Bulldogs Underdogs For Coleman Tilt Ranger for Stevenson; County Goes for Ike

Championship Probably Rides On Outcome Fri.

By NORMAN WRIGHT

The Ranger High School Bulldogs go into their championship game with the Coleman Bluecats Friday night the definite underdogs any way you figure it, but they are going into it with the determination to make a fight out of it and not a man on the club is conceding defeat.

Coach Boone Yarbrough is not opening his mouth one way or the other on this contest. He did tell the Times that Coleman had one of the outstanding 7-AA ball clubs in the state, that all of the players outweighed the Ranger players from 15 to 20 pounds per man, and that Coleman had speed to burn.

Yarbrough said further, however, that if the Bulldogs went into this game in the proper frame of mind and with plenty of determination, there is no telling what might happen.

"I've seen these boys play ball and I know what they can do," he said, "and if they make up their mind to win, they're mighty hard to handle."

Area Ratings

Ratings of Class AA football teams for this area were announced Thursday as follows: Stamford 1, Brady 2, Seymour 3, Coleman 4, Winters 5, Ranger 6, Hamlin 7, Ballinger 8, Anson 9, DelLeon 10, Cisco 11.

All this week the Bulldogs have had to nurse along a bunch of injuries. Dan Cruse rehurt his ankle and has been unable to go all out in full practice; John Haganman suffered a hip injury in the Ballinger game and he has been on the ailing list; Jerry Cantrell decided that he wanted to walk a pipe out on a construction job somewhere and fell off and hurt his hip, and Gene Bagwell has a knee and hip injury. Yarbrough said they were working frantically to get all these men in condition to see some sort of service, at least.

This writer talked on long distance telephone to the gent in Abilene who first termed the Bulldogs a Whistle Stop ball club and he said this was the game he hated to pick. He said he would probably have to give the nod to Coleman, but said if he had to bet any money on his judgment, he would never do it. He said the Bulldogs were generally conceded to be underdogs, but regardless of the way anybody picked it, the game was nothing more than a toss-up.

Incidentally, it is hoped that a tremendous turn-out of fans from Ranger will attend the game. Regardless of the fact that a fair crowd made the trip to Ballinger, it has been rumored around that the Bulldogs felt they were losing their support as the crowd was pretty thin compared to the ones that turn out for games closer to home. Anyway, it is a short trip to Coleman, and it is hoped that more people can make the trip. It is an easy hour and one-half drive.

Incidentally, the Times erred last Tuesday in reporting that Cross Plains beat Coleman 40 to 13. The information received by the Times from Coleman on the Bluecats season record had these two scores transposed, and the actual score was just the other way around, Cross Plains 13, Coleman 40.

Reported on Coleman's past performance. (Continued on Page Two)

Paul Hinds Among Area's Top Scorers

As of this week, Paul Hinds of Ranger ranks No. 6 among the top scorers in football elevens of the West Texas area, with a total point score of 97 for the season.

The five men ahead of Hinds, their schools and their scores, are as follows:

Billy Davidson, Herndale, 185; Kermil Rutledge, Merks, 124; Sonny Wharton, Rule, 117; Glynn Greeney, Abilene, 104; Mike McClellan, Stamford, 102.

No other player in District 7-AA is on the list except Benji Lipsy of Cisco, who is 22nd, with 62 points.

WHAT'S...

COOKING?

By NORMAN WRIGHT
This has been a good week for Ranger. Every time we go forward just a little bit, it counts. This week we have taken two or three nice big steps. It all adds up.

In the first place, we have a brand new automobile agency. H. M. Bagwell and R. B. Wallace, are opening their new Pontiac Agency Friday with a formal showing of the new 1957 Pontiac cars. Everybody in town should go around there and congratulate these gentlemen.

We already had two nice automobile agencies, Anderson Chevrolet Company and Elliott Motor Company, the Ford dealers. Now we have three! That's good! We're moving on!

Also this week it is announced that Bassell Dairy of Fort Worth, has included Ranger in a new distributing area for this part of West Texas. Other nearby distribution points are Weatherford, Cleburne and Corsicana. This, too, is a step forward. It isn't as though a big factory of some kind had come here, but it is a new and added asset.

Civic-wise, a new Garden Club is meeting here Thursday to get organized. This will go a long way in making Ranger a more beautiful city. Who was it, Johnny Appleseed, that went all over the country planting apple trees because he thought the blooms were so beautiful? There is nothing that can help the looks of a town so much as pretty shrubs and trees and flowers. Even the most modest looking home can appear attractive with well-kept surroundings. A pretty town draws comment and makes a lasting impression on visitors, and it is a source of unbounded pride for its citizens. That, too, is progress.

It was also announced this week that on November 19, Ranger would be the scene of the Annual Meeting of the Northeast District of the Boy Scouts of America. Outstanding civic leaders in the towns of Stephenville, Dublin, Gorman, Eastland, Cisco and Breckenridge are calling up other outstanding civic leaders in their respective towns, urging them to attend, and making reservations for this meeting in Ranger. More than 200 of these men from our neighboring towns, scout leaders and friends of scouting, will be here to hear Dr. Guy D. Newman of Brownwood, president of Howard Payne College, deliver an address at a banquet to be held at the First Methodist Church.

This is, indeed, an honor for Ranger, and we should feel it a privilege to welcome these people and this event. We should put on our best bib and tucker and go all out to make these men from our neighboring cities want to go back home and say something good about Ranger.

Also this week, the city has put a man on duty downtown to keep the trash and litter picked up from Main Street, and new aluminum-painted cans have been placed at street intersections to be used as trash receptacles. This will be a great help, especially during the holiday season which is not far off. (Continued on Page Two)

Committee Makes Final Parade Plans

Cash Prizes To Be Given For Home Lighting

The Chamber of Commerce at their regular meeting Tuesday night, Nov. 6, voted to offer prizes again this year for the best decorated exterior for homes during the Christmas season. First prize will be \$10, second, \$7.50, and third \$5.00.

Out of town judges will be used and the judging will be done on the night of Dec. 20. It will be necessary for those who wish to enter to notify the Chamber of Commerce in order for their entries may be placed on the list of homes to be judged.

Street Light Committee Ready To Go

The street lighting and decorating committee for Christmas, under chairmanship of Wilson Guest, met Tuesday night and everything is ready to go.

All of the string lights have been thoroughly repaired and all broken bulbs replaced, and repairs have also been made on the garland decorations.

It was decided to stick with the original plans and have all lights and decorations up and turned on by the night of November 22. It is said the string lights will be put up first, and the garlands will go up on Tuesday, Nov. 20.

Actual stringing will be done by a crew of workers from the Texas Electric Company under supervision of Clyde Reid, and another crew from the Bell Telephone Company under supervision of Jim Townzen.

Dr. M. E. Jolly To Attend Meet of Optometrists

Dr. M. E. Jolly of Ranger, president of the West Central Optometric Association, will attend the Tri-State Area Optometric Seminar to be held in Amarillo on Friday, Saturday and Sunday of this week, and will attend a special called meeting of the Texas Optometric Association board of directors on Friday evening.

Business sessions are scheduled for Saturday and Sunday, at which speakers from New York and California will be present.

Dr. Jolly says he is attending the seminar in order to improve his ability to better care for the visual needs of his patients.

City of Ranger Splits Boxes For President

Inside the City of Ranger, Adlai Stevenson squeaked by Dwight D. Eisenhower in the presidential race by a margin of 65 votes, although the two boxes were split.

The Young School Box went for Eisenhower 252-219, while the City Hall Box went for Stevenson 372-274. Total in both boxes was, Stevenson 591, Eisenhower 526. Andrews polled three votes in Ranger, two in the City Hall Box and one in the Young School Box.

Just to show they were not voting the Republican ticket, most of those voting for Eisenhower jumped over into the democratic column on the rest of the ballot and voted it straight all the way down. In the governors race W. Lee O'Daniel even got more votes than the Republican candidate, polling a total of 167 votes in Ranger compared to 76 for Bryant, the Republican nominee for governor.

Price Daniel polled a total of 927 votes in the two Ranger boxes getting 534 in Precinct No. 3, and 393 in Precinct No. 4.

All of the amendments to the state constitution passed in Ranger with Amendment No. 4, Teacher Retirement, getting the biggest vote, 858 to 114, and Amendment No. 2, Tax Reallocation, carrying by the least margin, 595 to 245.

Total voting on the Amendments, both boxes combined, was as follows:

1. Aid to Missions—For 754; Against 143.
2. Tax Reallocation—For 595; Against 245.
3. College Fund—For 654; Against 181.
4. Teacher Retirement—For 858; Against 114.
5. Veterans Land Fund—For 668; Against 195.
6. Oath of Office—For 682; Against 108.
7. Jury Trial Waiver—For 683; (Continued on Page 6)

Lions Attend Zone Meeting At Cisco

Lion Pete Brasher, zone chairman, accompanied by Ronald Pruet, Judson Hardy and Joe Dennis attended the Lions Club Zone Meeting held Tuesday night at the Victor Hotel in Cisco.

Brasher presided over a business meeting, during which program planning for the new year, 1957, was discussed, and plans outlined for new work to be accomplished.

Lion Lester Brooks of Iowa Park, district governor, was also present and spoke at the meeting. Ranger, at the present time, has a 100 per cent rating with Lions International, and Brooks urged Ranger members to keep it that way, saying it was a goal hard to reach and hard to maintain, but one that everybody should be proud of.

1920 CLUB BANQUET—Above is a scene from the 1920 Club Banquet held on Thursday night, Nov. 1. Standing is Mayor T. J. Vandergriff of Arlington, chief speaker of the evening. At right is Mrs. R. L. About 300 people attended the banquet.

RJC Rangers Meet Arlington Rebels

The Ranger Junior College Rangers are going to Arlington to meet the Arlington State Rebels on the Rebels home field at 8:00 p.m. Saturday.

After losing a hard-fought battle last week with the mighty Killingsworth Rangers 14-7, the Rangers should be pretty well prepared for the highly-rated Arlington Rebels.

The Arlington State Rebels are coached by Claude R. Gilstrap. The big rugged Rebels are not just un-

defeated and untied—they are rated first in the state and second in the nation.

The Rebels will be depending heavily on eight outstanding transfers from other colleges and good high school recruits. Their quarterback shot will be commanded by Bobby Manning, a 1955 all-state from Youkuam. At half-backs are Calvin Lee and Jack Terry. Calvin Lee leads the Pioneer conference in every way. This 147-pound lad from Comanche, has been known to run over them, under them and still rack up six points.

The big Arlington State line is led by end Tommy Beasley and tackle W. L. Pevey, two all-stars from Breckenridge. Other talent is center "Big" Jim Barron, a 255-pounder. Other linemen are Bernard Ott, Gene Hays, Allen Lawler, Jerry Griffin, and Justin Royland.

The Rangers will field a team consisting of Jack Rutledge, Dan Mitchell at ends, Robert James, Eddie Joe James at tackles, Crisp and Henderson at guard positions and Buddy Hightower at center. The field-general for the Rangers will be Don Jordan, with Don Davis, J. D. Hanson, halfbacks and Joe Karkoska at the fullback slot.

The Rangers go into this game with but one victory in eight starts. They will be trying to upset the Rebels as they did in 1954.

More Geese Migrate
Early risers in Ranger have heard more than seen, large flocks of geese and other wild fowl fly over the city this week. Most of the flocks have been heard before dawn. Last Monday afternoon late, hundreds of ducks were seen on the South of Lake Leon, and doubling back toward the lake.

B. & W. Pontiac Opens With Showing Of New 1957 Models Tomorrow

PONTIAC CHIEFTAN FOUR-DOOR SEDAN—The 1957 Chieftan four-door sedan is a favorite of owners who want the convenience of four doors in an economy priced car. Tastefully upholstered in bright combinations of nylon and durable vinyl fabrics, the big, roomy car makes an ideal family car. Star Flight styling of the exterior is available in 68 color combinations. Many of the new 1957 Pontiacs will be shown in Ranger tomorrow at the formal opening of B & W Pontiac.

The new B & W Pontiac Company for Ranger will have its formal opening tomorrow with a first showing of the new 1957 Pontiac automobiles which will be displayed on the outside lot at the corner of Main and Commerce, weather permitting.

In the case of bad weather, formal showing of the new cars will be held at the B & W Pontiac showroom which is located at the corner of Pine and Rusk, according to H. M. Bagwell and R. B. Wallace, co-owners of the new business.

An invitation is extended to all the people of Ranger and surrounding area to see the new Pontiacs tomorrow, and over the weekend, as they have been advertised as "the best kept secret" in the automobile business.

"The 1957 Pontiacs are the most exciting new cars Pontiac has offered," Bagwell and Wallace said. "From the massive gleaming front to the smart,

streamlined fins of the rear fenders the 1957 Pontiacs are a triumph of modern design and safety engineering. The body design is new. The overall length has been increased 1.2 inches; however, the lower silhouette and the dramatic styling creates a much longer and sleeker appearance.

The wide, low front end of the 1957 Pontiac is high-lighted and protected by heavy wrap-around bumpers with integrated-type bumper guards. Large oval parking lamps are set into the lower part of the bumpers. A semi-circular chrome grille and a full width air scoop direct air flow to the car radiator.

Hooded head lamps surmounted by sleek front-fender ornaments are prominent in the front-end styling. Greater vision is achieved by lowering the hood 1.6 inches and increasing the windshield area 75.4 square inches in sedans and other station wagons. The flair of the rear fender fin houses an integrated tail and back-up lamp and a safety reflector. The rear projection of the oval tail lamp is protected by a projection in the rear bumper which also serves as an exhaust port on cars equipped with dual exhausts.

A missile outline trim of stainless steel sweeps the entire length of the car on each side. The Star Flight styling of the 1957 Pontiac is further accentuated by a wind-split molding in the rear fender. On the Star Chief models this torpedo-shaped wind-split is sheathed in stainless steel. The same material, brushed to a satin finish, is used on the vane wheel discs. A full range of exciting modern colors is available on the 16 body styles.

The eye catching appeal of the 1957 Pontiac is not limited to exterior styling for the new cars offer the most luxurious color-keyed interiors in Pontiac history. Star Chief series models are upholstered in the finest hand-buffed leather in "dream car" colors of Silver Beige, Kenya Ivory, Cordova Red, Linifire Green, Seacrest Green and Fontaine Blue. These top grain leathers can also be had in combination with "encore" patterned nylon fabrics.

Super Chief series models feature upholstery of colorful combination in "horizons" patterned nylon faced fabric and grained vinyl coated fabrics. Rich-piled carpeting is standard equipment for the Star Chief and Super Chief series, except in convertibles and station wagons. The economy priced Chiefline series models offer a new height of luxury with interiors of contemporary tweed patterns of nylon faced cloth and vinyl. Sixty-six interior trim combinations are offered in the 1957 line.

formances were correct, and we still can't see where they have any grounds to be so far above Ranger. The only team both clubs have played was Ballinger, and Ranger's statistics against Ballinger were so outstanding compared to Coleman there was not even any contest. But as Coach Yarbrough said this morning, you can't win ball games on paper, and truer words were never spoken.

If a big turn-out of Ranger fans at Coleman would help in any way to fire up the ambition of the Bulldogs to win this all-important contest, everybody ought to go, because it would be quite a feather in this city's hat to win a AA Championship the first crack out of the box.

Katherine Howell Circle Meets

Mrs. H. C. Montgomery was a hostess to the Katherine Howell Circle of the First Baptist church in her home with Mrs. John Roper as co-hostess Monday, Nov. 5. The opening prayer was led by Mrs. Rayne Baze. It was decided to take the shut-ins as the circle community mission project for the year. Mrs. R. L. Hamrick reviewed the second chapter of the mission book, "Adventuring with God." Mrs. Montgomery led the closing prayer.

Dependants of Veterans Being Told Their Rights

"More than 605,000 widows, children and dependent parents of veterans who died as a result of service are being notified of their rights under the recently enacted Survivors Benefits Act, Mr. Scott B. Harrington, Manager of the Veterans Administration Regional Office in Dallas, Texas announced today.

A pamphlet containing important facts about the new law will be mailed to each survivor receiving compensation for the service-connected death of a veteran. The pamphlet will be mailed with the October checks which are due Nov. 1, 1956.

VA also will include an application form for these survivors to send to VA if they wish to election to consider all the facts in the benefits under the new law.

Mr. Harrington urged widows, guardians of children and dependent parents receiving compensation before submitting an application. In many cases it may be more advantageous for them to receive present death benefits instead of payments under the new law, he said.

The Act, signed Aug. 1, revises the death compensation program by providing monthly payments to widows partially related to the military pay of their deceased husbands, slightly increases existing uniform payments for orphan children, provides a sliding scale of benefits for dependent parents subject to certain annual income limitations.

Survivors of veterans who die before Jan. 1, 1957, as a result of service are eligible for the present form of death compensation and are protected in their existing rights. However, they may elect the new indemnity compensation if it is to their advantage.

The pamphlet explains the new benefits to help survivors reach a decision. Further assistance is available at any VA office.

Pie and coffee were served to the following: Mmes. O. R. Garner, T. J. Fuller, A. W. Warford, R. E. Webb, R. L. Hamrick, Finis E. Langston Jr., F. E. Langston, P. C. Long, Rayne Baze, H. E. Brooks, the hostesses, Mrs. Roper and Mrs. Montgomery.

ATTEND THE CHURCH OF YOUR CHOICE SUNDAY

However, widows are requested not to write VA for the sole purpose of obtaining information about the new compensation rates. Notice of the exact amount which may be paid will be sent to them as soon as information is received from the Armed Forces concerning the basic pay of the veteran.

Even though survivors may continue to receive death benefits under the present law for the time being, they may apply for benefits under the new law at any future time. However, once an election is made to receive benefits under the Survivor Benefits Act, dependents cannot return to payments under the old form of compensation which has been paid for many years."

Phi Theta Kappa Pledges 11 New Members

The Delta Tau Chapter of Phi Theta Kappa pledged eleven new members Wednesday evening at 7 at the evening assembly at Ranger Junior College.

A beautiful and impressive ritual read by officers of Delta Tau chapter revealed the aims and ideals of the organization. Thelma Edwards, daughter of Mrs. W. P. Edwards of Olden, presided. She was assisted by Wilma Elliott, daughter of Mr. and Mrs. Barry Elliott of Olden, Don Davis, son of Mr. and Mrs. J. H. Davis of Temple, John Butler, son of Mr. and Mrs. John A. Butler of Rusk, and Jerry Kile, son of C. T. Kile of Wink.

Phi Theta Kappa is a national honorary scholarship fraternity for students in junior colleges all over the United States. Its object is to promote scholarship, to develop character, and to cultivate fellowship among the students. To be eligible for membership in this organization the student must be of good moral character and possess recognized qualities of citizenship as judged by the faculty. He must be in the upper ten percent of the regularly enrolled student body. No greater honor can come to a student than to be asked to become a member of this organization.

Eleven pledges who signed the fraternity oath were: Lionel Crisp, Jerry Dobbs, Bud Remynow, Charles Pearson, Ed Basham, William Ray Bollinger, Mrs. Marie Boney, Bill Cooper, James Robert Gilkey,

Conrad Dean Miller, and Don Norton. Initiation will be Sunday afternoon in Cooper Library on the Ranger Junior College Campus.

Business Women's Circle Meets

The Business Women's circle of the WSCS of the First Methodist Church met Monday evening in the home of Mrs. Walter Daniels. The leader, Mrs. Jess Weaver, opened the meeting and conducted a short business session.

Mrs. Daniels gave the devotional taken from Job 28:12-28.

The lesson, taken from the study book, "The United Nations His Word", was The United Nations at Work. When we think of the United Nations we think only of the UN's establishing the conditions of peace among the warring nations, however, that is only part of its work. The UN does all kinds of missionary work by sending to other nations and many islands, UN technical assistance, experts such as doctors, engineers, teachers, or experts in irrigation, agriculture and mineral and water resource. These technicians must be willing to sacrifice personal comforts in order to play their part in world cooperation.

After the lesson refreshments were served to Misses Weaver, Charles Mahaffey, Delbert Capps, Vernon Deffenbach, E. H. Robb, Dorothy Crossley, Miss Melba Creager and the hostess, Mrs. Daniels.

Royal Neighbors Have Meeting

The Royal Neighbors of America No. 9059 met Monday night at the hall with Oracle Della Rushing presiding.

Sick visits were reported and grand honors were given to several members, who had not been present for some time. The degree team practiced.

The losing membership team, with Mrs. E. F. Arterburn as captain, will give a supper at the Arterburn cabin on Lake Leon Saturday at 7:30, for Mrs. Virgie Edwards' team.

Penny prize was won by Virgie Edwards. There were 16 members present.

PRESENTING THE

Surprise Package of '57!

THE NEW Pontiac is Completely New from Power to Personality!

Fresh from 100,000 miles of testing, the '57 Pontiac is on display tomorrow! Even a brief once-over of Pontiac's sleek new lines tells you that you're in at the start of a styling revolution. And that glistening sheath conceals a carload of engineering "firsts"—all polished to watch-work perfection in the toughest test ever given a new car.

This '57 Pontiac pounded the road through 100,000 miles of tests... through it all Pontiac engineers refined and perfected every feature of this great car.

They made Pontiac's big, new power plant even more efficient than its predecessor, the engine that set over fifty new world records and led all eights in miles per gallon! They perfected the new suspension system, new controls and new Strato-Flight Hydra-Matic* to give you the smoothest riding, easiest handling—and safest—new car ever to hit the road!

See and drive this new '57 Pontiac. Sample in a single mile all that's been proved by 100,000 miles of testing.

AND THE FIRST CAR AT ANY PRICE WITH...

STAR FLIGHT BODY DESIGN—a Pontiac Exclusive—longer and lower than ever before—the year's most distinctive new automotive styling.

NEW INTERIOR STYLING—WITH THE "OFF-THE-SHOULDER" LOOK—a fashion "first" for '57—perfectly color-matched with the exterior.

NEW STRATO-STREAK V-8—270 h.p. in Star Chief and Super Chief, 252 h.p. in the Chieftain—with smoother Strato-Flight Hydra-Matic.

CLOUD-SOFT, LEVEL-LINE RIDE—the ride sensation of the year—a new suspension system based on a big 124- or 122-inch wheelbase.

THREE POPULAR-PRICED SERIES—Star Chief • Super Chief • Chieftain.
