretary one year and one year serving as program chairman and vice president, when she moved to Ranger.

Mrs. Springer has for many years been active in Church work, and she is now teaching an adult class at the First Baptist Church here in Ranger.

36 EXTRA EGGS PER HEN

Proved by 1033 Purina feeders who kept records

Some folks think pullets produce about the same on one feed as they do on another. Purina asked 1033 ladies with average farm flocks to keep records and see.

These careful day-to-day records showed that more than 2 million hens produced 3 dozen extra eggs per bird — over U. S. average production in just the first 4 months of laying. Your pullets should lay more eggs than average and make more money on Purina, too. Call us or stop in and let us show you what other folks in our neighborhood are doing.

Bible Comment: Lord's Prayer Is Model Of Perfection

PRAYER and thanksgiving are linked together in Christian life. We cannot be truly thankful except in the spirit of prayer; otherwise our thankfulness may be concerned only with self. Nor can we be prayerful except in the spirit of thanksgiving, for our approach to God is unreal and inadequate unless back of it is what Paul expressed in his cry, "Thanks be to God for His unspeakable gift."

All this is expressed in the Lord's prayer, in the manner in which all prayer should be made.

Let us note a few things concerning this prayer. First, the prayer begins with God and with reverence toward Him. The first petition is that of God's kingdom come and the second is that His will may be done in earth as it is in heaven.

It is only upon this high plane that the Christian comes to pray for his own needs, and the Christian's prayer is not for wealth or abundance but for daily bread.

The next petition links the Christian both with his fellow men and with God, as he prays for forgiveness of his own trespasses he asks only that he may be forgiven as he forgives others.

The prayer for deliverance from evil is an expansion of the prayer for forgiveness. And the Lord's prayer ends as it begins, with adoration to God and contemplation of His goodness.

Paul admonished the early Christians to pray without ceasing. It is easy to pray without ceasing this sort of prayer, for it is not only expressed in words but is the constant aspiration of the devout soul.

Christian Science Betty Welch And Bobby Stedum Exchange Vows

"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the lesson-sermon to be read at Christian Science services Sunday.

Man's God-given dominion over material laws and limitations will be set forth in readings from King James Version of the Bible and from "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

Among the selections to be read from Science and Health is the following (307:26): "Man was not created from a material basis, nor bidden to obey material laws which Spirit never made; his province is in spiritual statutes, in the higher law of Mind."

The Golden Text is from Psalms (95:3, 4): "The Lord is a great God, and a great King above all gods. In his hand are the deep places of the earth; the strength of the hills is his also."

Mr. and Mrs. O. E. Welch of Gorman are parents of the bride. S. A. Stedum of Houston and Mrs. Joe Howle of Eastland are the bridegroom's parents.

The bride, given in marriage by her father, wore a gown of white lace with white accessories. Her bouquet was of white carnations. Her white veil was attached to a white hat.

Doris McCoy of Eastland was the bride's only attendant. Pete McCoy of Eastland served as best man.

The bride's mother wore a dress of yellow and white orlon. The bridegroom's mother wore a pale pink dress with white accessories. Each wore a white carnation corsage.

A reception followed the wedding. The lace laid table was centered with a large arrangement of pink and white carnations. The two-tiered wedding cake was of pink and white to carry out the bride's chosen colors.

For traveling, the bride chose a pink dress with white accessories. The couple will be at home in Eastland.

The bride is a spring graduate of Gorman High School. The bridegroom, a night student at Ranger Junior College, is employed with the Victor Cornelius Electrical Advertising Agency in Eastland.

Camp Season To Open With Rally Day June 18

District Rally Day, opening the camp season for Baptist District 17, will be held at Leaders Baptist Encampment grounds Monday, June 18.

The activities will begin at 10 a.m. and will continue, with periods for rest and recreation, until after the evening service. Lunch and supper will be served at the cafeteria.

Whole families are invited to the Encampment to spend the day or any portion of it that they can.

Among the speakers will be Fred C. Hughes of Boerne, state Baptist Brotherhood president and Dr. Lindell O. Harris, head of the Bible department of Hardin-Simmons University.

Rev. Robert H. Lloyd, pastor of the First Baptist Church of Monday, will be camp pastor of the Intermediate Royal Ambassador camp, which will also open that afternoon and he will preach at the close of the evening service. The boys camp will continue through June 21.

Rev. Byron Bryant of Stamford, Encampment president, will preside for the activities, much of which will be informal, he said.

Henry Littleton, camp manager, is preparing for a large crowd. District 17 covers 12 counties: Haskell, Jones, Shackelford, Taylor, Nolan, Fisher, Stonewall, Kent, Stephens, Eastland Callahan and Knox.
