38TH YEAR

PRICE FIVE CENTS

A Small City with Big Industry - A Bright Spot for New Industry

RANGER, TEXAS, THURSDAY, JUNE 20, 1957

WHAT'S...

COOKING?

By NORMAN WRIGHT

The safest place on earth for a Communist in the United States of America. Here he will find full protection of the law, and if he preaches overthrow of the Government by force and some nasty old man like J. Edgar Hoover sends him to jail, the Supreme Court of the United States will turn him loose.

And there is no further argument after that. When the Supreme Court tells him he can go right ahead and plot against the Government, and take any steps necessary, no matter how violent, to rob the people of the United States of their liberty and freedom, he has a clear track. Nobody else can bother him after that.

He can write home to all his relatives and fellow Communists and say "Come on over, boys, the coast is clear. The Supreme Court has fixed it so nobody can ever bother us again."

And that is just what the Supreme Court did Monday of this week in the blackest day ever to be recorded in the history of the Supreme Tribunal.

After years of work by J. Edgar Hoover and the Department of Justice, and after the expenditure of millions of dollars, and after a trial that lasted six months, and after five California Communist leaders had been duly convicted under the law of plotting to overthrow the Government of the United States by force, the Supreme Court turned them loose.

The Supreme Court didn't just reverse a decision and order a new trial, it TURNED THEM LOOSE, which is exercising an authority that the Supreme Court does not have.

The Supreme Court convicted or acquitted any man alive charged with anything. It can merely review his case, and if an error is found the decision of the lower courts can be reversed and the case sent back for trial. But in this instance, the Supreme Court acquitted the men outright.

The real trouble with the Supreme Court of the United States is that its members are unqualified for the immensely important offices which they hold.

NOT A ONE OF THE NINE MEN EVER HAD ANY EXPERIENCE AT ALL AS A TRIAL JUDGE. Indeed, five of the present Supreme Court justices were appointed without any (Continued on Page Eight)

Ranger Bank Runs 46-Year Record of Rain

Elsewhere in Today's issue of the Times, the Commercial State Bank of Ranger has an advertisement that carries a complete record of the rainfall in this area for the past 46 years.

The advertisement carries a chart which shows the rainfall each month for every year from 1911 up to and including the month of May, 1957.

This is a remarkable rain chart, and a half-century of rainfall in the area. Do not, under any circumstances, let this issue of the Times get away from you without clipping out that bank advertisement.

From a weather standpoint, it is a valuable document and should be preserved with great care. The bank deserves a pat on the back for running this chart as a public service.

Weather Reports
Partly cloudy and warm Thursday and Friday. High Friday 95-100. Low Thursday night 70.

Twyman Hale Is New Chairman Civic Committee

Twyman Hale has been named as new chairman of the Chamber of Commerce Civic Committee to take the place of Buck Wallace who recently resigned as chairman, according to R. V. Galloway, Chamber secretary.

Wallace resigned chairmanship of the committee after he was elected to the City Commission because of the fact that he didn't have enough time to give the committee the attention it deserved, he said. Wallace, however, remained a member of the committee.

Two new members were also appointed to the Civic Committee, Dwayne Dennis and Pete Brasher. Other old members are Archie Robinson, G. B. Rush, Morris Campbell and Mrs. Betty Wolford.

Upon the Civic Committee and its chairman will fall the task of carrying out a large number of the projects mentioned in the Community Clinic Report.

Former Ranger Cop in Abilene Pool Hall Mess

Edward Freeman, a member of the Ranger police force for about five years until joining the force at Abilene some seven or eight months ago, is one of the policemen involved in the Abilene pool hall mess, brought on by some 20 officers raiding and closing two pool halls last Sunday that were staying open in violation of the law.

The Abilene police chief claimed the raids were not authorized and several of the raiding policemen have been disciplined. Freeman has been suspended for 10 days without pay for his part in the raids.

A general shake-up on the Abilene police department from the top down is due to result from the incident. The raiding policemen are being backed solidly by the Abilene Police Association, and they have the sympathy of the City Manager, Henry Nabers.

Longest Day of Year Tomorrow; Summer Begins

Tomorrow, Friday, June 21, is the longest day of the year and the official beginning of Summer, in case that means anything to anybody.

At any rate, after tomorrow everybody will be going down hill again as the days get shorter and shorter and fall gets nearer and nearer.

New Regulations Are Given In Use Of Bags For Peanut Crop

New regulations concerning the type of bags farmers may use in marketing the 1957 peanut crop were announced today by the U. S. Agricultural Stabilization and Conservation Committee.

In previous years, the Commodity Credit Corporation has encountered losses and difficulties from the use of old, old size and type bags in the Southwest area in carrying out the price support program on peanuts.

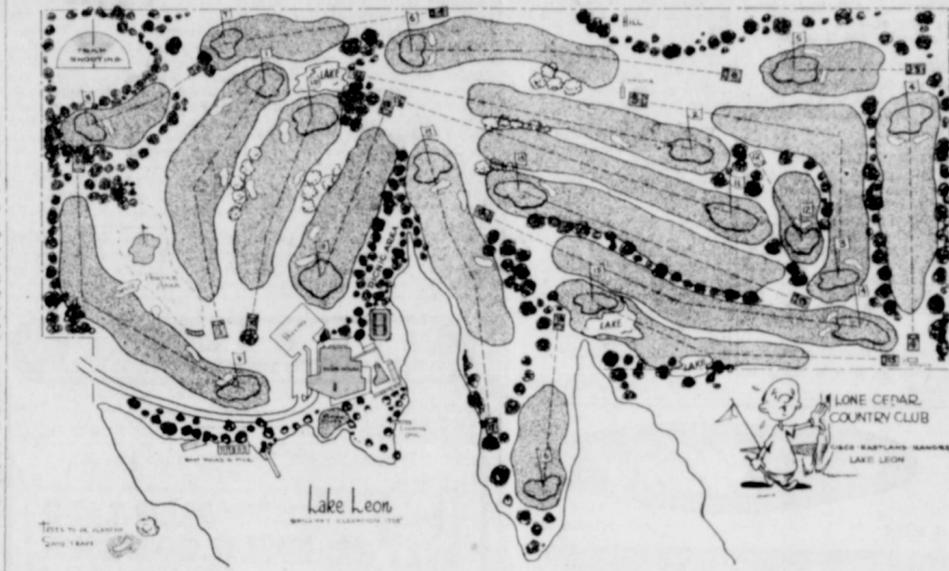

Chairman E. E. Blackwell of the County ASC Committee wrote:

"These problems originate with individual growers when they use old, dirty and old size bags," Blackwell said. "For this reason, in 1957 Commodity Corporation has established minimum requirements with respect to bags in order that peanuts may be eligible for price support."

The minimum requirements stipulated are:

1. Peanuts delivered in mesh or net type bags will not be eligible for price support.
2. The bags shall be made of material weighing not less than 7 1/2 ounces per square yard and contain no vital fibers.
3. The bags shall be of uniform size with approximately two bushels capacity.
4. The bags shall be new or thoroughly cleaned used bags, free from holes and finished at the top with either the selvage edge of the material, binding or hem.
5. It is of utmost importance that the minimum requirements stipulated be complied with in order to avoid delay and possible refusal by the warehouseman to accept your peanuts into the loan program," Blackwell said.

Above is proposed 18-hole Golf Course to be built at Lone Cedar Country Club in near future.

Girl Run Over By Truck Is Released Here

Little 4-year-old Palma Jean Williamson of Morton Valley was released by Ranger General Hospital Wednesday afternoon following an accident at her home in which her grandfather, R. J. Holmes, ran over her with a pickup truck loaded with lumber.

The child's grandmother, Mrs. Holmes, said the accident took place in the yard area around their home where the sand was very deep, and Palma Jean evidently sank into it like a cushion when the truck passed over her, and that fact apparently saved her life.

Mrs. Holmes said Palma Jean and several other children were playing in the yard when the grandfather came home and they all ran to greet since he usually brought them candy or something from town.

"He told the children to stand back while he backed up the truck, but some of the children, including Palma Jean, grabbed the fenders and tried to hold on. Palma Jean slipped and fell under the wheels of the vehicle."

The accident happened about 5:30 p. m. Wednesday, after which the child was rushed to Ranger General Hospital. X-rays showed no broken bones and further examination indicated there were no internal injuries.

The Holmeses live on a farm in the Morton Valley community, and he is a stone mason.

Little Leaguers To Have Fun-Filled Eve At LaGrave Field

Ranger's Little Leaguers, including all the players in the Minor League, are scheduled to take part in a fun-filled night at beautiful LaGrave Field in Fort Worth on Wednesday, July 3, which has been designated as "Little League night."

In addition to seeing the Fort Worth Cats play the Oklahoma City Indians, the kids will take part in several events themselves, including 3-legged races, wheelbarrow races, pie-eating contests, etc., with a lot of big prizes for the winners.

According to Little League officials in Ranger, players from here will be well represented in all events, and they expect to bring home some prizes.

All the Little League players, and Minor League players, will wear their uniforms to the event, and will travel in private cars furnished by parents of the boys. The kids all get in free, but parents will have to buy tickets. However, special tickets will be available for the parents, at a special gate, it is said.

Ranger's Little Leaguers and Minor League players also have an invitation to visit Abilene any night they choose when the Abilene Blue Sox play at home. The occasion will be designated as Ranger Little League night and everybody will get in free, parents and all.

Chester Dooley Is Much Improved

Chester Dooley, an employee of Premier Oil Company, who was seriously injured last Thursday at the Mings plant, is reported to be "much improved" today at Ranger General Hospital. It will be several days, though, before he can think about going home, the hospital said.

Dooley was injured when some heavy piping fell on him while he was working on his winch truck. He suffered a fractured skull and a broken jaw.

Dairy Meeting Set for Ranger Tuesday, June 25

A meeting of dairy farmers which has been described by County Agent J. M. Cooper as one of the most important to be held in Eastland County in some time, is scheduled for Ranger next Tuesday night, June 25, at the Community Clubhouse, beginning at 7:30.

Dr. C. M. Patterson, Extension Service Veterinarian of Texas A. & M., will discuss Brucellosis control.

Cooper said this was one of the most serious things confronting dairymen and there were no "maybes" about it, orders have already been issued that Brucellosis must be cleared by 1958 or dairy herds affected with the disease will be closed down.

Dr. Patterson's talk will be of vital interest to every dairymen in the county, and all are urged to attend the meeting.

GRASS AT TEEN TOWN GETS GOOD TRIMMING

The high grass around Teen Town got a good trimming this week when W. A. Halbrook, an employee of Premier Oil Company, gave it a going over with his power mower. It was a voluntary act on Halbrook's part and Teen Town officials were surprised when they saw the new "hair-do."

Report on Community Clinic

HELD IN RANGER MAY 2, 1957
BY WEST TEXAS CHAMBER OF COMMERCE

Highways and Transportation

1. Expanded Farm-to-Market road program (23 suggestions)
2. Improve existing school bus and mail routes (specifically, the Tiffin road) (12 suggestions)
3. Improve existing Airport facilities (10 suggestions)
4. Construct permanent highway to Lake Leon (work for State designation) (12 suggestions)

Parks - Recreation

1. Additional recreation facilities suggested as needed (skating rink, bowling facilities) (49 suggestions)
2. Work for needed existing park facilities and improvement to swimming pool facilities) (49 suggestions)
3. Downtown theatre needed (49 suggestions)
4. Study feasibility of permanent park at Lake Leon (18 suggestions)
5. Support and expand Teen Town program (18 suggestions)

Publicity - Public Relations

1. Publicity program for Lake Leon (13 suggestions)
2. Tourist advertising program

ICE COLD
Comfort in three hours, installed. In any car \$273—Automobile air conditioners.
Don Pierson Olds - Cadillac Eastland

Public Relations

1. Issue attractive informational brochures (No suggestions)
2. Public Relations
1. Exhaustive study to provide employment for high school graduates, part-time employment for college students (28 suggestions)
2. Periodic Town Hall meetings (12 suggestions)
3. Close relation with Ministerial Alliance (Church facilities improvement) (7 suggestions)
4. Club President's Round Table (No suggestions)

Member Relations

1. Wider use of chamber membership in committee structure (9 suggestions)
2. Adopt objective work program (7 suggestions)
3. Chamber education program (periodic membership meetings suggested) (No suggestions)
4. Issue periodical chamber bulletin (No suggestions)

We desire to express appreciation to the leaders of your chamber for their assistance and cooperation during the Community Clinic program.

Also, special thanks to the group chairman who did everything possible to make the series of meetings successful and to your newspaper that did an excellent job on attendance and public information.

We express sincere appreciation to your citizenship generally for its ready response and cooperation.

Please call on the West Texas Chamber of Commerce and its various departments at any time it is felt that our services would be helpful to your organization. It will be a pleasure to serve you. Sincerely yours,
West Texas Chamber of Commerce
Ralph E. Duncan, Manager
Community Services Department

Few Openings Remain at Lone Cedar June 30 Deadline For Membership

Prospective members of Lake Leon's proposed Lone Cedar Country Club were reminded today that June 30 is the deadline for membership.

According to Dr. James Whittington of Eastland there are a few openings left in the Land Company, which will build and lease the clubhouse. Full information may be obtained from any member of the Board of Directors, member or your banker.

The swim club, which promoters say will be second to none in West Texas, is due to be constructed this fall and coming winter. Choice acreage for the club has already been purchased adjoining the lake which will assure club members of continuing southerly breezes across the lake, provide sheltered water area for water skiing, and excellent grounds for the club's 18 hole golf course.

The club house will provide dining area, dancing pavilion, modern kitchen and a full time matre D'Hotel.

Outside activities, according to Dr. Whittington, will include private tiled swimming pool, tennis courts, golf course, skeet shooting range, and private hunting area. Also, the shoreline will provide excellent boat docks, fishing areas and private water skiing lagoon.

The Club, which according to Dr. Whittington has more of a purpose than merely recreational. "It will provide a place for the business and professional people of the tri-cities area to get together and talk over mutual problems," he declared. He said, this closer relationship and knowledge of the other man's community problems will lead to closer cooperation among the area's towns thereby promoting their growth.

Pledges are now being taken in the amount of \$150 per member. A limit of 80 members from Eastland, 80 from Ranger, 40 from Cisco, 20 from Gorman, and 5 from Rising Star has been set by the Board of Directors.

In future editions of this paper, an advertisement for the Lone Cedar Country Club will be running, listing the names of the members from area towns.

Pledges may be obtained from any director, member, banker or by calling this paper.

Roland Vaughn Wins Sylvania Intercom Set

Roland Vaughn, mortician at Killingsworth's Funeral Home, was one among 1,000 others in the United States, to win a Sylvania Intercom-Radio in Rexall's Super Plannamin Contest, it was learned here today.

Super Plannamin are multiple vitamin pills, and friends claim that Roland was declared winner because he took more pills than anybody else in town. Betty Merle Davenport, an employee at Lilley's Rexall Drug, also won an Intercom-Radio for getting him on them, they say.

Actually, it was a matter of writing your name on a coupon and dropping it in a box, and Roland's was one of the 1000 to be drawn out.

Well congratulations, and good health to you all from Rexall!

Lions Installation of New Officers Is Friday Night

It will be Ladies Night, time for gift and polka, and speech-making, with gestures, tomorrow night at Ranger Junior College Cafeteria when the Lions Club holds its annual installation of officers. Cafeteria personnel are said to be planning a Deluxe Menu for the occasion.

Lion Pop Garrett of Eastland, newly elected District Governor, will be the installing officer, and Lion Pete Brasher has charge of the program.

Regular meeting of the Lions was not held today, in lieu of the installation Friday night.

Eastland Posse Wins at Baird

The Eastland County Sheriff's Posse won another cup Tuesday when it took first place for the best riding group in the rodeo parade at Baird. Members of the posse got their new uniforms early in the year, copied the prize in the Fort Worth Fat Stock Show Parade, and have won everything else they have entered since.

Regardless of where the Eastland County Sheriff's Posse appears, it has little competition from riding groups.

"Ranger's Future Is Our Future" ELLIOTT MTR. CO. (FORD)

West Texas, is due to be constructed this fall and coming winter. Choice acreage for the club has already been purchased adjoining the lake which will assure club members of continuing southerly breezes across the lake, provide sheltered water area for water skiing, and excellent grounds for the club's 18 hole golf course.

The club house will provide dining area, dancing pavilion, modern kitchen and a full time matre D'Hotel.

Outside activities, according to Dr. Whittington, will include private tiled swimming pool, tennis courts, golf course, skeet shooting range, and private hunting area. Also, the shoreline will provide excellent boat docks, fishing areas and private water skiing lagoon.

The Club, which according to Dr. Whittington has more of a purpose than merely recreational.

"It will provide a place for the business and professional people of the tri-cities area to get together and talk over mutual problems," he declared. Humble Oil Co. Celebrates 40th Birthday Friday

Humble Oil & Refining Company, one of the pioneer developers of oil in West Texas, celebrates its 40th Birthday Anniversary tomorrow, June 21.

Humble became a chartered company on June 21, 1917, and began explorations in West Texas in 1926. Two years later, West Texas was supplying half of Humble's total oil production.

Humble's West Texas production was only 200,000 barrels in 1926 but it jumped to a total of 7,600,000 barrels by 1928 due to a highly successful exploration program in the Permian Basin, highlighted by the Hendricks field discovery in Pecos County.

In a way, the Humble Company says it dates its beginning as far back as Spindletop because that was where most of the men met who later organized Humble.

W. S. Farish, who was later to become chairman of the board of Standard Oil, showed up one day at Spindletop. So did R. L. Harber, later a member of Humble's first board of directors, W. W. Forden, a third original incorporator, was among the men at Spindletop.

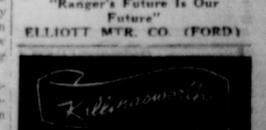

The Sterling Family, Ross, Frank and Miss Florence, organized the old Humble Company from which the present organization took its name. The "merger of Spindletop" got together with the Sterling family, affected a lot of other mergers among people having considerable oil holdings and properties, and the present Humble Company was formed and chartered June 21, 1917.

In 1943, Humble achieved a position it has held ever since — America's largest domestic producer of crude oil. Humble moved into first place in gasoline sales in Texas in 1951 and has held that position ever since, according to figures released by the company on their 40th Anniversary.

Shoot the Boy — Don't Embarrass Our Secretary of State

A decision by Judge Joseph C. McGarraghy, of a federal district court in Washington, has now barred (temporarily) U. S. authorities from turning GI William S. Girard over to Japan for trial on man-slaughter charges.

The Government of the United States promptly filed formal notice of appeal and will take the case to the Supreme Court with all possible speed, by-passing several other Appeals Courts enroute.

Secretary of State Dulles has urged immediate action by the Supreme Court because Judge McGarraghy's decision has caused "great embarrassment" to the United States.

In other words, let's hurry up and turn Girard over to the Japanese and let them shoot him, if necessary, because we must cease to embarrass our Secretary of State. What the heck? It's only a boy's life, and what is that compared to John Foster Dulles having to undergo all this embarrassment?

Yes, by all means, let's just shoot him now and get it over with.

If John Foster Dulles wants to get out of his embarrassment he will take steps to repeal the entire Status of Forces Agreement. There are American boys with the Armed Forces in at least 60 foreign countries and not a single boy is there by choice. He was jerked up by this country and sent there and he had no voice in the matter at all.

But regardless of all that, they are STILL American citizens, and are entitled to the protection of the laws of this country. No matter how many different arguments the Secretary of State may put up, he still can't deny the fact that a native - born American boy is an American Citizen entitled to every right that John Foster Dulles is.

Wonder what Dulles would be doing if this was his son, instead of Girard, the son of a widow woman?

Best Yet Insect Repellent For Ticks, Mosquitoes

COLLEGE STATION — The latest thing in all-purpose insect repellents is diethyl toluamide. Test repellents containing this chemical display twice as much resistance to normal "wear-off action" as do other types.

The new repellent can be safely applied to the skin or clothing and will successfully protect the wearer against mosquitoes, chiggers, ticks, fleas, and biting flies, according to USDA. It offers better protection against mosquitoes generally than any other single chemical or combination of chemicals.

Its high resistance to rubbing means longer-lasting protection for farmers and all outdoorsmen. The new repellent outperforms all others against the stable fly and is as good as any other for deer flies or sand flies. It is the best repellent so far developed for ticks. In addition, a pleasant lotion 'feel' makes it ideal for picnickers and backyard gardeners.

Clothing and other fabrics can be readily treated with diethyl toluamide by saturating them with emulsions or dry-cleaning preparations containing the chemical.

Miss Dean Halliday is Honored in Carr Home With Bridal Gift Tea

Featuring blue and white decor throughout the lovely home of Mrs. Mae Carr, Ranger hostesses entertained Saturday afternoon, June 15th, with a bridal gift tea honoring Miss Dean Halliday, daughter of Mr. and Mrs. Tom Halliday of Ranger, and bride-elect of O. G. Lanier, Jr., of Midland.

Hostesses were: Misses Mae Carr, Myrtle George, Morris George, Lonnie Branam, Nick Crawford, J. H. Greer, Curtis Dawson, L. E. Gray, W. E. Read and Puck Wallace.

Guests were received by Mrs.

Carr, Miss Halliday, her mother, Mrs. Halliday and Mrs. O. G. Lanier, mother of the future bridegroom. All wore corsages fashioned of gladiol set in tulle and satin ribbon.

Guests were registered in a leather musical brides book. The table decoration was a miniature bride and groom surrounded by white ruffled petunias set in blue tulle. Presiding at the brides book was Miss Patay Halliday, sister of the honoree.

In the dining room the tea table was laid with an exquisite cut-work cloth. The heart shaped centerpiece of blue and white held stasia daisies and blue forget-me-nots. Two white satin hearts held orange blossoms and white satin streamers with the couples' names, Dean and Gilbert in silver. Four blue tapers flanked the arrangement. Guests were served punch and cake and mixed nuts from crystal service.

In the guest room, gifts were displayed on tables laid with white cloths. Mrs. Ronald Carroll, sister of the bride-elect, assisted in showing gifts of crystal, china, and silver.

The guest list was composed of Ranger and Eastland friends.

VISITS IN RISING STAR AND CISCO

Mrs. Lillian Spindle visited in the homes of Mrs. L. M. Cook of Rising Star and Mrs. Dan McQuarry and Mrs. Vera Doyle of Cisco last week.

Price Reunion Held in Leuders

Descendants of T. R. Price met at Leuders June 13-14 for a family reunion, all enjoyed visiting together, as well as games of 42 and ping pong, and swimming.

Those attending were: Mr. and Mrs. George D. Quirk and Dennis, San Diego, California; H. T. Price, Hobbs, New Mexico; J. W. Price, Roswell, New Mexico; Mr. Grace Frater, Debbie and Jean, Roswell, New Mexico; George F. Price, Mineral Wells; Mr. and Mrs. S. L. Price, Baird; Mr. and Mrs. Price Irby, Abilene; Mr. and Mrs. Aaron Bell, Ranger; Mr. and Mrs. Herbert Love, Dwight, Mike and Martha, Odessa; Mr. and Mrs. C. S. Irby, Fort Worth; Mr. J. W. Wheeler, Stamford.

Mrs. Edgar Dollohitte, former Joy Lynne Robinson (Bob Ponder Photo)

Miss Joy Lynne Robinson, Edgar Owen Dollohitte Are Married Here

Miss Joy Lynne Robinson became the bride of Edgar Owen Dollohitte of Houston in the First Baptist Church in Eastland on Friday, June 14 at 8 p.m.

Mr. and Mrs. W. C. Robinson, 3211 Willow Brook Dr., of Waco are the parents of the bride, Mrs. S. D. Dollohitte and the late Rev. Samuel David Dollohitte of Marlin are the parents of the bridegroom.

Dr. Melvin Hatfield of Trinity Baptist Church of Lubbock officiated for the services before a background of two floor buckets of white gladiol, with white tapers in candelabra backed by palm fronds for the bride's and bridegroom's families were marked by white satin bows.

Miss Helen Taylor of Eastland gave the wedding music and accompanied Dr. Evell, pastor of the Baylor University, as he sang "O Promise Me" and "Wedding Prayer."

The bride was escorted down the aisle by William Henry Frasher of Gainesville and was given in marriage by her father, W. C. Robinson.

She wore an exquisite bridal white imported chantilly lace and silk cloth taffeta gown. The gown was fashioned with an empire bodice of the lovely lace crushed taffeta cummerbund, and the lace modified portrait neckline was edged with lace roses encrusted with pearls, and opalescent beads. Long lace sleeves tapered to petal points over her hands. The beautiful skirt of taffeta was defined with graceful lace panels over the entire skirt, and floating taffeta panels, draped over the formal length train.

Imported illusion was caught onto a scalloped matching lace crown, sprinkled with pearls, and opalescent beads, cascading to misty tiers beyond her finger tips.

The bride carried a Bible topped with white orchid and stephanotis and showers of white velvet. Maiden Hair fern and pearl.

Miss Carolyn Heath, cousin of the bride, of Cleburne, attended the bride as maid of honor. Bridesmaid was Miss Elaine Branam of Moundville, Ala. They wore bouffant pink crystalline dresses and pink sequined mitts and half veils. Each carried a bouquet of pink carnations.

Laura Lee Page, daughter of Mr. and Mrs. Bill Page of Abilene, was the flower girl. She dressed in full pale pink dress.

Mark Frasher, son of Mr. and Mrs. W. H. Frasher of Gainesville, was the ring bearer.

Lighting the candles was Neil Van Geem; Ushers were Neil Van Geem and Stanley Elyvins.

Fan Dollohitte of Marlin, brother of the groom, served as best man.

The mother of the bride was dressed in beige lace and wore a brown Cymbidium. The bridegroom's mother was dressed in navy chiffon and wore a pink Cymbidium.

Reception which was given by the bride's parents followed the wedding ceremony at the Woman's Club. The bride's table was laid with embroidered organdy cloth and centered with white daisies in wedding ring with silver candelabra and white tapers. Tiersed wedding cake was decorated with pale pink roses tipped with white wedding bells.

Those helping with the reception were Misses James Horton, H. C. Heath of Cleburne, A. J. Elyvins, Henry Van Geem, and Leo Stambough.

The girls assisting in the house party were Doris Lynn House, Jeanne Pittman, Toni Horton, Rebecca Graham, and Judy Elyvins.

Music was furnished through the reception by Alice Cushman, Helen Taylor, Julia Lynn Inzer and Betty Westfall.

After the reception the couple left for a wedding trip to La and Miss. The couple will make their home in Corpus Christi.

The bride is a graduate of Eastland High School and Baylor University. The groom attended North Texas State College and Baylor University. He is employed as a special agent for an insurance company.

Out of town guest were Mrs. J. C. Ralston of Memphis, Tenn.; Mrs. Bob Bomor of Dallas, Mrs. Ervin Bomor of Gainesville, Mr. Lewis Alvin Bomor of Gainesville, Mr. and Mrs. Garland Button of Waco, Bill and Bob Button of Waco and Mrs. E. P. Harris Clinton, Miss Cynthia Harris of Clinton, Mrs. Edwar Currie of Waco, Miss Nancy Sue Currie of Waco, Mrs. L. A. Hooker, Fay and Barbara of Cisco, Mr. and Mrs. Sam Dollohitte of Marlin, Miss Betty Dollohitte of Houston and Mr. and Mrs. H. C. Heath of Cleburne.

Mrs. and Mrs. Bill Page of Abilene, Mr. Lewis Hall Cleburne, Mr. and Mrs. Lee Robinson of Denton, Mrs. P. Wilshire of Den-

WSCS Has Weekly Meeting

The members of the WSCS of First Methodist Church met June 17 at 5:30 p. m. at the church for the weekly meeting.

Mrs. Arthur Deffebach presided over the business and also the program in the absence of the president, Mrs. A. J. Raliff. Following the opening prayer by Mrs. Deffebach, Mrs. W. F. Croager, treasurer, presented the planned budget, which was accepted by the group.

The group sang "In Christ There is No East or West" accompanied by Mrs. M. G. Smith at the piano.

Mrs. Croager and Mrs. A. W. Brazila presented Mark Scott, a former resident, with a life membership and pen.

The program on World Federation of Methodist Women answered the following questions: What is it? Why is it? When does it meet? How often and where is it presented?

The purpose of the federation is to know Christ and to make him known. It's a world fellowship of Methodist women in 42 nations and denominational women's societies.

It meets every five years in a country chosen by the council. Mrs. Deffebach gave the meditation, "A Letter to Myself From Myself." Scripture was taken from the 22nd chapter of Revelation.

The meeting was closed with the singing of "Open My Eyes That I May See."

The worshiper enter presented a self-explanatory scroll of the program with a lovely display of the fruit of the land.

The WSCS will meet next Monday.

WEEK-END GUESTS
 Mrs. Leonard Fox visited in the home of her mother, Mrs. Lana Spindle, last week-end.

I GIVE YOU TEXAS

By **BOYCE HOUSE**

When I worked on the old Fort Worth Record, one of the paper's photographers was Kayo. No doubt, he had initials or a first name but that's all anybody called him.

Kayo had been a news photographer in Mexico during turbulent times and once took a picture of Pancho Villa. The outlaw thief (or revolutionary—depending on your point of view) had ordered that no pictures be made of him. Kayo was seized and it looked pretty serious but he agreed to destroy the plate, which he did, and he was released. Only, he destroyed another plate and got the real one back to the United States.

Elwood Lloyd, with whom I worked on the Memphis Commercial Appeal, was a world traveler. Among his journalistic achievements was an interview with Father Dutton, successor to Father Damien on the leper island, Molokai.

General Frazier was a desk man on the Commercial Appeal. His title was not military out political—in Tennessee a district attorney is called an attorney general. He was a practicing attorney for years and once defended a man on a charge of having shot four persons to death at one time—got him cleared, too.

Bob Talley, representing the Memphis News-Scimitar, was my rival on the police run. He was in the back seat of a police car with an insane prisoner who suddenly began choking the driver. The other officer fired across Talley, wounding the prisoner and powder-burning Talley's shirt. (Incidentally, the newspaper's business office disallowed a new shirt on his expense account.) Interesting people, newspaper folks.

When you were a child, did you ever hear the expression, "If you can't talk, shake a bush"? And why is an auctioneer always called "Colonel", never just "Mister"? YOU HAVE A PHONE and so do we, No. 224. Call us about any news you may run across. Always happy to hear from you.

It Wasn't Your Fault—

... that the party with whom you are dealing to buy real estate did not get an abstract but it will be your fault if you trade with him without an abstract. What about the title? One authority on titles puts it this way: "Titles were good yesterday, only fair today, but worse tomorrow." Better get an abstract when you buy real estate of any kind. It's safer, more business-like and a sure sign of good judgment.

46-Year RANGER Rain Chart

The Drouth Is Broken!

After seven long years of drouth our city and county have experienced a series of unprecedented rains, which have filled stock tanks, Lake Leon and other area lakes. Now our farmers can again look forward to making a crop, and our businessmen can expect better times. As a matter of public interest, this 46-year rain chart, showing total precipitation from 1911 through May is published.

A Suggestion!

WHY NOT CLIP THIS CHART AND SAVE IT FOR FUTURE USE!

TOTAL PRECIPITATION
 From Official Records of Weather Bureau

Year	Jan.	Feb.	Mar.	Apr.	May	June	July	Aug.	Sept.	Oct.	Nov.	Dec.	Total

Car Crashes into Train Near Gorman

GORMAN.—A Waco man is in serious condition today following an automobile train crash on the outskirts of Gorman Tuesday.

Injured in the accident was Harold A. Fitterman, Gorman Hospital attendants described his condition as serious. He suffered head and back injuries in the crash.

Investigating officers said the car driven by Fitterman approached the Katy railroad crossing just after a train blocked the track. They said the Fitterman automobile crashed into the side of the moving train, dragging the car some 30 feet down the side track.

Onlookers rushed to the scene and at first believed the Waco man to be dead. He was rushed to the Gorman hospital, however.

Witnesses said Fitterman apparently didn't see the train in time or was going to fast to stop. Officers do not estimate how fast the car or the train were going when the accident occurred.

Fitterman's car was a complete wreck. Pieces of the car were left all along the track where it was dragged.

The accident was the second crash between trains and motor vehicles in the county recently. At Ranger about two weeks ago a city-owned truck ran into the side of a T&P train in a similar accident. The driver of the truck escaped serious injury.

Too Many Fish Bad For Ponds Experts Warn

AUSTIN.—Most owners of farm and ranch ponds do themselves more harm than good in overstocking their places with fish, is the warning of the hatchery superintendent of the Texas Game and Fish Commission. A dozen of those men, meeting in Austin to work out plans for

Hardin - Simmons Cowboy Band Hits Rodeo Trail

ABILENE.—The Hardin-Simmons University Cowboy Band, famous for its western performances, will hit the rodeo trail this week as it begins playing for shows throughout West Texas this summer.

Marion B. McClure, director of the band, will take the Cowboy musicians to Baird Tuesday and Wednesday for the Callahan County Sheriff's Posse show.

The band will play for a three-day show Thursday, Friday and Saturday at Seymour. An old settlers reunion will be on tab in Seymour as well as the rodeo performances.

The Cowboys began summer rehearsals Monday morning. McClure said 14 freshman musicians have joined the band for first rehearsal sessions.

A highlight of the summer rodeo season in West Texas, of course, is the Texas Cowboy Reunion in Stamford. That show is held over the July 4 holidays.

McClure, who has carried the band to Europe and over all the 48 states, estimates that if all the rodeos the Cowboy Band has played since its organization in 1923 were put together, it would take five years playing one a day to complete the total number of performances.

The Cowboy Band got its start in rodeo performances at the Stamford Reunion. Will Rogers, the world-famous cowboy humor-

ist of the roaring twenties and depression thirties, attended the Stamford show in the early twenties and heard the newly-organized Cowboy Band.

He walked over to the band stand after the show and said: "Here is a hundred dollars, go and buy yourselves some music."

The band did go and buy itself some music. It went on to play in every major rodeo in the country including Madison Square Garden in New York.

Will Rogers didn't know that his \$100 bill would send the band to so many places. McClure says now that "the band will never forget the confidence that hundred-

dollar-bill expressed in our young and struggling organization at that time."

IT'S THE LAW in Texas

CURBED GIANT
The world's mightiest law makers—the United States Congressmen and Senators—sit down each year to make laws. But mighty though Congress is, he constitution won't give it certain powers:
1. Neither Congress nor anybody else can suspend the writ of habeas corpus (unless the public safety demands it during rebellion or invasion). All officers or others must obey a court and bring in anyone in their custody to see whether he is held lawfully.
2. Congress cannot pass "bills of attainder", special acts to punish someone. Congress cannot bypass the courts.
3. Congress cannot pass an ex post facto law—a law which makes an act a crime which was not one when done, or which punishes the offender more than called for when done.
4. Congress cannot tax exports from any other state nor by regulation favor one state's ports over another's, nor make one state's vessels clear or pay duties to another state in order to enter.
Besides these denials from within, the constitution curbs Congress and the executive and judiciary in the amendments, especially the first ten.
Among other things, Congress cannot make a law respecting an establishment of religion or prohibiting its free exercise, or abridging the freedom of speech, of the press or the right of the people peacefully to assemble and to petition the government for a redress of grievances.
The constitution also curbs the courts (for example, they cannot deny a person a fair hearing duly represented by counsel). It curbs the executive (he cannot, for example, take private property for

public use without just compensation).

The constitution, which divides the work of the three branches of government, winds up by telling where the rest of the power rests—just in case anybody gets any fancy ideas of dictatorship. There are things no state can do, for instance, "make or enforce any law which shall abridge the privileges or immunities of citizens of the United States."

If there are any powers not given to the United States government or reserved to the states, they belong to the people. The constitution does not seem to limit the people.
(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

CEMETERY WORK

The Bullock cemetery work is scheduled for Friday, June 21. Each and everyone who is interested in the Bullock cemetery is asked to come and bring tools and a good will-power to work, because the cemetery is in such terrible condition.

These Forty Years!

Forty years ago, in June of 1917, the Humble Company received its charter from the State of Texas.

The Company was formed through a merger of the properties of a number of independent oil operators. Its founding brought together a remarkable group of men who occupy an important place in the annals of the oil industry:

R. S. Sterling and his brother, F. P. Sterling, the principal organizers of Humble Oil Company from which the present company acquired its name; W. S. Farish and R. L. Blaffer composing Blaffer and Farish; H. C. Wiess with assets from Paraffine and Reliance Oil Companies; Walter W. Fondren and C. B. Goddard, producers; and L. A. Carlton and E. E. Townes as lawyers.

All of these men contributed greatly in adopting the principles, in shaping the policies, and in laying out procedures that have guided the Company's

progress through these forty years. Their influence will survive as long as the Company continues.

They possessed courage and business judgment. They established high standards of performance. They built a strong organization of competent men and women.

The Company, as it stands today, is a tribute to the leadership, the vision, and the work of its founders.

But it is doubtful that these men, with all their foresight, visualized the changes that have occurred in the oil industry since 1917, or the size and complexity of Humble's present operations, or the extent of the Company's contributions through the years to the progress of our society.

To all who have made those contributions possible—employees, customers, shareholders and the people of the states in which the Company operates—Humble extends its thanks.

HUMBLE OIL & REFINING COMPANY

The full story of "These Forty Years" is told in the anniversary edition of The Humble Way. If you would like a copy, it is yours for the asking. Address Humble Oil & Refining Co., Room 1158, P. O. Box 2180, Houston 1, Texas.

Hills don't mean a thing to a Chevy!
Bring on the mountains! This new Chevrolet takes steep grades with such an easygoing stride you hardly even give them a thought.
Only franchised Chevrolet dealers display this famous trademark
