SUDAN, LAMB COUNTY, TEXAS, THURSDAY, FEB. 23, 1933

No. 33

FORMER SUDAN TEACHER RECEIVES INJURIES

Lubbock, Feb. 17.—A. L. Stringer, 54, of Lubbock, whose arms and legs were broken when a car hit him near Deming, N. M., Sunday night, Feb. 5, was admitted for treatment at Lubbock sanitarium yesterday afternoon.

The elderly man was enroute to California with a group of tourists when a flat tire caused them to stop eight miles south of Deming. A car approaching from behind the parked automobile struck Stringer when the driver of the car was blinded by lights of a truck he was meeting. Mrs. Stringer said last night.

Mr. Stringer was carried to a Deming hospital, where he remained until he was brought here in an ambulance. Although he was suffering considerably last night, his condition was not regarded as serious.

Mr. Stringer will be remembered by many of the old timers as he taught school in Sudan during the year of 1925 and also taught school at Baileyboro, two years following.

His condition was reported to the News, as recovering nicely, today as we go to press.

THE LADIES BIBLE CLASS

The Ladies' Bible Class of the Church of Christ met with Mrs. Foster on Tuesday afternoon. There were fourteen ladies present and the hostess.

A lot of interest was taken in the discussions.

Our class will meet with Mrs. Doyle Morrow next Tuesday afternoon.

Everyone is invited to come and be with us.

The lesson will be 2nd Kings, chapters 25, 26 and 27.—Reporter.

M. E. CHURCH BEING MOVED

A force of men have been busy putting in a new foundation on the new site for the Methodist church, during the past week and the church and parsonage will be moved sometime next week. The new location for the church will make it more convenient to the people of Sudan, and when the new addition to the church is finished will comfortably accommodate the large membership. The new site is located on Main Street.

MERRITT POLLARD OPENS BLACKSMITH SHOP

Merritt Pollard has opened a new Blacksmith Shop near the Pollard Tourist Camp. Mr. Pollard states in his advertisement, which appears in another part of this issue of the News that satisfaction is guaranteed in all work turned out by him, and asks that he be given an opportunity to serve those needing this line of work.

PUBLIC AUCTION OF MARES AND MULES

On Saturday, February 25, at 2:00 p. m., there will be a Public Auction of mares and mules, at the Santa Fe stock yards. These mares and mules range in age from 3 to 10 years; weigh from 800 to 1300 pounds. Jene Dobson, manager and auctioneer, stated that every animal would be guaranteed to be as represented.

ELMORE BABY DIES

The two months old baby of Mr. and Mrs. Clarence Elmore, residing in the Progress Community, died of pneumonia early Saturday morning.

The body was taken to Circle-back community former home of the parents for the funeral service, after which interment of remains was made in the Sudan cemetery.

Raynes Sparks, who has been employed at the King Drug store is confined to his home with the flu.

BEAUTY CONTEST

A Beauty Contest and Fashion Show was the feature entertainment at the Garden Theatre Thursday and Friday night.

The merchants of the town sponsored models who appeared in sport dresses and evening gowns.

Miss Kathryn Wilson, representing Salems Dry Goods, won first place, as "Miss Sudan," and will represent this section of the county in the South Plains beauty contest to be staged in Lubbock, March 2nd and 3rd. Where "Miss Plains" will be named to compete in the "Queen of the West" Pageant to be staged August 17th and 18th, at Roswell, N. M. The winner from there will be given a free trip to the World's Fair in Chicago.

Other beauties were placed as follows: Miss Myrtle McLarty 2nd, Mrs. F. M. Farris 3rd, Miss Lillian Hunt 4th, and Miss Ann King 5th.

These beauties went to Littlefield Wednesday night to compete for "Miss Lamb County."

Miss Lillian Hunt, representing the Grace Beauty Shop, won that honor, and will represent Lamb County at the South Plains beauty contest in Lubbock.

The young ladies were judged on poise, personality, and grace.

Those representing the different firms were: Myrtle McLarty, "Miss Ramby Drug;" Ann King, "Miss King Drug;" Ouida Doty, "Miss Aryain Dry Goods;" Mrs. Bud Estes, "Mrs. Farris Beauty Shop;" Marjorie Alderson, "Miss Alderson's Dry Goods;" Lenora Payne Romback, "Miss M System;" Miss Ellen Burnham, "Miss T. L. Means General Merchandise;" Lillian Hunt, "Miss Grace Beauty Shop;" and Kathryn Findley, "Miss Saunders Variety Store."

THE BLUEBONNET NEWS

The Bluebonnet Home Demonstration club met Thursday, February 16 in the home of Mrs. J. H. Bradley with 12 old members and Mrs. Curtis Chisholm of near Sudan and Mrs. W. E. Bennett of Amherst as new members. Our lesson being on vegetables, each member answered roll call with a new vegetable she intends planting this year. Miss Mashburn was with us and gave an interesting lesson on vegetable planting and food values. We are sure each member left the meeting with the intention of planting and canning more vegetables than ever before. As our secretary has moved away Mrs. Walter Brantley was elected to fill that office.

Our next meeting will be with Mrs. C. M. Crawford Thursday, March 2.

J. T. McCrary and son, Jackie of Lubbock visited his sister, Mrs. J. M. Brantley the past week.

Mr. and Mrs. C. R. Terrell were visiting in Littlefield Thursday.

Mr. Henry Cook and sons left for points on the coast.

A. K. Cocanougher has been ill this last week.

Mr. and Mrs. H. F. Meyer have been visiting relatives in Quitaque the past week.

C. R. Terrell lost a good mule the past week.

Miss Mashburn was dinner guest of Mrs. C. M. Crawford last Thursday.

Mr. and Mrs. O. L. Williams were in Lubbock Saturday.

Mary Jane Bradley, Ruth Jennings and Margaret Jean Long were visitors in the home of Mr. and Mrs. W. E. Logan Sunday and were entertained Sunday afternoon with an "old fashioned" buggy ride.

Mrs. J. J. Franks who has been visiting her daughter Mrs. J. O. Jones, at Midland returned to her home in Sudan. Mr. and Mrs. Fisher Franks met her at some point about halfway between Sudan and Midland, where they all visited with relatives, before returning to their home in Sudan, last Monday.

METHODIST CHURCH NOTES

Sunday School 10:00 A. M. Preaching Services 11:00 A. M. and 7:30 P. M.

Leagues convene at 6:45 P. M. Subject Sunday Morning "The Shepherd Love of God."

Special music at all services. An Orchestra has been arranged for, and will add materially to the worship service. If you have a special selection that you want sung, please make your wants known.

Work in preparation of the moving of the church and parsonage has been steadily going forward. All work will be completed this week and moving will start next Monday morning. We appreciate the fine spirit of co-operation which has been manifested. Any church that is not aggressive is a dead church. The battle against sin cannot be completed in one decade, but we can advance the lines of attack and assist the coming generation to a Grand Finale. Do your part in this great work. Attend all services and encourage your children and friends to attend.

SUDAN MEETS ROPES IN CONTEST

Sudan is winner over Muleshoe in the county quadrant basketball games between High schools of Hockley, Cochran, Lamb and Bailey Counties.

The first game between these contending teams was played at Muleshoe Wednesday, February 15, the return game being played here Friday, February 17. Sudan played the team from Ropesville here Tuesday night and the score was 33 to 31 in favor of Ropesville.

FRIENDSHIP H. D. CLUB

The Friendship Home Demonstration Club met at the home of Mrs. S. C. Stephen for its regular meeting. There were fourteen members and two visitors present. Miss Mashburn gave us a very interesting lesson on gardening and buying seed. We also had a poultry dressing demonstration, and there were three turkeys, 20 capons and 9 hens dressed and packed for shipping.

Refreshments of cake and hot chocolate were served at the closing hour. Our next meeting will be March 3rd. Let's all try and be there.

Grandmother Miller who has been making her home with her daughter, Mrs. H. Moncrief, left Saturday for east Texas where she will visit relatives and friends the rest of the winter, but will return here in the summer.

BALANCED MASH RATION FOR TURKEYS

It pays to feed a balanced mash ration to turkeys, H. L. Hershey of Deaf Smith county has found after conducting his first demonstration in cooperation with the county agent. Out of 102 turkeys raised from six hens, 84 were ready and finished for the Thanksgiving market and graded No. 1. There was not a crooked breasted turkey in the lot. They were fed a ration consisting of one pound each of salt, limestone flour and bone meal; a protein supplement made up of a mixture of tankage and cottonseed meal; and ordinary farm grown grains. Mr. Hershey also killed, picked, graded, and packed 29 turkeys in a barrel which he shipped direct to a Northern market. He increases his returns 63 cents per turkey on the deal.

Mrs. Herbert Teal attended the County Wardrobe demonstration held at Amherst, Monday and Tuesday.

Mr. and Mrs. Ovie Teal spent the week-end in Enochs with the former's parents, Mr. and Mrs. J. R. Teal.

MRS. J. W. ORMAND DIES FRIDAY EVENING

The community was saddened Friday evening by the death of Mrs. J. W. Ormand. She having been in ill health for the past few years, her death was expected at any time. The double attack of kidney and heart trouble was too much for her frail and well spent body. At 9:30 p. m. she lay aside earth's burdens to take up a "Crown of Life Abundant."

She leaves to mourn her passing, her husband, twenty-nine grandchildren, six great grandchildren, and a host of friends.

Fitting and appropriate services were held Sunday afternoon at the Methodist church, with Rev. Sam A. Thomas officiating. Interment was made in the Sudan cemetery.

The News with many other friends, extend sympathy to the family in this hour of sorrow.

PAYS TO GARDEN BY PLAN

Gardeners may expect to get \$60 worth or more of vegetables out of their spring gardens at a cost of about \$4.50 this year if they can do as well as 23,636 persons who cooperated in demonstrations with Texas county home and farm demonstration agents last year. "These are the gardens on which records were kept, but many thousands more were influenced by the example of these demonstrators, 90 per cent of whom were women and girls," states J. F. Rosborough, horticulturist in the Extension Service at Texas A. and M. College.

Pointing out that careful planning is the first step toward gardening success, Mr. Rosborough explains that "farm gardens should be one-half acre in size, or at the very least 100 by 150 feet. A family of five needs about 3000 pounds of vegetables to supply the complete needs of the diet for a year. It takes about one foot of row to furnish one pound of vegetables.

"A balanced garden plan that many demonstrators have used with satisfaction calls for the following in 3-foot rows: 50 feet of shallots, 50 feet of mustard, 50 feet of New Zealand spinach, 50 feet of radishes, 50 feet of lettuce, 50 feet of Swiss chard, 150 feet of onion sets or plants, 50 feet of garlic, 50 feet of drill, 50 feet of chili pepper, 150 feet of English peas (2 plantings on same bed two weeks apart), 100 feet of beets, 50 feet of turnips, 150 feet of carrots, 150 feet of spinach, 300 feet of bush beans, 150 of lima beans, 300 feet of field peas, 150 feet of early cabbage, 75 feet each of egg plant and bell peppers, 150 feet of okra, and 600 feet of Irish potatoes followed by cream or black eyed peas. In 4-foot rows: 150 feet of cantaloupes, 100 feet of asparagus, and 50 feet of rhubarb.

"This plan gives at least 5 varieties and 728 feet of row space to the leafy or green vegetables; at least 2 varieties and 728 feet of row space to the starchy kinds; at least 2 varieties and 728 feet of row space to garden fruits; and at least 5 varieties and 728 feet of row space to other kinds of vegetables. Such a balance as this is required for health. Varieties may be substituted in the above plan but replacements should be made with other varieties of the same class, that is, if spinach is left out one or more other leafy vegetables should replace it, such as cauliflower, broccoli, rape, kale or Chinese cabbage."

Help in gardening may be had from county farm or home demonstration agents, or from two bulletins distributed by them or sent free on request to the Extension Service at College Station. These are: D-81 "Garden Demonstration Record," and B-70 "Gardening."

Mr. and Mrs. G. R. Crim spent the week-end with the latter's mother at Ballenger.

STRIKE A BODY BLOW AT DEPRESSION

Investment and Employment Are Cheaper and Better Than Charity

From where does your bread and butter come? From our own work.

From where does your work come? From the need for your services by some other individual or company.

We have all been complaining about business being bad because our labor or products are not in sufficient demand. The chances are those of us who complain loudest, have done the most to create unemployment.

There are million of Americans who have money to spend and they aren't spending it. They are waiting for prosperity to come back, for an "act of God" to drop dollars in their laps, for a good fairy to shower them with gold, for a "cure-all" law to be passed.

Those things won't happen. Prosperity will return in proportion as our initiative, courage and determination revive.

Millions of our homes need improvement. Millions of heating plants should be overhauled, million of pieces of household equipment should be replaced, millions of buildings should be repainted and repaired. Improvements of this nature can be made at lower cost now than at any time in decades.

Those spending money would get more for their investment than in many years. The laboring man gets a job. The storekeeper sells his wares and orders more. Factories begin to operate and orders go in for raw materials, transportation revives and the business circle is complete.

Visualize the result that would follow the doing of needed and necessary work by millions of people who could afford it in 10,000 towns and cities in this country.

No town is too small, no city too large. You have your chance to help now.

It's up to you.

Mr. and Mrs. C. H. Nichols and son, Nelson. Mr. and Mrs. Tom Alderson, and daughter, Marjorie, and Miss Sikes spent Sunday with Mr. Alderson's sister and family near Plainview.

Mr. and Mrs. Sam Saunders and two children were in Littlefield Tuesday.

Mr. and Mrs. J. M. Moore and family visited Mr. Moore's brothers in Canyon, Sunday.

Mr. and Mrs. Sam Saunders spent Sunday in Slaton with his parents.

Mr. Paul Dill was attending to business matters in Olton, Wednesday.

H. M. Lyle spent several days in Lubbock this week with his wife who underwent an operation Monday. Miss Bonnie Belle and Son Lyle spent last week-end with her.

Ray McLarty returned to his home in California after visiting relatives here for the past few weeks.

Mr. and Mrs. A. F. Copeland, Mrs. Loyd Robertson, Mrs. Porter Earnest, and Mr. and Mrs. James Courtney were in Lubbock Tuesday.

Mr. and Mrs. G. C. Holden, and Mr. and Mrs. Ed Aryain were in Lubbock Sunday to visit Mr. Holden's sister Mrs. Strickland, of Brownfield, who is in the sanitarium there.

Mr. and Mrs. Stanley Doss of Olton were visiting friends in Sudan Thursday, and while in town paid the News force a short visit. Stanley states that he can't get along without the News.

Rev Sam Thomas and Homer Doty attended the District Meeting of the Masonic Lodge, held at Olton, Tuesday night.

LEAGUE NAMES CANDIDATES FOR SCHOOL TRUSTEES AT MEETING

A rousing rally of taxpayers' league was held at Friendship church Tuesday night, February 14th. Standing room was at a premium.

The meeting was treated to a number of choice musical selections by a string orchestra of four pieces and piano accompaniment. While your reporter failed to learn the names of the artistic performers, he was advised that both Bailey and Lamb county talent was represented in the organization. All seemed to both enjoy and appreciate the fine music.

The main object of the meeting was to place in nomination three candidates for the office of school trustees, to be voted on in the coming April school election. Seven candidates were named and when the vote was announced the successful candidates were: J. W. McCaghen, Wm. H. Walker and T. Fife.

In the absence of Chairman V. C. Nelson, the meeting voted that P. E. Boesen be the presiding officer. There were spirited discussions throughout the meeting, a dozen or more speakers taking part. A number of Sudan residents and business men attended the meeting.

A committee composed of V. C. Terry, Edw. N. Ray and O. L. Williams was appointed to get in touch with the Sudan school board and urge that the board take immediate steps to petition our representatives in August to eliminate the office of county school superintendent for Lamb County by special legislative measure. It is known by all that the office of county superintendent in this county is a sinecure, that there is no need for the office, that the \$2200.00 and expenses paid this officer is political buncom, a waste of the taxpayers' money and purely a steal from school children of the county. It has since been learned from the president of the county school board that our trustees have acted promptly and other school boards of the county are following their lead.

Your reporter snooped among the members of the league during the meeting and learned that some of them are ready to pay taxes whenever the trustees see fit to accept the league's valuation for 1932. Little Miss Rae treated the meeting to a most graceful and artistic act of rope jumping which pleased all.

A general meeting, at which matters of future action are to be taken up, was called for Tuesday night, March 7th, at the school house auditorium. All are invited to attend this meeting, whether members of the league or not.—Reporter.

CARD OF THANKS

We, the undersigned wish to thank the people of Sudan and surrounding territory for their sympathy and thoughtfulness in the sickness and death of our dear mother, Mrs. J. W. Ormand. The beautiful flowers and kind words of sympathy has made our sorrow easier to bear. May God bless each and every one for every kindness shown.

J. W. Ormand

Mr. and Mrs. W. E. Stephens, and family.

Mr. and Mrs. J. F. Ormand

W. P. Ormand, and family.

Mr. and Mrs. Ben Turner and family.

J. Freeman Ormand and family.

R. S. Ormand and family

Ernest R. Ormand and family.

Mr. and Mrs. T. V. Ormand.

Mr. and Mrs. A. W. Ormand, and family.

Mrs. J. P. Gibson.

CARBON MONOXIDE GAS

Particularly during the recent frigid weather, when many citizens closed tight their doors and windows and turned up fires to their capacity, has carbon monoxide gas formed a threat against health in Lubbock and area.

Contrary to public opinion, carbon monoxide gas does not come from the exhaust of motor cars alone, but is the result of the incomplete combustion of any gas, whether it be from wood, coal or fuel gas.

Free ventilation in houses, particularly in bedrooms, bath, room and kitchen, is stressed by health experts seeking to minimize the possibility of carbon monoxide poisoning. Breathing even a small amount of gas daily is declared to be disastrous to health, to cause strange twists of the mind and finally, complete nervous breakdown.

For the benefit of Lubbock and South Plains people, The Avalanche-Journal is presenting herewith some aids to minimize the danger of monoxide gas poisoning:

When unaccountable headaches come on, especially if two or more persons are involved, suspect carbon monoxide poisoning if there are any gas stoves, gas grates or doubtful acting coal stoves or furnaces

about. Suspect carbon monoxide poisoning if matches do not burn perfectly in the general air of rooms, or if there is a sense of drowsiness in rather confined quarters.

Suspect carbon monoxide gas if, on arising from a chair or attempting active work, weakness of the knees occurs and it requires special effort to hold one's self on the job.

Suspect carbon monoxide gas in all "haunted houses" or wherever persons suffer from hallucinations, illusions or delusions.

Carbon monoxide gas is difficult to detect by any household. It has no odor, is tasteless, invisible and non-irritating. Therefore, persons may be subject to it up to the point of death without realizing its presence.

Several days ago there was a case of carbon monoxide poisoning in Lubbock which, happily, had no serious result.

Other such cases have been reported in other parts of West Texas, especially during the recent blizzard.

Carbon monoxide gas is a deadly enemy to mankind. Watch for it.—Lubbock Avalanche.

YOUTH—A STATE OF MIND

(From the Arkansas Traveler) Youth is not a time of life; it is a state of mind. It is not a matter of ripe cheeks, red lips and supple knees; it is a temper of the will, a quality of the imagination, a vigor of the emotions. It is the freshness of the deep springs of life.

Youth means a temperamental predominance of courage over timidity, of the appetite for adventure over the love of ease. This often exists in a man of 50 more than a boy of 20.

Nobody grows old by merely living a number of years. People grow old deserting their ideals. Years wrinkle the skin; but to give up enthusiasm wrinkles the soul. Worry, doubt self distrust, fear and despair—

these are the long, long years that bow the heart and turn the greening spirit back to dust.

Whether 60 or 16, there is in every human being's heart the lure of wonder, the sweet amazement at the stars and at starlike things and thoughts, the undaunted challenge of events, the unflinching childlike appetite for what next, and the joy of the game of living.

You are as young as your faith, as old as your doubt, as young as your self-confidence, as old as your fear; as young as your hope; as old as your despair.

In the central place of your heart is an evergreen tree; its name is Love. So long as it flourishes you are young. When it dies you are old. In the central place of your heart there is a wireless station; so long as it receives messages of beauty, hope, cheer, grandeur, courage and power from the earth, from men and from the Infinite, so long are you young.

When the wires are down, and all the central place of your heart is covered with the snows of cynicism, and the vice of pessimism, then you are grown old, even at 20, and may God have mercy upon your soul.

If you want to avoid disappointment in planting an orchard. Get your trees from Dalmont Nursery. They have originated trees that are hardy and bloom late, so they are not likely killed by late frost. We will exchange nursery stock for grain, two row tools, or young mules. DALMONT NURSERY, Plainview, Texas. 284t c

Anyone wishing to take lessons on clarinet or saxophone Should see Lynn C. Kester at the Kester Jewelry Store. 3tc

Wanted To Buy—Cattle, hogs, heads, corn and one used Farm-all Tractor. Peyton Packing Co. Littlefield, Texas. 31-4-tp.

FOXWORTH-GALBRAITH
LUMBER COMPANY

How Old?

He doesn't look a day over fifty. And feels like forty. At the age of 62.

That's the happy state of health and pep a man enjoys when he gives his vital organs a little stimulant!

When your system is stagnant and you feel sluggish, headachy, half-alive—don't waste money on "tonics" or "regulators" or similar patent medicines. Stimulate the liver and bowels. Use a famous physician's prescription every drug store keeps. Just ask them for Dr. Caldwell's syrup pepsin.

This appetizing syrup is made from fresh laxative herbs, active senna, and pure pepsin. One dose will clear up almost any case of headache, biliousness, constipation.

But if you want to keep in fine shape, feel fit the year round, take a spoonful of Dr. Caldwell's syrup pepsin every few days. You'll eat better, sleep better and feel better. You will never need another laxative.

Give the children a little of this delicious syrup two or three times a week. A gentle, natural stimulant that makes them eat and keeps the bowels from clogging. And saves them from so many sick spells and colds.

Have a sound stomach, active liver and strong bowel muscles that expel every bit of waste and poison every day! Just keep a bottle of Dr. Caldwell's syrup pepsin on hand; take a stimulating spoonful every now and then. See if you don't feel new vigor in every way.

EDITORIAL

The next high point in the program of Sudan School will be the County Interscholastic League meet which will be held March 24 and 25, at Spade. This meet is held every year with all the schools of the county entering, but owing to the "hard times", many schools began to consider staying out of the meet this time because of the money needed to enter into the contests. But this idea was met with opposition everywhere, because the meet is not only a lively, contest of ability and learning, but also very educational and interesting.

Students, Sudan is entering practically all the contests and needs each one of you to help her bring home the first place trophies. We want our school to be considered the best in the county in literary as well as track work. It usually is not difficult to induce pupils to enter field and track work, which is very good, but we want everyone to enter some literary work also. The more entries there are, the better the representatives will be which are sent to the county.

So, come on, folks, and help Sudan in the contest in which you have the best ability, be it literary or track work, and let's make it a thorough success and forget "old man depression" for awhile.

Respond to this call, Sudan needs you.

Athletics

The boys and girls went to Ropesville last Tuesday night, February 14. The boys lost their game by a large score, but the girls came out strong and won over Ropesville 32-28. This places Sudan and Ropesville girls in a tie. The girls also went to Muleshoe Wednesday night, February 15 and won over them by a score of 50-17. Muleshoe came to Sudan Friday night, February 17, and lost to Sudan by a score of 51-22. By Sudan winning these two games with Muleshoe this puts them in the championship game with Ropesville. The winner of these two teams will go to district at Lubbock Friday, February 24.

The grade school girls are still playing basketball and are playing class games. They are also playing play ground basketball and are playing class games. These pupils are very enthusiastic about these games.

This week closes the first six weeks term of the second semester. Grade cards will be given next Wednesday afternoon.

Teachers and pupils are making preparations for the interscholastic league meet.

Our school will have a representative in almost every event provided for in the contest.

Debate Contests except the finals in the County Meet will be held at Sudan. March 18. Five schools will compete.

The Tennis Contest will be played off at Littlefield and the play ground ball and volley ball will be played at Spade one week before the County Meet which is March 24 and 25.

Friday of this week is visita-

tion day and all parents of this community are invited to visit our school. The P. T. A. is sponsoring this event.

Since the basketball season has closed Mr. Whittle will begin track and field practice soon. The track has just been graded and is in good condition for use and races.

Let's all give it a try! High school chapel is held every Wednesday morning at 11 o'clock and everyone is invited to attend.

March the 1st the seniors have charge of the chapel program and the program will consist of debates, declamations, extempore speeches, and perhaps a one-act play.

The public is urged to attend this chapel program. Remember folks March 1st.

P. T. A. Meeting

On last Wednesday the P. T. A. observed Founder's Day with a fitting program. This date was observed through the nation as the birthday of the Parent-Teacher Association.

At this meeting a membership drive was announced. It is to take the form of a contest between the parents and the faculty.

At the close of the program, Mrs. Moore and the Home Economic girls served the birthday cake and hot tea to those present.

Magazines Needed

The school, due to the depression, is not able to take all of the popular literary magazines. The Interscholastic League work has begun and these magazines are greatly needed. Anyone, having any back numbers or recent magazines and who are not using them, please bring them to the school as the school would be glad to have them as a gift or as a loan. Some of the magazines needed are Review of Reviews, Literary Digest, The Forum, World's Work, Reader's Digest, or any daily papers. Please help your school out by bringing it these magazines.

Girl Scout Room

The girl scouts have their

room all fixed up! As one enters, he notices the windows adorned with white curtains gracefully drooping on each side and tied with green bands. Glancing over to the corner one sees a stage curtain on which beautiful scenery is portrayed, looking up at the wall on the left side of the room, one observes the large flag of the U. S. A., the flag to which every girl scout pledges herself. Next ones attention is drawn to the nicely cleaned blackboards on the right hand side of the room. Then, one notes that the instructors desk is in the front of the room, and the remaining seats are neatly arranged around the room, and placed close to the walls.

Bonnie Belle Lyle spent the week-end with her mother, Mrs. H. M. Lyle, who is in the sanitarium.

Misses Lewis, Reeves and White and Mesdames McAdams and Dodgen spent Saturday afternoon in Lubbock.

Evelyn Stephens has entered school and she is classi-

Messrs. Branch and Smith went to Lubbock Saturday, tied as a Junior.

Grammar School News

Low First—

Louise Wilson has re-entered school.

The pupils of the low first are inviting their parents to visit their room Friday which has been set aside as visitors day.

Mrs. Stone reports ninety-nine per cent attendance.

Low Second—

Amzolo Hawkins from Merkel has entered school.

Low Fourth—

Pauline and Freddie Hawk withdrew from school last week.

High Fourth—

The high fourth has held a health election with the following results: Governor, Alpha Jean Clayton; Representatives Dorothy Benton, Evelyn Lancaster, Lorena McAdams, Hermie Blair and Agatha Barnett.

The pupils are writing letters for bulletins to illustrate their geography class. They have also started on the State reading course and when the required amount is read they will receive reading certificates.

High Fifth—

The high fifth is taking six-

weeks' tests and making favorable grades.

Ila Ruth Bridges has been absent due to illness.

The penmanship papers from this class will be sent to Oklahoma City soon for grading and to see which pupils will be entitled to certificates.

Low Sixth—

Miss Jenkins reports a new pupil, DeWitt Precure from Oklahoma.

High Sixth—

The high sixth is working on a project dealing with South America in Geography class. Information from the Geographical Magazines and other sources are being collected and placed in note books. This class just completed a project on the Civil War.

Low Seventh—

J. L. Hawk withdrew from school last week. He moved to Abilene.

Mr. Butts says:

William Treadwell from Alabama is a new pupil in the grade school.

The grammar school pupils are doing work in some of the Interscholastic League events, but the school is not financially able to provide equipments for all events.

An Honor To Mrs. McKelvey

Mrs. McKelvey received a letter from Austin last Friday inviting her to be a charter member of the Delta Kappa Gamma Society, a state organization made up of teachers who have done outstanding work in the profession of teaching.

We are indeed proud that this honor has come to Mrs. McKelvey. It is an honor that she well deserves and we as teachers of the Sudan Schools, rejoice with her in this honor and feel proud to have her as one of our faculty.

Mrs. McKelvey has been a member of the Sudan Grade School faculty four years and her work during this time has been excellent and outstanding

in every detail. She is modest and untiring in her efforts and is always willing to do more than her share of problems that confront us. Again, Mrs. McKelvey, we congratulate you.

Ten Commandments For High School Students

1. Thou shalt not whistle in the study hall for fear of awakening a senior.
2. Thou shalt not kill time in the study hall for fear of a

- "final" judgement day.
3. Thou shalt not "sass" Mr. Smith lest thou be granted a vacation.
 4. Boys! Thou shalt trust no girl lest thou be badly fooled.
 5. Thou shalt not stay out late on school nights lest thy snoring disturb thy classmates next day.
 6. Thou shalt not loiter in the hall with thy lover lest Mr. Smith call thee down. (Fear not that he'll knock thee down, for

THE HORNET'S NEST

(Continued from page three) he is not as his glances are).
 7. Thou shalt not report to English class without having first studied your lesson.
 8. Thou shalt not comment on the "depression" for that is Mr. Smith's favorite subject.
 9. Thou shalt not arise from thy seat in the study hall until the bell has rung.
 10. Ye "flappers" shall not flirt with Eldon Nichols unless you are not afraid of blazing blods.

Jokes.

Miss Bobo told her history class about an Ancient Greek Sculptor and she showed them his picture. One bright pupil said: "He might have been a Greek of old but he has a Roman 'roaming' noise."
 Miss Reeves: "Why do you think the author of this story is temperamental, Radney?"
 Radney N: "I don't know unless he is ninety-five per cent temper and five per cent mental."
 Miss Sikes was giving Juanita Hazel a lecture on how she could improve her personal appearance. "But I don't mind being ugly, do you?" asked Juanita innocently.
 Miss Lewis: "Who made the first cotton gin, Gilbert?"
 Gilbert C: "Heavens! Are they making it from that too?"
 Winford Wells: "How did you make out on your exams, Bernice?"
 Bernice Brothers: "Not so good, I was caught cheating."
 Winford: "How come?"
 Bernice: "Oh, in physiology the question was asked, 'How many vertebrae are there in human body?' And I was caught scratching my back."
 Mr. Whittle: "Then you won't forget to meet me in the office after four."
 Eldon: "Why, no, you see, I'm taking a memory course."

LONGVIEW NEWS

We had two basketball games with Circle Ark both girls and boys.
 The Longview girls were defeated 2 to 15.
 The Circle Back boys were defeated 3 to 34.
 There will be more games played this week.
 Seventh Grade has one new pupil, yrtle Stevenson, from Mueshoe.
 Three new pupils are in the primary room: Jewell Edwards, Elton Stephenson.
 Mr. and Mrs. C. M. Hurst and family visited Oscar Anderson and family of Earth.
 Mr. and Mrs. W. R. Young visited in Shallowater the week end.
 Fred Lane and family visited Pat Lane and family Saturday.
 Miss Else Gee who has been visiting her sister in Amarillo

THINK THESE OVER

Here are a few short paragraphs, author unknown, that are worthy of pasting in your scrap book and putting into daily practice:
 I buy at home because my interests are here.
 For the community which is good enough for me to live in is good enough for me to buy in.
 Because I want to see the goods.
 Because I want to get what I buy when I pay for it.
 Because my home dealer carries me when I run short.
 Because the men I buy from stand back of the goods.
 Because I sell what I produce here at home and here I buy.
 Because the man I buy from pays his part of the the town, county and school and state tax.
 Because the man I buy from helps to support my schools, my church my lodge and my home.
 Because when ill luck, misfortune or bereavement comes, the men I buy from are here with a kindly greeting.

Newlyn Love visited in the is returning home this week. Shaffer home Sunday.
 Welburn McCarty, who has been in the Lubbock sanitarium was able to be brought home last week.
 Wiley Moore, pitcher for the New York Yankees is visiting in the home of his brother, Nute this week.

OBITUARY

Mrs. Fannie Seals Ormand, was born Aug. 22, 1862, at Meridian, Mississippi.

On October 15, 1879, she was united in marriage to Mr. J. W. Ormand. To this union was born nine children: Mrs. Lula Stephens, Sudan, Texas; Mrs. Stella Turner, Borger, Texas; J. F. Ormand and A. W. Ormand, Sudan Texas; W. P. Ormand, San Saba, Texas; Freeman Ormand, Longview, Texas; R. S. Ormand, Paris, Texas; Ernest Ormand, Athens, Texas; and Lillman Ormand, Roswell, N. M.

Mother Ormand is survived by her husband, Mr. J. W. Ormand, twenty nine grandchildren and six great-grandchildren.

Soon after the war between the States, mother Ormand moved with her father's family to Texas in an ox-wagon. After her marriage she and her husband moved to Lampasses, then to Coryell, hence to Hamilton County. From Hamilton county they moved to Gatesville, at which place they engaged in the dry goods business. In 1920 they moved to Electra, then to Roswell N. M., then to Sudan, Texas.

At the age of seven years, Mother Ormand, was converted and joined the Methodist church. In which church she has lived a consistent christian life. Being one of the pioneers of a western county they suffered many hardships, but her faith in God and mankind never wavered. Her long life of rich influence has permeated the lives of her children and blessed the community in which she lived. Her friends were numbered by her acquaintances.

In her passing the community has lost a good citizen, the church has lost a friend and supporter and the family has lost a beloved wife and mother. Her life was one of unusual brightness and her death was none the less. She knew that her days were in number, very few, but only wanted to live to love and bless and lift humanity. She complained of being tired but happy, and said, "But I will get all the rest I need after my work is finished." God heard her prayer and said, "It

is enough, come home my child. Today, she rests in the Paradise of God, in a mansion prepared for her by the Saviour's own hands.

Servant of God, well done! Thy glorious warfare's past. The battle's fought, the race is won, And thou art crowned at last. Sam A. Thomas, Her Pastor.

R. E. Doss spent Wednesday in Ralls with his mother.

As we go to press we learn that Joe Carter and Miss Verna Abernathy were married the first of the week. Mrs. Carter is from Amherst.

Five Kaufman county farmer who conducted pasture demon-

strations last year on 189 acres have made returns averaging \$8.15 per acre for an average investment of less than 50 cents per acre.

Seventy 4-H club boys who fed pigs in Childress county last year made slightly less than

\$1 per animal for their labor and investment even though they produced pork at the low feed cost of 2.2 cents per pound. Fifteen boys who raised litters of pigs made an average of \$17.01 for their labor and investment.

 MILK?

When the milk man brings the morning's milk do you at once step to the sink and pour out a portion of it? Certainly not!

THEN WHY WASTE NATURAL GAS?

The various gas cocks, fittings and piping on your premises may not be gas tight and can frequently waste a large amount of gas in a year through leakage.

With the Bunsen type of blue flame burner, a showing of red or yellow in the flame is an indication of imperfect combustion and therefore waste.

Rooms are more healthful if kept at about 70 degrees F., with proper humidity, yet much gas is wasted by keeping room temperatures higher.

Heat radiated into furnace rooms from the furnace, the furnace piping, and hot water and steam piping does not enter the room that is to be heated and therefore is wasted. Proper insulating of furnace piping will greatly curtail this loss. In any gas heating device the temperature of the combustion products where they go into the chimney has an important bearing on heat loss.

Improper adjustment of appliances resulting in imperfect combustion is a waste.

Water that precipitate scale or sediment will frequently build up a thick coating on the inside of the water heater over point of flame contact and greatly increase the amount of gas necessary to heat the water.

Turning on gas to a point where the flame goes over the top in open top space heaters wastes gas.

While we can not regulate the amount of gas that you use, we do urge you to take care that your consumption does not exceed your actual needs. Satisfied customers constitute our best asset. They are worth more to us than any revenue derived from gas which is wasted.

Good Gas With Dependable Service

Get Rid of That SORE THROAT!

Any little soreness in the throat grows rapidly worse if neglected. Crush some tablets of genuine Bayer Aspirin in some water, and gargle at once. This gives you instant relief, and reduces danger from infection. One good gargle and you can feel safe. If all soreness is not gone promptly, repeat. There's usually a cold with the sore throat, so before gargling take two tablets to throw off your cold, headache, stiffness or other cold symptoms. Bayer Aspirin relieves neuralgia, neuritis, too. You may use it freely, it does not hurt the heart.

SUDAN, LAMB COUNTY, TEXAS, THURSDAY, FEB. 23, 1933

No. 33

FORMER SUDAN TEACHER RECEIVES INJURIES

Lubbock, Feb. 17.—A. L. Stringer, 54, of Lubbock, whose arms and legs were broken when a car hit him near Deming, N. M., Sunday night, Feb. 5, was admitted for treatment at Lubbock sanitarium yesterday afternoon.

The elderly man was enroute to California with a group of tourists when a flat tire caused them to stop eight miles south of Deming. A car approaching from behind the parked automobile struck Stringer when the driver of the car was blinded by lights of a truck he was meeting. Mrs. Stringer said last night.

Mr. Stringer was carried to a Deming hospital, where he remained until he was brought in an ambulance. Although he was suffering considerably last night, his condition was not regarded as serious.

Mr. Stringer will be remembered by many of the old timers as he taught school in Sudan during the year of 1925 and also taught school at Baileyboro, two years following.

His condition was reported to the News, as recovering nicely, today as we go to press.

THE LADIES BIBLE CLASS

The Ladies' Bible Class of the Church of Christ met with Mrs. Foster on Tuesday afternoon. There were fourteen ladies present and the hostess.

A lot of interest was taken in the discussions.

Our class will meet with Mrs. Doyle Morrow next Tuesday afternoon.

Everyone is invited to come and be with us.

The lesson will be 2nd Kings, chapters 25, 26 and 27.—Reporter.

M. E. CHURCH BEING MOVED

A force of men have been busy putting in a new foundation on the new site for the Methodist church, during the past week and the church and parsonage will be moved sometime next week. The new location for the church will make it more convenient to the people of Sudan, and when the new addition to the church is finished will comfortably accommodate the large membership. The new site is located on Main Street.

MERRITT POLLARD OPENS BLACKSMITH SHOP

Merritt Pollard has opened a new Blacksmith Shop near the Pollard Tourist Camp. Mr. Pollard states in his advertisement, which appears in another part of this issue of the News that satisfaction is guaranteed in all work turned out by him, and asks that he be given an opportunity to serve those needing this line of work.

PUBLIC AUCTION OF MARES AND MULES

On Saturday, February 25, at 4:00 p. m., there will be a Public Auction of mares and mules, at the Santa Fe stock yards. These mares and mules range in age from 3 to 10 years; weigh from 800 to 1300 pounds. Jene Dobson, manager and auctioneer, stated that every animal would be guaranteed to be as represented.

ELMORE BABY DIES

The two months old baby of Mr. and Mrs. Clarence Elmore, residing in the Progress Community, died of pneumonia early Saturday morning.

The body was taken to Circle-back community former home of the parents for the funeral service, after which interment of remains was made in the Sudan cemetery.

Raynes Sparks, who has been employed at the King Drug Store is confined to his home with the flu.

BEAUTY CONTEST

A Beauty Contest and Fashion Show was the feature entertainment at the Garden Theatre Thursday and Friday night.

The merchants of the town sponsored models who appeared in sport dresses and evening gowns.

Miss Kathryn Wilson, representing Salems Dry Goods, won first place, as "Miss Sudan," and will represent this section of the county in the South Plains beauty contest to be staged in Lubbock, March 2nd and 3rd. Where "Miss Plains" will be named to compete in the "Queen of the West" Pageant to be staged August 17th and 18th, at Roswell, N. M. The winner from there will be given a free trip to the World's Fair in Chicago.

Other beauties were placed as follows: Miss Myrtle McLarty 2nd, Mrs. F. M. Farris 3rd, Miss Lillian Hunt 4th, and Miss Ann King 5th.

These beauties went to Littlefield Wednesday night to compete for "Miss Lamb County."

Miss Lillian Hunt, representing the Grace Beauty Shop, won that honor, and will represent Lamb County at the South Plains beauty contest in Lubbock.

The young ladies were judged on poise, personality, and grace.

Those representing the different firms were: Myrtle McLarty, "Miss Ramby Drug;" Ann King, "Miss King Drug;" Ouida Doty, "Miss Aryain Dry Goods;" Mrs. Bud Estes, "Mrs. Farris Beauty Shop;" Marjorie Alderson, "Miss Alderson's Dry Goods;" Lenora Payne Romback, "Miss M System;" Miss Ellen Burnham, "Miss T. L. Means General Merchandise;" Lillian Hunt, "Miss Grace Beauty Shop;" and Kathryn Findley, "Miss Saunders Variety Store."

THE BLUEBONNET NEWS

The Bluebonnet Home Demonstration club met Thursday, February 16 in the home of Mrs. J. H. Bradley with 12 old members and Mrs. Curtis Christholm of near Sudan and Mrs. W. E. Bennett of Amherst as new members. Our lesson being on vegetables, each member answered roll call with a new vegetable she intends planting this year. Miss Mashburn was with us and gave an interesting lesson on vegetable planting and food values. We are sure each member left the meeting with the intention of planting and canning more vegetables than ever before. As our secretary has moved away Mrs. Walter Brantley was elected to fill that office.

Our next meeting will be with Mrs. C. M. Crawford Thursday, March 2.

J. T. McCrary and son, Jackie of Lubbock visited his sister, Mrs. J. M. Brantley the past week.

Mr. and Mrs. C. R. Terrell were visiting in Littlefield Thursday.

Mr. Henry Cook and sons left for points on the coast.

A. K. Cocanougher has been ill this last week.

Mr. and Mrs. H. F. Meyer have been visiting relatives in Quitaque the past week.

C. R. Terrell lost a good mule the past week.

Miss Mashburn was dinner guest of Mrs. C. M. Crawford last Thursday.

Mr. and Mrs. O. L. Williams were in Lubbock Saturday.

Mary Jane Bradley, Ruth Jennings and Margaret Jean Long were visitors in the home of Mr. and Mrs. W. E. Logan Sunday and were entertained Sunday afternoon with an "old fashioned" buggy ride.

Mrs. J. J. Franks who has been visiting her daughter Mrs. J. O. Jones, at Midland returned to her home in Sudan. Mr. and Mrs. Fisher Franks met her at some point about half way between Sudan and Midland, where they all visited with relatives, before returning to their home in Sudan, last Monday.

METHODIST CHURCH NOTES

Sunday School 10:00 A. M. Preaching Services 11:00 A. M. and 7:30 P. M.

Leagues convene at 6:45 P. M. Subject Sunday Morning "The Shepherd Love of God."

Special music at all services. An Orchestra has been arranged for, and will add materially to the worship service. If you have a special selection that you want sung, please make your wants known.

Work in preparation of the moving of the church and parsonage has been steadily going forward. All work will be completed this week, and moving will start next Monday morning. We appreciate the fine spirit of co-operation which has been manifested. Any church that is not aggressive is a dead church. The battle against sin cannot be completed in one decade, but we can advance the lines of attack and assist the coming generation to a Grand Finale. Do your part in this great work. Attend all services and encourage your children and friends to attend.

SUDAN MEETS ROPES IN CONTEST

Sudan is winner over Muleshoe in the county quadrant basketball games between High schools of Hockley, Cochran, Lamb and Bailey Counties.

The first game between these contending teams was played at Muleshoe Wednesday, February 15, the return game being played here Friday, February 17. Sudan played the team from Ropesville here Tuesday night and the score was 33 to 31 in favor of Ropesville.

FRIENDSHIP H. D. CLUB

The Friendship Home Demonstration Club met at the home of Mrs. S. C. Stephen for its regular meeting. There were fourteen members and two visitors present. Miss Mashburn gave us a very interesting lesson on gardening and buying seed. We also had a poultry dressing demonstration, and there were three turkeys, 20 capons and 9 hens dressed and packed for shipping.

Refreshments of cake and hot chocolate were served at the closing hour. Our next meeting will be March 3rd. Let's all try and be there. Grandmother Miller who has been making her home with her daughter, Mrs. H. Moncrief, left Saturday for east Texas where she will visit relatives and friends the rest of the winter, but will return here in the summer.

While out horse back riding Sunday afternoon, Auda Faye Thompson was thrown from a horse and sustained a sprained wrist. Reporter.

BALANCED MASH RATION FOR TURKEYS

It pays to feed a balanced mash ration to turkeys, H. L. Hershey of Deaf Smith county has found after conducting his first demonstration in cooperation with the county agent. Out of 102 turkeys raised from six hens, 84 were ready and finished for the Thanksgiving market and graded No. 1. There was not a crooked breasted turkey in the lot. They were fed a ration consisting of one pound each of salt, limestone flour and bone meal; a protein supplement made up of a mixture of tannage and cottonseed meal; and ordinary farm grown grains. Mr. Hershey also killed, picked, graded, and packed 29 turkeys in a barrel which he shipped direct to a Northern market. He increases his returns 63 cents per turkey on the deal.

Mrs. Herbert Teal attended the County Wardrobe demonstration held at Amherst, Monday and Tuesday.

Mr. and Mrs. Ovie Teal spent the week-end in Enochs with the former's parents, Mr. and Mrs. J. R. Teal.

MRS. J. W. ORMAND DIES FRIDAY EVENING

The community was saddened Friday evening by the death of Mrs. J. W. Ormand. She having been in ill health for the past few years, her death was expected at any time. The double attack of kidney and heart trouble was too much for her frail and well spent body. At 9:30 p. m. she lay aside earth's burdens to take up a "Crown of Life Abundant."

She leaves to mourn her passing, her husband, twenty-nine grandchildren, six great grandchildren, and a host of friends.

Fitting and appropriate services were held Sunday afternoon at the Methodist church, with Rev. Sam A. Thomas officiating. Interment was made in the Sudan cemetery.

The News with many other friends, extend sympathy to the family in this hour of sorrow.

PAYS TO GARDEN BY PLAN

Gardeners may expect to get \$60 worth or more of vegetables out of their spring gardens at a cost of about \$4.50 this year if they can do as well as 28,636 persons who cooperated in demonstrations with Texas county home and farm demonstration agents last year. "These are the gardens on which records were kept, but many thousands more were influenced by the example of these demonstrators, 90 per cent of whom were women and girls," states J. F. Rosborough, horticulturist in the Extension Service at Texas A. and M. College.

Pointing out that careful planning is the first step toward gardening success, Mr. Rosborough explains that "farm gardens should be one-half acre in size, or at the very least 100 by 150 feet. A family of five needs about 3000 pounds of vegetables to supply the complete needs of the diet for a year. It takes about one foot of row to furnish one pound of vegetables.

"A balanced garden plan that many demonstrators have used with satisfaction calls for the following in 3-foot rows: 50 feet of shallots, 50 feet of mustard, 50 feet of New Zealand spinach, 50 feet of radishes, 50 feet of lettuce, 50 feet of Swiss chard, 150 feet of onion sets or plants, 50 feet of garlic, 50 feet of drill, 50 feet of chili pepper, 150 feet of English peas (2 plantings on same bed two weeks apart), 100 feet of beets, 50 feet of turnips, 150 feet of carrots, 150 feet or spinach, 300 feet of bush beans, 150 of lima beans, 300 feet of field peas, 150 feet of early cabbage, 75 feet each of egg plant and bell peppers, 150 feet of okra, and 600 feet of Irish potatoes followed by cream or black eyed peas. In 4-foot rows: 150 feet of cantaloupes, 100 feet of asparagus, and 50 feet of rhubarb.

"This plan gives at least 5 varieties and 728 feet of row space to the leafy or green vegetables; at least 2 varieties and 728 feet of row space to the starchy kinds; at least 2 varieties and 728 feet of row space to garden fruits; and at least 5 varieties and 728 feet of row space to other kinds of vegetables. Such a balance as this is required for health. Varieties may be substituted in the above plan but replacements should be made with other varieties of the same class, that is, if spinach is left out one or more other leafy vegetables should replace it, such as cauliflower, broccoli, rape, kale, or Chinese cabbage."

Help in gardening may be had from county farm or home demonstration agents, or from two bulletins distributed by them or sent free on request to the Extension Service at College Station. These are: D-81 "Garden Demonstration Record," and B-70 "Gardening."

Mr. and Mrs. G. R. Crim spent the week-end with the latter's mother at Ballenger.

STRIKE A BODY BLOW AT DEPRESSION

Investment and Employment Are Cheaper and Better Than Charity

From where does your bread and butter come? From our own work.

From where does your work come? From the need for your services by some other individual or company.

We have all been complaining about business being bad because our labor or products are not in sufficient demand. The chances are those of us who complain loudest, have done the most to create unemployment.

There are millions of Americans who have money to spend and they aren't spending it. They are waiting for prosperity to come back, for an "act of God" to drop dollars in their laps, for a good fairy to shower them with gold, for a "cure-all" law to be passed.

Those things won't happen. Prosperity will return in proportion as our initiative, courage and determination revive.

Millions of our homes need improvement. Millions of heating plants should be overhauled, million of pieces of household equipment should be replaced, millions of buildings should be repainted and repaired. Improvements of this nature can be made at lower cost now than at any time in decades.

Those spending money would get more for their investment than in many years. The laboring man gets a job. The storekeeper sells his wares and orders more. Factories begin to operate and orders go in for raw materials, transportation revives and the business circle is complete.

Visualize the result that would follow the doing of needed and necessary work by millions of people who could afford it in 10,000 towns and cities in this country.

No town is too small, no city too large. You have your chance to help now.

It's up to you.

Mr. and Mrs. C. H. Nichols and son, Nelson. Mr. and Mrs. Tom Alderson, and daughter, Marjorie, and Miss Sikes spent Sunday with Mr. Alderson's sister and family near Plainview.

Mr. and Mrs. Sam Saunders and two children were in Littlefield Tuesday.

Mr. and Mrs. J. M. Moore and family visited Mr. Moore's brothers in Canyon, Sunday.

Mr. and Mrs. Sam Saunders spent Sunday in Slaton with his parents.

Mr. Paul Dill was attending to business matters in Olton, Wednesday.

H. M. Lyle spent several days in Lubbock this week with his wife who underwent an operation Monday. Miss Bonnie Belle and Son Lyle spent last week-end with her.

Ray McLarty returned to his home in California after visiting relatives here for the past few weeks.

Mr. and Mrs. A. F. Copeland, Mrs. Loyd Robertson, Mrs. Porter Earnest, and Mr. and Mrs. James Courtney were in Lubbock Tuesday.

Mr. and Mrs. G. C. Holden, and Mr. and Mrs. Ed Aryain were in Lubbock Sunday to visit Mr. Holden's sister Mrs. Strickland, of Brownfield, who is in the sanitarium there.

Mr. and Mrs. Stanley Doss of Olton were visiting friends in Sudan Thursday, and while in town paid the News force a short visit. Stanley states that he can't get along without the News.

Rev Sam Thomas and Homer Doty attended the District Meeting of the Masonic Lodge, held at Olton, Tuesday night.

LEAGUE NAMES CANDIDATES FOR SCHOOL TRUSTEES AT MEETING

A rousing rally of taxpayers' league was held at Friendship church Tuesday night, February 14th. Standing room was at a premium.

The meeting was treated to a number of choice musical selections by a string orchestra of four pieces and piano accompaniment. While your reporter failed to learn the names of the artistic performers, he was advised that both Bailey and Lamb county talent was represented in the organization. All seemed to both enjoy and appreciate the fine music.

The main object of the meeting was to place in nomination three candidates for the office of school trustees, to be voted on in the coming April school election. Seven candidates were named and when the vote was announced the successful candidates were: J. W. McCaghen, Wm. H. Walker and T. Fife.

In the absence of Chairman V. C. Nelson, the meeting voted that P. E. Boesen be the presiding officer. There were spirited discussions throughout the meeting, a dozen or more speakers taking part. A number of Sudan residents and business men attended the meeting.

A committee composed of V. C. Terry, Edw. N. Ray and O. L. Williams was appointed to get in touch with the Sudan school board and urge that the board take immediate steps to petition our representatives in August to eliminate the office of county school superintendent for Lamb County by special legislative measure. It is known by all that the office of county superintendent in this county is a sinecure, that there is no need for the office, that the \$2200.00 and expenses paid this officer is political buncom, a waste of the taxpayers' money and purely a steal from school children of the county. It has since been learned from the president of the county school board that our trustees have acted promptly and other school boards of the county are following their lead.

Your reporter snooped among the members of the league during the meeting and learned that some of them are ready to pay taxes whenever the trustees see fit to accept the league's valuation for 1932.

Little Miss Rae treated the meeting to a most graceful and artistic act of rope jumping which pleased all.

A general meeting, at which matters of future action are to be taken up, was called for Tuesday night, March 7th, at the school house auditorium. All are invited to attend this meeting, whether members of the league or not.—Reporter.

CARD OF THANKS

We, the undersigned wish to thank the people of Sudan and surrounding territory for their sympathy and thoughtfulness in the sickness and death of our dear mother, Mrs. J. W. Ormand. The beautiful flowers and kind words of sympathy has made our sorrow easier to bear. May God bless each and every one for every kindness shown.

CARBON MONOXIDE GAS

Particularly during the recent frigid weather, when many citizens closed tight their doors and windows and turned up fires to their capacity, has carbon monoxide gas formed a threat against health in Lubbock and area.

Contrary to public opinion, carbon monoxide gas does not come from the exhaust of motor cars alone, but is the result of the incomplete combustion of any gas, whether it be from wood, coal or fuel gas.

Free ventilation in houses, particularly in bedrooms, bath, room and kitchen, is stressed by health experts seeking to minimize the possibility of carbon monoxide poisoning. Breathing even a small amount of gas daily is declared to be disastrous to health, to cause strange twists of the mind and finally, complete nervous breakdown.

For the benefit of Lubbock and South Plains people, The Avalanche-Journal is presenting herewith some aids to minimize the danger of monoxide gas poisoning:

When unaccountable headaches come on, especially if two or more persons are involved, suspect carbon monoxide poisoning if there are any gas stoves, gas grates or doubtful acting coal stoves or furnaces

about. Suspect carbon monoxide poisoning if matches do not burn perfectly in the general air of rooms, or if there is a sense of drowsiness in rather confined quarters.

Suspect carbon monoxide gas if, on arising from a chair or attempting active work, weakness of the knees occurs and it requires special effort to hold one's self on the job.

Suspect carbon monoxide gas in all "haunted houses" or wherever persons suffer from hallucinations, illusions or delusions.

Carbon monoxide gas is difficult to detect by any householder. It has no odor, is tasteless, invisible and non-irritating. Therefore, persons may be subjected to it up to the point of death without realizing its presence.

Several days ago there was a case of carbon monoxide poisoning in Lubbock which, happily, had no serious result.

Other such cases have been reported in other parts of West Texas, especially during the recent blizzard.

Carbon monoxide gas is a deadly enemy to mankind. Watch for it.—Lubbock Avalanche.

YOUTH—A STATE OF MIND

(From the Arkansas Traveler) Youth is not a time of life; it is a state of mind. It is not a matter of ripe cheeks, red lips and supple knees; it is a temper of the will, a quality of the imagination, a vigor of the emotions. It is the freshness of the deep springs of life.

Youth means a temperamental predominance of courage over timidity, of the appetite for adventure over the love of ease. This often exists in a man of 50 more than a boy of 20.

Nobody grows old by merely living a number of years. People grow old deserting their ideals. Years wrinkle the skin; but to give up enthusiasm wrinkles the soul. Worry, doubt, self distrust, fear and despair—

these are the long, long years that bow the heart and turn the greening spirit back to dust. Whether 60 or 16, there is in every human being's heart the lure of wonder, the sweet amazement at the stars and at starlike things and thoughts, the undaunted challenge of events, the unflinching childlike appetite for what next, and the joy of the game of living.

You are as young as your faith, as old as your doubt, as young as your self-confidence, as old as your fear; as young as your hope; as old as your despair.

In the central place if your heart is an evergreen tree; its name is Love. So long as it flourishes you are young. When it dies you are old. In the central place of your heart there is a wireless station; so long as it receives messages of beauty, hope, cheer, grandeur, courage and power from the earth, from men and from the Infinite, so long are you young.

When the wires are down, and all the central place of your heart is covered with the snows of cynicism, and the vice of pessimism, then you are grown old, even at 20, and may God have mercy upon your soul.

If you want to avoid disappointment in planting an orchard. Get your trees from Dalmont Nursery. They have originated trees that are hardy and bloom late, so they are not likely killed by late frost. We will exchange nursery stock for grain, two row tools, or young mules. DALMONT NURSERY, Plainview, Texas. 284t c

FOXWORTH-CALBRAITH LUMBER COMPANY

How Old?

He doesn't look a day over fifty. And feels like forty. At the age of 62.

That's the happy state of health and pep a man enjoys when he gives his vital organs a little stimulant!

When your system is stagnant and you feel sluggish, headachy, half-alive—don't waste money on "tonics" or "regulators" or similar patent medicines. Stimulate the liver and bowels. Use a famous physician's prescription every drug store keeps. Just ask them for Dr. Caldwell's syrup pepsin.

This appetizing syrup is made from fresh laxative herbs, active senna, and pure pepsin. One dose will clear up almost any case of headache, biliousness, constipation.

But if you want to keep in fine shape, feel fit the year 'round, take a spoonful of Dr. Caldwell's syrup pepsin every few days. You'll eat better, sleep better and feel better. You will never need another laxative.

Give the children a little of this delicious syrup two or three times a week. A gentle, natural stimulant that makes them eat and keeps the bowels from clogging. And saves them from so many sick spells and colds.

Have a sound stomach, active liver and strong bowel muscles that expel every bit of waste and poison every day! Just keep a bottle of Dr. Caldwell's syrup pepsin on hand; take a stimulating spoonful every now and then. See if you don't feel new vigor in every step.

EDITORIAL

The next high point in the program of Sudan School will be the County Interscholastic League meet which will be held March 24 and 25, at Spade. This meet is held every year with all the schools of the county entering, but owing to the "hard times", many schools began to consider staying out of the meet this time because of the money needed to enter into the contests. But this idea was met with opposition everywhere, because the meet is not only a lively, contest of ability and learning, but also very educational and interesting.

Students, Sudan is entering practically all the contests and needs each one of you to help her bring home the first place trophies. We want our school to be considered the best in the county in literary as well as track work. It usually is not difficult to induce pupils to enter field and track work, which is very good, but we want everyone to enter some literary work also. The more entries there are, the better the representatives will be which are sent to the county.

So, come on, folks, and help Sudan in the contest in which you have the best ability, be it literary or track work, and let's make it a thorough success and forget "old man depression" for awhile.

Respond to this call, Sudan needs you.

Athletics

The boys and girls went to Ropesville last Tuesday night, February 14. The boys lost their game by a large score, but the girls came out strong and won over Ropesville 32-23. This places Sudan and Ropesville girls in a tie. The girls also went to Muleshoe Wednesday night, February 15 and won over them by a score of 50-17. Muleshoe came to Sudan Friday night, February 17, and lost to Sudan by a score of 51-22. By Sudan winning these two games with Muleshoe this puts them in the championship game with Ropesville. The winner of these two teams will go to district at Lubbock Friday, February 24.

The grade school girls are still playing basketball and are playing class games. They are also playing play ground basketball and are playing class games. These pupils are very enthusiastic about these games.

This week closes the first six weeks term of the second semester. Grade cards will be given next Wednesday afternoon.

Teachers and pupils are making preparations for the interscholastic league meet.

Our school will have a representative in almost every event provided for in the contest.

Debate Contests except the finals in the County Meet will be held at Sudan, March 18. Five schools will compete.

The Tennis Contest will be played off at Littlefield and the play ground ball and volley ball will be played at Spade one week before the County Meet which is March 24 and 25. Friday of this week is visita-

tion day and all parents of this community are invited to visit our school. The P. T. A. is sponsoring this event.

Since the basketball season has closed Mr. Whittle will begin track and field practice soon. The track has just been graded and is in good condition for use and races.

Let's all give it a try! High school chapel is held every Wednesday morning at 11 o'clock and everyone is invited to attend.

March the 1st the seniors have charge of the chapel program and the program will consist of debates, declamations, extempore speeches, and perhaps a one-act play.

The public is urged to attend this chapel program. Remember folks March 1st.

P. T. A. Meeting

On last Wednesday the P. T. A. observed Founder's Day with a fitting program. This date was observed through the nation as the birthday of the Parent-Teacher Association.

At this meeting a membership drive was announced. It is to take the form of a contest between the parents and the faculty.

At the close of the program, Mrs. Moore and the Home Economic girls served the birthday cake and hot tea to those present.

Magazines Needed

The school due to the depression, is not able to take all of the popular literary magazines. The Interscholastic League work has begun and these magazines are greatly needed. Anyone, having any back numbers or recent magazines and who are not using them, please bring them to the school as a gift or as a loan. Some of the magazines needed are Review of Reviews, Literary Digest, The Forum, World's Work, Reader's Digest, or any daily papers. Please help your school out by bringing it these magazines.

Girl Scout Room

The girl scouts have their

room all fixed up! As one enters, he notices the windows adorned with white curtains gracefully drooping on each side and tied with green bands. Glancing over to the corner one sees a stage curtain on which beautiful scenery is portrayed, looking up at the wall on the left side of the room, one observes the large flag of the U. S. A., the flag to which every girl scout pledges herself. Next ones attention is drawn to the nicely cleaned blackboards on the right hand side of the room. Then, one notes that the instructors desk is in the front of the room, and the remaining seats are neatly arranged around the room, and placed close to the walls.

Bonnie Belle Lyle spent the week-end with her mother, Mrs. H. M. Lyle, who is in the sanitarium.

Misses Lewis, Reeves and White and Mesdames McAdams and Dodgen spent Saturday afternoon in Lubbock.

Evelyn Stephens has entered school and she is class-

Messrs. Branch and Smith went to Lubbock Saturday, fled as a Junior.

Grammar School News

Low First—

Louise Wilson has re-entered school.

The pupils of the low first are inviting their parents to visit their room Friday which has been set aside as visitors day.

Mrs. Stone reports ninety-nine per cent attendance.

Low Second—

Amzolo Hawkins from Merkel has entered school.

Low Fourth—

Pauline and Freddie Hawk withdrew from school last week.

High Fourth—

The high fourth has held a health election with the following results: Governor, Alphonso Clayton; Representatives Dorothy Benton, Evelyn Lancaster, Lorena McAdams, Hermie Blair and Agatha Barnett.

The pupils are writing letters for bulletins to illustrate their geography class. They have also started on the State reading course and when the required amount is read they will receive reading certificates.

High Fifth—

The high fifth is taking six-

weeks' tests and making favorable grades.

Ila Ruth Bridges has been absent due to illness.

The penmanship papers from this class will be sent to Oklahoma City soon for grading and to see which pupils will be entitled to certificates.

Low Sixth—

Miss Jenkins reports a new pupil, DeWitt Precure from Oklahoma.

High Sixth—

The high sixth is working on a project dealing with South America in Geography class. Information from the Geographical Magazines and other sources are being collected and placed in note books. This class just completed a project on the Civil War.

Low Seventh—

J. L. Hawk withdrew from school last week. He moved to Abilene.

Mr. Butts says:

William Treadwell from Alabama is a new pupil in the grade school.

The grammar school pupils are doing work in some of the Interscholastic League events, but the school is not financially able to provide equipments for all events.

An Honor To Mrs. McKelvey

Mrs. McKelvey received a letter from Austin last Friday inviting her to be a charter member of the Delta Kappa Gamma Society, a state organization made up of teachers who have done outstanding work in the profession of teaching.

We are indeed proud that this honor has come to Mrs. McKelvey. It is an honor that she well deserves and we as teachers of the Sudan Schools, rejoice with her in this honor and feel proud to have her as one of our faculty.

Mrs. McKelvey has been a member of the Sudan Grade School faculty four years and her work during this time has been excellent and outstanding

in every detail. She is modest and untiring in her efforts and is always willing to do more than her share of problems that confront us. Again, Mrs. McKelvey, we congratulate you.

Ten Commandments For High School Students

1. Thou shalt not whistie in the study hall for fear of awakening a senior.

2. Thou shalt not kill time in the study hall for fear of a

"final" judgement day.
 3. Thou shalt not "sass" Mr. Smith lest thou be granted a vacation.

4. Boys! Thou shalt trust no girl lest thou be badly fooled.
 5. Thou shalt not stay out late on school nights lest thy snoring disturb thy classmates next day.

6. Thou shalt not loiter in the hall with thy lover lest Mr. Smith call thee down. (Fear not that he'll knock thee down, for

Jokes.

Miss Bebo told her history class about an Ancient Greek Sculptor and she showed them his picture. One bright pupil said: "He might have been a Greek of old but he has a Roman "roaming" noise."
 Miss Reeves: "Why do you think the author of this story is temperamental, Radney?"
 Radney N: "I don't know unless he is ninety-five per cent temper and five per cent mental."
 Miss Sikes was giving Juanita Hazel a lecture on how she could improve her personal appearance. "But I don't mind being ugly, do you?" asked Juanita innocently.
 Miss Lewis: "Who made the first cotton gin, Gilbert?"
 Gilbert C: "Heavens! Are they making it from that too?"
 Winford Wells: "How did you make out on your exams, Bernice?"
 Bernice Brothers: "Not so good, I was caught cheating."
 Winford: "How come?"
 Bernice: "Oh, in physiology the question was asked, "How many vertebrae are there in human body?" And I was caught scratching my back."
 Mr. Whittle: "Then you won't forget to meet me in the office after four."
 Eldon: "Why, no, you see, I'm taking a memory course."

LONGVIEW NEWS

We had two basketball games with Circle Ark, both girls and boys.
 The Longview girls were defeated 2 to 15.
 The Circle Back boys were defeated 3 to 34.
 There will be more games played this week.
 Seventh Grade has one new pupil, yrtle Stevenson, from Mueshoe.
 Three new pupils are in the primary room, Jewell Edwards, Elton Stephenson.
 Mr. and Mrs. C. M. Hurst and family visited Oscar Anderson and family of Eearth.
 Mr. and Mrs. W. R. Young visited in Shallowater the week end.
 Fred Lane and family visited Pat Lane and family Saturday.
 Miss Else Gee who has been visiting her sister in Amarillo

THINK THESE OVER

Here are a few short paragraphs, author unknown, that are worthy of pasting in your scrap book and putting into daily practice:
 I buy at home because my interests are here.
 For the community which is good enough for me to live in is good enough for me to buy in.
 Because I want to see the goods.
 Because I want to get what I buy when I pay for it.
 Because my home dealer carries me when I run short.
 Because the men I buy from stand back of the goods.
 Because I sell what I produce here at home and here I buy.
 Because the man I buy from pays his part of the the town, county and school and state tax.
 Because the man I buy from helps to support my schools, my church my lodge and my home.
 Because when ill luck, misfortune or bereavement comes, the men I buy from are here with a kindly greeting.

Newlyn Love visited in the is returning home this week. Shaffer home Sunday.
 Welburn McCarty, who has been in the Lubbock sanitarium was able to be brought home last week.
 Wiley Moore, pitcher for the New York Yankees is visiting in the home of his brother, Nute this week.

OBITUARY

Mrs. Fannie Seals Ormand, was born Aug. 22, 1862, at Meridian, Mississippi.

On October 15, 1879, she was united in marriage to Mr. J. W. Ormand. To this union was born nine children: Mrs. Lula Stephens, Sudan, Texas; Mrs. Stella Turner, Borger, Texas; J. F. Ormand and A. W. Ormand Sudan Texas; W. P. Ormand, San Saba, Texas; Freeman Ormand, Longview, Texas; R. S. Ormand, Paris, Texas; Ernest Ormand, Athens, Texas; and Lillman Ormand, Roswell, N. M.

Mother Ormand is survived by her husband, Mr. J. W. Ormand, twenty nine grandchildren and six great-grandchildren.

Soon after the war between the States, mother Ormand moved with her father's family to Texas in an ox-wagon. After her marriage she and her husband moved to Lampasses, then to Coryell, hence to Hamilton County. From Hamilton county they moved to Gatesville, at which place they engaged in the dry goods business. In 1920 they moved to Electra, then to Roswell N. M., then to Sudan, Texas.

At the age of seven years, Mother Ormand, was converted and joined the Methodist church. In which church she has lived a consistent christian life. Being one of the pioneers of a western county they suffered many hardships, but her faith in God and mankind never wavered. Her long life of rich influence has permeated the lives of her children and blessed the community in which she lived. Her friends were numbered by her acquaintances.

In her passing the community has lost a good citizen, the church has lost a friend and supporter and the family has lost a beloved wife and mother. Her life was one of unusual brightness and her death was none the less. She knew that her days were in number, very few, but only wanted to live to love and bless and lift humanity. She complained of being tired but happy, and said, "But I will get all the rest I need after my work is finished." God heard her prayer and said, "It

is enough, come home my child.' Today, she rests in the Paradise of God, in a mansion prepared for her by the Saviour's own hands.

Servant of God, well done! Thy glorious warfare's past. The battle's fought, the race is won, And thou art crowned at last. Sam A. Thomas, Her Pastor.

R. E. Doss spent Wednesday in Ralls with his mother.

As we go to press we learn that Joe Carter and Miss Verna Bernathy were married the first of the week. Mrs. Carter is from Amherst.

Five Kaufman county farmer who conducted pasture demon-

strations last year on 189 acres have made returns averaging \$8.15 per acre for an average investment of less than 50 cents per acre.

Seventy 4-H club boys who fed pigs in Childress county last year made slightly less than

\$1 per animal for their labor and investment even though they produced pork at the low feed cost of 2.2 cents per pound. Fifteen boys who raised litters of pigs made an average of \$17.01 for their labor and investment.

Get Rid of That
 SORE THROAT!

Any little soreness in the throat grows rapidly worse if neglected. Crush some tablets of genuine Bayer Aspirin in some water, and gargle at once. This gives you instant relief, and reduces danger from infection. One good gargle and you can feel safe. If all soreness is not gone promptly, repeat. There's usually a cold with the sore throat, so before gargling take two tablets to throw off your cold, headache, stiffness or other cold symptoms. Bayer Aspirin relieves neuralgia, neuritis, too. You may use it freely, it does not hurt the heart.

NO TABLETS ARE GENUINE BAYER ASPIRIN WITHOUT THIS CROSS

Would
 you Do
 This
 With
 Milk?

When the milk man brings the morning's milk do you at once step to the sink and pour out a portion of it? Certainly not!

THEN WHY WASTE
 NATURAL GAS?

The various gas cocks, fittings and piping on your premises may not be gas tight and can frequently waste a large amount of gas in a year through leakage.

With the Bunsen type of blue flame burner, a showing of red or yellow in the flame is an indication of imperfect combustion and therefore waste.

Rooms are more healthful if kept at about 70 degrees F., with proper humidity, yet much gas is wasted by keeping room temperatures higher.

Heat radiated into furnace rooms from the furnace, the furnace piping, and hot water and steam piping does not enter the rooms that is to be heated and therefore is wasted. Proper insulating of furnace piping will greatly curtail this loss. In any gas heating device the temperature of the combustion products where they go into the chimney has an important bearing on heat loss.

Improper adjustment of appliances resulting in imperfect combustion is a waste.

Water that precipitate scale or sediment will frequently build up a thick coating on the inside of the water heater over point of flame contact and greatly increase the amount of gas necessary to heat the water.

Turning on gas to a point where the flame goes over the top in open top space heaters wastes gas.

While we can not regulate the amount of gas that you use, we do urge you to take care that your consumption does not exceed your actual needs. Satisfied customers constitute our best asset. They are worth more to us than any revenue derived from gas which is wasted.

West Texas Gas Co.

Good Gas With Dependable Service

A Dailey Newspaper
 ONE YEAR By Mail
 Only \$2.95

A

DAILY NEWSPAPER especially edited for every member of the family is a bargain at any price. Current news, features carefully selected and best obtainable, comics—a full page of them, are but just a few of the many daily interesting attractions for your entertainment that appear in the columns of THE DALLAS JOURNAL. The regular rate is \$5.00 one year. Clip this ad, mail it with your remittance of only \$2.95, or hand it to The Dallas Journal circulator, and you will receive a daily newspaper each weekday by mail for twelve full months. Do not miss this opportunity to place in your home one of the best newspapers published. You will be satisfied.
