Dimmitt and Odessa IPHA Boosters Optimistic After Recent Dakota Trip

Castro County of Commerce Manager Glen Youts and Dimmitt Businessman T. A. Singer were very optimistic about federal and international designation of the north-south highway that stretches from Big Bend National Park to Regina, Canada when they returned from a booster trip to Rapid City, South Dakota, late Sunday.

The two local men, accompanied by Odessa supporters of federal and international designation, visited with highway officials in Oklahoma, Colorado and Nebraska while enroute to Rapid City and found that these respective states have already petitioned their highway commissions for federal designation of the route.

The Texas boosters met Thursday with members of the Black Hills and Bad Lands Associations of South Dakota, according to Youts. The chamber manager said that these organizations will take care of the routing of the proposed international park route through South Dakota.

The Dimmitt and Odessa Highway 51 Association members also had luncheon Thursday with Rapid City Chamber of Commerce officials at which time they discussed the progress of international Parks Highway Association in South Dakota. Youts indicated that the South Dakota group were very optimistic and anxious to push for completion of federal designation of the north-south parkway.

On Friday the Texans drove two Williston, North Dakota and met with officials there representing the proposed route of IPHA through North Dakota. Here the group asked and received the support of Williston citizens in connection with the proposed international route.

Youts and Singer returned to Dimmitt Sunday night tired but jubilant over the accomplishments

of the trip. The following day when quizzed by a reporter, Youts remarked, "We feel assured that North and South Dakota will seek federal designation of the proposed route which will make all six states included on the route of IPHA working toward the same goal—federal designation."

Although the group set Rapid City as their designation they decided to include Williston on their trip as an important state association meeting was in progress there Friday.

Rotation System Brings Results

By CARL LEAVELLE

L. A. Steiert, progressive Nazareth farmer, realizing the importance of organic matter in the welfare of his soil has worked out a system where there is never a time when his soil is bare. At the same time he is putting organic matter back into the soil.

Around the first of August Steiert over seeds his grain sorghums with winter cover crop. In Steiert's case he has been getting very good results with vetch but any legume adapted to this locality can be worked into a crop rotation such as this.

Steve Brockmar, a neighbor of Steiert, is using Austrian Winter Peas and for seven years has maintained a yield of better than 4,000 pounds per acre.

SEEN HERE IS L. A. Steiert, who farms four and one-half miles north of Hart and is a cooperater with the Running Water Soil Conservation District. He is holding a vetch seedling which he has seeded in the middle of his grain sorghum crop. Steiert's system has paid off with very good results.

Residents Urged To Vote Tuesday

Lion Russel Moran, speaking before the local Lions Club Tuesday noon, urged fellow members and residents of Dimmitt and Castro county to turn out Tuesday and vote in the November general election.

Moran explained the 11 constitutional amendments that are to be voted on Tuesday and urged members to study and consider each carefully before casting a ballot. Moran particularly noted the following amendments and stressed their importance: interchangeable credit for retirement for teachers and state employees, coverage for proprietary employees under Federal Old Age and Survivors Insurance, changing of four-year terms of office, creation of tax-assessor-collector office in counties less than 10,000 population and jury service for women.

In contrast to the 44 absentee ballots cast here in the August primary is the fact that only one absentee ballot has been cast in the Tuesday election. The busy harvest season underway in the county explains this vast difference as few people are out of town at this time.

Castro countians are urged to take time from their work Tuesday to go to the polls and vote. The polls will be open from 8 a. m. to 7 p. m. Election judges and the precincts they will serve follow: precinct one—Dewey Wright; precinct two—Joe Hastings; precinct three—E. H. Youts; precinct four—L. C. Lee; precinct five—W. M. Hochstein, Sr.; precinct six—Percy Hart; precinct seven—Leland Smith; precinct eight—Mrs. M. L. Simpson, Sr.; precinct nine—Mrs. Lee Curry; precinct ten—H. F. Bridges; precinct eleven—Andrew Behrends; precinct twelve—Joe Birkensfeld; precinct thirteen—Clyde Hancock; precinct fourteen—J. E. Andrews; and precinct fifteen—Mrs. John Burnett.

Dimmitt Men to Be Honored at Plainview Event

Earl Brock, Henry Grindstaff to Get Awards for Service

Two Dimmitt men are included in the group of 50 Plains Division employees of the Southwestern Public Service Company who will receive service awards Thursday night, Oct. 28 at the company's annual banquet in Plainview.

Earl Brock, who will be honored for 20 years service, and Henry J. Grindstaff, recipient of a 10 year award, are the Dimmitt men on the guest of honor list.

W. L. Pearson, industrial manager of Southwestern Public Service Company, will make the awards. J. M. Collins, division manager, will act as toastmaster and present the awardees to Mr. Pearson for recognition.

The company's new cinemascope motion picture, the story of the rapid development of this region, will have its premiere showing at the dinner. Several agricultural scenes from the Dimmitt region are included in the full color production.

Indian Singer to Give Concert Here

George Wilson, famous Indian singer and missionary, will be the featured singer at a gospel concert at the Dimmitt First Baptist Church Sunday night. Also a part of the program, which begins at 8 p. m., will be a message by Rev. Wilson on Indian missionary work in New Mexico.

Rev. Wilson, according to Rev. George Ray, pastor of the local church, turned down an offer to sing with the New York Metropolitan Opera to become a missionary under the Southern Baptist Home Missionary Board to his own people in New Mexico. A full blood Sioux Indian, Rev. Wilson is head of the Southern Baptist Indian Mission in Albuquerque, N. M.

Halloween Carnival Scheduled at Hart

The witches are brewing a Halloween party that will long be remembered at the Hart High School auditorium Friday at 8 p. m.

A number of gala activities are planned for the Halloween carnival. Highlight of the party will be the crowning of a Halloween king and queen.

All proceeds from the carnival will be used for school activities.

Elevators, Rail Service Taxed To Handle Record Grain Yield

Grain elevators in Dimmitt this week were taxed to capacity as truck drivers, with their trucks loaded with grain, waited in long lines in order to get their harvested grain sorghum crops in government storage.

With most grain sorghum growers in the county harvesting better crops than were first expected,

storage space here an elsewhere in the county has become a major problem. One elevator operator indicated that yields are from ten to 25 percent higher than early estimates and that 300 carloads of new milo from over the county have already been shipped from Dimmitt during the current month. These shipments are go-

ing to Lubbock, Ft. Worth and other areas in the state where storage space is more plentiful. Freight cars are being made available each day at the local depot but a car shortage exists as grain is accumulating faster than it can be shipped out. Much of the grain is being piled on the ground near the elevators until more freight cars become available for shipments.

Grain sorghum yields in the county are now running from 28,000 to 29,000 pounds per acre or about 51 bushels an acre, according to County Agent Charlie Hudson. Hudson added that the estimated overall yield for the county, based on an acreage of approximately 200,000, is ten million bushels or the highest in the history of Castro county. The yield last year was close to seven and one-half million bushels.

With the grain sorghum harvest about 70 percent complete in the county, indications are that a great deal of milo here and at Hart will be shipped to other sections of the state for storage. Most of the grain is testing good and going into government loan which is now \$2.07 per hundred pounds.

An acute labor shortage combined with a recent frost has hampered the cotton harvest in Castro county and slowed operations almost to a standstill. The latest labor report for the county shows a need for 600 workers. Expected to alleviate the puller shortage some, however, is the fact that some growers will use their neighbor's hands when they catch up with harvesting.

Although the cotton harvest has been underway in the county for about a month only 10,257 bales had been ginned in the county this week or about 25 percent of the expected county yield of 40,000 bales. More of that which has been harvested is beginning to go into government loan, particularly in the Hart area, according to late reports. Strict government grading and the fact that some growers have been pulling their cotton while it is still wet accounts for the sudden increase of government stored cotton. Even though, most cotton is still being sold at about a 32 cent per pound average as the market held steady this week.

About half of all cotton in the county has opened and harvesting has almost hit its peak as gins in the county are now operating on a 16-hour work day basis.

lularly in the Hart area, according to late reports. Strict government grading and the fact that some growers have been pulling their cotton while it is still wet accounts for the sudden increase of government stored cotton. Even though, most cotton is still being sold at about a 32 cent per pound average as the market held steady this week.

Fair Election Postponed Until January Meeting

Treasury Report Shows Optimism Among Members

The scheduled election of new Castro County Fair officers and directors at a meeting held in the District Courtroom here Monday night was postponed to January 24 due to the fact that the harvest season is now underway and there were not sufficient representatives present to justify an election, according to County Agent Charlie Hudson.

The fair treasury, showing a balance of \$466.29 with outstanding bills amounting to \$100, caused members to be optimistic as the 1954 fair has not long been concluded and a great deal of expenses resulted from the three-day event. Goldman Dyer, fair finance chairman, gave the treasury report.

Movies were made of the recent county fair by Dimmitt resident Norris Wesson and will be shown at the next meeting of the fair association in January, according to an announcement made during the Monday night meeting.

Fair members were greatly encouraged by a report that an attempt will be made to control dust during the 1955 event. This has been a major problem but may be eliminated at the next fair by preparing a gravel or oil parking area.

The Association approved a suggestion by Mrs. Cecil Curtis calling for the purchase of a show case for women's exhibits. The Association also received assurance from J. O. Seale, local vocational ag instructor, that a restraining stock would be built at the fairgrounds in order that livestock may be handled and groomed more easily. This added convenience will be built well in advance of the 1955 festival.

Mayor Proclaims "Legion Days"

Whereas, October 20 is the beginning of another fiscal year of the American Legion and

Whereas, November 11, since the close of World War I has been traditionally known as "Armistice Day" but by act of the Texas Legislature and the Congress of the United States has now been designated as "Veterans Day" and

Whereas, the American Legion generally has for the past 36 years presented a united front for a strong, continuing defense policy and has been the foremost advocate for protecting the interest of disabled veterans and the widows and orphans of those veterans who made the Supreme Sacrifice and

Whereas, the American Legion post of Dimmitt, Texas, has always been a strong factor in this community for God and Country, now I as mayor of Dimmitt do hereby declare the period of October 20 through November 11 as "American Legion Days" and ask that our entire citizenry join in honoring the veterans of all wars in that period and co-operate with our local American Legion in whatsoever observances it arranges for this period.

E. B. Wright, Mayor

Soil Supervisor to Be Named at Arney

An election for Soil Conservation District supervisor for the northeast part of Castro county will be held at the Arney School house Thursday night, Nov. 4.

Bruce Fields is presently serving as soil supervisor for the Arney area. He or whoever voters in the area elect will serve a five-year term in office.

Six Thousand Dollar Grainery In Northwest Castro Destroyed

A 30 foot by 100 foot grainery on the Ray Sheffy farm, five miles northwest of Dimmitt, was destroyed by fire Tuesday morning, according to Dimmitt firemen who received word too late to save the building.

Also lost in the fire were several stoves, beds and numerous articles of clothing. There was no grain in the building as it was being used at the time to house Mexican laborers.

Firemen were not certain where or how the grainery caught fire as the building was in smoldering ruins when they arrived on the scene. Strong winds apparently caused the fire to spread rapidly as the grainery is believed to have caught fire at about 10 a. m. and was almost a total loss by 11 a. m. when firemen arrived.

Fortunately none of the laborers were in the grainery when it caught fire and no injuries were reported.

The wood frame building, which was covered with a sheet iron roof, was valued at approximately \$6,000, according to firemen.

Dan Burton, who operates a farm near the Sheffy place, first noticed smoke coming from the burning building and drove in to Dimmitt to notify firemen after being unable to contact them by telephone.

Former Resident Dies in Amarillo

Services for Eugene Mundell, 81, former Dimmitt resident who passed away Sunday afternoon in St. Anthony Hospital in Amarillo, were conducted Tuesday at 4 p. m. from N. S. Griggs and Sons Funeral Home, Amarillo. Burial was in Amarillo's Memorial Park Cemetery.

Mr. Mundell had lived in Amarillo since 1944. Before that he was a farmer for 25 years in this area. Born Feb. 19, 1873, in Montague County, Texas, Mr. Mundell was a member of IOOF.

The deceased leaves his wife, Mittie, five sons, Jim and Henry, Jr., of Valleyview, Marvitt of Dimmitt, Robert of Wilmington, Calif., and Bill, Amarillo; three daughters, Mrs. M. H. Vaclav, Mrs. John Vaclav, and Mrs. L. B. Scarborough, all of Amarillo; four sisters, two brothers and 19 grandchildren.

Art Studio Will Open Here Soon

An art studio will be opened in Dimmitt for the first time next week with Miss Johnnee Bice serving as instructor. Miss Bice has rented studio space on the second floor of the First State Bank building and will announce a complete class schedule soon.

Persons ten years old and over, with no age limits set for adults, will be eligible for instruction. For rates and other particulars prospective students should call Miss Bice at 98.

The art instructor is a graduate of Dimmitt High School and received a BA degree from Texas Technological College and a masters in painting at the University of Southern California.

Hart Girl Shows Prize Turkeys

Mary Helen Maples, daughter of Mr. and Mrs. Glen Maples of Hart, was the proud owner of a first place pen of hens at the State Fair of Texas last week in Dallas. The Hart girl exhibited a second place pen of turkey toms.

The turkeys brought Mary Helen \$9.96 premium money and sold in the junior market turkey sale for \$85.91 or an average of almost \$16 per turkey.

A member of the Hart Junior 4-H Club, Mary Helen also placed high with her turkeys in the poultry division at the recent Castro County Fair.

Bobcats Lace Kress 46-0 to Post Second Conference Win of Season

The Dimmitt Bobcats chalked up conference win number two at Kress Friday night by lacing the Kangaroo eleven, 46-0, before a small crowd of loyal fans.

Highlight of the game came on the opening kickoff when Quarterback Richard Wood electrified fans by taking the pigskin and racing 85 yards for a score. Fullback Edgar Dennis booted the ball through the uprights for the extra point and the Bobcats took an early 7-0 lead.

The quick opening play apparently fired up the Kangaroos as they fought back savagely and prevented the Bobcats from scoring until the last two minutes of the first half. At this point Wood heaved an aerial in the open arms of Right End Clinton Glenn that was good for 30 yards and a touchdown. The conversion failed and Dimmitt found themselves leading the stubborn Kress team by a score of only 13-0 at halftime.

Both Kress and Dimmitt school officials staged a colorful show during halftime to the delight of fans. The Bobcat band paraded as did the twirling section.

Coach Leo Fields started his second string team at the start of the second half and discovered a very capable scoring machine. The second stringers, unsung heroes who will carry the brunt of all grid battles next year, moved 40 yards in six plays with converted Fullback Jerry Brown going off right tackle for six yards and the score. The ball was carried over for the extra point and the purple and white gridders took a commanding 20-0 lead.

Minutes before the third quarter ended the first string got back into the thick of battle by moving the pigskin 40 yards in three plays for a fourth TD. Alton Whitworth drove over for the score this time and the kick for extra point was

good giving the Bobcats a 27-0 margin.

Back Bobby Brock kept the Bobcat machine moving in the first of the fourth period by scoring on a running play from 12 yards out. The try for extra point failed.

Jerry Brown ended the scoring for the rampaging Bobcats by tallying twice in the final quarter. Tries for extra point were good and the Dimmitt club walked off the field with a 46-0 victory.

The outmanned Kress eleven was unable to put together a serious scoring threat at any time during the game but surprised Dimmitt with some stout defense play in the first two periods.

Another winless team, the Friona Chiefs, will meet the Bobcats in the Friona Stadium Friday night. This game will also count as a conference tilt.

Metal Signs to Be Given Communities

The editors of Farmer-Stockman Magazine, who annually sponsor the Texas Rural Neighborhood Progress Contest, are making available to contestants this year two enameled metal signs which are to be placed at community entrances along highways or major roads, according to County Agent Charlie Hudson.

The signs are very attractive and are designed so they will reflect light at night.

Three Castro county communities, who are sponsoring progress clubs, will receive signs this week and other communities in the county that have clubs will receive them soon. These three are Jumbo, Sunnyside and Bethel.

Important Ag Resolutions Passed at FB Convention

Castro County Farm Bureau members, at their annual convention here Saturday night, elected eight directors, passed nine state and three county resolutions and named six delegates to the State Farm Bureau Convention in Galveston, which will be held November 7-11.

Directors elected and the communities they will serve are as follows: Easter—J. H. Flood; Sunnyside—Noble Howard (re-elected); Rance—Melvin Hamm; Big Square—A. T. Morgan; Hart—Roy Pyeatte (re-elected); and Arney—Leo Witkowski (re-elected).

FB members went on record as endorsing a bindweed control program for the county as well as favoring three terms of office for the president of the county organization. On the other hand, members voted themselves as opposed to any attempt to make grain sorghums a basic commodity.

national resolutions, the county bureau approved the revision of underweight and overweight cotton bale penalties in order that they might be in line with those in California, Arizona, New Mexico and Oklahoma. Among other state and national resolutions, the bureau reaffirmed its endorsement of a 90 percent parity support on all basic commodities with not less than 75 percent on non-basic commodities.

Delegates named to the state convention at Galveston were Allan Webb, Bill Hochstein, Fred Axe, Fred Bruegel, and Steve Taylor. The new Farm Bureau board president, who will be elected at the next board meeting on Nov. 2, will also be a delegate to the state convention. Alternate delegates chosen were Roy Pyeatte, Ira Brown and Frank Hoeltel.

The complete text of the county resolutions passed at the convention, which was held in the District Courtroom of the courthouse follows:

1. Whereas, Bindweeds and Johnson grass are becoming a greater problem to farmers as well as county commissioners, we recommend that a committee be created to study ways and means of solving this problem of control with farmers and commissioners court.

2. Whereas, in the past there have been resolutions submitted to the State Resolutions Committee requesting that grain sorghums be made a basic commodity, Be It Resolved that our delegates be instructed to oppose any attempt to make grain sorghums a basic commodity.

3. Whereas, our county constitution and by-laws, under article five, section four, provides that no president shall succeed himself for more than one term, (Continued on back page)

Dimmitt Rips Kress 46-0

Friday night at Kress, the Dimmitt Bobcats and Kress Kangaroos tangled in a conference game which ended with Dimmitt—46, Kress—0. Dimmitt had little trouble with the inexperienced Kress Kangaroos. Richard Wood started the ball rolling with a 85-yard run on a punt return. The try for extra point was good.

Dimmitt didn't move much then until the last of the second quarter when a pass from Wood to Glenn rolled up another six points. After the half Dimmitt finally began to move. Jerry Brown, Dimmitt's halfback, smashed through for a touchdown and in the last of the 3rd quarter Alton Whitworth scored.

Bobby Brock in the first of the fourth quarter racked up another six points. Jerry Brown in the fourth quarter ran across two more touchdowns with both tries for the extra point good. Dimmitt plays Friona at Friona Friday night at 8 o'clock.

Freshmen to Give Minstrel

You all come to see the Negro Minstrel by the Freshman class Saturday night at the Halloween Carnival. The show features jokes, spirituals, songs, a Negro band, cigarette "girls", and ushers. There will be solos, duets, and chorus numbers given by members of the Freshman class. Don't miss this hilarious comedy in the High School Study Hall.

WELCOME

One of the new students whom we are glad to welcome to Dimmitt High is Sylvia Chenault from Dora, New Mexico. She has entered the sophomore class and is fourteen years old. Sylvia stands 5 feet 4 inches tall and has black hair and eyes. Here are the subjects she is enrolled in: English II, Home Ec. II, Biology, and World History.

A second newcomer welcome in the halls of D. H. S. is Marisue Woodburn who is a freshman. Before coming here she attended Stephen Foster Junior High in Amarillo. You'll know her brown hair and green eyes. Marisue is interested in collecting movie stars pictures. She is enrolled in Speech, English I, World History, Home Ec. I, and P. E.

Classes See Science Films

On Wednesday and Thursday the science classes of D. H. S. saw a number of films. The different classes, general science, biology, and chemistry, saw different films.

All science classes saw "The DuPont Story." This was a forty minute film in technicolor. The film covered the entire story of DuPont. The company was founded in Wilmington, Delaware, with 23,000 borrowed dollars. The company has grown until there are now branches in twenty-five of our forty-eight states. The company now has a huge research laboratory which covers several acres. This is to help assure the company's motto: "Better things for better living, through chemistry."

The chemistry class saw another film entitled "Tool and Die Making." This film stressed the importance of tool and die making to modern industry. It showed the steps by which a young apprentice works his way up until he gets his diploma and is considered capable of doing any of the jobs that are required of him. Both films were very informative, and they held everyone's attention throughout the showing.

Springlake Crushes Dimmitt "B" 18-7

The Springlake "B" squad galloped by Dimmitt's "B" with a score of 18 to 7 on Springlake's field Thursday night. A set of twins, recently transferred from Crosbyton, sparkplugged the Springlake team. Both boys would be playing first string ball had they not have been ineligible because of transferring.

Dimmitt kicked to Springlake, and on the third play Springlake's left halfback, one of the twins, ran seventy yards for a touchdown. The same twin ran fifty yards for the next touchdown. He also made their last touchdown on a run of fifty yards in the second quarter. Springlake missed all of their extra point tries.

Dimmitt's touchdown was set up by a pass from Truman Touchstone to Zay Gilbreath which covered thirty yards. This put the ball on Springlake's ten yard line, but a roughing penalty against Springlake moved the ball to the one yard line. From there Alton Bates ran over for the touchdown. Truman Touchstone made the extra point. The next game will be with Canyon at Dimmitt next Thursday night.

7-A

The Seventh Grade elected officers this week. The officers are President: James Collins, Secretary: Jerry Hyatt, Treasurer: Jack Bradley and Hal Ratliff.

We also elected our Queen candidate. She is Verma Brown and her escort is Carl Kemp.

We are sorry to say that Jerry Chessier has moved but some have moved in. They are Karen Dutton, Glen Polk, and Marie Martinez.

Our booth is going to be the Cake Walk. Each walk will cost one little dime and it will be in the typing room at the north entrance to the gym.

We are also selling candy at the breaks. Reporters: Jack Bradley and Hal Ratliff

Rent It—Buy It—Sell It Through a NEWS Want Ad

Eubanks Shows Pictures of Europe

Last Thursday morning, October 21, at 11:00 the students of the high school and eighth grade were entertained by Oren Eubanks.

Miss Merritt introduced the guest and encouraged the history classes to give close attention since the program was educational.

Oren is a former student of Miss Merritt's and D. H. S. One of his interests is history and therefore he took many historical pictures of Italy, Switzerland, and Holland, while he was in the army.

The program consisted of some of his slide pictures of Venice, Rome, and Amsterdam. There were many pictures of ancient buildings and monuments. Some of them were The Leaning Tower of Pisa, The Forum, The Coliseum, The Cathedrals, and many other scenes like the Italian country sides and the tulips of Holland.

6th Grade News

The Sixth Grade will sell popcorn balls and candied apples on a stick at the Halloween Carnival. They can be bought for 10 cents each in the north end of the hall in the High School Building. Linda Lee Renfro is their Halloween Queen candidate. Her escort is Stanley Nelson.

The 6-A room have seven new students. They are: Sherry Humphrey, Jerry Dale Law, Johnny Luna, Robert Pork, Maria Reyna, and Joe Reyna.

They have elected officers for their class. They are: President, Linda Lee Renfro, Secretary, Sharon Maynard, and Reporter, Jane Ann Smith.

3rd Grade News

The third grade and Mrs. Ratcliff's 2nd grade are going to have a variety show, March of Witches, Parade of Scarecrows, and a Negro Minstrel. It will be in the Grade Schol Music Room. The admission is 25 cents and 15 cents.

What Does Halloween Mean To You?

Halloween had its origin in the early 700's in Britain. The Druids, an early people of Britain, observed it on the night before All Saints Day. Halloween means Hallowed or Holy Evening. These people held their Autumn festival at this time of year, because all work was done, and the crops were laid by. They ate, danced, and played harmless pranks on their friends. They also believed that on this night evil spirits and ghosts walked about.

Today many people still have parties to celebrate Halloween. Small children go around town having their fun at "trick or treat" and other harmless games. But in many cities and towns the police have to work over time to take care of the pranksters. It all started out as honest fun, but now has gotten out of hand. A few young people now think that Halloween is a night to destroy property and tear up the town. Every year there is a great loss of property and a great amount of damage done just because people don't know how to have fun.

Halloween should still be an evening of parties and fun, but let us all try to make it good harmless fun.

Senior Boy of the Week

Mickey Brock is an active 17-year old Senior. He moved to Arapahoe, Colorado in his Sophomore year but moved back this year. In Arapahoe he was in the Junior Play, made the All-district football team, and was the most valuable track man. This year he is on the wrestling team. Some of his favorites are: Subject—Speech Teacher—Mr. McCarty Sport—Football Hobby—Hunting Pet Peeve—Judy not acting sweet.

Senior Girl of the Week

Darlene Cates is an active Senior girl this year. Her subjects are world history, office practice, shorthand, typing II, and Basketball. She was Fair Queen Candidate for the Senior Class this year. She has made the basketball team since her freshman year. They won State two of these years. She is in F. H. A., and was Class Treasurer, Class Favorite, and Basketball Queen her Junior year. Some of her favorites are: Subject—Shorthand Sport—Basketball Pet Peeve—Mr. Bates' pep talks in Shorthand.

2nd Grade News

The Second Grade will have a Wishing Well for the Halloween Carnival in the Clothing Lab. in the High School building. It will be 10 cents a wish.

1st Grade News

The First Grade are going to have a Mother Goose Land at the Halloween Carnival in the Grade School Gym.

First Annual Shipment Today

The first shipment of the annual is on its way to the printer. It is a quarter of the entire book. The shipment was sent in time to assure the delivery of the finished book early in the spring. By making the shipment this soon the staff earned a small discount. Monday, F. M. McCarty, of the News-Photo Company, who is making our books, came and the staff picked out a cover, and decided on a theme, both of which will not be disclosed until the books are distributed.

5th Grade News

Janice Curry is the 5th grade candidate for the Halloween Queen. She is an excellent student and is a good example for any child to follow in behavior and in general attitudes. She has chosen Chuck Youts to be her escort. They have completed a study of Safety at Home and at school and made posters illustrating and phrasing some of the chief causes of accidents, stressing prevention. Larry Burks is back in school after a siege of Laryngitis.

1st Grade News

The First Grade are going to have a Mother Goose Land at the Halloween Carnival in the Grade School Gym.

Hunter Eligible For Honor Society

Bill Hunter of Dimmitt has been named as one of those eligible for junior membership in Alpha Chi, national honor society, at West Texas State College. To be eligible for membership, one must be in the upper ten per cent scholastically in the junior and senior classes.

Hunter, the son of Mr. and Mrs. Sam Hunter, is a member of Alpha Psi Omega and is president of the Student Council. He is a junior Pre-law major.

Great Britain recognized the independence of the United States by the Treaty of Paris, in January, 1783.

Pontiac to Make Debut on Friday

The 1955 Pontiac, advertised as "new from the ground up" will go on display in the C & S Equipment Company showroom here Friday. The completely different automobile will be on show all day.

The '55 model will feature a new Strato-Streak V-8 engine with 180 horsepower. The rakish silhouette of the new car results from the lower center of gravity designed into the 1955 model to safely utilize the full power of the new Strato-Streak V-8 engine.

The 1955 Pontiac will have new body contours and new bumper and grill appearance as well as new body design in the rear.

Dimmitt residents are invited to see the initial display of the entirely new automobile.

Auxiliary Cookie Project Started

Homemade cookies will be made by members of the local Legion Auxiliary and given to the USO in Amarillo for soldiers stationed in that area, according to an announcement from Mrs. Jack Flynt of the Bethel Community who will be in charge of the project.

Auxiliary members are urged to take some homemade cookies to the Amarillo USO each time they make a trip to that city. The project is for the benefit of service men and is a very worthy project.

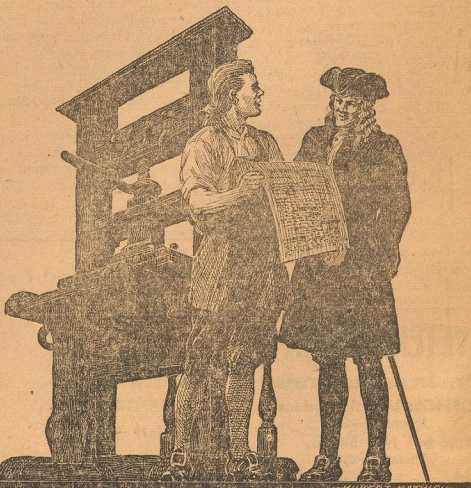

The deadline for gift packages for war veterans is Nov. 6, according to Mrs. Flynt. Packages may be turned over to Mrs. Flynt or may be left at the local News office. Gifts will go to hospitalized veterans to select for their families. Mrs. Flynt emphasizes that all gifts should be for all ages, male and female, and of the kind the giver would like to receive. The gifts should be unwrapped.

The Auxiliary is also selling Christmas cards this year. This program is under the direction of Mrs. Flynt.

OUR DEMOCRACY — by Mat

"We see by the papers..."

A SMALL NEWSPAPER ADVERTISEMENT OF LESS THAN 150 WORDS LAUNCHED THE CITY OF RICHMOND, VIRGINIA. IT RAN IN THE VIRGINIA GAZETTE AT WILLIAMSBURG 217 YEARS AGO AND WAS SIGNED BY WILLIAM BYRD, WHO OFFERED LOTS ON THE JAMES RIVER TO THOSE WHO WOULD BUILD HOUSES ON THEM.

THE LOCAL NEWSPAPER, THROUGH THE NEWS AND ADVERTISING IT PUBLISHES, CONTINUES AS A GREAT ECONOMIC AND CULTURAL MEETING-PLACE FOR THE COMMUNITY. WHETHER HELPING TO ESTABLISH A CITY OR SELL A SACK OF POTATOES, ITS COLUMNS ARE DEDICATED TO THE PROPOSITION THAT TRADE AND THE FREE INTERCHANGE OF INFORMATION KEEPS PROSPERITY GOING IN OUR DEMOCRACY.

Bobcat Band Offers Fruit Cakes for Sale

Thanksgiving fruit cakes have gone on sale by members of the Dimmitt Bobcat Band as orders were being taken this week and will be accepted until Nov. 6.

Band members advertise the cakes as very delicious and made with fresh fruit, new pecans, butter and "do not contain any other or peel." Each member of the

band is soliciting orders. However, if they fail to contact a prospective buyer one of the fine cakes may be purchased from the following parents: Mrs. Ben Hill, phone 353w; Mrs. H. E. Honea, phone 253w; Mrs. R. E. Hendrix, 49w; and Mrs. R. D. Rogers, 20j.

All orders will be delivered well in advance of Thanksgiving. Proceeds from the cake sales will go into the band treasury.

Wood Injured; to Miss Action in Game With Friona

Football championship were dealt a cruel blow Monday afternoon during squad workouts with the disclosure that starting quarterback Richard Wood suffered a fractured collar bone.

Called on for comment Tuesday, Coach Leo Fields simply stated that Wood's understudy Don Mobley, who has executed some nice plays this season, will take on the quarterbacking of the Bobcat eleven until Wood is able to play again.

Fields isn't particularly worried about the game Friday night against the Friona Chiefs as the Bobcats are considered a superior team. However, the Dimmitt mentor has been running his charges through some special plays and will be ready in the event some unexpected trouble arises.

The winless Chiefs only last week lost to Sudan a team Dimmitt soundly trounced. On the other hand the Friona team of Coach Raymond Cook has looked good at times despite their losses. The Chiefs, for example, turned in a good performance against Portales, one of New Mexico's stronger elevens.

The Friona team runs from the wing T formation and gains most of its yardage on the ground. The Chiefs, however, reportedly have a fair passing attack. The Dimmitt eleven has a slight weight advantage in the line, according to Fields, but the two teams weigh about the same in the backfields.

The Bobcats undoubtedly will play their usual good game Friday night as they are pointing toward their third straight conference win against no losses. In regard to the approaching tilt, Fields remarked, "After the way we played ball against Kress in the first half all remaining games will probably be rough."

will go into the club treasury and will be used for club projects.

Friona Puts Out "Welcome Mat"

Friona citizens are putting out the "welcome mat" for Dimmitt residents planning to attend the Bobcat-Chief game in Friona Stadium Friday night.

Residents are asked to come to the game hungry as the Lakeview Home Demonstration Club, oldest in Parmer county, is planning a Mexican dinner at the Friona School cafeteria between the hours of 5 p. m. and 9 p. m. Adults may get a Mexican plate for \$1 while children will be served for 50 cents. All meals will be served " piping hot."

The Friona Dimmitt game, which has been designated as a homecoming tilt for Friona, will also see the coronation of a football queen during half-time festivities.

Dimmitt residents are extended a hearty invitation to be on hand as the conference encounter may prove to be "very interesting."

Four little boys at Texas Scottish Rite Hospital for Crippled Children get a personal introduction to a real live movie star. The star above is Major, member of a famous team of German Shepherd dogs, shown with Trainer Billie Watkins of Hollywood. Patients at Scottish Rite get ringside seats and special previews of the best shows in town.

New Chevrolet on Display Here Now

An entirely different appearance from bumper to bumper is the boast of the new 1955 Chevrolet, which goes on display at Dimmitt Motor Company today (Oct. 28).

The new model will have the "dream car" appearance. All roofs have been visibly lowered with a corresponding reduction in hood and belt lines to accentuate a longer, sleeker appearance. At the same time passenger room has been increased.

The new Chevrolet will have the first V-8 engine offered in 35 years. Named the "Turbo-Fire V-8," the V-8 delivers 162 horsepower. The front and rear of the body has been completely revamped and is isolated from road shocks to an unusual degree.

The public is invited to attend the showing of the unusually different 1955 Chevrolet, which will be on show all day.

Mrs. Loyd is Host To B and PW Club

Members of the Dimmitt Business and Professional Women's Club heard a report on the District B and PW Conference held in Amarillo at a regular meeting in the home of Mrs. Grace Loyd, recently. Mrs. J. J. Boing, who directed an education and vocation work shop at the recent conference, gave the report.

Members earlier listened to Dr. Cranel Tolver, head of the West Texas State College speech department, as he gave an interesting talk before the Dimmitt PTA on speech defects among children and their correction.

Refreshments of pinwheel sandwiches, tulip sandwiches and small pumpkin muffins with tea or coffee were served the seven members and two visitors.

The next meeting will be a breakfast meeting on Nov. 2 in the home of Mrs. Ted Sheffy.

Easter Club Sets Halloween Party

Easter Community Club members have "swept out the goblins and scared away the black cats" in preparation for their annual Halloween party at the community house, Friday night. The party will begin at 8 p. m.

Just a few of the events on tap for the party are Halloween games, dominoes, cards, bingo and "42". Coffee and cookies will be served at the conclusion of the program.

All proceeds from the party

VOTE FOR AMENDMENT NO. 4

NOV. 2nd . . .

Give Texas . . .

✓ TWO NEW STATE OFFICE BUILDINGS NO ADDITIONAL TAXES NEEDED

(TRANSFERS SURPLUS OF CONFEDERATE PENSION FUND TO STATE BUILDING FUND).

Endorsed by four former living Governors and all former living Attorney Generals of Texas.

Save Taxpayers \$250,000 a year rental

Dear Friends:

I would like to say a word for LeRoy "Pete" LaMaster. I know him to be a man of integrity and good training. Whether you are of his political party or not, I believe you will make no mistake in electing him as your CONGRESSMAN.

Sincerely yours
Keith McCormick, Pastor
First Baptist Church

Dear Brother:

Likely most of us are Democrats in our political leanings, such as I am. However, I feel that the Man involved should have something to do with the way we vote.

I would like to speak a word for LeRoy "Pete" LaMaster. I know him to be a man of integrity and of good training. Whether we are of his political party or not, I believe that we will make no mistake in electing him to the Congress of the United States.

Your vote for "Pete" and your word to others will be appreciated.

Yours sincerely,
Averitt B. Cockrell
Pastor, First Methodist Church

Castro County News

Entered as second class matter in the United States Post Office in Dimmitt, Castro County, Texas, under the act of March 3, 1879.

Subscription rates for Castro and adjoining counties is \$2.00 per year; elsewhere, \$2.50 per year. Address letters to the editor to Box 63, Dimmitt; phone news tips or other data in to No. 88, Dimmitt.

B. M. Nelson, Editor and Publisher

After the debtor is adjudicated as bankrupt he is required to appear for examination as to his assets in the bankruptcy court, and if he fully accounts for his assets and has not violated any bankruptcy laws he will thereafter receive a discharge of his debts.

If he is granted a discharge of his debts, he has started a new financial life as of the date he filed bankruptcy. The assets which he thereafter acquires cannot be reached to satisfy the old debts, nor will creditors be permitted to sue him on the old debts.

Dishonest debtors sometimes endeavor to gain advantage for themselves not allowed by the bankruptcy laws. In these instances, upon objections to discharge by creditors, they not only will be denied a discharge of their debts, but the courts will be prone to deal harshly with the offenders if they have violated the criminal laws.

The head of a family is entitled to claim as exempt any property which is exempt under Texas homestead laws, which in the ordinary case will be his home, household furniture, wearing apparel, the family automobile, and tools of his trade or profession.

However, if any of this property is covered by a mortgage or conditional sales contract he must pay any balance due thereon, or the owner of such mortgage or contract may repossess.

Bankruptcy has a lasting effect upon a person's future credit and in the usual case causes creditors to lose their entire debt.

Many bankruptcies could be avoided if the "overloaded" debt or would make a timely effort to sit down with his creditors and work out plans for reduced payments over extended periods.

(This column, based on Federal law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts because the facts may change the application of the law.)

News of Our Neighbors

CANYON—(from the Canyon News) Canyon voters approved a bond issue of \$60,000 Tuesday (Oct. 19) when 419 persons took time to go to the polls to vote. The vote was 351 for the bond issue; 67 against the bond issue, with one ballot being mutilated. It will take about 30 days to clear paper work in connection with the bond issue before the money is received to start work on the new city park, which will be located west of the new ward school building. Canyon has been talking about the need for a city park for 25 years, but now that the start has been made, the city has the money available to build a real park. The work of planning and the bond issues was sponsored by the chamber of commerce.

HEREFORD—(from the Hereford Brand) Telephone rates once again plagued the City Commission in their recent regular meeting. A. O. Thomas, district Southwestern Bell Telephone manager, indicated possible dial telephone installation sometime in 1957 and asked the city an interim rate in-

crease during the waiting period. The Commission did not take action on the proposal, however, and advised Thomas that the situation would require further consideration.

PLAINVIEW—(from the Plain-Herald) Roy D. Gregg, son of Mr. and Mrs. Melvin Gregg of the Liberty Community north of Plainview, hit the jackpot again in the livestock show ring. The youth exhibited the grand champion lamb, competing against all breeds, in the mutton exhibit of the State Fair of Texas at Dallas. Gregg, a specialist in sheep, has shown grand champion lambs in the numerous exhibits in this area and in other parts of the state.

ABERNATHY—(from the Abernathy Weekly Review) A group of local business people answered the call to meet at the private dining room of Graham's Restaurant recently with the betterment of Abernathy as the goal of the evening. The group organized the Abernathy Chamber of Commerce with Orval Wallace being named president and Ray Pinson, vice-president. The by-laws and name of the organization will be voted on at the first regular meeting of the group.

MEMPHIS—(from the Memphis Democrat) Approximately 15,000 bales of cotton have been ginned

in Hall county through Oct. 20. A yield of 35,000 bales is indicated by farmers over the county and there are some that believe it will be even higher. About 300 laborers are needed to help harvest the cotton. A number of farmers have started using strippers and more will be utilizing this method soon.

LOCKNEY—(from the Lockney Beacon) G. H. P. Showalter, noted Church of Christ minister, educator and publisher, died suddenly of a heart attack at his home in Austin Oct. 17. He was 81 years old. Mr. Showalter was a pioneer educator in the area and was president of the old Lockney Christian College for several years about the turn of the century. Many local people were students under his teaching at the local college. Later he moved to Austin where he published The Firm Foundation, a Church of Christ publication for more than 30 years.

Mrs. Otto Dinwiddie is Hostess to Zealot Club

Zealot Club members met in the home of their sponsor, Mrs. Otto Dinwiddie, to elect the new officers for the coming year. Mrs. Jimmie Davis and Mrs. Paul Crick were co-hostesses and helped with the interesting program. During the business meeting the following officers were elected:

President—Ann Bell
Vice President—Betty Armstrong
Secretary—Sue Bennett
Treasurer—Betty Martin
Reporter—Mildred Garrison
Parliamentarian—Marlene Bennett
Educational Director—Jackie

taxes, inability to resist "impulse" buying, combined with easy credit, illness or other emergencies, or just plain bad judgment and mismanagement.

Some people in financial difficulty, when threatened with legal proceedings to collect outstanding debts, seek the relief offered them by federal bankruptcy laws.

The purpose of bankruptcy laws is to permit an honest but unfortunate or weak debtor to surrender or account for all his property for the benefit of his creditors and in exchange be discharged of his debts.

Any adult who is insolvent may become voluntary bankrupt by having his attorney prepare for him a bankruptcy petition, together with schedules of his assets and liabilities, and then file the same in the proper United States district court.

There are always a certain number of families in the United States with serious financial troubles. At this time, the number is relatively few. To those few and to their creditors, this column should be of particular interest.

The principal reported causes which throw families into financial difficulties are: Inflation and high

Buy wisely!

If you knew that the car you were thinking about buying would be a "has-been" at trade-in time, would you buy it? Wise buyers know that the more their car is worth on resale, the sounder their original investment. That's why more and more car buyers are swinging to FORD... the low-priced car that returns a higher proportion of its original cost at resale time than any other make.

Buy FORD!

Today's FORD has features so modern that in a few years it will still be considered... and valued as... an up-to-the-minute car. Proving just how modern these features are, no other low-priced car has them... nor do some far costlier cars! For example, in FORD you'll find...

Buy now!

There's no better time than now to see your FORD DEALER. It's a fact that your old car will never be worth more on a trade-in than it is right now. And there are so many things about FORD that will make you want to own one! Come see for yourself. Take a Test Drive!

You get a GREAT DEAL with FORD!

INTERESTING FACTS ABOUT TEXAS

GALVESTON GRAIN ELEVATOR

This is the largest export elevator on the United States coast line with six million bushel grain capacity, where two ships can be loaded at one time. In 1951, Galveston exported over 122 million bushels of grains, exceeding that of all other Gulf ports. The Texas wheat crop of 1949 was 100,398,000 bushels, the highest on record. Wheat production is one of the most highly mechanized of the Texas crops—it is usually a large scale farming operation.

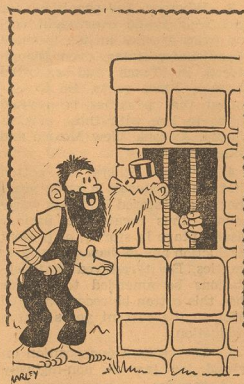

Why Suffer SLEEPLESSNESS, NERVOUSNESS?

"Nerves", Sleeplessness, Digestive Disturbances, Constipation
May Be Due to Iron-Poor Blood or Dangerous Deficiencies of Nature's Essential Vitamins and Minerals in Your System.

When your body is starved for these vital elements you may also suffer from loss of appetite, dizzy spells, bad breath, poor complexion and no color. If so, suffer no more. Get new iron-rich, vitamin-rich, blood-producing Drag-Not Tablets and see immediate results.

The lazy organs will go back to work and the black waste and impurities will begin to leave your body. Then the years will seem to slip away and you will discover new pep and vitality, feel and look younger. Get Drag-Not Tablets rich in yeast concentrate, liver, stomach substance, 8 vitamins, 5 minerals. Nothing else like Drag-Not. See results in 7 days or your money back. For men, women, children. Only \$1.98 for month's supply.

Important AG . . .

(Continued from page 1)
Be it resolved that our constitution be amended to read, "that no president shall succeed himself for more than three terms."

State and national resolutions endorsed by the bureau are as follows:

1. Whereas, there are many motor vehicles traveling Texas highways and roads bearing li-

cense tags, and are owned by persons who are neither financially responsible nor carrying liability insurance, Be it resolved that the Texas Farm Bureau recommend to the State Legislature that the laws be amended to require that no motor vehicle shall be licensed until the owner presents an affidavit certifying that he has liability insurance covering said vehicle for the full registration period.

3. Whereas, the penalties for underweight and overweight cotton bales are not in line to those of adjoining states, even those stored in Texas and exported through Texas ports, Be it resolved that penalties be revised to be in line with those of California, Arizona, New Mexico and Oklahoma.

4. Whereas, there is cotton that was produced in prior years that is still stored in Texas warehouses, thus creating a decided disadvantage in storing of present production and in disposing of loan equities, Be it resolved that regulations be amended to provide that this cotton be reconcentrated prior to the current years cotton production.

5. To reaffirm our position on refund for tax on non-highway used gasoline.

6. (this resolution was amended by the bureau) Whereas, the rates for rate classifications promulgated by the Insurance Commission seem to be excessive in some cases, especially to married couples under age 25, Be it resolved that the Texas Farm Bureau study and recommend to the Insurance Commission any changes that are found to be reasonable.

7. Whereas, much work has been done by cotton producers to secure a fair and impartial regrade of cotton classed under the Smith-Doxey Act, and, Whereas, many cotton producers feel that they do not get a fair regrade, Be it resolved that the Texas Farm Bureau continue its efforts in securing a fair and impartial reclassification method suitable to Commodity Credit Corporation and the cotton producers.

8. Whereas, the price support is of vital concern to farmers, Be it resolved that the Texas Farm Bureau reaffirm its position on a 990 percent parity price support on all basic commodities, and not less than 75 percent on non-basic commodities without a referendum giving farmers an opportunity to express themselves.

9. Whereas, in many instances farmers do not desire to plant allotted acres, and that the farmer and county allotments are sacrificed by non planting of these allotments, Be it resolved releasing to county committees

Plainview Woman Accepts Area Post

Mrs. Frank E. Cave of Plainview, Texas, has been named volunteer field consultant for the American Red Cross in the Parhandle, South Plains, and North Central areas of Texas.

In her new position, Mrs. Cave will serve in an advisory capacity to 67 Red Cross chapters in that region, particularly in the field of volunteer activities.

The new volunteer field consultant will be concerned primarily with efforts by the chapters to increase and strengthen volunteer participation in all Red Cross programs and activities.

Mrs. Cave has recently completed special training in the Midwestern Area Office of the American Red Cross in St. Louis, Missouri, in preparation for her new duties.

She has served for 10 years as residential chairman of the fund drive in her home chapter of Hale County, Texas. She was active in production work in World War I and II and is trained in home nursing and first aid.

Mrs. Cave is a graduate of Baylor University and is a former teacher of English at Lipert's Business College in Plainview.

In addition to her Red Cross volunteer activities, the volunteer field consultant has been active for many years in other civic and community affairs.

Mrs. Norman Cites Missionary Need

Eleven members of the Charles Culpepper, Jr., Circle heard an inspiring lesson taught by Mrs. Lee Norman during a regular meeting Monday morning in the home of Mrs. W. A. Senter.

With reference to a lesson taken from the mission study book, "Pilgrimage to Brazil," Mrs. Norman cited the great need for more missionaries to our South American neighbor.

In addition to serving as study leader, Mrs. Norman presided over the meeting in the absence of the circle chairman, Mrs. Noel Gollehon.

Refreshments were served to Mesdames Lee Norman, Bill Lee, Frank Mears, Malinda Turner, Claude Johnson, Elmer Dixon, C. G. Maples, Sr., R. B. Strother, W. E. Thompson, Reece Kessler and the hostess, Mrs. W. A. Senter.

Hart Club Women Display Crafts

The Legion Hut at Hart was a show place recently for many exhibits and projects that Hart Home Demonstration Club members have studied during the current year. Posters, table settings, food and cereal, foods that can be eaten with the fingers, crafts, landscaping, draperies and outdoor cooking samples were only a few of the many things exhibited by the industrious club women.

The occasion for the many fine displays is known as the annual Hart Home Demonstration Achievement Tea. Once each year club members meet to show their projects, which were either started or completed during the year. Serving as hostess for the annual event was Mrs. Freda Hawkins. Members present for the occasion were Mesdames Myrick, Smith, Thompson, Maples, Garrison, Aven, Murray, Ruby Davis, Cora Davis, Hamn, Brooks, Huggins, Cox and the hostess, Freda Hawkins.

Visitors for the Achievement Tea were Mrs. Lipscomb and girls Tea were Mrs. Lipscomb and girls Tea were Mrs. John Rice, Mrs. Roy Pyeatt, Royce Lynn and Phyllis Wall.

The club will meet in regular session again on November 2 with Claudelle Aven serving as hostess.

John J. Womack and Mike went deer hunting recently at Pagos Springs, Colorado. They had good luck, killing one deer.

Only once has the speaker of the house ever become president. It occurred when James K. Polk was elected in 1844.

That we favor a continuation of these unplanted acres for re-allocation to other farmers.

10. Whereas, the moisture content requirement for grain sorghums, to be eligible for the CCC loan is 13 percent and this requirement is below wheat moisture content of 14 percent, Resolved that Texas Farm Bureau use its influence to correct this requirement.

FASHIONING the Memorial poppy to be presented to the public on Saturday, November 6, by the local Greer H. Estes American Legion Auxiliary Unit, are Albert B. Cox (in chair, Robert Breeden (on bed) and James Tiery (in wheelchair). The above are hospitalized war veteran patients in the V. A. hospital at Legion, Texas, occupying their hands and minds. The poppy was adopted as The American Legion official flower in its National convention in 1920. The Auxiliary adopted it as its official flower at its first National convention in 1921. It is a symbol of those who died on the battlefields during World War I, inspired by this one touch of beauty on Flanders' Field in France. Over the period of years, with the intervening international conflicts, it has become a memorial to all of those who have died in battle under the Stars and stripes.

WHAT DO YOU THINK A VEOCIPEDE IS?

(From Bobcat Tales)
Ted Godfrey—Some kind of woman's hat.
Clinton Glenn—A sport car.
Jimmy Hyatt—Some kind of vice they are going to start in school.
Deane Morgan—Something about football.
Buzz Field—Some kind of prehistoric animal.
Maxine George—One of those questions in Homemaking III.
Marvin Anderson—The name of a teacher.
J.C. Newton—One of Mr. Seale's words for bugs in V. A.
Darrell Stine—Some word Miss McMinn thought up.
