Charlotte Clark Crowned Sweetheart

H-S Buttons Defeat Ranger College 22-13

What's cookin'?

The only radio we turn on these days is the one in the car, but between the cigarette people and the chicken feed people we hear absolutely nothing.

Never before in history have so many millions of dollars been spent, or so many outlandish claims made, about a little thing that is only three-quarters of an inch long and one-quarter of an inch wide—and that's the cigarette filter.

But the chicken feed companies are just about to catch up to the tobacco people in killing radio time, more especially in the early morning. One of them comes up now with an electronic computer that tells them how to mix their laying rations, and if you will buy some of this electronically computed chicken feed you can get lousy rich in the egg business.

They turn on this thing and feed a lot of facts and figures into it along with a batch of vitamins and minerals and antibiotics and calcium and lime and oyster shells and rooster talk, and germ killer, and this electronic brain whirrs around and stirs everything up good and produces a formula that has a never been equaled when it comes to mixing laying feed.

As a result of listening to all this, we are just now beginning to realize that some 35 or 40 years ago we must have been one of the greatest mathematical geniuses that ever lived, and didn't know it. Feeding the chickens was one of our jobs. We would go down to the barn and somehow or other our hidden genius would tell us just exactly how many ears of corn to shuck. Of course, we didn't know we were exuding electronics at the time, but that's what we were doing, all right.

Then we would take this corn outside in the chicken yard and start shelling it and we would compute it by the handful all around everywhere. Somewhere back in our brain our great mathematical genius would tell us just exactly where to quit, and that would be when we got down to the last cob.

We are bound to have computed it in just exactly the right proportions, too, because we would go around later with a basket and pick up eggs by the bushel, the biggest, nicest, most beautiful eggs a person ever saw, and you could bust one of those things in a skillet and it would literally stand up on its high feet and look at you instead of flattening out all over the pan like it was sick and exhausted.

Of course, as great a genius as we were in mixing chicken feed with our built-in electronic computer, we don't claim a t h credit for those eggs because our hens had a supplementary diet. They didn't have the super-dietamins and other super-dupers they get today at the feed store, but they had it just the same. They got it chasing grasshoppers and bugs and scratching around for rocks and gravel, and occasionally they would get a desert of (Continued On Page Four)

Game At A Glance	
"RANGERS"	"BUTTONS"
6 First Downs	13
129 Rushing Yards	179
25 Passing Yards	68
1 of 8 Passes	5 of 13
4 Interceptions	3 for 38
4 for 20 Punts	5 for 35
3 for 15 Penalties	5 for 35
2 Fumbles	3

The Ranger College football team played a whale of a good ball game Friday night at Bulldog Stadium to have to lose it to the Hardin-Simmons University Buttons by the score of 22-13.

A splendid turn-out of Ranger fans witnessed the game, and a highlight of halftime ceremonies was the crowning of Miss Charlotte Clark, of Mosquero, New Mexico, as Ranger College Football Sweetheart for 1957.

The crowning took place at mid-field with the colorful Keweenaw engaging in the ceremony and co-

captains for the night, George Boynton of Quanah, and Glenn Schmanke of Topeka, Kansas, performing all the other honors.

To give some idea of the fight the Rangers put up in their efforts to capture a victory for the home folks, slashing, bone-crushing tackles threw the Buttons for a total loss of 104 yards, although the lads from Abilene managed to rack up a net of 179 yards rushing in spite of the losses they suffered.

The Rangers also intercepted four of the Button passes and recovered three of their fumbles, made at least two goal line stands and drove to within spitting distance of the promised land twice, in addition to making the two touchdowns for their 13 points.

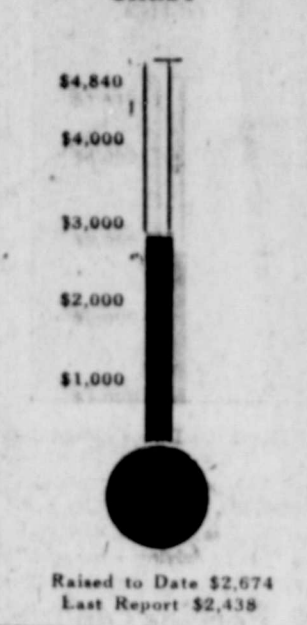

The Rangers first touchdown came as the result of a pass interception in the third quarter when halfback George Boynton nabbed a Button aerial at almost exactly on the mid-field stripe and raced the distance for six points. Halfback Marvin Crawford kicked the extra point.

The second Ranger College touchdown came when the Rangers took a short punt on the Buttons 40-yard line. After three incomplete passes, Lawrence Clayton ripped for 13 yards and a first down on the 27. Dick Maxwell plammed through for five to the 22 and then Clayton went through a broken field for 22 yards and a touchdown in one of the classic bits of running turned in all night by either team. He had come into possession of the ball on a play that had all the earmarks of somebody having missed a signal, but the fleet Ranger reversed his field and ran through the entire Button team without being slowed down. Bill Johnson missed the extra point.

Hardin-Simmons scored first when fullback L. Van Alstine went on a rampage following a blocked punt that gave the Buttons possession of the ball on the Ranger 40. Van Alstine ripped off gains of 20 yards and 10 yards before plunging through the line for the final 4 yards. Halfback John Bradshaw failed to convert.

Dallas Christian intercepted a Ranger pass in the third quarter to set up a field goal attempt which Fields attempted with the line of scrimmage being on the 15. His kick traveled some 25 yards for a perfect 3-pointer. The Buttons later recovered a Ranger fumble on the Ranger 26 that set up another third quarter score with quarterback Harold (Continued On Page Four)

RANGER COMMUNITY CHEST

All Clubs, Classes, Groups Asked to Help Com. Chest

Directors of the Ranger Community Chest made an appeal today to all Clubs, Groups, Organizations and Classes to make a contribution to the Chest and thereby give scores of their members an opportunity to donate what might not otherwise be called upon.

It has long been the custom of such organizations as the Lions Club and Rotary Club to give, as a club, to the Community Chest, over and above gifts that individual members might make.

The 1947 Club, the 1926 Club, the Masonic Lodge, and some few other organizations have also been regular donors in the past, and it is suggested that the practice be extended to include every group of people in town.

All social and religious clubs are asked to give a club donation, and every organized class including Sunday School Classes and classes in the public schools are asked to give.

Clubs Can Reach Many By extending the Community Chest Drive to take in all groups of people, from the smallest bridge club to the biggest civic club, literally hundreds of people will be given an opportunity to contribute that will never be called upon by a campaign worker. It is said that sixty percent of the people in Ranger did not give to the drive last year because nobody called on them.

It has been noted that many organizations within the city go all out for some drives including the staging of huge benefits, and it is pointed out that nothing during the year means so much to Ranger as the Community Chest Drive because it supports so many things in Ranger for Ranger people.

Everything that can possibly (Continued On Page Four)

L. H. Taylor Retires After 35 Yrs. Service

Mr. and Mrs. Lew H. Taylor, long time residents of Ranger and prominent members of the First Baptist Church where he was a member of the board of deacons, have retired from work after 35

LES H. TAYLOR

Fawcett Raises One-Pound Pears

Tell David A. Fawcett on Spring Road that you want a pound of pears and he'll hand you one pear. That's the size of some whoppers that grow on a tree in his yard, and they are said to be just as good as they are big.

Callie's Gives Coffee Receipts To Comm. Chest

With so solicitation from anyone, Mrs. Callie Ainsworth, owner of Callie's Cafe, across Austin Street from the Paramount Hotel, gave the entire day's receipts from her coffee sales Thursday to the Community Chest.

Mrs. Ainsworth usually charges five cents for coffee, but on this special occasion she charged ten cents, and her contribution amounted to \$12.34.

Letter Crossley, head of the Community Chest Drive, said the gift was appreciated and he wished it could be arranged so that every business in town could work out a similar deal whereby a small portion of their sales on some item could be given to the Chest.

Phonograph Duck Calls Against Law

Don't plan to use an electronic duck call or a phonograph record for calling ducks this season, is the warning of the Director of Law Enforcement of the Game & Fish Commission.

Conventional mouth callers are still permissible, however. The standard penalties for taking migratory birds now prohibit the taking of such birds "by use or aid of recorded bird calls or sounds recorded or amplified imitations of bird calls or sounds." The maximum penalties call for a 6-month jail sentence, a fine of \$200 or both.

Deer, Wild Turkey And Other Hunting Dates Announced

There will be a 15 day hunting season on both deer and wild turkey in the Alabama Creek wildlife management area of Tyler county, it has been announced by the Assistant Director of Wildlife Management of the Game & Fish Commission.

On wild deer, the season will be Nov. 16 to Nov. 30, both days inclusive, with a bag limit of one buck with prongs or antlers. Shot guns using slugs or rifles, except 22 rim-fire, may be used for taking.

The season is the same on wild turkey, with a bag limit of one cobbler.

The squirrel season will be from Oct. 15, until Jan. 15, with a bag limit of 10 and a possession of 20. Quail shooting will be Dec. 1 to Jan. 16, both days inclusive, with a bag limit of 12 and possession of 24.

Taking of fur-bearing animals is allowed from Dec. 1, to Jan. 31. They can be either shot or trapped.

The Alabama Creek area is an U. S. Forest Service land, under regulatory authority of the Game & Fish Commission.

Farm Bureau to Hold Convention

Annual convention of the Eastland County Farm Bureau will be held in Eastland Tuesday at 7:30 p.m. The convention will be held in the basement of the First Methodist Church.

Mitchell Campbell, president of the county, is being considered. One will deal with farm-to-market road, another with another with the permanent school fund and the third will deal with problems of rural communities. Campbell urged all members to make plans to attend the convention and express their views.

NEW FORD PICK-UPS ONLY \$1495.00 See ELLIOTT MOTOR CO.

Aid For Hernandez Family Still Sought

Financial assistance for Mrs. Transito Hernandez began to come in Friday morning and continued slow but steadily all day, and other gifts were being received Saturday for the unfortunate family for whom the Altar Society of St. Rita's Church made an appeal through the Times Thursday.

Gifts ranged from \$1.00 up to \$20 in cash, and many people brought clothing to be turned over to the family.

Collection places for both money and clothes, as well as for food or any other donations, were designated by the women of the Altar Society as Lilly's Rexall Drug, the O. K. Grocery and the Ranger Times.

Although the money was much slower to come in than was expected, Ranger people who gave it gave from the heart and it was inspiring to see them walk up and come to the aid of a family suddenly stricken by tragedy overnight and left in heart-breaking circumstances that they could do nothing about.

Exact Amount Not Determined The exact amount of the offering has not yet been compiled, but it is still going on, and all who wish to give to the unfortunate family may do so Saturday, or any time next week. If the Times is authorized to do so, it will print the names of every person who gave.

Mrs. Hernandez lost her 35-year-old husband, Transito, on Tuesday, Oct. 8, when he was asphyxiated while painting the interior of a cistern. She was left with eight small children ranging in age from six months to 12 years.

Mrs. Hernandez was left with all the expenses attending the funeral.

Arkansas Troops Cost Taxpayers \$100,000 A Day

A news article in the Dallas News of last Thursday stated that Eisenhower's use of troops around Central High School in Little Rock, Ark., has cost the taxpayers about \$100,000 a day.

The troops have now been there for 30 days at a cost of \$3,000,000. Schooling, therefore, for each of the nine Negro students, has cost the taxpayers about \$350,000 per student, per month.

In contrast to this amount of money, it cost only \$227,280 to operate the entire Ranger Public School System during the entire year of 1956.

Prison Rodeo Draws 25,000 Each Show

Third performance of the spectacular Prison Rodeo will be held off on Sunday, Oct. 20, and the day has been proclaimed by Governor Price Daniel as "Louisiana Day" in honor of neighbors residing east of the Sabine.

But O. B. Ellis, prison director says the big show will be attended by hundreds of Texans from North, South, East and West, as more than 25,000 spectators at a time witnessed the first two shows on the first two Sundays of this month.

The Texas Prison Rodeo has become so big that the 20th Annual Show is being held in a new million dollar stadium at Huntsville, and it has been proclaimed by old cowhands "in the know" as the "brightest rodeo in the world beyond any doubt."

Convict contestants who, during the first performance, were unable to stay atop their tumbling gyration mounts, appeared glued to the advance stock this past Sunday as rider after rider pulled

Premier Exhibits Oil Products In AP Gro. Building

As a part of Ranger's campaign to decorate vacant downtown show-windows for the holiday season, Premier Oil Refining Co., has installed an exhibit of Premier Oil Products in the building formerly occupied by A&P Grocery, across Main Street from City Hall.

David D. Pickrell, superintendent of the Premier plant here, extends an invitation to everyone to visit the building and note the big variety of products bearing the Premier label. It is also pointed out that the raw material for most of these products comes from right here in the Ranger area.

It might also be noted that other firms have decorated windows all over town, and Main Street is all set for the holiday lights which are to be turned on the night of Thanksgiving.

Huge Walnuts From Ed Crawford

Ed Crawford brought the Times a handful of huge English walnuts that grew on a tree in his yard. The walnuts are almost as big as eggs. Ed said something happened, however, to cause the kernels not to be so good this year as usual.

First Rebekah Order In County Organized In '92

(Editor's Note: This is the 30th in a series of articles taken from the book, "History of Eastland County, Texas," by Mrs. George Langston in 1904.)

Rebekah Odd Fellowship Rebekah Odd Fellowship is today a great order; symbolizing in itself strength, unity and sympathy and the desire to help that has made woman such a factor in the organization. And this spirit, which gives force to the principles of Friendship, Love and Truth, bind together more than 200 lives in Eastland County for the purpose of correcting the besetting sin of selfishness and for moral betterment of mankind.

The Good Will Rebekah Lodge, No. 102, of Cisco, was instituted by Mrs. Cynthia A. Brown, Feb. 27, 1892 with 10 charter members. Today there are four Rebekah Lodges in the county—Cisco, Rising Star, Gorman and Ranger—with a membership of over 200 members.

Rebekah Odd Fellowship simply means making the very best life "I count this thing to be grandly true, That a noble deed is a step toward God."

The material for the above was furnished by Miss Alice Eddleman, past noble grand of the Good Will Rebekah Lodge, No. 102, Cisco, Odd Fellowship, as a fraternity,

stands without a peer in number of members, wealth and activities for good. Its Grand Jurisdictions, Subordinate Lodges, Grand Encampments and Rebekah Lodges girdle the whole earth.

Eastland County is blessed with six Subordinate Lodges with a membership of over 300 in line, located at Cisco, Eastland, Ranger, Carbon, Gorman and Rising Star, which are working gloriously for Friendship, Love and Truth, the pillars of which our order stands for the uplifting of humanity.

Cisco is a progressive and up-to-date town, with a population of 3000 people. It is lighted with electricity, has a good system of waterworks, a local and long distance telephone system, two newspapers, two wholesale grocery houses, two railroads, an oil mill, a compress, three drug stores, two banks, one exclusive shoe store, one jewelry store, three hotels, seven dry goods houses, two exclusive military insurers, three blacksmith shops, three wagon yards, two meat markets, a second-hand store, confectionery and chili shop.

The history of the business interests that follow, together with the accompanying illustrations, fairly represent the town as it is today, although one or two large concerns are not included.

Mr. Frank Vernon The subject of this sketch, now deceased, was a most prominent factor in the development of the town from the time he came in 1891, as editor of the Round-Up, until his departure for a climate that would help him to hold the life fast ebbing away.

Having made journalism a life study, he published a crisp, Democratic weekly paper, and became favorably known throughout the state in editorial circles.

He was a prominent member of the Texas Press Association. There are several enterprises in Cisco as evidences of his energy and capabilities, the most distinguished of which are the Public Library, the telephone exchange and first long distance system in the county.

Since he died to be reared, his wife, who has lived here with their three children, and his mother, has done an insurance business, which is steadily growing. Mrs. Vernon is one of four women in the state who handles insurance. (Next Chapter: "The Norton-Lingo Company")

Christian Science

The vital necessity of individual application of the teachings of Christ Jesus will be emphasized at Christian Science services Sunday. Keynoting the Lesson-Sermon entitled "Doctrine of Atonement" is the Golden Text from Psalm 80:19: "Turn us again, O Lord God of hosts, cause thy face to shine; and we shall be saved."
 Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (25:26-31): "Implicit faith in the Teacher and all the emotional love we can bestow on him, will never alone make us imitators of him. We must go and do likewise, else we are not improving the great blessings which our Master worked and suffered to bestow upon us."
 From the Bible will be read the following (II Corinthians 5:17): "Therefore if any man be in Christ, he is a new creature: old things are passed away; all things are become new."

Church of God Services Set

The following is the weekly schedule of services for the Church of God, Straun Road and First St. as announced by the pastor, Rev. J. C. Atkins.
 Sunday School 10 a.m.; Morning Services, 11 a.m.; Evening Evangelistic, 7 p.m.; Y.P.E., 7:30 p.m. Wednesday; and Bible Study, 7:30 p.m. Friday.

Merriman Baptist Announcements

The following is the weekly announcements for the Merriman Baptist Church, Sunday school, 10 a.m.; church services, 11 a.m.; evening service 7:30 p.m.; Wednesday night prayer meeting at 8 p.m.; Rev. Jack Waixer will do the preaching. Everyone is welcome to attend these services.

Carbon School News

By LINDA COLLINS
 Telegram School Reporter

by Linda Collins
 Tuesday the school was really buzzing after we received our pictures. We know that we will all have a wonderful garden this year because of the good pictures.
 Friday we elected the most typical, most athletic, most popular and best all-around student of CHS. Most typical are Larry Greer and Nancy Norris, most athletic are Donald Cook and Ann Mangum, most popular are Larry Greer, and Kathy Underwood and Robert Norris and Maxine Stacy are best-all-round. I think we made a good choice. Don't you?
 The annual staff is really getting down to work on the annual since the pictures have arrived. They are supposed to have one fourth of the annual ready to send to the printers by Nov. 15.
 Oh yes if you want an annual you had better hurry and pay your down payment because Oct. 25 is the deadline. If you don't pay your down payment you will not get an annual. I am sure that you will be sorry if you don't get one when you see how nice they are this year.
 Pep squad girls were sure glad to see it stop raining because if it hadn't we would not get to go to the football game at Lueders. We are hoping that the football boys bring back a victory. A pep rally will be held the latter part of the noon period before the boys leave for Lueders.
 I guess this is all the news from CHS. I will let you know how the football game came out in the next column. Our next game at home will be on Oct. 24 with Star.

TALENTED ARCHER—Despite the loss of his left hand and part of his right during World War II, Jacques Cadet of Dinard, France, qualifies as one of the leading cross-bow and archery experts in the world. Here Jacques prepares to loose an arrow. He has been hired as a consultant on the ancient weapons for the American movie, "The Vikings."

REVIVAL MESSAGES

11:00 "Give Of Your Best To The Master"
 7:30 "The Life You Choose!"

Special Music By Sanctuary Choir
 Evening Music By The Three Church Choirs

ATTEND ALL THE SERVICES THIS LORD'S DAY

FIRST BAPTIST CHURCH

Rev. Perkins Makes Announcements For First Baptist

The revival at the First Baptist Church continues through Sunday evening. Many wonderful and thrilling results have been evidenced throughout the days of the revival.
 Sunday morning Dr. Royal will bring the message on the theme, "Give of Your Best to the Master." Music will be under the direction of J. N. Sutton, and the choir will sing, "No One Ever Cared For Me like Jesus."
 The evening service begins at 6:30 p.m. with Training Union, and the worship service begins at 7:30 with three choirs furnishing the music. The theme for the evening message is "The Life You Choose." You are invited to come hear this closing message, enjoy the song services, and hear the three choirs sing "Wonderful Grace of Jesus."
 Sunday school will be looking up from last Sunday. Officers and teachers are working toward a high goal in Sunday school.
 Rev. Ralph Perkins, pastor, said, "There is a fine Christian welcome extended to every new citizen in our city. You are most cordially invited to all our services. If you do not have a church home, then we want you to make our church your church. Bring your Bible, your family, come praying, and enjoy the wonderful Christian fellowship."
 The nursery is open for the little ones. Germicidal lamps are used in all three nursery rooms. Extreme care and hospital-clean equipment and linens are used. Well trained and capable ladies are in charge of your little ones.

Olden 4-H Club Elects Officers

Olden 4H Club held its first meeting of the year on Oct. 8 at 9:30 a.m. in the home economic building.
 The group met to elect officers for the coming year. The elected officers are as follows: Doris Stewart, president; Dorothy Bayett, vice-president; Irene Tax, secretary-treasurer; Marita Woods, reporter; and Daisy Stewart, council delegate.
 This was the first time for the 4H Club to meet with their leader, Miss Nancy Weathers, assistant home demonstration agent. Miss Sandra Kirkland was the special guest.

HOSPITAL NEWS

David Pickrell, Ranger, is a new patient in the West Texas Clinic.
 Mrs. Betty Wolford, Nicky Ewing, and C. L. Cozby have been dismissed.
 New patients in the Ranger General Hospital are: Mrs. J. C. Price, Ranger, medical; Mrs. L. S. Elder, Bennie Dean, and Derinda, medical; Ranger; Harvey Quinn, Ranger, medical; Mrs. Don Johnson, Cisco, medical; Mrs. E. T. Tucker, Eastland, surgical; Joe Grisson, Ranger, surgical; Mrs. W. R. Parsons and baby girl, Mingo; Mrs. Martha Rush, Ranger, medical; Douglas Browning, Ranger, medical; Mrs. Frank Jones, Eastland, medical; and H. A. Winston, Gordon, medical.

Eastside Baptist Weekly Schedule

The Rev. K. C. Edmonds, pastor of the Eastside Baptist Church, gives the following schedule for the church services:
 Sunday school begins at 9:45 a.m. and the morning worship service is at 10:30. Training Union is at 6:30 p.m., followed by the evening worship service at 7:30. The midweek prayer service is at 7:30 p.m.

Weekly Schedule Nazarene Church

The weekly schedule for the Church of the Nazarene, as announced by the pastor, Rev. Bill Vaughn, is as follows: Sunday School, 10 a.m. Morning Worship, 11 a.m.; NYPS, 7 p.m.; a n d Evening Worship, 7:30 p.m.
 Prayer meeting is held at 7:30 each Wednesday evening. Everyone is invited to attend these meetings.

WEEKEND GUESTS
 Weekend guests in the home of Mr. and Mrs. Jessie Sutton are Carole Ann Pritchett and Charlene Smith, both of Irving, Texas.

MICKY POTEET
PERSONALITY OF THE WEEK

Personality of the Week on the Ranger College campus is Mickey Poteet, son of Mr. and Mrs. James Poteet of Cooper, Texas. Mickey is a sophomore physical education major and plans to coach in the

future. He was a letterman on the 1956 Ranger team and is one of the mainstays at the tackle spot on this year's football squad.

This young man excels not only on the gridiron, but also in the classroom. He is a member of Phi Theta Kappa, national honorary scholarship society, and he was recently elected president of the sophomore class. He was also one of the faculty choices for the freshman Who's Who page in the 1957 Ranger.

Mickey may be said to be rather quiet, but he possesses a very likeable personality. He is tall and broad-shouldered, and he weighs 205 pounds. A brunette with dark brown hair and deep-set brown eyes, he is always neat in appearance and courteous of manner. His even temperament and pleasing ways make Mickey one of the most popular students on the Ranger College campus among both boys and girls.

Among the boys in Cell Block, popular campus name for the athletic dormitory, are both new and familiar faces. The boys returning from last year include George Boynton and Keith Hodo of Quanah, Bud Remynse of Arlington, Mickey Poteet of Cooper, and Glenn Schmanke of Topeka, Kansas. New boys are Billy Johnson of Big Spring, Dick Maxwell and Wiley Wyman of Austin, Wendell Smith of Bynum, Leon Walker of Holliday, Dan Blanton of Newcastle, Marvin "Buttons" Crawford and Gerald Cross of Guthrie, and Clyde Eavtt of Eastland.

Dan and Leon are majoring in engineering, whereas Buttons, Glen and Dick are making business their major. George, Gerald, Clyde, and Billy are going to be coaches.

Thompson-Graham Wedding Set for Halloween Night

Mr. and Mrs. Billy G. Thompson announce the engagement and approaching marriage of their daughter, Eva Jean, to Johnny Graham son of Mr. and Mrs. G. M. Graham of Ranger. The wedding will take place Thursday, October 21, at 8 o'clock p.m. in the Recreation Building.

Mr. Larry Wilhelm will read the ceremony. Miss Thompson will name her attendants at a later date.

Both Miss Thompson and Mr. Graham are first grade students at Hodges Oak Park school and will continue their education after the wedding. Several parties complimenting the couple are planned for the future. The public is cordially invited.

(The above, as you may readily guess, is a Halloween stunt being prepared by Hodges P-TA, but just what it is, we'll have to wait for further details.)

Oil Exhibit To Be Given By Mrs. Ted Sparling

Ranger art lovers will have an opportunity Sunday, Oct. 27, from 2 until 5 in the afternoon, to view a private showing of oil paintings to be held by Mrs. Ted Sparling in the Community Club House. Everyone is invited.

Mrs. Sparling has been painting for three years, and has studied under Lela Wilson of Crane, widely known Southwestern artist.

Mr. and Mrs. Sparling were long-time residents of Ranger up until five years ago when they were transferred from here by Lone Star, with whom Mr. Sparling is associated. They returned to Ranger for permanent residence last May.

Among the paintings to be exhibited by Mrs. Sparling are such subjects as Covered Wagon, Point Leo, California, Prairie Cactus, Cactus of the Desert, Pony Drinking, Water Mill, Hamiltonian Trotter, Old Fashioned Sunflower, Snow Scene, Baskets of Yellow Roses, Spring in the Swamps, Spring in Holland, Springtime, Moonlight in the Fall, Waterfall, and many others.

VISITS PARENTS
Ray Falk, who is attending college in Austin, visited his parents, Mr. and Mrs. G. H. Falk, last weekend.

New Pumpkin Chiffon Dessert

Pumpkins and doughnuts, traditional fall foods are combined in these luscious fluffy pumpkin-pecan chiffon doughnut squares. Canned pumpkin puree and powdered sugar doughnuts from your grocer's ready-to-eat cake department form the basic ingredients. Pumpkin Chiffon Squares are wonderful party desserts because they may be made up and kept until time to serve with no last minute bother.

Pumpkin Chiffon Doughnut Squares
6 powdered sugar doughnuts 1/4 teaspoon mace or nutmeg
1 tablespoon gelatine 1/4 teaspoon allspice
1 cup cold water 1 1/2 cups canned pumpkin puree
1/2 cup brown sugar 3 egg yolks, beaten
3 tablespoons molasses 1/2 cup milk
1/2 teaspoon salt 3 egg whites
1/2 teaspoon cinnamon 1/2 cup granulated sugar
1/2 teaspoon cinzner 1/2 cup chopped pecans

Split doughnuts into 2 equal circles. Place 6 doughnut halves, cut surface up, in bottom of a shallow oblong pan (10 x 6 x 2). Soak gelatin in cold water 5 minutes. Combine and mix brown sugar, molasses, salt, spices, pumpkin, and egg yolks together in the top of a double boiler. Place over hot water and cook until mixture thickens, stirring often. Cool mixture until it starts to set. Beat egg whites until they form soft peaks. Add sugar one tablespoonful at a time beating mixture until stiff and glossy. Whip partially congealed pumpkin mixture until fluffy; fold meringue mixture and nuts into pumpkin. Pour into oblong dish atop doughnut halves. Top with remaining doughnut halves placed cut side down. Chill until mixture has set. Serves 6.

'American Heritage' Program Is Presented at 1920 Club Meeting

The 1920 Club met Thursday, October 17, for its regular meeting, with Mrs. Richard E. Henderson as leader.

A novel American heritage program was presented. The theme was "The Good Old Days." When

the roll was called, each member answered by giving a pet remedy of her grandmother. Each member brought an heirloom and told the club its history.

At the end of the program, Mrs. Henderson gave out a quiz on the period from 1920 to 1940.

Those present were: Mmes. T. J. Anderson, M. H. Hagaman, R. L. Hamrick, Charles Hummel, J. Floyd Killingsworth, M. L. King, A. N. Larson, J. E. Matthews, Anna McEver, Saule Perlestein, J. T. Roberson, G. B. Rush, B. A. Tunnell, Boone Yarbrough, and the leader, Mrs. Henderson.

Mrs. J. E. Matthews' sister, Mrs. J. E. Morgan of Dallas, was the only guest.

Women's Activities

October 19
The Merriman Cemetery Association will meet Saturday, Oct. 19, at Merriman.

October 21
The WSCS of the First Christian Church will meet Monday, Oct. 21, at 3:30 p.m. at the church. Mrs. Stanley McAnelly will be in charge of the program on Japan.

October 21
There will be an important meeting of the Teen Town Mothers' Club Monday night, October 21, at 7:30 p.m.

October 23
The New Era Club will meet Wednesday, October 23, in the home of Mrs. Alex Roberson, with Mrs. Addie Harris as co-hostess.

The program topic will be "What is an American?" with Mrs. B. S. Dudley, Jr., as leader and Mmes. Arthur Deffebach and W. F. Creager taking part. A parliamentary drill will be conducted by Mrs. Buck Wallace, parliamentarian.

October 24
The First Christian Church CWS Ladies will have their monthly luncheon and missionary meeting at the church on Thursday, Oct. 24, at 1:00 p.m.

All the ladies are urged to be present and each lady is asked to bring colored construction paper and crayons to be sent to the Jarvis Institute. Each one is also reminded to bring her coupons.

Mrs. D. L. Penney Is Hostess To AAUW Thursday Evening

The Ranger branch of the American Association of University Women met Thursday evening in the home of Mrs. D. L. Penney, with Mrs. Jettye Ballenger as co-hostess.

The subject of the meeting was "Cooking Can Be Fun," and to prove that that is so, guests were given cook aprons upon arrival, and guests and hostesses cooked and served a dinner.

After the dinner, Mrs. Penney gave a report on "How to Make Cooking Fun." During her report, she demonstrated several electrical appliances.

Those attending were: Mmes. M. L. King, George Rushion, Pat Thomas, Howard Oliver, Vernon

Past Presidents Are Honored by P-TA of Olden

Olden P-TA honored past P-TA presidents with a unique candle lighting ceremony Thursday night in the home economics building.

Each past president lighted a candle and the present president, Mrs. A. E. Fox, lighted the last of the candles and led in prayer.

The past presidents honored were Mmes. Z. W. Cook, Ruby Smith, Mable Matlock, Stella Jarrett, Gilbert Copeland and Jim Everett. A panel discussion was held on "Training, Health and Happiness of Our Children." Mrs. Matlock was moderator. Rev. and Mrs. Carroll Herring represented the pre-school group; Mr. and Mrs. Richard Robinson, primary group; Mrs. Archie Kelly and Mrs. Homer Lawrence, junior high; and Mrs. Travis Reese and Mrs. De Alva Edwards, high school.

Plans for a basketball game between the P-TA and high school were made. The P-TA women will play the high school girls and P-TA men will play the high school boys. The game is scheduled for Tuesday, Oct. 25, at 7:30 p.m. in the Olden gymnasium. Proceeds of the game will go to the P-TA.

Bluebird Group Has Meeting

The "Happy-Go-Lucky" Bluebirds met at the home of Mrs. Bob Gore, sponsor, for their regular meeting Wednesday, Oct. 16.

The following members were present: Sherry Vinson, Dorothy Ewing, Janice Stephens, Dorothy Ann Oliver, Jo Ann Hamilton, and Bobby Lee Gore.

RELEASED FROM HOSPITAL

Mrs. Earl Horton was released from the Ranger General Hospital Wednesday and is reported to be feeling better.

HERE FROM ODESSA

Guests in the home of Mr. and Mrs. Earl Reeves are her aunt and uncle, Mr. and Mrs. Jim Jones of Odessa.

WEEKEND GUESTS

Mrs. Lucene Clark of Mesquero, New Mexico, and Mrs. George Clark and Virky of Fort Worth are visiting Mr. and Mrs. Felton Brashear, and Charles and Charlotte Clark who are attending Ranger College.

VISITS PARENTS

Mr. and Mrs. W. C. HENUS of Kilgore visited her parents, Mr. and Mrs. W. H. McGee last week.

ATTENDS UNCLE'S FUNERAL

Mrs. H. W. Sims attended the funeral of her uncle, Mr. Charlie Keel, in DeLeon Thursday. The funeral was held in the First Baptist Church.

VISIT IN WACO

Mr. and Mrs. Lloyd L. Bruce visited in the home of Dr. and Mrs. W. H. Clarke of Waco Wednesday. Dr. Clarke is a former pastor of the First Baptist Church in Ranger.

What's Cooking-

(Continued from Page One) kitchen scraps. Maybe you think they wouldn't fight over that stuff.

Those corn-fed eggs, along with a healthy slice of corn-fed ham and some red-eye gravy, is a stack of hot biscuits, really went good for breakfast. And, of course, a generous helping of home made ribbon cane syrup is mighty good with that stuff. It is, especially when you mixed some of it with that red-eye gravy.

The chicken feed people spend a lot of time telling you on the radio that by feeding their electrically computed laying ration you can produce eggs for as low as 17 cents a dozen. But in our day we don't suppose those eggs cost more than a penny a dozen to produce, if that, maybe half a penny, maybe not that much.

We don't see how we ever made it through those dark ages when we didn't have the radio to tell us what to do, and we just had to shift for ourselves, but we managed to make it.

And just think, back in those days there was no such thing as a cigarette filter to keep us from dying of lung cancer.

That's what we say—it's a wonder we ever got this far.

IT'S THE LAW in Texas

STOCK CERTIFICATES, CAPITAL REQUIRED TO START CORPORATE BUSINESS

Every corporation organized under the Texas Business Corporation Act is required to deliver stock certificates to its shareholders.

And, as a protection to corporate creditors, a certain minimum amount must be received by a corporation for the issuance of shares of stock before it commences to transact business.

Formerly, a corporation was required to have received \$1,000 or ten per cent of its total capitalization, whichever was greater.

However, the 1957 Amendments to the Texas Business Corporation Act have removed the second requirement. Now it is only necessary that a minimum amount of \$1,000 have been received for the issuance of shares before the corporation commences business.

There is no requirement that the organizers earmark any money at all for the corporation before filing the articles of incorporation with the Secretary of State. The requirement is merely that the minimum be received by the corporation before it commences business.

As amended, the Corporation Act permits a corporation to use a reasonable amount of the proceeds received from the sale of its stock to pay organizational and sales expenses without thereby rendering the stock subject to further assessment.

The price to be paid to the corporation for its shares is fixed by its board of directors, subject to the restriction that it be in an amount at least equal to the par value of the shares. The directors may also specify whether payment must be made in cash, or whether payment may be in the form of property or labor performed for the benefit of the corporation.

Stock certificates must be signed by the president or a vice president and the secretary or an assistant secretary of the corporation, or by such other corporate officers as may be specified in the bylaws. If the certificate is countersigned by a registrar or transfer agent, facsimile signatures of the corporate officers may be used.

On the certificates must appear certain formal statements such as the name of the stockholder, the name of the corporation and the number of shares.

name of the corporation and the number of shares. They must also contain a statement of any preferences afforded to any class of shares, any restrictions on the transfer of the shares, and any provisions denying preemptive rights to the stockholders.

As a result of the 1957 amendments to the Texas Business Corporation Act, these statements may be made in full or in summary form of these may merely be a reference on the stock certificate to the document in which a full statement can be found.

Stock certificates are not required to be in any particular form. They need not even be typewritten or printed so long as they contain the statements required by the statute.

(This column, prepared by the State Bar of Texas, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)

All Clubs-

(Continued from Page 1) be done to raise money for the drive must be done," Lester Crossley, head of the Drive, said today. It has been repeated over and over that everybody is going to have to make a gift of some kind, or the Drive will flop again, as it did last year.

20% Have Given To Date It is estimated that up to now, not more than 20 per cent of the people of Ranger have contributed anything at all.

"We hate to drag this thing out until Christmas," Crossley said, "and we would end it in a couple of days if people would take it upon themselves to give, and make their donations without somebody having to run them down."

The trouble is, even when the workers see all of the people whom they are to see, that big 60 percent will still remain uncalled upon, and it is through the clubs and organizations that it is hoped many can be reached. All Club presidents, and all presidents and officers of all other organizations in Ranger, are asked to call special meetings this next week if necessary in order to make a contribution to the Chest.

A total of \$2,674 has been raised to date toward the budget of \$4,840, and it is going to take a lot of hard work and a lot of giving on the part of every single individual if the drive is to go over. Individuals wishing to make gifts may leave their money at City Hall, or it may be mailed to Community Chest Headquarters, Ranger, Texas. Pledges can be made along with cash donations.

Hernandez -

(Continued from Page One) a few other fall and winter needs that he did not have an opportunity to pay for.

Food is Needed A great quantity of food is needed for eight small children and it is not of the type that is usually provided from surplus products offered by the county. The Community Chest and the Child Welfare Club is helping the family, but neither organization can go far enough, or even begin to meet immediate needs that only cash money will provide.

The city-wide offering being taken for Mrs. Hernandez is being sponsored by the Altar Society of St. Rita's Church, and members of the society appeal to everyone to give some small amount if they feel they can afford it. It will greatly benefit a fellow townsman who is desperately in need of assistance right now.

How To Give

Any money anyone wishes to give can be left at Lilley's Rexall Drug, the O. K. Grocery Store or the Ranger Times. All money will be carefully acknowledged and turned over to the Hernandez family.

ATTEND FAIR

Mrs. Bob Gore, Donny, Hobby, and Vicky, attended the fair in Dallas last weekend.

ABOUT YOUR HEALTH

A weekly public service feature from the Texas State Department of Health. HENRY A. HOLLE, M.D., Commissioner

AUSTIN — One of the paradoxes of civilization has been that each advance in technological know-how that contributes a benefit to mankind usually brings with it some new problem to be overcome.

Unfortunately, many things that contribute to mankind's progress also pollute the air he breathes.

All fuels consumed for heat and power, gases that propel vehicles, airplane tires, construction, rock-crushing, grading, chemical processing, incinerators, pollens from weeds, and other sources are continually adding to the contamination content of the air above areas of industrial concentration.

Air pollution is a problem of all modern communities, regardless of size. Nearly every contaminant that is put in to the air causes some form of damage or hazard even many miles from its source. It is for this reason that every

resident of an industrial, urban and rural community should have a keen interest in the control every source of air contamination in his municipality.

Air is our most important resource, basic not merely to health but to life itself. Great strides have been made through research to identify the sources of dangerous air pollution.

Reduction of contaminants discharged into the air by industrial plants is one of the major contributions of the Air Pollution Control Association, sponsor of the nationwide Cleaner Air Week activities, October 20-26.

This has been effected through installation of a variety of dust and fume collectors, industrial stokers, overfire jets and an assortment of other devices.

While United States industry spends upwards of \$120 million annually on pollution control equipment, many sources of air contamination can be corrected at little or no cost.

Over-abundance of smoke is frequently the result of carelessness and indifference on the part of householders, janitors, railroaders, and other persons involved in the operation and maintenance of power or heating equipment. High weeds and grass produce pollens.

Rev. Rexrode Is New President of Baptist District

Rev. M. D. Rexrode of Haskell was elected president of the Seventeenth District of the Baptist General Convention of Texas Thursday at the annual convention held in the Eastland First Baptist Church.

Rev. Rexrode thus succeeds Eastland's Rev. Harvey Kimbler as head of the \$2,886 member organization. District 17 takes in a 12 county area, including eight associations and 161 churches. Counties in the District are Eastland, Kent, Stonewall, Knox, Haskell, Fisher, Jones, Shackelford, Stephens, Nolan, Taylor and Calahan.

Other new officers elected were Bee Chandler of Clyde, vice president; Bill Frazier of Knox City, secretary; and Charlie Cluck of Abilene, treasurer.

V. C. Walters will be in charge of Vacation Bible School work during the coming year. He is from Cross Plains. Mrs. W. T. Gambill of Stamford was elected director of the Training Union and Mrs. George Graham of Abilene is new W.M.U. president. Jesse Sutton of Ranger will serve as music director and Rev. Earl Sherman of Albany will be evangelism chairman. Cliff Lody of Abilene is new Brotherhood president. Stewardship chairman will be C. D. Sewell of Merkel. Kimbler was named Royal Ambassador leader. Sunday School superintendent will be Wendell Moffet of Breckenridge. Rural Church Achievement chairman is Rev. Burt Royal of Wylie and Rev. Frank Royal of Abilene is chairman of the Forward Program of Church Finance.

H-SU Buttons-

(Continued from Page One) (Hayseed) Stephens going around left end for the final 16 yards. Fields missed the extra point.

The Buttons last score was made when the fourth quarter was about a minute old. Ranger kicked off following Boynton's beautiful 50-yard touchdown run on his pass interception, and the Buttons took over on their own 41. On a quick opening, Charles Bowers went through the middle for 33 yards. Quarterback Stephens picked up 14. Fields ripped off 8, putting the ball on the two, and then Fields went over and kicked his own point after touchdown.

The Rangers, perhaps, couldn't have won the game under any circumstances, but it was the worse officiated game anybody ever witnessed, for both sides. Nothing was called all night by the officials, and half the time they didn't know what to do with the ball after either side had run a play. Both sides were guilty of piling on, both sides were off-side many a time that wasn't noticed, both backfields were continually in motion, and indefigible receivers were all over the field.

On the Buttons successful field goal attempt, one Button lineman was so far off side that he beat the ball across the goal stripe.

Regardless of what type of fuel is used—whether it is coal, oil, wood, or gas — human failure usually creates the smoke with its resultant air pollution.
