85TH YEAR

PRICE FIVE CENTS

A Small City with Big Industry - A Bright Spot for New Industry

RANGER, TEXAS, SUNDAY, NOVEMBER 17, 1957

## Bulldogs Chilled By Blizzards 14 to 6

By NORMAN WRIGHT

The honor and pleasure all belongs to Ranger in extending a hearty handshake and welcome to two special groups that are in our city this week-end, and especially today and tonight.

First of all it is a pleasure to welcome back hundreds of Ex-Students of Ranger College from towns and counties all over the area for their Annual Homecoming Celebration. These students have all spent at least two years of their lives in Ranger as they attended school here, and all of them are just about as well acquainted with the city and its surroundings as some of the everyday natives.

It certainly is a pleasure to have them back on their old stomping grounds, and we hope they enjoy every minute they spend with us, and that they get to meet up with many of their old friends, and that they attend all the nice things that have been prepared for them.

We are especially honored to have so many people here from the fine City of Arlington, home of Arlington State College. Arlington has been called the fastest growing industrial city in America, and her fine Mayor, Tommy Vandergriff, did Ranger the honor to come here last year and deliver the principal address at the 1956 Club Community Improvement Banquet, and did much for Ranger in pointing out new avenues of progress and what it took to achieve some of them.

The special train bearing more than 700 Arlington State College students, together with scores of fine citizens from Arlington, is due to arrive in Ranger at 7:00 this afternoon, and we hope hundreds of Ranger people will be at the depot to welcome the train when it pulls in. There will be plenty of excitement and enthusiasm as only several hundred collegians can generate, and you will enjoy stading around watching the fun.

All those aboard the special train will have already eaten on the train, as that was part of the trip, and when they get to Ranger they will perhaps hot-foot it all over town making their way to the stadium. Ranger people can assist in giving them directions, and directing them to other places around town. The whole idea is to make them feel welcome here, and not just ignored as if nobody knew what was going on. Citizens with cars should offer to carry as many of them to the stadium as possible.

An outstanding ball game is scheduled for the stadium at 8 o'clock. Arlington State is rolling along on the crest of an unbeaten season and they have a winning ball team that Ranger will be seeing in action. Radio Station WRAF will be on hand to broadcast the game live from the stadium. (Continued on Page Four)

LAWRENCE CLAYTON  
... Heads Student Council

### L. Clayton President College Student Council

Recently elected officers of the Student Council of Ranger College include Lawrence Clayton, president, Dan Blanton, vice-president, and Barbara Rodgers, secretary-treasurer.

Lawrence Clayton, the son of Mr. and Mrs. B. H. Clayton of Rusk, is a sophomore majoring in liberal arts. He is vice-president of Phi Theta Kappa, national honorary scholarship society, and belongs to the Masquers, dramatic club. He is a half-back on the Ranger Football team. Lawrence is an active member of the Baptist Church. He is a popular campus student, one whose sincerity and quiet, but friendly manner have won the admiration of both students and teachers. He is industrious, dependable, and ambitious.

Vice-president for 1957-58 is Dan Blanton, son of Mr. and Mrs. H. G. Blanton, Newcastle. He is a freshman majoring in engineering. Dan belongs to the Masquers, dramatic club, for which he is student council representative. He was a back on the Ranger football team, but he was forced to drop out early in the season because of a serious injury, he is now serving as a statistician for the team. Dan is a capable leader and is of a very likable personality. He is a member of the Church of Christ.

Barbara Rodgers, a freshman and business major from Ranger, has been elected secretary-treasurer. She is the daughter of Mr. and Mrs. R. N. Rodgers. Barbara is an active member of the Rangeans and the Debs, girls' social club. (Continued on Page Four)

Pulling into the Texas & Pacific Railroad Station at 7:00 o'clock Saturday evening will be a special train from Arlington carrying more than 700 Arlington State College students and a large number of Arlington citizens who will attend the Rangers - Rebel football game Saturday night at Bulldog Stadium.

Each year the Arlington student body takes a special train trip to some town during football season, and this year Ranger was selected for the town to be visited.

Inasmuch as the train trip is sponsored by the Lions Club of Arlington, a large delegation of Lions from the Ranger Club plan to meet the train in Strawn before its arrival here, and ride with the visitors back to Ranger, extending them a welcome to the city enroute, if that is possible among 700 yelling and pushing college students.

According to Agent B. A. Tunnell the train will unload directly in front of the depot just like any other train, and will turn around during the ball game and be ready to head back immediately after the game is over.

The Ranger delegation is scheduled to board the train at Strawn at 6:20 Saturday. They will have here from the Ghobson Hotel at 5:30, and everyone is requested to be on time who expects to go. Lion President Dr. Marshall Jolly urges that every Lion Club member make the trip to Strawn. Plenty of transportation will be available to take them over there.

Traveling with the collegians on the train will be a crack troop of ROTC Cadets who will stage a precision drill exercise during (Continued on Page Four)

### Escorts Named For Homecoming Queen Ceremony

Miss Donna Blackwell, who is to be crowned Homecoming Queen of Ranger College during half-time ceremonies of the Arlington State - Ranger College football game Saturday evening, Nov. 16, will be escorted by Dan Blanton, vice-president of the Student Council of Ranger College, it is announced.

**HOMECOMING DANCE MUSICIANS:** The Ranger College Stage Band is going to be one of the busiest organizations on the campus this weekend. Not only will it furnish music for the Rangeans' activities during half-time at the ball game, which include skits about "Hernando's Hideaway," "Lazy River," and "Satan Takes A Holiday," but the musicians will also play for the Homecoming Dance to be held in the Union Building after the ball game. It is a busy organization under direction of Al Lotspeich. CAPPS PHOTO.

(Editor's Note: This is the 42nd in a series of articles taken from the book, "History of Eastland County, Texas," written by Mrs. George Langston 1904.)  
A gin plant was built by Mr. Winters in 1899. From the standpoint of modern machinery and up-to-date equipment it has no superior in the state.

One hundred and fifty horse power builer and engines are used, and it has a capacity of 120 bales daily. Mr. Winters uses the Minger system. The gin is lighted by electricity, and runs day and night.

The Bank of Georgia was established in 1900, with W. H. Edelman, president; W. A. Waldrop, cashier; R. B. Waldrop, assistant cashier. The responsibility is \$500,000. Large and small accounts are desired, and Mr. Waldrop and his assistant will make it profitable to all those who do business with them.

### Winters Wins Clear Victory In Upset

By NORMAN WRIGHT

After being keyed to the snapping point for two straight Friday nights, the champion Ranger Bulldogs went to sleep at Winters Friday night and took a licking to the tune of 14-6.

It was a clear-cut victory for the Blizzards who played the kind of ball they have been capable of playing all season in a game in which they had all to win and nothing to lose, and they won the statistics as well as the score.

If anyone wishes to suggest the Blizzards had a small amount of outside help in posting their victory, in the form of some highly questionable decisions on the part of the men in the striped shirts, we will not argue with them.

**Bad Break Starts Game**  
The game wasn't two minutes old until the Bulldogs got slapped back on their haunches for a ruling against them of pass interference which gave the Blizzards the ball on Ranger's one-yard line and Winters scored on the next play when quarterback Charles Curry sneaked over and Mack Young converted.

Winters scored a second time in the first quarter with only 48 seconds remaining when fullback Fred Austin plunged over from the two, with Young again converting. It was the climax of a straight-on-the-ground drive that began on the Winters 20.

Ranger's score came about midway of the second quarter when the Bulldogs took over on Winters' 33-yard line as the result of a short Winters punt. On the first play from scrimmage, quarterback Lee King passed to end Charles Wolford for a play that covered 33 yards. Wolford failed to con-

SUPT. G. B. RUSH  
... Layman's Speaker

### Rush To Speak At Sunday Service

School Supt. G. B. Rush will be principal speaker at the special Laymen's Program which is being held at the First Baptist Church Sunday evening under direction of the church brotherhood, R. V. Robinson, president.

Supt. Rush will be followed on the program by other laymen of the church who will give personal testimony. The Brotherhood is made up of men who are interested in all phases of the Lord's work. Lee Russell will direct an all-male choir and have charge of the special music. All men are asked to be present by 7:15 so as to make adequate preparation for the evening program, according to the pastor, Ralph Perkins.

An invitation is extended to everyone to attend the special services which will be very interesting and instructive.

### Cars Wanted To Meet Train

Citizens of Ranger who can possibly do so are asked to park their automobiles in the vicinity of the T&P Depot Saturday at 7:00 o'clock when the special train comes in from Arlington. It is assumed the Arlington Band and most students will parade to the stadium, but there may be several Arlington citizens desiring to ride to the ball park and it would be a very courteous gesture to have cars available for them.

### Deer Hunters Off On Annual Trip

Eight deer hunters left Ranger at 5 a.m. Friday for the Eckert Lease at Mason, Texas, for an annual hunt that has been taking place for several years. In the group were Dr. C. L. Jackson of Irving, and S. O. Montgomery of Fort Worth, and the following from Ranger: Jack Sledge, Tommy Huling, Ray Neelcy, Joe Daskewich, Spud Summer and Royce Phillips. The hunters will return next Friday, and they always manage to get all the law allows on the Eckert lease.

### Churches to Have Joint Worship Service Nov. 24

The Ranger Ministerial Alliance will hold its Annual Joint Thanksgiving Worship service Nov. 28, at 8 p.m. in the First Baptist Church, according to the president, Rev. Ed Scarborough.

The Rev. James Ellison will bring the message, J. N. Sutton will direct the music furnished by the combined voices from all the churches.

The Ministerial Alliance has been an important factor in the spiritual life of Ranger for many years. Their services extend into the realm of relief, both local and transient, and cooperating with local welfare and the national organizations that render aid.

The joint Thanksgiving service enables the Alliance to render a special service that otherwise could not be cared for by a local organization.

### First Baptist Announcements

The Rev. Ralph Perkins, pastor of the First Baptist Church, will bring the morning message Sunday using the theme, "Challenged by the Word of God." Rev. Perkins said, "In the closing verses of the last chapter of the book of the 'Revelation of Jesus Christ' we read that, 'we are to add nothing or take nothing from the word of God.' Christians need to be aware of this admonition of the Son of God."

Special music by the choir, under the direction of J. N. Sutton, will be "Something for Thee."

Sunday school with a department for each group and classes for each age group, and a nursery for both bed babies and toddlers, makes a great team for Bible teaching each Sunday. Bring your family to Sunday school this Sunday.

Training Union is at 6:30. There is growing interest and response from a great number of church members who are wanting the entire program to go forward. Attend Training Union each Sunday night.

Laymen will have charge of the entire service beginning at 7:30. The nursery is open.

### Second Baptist Announcements

The Rev. Ed Scarborough, pastor of the Second Baptist Church, makes the following announcements for this week:

"This week in our Sunday School classes we will continue our study in Corinthians by studying the 15th chapter of I Corinthians. The lesson deals with the historical certainty of the Resurrection of Christ, and its bearing upon the daily conduct and future destiny of all who believe in Christ."

"The morning worship service will begin at 11 o'clock. Bro. Eddie Gallagher, who has recently been called as Minister of Music, will be in charge of the music. The pastor will bring the morning message."

"Training Union begins promptly at 6:15 with a department for every age group. The Training Union is designed to help Christians to become witnessing, useful servants of God in all walks of life. Following the Training Union, is the evening evangelistic hour with the pastor bringing the message."

Monday at 3 o'clock p.m. the WMU will meet in three circles. Mrs. Edgar Ward's circle will meet in the home of Mrs. Vera Hartsfield; Mrs. Howard Sutton's circle will meet with Mrs. Mary Helen Goodwin; and Mrs. Albert Williams' circle will meet in her home. ## AROUND RANGER COLLEGE CAMPUS

By Ranger College Journalism Class

### PERSONALITY OF THE WEEK MARY LOU WRIGHT

By Elpidia Gonzales

Mary Lou Wright is both a wise and happy choice as Personality of the Week this week, for she is not only a leader and an outstanding student of the Ranger College campus, but also a talented young lady of attractive personality.

Mary Lou, a 1956 honor graduate of Ranger High School, is a sophomore majoring in science. Her parents are Mr. and Mrs. George Wright of Ranger. She is the oldest of four sisters in a family whose family ties are very close.

An active member of the First Methodist Church, she is a loyal member of the church choir and she works part time as church secretary.

She has been very active in class and student life in Ranger College. In her freshman year she was given the science award for accomplishing more in the study of chemistry than any other student.

In addition, she was a member of Phi Theta Kappa, national honorary scholarship society, vice-president of the Science Club, student council representative of the International Relations Club, and a member of the Debs. As a sophomore she is president of Phi Theta Kappa, secretary of the International Relations Club, and co-editor of The Ranger. She has been a valuable member of both the college band and chorus since entering Ranger College.

Among her many interests music has played a great part in Mary Lou's life. While in Ranger High School, she was a member of the band for five consecutive years

and of the stage band for two years. Those years of experience in music helped develop her into the fine music lover that she is. She has, however, many other interests, which range from the field of sports to the field of books.

Mary Lou has many fine personal qualities. She is intelligent and sincere, and she is thoughtful of other people. Her friendship is one to be cherished for its loyalty and depth. This young lady is of very neat appearance. She is of average height and slender build; her eyes are brown and her hair is long and blonde.

Perhaps her most admirable trait is her outstanding love and respect for her family. She has a favorite quotation that symbolizes her feelings: "A sister is a special gift God minted from the sun. How do I know these things so well? He gave me more than one."

### Ruby Dell Byrnes, Jack Littlefield Are Married

Miss Ruby Dell Byrnes, daughter of Mr. and Mrs. Charles Byrnes of Dimmitt, Texas, was married recently, to Jack Littlefield of Jal, New Mexico, son of Mr. and Mrs. Onis Littlefield of Ranger. The double ring ceremony was read in the First Christian Church in Monahan, with the Rev. C. S. Pointer, pastor, officiating.

The bride is a 1954 graduate of Tulia High School. The groom is a graduate of Ranger High School and Ranger College. He attended Texas Tech in Lubbock, and served in the Air Force four years.

Following a brief wedding trip to Old Mexico, they are now at home in Jal, New Mexico, where Mrs. Littlefield is employed by Lea County State Bank, and he is employed in the Testing Department of the El Paso Gas and Oil Co.

### Willa Ray Reeves Speaks to Club On Japanese Flower Arrangement

The Ranger Garden Club met Thursday, November 14, at 9:30 a.m. in the Community Club House.

Decorations consisted of an arrangement of coleus, abelia, and chrysanthemums, made by Mrs. Buck Wallace, and a Thanksgiving arrangement of chrysanthemums, autumn leaves, fruit, and pyracantha, made by Mrs. A. W. Brazda.

The meeting was called to order by Mrs. R. L. Hamrick, club president. Mrs. Buck Wallace, recording secretary, read the minutes of the last meeting, and the minutes were approved.

Mrs. Hamrick presided over a brief business meeting, at which time the following were appointed as nominating committee for the election of new officers to be held in January: Mrs. A. W. Brazda, chairman, and Meses. Charles Milliken, Floyd Killingsworth, W. F. Creager, and L. L. Bruce.

Mrs. Bill Clem, yearbook committee chairman, gave her report. The yearbook committee, Meses. Clem and Milliken, were complimented on the beautiful yearbooks which had been presented to members before the meeting.

Program chairman, Mrs. John T. Roberson, gave the plans for the next meeting, which will be a Christmas program.

Mrs. Brazda, chairman of the civic committee, reported that each member of the committee

had been contacted and that they are deciding on a project for this year.

Mrs. Hamrick turned the program over to Mrs. J. B. Craig, a member of the program committee, who introduced the guest speaker, Mrs. Willa Ray Reeves of Granbury, Texas. Mrs. Reeves was dressed in a Japanese costume.

She is an authority on Japanese flower arrangements. She studied in many different schools in Japan. She completed her course of study at the Sogetsu School of Ikebana of Japan in August of 1955. In a brief talk on Japanese art and flower arrangement, Mrs. Reeves said the Japanese make very simple arrangements, using very few flowers, and they stress the theme of "man, Heaven, and earth."

Mrs. Reeves made three arrangements at the meeting. The first one consisted of sanseberia, coleus, and irises in a black container. Another arrangement was of yellow daisies, green foliage, and eucalyptus. The third arrangement was of white chrysanthemums and oak leaves in a Japanese basket.

Members and guests present at the meeting included: Meses. F. E. Langston, Joe Dennis, J. A. Bates, J. D. Johnson, J. T. Roberson, Charles Milliken, Sam B. Ailla, Bill Clem, Buck Wallace, P. A. Thomas, Roscoe Hopper, Carl Lummus, Charlie Garrett, Robert Allen, O. G. Lanier, R. W. Gordon, P. T. Smith, H. C. Croom and granddaughter, A. W. Brazda, L. L. Bruce, J. A. Johnson, R. L. Hamrick, Virgil Elliott, Miss Dorothy Needham, and the guest speaker, Mrs. Reeves.

### Nazarene Church Observes Golden Anniversary Year

Looking toward the 1958 golden anniversary year of the Church of the Nazarene, Dr. S. T. Ludwig, general church secretary, has outlined a series of simultaneous events in which every church of the denomination will participate.

Pastors of all local Nazarene churches now are planning for individual or union watch night services, Dec. 31, which will usher in the jubilee year.

Other simultaneous services in Nazarene churches around the world will include:

Jan. 5 — Worship service marking the start of the anniversary year; Apr. 6 — Easter offering for world missions, goal: \$1,000,000; Oct. 12, 1958 — 50th anniversary Sunday services; and Nov. 23 — Thanksgiving offering for world missions, goal: \$1,000,000. Official birthday of the Church of the Nazarene was Oct. 13, 1908 at Pilot Point, Texas, when a group of smaller churches in the East, West and South formally united.

The original 228 churches and 10,000 members had increased in 50 years to 4,500 churches with approximately 300,000 members.

### When you really like us

You buy insurance because you're smart — not because you get a kick out of it at the time.

When we deliver an insurance policy, nobody ever says: "Oh boy, what a beautiful policy!"

But when somebody has a fire or a robbery or a lawsuit or a loss of some other kind, and we deliver a check from the insurance company —

— THAT is when people really like us. It happens frequently.

Bear with us when we try to get you to carry the insurance you should—but love us when we help you meet your loss. That's all we ask.

dog Stadium. The Ranger Rangers have taken an oath signed in blood to pull an upset and beat the Rebels. Stranger things have happened, and it will be an exciting evening.

In this connection we would like to say to many of the Ex-Students and visitors who will remain in the city over-night, that on Sunday morning every church in Ranger extends to you a cordial invitation to join in all their worship services. Whatever happens to be the church of your choice, seek it

out in Ranger Sunday morning and go to it, and there you will find the warmest welcome awaiting you. All Ranger churches have planned special recognition for Ex-Students who were members of their congregations while they were in school here. All of you will find Sunday a day to be remembered with pleasure if you will give the Churches an opportunity to pay honor to you.

And as you make ready to leave Ranger we all wish you a safe and pleasant journey home, and much success until we see you again at Homecoming 1958.

half-time ceremonies to supplement the program arranged by the Rangers, and the Arlington State College band is also expected to be leading a vanguard of marchers to the stadium.

The Arlington State Rebels will arrive in Ranger earlier in the day aboard their own special buses. It is said that many scores of people from Arlington are also coming to Ranger in private automobiles.

The ball game will be broadcast from the field by Station WRAP, Fort Worth, perhaps the biggest station in Texas. How Arlington managed to get the facility away from Humble Oil & Refining Company in that firm's broadcast of Southwest Conference games is not known, but it is supposed a sponsor with money can get any kind of radio time he wants and Arlington folks like to advertise their college, for which they have made application for conversion into a four-year school.

Everything about the activities in Bulldog Stadium is going to be big Saturday night, and carried out on a big scale, and all Ranger is invited to come out and take part in the event.

**Ringling Bros. To Play Dallas New Auditorium**

The 'greatest show on earth', Ringling Brothers and Barnum & Bailey Circus, makes its only North Texas appearance with an all-reserved seat run Nov. 19-24 at Dallas' new \$8,000,000 Memorial Auditorium in Downtown Dallas.

For the first time in a coliseum in this area, the new, streamlined show still will have three rings operating simultaneously and will feature hundreds of performers and animals of international fame.

Four super spectacles among the 27 production numbers have been designed especially for children. They are Cherry Blossom Time, Coronation of Mother Goose, Saratoga Racing Ball of 1913, and Carnival in Venezuela.

Scores of international stars in the fields of aerial acrobatics, gymnastics, animal training, horsemanship and buffoonery are in starring roles in the biggest show yet brought to Dallas, and some 100,000 people are expected to view the 13 shows in the six-day period.

The big show opens with a matinee Nov. 19 and plays matinees and nights at 4 p.m. and 8 p.m. through Nov. 23 with twin matinees on the closing Sunday, Nov. 24. A third Saturday show Nov. 23 is at 10:30 a.m.

This lumber yard was established in Gorman in the summer of 1899 and has steadily grown in popularity, both from the completeness and grade of stock carries and from the courteous treatment accorded to all customers. It is now one of the strong financial interests of the promising town.

The founder and sole owner of this business, T. L. Gates, is a significant factor in the community. He came to Texas from Mississippi in 1893, and was for five years superintendent of the De Leon Schools, and then served as cashier of the bank at that place for two years. He is at present chairman of the County Democratic Committee. Mr. Gates is a member to the Methodist Church and superintendent of the Sunday School. He is known in church circles as an enthusiastic Sunday School worker and a most efficient layman.

**Carbon**  
In 1881 the first lot in Carbon, a town on the Texas Central Railway, between Gorman and Cisco, was sold to H. S. Haynes, who put up a small business house. An attempt to move the town three miles east having failed, J. F. White established a lumber yard, Mr. Fowler and son put up a cotton gin, and Mr. Train taught school.

From the number of business houses in this little town, shops, hotels and gins, a good weekly newspaper, with a bustling editor; brick building its Baptist and Methodist churches, Masonic hall and neat two-story school building, Carbon bids fair to rival some of her more pretentious sister towns. When to this is added the fertile soil (a sandy loam), which produces corn, cotton, and a very great variety of vegetables of enormous sizes; also fruit, as apples, peaches, pearson apricots and plums, as well as the grape and berries of all kinds, one is not surprised that the country round about Carbon is being cultivated by thrifty farmers in rapidly increasing numbers.

Among the enterprising business people of Carbon are Finley Bros., dry goods; T. J. Morris, general merchandiser; Puett & Son, dry goods; W. A. Seastrunk, hotel, and many others.

There are about 600 inhabitants.

Near this place Mr. J. H. Bransford, who has been in the county many years, successfully irrigates a truck patch.

We began this week feeling pretty spry because we did not have but one day last week. School closed because of flu and muddy roads.

Our football game with Friddy which was to be at Friddy was changed to Carbon. Some of the folks around here said our boys had something to "howl" about when we beat Pottsville and we have another victory to howl about this week. We beat Friddy 68-0. Our boys are really beginning to shine for "dear ole" C.H.S.

The boys responsible for the touchdowns and extra points are Benny Frazer, two touchdowns; Charles Breyer, one; Jimmy Sandlin, two touchdowns and one extra point; Mickey Rodgers, one touchdown and three extra points; James Wyatt, one touchdown and one extra point; Robert Norris made one extra point. We are really proud of our boys.

Our football game next week will be with Mullin there at 7:30 p.m. We would like to see all of you there being as this is our last game of the season. We sure hope we win.

Our pictures will be retaken Wednesday and then this will be the last of the picture taking for the annual this year.

It won't be long until basketball season will be here. Basketball is already underway at Carbon. The first basketball game will be at Gortine on Friday, Nov. 15.

The girls playing basketball are as follows:  
Mary Butler, guard; Colleen Campbell, forward; Linda Eaves, guard; Patsy Hale, guard; Doris

Harlo, guard; Lorene Lewis, guard; Ann Mangum, forward; Wanda May, guard; Kay McDaniels, forward; Nancy Norris, forward; Jo Rasberry, forward; Ruth Rasberry, guard; M. J. Rone, guard; Dorothy Simmons, guard; Maxine Stacy, forward; Angie Stephenson, forward; and Kay Underwood, forward; Sandra Lator will be manager for the basketball team.

I guess that is all for this week but I will be back soon to tell you about our game with Mullin and anything else that happens over our way.

**Bulldogs-**  
(Continued from Page 1)  
did the Bulldogs show flashes of their old brilliance that carried them to victory over Ballinger and Coleman. The Dogs' running game was pretty well throttled, but King's passing was up to form as he completed 9 out of 12. Underwood and Basham had more success gaining yardage on the ground than anybody else and they reeled off several beautiful runs for long yardage. Winters was watching Wharton like a hawk and he was gang-tackled every time he got the ball. The Bulldogs are going to have to find some new method of breaking Wharton loose.

**Ranger TD Called Back**  
Aside from the tough Bulldog break that gave the Bizzarria the ball on their one-yard line, and a touchdown, Ranger got another tough break about midway of the fourth quarter when King caught a Winters punt at mid-field and scampered 50-yards for a touchdown that was called back. One of the officials ruled that a Bulldog had been guilty of clipping and the ball was brought back almost to the point where it had been caught and the Bulldogs penalized 15-yards on top of that.

**Nothing for Scouts**  
If there was any consolation at all to be derived from the game Friday night it was the fact that three scouts from Hamilton, sitting in the press box watching Ranger, failed to see anything. The Bulldogs didn't give them enough to look at to even go home and report about.

This coming week will be one packed with hard work for the Bulldogs as they prepare for their bi-district tilt with Hamilton at Tarleton State College Stadium in Stephenville next Saturday night, Nov. 23.
