NO. 35

BANKS TO RE-OPEN FRIDAY MORNING

Notices have been sent out to all banks to reopen for business Friday morning. Banks will be restricted in withdrawals, but other matters will be carried on just about the same as usual with few exceptions. All business seems to have taken a turn upward and the closing of the banks have helped to re-establish confidence, and it is our opinion that from now on there will be a gradual improvement in all lines of business.

SUMMARY OF FEDERAL BANKING REGULATIONS

Washington, March 7.—A summary of the regulations thus far issued by the secretary of the Treasury follows:

1. Authorizes banks and reserve banks to make change, but withholds gold or gold certificates.
2. Opens safe deposit boxes and safes.
3. Permits return of cash, checks, etc., which are unentered, received after last closing of business hours.
4. Permits cashing of government checks but withholds gold and gold certificates.
5. Permits a bank to accept payments due it or through it.
6. Permits banks to carry on business essential to movement of food.
7. Permits any bank to reopen to carry on unrestricted business in new accounts.
8. Permits completion of check transactions made on or before March 4 but withholds payment of money.
9. Permits banks to release securities and documents held in safe keeping.
10. Permits usual banking practices which involve medicine, other necessities of life, distress relief and other essential purposes, with restrictions on hoarding, withholding gold and gold certificates.
11. Permits banks to deposit collateral to secure advances to foreign branches, withholding transfer of credit form this country.
12. Permits issuance of clearing house scrip.
13. Permits normal fiduciary practices but denies withdrawal of trust funds from other bank departments.
14. Permits Reserve Banks to conduct normal functions as federal fiscal agents in exchanging government securities.

MONEY RELEASED!

Secretary of Treasury Woodin today issued another regulation concerning the banking situation as follows:
"The permission granted in regulation No. 7 that deposits heretofore received by any banking institution pursuant to any agreement or legislative authority providing for segregation and repayment without restriction may be paid on demand, includes any bank in which any such deposits have been deposited by or on behalf of the receiving bank in accordance with such agreement or legislative authority."

LADIES' BIBLE CLASS

The Ladies' Bible Class of Church of Christ met with Mrs. Phillips at 2:30 Tuesday afternoon.

There were 15 ladies present and the hostess. Everyone took an active part in the lesson. Much interest was manifested.

The leader for the afternoon was Mrs. Townsend. Mrs. Foster led the devotional.

The class will meet with Mrs. Briscoe next Tuesday. The lesson will be found in the 13th chapter of Isa., and Dan. Chapter 12. Everyone come.

METHODIST CHURCH NOTES

"Better Days Ahead," is the slogan of the national government. We are glad the Methodist church at Sudan is in line with the government. We too, are expecting better days. Quite a bit of improvement is being made within the church which will greatly help in our Sunday School program. New rooms are being added and also a study for the pastor. When we have completed our move and improvements, we will be in fine condition to take care of our large attendance. Our new location will add to our convenience in every way. We especially invite your attendance next Sunday. Subject Sunday morning, "The Christian Home." I want to urge every Father and Mother to be present and bring the children. It is "family day." Let's make the first service another banner day. You are cordially invited to attend all services.
Sunday School 10:00 A. M.
Preaching Services 11:00 A. M. and 7:30 P. M.
W. M. S. meets each Monday afternoon at 2:30.
Leagues 6:45 P. M.
Special music at all services. Orchestra to assist in the music. At the evening services we have thirty or forty minutes of singing before the service. If you love music you'll enjoy this occasion. Don't forget the date and place, Sunday March 12, Main Street.—Sam A. Thomas, Pastor.

OUT AND IN

Mr. Hoover steps out. Mr. Roosevelt steps in—and the sun still continues to shine.
Republican office holders will soon step out, and democratic officials will replace them—and the sun will not hide its head.
As a matter of fact, this terrible spectre of a change in administration doesn't amount to much after all. Political chieftains and their followers can not change the seasons. The bright rays of the sun do not come at their will. Moisture does not materialize at their beck and call, and the waving of a party wand will not cause crops to sprout and mature and ripen for the market.
God, aided by the labor of man, takes care of these things, and God is not a politician.
We are thankful that it is so.

MINNESOTA GREAT STATE SAYS WELLS

How many people know that Lindbergh, Kellogg, Sinclair Lewis and Galli-Curci are natives of Minnesota and that this unusual state of more than 11,000 lakes was visited in 1362 by Viking explorers, hundreds of years before Raddisson, LaSalle and Marquette were born?
The foregoing are but a few of the unusual facts about the "gopher" state to be presented to radio fans throughout the nation by Carveth Wells, Continental Oil Company radio entertainer, in his regular Wednesday night broadcast on Mar. 15.

To provide historical spice, Wells resurrects the ghost of Hiawatha and learns why this great war chief deserted his people.

The Conoco program may be heard by local listeners who tune in on stations WFAA, Dallas, 9:30-10:00; or WOAI, San Antonio, 9:30-10:00 Wednesday night.

The country is full of wise people who are letting the foolish ones do most of the talking.

NOT TOO LATE TO START YARD BEAUTIFICATION

College Station—March is not too late to start making a beautiful lawn, according to the records of 1932 home demonstration club women and girls who made this improvement in their farm yards last year. Plowing, manuring, levelling and watering are the necessary steps before transplanting bermuda or other grass roots, say Extension Service authorities at Texas A. and M. College. They point out, however, that drawing a complete landscaping plan should be the first step in any yard improvement in order that a harmonious effect may be produced, and nothing done that will later have to be done over. Often it is necessary to remove some of the trees and shrubs and flower beds which sometimes dot a yard because the beauty of a lawn depends on an unbroken expanse of grass.

Yards were beautified by 6850 women and girls in home demonstration clubs in Texas in 1932, according to reports of county home demonstration agents. Chief among the improvements were lawns, doorsteps and foundation plantings, screen and border plantings, and the making of rose gardens. Improvements cost an average of \$1.13 per yard.

FRIENDSHIP NEWS

The Friendship Home Demonstration club held its regular meeting, March 3, at the church. There were eight members present and one new one. Mrs. Boyd gave a demonstration on peanut butter making. It was decided to have a pie supper, an old time spelling match, and a musical. This entertainment is to raise money for the club. Everybody come, enjoy the music, and help the club. This will be held Saturday night, March 11.

Miss Alta Mae Hicks was hostess to a large group of people who gathered at her home on Thursday evening March 2 for the purpose of giving Mr. and Mrs. Robert DeLoach a household shower. Useful gifts were presented. Everyone enjoyed the music and games. At a late hour refreshments were served.

Come to Friendship church Saturday night March 11, enjoy the good music and pie supper.

BLUEBONNET CLUB

The Bluebonnet Home Demonstration club met Thursday March 2, in the home of Mrs. C. M. Crawford. There were seventeen members and seven visitors present. Mrs. Henry Meyer and Mrs. Crawford were leaders of the program on "County Government." Everyone enjoyed the lesson they brought.

Mrs. Crawford being the ward robe demonstrator, gave a demonstration on how to utilize space in our wardrobes, also, how to finish rugs and quilts for exhibitions. Refreshments consisting of a salad course, cocoa and cookies were served by the hostess.

Our next meeting will be with Mrs. Manry Brantley, Mar. 16.—Reporter.

Mr. John McMurtry, of Muleshoe, was visiting and attending to business matters in Sudan Tuesday.

Mr. and Mrs. Porter Earnest and Mr. and Mrs. A. E. Copeland are visiting their son and brother, Archie Copeland and wife in Memphis this week.

BRICKBATS ON THE MOVE

Already some of our editorial wisecrackers are throwing political brickbats at Mr. Roosevelt's cabinet.

When the brickbats come from republican sources we liken the throwers to the ill tempered bad boy who kicks the family cat. If the throwers are democrats (and some of them are) we are reminded of the doting mother who declared that all of the soldiers in a company were out of step except her Johnny. Mr. Roosevelt should have selected the brickbat throwers instead of those he chose for cabinet positions.

The complaint is made that there is hardly an outstanding man of "national prominence" in the list, that they are all practically unknown in national politics. But perhaps it is just as well. Men of "national importance" have managed our affairs for many years, and have made a sorry mess of it.

When a farmer finds that his cattle are becoming infested with ticks he gives them a bath, gets rid of the ticks. It is better for the cattle, not so good for the ticks.

This country is afflicted with too many men of "national importance," too many ticks. Mr. Roosevelt may prove wise in his day, sagacious enough to scrape off the political ticks and give the old star spangled critter a chance to thrive.

The country at least will not be afflicted with tick fever.

ANTON BAND TO GO TO FAT STOCK SHOW

The Anton Gypsy Band, Official Band of the West Texas Chamber of Commerce, will be in Fort Worth for the Southwestern Exposition and Fat Stock Show, March the 16 and 17.

This Band is one of the best in the State and is very well known over West Texas, having appeared in almost every town in West Texas within the past few months.

The Gypsy Costume adopted by this Band is the most colorful uniform in the State and rivals the Simmons Cowboy Band in attractiveness and uniqueness; this Band is really a show when marching and on concert.

This Band will give a concert program in the Arena at the Exposition on the night of the 16th preceding the Rodeo events and the management is expecting a packed house.

WORTH GROCERY FOR-MAL OPENING SATURDAY

According to announcement in their advertisement in this issue of the News, the Worth Grocery will have its formal opening on Saturday of this week. This firm is offering some mighty good bargains in standard brand groceries, and they invite you to visit their store.

There will be six fine prizes offered and given away on the opening day. The Worth Grocery is located in the Grissom building, formerly occupied by the Boyd Feed Store.

COMMISSIONER DANIEL EMPLOYES 15 MEN

On Saturday of last week Commissioner C. A. Daniel called out fifteen men and put them to work on the county road. This was a relief move and is commendable on the part of Mr. Daniel. We are not informed as to the extent of this work, but, it is the opinion of the citizens that this work should be continued indefinitely, or until other work develops.

TOWN and COUNTY

Mr. and Mrs. Ed West, Mrs. Dilmond Neumeyer, Miss Mayme Cox, Miss Ona Fae Smith and Mr. Herman Troutman, all of Dimmitt, were pleasant callers in the home of Rev. and Mrs. Sam A. Thomas Sunday afternoon. All remained for the night service.

Mr. and Mrs. J. C. Barron, and Mr. and Mrs. F. C. Miller were in Lubbock Tuesday visiting and shopping.

Mr. and Mrs. E. J. Stone, and children, Joyce and Jack, and George Weimhold spent the week-end in Lubbock with Mr. Stone's sister and family, while George Weimhold visited with her brother and sister, Forrest and Frances, who are attending school there.

W. E. Halsell and son Ewing, who are visiting the Spring Lake ranch, were shaking hands with friends in Sudan, Tuesday.

Mrs. D. R. McLarty, Mrs. Marvin McLarty, Mrs. Jack McLarty, Mrs. Herbert Teal, Mrs. Joe T. Salem and Miss Ann King were among those from Sudan who attended the Beauty Pageant held in Lubbock at the Lindsey Theatre.

Mr. and Mrs. Sam Saunders and children spent Sunday in Slaton with Mr. Saunders father who has been confined to his bed. They report that the elderly Mr. Saunders is now able to be up, although very weak.

Mrs. W. J. Chesher and parents, Mr. and Mrs. Stagner of Oklahoma City, were guests of Mr. and Mrs. G. W. Chesher, Tuesday.

Mr. and Mrs. Don Boyles and Clark Boyles of Lubbock visited their sister, Mrs. Ves Terry and family this week.

Mr. and Mrs. H. G. Ramby were in Olton Tuesday.

Mr. and Mrs. E. R. Haney attended court at Olton Tuesday.

WHERE WILL THEY GO?

We sometimes wonder what kind of punishment will be meted out in the next world to all of these gangsters, and assassins, and kidnapers, and especially to our army of gilded crooks in big business and high finance. Of the entire lot we believe those in the latter two categories are the worst.

We know Satan is a wily old boy, presumably quite able to protect himself from his slimy subjects, but it is possible that even he has his limitations.

Corrupt judges, and shyster lawyers, and complacent sheriffs and police officers, and slippery politicians might not cause him any great concern.

But can he protect himself from our ingenious underworld characters, who defy 120,000,000 honest and respectable people? Wouldn't the crooks in big business and high finance, with all of their vast and varied experience, denude him of his horns and all else that he possesses? Wouldn't these sharks even grab off his own pitchfork and use it to compel him to dance to their music?

And are there any fires in hell hot enough to singe the elephantine hides of these yltures?

There is no place in heaven for them, and we don't believe the devil would have courage to admit them to hell.

Their final disposition is a problem too deep for us.

TAXPAYERS LEAGUE HOLD MEETING

That the Sudan School District Taxpayer's League has caused wide spread interest was evidenced at its meeting on Tuesday night of this week. A complete report will be given next week, as it was impossible for the editor to attend this meeting on account being behind with work in the office.

RFC RELIEF DELAYED

According to information received at this office the RFC relief funds have been delayed, occasioned by the banking holidays. But it is our understanding that this money has been allotted Texas and that within the next few days the West Texas Chamber of Commerce will distribute checks covering March allotment. Probably sometime next week work will start again and another block of main street will be paved.

TRADES-SALES DAY DRAWS BIG CROWD

Farmers from all parts of Lamb and Bailey counties were here Monday to attend the Sudan Trades-Sales day. Much trading was done and the merchants report a good business despite the banking holidays. These first Monday Trades-Sales days will grow in popularity, and as time passes Trades-Sales day will be looked forward to with much interest.

Sudan is looking for you on this day and the merchants invite you to buy and sell in Sudan.

LAMB COUNTY COUNCIL

The Lamb County Council of Parent-Teacher Associations met in its regular quarterly meeting on Saturday, March 4th, at Sudan. About seventy-five representatives from the county, Littlefield, Amherst, Spring Lake, Spade, Olton and Sudan, enjoyed an enthusiastic meeting. Pending legislation at Austin which concerns schools was discussed and officers for the coming year were elected as follows: President, Mrs. Roy McQuarters, Spade; Vice-president, Mrs. Marvin McLarty, Sudan; Secretary, Mrs. Cloninger, Littlefield; Treasurer, Mrs. Drake, Spring Lake; Reporter, Mrs. S. D. Hay, Olton.

The "school beautiful" contest is to be continued for the summer and all schools are urged to enter now and compete for the loving cup which is to be given to the winner.

A number of readings given by Sudan talent, were greatly enjoyed and twenty-five ladies, members of the Ladies Choral Club of the Amherst P. T. A. gave a beautiful musical number which inspired the rest of the council to "go home and urge our P. T. A. to sing."

After the program a social hour was indulged in and the home economics girls served punch and cake to all. The next meeting will be held at Spade School House on Saturday, June 3rd., at 2:30. Keep the date in mind.

Mr. and Mrs. E. E. Benton, of Tipton, Oklahoma, were attending to business matters in Sudan Friday. While here they were guests of Mr. and Mrs. J. K. Kerr, who were neighbors of Mr. and Mrs. Benton while they were located in Tipton.

Prizes for Saturday were awarded as follows: C. L. McKinley, \$3.00; J. W. Hanna, \$2.00; J. W. Moore, \$1.00; W. F. Lynch, \$1.00; Mrs. Payne, \$1.00; A. E. Wiseman, \$1.00; J. D. Sebring, \$1.00.

CONVENTIONS TO BE NUMEROUS

Austin, Texas, Feb.—Conventions of state or national interest will be numerous this spring at The University of Texas, when that institution will be joint host with the city of Austin to an even dozen meetings.

The Texas Conference on Child Health Protection will convene February 9, 10 and 11. The Texas Press Association will convene February 10 and 11, with Prof. Paul J. Thompson,

chairman of the department of journalism, on the program. He will speak on "Radio Broadcasting as a Competitor of Newspaper Advertising."

Hi-Y clubs of Texas will meet February 24, and the State-wide Older High School Boys' Conference convenes February 24, 25 and 26. One thousand boys from different towns in the State are expected to attend. "Youth Choosing a Life Work" will be the theme of the conference.

The State Interscholastic League basketball tournament with fourteen teams participating will be held March 10 and 11.

The Athletic Conference of American College Women meets April 18, 19 and 20. The conference is composed of women from leading universities and colleges in the country.

The Fourth Annual Round-Up and fiftieth anniversary of the University will be observed April 28, 29 and 30 with hundreds of former students returning for the celebration.

May 4, 5, and 6, are the dates for the State Meet of the Inter-

scholastic League. The Interscholastic League Press Conference is also scheduled to convene at the University in the spring.

DOCTOR LOSES HOGS

There seems to be an organized gang of thieves operating in this county that are stealing everything that they can lay their hands on. Dr. Jordan had the misfortune to lose a large herd of nice hogs last week, about forty head in all. This is very unfortunate and it is hoped that the guilty parties will be brought to justice and get the punishment that is due them. This gang of thieves needs to be broken up.—Cochran County News.

DISTRICT 2 LEAGUE MEET DATE IS SET

Lubbock.—Dates for the eighth annual District No 2 Interscholastic League meet at Texas Technological College were announced as Friday and Saturday, April 14 and 15, by Dr. Arthur W. Evans, director general.

Counties comprising the group and to which invitations have been sent are Andrews, Bailey, Cochran, Crosby, Dawson, Dickens, Floyd, Gaines, Garza, Hale, Hockley, Terry and Yoakum.

About the usual number of entries are expected this year. Dr. Evans said.

An added feature this year would be the annual show of the school of engineering. Dr. Evans stated. It will be held on the same dates as the league meet.

Directors of the contests are: Dr. William A. Jackson, debate; prof. J. T. Shaver, senior declamation; Prof. R. A. Mills, essay writing; Del Morgan, athletics; Miss Ruth Pirtle, extemporaneous speaking; Miss Annah Jo Pendleton, one-act play; Prof. W. R. Waghorne, music memory; Miss Mamie Wolfarth, typewriting, and Prof. F. A. Kleinschmidt, art.

DR. KNAPP DEFINES THE ELEMENTS OF EDUCATION

Lubbock, Texas.—Elements of good education, according to President Bradford Knapp of Texas Technological College are:

1. Knowledge of and skill in the use of the English language.
2. A good knowledge of the history of our civilization.
3. A thorough understanding of our government.
4. Training in economics and

sociology.

5. Some knowledge of health, hygiene, food, nutrition, diseases and their prevention.

6. Some subject should be taken for their cultural value in the development of individual knowledge and appreciation of art, literature foreign languages, and the esthetic side of life.

7. Training for a definite life work, in some technical pursuit or professional line which will fit the student to perform service in an organized society.

BURSTING OF GUN FIRED IN SCHOOL PLAY KILLS GIRL, 15, FRIDAY NIGHT

Mary Lee Turner, 15, of Lamesa, was killed Friday night while performing in a school play 16 miles north of Lamesa, when a shotgun used in a play was fired and the barrel burst. Part of the barrel entered her body, lodging near her heart. The gun was fired by Millard Webb, principal of the school, at the end of an act in the play. The gun was loaded with blank shells which were filled with soap.

Mary Lee was the daughter of Mr. and Mrs. W. H. Turner, longtime residents of Lamesa.

FEEDING AND GRADING BROUGHT TURKEY PROFITS

College Station.—Because they balanced their turkey rations by feeding mash, prevented worm outbreaks, and graded carefully to get top prices, 983 farmers and club boys cooperating with Texas county agents in turkey demonstrations made an average profit last season of 93 cents per bird. There were 137,039 turkeys in these flocks, according to Paul Cunyus, assistant poultry husbandman in the Extension Service at Texas A. and M. College, and 93 per cent of them sold as No. 1 birds. Profits were less than half those of demonstrators of the preceding year due to an extreme drop in price, he says, but were decidedly higher than the average of the State.

WORLD WAR VETERANS TO MEET IN AMARILLO

Amarillo, March.—The largest assemblage of World War veterans the Panhandle has witnessed in recent years is expected here on Friday, March 17, when National Commander Louis A. Johnson comes to this city.

Hanson Post, American Legion is preparing to make this a gala day, with the expectation that more than 100 Legion Posts of this territory will be strongly represented.

The National Commander will arrive about noon and will be met here by State Commander Carl Nesbitt and other high ranking officers of the Legion. His arrival will be signalized by a parade through the business district, with bands, Legion drum corps, the high school cadet corps and other appropriate units in line.

In the evening, Commander Johnson will speak at the Municipal Auditorium, which seats 2,800 and will accommodate 3,500 on the principles and policies of the American Legion. All citizens interested in first-hand information as to the Legion's aims and ideals are invited to hear this address. It will also be broadcast jointly by stations WDAG and KGRS (1410 kilocycles), beginning at 8:30 P. M.

After the speaking, all visiting Legionnaires and their ladies are invited to be guests of Hanson Post at a reception and dance in the Legion clubrooms in the north wing of the Auditorium.

FOXWORTH-CALBRAITH LUMBER CO. COMPANY

Mother of 7—Still Young

THE woman who gives her organs the right stimulant need not worry about growing old. Her system doesn't stagnate; her face doesn't age. She has the health and "pep" that come from a lively liver and strong, active bowels. When you're sluggish and the system needs help, don't take a lot of "patent medicines." There's a famous doctor's prescription for just such cases, and every druggist keeps this standard preparation. It is made from fresh laxative herbs, active senna, and pure pepsin. Just ask for Dr. Caldwell's syrup pepsin. Take a little every day or so, until every organ in your body feels the big improvement. The next time you have a bilious headache, or feel all bound-up, take this delicious syrup instead of the

usual cathartic. You'll be rid of all that poisonous waste, and you haven't weakened the bowels. You'll have a better appetite, and feel better in every way. The constant use of cathartics is often the cause of a sallow complexion and lines in the face. And so unnecessary! Would you like to break yourself of the cathartic habit? At the same time building health and vigor that protects you from frequent sick spells, headaches, and colds? Get a big bottle of Dr. Caldwell's syrup pepsin today. Use often enough to avoid those attacks of constipation. When you feel weak and run-down or a coated tongue or bad breath warns you the bowels need to be stimulated. Give it to children instead of strong laxatives that sap their strength. It isn't expensive.

Editorial

Are we all looking on the bright side of life? Of course, there are blue days and then again there are bright sunny days. The same applies to people. There are some folks who always see the dark side of every question; while there are others who can see the bright side. There is an old saying that every cloud has its silver lining.

If students of Sudan High want the best school possible, they must take on a wholesome attitude toward all school activities. We believe that this atmosphere is prevalent in our student body. We think we have the finest school possible for us to have and that we should justly feel proud of its progress.

Students, the people of the town and community are interested in you. Your cooperation makes this school a shining spot in the entire district. It just takes a good sport to line up for the best interests of all instead of a few. Sportsmanship is based on general good will and ability.

The Senior Party

The Seniors were entertained Friday night at Lela Burnham's home. A number of interesting games were played and enjoyed by all. Several mystery stories were told by Miss Sikes which kept the group mystified. Refreshments were served to following: Marjorie Alderson Bonds, Myrtle McLarty, Sophia ham, Frances Brewster, Juanita Bonds, Myrtle McLarty, Sophia Salem, Ben O'Keefe, Willie Mae Clements, Juanita Pierce, Eloise Weeks, Bernice Brothers, Winfred Wells, Doyle Baccus, Har-

land Barnes, James Ivey, Wayman Gordon, Edgar White, Radney Nichols, Mr. Smith, Miss Bobo and Miss Sikes.

Assembly Program

The assembly program last Wednesday was furnished by the debaters both boys and girls who will represent us in the County Tournament. They debated on the question which will be debated at the county meet which is: "Resolved, that at least one-half of all state and local revenue in Texas should be derived from sources other than taxes on tangible property." The girls, Frances Brewster and Myrtle McLarty, had the affirmative and the boys, James Ivey and Bernice Brothers had the negative. The affirmative won by several points.

Extemporaneous speeches were also given by Mary Luttrell and Arlie Beggs.

Athletics

Basketball season is over and the boys have started track and the girls have started volleyball. Miss Lewis is eliminating the volley ball girls down to the first and second teams this week.

The grade school boys are playing basketball and have started track also. They have beaten high school several times this week in basketball. The grade school girls are playing Volley ball also. They played high school Monday in a practice game.

Tennis is also proceeding in a 'big' way. Miss Reeves is the tennis coach and is a great influence to the tennis players.

HAMS AND BACONS TO BE SOLD AT MEAT SHOW, 23-24

Lubbock.—"Good ole Ham," like "papa" used to have, will be available for sale at the Quality Meat Show at Lubbock March 23 and 24, this year.

From 150 to 200 hams and about the same number of bacons, country cured, under the standerd principles indorsed by the Texas A. & M. College, will go into a sale at the show. Hams and bacons, to qualify for the sale, must pass inspection of Roy W. Snyder, Meats Specialist, of the Texas Extension Service and be pronounced a standard product. The hams and bacons will be wrapped with ham rag, glassine and vegetable parchment paper, the same as any packer ham and will bear the standerd label, "South Plains Ham" and South Plains Bacon.

Heretofore, only a limited number of hams and bacons have been available for sale, but due to the heavy demand at both the first show in 1931 and the second show in 1932, exhibitors of those years have prepared for this third show, and will come here with plenty of meat to sell.

Regular market prices will be charged for the hams and bacons, the market on country cured meats being slightly higher than the premium packed hams.

The hams and bacons winning first, second and third places in the show, will be sold in the auction sale with the calves and pigs on the afternoon of March 24. Last year, the grand champion ham was brought by the Garner for President Club at one dollar per pound and was then shipped to John Garner at Washington where a feed was prepared for the Texas delegation at the National Capitol with turnip greens on the side. —Garnet Reeves, Publicity Mgr., Lubbock Chamber of Commerce.

WE ARE NEEDING FEED AND FOOD

Many of our subscribers have brought in farm products to apply on their subscriptions and are in good standing with the News. But there are many more who are behind in their subscriptions, and could help the editor out considerably at this time by bringing in some of the surplus farm produce. We can use thrashed grain, corn, wheat, hogs, calves, cows, in fact anything but goats. We have no use for goats.

At this time the payment of subscriptions would be a big help to us as we are improving our establishment and naturally need something in the way of cash or supplies, to pay the boys who are doing the work.

Come along and see how many of our delinquent subscribers can pay up in the next ten days.

PUNY PUNS

Most anyone (?) can be a country newspaper editor. All the editor has to do (?) is sit at a desk six days of each week, four weeks of each month, twelve months of the year, and edit such stuff as this:

"Mrs. Mit Hare, of Farmer, let a can opener slip last week

and cut herself in the pantry." "A mischevious lad of Sudan threw a stone and struck Mr. Ward in the alley last Tuesday." "Mr. Herbert Teal climbed on the roof of his house last week looking for a leak and fell, striking himself on the back porch."

"While a young man was escorting a Sudan young lady home from a party Saturday night, a savage dog attacked them and bit the young man several times on the public square."

"Lewis Ritchey playing with a cat Friday morning when it scratched him on the veranda." "Mr. Joe Moore, while harnessing a bronch last Monday was kicked just south of the corn crib."

In some cases, like the News office, this matter usually goes to the machine operator (in the rough) just as it comes in. This will explain why the operator seems out of sorts and "sorta" nervous when some one is looking on.

STATE SENATE, STRUGGLING TO INCREASE REVENUES WITHOUT ADDING TO BURDEN TAXPAYER

Austin, Tex.—The state senate, struggling for ways to increase revenues without adding to the burden of the taxpayer, soon will have its chance at a "windfall" of \$4,000,000 in added income yearly. This windfall is the Metcalfe bill, which passed the house by the overwhelming vote of 119 to 8, and which puts teeth in the enforcement of the state gasoline tax.

The measure is the outgrowth of complaints by State Comptroller George Sheppard, who has estimated that racketeers who evade the gas tax are robbing the state of millions each year because of inadequate provisions for enforcement in the present law.

Under the new bill the comptroller will be able to employ an adequate collection force, all gasoline carriers must be labeled, all adulterated or blended motor fuel must be labeled as such, and violation is made a felony.

"During debate in the house," said a statement of the Texas Good Roads Association today, it was frequently stated, and not disputed, that the state is losing at least \$4,000,000 in gas tax revenue through the enormous and varied bootleg racket which finds vast profit in evading a high tax.

"What a hue and cry would be raised if yeggs broke into the state treasury in the night and made off with \$4,000,000! We would call out the dogs, organize score on score of posses, and neither eat nor sleep until the thieves had been caught. Yet robbery on this scale happens every year through organized, cunning racketeers who evade the gas tax.

"Not alone do the highways lose by this. One-fourth of this stolen tax money, or \$1,000,000, is lost to the common school and every year. Translate that into actual work, and you find it would pay the \$17.50 per capita allotment on over 57,000 children, or the yearly salaries of 1,000 teachers, or the \$1.43 free textbook allowance for 700,000 boys and girls.

"Another \$1,000,000 is lost to

the fund from which the state is now beginning to pay off outstanding county highway bonds. Here again, recovery of the money is vital, for the money now appropriated for the this purpose is not adequate to cover the entire amount this year, and a portion of the sinking fund charges is falling back upon the counties. Every citizen who pays county taxes is therefore affected in some degree.

"The remaining \$2,000,000 is, of course, lost to the highway fund; and everyone of the State's 1,250,000 motorists is vitally interested in this money. With highway funds radically reduced this year, only about \$7,000,000 of state money is expected to be available for new roads, and the recovery of this much bootleg revenue would add about 200 miles of new

construction on Texas' 9,000 miles of unpaved state highways."

Miss Charlsie Vereen and Miss Lillian Hunt and Eldon Nichols attended the Beauty Pageant at Lubbock Friday night, where Miss Hunt entered as "Miss Lamb County."

Misses Mary Vereen and Arlene Wyatt accompanied Mrs. G. D. Sharrock to Lubbock, Friday evening where they all attended the Beauty Pageant held at the Theatre.

Mr. and Mrs. Ed Aryain and children were visiting in Littlefield Sunday.

BANKS TO RE-OPEN FRIDAY MORNING

Notices have been sent out to all banks to reopen for business Friday morning. Banks will be restricted in withdrawals, but other matters will be carried on just about the same as usual with few exceptions. All business seems to have taken a turn upward and the closing of the banks have helped to re-establish confidence, and it is our opinion that from now on there will be a gradual improvement in all lines of business.

SUMMARY OF FEDERAL BANKING REGULATIONS

Washington, March 7.—A summary of the regulations thus far issued by the secretary of the Treasury follows:

1. Authorizes banks and reserve banks to make change, but withholds gold or gold certificates.
2. Opens safe deposit boxes and safes.
3. Permits return of cash, checks, etc., which are unentered, received after last closing of business hours.
4. Permits cashing of government checks but withholds gold and gold certificates.
5. Permit a bank to accept payments due it or through it.
6. Permits banks to carry on business essential to movement of food.
7. Permits any bank to reopen to carry on unrestricted business in new accounts.
8. Permits completion of check transactions made on or before March 4 but withholds payment of money.
9. Permits banks to release securities and documents held in safe keeping.
10. Permits usual banking practices which involve medicine, other necessities of life, distress relief and other essential purposes, with restrictions on hoarding, withholding gold and gold certificates.
11. Permits banks to deposit collateral to secure advances to foreign branches, withholding transfer of credit form this country.
12. Permits issuance of clearing house scrip.
13. Permits normal fiduciary practices but denies withdrawal of trust funds from other bank departments.
14. Permits Reserve Banks to conduct normal functions as federal fiscal agents in exchanging government securities.

MONEY RELEASED!

Secretary of Treasury Woodin today issued another regulation concerning the banking situation as follows:

"The permission granted in regulation No. 7 that deposits heretofore received by any banking institution pursuant to any agreement or legislative authority providing for segregation and repayment without restriction may be paid on demand, includes any bank in which any such deposits have been redposited by or on behalf of the receiving bank in accordance with such agreement or legislative authority."

LADIES' BIBLE CLASS

The Ladies' Bible Class of Church of Christ met with Mrs. Phillips at 2:30 Tuesday afternoon.

There were 15 ladies present and the hostess. Everyone took an active part in the lesson. Much interest was manifested. The leader for the afternoon was Mrs. Townsend. Mrs. Foster led the devotional.

The class will meet with Mrs. Briscoe next Tuesday. The lesson will be found in the 13th chapter of Isa., and Dan. Chapter 1 and 2. Everyone come.

METHODIST CHURCH NOTES

"Better Days Ahead," is the slogan of the national government. We are glad the Methodist church at Sudan is in line with the government. We too, are expecting better days. Quite a bit of improvement is being made within the church which will greatly help in our Sunday School program. New rooms are being added and also a study for the pastor. When we have completed our move and improvements, we will be in fine condition to take care of our large attendance. Our new location will add to our convenience in every way. We especially invite your attendance next Sunday. Subject Sunday morning, "The Christian Home." I want to urge every Father and Mother to be present and bring the children. It is "family day" Lets make the first service another banner day. You are cordially invited to attend all services.

Sunday School 10:00 A. M. Preaching Services 11:00 A. M. and 7:30 P. M.

W. M. S. meets each Monday afternoon at 2:30.

Leagues 6:45 P. M.

Special music at all services. Orchestra to assist in the music. At the evening services we have thirty or forty minutes of singing before the service. If you love music you'll enjoy this occasion. Don't forget the date and place, Sunday March 12, Main Street.—Sam A. Thomas, Pastor.

OUT AND IN

Mr. Hoover steps out. Mr. Roosevelt steps in—and the sun still continues to shine.

Republican office holders will soon step out, and democratic officials will replace them—and the sun will not hide its head.

As a matter of fact, this terrible spectre of a change in administration doesn't amount to much after all. Political chiefs and their followers can not change the seasons. The bright rays of the sun do not come at their will. Moisture does not materialize at their beck and call, and the waving of a party wand will not cause crops to sprout and mature and ripen for the market.

God, aided by the labor of man, takes care of these things, and God is not a politician.

We are thankful that it is so.

MINNESOTA GREAT STATE SAYS WELLS

How many people know that Lindbergh, Kellogg, Sinclair Lewis and Galli-Curci are natives of Minnesota and that this unusual state of more than 11,000 lakes was visited in 1362 by Viking explorers, hundreds of years before Raddisson, LaSalle and Marquette were born?

The foregoing are but a few of the unusual facts about the "gopher" state to be presented to radio fans throughout the nation by Carveth Wells, Continental Oil Company radio entertainer, in his regular Wednesday night broadcast on Mar. 15.

To provide historical spice, Wells resurrects the ghost of Hiawatha and learns why this great war chief deserted his people.

The Conoco program may be heard by local listeners who tune in on stations WFAA, Dallas, 9:30-10:00; or WOAL, San Antonio, 9:30-10:00 Wednesday night.

The country is full of wise people who are letting the foolish ones do most of the talking.

NOT TOO LATE TO START YARD BEAUTIFICATION

College Station—March is not too late to start making a beautiful lawn, according to the records of 1932 home demonstration club women and girls who made this improvement in their farm yards last year. Plowing, manuring, levelling and watering are the necessary steps before transplanting bermuda or other grass roots, say Extension Service authorities at Texas A. and M. College. They point out, however, that drawing a complete landscaping plan should be the first step in any yard improvement in order that a harmonious effect may be produced, and nothing done that will later have to be done over. Often it is necessary to remove some of the trees and shrubs and flower beds which sometimes dot a yard because the beauty of a lawn depends on an unbroken expanse of grass.

Yards were beautified by 6850 women and girls in home demonstration clubs in Texas in 1932, according to reports of county home demonstration agents. Chief among the improvements were lawns, doorsteps and foundation plantings, screen and border plantings, and the making of rose gardens. Improvements cost an average of \$1.13 per yard.

FRIENDSHIP NEWS

The Friendship Home Demonstration club held its regular meeting, March 3, at the church. There were eight members present and one new one. Mrs. Boyd gave a demonstration on peanut butter making. It was decided to have a pie supper, an old time spelling match, and a musical. This entertainment is to raise money for the club. Everybody come, enjoy the music, and help the club. This will be held Saturday night, March 11.

Miss Alta Mae Hicks was hostess to a large group of people who gathered at her home on Thursday evening March 2 for the purpose of giving Mr. and Mrs. Robert DeLoach a household shower. Useful gifts were presented. Everyone enjoyed the music and games. At a late hour refreshments were served.

Come to Friendship church Saturday night March 11, enjoy the good music and pie supper.

BLUEBONNET CLUB

The Bluebonnet Home Demonstration club met Thursday, March 2, in the home of Mrs. C. M. Crawford. There were seventeen members and seven visitors present. Mrs. Henry Meyer and Mrs. Crawford were leaders of the program on "County Government." Everyone enjoyed the lesson they brought.

Mrs. Crawford being the ward robe demonstrator, gave a demonstration on how to utilize space in our wardrobes, also, how to finish rugs and quilts for exhibitions. Refreshments consisting of a salad course, cocoa and cookies were served by the hostess.

Our next meeting will be with Mrs. Manry Brantley, Mar. 16.—Reporter.

Mr. John McMurtry, of Muleshoe, was visiting and attending to business matters in Sudan Tuesday.

Mr. and Mrs. Porter Earnest and Mr. and Mrs. A. E. Copeland are visiting their son and brother, Archie Copeland and wife in Memphis this week.

BRICKBATS ON THE MOVE

Already some of our editorial wisecrackers are throwing political brickbats at Mr. Roosevelt's cabinet.

When the brickbats come from republican sources we liken the throwers to the ill tempered bad boy who kicks the family cat. If the throwers are democrats (and some of them are) we are reminded of the dotting mother who declared that all of the soldiers in a company were out of step except her Johnny. Mr. Roosevelt should have selected the brickbat throwers instead of those he chose for cabinet positions.

The complaint is made that there is hardly an outstanding man of "national prominence" in the list, that they are all practically unknown in national politics. But perhaps it is just as well. Men of "national importance" have managed our affairs for many years, and have made a sorry mess of it.

When a farmer finds that his cattle are becoming infested with ticks he gives them a bath, gets rid of the ticks. It is better for the cattle, not so good for the ticks.

This country is afflicted with too many men of "national importance," too many ticks.

Mr. Roosevelt may prove wise in his day, sagacious enough to scrape off the political ticks and give the old star spangled critter a chance to thrive.

The country at least will not be afflicted with tick fever.

ANTON BAND TO GO TO FAT STOCK SHOW

The Anton Gypsy Band, Official Band of the West Texas Chamber of Commerce, will be in Fort Worth for the Southwestern Exposition and Fat Stock Show, March 16 and 17.

This Band is one of the best in the State and is very well known over West Texas, having appeared in almost every town in West Texas within the past few months.

The Gypsy Costume adopted by this Band is the most colorful uniform in the State and rivals the Simmons Cowboy Band in attractiveness and uniqueness; this Band is really a show when marching and on concert.

This Band will give a concert program in the Arena at the Exposition on the night of the 16th preceding the Rodeo events and the management is expecting a packed house.

WORTH GROCERY FORMAL OPENING SATURDAY

According to announcement in their advertisement in this issue of the News, the Worth Grocery will have its formal opening on Saturday of this week. This firm is offering some mighty good bargains in standard brand groceries, and they invite you to visit their store.

There will be six fine prizes offered and given away on the opening day. The Worth Grocery is located in the Grissom building, formerly occupied by the Boyd Feed Store.

COMMISSIONER DANIEL EMPLOYES 15 MEN

On Saturday of last week Commissioner C. A. Daniel called out fifteen men and put them to work on the county road. This was a relief move and is commendable on the part of Mr. Daniel. We are not informed as to the extent of this work, but, it is the opinion of the citizens that this work should be continued indefinitely, or until other work develops.

TOWN and COUNTY TAXPAYERS LEAGUE HOLD MEETING

Mr. and Mrs. Ed West, Mrs. Dilmond Neumeyer, Miss Mayme Cox, Miss Ona Fae Smith and Mr. Herman Troutman, all of Dimmitt, were pleasant callers in the home of Rev. and Mrs. Sam A. Thomas Sunday afternoon. All remained for the night service.

Mr. and Mrs. J. C. Barron, and Mr. and Mrs. F. C. Miller were in Lubbock Tuesday visiting and shopping.

Mr. and Mrs. E. J. Stone, and children, Joyce and Jack, and George Weimhold spent the week-end in Lubbock with Mr. Stone's sister and family, while George Weimhold visited with her brother and sister, Forrest and Frances, who are attending school there.

W. E. Halsell and son Ewing, who are visiting the Spring Lake ranch, were shaking hands with friends in Sudan, Tuesday.

Mrs. D. R. McLarty, Mrs. Marvin McLarty, Mrs. Jack McLarty, Mrs. Herbert Teal, Mrs. Joe T. Salem and Miss Ann King were among those from Sudan who attended the Beauty Pageant held in Lubbock at the Lindsey Theatre.

Mr. and Mrs. Sam Saunders and children spent Sunday in Slaton with Mr. Saunders father who has been confined to his bed. They report that the elderly Mr. Saunders is now able to be up, although very weak.

Mrs. W. J. Chesher and parents, Mr. and Mrs. Stagner of Oklahoma City, were guests of Mr. and Mrs. G. W. Chesher, Tuesday.

Mr. and Mrs. Don Boyles and Clark Boyles of Lubbock visited their sister, Mrs. Ves Terry and family this week.

Mr. and Mrs. H. G. Ramby were in Olton Tuesday.

Mr. and Mrs. B. R. Haney attended court at Olton Tuesday.

WHERE WILL THEY GO?

We sometimes wonder what kind of punishment will be meted out in the next world to all of these gangsters, and assassins, and kidnapers, and especially to our army of gilded crooks in big business and high finance. Of the entire lot we believe those in the latter two categories are the worst.

We know Satan is a wily old boy, presumably quite able to protect himself from his slimy subjects, but it is possible that even he has his limitations.

Corrupt judges, and shyster lawyers, and complacent sheriffs and police officers, and slippery politicians might not cause him any great concern.

But can he protect himself from our ingenious underworld characters, who defy 120,000,000 honest and respectable people? Wouldn't the crooks in big business and high finance, with all of their vast and varied experience, denude him of his horns and all else that he possesses? Wouldn't these sharks even grab off his own pitchfork and use it to compel him to dance to their music?

And are there any fires in hell hot enough to singe the elephantine hides of these yultures?

There is no place in heaven for them, and we don't believe the devil would have courage to admit them to hell.

Their final disposition is a problem too deep for us.

TOWN and COUNTY TAXPAYERS LEAGUE HOLD MEETING

That the Sudan School District Taxpayer's League has caused wide spread interest was evidenced at its meeting on Tuesday night of this week. A complete report will be given next week, as it was impossible for the editor to attend this meeting on account being behind with work in the office.

RFC RELIEF DELAYED

According to information received at this office the RFC relief funds have been delayed, occasioned by the banking holidays. But it is our understanding that this money has been allotted Texas and that within the next few days the West Texas Chamber of Commerce will distribute checks covering March allotment. Probably sometime next week work will start again and another block of main street will be paved.

TRADES-SALES DAY DRAWS BIG CROWD

Farmers from all parts of Lamb and Bailey counties were here Monday to attend the Sudan Trades-Sales day. Much trading was done and the merchants report a good business despite the banking holidays. These first Monday Trades-Sales days will grow in popularity, and as time passes Trades-Sales day will be looked forward to with much interest.

Sudan is looking for you on this day and the merchants invite you to buy and sell in Sudan.

LAMB COUNTY COUNCIL

The Lamb County Council of Parent-Teacher Associations met in its regular quarterly meeting on Saturday, March 4th, at Sudan. About seventy-five representatives from the county, Littlefield, Amherst, Spring Lake, Spade, Olton and Sudan, enjoyed an enthusiastic meeting. Pending legislation at Austin which concerns schools was discussed and officers for the coming year were elected as follows: President, Mrs. Roy McQuarters, Spade; Vice-president, Mrs. Marvin McLarty, Sudan; Secretary, Mrs. Cloninger, Littlefield; Treasurer, Mrs. Drake, Spring Lake; Reporter, Mrs. S. D. Hay, Olton.

The "school beautiful" contest is to be continued for the summer and all schools are urged to enter now and compete for the loving cup which is to be given to the winner.

A number of readings, given by Sudan talent, were greatly enjoyed and twenty-five ladies, members of the Ladies Choral Club of the Amherst P. T. A. gave a beautiful musical number which inspired the rest of the council to "go home and urge our P. T. A. to sing."

After the program a social hour was indulged in and the home economics girls served punch and cake to all. The next meeting will be held at Spade School House on Saturday, June 3rd., at 2:30. Keep the date in mind.

Mr. and Mrs. E. E. Benton, of Tipton, Oklahoma, were attending to business matters in Sudan Friday. While here they were guests of Mr. and Mrs. J. K. Kerr, who were neighbors of Mr. and Mrs. Benton while they were located in Tipton.

Prizes for Saturday were awarded as follows: C. L. McKinley, \$3.00; J. W. Hanna, \$2.00; J. W. Moore, \$1.00; W. F. Lynch, \$1.00; Mrs. Payne, \$1.00; A. E. Wiseman, \$1.00; J. D. Sebring, \$1.00.

CONVENTIONS TO BE NUMEROUS

Austin, Texas, Feb.—Conventions of state or national interest will be numerous this spring at The University of Texas, when that institution will be joint host with the city of Austin to an even dozen meetings.

The Texas Conference on Child Health Protection will convene February 9, 10 and 11. The Texas Press Association will convene February 10 and 11, with Prof. Paul J. Thompson,

chairman of the department of journalism, on the program. He will speak on "Radio Broadcasting as a Competitor of Newspaper Advertising."

Hi-Y clubs of Texas will meet February 24, and the State-wide Older High School Boys' Conference convenes February 24, 25 and 26. One thousand boys from different towns in the State are expected to attend. "Youth Choosing a Life Work" will be the theme of the conference.

The State Interscholastic League basketball tournament with fourteen teams participating will be held March 10 and 11.

The Athletic Conference of American College Women meets April 18, 19 and 20. The conference is composed of women from leading universities and colleges in the country.

The Fourth Annual Round-Up and fiftieth anniversary of the University will be observed April 28, 29 and 30, with hundreds of former students returning for the celebration.

May 4, 5, and 6, are the dates for the State Meet of the Inter-

scholastic League. The Interscholastic League Press Conference is also scheduled to convene at the University in the spring.

DOCTOR LOSES HOGS

There seems to be an organized gang of thieves operating in this county that are stealing everything that they can lay their hands on. Dr. Jordan had the misfortune to lose a large herd of nice hogs last week, about forty head in all. This is very unfortunate and it is hoped that the guilty parties will be brought to justice and get the punishment that is due them. This gang of thieves needs to be broken up.—Cochran County News.

DISTRICT 2 LEAGUE MEET DATE IS SET

Lubbock.—Dates for the eighth annual District No 2 Interscholastic League meet at Texas Technological College were announced as Friday and Saturday, April 14 and 15, by Dr. Arthur W. Evans, director general.

Counties comprising the group and to which invitations have been sent are Andrews, Bailey, Cochran, Crosby, Dawson, Dickens, Floyd, Gaines, Garza, Hale, Hockley, Terry and Yoakum.

About the usual number of entries are expected this year. Dr. Evans said.

An added feature this year would be the annual show of the school of engineering, Dr. Evans stated. It will be held on the same dates as the league meet.

Directors of the contests are: Dr. William A. Jackson, debate; prof. J. T. Shaver, senior declamation; Prof. R. A. Mills, essay writing; Del Morgan, athletics; Miss Ruth Pirtle, extemporaneous speaking; Miss Annah Jo Pendleton, one-act play; Prof. W. R. Waghorne, music memory; Miss Mamie Wolfarth, typewriting, and Prof. F. A. Kleinschmidt, art.

DR. KNAPP DEFINES THE ELEMENTS OF EDUCATION

Lubbock, Texas.—Elements of good education, according to President Bradford Knapp of Texas Technological College are:

1. Knowledge of and skill in the use of the English language.
2. A good knowledge of the history of our civilization.
3. A thorough understanding of our government.
4. Training in economics and

sociology.

5. Some knowledge of health, hygiene, food, nutrition, diseases and their prevention.

6. Some subject should be taken for their cultural value in the development of individual knowledge and appreciation of art, literature foreign languages, and the esthetic side of life.

7. Training for a definite life work in some technical pursuit or professional line which will fit the student to perform service in an organized society.

BURSTING OF GUN FIRED IN SCHOOL PLAY KILLS GIRL, 15, FRIDAY NIGHT

Mary Lee Turner, 15, of Lamesa, was killed Friday night while performing in a school play 16 miles north of Lamesa, when a shotgun used in a play was fired and the barrel burst. Part of the barrel entered her body, lodging near her heart. The gun was fired by Millard Webb, principal of the school, at the end of an act in the play. The gun was loaded with blank shells which were filled with soap.

Mary Lee was the daughter of Mr. and Mrs. W. H. Turner, longtime residents of Lamesa.

FEEDING AND GRADING BROUGHT TURKEY PROFITS

College Station.—Because they balanced their turkey rations by feeding mash, prevented worm outbreaks, and graded carefully to get top prices, 983 farmers and club boys cooperating with Texas county agents in turkey demonstrations made an average profit last season of 93 cents per bird. There were 137,039 turkeys in these flocks, according to Paul Cunyus, assistant poultry husbandman in the Extension Service at Texas A. and M. College, and 93 per cent of them sold as No. 1 birds. Profits were less than half those of demonstrators of the preceding year due to an extreme drop in price, he says, but were decidedly higher than the average of the State.

WORLD WAR VETERANS TO MEET IN AMARILLO

Amarillo, March.—The largest assemblage of World War veterans the Panhandle has witnessed in recent years is expected here on Friday, March 17, when National Commander Louis A. Johnson comes to this city.

Hanson Post, American Legion is preparing to make this a gala day, with the expectation that more than 100 Legion Posts of this territory will be strongly represented.

The National Commander will arrive about noon and will be met here by State Commander Carl Nesbitt and other high ranking officers of the Legion. His arrival will be signalized by a parade through the business district, with bands, Legion drum corps, the high school cadet corps and other appropriate units in line.

In the evening, Commander Johnson will speak at the Municipal Auditorium, which seats 2,800 and will accommodate 3,500 on the principles and policies of the American Legion. All citizens interested in first-hand information as to the Legion's aims and ideals in the betterment of America are invited to hear this address. It will also be broadcast jointly by stations WDAG and KGRS (1410 kilocycles), beginning at 8:30 P. M. After the speaking, all visiting Legionnaires and their ladies are invited to be guests of Hanson Post at a reception and dance in the Legion clubrooms in the north wing of the Auditorium.

FOXWORTH-CALBRAITH LUMBER CO. COMPANY

Mother of 7—Still Young

THE woman who gives her organs the right stimulant need not worry about growing old. Her system doesn't stagnate; her face doesn't age. She has the health and "pep" that come from a lively liver and strong, active bowels. When you're sluggish and the system needs help, don't take a lot of "patent medicines." There's a famous doctor's prescription for just such cases, and every druggist keeps this standard preparation. It is made from fresh laxative herbs, active senna, and pure pepsin. Just ask for Dr. Caldwell's syrup pepsin. Take a little every day or so, until every organ in your body feels the big improvement. The next time you have a bilious headache, or feel all bound-up, take this delicious syrup instead of the usual cathartic. You'll be rid of all that poisonous waste, and you haven't weakened the bowels. You'll have a better appetite, and feel better in every way. The constant use of cathartics is often the cause of a sallow complexion and lines in the face. And so unnecessary! Would you like to break yourself of the cathartic habit? At the same time building health and vigor that protects you from frequent sick spells, headaches, and colds? Get a big bottle of Dr. Caldwell's syrup pepsin today. Use often enough to avoid those attacks of constipation. When you feel weak and run-down or a coated tongue or bad breath warns you the bowels need to be stimulated. Give it to children instead of strong laxatives that sap their strength. It isn't expensive.

Editorial

Are we all looking on the bright side of life? Of course, there are blue days and then again there are bright sunny days. The same applies to people. There are some folks who always see the dark side of every question; while there are others who can see the bright side. There is an old saying that every cloud has its silver lining.

If students of Sudan High want the best school possible, they must take on a wholesome attitude toward all school activities. We believe that this atmosphere is prevalent in our student body. We think we have the finest school possible for us to have and that we could justly feel proud of its progress.

Students, the people of the town and community are interested in you. Your cooperation makes this school a shining spot in the entire district. It just takes a good sport to line up for the best interests of all instead of a few. Sportsmanship is based on general good will and ability.

The Senior Party

The Seniors were entertained Friday night at Lela Burnham's home. A number of interesting games were played and enjoyed by all. Several mystery stories were told by Miss Sikes which kept the group mystified. Refreshments were served to following: Marjorie Alderson Bonds, Myrtle McLarty, Sophia ham, Frances Brewster, Juanita Bonds, Myrtle McLarty, Sophia Salem, Ben O'Keefe, Willie Mae Clements, Juanita Pierce, Eloise Weeks, Bernice Brothers, Winfred Wells, Doyle Baccus, Har-

land Barnes, James Ivey, Wayman Gordon, Edgar White, Radney Nichols, Mr. Smith, Miss Bobo and Miss Sikes.

Assembly Program

The assembly program last Wednesday was furnished by the debaters both boys and girls who will represent us in the County Tournament. They debated on the question which will be debated at the county meet which is: "Resolved, that at least one-half of all state and local revenue in Texas should be derived from sources other than taxes on tangible property." The girls, Frances Brewster and Myrtle McLarty, had the affirmative and the boys, James Ivey and Bernice Brothers had the negative. The affirmative won by several points.

Extemporaneous speeches were also given by Mary Luttrell and Arlie Beggs.

Athletics

Basketball season is over and the boys have started track and the girls have started volleyball. Miss Lewis is eliminating the volley ball girls down to the first and second teams this week.

The grade school boys are playing basketball and have started track also. They have beaten high school several times this week in basketball. The grade school girls are playing Volley ball also. They played high school Monday in a practice game.

Tennis is also proceeding in a 'big' way. Miss Reeves is the tennis coach and is a great influence to the tennis players.

HAMS AND BACONS TO BE SOLD AT MEAT SHOW, 23-24

Lubbock.—"Good ole Ham," like "papa" used to have, will be available for sale at the Quality Meat Show at Lubbock March 23 and 24, this year.

From 150 to 200 hams and about the same number of bacons, country cured, under the stander principles indorsed by the Texas A. & M. College, will go into a sale at the show. Hams and bacons, to qualify for the sale, must pass inspection of Roy W. Snyder, Meats Specialist, of the Texas Extension Service and be pronounced a standard product. The hams and bacons will be wrapped with ham rag, glassine and vegetable parchment paper, the same as any packer ham and will bear the standerd label, "South Plains Ham" and South Plains Bacon."

Heretofore, only a limited number of hams and bacons have been available for sale, but due to the heavy demand at both the first show in 1931 and the second show in 1932, exhibitors of those years have prepared for this third show, and will come here with plenty of meat to sell.

Regular market prices will be charged for the hams and bacons, the market on country cured meats being slightly higher than the premium packed hams.

The hams and bacons winning first, second and third places in the show, will be sold in the auction sale with the calves and pigs on the afternoon of March 24. Last year, the grand champion ham was brought by the Garner for President Club at one dollar per pound and was then shipped to John Garner at Washington where a feed was prepared for the Texas delegation at the National Capitol—with turnip greens on he side.—Garnet Reeves, Publicity Mgr., Lubbock Chamber of Commerce.

WE ARE NEEDING FEED AND FOOD

Many of our subscribers have brought in farm products to apply on their subscriptions and are in good standing with the News. But there are many more who are behind in their subscriptions and could help the editor out considerably at this time by bringing in some of the surplus farm produce. We can use thrashed-grain, corn, wheat, hogs, calves, cows, in fact anything but goats. We have no use for goats.

At this time the payment of subscriptions would be a big help to us as we are improving our establishment and naturally need something in the way of cash or supplies, to pay the boys who are doing the work.

Come along and see how many of our delinquent subscribers can pay up in the next ten days.

PUNY PUNS

Most anyone (?) can be a country newspaper editor. All the editor has to do (?) is sit at a desk six days of each week, four weeks of each month, twelve months of the year, and edit such stuff as this: "Mrs. Mit Hare, of Farmer, let a can opener slip last week

and cut herself in the pantry." "A mischevious lad of Sudan threw a stone and struck Mr. Ward in the alley last Tuesday." "Mr. Herbert Teal climbed on the roof of his house last week looking for a leak and fell, striking himself on the back porch."

"While a young man was escorting a Sudan young lady home from a party Saturday night, a savage dog attacked them and bit the young man several times on the public square."

"Lewis Ritchey playing with a cat Friday morning when it scratched him on the veranda." "Mr. Joe Moore, while harnessing a bronch last Monday was kicked just south of the corn crib."

In some cases, like the News office, this matter usually goes to the machine operator (in the rough) just as it comes in. This will explain why the operator seems out of sorts and "sorta" nervous when some one is looking on.

STATE SENATE, STRUGGLING TO INCREASE REVENUES WITHOUT ADDING TO BURDEN TAXPAYER

Austin, Tex.—The state senate, struggling for ways to increase revenues without adding to the burden of the taxpayer, soon will have its chance at a "windfall" of \$4,000,000 in added income yearly. This windfall is the Metcalfe bill, which passed the house by the overwhelming vote of 119 to 8, and which puts teeth in the enforcement of the state gasoline tax.

The measure is the outgrowth of complaints by State Comptroller George Sheppard, who has estimated that racketeers who evade the gas tax are robbing the state of millions each year because of inadequate provisions for enforcement in the present law.

Under the new bill the comptroller will be able to employ an adequate collection force, all gasoline carriers must be labeled, all adulterated or blended motor fuel must be labeled as such, and violation is made a felony.

"During debate in the house", said a statement of the Texas Good Roads Association today, it was frequently stated, and not disputed, that the state is losing at least \$4,000,000 in gas tax revenue through the enfor-mous and varied bootleg racket which finds vast profit in evading a high tax.

"What a hue and cry would be raised if yeggs broke into the state treasury in the night and made off with \$4,000,000! We would call out the dogs, organize score on score of posses, and neither eat nor sleep until the thieves had been caught. Yet robbery on this scale happens every year through organized, cunning racketeers who evade the gas tax.

"Not alone do the highways lose by this. One-fourth of this stolen tax money, or \$1,000,000, is lost to the common school and every year. Translate that into actual work, and you find it would pay the \$17.50 per capita allotment on over 57,000 children, or the yearly salaries of 1,000 teachers, or the \$143 free textbook allowance for 700,000 boys and girls.

"Another \$1,000,000 is lost to

the fund from which the state is now beginning to pay off outstanding county highway bonds. Here again, recovery of the money is vital, for the money now appropriated for the this purpose is not adequate to cover the entire amount this year, and a portion of the sinking fund charges is falling back upon the counties. Every citizen who pays county taxes is therefore affected in some degree.

"The remaining \$2,000,000 is, of course, lost to the highway fund; and everyone of the State's 1,250,000 motorists is vitally interested in this money. With highway funds radically reduced this year, only about \$7,000,000 of state money is expected to be available for new roads, and the recovery of this much bootleg revenue would add about 200 miles of new

construction on Texas' 9,000 miles of unpaved state highways."

Miss Charlsie Vereen and Miss Lillian Hunt and Eldon Nichols attended the Beauty Pageant at Lubbock Friday night, where Miss Hunt entered as "Miss Lamb County."

Misses Mary Vereen and Arlene Wyatt accompanied Mrs. G. D. Sharrock to Lubbock, Friday evening where they all attended the Beauty Pageant held at the Theatre.

Mr. and Mrs. Ed Aryain and children were visiting in Littlefield Sunday.

Mr. and Mrs. Paul Dill and daughter, spent Sunday in Olton with Mr. Dill's brother and family.
