Petition Circled Last Week Gets 54 Signers

Sudan is the logical place to hold the International Harvester Company Short Course this year as there has never been such a short course held here and its thickly populated productive territory put it in line as a logical place to hold this course.

Through the efforts of L. E. Slate there was a petition circulated the latter part of last week to secure signers to show the International Harvester Company that Sudan really wanted the short course held here. As a result fifty-four signers were obtained, including farmers, teachers, merchants, and professionals.

The short course is an educational program held in the town with prominent speakers discussing the problems of the farmers. Moving pictures are used to illustrate different things. The short course usually lasts two days. Such speakers as H. S. Mobley, Superintendent I. H. C. Demonstration Farm, Montgomery, Alabama; L. A. Hawkins, practical farmer and fruit grower; Grace Marian Smith, I. H. C. lecturer; John M. Hannon, graduate College of Agriculture, University of Illinois; makes up the program.

It is urged that everyone boost to get the short course held in Sudan this year as it would be an honor to have such an educational program held here for the farmers of this section, other towns want the short course too, so let's boost for Sudan.

SUDAN BAND TO MEET TO REORGANIZE

Help Expected from Citizens

The Sudan Band will meet Tuesday night, January 19, 1932, at 8 p. m. for the purpose of reorganizing. The band broke up a few months ago on account of the fall rush but it is urged that it continue now.

The band is one of the greatest assets to a town of any size and it is urged that every one be out at the first meeting of the band.

The band is going to have to have financial backing from the citizens of Sudan, including business men. The band will need at least \$75.00 for instruments, this of course, can come gradually by buying the two horns needed by the band on easy payment plan but this will cost extra, so why not make up the entire amount to start with. The band will also need some more music as all they have is some easy music.

The band will add pep to the town and when they play it will make people feel better and more like spending money, so let's organize the band. Band members do your part by being present Tuesday night and business men do your part by chipping in when you are called on.

Sudan Girls Win Second; Shallowater Boys Second; Alexander, Sudan, Girl Forward Highest Individual Scorer of Tournament With 77 Points

Sudan Places Three on Two All Tournament First Teams, One Boy and Two Girls

The Littlefield boys' basketball team won first place in the basketball tournament here for boys the last of last week while the Dimmitt girls won first in their competition. The Littlefield boys defeated the strong Shallowater team in the final by one score—21-20. The Littlefield boys showed a team with a fighting spirit that had never before been shown on the Sudan court, by coming out in the last two games of competition and winning by only a few points. Littlefield won the trophy given for the first place for boys. The Dimmitt girls came out strong in the finals by defeating the Sudan team. The trophies were awarded to the boys by Superintendent Davis of the local school, while Mr. Smith, Principal of the High school presented the beautiful trophies to the two winning girls' teams.

The tournament was a success both in a financial way and in an entertaining way. Large crowds attended each and every game. This was the first tournament held at Sudan and the Coaches expressed themselves as being well pleased with the way everything was carried on.

There were thirty teams entered in both divisions of the were given while participating tournament—8 girls teams and 22 boys teams. Several teams came in too late to get into the competition. The thirty teams that were her showed some of the best material in this part of the state. The girls teams showed two of the best forwards and two of the best centers anywhere in the whole state. There were also outstanding players in the boys teams.

Ethel Alexander made more scores than any other individual in the tournament in both boys and girls. Her total was 77 points. Woody, a boy from Littlefield, was second with girl forward from Dimmitt, was third with 63 points while Webb 71 points. Ona Faye Smith, boy forward from Sudan, was fourth with 54 points.

We have taken the time to pick what we think is the best ten boys and girls basketball players and have arranged them into two teams as follows:

- Boy's All Star Team**
Woody, Littlefield, Forward.
Webb, Sudan, Forward.
Vaught, Shallowater, Center.
McCurry, Littlefield, Guard.
Terrill, Rogers, Guard.
- Boy's Second Team**
Harless, Littlefield, Forward.
Beason, Shallowater, Forward.
Waters, Monroe, Center.
Tubbs, Levelland, Guard.
Locker, Sudan, Guard.

The reason for our selections are: Woody, of Littlefield, to our notion is one of the best forwards in this part of the state. He especially stood out in the last two games where the competition was keen. He made the majority of Littlefield's scores in every game and game and it seemed as if he was able to play in game after getting better all the time.

Webb, Sudan's forward, is also a smart, accurate, fast, and dependable forward. He made the majority of Sudan's scores and was a constant player. He made 54 scores in four games even though in the last game two men were kept busy guarding him at all times. He was also able to captain his team. Vaught, of Shallowater, is our first string center. He was the best center in the tournament in that he was able to out jump any of the opposing

centers and was a fast accurate player being able to dribble and pass the ball into the danger zone at nearly will. Without Vaught Shallowater would have had very little chance in the tournament.

McCurry, of Littlefield's winning team, is our choice for a guard. He played one of the best games in the tournament. He was able to dribble out of the danger zone and pass to his team mates. He attributed much to the strong defense of the Littlefield team.

Terrill Rogers guard, was to our notion one of the best guards in the tournament. He was always able to get the ball after the opposing team had shot at the goal. He showed up good in all of his playing. Harless, of Littlefield, was picked as the first forward on the second team as he was a very valuable man to Littlefield. He was able to pass the ball and was able to direct his team in a way that they won the tournament.

Beason, of Shallowater, was a fast accurate forward and was very instrumental in all of Shallowater's games and made many scores.

Waters, Monroe, was picked as the second string center as he was the only man in the tournament that really gave the stalwart center from Shallowater something to think about. He could also shoot goals.

Locker, of Sudan, was picked as guard on the second string, and to our notion we really believe that he should have been on the first string. He was a very valuable man to Sudan in every game and had the Sudan team gone into the semi-finals he would have been selected unanimously.

Tubbs, Levelland, was also picked as a guard for the second string both as a guard and as a forward. He played guard but made ten points in one game and twenty points in another.

This completes our selection of the boys teams, but there were lots of other good players that attended the tournament also, among those we want to give honorable mention are:

- Snodgrass, Monroe; Exum, Monroe; Haught, Shallowater; Henderson, Shallowater; Coker, Shallowater; Roberts, Littlefield; Stevens, Littlefield, Wilkins, Lubbock; Kerr, Lubbock; Sprauls, Rogers; Wheeler, Levelland; Preston, Rogers.

- Girl's All Star Team**
Smith, Dimmitt, Forward.
Senter, Dimmitt, Forward.
Groom, Sudan, Center.
Nuttall, Sudan, Center.
Swinney, Spade, Guard.
Waggoner, Dimmitt, Guard.
- Girl's Second Team**
Alexander, Sudan, Forward.
Dennis, Spade, Forward.
Waggoner, Dimmitt, Center.
Stone, Spade, Center.
Moore, Sudan, Guard.
Wright, Dimmitt, Guard.

We believe that everyone will agree with us on the selection of the first four of the All Star Team. There is no doubt but that Smith and Senter, Dimmitt Forwards are the best in the state. Then Groom and Nuttall, Sudan Centers, have not met any two opposing centers that have been able to out play them. Groom was able to out jump any opposing center in the tournament, and Nuttall was able to run rings around her opponents. We believe that every one will agree with us on the selection of the two guards also. Swinney, of Spade, was able to do a good job of guarding Dimmitt's best forward and held the score between the

It is urged that everyone pay their poll taxes so they can vote this year. There are four elections that we know of coming up, they are, City, School, July Primary, and General Election.
Mayor Morrow said, "Get your poll taxes so that you can vote against someone not for them."

The tournament held here last week was a success both in a financial way and also an entertaining way. Littlefield boys sure came back in the last few minutes of play in the last two games to show their opponents how to run up scores enough to beat them. Those boys can be complimented on their team spirit as well as their fighting spirit.

The Dimmitt girls beat Sudan in the finals. The Sudan girls were unable to make their shots at the goal count. It was estimated that Sudan forwards shot twenty-eight times without making a score. Sure at the goal in the first half they made scores in the first half but it was estimated that that many shots were wild.

Here's what "Grows From the Bobcat Den" in the Castro County News said about the Sudan girls team after the game with Dimmitt on Friday night, January 1 "In observation from the side lines, it appeared that with the exception of the Athens Hornets and the Mingus Sextet, the Sudan club was the strongest that the Bobcats have played in the last three seasons." This is quite a compliment for the Sudan team as the Dimmitt girls were state champions last year.

Our friend the writer of the "Grows From the Bobcat Den" in the Castro County News failed to state the score of the game between the Sudan and Dimmitt boys teams on January 1st. The score was 10 to 20 in favor of Sudan but here's the way they put it "to 20 score in favor of Sudan."

The Sudan Band is to meet Tuesday night to reorganize and it is urged that everyone that can play an instrument be present and let's discuss the starting of a band. Mr. Doty, band director, is very interested and willing to offer his help in getting the band started.

King David and King Solomon led very merry lives. They each had many concubines, and also many wives, but when old age came creeping on with all its ills and qualms, Solomon wrote the proverbs, and David the Psalms. Wise David and Wise Solomon. A thought for those growing old.

The Sudan teams are planning to participate in a tournament to be held at Dimmitt the 22 and 23rd of this month. There is a sign on main street that reads "No Fishing" this sign was not only put there to prevent fishing but to warn cars about the deep hole that is there.

TOURNAMENT

Continued from page 1.
Two teams only twelve points. Waggoner, of Dimmitt, was able to hold the Sudan forwards and keep them from scoring their usual quota of points. So we think these two deserve their places on the first team.

The selection of Alexander of Sudan, for forward on the second team should be unanimous as she made more scores than any other girl forward in the tournament, even either of the two Dimmitt forwards. Dennis, of Spade, was a good forward and made lots of points against Dimmitt although they were eliminated at the start. Waggoner, Dimmitt center, was the only opposing center of Jroom of Sudan, that was able to give the All Star much competition in the jumping position. Stone, Spade side center, was able to out play her opposing centers in the tournament and was very accurate so we place her second only to Nutall. Moore, Sudan's best guard was able to take an active part in every game in which Sudan played and was always able to hold her forward to a limited amount of scoring. Wright, of Dimmitt was able to assist her team male in guarding their opponents in a way they were unable to score very heavily.

Those that we think deserve honorable mention are: Shockley, Anton Forward; Thompson, Sudan Forward; Morgan, Littlefield center; Fowkes Dimmitt center; Hilbert, Spade Guard; Courtney, Littlefield guard; Lela Mae, Fairview forward; Lee, Bula guard; Dudley, Sudan guard.

Games Played and Their Score
The Sudan girls beat Fairview in the initial game of the tournament 51 to 25, with Alexander Sudan forward, making 22 points and Lela Mae, Fairview making 11 points. Sudan's second team played most of the game.

Sudan boys team defeated Baileyboro boys 38 to 8, with Webb, Sudan making 25 points, and Harvey, Baileyboro, 8. Sudan played eleven men in the game.

Muleshoe was able to beat the Amherst boys 18 to 10. Muleshoe played eleven men in the diversion.

Littlefield had an easy time defeating the Circleback boys 37 to 19. Woody of Littlefield made 14 points. Littlefield's second team played the last half.

The Anton boys were able to nose out the Spade club by a three point margin—17 to 14.

The Lazbuddy boys had an easy time defeating the Y. L. aggregation 34 to 14.

The Spade girls played a fast hard game with the Dimmitt Bobbies, but went down in defeat by a score of 42 to 30. Smith Dimmitt forward, made 26 points. Leon May refereed the game.

The Levelland boys started something when they defeated the Dimmitt Bobcats 22 to 21.

This was the first game of the tournament with a one point difference although not the last one.

Anton was able to defeat the Whitharrel team 40 to 12. Rogers defeated the Spring Lake Boys 32 to 5.

The Bula girls defeated the Muleshoe girls 27 to 17. Lubbock nosed out Bula with a score of 18 to 15.

Petit dropped their game to Whitharrel by one point. The Petit team leading up until the last few minutes. This was one of the slowest games of the tournament.

Sudan girls defeated the Anton sextet 35 to 22. Alexander made 16 points for Sudan.

The Sudan boys were able to defeat the Muleshoe boys 20 to 16. Webb of Sudan led in the scoring with 16 points.

Littlefield had an easy time defeating the Wolforth boys

Boy Scout News

The Boy Scouts of Sudan presented a program in assembly in which they gave the oaths and laws which must be obeyed by every good Scout. They also presented two plays "Pale faces Buying Manhattan" and "A tenderfoot Hike". After this program was given, Mr. Davis presented a charter to the Scouts. Mr. Davis also gave the Scouts a large picture of George Washington to be framed and hung in their room.

The Scouts were of great help during the recent basketball tournament. They helped keep the dressing rooms for the teams they kept the halls in order, ran errands, kept scores for the games, helped park cars, and performed many other duties, all in a courteous way. In many ways they helped make the tournament a success.

Mr. Chesher, manager of the Garden Theatre, is entertaining the Scouts Thursday night with a free show.

The entire membership of the Scout group is as follows: A. B. Askew, Crosby Slate, Radney Nichols, Milton Nichols, Morris Dudley, Melvin King, Her-shal King, Wayman Gorden, Erskin Gorden, J. O. Barnett, Harry Woods, Rector Jackson, Joe Serratt, Roy Tidwell, O. B. Boone, Owen Ray Wofford, Clyde Robertson Jr., Bill Whitwell, Tokie Doty, Edd Roark, and Sam H. Branch, Scout Master.

P. T. A.

The P. T. A. met in regular session last Wednesday at the grammar school building. The next meeting will be Wednesday, January 20.

Editor's Note

We wish to make a correction. The "Hornet's Nest" last week stated that Mrs. Franks and her Home Economics girls served refreshments to the P. T. A. council, but Mrs. Mitchell and Mrs. Peachy, assisted by two Home Economics girls, Pearl Carter and Willie Massey, were in charge of the refreshments.

Hard Words

Hard words cause heartaches And deeply felt pain; So if you'd have a host of friends, Never utter them again. Hard words are like flaming brands Thrust into the Soul; So unless you wish to hurt someone, Hard words you must withhold. Hard words will never make a friend Or keep those tried and true; So never say an ill-meant word, If you'd have everyone love you.

By Gladys Barnett

Note of Thanks

People of Sudan responded readily when they were called upon to help keep the visiting teams that attended the basketball tournament. The tournament officials, and in fact the whole school, take this means of thanking the people for their hearty co-operation. With out the support of the entire town, the tournament could not have been the success it was. Those who kept teams were the following: Mrs. L. E. Slate, Mrs. Herman Lyie, Mrs. W. N. McNeely, Dr. Gibbs, Mr. J. M. Shuttlesworth, T. W. Alderson, A. W. Ormand, Mrs. Mitchell, Mrs. Judge Hazel, I. G. Morrow, G. R. Crim, Superintendent Davis, J. O. Covington, E. P. Jones, Floyd Davis, Mrs. Fisher Franks, Mrs. Barron, Mrs. Sib Stone, H. B. Ramby, H. H. Weimhold, Mrs. King, A. C. Finley, C. H. Nichols, Mrs. Terry.

Many others offered their homes but did not have to be called upon because of the girls' teams returning to their homes. The people offering their homes were the following: D. M. Tidwell, Joe Serratt, Gay Hotel, Melvin Robertson, Weldon Shaffer, Reverend McMickin, Mrs. Mon-

roe, Mrs. Clyde Robertson, Mrs. A. K. Boyd, Mrs. Cora Clemens, Lenora Payne, Willie Massey, Mrs. Chris Furneaux, Myrtle McLarty, Gladys Barnett, Mrs. Lambert, Mrs. L. T. Hunt, and Mrs. E. J. Venerble.

An Appreciation

We, the captains of the basketball teams, take this method of expressing the teams' appreciation of the Pep Squad. The loyal support was the inspiration of the teams throughout the tournament. The help of the Pep Squad was especially appreciated during the boys' game with Shallowater and the girls' game with Dimmitt. The Squad this year is one of the best that Sudan has ever had, and we are confident that its good work will be kept up.

Although we did not win highest honors in the tournament, we feel that we have not lost everything. The Squad did its part in helping us win the games we did win. We sincerely thank the Pep Squad and also the other Sudan "rooters" for their loyal support.

Signed by the Captains of the teams:

Ethel Groom
 Alvin Webb

A New Trophy

The girls' basketball team, coached by Mrs. Duckworth, won for S. H. S. a new trophy for the school—one which the entire school is proud of. This trophy, a silver statue of a girl attempting to toss a goal, reflects the spirit of the game, and is the first trophy to be put in the case this year. Before the year has closed perhaps many others may be added for various events.

The girls, who won second place in the recent tournament, held here, won this trophy by hard work and perseverance. They and their coach are to be congratulated for their splendid playing and for the clean sportsmanship they displayed.

Girls playing on the first team were Ethel Alexander and Auda Faye Thompson, forwards; Ethel Groom and Domicile Nuttall, centers; Eunice Moore and Clara Dudley, guards.

Six new suits are being ordered for the girls of the first team as a reward for their work.

Agricultural Department

After analyzing his projects records of last year, Miles Lumpkin, first year agricultural student of Sudan High School, found that almost \$1.00 per hour was the difference that four pigs made in the income per hour of work. His sow farrowed and raised only five pigs with the first litter and paid an income after all interest and feed was deducted at 29c per hour, but with the second litter of nine the records show that the income per hour was \$1.24. Miles is continuing his brood sow project and will make a special study this year of feeding, controlling worms, controlling lice and mange. He has set as a goal to produce pigs weighing 50 lbs. at 10 weeks of age.

A good brood sow paid \$1.24 per each hour of work as compared to 63c per hour for cotton according to records of projects carried by the pupils in vocational agriculture in the Sudan High School. And summarizing these records it was found that one good brood sow made as much net profit as 9 acres of grain sorghum. A summary of their records follows:

Scope of proj.	Net pro.	Pro for each hour of work.
70 grain sorghum	133.64	68c
25 acres cotton	113.21	63c
5 Brood sows	91.35	\$1.24
25 fattening hogs	49.94	50c
6 baby beeves	68.57	77c

Coach: "Where's Curry Lynch?" Fred Locker: "He's gone deer hunting."

Coach: "He can hunt deer in Sudan High. I've seen him do it."

Radney N.: "Get away from that gasoline pump, you'll get consumption."

Harry W.: "How's that?" Radney: "Haven't you heard of gasoline consumption?"

Ann: "You know I'm funny, I always throw myself into any thing I undertake." Lenora: "Why don't you dig yourself a grave?"

Even though it is not possible to fool all the people all the time, someone is forever trying it.

A young lady was assisting in a rummage sale, and when she took off her hat somebody sold it for thirty cents.

All this rain and snow will make that spring garden a real success, and when you get ready to fix up that fence, remember we have complete line of Keystone fencing.

"Come, Come," said a friend, "seasickness never killed anyone."

"Faith, now," said the suffering one, "I'm sorry to hear that. 'Twas only the hope of dying has kept me alive so far."

"Why do you stop?" Said the kind husband to his wife, who was about to put a coin in the cup of a blind man.

"Oh, said the kind wife, "don't you hear him say "Do not pass me by, pretty lady?"

"Well in that case, give him

something—he's blind, all right."

We realize that we cannot make money during these quiet times but we can make friends. Drop in and see us when you are in town.

"Why do you let your wife go about saying, she made a man of you? You don't hear my wife saying that."

"No, but I heard her telling my wife she had done her best."

Nature, it seems, has a law of compensation to fit everything. Take the fish, for instance. Fe fish can close their eyes. But then, it never gets so

Teacher: "What famous man said, 'Don't give up the ship?'" Modern Child: "I don't remember his name, but he was a Scotchman."

We have a modern three room furnished apartment, with bath, for rent. It is the best in town and the price is reasonable.

TOURNAMENT

Continued from page 2

This was one of the most thrilling games, second only to the Littlefield Shallowater Game in the finals. Snodgrass, of Monroe showed the spectators how to dribble a ball and do all kinds of tricks. While the Shallowater boys showed the crowd how they could start at their opponents goal and pass the ball all the way down the court and make a goal before the Monroe boys were able to interfere. The passing team won out over the dribblers, but it certainly took lots of hard work to defeat that Monroe team which is coached by Howard Preston, A Sudan boy. Rogers was barely able to defeat the Levelland boys by a 35 to 32 score.

Sudan defeated Lazbuddy 18 to 9 with Webb scoring ten points. The Sudan boys certainly showed their power in this game. Shallowater defeated the Lubbock team 25 to 21, with Kerr of Lubbock making fourteen points.

Littlefield boys defeated the Anton delegation 30 to 12 in an easy game with Woody making 15 points. The Dimmitt girls defeated the Littlefield Kitties 31 to 15 with O. F. Smith making 17 points.

The Sudan girls defeated the Bula girls 29 to 20 with the Sudan second string playing the last half.

Shallowater boys defeated the Sudan boys 32 to 16 in the quarter finals. The Sudan team entered the game with Webb with a sprained elbow, and Nichols out of the game with a bad knee caused by a lick in the Lazbuddy game. The Sudan boys started out in the first quarter as if they were going to win the game but as the game progressed Shallowater got the lead. Webb made six of the 16 points made by Sudan.

Littlefield defeated the strong Rogers team 23 to 20 in a hard fought diversion. Rogers kept the lead up until the last few minutes of the game when Woody rallied to make 8 points.

The Dimmitt girls were able to defeat the Sudan team 42 to 26. Alexander of Sudan was the leading scorer of the game with 22 points while Senters of Dimmitt was second with 21 scores. This was a good game but the Sudan forwards were unable to make their shots at the goal count.

The Littlefield boys came back in the last game to defeat Shallowater 21 to 20 in the finals. As we stated before the Littlefield team showed a fight

ing spirit that has never before been shown in the Sudan gym and they are to be complimented on it. The Littlefield defense was flawless.

The tournament was a success in every way and we hope that the school officials will see fit to sponsor another one next year.
