Bulldogs Smother Cisco Loboes 54-14

Hinds Racks Up 30; Lipsey is Sensation

BY NORMAN WRIGHT

The Maroon and White Bulldogs of Ranger High School launched their 1956 conference season here Friday night with a resounding 54-14 smothering of Cisco which was an even greater defeat than the Loboes suffered last week when they were downed by Ballinger 53-18.

It was an impressive win and every Bulldog on the field covered himself with glory, but let no one take away from the credit due Cisco because the Loboes were again playing with a makeshift team and they were in there fighting away at the final gun.

Linda Shaffer Is Band Sweetheart

Linda Shaffer, RHS Senior, was crowned Band Sweetheart at the Ranger-Cisco game Friday night, by Band Captain Frankie Landtroop. Her attendants were Gail Rapp and Judy Craig. A complete story of this colorful ceremony, with photographs, will be carried in The Times next week.

Incidentally, the elaborate crown used in this ceremony will be on display this coming week at Sweetbriar's before being placed in the trophy case at High School.

Tough luck continued to hound the Ranger Junior College Rangers as they dropped a close one Friday night to Hardin - Simmons.

University Freshmen, 19-13, in Parramore Stadium at Abilene.

The H-SU Buttons scored their touchdown on the first play of the second quarter, 12 1/2 minutes deep in the same quarter and on the last play of the third quarter.

Ranger did its scoring in the third and fourth quarters.

After being halted on Ranger's one-foot line, the Buttons marched 45 yards for their first touchdown, Penny Culp plunged over.

Red Cross Part of Community Ghest

The American Red Cross is one of the outstanding organizations in Ranger and Eastland County that receives support through the local Community Chest, and a portion of the money which is not being pledged to the Ranger Community Chest Drive will be given to the Red Cross for support of its activities in the County on the part of needy people.

Stanley Webb, Red Cross County Chairman, said this week that he was anxious for all persons in the county to become acquainted with the varied activities of the Red Cross. Webb pointed out that it was an organization of volunteers, all concerned in one way or another with the health, safety and well being of local people as well as the American people at large. The Red Cross is limited only by how much or how little volunteer workers want to do, or have the time to do in carrying out its scope of service.

Webb went on to say that in one program alone, 361 families in Eastland County have been given service that the Red Cross alone could give during the past twelve months. Webb said 10 times this number of people could have been served if they had been able to get a volunteer chairman for the program, but nobody seemed to have been available. "If just further points out the need for willing volunteer workers which we need almost as much as money," Webb said.

The service programs of the Red Cross consist of services to members of the armed forces and their families, service to veterans and their families, disaster services, blood services, nursing services, first aid services, water safety, community services, international services and Junior Red Cross services.

Sub-divisions of these programs include the Gray Lady program, wherein uniformed men and women visit the ill regularly at the request of local hospitals, visit the chronically ill in their homes, conduct craft programs for the disabled, stage canteen service and many other programs of benefit to the community.

Jerry Cantrell came in for his share of scoring honors, taking a 29-yard pass from Hinds for his first touchdown, and then galloping 70 yards on a kickoff return for the other. Boone Yarbrough, Jr., got into the act by taking another Hinds heave for 12 yards and a score, and Lee King added the final Bulldog tally of the game by going 40 yards off tackle for a brilliant bit of broken field running and another 6 points.

The Bulldog line also did yeoman service with such stalwarts as Jowers, Bagwell, Hagaman, Veal and Cruise holding an air-tight on the defense that Cisco was held to only 24 net yards in the first half, not counting Lipsey's 59 yard break-away, and to only 15 net yards in the last half, exclusive of Lipsey's 65 yard sprint.

Gerald Shookover, substituting for David Wharton, turned in.

Circus Due Monday At Rodeo Grounds

Monday will be Circus Day in Ranger, the first time in six years that a "big top" has pulled into this city and unloaded for a two-performance schedule, the first at 2:30 and the second at 8:00 p.m. at the Rodeo Grounds.

Early Monday morning the Tex Carson Wild Animal Circus will roll into town to begin the day's festivities. First thing on the program will be erection of the big tent where men, elephants and automatic machinery combine quickly to build the city of canvas.

At 10 a.m., all children in the city who can possibly make it, are invited to the Circus grounds to see many of the animals fed and watered, said to be a lesson in natural history for everybody.

A few of the special features being offered by the circus this season will be the famous baby elephants, performing seals and llamas, all TV stars which have appeared at the world renowned Disneyland in California the past year under direction of Capt. Johnny Harriott. There will also be Tex Carson trained horses, training ponies, riding dogs and bears, and Junbo the 3rd largest performing elephant in America.

Trapeze artists, acrobats, jugglers, and a host of clowns round out a big two-hour program that is guaranteed to please everybody, and at live and let-live prices, 90c for adults and 20c for children.

On the midway will be seen Lots, 4-ton hippopotamus, and a mother gorilla and baby.

First Frost Thursday Night

If you are one of those who keep track of such things, you can mark it down in your little book that Ranger had its first frost of the year Thursday night, and it was a pretty good hard frost. It was considered enough to nip the leaves pretty thoroughly and before many days old Yether Nature should start smearing her paint brush around the countryside painting the trees brown and gold and red and yellow.

Represented were Coleman, Ballinger and Winters, more especially Coleman, and the scouts were looking down their noses before it was over with. They drew pictures of every play that was run and made notes on the characteristics of all the players. The only thing they missed was seeing Ranger miss the ball, because the Bulldogs didn't have a punt all night.

PRIZE-WINNING FLOATS AT HOMECOMING

FIRST PRIZE, CITY OF RANGER—Premier Oil Company won First Prize in floats entered by the City of Ranger in the RJC Homecoming Parade on Saturday afternoon, Oct. 20. Forty man-hours work went into the float pictured above which is fashioned of Red and White crepe, the Premier official colors. Slogan on front said "Premier Is Most Refined." Girl in the picture is Miss Dorothy Stagner, and the boy, manning pump mounted on float, is David Pickrell II.

FIRST PRIZE, JUNIOR COLLEGE—The RJC Business Department won First Prize among floats entered by the college. This float was covered with greenery and artificial red roses and driven by Charles Scott, Miss Anita Jo Humphrey of Haskell, who had been elected sweetheart, rides on the float. A heart made of red roses adorned the front of the float, and a placard with the words "Sweetheart, Anita Jo," was attached to the rear.

WHAT'S...

COOKING?

By NORMAN WRIGHT

Rip Galloway has announced that Jake Lawson has been saddled with staging the Christmas Parade, and Jake says he is going to try to line up a section of old cars for this happy event, and that reminds us of the old Model T Ford which left a mark on the face of the earth and in the lives of its owners that will never be forgot as long as the world stands.

Thinking back on this old vehicle and the experiences we had with it, we are absolutely amazed to find that we are still alive and able to tell about it.

Right there was the orneriest and most controversial piece of machinery ever whipped together out of old tin, oil cloth, boxing planks and cast iron ingeniously assembled and held together with an assortment of loose bolts, nuts and haywire.

When a man bought a Model T he never considered his purchase as complete. He only had a Beginning. Self starters, fender braces, shock absorbers, bumpers, horns, spare tires and radiator ornaments were things he added as he went along.

The old Ford driver flew and navigated as blind as a bat. His dash board was bare except for a switch key that would shock the hail columbia out of anybody if they touched it at the wrong time. He never knew the amount of his fuel, the pressure of his oil or the temperature of his engine. He drove not by instruments but by Sudden Developments. He had no use for a rear view mirror because he reasoned that whatever was coming from behind he would sooner or later see it out in front.

The gas tank was located under the front seat and was the subject of much speculation. Peddlers were always going through the country with various potents that could be poured in there and which were guaranteed to give a more powerful mixture. As for us, we learned early in life that nothing would help a tank of gasoline so much as a sack of moth balls and we never taken in by the drummers on any other sort of potents.

Cranking an old Ford was an art within itself and few people ever mastered it right. The trick was to set the spark and gasoline levers just right and leave

FFA Chapter Here to Elect Sweetheart

Members of the FFA Chapter of Ranger High School are asking the people of Ranger to help them select a Sweetheart.

There will be plenty of nice things in store for this fortunate young lady, and here is how she will be elected:

Nominations have already been made which include Helen Carol and Sue Garrett from the Senior Class; Betty Gail Gardenhire and Kay King from the Junior Class; Nelda Melton and Norma Mace from the Sophomore Class, and Norma Gayle Emfinger and Barbara Crab from the Freshman Class.

Ballot boxes will be placed around town Monday fixed in such a manner that you may vote for your favorite Sweetheart by dropping a penny in her box.

On Friday, Nov. 2, at 11:00 a.m., the boxes will be checked and one girl from each class having the least number of pennies, will be eliminated, leaving only one candidate from each class.

Voting for the remaining four girls will continue for another week, with the one having the highest number of pennies at the end being declared the winner.

The winning sweetheart will be given a jacket by the local FFA Chapter, and she will attend the District FFA Banquet at Stephenville where she and 25 other Sweethearts will compete for Area-Sweetheart, and from there the winner will go to the State meet where competition for State Sweetheart will be held.

Deer Hunters Bag Three

H. H. Vaughn and Bob Garrett, Ranger sportsmen deluxe, returned this past week from a deer hunt in Natura, Colorado, with the big bucks and a doe to their credit. The bucks weighed over 200 pounds each.

The hunters had originally planned to add a safari for bear to their trip, but somewhere along the line these plans went sour and the bear are still in Colorado.

Monday Last Day For Banquet Tickets

Monday, October 29, has been declared the last day in which tickets will be on sale to the 1920 Club Community Improvement Banquet which will be held Thursday evening, Nov. 1, at the First Methodist Church.

Seating space is already reaching a limit, and the Dining Room Committee must know definitely by Monday night how many plates to prepare.

Tommy Vandergriff, 30-year-old Mayor of Arlington and nationally known as a civic leader, will be principal speaker. The banquet has already drawn state-wide attention to Ranger, as news of it has appeared in several newspapers of statewide circulation. Members of the 1920 Club feel that it is an affair no Ranger citizen can actually afford to miss. Club members do not only want to sell tickets to the banquet because it is not a money-raising event. They want people to come who buy tickets, and not to stay away.

A turkey dinner will be served and tickets are \$1.50, available at Swane's Pharmacy and Crawford's Revall Drug, or from any member of the 1920 Club.

All Ranger citizens who do not now have a ticket, are urged to get one by all means on Monday, before the ticket sales close.

DAR Joins In Get-Out-Vote Campaign

Joining in the campaign to "get out the vote" in the Nov. 6, election, the Regent Charles Crawford Chapter, D.A.R., has issued the following:

"In order to vote in Texas you must be at least 21 years old, a citizen of the United States, and you must have resided in Texas for one year and in your county for six months.

"You must have paid your annual poll tax of \$1.75 prior to Jan. 1, of this year, if you are between the ages of 21 and 60. There is no registration in Texas.

"It is not only your privilege to vote, it is an important part of your job of being a good citizen. Draw a circle around the date Nov. 6, and make it a point on this day to call at least five others and insist that they, too, vote.

"The privilege of a vote is a sacred one. It is our individual part in speaking what we believe to be right. We have no right to find

Lions Have Enthusiastic Meet Thursday

Maybe it was the weather, or something, but the Ranger Lions Club had an outstanding meeting Thursday night at the Gholson with good attendance, good enthusiasm, a good dinner of steak and mushrooms, and a good program.

As a matter of fact, everybody was feeling so good that Lion President Ronald Frust called on Lion Andy Anderson to get up and lead everybody in a Roar, and it sounded like a battalion of A&M Aggies at the end of a victory over Texas.

Lester Crossley was program chairman and introduced Judge L. R. Pearson who discussed the 8 constitutional amendments to be voted on November 6, and the ninth to be voted on one week later, Nov. 12. Judge Pearson gave a brief summary of each amendment and what it meant.

The Lion Tallwater had a good day, fining everybody in sight, including some of the visitors. Joe Dennis has charge of the program next week.

Thanksaving Mixed Good Now; Bank Takes 29th

Thanksaving is good and mixed up in Ranger now as bank employees will spend the day November 22 trying to loan each other money while everybody else in town takes a day off to do what-ever they do on Thanksgiving.

Then on November 29 when the town is wide open for business the bank will be closed tighter than a drum. The bank had no other choice in the matter due to banking regulations, we are told.

Chief Has One Overnight Guest in City Jail

Ranger City Police picked up one man at the football game Friday night and charged him with intoxication. He spent the night in jail and was released Saturday morning after paying a fine of \$15.70.

Funeral Services For Victor Wylie Held at Exray

Funeral services were held at Exray Church, near Stephenville, at 11 a.m. Saturday for Victor L. Wylie, 50, who died in Ranger General Hospital Thursday. Rev. E. L. Scarborough officiated, and burial was in Exray Cemetery under direction of Killingsworth Funeral Home.

Wylie was born in Erath County, Jan. 17, 1906, and had lived in Ranger for several years. He was employed as a baker's helper.

Survivors include seven brothers, John of Stephenville, R. L. of Mingo, H. C. of Hobbs, N. M., R. D. of Mingo, W. J. of Colton, Calif., Kelsie of Fort Worth and Casey of Mingo; two sisters, Mrs. C. E. Miller of Ranger and Mrs. Rex Cates of Stephenville.

J. W. White Attends Water Convention

J. W. White, plant superintendent for the Eastland County Water Supply District, returned last week from Little Rock, Ark., where he attended the 45th Annual Convention of the Southwest Section American Water Works Association.

Mrs. White and son, Paul, accompanied him on the trip, where more than 200 association members and their guests broke all attendance records. Social functions (Continued on Page Two)

Editor's Note: We do not guarantee one word of anything printed in this special department.

Bill Paschall and J. E. Jones returned this week from a 9-day fishing trip to Port Isabel and claim they caught 250 Gulf Trout. They said the last day they spent there they fished for 20 hours, using fresh shrimp for bait, and caught 175 fish. They said they were so exhausted at the end of the 20 hours hauling fish into the boat that they had to give up trying to catch any more.

There are witnesses around town who claim to have seen 250 fish in a boat, which were brought back here. We have heard from many witnesses who swear they saw the men catch them.

Red Cross Blood Program Explained

TIMES PI RED CROSS 2-36
 The Times received today the following report from the Eastland County Chapter, American Red Cross concerning the blood donor situation as it now exists. The statement follows:
 "Several years ago the Eastland County Chapter of the American Red Cross was a participating member of the Fort Worth Regional Defense Blood Center. The Fort Worth Center closed and now the only Red Cross Regional Center is located in Waco with 17 participating Chapters. Due to the distance and the cost of the program Eastland County Red Cross board members voted against joining this center. However, a list of the 920 donors who gave blood while the Eastland County Chapter was affiliated with the Fort Worth Center was sent to each hospital in the County. This was done after donor permission was secured. These lists are still available but are not up-to-date on addresses, nor do they show the persons who have moved and are no longer available. The chapter still receives frequent requests from families wanting to know how they can secure blood for an ill member of the family. Most of these requests are referred to their local doctor or to the Texas Association of Blood Clearing Huse located in Dallas.

 for the final yard.
 Joe Allen, recently converted from an end to a halfback by Coach Howard McCheaney, added to the extra point. It was Allen who scored the other two TDs for the Buttons.

His first touchdown came on a 12 yard pass from former Crane High School teammate, Jim Tom Butler, and this other marker was on a 15 yard scamper.

Joe Karkoska, who nosed out Allen for yard-making honors for the night, scored Ranger's first TD, plunging over with two minutes left in the third quarter. Dan Mitchell scored the second Ranger TD when he grabbed a block punt on the Button's five yard line. J. D. Hanson, after missing the extra point, made his second effort good.

Karkoska had 16 carries for 56 yards, Allen had 51 yards on 11 tries, and Button Kelly Bidy had 47 yards on 11 carries. Allen caught four of Butler's six completed passes for 79 yards.

Outstanding line play for Ranger was turned in by Tackle Robert James. Two former Snyder High School guards, Don McNew and Norman Grimmitt, looked best in the line for the Buttons.

the key turned off. Then you would go around to the front and pull out the haywire, which served as a choke, and pull up on the crank five or six times. After that, you would play like you had forgotten about cranking altogether and slip around to the side, push up on the spark and turn on the ignition. Then you would go back to the front, grab the crank and give it a quick twist. The old Ford would burst into a roar like a dozen jet engines and you had to race back and push up the gas lever before it took off.

Often it actually did take off. This happened when you forgot to pull the emergency brake all the way back when you cranked it up. The old car would advance on you heaving and snorting and you had your choice of three things to do—hold it back by leaning against it, outrun it around the block, or catch it as it roared by.

There was always a lot of trouble with the old Model T radiator and a n d a large sized bucket with a crimped edge for a spout was as much a part of the standard equipment as a jack and a pump. Any Old Ford Driver who had trips to make which were as much as 10 miles in any direction, had his favorite creeks and branches where he always stopped for a radiator refill.

All this extra equipment, such as pumps, jacks, tire tools and tire patching, buckets and plenty of wire, was always carried loosely on the floorboard of the back seat, so as to be handy, and kids and other stuff were piled in on top of it. This equipment could not be carried under the back seat cushions because that is where the side curtains were stored. When an Old Ford Driver was caught out in a shower, everybody piled out to help put up the curtains. These did pretty well in keeping out the rain until they had been used three or four times, and then all the isinglass windows would begin to fall out and they were put up only for style. Most drivers would cut a hole in the curtains on the front left hand side so he could stick his head out and see how to drive in the rain, because there were no windshield wipers.

Many a time, as our father would take us to some far off place in the winter-time, say 15 or 20 miles away to have Sunday dinner with some of the kinsin' cousins in the country, we have seen him place hot rocks covered with old quilts in the car, so as to keep everybody's feet warm. There were no car heaters in those days either, but nothing could have beat the luxury of a hot rock.

such a whale of a game that he is going to be a cinch to see a lot of service from now on. He didn't make any scores but he kept Cisco off balance all night long.

Ranger took charge of the game early by taking its own opening kick-off and racking up two first downs before losing the ball on a fumble. Cisco failed to gain and punted, with Hinds returning for 25 yards and fumbling again on Cisco's 40. However, three plays later, Ranger recovered a Lohoe fumble on the Cisco 44, and following a mixture of line plays and one 21yard jump pass Hinds to Cantrell, the ball wound up on the 1-yard line and Hinds went over from there for the first score and kicked the first extra point.

Ranger's second touchdown resulted from a blocked Lipsey punt which the Bulldogs recovered on the Cisco 1-yard line and from there Hinds went over again, but failed to convert, making the score 13-0.

Lipsey made the next score shortly before the first quarter ended by sailing around his right end for 59 yards and then kicking the extra point with the quarter ending 13-7.

As the second quarter opened, two quick pass plays, Hinds to Walford for 20, and Hinds to Cantrell for 29 resulted in another score and Hinds converted, making it 20-7. There was no more scoring in the second quarter until right at the end of it when Hinds went around right end for 6 yards and 6 points and another conversion, as the half ended 27-7.

The third quarter opened with Cantrell taking the kick-off and returning it 70 yards, making the score 33-7, as Hinds missed the extra point on this one.

Week of Prayer Program Held At First Methodist

A week of prayer program was conducted at the First Methodist church Thursday, Oct. 25.

The program opened at 10:45 with Mrs. H. B. Peacock presiding. Quite music was furnished by Mrs. Herman Bond at the organ. The subject was "O Teach Me Lord That I May Teach."

A litany was conducted with Mrs. Richard Bonney as soloist. Mrs. Peacock led in prayer and meditation.

Theme was "Multitudes in the Valley of Decision." Nations may be swayed by loud oratory or the gentler goodness and tenderest guidance.

Mrs. Archie Robinson spoke on the leadership training in Indonesia, the work on Barbados islands and Theology schools for helping young people.

Mrs. J. L. Turner spoke on the leadership training in Burma and the Philippines and the Holding Institute in Laredo.

In the afternoon session Mrs. Boyd gave the program in the form of a spiritual retreat and personal meditation.

The closing prayer was led by Mrs. Boyd.

Big Time Planned For Crusade Saturday Night

The Youth Crusade will have a special treat Saturday night at 8 p.m. when Jesse Sutton and the others present a thrilling evening of entertainment. All the Junior Hi, High, and College groups will find a grand time and a wonderful evening. Bring your dates and come on.

"The All Recreation Youth Crusade Night" will have table tennis, volley ball, croquet, horse shoes, and close with a sing-song and a devotion by Marie Chambers. The bar-b-q barrels will be out for those luscious "burgers".

A nominating committee will be appointed for officers for the new year. A big time is being planned for everyone.

Christian Science

How spiritual understanding of God's goodness overcomes evil will be brought out at Christian Science services Sunday.

The Lesson - Sermon entitled "Everlasting Punishment" will include the following selection from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (671:15): "At all times and under all circumstances, overcome evil with good. Know thyself, and God will supply the wisdom and the occasion for a victory over evil."

Among the passages to be read from the King James Version of the Bible is the following (Isa. 35:10): "And the ransomed of the Lord shall return, and come to Zion with songs and everlasting joy upon their heads: they shall obtain joy and gladness, and sorrow and sighing shall flee away."

The Golden Text from Lamentations (3:39,40): "Wherefore doth a living man complain, a man for the punishment of his sins? Let us search and try our ways, and turn again to the Lord."

TELEPHONE TALK

by W. H. McAnally, Manager

COLOR COMES TO TELEPHONES

"Whats your favorite color?" is often a popular topic of conversation among school children.

When girls are talking about Susie's new dress, or boys get together to comment—sometimes critically—on a new jacket in the crowd, everybody has a special color—the one they like best.

Mostly it's blue or red. But again, it might be green or yellow, or any of the other colors of the rainbow.

Well, color has become a popular subject at the telephone company—namely, the new color telephones.

We don't boast having telephones in every color of the rainbow, but we do have them in eight, bright beautiful colors. You can choose from ivory, beige, red, brown, green, grey, yellow and blue.

Color telephones brighten up your home by blending or contrasting with the color schemes. They add smartness to an office or store, too.

The installation charge is \$10 for a telephone in your favorite color. And if you order a color set as an extension for more convenience, just add the regular monthly extension rate of \$1.10 to the one-time charges. Call the telephone company today to order a color telephone. You'll be glad you did.

A REAL BARGAIN

From time to time, stores come up with sales, where you buy things at reduced prices, or even "two for one."

Here at the telephone company, we offer you what amounts to a "three for two" savings on Long Distance calls all year long.

You can place three station-to-station calls for approximately the cost of two person-to-person calls.

You see, a station-to-station call is really similar to a local call. Your call goes to a telephone—not a person. Frequently, the person you want to talk with is the one who answers.

Lower station-to-station rates let you call Long Distance more often. Take advantage of this bargain service and save money.

And remember, rates are lower every evening after 6 p. m. and all day Sunday.

"JUST PICK UP THE PHONE"

How often have you said to someone, "Don't worry about it. Just pick up the phone and call."

Yes, the telephone saves you time and steps each and every day, because for many of your errands all you have to do is "pick up the phone."

Texas Baptists Plan Convention Nov. 5-8

Texas Baptists, 1,430,000 strong are now completing final plans for three state-wide conventions which will be held in Corpus Christi from Nov. 5 through 8, officials announced Wednesday.

Virtually every town and city in the state will be represented among the 10,000 persons expected to attend the four-day series of meetings in Corpus Christi Memorial Coliseum and Del Mar Auditorium. Dr. Theodore Adams, president of the 21,000,000-member Baptist World Alliance, heads the list of prominent speakers, who will appear before the messengers.

Purpose of the three conventions is to conduct the annual business of the Woman's Missionary Union of Texas, the Texas Baptist Brotherhood and the Baptist General Convention of Texas.

The messengers, from more than 3,704 churches over Texas, will also present Town and Country Achievement awards; honor outstanding leaders; hear reports from various convention officers, institutions and agencies; adopt a \$10,000,000 budget for the coming year; adopt pertinent resolutions; present a convention press award; elect trustees for the BGCT schools, hospitals and children's homes, and welcome into the convention seven new churches in Wisconsin and Minnesota.

The Woman's Missionary Union will hold its sessions from 10 a.m. Monday, Nov. 5, through 4 p.m. Tuesday, Nov. 6, in the Del Mar Auditorium. About 4,000 women are expected. Theme of the meeting will be "Launch Out Into the Deep."

Main speakers will include Mrs. R. L. Mathis, president of the Woman's Missionary Union for the Southern Baptist Convention; Catherine Walker, missionary to Indonesia; John Abernathy, missionary to China and Korea; Miss Eula Mae Henderson, executive secretary - treasurer of the Texas WMU, and Mrs. Tex Culp, state Girl's Auxiliary Secretary.

First Baptist Announcements

With an increase in Sunday school attendance over last year, the officers and teachers of the First Baptist church are looking forward to another record attendance this Lord's day. Three hundred twelve last Sunday was 7 more than a year ago. Training Union was the same with 152 in attendance.

The pastor will bring a special message on the theme, "God's Plan for Man," based on Malachi 3:8-18. Mr. Sutton has planned for special music for both morning and evening services.

Training Union meeting at 6:30 with the finest organizational program in many years, offers to the entire membership one of the grandest parts of the auxiliaries of the church.

The pastor will bring a special message based upon the fourth chapter of Malachi. This message will lead the training union into a

special clinic meeting on Monday and Tuesday evenings from 7 to 8:30. All age groups, workers and officers are urged to attend the two night program.

RJC Homecoming Parade Winners

The Ranger Junior College homecoming parade was one of the most colorful and enchanting parts of the week end for those attending the homecoming festivities.

Prizes were awarded to the winners of the best floats. First prize, ten dollars went to the RJC business department float, which was driven by Charles Scott. The department elected Miss Anita Joe Humphrey as sweetheart and she rode on the convertible, which was covered with greenery and artificial red roses. A heart made of red roses adorned the front of the float.

Second prize was won by the RJC band float. This float was decorated with the college colors, purple and white. Musical notes made of foil were arranged on either side. A lattice-work of purple and white formed a canopy over the band. The band played several songs and the twirlers performed.

The float which portrayed a typical boy's dormitory room won third prize for Newell Hall. The Premier Oil Refining Co. float won first prize for the city of Ranger entries. Arterburn's Hardware and Furniture won second place, and ABC Floral and Garden Shop won third place.

Why wash your clothes in dirty water?

Now you can use spanking-hot fresh water, fresh detergent, on every load!

With the new 1957 Frigidaire Automatic Washer—you can save enough hot water to do as many as 10 extra loads per month—save up to 21 good-sized boxes of detergent a year.

Why is the Frigidaire Automatic the Savingest Washer Ever Built?

More efficient action! See the difference. Final rinse water from a Frigidaire Washer is sparkling clear and clean! Not only lint but tiniest particles of soap-scum, too—are flushed over the tub and down the drain—with no film left on clothes. The Frigidaire Float-Over Wash and Rinse does it all, with less water—and without a filter trap to clean.

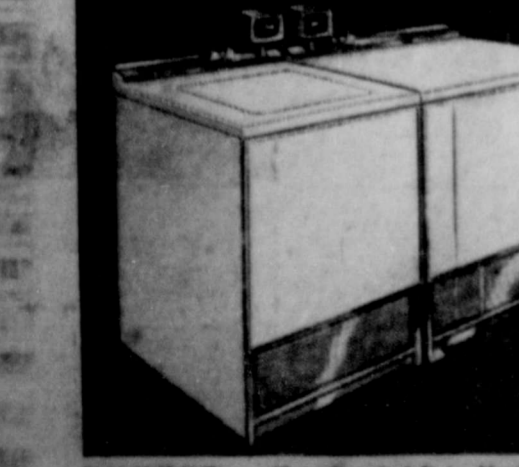

The Cleanest Wash You've Ever Seen—Without Rubbing

With the new Control Tower you can wash anything that's washable—automatically. And you can do 3 loads in the time it takes many other leading washers to do two!

The secret is Rub-Free Washing Action, exclusive with Frigidaire Washers. Far faster and more efficient, it has no jerking, flailing blades to wear out clothes in the wash. Super-suds-charged water alone moves the clothes. Every piece is always under water. Frigidaire Rub-Free Action helps stretch your clothing dollar.

Yes, you save so many ways you'd be smart to get a new Frigidaire Automatic Washer now. Come in and see its amazing features—today.

THE '57 CHEVROLET

Chevrolet takes a daring departure for '57. This is the new car that goes 'em all one better with fuel injection... with daring new ideas in design... in styling... in automatic driving. It's sweet, smooth and sassy!

Chevrolet is the place where new ideas grow. And what a crop of them this year!... Fuel injection... a brand-new Turbo-glide automatic transmission (optional at extra cost) with Triple-Turbine take-off, smooth-as-Jersey cream. A full range of five potent engines, with horsepower options ranging clear up to 245.* A whole galaxy of 20 spanking new models. A deeply hooded Command Post instrument panel.

A functional new "face" in which bumper and grille are styled as a single unit—and the same smart idea in the rear, combining bumper, bumper guards, stop and taillights. Dozens upon dozens of other brilliant touches, from the ventilation intakes that cap the headlights right down to the smaller 14-inch wheels and softer tires. It's an idea year at Chevrolet—and you'll want to sample them all!

*270 h.p. engine also available at extra cost. Also Ramjet fuel injection engines with up to 283 h.p. in Corvair and post-1956 car models.
