SUDAN, LAMB COUNTY, TEXAS, THURSDAY, SEPTEMBER 24, 1931

NUMBER 13

## AWARDS IN HOME DEMONSTRATION WORK CLUB IN LAMB COUNTY

Miss Izora Clark, County Home Demonstration Agent of Dimmit, Castro County and Miss El Pleda Harrison of Tachoka, Lynn County, were the judges.

Clubs receiving highest points and the awards on their booths at as follows:

Olton Home Demonstration Club, \$25.00; Circle Home Demonstration Club, \$15.00; Blue Bonnet Home Demonstration Club, \$5.00, Sand Hill Home Demonstration Club, Honorable Mention.

Snap Beans of Peas; Mrs. McClure, Peas; Mrs. Fowler, Beans; Mrs. C. N. Dodson, Peas, English Peas; first Mrs. C. A. Messamore, second Mrs. Day, third Mrs. C. P. Reynolds.

Canned Tomatoes; first Mrs. C. McDonald, second Mrs. Packard, third Mrs. Seigle.

Carrots; first Mrs. E. A. Applewhite, second Mrs. Duggan, third Mrs. B. L. McDonald.

Beets; first Mrs. L. A. Schreier, second Mrs. L. W. McDonald, third Mrs. Joe West.

Other Vegetables; first Mrs. Davis White, second Mrs. Chas. Crawford, third Mrs. R. White, fourth Mrs. Roberts.

Canned Peaches; first Mrs. J. M. Whitfield, second Mrs. R. A. Applewhite, third Mrs. Russ.

Canned pears; first O. R. Robertson, second Tom Matthews, third Xae Boon.

Canned Plums; first Mrs. Chas. Reynolds, second Mrs. R. A. Applewhite, third Mrs. Geo. Harmon.

Blackberries of Dewberries; first C. R. Reynolds, second M. M. White, third Joe West.

Other Canned Fruits; first Rector, second C. W. Reynolds, third R. A. Applewhite.

Pickled Peaches; first Mrs. H. M. Packard, second Mrs. W. E. Bentley, third Mrs. Temple, fourth Mrs. W. E. Logan.

Green Tomato Pickles; Mrs. Johnny Graham, second Mrs. Mae Moore, third Mrs. G. A. Benefield, fourth Mrs. F. Schrier.

Other Vegetable pickles; first Mrs. C. Webb, second Mrs. I. V. Fent, third Mrs. Chas. Crawford, fourth Mrs. H. E. Hudgins.

Pepper Relish; first Mrs. I. J. Rice, second Mrs. R. A. Packard, third Mrs. W. E. Logan.

Chopped Pickled Onions; first Mrs. Lawson, second Mrs. Bentley, third Mrs. Alpha D. Padon.

Other Relish; first Mrs. Galter, third Mrs. Fowler.

Loway, second Mrs. J. T. Ruck-Peach Preserves; first Mrs. C. M. Owen, second Mrs. A. B. King, third Mrs. I. V. Fent.

Sweet Pickle Watermelon Rind; first A. D. Melton, second Johnny Gra'om, third W. R. Neinstan.

Sweet Pickle Peas; first R. A. Applewhite, second G. R. Smith, third H. M. Packard.

Other fruits sweet Pickles; first H. M. Packard, second C. W. Reynolds, third Stanfield.

Pickled Beets; first L. L. McDonald, second H. M. Packard, third G. Jennings.

Pickled Cucumbers; first Susie McWilliams, second W. T. Attaway, third Tom Matthews.

Pickled Onions; first I. V. Fent, second Geo. White, third H. Love.

Peach Preserves; first H. H. Ogletree, second Wanda Speight, third S. E. Hile.

Fig Preserves; first Mrs. McCarty, second Mrs. W. C. Squin, third Mrs. Geo. Harmon.

Watermelon Rind Preserves; first Mrs. Jno. Hisinger, second Miss Water Natzger, third Mrs. C. McSpaden.

Other Preserves; first Mrs. C. B. Harmon, second Mrs. Tucker, third Miss Edna Rector.

Jelly Grape; first Mrs. O. L. Williams, second Mrs. Mae Books, third Mrs. Lewis.

Jelly Plum; first Mrs. Artie Erb, second Mrs. Packard, third Mrs. G. R. Smith.

Jelly Black or Dew Berry; first Mrs. W. C. Squire, second Mrs. B. J. McGee, third Mrs. Jackson.

Apple Jelly; first Mrs. J. B. McCrary, second Mrs. Hite, third Mrs. R. A. Applewhite.

Jelly Other; first Mrs. C. W. Reynolds, second Mrs. J. G. Cole, third Mrs. C. N. Stine.

Crystallized Figs; first Mrs. W. C. Reynolds, second Mrs. A. D. Melton.

Crystallized Watermelon Rind; first Mrs. W. E. Logan, second Mrs. Packard, third Miss Willie White.

Crystallized other fruit; first Mrs. Applewhite, second Mrs. Packard, third Mrs. McGee.

Crystallized Citrus Peel; first Mrs. F. Hudgins, second Mrs. Boyd, third Mrs. W. E. Logan.

Braided Woolen Rug; first Mrs. J. M. Whitfield, second Mrs. W. F. Hudgins, third Mrs. W. F. Sanders—Dodson.

Braided Hemp Rug; first Mrs. Cole, second Mrs. W. E. Logan,

## TOWN and COUNTY DODSON'S WORLD'S FAIR SHOWS TO BE AT SOUTH PLAINS FAIR

The South Plains Fair offers at Lubbock, September 23 to October 3 A Mardi Gras Carnival and Fiesta extraordinary with DODSON'S WORLD'S FAIR SHOWS providing a "Million Dollar" Midway of 30 different tent theatres, 16 riding devices and melange of free features. Two trains of 40 cars transport the Dodson Caravan. Only show larger is the Ringling-Barnum Circus. With Donson Brothers are 600 people. Horses form a show in themselves. Visitors welcome at the tent stables. Many wild animals. The baby lions interest the kiddies as do the clowns, ponies and monkeys. Mexican, Indian, "Jig" and American Bands. Pretty girls. Only show with a "canvass church" for the show folk with a bona fide pastor—Rev. Doc Waddell—for it and them. Maintains a "school" with Prof. Henry Ohlson formerly of the Ohio State University faculty as superintendent. Its Principal is Miss Ann Bartlett, pretty "school marm" from New Martinsville, Va. Her Kidegarten for show children, not yet 6, is worth a visit by educators.

A secret service department is maintained which protects the public from petty trickery and cheating. Top-Notch shows are: Glenn's Circus; Princess Lea's Hawaians; Circus Museum; Kemp's "Bowl of Death"; Dixieland Minstrels; Monkey Motor-drome; The "Vampire"; War Exhibits; The Scout Younger-Heavy James "End of the Road"; Athletic Arena; Penny Arcade and the Unborn Show. There are Fun Houses galore. "Ghandi", the "King Ben" of Snakes 36 ft. 6 in long, weight 568 lbs.—will be fed a goat and horse of Humane Officers will not prevent. Everyone should hear Charles' Anderson, "The Blackest Yoder," weighing 55 lbs. Child of the Sea can live under water. Andy Walker, Champion Strong Man, can lift horses, cows and elephants. The Father of the Fat Family weighs over 600. His Wife, 595. Has a son that tips the scales at 702. Two Daughters are fat chances for men matrimonial-ly inclined. Performances continuous—Afternoon and Night.

## H. D. CLUBS TO TOUR COUNTY

There were many counties with their exhibits and competition was keen. The Lamb County exhibit will be at the Panhandle South Plains Fair in Lubbock next week and we hope that it does this well or just a little better at that fair.

Monday is SUDAN DAY AT SOUTH PLAINS FAIR. Monday, September 28th, is Sudan Day at the Panhandle South Plains Fair at Lubbock, according to Homer D. Grant president of the Panhandle South Plains Fair Association. All citizens of Sudan and community that can possibly attend the fair on this day should do so and it will be good advertising for the town if they had an organized group to attend the fair in the behalf of Sudan. Let's go to the fair on that day.

LUBBOCK BOOSTERS VISIT SUDAN. The Lubbock Boosters accompanied by the Lubbock High School Band visited Sudan Tuesday afternoon. Mr. Boesen of Sudan made the Welcome Address. Speakers from Lubbock talked in the interest of the Panhandle South Plains Fair at Lubbock next week and invited everyone down. Many novelties were given to the children. The band played several numbers.

SUDAN HOME DEMONSTRATION CLUB. The Sudan Home Demonstration Club met with Mrs. Lewis Rector Friday September 18 with seven members and two visitors present. Different phases of business

## LAMB COUNTY EXHIBIT WINS SECOND AT TRI-STATE FAIR IN AMARILLO

The West Plains Association of Baptist Churches is to ship a car load of food supplies to the Buckner Orphans Home at Dallas.

This plan was suggested to the Baptist Churches of this association and they readily saw the advantage of shipping a car load of food supplies. Money is scarce now but there is plenty of food stuff that will go to waste if it is not canned, dried or preserved in some manner. People are able to give a few cans of canned vegetables or fruits where they could not give any money with which the orphans home could buy food with.

Anyone that has a donation of this kind to make should bring it to Brother McGeary or bring it to the morning or evening services at the Baptist Church in Sudan. Any kind of dried vegetables, fruits, or canned goods—in fact anything classified as food will be gladly accepted by the home. The car will be filled September 30th so make note to have your gift at the Baptist church in Sudan before that date or as soon as possible.

Everyone is invited to bring a donation whether they are Baptist or not. Donation from other church members will be greatly appreciated.

Any donation whether large or small will be greatly appreciated—for to feed this large number of children is a great undertaking.

Mr. and Mrs. Finas Baird of Littlefield spent Sunday with the Saunders' family.

were tented too. Several tables were made by different ladies which were interesting.

The next meeting will be with Mrs. H. F. Cole on October third. We urge that all ladies who can come and be with us in these meetings. Visitors welcome—Reporter.

## \$10,000 IN CASH PRIZES

On another page of this issue of Sudan News appears an offer of \$10,000 in cash prizes for the best answers explaining The Mystery of the Hidden Quart, and launching the largest advertising campaign ever sponsored by Continental Oil Company in the interest of Conoco Germ Processed Motor Oil.

"Teaser" announcements of this campaign have appeared during the past two days throughout the country, and today's advertisement announcing the cash prize contest is appearing in 1,569 newspapers, with a combined circulation of more than 9,000,000. The advertising in connection with this prize contest will constitute one of the largest campaigns ever conducted by an oil company during a similar period of time, according to Wesley I. Nun, advertising manager of Conoco Continental Oil Company.

"During 1931 Continental will spend considerably more than half of its entire advertising budget for newspaper space," said Mr. Nun. "Despite the general downward trend of business conditions during the early part of this year, Continental decided to increase its advertising budget. The result has been that we have had a very worthwhile increase in volume of business this year, and have definitely proved the wisdom of going after business by a stronger advertising appeal during the so-called depression periods."

The contest announced today is one in which motorists are invited to compete for \$10,000 in cash prizes in telling how the "hidden quart" of Conoco Germ Processed Motor Oil benefits motorists. The question is "What become of the 'hidden quart' and how does this quart benefit the motorists?" There are 29 prizes, first prize being \$5,000.

The contest closes at midnight, September 28, 1931, with all communications being sent to Continental Oil Company, Ponca City, Oklahoma. Judges of the contest are: Dr. W. B. Bizzell, president of the University of Oklahoma; Jon A. Hunter, professor of mechanical engineering, University of Colorado, and Frank L. Martin, associate dean, School of Journalism, University of Missouri.

## BLUEBONNET NEWS

Mrs. Earl Venerable has returned home from an extended visit with her mother in Brownwood. She had a telegram some 4 weeks ago stating her mother and sister had been seriously hurt in a car accident. However, they are recovering. Her mother is making slow progress as she is very old. Her friends are glad to hear of their recovery.

Mr. and Mrs. Curtis Chishom and Mrs. Chas. Crawford were shopping in Littlefield last Saturday afternoon.

Miss Ora Venerable is visiting her parents Mr. and Mrs. Earl Venerable. Ora has been in training at the Lubbock sanitarium.

Mrs. C. R. Terrell and daughters Mavis and Mrs. Doyle Terrell visited Mrs. Johnnie Graham in Amherst Monday evening.

The Blue Bonnet Club met in the home of Mrs. W. N. Humphrey last Thursday afternoon about 25 being present. All business was attended to by the president then a social hour was enjoyed. Nice talks and games of amusements were enjoyed. Cake and Cream was then served. Several of our members are considering going on the county tour this week. Our next meeting will be with Mrs. E. L. Yarbrough being on simple dessert. Mrs. Harris Brantley will lead the program.—Reporter.

## W. M. U. MET MONDAY

One of the most delightful programs of the year was enjoyed by twenty ladies Monday afternoon, when the W. M. U. of the Baptist church gathered in the attractive home of Mrs. Davis for "Royal Service" study and social hour. Mrs. Covington in charge, prepared a most unique program and every feature was in perfect harmony from the first song to the Benediction.

Mrs. A. C. Findley conducted the Devotional, reading the Biblical Story of the Conversion of the Ethiopian then speaking of the great service Africa had rendered to the civilized world, reminding us of the truth this land cradled the race that gave our Savior birth, and protected him in his infancy, and helped him carry the cross to calvary.

Other speakers of the afternoon were introduced. The initial letters of Mrs. Hazel's words formed an acrostic spelling the word "Africa". She spoke of its vast area. It is hard to imagine a country large enough to contain Norway, Sweden, France, Germany, Italy, China, Argentina, India and the United States, and still space to spare.

Mrs. Ramsey, Mrs. Ladd, Mrs. Findley, Mrs. Tilton, spoke on the three great lights we strive to keep burning in the benighted land, the light of Education, the light of healing, and the light of Evangelism. These ladies represented these lights, using blazing tapers to symbolize our work, while they gave a verbal picture of the Great Light, the Gospel, that is dispelling the gloom in many lands. The missionary program concluded the ladies enjoyed the social hour.

Those present were: Mesdames Tilton, Wells, Wennie Ramsey, Z. M. Jones, Clyde Robertson, Jim Seratt, L. R. Wood, Seratt, Ladd, A. C. Findley, Joe Covington, Findley, Phillips, G. Hazel, Bearcroft, V. Patterson, Bob West, Cal McGahey, John Martine, Bud Estes, Davis, Hostess.—Reporter.

## FRIENDSHIP NEWS

Mrs. W. T. Harper entertained the young folks of this vicinity with a party Saturday night. All reported a most enjoyable time.

Mr. and Mrs. H. C. Dennington spent Sunday with R. C. Dennington and family of Bush.

Mr. John Case and mother who have recently moved to Sudan spent Sunday in the J. W. Sims home.

We had a large crowd at singing Sunday evening. Our next singing day is the first Sunday evening of next month.

Mr. V. E. Dennington of Clovis, New Mexico is visiting his nephew H. C. Dennington of here.—Reporter.

## MONDAY IS SUDAN DAY AT SOUTH PLAINS FAIR

Monday, September 28th, is Sudan Day at the Panhandle South Plains Fair at Lubbock, according to Homer D. Grant president of the Panhandle South Plains Fair Association. All citizens of Sudan and community that can possibly attend the fair on this day should do so and it will be good advertising for the town if they had an organized group to attend the fair in the behalf of Sudan. Let's go to the fair on that day.

## LUBBOCK BOOSTERS VISIT SUDAN

The Lubbock Boosters accompanied by the Lubbock High School Band visited Sudan Tuesday afternoon. Mr. Boesen of Sudan made the Welcome Address. Speakers from Lubbock talked in the interest of the Panhandle South Plains Fair at Lubbock next week and invited everyone down. Many novelties were given to the children. The band played several numbers.

## WEST SIDE BEATS EAST SIDE IN FOOTBALL GAME

The football fans on both sides of the street got up two football teams the latter part of last week and challenged the other.

The line ups were as follows: East Side Position West Side  
 Rotenburg R. E. T. Lynch  
 Purcell R. T. R. D. Tidwell  
 Rector R. G. J. W. Weldon  
 L. Payne Center Earl Ladd  
 Jones, L. G. Jinks Dent  
 Joe Carter L. T. Butts  
 Doark L. E. J. McLarty  
 Daun Q. B. Alldredge  
 Neel L. H. R. Hammock  
 Chesher, R. H. D. Robertson  
 Ramb, F. B. M. Robertson

The Game Play by Play  
 West Side receives the kickoff on the forty yard line. M. Robertson fumbled and lost 20 yards on first play of the game. Alldredge around right end for eight yards. Pass from Alldredge to D. Robertson incomplete. Rex Hammock through left tackle for twelve yards and a first down. D. Robertson through right tackle for five yards through right end for five yards. D. Robertson through line for five yards and a first down. Alldredge fumbled and lost five yards but recovered. Alldredge around right end for a touchdown. M. Robertson made the point through the line. Score West Side 7 East Side 0. Quarter ended.

Second Quarter: West kicks off to East. P. Neel runs it back to the thirty yard line. P. Neel goes around left end and right down the side line for fifteen yards and the first first down for the East Side. Center fumbles Chesher recovers for a loss of five yards. P. Ramby makes three yards through the line, Chesher makes one yard through line Punt fumbled and West Side recovered. Ramby intercepts Alldredge's pass and is downed on the fifteen yard line. Ramby fakes a pass and tries the line for no gain. Ramby through left guard for five yards. L. Payne tries the line for no gain. Fourth and five. East fumbled and Dent recovered center for no gain. Half Score for West Side. Alldredge tries West Side 7, East Side 0.

Third Quarter: Butts comes in to make the West Side a full squad. East Side Kicks off to West Side with Lynch running it back to the forty yard line. D. Robertson around right end

for 9 yards. M. Robertson makes first down. Alldredge makes fifteen yards around right end. M. Robertson makes 5 through the line. Alldredge makes 5 through line. D. Robertson goes around left end for a touchdown. He was given good interference by Alldredge, Hammock and M. Robertson. Chesner nose was broken on his play. Skinny Jenkins takes Payne's place as center and Payne takes Chesher's place in the back field. The West Side failed to make the point. West kicks to East. Payne runs it to the ten yard line. East offense incomplete pass. Quarter ends. Score West Side 13 East Side 0.

Fourth Quarter: Payne makes five yards through the line. Ramby fumbles and makes two yards through the line. Ramby punts. West off sides. East gets the ball on twenty yard line. East fumbled and Lynch recovered from the West. M. Robertson around right end for touchdown. Pass Alldredge to D. Robertson makes the point. Score 20 to 0 in favor of the West Side. West kicks off to East. Ramby fumbled and P. recovers for the East Side. Lynch tackled Roark for a two yard loss. Incomplete pass. Third and twelve. Incomplete pass. Penalized five yards. Fourth and eighteen. Alldredge catches the punt and runs fifty yards through the whole team for a touchdown. Jack McLarty drop kicked the goal making the score 27 to 0 in favor of the West Side. One minute to go. The West kicks to the East side. Payne receives on the ten yard line and punts and the ball is killed by C. Roark in mid field. D. Robertson makes 30 yards around right end as the game ends.

score West Side 27 East Side 0.

It might be noted that the West side only had ten plays the first half of the game. The four back field men of the West were all good ball carriers. Alldredge made lots of gains and two touch downs. D. Robertson made good gains also and one touch down. M. Robertson made one touchdown. R. Hammock carried the ball once in the whole game making a nice 12 yard gain on that play and a first down. J. W. Weldon and Theron Lynch were out standing line men for the winning side.

## LAMB COUNTY TEACHERS' ASSOCIATION PROGRAM

Hart Camp, Saturday, Sept. 26

10:30—Song, "America". Invocation.

10:40—"We welcome you"—Supt. Healy of Hart Camp. Response—County Supt. L. D. Rochelle

10:50—Music Spring Lake High School.

11:30—Round Table Discussion led by Supt. O. L. Davis of Sudan.

12:00—Lunch; served on grounds

1:15—Music by Lubbock High School.

1:45—Business session—Organization of Lubbock High School.

## MAY POISON STOCK.

Some plants on which livestock are pastured may develop poisonous properties as a result of drouth, frost wilting, or severe trampling. According to the U. S. Department of Agriculture, which has investigated reports of livestock poisoning, such plants as sudan grass, velvet grass, sorghum, and Johnson grass have been found to develop prussic acid when their growth is retarded by abnormal conditions such as those mentioned. Under normal conditions prussic acid is not found in any of these plants.

Once animals have eaten plants containing prussic acid, there is little that the stockman can do. The department says. The poison acts quickly and very often the affected animal will die within half an hour. While there are few remedies that are suggested for exceptional cases they are usually of little avail after the animal has taken enough of the injurious substance to cause symptoms to develop.

## LORA McCARTY AND CLAUD BLANCHARD WED

Miss Lora McCarty, daughter of Mr. and Mrs. J. H. McCarty and Claud Blanchard, son of Mr. and Mrs. J. J. Blanchard were married in Clovis, New Mexico Sunday afternoon. They will make their home in Sudan

### THE AMERICAN CREED

"I believe in the United States of America and the principles of freedom, justice, equality and humanity upon which it was founded and for which, American Patriots have given their lives and fortunes.

"I believe it is my duty towards my country to love it; to obey its laws, and to defend it against all enemies.

Any erroneous reflection upon the character or reputation of any person or corporation which may appear in these columns, will be gladly corrected upon its being brought to the attention of the management.

### "BOOST OR MOVE"

### WILL THERE BE ANY RESULT?

Natural gas is more than a source of heat. Recent experiments have demonstrated it can be used as a refrigerant. A. W. Meton, Oklahoma engineer, predicts. "The day is not far off when gas will be used to cool our homes as well as heat them. And as a result of our expanding gas lines, all America can cool and heat itself from the same producing region."

Increased uses of oil and natural gas naturally will result in increased consumption and greater production. What is going to be the effect of that upon the earth on which we live? Billions of barrels of oil and billions of cubic feet of gas are being taken out of the ground every year. The space inside the earth which this oil and gas formerly occupied is being left empty. Is the loss of all weight and pressure from inside the earth going to have any effect upon the stability of this planet? Is there any relation between earthquakes and the underground reservoirs which have been drained of oil and gas? How much more weight and pressure can be taken out of the earth before its balance is disturbed? There is plenty of food for thought for scientific minds in that.—Hockley County News.

### ANOTHER "SECOND" PAPER TAKES THE COUNT IN HIGGINS

John N. Merriman of the Booker News was a caller at the News office Monday. He was seeking information about a printing outfit that has been in the city the past few months, on which Mr. Merriman had a lien. On Tuesday, Mr. Merriman sent a truck from Booker and the plant was removed to that city in the west end of the county.—Higgin News.

Thus, another "second" newspaper has taken the "count" and died by the wayside. It has invariably been the case that two newspapers cannot exist for long in towns no larger than Higgins, and even much larger. However, some fellows still have the nerve to try it out, to their sorrow. Higgins now has the one and old reliable paper, the News, owned and published by L. D. and Molly Shaw.—Miami Chief.

## MELON SUGAR TEST IS MADE AT LUBBOCK

Watermelons possibly could be raised for sugar on a commercially profitable basis on the South Plains, two Lubbock chemists believed after testing sugar content of an unusually good melon from R. B. Carden's farm four miles west of Anton. Curious to learn just how much sugar a good melon contained, Dr. C. C. Mansell, in Charge of the laboratory at the Lubbock clinic, and Floyd Coffman, business manager of the clinic, ran a sugar test. Sugar content of the melon used was 12 per cent, Coffman said.

In making the test, the juice was filtered, diluted, mixed with a solution, and boiled until a definite color change occurred. The average melon of fair quality probably would average from 8 to 10 per cent sugar, Coffman indicated.

With the cotton industry in the doldrums and other products worth little unless sold "on the hoof," possibility of raising watermelons in wholesale lots, crushing them and extracting the juice for sugar was suggested.—Lubbock Avalanche

### LAYING IT ON THICK

Once upon a time it was a custom among country news papers, such as the Democrat, to pay high tribute to every citizen mentioned in any news item. In the case of a wedding the bride never failed to be "accomplished, beautiful, popular and talented." The groom was invariably "industrious, ambitious, and bound to succeed." When a citizen died, he or she was made out to have virtues none on this earth possesses. All of this would have been fine if only the family of those mentioned had read the paper. But things are different now. The publisher who deliberately lies, even if in a good cause, can expect little enthusiasm from the majority of his readers. No matter how deserving of praise an editor may think one of his friends, there will be a lot of readers who will give him a horse laugh after said praise is printed. We make enough unintentional mistakes when trying to give facts, without bringing our personal opinion into the news. This may explain why some of our stories are as brief as they are.—Edgar Blanton in the Shelbina (Mo.) Democrat.

### "MASTER FARMERS" FAVOR CONTROL OF COTTON ACREAGES

AUSTIN, Texas, Sept. 16.—The "Master Farmers" of Texas, those outstanding farmers selected yearly by the farm journal Progressive Farmer and Southern Ruralist, favor control of cotton acreages by law, according to a survey made by the magazine.

The journal advised J. F. McDonald, Commissioner of agriculture, that a poll showed many of the Master Farmers, heretofore against legislation of any kind, "are now firmly of the opinion that acreage must be controlled by law." A majority of them favored the plan of partial reduction originally sponsored by the commissioner of agriculture, as against the Long plan of total prohibition in 1932.

Excerpts from their communications follow:

"I think Governor Long's plan unwise. No tenant farmer could weather 1932 without cotton. Mr. McDonald's plan is the best yet offered."—R. F. Alfrey, Godley.

"I am in favor of the McDonald plan provided that it is passed in all principal cotton raising states."—D. Pounds Lubbock.

"The 'one-half of his farm cotton' plan is least open to objection, and should make for a more stable agriculture."—T. D. Porcher, El Paso.

"Governor Long's plan would

cause greater competition from foreign countries. Mr. McDonald's plan would be best."—J. M. Chamberlee, Mabank.

"Mr. McDonald's plan is sound. We would still make enough cotton and be able to build up our land."—William Ranly, Lott.

"I am very much in favor of having a law to govern cotton planting."—Arthur G. Ise, D'Hanis.

"I do not approve of the Long plan. I favor the McDonald plan in this way: If we are to lose 50 per cent of our cotton acres, let the big boys who are holding so much cotton lose 50 per cent with us."—R. B. Gary, Floydade.

"I do not believe either plan is sound."—Paul W. Price, Vinton.

"Because of the emergency, I favor Governor Long's plan."—Raymond Brown, Mt. Pleasant.

"I am opposed to any law that would prohibit the farmer producing the crops he wishes to grow."—Fred Lowe, Plainview.

### BLOWING AUTO MOBILE HORNS

If some friend drives up in front of your business and seeks to summon you outside by blowing his automobile horn, call the police. You are also at liberty to call the sheriff if your wife uses the car to let you know that she's outside of your office ready to drive you home to dinner.

For, under a new law which now is in effect, the use of automobile horn for any purpose except to warn pedestrians or other automobile drivers is an offense punishable by a fine up to \$200 and a jail sentence of 60 days. The women may object, but most persons will applaud the new law and hope for its enforcement.—Groom News.

### NEW TRAFFIC LAWS ARE NOW IN EFFECT

Unnecessary noises from automobile horns, bells and sirens are now tabooed in Texas under the new state law regarding motor traffic, which became effective last Friday according to copies of the law being sent out by the state highway department.

Beginning August 22, automobile horns are to be used only for the purpose of warning pedestrians and other automobile drivers, and not for the purpose of summoning persons from houses, or to demonstrate the pretty tones of one's freak automobile horn, according to literal translations of the act.

Also no vehicle may be operated on the public highways without adequate brakes to stop within 45 feet at a rate of speed of 20 miles per hour. The penalty for violating this clause is

**DR. G. A. FOOTE**  
PHYSICIAN and SURGEON  
GLASSES FITTED  
Office phone 45  
Residence Phone 33  
Office At Sudan Drug

a maximum of \$200 for the first offense, \$500 and a jail sentence of 60 days for a second offense, or \$1,000 and six months in jail for the third offense.

An automobile must be equipped with a horn, but is not allowed to have a bell, siren, or exhaust whistle, unless it comes under the classification of fire trucks, ambulances or police vehicles, according to the new law.

It will be unlawful to operate a motor vehicle, trailer or semi-trailer at night without a burning red of yellow light on the rear of the last vehicle. It also will be unlawful for any person to operate or move any vehicle upon a highway with a red light attached to or visible from the front of the vehicles, except that vehicles operated by fire departments and ambulances by law enforcement officers, and all cars used for transporting persons for hire shall be equipped with at least one quart of chemical fire extinguisher. Any cars exceeding a width of 70 inches must be equipped with clearance lights on the front of cars and trucks.

TEXAS CERTIFIED SEED IS APPROVED BY ARKANSAS LAW

AUSTIN, Texas, September 15.—Arkansas has come to Texas for its first supply of certified planting oats.

The 1931 session of the Arkansas legislature enacted a law providing for the certification of Nortex Oats, obtained by a private grower in Arkansas from the Denton County Pedigreed Seed association. He wrote the association as follows:

Albert S. Craver, D.C. CHIROPRACTOR Texas Muleshoe Files treated without the use of knife and no delay from work.

Our years of experience enable us to render an efficient and economical battery service.

"This field was inspected and used as a model for all future oat inspection as it showed a remarkable uniformity as to variety and was absolutely free from smut. We have no doubt that a wide distribution of these oats will be made in Arkansas this fall, as they will carry the State Plant Board Certified Tag."

The oats threshed out 75 bushels per acre on upland soil with only 200 pounds acid phosphate per acre, he said, "which was remarkable because only a bushel and a half of oats per acre was sown."

Nortex Oats carry the familiar red tag of the Texas State Plant Board and Department of Agriculture, attesting state inspection and certification.

If you need Fruit it would be good to buy trees from Dalmont Nursery. They have an orchard propagated from tested varieties of trees that are bearing this year—bore last year and the year before, and ever year since they were old enough.

## HOT LUNCHES FOR CHILDREN PLANNED IN WHEELER COUNTY

SHAMPROCK, Sept. 18 (ap)—While the rest of the country is canning everything available to feed the needy this winter, residents of the Kelton community, 15 miles northwest of Shamrock, are making preparations to give their children hot lunches during school this winter.

More than 60 residents of the community met at the school building recently and canned the same 275 quarts of corn, peas and soup mixtures. The school board furnished the cans and the men and women did the work.

As soon as the weather is cold enough, beeves will be donated and canned in the same manner. Plans are to have 500 cans of vegetables and as many cans of meat to feed the children this winter. Every school child will be given a hot lunch.

## Insured Saving Shares

Issued by Guardian Savings & Loan Association

Guardian Savings & Loan Association of Dallas now offers a plan of systematic saving that even death cannot defeat. A new issue of installment certificates combines the high yield and safety of building and loan shares, earning 7 per cent dividends compounded semi-annually, with the protection of old line life insurance guaranteeing against death. These are—

INSURED SAVING SHARES—

There has long been need for a workable plan to guarantee the maturity of installment savings and loan shares in case of death and the Guardian Savings & Loan Association has entered into a contract with the Amicable Life Insurance Company whereby it is now able to offer Insured Saving Shares with the maturity guaranteed in case of death by reducing term insurance for the exact amount necessary to mature each member's investment plan.

Systematic saving takes on a new meaning to those who adopt this ideal plan, for not only does it stand for the three essentials which go to make up the highest type of investment, i. e. (1) absolute safety, (2) high earning power and (3) ready convertibility, but in addition it means a guarantee that in the event of death your loved ones will have the shares matured and the amount you had hoped to save paid to them immediately in cash.

CONTEST CLOSES  
MONDAY, SEPTEMBER 28, MIDNIGHT

## \$10,000 IN CASH PRIZES

FOR THE BEST ANSWERS EXPLAINING THE MYSTERY of the "HIDDEN QUART" AND TELLING HOW THIS QUART BENEFITS MOTORISTS

Fact No. 1—Thousands of motorists and service station men have observed that after a car has been given its first fill of Conoco Germ Processed Motor Oil and is driven 200 to 350 miles, a look at the crankcase gauge shows that about one quart of oil is apparently missing... but

Fact No. 2—These same people have noticed that on the second and later fillings with Conoco Germ Processed Motor Oil, scarcely a drop of oil will disappear during the first 350 miles, and practically none at 500 and up to 1,000 miles!

The above facts have been checked by actual tests with cars that use six quarts of oil for the crankcase, cars in good mechanical condition and driven at ordinary rates of speed. These facts will also prove true for your car, in proportion to the amount of oil your crankcase usually holds, your car's mechanical condition and the speeds at which you drive.

What comes of the "hidden quart"? The answer is easy if you study the Facts given above and keep in mind the things that only Conoco Germ Processed Motor Oil can do. The explanation of the whereabouts of the "hidden quart" is simple—no technical knowledge of motors or oil is necessary.

Remember—The "hidden quart" of Germ Processed Oil does not escape through leakage... does not burn up, wear out nor evaporate. It is "present but unaccounted for." Fact No. 2, given above, proves all this.

After you've found where the "hidden quart" goes, you can easily see the special benefits it gives the motorist—advantages that no other oil can give.

Ask at any Conoco Station or Conoco Dealer for free Entry Blank which contains information about Conoco Germ Processed Motor Oil that may help you win Conoco Station and Dealer employees will gladly answer your questions. Remember, you do not have to buy anything to enter this contest. See Rules of Contest for complete details.

## 29 PRIZES

First Prize \$5,000  
Second Prize - - - \$2,000  
Third Prize - - - \$1,000  
4th, 5th Prizes - - - \$500  
6th, 7th, 8th and 9th Prizes - - - \$100  
10th, 11th, 12th and 13th Prizes - - - \$50  
14th through 29th Prizes - - - \$25

WINNERS WILL BE ANNOUNCED as soon after the contest closes as possible. Announcement of all winners will be made in this newspaper.

**THE JUDGES**  
DR. W. B. BIZZELL, President University of Oklahoma

### School Hill Items

Several pupils met Thursday afternoon to organize a paper staff for Sudan High School. The Sudan News is giving the school ample space in the paper for school news. The staff as well as the school, appreciates this courtesy, and the staff is planning to get all the big news, little news, interesting news, funny news, and in fact, all sorts of news for the paper, according to the editor, Lou Weatherford.

Miss Payne Foote, who has had much experience in journalism, has consented to assist the staff and Miss Trantham, staff sponsor, in this work. She has had experience with "The Daily Texan" of the University; "The Treador" of Tech; and "The Lubbock Avalanche". She has created much enthusiasm among staff members and her help is appreciated.

The staff plans to sponsor a contest soon at which time the school section of the Sudan News will be named. Officers and members of the staff are as follows: Editor-in-chief: Lou Weatherford; City editor: Sidney Guin; Sports editor: A. B. Askew; Reporters: Ellen Burnham, Lela Burnham, Ethel Groom, Eunice Moore, and Myrtle McLarty.

### SUDAN HORNETS LOSE TO OLTON MUSTANGS 19-0

In the first game of the season Sudan lost to Olton's strong team, 19-0, on the Sudan gridiron, Friday, September 18. However, the game was closer than the score indicated.

Olton made their first touchdown in the first quarter as the result of a long pass. Their other touchdowns came in the last quarter. The second touchdown was made also after a long pass had been completed within two yards of the line. Sudan held them for three downs, but Olton went over on the fourth down. Their last touchdown came after an intercepted pass on the thirty yard line. Sudan's chance for a touchdown came in the third quarter when they took the ball on their own twenty yard line and marched down the field on line plunges and short passes to Olton's ten yard line. Here the Olton team stiffened and Sudan failed to put over the needed touchdown.

Sudan's inexperienced and light team showed up surprisingly well against Olton's much heavier team. With a few more weeks of hard training and game experience the team is expected to give opposing teams harder games. Every member on the team played good football but Winifred Wells and Cortez Wofford stood out in the line. In the back field Leonard Payne failed only once to gain yardage, during the entire game. Charlie Carruth did some good kicking and passing, while Nolan Nuttall stood out with his hard tackling.

The Sudan boys appreciated the rooting and yelling that was done at the sidelines. They want the Pep Squad, the entire high school, and the citizens of Sudan to keep helping them fight.

Walter Grissom refereed the game, and no one found fault with his officiating.

Sudan's starting line-up was as follows:

Oran Neal—Center  
Cecil Sigman—Guard  
Lonnie Horn—Guard  
Winifred Wells—Tackle  
Cortez Wofford—Tackle  
Fred Locker—End  
Currie Lynch—End  
Nolan Nuttall—Quarterback  
Charley Carruth—Halfback  
Weldon Findley—Halfback  
Leonard Payne—Fullback  
Substitutes  
Weeks for Locker  
Hutto for Sigman  
Crim for Neal  
Brothers for Crim

### HIGH SCHOOL CLASSES ORGANIZE

Thursday noon class officers and sponsors for all classes in Sudan High School were elected for this year. A watermelon was awarded to the Sophomore class by Superintendent O. L. Davis for finishing the election first. Much class spirit was evidenced according to the school officials and especially in the rush on the Sophomores by other classes when the watermelon was cut.

Officers elected for the Freshman class were: Zella Thompson, president; Doris Arthur, secretary and treasurer; B. Anche Fowler, vice-president; Mrs. Franks and Mrs. Duckworth, Sponsors.

Sophomore Class: Ellen Burnham, president; Bonita McGahey, vice-president and secretary-treasurer; Mr. Smith and Miss Lewis, sponsors.

Those chosen by the Junior class members were: Hubbard Harrell, president; Lela Burnham, vice-president; Margaret Erle Gibbs, secretary treasurer; Mr. Davis and Mr. Jenkins, sponsors.

Seniors: Ethel Groom, president; Leonard Payne, vice-pres-

ident; Lou Weatherford, secretary treasurer; Miss Trantham and Coach Alldredge sponsors.

### HAWAIIAN GROUP

The Kailu Hawaiians gave a short program before the Students of Sudan High School Monday noon, advertising their program the following night. The program consumed twenty minutes.

The first number a Hawaiian selection, was "Hilo" composed by one of the Kailus. Two other numbers were "Harvest Moon" and "Sweet Jenny Lee". Sammie and Jimmie Kailu sang these selections, giving them much more color, according to the students.

### LAMB COUNTY TEACHERS MEET SATURDAY

The Lamb County Teachers' Association will be held at Harp Camp Saturday, September 25 for the purpose of organizing the Interscholastic League Work in this county.

This organization holds two important meetings each year. The next will be held in the spring just before the county meet.

### BUS DRIVERS

With the completion of detailed organization, Supt. Davis gives the following report: Bus Driver Truck No. No. carried  
1. Rev. McGahey 1 42  
2. C. H. Simmons 2 45  
3. H. Fisher 3 34  
4. A. N. Duncan 4 34  
5. Shuttlesworth 5 34  
6. Clint Dyer 6 49  
7. Joe Essary 7 44  
8. R. L. Cowan 8 49  
9. J. O. Covington 9 53  
10. B. D. Brothers 10 55  
11. A. D. Linton 11 47  
12. L. E. Wilson 12 28  
Total Number of Students 474  
The average daily attendance on buses up to date is 475 respectively.

### P. T. A.

Wednesday afternoon a small group of parents and the entire faculty met in a P. T. A. business session in the high school auditorium.

Several needs of the grammar school were discussed. One that Mr. Butts stressed was to place bubblers on the hydrants on the play ground. It was also asked that the P. T. A. see about placing more books in the library and improving play ground equipment. The picture plan will be used again. When this was taken to a vote Mrs. Stone, Miss Foote, and Miss Reeves received the pictures for having the largest number of parents present. A committee was appointed to see about permanent headquarters in the high school building. Regular meetings will be held the first and third Wednesdays of every month.

### P. T. A. SOCIAL

The parents of the P. T. A. entertained the teachers of the Sudan School with an informal social in the high school auditorium Tuesday, September 9.

Several games were played for about thirty minutes at which time parents and teachers got acquainted. Following the informal social, a short program was given, after which both parents and teachers enjoyed a watermelon feast. A large number was present at this meeting. The following program was given:  
P. T. A. Songs—Audience  
Welcome Address—Mr. Hazel  
Response—Mr. Butts  
Mixed Quartet—Mesdames McLarty and Dean Messrs. Miller and Davis.  
Reading—Ellen Burnham  
Ladies' Trio—Mrs. McLarty and Mrs. Duckworth.  
Musical Reading—Myrtle McLarty  
Piano Solo—Miss Gentry.

### HIGH SCHOOL NOTES

During the first two weeks of school much of the time has been devoted to the classification of pupils and arranging of schedules. Pupils have shown considerable interest in their work by beginning to study at once. The parents, also, have shown a support that is appreciated. Mrs. Smith, principal states.

Seven periods of the day are given to school studies. The eight period is devoted to extra-curricular activities, such as orchestra, choral club, tennis, dramatics, B. Y. Scout work, Press club, basket ball, volley ball, football, etc.

School bus service is excellent. Thus far one bus has been late. It is the duty of each bus driver to check the name and number of the pupils he brings to school. This makes it possible for a close check of records, each day.

Three weeks' test will be given this week and a careful check of those whose work is unsatisfactory will be made. Ev-

ery effort will be made to have as few failures in school work as possible. Tests of this sort will be given at the close of every three weeks. Mr. Smith is especially anxious that parents take note of this important fact.

### GRAMMAR SCHOOL NEWS

Miss Ethel Arp was ill two days of the past week. Mrs. Dean substituted for her.

The Rev. McGahey substituted for Mrs. McKelvey on Friday.

The county nurse tested the eyes of the grade students last Friday.

Some changes had to be made in the grades last week. Miss Weatherford, who was teaching High Fourth, was changed to low first work.

Byran Ford, a grade student school, due to serious illness, quite a number of pupils are out of school because of illness. has not been able to start to W. C. Mastin received a sprained ankle this week.

### SLAKE ON EXHIBIT

A mounted snake skin which originally came from Venezuela, South America has been displayed in the high fifth grade room. This snake is five and one-half feet long without the head. Ernest Millen, an uncle of Louise Green, killed this snake last year. At the time the snake was killed it was fighting an alligator in Lake Marbo.

### PHYSICAL EDUCATION

The Physical Education girls will continue taking calisthenics, commonly known among them as "physical torture", until next week when Miss Lewis will arrange for teams in volley ball, play ground ball, and training for the county meet.

Mr. Smith reports that about forty boys that are not taking part in other sports are reporting to him for physical education. For the first few days calisthenics is all that is being given, but soon the boys will be divided into volley ball and basketball groups. Mr. Smith, as well as the boys, thinks the first week is real "physical torture", but everyone will soon be limbered up.

In the grades, supervised play is being given.

### SCOUT WORK

The Boy Scouts of Sudan met Thursday night, September 17, and re-organized. Mr. D. T. Jennings, the scouting secretary from Lubbock, Texas, was present at this meeting. Those from Sudan that were present to help the boys and Mr. Branch who is the manager, were Mr. Francis Miller, Mr. O. L. Davis and Mr. E. P. Jones. There were fifteen boys out for this meeting and all seemed very enthusiastic. At an early date a committee will be selected for the troop, and new members will be taken in. The troop will be sponsored by the Sudan School. Regular meeting night will be Thursday from 7:30 to 8:30 o'clock at the high school building.

### GIRLS' BASKETBALL WORK

Mrs. Duckworth reports that at the first call there were thirty girls out for basketball practice. For a few days only calisthenics will be given. Perhaps next week the girls will enter into regular basketball practice. The girls are very enthusiastic, and prospects are good for another winning team this year. It will be remembered that our girls were county champions last year. Several of the old team are back. Among these are Etnel Groom, Eunice Moore, Ethel Alexander, Domicile Nuttall, Mavis Terrell, Auna Payne, Thompson and Lais Stotts. An early date the team will organize and elect the captain for this year.

### THE GIRLS PEP SQUAD

About fifty Pep Squad girls met Wednesday, September 16, and made plans for the on-coming year. Their costumes are to be white trousers and shirts with black sash is to represent Sudan and its colors. Black berets and sweaters are to be added to the costumes for colder weather. The girls will be ready to parade in their suits at the next football game. The Pep Squad meets on Wednesday and Friday of each week. Friday afternoon the girls were at the game with plenty of "Pep". They're out to fight for Sudan so watch 'em!

### VARIOUS DEPARTMENTS

**Spanish Department**  
The Spanish Department classes has about forty five pupils enrolled in it this year, according to Mrs. Duckworth. There are two first year classes and one second year class. The center of interest in this department is a collection board. Different groups are responsible for placing on the board each day

items of interest, coins, pictures, and bits of news are posted. Questions concerning Spain and Spanish customs posted on this board furnish interest for the pupils. First year students are especially enthusiastic about their Spanish work, already they can speak a few sentences in Spanish.

### English Department

This term there are seven classes in English. Four of these are taught by Miss Trantham and three by Mr. Branch. From twenty to thirty pupils are in each class. For the first time in several years the school is not working for credit in English IV. That credit was granted by the State Department last summer on last year's work. Much praise for the gaining of this credit is due to the English IV class of last year. This additional credit means much to those graduates and on-coming graduates who expects to go to college. No material will be submitted to the State Department this year in English, but every effort will be made to keep up the stand-

## Do You Overhaul These Machines Too?

The kitchen range, heaters and other Natural Gas burners are machines—machines that cook our food and keep us warm. Like the automobile, they will give us 100 per cent service only when kept in repair and overhauled at least once a year.

The range may be spotless on the surface, but inside the burner dust particles have collected and perhaps rust has set in. All this retards the flow of gas and results in larger gas bills.

Summer time when gas is used less, is the best time to examine and repair gas burners in your home. If you wish, a trained service man will come to your home to inspect and adjust your appliances.

The Service Costs You Nothing

THE STORY

CHAPTER I—Six bandits come aboard the steamer, Midnight Sun, while she is in the Gulf of Mexico. Father Claverly and the other passengers on the boat are amazed at the sight of bandits in this Great Waterway country.

CHAPTER II—Corporal Bill Hardcock brings the news of the crime to the coast at Port Edwards. A patrol of mounted police is sent to the scene.

CHAPTER III—Reaching the Midnight Sun, they stop long enough for Alan to board and consult witnesses of the crime. Alan asks the skipper to put a doctor on board.

CHAPTER IV—Larry Younger, one of Alan's men, accuses MacMillan of shooting a pale stranger from the Midnight Sun. Alan strongly protests that Alan is compelled to tell Younger that he shot the man.

CHAPTER V—Haskell, who is Alan's active enemy and is trying to win Elizabeth, blames Alan for the failure and orders the men to desert the ranks. He dares Alan to split the party.

They Came Up Within a Hundred Yards of Their Quarry.

But to the man... Alan cursed savagely at the thought of Pennequin as those two men a hundred feet away. "What does it mean to me now?" Here in this watery wilderness in this creeping twilight, he and Bill were going up against six men who had stood off fifty and who had murder charges hanging over their heads.

these bandits being utter strangers in the country was dispelled now. He had had a clear view of this huge redbearded leader; he could say positively, as Ashmun and all the passengers had sworn, that he had never laid eyes on the man before.

To Bill he whispered: "When we reach that last house, I'll splash or do something to draw their attention. They'll come out to the flag edge again to see what it is. Don't shoot when just one man shows up. We'll wait till we have three of them in plain sight. If we get three of them at the first crack, we'll be fighting the other three on even terms. Now, Bill, when you're looking down a rifle barrel at those men don't hesitate. Aim straight. We can't make prisoners of that outfit. This is a finish fight. One or the other party is going to get wiped out."

Halfway there, disaster overtook them, sudden and stunning. It came from the air, in the shape of a pair of red-throated loons. Flapping heavily out of the west, the birds dropped with a loud splash not ten feet away from the two men.

At the splash Alan heard a muffled oath over in the flags; then a rustling movement, as though the bandits had nervously jumped for their guns; then silence. And then a voice from the twilight among the reeds: "Nothing! Just a pair of divers plumped down."

The alarm would have blown over if the loons had swum off. But the birds, crop-heavy and indolent, stayed where they were, showing no intention of moving away. Alan the fumble started preening herself, the mate turned its eyes suspiciously at the two strange objects sticking above the water.

What startled it Alan never knew. Bill did not move; he himself did not but an eyelash. But he, that funny, taut silence, the mate suddenly threw open its beak and sent up a raucous maniacal shriek, as though some animal had seized it by the neck.

Instantly its mate joined in. The harrowing, ear-splitting discord set men's knees diving off their houses and flushed every waterfowl in the lake. Alan got the craft into shoal water, put his hand under its keel then, and kept it afloat.

He dragged it to the bank just as Bill came splashing around the lake edge to join him. "Alan! What happened? Where'd they go?" "They got away. They're gone. Forget it. Help me, Bill—with Larry!"

Together they lifted their stricken comrade ashore. CHAPTER V The Broken Sword. BY THE light of an electric torch Alan cut away Larry's foot and examined his wound. Larry had been shot twice, and like a hundred yard's distant. With a last frantic pull the loons tumbled over the water, finally managed to take wing, and flapped heavily away.

But the damage had been done beyond redress. All that hour and a half of careful stalking, all the great caution and pains of slipping unawares upon the bandits, had been set at naught by the crazy shriek of a crazy loon.

Over in the murky twilight of the flags there was a commotion, sharp orders, the click of rifle bolts. At the edge of the flag a gun cras-ank, a rope of flame reached out, a bullet ricocheted off the water. It was a shrewd maneuver from the bandits, a tentative shot to draw the fire of their stalkers and discover where they were. Alan was quick-witted enough to see their motive and to be low; but Bill jerked his rifle against his cheek and shot point-blank at the spur of fire.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

Lesson for September 27

REVIEW: THE SPREAD OF CHRISTIANITY IN ASIA

GOLDEN TEXT—And when they were come, and had gathered the church together, they rehearsed all that God had done with them, and how he had opened the door of faith unto the Gentiles.

JUNIOR TOPIC—The Spread of the Gospel in Asia. INTERMEDIATE AND SENIOR TOPIC—Early Christian Triumphs. YOUNG PEOPLE AND ADULT TOPIC—Christianity Becomes a World Religion.

The interests of the quarter are so varied, the personalities brought to view so interesting, that the grade of the class and the genius of the teacher will readily determine the method of review. Two methods are suggested for senior and adult classes. Assignment of work a week in advance is required in both cases:

1. A study of the persons actively concerned in the conquests with the special object of discerning the strong and weak points in the character of each. Some of the outstanding persons are Peter, John, Stephen, Philip, Paul, Cornelius, Barnabas, John Mark and Demas.

2. A summary of the facts and teachings of the lessons for the quarter. The following suggestions are offered for the second method of review: Lesson for July 5. The missionary program is for the world, beginning at Jerusalem. The supreme obligation of the Church is to evangelize the world. This can only be done in the energy of the Holy Spirit. The Holy Spirit came at Pentecost and is available for this supreme and needed task.

Lesson for July 12. After the Spirit came upon the disciples at Pentecost their supreme impulse was to preach the gospel. In spite of opposition, even imprisonment and the threatened death, the disciples preached in the energy of the Holy Spirit.

Lesson for July 19. The primitive Church spent much time in prayer. The Spirit of God was upon them. Therefore they boldly testified for Christ and systematically cared for the poor and needy.

Lesson for July 26. Christianity spread by persecution. Christ declared himself to be the way, the truth and the life. Missionary endeavor is but the life of God expressing itself through redeemed men by the Holy Spirit. Christianity is therefore indestructible. "The blood of the martyrs is the seed of the Church."

Lesson for August 2. In taking the gospel to the Samaritans we see the broadening scope of the Church. The leader in this work of evangelizing is Peter, one of the seven deacons. He seems to have been the only one called "evangelist." If the world is ever to be evangelized, it must be done through the activities of the laity.

Lesson for August 9. Saul was arrested in his mad effort to stamp out Christianity by the direct interference of the Lord. From a savage persecutor he was transformed into a devoted witness. His conversion illustrates the transformation of the Jewish nation. One of these days the multitudes of that nation shall see Jesus Christ, their Messiah. They shall look on him whom they have pierced. Penitently and enthusiastically they shall proceed to complete the task for which they were ordained.

Lesson for August 16. Glorious justification by faith is the dynamic for right living. The one thus experiencing the life of God through faith will manifest the fruit of the Spirit, thus living a temperate life.

Lesson for August 23. In the conversion of Cornelius we see the missionary program widening to embrace the Gentiles. In this connection the holy spirit was poured out anew, thus making a new Pentecost.

Lesson for August 30. The sending out of Barnabas and Saul marks the beginning of foreign missions as the deliberately planned enterprise of the Church. The Holy Spirit calls and sends out mission-aries.

Lesson for September 6. When the foreign missionary work began in earnest, Saul took the place of leadership, since he was called to be the apostle to the Gentiles.

Lesson for September 13. The treatment accorded Paul in his missionary work shows the attitude of the world toward Jesus Christ. Such behavior reveals the awful need of the saving power of the gospel.

Lesson for September 20. The speech of James at the Jerusalem council shows the outline of God's plan. It is through the preaching of the gospel to take out from the Gentiles a people for his name which is now going on. Afterward Israel, as a nation, shall be converted, following which shall be the conversion of the whole world through the agency of converted Israel.

School Hill Items

(Continued from Page 3) and that has been attained.

Vocational Agriculture

Mr. Duckworth reports that forty-two boys are enrolled in the agriculture department. At present they are feeding about twenty calves and twenty-five hogs. Plans for projects this year are not completed.

Science Department

About fifty-two pupils are enrolled in the Science department. Mr. Jenkins has had a number of boys out hunting bugs for study. Crosby Slate captured and mounted a number of interesting specimens.

NEWS HERE AND THERE

Hazel Capps is having to make frequent trips to Lubbock on account of her arm which was injured in the school bus wreck April 15, 1931. The doctors at Lubbock report that the flesh of hazel's arm is badly torn and infected. Some type of operation may yet have to be performed.

Believe It or Not!

Student still have a spark of love left for their teachers. Prof. Marie Breeding brought a watermelon to the high school faculty, which was greatly enjoyed after four o'clock Monday.

Style Show

The Home Economics girls assisted Miss Ruby Mashburn, Home Demonstration Agent, in a style show given last Friday night at the Sudan High School auditorium. There were twenty-five girls that served as models for the different dresses.

Monday afternoon Eidon Nichols had a slight accident when he lost control of his car and it ran into a ditch. Eidon was taken to Dr. Foote immediately for treatment. His arm was badly bruised and cut and his leg was slightly hurt.

Music for the Choral Club has not been ordered, but the club met Thursday and sang old familiar songs. Members of the club are anxious to get more song books.

The Lamb County Health As-

sociation met in the Sudan High School building Monday afternoon for the purpose of discussing health problems of this county. Most every town in the community was represented. Mr. Rochelle, county superintendent, Judge Hay, county judge, and many doctors from over the county made interesting talks.

JUST FOR FUN!

What if— Lenora were a relief instead of a Payne? Clarence were weak instead of Weeks? Eidon were a dollar instead of Just Nichols? Ann were a queen instead of a King? Ethel were a bride instead of a Groom? Eunice were less instead of Moore? Bonnie Belle were pure silk instead of Lyle? The principal were Jones instead of a Smith? Lucille were a Bowling alley? We had Earnest instead of Franks? You knew who wrote this? Please tell me what— Has happened to Lillian and Eidon? Other office Lela Burnham can hold? It takes to win Miss Lewis' sympathy? Became of Charlie Carruth's chewing gum that he left on the chair in English III class at the 6th period, Thursday afternoon 1931. This is all about? Did You know that— Juanita Pierce has been making eyes at Hubbard Harrell? That Eidon was hurt? Miss Trantham is a good sport? The Kailu Hawaiian were some kids chew gum in quite good? English is not a snap course? Nick and Lou have got up quite a case? Mr. Aldredge is a pretty good spy? This is a lotta bunk? ENTERTAINED IN HONOR OF MISS ADA CARRUTH

The Junior B. Y. P. U. entertained in honor of their teacher, Miss Ada Carruth, Friday evening at the home of Mr. and Mrs. G. G. Hazel, with a handkerchief shower. Games were played and refreshments served. Miss Carruth left the first of the week for Phoenix, Arizona where she will complete her nurses course.
