VOLUME VIII

SUDAN, LAMB COUNTY, TEXAS, THURSDAY, DEC. 8, 1932

NUMBER 22

## Sudan Lay Plans For Paving Project; To Install Curbs

### SUDAN GINS GINNED 4642 BALES TODATE

The three local gins had ginned 4,642 bales of cotton up to Tuesday noon of the 1932 crop which is now being harvested.

Local ginners estimate that about 380 bales of cotton is yet to be ginned here. This would make a total of 5,022 bales for the season.

The way the gins stand is as follows:

Farmer's Gin	1572
Terry's Gin	1564
Whiteside Gin	1509
Total	4,642

### RENRO MOVES TO SUDAN TO MANAGE LOCAL GROCERY

Mr. and Mrs. N. T. Renfro of Littlefield moved to Sudan the first of the week to take charge of the Renfro and Morris grocery here.

Stanley A. Doss has been managing the local store since it's opening about six weeks ago but he and Mrs. Doss will move to Olton this week. Stanley will take the office of county clerk January 1.

We welcome Mr. and Mrs. Renfro to Sudan. We are very sorry to lose Mr. and Mrs. Doss as citizens of Sudan, but our loss will be Olton's gain.

### Sock Supper At I. O. O. F. Hall

The program committee of the Rebekah lodge who are in charge of the program which will be given at the Sock Supper Tuesday night has just completed arrangements for a splendid program.

Plenty of entertainment will be given at the Sock supper where socks filled with good things to eat will be sold at auction. Candy will also be sold, with which many prizes will be given.

Everyone is invited to attend the Sock supper at the I. O. O. F. hall Tuesday night and help the lodge by bringing a sock filled with something to eat or else buying one, two or more.

### THOMPSON—BOWLING

Miss Zella Thompson and Mr. Billy Lee Bowling were married at Clovis, New Mexico, December 3. Mr. and Mrs. Marvin Thomas, the latter is the sister of the groom, Mrs. Marve Bowling, mother of the groom, and Mrs. Thompson, mother of the bride accompanied them and witnessed the ceremony.

Mrs. Bowling is the youngest daughter of Mr. and Mrs. Thompson of the Friendship community and is very popular among the younger set. She attended school in Sudan for some time.

Mr. Bowling is the son of Mr. and Mrs. Bowling and is also popular among the younger set. They will be at home on the Bowling farm in the Friendship community.

### ATTENDS PRE-SHOWING OF 1933 CHEVROLET 6

Lloyd Chesher of the Sudan Motor company is attending the pre-showing of the 1933 Chevrolet motor cars at Oklahoma City this week.

Dealers from all parts of Texas and Oklahoma are attending the pre-showing which is held to acquaint the dealers with the improvements made on the car. It is believed that the new car will be on display about December 17th.

Mrs. L. C. Grissom and children of Littlefield were visiting relatives and friends in Sudan Wednesday.

### Santa Fe Gives Free Transportation Of Car Load Of Feed

The Santa Fe railroad has donated free transportation of a car load of feed and canned goods from Littlefield to The Buckner's Orphan Home in Dallas. The car is being loaded by the West Plains Baptist Association with the cooperation of the Baptist people of this section.

Heretofore the Santa Fe has been stopping the car in transit in order to load at the different places but thought that it would be better to load the car from a central place like Littlefield.

Many donations of feed and canned stuff will be made by local Baptist. For further information regarding the car or handling of the feed see the local Santa Fe agent, D. L. Brown, or Mrs. Joe Covington.

The donation of feed and canned stuff will be greatly appreciated by the orphans home and the people of this section certainly appreciate the donation of the free transportation of the car by the Santa Fe.

### FINDS OLD CHECK

Littlefield.—More than three years ago D. G. Hobbs, then owner of the Yellowhouse gin, gave Roy Davis a check for a \$30 pound bale of cotton at the then current price of 16.60 cents a pound, the check was for \$88.98. Another check was for \$3.74 for payment for seed above ginning costs.

Davis placed the checks in a bill fold and for some unknown reason forgot them. A few days ago he found the checks while looking through the bill fold.

The checks were presented to Mr. Hobbs, who in turn went to the First National Bank here and cashed them.

### COUNTY TEACHER'S ASSOCIATION WILL MEET HERE SATURDAY

The County Teacher's association will meet at the Sudan High School building Saturday morning at 10:00 o'clock.

Dr. Knapp, president of the Texas Technological college, Lubbock, has been invited to attend the meeting.

Every teacher in Lamb county is invited to attend.

### NOTICE

There will be no penalty or interest on City delinquent taxes paid on or before December 15th, 1932. But after that time the City attorney has been instructed to file suits on all delinquent taxes up to and including the year 1930. Court costs, penalty and interest will be added.

H. G. Ramby, Mayor.

### HUNTERS' COATS STOLEN

Last Sunday while a party of hunters were hunting in a field west of town someone got into their cars and stole their overcoats and other things that had been left in the car. When the hunters returned they found their \$12, \$18 overcoats gone.

The eight hunters have not found any trace of their coats as yet.

### RECENT BIRTHS

Dr. G. A. Foote reports the following births:

Mr. and Mrs. Elmer Garner, Circle Back, a boy on November 23.

Mr. and Mrs. Vesta Richards, five miles northwest of town, a boy on November 21.

Mr. and Mrs. McWilliams, five miles northwest of town, a boy on December 4.

### PRIZE WINNERS LAST SATURDAY

Ethel Calicut won first prize of \$5.00, Mrs. Ollie Sebring second prize of \$3.00 and Mrs. George Rector third prize of \$2.00. Other prize winners were: Mrs. Vivian Crosby \$1.00, Ollie Sebring \$1.00, J. J. Crump \$1.00, Clarence Dyer \$1.00, Virginia Vereen \$1.00, Cal Cecil \$1.00.

### FOUST—WORKMAN

Miss Anglee Foust and Mr. O. B. Workman were married by the pastor of the First Baptist church in Clovis, New Mexico, December 1. Mrs. Foust mother of the bride, Janey Mae and W. L. Foust, Ethel Alexander, and Allan Beal witnessed the ceremony.

Mrs. Workman is the daughter of Mr. and Mrs. W. L. Foust and is very popular among the younger set at Friendship.

The groom is the youngest son of Mrs. M. F. Workman and is also very popular in that community.

They are at home in the Friendship community.

### BEECROFT TRANSFERRED TO ARIZONA; MARKHAM TRANSFERRED TO SUDAN

Sam Beecroft who has been manager of the local Foxworth-Galbraith Lumber company for the past three years was transferred to the company yard at Prescott, Arizona. R. P. Markham of Smeyer, Texas, has been transferred here to manage the local yard.

Mr. and Mrs. Beecroft and daughter left last Saturday for Prescott where they will make their home. This is a nice advancement for Mr. Beecroft as it is a much larger yard with a larger business.

Mr. and Mrs. Markham and three children are moving to Sudan today and will reside in the Crim residence. We welcome the Markhams and wish the Beecrofts success in their new field.

Mr. and Mrs. L. N. Irvin were visiting with friends in Sudan Thursday.

### TOWN and COUNTY HIGH PRICED SPUD

T. W. Anderson of the Alderson's Dry Goods company was attending to business in Plainview Wednesday.

Mr. and Mrs. E. Pope and Mrs. Pope's mother and brother left Thursday for Bakerfield, California, to spend the winter.

The infant child of Mr. and Mrs. Henry Giber t died last Saturday. The child was only 16 days old.

Bill Faris of Sayre, Oklahoma, is here assisting F. M. in the drug store, while he is recuperating from an operation.

Joe T. Salem attended the Retail Merchant's Association held in Lubbock Wednesday night at the Hilton Hotel. One of the principal speakers of the evening was L. H. Busch, who is with the National Cash Register company. Mr. Busch spoke on "Merchandising for a profit."

Born to Mr. and Mrs. V. M. Jones a boy, Tuesday, December 6.

F. M. Faris who has been in the sanitarium at Lubbock for several days was able to return to his home in Sudan Monday.

Joe T. Salem of the Salem Dry Goods company is in Dallas and Fort Worth this week doing his Christmas buying.

Mr. and Mrs. Ed Aryain and two sons spent Sunday at Fort Sumner, New Mexico.

Mrs. P. H. Estes who has been quite ill with the flu, is able to be about again.

Mr. and Mrs. Dilmond Neumayer, Mr. and Mrs. Ed West, Herman Trautman, Miss Moyne Cox, all of Dimmitt visited in the home of Rev. Sam A. Thomas Sunday afternoon.

O. A. Seward, highway engineer of Amarillo, and Cal Hill, county commissioner of Amarillo, were attending to business in Sudan Wednesday and Thursday. While here the two went hunting with Francis Miller.

### Local Committees At Work On Project; Finance Committee To Go To Stamford Friday

#### NATIONAL GOVERNMENT FURNISH LABOR FUND Co-operation Of Local Citizens Imperative; To Use Caliche For Paving Material

Citizens of Sudan are laying plans to pave Main Street with caliche, put in curbing and many other improvements in the near future. The work will probably start after the first of the year and will furnish citizens of Sudan and territory who have no means of income with work.

At a meeting of the City Commission Monday night Rev. Sam A. Thomas, local Methodist pastor who recently moved here from Dimmitt, explained how Dimmitt had secured money from the relief fund of the Reconstruction Finance Corporation, which is similar to Red Cross relief. The only difference being that the money is given to the town to be spent for giving employment for those who have no income.

#### Explains Proposition

After the proposition had been explained to the City Commission by Rev. Thomas, F. H. Weimhold, and Mr. John A. Dryden, the commission decided to appoint a committee to go to Dimmitt and find out the proper way to go about the work.

The committee—A. Stuart, W. A. Peachey, John A. Dryden—went to Dimmitt Wednesday morning where Mr. Brownlee, Mr. Singer, and others explained to them how their work was being carried on. The local committee was treated royally by the Dimmitt citizens.

#### Property Owners Meet

A meeting of the property owners of Sudan was called Wednesday night and the proposition was put before them. Everyone present favored the move and committees were appointed to take care of the different departments of the work. G. G. Hazel was chairman of the meeting and John A. Dryden was secretary.

#### Committees Appointed

J. R. Dean, local ginner, was appointed chairman of the Finance Committee, which will have charge of getting the relief money from the government. Francis Miller, John A. Dryden, and T. W. Alderson are also on this committee.

L. E. Slate, postmaster, was made chairman of the Citizens Committee. W. G. McGlamory, J. C. Barron, I. G. Morrow, and C. A. Daniel are also on this committee. This committee will look after the work after it is started, filing applications for work and other things. They also have charge of gathering the necessary information for the blanks to be sent to Stamford with the Finance Committee Friday.

#### Committee To Go To Stamford

The application must be in the office of the West Texas Chamber of Commerce by December 11, in order to get the funds for the next quarter starting January 1, 1933. The two local committees spent all of today (Thursday) working on the data for the information and will meet tonight (Thursday) to fill out the blanks. The Finance Committee leaves early in the morning for Stamford to present the papers to the governor's representative in this district.

#### U. S. Gov't Furnishes Money

The relief money that Sudan

is to get will come from the United States government out of the \$300,000,000 set aside by Congress recently for relief work. This does not come under a loan but is absolutely a donation by the government to the unemployed laborers, with people of the community and the city deriving the benefit of the labor.

#### Main Street And 2 Side Streets

It is the aim of the committee to pave Main Street from the depot to the school house, installing curbing from the depot to corner of the Woods residence, and Second and Third Streets a block each way from Main Street.

#### Cost To Citizens Is Small

The cost will be very little to the citizens as the labor will be furnished free, being paid for with the relief money. The material for the curbing and the caliche for each property owner in Dimmitt is costing \$17 per 25 foot frontage. A local contractor said that he believed it would be cheaper than that here as gravel is cheaper here than at Dimmitt.

The committee will get all of the estimates ready and see the property owners and it is urged that everyone do his part in the work as it will mean that several thousand dollars will be spent here by the government for labor.

#### May Pave With Asphalt Later

With the probability of getting the highway paved from Clovis to Lubbock and if Sudan has their streets ready for the asphalt topping when the highway department is working through here the streets could be paved with asphalt at the very lowest cost, if the people so desired.

This is a big proposition and it is going to take lots of work and co-operation from every citizen in Sudan.

### ROUTE 1 OUT OF SUDAN EXTENDED

Route 1 was extended two miles recently and went into effect December 1. The route is now 79.4 miles long and the new addition has put on seven extra boxes and brings the mail to the front door of several patrons who used to have to go a mile for their mail.

The local route ranks about third longest in the United States with Route 1 out of Amherst being the longest.

#### WEBB—CAMP

Miss Rina Belle Webb and Mr. Jodie Camp were united in marriage Tuesday, November 29, at Clovis, New Mexico.

Mrs. Camp is the youngest daughter of Mr. and Mrs. John A. Webb of the Friendship community and has attended school in Sudan.

Mr. Camp is the youngest son of Mr. and Mrs. Joe Camp of Cisco, Texas.

After the Christmas holidays they will leave for Cisco where Mr. Camp will engage in farming with his father.

#### ENGINEERS VISIT SUDAN

Mr. Roberts and Mr. Hester, highway engineers of Lubbock, and Mr. Tanner, Santa Fe engineer of Amarillo, were laying plans for the drainage of the highway near the elevator as well as the drainage of the entire town.

**YOU EAT A GIANT'S MEAL**

If you were served at a single meal all the average person eats in a lifetime, you would sit down to a beef-steak weighing as much as six dressed steers, confront a giant potato too big for a two-ton truck to haul, cut slices from a loaf of bread higher than your head and pour milk from a bottle as tall as a bungalow.

In the fifty-six years that the average American lives, recent statistics compiled by the United States Department of Commerce shows he consumes 106400 pounds of food—enough to load to capacity several freight cars, says Popular Science Monthly.

On other dishes at this colossal feast there would be a half-ton block of butter and a 224 pound block of cheese. The sugar bowl would be six feet high and the salt shaker would weigh 800 pounds. There would be an egg 12,000 times the normal size, an apple seven feet in diameter, an orange weighing 1,110 pounds. Around your table would be placed 1,120 tins of canned fruit, 124 cans of salmon, 600 tins of sardines, 336 lbs. of dried fruit, 888 cartons of breakfast food and more surprising still, 280 pounds of rice. To top off your meal you would find a 672 pound box of candy and nearly 6,000 blocks of chewing gum, not to mention, fifty-six pounds of walnuts and 1,176 lbs. of grapes.—Crosbyton Review.

Eyeglass Specialist

**LET US DO LIKEWISE**

The American principle of concentrated effort for the country's sake when its welfare is at stake was followed through last week when President Hoover and President-Elect Roosevelt got together at the White House for an informal chat and talked things over.

The leaders of the nation, they alone could inspire the confidence that is needed. One must give up the direction of the government soon, the other must take it over. What could be more sensible and business-like than to discuss matters of state when they mean more to the American people than they ever have.

President Hoover is to be complimented; he might well have been embittered by the recent defeat he suffered, and not felt at all obligated to counsel with his chosen successor. But he acted for America. President-elect Roosevelt is also to be complimented, equally as much, for he had received an acclaim that might have excused him from such a conference on the basis of the Hoover policies have been repudiated.

Such team work will always inspire the American people, who like American ways of precedent-making when they have to do with their welfare. Hoover and Roosevelt have set an example that may well be followed.

**"MALE HELP WANTED"**

Delivery Route Man with car to supply famous line of house hold goods to steady customers. Must be satisfied with \$27.50 a week at start. Write Albert Mills, Route Mgr., 758 Monmouth, Cincinnati, Ohio.

**BEEF CATTLE HARVEST  
LEVELLAND FARM CROP**

Levelled.—One hundred beef cattle harvested 100 acres of maize for G. C. Hughes of Pep and also paid him \$500 for doing the job, he told W. T. Magee county agent.

"I turned 100 head of cattle that averaged 750 pounds each into the field the first of September," Mr. Hughes said. "On November 1, I found they had gained a little over 100 pounds each. They had finished the best part of the field.

"If I had harvested the maize and hauled it to town after threshing it I would have had been able to make the harvest expense. The yield this year was light.

"For the past two years I have turned cattle into the maize field as soon as the grain passed through the milk stage. So far I have had no trouble with the cattle scouring or going off feed."

**RENEW SUBSCRIPTIONS**

Mrs. S. Townsend, president of the Sudan Home Demonstration club, has our thanks for a fine big white layer cake, which she brought us the latter part of last week. The cake was in exchange for a subscription to the Sudan News.

W. F. Lynch brought in a nice lot of turnips to apply on his subscription to the News. Thanks! If you want the paper and have anything you wish to exchange for the subscription, come right in, and we will be glad to put you on the list.

R. N. Triplett, southwest of town, will read the Ft. Worth Star Telegram and the Sudan News for the next 12 months. He took advantage of the two for one bargain that the Sudan News is offering. Remember we send you the Star Telegram and the Sudan News for one year for the price of the Star Telegram.

Many have brought in produce to apply on their subscription to the News, during the past week, and we wish to thank them, for this helps us keep our subscription list up in advance, as the law requires, and it isn't much trouble to bring in the amount of produce required for the paper. We can use maize, kaffir, higer, wheat, corn, oats, hay, hogs, calves, chickens, turkeys, eggs, cream, sausage, beef, pork, or any kind of vegetables. We will allow you market price, and in many cases more than you can get on the market. For the county we have reduced our subscription from \$2 to \$1.50. Outside of the county all subscriptions are \$2.00 a year.

If you have not paid up your subscription, why not bring in enough produce to have it marked up in advance?

**MODERN OHIO FARMER  
TURNS BACK TO OXEN**

Akron, Ohio.—The anachronism of a yoke of oxen hitched to a plow by means of collars of discarded tire chains confronts passersby at the C. E. Zerbe farm near here.

A few years ago Zerbe had considerable modern farm machinery but sold it when he was the victim of a long illness. When he went back to farming, he decided that oxen were the cheapest form of power he could buy.

He spent several months training "Jim" and "Whitey," the oxen, to plow and seed.

**KILLS "BREED" DEER**

San Angelo.—Ben Bunyard of San Angelo returned from the Chisos Mountains of the Big Bend country with one of the few "breed" deer ever killed in West Texas. The animal was a cross between a whitetail and a blacktail deer. Its front feet were larger than the rear and slightly resembled the hoofs of a moose. The head, however, was normal. The deer weighed 140 pounds and had eight points.

**SWEET POTATO GROWS  
TO RESEMBLE A DUCK**

PORTALES, N. M.—The sweet potato crop in the irrigated section of the Portales Valley is only three-fourths that of 1931, when the largest crop in the history of irrigation here was raised, says Lewis A. Little secretary of the Portales Valley Sweet Potato Association.

The association expects to store 60,000 crates this year, compared to 82,000 last year. Shipping starts early this month. "Quality of the potatoes this year is good," he said. "The farmers have raised less per acre, on account of hail and thunder storms. Growers were more careful in grading their potatoes and because of the lack of rain during picking time there is very little mud. The potatoes have a better appearance."

**RIO GRANDE VALLEY TO  
RANK AS CITRUS SECTOR**

Vestus Patterson, Prop.

Valley will take its place during the 1933-34 season along with Florida as one of the world's leading citrus shipping sections.

Hart T. Longino, supervisor of state and federal inspection work in Texas, estimates that the crop the next season will reach that proportion, barring unfavorable weather. This season the valley will produce ap-

proximately 5,000 carloads of fruit, 3,500 cars less than last season, owing to the killing frosts in March.

The estimate for next season was based on the fact that the 3,282,000 trees now bearing would be supplemented by 1,521,000 trees now bearing would be planted during 1928-29 season and which constitute a record for one year's plantings.

**GASTON PATTERSON  
RESIGNS OFFICE**

Gaston Patterson resigned as tax collector recently, and the Lamb County Commissioners Court, in special session, appointed Guy Willis his successor, who will serve until January 1, when the Commissioners will again be called on to appoint a tax collector for the ensuing term.

Do your part! If you feel that something is lacking in your class, school, or ball team, then just go to work and do your part. Do not grumble because you are not satisfied with some arrangements your class has made, just go ahead and help make them a success. Be loyal to your class! If there is some defect in your school, go to work and try to mend it. You may aid your school greatly by doing your part. Help your school by co-operating with your teachers.

Be loyal to your ball team. Do not get angry if your team loses a game. Be a good sport and cheer the players on, if you are not on the team. If you are a player do your part to help win the next game.

### High School Pupils Have Become More Serious Principals Insist

The following is an article taken from the Dallas News of September 15, 1932, by Ernie White:

We'll blame it on the depression since there can be no harm in adding one more item to the rapidly growing list of "things that are blamed on the depression". At least, something has happened to make more serious earnest citizens out of today's high school youth. In other words, "flaming youth" seems to have been quenched.

Lynn B. Davis, principal of the El Paso High school, says it is a fact that students today are more interested in their work than they have been heretofore. He claims that one reason for this change in the student body is the re-enrollment of older students, who have been heretofore. He claims that one reason for this change in the student body is the re-enrollment of older students, who have been out in business long enough to lose some of that superfluous vim, vigor and vitality.

Another high school principal, H. B. Fort, of Austin, said, "It's the depression beyond a doubt. In the first place, students have fewer outside activities and therefore more time to study."

It's a fact that the modern boy nowadays doesn't keep harping at dad for more date money because he knows he probably won't get it, and anyway, today's depression girl is always willing to sit at home or go for a walk.

Young people may have taken on a more philosophical and sincere view point of life, but at the same time, they have lost none of the enthusiasm, interest, and joyousness for which youth has always been envied. After reading this article, superintendent Davis, of the Sudan public schools, said that he found the same to be true of the students in the Sudan high school.

### Chapel Meeting

The Freshmen sponsored our last chapel meeting held on Wednesday of last week. They presented the play "At the Stroke of Twelve."

### Athletics

The Senior girls went to Shallowater Friday night to the tournament but they were defeated in their first game with Shallowater by a score of 49-15. They came home Friday night very disappointed over losing the game. The Shallowater girls later won the tournament.

The local girls played Bovina here Saturday night and won by a score of 39-36. This was a close game but all of the girls were present.

The boys played Bovina Saturday night also and won by a score of 19-18. These two games were enjoyed very much.

The boys and girls will go to Bovina Saturday night December 10th.

The local boys will play the Goodland boy's team here Friday night.

Darrell, Doris, and Woodrow Malone have started back to school after the cotton picking season.

### Boy Scout News

Twelve scouts have re-registered for the coming year. Four new scouts have registered.

The scouts are helping with the collecting of toys in co-operation with the Fireboys. Anyone who has old toys to contribute will please leave them at Mr. Miller's office or tell a boy scout. All scouts will be glad to call for the toys.

Registration will soon close. Old scouts should pay the fee at once. New members are welcome.

Some real treats are in store for the scouts. The troop would like to get one of the miniature White Steamers which President Hoover is offering on the Four Year Program.

A court of Honor will be held in the scout room Thursday, December 15. Visitors are welcome. Several boys will be ready for advancement in scout-

### Who's Who In Sudan High?

Come to the polls in the Sudan High school Tuesday, December 13, 1932, which will determine Who's Who in the Sudan High school. It will only be a penny a ballot. Be sure to save your pennies and make your candidate win.

Here are a few of the things you will vote on:  
 1. The cutest boy and girl.  
 2. The biggest heart breaker (of girls and boys).  
 3. The pressiest (boy and girl).  
 4. Prettiest girl. Best looking boy.

### From The Grade School

Low First: James Moore has returned to school. Several absent due to the flu. This class is beginning its work on Christmas projects and programs.

High First: Miss Jones' class has started its Christmas plans. She reports full attendance.

High Second: Several absent due to illness. Josephine McLarty from this class is still in the hospital at Lubbock.

Low Third: Mrs. Jamar visited Mrs. Dodgen's section of the low third. A number are out with the flu.

Mrs. McKelvey's section reports good attendance.

Miss White says most of her pupils are back. She has been having only about fifty per cent since school took up until this

week. Geraldine White spent the week-end in Amherst.

Ellouise Pollard spent the week-end in Olton.

Low Fifth: Mrs. May's class reports a new pencil sharpener. They will begin six weeks tests Tuesday.

John Lippard has returned to school.

Ollie Lee Floyd is ill. Gerald Moore has been absent due to illness.

Claude Phillips has moved to the country.

Low Sixth: The low sixth have on a move to bring illustrative material for their class work to go on the bulletin board. They have brought so much that there is a great amount waiting to be placed on it. They also are writing poetry.

Low Seventh: The geography class has been making a tour of the Balkan States. In this they are using the National Geographical magazine and Carpenter's Geographical Reader. The class plans to sail for Italy next week.

Mr. Butts reports: Mrs. Morrow was back Monday and spent part of the morning at school.

A choral club has been organized in grade school with Mrs. Stone and Miss White in charge.

There are two new pupils in grade school this week. They are Genierue and Margaret Sullivan from Thrift, Texas.

Miss Clifford Shaffer was absent due to illness part of last week. Mrs. Dean substituted in her place.

Mrs. R. C. Ware spent this last week-end in Field, New Mexico.

### Jokes

"Are you laughing at me" de-

manded Mr. Whittle Sturnly of his chemistry class.

"Oh, no, sir," came the reply in chorus.

Then he asked even more grimly, "What else is there in the room to laugh at?"

### WANT. ADS

Wanted—10 or 12 fat turkey hens weighing from 6 to 12 lbs. Sudan News.
