WHAT'S...

COOKING?

By NORMAN WRIGHT

Ticket sales to the 1920 Club Community Improvement Banquet have picked up since the official announcement that Mayor Tommy Vandergriff of Arlington, had definitely accepted the invitation to speak.

The banquet is to be held on Thursday evening, November 1, at the First Methodist Church, and tickets are available at Swaney's Pharmacy, Crawford's Rexall Drug or from any member of the 1920 Club.

The banquet will be one of the outstanding social affairs of the season, as well as an occasion when everybody stands a chance to learn something about community improvement. Mayor Vandergriff has met and conquered every problem they have faced.

It will indeed be interesting to hear this young man talk, and if you don't already have a few tickets, better get a couple as soon as you can. After all, that banquet room will only hold so many. They're having a turkey dinner, and the tickets are \$1.50 each.

The people of Ranger and everyone else living in the city's trade territory are going to have good reasons to be right proud of the place when the Christmas shopping season gets under way here, and it is going to be opened officially on November 30 with a City-Wide Pre-Christmas Value Day Celebration, and the traditional Santa Claus Parade.

Committees have been appointed to take care of a swarm of details that will crop up in connection with all these events, and chairmen of those committees should get to work right now, while there is plenty of time, and not have to rush madly around at the last moment leaving things half done.

Ranger merchants have been preparing for Christmas for the past six months, in fact, as orders for Christmas merchandise and Christmas Gifts are usually placed that far in advance. Careful consideration has been given to the selection of every item of merchandise, even down to the last gift-wrap ribbon.

People in the Ranger trade territory have no excuse in the world this year to run off many miles to distant cities to do their Christmas buying. Everything that one could possibly want can be found right here at home, and the man you bought it from will be here the day AFTER Christmas to swap it for you, or to make it good in every way, in case you have guessed the wrong size or if something has happened to your purchase.

Coming back to the Eastland-Ranger territory after being gone for four and one-half months, the first thing we noticed was the fact that we have plenty of water.

We have been over at Terrell, an issue of the newspaper over there, and got what you think, and Terrell had absolutely no water. By the end of this month they will be hauling drinking water.

We first noticed the great relief here when we started to shave on our first morning back. We carefully drew up a few string cups (Continued on Page Two)

Bulldogs Vs. Cisco In Conference Tilt

Vacation's over and Ranger's fast charging High School Bulldogs get down to playing for keeps this week as they prepare for their first conference game of the season with Cisco's Lobos here at the stadium Friday night.

Laying all statistics aside, it's

Methodist Men's Club To Meet 6:30 Thursday

The Methodist Men's Club will hold its regular meeting Thursday night, Oct. 25, at the church but it will be 30 minutes earlier than usual, at 6:30 p.m., instead of 7:00 o'clock, it has been announced by Jess Weaver, chairman.

Pat Collins Is New Floor Man At Ranger Times

Pat Collins, of Stephenville, joined The Ranger Times this week as floor man in the composing room. He took the place of Grady Shook, long-time employee of The Times, who resigned to accept a position in Colorado City, with the newspaper there.

Homecoming Set For Comanche High School Fri.

A gala Homecoming celebration sponsored jointly by the Comanche Junior Chamber of Commerce and Comanche High School will take place in that city Friday, Oct. 26, to be climaxed by a Comanche-Hamilton football game Friday night.

The Junior C of C has also been conducting a Homecoming Queen Contest, and she will be crowned in pre-game activities at the football field.

The Comanche Jaycees have announced the following schedule of events:

Olden Hornets Vs. Burkett Tonight

A reminder is hereby given that the Olden Hornets clash with the Burkett quintet tonight at Olden in the Hornets second game of the season. Olden school officials invite everyone to attend the game, as it promises to be a fast and peppy one, such as Olden and its opponents always afford the basketball fans of this area.

Nippy Weather Puts Brisk Step In Everybody

Rangerites all over town have been stepping just a little more briskly the past two mornings on account of the cool, nippy weather that moved in over the weekend.

The bitter truth is, the brisk weather caught most of them with their blankets down Saturday night at the RJC-Tarleton football game and they're just now beginning to thaw out.

Conversation has changed overnight from "Gosh, it's hot, ain't it?" to "Boy, how'd ya like this weather?"

Everybody seems to have a new feeling that a new season is finally upon us, and we may really and truly have "frost on the pumpkin" by Halloween Time, which is just around the corner.

All Is Quiet With City Police

All has been quite with the Ranger City Police which suits Police Chief "Pop" Pounds. Just fine. Pop said as long as folks wanted to be good and behave themselves he would be the last to squak. The city lock-up was empty Sunday night.

Only one man had been picked up and that was for speeding through town on Highway 80. The gent paid a \$10 fine and went on his way considerably slowed down.

going to be a hard game even though the Ballinger Bearcats walloped Cisco last week by a score of 53-18. It just so happened that Cisco had nine men, seven of them starters, laid up with injuries or illness, and that 53-18 score didn't come anywhere near telling the story of what the Lobos can do when they settle down to the business of seeing who picks up the marbles.

The fact also remains that there is a young gent over in Cisco by the name of Benji Kippsey who can beat you by himself if you don't watch out and he is enjoying perfect health at the moment.

As a matter of fact, he was so disgustingly healthy last week that he scored all of Cisco's three touchdowns in the Ballinger game and turned in several long runs that ate up yardage like a greyhound chasing a rabbit.

Work Cut Out

The Bulldogs have their work cut out for them from the beginning in devising ways and means of stopping this touch-down king, and then at the same time manufacturing some scoring methods of their own. The Lobos probably would have won the game against Ballinger last week if substitutes for the injured players could have put up a defense against the Bearcat attack.

Coach Boone Yarbrough was asked Saturday which of all the conference games this year did he think would be the toughest and he said "Cisco" right off the bat. "Our next game is always the toughest," Yarbrough said, and Cisco is next.

When the final whistle blew hardly anybody was around except the officials and the waterboys because the unexpected and unprepared-for "norther" had chased everybody home to the fireside.

Although Tarleton had a 7-0 halftime lead as the result of an 8-yard plunge through the middle by Fullback Theon Theford in the second quarter, and a conversion by Quarterback Jerry Flemmings, the Rangers dominated most of the first half during which time Tarleton made only one first down.

The Rangers piled up four first downs in the first half and picked up 77 yards rushing as compared to one first down and 55 yards for the Plowboys.

Even in the third quarter RJC continued to hold its own and Tarleton had managed to gain only 8 yards until all of a sudden Halfback Tommy Flood broke loose for 41 yards, and this jump was followed on the next play by Halfback Tom Shaffer who swept left end for 29 and a touchdown, making the score Plowboys 13, Ranger Junior College 0, as the third quarter ended.

The fourth quarter opened with a short circuit or something causing a tie.

BOY SCOUTS TO HELP: Just before Election Day, November 6, the Cub Scouts, Boy Scouts, Explorers and their leaders will place on the doorknobs of 35,000,000 homes Liberty Bell hangers, shown above, urging every citizen to vote. The Scout's "Get-Out-The-Vote" campaign is being conducted in cooperation with Freedoms Foundation at Valley Forge. It is entirely non-partisan, without reference to any candidate or party.

Plowboys Dump RJC 32-0; Fans Shiver

The score was Plowboys 32, Rangers 0, as an estimated crowd of 1,500 RJC Homecoming Students and Ranger fans shivered through a dull and listless ball game Saturday night at Bulldog stadium.

When the final whistle blew hardly anybody was around except the officials and the waterboys because the unexpected and unprepared-for "norther" had chased everybody home to the fireside.

Although Tarleton had a 7-0 halftime lead as the result of an 8-yard plunge through the middle by Fullback Theon Theford in the second quarter, and a conversion by Quarterback Jerry Flemmings, the Rangers dominated most of the first half during which time Tarleton made only one first down.

Even in the third quarter RJC continued to hold its own and Tarleton had managed to gain only 8 yards until all of a sudden Halfback Tommy Flood broke loose for 41 yards, and this jump was followed on the next play by Halfback Tom Shaffer who swept left end for 29 and a touchdown, making the score Plowboys 13, Ranger Junior College 0, as the third quarter ended.

The fourth quarter opened with a short circuit or something causing a tie.

COMMISSIONERS COURT INDORSES AMENDMENT NO. 2

Eastland County commissioners Monday went on record as favoring the passage of the proposed constitutional amendment which would allow the court to reallocate the amounts levied for the four regular operating funds.

The Court issued the following formal statement, in urging a favorable vote "which would give us the same power the businessman has to regulate his budget."

"One of the proposed constitutional amendments offered in the Nov. 6 general election presents taxpayers of Texas a rare opportunity—that of saving some money."

"The proposed amendment would allow commissioners courts to reallocate the amounts levied for our four regular operating funds—general, jury, permanent improvement and road and bridge funds—on an annual basis. Now the amounts that can be levied for these funds are fixed by the Constitution and cannot be changed, except in reallocation elections, which must be held every six years or oftener."

"The proposed amendment guarantees that the total tax could not be raised, for it sets the same maximum as now provided, 80 cents on the \$100 valuation."

"No private business could long exist if it had to guess six years in advance on its fiscal operations. Adoption of this amendment would free the counties to operate on a more efficient, business-like basis."

"The people, by adopting this amendment, therefore, can save in two ways: First, their commissioners courts will be given the

power to reallocate the amounts levied for our four regular operating funds—general, jury, permanent improvement and road and bridge funds—on an annual basis. Now the amounts that can be levied for these funds are fixed by the Constitution and cannot be changed, except in reallocation elections, which must be held every six years or oftener."

Spaghetti Supper Scheduled By Christian Circle

The combined circles of the Christian Women's Fellowship of the First Christian Church, will sponsor an Italian Spaghetti Supper in the church dining room on Friday night, Oct. 26, between the hours of 5 and 7, it is announced. The menu will consist of Spaghetti, tossed green salad, cherry or apple pie, Italian bread, butter and coffee.

The public is invited to attend the dinner, and all proceeds will be used for local church purposes. It is suggested that everyone come around and enjoy a spaghetti feast and go directly to the Ranger-Cisco ball game. Tickets for the dinner will be available at the door, or you may call Mrs. J. A. Lenzi, 121-J, and a ticket will be brought to you.

Damie Fish Story, We'd Say

Rip Galloway says you can believe this or not, he's only telling it as it was told to him:

Fred Ellis of Ranger said he caught two bass on one plug at Lake Leon. Fred stated that both fish evidently hit the bait at the same identical time, because he felt only one strike. Each bass was about 11-inches long.

Other fishing news as reported by Galloway is that more people were on Lake Leon over the weekend than usual, but not many big strings were reported.

From Lake Leon Lodge Dan Harris of Ft. Worth reported six crappie from one-fourth to three-fourths pounds, three channel cat averaging one and one-fourth pounds, and two bass each around two pounds.

A. L. Little of Fort Worth reported two bass weighing three and three-fourths pounds each, and four bass from one to two and one-half pounds each.

Clint McCain of Eastland landed a five pound bass.

Rams Vs. Rebels Is Big Game In Pioneer Loop

San Angelo's undefeated Rams and Arlington State's unbeaten but once tied Rebels will meet Saturday night at Arlington in the week's banner Pioneer Conference football scrap—a game which probably will eliminate the loser from title consideration.

The two, co-holders of the loop lead this week with Tarleton State at one victory each, feel that the Saturday game is a "must" in the five-member conference chase where one loss usually means no title.

There'll be no pre-game favorite. The Rebels were impressive in their conference opener last week, bowling over Schreiner Institute, 40-0. But the Rams were just as potent two weeks ago in a 40-6 victory over Ranger. Arlington State has a 12-12 tie on its record. But the Rams edged Victoria by only two points and squeezed out a 14-13 victory over Wharton, 25-0 victims of the Rebels earlier in the season.

A second conference meeting, with Tarleton State entertaining Schreiner Institute at Stephenville, (Continued on Page 2)

Ex-Students To Sponsor New Entrance-Way

A beautiful Entrance Arch on Highway 80, and a paved street leading to the College Campus, were planned by the Ex-Students Association of Ranger Junior College at their annual business meeting last Saturday afternoon during the Homecoming Program.

A committee of ex-students was appointed, with Pete Brashear as chairman, to investigate everything connected with building the arch and the street, and to suggest ways and methods by which the project can be accomplished. Other members of the committee include Mrs. J. P. Morris, Dewey Cox, Mrs. Roscoe Hopper, Jerry Wilson, Alvin Woods and D. C. Arterburn.

The committee is to determine the style and cost of an Arch, and also the cost of the street paving, and at a future meeting plans will be mapped out for raising the money. It was thought by ex-students that a paved street to the college was one of its greatest needs right at the moment, since there is no principal street leading to the campus, and none of the existing ones are paved.

An Arch is also needed, they thought, to attract attention to the college, since thousands upon thousands of people pass by there each year on Highway 80 without ever knowing that a college is in existence anywhere within miles of the area.

Few people have thought of it, but Ranger Junior College is the only college situated directly on Highway 80 from the time it enters the State of Texas at Texas until it leaves the state at El Paso. The ex-students thought it was high time that somebody capitalize on this very advantageous fact.

It was not determined which street would be paved, but the one leading to the college from the Armory was the street that received the most favorable mention. It was also decided to border the streets with trees and shrubs (Continued on Page Two)

Nov. 22 Official Thanksgiving

To settle the matter for all time to come as far as this year is concerned, November 22 has been declared to be the official Thanksgiving date in Ranger. The Chamber of Commerce and the Retail Merchants Association has polled the business men of the town, and Nov. 22 was decided upon.

BRASHEAR TALKS TO COURT ABOUT VET SERVICE OFFICER

State Representative Paul Brashear, who served as assistant county veterans service officer himself until recently, appeared before the Eastland County Commissioners Court Monday to tell them they acted too hastily in appointing A. H. Powell of Ranger as county

Lloyd Kennedy's Father, 89, Dies

Jesse Fox Kennedy, 89, of Breckenridge, father of Lloyd Kennedy of Ranger, passed away at his home Monday. He was a retired minister of the Church of Christ.

Funeral services are set for 10 a.m. Wednesday at the Walker Street Church of Christ, Breckenridge, with Robert Oglesby, minister, officiating. Burial will be in the Breckenridge cemetery.

Mrs. R. A. Jones' Nephew Dies

Word was received here this morning by Mrs. R. A. Jones, 305 Hunt Street, that her nephew, Damon Williams of Weatherford, was found dead Monday. His funeral will be at 2 p.m. Wednesday at the White Funeral Home in Weatherford.

Williams is survived by another son of Ranger, Mrs. Annie Miller, and also two sisters, Alice Lane of California and Ivy Curtis of Weatherford. Details of Williams' death were not learned here.

veterans service officer. Brashear, appearing as a private citizen, presented the Court with a letter of recommendation from the Ranger American Legion post asking that another Ranger veteran be named assistant. The Cisco man himself told the Court that he felt that the head service officer should be in the county seat, "no matter who he is."

Brashear started his argument before the Court by reading them laws concerning the appointment of a service officer. "He must have certification and recommendation" from one of the veterans organizations, either the Legion or the V.F.W.—and your man has neither," he asserted.

"You have no record whatever," he said, "not even an application from Mr. Powell, and not even one from his own post," Brashear added.

The he presented the Court with the recommendation from the Ranger Legion Post that Ray Williams be made assistant county service officer. He said the Post had named Williams Post service officer, and he would do the job Powell will be paid to do in Ranger. "This man is going to get all the information from the Veterans Administration and the Legion, not your man," he informed commissioners.

Brashear pointed out that commissioners had named Powell head service officer while there were two men, James Wright of Eastland and John Nunnally of Rising Star, who have been working as service officers for years and are acquainted with the duties. "Follows, this is an important job, and one which is underpaid," Brashear professed.

J. E. McCandless, Precinct 4 commissioner from Cisco, then said, "If we have overstepped our authority, we will just have to void our action."

He and other commissioners explained that Powell's appointment was just to the first of the year, to fill out an unexpired term. One (Continued on Page Two)

PREVIEW OF WARD WEEK: The crowd pictured above is a small portion of the people from Ranger and surrounding territory that turned out for a preview of Ward Week that began in the Ranger store on October 9. Coffee and sandwiches were served and favors were passed out for the kiddies. Customers spent the evening looking over huge stocks of merchandise and making pre-sale selections.

NEWS FROM DESDEMONA

By Ansel McMasters

The nice 1 1/2 inch rain that fell early Monday morning was greatly appreciated by one and all.

The Methodist people had an all day affair Sunday. They had visiting preachers and the elders held a conference. At the lunch hour a nice lunch was spread and enjoyed by all present.

Edward May of Uvalde was here this weekend on business and to visit his mother Mrs. Katie May who has been in the Gorman Hospital for a month following a fall that broke her hip.

Mr. and Mrs. Morgan Roberts spent the weekend in Alice with her brother Mr. and Mrs. Less Williams. Mrs. Docy Williams who had spent a week with the Less Williams returned home with them Sunday. The Less Williams are the proud parents of a new daughter, Catrena Beth, 5 lb. 4 oz. at Alice.

Mr. and Mrs. Billie Joe Clark visited Sunday evening with Mr. and Mrs. Morgan Roberts.

Mr. and Mrs. Rob Guthery and children of Irvin, Texas spent part of last weekend with their parents Mr. and Mrs. Roy Guthery.

Brashear-

(Continued from Page 1)

said the action was taken after County Treasurer Richard Cox appeared before the Court and told that it was the wish of the late Lee Dockery, who had served as service officer for years, that Powell be appointed to replace him, and "Mrs. Dockery said she wouldn't turn over her personal files to anyone else."

Brashear said that was understandable, that he himself had not turned over his personal files when he was replaced as assistant service officer, but that he felt that it was the Court's decision to name a service officer.

Earlier Brashear had told the Court that his appearance before the commission "... has nothing to do with the action to get me out as assistant veterans service officer."

Commissioners, on recommendation of Precinct 1 Commissioner J. B. (Tip) Arthur, voted to take no action at the meeting. "We need time to study the situation," they agreed.

In other business, commissioners refused a request by a representative of the Osburn Co. to make full payment at this time on the money owed the company for compiling all delinquent tax lists from 1919 through 1954.

State law states that the money shall be paid as it is collected in delinquent taxes. The county made a \$1000 payment at the time the list was completed in August. Price tag on the entire job was \$6505.44.

All commissioners were present. R. L. (Bob) Carter, who will succeed Henry Carter as Precinct 3 commissioner Jan. 1, also met with the Court.

Paved-

(Continued from Page 1)

campus. Other business attended to Saturday was the election of officers for the year 1957 and the following were named:

Dewey Cox, president; Miss Mary Joy Wilson, vice-president; Mrs. O. C. Warden, secretary; Pete Brashear, treasurer and Mrs. Rosecoe Hopper, reporter.

With the possible exception of the score at the football game Saturday night, everything about the Homecoming was considered a success by college officials and students.

Approximately 200 Ex'es were served at the barbecue held on the campus preceding the football game; the parade was considered a success and even the weather man cooperated. A large crowd of Ranger people and others also visited Open House at the new boys dormitory.

Dr. Price Ashton said everybody

Rams-

(Continued from Page 1)

should produce a Plowboy victory. Schreiner, winner of one start in five tries this season, will have an uphill battle trying to halt Tarleton's undefeated, high-scoring crew.

Ranger draws a non-conference opponent this week, meeting the H-SU "B" team at Abilene Friday. The Rangers, with two losses in as many conference starts, are out of the title picture after bowing, 0-32, to Tarleton last week.

Last week's PC grid action further emphasized pre-season predictions that Tarleton State, San Angelo and Arlington State would battle it out for the title. All three were shutout winners as TSC rolled over Ranger, 32-0; the Rebels topped Schreiner, 40-0; and San Angelo stopped Northeastern Oklahoma A&M, 13-0.

Tarleton's victory over Ranger came on a 25-point scoring spurge in the second half, including a 19-point fourth quarter, with five men scoring touchdowns. Arlington State also put on a rousing finish after being held to a single TD in the first half by an alert Schreiner defense. San Angelo took to the air in its non-conference contest, netting 235 yards in 13 pass completions in 30 tries. The Ram defense held Northeastern to a total gain of 89 yards.

Conference Standing

	W	L	T	Pts.	Op.	Pct.
Arlington	1	0	0	40	0	1.000
San Angelo	1	0	0	40	6	1.000
Tarleton	1	0	0	32	0	1.000
Schreiner	0	1	0	0	40	.000
Ranger	0	2	0	0	72	.000

Last Week's Results

*Arlington State 40, Schreiner 0; *Tarleton State 32, Ranger 0; San Angelo 13, Northeastern Okla. A&M 0.

This Week's Schedule

Friday: Ranger vs. H-SU "B" at Abilene.
Saturday: *San Angelo at Arlington; *Schreiner vs. Tarleton State at Stephenville.
*Pioneer Conference game.

Commissioners-

(Continued from Page 1)

opportunity to operate their fiscal affairs in a modern way which will make for economy, and, second, they will save the cost of expensive reallocation elections every few years.

"The proposal, undoubtedly, is the most progressive step toward better, more efficient, more business-like county government that has been taken in 100 years or more.

"Remember, under no circumstances could adoption of the amendment cause an increase in county taxes, because it fixes the maximum county levy for the four regular funds at 80 cents on the \$100 valuation, which is the same as the present tax levy in our county.

"It deserves the support of every taxpayer, because it gives him an opportunity to save some money."

"This is Amendment No. 2 on your general election ballots."

at the College appreciated the efforts on the part of everyone who had anything to do with the success of the program. He said he thought untold benefits would come to the College by reason of having the Homecoming and renewing efforts in behalf of the school.

ing half the floodlights on the field to go out and the rest of the game was played in semi-darkness. Maybe it would have been better if all the lights had gone out about this time and if everybody had gone home because lightning struck three times in a row, quick.

It started when Center Mike Baulich intercepted a Ranger pass to give the Plowboys possession of the ball on Rangers 44 yard line.

A series of pass and run plays moved the ball down to the 2 and from there halfback Flood went off-tackle for six more points making the score 19-0. Flemmins failed to convert.

Minutes later quarterback Don Castleberry heaved a touchdown pass to halfback Bob Golson from the eight with Greenbon converting and the score was 26-0.

The final icing on the cake came with 1:20 left in the game as quarterback Darby Pientl tossed a 16-yard marker to halfback Harvey Neal for the final 32-0 score. Try for point was blocked after this one.

Brashear Sr., F. P. Brashear Jr., E. E. Crawford, W. F. Creager, W. L. Downtain, Raymond Garza, Calvin Harris, Marshall Jolly, M. L. King, A. N. Larson, Morris Leveille, Marjorie Maddocks, L. R. Pearson, Mrs. Saule Perlstein, Dave Pickrell, W. P. Watkins, Bill Williams and T. C. Wylie.

Cisco members include E. E. Addy Jr., Jack Anderson, George P. Gee, Bill Rogus, W. B. Wright, J. P. McCracken, Melvin G. Sandler, J. W. Sittion, J. L. Thornton and Paul Woods.

Gorman members are Gus H. Frossard, Edward Harrison, Boyd Hilley, Bernice Jeff, John Kimble, W. G. King, M. E. Shell, W. T. Shell, Check Smith, J. O. Thompson and Keith Whitt.

J. I. Encke is the member from Strawn.

Here is the plan for the club as outlined by Dr. Whittington: "An individual may buy one or more shares," he explained. "This will bring in a total of \$37,500. It is with this money that the Board of Directors plans to build the 7000 square foot clubhouse, swimming pool, rough-in 18 holes of golf, roads and fences.

"While this is going on, a new corporation (the social club) will be formed, composed of members of the land company and others, but having a different Board of Directors. This new corporation will lease the facilities of the land corporation at a price equal to the depreciation of the value leased.

This will be repaid in form of monthly rent, set aside from monthly dues. The land corporation will maintain ownership all the while.

"Stock in the social club will be held by individuals from the land corporation at \$150 per share. There will be about 75 additional shares which will be sold to the public at \$150 per share, bringing the total membership of the social club to 300, which will be its limit.

"Sale of the social club stock will bring in \$45,000 which will be used for operating capital, furnish and complete the clubhouse and finish nine holes of watered fairly golf.

"The social club will have 225 members from land corporation and 75 new members. The land company members will be repaid the \$150 with interest and will maintain ownership for the risk capital. The assets will increase as the social club makes improvements, and the final membership will cost no one over \$150.

"The reason for the above plan

is to enable the average man to be a member at a cost he feels he can afford.

"Until all stock has been fully subscribed and paid for, certificates of ownership will not be issued."

What's Cooking-

(Continued From Page One)

of water in the lavatory before we thought heck, we can just let this stuff run.

Having plenty of water is the greatest thing that can happen to a town. Dallas citizens have been fussing over the fact that they were allowed to water their lawns only on every other day, but the poor people of Terrell would be happy if they could water their lawns every other summer. Six straight years have passed and they have not been allowed to sprinkle a single drop. Water restrictions have been so severe over these six years that the city, with a population of 13,000, has been getting along on 300,000 gallons a day. Ranger, small as it is, uses almost a million gallons a day more than that.

In Terrell, one sure way to get yourself in jail is to burn any kind of trash around your home, lest it set a grass fire that would require water to fight. Bath water and washing machine water are carefully saved and poured around a dying shrub somewhere. Toilets are flushed only when absolutely necessary. Such a thing as empty-

ing an ash tray in a toilet and flushing it down the drain is against a city ordinance. Milk bottles remain unwashed, since they would be washed again at the dairy, anyway.

Cars are washed from a bucket. Service station operators haul in water from wherever they can find it with which to wash cars and fill radiators. Such little tiny things as that small stream of water that a dentist uses to run in the "spittoon" on his chair, cannot be left running, but has to be turned on and off. To be without water is the greatest inconvenience a person can have, and certainly the greatest drawback that a town can have.

Ranger should never cease to be proud of the wonderful water supply at Lake Leon, even if it was all dreamed up and dug and paid for by Eastland.

Mrs. Henderson Presents Program For AAUW Meet

The Ranger Branch of the American Association of University Women met Thursday evening in the home of Mrs. Walter Daniels. During the business meeting the branch voted to contribute \$25.00

to the local community chest. Mrs. Richard Henderson presented the program on Fashion Trends. She introduced four of her high school homemaking students, Barbara Gandonhire, who discussed "My Fair Lady Look" in the new fall styles; Linda Shaffer, who discussed the different types, blends, and uses of the new miracle fabrics; Glenda Webb, who pointed out the importance of "Word Pictures of Ourselves." This should help one to select clothing, suitable for one's coloring, build, clothing budget, and the climate; Linda Bogges, who gave an interesting report on her accomplishments in the summer homemaking project. She modeled the dress she made during the summer.

Refreshments were served to Mrs. H. H. Oliver, E. H. Bobo, Pat Thomas, Jr., Arthur Deffebach, Vernon Deffebach, J. P. Morris, D. L. Penney, George Rushton, Richard Henderson Mammie Ruth Hamrick, Gracia Haby, Miss Ann McEwen and the hostess, Mrs. Daniels.

VISITS PARENTS
Mr. and Mrs. C. L. Maedgen and children of Troy spent the weekend with her parents, Mr. and Mrs. George Robinson.

Bucking the Line of Scrimmage--

... if we may borrow from football parlance, is the sort of exercise that toughens fibre and prepares the participant for heavy duty ahead. As in sports, so it is with those who attain success in life. The weak falter while the strong survive. Getting the job done is reaching a goal first, a sure demand of the public in business life. Some call it success, but we like to think of it as a lot of hard work. In a nutshell, that's it!

Oil Belt District IOOF, Rebekah Association Meets In Gorman

A group of members of the Ranger Rebekah-Loige No. 244, attended the Oil Belt District IOOF and Rebekah Association meeting, which was held in Gorman Thursday evening.

The social hour and dinner was held from 6 to 7 p.m.

Miss Ozella Pulley, association president, called the meeting to order at 7:30 p.m. and the following program was presented:

Invocation, Mrs. Belle Parks; presentation of flag, Gorman Rebekah; pledge of allegiance, audience; welcome address, Leland Warren, Gorman; response, J. R. Palmer, Stephenville; song, Mike Stacey, Gorman; duet, Jane and Jean Collins, Gorman; prayer ceremony, Eastland Rebekah; memorial service, Gorman Rebekah; song, Ranger Rebekah; drill, Stephenville Rebekah.

The following new officers were elected during the business meeting: Mrs. Bee McAdams, Eastland,

president; Mr. Hugh Mahaffey, Ranger, first vice president; Mrs. Sadie Patterson, Graham, second vice president; Mrs. Olive McCain, Eastland, secretary; Mrs. Genoa Brown, Eastland, treasurer. Members of the Stephenville Rebekah Lodge installed the new officers.

About 120 members were present, including District Deputy president, Mrs. Mildred Thompson of Stephenville and 12 past presidents of the association.

Lodges represented were: DeLeon, Breckenridge, Stephenville, Eastland, Winters, Paris, Azel, Baird, Ranger and the host lodge, Gorman.

Those attending from Ranger were: Misses Clara Ivy, Eleanor Horton, Callie Lee, Sudie Strong, Mattie Belle James, Alta Norris, Lena McDonough, Lillie Guess, Ellen Jones, Laila Eiffert, Mabel Greer, Eula Blackwell, and Ruby Greer; John W. Ivy, C. E. Bell, A. H. Blackwell, Hugh Mahaffey and Jesse Smith.

ATTEND HOMECOMING
Mr. and Mrs. Charles Blanton of Lubbock spent the weekend with her parents, Mr. and Mrs. Lee Russell and attended the homecoming game Saturday night.

ATTEND HOMECOMING
Mr. and Mrs. Cyrus Miller of Fort Worth, Mr. and Mrs. Don Wiggins of Denton and Mary Ann Wallace of Lubbock all attended the homecoming game.

VISITING IN ODESSA
Mrs. R. S. Balch is visiting her son in Odessa.

Christian Youth Fellowship To Have Social Wed.

The Christian Youth Fellowship of the First Christian Church will have a "Bridie Murphy" party in the church dining room Wednesday night at 6. Each person is asked to come dressed as the person he or she was in the "other life."

The group will also have a covered dish dinner at this time and will enjoy other plans made for their entertainment.

Beta Sigma Phi Has Meeting

Members of the Rho Pi Chapter of Beta Sigma Phi Sorority met Thursday evening at 7. The first program on this year's study of "Beauty" was presented. The topic for the evening was The Art of Dress.

Mid-Week Prayer Service Schedule

Regular mid-week prayer services and preparation for the coming Lord's day will be held Wednesday evening in the First Baptist Church. Beginning at 6:30 with Choir rehearsal, 7:15 officers and teachers, and the teaching of the Sunday school lesson at 7:30.

At 8 p.m. the worship in song, praise, Bible study and prayer will prepare the hearts and minds for the week and lead to the worship on the coming Lord's day.

Mid-week prayer meetings have been held for the past 74 years in the First Baptist Church. These services are part of the Spiritual life of church and the entire community is invited to worship with us on these nights.

The nursery is open for the little ones.

Brotherhood To Meet Thursday

Final organization of the Brotherhood of the First Baptist Church will be on Thursday evening at 7 p.m. in the library of the church, according to president J. B. Houghton. All captains, lieutenants, and officers should be present for the meeting. The group organization will be part of the service.

Final dates for the Annual Thanksgiving Banquet, sponsored jointly by the Adults of the Sunday School and the Brotherhood, will be on November 27 with Mr. Andrew Q. Allen, secretary of the Sunday school board of the Baptist General Convention of Texas being the speaker.

There will be the regular meeting on November 5, with Shelby Parnell being the speaker.

RETURNS FROM HOUSTON
Mr. and Mrs. F. S. Pearsall have returned from a visit with their son and wife, Mr. and Mrs. J. F. Pearsall in Houston.

VISITS PARENTS
Mr. and Mrs. Jim Ewing of Wichita Falls spent the weekend in Ranger visiting their parents.

WOMEN WHO COOK ELECTRICALLY KNOW

Electric Cooking is ACCURATE

You get the same even heat from the same switch setting every time!

Young homemakers, as well as experienced cooks, find it's easy to turn out tempting, nourishing meals with a modern electric range. Cooking temperatures can be measured as precisely as you measure recipe ingredients when you cook electrically. Whether you're cooking on surface units or in the oven, you just set the controls for the heat you want, and you get the same even heat every time. There's no guesswork... no variation of heats to confuse you. Accurately measured and controlled electric heat helps assure recipe-right results... every time!

For a full measure of cooking pleasure... **COOK ELECTRICALLY**

See your favorite electric range dealer soon for the model that's exactly right for your family's needs and budget. You'll find electric cooking one of the nicest things about living better... electrically!

TEXAS ELECTRIC SERVICE COMPANY

A. N. LARSON, Manager

Why wash your clothes in dirty water?

Now you can use spanking-hot fresh water, fresh detergent, on every load!

With the new 1957 Frigidaire Automatic Washer—you can save enough hot water to do as many as 10 extra loads per month—save up to 21 good-sized boxes of detergent a year.

Why is the Frigidaire Automatic the Savingest Washer Ever Built?

More efficient action! See the difference. Final rinse water from a Frigidaire Washer is sparkling clear and clean! Not only lint but tiniest particles of soap-scum, too—are flushed over the tub and down the drain—with no film left on clothes. The Frigidaire Float-Over Wash and Rinse does it all, with less water—and without a filter trap to clean.

The Cleanest Wash You've Ever Seen—Without Rubbing

With the new Control Tower you can wash anything that's washable—automatically. And you can do 3 loads in the time it takes many other leading washers to do two!

The secret is Rub-Free Washing Action, exclusive with Frigidaire Washers. Far faster and more efficient, it has no jerking, flailing blades to wear out clothes in the wash. Super-suds-charged water alone moves the clothes. Every piece is always under water. Frigidaire Rub-Free Action helps stretch your clothing dollar.

Yes, you save so many ways you'd be smart to get a new Frigidaire Automatic Washer now. Come in and see its amazing features—today.

'57 FRIGIDAIRE Automatic - Savingest Washer Ever Built

- Rapidly Spin Gets Most Water Out of Clothes
- Warm or Cold Water Rinse for Special Fabrics
- Float-Over Washing and Rinsing
- Lifetime Porcelain Finish, Inside and Out
- 3 Gorgeous Colors and All White
