Sudan's First Basketball Tournament To Be Held January 8th and 9th 1932

Sudan High School is sponsoring a basketball tournament to be played here January 8 and 9, 1932 and has invited fifty teams to participate—both boys and girls.

This is the first basketball tournament to be held in Sudan and it is especially urged that everyone that can participate in the tournament. Everyone is invited to come and watch the games which will be played Friday and Saturday, January 8 and 9, 1932.

There has been fifty teams invited. Both boys and girls teams have been invited from the following towns: Littlefield, Olton, Lubbock, Farwell, Spring Lake, Plainview, Amherst, Fieldon Muleshoe, Dimmit, Levelland, Meadow, Slaton, Brownfield, Morton, Canyon, Hereford, Floyd, a Estelline, Amarillo, Claude, Panhandle, Memphis, Post, Ralls, Spur, Dickens City, Lorenza, Lamesa, Shallowater, Anton, Tulla, and many other high schools throughout this section of the Plains. It is hoped that this will be one of the most successful tournaments held in this part of the country.

It is being arranged by a committee, of which Mr. Butts is the chairman, for free lodging Friday night for all of the teams that qualify for Saturday's game. It is urged that all who have extra bed rooms to get in touch with Mr. Butts so that the players may be properly arranged. This will apply to both boys and girls teams. It is urged that the people of Sudan help in this matter of housing the teams, that are eligible for Saturday's game, Friday night.

There is no reason why this should not be one of the greatest tournaments held in several years as Sudan has one of the best gymnasiums in the state with the playing court being 78x39 feet, with plenty of seating capacity. There are two shower and locker rooms one for girls and one for boys, and plenty of dressing rooms. Suitable awards will be made to the winning teams as well as the "runner-ups."

Among those who have already accepted are: two teams from Lubbock two teams from Dimmit, two teams from Littlefield, one team from Hale Center, one team from Wolforth. The Dimmitt High School girls team was state champions last year.

The Sudan school will furnish plenty of expert officials. It is asked that the people of Sudan and vicinity co-operate with the local school officials in every way possible. If you have an extra bed notify Mr. Butts and let's make this the best tournament in the history of the Plains.

8,918 BALES OF COTTON GINNED IN SUDAN TO DATE

Only 1378 bales of cotton have been ginned in Sudan in the past thirty days due to the rains and snows. Weather has been very disagreeable and wet for cotton picking.

This week's report of the three gins show a total of 8,918 while that of November 26 showed 7,540.

The amount each gin has ginned is as follows:
Terry's Gin 2874
Whiteside Gin 2944
Farmer's Gin 3100
Total 8918

Our estimate on the cotton crop is that 12,000 bales of cotton will be ginned here this season, while J. R. Dean of the Farmer's Gin makes the conservative estimate of 11,000. He says that it will be over that figure and not under.

Weather at present is fine for picking cotton and the gins are ginning at the rate of 100 to 150 bales of cotton a day.

FORREST FIRES

We think the basketball tournament, to be held here January eight and ninth, will be a big success.

J. W. Hammock is the fellow that presented us with five pounds of good home made sausage. Was that sausage good? Oh boy!

Since the weather has cleared up main street is somewhat improved although the ditches on each side of the street are still muddy, and if you are not careful you will sink down so the mud will come over your shoe tops.

There is a new law that applies to trucks, that is in the registering of them this year. To register a truck it must be weighed and sworn to by a Notary Public. There are also a lot of other things that the notary has to O. K. When you apply for truck license they will give you the blanks that have to be filled out by the Notary Public.

Everyone who can furnish a room or bed, Friday night week, to the school, in order that the teams that qualify for Saturday's games in the Sudan High School basketball tournament, are asked to notify Mr. Buntz, as he is the chairman of the committee to furnish free lodging for all teams that qualify for Saturday's game.

It wont be long until it is time to pay your poll taxes. You cant afford not to pay them this year as it is county and state, as well as, presidential election year. The writer of this column will give a year's subscription to the Sudan News to each of the first five candidates, that announce in The News for election in 1932. The News keeps you posted.

If you see a new Chevrolet Coach running around with a green two-wheel trailer following it, you can bet that it belongs to Marvin McLary.

This columnist sure enjoyed a fine Sunday dinner at the E. N. Ray home last Sunday.

Tuesday we noticed a grader

at work on main street. The City Commission is doing its best to keep main street up and in good shape. It's up to the voters about paving, so we believe or rather we know that the voters are to blame for not having the main street paved already.

New Year's Resolutions

Students, soon we are going to have a whole, great, big New Year given to us. We can take it or leave it; we can make the most of it, or we can let it slip by and leave us in the same old "rut". The matter depends entirely upon the individual. Most of us would do well to "trot" out those same old New Year's resolutions and try to make them function—you know, the one about studying English or History everyday for as many seconds. Or may be it was another similar one that you have broken for so many years. Anyway, it's a good idea to coin a few "workable" ones and try to make yourself happy and other people glad that you are living. You might be surprised at the results you get—if you make an honest-to-goodness effort New Year's resolutions are only attempts in forming good habits. As the old year fades away, let's put away some of its blots and blurs and try to accomplish something worthwhile. Here's Happy New Year's greetings to all!—An Editorial.

Statement from Mr. Davis

Six weeks' examinations have

been given and report cards will be given out Wednesday of this week. Mr. Davis states. Next week a list of students who made the honor roll in different subjects will be published. All students in regular attendance will be given cards in their particular subjects. Parents are requested to look over these reports, and if they are not satisfied, Mr. Davis would be pleased if they would come to the school building where the teachers will be glad to tell them why the students are doing unsatisfactory work. Mr. Davis is requesting patrons to require students to do more studying at home in order that they will pass at the end of the year. In order to make up for the month lost for cotton picking, the school will continue in session on every other Saturday and on holidays. This coming Saturday is the first to be made up.

Basketball Games for Friday Night

Dimmitt's vicious Bob-Cats, both boys and girls, will battle with the Sudan singing Hornets in basketball games in the Sudan gymnasium Friday night of this week. These teams have played some exciting games (exciting from

several standpoints in the past few years, and Friday night's game is expected to be just as interesting.

Dimmitt girls were state winners last year and several members of the team were retained this year. It is understood that the boys also have a strong team.

Admission for this game will be 20c for adults, and 10c for school students. No games have yet been scheduled for Saturday night.

Basketball Tournament

About twenty basketball teams both boys and girls, from neighboring towns within one hundred miles of Sudan are expected to participate in the tournament held in the Sudan gymnasium the 8th and 9th of January, 1932.

Some of the fastest basketball teams of the South Plains will be present. Among the teams that have already indicated that they will come are Lubbock Dimmitt, Hale Center, Littlefield, and Wolf-orth.

A committee has been appointed to see about caring for the teams and coaches that will be here.

Residents of Sudan are urged to be liberal in receiving members of the various teams into their home.

Trophy cups will be awarded to the winner of the tournament.

More definite plans are to be worked out later.

Pep School Invited to Come to Sudan

Superintendent O. L. Davis, Mr. C. A. Daniel, president of the school board, and Mr. M. A. Smith, principal of the high school, went to Pep, Sunday, December 27, to invite the Pep school to attend school in Sudan until the community can make other arrangements.

The Pep school, which is located 16 miles south of Sudan, burned Christmas Day, about 10 o'clock.

There are about 100 pupils and 4 teachers in the Pep school. The loss was estimated at \$35,000. Thirty thousand dollars insurance was carried.

The Pep community has not decided whether or not to accept the invitation to come to Sudan. Sudan cordially invites the Pep school to attend here, and is ready to help the community in any way. Sudan realizes just what the burning of a building is, because of their own unfortunate experiences.

County Council Meeting

The County Council meets at Sudan, Saturday at 2:30 in the high school auditorium. This council consists of all the P. T. A. organizations in the county. The meeting is for the purpose of discussing county P. T. A. work for this year. A short program will be given. Mrs. Lam will have charge of the meeting.

Personals

Mr. Davis's father, who was

seriously injured three weeks ago, is much improved, Mr. Davis states.

Very few of the high school teachers spent their Christmas holidays at home. Mrs. Franks spent Christmas in Fort Worth with her people. She saw the state championship game, played by Abilene and Beaumont. Miss Lewis stayed in Lubbock with her sister, Mrs. B. F. Malone. Mr. and Mrs. All-dredge visited his parents in Lubbock. Miss Trantham returned to her home in Abilene. Mr. and Mrs. Duckworth spent the holidays in Seymour. Other teachers of the high school faculty remained in Sudan.

The Junior party which was to have been given at the home of Lillian Hunt has been postponed until a later date.

"Whitey" Baccus a freshman in S. M. U. and an all-state basketball forward, is visiting his cousin, Doyle Baccus.

Miss Lillian Weatherford of Amarillo spent the Christmas holidays with her sisters, Misses Desmond and Lucille Weatherford, here.

High School Notes

Mr. Smith reports that mid-term examinations will be given the latter part of January. Students should keep this fact in mind and work during this six weeks if they expect to get credit on the semester's work.

A course in commercial arithmetic will be offered next semester.

Juanita Kyzer, Virgil Tidwell and Willie Massey are new students in school.

Grammar School Notes

Mrs. Peachy substituted Monday for Mrs. Dodgen, who has not returned.

J. B. Shelton, Dorothy Workman, Lucille Bass, Le Arnold, Truman Parrish, Johnnie Reece, and Glenda Reece have returned to school.

Mr. and Mrs. Stone spent Sunday in Lubbock.

Mrs. Ormand and Mrs. A. C. Mann have been elected room mothers for the high fifth room.

Martha Barnett withdrew from school to move to Longview.

Ruth Ecklar of Muleshoe is spending this week with Louise Lawler.

Louise Green has not yet returned from Arkansas where she has been spending the holidays.

The high fifth is taking up a new book in geography, "Home Life Around the World".

The following students spent Christmas away from Sudan: Otto Linebarger, Joyce Stone, Billy West, G. W. West, Betty Ruth McLarty, Josephine McLarty, Jack Stone, Catherine Lenderson, Everet Jr. Lumpkin, J. O. Barnett, Jr., Staton Saunders, Winolee Saunders, Frances Lou McKinley, Elnora Boyles, Norval Crump, Charles Daniels, Lois Gwin, Alice Jean Barnett, Harold Fox, J. B. Fulcher, Thress Davis, Dolores Reece, Ellis Boyles, and Theima Wood.

The Snooper!

Did Santa come to see every one Christmas? Good. He's a nice old fellow, isn't he? Every one seems to be rather happy after the holidays anyway.

And then there are the ex-students who are home for the holidays, too. I hear they are having a party Tuesday night. Ooooh! we have a basketball game Friday night with those ferocious Bobcats from Dimmitt. Our Hornet's aren't skeered tho'!

The Snooper has it that Davis McNeme and Monroe are to be married, this week, Tak! Don't tell anybody! We understand, too, that Santa favored Theima West with a diamond ring.

For the next six weeks the Senior English class will be called the Oral English Club. The purpose of this club is to develop better and bigger-mouthed speakers. Is it possible?

Well, so long, folks, and say, how about sending in some low-down dope for next time!! Here's wishing you a Happy New Year.

The Hornet's Buzz!

Hubbard H. (reading in history class): "And on the horizon appeared a splendid—"
 Miss Lewis: (prompting him): "Barque."
 Hubbard: "What?"
 Miss Lewis: "Barque."
 Hubbard: "Bow wow."

Teacher: "What was the ruler of Russia called?"
 Bonita: "Czar."
 Teacher: "And his wife?"
 Bonita: "Czarina."
 Teacher: "Correct. And what were his children called?"
 Bonita: "Czardines".

Mr. Jenkins (in biology class): "Is there anything else you would like to know about whales?"
 Clarence W: "Yes, I'd like to know what the Prince has got to do with them?"

The reason we shall never have a woman candidate for president is that the candidate must be over thirty-five years of age.

Did You Know That—

Miss Clairly ate turkey in Turkey?
 Curry likes Frances?
 Radney is in love?
 Charlie Carruth is a good English student?

This is the most unkind world that I have ever lived in?
 Paul Matthews eats peanuts in school?

Margaret Erie studied her history lesson one day?
 Mabel Shaffer is wearing a diamond ring?

Only part of this is true?

Why not handle a woman mechanically?

If she wants a date, meter.
 If she wants to call, receiver.
 If she wants to be an angel, transformer.

If she goes up in the air condenser.
 If she wants chocolates, feeder.

If she is a poor cook, discharger.
 If she eats too much, stopper.

If her hands are cold heater.
 If she talks too much, interrupter.

If her way of thinking is not yours, convincer.
 If she takes too much room, squeezer.
