## Bulldogs Upset Favored Ballinger 21 - 19

By NORMAN WRIGHT  
Not only did one of our prize readers come to our office and hand us today's column on a silver platter, but several others in Ranger called and asked us if we had seen the piece, and requested that it be printed. Someone from Dallas even sent us a clipping and said they hoped we could use it.

By NORMAN WRIGHT  
Experts to the contrary notwithstanding, the Ranger High School Bulldogs weren't ABOUT to get beat Friday night, not by no Ballinger Bears.

After messing around with them the whole first quarter during which neither team did any damage to the other, and after spotting the Bears a 6 points in the first 30 seconds of the second quarter, the Bulldogs finally exploded for three touchdowns, complete with extra points, to walk off the field with an upset 21-19 victory and a double barrel cinch for runner-up in District 7-AA, even if they don't win the thing, which they just might do.

Victory No Fluke  
It wasn't a fluke victory, either, in which the Bulldogs won the game but lost the statistics. The Bears got beat in every department of the game from first downs on through the list. With a beautifully balanced attack of 295 yards rushing and 123 yards passing, the Bulldogs covered 318 yards in all against an overall total of 200 yards for the Bears.

King's passing and the receiving of Wolford, Yarborough, Eastwood and Anderson left the Bears so off balance they didn't know whether to open up or close up, and whichever they did was wrong. If they spread out to form any kind of defense against the aerials, Wharton, Basham, Underwood and King ripped them apart on the ground.

The Bulldogs played an almost perfect ball game. They didn't fumble the ball but once and that was late in the fourth quarter after all the scoring had been done on either side for the night, and they drew only one five yard penalty during the entire game.

5 Out of 6 Passes  
At half-time, King had completed five out of six passes for a total of 86 yards. Incidentally, the one pass interception of King, taking place on the third play of the game, was the first ball he had lost all this year.

Giving credit where credit is due, Ballinger had a tip top ball club and their halfback Jerry Chandler was a ball-carrying demon and a threat on every down. So was their Calvin Kirk and their Ronald Everett, a couple of backs that chewed up a lot of ground before the game was over.

Although Ranger led 14-12 at the half, Ballinger had the best of the half-time statistics with 161 yards rushing against 70 for Ranger. However, the Bulldogs held a passing yardage of 86 yards against 9 for Ballinger.

### Courtin' too Slow, Snakes Lose Heads

Because they were courtin' too slow right out in the big middle of the road in front of the Jones farm north of Ranger, a couple of rattlesnakes got their heads whacked off Thursday by H. A. Packrus, who happened along in an automobile.

Dr. A. Owen  
Born in Tennessee, Dr. Owen received his literary education at Athens College in that State. He came to Eastland County 20 years ago, and engaged in teaching. The next spring year he went back to his native state for his diploma and together they began to lay by the plan pursued was to get the salary received for teaching into land and cattle, and at that time (Continued on Page Four)

every yard gained, all contributed to the victory. It was a team victory from end to end, with Wolford's extra points spelling the difference.

### Coronation Photo

Photo and story of the coronation of the Band Sweetheart for 1957-58 will be carried in Tuesday's Times.

LT. COLONEL FRANK HATTEN receives congratulations upon his recent promotion from Colonel James L. Daniel, Jr., Commander of the 838th Air Division at Ardmore Air Force Base, Oklahoma. ### Old Folks Urged to Round Up Relatives And Vote Tuesday

All the old folks, everywhere, are urged to put a firecracker under their relatives, and muster up every other vote they can get, and go to the polls Tuesday and vote FOR the Constitutional Amendment that will raise their pensions \$2 a month, maybe.

Needs Full Support  
Although \$2 a month is not much, spokesmen for the old folks want to see a big vote in favor of the amendment because it has been pointed out that there are a certain number of people in Texas who vote against anything automatically, no matter what it is, and there could be enough votes to kill the amendment unless it received heavy support from all the old people and their relatives.

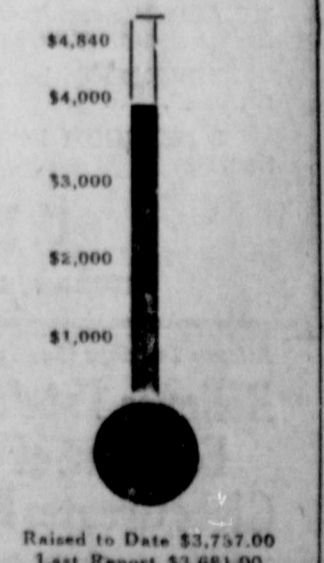

Also to be voted on Tuesday will be two other amendments, (Continued on Page Four)

### Chest Climbs Gradually, Gets Another \$106

Ranger's Community Chest Drive continues to climb gradually as workers have turned in another \$106 since the last report was made Thursday, bringing the total now to \$3,787. This is \$1,053 short of the goal of \$4,840.

Only a very small number of workers have announced that they are finished. It is hoped that a enough is yet to come in from remaining workers to meet the budget, without having to try something else.

### Pastor Makes Announcements For Sunday

"The Test of True Discipleship" will be the theme of the message delivered by Rev. Ralph Perkins, pastor of the First Baptist Church, Sunday morning. Many things are apparent in the scriptures concerning the attitude Jesus had towards his followers. Paul, James, Peter and Luke are very specific about "discipleship," or fellowship.

There will be special music by the sanctuary choir at the morning worship. Sunday school goals have been set for November, and the first Sunday's goal is 310. This will require only 52 per cent of the Sunday School enrollment, but it will require the faithfulness of 100 per cent of the membership.

The evening worship will be taken from Philippians 2:8-30, the theme, "Wonderful Words of Life." The text will be, ". . . rejoicing in the day of Christ." The pastor said, "the only hope of the world is for the love and the saving grace of our Lord and Saviour Jesus Christ to have full sway in the hearts of people. There is sin, strife, and madness afoot in the world. Webster tells us that the word madness means, 'Condition or instance of being mad; lunacy; extreme folly or rage.' The Lord Jesus said, 'Follow thou me.' Follow Jesus to Sunday school and worship service this, His day, for worship. Bring the family. Return to Training Union. Stay for the message. Enjoy the special music Sunday night."

### Second Baptist Announcements

Rev. Ed Scarborough, pastor of the Second Baptist Church, makes the following announcements for Sunday: "Sunday school begins at 9:45 a.m., with a class for every age group and a qualified and prepared teacher for every class. Training Union is on a new time schedule, now beginning at 6:15 p.m.

The evening evangelistic hour begins at 7:30. If you are new in Ranger or do not have a church home, you are invited to come and worship at the Second Baptist where you will find true Christian friendship and fellowship. A nursery is provided for the little ones of the family, so bring them along, too."

### BARBARA NICHOLS PERSONALITY OF THE WEEK

Desserving of recognition, Barbara Nichols, a business major from Ranger, has been named "Personality of the Week" for this week. She is an attractive brunette with gray eyes and a winning smile and stands not over five feet tall. Her parents are Mr. and Mrs. W. C. Nichols of Ranger.

Barbara is an active member of the First Baptist Church. Her loyalty to her church is strongly reflected in her church activities at the college, where she acts as president of the Baptist Student Union. She is secretary of the sophomore class and vice-president of the International Relations Club. She is a member of the chorus and also belongs to the Debs, girls' social club.

Her favorite sport is tennis, a sport which she thoroughly enjoys and one in which she plays a good game.

She has been employed in the insurance office of Mr. C. E. May, Jr., since the summer of 1956.

Before entering Ranger College, Barbara attended Ranger High School, where she was popular in student activities. She was class favorite in her sophomore year in high school and Band Sweetheart her senior year.

This petite young lady is friendly and interested in others and is always willing to lend a helping hand. Barbara is of a quiet and reserved nature; therefore, when

she talks, one may be sure of complete sincerity. Wherever Barbara is seen, she is the same, whether she is in the classroom, in the Student Union Building, in Church, on outings, at home, or on the street.

In the Newell Hall at Ranger College there are thirty-two boys. The returning sophomores in the dorm are Ken Chandler, of Barcelona, Venezuela; Lawrence Clayton, Doug Jordan, Charles Smith, Louis Caveness, all of Rusk; Doug Roark of Quanah; Don Mitchell of De Leon; Bo Nicholson of Denver City; Gene Ashcraft of Clifton; Jody Seal of Albany; Roger Flowers of Falls; James Tull of Vernon; and Jackie Davis of Austin.

Among the freshmen are Jerry Ingram of Quanah, James Holt of Holliday, Forrest Hall of Sinton, Bill Lyle of Falls, Boone Martin of Wellington, Ronnie McPherson of San Diego, California, Carl Sims of McGregor, J. R. Senkel of Graham, Bobby Sullivan of Noodle, Kenny Wells of Sudan, Gilbert Barnett of El Paso, Jimmy Clark of Newcastle, Charles Clark of Mosquero, New Mexico, Arthur Downe of Justin, Jerry Fancher of Haskell, Jimmy Gordon of Spur, Gene Edwards of Graham, and Walton and Ray Dell Fowler of Dalhart.

Of these boys living in Newell Hall there are seven who are majoring in engineering: Ken, Jerry Fancher, Walton, Bobby, Kenny, Louis and Roger. Don, Boone, James Tull and Ronnie are majoring in business. Taking a Pre-med course are Jimmy Gordon and Jackie Davis. Prospective coaches are Gene Edwards, Lawrence Clayton, Doug Roark, James Holt, Jerry Ingram, J. R., Doug Jordan, and Charles Forrest Hall is majoring in science, whereas Gilbert and Arthur are specializing in agriculture. The others are still undecided about their major field.

The girls of the Girls' Dormitory presented a novel program in Assembly Friday, Nov. 1, at Ranger College. Mrs. Frances Jameson, Girls' Counselor, opened the program, after necessary business was transacted, she introduced Doris Nabers, who acted as commentator for the rest of the

program. The first part of the program was a mock trial, at which, Her Honor Miss Gail Bagley was the presiding judge. Defense attorney was Dan Blanton, a n d Donna Blackwell was prosecuting attorney. The jury was made of four girls from the dormitory: Charlotte Clark, Barbara Mauldin, Wanda Payne, and Sonja Irwin. The defendants were Carl Sims and Jimmy Clark, who were accused of raiding the Girls' Dorm. After the jury returned a verdict of guilty, Judge Bagley sentenced the boys to two years at Ranger College and 50 cents fine each.

The trial was followed by a short monologue given by Barbara Mauldin.

After the monologue three couples, Ray Dell Fowler, Elpidia Gonzales, Ronnie McPherson, Doris Nabers, Walton Fowler, and Charlotte Clark performed a circle dance to "Suzy-Q". The program was ended with the singing of the school song.

The Soddy Hawkins dance in the Student Union Building Thursday evening, Oct. 31, was a most successful party and was well attended. It was sponsored by the girls in the Girls' Dormitory, under the direction of Mrs. Frances Jameson, dorm mother. The Student Union Building was cleverly decorated in Dugpatch style. Guests came in hillbilly costumes. Punch and cookies were served from a table which also carried out a hillbilly theme. In decorations there were many clever costumes, but prizes were won by Donna Blackwell a n d Wiley Wyman as the best Daisy Mae and Little Abner.

### Teen Towners Enjoy Party On Halloween

One hundred Teen Towners enjoyed the biggest party ever held at the Youth Center last Halloween night when the place was packed and jammed with regular members and their guests, together with a few parents who dropped in for the evening to witness some of the fun.

Teen Town members had decorated the building with Halloween motifs, and so big was the crowd that the new annex had to be called into service, although it is not quite ready for occupancy.

Teen Towners danced, bobbed for apples, played games and stuffed themselves on cookies. The cookies dropped in for a few moments but left early because they had been ordered to get some sleep before the Barcarol ball game Friday night.

After the party many of the Teen Towners went "Halloweening" but what few pranks were played were minor ones with most of the celebrating being loud noise more than anything else.

## Highway Panel Looks Favorably At Eastland Plea

The State Highway Commission looked with favor Wednesday on a request from an Eastland County delegation for farm to market road construction that would close a gap between Eastland and Stephenville.

The 5.8 mile stretch of unpaved road in question would extend from the end of FM 2214 at a point where it intersects FM 371, southeastward to FM 8 near Deadman. The route is an old trail that was traveled in pioneer days and passed the site of the first courthouse ever built in Eastland County.

L. E. Clark of Deadman told the Highway Commission that more than 90 per cent of the right of way is already pledged and there would be no major drainage structure problems.

The highway department has estimated construction costs to be \$105,000.

The delegation asked the highway commission to give the project priority over all other farm to market projects in Eastland

County. Clark said the county commissioners' court was equally in favor of it.

County Commissioner B. M. Bennett of German and H. H. Williams of Deadman attended the hearing along with Clark.

The highway commission did not give an immediate answer but indicated they may approve the project.

ear unto me, oh my nation, for an order is to proceed from me like none ever proclaimed by those who reigned before me.

"Throughout the kingdom I command that all men, the white, the black, the red, the yellow, and the beasts of the earth and cattle and everything that creepeth shall no longer follow after their kind. The sheep shall lie down with the lion, the mice with the cats, the dogs with the crocodiles. Yea, they shall be together, as one and the same, and to see that they doeth as commanded I have this day ordered my army to proceed posthaste with drawn swords to enforce this decree."

Thus spake King Ike, of the House of Eisenhower.

And it came to pass that the NAACPites marveled at the wisdom of their king, but there was wailing and weeping and gnashing of teeth among those in the kingdom who were lovers of freedom, and they did earnestly protest saying, "What manner of king is this that would in the twinkling of an eye change that which is foreign to the covenant handed down to us by our fathers?"

And it came to pass that King Ike closed his ears to their protests, and the people who believed in constitutional government rose up and smote him down, and all his house fell with him, and great was the fall thereof, and it was heard to the uttermost ends of the earth.

three in all, and they should all receive the backing and support of all Texans.

Amendment No. 1

No. 1 on the list concerns a modernized state employe retirement system, providing a number of fringe benefits regarding occupational disabilities and death. It provides for an optional retirement plan selection after 20 years of service, and for a minimum monthly retirement benefit.

Certainly all employes of the State, who have given their lives in the service of the state, the great big vast majority of them serving at relatively low pay, are due the retirement benefits afforded by this amendment and it should be supported. This amendment will be No. 1 on the ballot.

Amendment No. 3

Listed as No. 3 on the ballot will be a \$200 Million financial aid water amendment. Don't let that scare you. The amendment calls for no new taxes and is self liquidating. This one has the support of Governor Daniel who points to the "urgent need of dams and reservoirs in the state" and says the amendment will make possible such projects. "It is a self-financing plan and it has had in operation a number of retail yards in the State.

The Cisco yard, which has done a continuous business since its establishment in 1881, carries a large stock of all materials usually found in a lumber yard.

A number of men have had charge at different times, but the present manager, H. L. Broadwell, has been stationed here for nearly 13 years. All those who have business with this firm will be welcome callers at the Cisco office.

## Bulldogs

dogs setting up a first and ten on their own 33, and they never let go of the ball until they had made it 7-6. This drive was featured by three perfect passes from King to Wolford for 13, 8 and 13 yards, and a 20-yard run by Wharton. King went over from the one-yard line for the score and Wolford converted.

Following this score, Ranger kicked off and Ballinger never gave up the ball until they had scored their second touchdown. Setting up a first and ten on their own 46, it was again straight power through the middle until Jerry Chandler went over from the eight, and again Lyle Young missed the point, making the score 12-7.

Looked Like Sputnik

The next Ranger score was short, sweet and beautiful. The Bearcats kicked off and Ranger set up shop on their own 42. Three running plays got the Bulldogs down to the Bearcat 43 with a first and ten. With the 43 being the line of scrimmage, King tossed one to Wolford that traveled a good 53 yards through the air. A person would have thought it was Sputnik passing over. Wolford took it over the goal line and then kicked the extra point making the score Ranger 14, Ballinger 12, as the half ended.

The Bulldogs picked up their third touchdown four minutes after the second half started. The Bulldogs opened the half by kicking off to Ballinger. On three plays the Bearcats failed to gain and punt. Ranger took over on their own 36, and a 12-yard pass to Underwood, plus a 39-yard pilgrimage by Wharton, put the ball down around the 9 from where Wharton went over for the Bulldogs final six points, and Wolford converted. The remainder of the third quarter was spent with Ranger having possession of the ball most of the time, but making no further scores.

Bearcats Intercept

The fourth quarter also belonged entirely to Ranger with the Bearcats making only 16 yards from scrimmage during the entire season. However, the Bearcats did intercept a pass tossed by Charles Wolford. End Mack Petty was the lad who nabbed it and he ran 44 yards for the final Ballinger score. Their point after touchdown came on a pass from Young to Chandler.

Following this score, Ballinger kicked off and Ranger fumbled the ball on their first play from scrimmage. However, Yarbrough, Underwood, Wharton and a host of other Bulldogs threw the Bearcats for heavy losses and the ball went back over to Ranger again with eight minutes to go.

The Bulldogs ran out the clock while racking up five straight first downs and they had the ball on the Bearcat 10 yard line, knocking at the door, when the game

ended. Biggest noise being heard at the time was E. F. Arterburn yelling for them to hold on to the ball.

Taken to Ranger General Hospital were Lt. Bell's wife who suffered a cut over her right eye, and his mother, Mrs. Eloise Hintz, who suffered severe cuts on the back of the head. Most seriously injured, perhaps, was the lieutenant's aunt, Mrs. Ida Mae Sanders, who suffered severe bruises and cuts about the head and face, and many stitches were required to sew up her features. Two children, Cheryl Leigh, 3, and Lee Ann, 2, were also injured. Lee Ann was knocked unconscious and both children received head and face bruises.

Some of the injured were required to remain in the hospital overnight for observation, while all other members of the family remained in town.

The Chevrolet driver lived at 2042 Burger Street, Abilene, and was employed by the Gilcrest Drilling Company. He was enroute to Fort Worth, and was uninjured. Lt. Bells also escaped injury.
