

## County Seat Election Draws Record Vote Of 5101

The County Seat election held in Lamb county Saturday was one of great interest and drew out 5101 votes of the county. Littlefield fell short by about 400 votes of her two-thirds majority and Amherst fell short of her majority by something like 1300 votes. Olton's vote outside of her own box was less than 100. Voting strength of Lamb county not including exemptions is 4754.

### T. L. (Tom) Matthews For Tax Collector

The Sudan News is authorized to announce T. L. (Tom) Matthews for the office of Tax Collector. In making his announcement, Mr. Matthews, says: "Friends of Lamb county in announcing my candidacy for the Tax Collectors office I wish to state that when I was defeated two years ago I made the announcement in the news that I would be in the race again this year for the same office, so here I come. The Collectors Office is one of the best county offices in Lamb county, and if you can support my candidacy, your vote and influence will be highly appreciated.

I received splendid support throughout the county two years ago." Sincerely,  
T. L. (Tom) Matthews.

### Thanks! Mr. Lynch

Mr. H. H. Weimhold,  
Sudan, Texas,  
Dear Mr. Weimhold,

You and I have had lots of friendly disagreements; but this is one time we agree on the issue before the voters today on the county seat question and I want to take this method of complimenting you on the stand you have taken and the way you have handled the issue in your paper.

It seems to be a one-sided question, but as you know there is no accounting for the way some people that are sane-counted that way—will vote.

The "Big Boss" at or over, rather, Amherst has some very strong strings to pull on. Strings that would almost choke some people, financially, before they would break.

So whatever way things go today accept my compliment, for the way you have handled the question through your paper.

I have some time up and out of bed and just thought I would write you these few words, as I am feeling good for T. B.

Your friend  
W. F. Lynch

RICHARD NEW POST NO. 301  
AMERICAN LEGION  
Department of Texas  
Littlefield, Texas  
March 22, 1932

Sudan News,  
Sudan, Texas,  
Dear Sirs—

Some time during the election being held on the removal of the county seat of Lamb county, there was an erroneous report circulated through the north part of the county to the effect that the American Legion Post of Littlefield was going to Olton and bring the county records to Littlefield. There is absolutely no foundation for such a rumor and we are taking steps immediately to trace down the originators of such a statement. The American Legion does not take part in any politics and as Post Commander of this Post I have been extremely careful that this county seat proposition was not even mentioned in any of our meetings.

The American Legion, with principles of law and order will not take any such insulting jab from outsiders and we are going to insist that the party or parties responsible for such statement make a complete explanation through the newspapers of Lamb county. We wish this letter to serve as an invitation to these parties to come forward with full explanations and if this letter published in the newspapers of Lamb county fails to bring the desired results there is but one thing left for us to do, to go directly to the parties and bear down with pressure enough to bring out the facts.

The American Legion is connected directly or indirectly with every home in the county as well as the state and nation and it is thought of according to its actions as well as individuals.

The idea spread over the north part of the county that the Legion was going to illegally take the county records and the only way we can get the true facts to the people is insist on the perpetrator of this

insult taking the blame and publicly admitting the guilt.

This organization has fought clean and hard since the days of nineteen seventeen and eighteen and we have always been on the side of law and order and speaking for the entire staff of officers of the local Post we shall continue to do so. We herewith ask again that the party or parties responsible come forth immediately with a signed statement to the effect that the American Legion made no such statement as that with which it is credited, also that this statement be published in all the newspapers of Lamb county so that the voters in every home may have the facts.

Thanking you in advance for space in your columns for the publication of this letter and with very kindest personal regards.

I am yours truly,  
R. E. RILEY,  
Post Commander, American Legion, Post No. 301,  
Littlefield, Texas

Four Future Farmers from Sudan High School to make entries in Lubbock Fat Calf and Pig Show March 23rd and 24th. Golden Benton will enter five baby beves in the calf show. Edgar White and H. B. King and Phipps Lee will enter 11 head of hogs in the Pig Show.

Last year at the Lubbock show Miles Lumpkin a Sudan Future Farmer won seventh and eleventh place with his baby beves and Golden Benton won thirteenth place in competition with the other schools and counties from the South Plains district.

The Future Farmer Chapter is planning to go to the show one day in a group to see the judging of the entries.

### Bicentennial Tree Planting

The Washington Bicentennial is to have a living memorial. Under the auspices of the American Tree Association a drive has been undertaken to dedicate 10,000,000 trees to the founder of our Nation. Schools clubs, and organizations of all kinds are cooperating in this work.

A more beautiful memorial could not be devised for the 200th anniversary of Washington's birth. Most memorials require care to keep them from becoming tarnished or worn by age, but the bicentennial trees will grow more beautiful and appropriate as the years pass.

The Sudan Parent-Teacher Association observed the bicentennial Tree Planting on Wednesday afternoon, March 15, by planting a large Chinese Elm on the campus between the Grammar and High School buildings. The P. T. A. will now be enrolled on the National Honor Roll of the American Tree Association, Washington, D. C. and will receive a Tree Planting certificate in buff and blue, the Bicentennial colors.

The following program was given:

Rev. Cal McGahey who has been critically ill for the past two weeks with double pneumonia is somewhat improved, according to his attending physician. His many friends here will be glad to learn that he is improving.

### To The Voters Of The 64th

#### Judicial District of Texas

I have tried to make you a District Attorney who fairly and impartially enforced the laws of our country, regardless of the personalities involved.

During the time that I have been your District Attorney you have formed your opinion of me and of my work, based on your observation and knowledge of effectiveness with which I have discharged my duties. Those of you who have seen me at work in Grand Jury room or in the Courtroom have an opinion, which could not be changed at this time by anything that I might say or do, for it has been my day by day work amongst you that has counted. I may have made mistakes in my endeavors, but whatever mistakes have been made were honest mistakes, made in an effort to fairly and impartially carry out my duty as I saw it. I have not been a party to the persecution of anyone to satisfy the whims of any man, or set of men; neither have I been a party to the protection of any law violator.

I believe that my record will compare favorably with that of

any District Attorney in your knowledge; and I further believe that as a result of my experience and acquaintance with the people of this District I can give you the most economical and efficient enforcement of our laws that you can secure. Since I have been District Attorney I have tried a total of 529 defendants, and of those cases I have won 73.95% of those tried before juries.

The office of District Attorney belongs to the voters and they should select the man to fill this office whom they believe to be the best qualified for the position; and it is on this basis that I ask your support and influence in my behalf.

If I am elected your District Attorney, I shall continue to discharge my duties as such, in the manner which in my best judgment is the right, honest, and proper things to do in each situation as it may arise. Anything you may do for me will be appreciated by me.

### A. L. PORTER FOR TAX COLLECTOR

A. L. Porter, who has had extensive experience in public office and in serving the public, Wednesday announced as a candidate for tax collector of Lamb county.

Mr. Porter has been a resident of the State of Texas for 24 years, and a resident of Lamb county for seven years.

In announcing his candidacy, Mr. Porter issued the following statement:  
"To the people of Lamb county:

"In announcing myself to you as a candidate for the office of tax collector I am going so on the friendship and acquaintance that I have established with you, and my ability to fill the office.

"I believe that I am qualified to successfully fill the office from the standpoint of education and business experience. And, in addition, having been raised on a farm, and followed farming as an occupation until 1920, I have a very intimate knowledge of what it takes to serve the farmers of this county in a manner entirely satisfactory to them.

"I am 45 years of age, and came to Texas from Oklahoma in 1908, and have lived in the state continuously since that time. I have been a resident of Lamb county for seven years.

"My experience as a public servant dates back to 1920, at which time I was elected public weigher of Precinct No. 3 Harman county. Serving that county for a period of four years pleasantly and efficiently.

"I moved to Lamb county in January, 1925, and immediately engaged in the produce and service station business. I continued in these businesses until 1926, when I was elected public weigher of Precinct No. 4 of this county, in which capacity I am now serving, my term expiring December 31, 1932, thus giving me 10 years experience in serving in public office.

"I am perfectly willing to leave with the voters of this county the matter of whether or not I am qualified to efficiently and successfully serve the people of our county in the office which I seek. Also I am willing for you to be the judge

Miss Ona Veneable, visited with relatives in Olton the past week-end.

as to my habits, character and honesty, as I have come in personal contact with a great many of you in the office in which I am now serving.

"I wish to state that if I am elected to the office of tax collector that I will give the office my undivided personal attention at all times. I mean by this that I will personally attend to the duties of the office, except at such times as the volume of work demands that I have assistance in order to serve the people of the county efficiently.

"I further wish to state that, if elected to the office of tax collector that I will co-operate with the people of this county in reducing the expense of county government in every way possible. I am sure that we have offices that can be reduced in salaries very materially and I think that in the office of tax collector a saving in this manner can be effected.

"As evidence of my sincerity in this statement I wish to direct your attention to the public weigher's office of Precinct No. 4, in which I am serving as above stated. In 1926, when I was elected to this office, the cost of handling a bale of cotton was 60 cents per bale from the scale to the railroad, where as at this time 93 per cent of the cotton handled through my office is handled at a cost of 25 cents per bale from scales to railroad, thus effecting a saving of 35 cents per bale to the producers of this territory, which saving has been brought about through my willingness to sacrifice and co-operate in the general program in connection with the handling of cotton.

"It is my wish to meet every voter personally before the coming primary, and, in the meantime, I sincerely urge that every man and woman interest themselves in my behalf and in the interest of your county to the extent of informing yourselves as to my reputation for honesty and worthiness of your consideration for the office which I seek.

"I sincerely urge your support and influence in electing me to the office which I seek. Very truly yours,  
A. L. Porter.

Mr. and Mrs. Francis Miller were attending to business matters in Rais Monday.

**FOR CONTINENTAL OIL CO.**

Yellowstone Park, that scenic wonderland whose beauties are so fantastic that for years newspapers refused to print descriptions of the scenery because they were regarded as unbelievable lies, is the scene of Caveth Wells' radio tour for Sunday, March 27th. The program comes over an NBC network at 10 a. m. CST, and is sponsored by the Continental Oil Company. It is one of a series of radio travelogues of scenic America, designed especially to entertain and interest motor car owners. Wells gives a graphic description of three phases of Yellowstone—the geysers and boiling springs; the petrified standing forests, and the marvelous wild animal and plant life. He describes the 4 entrances to the park, one at each point of the compass, and then gives a rapid fire view of such marvels as the Terraces of Mammoth Hot Springs, with their fantastic colors and beautiful waterfall waterfalls. Then comes Obsidian Cliff, a mountain of jet black glass; the Devil's frying pan, a huge mud

lake that stews continuously; the Chocolate Pots, and dozens of other phenomena ranging from spouting geysers to the little Isa Lake, whose waters flow out one end into the Pacific, and out the other to the Atlantic. There is also Lake Junction, where one may hook a trout and cook it immediately in the adjoining boiling springs. Weiss, confessing his inability to more than touch the high spots of Yellowstone in a 15 minute broadcast, has announced a second Yellowstone travelog to come later during the spring season.

The Wells tours, broadcast Sunday at 10 a. m. CST may be heard over the following stations: WENR, Chicago, WBPA, Ft. Worth and KOA, Denver

WHAT many people call indigestion very often means excess acid in the stomach. The stomach nerves have been over-stimulated, and food sours. The corrective is an alkali, which neutralizes the acids instantly. And the best alkali known to medical science is Phillips' Milk of Magnesia.

One spoonful of this harmless, tasteless alkali in water neutralizes instantly many times that much acid, and the symptoms disappear at once. You will never use crude methods ever, once you learn the efficiency of this. Go, get a small bottle to try.

## Declamation Try-Outs

On last Thursday evening at the Sudan High School Auditorium, the declamation try-outs were held. The Junior boys winning a place were: Jack Stone, first; Leroy Young, second; and Boyd Breeding, third place.

The Junior girls winning places were: Lucille Bass, first; Mary Wil McNeely, second; and Babby Lee Killingsworth, third.

The Senior girls winning places were: Myrtle McLarty, first; Ellen Burnham, second; Blanche Fowler, third; and Hazel Shore, fourth.

The Senior boys receiving places were: Bernice Brothers, first; Bill Henson, second; Gilbert Cocanougher, third; and Crosby Sate, fourth.

Weldon Shaffer is the boy who is to go to county meet to represent the boys in extempore speaking.

Friday morning the girls extempore try-out was held in the auditorium before the student body. Alta Mae Hicks is to represent at the county meet. Nina Fisher received second place.

## High School Notes

A list of failures for the past six weeks work has been posted and the pupils are urged to study harder in order to make the list shorter.

Messrs. Smith, Branch and Davis went to Bula to judge in the declamation contest.

Sudan will have representatives in all of the Interscholastic League events at the County meet at Spring Lake Friday and Saturday, March 25 and 26.

School will continue all day both Friday and Saturday.

Teams from the high school and grammar school went to Spring Lake, March 19 to participate in play ground ball. The high school girls will play Olton at the county meet in the finals. The grammar school boys will also play at the county meet for third place.

## Interscholastic Meet

Teams of the county meet in Littlefield last Saturday for preliminaries in debate. The Sudan girls, Ida Rene Crain and Jimmie DeLoach, won third place, while Olton and Littlefield girls will debate Friday in the county meet in the finals.

By defeating Littlefield in the last round of the debate, the Sudan boys, Clarence Weeks and Curry Lynch, gained equal rating with both Littlefield and Olton, the three teams tying. These three teams meet at Sudan High School Tuesday night of this week in order to debate again.

Teachers of the different schools of the county served as judges in these debates, each school furnishing three judges. Mr. Davis, Mr. Smith and Mr. Branch were the judges from Sudan. Miss Trantham, the coach of the debaters accompanied them to Littlefield.

It is interesting to note that Sudan boy debaters and Littlefield boy debaters are opposing each other in the tennis finals to be held Saturday at Spring Lake.

Littlefield and Sudan in finals continuing the round-robin in debate which was held in Littlefield Saturday in which the boys of Littlefield, Olton and Sudan had equal rating, the teams met in the High School Auditorium Tuesday night where it was determined that Sudan and Littlefield would debate in the finals Friday at Spring Lake. Curry Lynch and Clarence Weeks make up the Sudan team.

Sudan lost to Littlefield in their first debate in a two to one decision, but won over Olton. Olton also lost to Littlefield. The debate Friday will be a close one. On Saturday Sudan boys won a unanimous decision over them, and in Tuesday night's debate Littlefield,

defeated Sudan by two to one decision. Three teachers came from Dimmitt to serve as judges in this debate. Their service was appreciated by the county.

The question this year for debate is, "Resolved That lobbying as practiced in this country is detrimental to the best interests of the American people."

## Volley Ball

The Volley Ball teams of the county met in Sudan last Friday to play for County Championship. The Sudan representatives were as follows: Ethel Groom, Ethel Alexander, Eunice Moore, Marie Epperly, Mildred Miller and Rina Bell Webb. The team was defeated in the first game by the strong Spade team.

The finals will be between Spade and Littlefield at Spring Lake Saturday.

## Tennis Preliminaries

Boys' tennis preliminaries were held in Littlefield last Thursday. Miles Lumkin who was representing the Sudan School in singles, defeated Littlefield in the first game but was defeated by Olton's representative in his second game. The representatives of the school in doubles were Curry Lynch and Clarence Weeks, he defeating Spade and Olton, the boys are qualified to enter the finals that are to be held at Spring Lake Saturday.

Girls' preliminaries were held in Amherst. Ethel Groom, who was representing the school in singles was defeated in her first game by the Amherst representative.

Evelyn Stevens, and Louise Shaffer, representing the school in doubles were also defeated in their first game by the Fieldton representatives.

## Agriculture Class

Clyde Robertson, Jr., Hubert Dykes, Halbert Harvey and Edgar White attended the dairy cattle judging contest at Tahoka recently. Members of the judging teams will also attend the livestock, dairy and poultry judging contest to be held at Lubbock March 28.

## Grammar School Notes

Bennie Fee Stone is the representative for essay writing in the county meet.

Elie Jinkins and Charlie Rhea Crawford are second grade representatives in story telling. Tressa Davis and Auble Lee Humphries are first grade representatives.

George Weimhold and Ruby Lam, representatives for tennis doubles were defeated by Amherst at Amherst Thursday.

Ruby Lee West, representative for tennis singles, was also defeated by Amherst.

Ed Roark, representative for boys singles, won second place in the preliminaries at Littlefield Thursday.

John Ray Hammock and Jack Stone, representatives for tennis doubles, were defeated in their first game.

Miss White and Miss Weatherford have charge of Choral singing.

Effie Jewell Barnett and Tellaus Hasten are representatives for Junior spelling.

E. J. Venable, four miles south, and C. T. Venable and sons visited in Artisia, New Mexico over the week-end with their brother.

Frances Weimhold spent the week-end with homefolks in Sudan.

## Fat Calf, Pig And Meat Show

Lubbock, Mar. 21.—Several hundred 4-H club boys and girls, vocational students, teachers, agricultural and home demonstration agents and farm men and women of the Plains and adjoining sections are expected here Thursday and Friday for the second annual Panhandle South Plains Fat Calf Pig and Meats Show.

Dr. I. E. Barr, chairman of the show committee, expects 150 calves, 125 pigs, 500 entries of cured meats, and almost a thousand canned meat entries. Last minute details are being completed to day and tomorrow and tomorrow everything will be set. Nearly 50 calves and almost as many pigs are already here and others are coming in.

An educational tour of agricultural industrial plants, schools and other places of interest is being worked out for the boys and girls as a feature during the show. Following the show, a buffet lunch will be served, followed by a visit to the Textile Engineering plant at the Texas Technological College.

Canned meats will be judged "Wednesday morning, cured meats Thursday morning, pigs Thursday afternoon, and calves Friday morning.

Thursday afternoon an auction sale will be held with Col. Earl Gartin in charge. Most all the calves and pigs will be sold and the prize winning hams and bacon.

## CARD OF THANKS

We wish to thank our relatives, friends of Sudan, Amherst and Comanche for the beautiful floral offerings, for their kindness, services rendered and words of sympathy through the illness in the home and death of our precious companion and mother. May the richest blessings of Our Heavenly Father rest upon each of you is our prayer. Joe A. Jones, Bessie, Adron, Oletha and Aubrey.

Mrs. J. A. Jones and sister Miss Kathrine Findley were in Olton and Lubbock Tuesday. They visited Miss Ada Carruth who is seriously ill at the sanitarium in Lubbock.

## Home Demonstration Notes

4-H Club Girls of Lamb county gave their first team demonstrations Thursday March 17th in the Home Economics Laboratory at Amherst High School.

The demonstrations were put on by two girls from each club participating. Each demonstration was on some phase of canning or the use of cooker and sealers.

Miss Myrtle Murry, district home demonstration agent from College Station did the judging, after which she talked to the girls and their sponsors about giving demonstrations and their value to the public as a means of giving useful information.

The decision was as follows: 1. Amherst team composed of Doris Loyd and Mildred Garten, demonstration, making and canning scrapple.

Sponsor, Miss Virginia Pointer. 2. Spade team, demonstration, products and equipment for canning.

Sponsor, Mrs. Bill Day. 3. Fieldton team composed of Odell Pickereil and Imogene Perry, demonstration, use and care of sealers.

Demonstrations will be given by each of these teams at the County Meat Show at Littlefield. Amherst team will represent

the county at the District Meat Show at Lubbock, Thursday March 24th at 1:30 p. m.

# OIL LINE Broken...

He Drove His Loaded Truck  
**45 miles** with a DRY CRANKCASE

When Jack Edmondson halted his 2½-ton Chevrolet truck in a Conoco station in Des Moines, New Mexico, the attendant discovered a broken oil line and an empty crankcase!

But inspection of the motor revealed that no damage had been done!

When Edmondson returned home, he discovered, from oil spilled on the road, that he had driven about 45 miles after the oil line broke on the "Hidden Quart" of Conoco Germ Processed Oil.

You may never break your oil line and drive with an empty crankcase. But remember that if you use oils not Germ Processed, which drain away during

idle periods, you are running your motor under "dry crankcase" conditions every time you start. Only Germ Processed Oil actually penetrates and combines with metal surfaces. And only Germ Processed Oil gives you the protection of a "Hidden Quart" that stays up in your motor and never drains away.

The "Hidden Quart" cuts down starting wear, saves gas and gives your motor longer life, with fewer repair bills. It assures safe lubrication at all times.

Change to Conoco Germ Processed Oil at the sign of Conoco Red Triangle.

We neither encourage "dry crankcase" experiments nor guarantee success under all conditions. But unsolicited letters from motorists, now in our files, tell of this and hundreds of other runs with empty crankcases but without damage.
