County Council PTA To Hold Workshop On Mental Health

By NORMAN WRIGHT

We don't know who originated the following six paragraphs entitled "Guaranteed Directions for Producing A Ghost Town," because they came to us third or fourth hand, but they are so eerily true we wish to pass them on to you. They are:

1. Tell everyone you meet that you never buy anything at home; the merchants are a bunch of crooks, robbers and cheats.
2. Belittle all efforts for community betterment—t h e people trying to do these things are secretly making a lot of money, want to "run things" and their way of doing things is all wrong anyway.
3. Never waste money by advertising or waste time trying to attract trade to the town—nobody reads the ads, there is never anything in the paper, it's always late, and why should anyone want to come to town—it's a dead place.
4. Turn down all appeals for contributions; and do it in a nasty way so you won't be bothered again, because the money collected is eventually stolen by some "higher ups" anyway.
5. Refuse to serve on all committees, have nothing to do with civic organizations—the chambers of commerce never does anything and is run by a bunch of dim-wits who want only to get their names before the public. All the city officials are in office to get a share of the graft.
6. Knock the town, knock its industries, knock the schools and churches, keep repeating the town is going to the dogs, things are better in other places, to invest in such a dead place would be the height of foolishness—and keep on knocking like a drunken woodpecker.

Of course, there is nobody in Ranger like this, but they are good thoughts to keep hanging around, anyway, in case some of us feel a case of back-sliding coming on and want to start knocking the town again.

The time for the United Fund Drive is here. It will start Tuesday morning, October 8, at 7:00 (Continued On Page Four)

Firemen's Ass'n To Meet Here

The Northeast Texas Firemen's Ass'n., will meet in Ranger Tuesday evening, October 1, for a business meeting, pumping race and a dinner, it is announced.

The pumping races will be held in downtown Ranger at 7 p.m., and a barbecued turkey dinner with all the delicious trimmings will be served in the National Guard Armory building at 7:45. Among the towns represented by visiting firemen will be Mineral Wells, Weatherford, Palo Pinto, Strawn, Breckenridge, Eastland, Cisco, Dublin, Comanche and Gorman.

Weather Reports

Fair and a little warmer today, tonight and Sunday. High Saturday 85, low Saturday night 58, high Sunday near 90.

Plans for a Mental Health Workshop which will stress "Character and Spiritual Education for Youth Development," were announced today by Mrs. R. M. Benton, president, Eastland County Council No. 5, Texas Congress of Parents and Teachers.

The Workshop, one of five to be sponsored by the First District of Texas Congress, is to be held in the auditorium of Cisco Junior College on Wednesday, Oct. 2, from 9:00 a.m. until 12:00 noon.

Mrs. W. O. Workman of Arlington, president of the First District, will preside, assisted by Mrs. M. W. Herweck of Ranger, vice-president. Mrs. Elmer Atkins, also of Arlington, will assist in the program in her capacity as chairman of the Character and Spiritual Education and Youth Development Committee.

Dr. Oliver Brown, Director of Counseling, and Lecturer in Educational Psychology from the Hogg Foundation for Mental Health of the University of Texas, will serve as consultant for the workshop.

Recognizing that the behavior or misbehavior of children and youth in a modern and complex world is an outstanding social concern of this era, particular interest of the workshop will be in what the field of counseling can contribute to parents and other interested adults in helping them better understand the boys and girls with whom they live and work.

Each High School and Junior High School in the Eastland County Area is particularly invited to send at least two students to sit in on the workshop. "We, ourselves, want the benefit of their opinions," Mrs. Benton said, "and we should like for them to take reports of the workshop back to their respective localities and organizations."

All Parent-Teacher units, Home Demonstration Clubs, Federated Women's Clubs, Men's Service Clubs, and other interested groups are especially invited to take part in the workshop. Mrs. Benton said, "It is also open to all citizens who are truly aware that service to children and youth is the best work in life," she stated. "Everyone will find a welcome here, and we sincerely invite them to come."

Two Pioneers Played Big Part In Growth of Area

(Editor's Note: This is the 23rd in a series of articles taken from the book, "History of Eastland County, Texas," written by Mrs. George Lanston in 1904.)

C. U. Connelley
C. U. Connelley was born and reared among the picturesque hills of Eagle Creek in Scott County, Kentucky, and was educated in the A. & M. Department of the University of Lexington. He came to Texas in 1874, located in Dallas, and engaged in the real estate business and in the location of land certificates.

In March, 1875, he married Miss Mattie Payne, of Champaign County, Illinois, and came with her direct to Eastland City, where he ever since made his home.

In these early days he was chief marshal of all the forces working for Eastland City and County, the general source of information for all prospectors and proposing immigrants. Others came and left. C. U. Connelley stayed on and in the settler came in wanting a quarter section of school land, C. U. Connelley knew of one to point out to him.

In these days of railroads, telegraph wires and telephone lines, who can scarcely appreciate the difficulty of promoting the settlement of a heavily timbered county with no means of direct communication, only wagon roads over

IS SHE BABY SETTING?—"No dog-gone-it," Miz Hen says, "I'm trying to lay an egg!" She says she found that place first and she'll be a turkey buzzard if she is going to move. Miz Hen allows that she had been laying an egg a day in that corner for more than a year until that flirt "Misty," the family pooch, came along hunting a warm, likely spot, and then had a whole hatful of little pooches. But she says she is going to keep laying her egg a day in the same old place and she wants everybody to know if they think they can keep calm in all this confusion, they just don't understand the situation. The whole mixed up menagerie belongs to H. A. Minnerly, a farmer, living near Godding, Idaho. Photo NOT by Capps.

HERE'S WHERE YOUR MONEY GOES

County Commissioners OK \$412,841 Budget

Eastland County commissioners this week approved a budget of \$412,841.98 for the year 1958. The new budget is \$57,337.88 higher than the 1957 budget, but the county tax rate will remain unchanged.

Commissioners adopted without change the budget prepared by County Auditor Hart O'Brien. O'Brien drew praise from the Court for "a job well done."

Estimated expenditures for the year are considerably higher than estimated revenue. Total receipts are listed at \$319,418.94. Thus there is a difference of \$93,423.04.

However, O'Brien told the Court that he had conservatively estimated revenue while listing expenditures slightly higher than he actually anticipated to allow for unanticipated expenses.

Proof that more money will come into the county's bank account than estimated can be found in past history. O'Brien always estimates tax collections at 80 percent, but actually collections have totaled over 90 percent for many years. The county also will begin the year with a neat bal-

ance of \$16,416.37, giving the county total resources of \$535,835.31. O'Brien estimates the county will end the 1958 year with a balance of \$223,223.33. In his 1957 budget he estimates the end of the year balance would be \$207,818, but it was actually higher by \$18,428.37, again due to conservative estimates of revenue.

This year's tax rate will again be .80 per \$100. The rate was the same in 1957 and 1956. In 1955, 1954, 1953 and 1952 the rate was .75 and in 1951 it was just .60. O'Brien said that Eastland County still has one of the lowest tax rates in the state. Only 19 other counties have as low, or lower, rate, and there are 254 counties in the state.

This year's breakdown of the .80 rate shows that the jury fund will get .05, the road and bridge fund .10, the road and bridge sinking fund .10, and the general fund .55. The general fund has long been the headache fund of Eastland County, but under the new budget it will be greatly strengthened. Last year the fund was only .25, but under a Constitutional amendment passed this past year, the Commissioners' Court was able to transfer .15 which previously went to the courthouse sinking fund to the general fund.

That transfer will not endanger the courthouse interest and sinking fund since the fund has a balance of \$14,526.96. Last payment on the courthouse will be made March 15, 1961 and the county now has enough money to meet all payments through 1960. Only \$45,000 is still owed on the building.

The county also has healthy balances in all other funds, except one. The jury fund shows a balance of \$13,301.18, the road and bridge fund's balance is \$192,428.22, the road and bridge sinking fund's balance is \$16,803.14 and the permanent improvement fund balance is \$29,539.97. O'Brien estimated that the beginning 1958 balance for the hard-hit general fund will be only \$7,613.42, however.

Free! Two \$100 Bonds Monday

All Ranger citizens are reminded to be at Teen Town Monday evening for the Open House being sponsored by the Mothers Club at which time two \$100 bonds will be given away.

Mothers say the doors will be open at 7:30, and the Bonds will be given away at 8:30.

The new Annex at Teen Town is not quite complete, but it is far enough along that you can tell something about it, and the Mothers want you to see what you have helped to build. This will probably be the only Open House this year.

Everyone is please urged to come.

DeLeon Gets Only 11-Yds. Net Rushing

Story in Figures

Ranger	DeLeon
25 First Downs	6
257 Rushing Yards	11
77 Passing Yards	61
5 of 14 Passes Comp.	6 of 13
4 Passes Intercepted	0
4 for 28 Punts, Avg. 2 for 25	
8 for 70 Penalties, Ydg. 1 for 15	
3 Fumbles Lost	2

By NORMAN WRIGHT

The Ranger Bulldogs made it 23-0 over DeLeon in a football game here Friday night that was not even a contest.

Before the skirmish was over every reserve on the Ranger bench saw action, all three of them.

The Bulldogs made 7 points in the first quarter, 13 in the second, 13 in the third and then discovered quick kicking. The fourth quarter was spent in brushing up on this art and in other ways getting rid of the ball like a hot potato as they get possession of it.

Whether the gathering dew made the ball too heavy to tote around, or what, Ranger seemed not to want it in the last quarter, kicking once on, second down with 2-inches to go, and again on fourth down with 1/2-inch to go, or else the Bulldogs might have made more points than they did.

Rangers' Smallest Squad
Ranger probably suited out the smallest "A" team in its history as only 14 men appeared on the field in uniform. They were Lee King, Charles Wolford, Jerry Underwood, David Wharton, Jake Busham, Walter Hutchins, Charles Veale, Gene Hill, Wayne Jowers, Tommy Ford, Robert Veal, Joe Bradford, Boone Yarbrough and Jerry Anderson.

DeLeon didn't have the chance of a snowball in an atom bomb blast from the word go, although the Bulldogs looked like they were ranning a film of the Jacksboro game immediately following the kickoff.

The Bulldogs received the kick, ran three plays and fumbled, exactly as they did at Jacksboro and at exactly the same spot. Elation in the Bearkat camp was short-lived, however, because they tossed a pass on their first play from scrimmage which was promptly intercepted by Jerry Anderson.

Still Had Fumbleitis
But Ranger wasn't anywhere near over its fumbleitis. After taking the interception on their own 39-yard line, the Bulldogs worked it down to the Bearkat 4, 1 h e march being featured by a 35-yard scamper by Wharton which got to be a common thing before the night was over. From the 4-yard line, Ranger bucked the ball (Continued on Page Four)

Water, Sewer Sanitation Rates Raised

With the publication of three City Ordinances elsewhere in today's Times, the City Commission announces a slight increase in the water rates for the City of Ranger, and also an increase in the sewer and sanitary rates, all effective beginning Oct. 15.

The increases are in line with the Commission's announcement several weeks ago that it would become necessary to raise the price of some city services at an early date, and to also make a small increase in water rates.

New water rates in Ranger, as announced by the published Ordinance effecting water rates, are as follows:

RESIDENTIAL	
2,000 gallons	\$3.00
Next 8,000 gals. per 1,000	.50
Next 15,000 gals. per 1,000	.35
All over 25,000 gals. per 1,000	.30
COMMERCIAL	
3,000 gallons	\$4.00
Next 7,000 gals. per 1,000	.50
Next 15,000 gals. per 1,000	.35
All over 25,000 gals. per 1,000	.30

Under the old residential rates the gallons allowed for the minimum rate of \$3.00 were 3,000 gallons, instead of 2,000 gallons under the new rates. Under the old rates for residential users, the next 7,000 gallons above 3,000, were 40c per thousand, whereas now it is 50c for the first 8,000 gallons over 2,000. The rest of the rate scale remains the same.

Under the old commercial rates, the first 3,000 gallons were \$3.00 and that rate has now been raised to \$4.00. Also under the old rates, the next 50,000 were 40c per 1,000, the next 50,000 after that, 25c per 1,000, and all over 103,000 gallons, 50c per 1,000.

NEW SEWER CHARGES
Under the Ordinance regulating sewer charges, the following rates have been announced:
Minimum charge covering first four fixtures \$11.00
(Continued On Page Four)

Lions Learn To Make A-Bombs

Lion Al Larson had charge of the program at the Thursday meeting of the Ranger Lions and showed a cartoon-type color film explaining how atoms are split and how atom bombs are made.

The process of splitting the electrons and neutrons and combining them in such a way as to set up a chain reaction and cause an explosion, was explained so simply and clearly that a third grader could understand it, but the Lions didn't get it.

W. McDowell Dies of Attack

Word has been received here that Wallace W. McDowell, of Los Angeles, Calif., passed away of a heart attack last Monday. He was the brother of J. S. McDowell of Ranger, and will be remembered by many people of this city as having been a citizen here for several years.

He is survived by his wife, daughter, son and two grandchildren. Also two sisters, Mrs. Alice Davenport of Lybbeck, and Mrs. Christine Ware of Fort Worth, survive him.

WHAT'S PRETTIER?—Tyler, Texas, has many beautiful roses and girls like Mary Ann Dillard (above) to greet visitors to the 20th Annual Texas Rose Festival, Oct. 18-20. West Texans are invited to join others from all over the nation who attend Tyler's annual festival of beauty which is packed with colorful parades, pageants, sports events, exhibitions and many types of entertainment throughout three days and nights.

PhoneComp'ny Announces Lot Purchase Here

The Southwestern Bell Telephone Company has announced that final details have been completed and the deal concluded in Ranger for purchase of the 100 by 140 foot lot at the corner of Pine & Austin Streets as the site for the Company's new dial telephone exchange to be erected in Ranger.

The lot was purchased from the Times Publishing Company, owned by Joe Dennis and Onous Dick. W. H. McAnally, General Manager for Southwestern Bell in this area, said that a modern, new brick building would be erected on the lot to house the telephone business office and the dial exchange. He said the building would also contain large storage space for equipment, and a parking area for company vehicles.

McAnally said he did not know the exact date when any kind of construction would begin, but said it was not too far in the future.

Erection of the new telephone building on the corner of Pine and Austin, together with the new business office, will make that particular spot a busy place in Ranger and the center of considerable activity. The phone company said they considered it a most desirable and convenient site for their operations here.

What Are 10 Top Western Tunes

If you are a lover of Western tunes, can you name the top ten among the all-time great? Eddie Dean, star of movies, radio, TV and recordings, who is appearing with the Star of Stars Show at the Heart O' Texas Fair opening today in Waco, has named his list of the Top Ten which is as follows:
Wagon Wheels, Tumblin' Tumbleweed, Cool Water, Last Round-Up, Cattle Call, Gold Mine in the Sky, Empty Saddles, Whoopi Ti-Yi-Yo, Cowboy's Prayer and Little Jo the Wrangler.

How far do you think he missed it?

LEGAL NOTICE

AN ORDINANCE SETTING THE RATES TO BE CHARGED BY THE CITY OF RANGER FOR SEWER SERVICE WITHIN THE CITY LIMITS OF RANGER, PRESCRIBING THE METHOD OF COLLECTION, PROVIDING FOR A PENALTY FOR LATE PAYMENT OF SUCH CHARGES, AND PROVIDING FOR DISCONTINUANCE OF SERVICE FOR NON-PAYMENT.

BE IT ORDAINED by the City Commission of the City of Ranger that effective on and after passage of this ordinance the rates to be charged and the regulations to govern sewer service in the City of Ranger shall be as follows:

Sec. 1 There is hereby levied and assessed a monthly sewer service charge against all persons, firms or corporations having property now, or which may be later connected with the sanitary sewer system of the City of Ranger the following charges:

Minimum charge, covering first four fixtures	1.00
All connections from five to twenty, inclusive 10c each	
All connections above twenty, additional per fix	.05
Wash racks in garages and service stations	3.50
Steam Laundries, per month	6.25
Commercial Home laundries	2.00
Poultry Dressing Plants	6.25

Sec. 2 The word connections as used in this ordinance shall be construed to mean, and be, each and every inlet into the service line leading into any house or building or onto any piece of property in the City of Ranger, Texas.

Sec. 3 The sewer service charge hereby levied and assessed shall be effective with the first billing date after passage of this ordinance, and shall be paid monthly so long as said buildings or houses, or property shall be connected with City water service, and it shall be a charge on the water bill of each and every user thereof, and shall be paid monthly on or before the Tenth of the month subsequent to the accrual thereof, and if said charge is not paid on or before the Tenth of the month following the accrual thereof there shall be a 10 per cent penalty added to said charge, and failure, or refusal to pay such sewer service charge, or the penalty for late payment of said charge shall warrant the discontinuance of such sewer service to such delinquent user.

Sec. 4 The charges and regulations set out herein are to apply to users or recipients of sewer services within the City Limits of Ranger, Texas, and there is hereby provided that persons, firms, or corporations whose properties are outside the corporate limits of the City of Ranger shall pay the above charges plus 25 per cent for each classification of service.

Sec. 5 Rates and regulations applying to sewer service in the City of Ranger in conflict with the above rates and regulations are hereby repealed and the rates and regulations in this ordinance, from and after its passage, shall govern such services.

PASSED AND APPROVED, This 20th day of September, A. D. 1957.

W. F. Creager, Mayor
 L. Crossley, City Secretary

LEGAL NOTICE

AN ORDINANCE SETTING THE RATES THAT SHALL BE CHARGED FOR WATER BY THE CITY OF RANGER, PRESCRIBING THE QUANTITY OF WATER THAT SHALL BE ALLOWED AS A MINIMUM, PRESCRIBING TERMS OF COLLECTION, PROVIDING A PENALTY FOR LATE PAYMENT OF CHARGES FOR WATER USE, AND REPEALING ALL ORDINANCES IN CONFLICT.

BE IT ORDAINED by the City Commission of the City of Ranger, that effective on and after passage of this ordinance the rates for water use in the City of Ranger, methods and procedures for collection for said water use, and the amount allowed as a minimum shall be as follows:

Sec. 1 Effective on the first billing date after passage of this ordinance the minimum quantity and the charge therefor for residences and churches within the city limits of Ranger shall be:

2000 gallons	\$3.00
Next 8000 gallons, per thousand	.50
Next 15000 gallons, per thousand	.35
All over 25000 gallons, per thousand	.30

Sec. 2 Effective on the first billing date after passage of this ordinance the minimum quantity and the charge therefor for Industrial and Commercial users of water within the City Limits of Ranger shall be:

3000 Gallons	\$4.00
Next 7000 gallons, per thousand	.50
Next 15000 gallons, per thousand	.35
All over 25000 gallons, per thousand	.30

Sec. 3 Customers, or users, of water from the City of Ranger Water Department shall have, and including the Tenth day of the month following the date of bill in which to pay said bill on a net basis. On and after the Eleventh day of the month following the date of said bill there shall be a penalty of 10 per cent of the amount of the charge for water on said bill added to the amount of said charge and the refusal of said customer to pay such penalty shall be grounds for discontinuance of service to said user.

Sec. 4 Users of water from the City of Ranger Water Department who have failed to pay for such water use on or before the Tenth day of the month next following the date of the bill for such use shall be subject to having their water service discontinued, and there shall be a charge of \$1.00, added to the amount of the bill which must be paid before service will be restored. Provided, however, that in the event a customer questions the accuracy of said bill, or the meter reading on which such bill was based, and requests that such meter read be re-checked, service shall not be discontinued until said re-check has been made and user notified of the result thereof.

Sec. 5 The rates prescribed herein apply to water users within the Corporate limits only and for users whose water use is outside of such Corporate limits the rates shall hereafter be:

Flat rate	\$3.00
Next 10,000 gallons, from 1st thousand, per thousand	.50
Next 15,000 gallons, per thousand	.40
All over 25,000 gallons, per thousand	.35

Sec. 6 Rates and regulations that have heretofore been set to govern the use of water in the City of Ranger are hereby repealed, where such rates and regulations are in conflict with the rates and regulations contained herein, and this ordinance shall be in full force and effect after its passage and charter provisions complied with.

PASSED AND APPROVED, This 20th day of September, A. D. 1957.

W. F. Creager, Mayor
 L. Crossley, City Secretary

SEC. 2 There shall be charges assessed and collected from each firm, person, or corporation in the business area of the City of Ranger, the amount of from \$2.00 to \$30.00 per month, according to amount of trash and garbage picked up by an official designated by the City Commission of the City of Ranger. The above charges to entitle each person, firm or corporation to one pick-up daily, six days per week.

SEC. 3 The charges specified herein shall be payable monthly and shall be billed on water bills for each metered customer of City Water Department, said charges shall be payable on or before the Tenth of the month subsequent to

Eastside Baptist Announcements

The Eastside Baptist Church welcomes all. If there may be doubt and dissatisfaction among your thoughts you may find the answer in Rev. K. C. Edmond's sermons for Sunday, "Ask and ye shall find," Mat. 7:7.

Faith as small as a mustard seed can move mountains. Will your faith take you into the Lord's house Sunday?

"Come join us in our Wednesday night 'Hour of Power,' says Rev. Edmonds. These prayers and teachings from the inspired word of God make all things possible through Jesus Christ the son of the living God.

Sunday school begins at 9:45 a.m. The morning worship is at 10:50 a.m. Training Union begins at 7:00 p.m., followed by the evening message at 8:00. There are classes for all ages and the nursery is open for every service.

Large Attendance Expected At First Methodist

The First Methodist Church Sunday School, which begins at 9:45 a.m., is expected to have one of the largest attendances in the history of the church. Teachers a n d Church School workers have made adequate plans for a genuine Christian learning experience.

The Morning Worship Service begins at 10:30 a.m. The subject of the sermon, to be delivered by the pastor, Rev. James H. Ellison, will be "Our Redeeming Christ." The Choir, under the direction of Miss Vivian Simmons, will sing the anthem, "The Heavens Resound," by Beethoven.

The Evening Worship Service has been planned to meet the devotional and inspirational needs of worshippers. The sermon subject will be, "God Cares for You". Before the Evening Worship service, the Methodist Youth Fellowship and the Older Youth Fellowship will meet at 6:00 p.m.

The First Methodist Church extends to all those who are called "Methodists" the opportunity to keep their covenant made with God, "to uphold the Church with prayers, presence, gifts, and service." "Church loyalty is a matter of individual members assuming their responsibility to the church they have chosen. As long as church loyalty is a 'debatable' topic on Saturday night, an easy option on Sunday morning, and one among many 'electives' as we plan our weekend excursions, the deep meaning of Christ and His Church will never be understood," said Rev. Ellison.

Christian Science

The unchanging, harmonious nature of all that is created by God, divine Mind, will be brought out at Christian Science services Sunday.

"Reality" will be the subject of the Lesson - Sermon. Scriptural selections will include the following (Psalms 111:2,7,8): "The works of the Lord are great, sought out of all them that have pleasure therein. The works of his hands are verity and judgment; all his commandments are sure. They stand fast for ever and ever, and are done in truth and uprightness."

Correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (3:25-29): "Mind is the divine Principle of Love, and can produce nothing unlike the eternal Father, Mother, God. Reality is spiritual, harmonious, immutable, immortal, divine, eternal. Nothing unspiritual can be real, harmonious, or eternal."

Church of God Services Set

The following is the weekly schedule of services for the Church of God, Strawn Road and First St. as announced by the pastor, Rev. J. C. Atkins.

Sunday School 10 a.m.; Morning Services, 11 a.m.; Evening Evangelistic, 7 p.m.; Y.P.E., 7:30 p.m. Wednesday and Bible Study, 7:30 p.m. Friday.

RETURNS FROM VACATION
 Mrs. Margaret Osterhout returned Wednesday from a vacation to Philadelphia, Washington, D.C., New York City, Atlantic City, and Tyler.

Weekly Schedule Nazarene Church

The weekly schedule for the Church of the Nazarene, as announced by the pastor, Rev. Bill Vaughn, is as follows: Sunday School, 10 a.m.; Morning Worship, 11 a.m.; NYPS, 7 p.m.; a n d Evening Worship, 7:30 p.m.

Prayer meeting is held at 7:30 each Wednesday evening. Everyone is invited to attend these meetings.

VISIT IN IOWA
 Mr. and Mrs. Frank Hicklin have returned from a vacation to Montrose, Iowa, where they visited their son and his family, Mr. and Mrs. James Weldon Hicklin and son.

the accrual thereof, and if said charges are not paid on or before the Tenth of the month following the accrual thereof there shall be a penalty added to the amount equal to 10 per cent of such amount, and failure or refusal to pay such charges shall warrant discontinuance of all services as represented by the bill from said City Water Department.

PASSED AND APPROVED this 20th day of September, A. D. 1957.

W. F. Creager, Mayor
 L. Crossley, City Secretary

Sensational New Electronic Invention DEAF HEAR WITH BOTH EARS

Free Hearing Consultation

Now, at last you may hear again without fear of being started at! No button in the ear. No cords—a complete hearing aid and receiver hidden inside one temple of Slimette glasses. Tiny, almost invisible tube carries sound to the ear.

Come in and let Mr. McElysa demonstrate the New Beltone Slimette Glasses that gives you the new "Younger Look" in hearing at the

Gholson Hotel, Tuesday, Oct. 1 from 1:30 to 3:00 p.m.

Pastor Gives Sunday Schedule For First Baptist

"The Long Look" will be the theme of the morning message at the First Baptist Church, when Rev. Ralph Perkins, pastor, uses the text from Acts 1:1-12, "Ye men of Galilee, why stand ye here gazing up into heaven? This same Jesus, which is taken up from you into heaven, shall come in like manner as ye have seen him go into heaven."

J. N. Sutton will sing, "I Walked Today Where Jesus Walked."

Sunday school promotion will be completed from the nursery through the young people's departments. Adult 1, 2, and Married Young People will promote on Sunday, Oct. 6. Training Union will promote in the same manner at the evening hour.

The pastor will bring another message in a series dealing with the personal problems of youth and adults. He said, "Sin, disobedience, and disregard to the teachings and commandments of the Lord carry their own punishment. God will not let these go unpunished. There is an old adage, 'Chicken always come home to roost.' Sinful measures sown in the 'so-called-wild-ows' will one day return ten fold in smutty, diseased grain. One has said, 'We must not mistake a common practice for moral righteousness.'"

The text of the evening message, "Simple Arithmetic - Addition," is found in 2 Peter 1:5-7. Special music will be a duet by Mrs. J. N. Sutton and Miss Sue Watson. They will sing, "Jesus Lover of My Soul."

The pastor said, "Get the church attending habit, and support your church and her ministry. We must place our Lord first in our lives. Bring your family to Sunday School and Training Union. Stay for the preaching hour. Attend mid-week services. Our nursery is always open."

R. L. Craig Gives Announcements Church of Christ

In II Corinthians 5:20, Paul said, "Be ye reconciled to God." That scripture will be the basis for the sermon of Robert L. Craig, Sunday morning. Mr. Craig preaches for the Eastside church of Christ which meets for worship at Strawn Road and Young Street. The time for the morning worship service will be 10:45 and the public is cordially invited to be present.

The public is also urged to attend the Bible classes Sunday morning at 9:45 and the period of worship in the evening at 6:30, when the sermon topic will be, "Back to Jerusalem, or Babylon?" Bible study, singing and prayer services will be conducted again Wednesday evening at 7:30 and the ladies will meet in the church building at 9:30 a.m. for their weekly class.

Merriman Baptist Announcements

The following is the weekly announcements for the Merriman Baptist Church. Sunday school, 10 a.m., church services, 11 a.m., evening service 7:30 p.m., Wednesday night prayer meeting at 8 p.m.

Rev. Jack Waiser will be the preaching. Everyone is welcome to attend these services.

Church of Christ Announcements

"On Sunday the Lord's day a friendly welcome awaits all visitors to the services of the Mesquite and Rusk Street Church of Christ," says Lonnie Branam, minister. Bible school begins at 9:45 a.m. At the 10:45 a.m. worship the Lord's death will be commemorated by partaking of the symbolic bread and fruit of the vine. In addition, the preacher will speak on the subject, "The Eternal Tent."

"The Lord's Prayer" will be the sermon subject at the 7:00 p.m. worship. At the midweek service, Wednesday, 7:00 p.m. the subject of study is the trial and crucifixion of Jesus Christ as recorded by John's Gospel.

Mr. Branam gives the following thought for the day: "I won't become a Christian because of hypocrites in the church." My friend, you will find no hypocrites in heaven, if you get there. There won't be a hypocrite in the next world, and if you don't want to be associated with hypocrites in the next world, you will take this invitation.

You find hypocrites everywhere. One of the apostles was himself the very prince of hypocrites, but Jesus didn't throw up His hands in disgust and discontinue His mission on the earth. You will find plenty of hypocrites in the church, but they will not get to heaven.

Hypocrites have been in the church for the last nineteen hundred years, and will probably remain there. But what is that to you? This is an individual matter between you and your God.

Mr. and Mrs. George Finley of Morton Valley spent the weekend with her daughter and family, Mrs. Ben Keener of Jacksboro, Texas. Mrs. Finley's grandson, Dock Keener, who was visiting his mother and father, is working in Houston.

Sub Debs Choose New Members, Elect Officers

If you heard the honking, shouting, and general commotion Tuesday night, you probably wondered just what was going on. It was only the Sub-Debs who had chosen new members and were enthusiastically helping them get used to being one of the younger debutantes.

New members elected were: Seniors: Mary Halton, Judy Craig, Carol Sanders and Jimmie Miller; Juniors: Annabeth Deffebach and Mignon Rohde; Spohomores: Sandra Cooper, Carol Phillips, Gall Rapp, Marilyn Warden, a n d Marinell Shoeky; and Freshmen: Sarah Johnson, Joyce Spindle, and Sandra Vinson.

Officers chosen at the meeting were: President, Glenda Webb; Vice-president, Kay King; Secretary, Audie Faye Dempsy; Treasurer, Betty Gail Gardenhire; Reporter, Patsy Holliday; Sergeant-at-arms, Charlotte Rose; a n d Seraphook keeper, Nancy Graham.

Rho Pi Chapter of Beta Sigma Phi Meets In Oliver Home Thursday

The regular meeting of the Texas Rho Pi chapter of Beta Sigma Phi met in the home of Mrs. Howard Oliver, with Miss Inez Harrell as co-hostess, Thursday, Sept. 26, at 7:30 p.m.

The sorority president, Mrs. D. C. Arterburn, called the meeting to order. All members present repented the opening ritual. After the reading of the roll call, the minutes of a previous meeting were given.

Blue Birds Meet In School Library

The Blue Bonnet group of the Blue Birds met Wednesday afternoon, Sept. 25, in the Hodges Oak Park school library. Time was spent making activity books for the next three months.

Those present were: Sylvia Camacho, Jane Johnson, Joyce F. A. L. S., Kathy Durbin, Beverly Sledge, Joyce and Charlotte McCain, Rita Theberge, and Janice Black.

Leaders are: Mrs. Roeland Goodwin and Mrs. Franklin Habacker. Refreshments were served by Mrs. A. Camacho.

During the business meeting, Miss Norma Mills gave a report on the doll sale. She reported that the sale is going good, but there are still a few more dolls to be sold. All other committee chairmen gave their reports.

The program was turned over to Mrs. Fred Lamb. Program topic for the evening was "What Your Friendship Means to Me." After the program, the meeting was adjourned by all members repeating the closing ritual.

An arrangement of yellow mums and small yellow pom-poms decorated the coffee table. The dining table was laid with a white linen cutwork cloth and centered with an arrangement of yellow flowers. A bride doll and a bridesmaid doll stood on either end of the table, and a smaller bride doll was in front between the composites of nuts and mints.

The sorority bridal tray was presented to Dorothy Arterburn. The tray was wrapped in the sorority colors of black and yellow, with a yellow mum on top.

These present were: Misses D. C. Arterburn, Drennon Daves, Dwayne Dennis, Norman Huffman, N. E. Laders, Charlie Rose, Miss Eva Mills, Miss Norma Mills, Miss Inez Harrell and the hostess, Mrs. Oliver.

Mrs. Roy Buse . . . formerly Jo Ann Bentley

Jo Ann Bentley and Roy Buse Are United In Church Setting

Harwell Heights Baptist Church was the scene Saturday, Sept. 14, at 4 p.m. for the wedding of Miss Jo Ann Bentley, daughter of Mr. and Mrs. Otto Bentley of Eastland, and William Roy Buse, son of Mr. and Mrs. Vernon Buse, Santa Anna.

The Rev. R. D. Hefflin was officiant at a double ring ceremony. For the occasion, the church was decorated with white gladioli and archway of emerald greenery and white baby mums. White carnations formed a centerpiece for the piano.

Pianist Carol Hudson, organist, played "In a Love Call," "I Love You Truly" and "Because."

Bentley escorted his daughter to the altar. She selected a street length dress of embroidered white bridal satin, designed in a slender sheath with a scooped neckline. She wore a white beaver hat and a single strand of pearls. A white Bible was the base for a cascade arrangement of white carnations showered with Stephanotis, net and white satin streamers.

In an imported Irish linen frock, fashioned with and embroidered bodice, sprinkled with rhinestones, Mrs. Eugene Bentley was her sister-in-law's matron of honor. Her flowers were white carnations.

Joe V. Buse was his brother's best man, while Joe Fields a n d Joey Bryant seated guests. Rings were carried by Joe Buse and Charlene Bentley.

The 516 51st St. home of the bride's brother, Eugene Bentley, was the setting for the ensuing reception. A lace cloth over pink covered the serving table, high lighted with crystal appointments and a centerpiece of white carnations. A four-tiered wedding cake was

topped with a miniature bridal pair.

The newlyweds traveled to Luidson, N. M., for a wedding trip. A graduate of Eastland, Mrs. Buse attended Draughon's Business College in Abilene. She currently is employed as a bookkeeper by Newsom Paint and supply in Lubbock. A high school graduate of Santa Anna and former Texas Tech student, Buse is employed with the Texas Highway Department of Lubbock.

Sunday 29th Is Promotion Day At First Baptist

A high attendance is looked for this Sunday at the First Baptist Church, when there will be the annual promotion by Departments of pupils from the Nursery through the Young People's departments.

Promotion day, for children and grown-ups, is a high time in their spiritual lives. Promotion by departments indicates that the individuals have attained an age, or grade in school, that would show a growth, maturity, and knowledge of the graded materials taught by the Sunday school departments.

Nursery materials are written for children under four years of age. All the work is done and materials are made by consecrated Christians who know both Bible materials and teaching procedure. Beginner materials are graded for children ages four and five. The primary department is a three year span, for pre-school children, first graders, and second graders. Each of these three year spans has a special lesson material that permits the child to learn according to his age.

The Juniors embrace a four year span, ages 9 to 12, or grades 3 to 6. Each year is a specially arranged study. The intermediates are from the ages 13 to 16, or the 7th to the 10th grades. The Young People's department includes the ages 17 to 24, single, or 11 and 12 grades and college classes.

The pastor, Rev. Ralph Perkins, said, "Our church is to be highly commended for their system of teaching God's word, and the grading according to ability and age. God gives us both years of life and ability to learn." The married young people, all married couples under 25 years of age, have literature that will be according to their needs.

Adult I, ages 25 to 39, has another series of Sunday school lessons for their needs and problems.

Adult II, 40 and up, has still another analysis for each Sunday's lesson presentation.

Each department needs the spiritual food from God's bountiful table. Teachers are afforded the wonderful experience of Teachers and Officers meeting each Wednesday evening that will enable them to plan, and preview their work for their particular departments.

The pastor said, "Sunday school was started in the latter part of the 18th century in London to keep delinquent children off the streets. Today Sunday school is the scriptural presentation of Bible truths to grown Christian men and women, boys and girls."

Gorman Gatherings

By Mrs. R. E. Boucher

Mr. and Mrs. Bob Boswell, Mr. and Mrs. Dwyatt Boswell and Judy of Fort Worth were visiting with Mr. and Mrs. R. C. Oswell the past weekend.

Mrs. J. E. Walker and Mrs. T. F. Morrow visited in Eastland Friday of last week.

Mrs. Ethel Ramsay is in the Blackwell Hospital suffering from a broken hip she received Saturday when she fell in her kitchen. She was carried to Kendrick's Memorial Hospital Saturday, after being given first aid at the Blackwell Hospital.

Mrs. R. E. Boucher, her sister and brother, Miss Mattie Vaught of Post and C. E. Vaught of Slater in the home of Mrs. Nora Vaught and Mr. and Mrs. L. A. Greers in Eastland Wednesday.

Mr. and Mrs. Wylie Yeagor of De Leon spent Thursday in the home of her sister and brother-in-law, Mr. and Mrs. R. C. Boswell.

Mr. and Mrs. Earnest Moreland of Stephenville were guests in the home of his brother-in-law and sister-in-law, Mr. and Mrs. R. C. Boswell.

Mr. and Mrs. Gene Ellison, Pat and Jeanne of Abilene visited in the home of their parents, Mr. and Mrs. J. N. Ellison and Mrs. Fannie Burkett, Saturday and Sunday.

Sam Reynolds of Abilene was home over the weekend.

Mrs. Riley was in Fort Worth Friday for the game. She spent the night with her daughter, Mrs. Ozel Ruby and family. She drove over with the Wilbur Shells who also attended the Gorman and Castleberry High game.

Mrs. Berenice May and granddaughter of Roundrock were guests in the home of her sister, Mrs. Vera Hamrick the past week.

Dr. and Mrs. T. G. Jackson are in Bartlesville, Okla., for a week's vacation.

Mr. and Mrs. G. C. Riley were visiting her brother Royce Duke in Ranger Sunday evening.

Mrs. Clara Crawford of Los Angeles, Calif. and Mr. and Mrs. Gene Marshall of Ft. Worth were weekend visitors in the home of her parents, Mr. and Mrs. L. Andrews. Mrs. Crawford is a sister of Mrs. Andrea's.

Mrs. Ruth Slaton visited with relatives in Ft. Worth and Dallas the past week.

Mr. and Mrs. B. D. Larner and Jay Thomas of Morgan Mill were guests in the home of Rev. and Mrs. Don Turner Sunday. They are Mrs. Turner's parents and brother.

Mr. and Mrs. L. E. Capers had as their guests over the weekend their daughter and family, Mr. and Mrs. John Sutton, Johnnie Mack, Edward and Rickey of Houston.

ATTEND THE CHURCH OF YOUR CHOICE EACH SUNDAY

sons for their needs and problems.

Each department needs the spiritual food from God's bountiful table. Teachers are afforded the wonderful experience of Teachers and Officers meeting each Wednesday evening that will enable them to plan, and preview their work for their particular departments.

The pastor said, "Sunday school was started in the latter part of the 18th century in London to keep delinquent children off the streets. Today Sunday school is the scriptural presentation of Bible truths to grown Christian men and women, boys and girls."

1920 Club Reassembly Luncheon Held At Woman's Club In Abilene

The members of the 1920 Club held their annual reassembly luncheon in the banquet hall of the Woman's Club in Abilene, Thursday, Sept. 26, at 1:00 p.m.

The luncheon table was beautifully decorated in an Autumn motif. Arrangements were furnished by the 1920 Club of Abilene, for which the members of the Ranger 1920 Club were most appreciative.

The club president, Mrs. B. A. Tunnell, called the meeting to order. She extended a most cordial welcome to the members and visitors present, and presided over the short business session that followed. Mrs. Floyd Killingsworth, membership chairman, introduced the newly elected club members: Misses Don Elliott, A. H. Henderson, Richard Henderson, Ven O. White, and D. T. Wier.

Members of the club introduced their guests for the day. The visitors and new members were given a very hearty welcome, after which the invocation was brought by Mrs. Carl Lummus.

Mrs. R. L. Hamrick, program chairman, presented Mrs. David L. Adams who reviewed David Gunn's best seller, "Try Giving Yourself Away."

The members and guests registering for the luncheon were: Misses F. P. Brashier, Sr., W. M. Brown, A. W. Brazda, G. C. Boswell of Austin, S. G. Oprendeck of

TELEPHONE TALK

by W. H. McAnally, Manager

A man asked me the other day "How did the Telephone Co. know my telephone was out of order last week? It was fixed before I could go next door to call and report it." The same thing has happened to many Ranger telephone users in the past. Most of the time we know about it first, also, most of the time it is fixed and the subscriber is never aware his telephone is out of order. However, if the trouble is in your instrument we would be required to come to your home to make the necessary repairs. Often, we find people are amazed when a telephone repairman knocks on the door to request permission to enter to fix an out of order telephone.

This year most of the telephone trouble has been due to rain getting into our cables. When we have a "wet cable" several things happen. In our central office lights start flashing, and bells ring. If this happens at night, telephone calls are made to the homes of off duty telephone men. If necessary, work is continued around-the-clock in effort to restore service to normal. Except in the cases of major breakdowns, most of our subscribers either didn't know the telephone was out of order or didn't report it. Less than five percent of our known cases of trouble have been reported to us by the subscriber.

There are certain types of trouble that we have no way of knowing about, so if you find your telephone inoperative, please report it to us.

SAFELY BACK TO SCHOOL

Well, it's September and school bells are ringing again. It's a good time of year to remind ourselves to be even more cautious in our driving—especially until we get accustomed again to "school stops" and small-fry pedestrians.

Here at the telephone company, we've always stressed safe driving—"Safety consciousness" as well as care and skill handling our cars and trucks.

Telephone men in Ranger deserve much credit. Year in and year out, they drive more and more "safe" miles. Thanks to their records and similar ones established by telephone drivers in other cities, Southwestern Bell again won the National Safety Council's Award of Honor in 1956.

DON'T RUN! REACH!

Next time your telephone rings, think about this: Can you reach out and answer it . . . or do you have to run for it?

Is it handy? Or is it in some out-of-the-way place? The cost of having telephones wherever you need them around the house is surprisingly low, especially in comparison to the comfort and convenience they give you.

Each extension phone costs only \$1.10 a month plus a one-time installation charge.

Why don't you call or come by the telephone business office? Let us help you plan complete, convenient telephone service. More and more people are learning the modern idea is to have phones within easy reach.

Call by number. It's twice as fast. SOUTHWESTERN BELL TELEPHONE COMPANY

What the people of Ranger must
realize in this 1958 United Fund
Drive is that every penny of the
\$4,840 MUST BE RAISED! That
amount is just about half of what
the agencies said they needed.

It means also, that everybody
is going to have to give at least
as much as they did last year,
and then a little more. We are
trying to raise \$4,840 as com-
pared to \$4,676 that was ACTU-
ALLY RAISED last year.

Thirty-four of the town's best
citizens have been appointed Group
Captains in the drive and they
have promised to serve. They, in
turn, will appoint their own help-
ers. It is up to the Captains and
their helpers to work every single
individual card and not be satisfied
with a little "hush money" as
a donation to the United Fund.

All citizens are asked to fix
their donations in their minds
NOW, and be ready to give
when the workers call on them
the FIRST TIME AROUND.
All of these workers are taking
time off from their own busi-
ness to call on you, and you
know, yourself, that they should
not be required to make several
return trips.

Ranger's United Fund Budget
this year is a "Down to Earth"
Budget. It is low to start with—
the LOWEST IN THE COUNTY,
except for the very small towns.
It is hoped that the Budget can
be put over the top in record-break-
ing time, and let's get it out of the
way quickly.

See it Live!

Cyrus K. Holliday Recalls Pioneer Days of Railroadng

Famous Antique Train To Be Shown In Dallas At State Fair of Texas

An antique train reminiscent of the pioneering days of railroadng will be exhibited by the Santa Fe Railway at the 1957 State Fair of Texas, Oct. 5-20.

The famous old Cyrus K. Holliday locomotive, a replica of the original engine which hauled the first freight and passengers over the Santa Fe line in Kansas in 1869, will be brought to Dallas along with its two ancient wooden coaches.

The diminutive locomotive has the famous "diamond stack" with a brass eagle figurehead gracing the engine head, a big oil-burning headlight, brass fittings and other paraphernalia of the early days of railroadng.

Although the locomotive is but a replica of the original, the present Cyrus K. Holliday ranks as a museum piece in its own right. Built in 1880, the old engine was subsequently downgraded to a switch locomotive and finally withdrawn after 60 years of active service.

Restored to its original appearance, the train has been used many times in movies of the old West. The engine still operates under its own power.

With the Cyrus K. Holliday, the State Fair will have on exhibition trains spanning nearly 90 years of rail progress. The Texas & Pacific Railway Company will exhibit its old retired steam locomotive No. 909 and one of its crack modern Texas Eagle streamliners. In addition, the Fair's Monorail line, only such system operating in the U. S., offers a sample of yet another type of rail transportation said to hold great promise for the future.

AROUND RANGER COLLEGE CAMPUS
By College Staff

Among the new girls on the Ranger College campus this year are several students from nearby towns. Wanda Payne and Patsy Jackson are here from Carbon. From Eastland we have Barbara Dalton, Earline Turner, Sylvia Iatham, and Mattye Jo Bentley. Here from Abilene is Barbara Mauldin.

Among the boys are Tommy Joe Burleson, Charles Morgan and Carol Sandlin from Carbon; Don Fox, Glenn Herring, Bill Halladay and Charles Hutto Jr. from Olden; Don Blackmon, Floyd Haynes, a returning student who attended Ranger College the first semester of last year, Darby McCrary, Gilbert McDonald, a sophomore, and Jimmy Phillips come from Eastland. Don Mitchell from DeLeon is also a returning football player who started with the Ranger team last year but withdrew because of injuries early in the season.

Of the freshmen students at R. C., there are nineteen from Ranger. They are Jerry Cantrell, Sue Garrett, Gene Bagwell, Deanna Fakin, Clifford Estes, Deanne Hazard, Joe Harper, Jonell Penney, Frankie Landtroop, Wilda Sides, Lanny Smith, Carolyn Weaver, Charles Tibbels, Paula Angus, Edward Blackwell, Helen Carroll, Barbara Rodgers, Charles Bonney, Sherry Baker, Rayburn Hogan, Roger Kelly, Robert Lockwood and Leon Rodgers.

Those majoring in Business Administration are Paula, Gene, Helen, Deanna, Joe, Roger, Bar-

bara, Wilda, Lanny, Carolyn and Leon. Edward, Robert, and Charles Tibbels are majoring in agriculture, while Jerry and Rayburn are making physical education their goal.

Sherry is majoring in elementary education; Jonell, in library science; Frankie, in pharmacy; Charles Bonney, in archaeology; Clifford, in engineering; and Sue, in interior decorating.

This year's high-stepping Range-anna gave their first performance at halftime of the Rangers' first home game September 21. They were led on the field by Captain S o n j a Irwin, assisted by Lieutenants Donna Blackwell, Charlotte Clark, Doris Nabers and Patsy Shaffer. Following, Captain Kay Vaughn did a twirling routine in a striking white leotard.

The Rangeannas continued the show with their routine, "Satan Takes a Holiday." The music was furnished by the Ranger College band directed by Mr. Al Lotspeich.

Bulldogs-

(Continued from Page One)
over, all right, but fumbled on the other side and it was recovered by a Bearkat.

Putting the ball in play on the 20, the Cats tried a series of downs which resulted in a net loss of 12 yards, and then they punted. Ranger took over on the Bearkat 41 from where a pass from King to Wolford was good for 13 yards, and with third and two to go on the 20, Wharton went off tackle for the distance and 6 points. Wolford converted and it was 7-0.

Two DeLeon Players Lost
It was only a few moments before this score that DeLeon lost the services of its star halfback, David Whitehurst, who left the field and the game with a sprained ankle, and a few moments after the score the Bearkats lost one of their best linemen, Jackie Morgan, a guard, who went out with a torn cartilage.

Ranger's second score came with 3 1/2 minutes left in the second quarter after King had intercepted the Bearkat pass deep down on the Ranger 7. With the aid of good ground gains by Wharton, King, Underwood and Basham, and a 9-yard pass to Wolford and a 17-yard pass to Underwood, the Bulldogs wound up with a first and ten on the Bearkat 31. From this point Wharton took off on another sweep around end and went over for a touchdown, but it was ruled that he stepped out of bounds and the ball was brought back to the 15. Underwood picked up and then Wharton got the last 10 off right tackle. Wolford again converted making the score 14-0.

Basham Intercepts One
The Bulldogs kicked off and the Bearkats put the ball in play at midfield. Their first play from scrimmage, a pass, was intercepted by Basham, and from that point Ranger marched right on down for another score without giving up the ball, with Wharton going around left end for the final 6 yards. Wolford missed the point and it was 20-0 with 30 seconds left in the half.

Beginning the third quarter, Ranger kicked off, the Bearkats tried three plays, fumbled, and Ranger recovered. From midfield the Dogs went all the way again with the drive being sparked by a 10-yard pass, King to Wolford, another one just like it, three or four good running plays, and on an option King went the final 12 yards around right end with Wharton clearing the way. Wolford converted and it was 27-0.

Another Bearkat Fumble
Again Ranger kicked off and this time it took the Bearkats only two plays to fumble with the Bulldogs recovering on the "Cat 31. A pass, King to Basham accounted for the next score and Wolford failed to convert, making the final score 33-0.

The fourth and final quarter was taken up with the Bearkats trying desperation passes and the Bulldogs quick kicking it back to them every time the ball went over. The Bulldogs ran only four plays in the fourth quarter, but picked up 58 yards for the statistics, at that.

NEW SANITARY CHARGES
In the Ordinance regulating sanitary charges, or trash pick-ups, it was announced that homes in residential areas would be charged \$1.00 a month with pick-ups to vary each month according to need, but with the minimum of one pick-up a month guaranteed.

The sanitary charge in business areas has been announced as from \$2.00 to \$30.00 per month with one pick-up daily for six days a week. The charge will be made according to volume, and the volume is to be determined by some official appointed by the City Commission.

The Ordinances regarding all three departments also stipulated that a 10 per cent penalty would be added to all bills on the 11th day of the month which remained unpaid after the 10th day of the month, and that service would be discontinued as of that date, and until such time as the bills were paid.

READ THE ORDINANCES
It is suggested that all citizens turn to the Ordinances elsewhere in today's issue of the Times and read them in full for a more complete account of the rules.

Commissioners-

(Continued from Page One)
The county gets its money. A total of \$121,836.44 will come from ad valorem taxes, O'Brien estimates (using the 80 percent collection figure.) The county's share of the automobile license tax is estimated at \$110,000. Fines will bring in \$7,000 and \$9,607.50 will come from lateral road surpluses. The county's share of the State gasoline tax is estimated at \$9,870 and \$1,400 will come from the county farm. Fees of office will bring in an estimated \$52,150, revenue from poll tax sales will be \$100, trial fees are estimated at \$600, rent of county property will bring in \$420 and stenographer's fee will amount to \$75, it is estimated.

HIGH VOLTAGE!

A convict cowboy seems to be headed for trouble as his thrashing, thundering Brahman Bull takes off for the "Wild Blue Yonder." The above action shot was taken at the Texas Prison Rodeo at Huntsville. This is just one of the many thrilling events offered at the 26th annual Prison Rodeo each Sunday during October in the prison's million-dollar stadium.

County History-

(Continued from Page 1)
brought William Cameron & Company's lumber business at Eastland, and also established the first lumber yard at Cisco. Later he engaged in the stock business and bought a ranch six miles north of Cisco, which he still owns.

In 1887 R. M. Hall, state land commissioner, appointed Mr. American state surveyor and classifier, and in this capacity he worked for the General Land Office of the State of Texas and the Southern Pacific Railroad Company for two years, surveying lands classifying some thousands of sections of land.

Finishing this work in the Spring of 1890, he has since made his home in Cisco, where he has engaged in various business enterprises. At the present time he supervises one of the largest gineries in Cisco, which, in addition to his square bale press, he operates the pioneer round bale press of the county.

PIKES PEAK CLIMB SHOWS WHY YOUR CHEVY WILL KEEP ON GOING...KEEP ON SAVING!
It takes a totally rugged truck with tremendous pulling power to climb Pikes Peak to the top without using the road. Yet that's what a Chevrolet pickup did... kept on going up towering grades, over miles-long boulder fields and through the thin air of altitudes up to 14,110 feet. It fought through a "no man's land" that appeared too difficult for any truck. This truck was equipped with the same sturdy components you can get with your light-duty Chevy!
